Board Votes To Spend $3,000 For Energy Study

Dr. Hawkins Accepted To Medical Staff

Dr. Elmer Hawkins appeared before the members of the Fisher County Hospital Board last Monday night, at their regular meeting, and expressed his appreciation to the board for the work they have done in making it possible to re-locate his practice at the Fisher County Clinic. In addressing the board, Dr. Hawkins said "I'm going to be glad to get here." Hawkins will be making his home in Rotan and plans to open his practice and begin seeing patients on November 7th.

The board, at their meeting last Monday night, passed a motion to "Provide Dr. Elmer Hawkins with clinic space, maintenance, utilities, janitorial service, and 40% discount on laboratory work billed out by Dr. Hawkins."

The Fisher County Medical Staff officially accepted Dr. Hawkins application to practice at the Fisher County Hospital on October 13th. The Fisher County Hospital Governing Board accepted the recommendation by the medical staff to add Dr. Hawkins to the staff at Monday night's meeting.

Board members granted approval to the selection of office space at the Fisher County Clinic made by Dr. Hawkins and discussed the possibility of contacting the Texas Highway Department with a request that hospital signs be installed at various Fisher County locations directing people to the hospital.

Fisher County Hospital Board members discussed the recently approved paving project for doctors parking at the rear of the hospital and agreed to instruct Gary McGee, Fisher County Hospital Administrator, to contact Fisher County Judge Marshall Bennett to secure a time the paving will be completed.

Administrator Gary McGee reported to board members that he had secured a proposal for audit services from three firms. The three included: Mason, Nichols & Warner of Lubbock at a proposed fee of $9,500; Davis-Kinert & Co. of Abilene for $8,200 and Condley and Company of Abilene for $8,500. Condley and Company of Abilene has been performing the audit work for the Fisher County Hospital District and last year charged a fee of $9,600. Even though Condley and Company didn't submit the lowest proposal, board members and McGee felt that they should continue with Condley and Company firm since they were familiar with the auditing procedures.

Board members voted to hire the firm of Burr Engineers, with offices in Houston and Austin, to do a cost efficiency energy conservation study at the Fisher County Hospital. The purpose of the study, directed primarily at saving energy in the area of heating and cooling, is to be completed at a cost of approximately $3,000 by the firm.

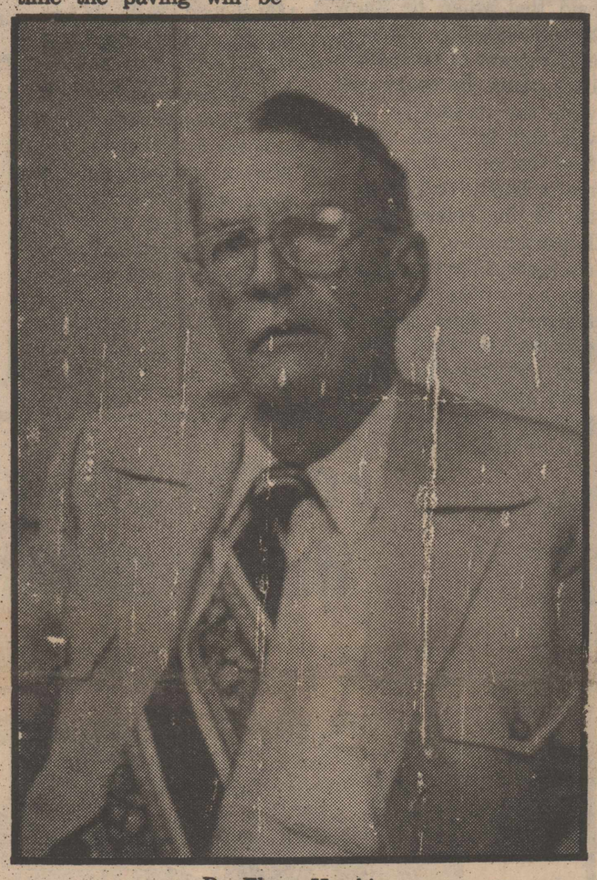

In other action, the board discussed the possibility of turning two rooms currently used for visitor waiting rooms, into patient rooms.

The hospital currently has a capacity of 30 patient beds and this would add two additional beds to the total.

McGee gave board members a report on the occupancy as compared with 1982 figures (year to date) of 63.14 with a year to date average of 53.83 for 1983. McGee pointed out that the hospital needed to maintain an occupancy of between 58% and 60% in order to break-even.

McGee in his administrators report to board members pointed out (1) that all televisions recently purchased by the hospital district had been installed; (2) that Dr. Carandang had made his guarantee for September and did not submit a report and (3) that overtime hours for 1983, assuming that year end projections were met, would save the hospital district approximately $16,000 in 1983.

In final action the board members were informed of a letter from J.A. McClain concerning a request for an increase in prices of providing linen services for the hospital. Currently McClain is paid $2,300 and is requesting $3,000 a month for the linen service. This item is to be discussed and acted upon at the November board meeting.

Dedication Of Official Historical Set For Roby In December

Dedication of the official Historical Marker for the Organization of Fisher County will be held at the Courtyard in Roby Sunday Dec. 4th. The ceremony will start promptly at 1:30 P.M. and dismiss at 2:30.

This is a most important event as it marks the first official Marker for the county. Only 2 other counties in Texas have no Markers.

An appropriate program is being planned by Fisher County Historical Commission. This organization paid for this marker and City of Roby financed 4 Historical Marker in City signs to be installed at each of the four city limits of Roby.

Mr. Dan K. Utley, Director of Research for Texas Historical Commission at Austin will give a brief talk of the Historical Marker program in the state, citing the value of such.

The following text has been approved and marker is in process to the foundry:

When the Texas Legislature created Fisher County in 1876, there were no permanent settlements in the area. As a result, the county was linked with Shackelford and Nolan Counties for judicial purposes. By 1885, enough settlers had moved into the area to warrant official organization of the county,

H. Govan Subject Of Special Dedication

The H. Govan Special, filmed by a Dallas-Ft. Worth station, will be shown in Rotan on Sunday, October 23 and Friday, October 28th, according to Wayne Jamar, Manager of United Cable Television in Rotan.

Jamar made arrangements with the filming station to secure a tape of the special and plans to show the tape on the local cable "billboard channel" on two different dates prior to homecoming.

The first showing will be on Sunday afternoon, October 23rd. The special will be aired between 1:30 and 1:45 p.m. and again between 4:00 p.m. and 4:15 p.m.

The H. Govan special will be aired for the final time on Friday night, October 28th between 5:45 and 6:00 p.m. for the benefit of those out-of-town visitors returning to Rotan for the homecoming activities.

Rotan Council Hires New Law Enforcement Leader

The members of the Rotan City Council, at their regular meeting on Tuesday, October 11th, voted to hire Michael Hugh Stutts, age 45, as the new Rotan Police Chief, replacing Gene Pack who recently resigned the post.

Stutts holds full certification as a Texas Law Enforcement Officer and began in the law enforcement profession in 1961 with the El Paso Sheriff's Department in El Paso, Texas.

During his years in law enforcement, Stutts has worked as Chief Deputy for Hudspeth County in Sierra Blanca, Texas; Chief Deputy for Brewster County in Alpine, Texas; Sheriff and Tax Collector for Mason County and Chief Deputy in Mitchell County.

Most recently Stutts has been assoicated with the Nolan County Sheriff's Department under Sheriff Jim Blackley but resigned that post in August of 1983.

He and his wife Kay have two children: Sabra, age 17 and Vernon, age 15.

He will be assuming his new position as Rotan Police Chief on October 24th.

Rotan Annual Turkey Shoot Set For Sunday

The annual Rotan Turkey Shoot, sponsored by the Rotan High School Junior class and Rotan Volunteer Fire Department, will be held on Sunday afternoon, October 23rd beginning at 1:00 p.m.

The event will feature 3 trap shoots, target shooting and "ceramic" turkey shoot.

The affair is scheduled to be held at the Clay Fowler Ranch north of Rotan.

Beef Cattle Range Tour On Wednesday

A Beef Cattle and Range Tour will be held Wednesday. The tour will leave from the Courthouse in Roby at 9:00 a.m.

Stops will include Brush Control-Harris & Black, Beef Cattle Operations-Big 3 Pork Producers and Savory Cell Grazing System--Bill Pfluger Ranch.

The tour is being sponsored by the Extension Livestock Committee and the Soil Conservation Service.

The public is invited according to Fisher County Agent Richard Spencer.

Drama Team Will Deliver Sardis Program

The Drama Team "Love Company" will present a program at Sardis Baptist Church at 6:00 p.m. on Sunday, October 23rd.

"Love Company has been together for seven years and comes from the Baptist Student Union at Hardin Simmons University.

A country dramatazation by Calvin Miller will be presented. Love Company has presented numerous programs around the big country and are also involved in Mission work.

The public is cordially invited to attend according to Rev. Paul Cheatham, Pastor.

part of this organization was the selection of a county seat, a matter that caused much debate.

In 1885 two townsites were laid out and proposed as county seats. Businessman E.D. Strang, a native of Wisconsin, organized and promoted the town of Fisher, while two former Mississippi plantation owners, D.C. and M.L. Roby, inherited land on which they laid out the townsite of Roby. Fierce competition began between the adherents of each site.

When the proponents of Roby felt they had enough votes, they presented a petition for an election to the Nolan County Commissioners Court. Although adherents of Fisher contested the petition as faulty, they could not prove their accusations as correct. An election held in April 1886 determined Roby to be the county seat.

As newly elected officials attended to business and construction began on a courthouse, tempers settled, and the organization of Fisher County was complete.

One Thousand Attend Carriker Fund Raiser

It was a definite case of a popular person who had "underestimated his popularity", as stated Dr. Don Newberry, President of Western Texas College. Dr. Newberry was the emcee for a "Job Well Done" barbecue honoring State Representative Steve Carriker last Tuesday night. Approximately 1000 people crowded into the Fisher County Fair Building in Roby to honor the Representative for the 78th District.

The evenings events began with an open house at Carriker's office in Roby, followed by the barbecue catered by Cowboy Barbecue of Lubbock. Entertainment was provided by the Cole Younger Band, featuring their popular songs including "Arizona Lady", "Silver Moon", and "Loving Arms, Lying Eyes".

Those recognized by Carriker included State Senator John Monford of Lubbock, who described Carriker as a "fighter"; District Representative Sonny Lee; District Judges Weldon Kirk, H.G. Andrews and Waylon Holt; fellow freshman Bob Burton, Jr.; County officials from all twelve counties that Carriker represents, and Senator Gary Thompson, who said that Carriker was the "Tony Dorsett of the House". Thompson is the chairman of the county affairs committee, of which Carriker is also a member, along with the Agriculture and Livestock Committee.

"It is I who should be honoring you", Carriker told his supporters. He said that when he knew that he had the approval and support of the people back home, he could deal with the pressures and was able to speak with a free voice. The Roby native said he had planned to ask for re-election as Representative, but on seeing that the turnout for this event was more than twice of what he had expected, he joked that he was "considering governor" instead.

Nazarene Missionaries Will Speak

Mr. and Mrs. William Moon, Nazarene missionaries to Swaziland, South Africa, and now on furlough, will hold a service in the Church of the Nazarene Monday, October 24, at 7:00 p.m.

Mr. Moon has served in the field of education as a high school teacher, Church Zone Supervisor, and Head of Station. For the past 22 years he has been Administrator of Nazarene Schools in Swaziland and Mission Director of the Swaziland Educational Council. Mrs. Moon has served as Outstation Clinic Supervisor for 15 years.

Pastor Joe Norton invites the public to hear them speak and view their slides.

Rotan High Homecoming Activities

The Rotan High School Homecoming activities will begin Wednesday night, October 26th, with the Bonfire. The bonfire will begin at 8:30 p.m. in the parking lot east of the football field.

The Junior Varsity will travel to Hamlin to play Hamlin's Junior Varsity Thursday, Oct. 27th, at 7:30 p.m.

Friday night, October 28th, the Yellowhammers will take on the Hamlin Pied Pipers in the Homecoming game beginning at 7:30 p.m. We ask that you be at the stadium at 7:00 p.m. to be involved in pre-game Homecoming activities.

The 1983 Homecoming Queen will be announced during halftime. Nominees are Teresa Cantu, Dana Nowlin, Teressa Ratliff and Robin Harris.

For the price of this flashlight

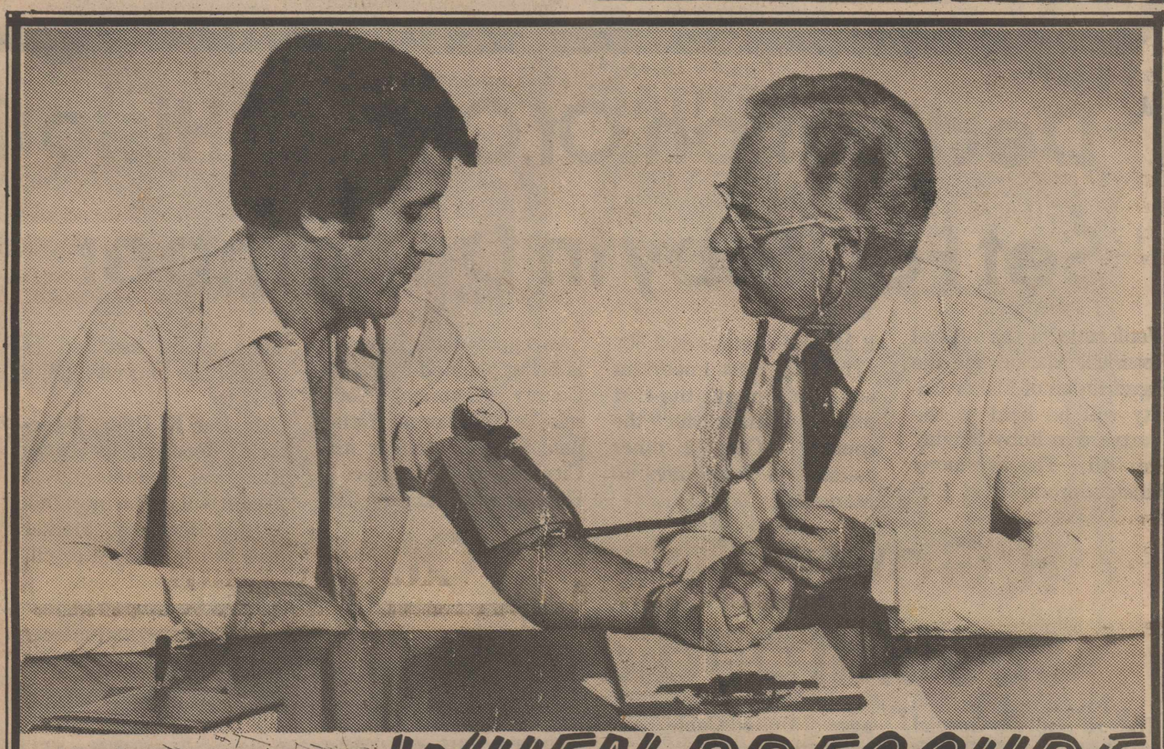

a 100 watt bulb will burn 400 hours.

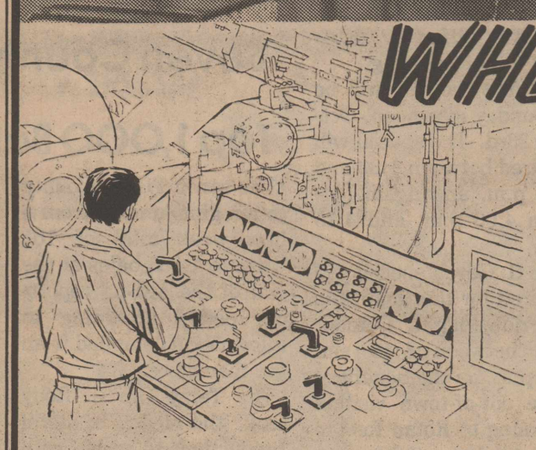

No one suggests replacing electric bulbs with flashlights. But it does illustrate that the price of power, although higher than before, has not increased at the rate of other goods and services. Because we are using twice as much power as we did in 1965 any rate increase gets our immediate attention.

But the member-owned electric cooperative has never charged a penny more than necessary and never will. It's a pledge they've honored for 40 years.

WHEN PRESSURE GETS TO YOU

How come in a world that operates largely by machine and computer there is so much PRESSURE on the individual?

Maybe the answer is that few individuals are as well adjusted as our machines, as soundly programmed as our computers. Human beings are always encountering the unexpected for which we are unprepared.

Religion in every age has helped men meet and overcome the pressures that beset them. The simple realization that God cares about us is the beginning of a new sense of our mission in the world. We are not alone. Life is partnership with Our Lord. His power empowers us. His peace calms our turmoil.

There's much more to successful living than enduring pressure. Discover that in regular worship.

Rotan Receives Sewage Grant

The City of Rotan received notification that it had been approved to receive an additional $15,860.00 sewage grant from the U.S. Government-Environmental Protection Agency through the Texas Water Resources.

The new grant brings the total of grants received to $194,172.00 and from indications received, Kenneth Vann-Rotan City Manager, expects construction to be completed in late 1984 on the project.

The total cost of the project is anticipated to be $237,750.00.

"We're just waiting now for them to give us the green light on advertising for bids on the project", said Vann.

The new sewage project will include a new lift station just north of the present lift station site; a new 8 inch force main to the disposal site; and the construction of 4 new oxidation ponds in the area of the new lift station.

Vann indicated that the present system was constructed in 1926 and 1927 with a portion built in 1953.

The new lift station and ponds and other work will increase the sewage capacity and control the odor, said Vann.

In other action, the Rotan City Council named Herbert Moore as their nominee for the Fisher County Appraisal Board.

The Rotan Community Center report was outlined by Kenneth Vann. He indicated that the facility had income of $748.21 with expenses of $877.10 for the month of September.

The annual donation to the Rotan Public Library was discussed. It had been the policy of the Rotan City for the past 5 years to contribute $2,404 to the library on an annual basis. The final payment, under the 5 year plan, was made in 1982. The future payments to be made by the City of Rotan were discussed but a final decision is not expected until November 1983.

Library Fund Drive Raises $950.00

A fund drive to benefit the Rotan Public Library was held on Monday, October 10, and the total received at the time of writing is about $950.00.

Thanks are due to all our marchers, including Carol Greenway, Mildred McCullough, Billie Coffman, LaDoska Smith, Mary Singley, Connie McQueen, Julie McQueen, Lynette McQueen, Joyce Hill, Barbara Gray, Desiree Gray and friends, Carolyn Weathersbee, Carol Leverton, Relna Long, Linda Deen, Wanda Murphree, Glenda Wright, Mayrene Morrow, Neva McQueen, Letha Lee, Jimmie McCright, Charlotte Knight, Connie Tutt, Lenice Dennis, Brenda Sheehan, Rosemary Carrillo, and Jan Wetsel.

Dr. Jerry Marshall and Lester Sescil will be contacting the businesses for their contributions soon.

And to all the persons who donated to the fund, many thanks. We will try to make our library the best it can be! Watch for the list of new books to be ready in November.

Roby Junior Varsity Report

The Roby JV played the Rotan J.V. Thursday night and Roby won by the score 8 to 0. both teams played good football.

In the 1st quarter the Lions had the ball 3 times and scored on their 2nd possession. Roby's Rodney Green went in from 4 yds. out to score and John Shipp ran in for the 2 points giving the Lions their 8 points. This TD was set up by a fumble recovery by Jeff Branson.

In the 2nd quarter Roby had two more possessions, the first ended with a punt and they were in their 2nd when the half ended. Just before the half, Roby's quarterback Rodney Green hit John Shipp for a pass that covered 22 yds. The Yellowhammers had 2 possessions in the 2nd quarter. Their first possession was stopped when they suffered their 2nd fumble of the night. Roby's Darry Thomson recovered for the Lions. Their second possession ended on a 4th down play.

In the 3rd quarter neither team was able to move the ball. With both defense showing good play.

The fourth quarter started with Rotan in possession and after 3 plays punted to Roby. The Lions moved the ball from their 44 yd. line to the Rotan's 4 in six plays. Then on a 1st and goal at the 4, the Lions fumbled the ball and the Yellowhammers took over, killing a good drive by the Lions. The Lions fumbled again on the next possession. The Yellowhammers had two more possesssions , one ended on a punt and their last possession ended when the Yellowhammers suffered their 3rd fumble of the night. Roby's Pache Parks recovered for the Lions. Roby ran the clock out on their last possession to take the win 8 to 0.

The Roby J.V. will play the J.V. teams from Cross Plains this Thursday in Roby.

Roby Lions Defeated By Sands 23 - 8

The Roby Lions lost their 2nd district game Friday night when they were defeated by the Sands Mustangs by the score of 23 to 8, in a game in which the outcome became 2nd to the welfare of a Mustang Coach, who suffered a heart attack on the side lines with about 8 minutes left in the game.

The game started with the Lions receiving the opening kick off. In their first possession the Lions moved the ball. From their 20 yd. line to their 47 in 7 plays, and then faced with a 4th and 5 punted to the Mustangs.

Sands began their first drive on their 17 and moved to the Lions 34 in 8 plays, the Lions had some good defensive plays by Jimmy Carreon, Chad Terry, and Noel Field. The Mustangs outstanding running back Robby Creswell had accounted for 35 of the Mustangs first 48 yds., on the 9th play of this drive the Mustangs had a 3rd and 2, when Creswell was met at the line for no gain by Roby's Joe Carreon and John Etheredge, on 4th Creswell was stopped short by an offsides giving Sands the 1st on the 28 yd. line. In 4 more plays Sands had moved to their 2yd. line again. Creswell had two good runs, one of 13 and another of 14. Setting now, with a 1st and goal at the Lions 2 yd. line, Roby's Noel Field stopped the runner for a 1 yd. gain, then the Mustangs were pentalized 5 yds. for procedure, then on 2nd and goal from the 6, the Sands runner was thrown for a 2 yd for a 6 yd. loss by Roby's Todd Coker and Nyle Field, on 4th and goal from 8, the Sands runner was thrown for a 6 yd. loss by Roby's Dennis Owens and Chad Terry. This was an outstanding defensive stand by the Lions. Roby ran one play and the 1st quarter ended. In the first quarter they had 23 yds. rushing and 2 first downs. The Mustang made 73 yd. rushing and 5 first downs.

The 2nd quarter started with the Lions in possession of the ball and a 2nd and 9 at their 15. On the 2nd play of this drive they suffered their first turnover, when Sands intercepted a Lion pass, giving the Mustangs their first break of the game. It took 5 plays for the Mustangs to score with a 7 yd. pass play Sands led 6 to 0. The PAT kick was blocked by Roby's Noel Field. With 8 minutes and 59 seconds left in the half.

The Lions on their next series ran 7 plays before having to punt. The Lions punter Chad Terry got off a booming kick that rolled out of bounds inside the Mustang 1 yd. line. The kick covered 65 yds. from the line of scrimmage. The Mustangs were held and forced to punt. A bad snap on the punt attempt, gave the Lions a safety and their first 2 points of the night. With 4 minutes and 10 seconds on the clock, Sands led 6 to 2. Then on the free kick after the safety Roby's Frankie Gonzalez picked up some good blocks and with a good run, return the kick about 65 yds. for the Lion T.D. The PAT pass was incomplete and the Lions now led 8 to 6. The Lions had one more possession before the half and the Mustangs had 2 more possessions. In the 2nd quarter the Lions rushed for 25 yds. and passed for 8, they had 1 first down and a 65 yd. kick return. Sands in the 2nd quarter had 34 yds. rushing and 7 yds. passing and 1 first down.

The 3rd quarter started with each team exchanging punts. On the Mustangs second punt, Roby's Stevie Rivas had a good 28 yd. return, giving the Lions a 1st on the Mustangs 15 yd. line.

Then on the 2nd down play Lions quarterback John Etheredge hit Frankie Gonzalez for a 18 yd. TD pass, but the play was called back. The Lions were pentalized for motions. The Lions on the next play suffered their 2nd turnover of the night, when the Mustangs intercepted the Lions pass, at the 5 yd. line.

The Mustangs began on the 5 yd. line and in 12 plays score their 2nd TD of the night, with a good run of 43 yds. by the Mustangs runner. With 1 minute and 2 seconds left in the 3rd quarter and after the PAT run was made. Sands led 14 to 8. The Lions ran 2 plays before the quarter ended.

The Lions ran off 4 more plays in the fourth quarter before being faced with a punting situation. They suffered a bad snap on the punt and the Mustangs took over on the Lions 18 yd. line.

The Mustangs ran for 3 yds. and a penalty against the Lions gave the Mustangs a 1st goal from the 4 yd. line. The Lions defense again held strong and it took Sands 4 plays to make the 4 yds. with the Mustangs quarterback going in from the 1 on 4th down. The PAT kick was good and with 8 minutes and 15 seconds left in the game Sands led 21 to 8.

After the kick the Lions had a 1st down on their 13.

The Lions Frankie Gonzalez then went 87 yds. for a TD on a Mickey Mouse play, but the play was called back, the officials called an illegal formation.

The Lions then attemped a pass, it was then that the Sands Assistant Coach fell on the side line suffering a heart attack. Roby's Coaches Howard McDaniel and Mickey McCarty applied CPR and were able to revive the man by administring CPR. After the ambulance left the field, the coaches and officials met, then the coaches got with their teams and prayed and the decision was made to finish the game. When play resumed the Lions were caught for a safety and that make the score 23 to 8 and that ended the scoring. Each team had two more possessions before the game ended.

The Lions will host Loraine this Friday, game starts at 7:3; p.m.

NOTICE OF INTENTION

To Engage in Weather Modification Operations Within the State of Texas

Prepared: September 19, 1983

NOTICE IS HEREBY GIVEN THAT the Colorado River Municipal Water District of P. O. Box 869, Big Spring, Texas, 79720, holder of Weather Modification License No. 83-1 of the State of Texas, has applied for a permit to engage in an operation to change or attempt to change by artifical methods the natural development of appropriate atmospheric cloud forms or precipitation forms which occur in the troposphere. An application has been filed with the Texas Department of Water Resources for consideration to conduct a weather modification operation to increase precipitation within the area described and by the method stated below:

1. The equipment, materials and methods to be used to conduct this operation include: a weather radar set, meteorological analysis information, a twin-engine aircraft, air-to ground radio communications and wing-mounted racks to hold silver iodide flares; a meteorologist directs the aircraft to a radar-selected cloud to begin cloud-seeding at cloud base to increase rainfall in the target area.

2. The area intended to be affected by the operation is the target area which is bounded by a line beginning at a point of origin at Big Spring, Texas and running along Highway 87 in a northwesterly direction to Lamesa, thence north-northeast on Highway 87 to the north border of Dawson County , thence east along the northern boundary lines of Dawson, Borden, and Scurry Counties to Highway 84; thence southeast along Highway 84 to Roscoe, in Nolan County; thence south-southeast to Maryneal; thence southwest to Silver in Coke County; thence south-southwest to Highway 87 at a point approximately 13 miles northwest of Sterling City; thence northwesterly along Highway 87 to the point of origin at Big Spring, Texas.

3. The area in which the equipment is to be operated includes the operational area and the target area. The operational area is the land-area between an outer boundary which is defined by a line that encompasses the block of counties of Lynn, Garza, Kent, Fisher, Nolan, Coke, Sterling, Glasscock, Martin and Dawson, and an inner boundary which is that of the target area.

4. The persons approved by the Department to be in control and in charge of the operation are Ray Pat Jones and Owen H. Ivie, P.E.

5. The period of the operation is expected to be March 1 through November 30 during the years 1984, 1985, and 1986 and 1987.

6. The intital Texas Weather Modification License was issued to the Colorado River Municipal Water District Dec. 18, 1974, and has been renewed each year.

The Commission shall, if requested by at least 25 persons, hold a public hearing in the area where the operation is to be conducted prior to the issuance of the permit. No public hearing will be held on this application unless a request for a hearing is made within 20 days following the date of publication of the first of three consecutive weekly notices of intention to engage in weather modification operations.

Request for further information concerning any aspect of the application should be submitted in writing to the Weather and Climate Section, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas, 78711. Telephone (512) 475-6318.

Requests for a public hearing should be submitted in writing to the General Counsel, Texas Department of Water Resources, P.O. Box 13087, Capitol Station, Austin, Texas 78711. Telephone (512) 475-7836.

You know that time is precious stuff. Too precious to entrust to anything less than a Rolex. That's why you choose an officially certified wrist chronometer as tough, as flawless and as distinctive as this 14kt. gold, or steel and gold Oyster Perpetual with its self-winding movement and matching bracelet. Its impregnable Oyster case, with twinlock winding crown, is pressure-proof down to 165 feet. The difference is discernable.

Facts Concern Child Support Enforcement Program

What is Child Support Enforcement Program?

The Child Support Enforment Program is a State/Federal effort to collect child support from absent parents. Although designed primarily to reduce welfare costs by collecting support on behalf of children receiving Aid to Families with Dependent Children (AFDC), the services of the program are also available to families who are not on welfare. The program is provided for in title IV-D of the Social Security Act, enacted in 1975, and in the laws of all 50 States, the District of Columbia, Guam, Puerto Rico, and the Virgin Islands. Each state/territory has an agency to administer the program including delivery of services such as locating absent parents, establishing paternity, establishing court orders for support, and enforcing payment of the support. The Federal Government (Office of Child Support Enforcement) pays 70% of the cost incurred by State and local governments in operating the program as well as incentive payments on AFDC collections, and provides a wide variety of services and assistance to the states.

In Texas, the state Attorney General's Office assumed operation of the program September 1, 1983 under cooperative agreement with the Texas Department of Human Resources.

Who is eligible for the program? Families who receive AFDC automatically receive child support services. Families who are not on welfare may apply to the State child support agency for services. Services are free to AFDC families; families not on welfare may be charged a small application fee for any services provided and the State may also recover costs in excess of the application fee either from absent parent or from the child support collected.

How does the program save the taxpayers? Child support collections reduce welfare costs. Child support collected for children receiving AFDC is used to reimburse the State and Federal Government for welfare costs. Child support collected for children not on welfare helps keep families independent of public assistance and thereby avoids costs for the government. Nationally, in 1982, the program collected $788 million on behalf of families receiving welfare, $984 million for non-welfare families and collection exceed cost in that every dollar expended yielded $3 in collections.

The Problem: As a result of the growing rate of divorce separations, and out-of-wedlock births, there was a 97 percent increase single-parent families during the past decade, 90 percent of them maintained by women. According to a census study conducted in 1982, only 59 percent of women potentially eligible for child support payments obtained such awards, only 47 percent of these received the full amount due them, and 28 percent of them received nothing. The single-parent family has become the newly significant factor in the nation's high poverty figures and growing social spending. Almost 87 percent of all AFDC recipients are eligible due to continued absence from the home of a living parent. In Texas, the Child Support Enforcement program serves more than 150,000 children who are receiving welfare assistance (at a cost in excess of $100 million per year) as well as over 50,000 children in non-welfare households. Court ordered support is being collected on only 20% of such cases. There is a critical need for more effective enforcement remedies in Texas.

What is Proposition 6? Recognizing the increasing and serious problem in Texas of parents failure to support their children, the 68th Texas Legislature passed (by a two-thirds majority of both houses) a joint resolution proposing a constitutional amendment allowing for the legislature to provide for additional remedies to enforce court-ordered child support payments. The constitution would be amended to read "no current wages for personal service shall ever be subject to garnishment except for the enforcement of court-ordered child support payment." The proposed amendment is being submitted to voters at the November 8, 1983 election and will be Proposition 6 on the ballot.

How will it Help in Texas? Nationally, the ability of states to assign income for irregular and chronic non-payment of court-ordered child support has proven to be one of the most effective enforcement tools. Texas is one of only two states with no such provisions to enforce its support orders. The income assignment provision passed by the Texas legislature provides safeguards/protections for all parties involved. The assignment can only be made for court ordered child support payments, will require a judicial determination; is limited to no more than one-third of gross income (less Federal withholding taxes); protects the rights of the employees and employer; and, is as simple and routine as any other payroll deduction. The state projects that taxpayers will save over $25 million per year through the reduction of welfare payments if the income assignment provision is only 40% effective since it will enhance their ability to enforce more orders and to obtain more regular payments.

This enforcement tool will greatly facilitate the State's efforts to foster parental rather than taxpayers responsibility for support of Texas children.

Mr. and Mrs. Mark Pope

Danette Ray And John Mark Pope Are United

Danette Leanne Ray and John Mark Pope were united in a double ring ceremony, Saturday, October 8, at 6:00 p.m. in the home of Mr. and Mrs. Gary Graham, aunt and uncle of the bride. Rev. Jim Ritter officiated.

The bride is the daughter of Roland Ray, Jr. of Roby and Millie Wilbur of San Angelo.

The groom is the son of Mr. and Mrs. James T. Pope of Roby.

The bride was given in marriage by her father and mother. She was wearing a floor length gown of organza enriched with pearled clunny and Venise lace on the yoke featuring a high rise neckline, victorial sleeves, heavily laced. Deep rows of lace marked the hemline of the semi-flow skirt with chapel train. A picture hat enlivened with floral design held the tulle veil. Her bouquet was an array of rainbow colored flowers, consisting of rosebuds, daises, orchids, dutch iris and baby's breath.

Melanie Ray, sister of the bride was maid of honor and bridesmaides were Shelly Thompson and Tammy Halliburton, wearing floor length gowns in rainbow colors. Each carried a pastel long stemmed carnation.

The groom was attended by his brother, Monty Pope of Snyder, best, and groomsmen were Greg Jennings, Fort Riley, Kansas and Leonard Hernandez of Roby. Forrest Graham, cousin of the bride was usher.

Paula Terry registered guests. Classmates of the bride, Valerie Goodrum, Sharron Stuart, Rachel Rasberry and Diane Alaniz presided at the bride and goom reception tables, carrying out the rainbow theme.

The bride is a senior at Roby High School and attending computer school at T.S.T.I., Sweetwater.

A graduate of Roby High School, the groom graduated from Texas State Technical Institute in machine shop operations and is presently attending computer school. He is employed by United States Gypsum, Co., Sweetwater.

The couple will live in Roby.

Roby Cubs And Rotan Yellowhammers Play To A O-O Tie

The Roby Cubs hosted the teams from Rotan and gave the fans 2 good games. The cubs lost the 8th grade to Rotan by the score of 8 to 0, and the 7th grade game ended in a 0 to 0 tie.

The 7th grade played first playing 4 four minute quarters.

In the first quarter, the Cubs moved the ball real well keeping it the entire quarter. The young Cubs began the drive on their 39 yd. line and moved to the Rotan 17, they ran 9 plays with 2 plays being good pass plays from quarterback Carter Edmondson to teammate Jerry Carreon, one play covered 16 yds and the other 14 yds. The drive went 3 plays into the 2nd quarter, before the Cubs were stopped short of a 1st down by the Yellowhammer defense.

The young Yellowhammers kept the ball the remainder of the 2nd quarter, moving the ball from their 17 yd. line to the Cubs 29. The Cubs had some good defense in the second quarter from Rick Onfre, Joey Teague and Jerry Carreon.

The 3rd quarter had both teams running one offensive series. The Yellowhammers ran four plays and punted on 4th and 11.

The Cubs started then on Yellowhammers 46 and moved again to the 17 on some good runs, one being a 15 yd. reverse by Shawn Morrow. The 3rd quarter ended with the Cubs on the 17 with a 3rd and 7. The second play in the fourth quarter, the Yellowhammers stopped the Cubs again short of the 1st down yardage. The young Yellowhammers took over then on the 15 yard line and in 5 plays had moved to the 37, when with a 1st and 10 at the 37, the Cubs defense led by David Shipp, Shawn Finley, and Craig Maxwell, throw the Yellowhammers for 3 straight lossses, they punted on 4th and 21. The Cubs ran off 4 plays and the game ended. Both teams played a good game.

Nazarene Church Schedules Revival

Revival services are scheduled at the Church of the Nazarene October 20-23 with Dr. Earnest Armstrong as the evangelist. Mrs. Armstrong and her sister, Thelma Brogden, will be the special singers.

Dr. Armstrong is an outstanding speaker and is enjoyed by all age groups in camps, retreats, and conventions. This is a return meeting for the Armstrongs. They were in Rotan in February of 1982.

Services will begin at 7:00 each evening. Sunday School is at 9:45 and the morning worship at 10:40. Everyone is invited to attend this meeting according to pastor Joe Norton.

Roby-Rotan 8th Grade Plays

The 8th grade then played and it too was a good game, with Rotan winning 8 to 0. In the 1 quarter the Cubs had one possession and the Yellowhammers had 2. The Cubs fumbled the opening kick off and the Yellowhammers began on their 42 yd. line in 7 plays, had moved to the 13 yd. line. On a 1st and 10 play Rotan fumbled and Roby recovered, to stop the Rotan drive. The Cubs ran 5 plays and punted on 4th down. Rotan ran 3 plays and the 1st quarter ended. On the first play of the second quarter Rotan scored on a 12 yd. run , the PAT run was good and the score was 8 to 0. The Cubs ran 5 more plays after the kick and then punted. The Rotan team kept the ball the remainder of the second quarter. They had moved from their 41 to the Cubs 10 when the first half ended. In the 2nd half neither team could move the ball offensively. In the 3rd quarter the Cubs ran 4 plays and gained 5 yards, the Yellowhammers ran 7 plays and gained 17 yards.

In the last quarter the Cubs had one possession and after 5 plays suffered an interception to stop their drive. The Yellowhammers had two possessions, one ended on a punt and the game ended on the other. It was another good game by the young men for Roby and Rotan.

The Cubs will host the young team from Roscoe thursday evening.

Card Of Thanks

Members of the Rotan Volunteer Fire Department and Auxiliary would like to express their appreciation for the support and contributions at our recent fund raiser held October 14, 1983. Our Bar-be-que and Bake Sale were a tremendous success. We now are well on our way to raising enough money for our much needed firefighting equipment. We would also like to congratulate Debi Mercer as being the winner of our quilt.

THANKS AGAIN TO EVERYONE.

Your Volunteer Fire Dept. & Auxiliary.

Winners for Player of the Week: Lucas Sierra and Sally Cabello received Players of the Week Awards from the Roby Band.

Roby Band Director Proud Of Direction

"I think without a shadow of a doubt that our band has improved greatly over last year," stated Roby Band Director Steve Ratliff. The Lion Band has a total of fifty-two members, including students from grades 8-12. An exciting new addition ri the Lion Marching Band this year as the Flag Corp. The Flags have added a refreshing touch to the half time shows on Friday nights. Presently the band is practicing on a show for marching contest at Abilene on November 3.

Each week, a member fro the High School, Junior High and Elementary bands are chosen to be awarded. Winning the Lion Band Award for the High School this week was Charles Doty, Jr., a trombone player. Winning the Player of the Week for the Elementary band was Trombone player Lucas Sierra; for the Junior High band the winner was drummer Sally Cabello.

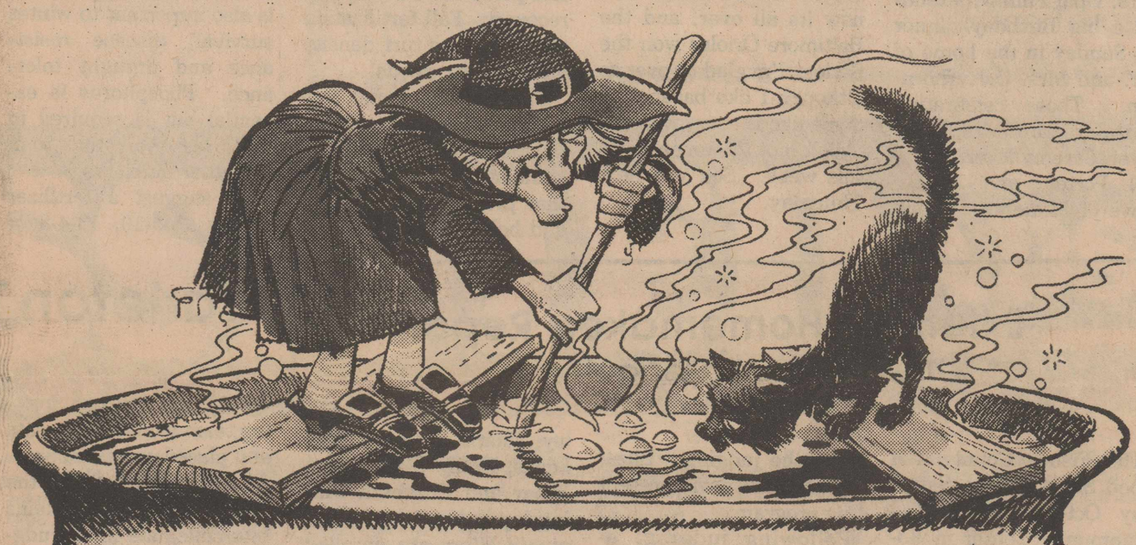

Charles Doty, Jr., son of Mr. and Mrs. Charles Doty of Roby, won the Player of the Week Award for the trombone in the Roby High School Band.

Congratulations! Chrys & Tammie

Hustlin' Round Hobbs

By Joy Walker

Well another good week, but we could still use some good old rain. Some folks have been lucky and got some moisture, but not too many around this way. Its been hot again, but not that real hot weather, and today (Monday). is just right. Lots of folks are busy stripping their cotton, so don't suppose they want a hard rain until they get through.

Manuel Martinez from Austin is here visiting for about two weeks with the Martinez families. He is a brother to the Martinezs.

Mr. and Mrs. Rudolph Martinez and Mr. and Mrs. Emilio Martinez all attended the Appreciation Bar-be-que on Tuesday night at Roby for State Representative, Steve Carriker. There was sure a big crowd present for the dinner.

Mrs. J.W. Etheredge accompanied her mother and dad, Mr. and Mrs. Lealon Wilburn to Lubbock last Monday. Mr. Wilburn went back to his Doctor for a check-up and seems to be doing real good. We hope that he will continue to feel that way. Mr. and Mrs. J.W. Etheredge went to San Angelo on Saturday and visited with Mr. and Mrs. David Etheredge.

Mrs. Opal Phillips attended a big Birthday dinner on Sunday in the home of mr. and Mrs. C.J. Thornton. Those celebrating birthdays were Mrs. Vicky Hyer, Jeremy Hyer, Michael Porter, and Walter Cave of Midland. Happy Birthday to all of them.

Mr. and Mrs. Walter Cave were here for the weekend visiting. Glenn Phillips from Post visited with Opal the first of the week.

Mr. and Mrs. D.H. Hornsberger from Sweetwater and Mrs. Eunice Arp from Roby spent the day on Sunday with the J.D. Kincaids. We were pleased to have Ken Foster from Rotan at Church on Sunday; he was there representing the Gideons and brought our Sunday morning message.

We are pleased to report that J.C. Cave is doing just great and may get to come home from the hospital in Abilene either Thursday or Friday of this week. He had surgery last Tuesday and we are pleased to hear that he is recovering so well. Hope that he will continue to improve and will soon be able to come home.

Jim and I attended the 7th 8th, and Junior High football games on Thursday. We played Roby, there. Then Friday we watched the Varsity play Seymour, and although it was a real good game we lost by 2 points. But that is the only game we are going to lose, hopefully.

At our house its been World Series time, and now its all over, and the Baltimore Orioles won the Series. I'm glad its over as although I like baseball, I don't like it every night.

Well, not too much news this week. See you next Thursday.

Sylvester Church Celebrates 77th Anniversary

To celebrate the 77th Anniversary of the establishment of the Sylvester Methodist Church in 1905, members, former members and pastors, and friends met at the Sylvester United Methodist Church on Sunday, October 9, 1983, for a day of worship, thanksgiving, and reminiscences. The services were directed by the Rev. Barbara K. Gammeter, pastor. Former pastors taking part in the services were Rev. H.O. Abbott, of Sweetwater, Rev. W.H. (Fred)Brown of Rotan; Rev. Leah was representing Alpha Delta Phi. She will be a December 17th graduate of Texas Tech University.

County Agent Report

By Richard Spencer

If you haven't fertilized your lawn in a while, it's not too late to do so.

Fall fertilization can boost a lawn while minimizing energy requirements for mowing and removal of grass clippings.

A fall application of fertilizer not only prolongs green color in lawns but also stimulates root growth, reduces winter injury and promotes early spring recovery. Fall fertilization also increases turf density and reduces weeds.

Warm fall days and cool nights provide conditions favorable for grass to accumulate carbohydrates that promote root growth and help winter survival.

And, since leaf growth is also less during the shorter fall days, delaying lawn fertilization until mid-September or October helps reduce mowing requirements and energy use.

Apply a fertilizer high in nitrogen and potassium and low in phosphorus.

"Both nitrogen and potassium are important to leaf growth and color and root growth. Postassium is also important to winter survival, disease resistance and drought tolerance. Phosphorus is essential but is required in much lesser amounts than the other nutrients.

We suggest a fertilizer with a 15-5-10, 12-4-8 or similar analysis for fall application. Base the rate of application on the nitrogen content, the first number in the fertilizer analysis. Apply 1 to 2 pounds of nitrogen per 1,000 square feet of lawn. So, with a 12-4-8 fertilizer, use 10 to 15 pounds per 1,000 square feet, depending on when the last fertilizer application was made. If the lawn has not been fertilized for the past three months or longer, use the higher rate.

For the homeowner interested in an attractive lawn this fall and early recovery next spring, fall fertilization is a must.

Extension Homemakers Report

By Alice Ballenger

Rotan Receives Sewage G

The City of Rotan received notification that it had been approved to receive an additional $15,860.00 sewage grant from the U.S. Government-Environmental Protection Agency through the Texas Water Resources.

The new grant brings the total of grants received to $194,172.00 and from indications received, Kenneth Vann-Rotan City Manager, expects construction to be completed in late 1984 on the project.

The total cost of the project is anticipated to be $237,750.00.

"We're just waiting now for them to give us the green light on advertising for bids on the project", said Vann.

The new sewage project will include a new lift station just north of the present lift sta[illegible] with a portion built in 1953.

The new lift station and ponds and other work will increase the sewage capacity and control the odor, said Vann.

In other action, the Rotan City Council named Herbert Moore as their nominee for the Fisher County Appraisal Board.

Roby Lions Defeat

Senior Spotlight

Joe Carreon
Son Of Mrs. Alicia Carreon

The Roby Lions lost their 2nd district game Friday night when they were defeated by the Sands Mustangs by the score of 23 to 8, in a game in which the outcome became 2nd to the welfare of a Mustang Coach, who suffered a heart attack on the side lines with about 8 minutes left in the game.

Oct. 21	*Loraine
Oct. 28	*Forsan
Nov. 4	*Roscoe

2 yd for a 6 yd. loss by Roby's Todd Coker and Nyle Field, on 4th and goal from 8, the Sands runner was thrown for a 6 yd. loss by Roby's Dennis Owens and Chad Terry. This was an outstanding defensive stand by the Lions. Roby ran one play and the 1st quarter ended. In the first quarter they had 23 yds. rushing and 2 first downs. The Mustang made 73 yd. rushing and 5 first downs.

The 2nd quarter started with the Lions in possession of the ball and a 2nd and 9 at their 15. On the 2nd play of this drive they suffered their first turnover, when Sands intercepted a Lion pass, giving the Mustangs their first break of the game. It took 5 plays for the Mustangs to score with a 7 yd. pass play Sands led 6 to 0. The PAT kick was blocked by Roby's Noel Field. With 8 minutes and 59 seconds left in the half.

The Lions on their next series ran 7 plays before having to punt. The Lions punter Chad Terry got off a booming kick that rolled out of bounds inside the Mustang 1 yd. line. The kick covered 65 yds. from the line of scrimmage.

Mustangs had 2 more possessions. In the 2nd quarter the Lions rushed for 25 yds. and passed for 8, they had 1 first down and a 65 yd. kick return. Sands in the 2nd quarter had 34 yds. rushing and 7 yds. passing and 1 first down.

The 3rd quarter started with each team exchanging punts. On the Mustangs second punt, Roby's Stevie Rivas had a good 28 yd. return, giving the Lions a 1st on the Mustangs 15 yd. line.

Then on the 2nd down play Lions quarterback John Etheredge hit Frankie Gonzalez for a 18 yd. TD pass, but the play was called back. The Lions were pentalized for motions. The Lions on the next play suffered their 2nd turnover of the night, when the Mustangs intercepted the Lions pass, at the 5 yd. line.

The Mustangs began on the 5 yd. line and in 12 plays score their 2nd TD of the night, with a good run of 43 yds. by the Mustangs runner. With 1 minute and 2 seconds left in the 3rd quarter and after the PAT run was made. Sands led 14 to 8. The Lions ran 2 plays before the quarter ended.

The Lions ran off 4 more plays in the fourth quarter before being faced with a punting situation. They suffered a bad snap on the punt and the Mustangs took over on the Lions 18
