United Fund Drive Now In Progress

Volunteer workers for the United Fund are calling on local residents and business establishments and accepting contributions for the 1969 campaign.

By contributing to this once-a-year fund raising drive, the people of this area have the opportunity to aid 14 agencies and eliminate the need for multiple campaigns for funds.

Leaders of the drive point out that if everyone gives his fair share, the goal of \$10,425 will be reached.

The agencies that will benefit from the United Fund are American Red Cross, Aransas County Emergency Corps, Aransas County Youth Council, Aransas County Youth Recreation Sponsors, Boy Scouts of America, Coastal Bend Association for Mental Health, Coastal Bend Council on Alcoholism, Family Counseling Service.

Also Girl Scouts, Gonzales Warm Springs Foundation, Rockport Youth Recreation Association, Inc., Salvation Army, Texas United Community Services and United Service Organization (USO).

EIGHTH GRADE ENDS SEASON

The Rockport-Fulton Junior High eighth grade football team ended their season play Nov. 6 with a 30-14 win over Calallen. This win left the "Bucs" with four wins and four losses for the season.

Royce Court, Vidal Herrera and Ricky Gillit scored touchdowns in the Calallen game while Mike Rouquette, Mike Morgan, and Gillit scored the extra points.

Outstanding defensive efforts were given by Rickey McLester, Danny Cox, Peden Rogers, Rusty Morrison, Bib Gillis, Mike Rouquette, Robert Mundine, Richard Chupe, George Green, Royce Court, Gerry Kleypas, and Gerald Roberts.

Other members of the Buccaneers are: Delo Caspari, Billy Holt, Floyd Clark, Mike Maurer, Tony Picarazzi, Nelson Thompson, Michael Eaton, Danny Flores, Tommy Stroot, Gasper Covarrubias, Alan Barre, Melvin Morgan and Ivan Olenick.

Veterans News

An income questionnaire was enclosed with the October pension check received by either the veteran, widow and/or dependent parent on or about Nov. 1.

Jimmy Hunt, county veteran's officer, said these cards will be sent only to those receiving pension and not to those receiving service-connected disability compensation.

He emphasized that great care should be taken not to misplace these cards but to bring them to his office at 933 S. Water immediately for help in completing them.

If these cards are not submitted by Jan. 15, 1970, the checks will be discontinued and not restored until the card has been received. It could possibly take as long as 60 days to have the checks restored.

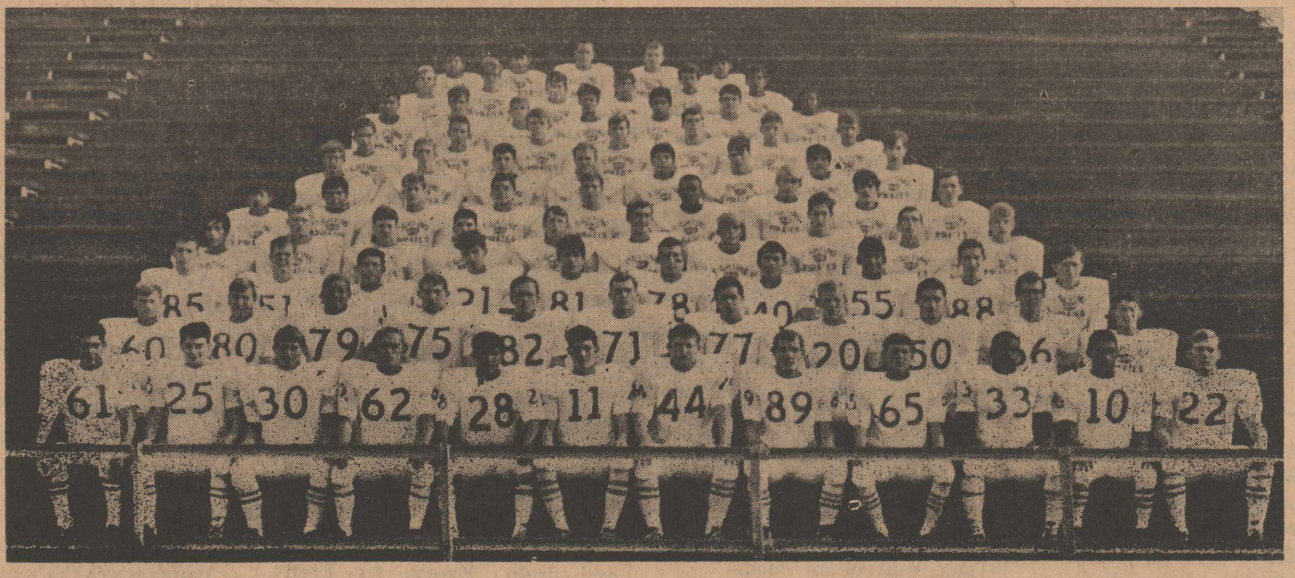

Thefts Reported

Chief of Police Everett D. Taylor reported two thefts and two break-ins. A wrist watch was taken from Mitchell's Jewelry Store and a television set from Idylwild Motel. The break-ins took place at Jo-Ann Courts and Dr. L. G. Wood's office.

DQG TAGS

City officials announce that 1970 license tags for dogs will go on sale at the City Hall about the first of the year. In order to get tags, owners must present certificates showing that their dogs have been vaccinated.

Comprehensive Plan For Water, Sewers

The following recommendations regarding water and sewer service are contained in the long range, comprehensive plan for Rockport prepared by Harland Bartholomew and Associates and local advisory committees:

The availability and distribution of potable water has been a critical element in the growth and development of cities. Recent technological advances have enabled cities to benefit from expanded knowledge of the role of aid and water pollution in the spread of disease. This knowledge has accentuated the increasing importance of acquiring potable water and the sanitary disposal of wastes. Utilities and services of this nature are essential to the public health and welfare. They have long been accepted as a part of the day-to-day responsibilities of local government.

Seventh Graders Win Dist. Title

The Rockport-Fulton 7th grade Buccaneers won the district title last Thursday night by beating Calallen 7th grade 22-0. This ended one of the most successful seasons the 7th grade has ever had, winning 6 games and losing only to Gregory-Portland.

In district play the Bucs scored a total of 106 points and did not allow the opposition to ever cross the goal line. Standouts on the offensive backfield were Joe Green, who scored 9 T.D.'s, Denzel Bardwell, 4 T.D.'s, J. D. Aleman, 2 T.D.'s, and Sammy Martinez, 1 T.D. On the defensive line were John Brashear, Terry Freeborn, Arturo Garcia, David Mundine, Gene Carter, Alan Passmore, Eric Johnson, and Bill Miller.

Holding up the defense that did not allow a single point to be scored in district were Denzel Bardwell, David Mundine, Marcus Carleton, Lynn Goff, Bill Miller, Glafiro Solis, and Robert Crabb.

Aransas County commissioners have set Friday morning, Nov. 14 for a public hearing at the courthouse in connection with the proposed new precinct boundary lines.

County surveyor Tommy Griffith has prepared new boundary lines for the county's four precincts to distribute the population equally in accordance with rulings by the U.S. and Texas Supreme Courts. The public will have an opportunity to see a map showing the new boundary lines.

It is expected that the Commissioners Court will accept the new boundary lines at the conclusion of the public hearing.

In recent actions, the commissioners have:

- Authorized having the county enter into an agreement with the city of Rockport for reworking and seal coating (by the county) certain streets inside the city limits. The contract calls for written request by city officials for a consideration of \$100 per mile for seal coating and \$175 per day for use of county equipment in reworking streets, with the city furnishing all materials and labor (the city's) road crew to assist.
- The county received \$30,986.29 from Aransas National Wildlife Refuge representing the county's share of pay.

County October Financial Report

County auditor Bob Mosier's financial report for Aransas County for October revealed the following:

Cash balance, Oct. 1, \$141,757.37; receipts, \$101,641.09; total funds available, \$243,398.46; disbursements, \$129,335.39; cash balance, Oct. 31, \$114,063.07; time deposits, \$336,200; fund balance Oct. 31, \$450,363.07; bond and warrant indebtedness, \$48,000; and securities owned, \$48,000.

PUBLIC HEARING

A joint public hearing will be held at the City Hall at 7 p.m., Monday, Dec. 8 by the Planning and Zoning Commission and the City Hall in connection with a request for a permit from Kenneth Leith for an expansion project at the Key Allegro Marina.

Dear Merchant:

As you know, the Rockport-Fulton High School Fighting Pirates have captured the title of 28-AA District champs. We feel that with your support and enthusiasm we can go all the way to State!

We will be playing the Yoakum Bulldogs next week for the bi-district championship.

We ask for your strong support in order for our team to capture the bi-district title, also.

We would, therefore, like to ask you to please support your team by placing signs in your store windows.

Sincerely yours,
DAN T. OLIVER
Head Cheerleader,
R.F.H.S. Cheerleaders

May Charter Bus for Bi-District Game

If enough local fans are interested, the Chamber of Commerce will attempt to charter a bus or buses to transport people to the Bi-District Championship game between the Rockport-Fulton Pirates and the Yoakum Bulldogs at Memorial Stadium in Victoria.

The game will be played either Friday night, Nov. 21 or Saturday night, Nov. 22.

Continental Trailways of Corpus Christi has five buses available for charter on Nov. 12. It was determined that if a minimum of 32 passengers make the round trip to Victoria, the total cost will be only \$3 per person.

All persons interested in making the trip by bus are asked to go to the Chamber of Commerce office this (Thursday) afternoon, Friday, Saturday morning or Monday, Nov. 17 and pay \$3.

The deadline for signing up and paying \$3 is 5 p.m., Monday, to give the Chamber sufficient time to charter a bus.

Next Thursday's Pilot will publish details about this project, stating whether or not there was enough interest to warrant chartering a bus; time of departure, etc.

Miss Sheri Sanders Homecoming Queen

Miss Sheri Sanders, daughter of Mr. and Mrs. Jack Sanders, was elected homecoming queen for 1969 during the pre-game ceremony on Friday evening at Pirate Stadium. Sheri was given a bouquet of red roses and a crown placed on her head by Bobby Jackson, president of the Rockport-Fulton High School Student Council. Sheri represented the Curtain Club (Continued on Page 8)

Boy Scout Camporee Set

One of the major activities of the year for the Boy Scouts in the Mustang District will be held Saturday and Sunday, Nov. 22 and 23 at Camp Copano near Rockport. The two day campout is the annual Mustang District Camporee and is expected to attract over 200 Boy Scout leaders from the six towns in the districts.

The camporee will be under the leadership of Dr. H. F. Elliot, Rockport, camping chairman of the district, Wayne Meyer, Sinton, chief of the Copane Chapter of the Order of the Arrow, and Glenn Lewis, Portland, district executive.

The camporee is a program based on the basic scouting skills including first aid, compass, mapping, Morse code, knot tying, fishing, fire building, and axmanship. Troops will arrive early Saturday morning and break camp around noon Sunday.

Other features of the program include a campfire Saturday evening and religious services Sunday morning. All scouts who attend the camporee will be eligible to purchase and wear the Camporee patch on their uniform. This event is one of many activities conducted by the Gulf Coastal Council to enrich the program of the units in the various districts of the council.

Defensive Drivers Course Scheduled

Lee Roy Young, of Rockport, a veteran of World War II, a member of VFW Post No. 3904 and an associate of the Humble Oil Co., will attend a defensive drivers instruction course in Houston Dec. 13 and 14.

The course is sponsored by the VFW Dept. of Texas and the National Organization. It is primarily given to those individuals who upon completion of the course will teach courses in defensive driving.

Young will represent the local VFW post and plans will be announced later of the schedule of his teaching this course as a local civic project.

Governor Preston Smith sent a letter to the local post praising the membership for endorsing this most worthwhile program.

NOTICE

There will be a turkey dinner Saturday, Nov. 15 at the Greater First Baptist Church 213 Gagon St., rain or shine. Plates will be \$1.50 and will start serving at 11:30 a.m.

BAKE SALE

The Sacred Heart Altar Society will hold a bake sale at the H.E.B. Food store Nov. 26 from 8 a.m. to noon. All members and ladies of the church please bring food.

Veterans Day At High School

Veterans Day was observed in the Rockport-Fulton High School by having the choir present a musical program for the students.

Miss Kam Heinsohn, daughter of Mr. and Mrs. Fred Heinsohn, led the student body in the Pledge of Allegiance to the Flag, a reading and explanation of the meaning of Veterans Day, followed by a moment of silence.

Craig Ashley and Carlos Lopez played taps to conclude the program.

Bi-District Tickets Go on Sale Friday

Tickets for the all-important Bi-District game between the Pirates of Rockport and the Bulldogs of Yoakum will go on sale Friday of this week. The exact date of the contest has not been determined, but the game will either be Friday or Saturday of next week (Nov. 21 or 22.) The game will be played at Memorial Stadium in Victoria. The stadium is located on Highway 59.

Tickets will be available at the gates of Pirate Stadium Friday night at the Junior High and Junior Varsity games against Yoakum.

The following week, as a Public Service, the Rockport Chamber of Commerce will handle the tickets. Monday and Tuesday the tickets will be sold from 8 a.m. to 6 p.m.; on Wednesday and Thursday from 8 to 3; and on Friday from 8 to 3 when all advanced sales will end.

Time and effort can be saved by purchasing your tickets early. The prices of admission are \$1 for students and \$2 for adults if bought in advance, or all tickets will be \$2 at the gate. There are no reserve seats and seating will be on a first-come first-serve basis. Rockport fans will sit on the south side of the stadium.

Watch The Pilot for further notice.

Miss Setterbo Named D.A.R. 'Good Citizen'

Miss Donita Rita Setterbo, daughter of Mr. and Mrs. Elbert Setterbo, was selected as the D.A.R. Good Citizen girl of the graduating class of 1970.

In the selection for this honor the senior class elects three senior girls who possess, to an outstanding degree, the four qualities of dependability, service, leadership, and patriotism. From these three girls, the faculty selects one to be the DAR Good Citizen.

Miss Jane Irmanda Rogers, daughter of Mr. and Mrs. Thomas M. Rogers, and Miss Elodia Vargas, daughter of Mr. and Mrs. Abel P. Vargas, were the other two candidates elected by the senior class.

Judge Wendell To Be on TV Nov. 15

County Judge John D. Wendell will be interviewed on a television program to be presented on KRIS-TV (Channel 6) at 12:15 p.m. Saturday, Nov. 15. Judge Wendell will be the guest of John Simer, public relations officer for the Coastal Bend Regional Planning Commission, who will query the judge about the Rockport area's advantages as a place to live and as an ideal vacationland.

Church of God Plans Revival

The Rockport Church of God on Hwy. 35, will hold a revival Dec. 7 through Dec. 14. The Rev. George Burns, vice president of Bay Ridge Christian College, Kendleton, Texas, and pastor of the Church in New Orleans, La., will preach.

Services will be held each evening at 7 p.m. and the Sunday morning worship will be at 11 a.m.

The public is invited.

U. S. Fish Consumption Up 19 Per Cent

Austin — Consumption of edible fish products has increased 19 per cent in the United States since the 1950's, according to Dr. Leslie L. Glasgow, assistant secretary of the Interior for Fish and Wildlife, Parks and Marine Resources.

Shrimp consumption has risen 78 per cent during the period, he said. Consumption of canned tuna has risen 75 per cent, while fish sticks and portions has risen 193 per cent. Partially offsetting these large increases, canned salmon has declined 25 per cent and canned sardines 23 per cent.

The increasing demand for seafood products is highly pertinent to the State's economy since Texas is the leading shrimp producing State in the nation, according to Terry Leary, coastal fisheries coordinator for the Texas Parks and Wildlife Department.

Texas has averaged more than 80 million pounds of shrimp over the past four years with fluctuations in production due to natural conditions, he said. Value to the fishermen has ranged from \$31 million in 1965 to \$70 million in 1967.

Dr. Glasgow said the increasing demands for edible fish and shellfish is further proof that the United States is the world's leading market

for fishery products. He also pointed out that the United States imports about 58 per cent of its edible fishery products and about 75 per cent of the overall supply, which includes fish for industrial use such as fish meal.

"We in the Department of the Interior are determined to make every effort to help our fishing industry solve the problems which plague it and to improve its competitive position in the world market," Dr. Glasgow said.

Presbyterian Circle No. Three Meets

Circle 3, Women of the Presbyterian Church, met in the home of Mrs. I. E. McLester in Fulton Monday evening. There were 15 members present.

The meeting was opened by prayer led by Mrs. Fred Cloberdants, followed by the business meeting, presided over by Mrs. Alex Scott chairman.

Circle members will participate in several projects during the forthcoming Christmas season. Mrs. H. H. Dick will be hostess at her home for the December circle meeting, Sunday evening, Dec. 7.

Other dates on the December calendar include the annual WOC Christmas party, scheduled for the evening of Dec. 11, and a morning coffee at the church Wednesday, Dec. 17, in observance of the Joy Gift program. Calling hours will be between 9:30 and 11:30 a.m. at which time an offering for retired ministers and their wives or widows will be received.

Mrs. Robert Harrel read a prayer by Senora Juana R. De Gomez of Mexico City as the Last Coin offering was received. The Bible lesson from II Corinthians was moderated by Mrs. Cecil H. Lang, Jr.

The hostess served pumpkin pie, coffee and hot tea during a social hour.

Cub Scout News Den 32, Pack 49

The den meeting began with the saying of the promise and a sing-along. Then we talked about our theme for the month, Folk Lore. Our leader read the story of Paul Bunyan. Our project was making turkeys out of pine cones. Refreshments were served by Lawrence Miculka. The meeting closed with the living circle and the law of the pack.

Senior Party

Last Friday evening after the Homecoming game, a Senior party was held at the home of Mr. and Mrs. James Cruser. Guests of honor were the members of the senior class of 1970.

Guests enjoyed music, refreshments and some Swedish folk songs performed by Par Bratt. Chaperones for the party were Mrs. Cruser, Mrs. Ed Setterbo, and Mrs. Wanda Sparks.

Eddie Everitt will celebrate his 12th birthday Saturday, Nov. 15.

RESOLUTION OF RESPECT

Whereas, it has been the will of our Heavenly Father to call from his earthly abode to his eternal reward our friend and co-worker, Gayle E. Williams, and

Whereas, in his passing from our midst, our hearts are saddened by the severing of these ties of friendship, and,

Whereas, having served his country with distinction, we join with the nation in according honor to his memory,

Therefore, be it resolved: that the Rockport-Fulton High School Alumni Association express to his widow, father, mother, sister and other relatives, our sincere sympathy in their hour of bereavement;

Be it further resolved: that a copy of this resolution be sent to the family, a copy furnished to the Rockport Pilot for publication and another spread upon the minutes of our organization.

VFW Reports Accomplishments

VFW Post 3904 continues to move ahead at a fast pace. At their meeting on Veterans Day the following actions took place:

Jimmy Hunt and Herman Johnson were congratulated for successfully raising funds to complete the final payment for the installation of the 15-ton air conditioner.

Ed Godde was complimented as chairman for the membership for the splendid results in signing members for 1970. The post has now reached 70 per cent of membership being paid up.

Bill Gray reported an excellent response within the High School for the Voice of Democracy Program. Students are reminded that one of the awards at local level will be a \$100 Government Bond.

Lee Roy Young is sponsor for the Defensive Driving Course in Houston.

The Post held its first pay call. The payroll was \$20. The following failed to answer when their names were called and missed being paid: Jimmy Kautz, William Edward Johnson and Gayle C. Brown. The payroll for December will be \$30.

Mr. and Mrs. Tom Heffernan were in Houston where they attended the Arkansas-Rice game Saturday and also met one of Heffernan's cousins from Arkansas for a visit.

School Board Holds Meeting

At its regular meeting Nov. 11, the school board of the Aransas County Independent School District:

Ratified the appointment of the text book committee for textbooks for use beginning September, 1970.

Heard a report stating that the RFHS Fighting Pirates, district champions, will meet the district champions of district 27-AA, the Yoakum Bulldogs, in Victoria Nov. 21 or 22, the exact date to be confirmed Nov. 15.

Heard a report that the school district has received its share of the annual payment from the Aransas National Wildlife Refuge in the amount of \$15,943.14.

Planned to attend the meeting of the South Texas School Administrators-School Boards at Flour Bluff Dec. 19.

Changed the meeting date to the second Monday for the basketball season; and the meeting hour to be 7:30 p.m. instead of 8 p.m., except that the December meeting will be held on the third Monday, Dec. 15, 1969.

Day of Prayer Set for Nov. 16

Residents of the Rockport area are being asked by Lt. Col. W. S. Falk, Jr., commander of VFW Post No. 3904 to join in a national day of prayer, Sunday, Nov. 16 asking for peace, safety of our servicemen in Vietnam, national unity and guidance for the United States in this time of crisis.

Commander Falk said he hopes all residents will participate in this "call to worship" and that the clergy will set aside November 16 for special prayers.

In announcing the day of prayer, Commander Falk cited a recent appeal made by the Rev. Earl Best, Indianapolis, Ind., National VFW Chaplain, who said:

"In this critical time, all Americans should reflect prayerfully on the future course this nation will follow and to ask divine guidance for President Nixon as he makes decisions and sets policies that may affect untold generations yet unborn.

"All Americans should pray for peace and for the thousands of men who daily put their lives on the line in Vietnam to ensure the right of dissent for other thousands at home who so vociferously object to the role our nation is playing in that troubled country. Let us pray for unity in our resolve to do right.

"In their prayers Americans should remember the men and women who have given their lives in Vietnam and in all the wars their countrymen have fought to preserve freedom everywhere."

Commander Falk explained that November 16 was selected as the national day of prayer because it is the first Sunday after Veterans Day, November 11, and concludes the week-long VFW sponsored "Operation Speak Out" calling for unity and public support of American policies and troops in Vietnam.

Mr. and Mrs. Jerry Brundrett, of Kingsville, spent the weekend with their parents, Mr. and Mrs. Gerald Brundrett and Mr. and Mrs. William J. Mitchell.

Comprehensive— (Continued from Page 1)

which control the distribution of water will have a significant effect on the growth pattern of the city. Inadequately planned and shortsighted policies may ultimately result in unnecessary expense and may encourage a disorderly growth pattern. The comprehensive plan seeks to avoid these problems.

Coordination of the city plan with county-wide projects for the transportation of good quality water from the Nueces River is also necessary. A well-regulated, carefully controlled water system is one of the most effective tools by which the city may influence future growth.

Existing Utilities System

Rockport secures its water supply from ground water sources at the present time. Waters from these wells are pumped into elevated storage facilities and treated and distributed to areas largely within the present city limits. The sanitary sewer system covers a smaller area than the water supply system but serves the major built-up areas of the city. The sewage treatment plant is located on Copano Road just north of the present corporate limits. Outfall from the treatment plant is disposed of through a drainage ditch to the north emptying ultimately into the waters of Little Bay at Canoe Lake.

Major water transmission lines are from eight to ten inches in diameter. Water is currently supplied to all of the developed portions of the city and these lines have been extended to Key Allegro to provide water services in this new growth area. Local service from the water system is provided in a series of loops inside the city, primarily consisting of six-inch lines. Off of these lines the local distribution system includes smaller lines of three and four inches or less. Water is currently stored in two locations with elevated storage capacity of 550,000 gallons.

Major elements of the sanitary sewage system include lines of 10 to 12 inches. These sewer mains are generally located in the more intensively developed portions of the city and the larger lines are located to transport sewage directly into the treatment plant.

New sewer mains have recently been established in the northwestern portion of the community in the Little Bay Shores Area. At the present time, new growth areas in and adjacent to the city have been developing to the northeast. Key Allegro has city water and needs sanitary sewer services. Expansion of the city sanitary system would eliminate growing health problems which may occur due to the concentration of septic tanks in the subdivision. Annexation of the area into the city should take place before the utility system is expanded to serve this area. The sewer treatment plant has recently been expanded to a capacity of 500,000 gallons per day. The capacity of this plant is rated as being able to serve 10,000 persons. The existing sewage treatment plant is well located in the northern portion of the city. However, as development occurs, the outfall from this plant will ultimately have to be piped some distance out into Aransas Bay.

Utility Plan

With a limited supply of ground water available to the county, the Aransas County Conservation and Reclamation District has sponsored a plan for transmitting waters from the Nueces River into the county to serve new growth areas. This water system will carry treated water from San

Patricio County to the vicinity of Aransas Pass by way of a large transmission line from above Calallen in Nueces County. This water will be treated in the vicinity of Aransas Pass and at the Aransas County line will be sold to the City of Rockport which will be the primary contractor for the sale of water in the county.

The water supply will be transported to storage facilities to be located immediately south of the Peninsula Oaks Subdivision. Initial storage in this system will consist of 1.5 million gallons of ground storage with a large pumping station located nearby. The initial distribution system will consist of a series of interconnected transmission lines providing direct access into Rockport north to Fulton and then to the Copano Bay area generally following existing farm-to-market road rights-of-way. A 400,000 gallon elevated storage tank would be constructed at Fulton to provide water distribution in that area. Larger subdivisions to the west of Rockport would be served directly from major transmission lines.

Ultimately this system would be expanded with new lines extending north to serve the upper portions of Live Oak Peninsula. As demand increases in the Copano Bay subdivisions, facilities will be expanded to provide water to these residents.

NATURE TRAILS

By
CONNIE HAGAR

"I hold you fast in my hand, you marvelous butterfly. Til you help me understand the eternal mystery."

—Alice Freeman Palmer

One of the great sights of nature at this season of the year is the enormous migration of Monarch butterflies and second is the migration of Snout butterflies, each bound for southern climates.

For years the scientist knew the Monarchs left their breeding grounds from Canada, then south and west to wintering grounds in California, but how? The University of Toronto, Canada started putting tags on the wing as the butterflies were caught and branded or tagged and released.

Having assisted in the University work here my records gave the needed link. One tagged in Rockport was captured or netted, two days later in West Texas, having flown 240 miles in two days.

Then scientists found out that the Monarchs and Snouts moved south, then west, and many here have had their trees covered at night by the resting Monarchs.

And have you watched scissor-tail birds hanging on the many wires as they went on their famous trip to the countries south of us, Mexico to

Panama? On the Texas coast the plover species has predominated: American, golden, blackbelly, mountain, piping, ringed, snowy, thick-billed and upland were among them. And the far western species, Clark's nutcracker, is still with us on FM 1781.

A roadrunner comes every day to my back yard and the yard of a neighbor, so look, look, look!

U.F. Aids Family Counseling Service

Another agency that will benefit from money raised during the United Fund Campaign is the Family Counseling Service, 507 S. Water Street, Corpus Christi.

The purposes of this agency are to promote healthy personality development, to contribute to harmonious family inter-relationships, to strengthen the positive values in family life, to promote the satisfactory social functioning of various family members, and to prevent family breakdown. These purposes are carried out through three inter-related services: Individual and family counseling, family life education, and consultation to other professions in the area of family life. This statement defines the intake policies for our individual and family counseling service.

Counseling services are offered to individuals and families who are experiencing difficulties in family or social relationships — specifically marital problems, parent-child problems, individual personality adjustment problems and problems arising from the stress of aging, employment, illness, or finances. A request for service may result in one or more counseling appointments, or referral to a more appropriate resource.

Applications for services can be arranged by telephone by individuals who feel the need to discuss their worries and concerns with a professionally trained counselor. Others may be directed to Family Counseling Service by physicians, attorneys, clergymen, personnel managers, educators, other health and social agencies, or persons having knowledge of the agency services. It is to the mutual advantage of Family Counseling Service and referral sources to discuss in conferences or to convey through written material certain information, ie. specialized medical or psychological information) which will assist in a more immediate understanding of the referred person's program.

All requests for service are given as immediate attention as the availability of staff time resources permit. Specifically, a counselor will respond through an evaluation telephone call and/or appointment within 24 hours. Attention is given to the urgency of the presenting problem. There are no restrictions because of religious affiliation, economic means or ethnic background. The residents of the area served by the Corpus Christi United Fund have first claim on the services of the agency. Services to individuals outside this area are extended as staff time is available and at the full cost of the service. Flexibility is maintained through the offering of appointments in the evening or on Saturdays, and at other locations in the community other than the agency's office, which appropriate.

Although no person or family will be refused service because of inability to pay, payment for services is expected. A graduated fee scale is used. Fees may be waived or adjusted as indicated by circumstances and therapeutic consideration.

Mr. and Mrs. John Gove were in Kingsville Saturday for Dad's Day and to attend the Howard Payne-A&I game Saturday night.

Misses Pat Diggs, and Debbie Rogero, students at Southwest Texas State University, at San Marcos, attended Homecoming and spend the weekend with Miss Rogero's parents, Mr. and Mrs. Roy V. Rogero, Sr.

Library News

The Coastal Bend Regional
Planning Commission in co-
operation with the Corpus
Christi Public Libraries is
sponsoring a short course in
public library basics. These
meetings are being held
at the La Retama Library in
Corpus Christi and are being
led by members of the staff of
the Corpus Christi Public Li-
braries.

The first meeting was held
on October 29, at which time,
Mrs. Phyllis Burson, director,
spoke on goals, standards and
trustees. A mock board meet-
ing was set up to demon-
strate proper procedure. Mrs. Anglin
of the Parkdale Library dis-
cussed circulation and admin-
istration of a public library.
At the Nov. meeting, Mrs.
Gable and Mrs. Halloran, li-
brarian, explained book se-
lection and order procedure. At
the afternoon session, sugges-
tions for proper cataloging
were given by Mrs. Conrad,
head cataloger.

On Nov. 12, Mrs. Akinson,
reference librarian, explain-
ed the reference and reference
referral system. During the
afternoon, Mrs. Garcia, Park-
dale Children's librarian, gave
helpful suggestions on chil-
dren's services.

On Nov. 17, there will be
a lecture on personnel and
budget by Mr. Murphy, G.A.P.
librarian, and in the after-
noon there will be a discussion
of public relations by Mrs.
Gallagher, library assistant.
These informative meetings
are being attended by Mrs.
Owen Brymer, librarian of the
Aransas County Public Li-
brary, Mrs. Dorothea Mont-
gomery, assistant, and Mrs.
C. R. Gibson, trustee.

JOHN KINSEY

Last weekend was a good
time to have visitors from the
cold northland. With the sun
shining brightly and the tem-
perature in the eighties, it
was a perfect time to brag
about the Rockport area and
show visitors some of the at-
tractions that make this such
a fine place for vacations or,
better yet, as a place to live.

Two couples, friends of ours
from Illinois, stopped in Fri-
day afternoon and spent the
weekend. They were traveling
in a camper and were headed
for Mexico. By the time they
left, they were really sold on
our area and vowed to come
back again. One couple show-
ed interest in moving here
when the husband retires.

Of course the first thing that
impressed our friends was the
wonderful weather. They
couldn't get over that, especial-
ly since the readings were in
the thirties when they left
Illinois.

While here they spent al-
most all of their time out-
doors, sight-seeing or just re-
laxing. They particularly en-
joyed a cookout on our patio.
One thing they raved about
was a cruise on the motor
vessel from the Sea Gun
Sports Inn to see the whoop-
ing cranes in Aransas Na-
tional Wildlife Refuge. They
thoroughly enjoyed this ex-
perience and took many pic-
tures.

Another thing that thrilled
our friends was the Pirate-
Calallen football game. Not
only did they get a kick out
of the game, but they also
commented favorably about the
band, the cheerleaders, the bat-
ton twirlers and the appear-
ance and behavior of the stu-
dents.

"It's good to see so many
normal looking boys and
girls," one friend remarked.
All in all, it was a perfect
weekend to do a Chamber of
Commerce selling job in be-
half of the Rockport area.

Impala's hidden persuaders:

①350-cu.-in. engine

A new more power-
ful standard 250-hp

the more assurance.
On good ol' regular
gas.

⑤Inner fenders

Up inside every
fender is another

②Anti-theft column lock

A locking system is built
right into the steering
column. When you take

lock not only your
ignition but your steering
wheel as well.

⑥Flush and dry

We build the car so that

Air follows to do the
drying.

③Aluminized exhaust system

It simply means that your

them to.
Fair enough?

⑦Full Coil suspension

Huge coil springs at all

ments from the refuge on the basis of the value of the acquired land and the county of cash receipts during a 12-month period.

The commissioners voted to use half of the money for roads and bridge expenses and to send the other half to the Aransas County Independent School District for school expenses.

—Approved an application from Rockport Yacht and Supply Company for a permit to reconstruct a marine lift on land leased from Aransas County Navigation District. The Navigation District had previously approved the request.

—By a three to one vote, approved a request from Bob Strook, general chairman of the Aransas County-Rockport Centennial celebration to stage a one-day drag racing event at the county airport as a special event during the 100th anniversary celebration next June. Commissioners Raymond Owens, Mrs. Wanda Sparks and Mrs. Ludene Wolf voted yes and W. B. Allen voted no.

—Received the following monthly fee reports for October: Sheriff Bob Hewes, \$227.75; County Clerk Ed Beasley, \$1,689.10; Justice of Peace Lawrence Miller, \$494.55; and Justice of Peace J. Paul Rogers, \$307.50.

Fishing News**Palm Harbor Fishing News**

T. R. Eastbridge of Houston caught a 10 pound redfish Sunday. He also had a good catch of trout Monday, one weighing 6 pounds. He and Mrs. Eastbridge are vacationing at Palm Harbor.

The Fred Levits of Dallas and Palm Harbor caught several nice trout over the weekend.

Mr. and Mrs. Mike Brown of San Antonio and Palm Harbor caught several nice fish, flounder, reds and speckled trout. Several of the reds weighed 4 pounds.

Bert Cunningham of Palm Harbor had a catch of speckled trout, one weighing 5 pounds.

Rev. Josef Herschkowitz of Palm Harbor caught a 4 pound flounder and several nice reds.

Mr. and Mrs. John Keenan caught three fine reds weighing from 3 to 4 pounds.

**Navigation Dist.
Holds Meeting**

The Board of Navigation and Canal Commissioners met at the District's office Nov. 5 with Chairman Matthew W. Scott presiding. Present were Commissioners Ted R. Little and Richard J. Fox; Attorney Ellis L. Clark and Harbormaster B. C. DeForest. Visitors were Kenneth Leith and Wm. N. Johnson.

Minutes of the October 1 regular meeting and October 2 special meetings were read and approved. The treasurer's report was reviewed and placed on file. Bills payable from the rent account were approved and checks signed. Vouchers were signed for bills payable from the maintenance fund.

Leith, new owner of Key Allegro Marina, showed drawings and outlined plans for expansion of the marina. The Board approved tentative plans and terms of a new lease will be agreed upon at a later date.

Johnson appeared in connection with his leased property at Cove Harbor. After some discussion, Commissioner Fox made motion, seconded by Commissioner Little, and all voted "aye." Mr. Johnson's lease dated April 1, 1969, is cancelled at his request, and that new leases dated Nov. 1, 1969, be drawn for Johnson and for Milchem, Inc., terms of leases to be set out in the leases themselves.

Written requests from Robert C. Strook to extend his Wee Put Golf Course lease for another five years was approved. Motion was made by Commissioner Little, seconded by Commissioner Fox, and vote carried, that five year lease be granted, beginning Jan. 1, 1970, at rental rate of \$600 per annum.

Police Report

Chief of Police Everett D. Taylor's report for October listed seven auto accidents in which four persons were injured and damages totaling \$5,725 occurred.

Criminal cases handled included: Intoxication, 3; auto theft, 1; disorderly conduct, 5; minor possessing alcohol, 2; thefts, 5 (2 cases solved); and destruction of private property, 1 (case solved.)

Traffic tickets were issued for the following offenses: Backing with no clearance, 1; no driver's license, 4; reckless driving, 1; speeding, 12; loud muffler, 2; running stop sign, 1; failure to yield right-of-way; and following too close, 1.

Thirty-five cases were heard before Judge G. D. Johnson in Corporation Court and fined totaling \$855 were assessed.

Chamber Happenings

The Aransas County Bar Association provided refreshments for the hospitality program at the Chamber of Commerce office this week.

The Chamber welcomes another new member, Anglers Motel on Highway 35 North. Gene Miley is the owner.

As a result of an advertisement the Chamber of Commerce ran in the Des Moines (Iowa) Register and Tribune, people living in the Middle West were reminded of the tourist attractions in the Rockport area. So far, 50 inquiries have been received at the C of C office asking for detailed information on motels, restaurants, stores, etc. Information has been sent to every person who wrote in.

quarterback Chris Thornton who leads the running and passing attack. The other members of the backfield, Mark Wright, Glyn Landrum, Paul Mauer, and Flip Shaver have accounted for nearly 170 yards rushing while the passing of Thornton has averaged nearly 100 yards a game.

The Pirate J.V. features a small, but quick line on both offense and defense, but desire and spirit more than makes up for the lack of size.

The Buc game will begin at 7 p.m. followed by the J.V. about 8:30. The band will march at halftime.

Admission will be 50 cents for students and \$1 for adults. These boys represent the Pirate team of the future; come out and support these young Pirates.

Mrs. Bill Coleman, Patricia and Mary Eva and Miss Anne Smith of Kingsville spent the weekend with Mrs. Jack Smith and daughters, Nancy and Fufu.

Pirates Whip—

(Continued from Page 1)

their first possession of the second half striking the Pirate defenders with a 58-yard scoring pass with less than two minutes gone in the second half. The drive covered 68 yards in only four plays. The points after touchdown attempt was no good. The score read 16-12 in favor of the Pirates.

The third period continued to be off and on for both teams. The Pirates could not manage a first down during the entire third quarter.

Continuing a drive started on the last play of the preceding quarter, the Pirates suddenly got motivated in the fourth quarter and moved 71 yards to a touchdown. Ruford Huff, playing despite an injury to his ankle, scurried the last 15 yards to the goal line, but he was ruled short by a matter of inches. Quarterback Royce Itschner called again on Huff to carry the 11th. Huff followed with the two pointer.

Calallen had one more strong drive, but James Court gathered in a loose ball to give the Pirate possession.

All night long, with the exception of one bomb, the Pirate defense displayed a clutch desire and stopper ability. Hard hitting and ball-hawking plagued the Calallen team all night.

The unsung heroes who hardly get their names in the paper are Pirate linemen who have played so well so far this season. It is they who fight in the trenches of the scrimmage line week after week to give the back a hole to run through, or on defense to stop a hole from opening.

On the offensive side Robert Brooks erased many of the records associated with the names of Camehl or Bradshaw out of the Pirate past by rumbling for 154 yards in 24 carries, giving him a season total (9 games) of 1457 yards.

Fullback Glenn Davis proved to be the "workhorse" for the evening by gaining 83 yards in 25 attempts.

Thus far this season the powerful Pirate offense has rolled up an average of over 400 yards per game with a total reading in excess of 3,600 yards running and passing.

The victory for the Pirates earned them the right to meet Yoakum of District 27-AA in a Bi-District contest in Victoria Nov. 21 or 22 (to be announced later). The outcome of that game will determine which of the teams has the right to advance to the Regional playoffs.

The fact still remains, "Pirates are No. 1!"

Miss Sheri Sanders—

and was escorted by Andy Crawford.

The second runner-up for this honor was Miss Molly Gregory, representing the Para-Medical Club and escorted by Russell Johnson.

The third runner-up was Miss Mary Beth Caspary, representing the Student Council and escorted by Richard Schendel.

The fourth runner-up was Miss Gracie Jacobs, representing the choir and escorted by Chuck Kleypas.

The fifth runner-up was Miss Pam Hill, representing the Metal Clubs and escorted by Glenn Davis.

Roque Garcia, senior class representative, presented each runner-up candidate with a red rose. The band and the choir furnished appropriate music for the pre-game ceremony.

Miss Delana Shiley, daughter of Mr. and Mrs. Plin W. Shiley, was the feature singer in leading the choir in their two numbers.

The classes of 1909, 1919, 1929, 1939, 1949, 1959 were honored.

YOUTH DANCE

The Aransas County Youth Recreation Sponsors will hold a dance at the airport building Saturday night, Nov. 15 from 8 p.m. to midnight. Music will be by the Synthetic Delusions. Admission will be \$1 and age limit is 14.

The Rev. Josef I. Herschkowitz will attend a retreat this weekend of the American Board of Missions to the Jews at Pine Cove Camp in Tyler.

Jody Rouquette, student at the University of Texas, spent the weekend with his parents, Mr. and Mrs. Otis Rouquette.

**Veterans Day
Observed Here**

Post Commander Lt. Col. Walter S. Falk of VFW Post No. 3904 thanks the individuals and organizations for their fine display of the American Flag on Veterans Day, coupled with their prayers and support of America for an Honorable Peace in Vietnam.

The Boy Scouts from Troop No. 281, who have as their scoutmaster Dick Stafford, assisted the team captains in putting out and gathering the 110 flags throughout the Rockport and Aransas County area on Veterans Day.

The Boy Scouts, assistance has been offered and accepted by the VFW post for all further community flag display days.

**Services Held For
Gayle E. Williams**

Funeral services for Army Spec. 5 Gayle E. Williams, 24, of Corpus Christi will be at 2 p.m. Thursday in the First Baptist Church in Portland with Rev. W. B. Broadway, pastor, officiating. Burial will be in Seaside Memorial Park under direction of Clifford Jackson Funeral Home.

Williams was killed in a helicopter crash in Vietnam Nov. 3. He was the 110th resident from Nueces County to die in the Vietnam War.

Williams, a native of Rockport, was a crew chief aboard a Cobra helicopter in the war zone. He was killed three weeks before the end of a one-year tour of duty in Vietnam.

IN MEMORIAM

The Rockport Masonic Lodge No. 323 contributed a financial gift to the endowment fund of the Masonic Home and School at Fort Worth as a living memorial to honor Mrs. Teresa Ratliff of Rockport, "Whose memory we revere and whose departure we now deplore, who is in peace with the Supreme Grand Master."

**Rotarians Hear of
School Progress**

A statistical review of progress made by Aransas County schools during the past 10 years was given by Joe Randow, director of instruction, at a luncheon meeting of the Rotary Club Wednesday at Corky's restaurant.

Total enrollment has almost doubled from 1,039 in 1959 to 2,004 this year. There were 651 elementary pupils in two schools in 1959 compared with 1,138 in three schools today. Junior High School enrollment has grown from 193 in 1959 to 342 in 1969, while the high school totals have grown from 195 to 524 in the past 10 years, Randow reported.

Professional faculty members increased from 54 to 107 in the past decade. Key faculty positions which did not exist 10 years ago now include two student counselors, a nurse and a director of instruction. The budget had grown from \$519,554 to \$1,400,000 in 10 years while school property valuation is \$53,684,330 today compared with \$23,522,540 in 1959, Randow said.

The High School now offers 47 different courses and the Junior High School 18. The latter includes a course in general homemaking, both especially valuable for students unable to complete high school, according to Randow. He stressed the value of the school's adult education program, reporting that 81 had completed courses last year, including 22 who received high school equivalency diplomas.

Many of those enrolled in the adult education program last year could neither read nor write and one pupil could not write his own name. So far this year 51 have enrolled, and Randow urged Rotarians to encourage people who have not completed high school to enroll in the adult education program. He invited them to telephone his

office for information. Randow paid tribute to members of the board of education for their efforts in helping to make Aransas County schools among the best in the state.

John Ross was in charge of the Rotary club program.

Students from SWTSC, San Marcos, who attended the homecoming here and visited their parents were Charlotte Hale, daughter of Mr. and Mrs. Chas. L. Hale; Kenneth LeBlanc, son of Mr. and Mrs. Leonard LeBlanc; Margie McNorton, daughter of Mr. and Mrs. M. D. McNorton; and Martin Moss, son of Mr. and Mrs. W. Truett Moss.

Girl Scouts

Troop 469 met Nov. 5. Mrs. Rice was ill so Mrs. Dominguez was our troop leader. We started out with a flag ceremony. Then we had the troop discussion and sang songs. We said goodbye to a Girl Scout who has been with us for a long time, Candy Coole. She received a pink elephant which all the Girl Scouts signed. Candy is moving to Port Arthur. At the end of our meeting we lowered the flag and sang taps.

MRS. CANADA DIES

Funeral services for Mrs. Octavia Canada, 93, who died Saturday in an Aransas Pass hospital following a long illness, were held Sunday at Greater Baptist Church with the Rev. Frederick Fillmore officiating. Burial was in Rockport Cemetery. Marshall Funeral Home of Aransas Pass was in charge of the arrangements. Mrs. Canada, a lifelong resident of the Rockport area, is survived by several nieces and nephews.

Kentucky and Nebraska have the same state flower, the goldenrod.

Salvation Army Aided By United Fund Campaign

Editor's Note: This is another in a series of articles on agencies that will benefit from the United Fund Campaign.

When hurricane Beulah and the tornado hit the Rockport area in 1967, Salvation Army personnel hurried here to lend a helping hand to those who were in need. They brought with them a mobile canteen which they set up to serve Aransas County Emergency Corps workers and others. The Salvation Army also handed out small grants to victims of the hurricane and tornado.

Salvation Army Service Units in 320 cities in Texas dispensed welfare aid to 75,370 individuals last year, according to Delmar R. Hiller, chairman of the Rockport Service Unit Committee, an agency of the United Fund.

An additional 35,958 families and 120,000 other needy received aid through the 42 Salvation Army Corps and welfare centers in Texas operated full-time by Army officers and personnel. Volunteer Service Units represent the Salvation Army where there are no officers to conduct a full-time program.

Hiller said the Rockport Service Unit committee helped 138 needy persons, including local residents and transients.

Service Units also sponsored 802 boys for a week-long vacation at The Salvation Army Camp Hoblitzelle near Dallas this summer, Hiller said. From their homes to camp and home again, the boys traveled a total distance farther than the moon. More than 3,000 persons were served at Camp Hoblitzelle from May to September.

Service Unit committees provide people in emergencies with groceries, pay utility and rent bills, medical prescriptions, provide clothing, shoes, transportation and other forms of help as varied as the human needs that arise.

"We practice the neighbor helping neighbor philosophy," Hiller says. "The simple kindnesses are little things, but they are extremely important to the family down on its luck."

Letters to Santa

Although the weather is balmy and Christmas is still about six weeks away, local boys and girls already have started writing to Santa Claus to let him know what they'd like to find under their Christmas tree.

Santa again this year is keeping the Rockport Pilot posted. Here's what he has received so far from our area:

Dear Santa Claus: I want a talking doll please and some go-go boots and a say-it-play-it. And Barbie clothes and shoes, phycodelic top and pants, a Suesy Home-maker washer and dryer and vacuum cleaner.

Jill.

April shower, baby sing-a-song, tumbling tomboy.

Kathryn.

Crissy, close in play, easy bake oven, baby party, snow machine, view master packets (Christmas, Rudolph, Frontierland, Flying Nun and Land of the Giants), and Mat-tel-o-Phone.

CONGRATULATIONS

Mr. and Mrs. James Roy Johnson of Rockport are the proud parents of a seven pound baby girl born Nov. 9 at the Aransas Hospital in Aransas Pass and has been named Traci Rene.

Maternal grandparents are Mr. and Mrs. Sherman Sanders and paternal grandparents are Mr. and Mrs. H. F. Johnson of Cleburne.

NOTICE TO BIDDERS

Sealed bids will be received by Aransas County Navigation District No. 1 until 11:00 a.m., November 25, 1969 for the destruction and removal of boat sheds located on the East breakwater of the entrance channel to Rockport Harbor. The successful bidder may retain all salvage including metal, timbers, piling and other appurtenances. Bids should be addressed to Aransas County Navigation District No. 1, Rockport Harbor, Rockport, Texas and the envelope should be clearly marked "Sealed Bid. Do Not Open Until 11:00 a.m., November 25, 1969."

ARANSAS COUNTY NAVIGATION DISTRICT NO. 1
By Matthew W. Scott, Chairman.

"TOURIST OF THE WEEK" TO RETURN

Mr. and Mrs. H. E. Kistner of Battle Lake, Minn., who were among the "Tourists of the Week" named by the Rockport Chamber of Commerce last winter, will be returning early in December to spend another winter here.

Mrs. Kistner wrote to Mr. John Kinsey recently and said one of the "Tourist of the Week" prizes she and her husband had enjoyed was a year's subscription to the Rockport Pilot. She said she and Mr. Kistner share the paper with two other Battle Lake couples who vacation in Rockport.

Coming Events

Nov. 14: Happy birthday to Mrs. Virginia Spears, Domingo Perez, Sr., and Janet Nelson. Commissioners Court will meet.

Nov. 15: Birthday greetings to Darlene Hawes and LaDonna Rhoden.

Nov. 16: Congratulations to Mrs. Otis Rouquette on her birthday.

Nov. 17: Live Oak PTA, Eastern Star, Fulton Lions Club and B&PW Club will meet. Mr. and Mrs. Raymond Roberts will celebrate their wedding anniversary and Fred Heinsohn will observe his birthday.

Nov. 18: This is Bill Smith's birthday and Mr. and Mrs. John B. Goff's wedding anniversary.

Nov. 19: Rotary Club will meet. Molly Jackson will celebrate her birthday.

BACK FROM VIETNAM

Sgt. Otis Tumlinson, son of Mr. and Mrs. H. J. Tumlinson is back from Vietnam. He has signed up for six more years with the Army and is stationed at Fort Sill, Okla. He and his wife recently became the parents of a baby son, Brian Keith, who weighed six pounds five ounces. The young mother is the daughter of Mr. and Mrs. B. R. Beare of Duncan, Okla., Sgt. and Mrs. Tumlinson make their home in Duncan.

Students from Texas A&I, who were home for the weekend and attended the homecoming were Katherine Haggerton, Raulie Irwin, John McDavid, Debra McLead, Mary E. McCready, Kay Sparks and Phillip Tedder.

Mr. and Mrs. Joe Howard Livingston of Kingsville spent the weekend with her parents, Mr. and Mrs. Monte Rouquette, Sr.

Letter to the Editor

Recently my husband told our little dog, "You won't need to worry about getting your nose slapped anymore. The cat is gone. Someone shot him."

I was quite shocked and grieved at the loss of a friend, and a very good mouse. He also kept the yard free of gophers and snakes.

I remembered hearing a gun shot the night before. It sounded and felt close to the house. I went to the door and a car tore by, went to the end of the block, turned left for one block and tore out toward Highway 35. He had to stop as a truck was passing. Then he tore out again.

The horror of it all is that they, or he, shot the cat with a 30.06 deer rifle (he left the shell.) He was within 150 feet of our home and shooting toward other homes.

By the grace of God the bullet went into an embankment. Otherwise someone might have been killed. We all know that such a bullet is deadly at two miles or better. Also that any gunfire from or across a public road is a violation. We have no streets. All roads here are county roads owned by the county, and the whole Holiday Beach from one side to the other, north, south, east or west, is not much more than two miles.

We are sure that the young men who have been cruising through here the past few weeks shooting at coyotes, possums, skunks and our cats may not realize the danger or that they were violating the state or county laws.

We think the fathers, school, law officers, VFW, G.I. Forum, Fire Department, Boy Scouts, some should conduct a class on fire arms and their use, most of all the danger, and inform the youngsters about the law. There have been a few 30 years and older "youngsters" out here hunting.

Do you realize there are 40 families who live here all the time. Among those 40 families there are 29 children from age 17 to babies not over three months old. One of those bullets might kill one of those babies or that 17-year-old that the hunter goes to school with.

Please do your hunting in wide open spaces. Should it happen again I am turning the license numbers I have over to the proper people. As you know, you broke the law by shooting from the road and across another road.

Sincerely,
M. Louise Smith.

United Fund Aids Red Cross

The American Red Cross is one of the agencies that will be aided by the United Fund Campaign.

Everyone who was in the Rockport area during or after Hurricane Beulah in 1967 will, or should, remember the wonderful job the American Red Cross did here in helping people who needed help.

In case you've forgotten, here are some of the things the Red Cross did:

—Spent \$37,206.56 for disaster relief.

Helped meet families' immediate needs for temporary shelter, food, clothing and emergency medical and nursing care.

—Helped bridge the gap between what people could do toward their own recovery and what the needed.

—For some families, Red Cross help included food, clothing and maintenance; repairing and rebuilding owner-occupied homes. Replacing furniture and other household necessities; providing medical

and nursing care and hospitalization; replacing occupational supplies and equipment.

All such help was an outright gift of the American people through the Red Cross. Several hundred families were given much needed help by the Red Cross following the hurricane.

Patrolman Tommy Ochoa has completed 80 hours of training at the law enforcement school at Del Mar College in Corpus Christi. All phases of police work are being reviewed during the classes under the directions of such instructors as F.B.I. agents and other experienced law enforcement officers.
