Spring cleaning the hard way . . .

ADOPT A HIGHWAY took on an all new meaning for members of the Spearman Moose Lodge and the FHA Chapter this past weekend as they turned out in force to clean up litter off HWY 207 south of Spearman. Pictured at top are FHA members [l-r] Jana Pittman, Beatrice Lozano and Anna

Pacheco. In the bottom picture, Moose Lodge members [l-r] Verlae Behne and Bob Stewart bag trash from alongside the highway. The two groups hauled in 42 large garbage bags of trash from the roadside through Saturday afternoon.

Hansford Y kicks off '87 membership drive

The Hansford County Y will kick off its annual membership drive Thursday afternoon with a hamburger fry for drive workers and their spouses in the Swimming Pool Park in Spearman.

The 1987 Membership Drive goal has been set at \$25,000 by the Y board of Directors, reports Ritchie Thompson one of the co-chairman of the drive committee.

"This is the only fund raising we have during the year," Thompson reports. "This money will be used to keep our facility in operation during the upcoming year."

Membership fees for the Spearman facility are \$120 for family or individual fees are \$60 for adult and \$30 for youth. These are annual fees.

The Spearman facility boasts a physical fitness center with weight machine and sauna, gym facilities and a racquetball court.

There are year-round activities planned for both youth and adults with aerobics for adults and youth sports activities from baseball and soccer to football and basketball.

Activities during the year are free to Y members while non-members are charged a nominal fee for participation.

KELLIE MCWHIRTER
... Scholarship winner

"We would like to make this one of the most successful drive campaigns ever," declares Cindy Schneider, co-chairman with Thompson. "We know our district leaders, the team captains and their workers will do everything they can to make it just that."

District leaders for the 1987 Drive are Dick Gillaspie, Judith Schaefer and Barbara Townsen.

Spearman girl wins \$500 PTA scholarship

A graduating Spearman senior, Kellie Shay McWhirter, has been named the 1987 recipient of the District VIII PTA Scholarship. The active Spearman senior was chosen from over 50 applicants from the 22-county area included in District VIII.

The annual scholarship is funded through donations from all PTA organizations within the district and is currently valued at some \$500.

During Kellie's four years at Spearman high, she has been a member of the National Honor Society, a cheerleader, a member of the golf team, a member of Celebrate and the Spearman Lynx Chorale.

She has participated in One-Act Play contests and all of the musical productions including the lead role in "Annie" during her senior year.

Miss McWhirter has served as the Lions Club Sweetheart for three years and is an active member of the First Baptist Church.

She was chosen first chair in the Texas All-State Choir this past year and has participated in the Texas Baptist All-State Choir for two years.

Spring clean up campaign to begin Thursday

The city of Spearman will get a spring face lift beginning Thursday as the chamber of commerce Quality of Life committee swings into clean up action across the town.

"Make Spearman Colorful" is the theme for the week-long clean up campaign which will have special flowerbeds built by the Jaycees and finished out by the girl scout and cub scout organizations.

The special clean up - paint up - fix up observation will run for the entire week, spanning one weekend to the next, May 2-10.

The Quality of Life Committee itself will be out in force this Thursday, cleaning up around the bushes and pruning trees by Thriftway. They are working on getting wildflower seeds to be spread in the bar ditches.

Trees from the Adopt-A-Tree project will be planted this spring around the Jaycee ballpark and concession area.

And The First Methodist Youth group are making themselves available for clean up work around the town for the price of a donation to their organization.

Anyone needing some help with their clean up work can call Judith Schaeffer at 659-2468 to make arrangements for a young man or lady to help.

New deadlines are announced

Deadlines for the Thursday Spearman Reporter and the Gruver Statesman will be swapped beginning next week with the Gruver paper going to press on Tuesday afternoon and the Reporter on Wednesday.

The change is being made to facilitate timely information in both newspapers, reports publisher James C. Jarrett.

"We ask everyone to make special note of the new deadlines and to bear with us as we continue to make minor changes to our newspapers," Jarrett notes.

Articles which need to appear in both newspapers will need to be turned in by 9 a.m. each Tuesday as do Gruver articles. Information for the Spearman paper should be turned in no later than 4 p.m. that same day.

"We want to make the news as timely as possible," the publisher notes. "We appreciate all the help and co-operation everyone has shown us."

Urban and Alan Beeson in boys doubles.

The Spearman trio placed second in their respective district divisions.

In track, sophomore Heath Murrell will be competing in five different events -- 100-meter hurdles, 400 meter dash, 1600-meter relay, high jump and triple jump.

This past weekend, the Lynxette speedster took third in the Panhandle Regional Qualifier's high jump event with a leap of 5-2.

She ran away with top honors in the 400-meter run with a time of 57.48 seconds, making the petite Spearman sophomore the owner of one of the fastest times in the entire Panhandle region.

Matt Tucker claimed a first place toss in the shot put at Panhandle with a heft of 55-9 1/2 while teammate Kris York placed third in the 800-meter run with a time of 2:02.85.

The regional meet in Big Spring will have class AA teams from across the Top of Texas vying for first and second place qualifying finishes as these will then earn berths to the coveted state finals in Austin.

In regional competition the Lynxettes will have Shannon Jenkins in the shot put. Miss Jenkins won the district meet to advance to regionals action.

The 1600-meter relay team of Murrell, Mechelle Graham, Laci Lasater and Michelle Cook won the district 1-AA meet to advance to the big Spring tourney.

On the boys side of the roster, Jerold Bian won the district 3200-meter run to advance to regionals while Kris York placed second in the 800-meter run to gain a berth in the big Spring meet.

Matt Tucker will be representing the district in the shot and the discus -- events he finished at first and second in 1-AA competition.

SISD trustees interview prospective cage coaches

The Spearman Independent School District board of trustees came a step closer to hiring new boys and girls basketball coaches this week following two rounds of interviews behind closed doors.

The two executive sessions on Monday and Tuesday evenings saw the SISD board meeting and interview a total of five coaches interested in the Spearman Lynx and Lynxette positions.

"We haven't made a final decision or an offer at this point," notes SISD superintendent Larry Butler. "We hope to hire both positions soon."

In a long session Monday, trustees interviewed three coaches for the boys basketball position.

Coaches interviewed were Joe Baze of Enla, H. M. Garrett of Petersburg and Brian McCullough of Cisco. All three coaches have run successful

Services held for long time Hansford banker

Services for Clay A. Gibner, a Hansford county pioneer and longtime banking and civic leader, were held Tuesday afternoon in Spearman.

Mr. Gibner -- Mayor of Spearman from 1948 to 1958 -- died Sunday in Amarillo. He had served as president of the First State Bank in Spearman from 1952 to 1982 and was chairman of the board of directors at the time of his death.

The affable bank chairman came to Hansford county in 1917 and began his banking career in 1919.

In 1930, Mr. Gibner became vice-president of the First State Bank until being named as bank president in 1952. When he joined the First State Bank staff in 1930, the deposits were \$154,000 and today the deposits of the bank are over \$61 million.

Active in community affairs, Mr. Gibner not only was mayor of Spearman, but served as president of the Spearman Chamber of Commerce as well. He was a charter member of the Spearman Lions Club.

Mr. Gibner was a member of the First United Methodist Church of Spearman, Masonic Lodge No. 1040, Khiva Temple and Scottish Rite. He received his 50-year pin in the Masonic Blue Lodge in 1973 and served as a Shriner member for more than 63 years.

Active in the banking fraternity outside of his own bank, Mr. Gibner served as president of the Panhandle Bankers Association during 1933-34 and served on the banking section of the Finance Commission of Texas two different terms.

The veteran Spearman banker was married to Hazel Lowe in 1925 at

Spearman. She preceeded him in death in 1982. He was also preceeded in death by a son Peyton, in 1977.

Burial for Mr. Gibner was held in Hansford Cemetery by Boxwell Brothers Funeral Home. The Rev. Lane Boyd, pastor of the First United Methodist Church, officiated.

Survivors include one daughter, Verna Lee Shirley of Spearman; two brothers, Pope and J.W., both of Spearman; one sister, Beatrice Hiler of San Diego; four grandchildren; and one great-grandson.

At presstime Thursday, the SISD board was scheduled to interview a pair of girls coaches, Bill Schneider of Tulia and Phil Swinson of Hamlin.

Among the Neighbors

by Helen Fisher

A Pair of ex-Hansford country girls were pictured in the Sunday Amarillo News, practicing dice shots, Candy Thoreson Hicks and Rajan Martin Trafton. However, before stating that they perfected this game in Hansford county, it was learned that they were publicizing the Diamond and Denim Party, a benefit for the Big Brothers/Big Sisters as part of the United Fund.

A group of old friends gathered to observe the birthdays of three of them at the Pizza Hut on Friday. Present were Mr. and Mrs. Owen Pendergraft, Raymond Kirk, W.E. Sparks, Phil Jenkins and Maudine Patterson, Darlene Howell, and Raymond Sparks. The honorees were Owen, W.E., and Raymond Kirk.

Trena Nuckels, daughter of the Reverend and Mrs. David Nuckels, received her diploma from the American Commercial College of Lubbock recently. Trena graduated with an A average in business administration.

Sue White, who has been visiting here for a week, returned to her home at Alba, on Fork Lake. her granddaughter, Candace Boyett, went home with her for a short stay.

Mrs. Fleda Studer is visiting in the home of her daughter, Mrs. Johanne Blodgett for several weeks. Mrs. Studer, 91, is a member of a pioneer family of Hemphill County and is to be honored on Mother's Day at the Presbyterian Church in Canadian. This church will be observing its 100th anniversary next year and Mrs. Studer's mother was a charter member.

Mrs. Studer now makes her home in Lubbock with another daughter. She came for the home tour, with LaJeune Buck, of Lubbock, who is an old friend of the Blodgetts and has been a house guest for several days.

Garland Head sustained painful, but not serious injury, one day last week while working on a farm implement. A wrench slipped causing him to fall backward and strike a steel bar and disc. He was not hospitalized but was confined to his home for a few days.

Norma Jean Mackie received her County Treasurer's Certificate at College Station after attending the Treasurers registered. The Treasurers from Lipscomb and Hutchinson Counties accompanied Mrs. Mackie.

Mrs. Ora Lee Blackburn returned Wednesday from a ten day trip to South Texas. She accompanied her daughter, Bodil Stackhouse of Amarillo and Mrs. Marquette of Dumas. They spent some time with Eddie Lee and his family of Houston in the beach house on the Gulf. Then they visited Bill Blackburn and family at Llano. On the return trip they spent some time at

Kerrville with friends. Bodil is now recovering from a broken foot with which she had complications.

Boyd Rice returned Monday from Ashland, Kansas where he had taken some horses which he had trained for the Cutting Horse Meet. He placed in four events - including the open, novice, and twice in the gelding. Terry Butt and Rex Ralston accompanied him. Twelve year old Rex placed second in the youth class although it was his first show. He is the son of Mr. and Mrs. Dan Ralston.

Guests of Mrs. Dorothy Longley for several days were her daughter and family, Delores and George Waggin and children of Wynona, Oklahoma. They were here to attend the funeral at Stratford on Monday of Mrs. Mary Moulton, 90, mother of Mrs. Longley.

Mr. and Mrs. Jamie Creamer of Harrah, Oklahoma spent the weekend here with her parents, Mr. and Mrs. Willie Seitz. Willie is confined to his home in a wheel chair since he broke his hip last year.

Judge and Mrs. J.E. Blackburn were thrilled Sunday attending the opera Medium when their daughter, Denise Ivey, performed. It was in Canyon and Adrian and Mrs. Ora Lee Blackburn accompanied them. Denise is a senior music education major at West Texas University.

More than 500 participated in the Home Tour on Saturday and Sunday for the benefit of the XI Zeta Upsilon Chapter of Beta Sigma Phi Sorority as Mr. and Mrs. Ralph Blodgett were kind enough to pen their new home for the tour. Contrary to expectations neither a map nor a compass was needed to tour the spacious home, since the attractive and charming members of the sorority assisted in showing it. The gracious, unassuming Johanne Blodgett explained various aspects while Ralph demonstrated that he is equally knowledgeable concerning art, carpets, architecture, etc. as he is in the oil, grain and city business.

Spearman has suffered a loss and some of its identity with the passing of Clay Gibner. He has been integral part of Spearman since the town was first organized. Many a person has memories of Clay in connection with first venturing into business, or farming.

Spearman has always been justly proud of the young people who forge careers for themselves, and the latest is Lyn Hohertz, daughter of Mr. and Mrs. Bob Hohertz. They have been in Lubbock for several days assisting her in preparation for spending nearly a year in Australia. Lyn is flying to Melbourne and will drive to Geelong where she will enter the University of Australia to work for her Masters Degree in Journalism. She is sponsored by Rotary International and will serve as Rotary Ambassador and travel all over Australia. Lyn is on leave as Editor of the Family News Section of the Lubbock Avalanche-Journal.

Recently an additional honor was awarded Lyn when the Board of Advisors of Outstanding American Women selected her as one of the 1986 Outstanding Young Women of America in recognition of her civic and professional achievements.

First National observes second anniversary date

First National Bank, Spearman celebrated its second anniversary on Friday with an open house and refreshments for the bank's guests. A steady stream of customers, stockholders, and friends came in to help celebrate and congratulate the bank on its success.

The First National Bank opened for business April 24, 1985, with initial capital of \$2,000,000.00 and 90 stockholders from the local area. In its first two years it has grown to \$18,433,971.00 in total assets and \$16,178,665.00 in local deposits.

When asked about the bank's success, Don Townsen, President and

CEO commented:

"The bank's success says a lot about the economic condition of the area and the commitment of our directors and stockholders to the future of Spearman and Hansford County."

In a recent Uniform Bank Performance Report comparing our bank with its peer group of 635 banks in the nation, that were less than three years old at year end, it was evident that First National Bank, Spearman is among the top in the nation in growth and earnings."

"To support this type of growth earnings the local economy must be stronger and more stable than most people realize," he states.

First National Bank currently has eleven employees, including - Bill D. Pittman, Chairman; Don Townsen, President and CEO; Felma B. Evans, Vice President and Cashier; Tindle Ramon, Assistant Cashier;

Arbata Nobles, Executive Secretary; Betty Elbert, Secretary; Beverly Jenkins, Loan Clerk; Kathy Boyd, Teller; Wanda Lewis, Computer Operator; Edna Lee Grimmer, Proof Operator; and Brenda Pierson, Teller.

REGAL GOLD SEAL GENERIC DRUGS

REVCO RECOMMENDS GENERICS FOR GUARANTEED QUALITY AND SAVINGS

What is a generic drug?

A generic drug is a pharmaceutical that is manufactured and sold using the common or chemical name. For example, Hydrochlorothiazide is the common name for Hydrodiuril, a leading diuretic.

How can generic drugs mean savings for you?

Brand name products are priced so manufacturers can recover marketing and developmental costs. After the patent expires, a drug becomes common property and can be produced without royalties or fees. Increased competition between manufacturers provides low drug costs which means your Revco pharmacist can save you money.

Revco has attempted to order what we feel to be sufficient quantities.
