Rain Hits Cotton Hopes, Delays Harvest Of Grain

CITY FATHERS PAY BILLS

Bill-paying was one of the big items of business at city commission meeting on Tuesday night, according to City Secretary Carroll Moss.

The M. & N. Construction Co. of Hobbs, N.M., went \$13,241.16 for water and sewer line work completed here during September.

Peerless Pump Co. of Plainview was paid \$7,164.31 for recent installation of a new city well and pump.

Ralph W. Douglas, city engineer, was paid \$1,224.22 for engineering services on the two jobs.

C. B. Hines In Serious Condition

C. B. Hines, who was admitted to Olton Memorial Hospital Friday night as a result of a heart condition, was reported by relatives Thursday morning as "doing as well as can be expected."

Mrs. Melvin Hines, a daughter-in-law, said Mr. Hines suffered a heart attack on Friday night and another on Tuesday. His condition Tuesday was regarded as critical, she said.

Mr. Hines has not been under oxygen since Tuesday night.

He is not being permitted visitors except members of the family.

Defer County Salary Hike

Lamb County commissioners last Friday deferred a decision on a proposed salary hike for several elective county officials including themselves.

The decision came at a public hearing held at the county court house in Littlefield.

MOTHER FEEDS BLIND SONS—Don, Lon and Jon Sittor, blind triplets, are fed by their mother, Mrs. Frank Sittor, of near Hart. The boys, now 14 months old, have been blind since birth. Their parents hope that someday they will be able to see and lead normal lives. There is no known treatment for the condition which caused the triplets' blindness. It is known as retrolental fibroplasia, a fibrous growth behind the lens of the eyes.

QB Club Votes For Earlier Meeting Time

Quarterback Club members this week voted to change their Monday night meeting from 8 p. m. to 7:30 p. m.

The earlier starting time will be in effect for the remainder of the fall meetings, according to Bill Kelley, QB Club president.

New QB Club members include Martin Phillips, Owen Jones, Paul Nafziger and G. H. Bley. Membership cards this year are being sold for \$10 each. The club has approximately 40 members.

At Monday's meeting, members viewed films of the 1954 Southwest Conference highlights and the recent Olton-Slaton game.

Meetings are held each Monday night during football season at Olton High School.

Traffic Crackdown Is Slated; City Hires New Police Officer

CITY AUDIT BEGUN MADE

A complete city audit is being prepared by Franklin Armstrong, Plainview accountant, it was announced this week by Carroll Moss, city secretary.

The audit, Mr. Moss explained, will cover all city business from the time of change of administrations in the spring up to October 1.

Thereafter, he said, a complete audit will be prepared quarterly instead of annually, as in the past.

The City of Olton is now using Oct. 1 as the beginning date of its fiscal year.

MOTHERS IN HOME

Mrs. L. B. Gray is in the home of her daughter, Mrs. A. D. Adams, Mr. Adams' mother, who is in her nineties, is staying with the Adamses and Mrs. Gray is helping care for her.

Traffic regulations will be rigidly enforced in the future.

This announcement came this week simultaneously with the announcement that a second man has been employed by the Olton police system.

Tom Seawright has been hired by the city as a nightwatchman and will assist City Marshal Vernie Head, Mr. Seawright will work at night and Marshal Head will work in the daytime and a part of the night.

City officials said many drivers have been lax in observing traffic regulations. They declare that such negligence is a menace to the town and must be curbed.

Authorities said a crackdown on motorists operating vehicles without drivers license can be expected.

Sunday Closing Up For Study At C-C Meeting

Sunday business closings and a credit bureau for Olton are among the items of business slated for discussion at this Thursday night's Chamber of Commerce meeting, according to President Basil Sherman.

"We have several important things to discuss, and I hope all members will attend," Mr. Sherman said.

Ministerial Alliance representatives are expected to meet with the Chamber of Commerce in connection with the Sunday business closing discussion.

"And we have a man coming from Plainview to talk to us about the possibility of establishing a branch credit office here," Mr. Sherman said.

The meeting is set for 8 p. m. at the fire station.

TO DISMISS EARLY

Olton schools will dismiss at 2:30 p. m. this Friday so that all students who plan to attend the Olton-Spur football game will have sufficient time for the trip, it was announced by Supt.

Name Wayne Bodkin President Of District FFA Organization

GRID GAMES SLATED HERE TONIGHT

There will be two football games here this Thursday night, it was announced Monday by Coach Jimmy Goss.

Olton and Floydada eighth grade teams will meet in the first game at 6:30 p. m. in Olton Memorial Stadium.

The B teams of the two schools will collide at 8 p. m.

There will be no admission charge.

A game scheduled here last Thursday night between the Olton eighth graders and the Anton freshmen was postponed because of sickness on the Anton squad.

FFA Chapter Has Entries In Hale Fair

Several members of the Olton High School FFA chapter will show livestock at the Hale County Fair this week-end, according to J. C. Lane and J. W. Brown, OHS ag instructors.

Fair dates are Thursday, Friday and Saturday, Oct. 6-7-8. Olton FFA chapter members are not expected to enter as many animals as they did in the recent Lamb County Fair at Littlefield, where they swept to grand championships in almost every division of judging.

TO OCCUPY BRYANT BLDG. NEXT WEEK

Bryant Implement Co. plans to begin the big move into its modern new building on Highway 70 sometime next week, it was announced yesterday.

The firm had planned to occupy its new \$30,000 building this week, but bad weather delayed painting and other finish-up jobs, and postponed the move until next week, according to Elmo Bryant and Leo Ross Bryant.

The 60 by 100 foot building is of tile and brick construction, and faces north.

An open house is planned in the near future.

TO ATTEND AUSTIN MEET

Supt. of Schools Carl Macon will be in Austin on Sunday, Monday and Tuesday, Oct. 9-11, to attend a meeting of the Texas Association of School Administrators.

He plans to return to Olton Tuesday night.

Mr. Macon will make the Austin trip with Leo Purvis, Plainview Supt., Jerry Lumsden, Littlefield Supt., and J. C. Lane, Olton Supt. of schools, at Springlake.

Crop Success Dependent On Good Weather

The fate of Olton's cotton crop, set back about two weeks by a crippling 3 1/2 to 4 inch rain which fell Saturday through Tuesday, hinges now on Mother Nature's willingness to deal out at least three weeks of sunshine-laden days and freeze-free nights.

The dead seriousness of the situation is emphasized by the fact that Olton gins to date have processed only 69 bales of cotton. Clear skies here Wednesday and Thursday sent hopes up again, however, that "we're finally going to get a break."

Louie Cross' comment that "It will take good weather until at least the last of the month make our cotton crop" is typical of the outlook of area farmers.

Some Boll Damage

Most of them say that majority of Olton cotton not open sufficiently to be severely damaged by the hammering rains which fell steadily here over the long dreary four-day "week-end."

In those fields where cotton was opening, the lower bolls definitely suffered damage. Cotton was stained, and burs were rotting on farther advanced cotton, according to a Tuesday survey by Dan Daniel, manager of Circle Gin.

"Most of the cotton is all right, though," Daniel said. "Our cotton is fairly well matured, but we need a good three weeks of fair weather now to get the moisture out of the bolls and to allow them to open."

Delays Grain Harvest

The rain, which finally came to an end late Tuesday, also delayed the harvest of Olton's grain sorghum "by about 10 days," according to Louie Mack Hardy, manager of Ben F. Smith Grain Company.

"Providing decent weather continues, the grain harvest should get underway in earnest early next week," Hardy said this morning. "Except for the rain, much of it would have been ready to harvest now."

Much Olton grain lacks "just a little" of being completely ripe, Hardy explained. Even with dry weather, the moisture content on such grain probably would run 20% to 30%, but a few more days of ripening under dry weather conditions would reduce the moisture content to about 11 1/2% or 12%, sufficient to meet government loan conditions (not to exceed 13%), Hardy explained.

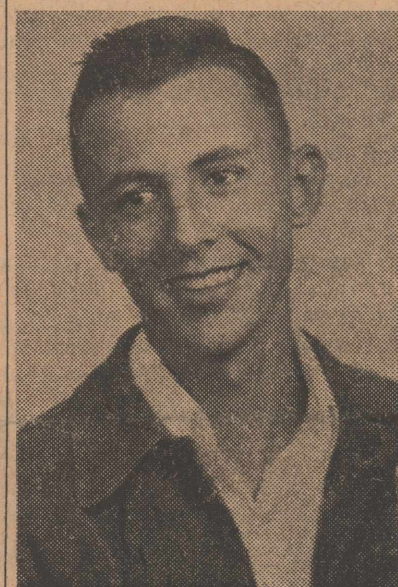

Winds Would Hurt

Eldon Franks and other farmers have expressed the hope that the area can escape a high wind, which would make heavy, moisture-laden grain fall down, sharply complicating combine operations.

Franks, who farms seven miles north of Olton, estimated the total rainfall at 3 1/2 to 4 inches. He had this optimistic comment about it: "Unless we should get an early freeze, it is quite possible, that we will reap more profit from next year's crops as a result of this rain than we will lose on this year's harvest."

Wanted: Sunshine

Franks and Tom Carlisle, who farms 7 miles northeast of Olton, say that another 10 days of "good ole sunshine" will get the harvest underway on a scale basis. Both concur, however, in the opinion that it (continued On Page 34)

WAYNE BODKIN

Lazbuddie, Littlefield, Threeway, Muleshoe, Spade, Sudan and Olton.

Bodkin, an Olton High School senior, holds the Lone Star Farmer degree, which is the highest FFA degree awarded in the State of Texas.

As district president, his duties will include presiding over all district meetings and serving as master of ceremonies at the annual district FFA banquet to be held later in the school year at Littlefield.

Issue Reminder On Stock Show Feed Deadline

Olton vocational ag instructors this week issued a reminder concerning the approaching Nov. 15 deadline for putting animals on feed for the Olton Stock Show.

Local FFA and 4-H boys and girls must put lambs and barrows on feed by Nov. 15 for the show, they explained, to comply with show regulations. The rules specify that lambs and barrows must be placed on feed at least 90 days prior to the opening date of the show.

The show this year is scheduled for Feb. 16-17-18, according to an announcement by J. C. Lane and J. W. Brown, vocational agriculture teachers.

Deadline for putting calves and commercial steers on feed for the show has already passed, and indications are that a much larger group of commercial steers will be entered in this year's show, Mr. Lane said.

"We've commended steers when we can get them in," he said.

A Twirling Clinic was held at West Texas State College Saturday, Oct. 1, with Bob Roberts from Los Angeles, Calif., conducting the lessons. Twirlers attending the clinic from Springlake were Anita Messer, Elaine Riley, Kathleen Wisian and Gene LaRue. All twirlers attending were to march at half time in the game between West Texas State and Texas Midwestern. 142 twirlers from many different states were present to make it a great success.

What's this about Otis Ray King, better known as "Turtlehead," going with Norma Jean Jones Saturday night? You must have had a good time!

Betty Findley, a new-comer on Lubbock has been having trouble deciding between boy friends. Did A. L. Cody change our mind by any chance?

Joe Pierson was winning an awful lot of teddy bears at the Lubbock fair. Could you have been winning them for Dorris Jackson? This couple is seen together on the school campus.

June Gregory and Doug Parish were together Wednesday night. What is all this rumor that you two are not going steady any more? It is rather hard to believe.

Jerle Taylor is wandering again! He wandered to Littlefield Sunday and took Linda Filde to the movie. Linda is from Littlefield and from his description of her, she is something special!

Art Riley and Charlene were seen Thursday. Kind of like old times Robert?

Id Sandel is always looking forward to those week-ends he can be with Lois Lewis. They were together Friday, Saturday and Sunday.

Sherry Stine has been going with Eddie Hayden the past two weeks. Wonder what happened to Clarence Monroe?

Carolyn Sanderson and Clifford Cook were together in church Wednesday night and Sunday night. With them were Butch Foreman and Rita Crawford.

Joe Ann Elmore, who was your "mystery man" you were with Tuesday night? Could it have been Charles Wasson? Weren't you with him Friday and Wednesday nights, also?

Don Watson came home Friday night to see his old home team win over Muleshoe. He also came to see his many girls! Jan McMinn is one of the girls with Don.

Bob Angeley is going with Cheryl Wasson now. They were together Friday and Saturday nights.

Bud Watson and Beverly Stine make a cute couple and are always seen together. They go all the time and no one can keep up with them.

Janis Jones, Charlene Hamilton and Earl McNeil left Friday enroute to Waco for the football game Saturday night. Baylor played Maryland and it must have been some game for those three to go all the way to Waco.

John Blackwell and Shirley Green are a standard couple, and always together. Do you two enjoy riding up and down the main street of Earth?

Bobby Green and Max Neal went dove hunting one afternoon but the game warden mistook the doves for ducks. Sorry boys, but those things just will happen!

Donald and Ronald Sandel lost their car Tuesday night but they claim someone hid it. Did you ever find out the real truth?

Janis Jones, Charlene Hamilton, Barbara Brock, Anita Messer and Nelda Roach enjoyed a slumber party Tuesday night at the home of Janis Jones. Girls

HELPING HAND—Don, Len and Jon Sitton, blind triplet sons of Mr. and Mrs. Frank Sitton of Hart, get loving care and help from two older sisters, Alice, 8, and Joyce, 6. The triplets, blind since birth as result of a fibrous growth behind the lens of their eyes, are 14 months old.

OHS BAND MARCHES AT HALFTIME

At the halftime of the Olton-Dumas football game Friday night, the Olton High School band marched across the field and formed a "One" and a "Two" and played, "Two Hearts, Two Kisses Make One Love."

As the song ended, the twirlers showed signs with some lips drawn on one and some hearts drawn on two signs and the word "love" written on the back of the signs.

"It Is No Secret What God Can Do" was played by the band after the field lights were turned off. The band used lights on their caps and made a large cross as they played the song.

The Dumas band entertained the OHS band after the game with a coke party in their band hall.

Is it very mystifying to get to change a flat at two o'clock in the morning? I've heard that strange things can happen!

Janice Ford Is President For New F.T.A. Club

Janice Ford will lead the newly organized Olton High School Future Teachers of America as president this year.

Students interested in F.T.A. met with Mrs. John Campbell, sponsor, Tuesday for the organization of the club and the election of officers.

Officers elected were Janice Ford, president; Becky Herndon, vice-president; Linda Fent, secretary; Barbara Jones, treasurer; Jo Ann Buckner, reporter; Mary Scribner, parliamentarian; and Venevian Aldridge, historian.

Installation of officers will be held sometime in the near future with the F.T.A. chapter from Canyon assisting.

Approximately 21 members have been enlisted. The F.T.A. urges and invites all young people who are interested in the F.T.A. to attend the next meeting, announced Jo Ann Buckner, reporter for the organization.

Olton Woman's Father Dies In Oklahoma

Final rites honoring the memory of M. W. Lambert of Lindsey, Okla., the father of Mrs. Lloyd Blackwell, were held Sunday.

WEDDING VOWS ARE SOLEMNIZED IN INFORMAL HOME CEREMONY RECENTLY

In a semi-formal service recently, Miss Yvonne Peterson, daughter of Mr. and Mrs. G. L. Peterson, became the bride of Wendell Cavett, son of Mr. and Mrs. H. A. Cavett, in the home of the bridegroom's parents.

Rev. J. R. Jennings read the double-ring ceremony. An archway decorated with jade greenery and surrounded by baskets of pink dahlias formed the decorative background.

Mrs. Harley Don Bryant of Littlefield sang "Because" and soft background music of "I Love You Truly" was played.

Wears Traditional White

Given in marriage by her father, the bride was attired in a gown of crystal white French lace over net and taffeta, fashioned with fitted bodice, high neckline with a tiny upstanding collar and long tapered sleeves ending in points over the hands.

The bouffant skirt of circular tiers of lace edged with ruffles of pleated tulle terminated into a chapel train. Her finger-tip veil of silk illusion fell from a tiara of lace embroidered with seed pearls. She carried a bouquet of white orchids showered with stephanotis and white satin ribbon.

Matron-of-honor was Mrs. Jackie Powell of Lubbock and bridesmaids were Miss Pat Peterson, sister of the bride, and Mrs. Dan Williams of Altus, Okla. Miss Sandra Johnson, niece of the bridegroom, was flower girl.

The honor attendant wore a dress of white faille, styled with princess lines, short sleeves, and a stand-up collar. The bridesmaids wore identical dress of pink and white, and all carried white carnation nosegays.

Dan Williams of Altus, Okla., was best man.

Mothers Wear Navy

Mrs. Peterson, mother of the bride, wore a navy crepe dress with navy accessories. Mrs. Cavett, the bridegroom's mother, selected a navy suit with navy accessories. Both had corsages of white carnations.

Following the ceremony, the bridal party was feted at a reception. Laid with a lace cloth, the serving table was centered with pink roses. Crystal candleholders with white candles encircled the table.

Miss Doreen Young and Misses Dorna Tilly and Yvonne Schneider, both of Lubbock, served the tiered wedding cake and punch. Guests were registered by Mrs. Jim Brown.

After a wedding trip to New Mexico, the couple are in Olton until next week when the bridegroom reports to Fort Belvoir, Va., where he will be stationed with the U. S. Army. For traveling, the bride chose a black suit trimmed in aqua with aqua accessories and a white orchid corsage.

In Business College

Mrs. Cavett is a 1955 graduate of Olton High School where she was voted Most Beautiful Girl, Who's Who, and was a cheerleader for the pep squad. She is attending Draughon's Business College, Lubbock, where she plans to graduate in December.

The bridegroom, a 1955 graduate of Olton High School, went into the army in July. He will take a special training course during his stay at Fort Belvoir, Virginia.

MRS. J. STONE HAS DEVOTIONAL

SPRINGLAKE—Mrs. Jim Stone brought the devotional at the monthly business and executive board meeting of the W. M. S. of the First Baptist Church, Monday.

Mrs. Robert Huckabee, president, presided over the meeting.

Present were Mesdames Leslie Watson, Billy Matlock, Ernest Baker, W. T. Clayton, J. T. Williams, G. H. Miller, Robert Huckabee, Ernest Green, Jim Stone, and Billy Wayne Clayton.

COMPLIMENT MRS. BALL ON BIRTHDAY

On her 81st birthday Sunday, Mrs. R. G. Ball, resident of Olton since 1928, was honored with a dinner and open house at the Olton American Legion Hall.

Mrs. Ball's children favored her with the courtesies.

The family dinner preceded the open house.

The table at the open house featured an arrangement of red roses and was laid with a linen cutwork cloth. Bouquets of summer flowers arranged by Mrs. G. R. Smith completed the decorations in the receiving rooms.

Group singings and special numbers entertained the guests.

"Never Grow Old," a special request of the honoree's, was sung by Basil Sherman, Frank Cornelius, W. C. Gunter, William DeBerry, W. E. Andrew, Duward Price, and Mrs. J. Paul Waggoner, and accompanied on the piano by Mrs. Barton Prestridge.

Mrs. Ball was born Francis Belle Lewis in Cook County on October 2, 1874. She moved with her parents when she was 12 to the Oklahoma Indian Territory and attended school here.

She was married to Robert Green Ball on December 7, 1890 in Montague. They had 14 children, Mr. and Mrs. Ball lived in Oklahoma until 1928 when they moved to Olton.

Assisting with hospitalities were Mrs. Ball's children. They are Mrs. Lloyd Green, Mrs. Ruby M. Dudley, L. E. Ball, D. H. Ball, and R. W. Ball, all of Olton; Mrs. T. C. Measles of Tulsa; Mrs. Dora Muse of Amarillo; Mrs. Delbert Hyman of Kermitt; and Jackie S. Ball of Elmore City, Okla.

The three children unable to attend were Mrs. Bob Allsup of Phoenix, Ariz., J. D. Ball of San Francisco, Calif., and Rev. Fred E. Ball of Oklahoma City, Okla.

Present for the affair were four of the honoree's eight living brothers and sisters. They were Mrs. Charlie Nix of Olustee, Okla., Roy Lewis of Borger, Brian Lewis of Buna Vista, and Tom Lewis of Maysville.

Out-of-town guests were Mr. and Mrs. L. C. Garrett of Carlsbad, N.M.; Mr. and Mrs. Robert Garrett of Portales, N.M.; and Mr. and Mrs. Ray Snodgrass of Amarillo.

Favor Family With Going-Away Supper

SPRINGLAKE—Mr. and Mrs. Lee Bolinger and family were honored Saturday night with a surprise covered-dish supper at their home.

The Bolinger family will move to Hereford soon.

Those present were Mr. and Mrs. Earl Parish and family, Mr. and Mrs. Louis Bolinger, Mrs. Bulls, Mr. and Mrs. Pete Parish and family, Mr. and Mrs. V. T. Tanner and family, Mr. and Mrs. W. T. Jones and family.

Mr. and Mrs. A. C. Loftis, Mr. and Mrs. Robert Bridge and family, Mr. and Mrs. Lawrence Sloan, Mrs. W. B. Hucks and children, Mrs. Williams, W. B. Hucks, Sr., Mr. and Mrs. Les Watson, Ruby Hucks, Carol Hamilton, Rex Loftis, and the honored family.

"Far Journey" Is Reviewed

SPRINGLAKE—"The Far Journey" was the title of the book reviewed by Mrs. Ray Axtell of Dimmitt at the X. I. T. Study Club meeting last week.

Scene for the club meeting was the home of Mrs. Lorene McNamara with Mrs. James Packard acting as co-hostess.

Federation Counselor Mrs. Jess Watson gave a report to the organization and Mrs. James Busby introduced Mrs. Axtell, who presented the book review. Refreshments were served to Mesdames Jimmy Banks, Ed Jones, Roy Byers, Ernest Baker, W. T. Clayton, Troy Lemley, Donald Kelley.

Arnold Washington, James Packard, Tom McGill, Jess Watson, Bill Burrow, James Busby, James Sanderson, Lorene McNamara and special guests Axtell and Howard of Dimmitt.

Mrs. W. T. Clayton said the closing prayer.

Home Builders

Meet With

Mrs. Jackson

Mrs. Earl Jackson was hostess and Mrs. A. W. Henderson was co-hostess to the Home Builders Demonstration Club members Tuesday.

The club had a regular monthly business meeting.

Mrs. Jackson will give a book review at the next meeting of the Home Builders in the home of Mrs. Bob Coker, October 18.

Assembly Of God Mission Council Meets

Mrs. Ben Henson directed a Bible quiz last week at the meeting of the Women's Missionary Council of the Assembly of God Church.

Mrs. Kate Green read the scripture and Mrs. Everett McBroom reported on the organization's work.

Present were Mesdames Long, Green, McBroom, Mandrell, Edwards, Williams, and Henson.

The council meets every Tuesday and visitors are invited to attend.

Church Observes Family Night

Olton Methodist Church Family Night was staged last week in the Fellowship Hall of the church.

Devotional program and a promotion service for Sunday School followed a supper.

Mrs. J. T. Tollett was in charge of arrangements.

About 85 persons attended. Special guests were officers for the past year.

WILL TELL OF EUROPE TOUR AT P-T. A. MONDAY

HART—Mrs. Ralph Perry of Plainview, who has toured all of Europe and the Holy Lands, will tell of her tour and will show moving pictures of the places she visited at the meeting of the Hart Parent-Teacher Association Monday night.

The Hart high school gymnasium will be the meeting place for the P-T. A. at 8 o'clock p.m.

On program other than Mrs. Perry will be Mrs. Will Gilmore's third grade pupils.

Mrs. Smith To Head Hart Zealot Club

HART—Mrs. Joy Smith will head the Hart Zealot Club as president.

Mrs. Smith was elected president at the election of officers Tuesday in the home of Mrs. Myrtle Frances Wood of Bushland.

Other officers elected for the coming year include Mesdames Marlene Bennett, vice-president; Johnny Hawkins, secretary; Ruth Crich, treasurer; Ruby Davis, reporter; and Wilma Lemon, educational director.

Nine members and one guest were present at the meeting.

Bible Teachers Are Attending Special School

Bible teachers from the Main Street Church of Christ are attending a special training school at the Broadway Church of Christ at Lubbock.

The training school is held each Monday night and will last for ten weeks.

Some of the topics that the groups are studying are "Bible Geography," "Christian Wife and Mother," "Holy Spirit," "Church Worship," "Spiritual Power Through Prayer," and "How To Be A Good Teacher."

Olton teachers attending are Mr. and Mrs. Sidney Allen, Mr. and Mrs. W. M. Smith, Mrs. D. M. Granberry, Mrs. Minnie Scott, Mrs. E. C. Jones, Mrs. Dan Daniels, and Mr. and Mrs. E. R. Higgins.

Rain Hits—

(Continued From Page 1)

will take at least three more weeks of good, warm weather to "make a real crop."

Carlisle is among the many farmers reporting damage to open cotton on or near the ground as result of the rain.

Sesame Delayed

Harvesting of the approximately 1,500 acres of sesame in this area also was delayed by the rain. Carlisle, who has sesame, says that the crop is

heavy with seed pods, and that the rain caused lots of it to "rainbow." He expressed the opinion, though, that it can be harvested fairly well with a row binder.

Most Olton sesame plantings, Carlisle opined, will be ready for harvest "just as soon as it dries out good."

Cross, Franks, Carlisle and other farmers point to one good thing about the rain. It will make a good play season.

Meanwhile, they all have their fingers crossed in hopes of a long Indian Summer.

Four Year Old Has Bacterial Meningitis

Frances Williams, daughter of Mr. and Mrs. J. A. Williams, has Bacterial Meningitis.

She was admitted to the Plainview Hospital and Clinic Foundation Wednesday morning and her case was not diagnosed until Thursday noon.

"It is a little contagious," Mr. Williams said, "however hers was caused from an infected ear and throat."

Four year old Frances was taken to the Olton Memorial Hospital Tuesday night and was carried on to Plainview Wednesday.

She is not permitted any visitors except members of the family.

Mr. Williams is the principal in Olton High School.

AROUND OUR FARMS

By VERNON NIXON

I don't believe we have ever seen the sunrise quite so wonderful, nor the brisk southwest breeze so refreshing as it appears this morning following the past two weeks of dreadful murky, muddy and just plain horrible weather. The Bums of Flatbush have nothing on us in joy and thanksgiving. But with all the bad we must admit there was some good. It surely would have been trying to do a days work any of the past seven days and at the same time watch the world series.

More than three inches of rain has saturated the Olton area during the past week. At times, the damage appeared devastating. The cotton which began trying to open, appeared it might rot in the boll. The feed stuff which was completing the maturing stage gave indication, if the bad weather continued, it might sprout in the head. Everyone held their breath in fear of strong winds on the rain soaked land causing the stalks to blow down.

But so far, we have been spared the worst. Very little damage as yet has shown up. The cotton grade will be affected some, but even on this there is some spark of a brighter side.

The government loan on the poorer grades of lint has been increased as much as \$7.50 per bale. The feed shows no damage other than the delay in getting it harvested. As it now appears, practically all the feed crop will be ready to harvest at the same

time. Cotton will suffer most in that the past two weeks has brought the maturing and opening season to a standstill and it brings the frost date a couple of weeks closer as far as harvest time is concerned.

For the Plains area not to suffer considerably from this weather situation, the remaining days of October must be completely free from rain and the killing frost must hold off until near the first of November. It has at times in the past. We can again hope for the best.

Near 60 bales of cotton have been ginned at the local gins. Most of this coming from fellows north of the draw who were fortunate to keep the early cotton planted the last of April and first of May. Only sample cuts of feed have been made. Most all was running too high a moisture percent. Some of the elevators were buying the grain making allowance for the excess moisture.

Fellows who have their wheat and new hay crops planted can rejoice with some satisfaction in that the past weeks have been perfect for these crops.

ACCORDING TO THE WORD OF GOD— HOW MANY SPIRITS ARE THERE?

ACCORDING TO THE WORD OF GOD there is but ONE HOLY SPIRIT. Jesus said to his disciples before he ascended to Heaven, "And I will pray the Father, and he shall give you another COMFORTER, that he may be with you forever, even THE SPIRIT OF TRUTH" (John 14:16, 17). In the same chapter and in verse 26 Jesus continued, "But the COMFORTER even THE HOLY SPIRIT, whom the Father will send in my (Christ's) name he shall teach you all things." Again, he said, "Howbeit when HE, THE SPIRIT OF TRUTH has come he shall guide you into all truth" (John 16:13). Someone may have in mind that there are many spirits. There is but ONE SPIRIT OF TRUTH, all others are of the SPIRIT OF ERROR. Turn to I John 4:6 and see the record of THE HOLY SPIRIT. "He that knoweth God heareth us; he who is not of God heareth us not. By this we know THE SPIRIT OF TRUTH, and SPIRIT OF ERROR. Notice the following scriptures concerning THE ONE SPIRIT:

ONE SPIRIT: "There is one body and ONE SPIRIT" (Eph. 4:4). "For through him we both have our access in ONE SPIRIT unto the Father" (Eph. 2:18). "—that ye stand fast in ONE SPIRIT, with one soul striving for the faith of the gospel" (Phil. 1:27). "For in ONE SPIRIT were we all baptized into one body" (I Cor. 12:13).

Since there is but ONE HOLY SPIRIT or SPIRIT OF TRUTH and HE is to guide us by ALL TRUTH, how painstaking and careful we should be in OBEYING THE TRUTH which is the WORD OF GOD.

SCIENCE TEACHER SAYS TEACHING IS EXCITING

BY YVONNE HUFF

"Teaching science is pretty exciting!"

The above statement was made by C. H. McClure, science teacher in Olton High School.

Majoring in mathematics with a minor in biology, Mr. McClure graduated from Southwestern State College in August. He is also interested in agriculture and had enough hours for a minor in it.

Before entering Southwestern College, Mr. McClure attended Kiowa County Junior College in Hobart, Okla., and Oklahoma A & M.

Outside of teaching general science, biology, and physics, Mr. McClure drives a school bus.

In his general science class, a panel of six students prepare and present a lesson. The panel has to perform experiments to prove their points. They do this once a week.

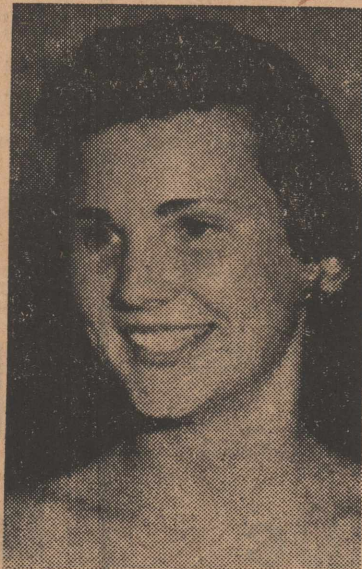

Recently, when the general science class had to look at plant cells and animal cells under a microscope, one of the students looked through the microscope and then began drawing. The student drew a dark spot with a tiny white center and turned it in. Mr. McClure explained that the student had seen and drawn an air bubble.

Mr. McClure declared that experiences like the one above are not unusual when you are teaching science!

"I have to watch my students pretty close," Mr. McClure said, "because they might mix up some chemicals that would explode!"

In concluding, he remarked, "Someone in my class is always asking me what to mix to make different kinds of explosives!"

RUNNER-UP

FRIENDLY—Miss Janelle Miller was recently runner-up for "Miss Friendliness" at Howard Payne College. Miss Miller, who is a freshman student at HPC this fall, was also nominated for Band Sweetheart. She is the daughter of Mr. and Mrs. J. F. Miller.

vited to hear Rev. Flynn. Rev. Godsey is holding a revival in Hereford.

OLTON BAND SELLS \$2,000 IN MAGAZINES

Olton School Band completed their annual drive for subscriptions to national magazines Tuesday with approximately \$2,000 worth being sold.

Ted James, band director, said that the band's profit from the sales would reach \$750.

Tommy Witten and Cheryl Poet were the two highest students in the magazine sales. They will get a choice of a port-

able radio or a watch. Tommy sold \$137 in magazines and Cheryl sold \$92.

The junior band sold on the point system and may receive prizes according to their points.

The profits from this year's program will be used to pay expenses to the State Fair next week.

This year was the fourth year that this project has been conducted through the school system through the cooperation of the Crowell-Collier Publishing Company.

No Score Against Wolverines Yet; Drub Muleshoe Friday Night 28-0

SPRINGLAKE — Springlake's stalwart forward wall kept the Wolverine goal line unsullied here Friday night as green liveried backs romped over 2-AA Muleshoe 28-0.

The Mules were inside the Wolverine 20 only one time and that to the Springlake one yard line. The Springlake line simply would not permit the score. There were no stand outs, said Coach Colie Hoffman, as he threw bouquets to his entire line.

The single Mule threat was set up by a Wolverine fumble on their own 17 yard line followed by two penalties which took the Mules to the one.

Springlake's scoring began as the game opened when Ronald Sandel took the opening kickoff and romped 88 yards to score. His twin brother, Donald, carried the extra point.

In the second period Ronald

thrilled Springlake fans again as he returned a Mule punt 77 yards for a touchdown. This time Rex Loftis ran the extra tally.

Also in the second quarter, Loftis passed to Max Neal 15 yards for a marker. Ronald Sandel ran the extra point.

In the fourth period Loftis went over from 8 yards out and then Donald Sandel again ran the extra point.

Springlake netted some 250 yards rushing as compared to 100 yards by the Mules. They completed two out of five passes and intercepted two Mule tosses. The Mules failed to complete a single pass in spite of a flurry of aerial tries.

Springlake's line turned in an exceptional performance.

Friday night's game brought Springlake's score for the season to 148 points. As yet their opponents have not scored.

The Wolverines come up against their toughest foe of the year next Friday night at Dalhart when they meet the Dalhart Wolves.

Dalhart edged Clayton, N.M., 27-19 last week-end. The Wolves have a reputation for filling the air with passes and then ripping down the middle. They have lost only to Lefors this season.

SPORTS

Demons Tally In Fading Minutes To Squeak Past Mustangs, 6-0

The highly-touted Dumas Demons kept their 1955 record unblemished by scoring in the fading minutes of play Friday night to edge past the tougher-than-expected Olton Mustangs, 6-0, before a capacity crowd in Dumas Stadium.

A fourth down gamble by Olton set the stage for the winning tally. The clubs battled on even terms for 45 minutes, then Olton found itself facing fourth and 2 on its 24-yard line with only three minutes of play remaining.

Choose To Gamble

The Mustangs, anxious for a win over their powerful Panhandle hosts, chose to gamble for first down yardage, and sent Jackie Gray bolting into the line for the necessary yardage. Gray's try—which officials didn't even bother to measure—fell bare inches shy of first down yardage and Dumas took possession at the Olton 26.

A Demon pass completion moved the ball to the Olton 15, then wingback Jim Anderson scampered around his own left end for the game's only touchdown.

On Saturday morning, many of the Olton residents who saw the contest were recapping the viciously-contested battle over morning coffee, and many termed it, "The best game I've seen in years."

Potent Defense

In limiting Coach John Whinnery's Demons to 6 points, the potent Mustang defensive unit did what no other club has managed to do so far this season. Up to the Olton game, Dumas had averaged 30.3 points per game. They beat Quanah 58-7, edged Palo Duro High of

Amarillo 12-6, and surprised Plainview, 21-13.

Thus the Mustangs find themselves in the unusual position of having limited their four opponents to an average of 6.25 points per game, yet Olton's won-lost record is 2-2.

Feathergill Shines

Defensive tackle Edward Feathergill was the big bear of the Olton defense against Dumas. He got able assistance from Donald Powell, defensive end, and from David Price, who turned in a stellar performance at his defensive guard post. Price, a junior, became eligible for varsity duty only last week.

Dumas netted 214 yards and 8 first downs. Olton had 10 first downs and 186 net yards.

SHORT GRASS

By G. P. T.

Plenty of Olton football fans who prior to season's opening had hoped the Mustangs could win three or four this year are thinking of Coach Turner's eleven now as definite contenders for the district championship.

A winning football team must of necessity think of its schedule one game at a time, but it is hard for the fans not to look forward to the Nov. 11 clash here between Olton and Littlefield, who loom as the strongest teams in District 2-AA.

Littlefield, in its first three games, had looked like a weak sister in losing to Clovis, Hereford, and Levelland, managing only 26 points to the opposition's 72. Then the Wildcats asserted their striking power in convincing fashion last Friday night with a stunning 45-7 win over Brownfield.

It's entirely possible that the Nov. 11 meeting between the two teams will draw as many as 4,000 spectators. It will be an afternoon game.

Meanwhile, let's play em one at a time.

The Mustangs drew some criticism for their fourth down gamble against Dumas. I didn't see the game, but as the story was related to me, they faced fourth and 2 for a first down on their own 24 with two minutes remaining in the game, and the score 0-0. They chose to run for first down yardage, and the effort was inches short. Dumas took possession at the Olton 26, and went on to rack up the game's only score.

To my way of thinking, the Mustangs did the right thing in trying for that first down. The try indicated a will to win the ball game, not a complacent effort to take home a tie. It was a non-conference affair, and the play call probably would have been a punt had it been a conference game with the locals owning an edge in penetrations.

I'll never criticize a bunch of kids for trying to win a ball game.

The Buffs have not had so much as a break-even year since the golden year of 1950, when they beat Texas Tech 28-13, won the Border Conference and went on to edge Cincinnati U. in the Sun Bowl, 14-13.

Last year was especially dismal for the Buffs, when they had a miserable 1-8 record. This year, though, things look different. They are unbeaten and unscored on in three outings, and have averaged 28.7 points per game in beating Corpus Christi, McMurry, and Midwestern.

Despite this record, Souter and his mates will be definite underdogs for their clash this week-end with powerful Arizona. But it's highly unlikely that the Arizonans will compile any such lopsided margin as the 48-12 by which they humbled the Buffs last year. It will be a Saturday night game at Tucson.

Don't forget to "watch while walking" if you're out hunting doves or quail. Dove season, currently in progress, has brought a good many reports of hunters being bitten by rattlesnakes.

Hart To Host Anton Eleven This Friday

HART—The Hart Longhorns, still looking for their first win of the season, will meet Anton here at 8 p.m. this Friday.

Coach Paul Boswell's Longhorns took a 53-0 drubbing from Plains last Friday in a District 3-B game played at Plains.

The Longhorns trailed only 7-0 at the end of the first quarter but fell behind 28-0 by half-time.

Hart now is 0-4 in season play and 0-2 in district competition. Best performances against Plains were turned in by Alfredo Gonzales, Longhorn fullback, and Melvin Aven, line-backer.

A little three-year-old got mad at his parents as all children do at one time or another and decided to leave home. With a few toys and odds and ends in a little paper sack, he told his mother, "I'm gonna run away

and I'm going to Africa and Alaska . . . and I'm never coming back no more!"
 "And I'm gonna fight lions and tigers and elephants and sleep outside in a tent and go on a boat and everything. So long!"

And the little fellow walked out the door. Hardly any time had passed until he was back inside the house and explained, "It's starting to get dark. Maybe I'd better run away tomorrow."

Someone has wisely said: "If you have faith enough in any one idea to hang to it and work at it, you will either land in jail, in the headlines, in public office, or in the biggest house in the block."

We're real proud of Jan Prestidge—who just recently was selected as Band Sweetheart at Howard-Payne College, Brownwood. Jan, who is a sophomore music major, was also elected secretary of her sophomore class and was one of the top four beauties on the campus last year. That's putting Olton on the map, Jan!

 Noticed Friday night that Coach Jimmy Goss comes to OHS senior Clyde Rhodes' shoulder—Although we're late saying it, welcome to our city, Harold Wilbanks! Harold graduated from a college in east Texas this summer and is now working with Tom Beard at the Farm Agency.

She'd be a "real gone cutie" with Brookie Johnson's complexion, Betty Bryant's figure, Torchie Cure's lips, DeVeryl

Daugherty's eyes, Judy Ogle-tree's neatness, Charlotte Gibson's nose, Yvonne Pinkerton's energy, Essie Sluder's friendliness, and Naomi Burrus' personality.

He'd be "the cat's meow" with Alvin Wallace's height, James Carson's build, Joe F. Miller's hair, Donald Powell's smile, Jarrell Edwards' eyes, Teddy Estes' personality and Max Wozencraft's manners.

Thrilled, happy, excited were some of the words to express my feelings over our game with Dumas! Our Mustangs are really playing ball this season—and to give the mighty Dumas team only one touchdown and that only in the last three minutes of the game is something to really make Olton proud! Dumas beat Palo Duro High School, Amarillo, and Plainview.

We went to DeLeon to visit my grandmother over the weekend. DeLeon is in Comanche county and is only about 10 miles from Comanche, Tex. where they have the uranium dirt. Because of rain, we didn't get to go see the dirt beds, but we heard some big stories.

For instance, the people sit in this dirt (which the State Health Department says has such a little amount of uranium that it could not actually do any healing) for 1½ hours and pay \$2.00. People claim that it will heal anything and tell of people who come there in wheelchairs and after several sittings in the dirt can walk!

If you have something wrong with you all over your body, they have some little wooden boxes that they bury all but the person's head. If something is wrong with your neck, they have socks full of the dirt that you wrap around your neck or if you have skin cancer, you rub the dirt over the sores.

The uranium dirt baths have become so wide spread that an airport has been put in there and people from New York come there for treatments! The dirt beds are never changed, but they claim that the uranium purifies itself.

FARM GROUP SCHEDULES BANQUET

Lamb County Farmers Union will hold a banquet the night of Oct. 25 at the Olton school lunch room.

This announcement came this week from Raymond Cooper, president of the local union.

Officers of the county group include Bruce Higgins of Earth, president; Vic Reynolds of Amherst, vice-president; and C. D. Kirkpatrick of Olton, secretary-treasurer.

Mr. Cooper said speakers of general interest will be heard at the banquet.

SPRINGLAKE MAJORETTES LEAD BAND

SPRINGLAKE - Springlake High School Band majorettes, who led the band and performed by prancing and twirling at the football games this season, have been named.

Drum majorette is Anita Meser and the majorettes are Gene LaRue, Kathleen Wislan, Elaine Riley, and Nelda Roach, who is The Enterprise Springlake teenage columnist.

Nalan Froehner is the band director.

Farmers Union To Elect Next Thursday Nite

Election of officers will be held the night of Oct. 13 by the Olton Farmers Union Chapter.

The group will meet at the vocational agriculture department at Olton High School, according to Raymond Cooper, president.

Officers, other than Mr. Cooper, include Wilton Bodkin, vice-president; and Paul Nafzger, secretary-treasurer.

The group also will name delegates and prepare resolutions for the state meeting which will be held in December.

Push Button Driving Becomes A Reality In 1956 Dodge Cars

The new 1956 line of Dodge passenger cars will be introduced to the public Friday, October 7, at Busby Motor Company at Springlake.

Viewers of the new cars were promised the first glimpse of an entirely new era in automotive design—both in exterior and interior appearance and in mechanical advancements, by W. C. Newberg, Dodge president.

Outstanding among many mechanical improvements is the revolutionary new 'Magic Touch' push-button drive selector which completely eliminates the necessity for any kind of a gear-shift or drive control lever, and brings the automatic driving dreams of yesteryear to today's reality.

In the radically new body design for 1956, Dodge has carried the Forward Look into an even bolder, more dramatic form. Unique high-sweep rear fender tail fins lend an aircraft-like effect and mold the flavor of speed into every line of the car, giving it at the same time a pronounced directional appearance.

Forward-pointing body shapes and moldings, tastefully proportioned hood, body and deck areas, gracefully tapering hood and front fenders, and the wide, slightly swept-back effect of the divided grille, all combine to give slimmness and tautness of line and a distinct feeling of motion to the new Dodge cars.

New in its basic concepts and exciting in its beauty and appeal is the Four-Door Lancer by Dodge. All of the youth and vigor of true hardtop styling have been skillfully combined with the comfort and convenience of the four-door sedan. Full-width rear doors provide easy access to the rear passenger compartment, while full side vision is assured by a unique design which allows the use of full rear door windows.

Significant of Dodge's traditional consideration of the car buyer's freedom in price selection is the fact that the new Four-Door Lancer hardtop is offered in the low-priced Coronet, as well as in the Royal and Custom Royal series, Bryon J. Nichols, vice-president and general sales manager, pointed out.

Four separate series comprise the 1956 line of Dodge cars: Coronet, offering four-door sedan, club coupe, four-door Lancer hardtop, Lancer hardtop and Lancer convertible; Royal V-8, offering four-door sedan, four-door Lancer hardtop and Lancer hardtop; Custom Royal V-8 with four-door sedan, four-door Lancer hardtop, Lancer hardtop and Lancer convertible. Finally, a new Station Wagon line offers a wide choice of seven Suburban two-door and Sierra four-door models.

Both the Coronet and Suburban lines allow the customer a choice of Dodge "Get-Away Six" or Dodge V-8 engines in certain body types. Selection between

Red Ram V-8 and Super Red Ram V-8 is also available in the Suburban and Sierra lines.

Important engine news of the year is the new Dodge Super Red Ram V-8 engine which has been upped to a total displacement of 315 cubic inches, resulting in vastly increased power and torque. Horsepower is up to 218, while even more significant is the new "break-away" from standing start performance, resulting from the phenomenally improved torque. Designed with a unique single-rocker valve train and polyspheric combustion chamber, this new engine features such other improvements as higher combustion efficiency, greater fuel economy and longer engine life. High compression ratios and the radically re-designed combustion chambers afford increased engine output and higher efficiencies, yet the new Dodge engines allow new car buyers the economy of regular gasoline.

And to top it off, Dodge again offers an optional four-barrel carburetor with matching intake manifold, dual exhausts and a distributor with special spark-advance curve for those desiring even higher Super Red Ram V-8 engine output. Horsepower is 230.

Church Closes Family Revival

Dean Bryan Robinson

Temporary pastor of the First Baptist Church, Dean Bryan Robinson of Plainview, was the speaker for the church family

revival last week.

The revival only lasted one week and services were held only in the evenings. The meeting was for members of the church.

Dean Robinson, who is dean of the student body at Wayland College, is pastor of the Baptist Church until the church calls a permanent pastor.

NEW EMPLOYEE

Mrs. Joyce Green was recently employed as secretary and receptionist for Olton Southwestern Public Service.

VISIT GRANDPARENTS

Visiting in the home of Rev. and Mrs. R. H. Campbell over the week-end were their granddaughters, Kathy and Kay Campbell. Kathy and Kay are the daughters of Mr. and Mrs. Gene Campbell of Amherst. The Gene Campbells spent the week end at the bedside of her father, Ernest Black, in the Amherst hospital.

FROM COLLEGE

Miss Leabelle Sluder was an Olton visitor Sunday. She visited in the home of her parents, Mr. and Mrs. Tom Sluder. Miss Sluder is a sophomore Home Economics major at West Texas State College.

ATTENDS COUNCIL MEET

Rev. R. H. Campbell attended a Methodist Church council meeting at Lubbock Tuesday night. One of the staff from the University in Alaska will speak and he will be one of the Methodist Church projects.

OLTON TEEN-AGE NEWS
BY YVONNE HUFF

I walked into the Enterprise office the other day, feeling as gloomy as the wet weather outside, and met Sue Macon's beaming face. She just loves this weather, and even walked to work and to lunch in the sloppy ooze. I wish I could give her my share of the wet weather as I can get along just fine without it. She said she didn't dare say anything very gay about the weather, because the rest of the staff wasn't very happy about it, either. It's good to see a bright face in the dullness of it all, so I hope you enjoy it, Sue, even though I'm still ready for the sun to shine and take the dampness out of my spirit.

The junior class has decided to have a hayride Halloween night. They are going in trailers which have all been loaned to us. They decided to charge 25c for each guest brought who is not in the junior class.

Alisse Smith and Bobby Johnson are seen together every day. I think they are a wonderful couple, don't you?

What were Janice Ford and Jack Hysinger so interested in Monday that Janice couldn't hear the bell? What about this, Janice?

Donald Powell and Barbara Jones seem to be hitting it off again. Good luck to a swell couple.

My best wishes to Mr. and Mrs. Tommy Lobaugh, (LaJuana Stamps). May the best of everything be yours.

The first community concert program will be Saturday evening in the Plainview High School auditorium. Eleanor Steber, metropolitan soprano, will be the guest performer.

Also to be presented by community concert will be Bela Bozonneni Nagy, Hungarian pianist, November 15. The Concertmen, a men's chorus, will be there on February 24, and two pianos, Parsons and Poole will be on March 23.

Mr. Ted James announced that he still has some tickets if you wish to attend concerts. You must have a ticket to attend and you can not obtain tickets at the door. Bus transportation from Olton will be furnished, I understand.

Well, this is six weeks and that means tests. Everyone is cramming and stewing around trying to get everything done. It seems like we never have enough time to get everything done.

Wouldn't it be wonderful if we could preserve time? But since we can't, I guess we just have to make the best of our time. A schedule is good if you don't have too much to put on a schedule as I do.

Congratulations to Jan Prestidge who was recently named "Band Sweetheart" of Howard Payne. Jan was one of the top beauties there last year and served as secretary of her freshman class. I understand she is also secretary of her class this year. We're proud of you, Jan!

I believe Janelle Miller was runner-up for "Miss Friendliness" this fall at Howard Payne. She was also nominated for "Band Sweetheart." Good luck in college to you, Janelle. It looks like college is going to be lots of fun for you. I certainly hope so.

Jerry Edmonson and Martha Johnson are still going strong. They certainly make a nice couple.

It seems like Janice Ford is really getting around these days. She is seen often talking with David Price, and I don't blame David a bit, either. She's a mighty sweet girl.

Our team did a grand job against Dumas last Friday night and the band made a terrific showing. Congratulations to both the team and band for such a wonderful performance. We are really proud of you. By the way, let's "Beat Spur." I know we can.

John Jefferies and Doris Crue are doing all right, I believe, at least I noticed Doris always makes it a point to go by the senior boys' lockers. That I can't figure out, Doris, you don't expect to see John, do you?

Betty Wheeler was home over the week-end. She was seen with Cecil Maddox again Sunday. Maybe their quarrel is patched up.

Betty Franklin was home from school also this week-end.

Happy birthday to all O.H.S. students who have birthdays this week. I would like to start an OHS birthday column and if you'll let me know your birthday and your friends' birthdays, I would surely appreciate it.

VISITS PARENTS

Miss Mary H. Phillips, daughter of Mr. and Mrs. Clury Phillips, was home from college over the week-end. Miss Phillips is a freshman student at West Texas State College, Canyon, this fall.

SEE BIG GAME

Mr. and Mrs. Sammy Hale attended the Michigan-Michigan State football game last week-end.

IN LUBBOCK

Bill Johnson and Kenneth Field, both of Hart Camp, were in Lubbock Thursday night to see the "Holiday on Ice" show.

Is Teaching In Plains School

Miss Carolyn Jones, 1955 graduate of West Texas State College, is teaching the commercial subjects in Plains High School this year.

Miss Jones is a 1952 Olton

High School graduate where she was Football Queen. While in WTSC, she was selected as one of the top twelve beauties on the college campus.

She is the daughter of Mr. and Mrs. C. C. Jones of near Hart.

ATTEND CHURCH SUNDAY

OLTON BAND WILL PLAY AT STATE FAIR

The Olton High School Band is one of 46 outstanding Texas high school bands, choruses and orchestras which will participate in the eighth annual Cotton Bowl Music Festival Tuesday at the 1955 State Fair of Texas.

"This Is Your Music," will be the Festival's theme for the free show in the stadium at 8 p.m. Familiar music from nursery rhymes to symphonies will be played.

The 22 bands, 10 orchestras and 14 choruses will present concerts at different locations over the fair-grounds during the day. Then the 4,500 student musicians will take part in the gigantic music and marching spectacle in the Cotton Bowl. The musical program will be topped off by a fireworks display.

Paying double honor to Texas schools, the Fair has proclaimed Oct. 11 Music Festival Day and Texas Public School Day.

The Festival will be co-sponsored by the Texas Music Educators Association and the State Fair of Texas.

McAdams Suffers Broken Toe

L. H. McAdams is on crutches this week as result of a broken big toe on his left foot suffered last Thursday when the gear out of a tractor transmission fell on his foot at Thompson Bros. Implement Co.

Doctors say that McAdams probably will not be able to walk on the foot for approximately six weeks.

FARM REPRESENTATIVE

There will be a farm representative on the lawn of the Olton Memorial Hospital from 8:00 to 5:00 Monday through Saturday. The representative is from the Littlefield Employment office.

CALIF. VISITORS

Mrs. Pearl Van Pelt and Mrs. Ruby Newsom both of California were visitors last week in the Henry and Lloyd Cowart homes. They also visited in the home of their father in Plainview, J. H. Cowart.

REUNION AT EARTH

Mr. and Mrs. Hilbert Wisian spent Wednesday of last week at a family reunion at the home of her parents in Earth.

We're not going to deny it. We didn't know we had as good a ball team as we actually have. We got one of our greatest football thrills Friday night as we watched our boys tussle top seeded Dumas.

We believe that had a conference title been at stake we'd have won that ball game.

Don't let it go to your heads boys. We still have to play them one at a time. Remember that you don't win a ball game till Friday night.

And when Lubbock or Amarillo papers pick you to win one, for goodness sake remember that a lot of times our opponents don't even read the paper and the scoreboard has little sympathy with a sports writers predictions anyway.

We know a young Olton mother who has a son about two years old. "We hate this baby's wife already," she says.

In the pat on the back department, we want to give a hearty one to Mayor G. H. Bley and Commissioners C. A. Cox and D. Y. Ray.

So far we think they're doing a swell job. We particularly like the fact that the city attorney sits in on all the city commission meetings. When something goes awry, when procedure strays away from the way it should go the city attorney tells the commission about it and they get back on the track.

Our praise of the commission doesn't mean we are rubber stamping it by a longshot and we may be dead set against some decision it makes in the next two weeks. Even though this should happen, we'd still be of the opinion that those boys are giving us their very best.

We want to praise the commission for their present stand

on traffic violations. It is indeed high time that something is done to slow down traffic inside the city limits.

We've seen folks driving by our house entirely too fast. "I didn't intend to do it," has been the remorseful plea since the automobile was invented. Our question is: "Didn't you intend to drive so fast that you were unable to control your car?"

Speeding inside the city limits should be punished by a fine and a mandatory two hours in the jug. We say this in spite of the fact that we'd probably be

among the first to cool our heels in the cooler.

We've become as lax in our driving habits as the next fellow but if we spent 120 minutes in the pokey we might think next time.

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Anti-Dive Braking—Ball-Race Steering—Out-rigger Rear Springs—Body by Fisher—12-Volt Electrical System—Nine Engine-Drive Choices.

Every checkered flag signals a Chevrolet victory in official 1955 stock car competition—not only against its own field but against many American and foreign high-priced cars, too!

Let's translate these victories into your kind of driving. You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways. You've got to have better springing and suspension. For you: safer and happier motoring. You've got to have big, fast-acting brakes and easy, accurate steering. More things that make your driving safer! Come in and drive a Chevrolet yourself.

HART CAMP NEWS

By Yvonne Huff

Visiting in the E. P. Oliver home last week was his mother, Mrs. Oliver from Thalia.

Suzanne Martin visited in the H. V. Lynch home Sunday afternoon.

Yvonne Shaleford visited in the Homer Worley home Saturday and Sunday as a guest of Phyllis.

Mrs. H. R. Monroe underwent surgery Monday morning. She is in the hospital at Muleshoe.

Mr. and Mrs. E. P. Oliver, Kerwin, Debra, Mrs. Oliver and Yvonne Huff visited in the Raymond Oliver home at Hale Center Sunday.

Maize harvest is being delayed by the rain in our community. Since Saturday we have received better than five inches of rain. Sunday, Monday and Tuesday, some of the roads are practically impassable. The lakes are filling with water and will soon be filled if the rain continues.

Sammy Wheeler had a very unfortunate accident last Saturday afternoon when he broke his arm. He was at a neighbor's house, and was riding a donkey when he was thrown. He is out of school this week.

John Rushing has rented a farm near Dimmitt where he will farm the coming year. He has been in our community for about two years. We hope you like your new home.

New church officers for Baptist Church were recently elected. They include teachers and officers:

Superintendent, Dewey Parkey, assistant, Fae Moore; Training Union Director, Blanton Martin, assistant, D. R. Leonard; Sunday School Secretary, Sue Sullivan, assistant, Barbara Worley; Training Union Secretary, Phyllis Worley, assistant, Barbara Huff; Treasurer, L. W. Sullivan, assistant, E. P. Oliver; Pianist, Francis Presley, assistant, Mrs. Ivy Thompson; Song Leader, M. W. Wheeler, assistant, Sue Sullivan; and Church Clerk, Mrs. D. R. Leonard.

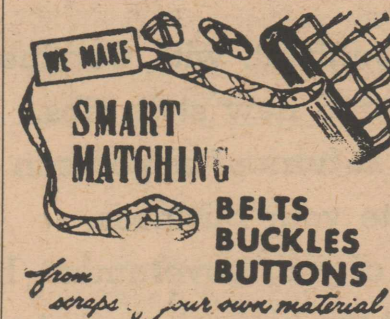

Sunday School teachers: Be-

giner No. 1, Mrs. Roy Osthus, assistant, Mrs. E. P. EASY PREY TO MINOR ILLS*

Nutritional experts reveal vitamin losses in cooked foods plus faulty diet may be seriously undermining your energy, strength, and resistance, making you food on edge—affecting your appetite—spoiling your sleep—because your body is vitamin and iron starved.

*These symptoms if due to a vitamin deficiency appear only when daily intake of vitamins B1, B2, and niacin is less than minimum daily requirements over a prolonged period. In themselves, they do not prove a dietary deficiency as they may have other causes or be due to functional conditions.

Now you can stop chronic Vitamin & Iron starvation TODAY... Feel like a new person!

Supplement your diet every day with just one High-Potency Bexel Capsule. Just one of these wonderfully strengthening capsules give you the full vitamin and iron content nature provided in the groups of the following foods before cooking:

1 quart of pasteurized milk	4 oz. of fresh orange juice
