Food Sense □ Not Nonsense

Just Right for the Job

A dog has to be cut out for the job—be neither too big nor too small—to snare a hare holing up in a hollow log. For a man to snare his prize—a longer life and a fit one—research indicates that the nutrients in the food he eats also may have to be cut out for the job. Too much protein or too little may get in his way.

In a recent symposium on overnutrition, Dr. Elias Halac of the New York University School of Medicine reported results of his research on protein which point toward this conclusion: Animals withstand stress better when their food contains a normal, rather than an exaggerated, amount of protein. On a normal protein diet, animals were better able to endure exhausting exercise, lack of water, lack of food and water. They lived longer. And, contrary to many assumptions, extra-large amounts of protein offered no carryover protection for animals who were later deprived of all protein.

Most of us Americans get plenty of protein in the food we eat. U.S. Department of Agriculture reports that the average person consumes 30 percent more protein than the amount recommended by the top nutritionists who make up the Food and Nutrition Board of the National Research Council. We can easily get the recommended amount of protein each day by eating the good way:

• 5 ounces of meat, poultry, fish, eggs, dry peas or beans • 2 servings of milk or cheese • 3 servings of vegetables • 6 servings of enriched or whole grain bread or other cereal foods.

The nutritionists continue to emphasize our need to keep a balance among the calorie-carrying nutrients—protein, carbohydrate, fat—if we want to snare our prize, a longer life and a fit one.

Mexican National Workers in Floyd

Not To Exceed 800

The Texas Employment Commission has been notified that the Secretary of Labor has certified to a shortage of workers for this area and a ceiling on the employment of Mexican Nationals agriculture workers is as follows:

In Floyd County the number of Mexican Nationals who may be employed in this area from June 1 to July 31, 1962 may not exceed 800.

The agriculture work for which these workers may be employed is cotton, vegetables, grain, farm and ranch hands.

This ceiling on employment is subject to revision as agriculture activities are completed, or whenever domestic (citizen) workers become available.

Hi-Plains Highlights

Cotton growers in the High Plains are continually striving to improve both the quality and yield of their cotton. Tests on one of the methods, mechanical topping of cotton, were conducted by Jim Valliant, Agricultural Engineer, at the High Plains Research Foundation last year.

The two varieties of cotton used in the test represented both open boll and storm-proof cottons. On September 14, the cotton was topped with a topping machine. The cotton plant was cut just above the topmost mature bolls, eliminating top foliage, small bolls and square.

The net return per acre for the untopped stormproof was higher (\$168.18) than the topped cotton of the same variety (\$155.15). However, the reverse was true for open boll variety. Topped open boll yielded a net return of \$223.35 as compared to \$198.17 for the untopped.

Mr. Valliant also reports that no improvement in grade was detected in the topped cotton. The increase in yield of the open boll variety of cotton may have been due to the abundance of sunlight on mature bolls stimulating a longer growing season. This experiment will be conducted again in 1962.

Johnson Family Has A Busy Day

Three nieces of Mrs. Warner Johnson, who were here for the funeral of their uncle last week, Barry Brister, had the misfortune of sustaining injuries to themselves on the day of the funeral Wednesday.

All were gathered at the home of Mrs. Johnson including Mrs. Brister and son, the parents of the deceased; two brothers and their families and three of the sisters and their families and Mrs. Johnson and her family along with distant relatives and their families.

Mrs. Johnson said the first occurrence of the pattern of accidents occurred shortly before noon when Vida Weatherford, five year old daughter of Mr. and Mrs. Aubrey Weatherford of Austin, tumbled off the porch and sustained a bump on the head. She was taken by car to Crosbyton Hospital where she was x-rayed and found to have no serious injuries.

The busy day continued with the second accident occurring as the family was leaving the cemetery at McAdoo. Vanella Murphree, eight year old daughter of Mr. and Mrs. Carl Murphree of Corpus Christi, accidentally got her hand in a car door and sustained a bad bruise.

Later in the evening after the family had returned to the Johnson home, Anita Brister, four year old daughter of Mr. and Mrs. Edwin Brister of Dayton, Ohio, complained to her mother of a sore throat. Her mother, busy at the time, told her the baby aspirins were in the car and she would get them in a few minutes. Unknowingly to the adults the youngest went to the car, found the aspirins and before she was noticed by other children, had chewed and swallowed 18.

She was rushed to Crosbyton Hospital where her stomach was pumped out and in a matter of

several hours was feeling her usual self. Mrs. Johnson said however the doctor told them the dose could have been fatal had she gone unnoticed a brief time.

Mrs. Johnson said the remainder of the stay here by relatives went along normally with no other incidents, and all left for home the following day with the exception of another niece, Sue Murphree of Corpus Christi, who remained for a longer visit.

Dimmitt Man And Former Resident Claimed Monday

William A. Dowty, 45, husband of the former Virginia Holmes, daughter of Mr. and Mrs. Kellar Holmes of Floydada, died Monday in John Sealy Hospital at Galveston. He was a resident of Dimmitt where he was employed by Phillips Petroleum Co. Dowty had been in the hospital about a week and critically ill most of the time.

Rites were held yesterday afternoon in the First Baptist Church in Dimmitt with burial in Castro Memorial Gardens.

Dowty was born Sept. 28, 1916 in Johnson County, Tenn. He came to Floyd County and farmed here for several years and was married here before he and his wife and only child moved to Dimmitt.

Survivors include his wife and daughter, Terry Joane of the home; his stepmother of Fort Worth; five sisters and seven brothers.

Floydada 4-H Club Holds Annual Sale

By Billy Finley

The Floydada 4-H Club held their annual bake sale on Saturday, June 16, at Bishop Motor Company. Billy Finley was general chairman of the sale with the following committees serving with him: Advertising committee, Kaye Finley, chairman, Theresa Colston, Brenda Willis and Will Sidor; arrangements committee, Lindsey Lovell, chairman, Margaret Graham, Roy Dale Kendrick, Loy Ogden and Terry James; telephone committee, Johnny Lackey, chairman Jody James, Larry Ogden and Joe Christian.

Due to the wonderful response of the public and the cooperation of the club members the sale was a huge success. The bake sale is the only money making plant. When his health began to fail they moved to DeQueen where he went into semi-retire-

KILL BIG CAT IN BLANCO CANYON — E. D. Morgan is shown here with a 37 pound bob cat that was killed Wednesday morning just west of Floydada Country Club in Blanco Canyon. The cat was shot by Bobby Westfall after being cornered by three good hunting dogs. Morgan said his dog Queen, a Blue Tick hunter, shown in the picture, and his sons dog Kip a mixed Collie and Doberman Pincer started chasing the cat about 11:00 p.m. Tuesday night just east of the Baptist Encampment.

Sam Gilbert's dog Nigger joined the chase as it made one of the passes through the club grounds during the night. Wednesday morning after sun-up Westfall and Gilbert went to the dogs after they had run the cat down and Bobby shot the animal. The cat stood two feet high and measured 44 inches from back feet to nose when stretched out.

F. E. (Gene) Hines Former Resident Dies In DeQueen

F. E. Hines (better known as Gene) died in a DeQueen, Ark. Hospital June 3rd. Hines had been in failing health for the past three years suffering from a blood clot, which caused his death.

The Hines family had formerly lived in Floyd County residing for several years in the Barwise Community and at Sandhill. They moved from here in 1945 to DeQueen where he was engaged in farming mail them to Mrs. F. E. Hines, Route 2, Box 123, DeQueen, Ark.

He purchased a farm and was engaged in stock farming. Later his son, Joe, who was serving with the air force, was discharged in order to assist his father in his business.

His remains were transferred by train to Phoenix for burial Monday night of last week the deceased's wife and son and Mrs. Joe Hines, were guests overnight here with the Earl Pierce family. They were enroute home from the funeral.

The Pierces and Hines were former neighbors when they lived at Barwise and Sandhill. Former friends in this area wishing to send condolence cards may mail them to Mrs. F. E. Hines, Route 2, Box 123, DeQueen, Ark.

involved, according to sheriff's office reports.

Deputy Foster Amburn, who investigated the accident, said Mrs. Jane Cook Thomas of Corpus Christi, was driver of the 1956 Lincoln, owned by her parents, Mr. and Mrs. Dan M. Cook late Mrs. Huff. Mrs. Huff has been of 823 Austin in Plainview. Mrs. Cook was a passenger in the car. The Slover family had been to the wedding ceremony Friday of Childress to visit her parents and a granddaughter. Mr. Burk is a were enroute home with Mr. grandson of Mr. Huff.

There are eight remaining children of the 11 born to Mr. and Mrs. Huff and all were present for the occasion. There are five generations in the family and all the Lincoln had stalled out, and Mrs. Thomas, also going west, applied her brakes suddenly to avoid a collision when her vehicle was struck in the rear by the 1961 Ford driven by Slover.

The front end of the Ford was badly damaged and light damage resulted to the rear left portion of the Lincoln.

During the sand and wind storm shortly after the accident two other vehicles, pick-up and car, sideswiped each other at the scene but caused no damages or injuries.

HARVEST OF VALUES

at Floydada, Tex., Starting Friday, June 22

The Capada Drive-In Tonight and Friday
Pleasure of His Comany, starring Debbie
Fred Astaire, Lilli Palmer and Tab Hunter.

Listed on these pages are some of the
HOTTEST BUYS in TOWN... see these
and many more marked in the stores of
FLOYDADA.

**ALL ROADS LEAD TO FLOYD-
ADA'S ANNUAL HARVEST OF
VALUES TOWN-WIDE SALE.**

Nothing has been spared as
merchants in Floydada prepared
for their Annual Harvest of Val-
ues sales promotion. So well
was the event received last June
that Floydada business men are
out doing themselves this year
and show area shoppers their ap-
preciation for the wonderful re-
sponse to the annual event.

Starting on Friday, June 22,
the stores and shops of the town
are running their top quality mer-
chandise at low low prices. The
big sale will continue through

Tuesday, June 26 for all partici-
pating firms and many are ex-
tending the event through several
more days.

Look through the following
pages and what wonderful buys
are in store for you in Floydada.
There is ready to wear for all
members of the family in the de-
partment stores and in the speci-
alty shops the visitor can look
over a good selection for men and
boys, for the ladies and misses,
maternity and infants wear.
Household items have not been
neglected and there are any num-
ber of big value buys in this de-
partment also.

In the grocery stores merchants
have big stocks of staple and
fancy groceries especially priced
for this event. In the furniture
line there are bargain buys for
every room of the house including
popular nationally advertised ap-
pliances.

And for the farmer and ranch-
er there are implement houses,
repair shops and farm chemical
stores that offer services that
are unsurpassed and in many
towns not even available. Check
the individual advertisements and
you will find the trip to Floydada
would be well worth your while.

Those who are seeking amuse-
ment will find movies showing
each evening at Floydada's the-
atres, swimming daily at the coun-
try club, golfing at the country
club, the city parks offer tennis,
basketball and boys league base-
ball each evening and for the
readers there is always some-
thing of interest at the Floyd
County Library.

The city's cafes offer a variety
of fine foods and soft drinks al-
ong with ice creams and malts.

Visitors on Father's Day in the
home of Mr. and Mrs. R. E.
Young were two of their child-
ren and their families, Mr and
Mrs. Derrel Young, Rance and
Corlin of Lubbock, and Mr. and
Mrs. Dou Meriwether and Mon-
ty of Lockney. Other houseguests
included a cousin of Mrs. Young,
Mrs. Arthur Ray, her husband
and grandbaby, Jennie Sue of
Hale Center. The Derrel Youngs
also visited her parents, Mr. and
Mrs. Pike Hanna.

So. Plains News

By Mrs. Murray Julian

SOUTH PLAINS, June 18 — The Baptist Church here was well attended Sunday morning with visitors, Mr. and Mrs. Larry Smitherman of Denver, Colo., and Mrs. Karl Craig of Clovis, N. Mex. Dr. Fred Howard of Plainview brought two wonderful sermons. Remember that Rev. Bill Dudley of Shamrock, Okla., will fill the pulpit next Sunday for both services. Everyone should come and bring someone with him.

We had heavy rains last Monday night, but no rain here since then, we are glad to say. Most of the farmers have had to fight rain, hail and blowing sand the past two weeks. Some have just finished planting cotton over, and some are trying to leave part of what they have left. Seven and more inches has fallen here the past two weeks, and wheat, cotton, and maize has suffered from the weather. Almost every day we hear tornado reports.

Some of the wheat is yet uncut, but that is mostly irrigated wheat and too green, but some fields are still too wet to get into. Yields reported have been as much as 30 bushels to the acre for an average on the Ernest Newton place, and 35-40 bushels average reported by the Marble Bros. on some of their fields. Some have had 65 percent hail damage, so those yields are very low.

Mr. and Mrs. Gilbert Bean of Lockney attended Sunday morning church services here then went to the home with Mr. and Mrs. Shelby Calahan and family to have dinner there.

The Young People of the Baptist Church met at the home of their Sunday School teacher, Mrs. Burks, Friday night for a hamburger cookout. Present for the supper were Sue Wilson, Yvonne Karr, Nathan Mulder, Dennis Deavenport, and J. Ronald Taylor, with hosts, Mr. and Mrs. Roy Burks.

The Frank McClures returned home from Houston Friday. Boyd Dale McClure of Rosbyton and Frankie Wayne McClure of Houston came with them to spend some time with their grandparents.

Mrs. Alvin Nichols left Saturday for Sweetwater to spend the week end with their daughter, the Glen Whitfils. They brought their granddaughter, Cindy, home with them for several weeks stay.

Mrs. Elmo Reeves and Mrs. Fred Fortenberry attended the Open House Sunday afternoon for the new beautiful Sterley Community Center, which was transformed from the old schoolhouse by the farmers and others who did all the work of renovating, and is now to be used by everyone for all community affairs.

Steele Deavenport, son of the Loyd Deavenports here recently took part in Grand Slam I, a 5-day Central Army Group exercise in Germany. Steele is a pole line man in the 25th Signal Battalion Company B in Karlsruhe, Germany, and has been in the army since 1959, and overseas since March, 1960.

Don Probasco and E. J. Kinslow attended the country wide meeting of the Floyd County Irrigation Gas Users Assn., in Floydada at the Courthouse Friday night.

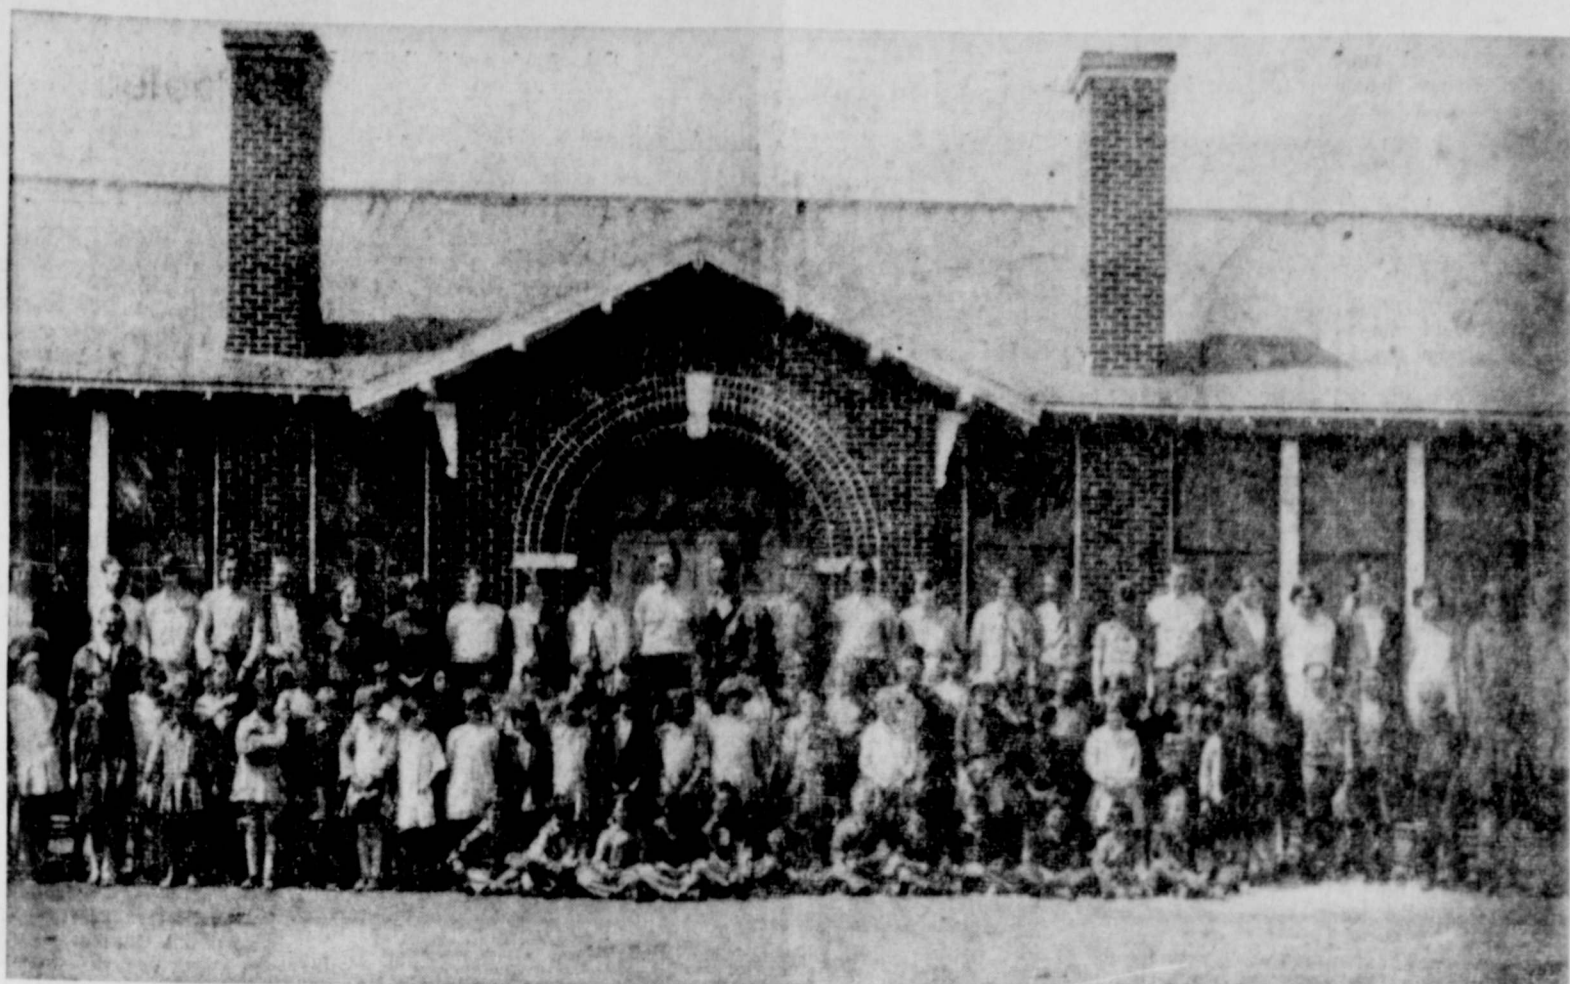

Dinner guests and afternoon visitors in the home of Mr. and Mrs. H. S. Calahan Jr., and children were the pastor, Dr. Fred Howard of Plainview, Mr. and Mrs. Sylvain Kinnibrough, and June's father, Mr. and Mrs. Clarence Foster of Floydada.

Mr. and Mrs. Murray Julian got home from Albuquerque, N. Mex., Tuesday night after they had been there several days for the funeral services of her niece Mrs. Ray Hulick of Alexandria, Va.

Mrs. Ruth Burnett of San Antonio and Mrs. Walter Brown, Toni, Nancy, and Robbie of Amarillo came Wednesday to spend the day with Mr. and Mrs. Murray Julian and Bruce. The Browns returned home that night, but Mrs. Burnett remained the week until Friday afternoon they were called to Abilene by the death of Murray's and Mrs. Burnett's aunt, Mrs. W. F. Joiner, of Caps. They all had Friday luncheon with Mr. and Mrs. Terry Julian of Roscoe, and all attended the services together in Abilene.

Mr. and Mrs. Frank McClure were called to Quitaque Sunday afternoon for the funeral services of his uncle, J. L. Bradley, 76, of Quitaque. Services were held at the Quitaque Schoolhouse. He had been in ill health for some time, having recently sustained a broken hip.

Miss JoAnn Newton, daughter of Mr. and Mrs. Ernest Newton, has moved to Dallas the past

Seen above is the Sunset School, picture taken in 1928, just a few years after the building was erected. The only change is that now the youngsters in the picture are grown, married and have children of their own and the building is now located at South Plains where school is still being held each year, under the name of South Plains School. A class reunion of those seen above will gather in the same building on July 15 for an all day celebration. (See related story elsewhere).

Sunset School Class Reunion To Be July 15

A reunion of the Sunset School class of 1927 - 28 will be held July 15 at the South Plains School. The affair will be an all day occasion and members of the class attending are asked to bring a basket lunch.

There will be no speaker, no program is planned, but there will be plenty of time for visiting and reminiscing according to the planning committee given Friday afternoon in the home of Mrs. Raymond Upton and Mr. ad Mrs. I. H. Parks.

The picture above was taken of the class of 1928. Some were identified while others were remembered by last names only. Among them are Glenn Jarnigan, Nina Calahan Upton, Raymond Upton, Oleta Orman Collier, W. L. Orman, Carl Jarrett, Shelby Calahan, Doodie Milton, Lowell Jarrett, Helen Calahan Karr, Ruth Childress Smitherman, Mildred Davenport Thornton, Maurice Sherer Parks, and those by last names listed are Myus, Edmond, Phegley, Lyles, Simpson, Knerium, Bradshaw, Haverty, Bircham, Wooten, Wallace, Gililand, Agee, Hawkins, Counts, Nelson, Harper, Long, Hunter, Leach, Pittman and West. Miss Pearl Coward, Mr. McCloud and Verna Snodgrass, teachers.

The relatively new Sunset School building was torn down in 1928 and moved to South Plains where it was rebuilt, and is now known as South Plains School.

week, and Saturday began employment at the large White Auto Store there in Dallas. She will make her home there with a friend formerly of Floydada.

Mr. and Mrs. E. J. Kinslow went to Lubbock Sunday afternoon to visit his parents, Mr. and Mrs. D. E. Kinslow, and found his mother was out of the hospital, and doing better. His parents are preparing to move into Lubbock from their farm which was near Reese Air Force Base. Barry Kinslow has been home with his folks for 3 weeks, and plans to spend the summer here, then enter West Texas State College at Canyon this fall.

A large rattlesnake was killed Wednesday at the Murray Julian residence. It has been several years since a rattlesnake has been seen around the farmhouse.

Sunday dinner guests with Mr. and Mrs. Fred Fortenberry were Mr. and Mrs. Elmo Reeves and Mr. and Mrs. Doug Reeves and three children, who live north of Lone Star. They enjoyed dinner, and a freezer of homemade ice cream.

Mr. and Mrs. Eugene Beedy and Mark went to McCoy Sunday to have dinner in the home of her parents, Mr. and Mrs. E. M. Jackson and Lynn.

The Sylvain Kinnibroughs went to Ralls Sunday afternoon to visit his grandparents, Mr. and Mrs. F. M. McCuiston.

Mr. and Mrs. H. H. Hunt of Stephenville came this Monday to spend the day and night here with her nephew, Mr. and Mrs. Frank McClure. They had also attended the funeral of J. L. Bradley in Quitaque.

The Baptist Church pulpit committee consisting of Bryan Karr, L. N. Johnson, Garvin Beedy, Roy Lums and Bob Reeves went to the Lums Chapel, 6 miles south of Littlefield Sunday to hear a preacher.

Mr. and Mrs. Donald Bean, Judi and Mike had as dinner guests Sunday her brother, Mr. and Mrs. Jack Cobb of Tulsa.

Sim Reeves of Memphis came this Monday to help son, Bob, and Raymond Reeves with the wheat harvest during the coming

week.

Mr. and Mrs. Ernest Newton were among those from here who attended the funeral services of Mr. A. C. Jackson, which was held Sunday in the Floydada First Baptist Church. Mrs. Garvin Beedy gave a special musical number at the services.

Mr. and Mrs. Elmo Fortenberry and girls of Hereford were here Thursday for a birthday dinner and a pre-Fathers Day dinner honoring his father, Fred Fortenberry in the home of the Fortenberrys.

Bridal Shower Honors Mrs. Larry Smitherman

Mrs. Larry Smitherman, Nee Miss Marlene Adams of Denver, Colo., was named honoree at a miscellaneous wedding shower given Friday afternoon in the home of Mrs. Raymond Upton in South Plains. Calling hours were from 4:00 to 6:00. Hostesses for the party included Mmes. Raymond Upton, L. T. Wood, John Wilson, Roy Bledsie, Arby Mulder, Murray Julian, Bryan Karr, Harry Hartman, Bryant Higginbotham, George West, Grigsby Milton, Early Pritchett, John Key West, I. H. Parks, and Mrs. Owen Thornton of Lockney.

The dining table was laid with a beautiful white linen cloth, and centered with a lovely arrangement of orchid mums and gladiolus. A lovely milk glass punch bowl was used and grape punch, white cake squares with white mints were served. The brides chosen colors of orchid and white was used in the decorations. The bride and her mother-in-law, Mrs. Ernest Smitherman, and her sister-in-law, Mrs. Philip Smitherman were presented lovely white mum corsages.

Presiding at the brides book was Mrs. Philip Smitherman, and Mrs. Roy Bledsie poured, at the serving area.

The bride was presented stainless steel cook wear by the hostesses. The party was a come and go affair, and guests who called during the afternoon numbered around thirty-five. Many others sent gifts.

Mr. and Mrs. Sylvain Kinnibrough and Marilyn went to Truscott and Vera to stay Tuesday and Wednesday to visit their parents, and the girls have remained there to visit for two weeks.

Visitors in the home of Mr. and Mrs. Bob Reeves and children Sunday afternoon were Mr. and Mrs. L. M. Graham and three children of Texas Tech at Lubbock, where he is an instructor in the engineering department.

Mrs. Ruth Burnett and Mrs. Murray Julian visited in the home of Mrs. Walter Wood on Thursday afternoon.

Mrs. Ernest Smitherman was in the Plainview Hospital and Clinic Monday and Tuesday undergoing some tests.

The South Plains Garden Club met in the home of Mrs. Marvin Wells Thursday afternoon, June 7, for an organizational meeting. Present were Mmes. Tillman Powell, Keith Marble, Don Probasco, Fred Marble, Eugene Beedy, Don Marble, Hollis Shewmake and hostess Mrs. Wells. The next meeting of the club will be this Thursday, June 21, at 3 o'clock in the home of Mrs. Don Marble. All are invited to attend.

Mr. and Mrs. Philip Smitherman entertained in their home Saturday night with a get together honoring Mr. and Mrs. Larry Smitherman. It also was the birthday of Larry. Cake and ice cream was enjoyed by everyone. Attending were Mr. and Mrs. Ernest Smitherman, Mr. and Mrs. Raymond Reeves and Carol Ann, P. M. Smitherman, Mr. and Mrs. Philip Smitherman, Mark and Monty, and the honorees, Mr. and Mrs. Larry Smitherman, who returned here Monday following their wedding in Denver, Colo., last Saturday night. We welcome them to our community.

Paula Hidalgo was quite ill Sunday and Monday and it was found she has several teeth coming in all at once. Chester Hidalgo left Saturday to spend the week end

in Childress for his active Air Force Duty.

Dinner guests with Mr. and Mrs. L. T. Wood Sunday were Mrs. Walter Wood, and Mr. and Mrs. Glen Wood and boys. Afternoon guests were Mr. and Mrs. James Teague and son of Lubbock. Delegates H. S. Calahan Jr., of the Baptist Church here and Elmo Reeves and Fred Fortenberry of the Sterley Methodist Church met with other delegates Sunday afternoon in Lockney at the First Baptist Church to discuss the possibility of an area-wide non-denominational Crusade for Christ in the spring of 1963. The idea calls for all churches to work together in staging the evangelistic crusade. Eleven churches were represented Sunday with Leroy Durham of the Assembly of God Church as temporary chairman of the steering committee.

Mr. and Mrs. George West

had all their children and grandchildren here with them for the past week end, including the E. T. Evans family of Amarillo, and the Robt. Lee Smith family from Sterley. The Wests left this Tuesday for their mountain home in Ruidoso, N. Mex., to be gone for a week, and their grandson, Joel Evans of Amarillo accompanied them.

Mrs. Grigsby Milton, Barbara and Darla visited in the Murray Julian home with the Julians. Mrs. Ruth Barnett and Mrs. Walter Brown of Amarillo on Wednesday afternoon, and the party is to be held on Saturday afternoon between the hours of 4 to 6, on June 30, in the home of Mrs. Pritchett on the Silverton Highway.

When he got the facts... he got the car!

And what are the facts about Cadillac that proved so persuasive?

Well, listen for yourself—and judge for yourself.

Fact Number One. A Cadillac can be unexpectedly modest in original cost. The lowest priced model, for instance, actually costs less than eleven models of other less renowned makes.

Fact Number Two. The price of a new Cadillac includes many important features that are extra on most other cars—including power steering, power braking and Hydra-Matic drive.

Fact Number Three. Cadillac cars are extraordinarily dependable—and remarkably frugal in their use of gasoline and maintenance requirements.

Fact Number Four. Cadillac dealers are especially anxious to welcome new owners to the Cadillac family at this time of the year—and they are in a position to make the step up unusually attractive.

Of course, that's only the frosting on the cake. For the basic temptation remains, as always, the greatness of the Cadillac car itself—a greatness that has this year reflected itself in every phase of performance, craftsmanship... and in every detail of beauty and elegance.

It's a combination that has this year proved irresistible to more motorists than ever before.

Why not visit your nearest Cadillac dealer soon and let yourself be tempted?

FOR SIXTY YEARS THE STANDARD OF THE WORLD

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

AUSTIN — Texas' crime situation looks a little better. FBI reports covering the first three months of 1962, based on statistics from the 12 largest cities, show major crimes down 6.7 per cent.

Across the U. S. in cities of comparable size, major crime rates rose one per cent.

Texas' crime rate actually is down in number of crimes reported from 1961, despite a population growth during the year of some 200,000.

OUT OF JOBS — Finding a job in Texas is a little easier these days.

Texas Employment Commission reports April unemployment at 4.3 per cent of the labor force as compared to 5.4 per cent a year ago.

Average factory wages rose from \$91.21 a week last year to \$96.10 this April. Range was wide, however, depending on the industry.

Leatherwork was the lowest paid, an average of \$52.13 a week. Oil workers got the most, an average of \$132.07 weekly.

Number of Texans working outside agriculture now has passed

the 3,000,000 mark. Houston had 19,800 unemployed; Dallas 16,000.

Statewide 375 persons are working at agriculture. This makes the total working force 3,629,400.

TOO MANY COLLEGES? — Dr. Ralph Green of the Texas Commission on Higher Education thinks the Legislature should quit creating four-year, state-supported colleges.

He told a House Committee on Saving Taxes that 20 state colleges are about enough.

Legislators have extended state support to four new colleges in the last four years. Biggest of the new ones, the University of Houston, will enter the state system this fall. This will substantially increase the state's higher education bill.

U. of H. now ranks second in size to the University of Texas.

WATER SUPPLY — Texas enters the summer with its major reservoirs 76 per cent full.

Texas Water Commission reports that May rains couldn't keep up with use and evaporation, so the water supplies shrunk by 291,000 acre feet.

As June opened, supplies were 76 per cent of capacity, compared with 83 per cent a year ago.

LIVESTOCK RULES AMENDED — The Texas Animal Health Commission, after hearing pleas of livestock market operators, relaxed rules designed to speed up the eradication or at least control of brucellosis (undulant fever).

Commission action amending the rules came just before they were to go into effect June 15.

Before the change, the rules would have required testing for brucellosis before cattle could be moved from one market to another.

As amended, the rule says the cattle may move from one approved market to another approved market without having to take the test. This was put on a trial basis.

Restriction of movement was opposed by representatives of the big stockyards at San Antonio, Fort Worth and Houston. Auction markets also had an ardent champion present.

James D. Sartwell, president of Houston's Port City Stockyards, said the economic effect of the proposed rule could be "dangerous", particularly so in view of "the predicted downturn in cattle prices now beginning."

Sartwell said Texas' cattle inventory includes many so-called "two-way" cattle, entirely dependent on market conditions, which are sold as either stocker or slaughter animals.

Most of these two-way cattle, he said, also are "trader" cattle and loom large as a volume moving from interior markets, purchased by a trader and consigned to the terminals for resale. He saw danger to this cattle movement in the proposed regulation.

G. C. Hagelstein of San Antonio's Union Stockyards felt livestock leaving any market should meet the requirements of its destination. But he said he was interested in protecting the industry and didn't believe the regulation did that.

John M. Lewis, general manager of the Fort Worth Stockyards, thought the Commission proposal would "strangle" the price-making terminal markets.

Charles Davis, operator of auction markets at Wichita Falls and Mineral Wells, suggested that animals should be tested when going "to the country" — but not from market to market. He called the rule unnecessary and a waste of time and money.

Norman Moser, commission member from DeKalb, said he didn't want to impose anything on the industry that would be harmful.

Dr. R. G. Garrett, the Commission's executive director, didn't oppose the amendment but believed it would delay the testing program.

SAFE FOURTH — Gov. Price Daniel urged the 5,000,000 Texas drivers to help hold down the traffic death list during the July 4th holidays.

"Slow down and live" is the theme of the traffic safety campaign by which Texas traffic people hope to hold down the death rate below the statisticians' predictions.

July 4th comes on Wednesday this year, so fewer Texans will kill themselves on the highway than when the holiday falls near a weekend.

CROOKED HOLES — Tedious job of checking suspected oil wells in East Texas continues.

Railroad Commission and Attorney General's Department spokesmen say it will take several months to finish the job.

Four more oil operators were enjoined from interfering with Commission checks of their wells. In two weeks, only 23 wells have been checked out of "several hundred" that Atty. Gen. Will Wilson thinks will have to be investigated before they can write an end to the East Texas investigation.

Wilson has obtained donations from major oil companies to finance the surveys to see if holes were diverted so as to reach oil under someone else's lease. So he has taken over direction of the surveying from the Railroad Commission.

FIRING RESUMES — There was only a brief respite from campaigning after Democratic primaries.

John Connally, the Democratic nominee for governor, and Jack Cox, the Republican nominee, both had their chance to talk at the meetings of their respective state executive committees Saturday, convening to canvass the returns.

Campaigns will start in earnest September 18th, when both parties have their state conventions.

But the two young gubernatorial nominees both have state campaign headquarters in operation in Austin. They sound like they plan all-out campaigns in the summer and fall.

Sen. John Tower will be a major campaigner for the Republicans. Vice President Lyndon B. Johnson and Sen. Ralph Yarborough will take to the stump for the Democrats.

They are beginning to make this look like a two-party state. Whether the label sticks depends on what the voters say on November 6th.

SAFE DRIVING PLAN — The State Board of Insurance will hold hearing June 29th on automobile insurance rates and rules.

High on the agenda will be proposals to revise drastically the "safe driving insurance plan" by which those with accidents or traffic law violations pay more, while those without them pay less.

Statisticians say the plan has cut rates for 78 per cent, raised them for 22 per cent. But the complaints about the plan being received by legislators indicates that even those who save aren't too happy with the possibility that one slip might run up their rates.

Drastic revision is possible. Without revision of the plan, a rate cut is in the cards. But if penalty provisions are reduced, it may wipe out the chance of a rate cut.

Board members and the insurance industry are divided as to what to do. Largest of the insurance agents' associations is

Savings Bonds for Freedom

"Freedom in America involves a profound respect for individual liberty, a strong determination to maintain that liberty, and to bring ourselves and others to a better life within its framework. Many Americans today are sincerely wondering what they can do to defend and preserve our freedom. They wish to contribute to our defense efforts, to our adventures in space, and to strengthening our free institutions and our traditions of liberty. The success of our efforts is based upon a strong and expanding economy. By investing part of their savings in United States Savings Bonds, an individual citizen can contribute to all of these objectives. I would like to take this opportunity to invite every American to purchase an extra share in freedom by purchasing an extra Savings Bond during the Freedom Bond Drive." — John F. Kennedy, The White House, May 1, 1962.

Center News

By Mrs. J. E. Green

CENTER, June 18 — It is still clear today, a little wind, and some white clouds floating around. During the last week there have been occasional local showers but farmers are working against time getting the last wheat out and replanting of planting cotton. A busy season. Soon the cannery will be open and women will begin canning the garden stuff.

Church at Calvary Baptist was good though we always miss our pastor when he is away in a revival on Sunday. E. D. Morgan filled the pulpit morning and evening. We had some visitors and some of our congregation were away celebrating Father's Day.

Mr. and Mrs. Donald Finkler, of Lubbock, visited Sunday afternoon with their parents, Mr. and Mrs. Charles Fulkerson. Mrs. Fulkerson's father, W. A. Goins, spent Friday and Saturday with the Fulkersons.

Mr. and Mrs. Garvin Beedy and children, of South Plains, dined Sunday with their parents, Mr. and Mrs. Leo Frizzell. Mrs. Ava Jackson also was a dinner guest in the home.

Mr. and Mrs. R. C. Ross dined Sunday with Mr. and Mrs. H. B. Mankins. Later in the afternoon the Mankins visited Mrs. Bud McAda. Mrs. Mankins' brother, D. W. Burke, whose wife is in a Lubbock hospital for a few days, ate a Sunday morning breakfast with the Mankins.

Mr. and Mrs. Walter Sims visited the J. E. Greens Tuesday afternoon.

Visitors in the Frank Dunn home for Father's Day were their children, Mary Grace Dunn and Jimmy Dunn and family, of Lubbock.

Mr. and Mrs. C. W. Denison were in Lubbock Sunday afternoon visiting their son, Gilmer, and family.

Mr. and Mrs. Elmer Sellars visited Thursday evening with Mr. and Mrs. Doyle Sandifur. The Hal Thomas family, who

reached home early last week from a trip to Buena Park and other points in California, report very pleasant visits with relatives there. Some of those who once lived in this area are her sisters and families, Mrs. Morse and sons and the Price Scotts. And there were those "National Entertainers" Disney Land, Marine Land and the beach.

Mr. and Mrs. O. C. Vinson entertained the club Thursday evening. Present were the Oliver Allens, the Dorrells and the Starks Greens.

Thursday evening guests at the J. E. Greens were Mrs. Charley Neal, Mrs. Joe Evers, Mrs. Charley Battey, Mrs. Ola Warren and Mr. and Mrs. Fred Battey. Saturday Mrs. Neal left for Amarillo and Mrs. Evers left for Miami, Fla. to visit a son, J. R. and family.

Mr. and Mrs. Vinson's granddaughter, Gay Edmondson, a teenager from Harlingen, is here visiting relatives here and in the Harmony Community, the J. J. Vinsons.

Mrs. Vinson helped Mrs. Hartwell quilt one afternoon last week.

A son and daughters of the W. C. Plumlee who visited their parents during the Father's Day weekend were Bobby Plumlee and family, of Amarillo. Mrs. Johnny Hinds and boys, of Plainview, and Mr. and Mrs. W. D. Goss and boys (Alma Ruth) of Clarksville, Tenn.

Father's Day dinner guests in the J. D. Welborn home were James David Welborn and family and his sister, Donna, of Canyon, Mr. and Mrs. Nolan Arney and Steve, of Floydada, also two of Nolan's nephews, Lynn Arney and wife and Orney Arney, of the Paris area.

Sue Thomas visited Jo Ann Welborn Sunday afternoon.

Mr. and Mrs. Walter Sims visited in Lockney one day last week with Mrs. Ida Ferris.

Friday night guests of Elaine Warren honoring her birthday were Nancy Carey, Frances Lloyd and Peggy Switzer.

Visitors in the Charles Horton home sometime during the week-end were Mr. and Mrs. Dale Bradshaw and children, of Albuquerque and Mr. Horton's niece, Geneva Horton, of Houston.

The J. E. Greens visited awhile

late Sunday with the D. I. Boldings and son D. I. Jr., Houston, and with their daughter, Mrs. Zolan Melton, of Coleman. We theme of the assembly, "Faithfully Increasing Our Praise to Melton, who has been sick so long in the V. A. Hospital at Big Spring, is much improved.

We sympathize with the families who lost loved ones last week. Those who passed were Mrs. Phillip Price, of Amarillo, who years ago lived at Mt. Blanco and Lakeview and Andy Jackson, another old timer of Center and Floydada. Again and again we are reminded our time will come. Are we ready? Come to Church Sunday.

Mr. and Mrs. Charlie Warren and children spent the weekend at Stamford Lake on a fishing excursion. They were met there by Mr. and Mrs. Bud Queen and family of Andrews.

Jehovah's Witness Assembly Concluded
Jehovah's Witnesses' 17-congregation meet at Hobbs was concluded Sunday when the District Overseer, W. R. Thomas, spoke on the subject, "Who Will Rule the World?"

"This generation is to see the rightful ruler, Christ Jesus should his peaceful government foretold in Isa 9:6, 7," Thomas of Brooklyn said in closing out a three-day conference of Jehovah's Witnesses in the Hobbs High School Auditorium.

Thomas speaking to the 695 persons assembled said, "The distress of nations with perplexity is only one of the many evidences that the Kingdom of God is soon to take over its earthly rulership, and then God's will will be done on earth as it is in heaven."

M. C. Harbeck, supervisor of Texas Circuit No. 9, in his closing talk, "Hold Your Position," said, "A Christian's position and prospect is something to cherish but is to be maintained in this world of today only with the greatest of vigilance."

Clarence W. Hall, presiding minister of the Plainview Congregation said the ministerial activity analysis of the circuit was

made and plans laid to bring weaknesses up to circuit and national levels in harmony with the theme of the assembly, "Faithfully Increasing Our Praise to Jehovah."

Rebekah Past Noble Grands Are Honored
The Past Noble Grands of Floydada Rebekah Lodge No. 77, were honored Tuesday night of last week following a regular business meeting at the lodge.

Minnie Faye Thomas, Noble Grand, conducted the session. Mrs. J. W. Woolsey of Lubbock, sister-in-law of Jewel Reeves, was reported to have undergone surgery and the sister of J. J. Marquis, of Clovis, N. Mex., was reported improved enough to visit here with the Marquis family recently.

Mrs. Thomas had charge of the program in honor of the Past Noble Grands. The scene depicted a lamp post holding a wire bird cage with flowers entwined up the post. Rebekahs in the program formed a key in the drill representing six keys, key to service, opportunity, kindness, fellowship, happiness and new outlook. As each gave her part, she placed a key on the bird cage. Those taking part were Leona Oden, Dorothy Nichols, Ruby Davis, Grace Grundy, Hetie Bennett, and Wilma Munday. Each carried a single rose.

A rose was also given each Past Noble Grand present. These were Thelma Jones, Belle Berdays, Jane Marquis, Ethel Sawyer, well.

Survivors include a son and two married daughters of Dallas and Fort Worth.

The Galen Holland, unable to attend funeral rites were also a sister-in-law.

Mrs. D. W. Burke home by today from Hospital where she was treated for a week. She is recovering well.

READY Refreshment FOR THE WILSONS 1314 AMARILLO ST. PLAINVIEW, TEXAS

Mrs. Jake Wilson, in her Medallion Home, likes all her electric appliances but, because of the great convenience, she admits a special fondness for her combination refrigerator-freezer. One of the many uses of her combination is depicted here. At top, Mrs. Wilson has just finished preparing frozen snacks, in advance. In center picture, they may be seen, at left, in the freezer basket. And, below — the happy result — daughter, Patty, and sons, Mark and Rick, enjoy the after-school "lift" of their frozen snacks. The convenience of a refrigerator-freezer can be yours. Your electric appliance dealer will be happy to show you how.

Gardening the Year Round

The Sand Hill Home Demonstration Club met Wednesday afternoon in the home of Mrs. Fred Jackson. Mrs. Jackson called the meeting to order in the absence of the president, Mrs. Lynn Miller. The devotionals were given from Exodus 20:3-17. Mrs. R. L. Bullock led the song and roll call was answered by "Some Unnecessary Things I Carry In My Purse".

The club voted to have their club dates put on the Community Calendar. Mrs. R. L. Bullock gave a five minute demonstration on "Soil for House Plants". Mrs. James Jeffress presented the program on "Gardening the Year Round".

Refreshments were served to Mrs. R. L. Bullock, T. C. Hollums, James Jeffress, Arlon Miller, C. B. Carmack, Orba Miller, Fred Jackson and Misses Norma Hollums, Beverly Jeffress and Judy Bullock. The next meeting will be June 20. The program will be "A Study of Communism" presented by Mrs. Lynn Miller.

Sunday dinner guests in the James Jeffress home were Ken Roberts, of Floydada, and Stanley Pierce. Visiting in the afternoon were Mrs. Dolly Kelly, of Lockney, and her mother from Portales, N. Mex. Mrs. Kelly had just returned home from a trip to New York City.

The community center held their monthly meeting at the community center Friday night with Mr. and Mrs. T. C. Hollums as hosts. Those enjoying 42 were Mr. and Mrs. Fred Jackson, Mr. and Mrs. B. J. Wofford, Mr. and Mrs. Weldon Smith, Mr. and Mrs. Jeter, of California, Mrs. Weems, Mr. and Mrs. Travis Lightfoot, Mr. and Mrs. J. T. Model Airplane Contest To Be Held In Lubbock

Any youngster under 15 years of age in Texas who can build and fly one model airplane can compete for the title Air Youth State Champion. According to the Contest Director, Riley Wooten, 1324 Sixty-Second Street, Lubbock, State competition will be held on Saturday, June 30th and Sunday, July 1st in Lubbock, Texas.

The model airplane flyer who competes in the four events and places first will be named Air Youth State Champion of Texas, and will receive an all expense paid trip to the "world series" of model aviation. This is the National Model Airplane Championships to be held at Glenview Naval Air Station, Illinois, July 23-29.

The four areas of competition in the State Final Air Youth event are Beauty, Endurance, Speed and Stunt. Hesperian Association of America, Inc. of the Air Youth Association has decided this year so that model airplane flyers will compete with from most of the other states at the National title "1962 Grand National Youth Champion". Hesperian Association flies to the Illinois finals for all expenses during of competition.

Last year Joe C. 5101 Nadine, Fort Worth, Texas's Air Youth Champion, competed at the 1961 at the Naval Air Station, Groves, Pennsylvania.

Golden Wedding To Be Observed By J. T. McLains

Mr. and Mrs. J. T. McLain will observe their Golden Wedding Anniversary Sunday, July 1, with an open house at 514 South Third, between the hours of 2:30 and 5 p. m.

Hosting the affair will be the couple's six children. They are Mrs. Roy N. (Audrey) Tyler, Amarillo; Mrs. Don (Lorraine) Wallace and Mrs. T. E. (Ovelyn) Atchison of Los Angeles, Calif.; Mrs. J. E. (Cleta) Brown, Lubbock; Clifton E. McLain, Memphis, Tenn. and Hollis McLain of Sand Hill community. Mr. and Mrs. McLain also have fourteen grandchildren and one daughter, Melba Byerley, died in 1935.

Mr. McLain and the former Katie Hart were wed on June 30 in Hale County at Happy Union in the home of her parents, Mr. and Mrs. J. P. Hart. A Methodist minister, Rev. C. J. Menefee, performed the ceremony.

The couple settled in Floyd County shortly after and resided in the farm home where the Hollis McLain family are presently living, and where all their children were born and reared. Upon retiring in 1948 they moved into Floydada and have been at their present home for the past seven years.

Mrs. McLain was born in Archer City, March 8, 1894. Mr. McLain was born in Arkansas on March 19, 1878 and came to Floyd County with his parents, Mr. and Mrs. McLain in 1887.

Friends and relatives of the family are cordially invited to attend the open house. Invitations are not being mailed out and the couple have requested no gifts.

Sand Hill News

By Mrs. James Jeffress

(Intended for June 14 Issue)

SAND HILL, June 11 — The hail and rains have finally come. Rain up to five inches has fallen in the community since Thursday afternoon. The hail received Thursday afternoon and Friday night has done much damage to just about every field in the community. Sand fighters were going Sunday trying to save the young cotton the hail had beat out. Much wheat is still in the fields and shattered by the hail. It's been several years since the community hasn't suffered a hail.

Stinson Stringer is home after having throat surgery to remove a tonsil that had grown back. He has been in much pain but was some better at last report.

The Sand Hill Baptist Bible School ended Friday night with their commencement exercises. The school lasted a week with seventy one children enrolled. It was one of the best Bible Schools the church has ever had. Those helping with Bible School were Brother and Mrs. Jimmy McGuire, Beverly Jeffress, Mary Starkey, Norma Hollums, Mrs. Jon Parkey, Tom Pierce, M. B. Swanner, Kirk Slater, Doyle Miller, Darrell Mayo, Bill Stringer

Side-dressing will really pay off when you side-dress with SOL-U-PHOS Liquid Fertilizer. SOL-U-PHOS will give your crops the plant nutrients needed at "dinner time," to carry them on into a fruitful harvest. Remember—every drop of SOL-U-PHOS is a chemical combination of plant nutrients in a neutral SOLUTION . . . this fact alone insures balanced fertilization for your crops. Don't deplete your land! Increase your crop yield, maintain high fertility with SOL-U-PHOS Liquid Fertilizers.

Everywhere you look, more and more farmers modern—they are switching to SOL-U-PHOS fertilizer . . . why? They like the "filling station" of operation . . . there is no heavy lifting needed to get the correct analysis of plant nutrients to buy unwanted quantities of other nutrients. You don't have to have a field full of farmhands doing a job done . . . one man can easily side-dress more acres per day . . . you pay only for the nutrients delivered by your dealer . . .

BILL HOPPER of FLOYD TRACTOR & SUPPLY is dealer for SOL-U-PHOS Liquid Fertilizer in the FLOYDADA area. Before you buy any fertilizer . . . talk to your friends and neighbors who have used SOL-U-PHOS . . . come in and get all the facts, then you will see why so many farmers are "sold" on SOL-U-PHOS Liquid Fertilizer . . . the fertilizer "made" for farmers.

Culpepper Writes His Early Days

F. Culpepper

happy brat. I think I appreciated that little homestead shop made wagon more than the kids of today appreciate an expensive one.

We lived on a farm some 20 miles from town and I didn't get to go to town until I was nearly grown, only to the little village of Rockford near where the grandparents lived and that wasn't but once or twice a year. I grew up in the hills and timber, rocks and water. We were about two miles east from the Coosa River and in the spring of the year when grass started to grow our cattle would range off down the river and would be gone all summer. I remember we had one old big red cow that led the herd. She would come in for salt but would head right back. Dad kept her for several years and she learned one trick that she got to using in the fall of the year. At first she would come in about November and get in the corner of the rail fence and with her nose push the rail until it came loose. Then the whole bunch would get into the field. That was O.K. late in the fall when all the crops had been gathered, but she started coming earlier and then finally in the summer. She didn't realize she was leading herself to the slaughter pen but she did.

We lived at the foot of a hill about one-fourth mile from a colored church. We could hear them shout and sing and would sometimes attend their services. They had what they called then, children's day. Sometimes they would be a good many white persons there and the colored would fix a table separate from the whites and would always choose the nicest and best food for our table. That old church is still standing. We passed by it last June while visiting but it was late in the afternoon and we didn't stop.

A few years passed and we moved on to a farm three miles north. Dad was supposed to have bought it. It was pretty rough, rocky and hilly. There was one hill which we called a mountain and we cultivated it most all time in corn. Some of the hill was so steep a mule could hardly stand or walk on it. We would have to gather the corn by breaking the ears from the stalk and throw it to bottom then drive the wagon along and load it. There were two or three places we had to do this. There was a few places on the farm where we could grow sugar cane or ribbon cane to make our own syrup, and a nice shady place on the bank of Spring Branch where there was plenty of water for the work stock or anything it was needed for.

We walked miles to the mill to mash the juice out of the stalks and it took several gallons of cane juice to cook out to make one gallon of syrup.

I would like to drop back just a little and tell more of the old mountain we cultivated. Some of it we could drive a wagon over. I remember I was driving the wagon and gathering corn, throwing it on, had something like a half a load when the wheels of the wagon on the lower side ran over a rock. When it rolled off the rock the wagon turned upside down. It wasn't much trouble to turn it back over but it was in getting the bed back on and the corn thrown back in. We had a mule to plow and a yoke of oxen to haul with. We would yoke those oxen up and load the wagon and drive them to church and sometime to town. It would take three days to town and back home. But we didn't mind that for it was fun to camp out on the road.

I was getting about grown now and started going with the young ladies. The one that I walked home with several times lived some three miles from the church by going through the trail way and five miles to go the high way, so we would always take the shorter route and I would be after dark leaving her house.

One night leaving there was no moon, no stars and plenty dark. I could guess the route going the high way but didn't care to risk the pathway route. So I started out and didn't get far until it seemed like something like a dog scrambled the leaves then hit the ground right at my feet. I stopped and turned but didn't see or hear anything more. You may be sure that I didn't tarry long but did the nearest to it. I do not know why I was afraid to pass a cemetery, but it was after dark and going this road I had to pass one and the church house. There had been a funeral and burial that day and getting a scare earlier was plenty nervous or you might say just plain scared, that night ever didn't stop me from visiting the young lady.

So we were married in the following November. We lived together almost two years when a boy baby came into our home and both left together in a few minutes to meet the Lord.

After this I went some 12 or 14 miles and got a job on a farm working for ten dollars a month. I stayed there a year then went back close to where I had been most of my past life and made a cotton crop. The land was rough and rocky and after it came a rain you couldn't see much soil, but it made good crops. My land lord sold out that fall and came to Louisiana and I came along. I didn't intend staying only the one year but made a good cotton crop, bought a nice horse and took her into town and bought her some new harness and a buggy. I finished gathering my crop and when I got through I started back some thirty miles to where the Alabama folks lived. This was about Christmas, 1924. It had rained but I started out and drove into Black Lake about four miles from where I started. I didn't get far when my horse went in way up over the buggy seat and also mine. I was afraid to try and turn around and back track so just sat there. It wasn't long before a man in a wagon drove up. I related my predicament. He knew the lake

Mrs. Denison In Better Spirit

Mrs. C. W. Denison was in Lubbock two days last week to be with her daughter-in-law, Mrs. H. Gilmer Denison, her son, and the couple's four children.

Mrs. Gilmer Denison is reported to be in better spirits after an unfortunate accident which she was in that claimed the life of a two year old Lubbock child, on Tuesday of last week.

Mrs. Denison was driver of the station wagon that struck the little girl, Mary Ann McSpadden. She had turned into the drive of the McSpadden neighbor by mistake, thinking it was a home owned beauty shop. As she backed out of the drive-way after using the telephone, she failed to see the child on the opposite side of the drive who had come out to play while Mrs. Denison was in the house.

The drive-way was short and the child was sitting a foot or two away from the car near the curb, and out of sight of Mrs. Denison as she re-entered her car to leave.

and the waters so he took my luggage upon the seat beside him and when we were past the deep waters we changed, putting my luggage back on the buggy. I didn't get at my journey's end but stopped on the way and spent the night starting out the next morning. I would stop at nearly every house and ask about land to work and board. At one place I stopped a nice young lady came to the door and said her father wasn't home. So I drove on to the family's home that I came with from Alabama.

There I inquired for land to work and a place to stay. After a few days I went to the Edd Kelly farm and I made a deal with him. There were six girls in the home where I first stopped and I met some of them here and there and along in the year became pretty well known to each other. One Sunday afternoon I drove to their gate, hitched my horse and went to the door and asked in where I was always warmly welcomed.

It was near five miles to the Baptist Church so we would all drive there once a month and three miles to the Methodist Church in another direction the next month. The father was a Baptist and Mother a Methodist, all the couple's children were Methodist. I was planning marriage and began to look around for a home. I found 160 acres of land about fourteen miles from where I found the girl. I had the land to the deed drawn up the same day I got my marriage license. The farm house was only a two room shack and sorrowfully put together. We took the floor up and drove the boards closer together then the next fall we built a new boxed three room house. We thought we were doing fairly well. We had a car, started, corn ten or twelve inches high and had plowed. Then one night it came the hardest hail storm I had ever experienced, we didn't have anything left. All the pine timbers from two to three feet through and from 75 to 100 feet tall were completely killed.

So we bought three miles and a wagon and moved the wife and mother close to a saw mill where I got a job hauling lumber. Did that for sometime then bought another small farm all in the woods. We had to clear the land and it took twenty men about two days log rolling, then I had to burn all this before planting could be done. The next winter I had to dig a well and build a house, barn, wagon, shed and put up pasture fence. By this time the wife and I had three children.

We in the community decided we needed a Baptist Church, so we had a pastor to come out and help organize one. We had 12 that were charter members but had a week's revival and closed out with 36. In August we had another and closed with better than 80 members.

Later I sold this little farm and bought another about 40 miles southwest and moved there. Lived there a few years then traded it off for land at another place and that was the worst thing of all. I lost everything. I came to Floydada in 1924 and am still here.

My oldest daughter married just before we moved to Floydada and the other four of them and married here, one in Dallas, one Mrs. Hollis Payne and daughter, at Garland and two in Lubbock. Mr. and Mrs. Houston Bradford Two of them live in Floydada, and I have 12 grandchildren and eleven great grandchildren.

Over the past years I have made numerous trips and had visitors and the Hesperian never failed to have something written about it. I have thought for sometime that I would write back Mrs. S. L. Yielding and something of my life and see if daughters, Brownfield, Mr. and Mrs. J. R. Williams and Norvel Laver, Ralls.

I enjoyed while writing recalling many things that would have not come to my mind otherwise. I hope you have enjoyed reading it.

Mrs. John Carey and daughter, Nancy, left today for Paris, Tex., supper guests of her family, Mr. where they will visit a daughter and Mrs. Ted Houghton, Danny and sister, Mrs. Pat Maynard and family, then on to Biloxie. Weekend and Sunday visitors Miss., to spend some time with the Joe Jackson home were another daughter and sister, Mrs. Mr. and Mrs. Ellis Nance, Cope, Don Colley and husband. They plan to return home in about two weeks.

Floyd County 14 Years Ago

(Taken from the Hesperian, issue dated June 24, 1948)

The life of J. A. Jameson hangs by a thread this morning as the family reports he had a very bad night last night. Jameson was brought home from the Lubbock Hospital Friday and has been unconscious much of the time since.

Two women, both of them over 80, drove all the way from Springfield, Mo. to Floydada for a visit with relatives. When arriving here they insisted they were not a bit tired and have been running about in circles trying to visit with everyone. Mrs. Howard Glassmeyer is visiting in the home of her son, Ott and family and grandson, Howard Drysdale and family. Mrs. Jeff Zink is visiting her nephew, Harry Moreck and family.

Mrs. John A. Fawver is doing much better this week after suffering a fall in her home, receiving internal injuries. Re-interment for Private J. W. McCravy, who participated in the Normandy invasion and was killed in action at the age of 26, will be held at the Lakeview Baptist Church Sunday. He is the son of Mr. and Mrs. L. E. McCravy, and the husband of the former Oma Lee Watson.

Other survivors include three sisters and five brothers. The body of Lt. Charles L. (Leroy) Cates, son of Mr. and Mrs. W. C. Cates, who was killed in the North African campaign of World War II, will reach home Friday. Simple rites will be at the First Baptist Church Sunday.

Funeral services for Luther Young Woolsey, 58, will be held this afternoon in the First Baptist Church. He died yesterday in the family home of a lengthy illness.

Suzanne Dee Jackson, daughter of Mr. and Mrs. Jiggs Jackson and granddaughter of the Lorin Leibfrieds, was born last Saturday in St. Mary's Hospital. She weighed six pounds and 15 ounces.

Gunnison Rapids Claims Life Of Billy M. Golden

(Taken from the Hesperian, issue dated June 24, 1948)

Mr. and Mrs. Herman Graham, operators of Muncy elevator at Muncy, left Saturday in company with Oscar Golden of Lockney, and their nephew, Ron Golden, student at Texas Tech, for Grand Junction, Colo., where Ronnie's brother, Billy Mack, was drowned Sunday, June 10th, in a water skiing accident.

How the accident occurred relatives had not learned when they left to be with the Golden family. They said, however, Billy Mack and an older brother, John Gray Golden, were water skiing in the Gunnison River.

John Gray almost drowned and received injuries from the mishap. He was in the hospital at Grand Junction at last report.

Others in the skiing party saved him from the rapids. The river was swift from thawing winter snows and it was said the body of Billy Mack may never be found.

If the body is not located a memorial service is planned.

Ronnie is also a nephew of Mrs. Garland Sams, Mrs. J. J. R. Belt and Mrs. J. E. Tierce of Lockney. Mrs. Sams and Mrs. Tierce accompanied Mr. and Mrs. Wayne Carthel of Hereford to Grand Junction last mid-week. Mrs. Carthel is also an aunt of the victim.

Survivors include the parents, Mr. and Mrs. Joe Golden and the two brothers. Mr. Golden is a former resident of Lockney and attended schools there.

Floyd Lynch, son of Mr. and Mrs. T. U. Lynch, has recently spent three days leave in Bangkok, Siam, from his base at Grand Junction at last report.

The truck that's as good as your word

When you promise something will be there, a Chevrolet truck will help you keep your word almost to the point of monotony.

It will do its job over and over and over again, with seldom any trouble, at very low cost. What more can you ask from a truck?

Because of their reliability, people have put more Chevrolet trucks to work every year since 1937. That's a strong vote of confidence.

If good service is vital to your business, make your truck a Chevrolet and make your word more dependable than ever. Call your neighborhood Chevrolet dealer soon.

Corvair 95 Corvan. This is the strong van—the only one with double-wall construction. Has air-cooled engine in the rear, coil springs at all 4 wheels.

WHAT FARMERS CAN DO — If we are farmers there is much we can do. Enough has been said of the urgency of making cotton, and the necessity of raising grain. In this connection take a friend's caution. We have had a rainy winter — we shall probably have a dry summer. Therefore make your negroes put their ploughs deeper into the ground than you have ever done before. Remember that statement of that sagacious farmer in Middle Georgia, who said that he always "buried rain enough in March to do him until June." If we have good seasons and our crops are well-worked, we shall probably make bread enough for our own use. Besides potatoes, we should plant every acre of our own corn land in peas. As we shall have little or no cotton to pick, our negroes can pick peas. Of these our soldiers are very fond and no food is more healthful for them. — THE BELLVILLE COUNTRYMAN

JACKSON'S SURRENDER — By a little extra of the HOUSTON TELEGRAPH which we just had a glimpse of, we see that Fort Jackson had surrendered and that 10,000 Federals had landed in New Orleans and 10,000 more were to land soon. The railroad has ceased to run in Berwick's Bay. We are thus entirely cut off from all news from the states, and must, as the old lady said, manufacture it for ourselves. —THE AUSTIN INTELLIGENCER

THE SURRENDER OF GALVESTON DEMANDED — In order to ally excitement and prevent rumors gaining currency, we have obtained the following from official sources. Saturday morning the Frigate Santee had

REPAIR SERVICE

The next time you get a bill to cover repairs on some appliance in your home or for replacing parts in your auto, take a long, appreciative look at your telephone.

Considering the amount of usage it gets, the telephone is an amazingly trouble-free mechanism. The majority of our customers seldom need to have their phones repaired. Should trouble develop from normal usage, however, repairs are made quickly and without additional charge.

Good, fast repair service comes about because telephone people genuinely feel their job is important. This "spirit of service" is found all along the line. Kind of old fashioned, but it's there. This is just another reason why you can count on your telephone when you need it most.

TELEPHONE TEAMWORK

Frequently, in this column, you have heard me mention that telephone service provided by the Bell System is "nationwide" in scope.

It is nationwide. There are Bell companies in every state. But all telephone companies are not Bell companies by any means. As a matter of fact, one-sixth of the telephones in the United States are operated by some 3,200 neighbor companies.

Here in Texas there are 166 telephone companies besides Southwestern Bell.

We do not compete with these companies. We connect with them. Their lines are joined to ours to carry Long Distance messages. Thus, those served by companies not a part of the Bell System can still be connected with practically any telephone in the United States.

Day by day teamwork between telephone companies enables practically anyone, anywhere in the country to pick up a telephone and talk to anyone, anywhere else, clearly and quickly. This is a fact of great importance in furnishing our nation the finest communications system in the world.

SUMMER PLANNING
By now most of us have begun thinking about our summer-time plans. Many of us plan to travel. A few more will stay home and get things done. Others will go away to some camp or resort.

But whatever your plans, it's just good sense to use Long Distance to make your summer more pleasant.

For vacation planning as an example, it's smart to call ahead for arrangements and reservations.

For arranging visits with friends, too, a call ahead of time will make your welcome warmer when you stop by.

For keeping in touch with home or office while you're on vacation, or with members of your family while they're away, Long Distance is fast, easy, economical.

And the nicest, most personal way to say "thank you" to friends you've visited is a personal telephone call after you've returned home.

So whether you're going places or staying home to get things done, remember that Long Distance telephoning is the convenient way to make this summer pleasant and satisfying.

Call by number. It's twice as fast.

Mrs. Billy Cornelious and Mrs. J. W. Stewart were callers in the T. E. Thornhill home. Tuesday eve late the T. E. Thornhills were met at Silver Falls park for a picnic supper by Mr. and Mrs. L. R. Rainbolt and girls, Marcia and J. J. of Lakeview, Mr. and Mrs. A. L. Winegar and children, Robert and Georgia Ann of near Cone. Mrs. A. D. Whalen and Mrs. Richard Sudduth and girls, Richie and Diane were Wednesday shoppers in Floydada.

Kelton Winegar was confined to the Crosbyton Hospital several days the last of the week. Those helping Mrs. T. E. Thornhill celebrate her birthday as well as helping T. E. celebrate Father's Day Sunday with a dinner in the home were Mr. and Mrs. R. M. Spence of Floydada, Donald Wayne Thornhill of Denver City, Mr. and Mrs. Gary Simpson of Crosbyton, Mr. and Mrs. A. L. Winegar and Robert and Georgia Ann, Mr. and Mrs. D. D. Thornhill and grandson Gary Thornhill. Gary is spending his summer vacation with his grandparents.

Mr. and Mrs. Dick Wooten of Lubbock, Gary's other grandparents, and their son Mike all of Lubbock brought Gary over to the Thornhills Saturday night, and visited a while in the home. Teddy Givens, son of Mr. and Mrs. M. R. Givens is now measuring cotton from the A.S.C. Office in Crosbyton. Teddy was among the many boys who went to the school for this purpose last week.

Broadway News

BROADWAY, June 18 — Well we finally received enough rain right here to plant, though we understand that south of the highway they still didn't get enough to plant as they should. But we truly hope it will all come up and grow. Maybe we will receive all the necessary moisture we need for the rest of the season.

Hope everyone had a very enjoyable Father's Day. Maybe most fathers at least got a rest on that day.

Boy! have we ever had the high winds since the rain. Looks as if this is the year we will have high wind all summer, and then Saturday night the dirt cloud was awful. We understand quite a few farmers who had early cotton lost it from the dirt Saturday night. That is tough luck. Poor old farmer — he sure has a rough time, dry weather, hail, high wind and what have you. Anyway nothing is so pretty as a nice clean crop once you ever get the breaks.

Mrs. Clyde Starrett visited a while Wednesday afternoon with Mrs. V. V. Griffin. Mr. and Mrs. Robert Kendrick and son were Wednesday night supper guests of Mr. and Mrs. Bob Kendrick and children of Mt. Blanco.

Tuesday morning after the Monday night rain Mr. and Mrs. C. B. Leatherwood were out seeing how much it rained over the community and were callers in the A. D. Whalen and D. D. Thornhill homes.

Tuesday afternoon of last week Mrs. Hoyt McClure was a visitor of Mrs. Billy Cornelious.

Mrs. Billy Cornelious is spending a few days in Amarillo at the bedside of her brother Elbie Stockton who is ill there.

The Willing Hands Club met Thursday afternoon of last week in the home of Mrs. A. D. Whalen. Mrs. Nancy Morckel gave a very interesting and delicious meal on outdoor cooking, after each one present answered roll call, with the first food they think of when Picnic is mentioned. After the Demonstration, the picnic meal of hamburgers, barbecued and a skillet meal, drinks, ice cream and cake were served to the following: Mrs. Eva Starrett, Estell Kendrick, Lena Givens, Rella Rhea, Sarah Sudduth, Rosa Thornhill, Kate Walker, Alene Thornhill, Momo Buchanan, Nancy Morckel, Bobby Trull and Ruby Whalen. Girls were Richie and Diane Sudduth, and Cathy Trull. Andy Walker came by for Kate just in time for ice cream and cake. Oh yes, Mrs. Whalen had baked a birthday cake and she said Happy Birthday Mrs. Thornhill. But it only had 16 candles on it so Mr. Walker didn't think that was hardly enough for my cake, but it was a very pretty as well as good tasting cake and we truly appreciated it.

Our next club meeting will be July 12 in the home of Mrs. R. Givens. Our program will be gift items. Everyone is requested to bring a gift that is hand made. Mrs. Morckel will also give a cooking demonstration on rice and chow mein.

Mr. and Mrs. T. E. Thornhill were early Sunday morning callers in the Arvis Moore home.

Mr. and Mrs. David Sudduth and boys of Lubbock came by the Claude Sudduths this weekend. They drove down and visited Six P. Over Texas.

The carpet for the new part of the Paragon was delivered Wednesday of last week.

Little Miss Melissa Bond granddaughter of Mr. and Mrs. Cecil Berry was ill the first week she was there with chicken pox. Last week Mrs. Berry said she didn't dare bring Joy to the club, Mick's brother, Everett Miller,

Most Farm Workers Are Now Covered By Social Security

Most farm workers are now covered by the social security of each calendar year. He should figure on a time basis, hourly, daily, etc. you must make a social security tax report.

John G. Hutton, district manager of the Lubbock Social Security Office, pointed out that there is a question in the minds of some farmers concerning tax reports for crew leaders and crew members. The crew leader is the employer of any crew of workers he furnishes to do farm work and pays sufficient wages (either for himself or for you, the farmer). If he brought the crew to your farm, it is his responsibility to keep a record of the name, address, and social security number of each crew member who works enough to meet the \$150 cash wage of 20-day test mentioned above.

He should withhold 3 per cent from the pay of each such worker and match it with the employer's 3 per cent when he meets as she was also due to take the chicken pox. Not very enjoyable to have them especially when the weather is so hot.

Club met Thursday in the club room at 2 p. m. with Mrs. Zant Scott as hostess. Mrs. Scott gave the devotional. Roll call was answered by "Unnecessary things I have in my Purse." Five minute demonstrations were given by Mrs. Zant Scott on "Soil for House Plants" and Mrs. Monroe Schulz on "Gardening". Mrs. Carrick Snodgrass had several cancer pads ready to be made and several took some home with them to be made.

Mrs. Scott served refreshments to Mmes. Everett Miller, Glenn Curtis, Cecil Stanton, Zant Scott, Monroe Schulz, Bruce Davis and Debra, Mmes. Walter Hanna, Glenn Pool, Bob Hopper, Riley Holmes, Sherwood Ramsey, Bill Edwards, Carrick Snodgrass, Charlie Reid and Donna and Mrs. Mather Carr.

The club voted to go to Lubbock June 30. Meet at the Community Center and be ready to leave at 9:30 to go through the Aulaville Journal and the Museum. We will have dinner in Lubbock. All that want to go be sure and be there in time to leave at 9:30.

Mrs. Lawrence Stone and Mrs. Miller visited Thursday with Mrs. Walter Hanna.

Mr. and Mrs. William Robie, of Maryland State visited last week with Mr. and Mrs. Walter Hanna. Mrs. Robie is a cousin of Mrs. Hanna. Mrs. Robie is president of the Parent Teacher Congress, Maryland. She was elected National president for next year.

Mrs. Walter Hanna served on the jury two days.

Mrs. Walter Hanna, Mrs. Glenn Curtis and Mrs. Ruby Tatjan attended a Hobby Club Wednesday in Becton at the Lipscomb home.

Mr. and Mrs. Bob McCormick and children, of Snyder, spent the weekend with Mrs. McCarrick's brother, Everett Miller,

Rev. and Mrs. Royce Measures and children, Mark and Lydia, of Cumby, visited Saturday in the Glenn Pool home. Lydia stayed with her aunt, Mrs. Glenn Pool, for a weeks visit. The Measures are vacationing in Colorado.

There will be an ice cream supper this Thursday night in the community center regular monthly meeting. The folks are asked to bring ice cream and cake. The hosts are Mr. and Mrs. Bob Hopper, Mr. and Mrs. Steve Trowbridge, Mr. and Mrs. Whitte Howe and Mr. and Mrs. Wesley Carr.

Mr. and Mrs. Bruce Baker and children, Becton, were supper guests Sunday night in the Steve Trowbridge home.
