Vanderstuckens to be honored by WTBR

Joseph and Mabel Vander Stucken will be the center of attention at a reception honoring them for their many years of friendship to West Texas Boys Ranch. The reception will be hosted by the boys, staff and directors of West Texas Boys Ranch Tuesday, August 18, at St. John's Parish Hall in Sonora, from 4-6 p. m. with a special presentation at 5:00 p. m.

"Joseph and Mabel have been a quiet and steady influence on the Ranch for as long as many of us can remember," Roger Ellison, WTBR CEO said. "While they have never been folks to seek recognition, we want to publicly appreciate them in the company of their good friends. We invite all of their friends to stop by and be a part of our celebration."

For 40 years, the Vander Stuckens have shared their time, talent, and generosity with the boys at the Ranch. Joseph joined the board of directors in 1952, only five years after the Ranch was first organized. He served as president of the WTBR Board of Directors from 1966-1967, and is an Honorary Director for Life.

Joseph was instrumental in the development of the WTBR Trust, and served on the WTBR Board of Trustees for many years.

Joseph has often commented, "There was a time when people would cross the street in Sonora when they saw me coming because they knew I was going to come begging for Boys Ranch."

CAHILL

and love for the small town way of life, started looking for new local ways to stimulate the economy.

Cahill's daughter, Kelly, mentioned to him that 92 percent of America's mohair comes from West and Central Texas, within a 300-mile radius of Sonora.

Jimmy researched the Mohair Market. He found no mohair processed in the U.S.A. Cahill zeroed in on the fact that this was a 3 billion dollar market. The largest profit area in the mohair market proved to be the processing and marketing of the finished fabric.

Jimmy Cahill has a dream of capturing 10 percent of this market, and bringing it back to West Texas.

Can this dream come true for West Texas?

Ten percent of \$3 billion calculates to \$300 million. (Does your calculator have these digits?) Let's dream on and inject this \$300,000,000 into jobs, education, recreation, or simply higher standards of living per capita for West Texans.

WILD BUNCH ENTERTAIN AT DINNER THEATER - Last Saturday Night at the Covered Wagon Dinner Theater, Sonora's notorious "Wild Bunch" arrested, tried and convicted Tony Dale (from KLST TV Station). Dale was found guilty of speaking ugly about the "Wild Bunch". The "Wild Bunch" would have hung Dale but evidence proved that too many children would be left fatherless. The "Wild Bunch" later acknowledged Dale with warm hearts for his efforts promoting the "Wild Bunch".

Jobs. Jobs. Jobs.

Jobs. That's one word that means a great deal these days. With a job you can save for college, make the mortgage payment, and take care of your family. Without a job all of these things become nearly impossible.

Banks create jobs when they reinvest customers' deposits into the community...which is what this bank does everyday.

We help finance businesses of all kinds all around town. If it's a start-up business with a good future, we provide the money to help it get off the ground. And if a business is expanding and growing, we'll provide the needed funds to help it on its way.

All of this activity helps create jobs because when a business has the money it needs to operate, it can hire the people it needs to fill the jobs which will make it a success.

Chances are the employees of the business will then deposit their money back into the local bank, which starts the whole process over again.

When you multiply this activity over and over again, you begin to see how important it is that banks and businesses work together to make things happen in their communities.

Many financial services companies do not invest their money back into the community. We do. And that in turn helps create jobs and future economic growth right here in town. Making this community an even better place to live.

Letter to Households (Multi-Child Meals)

NATIONAL SCHOOL LUNCH PROGRAM/SCHOOL BREAKFAST PROGRAM

Parent/Guardian:

The Sonora ISD school serves meals each school day. Children may buy lunch for Pre-K-5, \$1.10; 6-12, \$1.25 and adults \$2.00 and breakfast for 60¢. Children may also get meals free or at a reduced price.

If you now get food stamps or AFDC for your children, your children can get free meals. If your total household income is the same or less than the amounts on the Income Chart below, your children can get free meals or reduced price meals. A foster child may get free or reduced price meals regardless of your income. The reduced price is 40¢ for lunch and 30¢ for breakfast.

TO GET FREE OR REDUCED PRICE MEALS FOR YOUR CHILDREN, YOU MUST COMPLETE AN APPLICATION AND RETURN IT TO THE SCHOOL. WE CANNOT APPROVE AN APPLICATION THAT IS NOT COMPLETE.

HOW TO APPLY

If you now get food stamps or AFDC for the child you are applying for, the application must have the child's name, a food stamp or AFDC case number for that child, and the signature of an adult household member. If you are applying for a foster child, the application must have the child's name, the child's "personal use" income, and an adult signature. If you do not list a food stamp or AFDC case number for the child you are applying for, then the application must have the child's name, the names all household members, the amount of income each person got last month and where it came from, the signature of an adult household member and that adult's social security number or the word "none" if the adult does not have a social security number.

INCOME CHART

Household Size	Annual	Monthly	Weekly
1.....	12,599.....	1,050.....	243
2.....	17,002.....	1,417.....	327
3.....	21,405.....	1,784.....	412
4.....	25,808.....	2,151.....	497
5.....	30,211.....	2,518.....	581
6.....	34,614.....	2,885.....	666
7.....	39,017.....	3,252.....	751
8.....	43,420.....	3,619.....	835
For each add'l member add.....	4,403.....	+367.....	+85

Verification: Your eligibility may be checked at any time during the school year. School officials may ask you to send papers showing that your children should get free or reduced price meals.

Fair Hearing: You may talk to school officials if you do not agree with the school's decision on your application or the results of verification. You may also ask for a fair hearing. You may do this by calling or writing:

Name Charles Russell Phone (915) 387-2220
Address 807 S Concho, Sonora, TX 76950

Reporting Changes: If your children get free or reduced price meals because of your income, you must tell the school if your household size decreases or your income increases by more than \$50 per month or \$600 per year. If your children get meals because you get food stamps or AFDC, you must tell the school when you are not getting AFDC or food stamps for them. You may then fill out another application giving income information.

Confidentiality: School officials use the information on the application only to decide if your children should get free or reduced price meals.

Reapplication: You may apply for meals anytime during the school year. If you are not eligible now but have a change in status, like a decrease in household income, an increase in household size, become unemployed or get food stamps or AFDC for your children, you may then complete an application.

Handicapped: Meal substitutions at no additional cost for children who meet the definition of "handicapped" will be served, provided a physician has submitted a statement attesting to this fact and prescribing a substitute.

IN THE OPERATION OF THE CHILD FEEDING PROGRAMS, NO CHILD WILL BE DISCRIMINATED AGAINST BECAUSE OF RACE, SEX, COLOR, NATIONAL ORIGIN, AGE OR HANDICAP. IF YOU BELIEVE YOU HAVE BEEN DISCRIMINATED AGAINST, WRITE IMMEDIATELY TO THE SECRETARY OF AGRICULTURE, WASHINGTON, D. C. 20250.

We will let you know when your application is approved or denied.

BACK TO SCHOOL STYLE SHOW - These smiling faces look excited to dress up in back to school fashions in a local style show presented Thursday.

Bullock to fight park closures

AUSTIN - Lt. Gov. Bob Bullock said he will fight the Parks and Wildlife's decision to close 11 state parks--including Fort Mcnester State Park in Ozona.

"I find it incredible the Parks and Wildlife Department would try to shut these parks down without consulting anyone--not the communities, not even the leadership of state government," Bullock said.

"I doubt the department has stopped to consider the impact--economics and otherwise--this closing will have on Crockett County."

Bullock said the park has over 1,000 visitors in 1991.

"At a time when the state is trying to increase tourism it seems astounding the Parks department

would consider closing these recreational and cultural attractions, especially in a smaller community like Ozona, where the impact would be even more severe."

Card of thanks

Words cannot express the deep appreciation we have for our many friends and family who were here in our time of need with prayers, thoughts, visits, food and flowers. It is a comfort to know that we could count on so many to help to ease our sorrow.

A special thanks to the EMS, the Hospital Staff, the Sonora Police Department and Dr. Pajestka. Luther Creek John & Sharron, David & Kay, Loraine, E. W. Franklin and grandchildren

1992 PROPERTY TAX RATES IN SUTTON COUNTY

This notice concerns 1992 property tax rates for SONORA INDEPENDENT SCHOOL DISTRICT AND COUNTY EDUCATION DISTRICT. It presents information about three tax rates. Last year's tax rates is the actual rate the taxing unit used to determine property taxes last year. This year's effective tax rate would impose the same total taxes as last year if you compare properties taxed in both years. This year's rollback tax rate is the highest tax rate the taxing unit can set before taxpayers can start tax rollback procedures. In each case these rates are found by dividing the total amount of taxes by the tax base (the total value of taxable property) with adjustment as required by state law. The rates are given per \$100 of property value.
