The show will have five divisions. Division I will be educational and conservation; division II, horticulture; division III, arrangement classes; division IV, juniors; division V, visitors, "horticulture."

C. H. S. Scores 15½ Points in Track Meet Saturday

Six Crowell Boys To Enter Regional Meet in Dallas

Crowell High School scored 15½ points at the District track meet held at Quanah last Saturday to give them fifth place in that department. Ten schools participated: Olney, Quanah, Electra, Seymour, Burkburnett, Chillicothe, Archer City, Holliday, Iowa Park and Crowell. Seymour won first with 25 points.

These 15½ points helped to rank Crowell near the top for the all-round championship as they had already won first place in the one-act play and golf, and second place in girls' volley ball. This gave them a grand total of 60½ points toward the championship. Whether this was high for the district had not been learned at the time this paper was printed.

Ginger Johnson set a new district record in the 880-yard run with the low time of 2 minutes, 3.4 seconds. Crowell's other points in track came by virtue of Lee Roy Bice's second place in the high jump; Jim Paul Norman's tie for second place in the broad jump; Glyndon Johnson's third place in the 440-yard run; and Crowell's third place in the one-mile relay. This team was composed of Wayne Borchardt, Jimmy Everson, Ginger Johnson and Glyndon Johnson.

The following Crowell students have qualified to go to Dallas to the regional meet on April 24: Ginger Johnson, Jim Paul Norman, Lee Roy Bice, Glyndon Johnson, Jimmy Stinebaugh, and Joe Pruitt. The one-act play cast, composed of Marcia Kincaid, Mary Ermine Cooper, Oleta Lankford, Billy Johnson and Don Gobin, and managers V. A. Smith and Joe Don Brown, and electrician Don Kidd will participate in the area one-act play tournament at Wichita Falls April 16.

Revival Will Begin at Free Will Baptist Church Friday Night

A revival meeting will begin at the Free Will Baptist Church Friday night, April 17, at 8:00 o'clock and will continue through Sunday night, April 26, it was announced by officials of the church this week.

H. H. Haston of Chalk, pastor of the church, will do the preaching and a welcome is extended to everyone to attend these services, it was stated.

DOWN TOWN BIBLE CLASS

Dr. J. C. Davis of Rule was an out-of-town visitor at the Sunday morning meeting of the Down Town Bible Class. One new member was added to the roll. Thirty-five or more were in attendance.

The Bible Class is sponsored by the Methodist Church with the pastor, Rev. M. A. Walker, as teacher. It is non-denominational and every man in the community who does not attend Sunday School at any of the churches is cordially invited to join the class.

QUANAH FLOWER SHOW

Everyone is cordially invited to attend the sixth annual flower show of the Quanah Garden Club, "Rhapsody in Bloom," Thursday, April 23, from 2:30 until 9 o'clock at 404 Main Street in Quanah.

This will be in the form of a silver tea.

Leo Owens Dies in Quanah Hospital Friday, April 10

Funeral Services Held at Margaret Saturday Afternoon

Funeral services for T. L. (Leo) Owens Sr. were held in the Margaret Methodist Church Saturday afternoon at 3 o'clock conducted by the pastor, Rev. W. J. Knoy, who was assisted by Rev. G. C. Laney, pastor of the Margaret Baptist Church, and Rev. Bob Jameson, pastor of the Methodist Church at Roaring Springs.

Special music for the services was a duet by Mrs. Ab Dunn and Mrs. Bob Thomas, who sang "Beyond the Sunset." Mrs. W. F. Bradford was the piano accompanist.

Mr. Owens passed away in the Quanah hospital Friday, April 10, following a short serious illness. He had been in declining health for several years.

Pall bearers were Ray Hysinger, Ab Dunn, Ed Dunn, Roy M. Fox, Foster Davis and Curtis Ribble. List of flower bearers included Mrs. Ab Dunn, Mrs. Curtis Ribble, Mrs. John L. Hunter, Mrs. Bill Murphy, Mrs. I. L. Denton, Mrs. Goodloe Meason, Mrs. Bill Bond, Mrs. Bob Gobin and Mrs. W. F. Bradford.

Leo Owens was born Sept. 4, 1898, son of Mrs. R. T. Owens and her late husband, in the Margaret community. He was converted and joined the Methodist Church when he was 21 years of age.

Interment was in the Crowell Cemetery with Womack Funeral Service in charge of arrangements.

Mr. Owens is survived by his mother, Mrs. Valeria Owens, of Margaret; two sons, T. L. Owens Jr. of Lovington, N. M., and Bill Owens of Crowell; two daughters, Mrs. J. W. Sollis of Roaring Springs and Mrs. C. L. Johnson of San Diego, Calif.; six grandchildren, and four brothers, Jim and A. B. of Margaret, A. W. of Quanah and D. L. of Knox City.

Mrs. W. H. Smith Dies at Duncan, Ariz., March 19th

Mrs. W. H. Smith, former resident of Foard County and mother of Mrs. J. L. Gamble of Baytown, also a former resident here, passed away at the home of her son, John H. Smith, in Duncan, Ariz., March 19, 1953. Mrs. Smith was buried beside her husband in Safford, Ariz. Mr. Smith died in January, 1949.

Native of Stone County, Ark., Mrs. Smith was born June 26, 1876. When she was about 12 years old, she moved to Texas with her family who settled in Comanche County. She was married to Mr. Smith on August 17, 1896. To this couple seven daughters and three sons were born, all of whom survive with the exception of one son who died in infancy.

Mr. and Mrs. Smith lived in Foard County from 1911 to 1917. They moved from Texas to Arizona in 1930, residing first in Duncan and later in Morenci. In 1947, they moved to Safford, where Mrs. Smith had continued to live since the death of her husband. She had recently returned to Arizona after visiting relatives in Texas.

Mrs. Smith is survived by two sons, seven daughters, six brothers, four sisters, 16 grandchildren and five great grandchildren.

Funeral services were held in Calvary Baptist Church at Safford on March 21.

Knox City Disaster Area Extends Thanks for Generous Help

Knox City, April 6, 1953—Dear friends of Crowell, Truscott and Foard City:

The citizens of Knox City and surrounding area, want to thank all the good people in your area for the help you have so generously rendered during our recent tornado. For all your gifts of clothes, furniture, money and any other aid given, we thank you deeply.

Sincerely,
Knox City Disaster Area.

4-H Girls Have Fun Night Last Friday

Fifty Foard County 4-H girls met Friday night, April 10, in the Community House for an evening of playing and singing, according to Mrs. Mary D. Brown, acting County Home Demonstration Agent.

"All of the girls had such a good time that we are planning to make this a monthly affair," she adds.

Adult leaders present were Mrs. Moody Bursey and Gerald Knox.

TO SPEAK SUNDAY

Joe Burkett, layman of the Baptist Church, will speak at both the Sunday morning and night services of the First Baptist Church next Sunday, April 19. The church invites everyone to attend these services.

Tex Taylor to Work on Technical Aid Projects in Thailand

Leeowen "Tex" Taylor, nephew of Mrs. T. W. Cooper of Crowell, has been appointed construction equipment expert on the staff of the Mutual Security Agency's Special Technical and Economic Mission (STEM) to Thailand.

Due to arrive in Bangkok in mid-April, Taylor will train Thais in the operation of heavy equipment supplied to Thailand by MSA for development projects in such fields as irrigation and transportation. The equipment includes tractors, bulldozers and earth-movers.

Taylor's work illustrates the type of cooperative help provided in the Southeast Asia countries through the American technical assistance program. Designed to help the Asian nations build better living conditions for their peoples while building up their free world defenses against the threat of communist aggression, the program supplies technical skills and specialized equipment which the Asian governments need to carry out their own development programs in such fields as health, agriculture, industry, education and public administration.

Taylor has had nearly 20 years of experience in construction work both in this country and abroad.

His most recent overseas job—completed about a year ago—took him into the jungles of Ceylon, where he was equipment manager for the clearing out of 350,000 acres of land on the Indian Ocean island. Formerly an impenetrable jungle, the land is now a fertile agricultural area producing rice, sugar cane and some hemp. Taylor was on the job for a year, working for the Ceylon Government.

Born in Dallas County, Taylor moved to Lodi, Calif., in 1924. He was reared here in Foard County.

His first construction jobs were in the western United States, but in 1937 he went to Colombia, South America, on a road construction project for Standard Oil of New Jersey. During the war he helped build roads, runways and barracks at the big Army base in Trinidad, British West Indies, and work as a construction expert for the Army Corps of Engineers headquartered at San Juan, Puerto Rico. He has also spent nearly two years in the Philippines as a construction machinery expert.

Mr. and Mrs. Cooper received a post card from Mr. Taylor Tuesday stating that he was in Rome, en route to Thailand.

Mr. and Mrs. Bob Thomas have moved from McLean to their farm in the Margaret community.

Spider Mites Are Damaging Wheat

Spider mites are causing serious damage to wheat in Foard County. The damage is especially heavy in the Foard City and Good Creek areas of the county, according to Joe Burkett, County Agent.

Spider mites can be controlled with from 1 to 2 applications of 25 per cent Parathion Emulsion at the rate of 1 pint per acre, provided the temperature and the weather conditions are right, says Burkett. The temperature should be 75 degrees F. or above for best results.

If the first application does not give good control, or if the field is reinfested with this pest, a second application should be made in 5 to 8 days.

Plans Completed for Riders in Santa Rosa Parade April 27th

At a meeting held last week of the Santa Rosa parade committee, plans were perfected where riders of Crowell and Truscott communities will go in an organized group and will be subject to certain rules.

It was decided by the committee that costumes for the men would be Levis, white shirts, black four-in-hand ties and light hats. Costumes for women were not suggested. The committee will furnish a proper band with the word "Crowell" on it.

Trucks will leave Crowell at 9:30 a. m. from the Jack Seale barn with the horses of those who wish this service. The cost will be $1.00 per head round trip. All riders are requested to meet at the unloading place and go together to the barbecue for organized riders.

Jack Seale was appointed as parade marshal to place local riders in the parade. Chairman John Cogdell would like to have as many women riders as will go. Approximately thirty people have already indicated that they will be present to ride in the parade.

Everyone in Foard County and the Truscott community is invited to ride in the parade and enjoy the fun. Committee members are John Cogdell, chairman; Jack Seale, marshal; George Self, Leon Speer, Mrs. J. B. Fairchild, Walter Ramsey, Jack Hickman and Mr. and Mrs. Ab Dunn.

Qualify for State Contest

F. F. A. Poultry Judging Team Wins First Place in Field of 45 Entries in Contest at Stephenville Last Week End

Placing first over a field of 45 entries in the poultry judging division, and winning fifth in the livestock judging contests at the Area 4 contests held in Stephenville last week end, the Crowell High School F. F. A. judging teams under the direction of Marvin L. Myers, once again lived up to their reputation as being a consistent winner in the F. F. A. judging circles in this section of the state.

By virtue of their placing in the high 10 per cent in each division, the two local teams qualified for participation in the state F. F. A. judging contest to be held in College Station May 2.

The other team making the trip to Stephenville last Friday was the dairy judging team. This group failed, however, to place in the top ten teams in that category.

Boys representing C. H. S. in these contests included: Denton Werley, Ronnie Fox and Gaylon Whitley, poultry judging; Vance Barker, James Pittillo, and John Traweek, livestock judging; and Rudy Hinkle, Billy Ray Dunn and Benny Short, dairy judging.

Denton Werley of the poultry judging team had the second highest individual score in his respective division. Some 135 boys composed the number of individuals in this bracket. Schools rounding out the top five in the poultry contest were Lawn, Lockett, Abilene and Breckenridge.

Having two teams in the top ten in these contests, Crowell's judging teams stand a chance to capture the Tarleton Sweepstakes given annually to the teams placing highest in the three judging groups. The winner has not yet been announced.

The fine contest record posted by the local chapter in area contests is only exceeded by the 1948 teams who captured the Sweepstakes and gained further recognition for C. H. S. in state and national judging contests.

T. L. Hayes Buried Here Last Friday Afternoon, April 10

Long-Time Resident Dies in Elk City, Okla. on April 9

T. L. Hayes, 86, pioneer tinner and plumber and hotel operator of Crowell, was buried in the Crowell Cemetery beside the grave of his wife last Friday afternoon at 3 o'clock. Graveside services were conducted by Rev. M. A. Walker and Rev. Carl Hudson. Mrs. Hayes passed away in 1943. Mr. Hayes had lived in Elk City, Okla., with his son, Travis Hayes, and wife for the past 8 years.

Born July 6, 1866, the deceased had been in declining health for the past two or three years. He underwent an operation in November, 1952, and had been confined to the hospital until his death, April 9th.

Mr. Hayes was an active member of the Crowell Methodist Church for many years.

Survivors include the son and one granddaughter. The son and his wife, who is a sister of Bert Hanks of Crowell, accompanied the body to Crowell for interment.

Lower Pease River Soil Conservation District Wins $500

Grady Halbert of Foard City, and chairman of the Lower Pease River Soil Conservation District Board, reported this week that this district won a $500.00 award for outstanding Soil Conservation accomplishments during 1952. The awards program, sponsored by the Fort Worth Press each year, covers the entire state of Texas. This district was in competition with other soil conservation districts in 50 Panhandle counties.

The $500.00 check will be presented to W. C. Howard, vice chairman of the board, at a meeting May 22 at Memphis. Others to make the trip will be O. H. Brandon, Roy Ayers and O. T. Holmes, all supervisors of the district, and Bomer Harris of the Soil Conservation Service at Quanah.

George Scott and Jim Paul Norman to Play in Greenbelt Bowl

George Scott and Jim Paul Norman, students at Crowell High School, received invitations this week from George Stewart, of the Childress Quarterback Club, to participate in the fourth annual East-West Greenbelt Bowl football game to be played on August 14 in Childress.

Both of these boys ended their high school football careers last fall by leading Crowell's Wildcats to the state quarter-finals in the class A gridiron race.

In accepting this invitation to play for the East team in this game, which comprises the best high school football talent in the state, these two athletes will report to Childress on Aug. 9 for four days of workouts under the direction of Abe Martin, the East team's head mentor.

George is the son of Mr. and Mrs. Ruel Scott and Jim is the son of Mr. and Mrs. Haskell Norman, all of Crowell.

LIONS CLUB

The weekly luncheon of the Lions Club of Crowell was held in the class room Tuesday at noon.

The speaker for this meeting was Sheriff Ed Luttrell of Vernon. Morris Furgason attended this meeting as a new member.

DELEGATES TO FHA MEET

Carolyn Bursey, freshman; June Carroll, sophomore; and Patsy Mechell, freshman, won the highest number of points to make them eligible as delegates to the FHA state meeting in San Antonio April 30.

Each year delegates for the FHA state meeting are selected by a point system. The junior or Chapter degree, the semester grade, the rank received in dress judging, attendance at chapter meetings, and work in helping to make money for the trip are things included in making the selection.

Carolyn Bursey is high point winner this year with 409 points and June Carroll second with 301. Since June is unable to go, Patsy Mechell with 262 points was next in line.

Only two delegates from each school may attend. These girls, with Mrs. Kenner, will journey to San Antonio April 30 for a two-day meeting.

FRESHMAN GIRLS HONOR MOTHERS WITH TEA

Mexico was the theme for the tea given by the freshman girls Friday afternoon, April 10.

The girls' mothers were greeted at the door by two smiling senoritas. Then, stepping into the beautiful hacienda (the home economics room), they were impressed by the colorful serapes and other Mexican decorations.

Lemonade, nuts, mints, and a Mexican treat, bunvelos, were served. Everyone enjoyed the food.

Due to circumstances, the girls' Mexican program could not be given, but the mothers enjoyed the movie held in the school auditorium.

The chairmen of the girls' committees were as follows: decorations, Betty Ingle; food, Lucille Sparks; entertainment, Doris Cates.

LUBBOCK CHORAL GROUP PRESENTS PROGRAM

The Lubbock High School A Capella Choir presented a program at CHS assembly Tuesday at 9 in the auditorium.

The group consisted of 62 members, under the direction of Richard G. Richards. The choir presented a varied and interesting program.

The attractive group was composed of a good representation of boys as well as girls. Among the boys was Jimmy Welch, all-state fullback last year.

The Lubbock group appeared in Vernon Monday night and presented a program in Quanah Tuesday afternoon.

GINGER JOHNSON NEW JUNIOR ROTARIAN

Ginger Johnson, an outstanding Wildcat, has been chosen Junior Rotarian for the spring months by the Crowell Rotary Club.

According to several club members, Ginger was selected on the basis of exceptional leadership, citizenship and church activity.

Ginger has been a first stringer on the football team for the past two years. He was chosen senior favorite this year and has held numerous class offices. The friendly blue eyed senior plans to attend college after graduation.

Junior Rotarian awards are sponsored by the Rotary Club in order to call attention to the outstanding teen agers in Crowell and emphasize the fact that most teen agers are not "juvenile delinquents."

Ginger's feelings toward this honor are summed up by saying, "I appreciate and will try to live up to the honor bestowed on me."

FORMER STUDENT, MAURINE YOUREE, POPULAR AT STEPHENS

Maurine Youree, a graduate of CHS in 1952, is now attending Stephens College in Columbia, Mo. A freshman student there, she has been a member of two very active committees in her hall, secretary - treasurer of one organization and circulation manager of the campus newspaper. Aside from these activities she is making good grades in her courses.

In a recent communication from the college, the student advisor, Cameron King, told of Maurine's election to the presidency of South Hall for next year. She also has been appointed subscription manager of Stephens "Life" for 53-54.

Said Mr. King, "This is a testimonial not only of her popularity but also of the confidence and respect which is accorded her. Her election shows, of course, that the majority of her fellow students considered her the best qualified. This was an honor which I am sure Maurine well deserves."

FRESHMEN ENTERTAIN FUTURE FRESHMEN

The eighth grade girls got a taste of high school life Thursday afternoon when they were entertained by the freshman girls the fifth period in the home economics room.

Frosted Cokes, salted nuts, cookies and mints were served. A comical fortune was on each plate. Later the fortunes were read aloud with much glee.

After their fortunes had been read, the girls played a game called "Pinchy No Laughy" and quite a few faces were smeared with burnt cork.

The chairmen of the committees were as follows: decorations, Jeanine Pendergraft; food, Vida Jean Tarver; entertaiment, Gail Knox.

HORSES AND RODEOS FAVORITES WITH HALLMARK

Just about everyone knows Jimmy Hallmark, but in case you don't and you would like to know a really likeable guy, let us describe him to you.

James Larry, better known as Jimmy to almost everyone, is about five feet ten inches tall with blue eyes and brown hair.

He enjoys wearing western clothing such as a big black hat, levis, and boots. His favorite subject throughout his high school years has been vocational agriculture and his favorite movie entertainers are John Wayne and Jane Russell. In the sports field nothing can compare with rodeos to Jimmy who is looking forward to the Santa Rosa April 27-May 2.

His plans for the future are indefinite as of yet, but we suspect they will include ranching or farming.

ANTONE KAJS LIKES V. A. AND TYPING

Antone Kajs, a senior with a pleasing personality, has won several honors in FFA during his high school years. During his freshman year he was on the poultry judging team that won third in state, and his sophomore year he was president of FFA.

Some of Antone's favorites include football, typing, dancing, barbecue and hillbilly music. He enjoys reading "hair raising" mysteries and running around with his best friend, Donald Werley.

At present he works on his father's farm after school, but plans to attend college after graduation. His school is yet undecided, but he is considering Texas A&M, Oklahoma or Texas.

In last week's edition of the Wildcat, Mrs. Homer Johnson's name was mistakenly left off the list of junior class mothers who helped with the Junior - Senior Banquet.

HOMEMAKERS RECEIVE DEGREES

According to reports received from the homemaking department most of the girls have earned degrees or are working toward degrees.

With an ultimate goal to work toward, the Chapter Homemaker degree, each girl has been working for the preliminary, the Junior degree.

Some of the requirements a homemaker must fulfill for her Junior degree are: getting a better understanding of the FHA organization; growing as an individual, a member of a home, chapter, school, and community by choosing corresponding goals; and indicating the purposes of the National FHA organization to which the work done toward this degree has contributed and explaining how it has contributed. The Chapter degree contains all these items plus more advanced work.

The following girls have completed junior homemaking by receiving degrees: Carolyn Bursey, Francyne Coffey, Zonell Eddy, Barbara Fairchild, Clara Faske, Lavata Gray, Geraldine Hrabal, Betty Ingle, Gwynne Johnson, Barbara Luckie, Patsy Mechell, Donna Norris, Jeanine Pendergraft, Carol Beth Pogue, Kay Rasberry, Arleta Teague and Ann Wishon.

June Carroll is the only girl to receive a chapter degree this year.

These girls really deserve a big hand for such fine work.

STUDENTS ENTERTAINED

Bill Gnadt, one of the top five American born professional jugglers of the world, entertained students at an assembly here last Thursday.

Bill, who has gained the distinction of being the "jovial juggler," looked himself to be not more than a senior in high school; however, he executed his excellent show with wit and humor and with the ease and assurance of a seasoned trooper.

With each new act, he never failed to amaze. Some of the more outstanding features of his show were his juggling of eight rings at once, five clubs simultaneously, six plates and seven balls. With the use of each of the different articles five or six routines were demonstrated.

His breath taking feat of keeping in the air four knives and hatchets were as some have expressed it, "duck soup for him."

Probably the most impressive act was when Bill with all ease at his command kept a ring rotating around one leg, three spinning plates balanced at the ends of slender poles which he held in his teeth, and at the same time juggling four plates and three clubs. This in itself set a world record, but to keep his audience laughing by talking as best he could with the three supporting poles projecting from his mouth was another thing, indeed.

The gay, hilarious, unpredictable personality of Bill Gnadt made some students think of the famed comedian, Jerry Lewis, but his miraculous feats in juggling gave Bill Gnadt a special distinction in the minds of Crowell students.

Annual A&M Muster to Be Held in Vernon on Tuesday April 21

Former students of the A. & M. College of Texas and their wives who live in the Vernon, Chillicothe, Quanah, Goodlett, Crowell, Seymour, and Electra area, will gather in the banquet room of the Wilbarger Memorial Auditorium in Vernon at 7:30 p. m. Tuesday, April 21, to carry on a tradition that is 50 years old. They wil lattend the fiftieth anniversary muster of Texas A&M men.

The Northwest Texas A&M Club muster will be one of more than 400 similar ceremonies held all over the world where Texas A&M College's former students pay homage to their fellow Aggies who have passed on, and humble tribute to the Texans who won the freedom of the State at the Battle of San Jacinto near Houston some 117 years ago.

John W. Ayers of Chillicothe, chairman of the muster, urges all A&M men to attend this muster. The principal speaker will be D. W. Williams, Vice-Chancellor for Agriculture of the Texas A&M College System.

The April 21st muster is one of the greatest traditions to be found in American colleges and universities, and thousands of A&M men participate in the program of tribute and homage each year.

News from the Congress

by Congressman Frank Ikard

Washington, D. C., April 9, 1953—Recently Senator Lyndon Johnson had a luncheon in the Capitol honoring America's leading Jet Ace, Colonel Royal Baker of McKinney, Texas. Besides Senator Daniel and the whole Texas delegation in the House, Secretary of Navy R. B. Anderson, Mrs. Oveta Culp Hobby, Senator Stuart Symington of Missouri, Senator Richard Russell of Georgia, Chief of Staff of the Air Force General Vandenberg, Secretary of Air Harold E. Talbott attended.

I think everyone there was greatly impressed with Colonel Baker. He is a man that possesses one of the most outstanding records of any pilot, having flown over 399 combat missions in World War II and the Korean War, 127 of which were flown in Korea. We were told that he had asked that his tour of duty in Korea be extended because he felt that because of his experience there he could be of more service to his country if he remained in combat. The Colonel spoke to us briefly, and I was tremendously impressed with his modesty, his sincerity, and his great devotion to his country. Everyone present was visibly moved when he told us that in spite of his brilliant record of service and sacrifice, that he did not feel that he had done his share—in fact, that he did not think anybody knew what a man's share was when he was fighting for freedom and his country. As long as we Americans possess the intangible ingredient that produces men like Colonel Baker, no matter how dark the days may seem, we can face the future with a feeling of confidence and security. He is a man that every Texan and every American can justly be proud of.

The Russians continue to make peaceful overtures to the West. Like all of you, I hope and pray that they are sincere and that their motives are good; however, it is important that we evaluate carefully each of their proposals and remember that time and time again they have gone through this same procedure either for propaganda purposes or for the purpose of lulling us into a feeling of false security.

Texas Press Association

House and Senate wrestled this week with a new kind of appropriation bill—one that undertook to budget not only the state's general revenue fund, but also the all other sources such as federal aid and direct income such as highway taxes and college fees.

Last week a joint conference committee agreed on the total of expenditures for the next two years: $1,194,266,221. It was higher than the amount set by either House or Senate in their appropriation bills.

The general revenue figure was put at $166,569,347. Previous appropriation bills have dealt only with this fund.

Appropriations as set by the committee were estimated to be within the revenue that the state will receive during the coming biennium, thus it would call for no new taxation.

The bill provides $180 a year pay increase for state employees and up to $300 a year pay hikes for university and college teachers.

—tpa—

The House has backed up Representative Max C. Smith of San Marcos, chairman of the appropriations committee, in his statement that under House rules no other appropriation bill may be acted upon until the general appropriation measure is passed by both houses.

That rule stymied public school teachers, who have been pressing hard for action on a measure that would give them salary increases of $600 per year.

Charles Tennyson, secretary of Texas State Teachers Association, says that no smaller amount will be acceptable to the teachers. It is provided in a bill by Representative Lama Zivley of Temple.

The administration is supporting a measure by Representative Joe Kilgore of McAllen to up the teachers' salaries by $450 per year. In an attempt to woo the teachers, Kilgore changed the figure in his bill from $240.

A third bill by Representative Floyd Bradshaw of Weatherford would raise the salaries of beginning teachers by $600 per year, but the increases of older and more experienced teachers would be lower.

Twelve hundred teachers were in the gallery when the House appropriations committee held a hearing on the teacher pay bills.

At the hearing, R. L. Proffer of Denison, president of the teachers association, said, "If we don't do something constructive for the teachers in the immediate future, our whole education system is going to pot."

Kilgore warned the House that "it will require the biggest tax bill in the history of this Legislature if the school folks get a $600 per year general raise with state funds."

—tpa—

The Legislature, meanwhile, seemed little inclined to pass new tax bills.

Hearings continued on a proposal to raise $84 million a year by increased taxes on oil, gas, beer, and various natural resources, and by placing new taxes on chemical industries and presently untaxed resources.

Passage of this omnibus bill is considered very doubtful.

Other tax propositions are dead or dying. The House revenue and taxation committee killed a two per cent levy on merchandise sales.

A new tax bill on natural gas pipelines is comatose in the committee, with no hearing set. A one-cent increase in the gasoline tax is in the same condition.

—tpa—

Letting bills die in committee is the way the Legislature gets rid of most of them.

At every session, more bills are introduced than the members can possibly consider, much less debate and either pass or defeat.

Thus it was that a house committee gave an overdose of sleeping powders to a bill by Representative Maury Maverick of San Antonio to regulate lobbyists.

The bill would force members of the "third house" to register, tell whom they represent and how, and list their expenses.

The committee heard arguments for and against the bill, then sent it to a subcommittee, from whence it is not likely to emerge.

—tpa—

Texas Manufacturers Association entertained members of the Legislature during Texas Industrial Week at a dinner where the main speaker was Clarence Manion of South Bend, Ind., former dean of the Notre Dame law school.

Manion spoke of the "evil concentration of power in the executive branch of our federal govment." He urged that this power be broken up and returned to the states and to the local communities within the states.

Guarantee Your Harvest by CROP-HAIL INSURANCE

REASONS WHY YOU SHOULD BUY CROP-HAIL INSURANCE

An average of one in every seven policy holders report losses during a normal hail season.

A reliable Crop-Hail policy will protect the FARMER against this big hazard, which is the worst with whier he has to contend.

The Farmers' crop is his "STOCK IN STORE" and is at the mercy of the ELEMENTS: the only protection he can get is a CROP-HAIL POLICY.

You never heard of a FARMER going broke because he paid a crop-hail insurance premium, but many have met financial ruin because they did not buy Crop-Hail Insurance. You cannot prevent a HAIL STORM, but you can replace the damage caused through the medium of a CROP-HAIL INSURANCE POLICY in a sound reliable stock company. You owe it to YOURSELF, YOUR LOVED ONES, and your creditors if any, to protect your crop investment against loss from a HAIL-STORM.

DO YOU KNOW?

that crop-hail losses paid by STOCK INSURANCE COMPANIES during 1952 EXCEEDED TWENTY ONE MILLION DOLLARS.

THAT UNINSURED LOSSES FAR EXCEED THIS AMOUNT.

LOSSES ARE PAID IMMEDIATELY UPON RECEIPT OF PROPER PROOF OF LOSS.

THAT HAIL POLICIES ALSO INCLUDE PROTECTION AGAINST FIRE.

County Federation Finishes Year's Work

On April 1st the final meeting of the County Federation year was held at the Adelphian Club House with Mrs. L. A. Andrews as program leader.

Mrs. Merl Kincaid and Mrs. M. A. Walker had charge of the opening devotional, Mrs. Walker singing the "Holy City" accompanied at the piano by Mrs. Paul Shirley.

This meeting concluded the piece-meal study of the various communities of the county. Those who undertook to review the history of the different schools and early settlements found to their sorrow negligence in the past in preserving the early history.

By persistent and careful research they learned that there was a time when there were schools in every community, recalling, for instance, the earliest as Margaret, Thalia and Banister. Then there was Sand Rock, Black, Vivian, Hackberry, Good Creek, Cottonwood, Hanison, Gamble, Cates, Diantha, Beaver, Jameson and probably others.

No one seems to recall the names of the earliest teachers. Some teachers still living remember that no school lasted over six months and salaries ranged around $35 per month and room and board was $8 or $9 per month. The pupils as well as the teachers walked. In the early part of 1900, Good Creek school was taught in a half dugout.

At this meeting, Mrs. Grover Phillips brought a short history of Thalia. In the afternoon, Mrs. Fred Traweek told of the early schools of Foard City, it being a consolidation of Baker Flat, Beaver, et al. Mrs. Virgil Johnson reviewed the history of Beaver, which belonged to a later period.

The highlight of this meeting was the showing of films by Mr. and Mrs. Hubert Brown which they brought back from their European trip.

Those who have compiled this county history are asked to please leave it at the county library.

Mrs. Clyde Bowley will serve as president of the Federation for the next two years and Mrs. Darvin Bell will be secretary-treasurer.

Soil Conservation News of District

Lower Pease River Soil Conservation District, Lower Pease River District Board: W. C. Howard, Grady Halbert, O. T. Holmes, O. H. Brandon, H. L. Ayers.

Monday night, March 30, a large group of farmers interested in irrigation met at the school house in Goodlett, to hear Gene Buie, agriculture engineer, and Hershel Bell, agronomist, speak on irrigation problems. Both technicians are from the regional office of the Soil Conservation Service at Fort Worth, and were invited to the meeting by the district supervisor, W. C. Howard, of Quanah.

In his talk Buie pointed out that efficient irrigation on a small area of ground is more profitable than poorly planned irrigation on a large field. "In most cases level border irrigation is the best method of water application but row irrigation can be used," Buie stated. It was Buie's suggestion that all irrigation be done where the rows are level or do not fall more than three inches in one hundred feet.

Hershel Bell, the second speaker, discussed the need to select the crops that would pay the most to the individual farmer's type of operation. "Some farmers are set up to raise different crops such as cotton, feed, alfalfa, grasses or truck crops, but generally alfalfa and grasses will make a greater profit in the Goodlett area than wheat, feed or cotton because there is less expense in the production and harvesting of such crops," Bell stated.

THE WILDCAT

(Continued from Page 2)

spent simply for government expenses. Small towns will replace large metropolises, and all states will be turned into counties with male and female secretaries alternating in different countries.

Although this may seem rather fantastic, it has been well planned, and as one person put it, "Mr. Lycurgus Sylvester King Smith is really 'nobody's fool.' "

CROWELL GOLF TEAM WINS

The Crowell High School Golf Team composed of Jim Stinebaugh, Ginger Johnson, Jim Norman and Joe Pruitt, journeyed to Electra where the Electra Tigers played host for an 18 hole match.

The Wildcats had one disadvantage by not knowing the Electra golf course which had many more creeks than they were accustomed to. With this handicap they didn't seem to have too much trouble at any time.

Gary Sheen, Electra's No. 1 man, and Jim Stinebaugh battled it out all afternoon for medalist's honors, while Ginger Johnson was trailing close behind. At the end of the first nine Sheen was leading Stinebaugh by one stroke, with Johnson behind only one stroke. On the tenth hole Sheen holed out a short chip for a birdie to take one more stroke from Stinebaugh. Stinebaugh took the stroke back on the eleventh with a par. Grabbing three strokes when Sheen got into trouble on the twelfth hole, a long par five, Stinebaugh went one up. The two stayed this way until the 16th hole where Stinebaugh had a penalty stroke and lost his lead to Sheen by one stroke with Sheen keeping the lead and then gaining one more stroke on the 18th.

Sheen had two 40's which gave him medalist's honors with an 80. Stinebaugh finished with an 82, Johnson came in third with an 87, while Norman trailed behind with an 89, and Joe Pruitt coming in with a 98, making the Wildcats total score of 352 to the Tigers' 368.

Both of these teams will be competing in the regional tournament at the Tennyson course in Dallas April 24.

VOLLEYBALL GIRLS WIN 2ND

We are proud of Glen (Tiny) Taylor and his volley ball girls who won second place in the district meet at Iowa Park on Saturday, April 4. Crowell defeated Holliday and Olney to reach the finals with Iowa Park. The following eight teams participated in the tournament: Burkburnett, Chillicothe, Iowa Park, Holliday, Seymour, Olney, Quanah and Crowell.

The thirteen girls who represented Crowell in this meet were Billye Bell, Billye McCoy, Frances Kincaid, Sue Meason, Jackie Rasberry, Lena Faye White, Dorothy Gamble, Leta Mae Scott, Charlene Borchardt, Gail Knox, Zonell Eddy, Mary Lynn Hough, and Clara Faske.

OWL'S HOOT

Guess what? There are only 19 more days of actual school until we are out for the summer. I know this thought breaks everyone's heart; so we shall not indulge in any more such horrible dreams.

Squint, we hear you were stepping out with a good looking queen Sunday night. Is it true?

What was Lindel McBeath saying Friday night, something about Pat Davis?

Looks like the Graves-Hall romance is getting to be a combo.

Kenneth Oliver, was Glyndon looking for you Monday or was it Donald?

Why was everybody laughing at you Monday, Mrs. Sloan?

Did Norman Shultz have a good time Saturday night?

Question of the week — What does David Jackson's nickname C. T. mean?

George Ann Davis looks like Venus now that she has met Cleve.

Gail, did Tilly get back early enough Saturday night?

Boy. Was that a good party Thursday night. If anyone wants to know, just ask Rudy.

Who is the lucky guy that Patsy Mechell and Gloria Smithwick have stars in their eyes for? None other than L. C.

Billye, where were you and Gordon Saturday night?

How is Gaylon Whitley doing at Tarver field? What about Paducah, Gaylon?

Betty Sue seems to have a new love affair. Who is it this time?

Couples seen at the down town theatre Sunday night were Sue, Gerry; Zody, Wayne; Grin, Fran; CloVonne, Doyle; Cia, Ginge.

Ask Sue, Zody and Dorothy what happened at Long's tank Friday. Was the water very cold, girls?

George and Oleta are still going strong.

Ginger, Marcia, Abbo and Carolyn were seen riding around Sunday evening.

Having a good time in church were David Jackson and Jonny Dee. Could this spark burst into flame again?

Looks like Joe Don likes to have flats.

Seems like the explorers had enough fun Sunday afternoon to have a weiner roast Sunday evening. The group includes James and Gwynne, Jean and Satch, Joan and A. L. and Holly.

Bud, why were you mad Sunday? Was it because Cates wasn't at home?

We're sorry that Bobby Lax left Saturday, Wanda, but he'll be back before you know it.

Vance Barker and Martha seem to be getting along fine now that Vance' friend went home.

Jean, Jim was a good boy Sunday night. If you don't believe this, just ask Kenneth.

George, where were you Sunday night? There was someone looking for you.

Ace, I thought you were going to eat half of that hamburger. Wouldn't Jim let you have any.

It seems as if V. A. Smith likes to manage transportation on dramatic trips and Don Gobin is his certain male victim.

Jackie, did you get angry Monday morning? I don't know why you should have. Ha! Ha!

Don Brown looks like a good victim for a single girl. Why don't you girls get busy?

We wish the play cast all the luck we have when they leave for Wichita Falls for the regional play-offs.

Well, the time is running short for the old owl this week so until we see you all next week, so long.

Remember locker 77 is the place to throw all trash. Scandal.

VIVIAN H. D. CLUB

"Learn how to put pattern on material and use a comfortable table to cut out a garment," stated Mrs. Ray Brown, acting County H. D. Agent, to the Vivian Club which met in the home of Mrs. Arthur Sandlin on Thursday, April 9th.

Use shears instead of scissors as it is easier to cut and does a nicer job, continued Mrs. Brown. She also said, "Two points to remember are to stitch from wide point to low and from high point to low, also start at the bottom of the skirt and stitch up as it will be with the grain of the material."

Roll call was answered with a joke by nine members and five visitors. The president, Mrs. C. A. Bowley, gave a report of the County Federation and Miss Neoma Fish was elected vice president of the club to federation.

Visitors present were Mrs. F. C. Haught of Shallowater, Mrs. W. R. Henderson and daughters of Vernon, Mrs. J. M. Marr and Mrs. Ray Brown of Crowell and Mrs. Hartley Easley. Members present were Mrs. T. W. Cooper, Mrs. C. A. Bowley, Mrs. Allen Fish, Mrs. Dee Gilbert, Mrs. Leslie McAdams, Misses Myrtle and Neoma Fish, Mrs. W. O. Fish and the hostess, Mrs. Sandlin.

Club adjourned to meet with Mrs. J. C. Gauldin of Goodlett on April 23 in an all-day meeting.

Miss Doris Jean Rummel and Leroy Hobratschk United in Marriage at Vernon Church Last Sunday Night

Miss Doris Rummel became the bride of Leroy Hobratschk in a ceremony performed on Sunday evening, April 12, in the St. Paul's Lutheran Church in Vernon with Rev. J. A. Birnbaum officiating with the double ring service.

The bride is the daughter of Mr. and Mrs. August Rummel of Crowell and the groom is the son of Mr. and Mrs. Alvin Hobratschk of Vernon. The bride, given in marriage by her father, was attired in a white satin gown with fitted bodice and full skirt which extended into a chapel length train. The bodice featured a yoke of imported French lace. Her finger-tip veil of nylon net was attached to a halo of satin and lace and covered with seed pearls. She carried a bouquet of white shattered carnations with satin streamers. The bridal gown and veil were designed and made by her aunt, Mrs. Hugo Rummel.

Miss Jeanette Hingst, organist, played the Wedding March and also played "Liebestraum" during the ceremony and accompanied Mrs. Clarence Hildebrandt as she sang "Because."

Mrs. James Bice of Dumas was her sister's matron of honor and wore a gown of beige net and a corsage of red carnations. The maid of honor, Miss Agnes Riethmayer, wore a light blue dress and her corsage was of white carnations.

Bridesmaids were Miss LaVoy Rummel, sister of the bride; Miss Mary Ann Schoppa, cousin of the bride, and Miss Velma Jean Lingnan, cousin of the groom. They wore, respectively, a light blue dress and a corsage of red carnations, a white net dress and a corsage of red carnations, and green net with a corsage of white carnations.

Candle lighters were cousins of the bride, David Rummel and Carolyn Rummel. The latter wore an orchid dress with a corsage of white carnations. Flower girls were Phillis Kay Rummel, cousin of the bride; and Loretta Noack, cousin of the groom, both of whom wore light green.

The carpet roller was a cousin of the groom, Alvin Lee Lingnan. The ring bearer, carrying the rings on a satin pillow, was Ronnie Rummel, cousin of the bride.

The groom chose as best man, his brother, Melvin Hobratschk. Other masculine attendants were Rodger Zoch, cousin of the bride, Arthur Noack, cousin of the groom, and David Wisemann.

The bride wore the traditional six-pense in her shoe, for something old she wore a gold wedding band which had belonged to her late grandmother, Mrs. Mary Schoppa, a blue garter a gift of her cousin, Mrs. Eldon Clark of Fort Ord, Calif.; for something borrowed, pearls and rhinestones bracelet from Miss Rosie Koenig.

Ushers were Mrs. Hugo Rummel, Mrs. Wayne Thomas, Miss Lillian Zoch and Miss Eunice Lingnan.

The bride's mother was dressed in a light blue linen dress with lace yoke, navy accessories and white carnations. The mother of the groom wore a light blue nylon dress with which she wore black accessories and white carnations.

A reception was held in the church parlor following the wedding ceremony. About 300 guests were in attendance.

Mrs. Hobratschk graduated from Crowell High School in 1948 and for the past three years has been employed at the Vernon Mfg. Co. Mr. Hobratschk is a 1947 graduate of Vernon High School. He served two years in the armed forces, 17 months of which were in Germany.

The couple will make their home in the Hinds community north of Vernon where the groom is engaged in farming.

Post-Nuptial Shower for Mrs. Norman Crisp Given Recently

The beautiful country home of Mr. and Mrs. Sam Kuehn in the Riverside community was the scene of a delightful courtesy to Mrs. Norman Crisp in the form of a reception and shower recently.

Mrs. John S. Ray greeted the guests at the door and presented them to Mrs. Kuehn, who presented them to the receiving line which was composed of the bride, her mother, Mrs. Ben Hopkins; the groom's mother, Mrs. Clyde Crisp; his grandmother, Mrs. Bullman, both of Northside, and the groom's sister, Mrs. Beverly Gray of Thalia.

The guests were registered by Miss Lydia Streit of Wichita Falls. Punch and cake were served from a beautifully decorated table by Mrs. Vernon Morton and Misses Nadine Farrar, Jessie Bill Wiseman and Doris Cox.

Mrs. F. A. Streit, Mrs. Alton Farrar, Mrs. Oliver Holland, Mrs. Tom Locke, Mrs. Roscoe Wiseman, Mrs. Roy Martin and Mrs. John Wright displayed the gifts.

Sharing hostess duties with Mrs. Kuehn were Mesdames L. F. Ward, F. A. Streit, Oliver Holland, Alton Farrar, Tom Locke, Leon Taylor, John Wright, Roy Martin, J. T. Leverett, John S. Ray, Roscoe Wiseman and Wallis Newcomb.

Home Demonstration Notes

MRS. MARY D. BROWN

May 3-9 will be National Home Demonstration Week. Texas will use the theme of the Texas Home Demonstration Association, "Home — The Cornerstone of Freedom." I have written each of the clubs concerning this and I hope each one will plan to have something to observe this week.

Council will meet this Saturday, April 18, at 2:30 p. m. in my office. At that time we will discuss plans for some kind of county observance of National Home Demonstration Week.

Soon it will be time to can or freeze our vegetables and fruits. Remember, that I have bulletins in my office on both canning and freezing and I will be glad to send them to anyone who is interested.

Since strawberries are coming into season, our recipe this week is for strawberry ice cream.

Strawberry Ice Cream

3 cups thin cream, 1 quart berries, 4 egg whites (if desired) beaten stiff, 1 cup sugar, one-eighth teaspoon salt.

Wash and hull berries, chop, sprinkle with sugar, cover, and let stand 2 hours in warm place. Mash and strain. Add salt. Freeze cream and egg whites, if used, to mush, add fruit juice gradually, and finish freezing.

RIVERSIDE H. D. CLUB

"Be sure you are cutting on the straight of your material when cutting out a garment," emphasized Mrs. Mary D. Brown, Acting County Home Demonstration Agent, at the Riverside Home Demonstration Club meeting in the home of Mrs. Lewis Kieschnick on Tuesday afternoon, April 7.

Mrs. Brown showed the ladies how to prepare and place material on cutting table and advised them that it is always best to follow the cutting guide of their chosen pattern.

Mrs. John S. Ray gave the council report and reported on the repair work that has been done on the rest room in the court house.

The club will meet with Mrs. Ben Hopkins Tuesday, April 21, at 2 o'clock.

Mrs. Kieschnick sent ments to Mrs. A. D. Mrs. Lorene Foerste and to members, Mes Adkins, Roy Ayers, ers, Ben Hopkins, Grover Moore, R. E. A. Mussetter, John S Ward, George Wesl Zuhn.
