FIVE-DAY WEEK BILL TO HOUSE

WASHINGTON, April 17 (AP)—The senate today refused to reconsider passage of the five-day week bill and sent it to the house where important modifications are in prospect to meet administration suggestions.

ARMS EMBARGO RESOLUTION ADOPTED

WASHINGTON, April 17 (AP)—The house today adopted the arms embargo resolution—granting President Roosevelt power to prevent the shipment of arms to warring nations.

WATER DRIVES FAMILIES FROM HOMES

POPLAR BLUFF, Mo., April 17 (AP)—The rising waters of the Black river today, drove a number of families from their homes in East Poplar Bluff, and flooded thousands of acres of newly planted bottom lands. The river reached a stage of 17.8 feet, the highest in five years.

PIRATES KILL THREE OFFICERS

HONGKONG, China, April 17 (AP)—Two British officers and one Chinese officer were killed and several sailors were wounded today when the cruiser Read, which recently joined the Chinese maritime customs, was attacked by pirates after being grounded fifteen miles from Macao.

INSANITY INDICATED FOR RUTH JUDD

FLORENCE, Ariz., April 17 (AP)—Mrs. H. J. McKinnell, mother of Winnie Ruth Judd, attempting to save her 28-year-old daughter from the gallows, told a lunacy jury today there was a strain of insanity in her daughter's ancestry.

Bond Issue For Texas Is Urged

WOULD USE MONEY TO SUPPLEMENT R. F. C. FUNDS IN STATE

(By The Associated Press)

AUSTIN, April 17—Resolutions proposing submission of an amendment to the constitution to authorize issuance of a state bond issue to not exceed $20,000,000 to supplement Reconstruction Finance corporation funds were introduced in both houses of the legislature today.

Governor Miriam A. Ferguson and a joint legislative committee on unemployment relief issued a statement recommending submission and approval of the bond issue.

Vote Set July 15

The electorate would vote on the proposal at a special election that would be held July 15.

It was pointed out that funds appropriated by congress for relief must be used to supplement local and state funds and that since the resources of the counties and cities were utterly inadequate to meet the situation, it was necessary for the state to render direct aid.

The proposed amendment would, if adopted, permit the legislature to authorize the issuance of bonds, the bonds to be issued only as needed and to meet the requirements of the federal government in disbursement of national relief funds.

The governor and the committee stated that unless the bond issue was authorized that further aid cannot be expected from the federal government. The amendment must be submitted at this session of the legislature or it will enforce a delay of two years, since constitutional amendments can only be proposed at a regular session.

A resolution proposing the bond issue had been prepared for introduction.

FORTY-ONE DEAD IN MEXICO FIGHT

MERIDA, Mexico, April 17 (AP)—Forty-one persons were dead today after a battle in the Yucatan village of Opichen between a rebel force and federal troops.

Of this number, only three were federal troops. Six other souldiers were wounded.

Bartole Garcia Correa, governor of Yucatan, said it was purely a local incident and resulted from "uninformed persons" following leadership of a so-called revolutionary defense organization which declared itself opposed to the government.

Twenty of the rebels were captured. There was no report on how many of them were wounded.

THE WEATHER

WEST TEXAS: Partly cloudy tonight and Tuesday.

EAST TEXAS: Increasing cloudiness, warmer in northeast and southwest portions tonight; Tuesday, partly cloudy to cloudy.

OKLAHOMA: Generally fair; warmer in east portion tonight; Tuesday, increasing cloudiness.

Flowers Made To Bloom In Winter

LAFAYETTE, Ind., April 17 By cutting about 10 hours a night off the "sleep" of asters, dahlias, sweetpeas and pansies, Purdue university horticulturalists announced today a commercially successful method of making these flowers bloom in winter as profusely as in midsummer.

The dahlias are bigger than the summer blooms, and the pansies flower in eight to 10 times their usual profusion.

The "sleep" of plants is their condition during the darkness of night, when lack of light stops most of their synthesis of sugars and other plant materials.

In the Purdue experiment station greenhouses the flowers were allowed to go to "sleep" as usual at sundown on winter days, but after about four hours rest in complete darkness they were awakened by artificial lights. These lights burned until sunrise, giving the plants the equivalent of a 20-hour working day.

REGULAR WORK IS RESUMED

LOCAL INSTITUTIONS WILL CONTINUE FOR NINE MONTHS

Normal work was resumed in the Lubbock Public schools this morning after an announcement Sunday by the school board that the schools would be continued a full nine-months term.

Much apprehension had been shown the last week among teachers and students after the board's announcement that the schools would be closed unless sufficient delinquent taxes were collected to pay expenses. Continuance of the schools was brought about by the aid of two local banks, the receipt of $10,880 in state funds, and collection of $17,000 in delinquent taxes.

Two banks, the Lubbock National and the Citizens National agreed to carry $20,000 and $15,000 in loans respectively until later in the year.

Collections of delinquent taxes were still being received at the office of A. C. Jackson, collector, this morning. Indications were that collections would run over $20,000 by the middle of this week.

Annual Fiesta At San Antonio Opens

SAN ANTONIO, April 17 (AP)—The annual Fiesta de San Jacinto—a week of gay, colorful pageantry and carnival during which San Antonio becomes the southwest's mecca for throngs of pleasure seekers—begins at 3 p. m., today with the formal entry of King Antonio XV and his traditional march to place a wreath at the Alamo.

Highspots of the week are the Battle of Flowers Fete Tuesday night, the annual pilgrimage to the Alamo Thursday afternoon, the coronation of the queen Thursday night, and the Battle of Flowers parade Friday afternoon.

ATTORNEY FOR DEFENDANTS IS FLAYED

JUDGE RAPS ATTACKS AGAINST JURYMEN OF ALABAMA

(By The Associated Press)

DECATUR, Ala., April 17—Trials of eight negroes charged with attacking two white women on a freight train near Scottsboro, Ala., were postponed indefinitely today by Judge James E. Horton after he scored a purported criticism of Alabama jurymen in a published statement attributed to Samuel Leibowitz, chief of defense counsel.

This action came after Judge Horton had sentenced Heywood Patterson, first of the negroes to be retrfied and convicted, to die in the electric chair June 16.

Reads Statement

Judge Horton from the bench read from the Decatur Daily, published here, a statement from Attorney General Thomas E. Knight, jr., of Alabama, taking issue with a purported statement of Leibowitz as printed in the New York Herald-Tribune.

This printed statement quoted Leibowitz as follows:

"If you ever saw those creatures; those bigots, whose mouths are slights in their faces, whose eyes pop out at you like frogs, whose chins drip tobacco juice, bewhiskered and filthy, you would not ask how they could do it."

This statement was purported to have been made in response to a question as to how the jury, trying the negro Heywood Patterson, found him guilty on Sunday, April 9.

Knight in his reply, printed in the Decatur paper, had said:

"Wail Of A Loser"

"If this statement was made by Leibowitz it can only be taken as a wail of a loser. Particularly in view of the fact that in his address to the jury (in the Patterson case) he lauded the people of Morgan county and the members of the jury to the skies."

Judge Horton said:

"I do not know whether the leading counsel for the defendant made the statement imputed to him. I am not stating that he did, but so far as it might influence this trial, it could make little difference whether he actually said it or not. The effect will be the same. The published statement was uncalled for. It was addressed to a panel of highly intelligent jurors, and men

Police Investigate Detroit Explosion

DETROIT, April 17 (AP)—Police today investigated an explosion that demolished a two-story brick rooming house on the eastern edge of the downtown district last night, showering the neighborhood with debris and sending more than a score of persons to hospitals.

Officers of the arson squad said there were strong indications that gasoline caused the blast and held two persons as witnesses while they sought the owner.

"IT'S TOO MUCH"

* * *

John (Jake the Barber) Factor, below, says the $100,000 demanded by kidnapers for the return of his son is too much. But $10,000, that's a different story, he declares.

FACTOR SHIES AT RANSOM

SAYS $100,000 IS TOO MUCH TO PAY FOR RETURN OF SON

(By The Associated Press)

CHICAGO, April 17—John (Jake the Barber) Factor, fighting extradition to England on charges of swindling investors out of $8,000,000, told authorities it would be impossible for him to raise the $100,000 reputed to be demanded by the kidnapers for the return of his 17-year-old son, Jerome.

"If they come down to around $10,000 it will be a different story," he declared as he explained how he couldn't raise a large amount of money.

Has Other Suites

Factor made his statement in his exclusive $100-a-day bungalow apartments atop a Loop hotel. In the same hotel the management said he was maintaining two other suites and he was reported to have half a floor of another hotel leased under his name.

The youth, a Northwestern university student, was kidnaped from in front of his mother's apartment. Factor's first wife, last Wednesday night. He was a millionaire in his own name due to a trust fund established for him by Factor.

Hoodlums Aid Search

Since word of the abduction became public over the week-end both police and the underworld have been enlisted in a search for the boy. Of the latter element the names of Murray Humphries and Joe Fusco, reputed Capone gang leaders, figured when reporters said Factor appealed to them for assistance.

SEARCH CONTINUED

ALGIERS, Algeria, April 17 (AP)—A search continued today for Captain William Lancaster, British pilot unreported since Wednesday on a speed flight from England to South Africa.

TUITION FEES INCREASE IS PROPOSED

MEASURE WOULD MAKE STUDENTS PAY MORE FOR EDUCATION

(By The Associated Press)

AUSTIN, April 17.—The house today debated a bill to increase the tuition fees at state colleges from $30 to $75 per year. The senate considered a proposal to provide for a different distribution of the counties' portions of the automobile license fees.

The purpose of the proposed college tuition increase is to make the students pay a greater part of the costs of higher education. Under the bill, introduced by Representative R. M. Wagstaff of Abilene, students from other states would have to pay the same fees as institutions in their home states charge out-of-state students.

Would Absorb Boards

The bill before the senate would force counties to use one half of their license fees in the payment of outstanding road bonds and warrants not absorbed by the state. Under existing law, they can use all of the money for lateral road construction.

The bill also would permit counties to retain all the license money collected within their borders up to $75,000. Under the present law, they must give half to the state after $50,000 is reached.

Senator Joe M. Moore of Greenville, author of the bill, said that the people of Texas needed tax relief worse than they needed new roads. Opponents charged that the bill would hamper road construction.

Reduction Urged

The free conference committee on the departmental appropriation bill completed its work on the adjutant general's department. It recommended that the ranger force be reduced to 32, four captains and 28 privates. The force at present numbers 44, but the senate had recommended that it be reduced to 20.

National guard appropriations stricken from the bill by the house were reinstated by the free con-

1,000,000 JOBS SEEN UNDER BILL

NEW YORK, April 17 (AP)—The national industrial conference board estimated today that a thirty-hour week for American mining and manufacturing industry, as proposed in the Black bill in congress, would increase employment by about $1,000,000. Estimates before congress placed the figure at 6,000,000.

The board's estimate was based on reports from more than 1,000 manufacturing establishments, which in February employed about one-sixth of the industrial workers who had jobs.

Youths Held On Burglary Charge

Tim Castle, 18, of Amarillo, and Nyal Trotter, 19, of east of Lubbock, were charged with burglary in a complaint signed by George Eubank, assistant chief of police, and filed by Burton S. Burks, assistant district attorney, in Justice of the Peace W. S. Clark's court this morning.

Castle, Trotter, and a 19-year-old Lubbock youth subsequently released without charge were arrested by police Saturday night. Castle and Trotter this morning admitted, in signed statements, burglary of a building occupied by G. B. Holder at 1717 Avenue H, from which cigarets and tobacco were stolen. Some of the loot was recovered.

The two youths charged were transferred from city to county jail after they admitted, according to police, they early Sunday broke an upper southside window with a rock, removed a stick and turned a latch, and raised the lower window for entrance and exit.

Over Nine Thousand At Easter Services

LOCAL CHURCHES ARE OVERFLOWED WITH VISITORS SUNDAY

More than 9,000 persons thronged the church pews of Lubbock during Easter services that began before sunrise and continued until after sunset yesterday.

Sunday school attendance exceeded the record for any Sunday in the year as a total of 5,509 was reported.

Hundreds Turned Away

It was necessary to place chairs in the aisles of several churches and hundreds of persons were turned away. A small overflow at First Methodist church was seated in the chapel, where a loud speaker had been installed.

Christians of the city worshipped the risen Christ on this holiest day of the church through songs, anthems, scriptures, dramatic presentations, prayers and silence. Perfect weather in the morning made church-going the more pleasant.

The baptism of infants and reception of members into the church at several institutions were highpoints of the services.

Sunrise Services Held

Sunrise services on the courthouse lawn, sponsored by the Downtown Bible class, and at Texas Technological college, sponsored by the Y. M. C. A. and Y. W. C. A. organization, totaled approximately 500 persons.

Fifty-nine members were received in the First Methodist church Sunday and 23 babies were baptized.

Various church attendances for the morning services were estimated by church officials as follows:

First Baptist, 1,500; First Methodist, 1,300; Broadway Church of Christ, 1,300; First Presbyterian, 550; Central Baptist, 500; First Christian, 450; Asbury Methodist, 400; Calvary Baptist, 350; Saint Paul's Episcopal, 200; Church of the Nazarene, 250; West End Baptist, 200; Cumberland Presbyterian, 130. While no definite count was available on other institutions of the city, it was estimated that over 1,800 members attended.

Oklahoman Opposes Collier Nomination

WASHINGTON, April 17 (AP)—A decision on the nomination of John Collier of California to be Indian commissioner today was postponed by the senate Indian committee at the request of Senator Thomas (D. Okla.) an opponent of the nominee.

Chairman Wheeler (D. Mont.) announced the delay was granted because Thomas wanted opportunity for some of the Oklahoma congressional delegation to question Collier about policies he might adopt.

D. A. R. Convention Opens At Capital

WASHINGTON, April 17 (AP)—Urged by their president general, Mrs. Russell William Magna, to refrain from alignment with other organizations, Daughters of the American Revolution assembled today for their annual congress.

The appeal of Mrs. Magna for the organization to stand on its own was given point by the fact that a number of patriotic organizations, not including the national D. A. R. will hold a mass meeting here tomorrow night against recognition of Soviet Russia.

NAMED DIRECTOR

* * *

Joe Sneed, below, prominent rancher of Amarillo has been named a member of the board of directors of Texas Technological college by Governor Miriam A. Ferguson. The appointment is subject to confirmation by the senate. Mr. Sneed is an old-time cattleman and deals in more cattle, possibly, than any other rancher in the Panhandle. He is a past president of the Panhandle Livestock association, an extensive land owner and a strong supporter of better grade of stock. Mr. Sneed wired his acceptance of the post to Mrs. Ferguson Saturday.

CHURCH HEADS MEET HERE

METHODIST DISTRICT CONFERENCE WILL START TONIGHT

Methodist leaders of the Lubbock district, both lay and ministerial, will meet tonight in the Asbury Methodist Episcopal church, Twentieth street and Avenue T, for the annual district conference, with Rev. C. A. Bickley, presiding elder in charge.

The Lubbock district consists of more than a score of churches in Lubbock, Crosby, Hockley, Cochran, Lynn, Terry, Gaines, Dawson and Yoakum counties.

Thompson To Preach

Rev. E. B. Thompson, pastor of the Shallowater church, will preach the opening sermon at 8 o'clock.

Organization of the conference proper will start at 9 o'clock Tuesday morning. A secretary will be elected and committees to handle the various departments named. Objectives of the conference are: to look into the financial status of the district; to look into the spiritual status of the district; the Women's Missionary society work; the young

EASTER DEATH TOLL HEAVY FOR STATE

ACCIDENTS TO BLAME FOR 11 WEEK-END FATALITIES

(By The Associated Press)

Thirteen violent deaths occurred in Texas over the Easter week-end. Eleven of them resulted from accidents.

Two men were killed and a third injured in a grade crossing crash at Eureka junction, eight miles west of Houston today.

One of the men killed was identified as Logan Speegle, 30, employe of the Magnolia Petroleum company at Taylor. Identification was made through a number of cards found in a bill case.

The other man killed was D. B. Goldstein, about sixty, also of Taylor.

Third Man Bruised

A third man, R. E. Coleman, 35, of Taylor, was bruised about the body.

The men were coming to Houston from Taylor in a roadster. Their car, crossing the Missouri-Kansas-Texas tracks at Eureka, was struck by a passenger train.

The roadster was hurled through the air 20 or 25 feet.

Explosion of a can of kerosene he was using to light a fire in a stove caused the death Saturday of Glenn Hopper, 15, from burns, at his home ten miles north of Tyler. His brother, Albert Hopper, 19, was burned seriously and the home was destroyed. Albert Hopper was taken to a Texarkana hospital for treatment.

Thrown From Car

Thrown from the rumble seat of an automobile overturning at a Corpus Christi bridge, Mrs. Fay Knight, 20, of Tyler, suffered fatal injuries Saturday night.

At Waco Miss Charlotte Emma

CONVICTION OF 5 ASKED IN RUSSIA

MOSCOW, April 17 (AP)—Prosecutor Andrey Vishinsky today recommended dismissal of charges against Albert W. Gregory but insisted on the conviction of five other British engineers of the Metropolitan-Vickers Electrical company as "spies, saboteurs and bribers."

The prosecutor also asked mercy for two of the eleven Russian defendants—one of the two was Madame Anna Kutozova—on the ground that they had partially redeemed themselves by betraying the other defendants.

He demanded the "highest penalty" for Vassili Gusev, whom he identified as the "main saboteur," but left to the court's discretion the punishment to be assessed against the other prisoners, including the Britons.

Sentence Of Means Affirmed By Court

WASHINGTON, April 17 (AP)—The District of Columbia court of appeals today affirmed a sentence of 15 years imposed upon Gaston B. Means following his conviction on charges of stealing $104,000 from Mrs. Evalyn Walsh McLean.

Means was convicted of having taken the money on his promise to effect return of the kidnaped son of Charles A. Lindbergh. He was given $100,000 in cash by Mrs. McLean and $4,000 more for expense money.

"SO LONG, KID" SAYS BIG EDDIE AS HE DROPS SIX STORIES TO HIS DEATH

(By The Associated Press)

NEW YORK, April 17—"Big Eddie" Horstman's last words were:

"So long, kid."

When the knock came at his hotel room door yesterday he was chatting with Peggy Lee, a dancer. He knew that knock was the "law." The detectives wanted him to answer that charge in Charleston, S. C., where an indictment named him as a member of a rum running syndicate.

By the time the knock was repeated, louder this time, he had tossed two loaded pistols out the window to the roof of a building 12 feet below—a building separated by several feet from the wall of his hotel.

He knotted sheets together hastily. He tied one end to the radiator. Twelve feet to the roof, and he could recover his weapons and flee. A six-story drop yawned between the two buildings, but he could swing over.

He crawled over the ledge of the window. He grinned. To Peggy Lee, he said:

"So long kid."

He slid out of sight. The officers were pounding at the door. The rope of sheets tightened under Big Eddie's weight. It snapped in two!

The door flew open. The of-

ROOSEVELT PAYS VISIT TO CHILDREN AT WHITE HOUSE EASTER EGG-ROLLING

(By The Associated Press)

WASHINGTON, April 17—President Roosevelt paid a surprise visit today to the hundreds of children who attended the White House Easter egg-rolling.

They had been somewhat disappointed because the grass was so wet they couldn't roll their eggs, but when the president unexpectedly appeared on the south portico with the whole Roosevelt family party, the child faces lighted with happiness.

"I am glad to see you all," said the president, "and I wish I could come out there with you.

"Hello and happy Easter!"

said "Sistie" Dall, the president's six year old granddaughter.

"Hello and happy Easter," said two and a half year "Buzzie" in direct imitation of his larger sister.

Whereup, the president went back into the executive mansion and Mrs. Roosevelt, her daughter, Anna Dall, and "Sistier," walked down the steps and out into the garden among the jubilating children.

"Buzzie" was the first member of the presidential family to appear, and he got a big hand from the waiting crowd several minutes before the rest of the family arrived.

New Baby Is Paid For With Pennies

AMARILLO, April 17 (AP)—A new baby was coming to an Amarillo home. Pennies had to be counted—and saved.

The baby arrived today and the attending physician was paid with 3,500 pennies. They were wrapped in rolls of 100 each, and were handed to the physician in a covered lard can in which they had been kept. They weighed 24 pounds; the baby, a girl, weighed nine.

Detailed Programs For District Parent-Teacher Convention Are Received In Lubbock Today

Lubbock People Are On Program; Many Will Attend; Meeting Opens On Friday

Detailed programs for the fifth annual conference of the fourteenth district, Texas Congress of Parents and Teachers, were received here this morning from the district president, Mrs. James B. Day, of Rotan.

The conference is to be on Friday and Saturday of this week in Brownfield and many Lubbock people are to participate in the program and attend.

The theme of the conference will be "Safeguarding Childhood Through This Crisis." Headquarters will be in the Brownfield High school auditorium, where all sessions and meetings will be held.

A pre-conference meeting of the district board of managers and registration of delegates at 11 o'clock Friday morning will open the meeting. At 12 o'clock, there will be a luncheon for the board of managers in the home of Mrs. W. B. Toone served by the Maids and Matrons club. At the same time, delegates who have arrived early will be served in the high school dining room by Brownfield P.-T. A. officers.

Miss Dysart To Talk

The formal opening will be at 1:30 o'clock that afternoon. Following dismissal at 4:30 o'clock, there will be a tea in the high school gymnasium, honoring delegates and visitors and served by the science club. The evening program will be at 8 o'clock and will include greetings from various people in Brownfield, an address by Miss Bonnie K. Dysart and a pageant, "Safeguarding Childhood."

Study classes and instruction in phases of parent-teacher work are to start at 7:30 o'clock Saturday morning. These open the morning program, which includes talks and reports. There will be a luncheon honoring home study course graduates at 12:30 o'clock and a tree-planting at 1:30 o'clock to conclude the conference. A board meeting will be conducted in the afternoon.

Miss Murfee Talks

In addition to reports from committee chairmen, the Friday afternoon program will include a talk by Dr. E. W. Protho of Sweetwater on results of the first Texas conference on child health and protection; a talk by Miss Helen Hardy of Austin, a member of the state division of child welfare; a talk by Miss Mae Murfee on "Safeguarding the Community" and a talk and question box, conducted by Mrs. J. M. Crain of Claude.

Rev. R. P. Drennon of Tahoka is to talk on "Safeguarding the Child's Religious Life" at the Saturday morning session. Dr. Bradford Knapp is to talk on "Safeguarding the Schools55 and Dr. W. A. Davis of Austin is to discuss "The Child's Welfare as Dependent on Vital Statistics."

Mrs. John R. Dean of Sudan is recording secretary of the district. Mrs. J. R. Strayhorn of Rotan is corresponding secretary; Mrs. A. C. Surman of Post is historian and Mrs. H. F. Godeke is parliamentarian. District vice-presidents and their assigned counties are the following: Mrs. Lester La Grange, Amherst—Bailey, Lamb, Hockley and Cochran; Mrs. Stallings, Post—Garza, Fisher and Jones; Mrs. E. L. Banks—Lubbock, Dickens and King; Mrs. Leon Noel—Hale, Floyd, Motley and Cottle; Mrs. L. C. Odom, Slaton—Crosby, Kent and Stonewall; Mrs. Mat McCall, Lamesa—Dawson, Borden and Scurry; Mrs. L. M. Wingred, Brownfield—Terry, Yoakum, Gaines and Lynn.

Chairmen of standing committees are the following: Endowment fund, Mrs. W. B. Tayman of Stamford; life membership, Mrs. T. A. White; child welfare day and Texas birthday, Mrs. S. D. Hay, Olton; publicity, Mrs. Strayhorn; Summer Round-Up, Mrs. Stallings; standard associations, Mrs. La Grange; parent education, Mrs. J. R. Durrett, Post.

The conference committee chairmen are as follows: Registration, Miss Olga Fitzgerald, Brownfield; credentials, Miss J. Booker, Rotan; rules and regulations, Mrs. N. L. Peters; reports, Mrs. Godeke; exhibits, Mrs. W. F. Taylor, Rotan; resolutions, Mrs. Roy B. McQuarters, Anton.

LOCALS

A daughter was born to Mr. and Mrs. Glenn Hunt, 1917 Fifteenth street, Saturday afternoon at West Texas hospital.

Garland Pennington of Tahoka is convalescing from an operation performed at West Texas hospital.

Miss Leila Day of Wilson spent the week-end here as the guest of friends.

Men Have Part In Houston PTA Unit

By MRS. J. M. CRAIN
P-TA Publicity Head

CLAUDE, April 17.—(Special)—Fathers of Wharton Parent-Teacher association in Houston participate as actively as do the mothers at the association meetings. About half of the executive committee are men and in all phases of the work the men are well-represented. R. A. Smith is president and other men serve as treasurer, public welfare chairman, and parliamentarian.

Public welfare chairman who is fourth vice president has been filled by a father for the four years this association has been organized. One father serving in this capacity was instrumental in securing a traffic policeman for the dangerous crossing in front of the school; the second father to serve as fourth vice president organized the boys' safety patrol as playground policemen and the incumbent now is especially fitted to fill this place since his business deals with safety campaigns.

Men Have Ideas

The idea of a "nickel brigade" was conceived by a father who is president of a men's Sunday school class. Each member of this class dropped a nickel in a basket as they filed out each Sunday and the fund accrued was used to buy milk for the undernourished classes of children.

Various talents and facilities of the fathers in different professions are proffered to aid the projects undertaken by the association. The doctor and dentist serve in the Summer Round-Up; the jeweler lends his exhibit case to display the children's work; the caterer bakes the cake for the valentine game party; the photographer takes the picture of the school for the publicity recordbook; the sign painter makes posters for the membership drive.

Fourteen men staged a minstrel, "Coontown Thirteen Club," while on special occasions a male quartette sings.

At Hallowe'en and May fetes the men sell soda water, ice cream, "hot dogs", etc. Each man volunteers to serve and attends to all the details involved.

Many Enroll

Mrs. R. F. Wallace, publicity chairman of Wharton Parent-Teacher association, has furnished this information and she concludes as follows: "What is the secret of this unusual interest on the part of the fathers of the parents' division of this association? Is it the result of the development of a strong community or is it that the strong community results from this interest? Whatever the answer, this association of 487 congress members, serving an elementary school of 570 children, has from its beginning been truly a parent-teacher association."

Men play an important part as members, officers, committeemen, chairmen, in many local units in Texas. Often times the associations hold their meetings in the evening so the fathers may be privileged to come.

An octette of fathers sings regularly for the McLean unit. A chorus of whistling men augments any program.

The state chairman of physical education, Dr. David K. Brace, University of Texas, is the only man on the Texas Congress board of managers.

Delaware and West Virginia are two states with men presidents.

Almost one-third of the new national board of managers of the National Congress of Parents and Teachers are men. Three of the 13 members of the national executive committee are men.

Statisticians estimate that about one-third of the parent-teacher membership is made up of men.

Due to the aggressive teachers of Pennsylvania, Illinois and California, fathers began to be active participants in the parent-teacher movement.

Movie Home Life

The Hollywood home life of alluring Sari Maritza, foreign screen star, above, and her manager, Vivian Gaye, inset, came in for an airing in a Los Angeles court when the manager of their apartment house, Helen Lee Barrie, brought suit for $1,990 for damaged furniture. Miss Barrie's claim is based on these allegations: Two cracked and damaged beds; three damaged smoking stands, five tables burned or broken, two davenports burned, spotted or torn, six chairs scratched, silver bent and glassware broken.

Local Man Marries Arkansas Girl

Freeman Shell and Mrs. Louis Shell left during the week-end for Hamburg, Ark., where Mr. Shell was to be married to Miss Reba Taylor. The trio is to return to Lubbock this week and the newlyweds will reside here.

Mr. Shell is the son of Mr. and Mrs. H. H. Shell, 1606 Avenue X. He operates a filling station. His bride is the daughter of Mr. and Mrs. N. R. Taylor of Hamburg and is the sister of Mrs. Louis Shell. She has visited in this city.

Miami Woman Wins Essay Contest

LAMESA, (Special) — In the essay contest conducted by the junior membership chairman, Mrs. W. P. Averiett, of the seventh district, Texas Federation of Women's clubs, the judges announced Mrs. Vance King of Miami as winner. The subject used in the contest was "The Fine Art of Living Developed Through Junior Club Work." Essays were received from every part of the district and all were of high order, it being difficult to make a first choice winner. The prize winner received $5 cash.

NEW O'DONNELL INDUSTRY

O'DONNELL, (Special) —T. M. Garner has opened a carpenter shop here and will build novelty furniture as well as do repair work. Mr. Garner is a cabinet maker by trade.

DAILY MARKETS

Cotton Market

NEW YORK REPORT

NEW YORK, April 17 (AP)—Cotton opened steady, 2-4 lower under liquidation and southern selling. May 6.75; July 6.90; Oct. 7.13; Dec. 7.26; Jan. 7.32; March 7.46.

Trading was moderately active at the start. In addition to commission house buying there was some buying through brokers with continental and Wall Street connections but the south seemed to be selling a little more cotton here than recently. Prices worked off to 6.67 for May and 7.05 for October by the end of the first half hour when active months showed net losses of about 8 to 10 points.

NEW ORLEANS REPORT

NEW ORLEANS, April 17 (AP)—In the absence of Liverpool cables—that market being still closed for the Easter holidays—cotton here opened steady and unchanged to one point up. Prices advanced one to three points right after the start on some price fixing orders, but soon turned easier in sympathy with stocks. May declined to 6.67 July to 6.80 and October to 7.05, or 8 to 9 points down from early highs and 4 to 8 points below the previous close.

Near the end of the first hour the market continued easy and at the lows.

The market ruled moderately quiet all morning, but prices continued to ease in sympathy with easier wheat and stocks, some further May liquidation and selling by recent buyers.

Near noon, there was a better feeling in evidence owing to short covering and some trade buying and price fixing. May recovered to 6.66, July to 6.82 and October to 7.02, or 5 to 8 points up from the morning lows. At these levels, prices were 4 to 7 points down for the preholiday close of last Thursday.

Grain Market

CHICAGO REPORT

CHICAGO, April 17 (AP)—Material setbacks in grain values took place early today, influenced by general selling that found demand slow. Much of the selling was of a profit-taking character, with many traders contending that the market had been overbought.

Opening 3-8 to 1 1-8 down, wheat afterward declined further. Corn started 18 1-2 off, and continued to sag.

Livestock Market

KANSAS CITY REPORT

KANSAS CITY, April 17 (AP)—(U. S. D. A.)—Hogs 7,000; 10-15 lower; top 3.45 on choice 190-230 lbs; packing sows, 275-550 lbs. 2.75-3.10.

Cattle 11,500; calves 1,200; steady to weak; steers, good and choice 550-1500 lbs. 4.00-6.50; cows, good 2.75-3.15; vealers (milk-fed), medium to choice, 3.00-6.50; stocker and feeder steers, good and choice 4.25-6.00.

Sheep 8,000; fed lambs strong to 15 higher; sheep and native spring lambs steady; spring lmabs, good and choice 6.25-75; lambs good and choice (x), 90 lbs. down 4.85-40; good and choice (x), 90-98 lbs. 4.75-5.25; ewes, good and choice 90-150 lbs. 1.50-2.25.

(x)—Quotations based on ewes and wethers.

FORT WORTH REPORT

FORT WORTH, April 17. (AP) (U. S. Dept. Agr.)—Hogs: 2,700; 5-10 lower; top 3.30 for good to choice 190-250 lb truck hogs; medium to good lightweight 2.75-3.25; packing sows 2.25-2.75.

Cattle: 2,500; calves: 700; steady; lightweight fed steers 4.00-4.50; better yearlings 4.50-5.35; butcher yearlings around 3.50 down; cows 2.50-2.75; butcher sorts around 2.00; good stock steer yearlings 4.50-4.60; heavy calves 4.50-5.00.

Sheep: 6,500; fully steady; best shorn lambs 4.35; good shorn lambs 4.00.

BREAKFAST SLATED

LAMESA, April 17.—Plans are being laid for a 7 o'clock breakfast for business men of this city, at which time a boy scout program will be heard and arrangements completed for the annual scout drive. The breakfast will be held Tuesday morning.

Lubbock Markets

These prices are furnished by the following Lubbock firms: Poultry—Lubbock Poultry and Egg company, delivered Lubbock; Grain—S E. Cone Grain and Seed company, following prices being bid by Lubbock grain dealers: Cotton—Blocker Cotton company. All prices subject to change during day.

Stock Market

WALL STREET REPORT

NEW YORK, April 17. (AP)—The stock market began the new week with a moderate reaction today, in sympathy with principal commodity markets.

The list stiffened somewhat toward midday, and a number of issues partially recovered losses of a point or two.

American Telephone, still under the influence of its first quarter report, lost 2 points and failed to rally. Union Pacific lost 2, and Santa Fe nearly as much. Food shares, with few exceptions, held about steady and gold mining issues were firm, but other major groups were heavy. U. S. Steel sagged a major fraction, and issues losing a point or so included American Can, Case, Eastman, Standard of N. J., Allied Chemical, Corn Products, American Tobacco B, American Sugar, U. S. Smelting, International Silver and others.

Woman Dies Sunday At Daughter's Home

Mrs. Henrietta Brownlee, 82, died at 8 o'clock Sunday night in the home of a daughter, Mrs. Raymond Johnson of Slaton, after several weeks' illness.

Funeral services will be conducted at 8:30 o'clock tonight in Slaton. Rev. James Raburn, pastor of the First Presbyterian church there, will officiate. The body will be sent by train to Lancaster for burial there Tuesday, Sanders Funeral home announced.

Two sons and four daughters survive Mrs. Brownlee. They are:

Ernest Brownlee of Alford, Tex., T. B. Brownlee of Paris, Tex., Mrs. D. H. Lester of Louisville, Tex., and Mrs. E. C. Couch of Brownwood, Mrs. Johnson, and Mrs. D. E. Hinson of Sudan.

Funeral Set Today For Tichenor Baby

Funeral services are to be held this afternoon at 4 o'clock at the Four Square Gospel church for Uvadell Tichenor, Sixteenth and Avenue G., who died this morning. The child had been ill with pneumonia.

Rev. Floyd Dawson, pastor, will be in charge of the services. Burial will be in Memorial Park cemetery under the direction of Richard W. Martin, funeral director.

Besides the parents, the child is survived by three other brothers and sisters.

COUGHS

Don't let them get a strangle hold. Fight germs quickly. Creomulsion combines the 7 best helps known to modern science. Powerful but harmless. Pleasant to take. No narcotics. Your druggist will refund your money if any cough or cold no matter how long standing is not relieved by Creomulsion. (adv.)

Las Vivarachas Is At Breakfast Here

Las Vivarachas club members attended a breakfast in the F. R. Friend home, 2005 Broadway, Sunday morning. Flowers were arranged on the tables.

Misses Frances Marcia and Tommie Echols were special guests. Club members present were Misses Frances McKee, Juanita Mills, Lesey Bullock, Emily Davis, Idell Bacon, Rachel Campbell, Marguerite Taylor, Lois Morrison, Kathleen Conrad, Eileen Graves, Lois Houston, Tylene Walker, Ruth Hurmence and Mrs. Homer Maxey. The sponsors, Misses Ruth Pirtle and Harriet Tilden, attended, also.

Brevities

Club To Meet—The International Relations club of Texas Technological college will present a model assembly of the league tonight, beginning at 7 o'clock, in room 302 of the college administration building. The report which precipitated a walkout of Japan's delegation will be a highlight.

• • •

Negro Arrested—A 17-year-old negro was arrested Sunday by police as a suspect in theft of several pairs of trousers. He still was in city jail this morning.

• • •

Mrs. Batton Improved—The condition of Mrs. T. A. Batton, who has been seriously ill for several days at the home of her son, L. A. Batton, was improved today.

• • •

Laverty Elected—P. L. Laverty yesterday was advanced from secretary president of the Men's Bible class of the First Presbyterian Sunday school succeeding H. D. Woods. V. L. Doughtie was chosen vice-president and H. F. Yant, secretary. A special collection was taken to be given to El Paso Presbytery as a contribution for the Presbytery's two students in Austin Theological seminary at Austin. Hubert Hopper, of Lubbock, is one of the students. An attendance of more than 40 was reported Sunday.

• • •

Attends Convention—B. Sherrod, of Sherrod Brothers hardware store, is in Amarillo today where he is attending the Panhandle Hardware Men's association convention. Mr. Sherrod is to lead the community singing during the meeting.

• • •

Farm House Destroyed—Fire of undetermined origin early today destroyed a farm house owned by Charlie Rush about four miles west of Lubbock, according to the fire department, which received an alarm at 1:10 a. m.

• • •

Cattlemen Invited—The state experiment station at Spur, of which R. E. Dickson is superintendent, has asked the Lubbock Chamber of Commerce to relay a blanket invitation to feeders and cattlemen of this vicinity to a feeder day program at the station May 5. Eighty-five head of cattle that day will have been on feed 150 days in five tests to determine: the best variety of bundle feed and whether it pays to grind it, whether cottonseed can be substituted satisfactorily for cottonseed meal, whether trench silage is more profitable than cured bundle feed, and whether addition of oyster shell flour to rations is profitable.

• • •

Eight Arrested—Two men were arrested for fighting and six persons, five men and a woman, for drunkenness at a dance at Johnston's ranch southeast of here Saturday night and early Sunday. The men charged with fighting pleaded guilty in Justice of the Peace J. S. Connell's court, one being assessed $14.25 and the other $15.25. The six charged with drunkenness pleaded guilty in the same court and assessments of $15.25 each were imposed upon them.

• • •

Mexican Woman Released—A 28-year-old Mexican woman of Roundup, arrested in Little Juarez, Mexican quarter here, early Sunday by police, subsequently was released "to go to her baby" and to return to police headquarters later. She and two men of the same family name were released without charge.

• • •

Suspect Released—A 21-year-old man arrested Sunday in connection with theft of some canned goods later was released by police without charge.

New Face Powder Increases Beauty

New, wonderful MELLO-GLO face powder reproduces the lovely bloom of youth. Made by a new French process it spreads smoothly, stays on longer, hides tiny lines and wrinkles, prevents large pores, banishes ugly shine. Sunday Gathering Is In Ross Home

Mr. and Mrs. Henry Ross were hosts to several relatives and friends Sunday in their home at Wolfforth. There was an Easter egg hunt in the afternoon for children. Those who were there were Mr. and Mrs. T. B. Stockstill and family, Mr. and Mrs. H. R. Burke, Mrs. A. R. Carlile and children, Mr and Mrs. Henry Tubbs and family, Mr. and Mrs. Lee Tubbs, Mr. and Mrs. F. F. Revier and family, Mrs. W. C. Roberts and family.

1916 Needle Club Will Meet Wednesday

Mrs. E. B. Green, 1710 Main street, is to entertain for the 1916 Needle club at 3 o'clock Wednesday afternoon.

Easter Egg Hunt Is Enjoyed By Class

Miss Blanche Garner entertained Saturday afternoon with an Easter egg hunt for the smaller children in her piano class. The affair was in the home of Mrs. R. L. Ragsdale, 2425 Broadway, the home of two of the class members, Ann and Sam Pat Birkman. Other children who attended were Mary Ann Stephenson, Jane Hess, Donald Kleinschmidt, Annie Mac Hocker, Laura Jean Renner, Esther Haynes and Margaret Studhalter.

Potentials To Be Taken In Oklahoma

OKLAHOMA CITY, April 17 (AP)—Taking of potentials of forty Wilcox sand zone wells in the Oklahoma City field was scheduled today under supervision of 26 new proration enforcement officers.

Carl Giles, new state proration umpire, said he would begin a personal survey of the state's prorated fields this week and that he was considering establishment of district offices at Tulsa and Seminole and possibly one at either Ardmore or Duncan.

Frogs deposit their eggs in great, gelatinous masses of several hundred each and, barring misfortune, each egg produces a tiny tadpole.

A London book store, said to be the world's largest, carries 2,000,000 books in stock and operates 500 circulating libraries.

CHANGE TRAIN SCHEDULES

NEW TIME ANNOUNCED BY SANTA FE FOR THREE TRAINS

Changes in the time of arrival and departure of Santa Fe trains 91, 92 and 96, will become effective with a change in the train schedule on Sunday, April 23, it was announced at the division passenger offices by E. Kancher, division passenger agent.

No. 92 from Galveston will arrive in Lubbock at 2:50 p. m. from Sweetwater and leave at 3:10 for Clovis. No. 96, connecting train here for Amarillo, will leave at 3 p. m.

No. 91, from Clovis, will arrive at 1:10 p. m. and leave at 1:20 for Sweetwater and the gulf coast.

Passengers on No. 92 will eat lunch at Slaton instead of Sweetwater. Train will leave Sweetwater at 11:25 a. m., arriving at Slaton at 2:05 and leaving there at 2:30 for Lubbock. Leaving here at 3:10, the train will arrive at Littlefield at 4:15, Muleshoe at 5:08 and Clovis at 6:05 p. m. No. 96 for Amarillo, leaving at 3 o'clock will arrive in Amarillo at 6 o'clock.

From Clovis, No. 91 will leave there at 11 a. m. (10 o'clock M. S. T.); Muleshoe at 11:38, Littlefield at 12:20 and arrive in Lubbock at 1:10 p. m. Leaving here at 1:20, a lunch stop will be at Slaton from 1:40 to 2:05 p. m., with arrival at Sweetwater at 4:40.

No changes were announced in the schedules of No. 94 and 95 or No. 93 from Amarillo.

POOR SPECULATION

LOS ANGELES—Seling short in the filling station business has its risks as does the same process on the stock market. John Jones will spend 50 days in jail or pay $100 because he took that risk. Jones was arrested for selling "short weight" to J. P. Parrish of the city weights and measures department. Parrish claims that he paid for five gallons of gasoline, but Jones gave him only four and a half.

Smokers

Save HALF on MOUTH-WASH

Vicks Antiseptic does everything that *any* mouth-wash or gargle can and should do ... at *half* the usual cost!

The Proof is actual use. To furnish this proof, 5 million bottles in a special trial size were supplied to druggists — *below cost*. But the demand has been enormous.

If your druggist is already out, get the regular 10-ounce size ... a 75c value for only 35c. Use it one week. If you are not delighted with its quality ... and amazing economy ... return unused portion to your druggist and get your money back.

CHINESE FLEE FROM JAPS

BOMBING PLANES AND HEAVY ARTILLERY GO INTO ACTION

PEIPING, China, April 17 (AP) — Bombing planes and heavy artillery went into action on a large scale today as Japanese troops sent the entire Chinese army in the coast region of North China proper fleeing to the south bank of the Lwan river.

It was the first extensive Japanese advance into the Peiping-Tientsin international treaty area, where there are considerable American and other foreign interests. The Lwan river is 65 miles southwest of Shanhaikwan and only 100 miles from Tientsin.

Towns Captured

Changli, where an American Methodist mission is situated, and numerous other towns to the north and northeast fell in rapid order to the Japananese and Manchukuan army.

The Chinese had predicted this sweep over Peiping's route to the sea since the fall of Shanhaikwan Jan. 3. Their fears were increased a month and a half ago when the Japanese began seizing all the passes in the great wall, to the north. (Japanese placed responsibility on the Chinese in advance of the action, declaring the move would not be made unless it was "forced" by attacks on the Japanese lines.)

Japanese airplanes dropped about 100 bombs between one and three miles from the big seaport of Chinwangtao early Saturday to begin the real offensive, it was learned today. Chinwangtao, ten miles southwest of Shanhaikwan, was occupied Saturday.

Chinese Flee

After the aerial bombardment, the Manchukuan troops attacked the Chinese lines with field guns, aided by range-finding airplanes. The first details of the battle reaching here today said the Chinese garrison fled at 6 p. m., Saturday and that Chinese police then handed over the city to the Manchukuans, the so-called "fifth national salvation army" under General Li Chi-Chung.

Refugees in the area were reported streaming to Kailan mining compound, which is a British holding. British marines previously were reported landed in the city. The summer camp of the 15th United States infantry, now occupied by a small guard, is nearby.

Japanese then stationed guards in the Chinwangtao railway station.

Residents of Changli, which was captured today, were reported pledging alegiance to the Japanese-sponsored Manchukuo government in Manchuria. Groups also were distributing pamphlets in Tientsin urging public support for Manchukuo.

SCOTTSBORO

(Continued from Page One)

who wished to do what was right in the case. The statement of itself of necessity must make impossible any just and impartial verdict. The accused negro must be a victim of this statement. His leading attorney would be a millstone about his neck.

Must Be Fair

"No court regardful of its duty to see that trials must be fair and impartial could under such baneful influence permit the trial of this case to proceed at the present time. It, therefore becomes the unquestioned duty of this court at the present time, to enter of its own motion a continuance of this case until such time when in its judgement a fair and impartial trial may be had."

The United States still pays Civil war pensions amounting to nearly $2,000,000 weekly.

CHURCH MEET

(Continued From Page One)

people's work and Sunday school work.

Several young men are to appear before the conference and ask for licenses to preach. A committee will hear applications and make recommendations. Also the licenses of local preachers and the passing on the character of the local preachers will be handled by a committee.

Quillian On Program

At 11 o'clock Tuesday morning and again at 8 p. m., Rev. W. F. Quillian, Nashville, secretary of the general board of Christian Education of the M. E. church, South, will preach.

Reports by pastors will be made both on Tuesday and Wednesday morning.

The conference will close Wednesday afternoon with the election of delegates to the annual Northwest Texas conference to be held next November at Clarendon.

Members of the Asbury church, through Rev. O. W. Carter, pastor, have arranged a program of luncheons for the visitors. Tuesday noon women of the church will serve a luncheon and in the evening the young people will serve a dinner.

Wednesday noon the men of the church have planned an informal luncheon.

EDUCATION

(Continued from Page One)

ference committee. Friends of the national guard had said that the house cut the appropriations to such an extent that the guard could not be maintained.

The conference committee recommended that $221,000 be appropriated for support of the adjutant general's department during the next biennium. The appropriation for the current biennium was $295,000.

The educational appropriation budget is the last of the major money bills pending in either house. The senate has passed all of its important appropriation bills and the house has only the educational appropriation to get out of the way. Two of the bills, the eleemosynary and departmental, have been placed in free conference while the fourth, the judiciary, has been signed by the governor.

Agreement Looms

The committee conferring on the eleemosynary bill has virtually reached an agreement and floor leaders were hopeful of reaching an accord with a minimum of delay on other bills so that the matter of appropriations would not be a bar to adjournment. Two years ago the appropriation bills delayed adjournment for several days.

With adoption by the house of a resolution to submit an amendment to the constitution to permit the manufacture and sale of 3.2 per cent beer and wine and passage of an anticipating enabling act to make it effective in event the amendment is adopted, the prohibition scene shifted to the senate.

Most of the fighting in the battle of Bunker Hill was done on Breed's Hill.

Ties Up Pension

Seeking to tie up the $18,000 yearly pension still paid to Samuel Insull by three of his remaining utility companies, James P. O'Grady of Chicago has brought court action. O'Grady, who invested his life's savings, amounting to $22,000, in the Insull utilities, alleges that the dethroned utilities magnate, in a private interview, promised to guarantee him against any loss of his money.

Composer Of Sacred Music Dies Today

EASTON, Pa., April 17 (AP)—George Black Nevin, 74, composer of sacred music, whose cantatas and other compositions were sung in hundreds of churches throughout the land on Easter, died today.

"The Adoration" and "The Crucified," the words of both by Mrs. Lillian C. Nevin, his wife, and "The Crown of Life," were among his best known compositions.

VIOLENT DEATHS

(Continued from Page One)

Van Dyck, 18-year-old Baylor university student, died Sunday of injuries received in an automobile collision at Waco April 11.

Martin Luther Dale, 39, editor and publisher of the Jim Hogg County "Enterprise" at Hebbronville and one of the best known newspaper men in South Texas, died Sunday of a bullet wound. He was found wounded last Friday night, in his home. A pistol was beside him.

Car Crash Fatal

An automobile collision at Dallas Saturday night brought death to Mrs. William J. Schnelle, 35, prominent Dallas club woman, and her son, William J. Schnelle, jr., 8.

The crash of a plane in which they were flying at Eastland Sunday afternoon caused the death of Bill Hussey, 26, Eastland pilot, and J. W. Penn, 30, employe of a Cisco oil company. The ship fell near the Eastland airport.

A double shooting at Fort Worth Saturday night ended in death for Mrs. Cealia A. Roe and the serious wounding of her husband, Pleasant S. Roe, 24, packing company employe, who was shot in the head and blinded. He probably will recover, hospital attendants said. Neighbors found Mrs. Roe dead on the floor of her home with three gunshot wounds in the neck. Roe lay nearby with a pistol close to his hand.

Death Held Suicide

A coroner's verdict of suicide by gas asphyxiation was returned in connection with the death at Dallas Sunday of Mrs. V. E. Norwood, 23. Her body was found in bed at her home. The doors and windows had been closed and a gas jet left open. Investigators learned she had been despondent over ill health for several months.

A man suspected of participating in a grocery holdup Saturday night at Moonshile Hill, near Houston, was shot to death in a gun fight with Deputy Sheriff J. P. Gillespie and a citizen, who attempted to stop a car the store robbers were believed to have escaped in. Gillespie was wounded but not seriously. The robbery suspect had not been identified.

SEEK COMPANION OF SLAIN GUNMAN

HOUSTON, April 17 (AP)—An unidentified gunman lay in a morgue at Humble today while officers searched for his wounded companion and a third man suspected of taking part in a grocery holdup at Moonshine Hill, near Houston.

The gunman was slain in an exchange of shots with Deputy Sheriff J. P. Gillespie and a citizen, who had tried to halt a car on the highway believed to have been involved in the holdup. Gillespie was wounded slightly.

Gunman Identified

Store employes identified the dead gunman as a participant in the holdup Saturday night. They said he and another man entered the store and a curly-haired youth stood outside the front door with a sawoff shotgun forcing pedestrians to walk into the store.

A cemetery caretaker at Humble, 18 miles west of Houston, told Sheriff T. A. Binford a wounded youth came to his home near the scene of the shooting Saturday night and said he had been shot while parked on the roadside with a woman.

The caretaker said he dressed the youth's wound, in the shoulder, and sent the youth to Houston.

DIVORCE SUIT IS BARED IN TRAGEDY

FORT WORTH, April 17. (AP)—Mrs. Cealia A. Roe, 21, shot to death at her home here, filed suit for divorce February 15 against her husband, Pleasant S. Roe, 24, it was learned today in inquest proceedings.

Roe himself lay near death with a bullet wound in his right temple. He was expected to recover but to be blind. He was found at the home near that of his wife Saturday night.

Justice Prichard found that Mrs. Roe was a homicide victim from gun shot wounds. She was shot three times through the neck.

The petition was filed in sixty seventh district court on February 16 and alleged cruelty.

PARDON IS GRANTED

AUSTIN, April 17 (AP)—Governor Miriam A. Ferguson today granted a conditional pardon to Leon H. Bryant, convicted in Dallas and Tarrant counties of forgery and passing forged instruments.

Itching Scalp Disorder Ended

Don't be embarrassed by an itching, scaly scalp. Save yourself the torment, and at the same time save your hair. Wash the scalp well with Resinol Soap and hot water. Dry and rub in Resinol Ointment. Wash off next morning with more Resinol Soap and hot water. Do this daily. See how quickly the itching stops, scalp irritation clears up and hair stops failing. At all druggists. For free sample write Resinol, Dept. 26, Baltimore, Md.

Local Bankers To Attend Convention

Lubbock bankers Friday will attend an annual meeting of the South Plains Bankers association at Lamesa. B. Reagan of Big Spring is president and Paul Hardwick, Lubbock, is secretary.

C. E. Maedgen, president of the Lubbock National bank, is the only Lubbock banker on the program. He will speak on "Cost of Bank Insurance."

Copies of the program have not been received here. Mr. Hardwick said the tentative program will not be carried out as several down state bankers were unable to be present. A new program is being made.

All banks in Texas will be closed because April 21 is San Jacinto day. All three banks here expect to be represented at the meeting.

GIRO TAXI SERVICE

MIAMI, Fla.—Keeping in step with modern times and modes of travel, a local hotel has taken to using ultra-modern ways to transport its guests to the hostelry. An autogiro, operated on scheduled shuttle service, meets incoming planes at the local airport and carries guests to and from the hotel. A similar service has been inaugurated at a Miami Beach hotel.

It has been estimated that World war pensions will last at least 100 years.

LUBBOCK LIONS GO TO AMARILLO

Lubbock Lions will leave this afternoon and Tuesday morning for Amarillo to publicize the coming state convention here in May and to stage a model luncheon Tuesday noon for the District T-2 convention now in session there.

E. L. Pitts, former president, has arranged the luncheon program. A black faced quintet, composed of Luther Godwin, Brownie Akers, Dr. Marshall, Harvey, Joe W. Bowman and Jess C. Levens, will give a program. Willette Merrill will accompany them with the accordion. John D. Mitchell will deliver a humorous talk.

The party will return late Tuesday. Charles H. Hatton, Wichita, Kas., international president, will deliver two addresses.

A banquet will be given tonight at the Amarillo Country club and Tuesday morning a president's breakfast will be served.

Members of the delegation leaving this afternoon included: President Ben Condray, S. J. McFarland, Ben Kucera, Hurley Carpenter, "Hutch" Hutchinson, Vic Lindsey, Cliff Lindsey, Brownie Akers, John D. Mitchell, H. C. Pender and Willitte "Madame Queen" Merrill. Mrs. Merrill will take part in the blackface show.

CHILD ESCAPES INJURY

OKLAHOMA CITY, April 17 (AP)—Two-year-old Aline Hawkins left with her mother for their Dallas home today, virtually uninjured after plunging 16 feet from a church balcony, during Easter services yesterday. Aline fell into the lap of a woman seated below.

NO TRICKS IN CAMELS—JUST COSTLIER TOBACCOS

WHAT a BREAK for Billy!

He just loves his Post Toasties . . . and he gets it every day! (His mother knows it's good for him!)

How often youngsters scorn the foods *you* know are good for them! But here's one they simply love to eat—Post Toasties!

And no wonder! How grand they taste—these honey-colored flakes so crisp and crunchy . . . so delicious, whether you serve them plain, with milk or cream and sugar, or topped off with luscious fruits or berries.

Post Toasties is made from tender toasted hearts of corn that turn to energy—*quick!* Try it tomorrow for breakfast! Post Toasties is a product of General Foods.

BOYS AND GIRLS!

Post Toasties Cut-Outs now on every package. Soldiers, clowns, circus animals . . . what fun for boys and girls! Tell your mother about them!

Thought For Today

The Lord awardeth me according to my righteousness: according to the cleanness of my hands hath he recompensed me.—II Samuel 22:21.

* * *

What has this unfeeling age of ours left untried, what wickedness has it shunned?—Horace.

Revenue From Beer

When the beer bill was being put through Congress, it was estimated that the taxes accruing from the sale of the beverage would bring the federal treasury approximately $150,000,000 a year. It begins to look now as if this estimate were far too low.

To yield that much revenue, the beer industry would have to sell 30,000,000 barrels a year—an average of slightly more than 82,000 barrels a day. During the first 24 hours of legal beer, reliable estimates put the total sales at between 1,000,000 and 1,500,000 barrels.

To be sure, sales will not continue in anything like that volume. But even if they go on only at a tenth of that rate—which is surely a conservative estimate—the tax revenue will be far greater than $150,000,000 a year.

It looks as if the beer tax will be a far more important revenue producer than anyone had dared to hope.

Lawyer down in the British West Indies has gone to bed to stay until the end of the depression. Well, good-night, Rip!

Hiram Percy Maxim, the inventor, says he believes there are people on Mars and that they are much smarter than those on this earth. Wonder if they've solved the liquor problem yet?

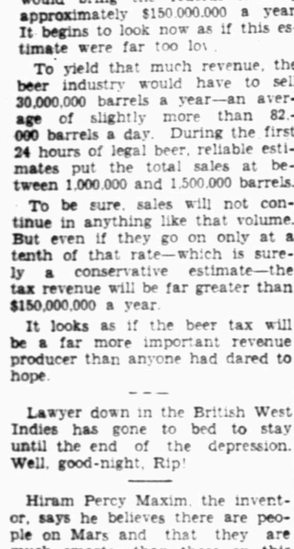

Baseball magnates are hoping that whatever people use to put beer in this summer it won't be pitchers.

"Mind your own business," was the legend on one of the early coins in this country, dated 1787. Now we haven't any chance to mind it. We can't even find it.

Anyway there's one set of people that are still living on the fat of the land—the Eskimos. They eat blubber.

Chicago investor seeks to attach Samuel Insull's $18,000-a-year pension. After all Insull's years of faithful service, too!

Flapper Fanny

A girl can put a man in his place and still get stuck on a jig-saw puzzle.

That Girl on Broadway says a woman may be ablaze with diamonds and still never set the world on fire.

* * *

You hear a lot about the fellow who is a credit to his community but very little about those who are a debit.

* * *

YOU guys who have to have your sleep—The Plainsman is one of the worst offenders in this regard—will be interested to know that the bearded boys of science are delving into the problems of snoozing.

And what they have found—what they have found!

It'll surprise everybody who likes to haul off and hit the hay for ten hours flat.

* * *

If you are a brain worker—and what good are brains in times like these?—six hours on a soft mattress is better for you than eight hours on the lumpy kind you're likely to find in the hotel at Sauk Center, Minn.

Laboratory tests, say the scientists, conclusively prove that the hard beds builds less energy than the soft one.

* * *

THE experiments also prove that the brain works better if two hours are whacked off the normal 8-hour sleep period but that the short sleep builds less energy, hence is tough on the human mechanism.

In other words, if you want to out-smart somebody, sleep six hours the night before on a soft bed.

But if you think there's any danger of your having to climb a mountain, shovel coal or sock somebody on the nose, pick up the customary eight.

It'll be better for you!

* * *

All these facts and figures may be hotsy-totsy and doubtless are.

Devious are the ways of science, into which we ordinary mortals are not permitted to knowingly dwell.

But if you'll take the advice of an old boy who has to sleep long and loud in order to keep going, you'll forget the hokum and saw your wood as long and often as you can.

Pussonly, The Plainsman had rather sleep 10 hours on a concrete floor than six hours on the best bed in the universe.

* * *

That Man on Avenue Q says money has wings—which is another reason why it's difficult to feather one's nest.

* * *

A new family moved into our neighborhood the other day and two of the nearby wimmin-folks were discussing the fact.

"Do you have a speaking acquaintance with our new neighbor?" one inquired of the other.

"Do I?", was the indignant reply. "Why I know her so well that I don't speak to her at all!"

* * *

PRESUMING that the senate will concur with the house in ordering a state-wide vote on beer on August 26, and that Governor Ferguson will, of course, sign the measure, The Plainsman cannot help but commend the solons for their action.

Perhaps by the time this column reaches cold type, the senate will already have approved the house plan. But whether it has, or not, the facts remain the same.

The people should be allowed to vote on beer—for, or against it, as they best see fit.

* * *

Not being exactly naive, The Plainsman does not believe the solons at Austin passed the buck to the dear people for any altruistic reasons, but instead, because they were afraid to take the responsibility of acting on this important question.

Yet, never-the-less, their decision was wise because, after all, it's not what the legislature wants but what the people want that really counts.

* * *

FOR the sake of discussion, let us say that the legal sale of brew will be the choice of Texans. (The Plainsman doesn't think it would be if the election were held at this time, but let's say so, anyway.)

The state and its municipalities will lose a lot of revenue between now and legalization, yet never-the-less, the citizenry will be better satisfied to vote on the question themselves.

Let the people be heard, and act accordingly.

That's The Plainsman's platform.

* * *

We claim here in Texas—that is, most of us do, that we're Democrats.

In other words, we agree in the Jacksonian and Jeffersonian principles that the majority shall rule.

All right, if we're Democrats, let's be Democrats—and let's let the majority rule on legalized beer.

* * *

IF the vote on August 26 draws a million ballots and the final results show a difference of one vote more for or against beer, let's abide by the will of the majority.

Let's be good Democrats, no matter how the vote goes.

And let's stick by the will of the majority.

* * *

A Lubbock man and his wife were strolling down town the other evening and chanced to stop before a popular store.

"Honey," remarked the missus. "I certainly like the looks of that hat there in the window."

"Fine, dear", was the response, "let's come back tomorrow evening so you can have another look!"

* * *

WELL, The Plainsman sees by the papers where Premier MacDonald, of England; ex-Premier Herriot, of France, and a lot of other big-wigs from world powers will be here soon to talk about this, that and the other thing with President Roosevelt.

What they'll accomplish is a matter for conjecture and the chances are, they'll accomplish nothing much.

But it's intriguing to wonder what they'll talk about, off the record.

* * *

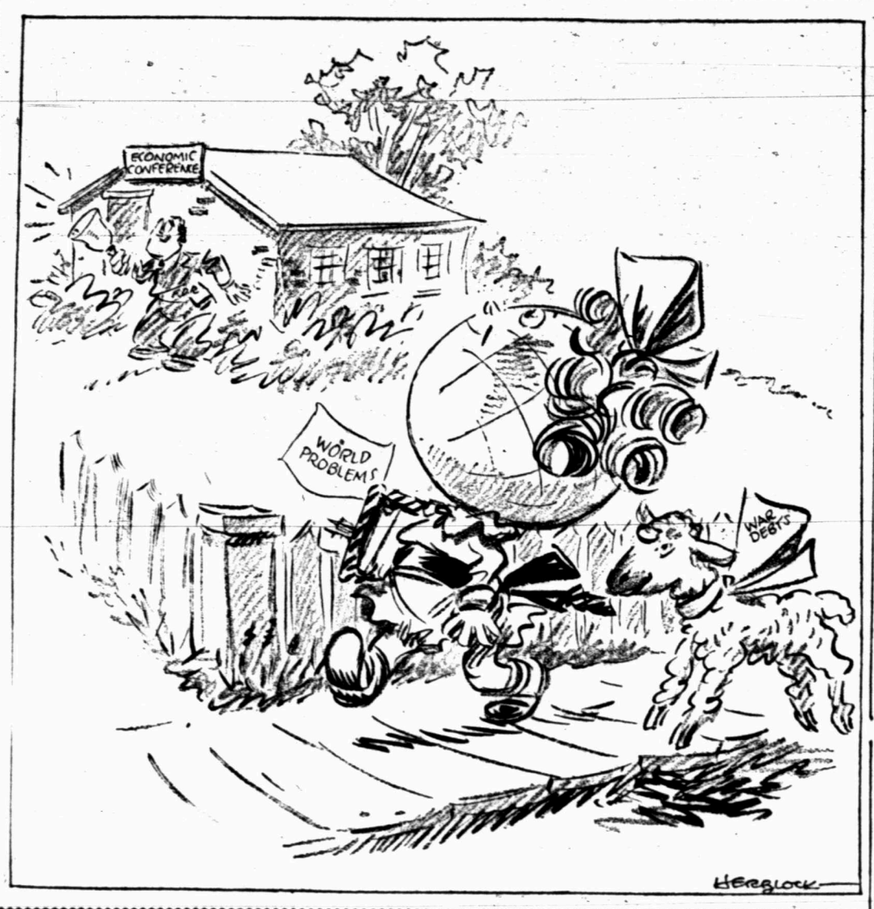

No doubt they'll discuss Hitler and Mussolini, King George and Mahatma Gandhi.

The wise cracks they will make would form the basis of the swell novel.

Wouldn't it be fun to hide behind a portiere and listen to them when they're talking informally?

Oh, boy!

It Followed Her to School One Day

Thirty-Hour-Week Bill, If It Becomes A Law, Will Raise One Of Most Vital Constitutional Questions In History

BY RODNEY DUTCHER
NEA Service Writer

WASHINGTON, April 17.—The 30-hour-week bill for industry passed by the Senate, if it becomes a law, will raise one of the most vital constitutional questions in the history of the nation.

Dutcher

The supreme court must some day decide whether Congress has power to fix the hours of labor. If it decides that Congress has that power, in the opinion of many constitutional lawyers, it will imply a similar power to regulate both wages and the prices of commodities.

What Will Court Do?

Congress would then have virtually unlimited power over industry. The revolutionary possibilities of Senator Black's bill thus become obvious. The Senate's passage of it represents the first major step toward a large federal control over a huge industrial system which has been unable to control itself and is now in a very bad way—to the distress of millions of citizens.

Would the supreme court dare stand in the way of a measure which its friends say would put 6,500,000 persons back at work? In time of stress, how great would be the reaction against the supreme court. There is heated argument as to whether the supreme court would hold against the 30-hour week and less argument, in Congress at least, as to whether it should.

The approach to the 30-hour week is made through the right which the Constitution gives Congress to regulate interstate commerce. If Congress has the power to say what commodities shall enter interstate trade it may, as the Black bill provides, prohibit interstate commerce in articles manufactured by labor employed more than five days a week or six hours a day.

The claim is made that Congress, in the public interest, may do that.

The power to regulate commerce, it is contended, carries with it the right to protect the people from the kind of commerce that produces widespread destitution and want and to prescribe rules that will save commerce from destruction. Increasing unemployment, causing a decreasing purchasing power, is strangling commerce.

Justice Holmes' View

The great voice of former Justice Oliver Wendell Holmes, in the minority opinion on the child labor act—an act which barred child labor products from interstate commerce—is re-echoed by those who claim constitutionality for the 30-hour week and believe that the supreme court, in view of its more liberal tendencies and changed conditions, will uphold them.

Justice Holmes said: "The statute confines itself to the prohibiting the carriage of certain goods in interstate or foreign commerce. Congress is given power to regulate such commerce in unqualified terms. It would not be argued today that the power to regulate does not include the power to prohibit. Regulation means the prohibition of something, and when interstate commerce is the matter to be regulated I cannot doubt that the regulation may prohibit any part of such commerce that Congress sees fit to forbid."

A majority of the court held against Holmes' view in the most famous 5-to-4 decision.

Cite Old Decision

The enemies of the 30-hour week use that decision to demonstrate the Black bill's unconstitutionality. The court's majority then held that Congress had transcended "the authority delegated over commerce" and that if it could so regulate commerce "all freedom of commerce will be at an end, and the power of the states over local matters may be eliminated, and thus our system of government be practically destroyed."

But the high court has been known to change its opinions—notably on the income tax law—as to what is in the public interest. There has been an increasing judicial tendency to emphasize human relationships and social necessities in the application of human principles. And it is recognized that even the Constitution may be adapted to new conditions.

Justices Van Devanter and McReynolds of the majority in the child labor case and Justice Brandeis of the minority are still on the bench. Justices Stone, Roberts and Cardozo are regarded as the court's liberals, next to Brandeis. Chief Justice Hughes, who might jump either way but lately has demonstrated liberal tendencies, might cast the deciding vote in a new 5-to-4 decision of epochal importance. Justices Sutherland and Butler are regarded as "reactionaries."

The majority held that the child labor law was solely an attempt to regulate hours of labor in individual states and that this was a local matter which had no connection with interstate commerce. But it would be argued for the 30-hour week law that it was national in scope, covering all interstate commerce and in the interest of the nation's commerce as well as the public interest.

THE PLAINSMAN GETS SOME MAIL

CITIZEN BEWAILS CONDITIONS IN LUBBOCK

Dear Plainsman: This note to ask that you help us solve our problems. They are a veritable jigsaw puzzle, yet, a bunch of them.

Tell us pray, how are Lubbock's citizens to have either health or peace with neighbor's pens full of cows, which make for unsanitary conditions together with flies by the millions, and all sort of disease germs as the result? Why not every family a cow, if some are to be allowed this special favor? Is it selfishness or ignorance that causes these so favored to impose on the public in order that they may have fresh milk and butter for their families?

True, every city dweller would like to operate a private ranch, on a mere town lot. Could he be so dumb or selfish as to ignore the greater public health. Again, what are flower-lovers and gardners to do with these same neighbors allowing their flocks of chickens running loose and uprooting every flower bed or garden in the block?

If the city ordinance is worth the paper it is written on, pray then why is it not enforced, and public health protected thereby? If this was done there would be a garden on every vacant lot and charity workers would have no trouble in finding plenty of fresh vegetables for all its needs.

Another puzzling problem which we would ask your generosity in helping us solve, is what causes some apartment-house or duplex dwellers to be so blankety-blank that they yell, scream, or fuss every breath almost and slam doors every minute from one end of the house to the other? Are they purposely mean, selfish, or just ignorant hill-billies?

Mr. Plainsman, if you will tell us what to do for peace and quiet and to keep our families out of the hospitals or save an operation, then we will rise up and call your name blessed.

"The "New Deal" calls for action. The emergency is grave. We must have relief soon. Our temper has been sorely tried and we are liable to lose our sweet disposition if we are not given relief shortly.

A Peace-Loving Citizen.

(Dear Peace-Loving Citizen: I'm agin' town ranches as much as you are but we had a jolly ole election here last year and the cow-owners won. So there's nothing to do but like it. The majority rules, you know. Yours truly, The Plainsman.)

Around the RADIO Clock

BY C. E. BUTTERFIELD

(Time Is Central Standard)

NEW YORK, April 17. (AP)—Re-enactment of what's happened in the first quarter of the year, from a highlight standpoint, is to be attempted in an hour's network broadcast by WABC-CBS.

The show will use 70 actors and musicians and will include a dramatized review of news events, and the best in drama, comedy and music as well as radio entertainment. It'll come Friday night.

Try These Tonight:

WEAF-NBC: 6:30—Elvia Allman; 7:45—Ranny Weeks, baritone, new series; 8:30—Drama, "Easter Plot"; 9:30—Postmaster General Farley, talk.

WABC-CBS: 7:15—Manhattan serenaders; 8—Grand opera miniatures; 8:30—Musical comedy tunes; 10—Demonstration of Macneil "Fog Eye".

WJZ-NBC: 6:30—Marx Brothers; 8—Minstrels; 9:15—Hour Glass (time change); 10:30—Welsh choir.

The Capitol Whirligig

Bits Of News And Comment From Down Austin Way

BY R. W. BARRY

AUSTIN, April 17 (AP)—Texas taxpayers own 871 motor vehicles they never ride in or use in any manner.

Moore Lynn, state auditor, has completed, at the instance of the senate, an inventory of state-owned automobiles and trucks. He found many were being used by state officials and employes. One of the cars draws four dollars storage per month from the state for its user. The automobile is kept in a garage at his residence and the state pays rental on the car's storage space.

The aggregate cost of the vehicles was $576,642 and the average cost $665. Ninety-eight of the cars cost an average of $1,592.79. Forty-seven averaged $788.51 and 722 averaged $531.15. Four were given to the state.

State Pays Storage

Forty of the automobiles are stored at the residences of the users and the state pays storage on 12 kept in public garages.

The highway department has the largest number of automobiles and trucks. It is using 582 bought with state money, the average cost having been $589.36. The three automobiles used by the adjutant general's department cost an average of $1,838.33. The railroad commission has 78 cars, which averaged $693 in cost.

The state highway department's new eight-story building will be ready for occupancy about June 1. It is one of the most attractive structures at the state capitol. When it is completed the highway staff can be maintained under a single roof. Some of the department's personnel is now housed in a downtown office building.

CONTEST PLANNED

LAMESA, Aril 17.—The Lamesa fire department is planning a male beauty contest on May the 4th, according to Ernie Parchman, fire chief. Some 60 to 75 local business men will vie with each other in feminine costume for honor on this occasion. This is an annual affair in Lamesa and aways attracts large crowds.

Scientist says we will all be bald in 2050 because of too-frequent haircuts. It's possible. Most of us got badly trimmed in 1933.

Prussia restores student dueling. Possibly they hope to produce a successor to Scarface Al Capone.

While planning that summer trip, remember that it is always followed by a fall.

COUGH OR COLD?

A DISEASE that starts with a bad cough sometimes turns into something serious. Your health is too important to be neglected. Improve your stomach and the blood with Dr. Pierce's Golden Medical Discovery. Read what Mrs. L. C. Marr of 3011 Lake Ave., Dallas, says: "A bad cold, which affected my bronchials, caused much distress and suffering. I coughed continually day and night, couldn't sleep, had no appetite and lost weight. I took about three bottles of Dr. Pierce's Golden Medical Discovery and it completely relieved me of all this suffering. I grew strong and was soon back to normal." Sold by druggists.

Write Dr. Pierce's Clinic, Buffalo, N. Y., for free medical advice.

MEADOWBROOK AND COUNTRY CLUB GOLFERS WIN

South Plains League To Be Discussed Tonight

SPYING ON SPORTS

BY COLLIER PARRIS

Organization of a South Plains Independent Baseball league may be effected this evening when team managers and representatives meet at Hotel Lubbock.

* * *

While several teams of surrounding towns have indicated readiness to join the proposed league, Lubbock itself has made no definite move toward placing a team on the field. Ed Hambright, who is helping to get the league started and who will act as temporary chairman at tonight's meeting, apparently has the "franchise rights" for a Lubbock team. Hambright, however, does not plan to manage the club. That part of it probably will be turned over to a local, unnamed man.

* * *

The site donated by the City for a playing field out on the Plainview highway is rapidly assuming the appearance of a baseball diamond. A crew of workmen have been busy out there for a week or more. The City has cooperated to the extent of providing workmen and a screen backstop, the screen to run past first and third bases on each side. It is planned to have the field in shape for the first game next Sunday.

* * *

County athletic directors, particularly of Lubbock county, should take a good lesson in staging track and field meets from Dell Morgan, Texas Tech coach and athletic director of District 2.

* * *

Morgan's handling of events Friday and Saturday in connection with the district meet, in which athletes from more than 25 towns and 7 counties were entered, bordered on the superb. It was smooth and accurate and interesting. All events started and ended exactly according to schedule, and the meet was over before 4 o'clock. Results were tabulated as the meet proceeded and there was no hitch in getting them transferred to copy paper. More than a hundred athletes participated, and everything was as orderly and neat as could be. Indeed, a vote of appreciation goes to Dell Morgan. Also to his corps of assistants.

* * *

The winning team, high point man, runner up team and all the others, with their total points, was announced less than two minutes after the last event had been concluded. By comparison, the Lubbock county meet—just one county, mind you, was a snail pace, and the results were not known a week after the meet.

* * *

Coach Elmer Moore of the Olton track and field team, which won the district meet Saturday, deserves a heap of credit. Evidently the knowledge gained while a student and track athlete at Texas Tech was good enough to pass on to his pupils. At any rate, he has turned out some mighty fair athletes.

* * *

Moore wished it understood that he had no "one-man track team," as was hinted herein a week ago. Maybe not, but without the services of Ledbetter, the Olton team would have finished in seventh place instead of first. Ledbetter personally saw to it that Olton grabbed fourteen points, at least, which would have been good enough to finish an easy fourth.

* * *

Coach Moore, known for his dry wit and individual track stars, had a fine performer a year ago in Hooper, whose eight points gave Olton third place in the 1932 district meet. Ledbetter was practically unknown then.

* * *

Get set for Cal Farley's wrestling show tomorrow night. It starts at 8 o'clock, or thereabouts, and promises to be thrilling. Records fail to show that Lubbock fans ever had a match comparing with the class due to be presented tomorrow night at the Uptown Dance palace. Old Dutch Mantell himself is a show. A world-traveled specimen, he knows how it's done all over the universe, and he has a wonderful collection of grimaces, grunts, groans and toe-holds. "The man of a thousand faces," they call him up on the North Plains, where he has been a popular wrestler and promoter for several years.

PLAINVIEW IS DEFEATED IN MEET HERE

SLATON TEAM BEATEN BY COUNTRY CLUB ON SUNDAY

Lubbock golf clubs went into the lead in the South Plains Golf league standings yesterday with victories here and at Slaton.

Lubbock Country club took the undisputed lead with a 19 to 6 victory over Slaton Santa Fe club, the matches being played on the Slaton course.

Meadowbrook Wins

Meadowbrook took the Plainview team to a 17 to 8 cleaning at the Meadowbrook layout yesterday. Down through the sixth man of each team, Lubbock was victorious. Billy Holmes, Meadowbrook's No. 1 man, defeated Frank Kimbrough, Plainview's leader, 2 and 1, in one of the most exciting matches of the day. Clinton Bussey won over Plainview's No. 2 man, J. Sears, 7 and 6.

The Country club team, headed by Edgar Doherty, pounded the Slaton golfers consistently, Doherty beating J. A. Reynolds, Slaton's No. 1 player, by a good margin. Doherty shot a 75 to Reynolds' 84.

Cotton McAfee, playing No. 2 position in the absence of John Edmisson, shot a 76 to beat C. Lewis of Slaton.

Results Are Given

Results of the Plainview-Meadowbrook matches here yesterday follow, players named in order of their ranking with Meadowbrook players listed first:

Billy Holmes defeated Frank Kimbrough, 2 and 1; Clinton Bussey beat J. Sears, 7 and 6; C. J. Cantrell won over F. Day, 1 up; W. B. Kelley defeated F. Hart, 4 and 3; Doyce Clark beat L. Reece, 5 and 4; Carl Nail lost to R. Rousey, 1 up in 19 holes; Walter Pendleton was defeated by O. Jameson, 3 and 2; John Bell defeated C. Yates, 4 and 3.

Pierce Magee lost to M. Childers, 1 up in 20 holes; Captain Neil Vanzant defeated Jack Woodward, 3 and 2; Jack Wilson beat H. Bysart, 3 and 2; Allan Webb trimmed C. Cannon, 4 and 3; Donald Doherty defeated K. Hooper, 4 and 3; Harold Crites lost to S. Hunter, 7 and 6; S. Lytal was defeated by C. Cope, 4 and 3; Dutch Wiginton defeated Grady Shipp, 6 and 5; D. Weaver won over Doc Hinds, 1 up.

Bill Drum lost to B. Smith, 1 up; W. Carnett beat B. Martin, 3 and 2; Anthony Borho lost to C Reid, 5 and 4; Jim Shaw defeated L. Ayers, 5 and 4; Doyle Settle lost to Weaver, 1 up; D. Dowell beat L. C. Files, 2 and 1, and C. Armstrong defeated J. Scott, 3 up.

Results of the Slaton matches, with Lubbock Country club players named first, and medal scores, are as follows:

Edgar Doherty defeated J. A. Reynolds, 75 to 34; Cotton McAfee won over C. Lewis, 76 to 78; J. D. Slaughter defeated Ferrell, 73 to 75; Bays Bryant won over Nicholson, 78 to 84; Sid Thrash beat Carter, 76-76; Bob Harvey won over Ragsdale, 79-82; Windy Watkins defeated Cummings, 86-90.

Ross McWhorter lost to Butler, 82-80; Captain Ted Tipps beat C. F. Anderson, 79-81; Frank Wright beat Austin, 82-82; Peter Evans won over Roland Anderson, 86-91; Lewis Price lost to Charley Taylor, 93-83; Otis Felty beat Cates, 89-90; W. D. Girand won over Peavy, 83-92; Waldo Trotter lost to Bates, 98-95.

Cliff Dean won over Klattehoff, 85-94; Paul Campbell defeated W. Woods, 83-87; Francis Finberg downed Garland, 76-86; Dick Mims beat A. Owens, 89-97; F. L. McRae lost to J. W. Towers, 97-96; Jim Kuykendall was defeated by E. B. Wood, 99-92; Doc McCrummen won oyer R. B. Bachtel, 90-94; J. A. Dowdle defeated P. Wilson, 89-94; W. F. Helwig defeated H. Crawford, 84-92; Phillips lost to Wells, 98-91, and Walter Clark defeated Jones, 83-88.

Pitchers Are Well Ahead Of Major League Batters

FIVE HIT GAMES ARE COMMON AS SEASON GETS UNDER WAY

BY HUGH S. FULLERTON, JR.
Associated Press Sports Writer

Although no satisfactory explanation has been found so far for the phenomenon, the major league pitchers this spring are well "ahead" of the batters.

Since the campaigns started last Wednesday, 24 games have been played and eleven times one team or another has been limited to five hits or fewer. What is more remarkable, flingers of nine different teams have figured in this stellar pitching; seeral others have just missed the five-hit mark.

Two Set Low Mark

Yesterday two flingers hit the lowest mark made so far for this season—two hits—and another pitched a five-hit game and lost it.

Charles "Red" Lucas, veteran right hander of the Cincinnati Reds, limited the St. Louis Cardinals to a pair of singles and let only one runner reach third as the Reds won their season's first game, 7 to 0. John Berly of the Phillies equalled the feat against the Boston Braves, who finally got their season started after four days' delay, and the Phils won 2-0.

In Brooklyn the first duel between the Dodgers and the Giants was halted by darkness after 14 innings with the score tied at 1-1. Joe Shaute and Carl Hubbell each pitched eleven innings and gave one run and eight hits apiece. The tally off Shaute, who retired after straining a leg muscle running out a hit, was unearned. It came as the result of an error by Al Lopez.

Indians Beat Browns

Wesley Ferrell, aided by Clint Brown, recorded the day's best pitching in the American league to give the Cleveland Indians a 7-1 victory over the St. Louis Browns. Ferrell gave only four blows before he injured his right shoulder striking out Jack Burns in the seventh and Brown allowed only two more.

The Yankees, as usual, preferred home runs to strikeouts in chalking up their fourth straight triumph. Lou Gehrig walloped his third homer with Babe Ruth on base in the first inning and gave the world's champions the working margin with which they turned back the Philadelphia Athletes 5-4. Bob Johnson, one of the A's clouting rookies, hit a four bagger and a double to drive in two runs.

Rain and wet grounds eliminated three games from yesterday's program. The Pittsburgh-Chicago National leageu game was postponed as were the Boston-Washington and Chicago-Detroit contests in the American.

NEW DIXIE BASEBALL LEAGUE FORMED AS EIGHT CITIES POST FORFEITS AND NATIONAL FEES; SCHEDULE ADOPTED

DALLAS, April 17 (AP)—The new Dixie baseball league, composed of eight cities, was definitely organized here yesterday in J. Alvin Gardner's office. Gardner is president of the Texas and Dixie leagues. Representatives of the eight cities posted $600 forfeits and $50 national association membership fees each and adopted a playing schedule of 126 games.

The league season will start April 27 and close August 27. The campaign will be split with a play-off for the pennant in the event the same team does not win both halves.

Texas Has 4 Clubs

Cities that compose the league are Jackson, Miss., Baton Rouge and Shreveport, La., El Dorado, Ark., and four texas towns—Longview, Tyler, Henderson and Waco.

The schedule was approved and will be released for publication in Sunday papers, April 23.

Representatives voted to adopt the double umpire system, employing eight arbiters. The league will have a class C rating.

Representatives present were:

Baton Rouge, La.—Josh Billings, president and manager.

El Dorado, Ark. — Joe Gould president; Lee Ruble, secretary-business manager and Lynton Boggess, manager.

Henderson, Texas—Cleve James, president; J. A. Wise, secretary-treasurer; J. A. Roundtree, R. E. Anthony, H. C. Culp and L. L. Dellis.

Tyler, Texas—John L. Clark, president, and Wray Query, manager.

Longview, Texas — John King, president; E. B. Oliver, vice-president, and Abe Bowman, manager.

Shreveport, La. — Gus Whelan, president and manager; Homer Norton, secretary-business manager, and Jack Zeller.

Jackson, Miss.—George W. Brannon, president, and Herschel Bobo, manager.

Waco, Texas—C. R. Turner, president, and A. D. Tanner, manager.

CHAMPIONS ON FIGHT CARD

FIVE TITLE HOLDERS AND FORMER CHAMP BOOKED THIS WEEK

NEW YORK, April 17. (AP)—Five champions and a one-time ruler of the light heavyweights add the necessary "tone" to the national boxing schedule this week. There isn't, however, a title bout on the card.

Ben Jeby, recognized in New York as world's middleweight champion; Gorilla Jones, the National Boxing association's American middleweight titleholder; Tony Canzoneri, king of the world's lightweights; Maxey Rosenbloom, light heavyweight title-holder; Freddie Miller, N. B. A. featherweight champion; and Tommy Loughran, once master of the light heavies, are the headliners.

Jeby and Jones get together in a 12-round catchweights match at Cleveland Wednesday night; Canzoneri meets Wesley Ramey of Grand Rapids in a 10-rounder there Thursday; Rosenbloom fights Martin Levandowski of Grand Rapids at St. Louis Wednesday; Miller faces Abie Israel of Seattle over the six-round route at eSattle tomorrow while Loughran engages Isidore Gastanaga, hard-hitting Spaniard, at the Chicago stadium Friday night. The stadium is offering a double wind-up, in the other half of which Otto Von Porat, Norwegian heavyweight, tackles Hans Birkie of Oakland, Calif.

RACING DRIVER MEETS DEATH

BOB CAREY KILLED AS HE LOSES CONTROL OF HIS MACHINE

LOS ANGELES, April 17. (AP)—Death laid a halting hand on Bob Carey, king of the American speedways, as he roared away here yesterday in conquest of another national championship.

The 28-year-old driver lost control of his new $10,000 machine at a turn at the Ascot speedway. It crashed through the guard rail, hurtled 30 feet into the air and came down rolling end over end with Carey trapped at the wheel.

Mechanics and other drivers pried him free of the wreckage but he died as he was being removed to a hospital. Track officials said the foot throttle on his car had jammed and resisted his frantic efforts to free it.

Carey was driving 90 miles an hour in the time trials for the 62 1-2 mile feature event, the first authorized by the American Automobile association as counting points toward the 1933 driving championship. It was to have been his last race of the winter season here.

His widow and son, Bob Carey, jr., 8, survive.

Newark, N. J., airport is said to be the busiest in the world. Nearly 500 passengers arrive and depart daily.

DELEGATES TO GATHER IN LUBBOCK

REPRESENTATIVES OF EIGHT TOWNS ARE EXPECTED HERE

Plans to form a South Plains Independent Baseball league will be discussed tonight when managers or delegates of teams meet at Hotel Lubbock.

The meeting, called for 8 o'clock in Room 207 at the hotel, will be presided over by Ed Hambright, who has been nominated temporary chairman in charge of organization plans.

Representatives from at least eight South Plains towns are expected to attend tonight's meeting. The league, if organized, will be along the lines followed by previous South Plains organizations. Clubs indicating desire to form a league, however, have voiced their sentiments in favor of a "more business-like method of operation" than has been the rule in former times.

Approximately ten South Plains towns are reported in favor of forming a league, but plans call for a more compact loop of not more than eight members.

Among the clubs reported as desiring to enter the proposed league are Amherst, Enochs, Tahoka, Lamesa, Wolfforth, Monroe, Littlefield, Petersburg, Slaton, Plainview, Hale Center and Lubbock.

Hoppe And Schaefer To Meet In Match

CHICAGO, April 17. (AP)—Willie Hoppe of New York, and Jake Schaefer, jr., San Francisco star, will meet here next week to decide a cushion carom billiards championship for the first time since 1883.

The game, a combination of balkline and three cushions, has been played little in recent years. Maurice Daly was the last player to hold the world title, winning it in 1883.

Hoppe and Schaefer are balkline champions, the New Yorker holding the 18.1 title which he won from Schaefer in 1910. Schaefer has held the 18.2 championship since 1929. The cushion carom-match will be at 1,500 points in six blocks of 250 points, starting April 24.

Buffs Are Tied By Dallas Club

TWO TEAMS HOLD TOP PLACE IN TEXAS LEAGUE RACE

BY BILL PARKER
Associated Press Sports Writer

The Texas league race, only six days old, found itself with two first place suitors Monday in the Houston Buffaloes and Dallas Steers who were tied for the leadership with four wins and one defeat each. The league had a complete postponement of games last Friday to balance the five games played with the six-day-old pennant marathon.

Houston remained at the pinnacle Sunday with a late minute rally for a 3 to 1 decision over San Antonio. For six innings, San Antonio held a 1 to 0 lead and it looked as if Pitcher Tom Conlan was going to win. He didn't for the simple reason that in the 7th inning Catcher Hal Funk dropped a home run over the short right-field wall with Binder on base. Houston scored again in the eighth to clinch the game.

Ralph Erickson, southpaw, pitched Dallas to a 3 to 1 victory over Fort Worth. In great form, Erickson hurled 8 and 2-3 innings of no-run and no-hit baseball. But just as he was ready to step into baseball's hall of fame, Joe Norris, Fort Worth second baseman, slapped a sharp single to rightfield. Chapman and McHenry followed Norris with hits that netted Fort Worth's only run.

The third place Beaumont Exporters were surprised when Galveston slipped over a 6 to 4 victory. A home run by Dick Goldberg, scoring Beau Bell, gave the Buccaneers victory. The circuit blow came in the ninth and smashed a 4-all tie.

The Tulsa oilers squared their series against the Oklahoma City Indians by winning Sunday's combat, 3 to 1.

Correction!

Through an error appearing in an advertisement in Sunday's issue of Avalanche-Journal, the address of Plains Furniture Company was given as 906 Main Street, whereas the correct address of such firm is 907-09 13th Street, and such firm is still located at such address.

The management of this paper takes this means of correcting such error and further desires to advise the public that there is no connection whatever between Plains Furniture Company and any other furniture firm or firms in the city of Lubbock.

Former Wives In Picture

Willard Mack will be in the center of an unusual situation if he carries out his idea for a picture in which his first wife, Marjorie Rambeau, top, and his third wife, Pauline Frederick, below, will appear. Mack's fourth wife, Beatrice Banyard, would write the scenario, and Mack would be star and director.

Raw Land Is Being Broken For Cotton

By Staff Correspondent

HALE CENTER, April 17.—Joe Payne, a well known farmer living near here, is breaking out about 450 acres of raw land for cotton planting.

Mr. Payne is using a tractor in the work. The land belongs to Nick Alley, local banker and capitalist. It is located southeast of town.

Pensions for widows of the Revolutionary war were paid up to 1932.

NEWS AND PICTORIAL

CHEESE PLANT OUTPUT HIGH

DAILY PRODUCTION IS ABOUT 2,000 POUNDS AT ABERNATHY

(By Staff Correspondent)

ABERNATHY, April 17.—With between 18,000 and 20,000 pounds of whole, raw milk being received here daily, production of cheese in the Struve Cheese factory has doubled and is now around 2,000 pounds daily.

If we continue to receive demands for more cheese, we will have to enlarge our plant," R. R. Struve, manager, said. "I don't know where we can put another vat."

Shipping To Houston

The plant is now shipping half of its product or about 7,000 pounds a week to Houston. This is a new output, as previously the cheese only went to Lubbock, Amarillo, Abilene and Wichita Falls. It is distributed from these points by Swift and Co., branch houses.

Cheese is left in the cooling room of the plant, after being manufactured, to cure from two to four weeks, depending on the demand. It is possible to ship cheese out two or three weeks after it is made, to be distributed through wholesale channels.

Must Be Used At Once

Milk received must be used in cheese manufacture the day it is taken into the plant. The milk is emptied from the cans into a vat and then emptied into larger vats where it is processed. The larger vats hold around 9,300 pounds and they can be filled in fro m50 to 60 minutes.

Two shapes of cheese are made, full cream and longhorn. A cheese weighs from 10 to 20 pounds when ready for the market. Forms for the two sizes are sterilized and lined with cheese cloth before the curds are put into the forms.

Shortly after Swift and Co., signed a contract to take the entire product of the plant, they agreed to stamp all forms with "Swift's Abernathy Cheese."

Anton Band Plans Special Numbers

ANTON, April 17. (Special)—Special numbers, to be presented at the annual West Texas Chamber of Commerce convention in Big Spring, are being prepared by the Anton municipal band.

Jimmie Thornhill, director of the band, announces new plans have been made by the organization for the gathering which will be held on May 11-13.

In addition to the Big Spring trip the band, known as the West Texas Gypsies, is planning to attend the World's fair at Chicago this summer.

Water System For Olton Is Planned

By Staff Correspondent

OLTON, April 17.—Tentative plans for the proposed city water system for Olton, have been forwarded to Austin for approval by the R. F. C.

The plans call for about two miles of six and eight inch pipe line as the main line, with four or five miles of three and four inch pipe as feeder lines. Smaller pipe will be used to pipe water into the houses from the lines.

One well will be used as a water supply, it is planned. A bond issue of between $10,000 and $15,000 would be voted and the bonds sold to the R. F. C. if present plans mature. No date has been set for the bond election.

British growers of tender flowers and vegetables spent $1,000,000 on erection of hothouses in 1932.

PARAMOUNT NEWS AND COMEDY

Trial Is Mountaineers' Holiday

A criminal trial is a rarity in mountainous Martin county, Kentucky, so virtually everyone for miles around crowded into Inez, county seat, for the "human sacrifice cult" murder trial of John Mills and eight of his asserted followers. Above is the old courthouse at Inez where the trial was held. Mrs. Rhoda Mills, right, was a principal witness and told of the "sacrifice" killing of Mrs. Lucinda Mills, 63. Below is a part of overflow crowd from the courtroom being entertained by a "medicine man" ventriloquist.

HALE COUNTY FARMER DIVERSIFIES; FINDS DEPRESSION IS NOT SO BAD

By Staff Correspondent

PLAINVIEW, April 17.—Henry Sammonn and his son Halbert are among the Hale county farmers who are not feeling the depression as bad as many do. Mr Sammonn diversifies, raising livestock, wheat and cotton and other crops and hence has a constant income throughout the year.

During the past winter the two men butchered and dressed out about 35 hogs. These animals brought in a steady income, the hams and shoulders when cured bringing about as much as the whole animal on foot. Mr. Sammonn sold the meat he cured, with the exception of probably six or eight pieces out of the more than 200 from the lot. "We could have sold all, and more, but we did not push things," he added. Hams, shoulders and bacons were cured.

"We have about 200 beef animals on the place," said Mr. Sammonn. "Some weeks ago we bought 175 calves and we will feed them. We also have about 20 milking shorthorns and sell the milk. We have 15 brood sows and raise and sell over 100 pigs a year. I prefer the Hampshire hog."

Mr. Sammon has 1,00 acres in his farm. He irrigates some of his crops. Feed is grown for the stock and some to sell. The animals in the winter are pastured on wheat.

The Hampshires, cured, were shown at Plainview, Amarillo and Lubbock fairs. Mr. Sammonn took fourth place at the recent Quality meat show in Lubbock, on his hams.

Transient Families Under Quarantine

(By Staff Correspondent)

HALE CENTER, April 17.—Three transient families are under quarantine here by city health authorities while seven or eight cases of small pox are being treated. The cases are all said to be light.

The families came in for cotton picking and remained. None of the regular residents of the town have had it. The cases are all children.

"When these people leave, they will certainly be clean and sanitary," Dr. S. J. Underwood, local physician and health officer, said. "We are making sure that they are in first class shape."

Some years ago a similar situation arose with transients. At that time persons living here were vaccinated.

Nervous Condition Improved After Woman Took Cardui

"I found myself in a weak, rundown condition, and very nervous, so much so that at times I felt like I wanted to scream," writes Mrs. J. T. E. Thomas, of Spartanburg, S. C. "The least noise would make me tremble and feel weak and nervous. I read where Cardui had helped other weak women, and decided to try it myself. I felt better after I began taking Cardui, and decided to keep it up. I took six bottles in all. I was in a better condition after taking Cardui. My nerves were more settled."

Cardui, the purely vegetable medicine which so many women take and recommend, is sold by local druggists.

TEXAS TECH WINS IN SHOW CONTEST

By Staff Correspondent

PLAINVIEW, Apr. 17—Initiated at the instance of the then president of the Panhandle-Plains Dairy show, the first "herdsman's contest for keeping clean dairy exhibits, was held here in connection with the sixth annual show. Texas Technological college won the first prize.

The contest was held to spur breeders exhibiting at the show, to keep their exhibits clean. The first such succesful contest was held at Fort Worth this year and W. L. Stangel, then dairy show president, conceived the idea.

J. D. Tinsley, Santa Fe agricultural agent at Amarillo, and D. T. Simon, Dallas, secretary of the Texas Jersey Cattle club, were named a committee on awards. Cash prizes for first, second and third places with merchandise prizes were offered. The committee was sometimes called in jest "the alley committee." Its duties were to "see how good housekeepers the herdsmen were."

Number of animals exhibited and number of men available for work were considered by the committee in making awards, Mr. Tinsley said. For that reason it was felt all exhibitors had an equal chance.

Awards were: 1—Texas Tech; 2—H. B. Hales, Amarillo; 3—Panhandle Vocational boys; J. W. Heavin, Plainview, honorable mention.

Hale Farmer Deals In Milk-Fed Lambs

(By Staff Correspondtn)

PLAINVIEW, Apr. 17.—One of the pioneers in the High Plains area of West Texas in the growing of milk-fed lambs is John P. McGarr, well known farmer of this section of Hale county, who recently sold three cars of animals for the Easter market at Kansas City.

McCarr sold his three cars for 6.75 cents a pound. The animals averaged 72 pounds in Kansas City and were run on wheat pasture on the McGarr farm.

Already McGarr has shipped eight cars of lambs. He expects to ship about 15 in all. Nearly all of these he purchased during the fall and winter and fed them out here. Seven hundred acres out of the 1,000 that McGarr farms, is wheat. He reports a good prospect for wheat this spring.

Lamesa Merchants To Hold Institute

LAMESA, April 17.—The Merchants Department of the Lamesa Chamber of Commerce has arranged with the Wholesale Merchants' association of the Dallas Chamber of Commerce for the services of H. W. Stanley in a Merchants Institute May 17th, 18th and 19th.

C. Baldwin, local dry goods merchant, is chairman of the committee on arrangements and announces that plans are already underway to assure large attendance upon the three day institute. The Majestic theater has been secured as a place to hold the meetings.

TENNIS STARS MEET AGAIN

MASON AND DIXON NET TOURNEY TO DECIDE DAVIS CUP TEAM

WHITE SULPHUR SPRINGS, W. Va., April 17. (AP)—The annual Mason and Dixon tennis tournament, opening here today, provided Davis cup selection committeemen with another chance to weigh the merits of aspirants to the American team which soon will face Mexico.

In the singles field were such Davis cup hopefuls as Cliff Sutter of New Orleans, George Lott, Chicago, John Van Ryn, East Orange, N. J., Gregory Mangin, Newark, and Frank Shields and Sidney Wood of New York.

Sutter, chiefly because of his straight-set victory over Lott in the final round of the North and South championship at Pinehurst, N. C., Saturday, ruled a favorite.

Condition Of Cage Star Satisfactory

OKLAHOMA CITY, Okla., April 17(AP)—Condition of Henry Downs, 24, Denver basketball player, shot and critically wounded by E. P. Merrick, former state highway enforcement officer, was described by his physician today as "fairly satisfactory."

Meanwhile, Merrick, brother of Tom Merrick, teammate of Downs, who contended he "shot in defense of my home," was held in jail pending the outcome of Downs' wounds.

Downs insisted the shooting was accidental, but Merrick told officers the basketball player had attempted to attack his wife while a guest in their home last Friday night.

Contests between various snow-removing machines are suggested by French authorities as one method of removing snow from obstructed highways.

PACKED HOUSE IS IN PROSPECT FOR WRESTLING SHOW

A packed house for Lubbock's first important wrestling show was practically assured today when ticket agencies reported rapid selling and frequent inquiries in connection with Cal Farley's presentation of four classy professional mat men here tomorrow night.

Ted Travis of Los Angeles, known at "Terrible Ted" in Panhandle circles and as the "West Coast powerhouse" in his native haunts, will meet Eddie Brock of Amarillo in the main event tomorrow night.

Dutch Mantell, the old war-horse of 37 years in the ring, will be pitted against Pat Garrison, youthful wrestler from Little Rock, Arkansas, in the semi-final.

Two local wrestlers will appear in the curtain raiser.

SWIM CHAMPIONS WILL BE CROWNED

BUFFALO, N. Y., April 17. (AP)—At least seven new national swimming champions will rise this week from among two score of the leading female stars of the United States and Canada.

The women's national senior swimming championships will be held April 19th to 22nd inclusive at the Buffalo Athletic club. Nine titles are in competition and only two champions, Dorothy Poynton of Hollywood, Calif., the low board diving champion, and the medley relay team of the Women's Swimming association of New York City will defend their laurels.

Outstanding among the entries is Katherine Rawls, 19-year-old Florida sensation. She has entered seven individual events and is expected to take the indoor breast stroke and the medley titles.

Three Minute Relief From Your Headache

When you have one of these violent, nerve-racking headaches, from inorganic causes, you can get soothing relief in three minutes with "B. C.," a reliable, pleasant-to-take remedy. "B. C." is prepared by a registered pharmacist, compounded on a different principle from most relief-giving agencies in that it contains several ingredients so blended and proportioned as to accomplish in a few minutes what we believe no one drug formula can do in so short a time. "B. C." should also be used for the relief of muscular aches and pains, common colds and neuralgia; for reducing fever and quieting a distressed nervous system without opiates, narcotics or such habit forming drugs. Get "B. C.," in 10c and 25c packages, wherever drugs are sold. (adv.)
