Ward, 1953-1959; and Clarence Nelson, 1954-1960, secretary 1955-1960. They were members of the board at the time the new school facilities and additions were proposed.—(Photo by Kenneth Davis).

Local Schools Set Open House Sunday

An Open House for inspection of new school buildings, facilities, and equipment is slated for Sunday, from 2:00 until 5:00 p. m. at the Abernathy Public Schools. All area residents are cordially invited to attend, inspect the new facilities, and enjoy refreshments in the new cafeteria dining room, stated Superintendent Noel Johnson.

Open House was planned where-by it would tie in with Texas Public Schools Week, which has been proclaimed for March 6-10.

On display will be the result of an expansion program which began more than two years ago when the people of the Abernathy Independent School District voted a \$1 million bond issue.

Included in the expansion program are a 20-classroom primary school; a 13-room junior high school with complete library facilities; additions of a farm shop and agriculture classroom, and a laboratory-type home-making department to the high school.

A new field house for athletic teams and physical education classes was added to the gym, the band department was remodeled and enlarged, and a new cafeteria with a seating capacity of 375 with a complete all-electric kitchen has been added.

Renovations include remodeling of the old junior high building into an intermediate school for fourth and fifth graders, conversion of the old cafeteria into a junior high school field house and receiving warehouse, and refurbishing of the dressing rooms in the junior high gym.

The remainder of the bond funds were used for complete new furniture and equipment for the new buildings; the purchase of additional land west of the athletic field; construction of a new bus storage and garage; purchase of adjacent church property (main building moved to East Ward); new tennis courts, fencing, sidewalks, and paving; salvage and razing of the old elementary school (Vintage 1917 and 1927); redecoration of the auditorium; and sundry equipment all over the 32-acre campus.

A. P. Kasch & Sons of Big Spring was the general contractor, and architects were Atcheson, Atkinson & Cartwright of Lubbock.

Primary School

The new primary school features 16 classrooms, with an all-purpose area equal to four classrooms which can be partitioned when such classrooms are needed. The building is constructed in an "L" shape, and joins the new cafeteria and intermediate school to form a "Z" shape.

Other features are movable side panels of moduwall, ceramic tile rest rooms, suspended fiberglass noise-absorbing ceiling, black-out venetian blinds, refrigerated drinking fountains in corridors, and hot water heating system which can be converted to future cooling.

Junior High

The new junior high school, featuring 13 classrooms, is constructed of brick wainscot with

terrazzo corridors, vinyl asbestos tile floor in classrooms, heating and ventilating which is convertible to future cooling, and a semi-open stack library which is air conditioned.

The old cafeteria was renovated to junior high boys dressing rooms and a central receiving warehouse. The old gym dressing rooms were refurbished for junior high girls dressing rooms.

Cafeteria

The new cafeteria is the most modern up-to-date unit in the area. It features an all-electric kitchen and stainless steel serving tables. The unit is capable of serving 1,000 to 1,200 students daily. It joins the auditorium by a connecting passage for multipurpose uses by school and community.

The dining room features "pop corn" brick wainscot, and has a program stage which serves as a dining area for small groups. It has folding tables and chairs, and has a seating capacity of 375. Whirlpool washer and dryer units for the new cafeteria were purchased from Struve Hardware and Dry Goods.

Intermediate School

The old junior high school building was renovated into an intermediate school for the fourth and fifth graders. It has new hall floors, repainted interiors, new furniture, and the all-purpose area from the original library-study hall area can be converted to additional classrooms.

Home Ec Department

One of the most valuable additions to the high school is a new homemaking department, complete with five kitchens in the food laboratory, a clothing laboratory and fitting room, grooming center, a parlor with carpet and drapes. It is air conditioned and can be converted into a two teacher department.

Furniture for the parlor was purchased from Bruce Furniture. The Maytag washing machine and dryer units were purchased from Hammond Maytag Sales, and the dish washer and built-in oven were purchased from Home Furnish-

8 points, Linda Miller, Mary Linton and Denise Barker had 2 each, and Marilyn Teaff added 1. Denise also saw action at guard, along with Chellye Joy, Katie Evans, Jana Stevenson, Janie Pearce, JoAnn Lovelace and Cindy Hurt.

The second game of the meet was the toughest, but the local girls emerged victorious over Idalou, 29-24. Idalou had previously defeated Abernathy for the district title, forcing Abernathy to settle for second place.

Donna Webb paced the Aber-

nathy team with 13 points. Cheryl Hall scored 10 points, and Linda Miller added 8. Chellye Joy, Denise Barker, Katie Evans and Jana Stevenson did extra fine jobs at the guard positions.

Boys Take Second
The Junior High boys, coached by Bobby Dyess, took second place in the tourney, falling to Petersburg in the finals, 20-14. Nothing seemed to work right for the local boys in the low-scoring game.

Bill Forbes led the local boys in the finals with 4 points. Santos Rameriz, Larry Crowder, Boyce Paxton, Layne Wade and Steve Monk scored two points each.

The Abernathy boys had advanced to the finals via route of wins over Rails and Idalou.

In their first game of the tourney, the local lads blasted Rails, 33-17. Boyce Paxton led the scoring attack with 9 points. Jake Mallow scored 6, Bill Forbes and Steve Monk 4 each, Terry Turner 3, James Healy, Pat Hale and Santos Rameriz 2 each, and Jimmy Joy 1.

They met Idalou in the second round of play, and burned up the nets with a 37-9 victory.

Steve Monk paved the way for local boys, netting 16 points. Mike Tannehill scored 4, Earl Brown 3, and Rameriz, Mallow, Forbes, Paxton, Wade, Healy, Rondall Preston, and John Reagan 2 each.

The tournament play ended the season for both the boys and girls teams. A game with Crosbyton scheduled for this week was cancelled, and the local Junior High boys were to begin track workouts early this week.

Season Records
The seventh grade girls ended the season with eight wins against seven losses. They scored 266 points during the season, against 262 for their opponents.

The eighth grade girls had an impressive 17-6 won-loss record for the season. The local girls racked up 596 points in the 23 games, while holding their opponents to 429. They averaged 25.91 points per game, to their opponents' 18.69 points per game average.

The seventh grade boys finished the season with seven wins against only four losses. The eighth grade boys were less fortunate, winning seven and losing nine.

Pat Hale led the seventh graders in total scoring for the season with 56 points. Mike Tannehill was close behind with 54. Rondall Preston had 33, Layne Wade 29, and James Healy 15, to round

ings. The Philco electric ranges for the kitchen are furnished free of charge by Hammond Maytag Sales, and the gas ranges were purchased from Pioneer Natural Gas Company.

Agricultural Department The agriculture department, added to the west end of the gym, has a classroom area, office and storage, monolithic concrete floors, brick and tile with steel trusses, has a fully equipped shop, sky lights and evaporative cooled, and is suitable for a two-teacher set-up.

New Field House A new field house, also added to the west end of the gym, features team rooms, p.e. rooms, training rooms, office and storage areas, laundry areas, colored concrete and ceramic tile, and plastic sky lighting.

Band Hall The band hall was remodeled and enlarged to accommodate the 120-piece Antelope Band. The band hall features instrument rooms, office, uniform storage, dressing rooms, and rest rooms.

It is also used by the junior high band (grades 7 and 8), the first year band (grade 6), and the tonnet band (grade 5). It also features evaporative cooling.

Additional Data The administrative offices in the high school building were remodeled, with the purchase of new furniture for the offices and board room being made. This furniture, and the furniture for the principals' offices in the junior high and primary buildings, was purchased from The Baker Company in Lubbock. Drapes for the administrative offices, board room, and the homemaker parlor were made by Robison Drapery Shop here.

Landscaping around the new buildings was done by Rose Garden Nursery & Florist, which is locally owned and operated by Mr. and Mrs. R. C. Patterson, Jr.

The Abernathy Independent School District takes in 180 square miles with an estimated 5,500 population. It includes the City of Abernathy, "In the Palm of the Plains."

The 1961 school enrollment is approximately 1,250. There are 60 teachers employed by the schools, and twenty auxiliary employees. The school tax evaluation is over \$20 million.

The high school building presently in use is only six years old, having been constructed in 1955.

So, do as many others plan to do — **ATTEND OPEN HOUSE SUNDAY, MARCH 5, FROM 2 to 5 P. M.**

They met Idalou in the second round of play, and burned up the nets with a 37-9 victory.

Steve Monk paved the way for local boys, netting 16 points. Mike Tannehill scored 4, Earl Brown 3, and Rameriz, Mallow, Forbes, Paxton, Wade, Healy, Ronald Preston, and John Reagan 2 each.

The tournament play ended the season for both the boys and girls teams. A game with Crosbyton scheduled for this week was cancelled, and the local Junior High boys were to begin track work-outs early this week.

Season Records

The seventh grade girls ended the season with eight wins against seven losses. They scored 266 points during the season, against 282 for their opponents.

The eighth grade girls had an impressive 17-6 won-loss record for the season. The local girls racked up 596 points in the 23 games, while holding their opponents to 429. They averaged 25.91 points per game, to their opponents' 18.69 points per game average.

The seventh grade boys finished the season with seven wins against only four losses. The eighth grade boys were less fortunate, winning seven and losing nine.

Pat Hale led the seventh graders in total scoring for the season with 56 points. Mike Tannehill was close behind with 54. Ronald Preston had 33, Layne Wade 29, and James Healy 15, to round

ings. The Philco electric ranges for the kitchen are furnished free of charge by Hammond Maytag Sales, and the gas ranges were purchased from Pioneer Natural Gas company.

Agricultural Department
The agriculture department, added to the west end of the gym, has a classroom area, office and storage, monolithic concrete floors, brick and tile with steel trusses, has a fully equipped shop, sky light and evaporative cooler and is suitable for a two-teacher set-up.

New Field House
A new field house, also added to the west end of the gym, features team rooms, p.e. rooms, training rooms, office and storage areas, laundry areas, colored concrete and ceramic tile, and plastic sky lighting.

Band Hall
The band hall was remodeled and enlarged to accommodate the 120-piece Antelope Band. The band hall features instrument rooms, office, uniform storage, dressing rooms, and rest rooms.

It is also used by the junior high band (grades 7 and 8), the first year band (grade 6) and the tonnet band (grade 5). It also features evaporative cooling.

Additional Data
The administrative offices in the high school building were remodeled, with the purchase of new furniture for the offices and board room being made. This furniture, and the furniture for the principals' offices in the junior high and primary buildings, was purchased from The Baker Company in Lubbock. Drapes for the administrative offices, board room, and the homemaking parlor were made by Robinson Drapery Shop here.

Landscape around the new buildings was done by Rose Garden Nursery & Florist, which is locally owned and operated by Mr. and Mrs. R. C. Patterson, Jr.

The Abernathy Independent School District takes in 180 square miles with an estimated 5,500 population. It includes the City of Abernathy, "In the Palm of the Plains."

The 1961 school enrollment is approximately 1,250. There are 60 teachers employed by the schools, and twenty auxiliary employees. The school tax evaluation is over \$20 million.

The high school building presently in use is only six years old, having been constructed in 1955.

So, do as many others plan to do — ATTEND OPEN HOUSE SUNDAY, MARCH 5, FROM 2 to 5 P. M.

Interested In Your Schools?

By RALPH STEVENSON
High School Principal

Do your sons and daughters know you are interested in their education? Do your children's teachers know you are interested? Why not display this interest to all concerned by visiting your school during Public School Week? Your child's teacher will welcome an opportunity to visit with you because she or he, too, is gravely concerned with your child's welfare.

The amount of interest your boy or girl has in school is largely determined by the interest shown in the home. Do not expect great results from your child's educational efforts when little interest and encouragement is displayed by the parents. Most boys and girls are more interested in pleasing "Mom and Dad" than you know. It has been said many times that the greatest asset of our country is our people. It also has been said that the greatest asset of our adult people is our boys and girls. Can we, then, display too much interest in their welfare?

CITY GARDEN CLUB

The City Garden Club met February 23 in the club room of the city hall for their regular meeting.

Mrs. Floyd Shipman gave many good points in her talk on "How and Why to Prune."

The members who attended were Mrs. Floyd Shipman, W. V. Halford, Orval Weeks, H. A. Oliver, T. O. Brown, A. B. Myatt, M. M. Bell, H. H. Selke, and the hostess.

The Abernathy High School Band, directed by Everett Maxwell, will start the activities of the district meeting of the Texas State Teachers Association with a half-hour concert in the Municipal Auditorium at Lubbock Friday at 10 a. m. The band will number 120, and the audience is expected to be in excess of 2,000.

This will be the first activity of the entire band since the marching contest late in November.

The program will consist of the following selections: National Cap-

ital March, Mexican Overture, Bugler's Holiday, featuring Gid Adkisson, Jimmy Burnett, Ray Ingram, Neal Humphrey, William Smith, and Keith Beard, Clarinet Escapades featuring the clarinet section, Trombone Blues, featuring the trombone section, Tango For Band, Joshua, and concluding with the Stars and Stripes Forever March.

Instrumental solo and ensemble contest will be at Brownfield on March 25, and the spring concert and sight-reading contest will be at the same place on April 29.

13 Students In Bee Finals

The National Honor Society Spelling Bee has now completed its second round. There are thirteen students left in the contest.

The students still in the running are — Freshmen: Gwen Russell, Henry Northcutt, Charles Lusty, and Randy Wright; Sophomores: Dianne DuBose and Joyce Spruiell; Junior: Trudy Attebury; and Seniors: Linda Faver, Mike Ritchey, Doyle Johnson, Neal Humphrey, Rita Burnett, and Shirlee Nesbitt.

The date for the third round of the bee has yet to be set, but it will be sometime this week.

Jr. High Band Wins First At Hale Center

Eighty members of the Abernathy Junior High School Band returned from the Hale Center Band Festival Saturday with a first place marching trophy in their possession, winning over their traditional rival, Floydada, in the junior high class. The band was drum majored by Bill Forbes; assistant drum major is Linda Müller; Majorettes are Jana Stevenson, Peggy Gist, Janice Phillips, Margaret Toler, and Shanna Crenshaw.

The band also entered concert-playing and sight-reading, there being no competition in these activities but "for criticism only." Concert selections were: Military

Spanish Club Meets

The club "Los Conquistadores," AHS Spanish club, met February 23 for its monthly meeting.

A field trip to a Mexican restaurant was planned for March 2. After the Mexican meal, the members plan to attend a movie.

BAND ADDITION—Pictured above is a portion of the band hall which was enlarged and remodeled during the recent building program. The band hall comfortably accommodates the 120-piece Antelope Band. It features instrument rooms, an office for the band director, Everett Maxwell, uniform storage rooms, dressing rooms, and rest rooms. The band hall is also used by the junior high band, grades 7 and 8; the first year band, grade 6; and the tonette band, grade 5. —(Staff Photo).

Dennis & Chambers ambulance took Miss Ruth Murphy to Abernathy Clinic Wednesday of last week where she was treated for an injury sustained when she fell on ice-snow slick ground. She was treated for bruises and released. Abernathy's fire insurance credit decreased from 15 to 10 percent for this year.

Lubbock County Clerk issued a marriage license to Juan Garza Cavazos of Abernathy and Miss Maria Noovies Criz Perez, Lubbock.

Escort March, La Nutt, and Holiday Tune. Judges were very complimentary about some phases of the band's work, and pointed out weak spots and places for improvement.

Judges were: Dean Killion, Texas Tech; Dr. Ted Crager, West Texas; Chief Davidson, Plainview High School; and Dr. Joe Hadron, Midland High School.

Candy Selling Day For AHS Seniors Is Big Success

Our Candy Selling Day last Saturday was a whopping success. All of the candy was sold, and, even if some did have sore feet the next day, it was well worth it. We would like to thank everyone who bought candy.

We were also encouraged by the report from Galveston that Kenneth Davis is doing as well as possible. We all miss him and are certain he misses us. Everyone is sending him cards which I know he appreciates. The cards will help to make his stay seem shorter, so let's all write and encourage him.

Interested In Your Schools?

By RALPH STEVENSON
High School Principal

Do your sons and daughters know you are interested in their education? Do your children's teachers know you are interested? Why not display this interest to all concerned by visiting your school during Public School Week? Your child's teacher will welcome an opportunity to visit with you because she or he, too, is gravely concerned with your child's welfare.

The amount of interest your boy or girl has in school is largely determined by the interest shown in the home. Do not expect great results from your child's educational efforts when little interest and encouragement is displayed by the parents. Most boys and girls are more interested in pleasing "Mom and Dad" than you know.

It has been said many times that the greatest asset of our country is our people. It also has been said that the greatest asset of our adult people is our boys and girls. Can we, then, display too much interest in their welfare?

Construction of New Post Office Delayed

In a special election last spring, the voters of the city of Abernathy passed two proposals in an effort to obtain a new post office building for Abernathy.

They first authorized the city council to sell the south 100 feet by 300 feet of the city park in favor of a post office for \$30,000. They second authorized the issuance of \$60,000 in general obligation bonds so that the city would have money to bid on the post office building.

Abernathians were asked to approve these proposals only after much work and thought by the Post Office Committee of the Council and the City Council itself, and after several consultations with representatives of the real estate division of the post office department. From the meetings and discussions, city officials gained the impression the selling price of the land, as presented to the people for vote, was acceptable to the post office department.

After voters approved both proposals negotiations with the federal government fell through. A post official stated an agreement could not be reached under the propo-

sals approved by the voters. His given reasons were that the value placed on the land is too high and would not be approved by the department, and less land would be needed for the building than the footage voted.

The post office position stopped all proceedings because a state law prevents the disposal of public land without approval of the citizens. Since a price (\$30,000) had been placed on the land by the citizens, the price must be removed by the citizens — they alone have the authority under state law. To remove the price set requires another vote at a city election. Since the post office department will not agree to the present price, if Abernathy wants a new post office located in a central spot, it is necessary for the proposal to be submitted to the voters again.

Local representatives have felt all along that the south side of the city park is the most logical site for a post office — the site is centrally located, the land belongs to the public, and other public buildings are near. With this belief, the local post office com-

mittee, composed of Andy Reid, Phil Sterrett, Lon Carmickle, and John Hale, at a recent meeting recommended the Council again submit the proposal to the voters.

The recommendations stated that the committee feels it would be to the community's advantage to ask approval "to sell a part of the city park for use as a site for a post office building," leaving the amount of land to be sold and the amount at which it would be sold up to the Council.

The committee's reasoning is this proposal would allow the Council to deal with the post office department without being tied down to one price by legal technicalities, and would insure use of the land only as a post office site if the land left the hands of the city.

Since placing a post office on the city park has been approved by the citizens by vote already, the Council feels it has a mandate from the people to explore every possibility in obtaining a post office. It therefore accepted the Post Office Committee's recommendations and voted to place the pro-

Candidate Filing Deadline In City Election Is March 4

Preparations are now being made at City Hall for the forthcoming city election which will be held on Tuesday, April 4.

Article 2.02 of the Election Code states that the deadline for filing to get one's name on the ballot in cities and towns shall be thirty (30) days before the date of the election. Since there are 31 days in March, the deadline will fall at midnight March 4th.

Candidates desiring to run for city office may get their name on the ballot in one of three ways: the first and most common way is to file as an independent by asking that his name be placed on the ballot; another way to place a name on the ballot is by a petition containing names of qualified voters of the city; or candidates may be nominated by a political party through a regularly conducted primary or mass con-

vention held more than thirty days before the April election. The mayor's office and two council positions are to be filled this year. The following people have been nominated for office to date:

For mayor — Dr. John Hale. For councilmen — David R. Pinson (running for re-election), Roy Jones, W. A. Scott, James R. (Jim Bob) Smith, and Rudolph Struve.

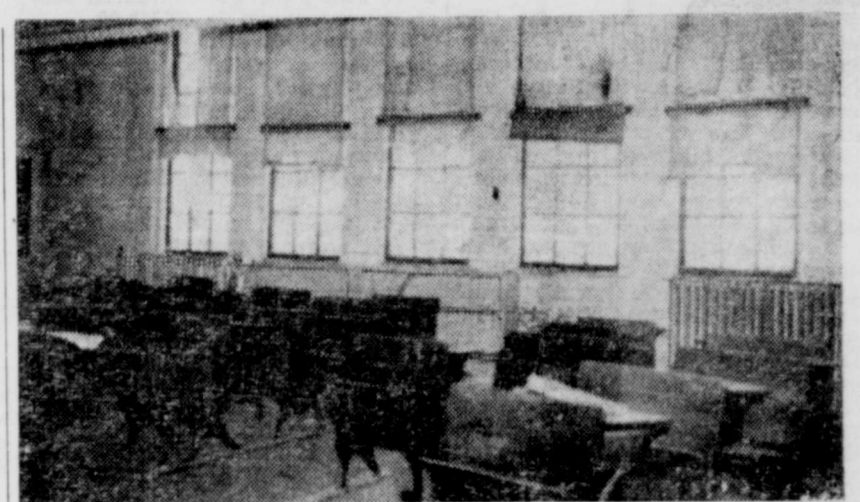

EDRIS GERMAN MAKES HONOR ROLL AT McMURRY

Edris Ann German, niece of Mrs. Marvin Struve of Abernathy, is one of 83 McMurry College students who have been named to the Dean's Honor Roll, released recently by the registrar's office of the Abilene College.

In order to make the list, students had to have at least a 2.5 grade average for the past semester, with only the top ten per cent of the student body being eligible.

Miss German is a junior speech major. She posted a 3.0 average for the fall semester. At McMurry she is a member of Gamma Sigma, NEA, Wah Wahaysee, Alpha Chi, and McMurry Theatre.

Local ambulance telephone number is CY-8-2331.

A CLASSROOM?—Yes, the above picture shows one of the classrooms in the old Grade School building, which has now been vacated. Children and students alike were happy to begin classes in the new Primary School building, and leave classrooms such as this. The old red Grade School building, which was used for several more years than was anticipated, is presently being torn down, piecemeal, by Herb Hall Enterprises, of Lubbock.—(Photo by I. G. Holmes).

Victim Of Explosion In Borger

ANTON (Spl)—Funeral services for Lester R. Tucker, 41, Amarillo, were held at 2 p. m. Saturday in the Anton First Baptist Church.

Tucker, who grew up on a farm near Anton, was one of the nine men killed in an explosion and fire at a Borger refinery Wednesday of last week.

He had worked over most of the southwest as a pipefitter and had lived in Lubbock on various occasions. He had been on the job in Borger since November.

Survivors include the wife, three sons, Roland, Stanley and Lester R. Jr.; the mother, Mrs. J. R. Tucker, Anton; a brother, George, Abernathy; three sisters, Mrs. Pauline Grant, Mrs. Imogene Whitfield and Mrs. Catherine Lisenbee, all of Compton, Calif.

Burial was in Resthaven Memorial Cemetery, Lubbock.

REDDY SAYS:

CONGRATULATIONS! Abernathy Public Schools

On Your All-Electric Kitchen

Reddy Kilowatt is very proud of the part he plays in making Abernathy School Cafeteria one of the most modern lunchrooms in the southwest. Providing clean, cool, and efficient cooking, the all-electric kitchen is just one of the many ways that Reddy helps today's school children live better electrically.

H. M. LaFont Resigns 64th District Post

PLAINVIEW (Special) — Judge Harold M. LaFont of the 64th District announced at a District Bar Assn. meeting here Saturday night he will resign the bench effective May 1.

His resignation was not entirely unexpected.

Judge LaFont suffered a heart attack last September and has been recuperating since that time. "I am not able to take the rest and treatment prescribed by my physician and continue my duties as judge," he said.

Recommendation Made

After hearing the announcement, bar members present voted to recommend to Gov. Price Daniel that he appoint Joe Cox, Plainview attorney and former district attorney, to fill the vacancy.

Judge LaFont will return to private practice with the law firm of Tudor, Tunnell and Formby of which he is a former partner. He was appointed to the bench Sept. 1, 1957, when the 64th Judicial District was divided. He won election to a full four-year term in 1958.

Judge LaFont served as Hale County judge from 1932 to 1939. He became 64th District attorney in 1942 and served until 1948.

Native Of Plainview

From 1948 to 1953 he was a state representative from this area. He currently is a member of several legislative committees.

Cox, the man recommended by the Bar Assn., is a native of Plainview. He graduated from Plainview High School and Wayland College. He received his law degree from the University of Texas in 1947.

He was elected Hale County attorney in 1949 and served until 1955. He then was elected district attorney and served until Jan. 1, 1961.

He did not seek re-election and has been in private law practice since leaving office.

JERRY MOORHEAD, principal of the Abernathy primary and intermediate schools, is pictured here, left and right, in his former and present offices. The picture at left shows Mr. Moorhead seated at his desk in his former office in the old Grade School building. At right, he is pictured in his new, spacious, and modern office in the new primary building. Furniture in the new office was purchased from The Baker Company in Lubbock.

Jerry Moorhead, "Dean" of Principals, Enjoys New Building

Jerry Moorhead, the "dean" of principals at the Abernathy schools, recently moved into a new and modern principal's office located in the new Primary School building. Mr. Moorhead and the teachers of grades one through three moved into the new Primary School building Saturday, January 2, and the students of the first three grades attended classes in the new building the following Monday.

Mr. Moorhead is presently in his 17th year of service as principal of the Elementary School. During that time, he has seen children start from the first grade, work their way through the Abernathy school system, graduating from Junior High to High School, and graduating from High School. Some of those who were in the elementary grades when Mr. Moorhead began his duties as principal are now college graduates.

Prior to his becoming principal of the Elementary School, Mr. Moorhead had taught school for one year here, then spent four years at San Diego, California, where he was employed by Consolidated Aircraft. He then returned to Abernathy to continue his

teaching career, and was appointed principal.

Mr. Moorhead and his wife, Beverly, have been married 12 years and are the parents of two children, a girl and a boy. Their daughter, Melanie Kay, will be four years old this month, and their son, Jerry Mark, will celebrate his second birthday in June.

Mrs. Moorhead is also a school teacher, having started her ninth year in the Abernathy Public Schools this past September. Prior to that she taught piano and voice for about three years.

The Moorheads reside at 1213 14th Street, here.

Pictured above, left to right, are Sue Robertson, Linda Eller, LaJuana Patterson, Beverly Spruiell, Joyce Spruiell, Janice Hall, Gladys Robertson, Rev. James Robertson, Mrs. J. W. Smith, Yvonne Eundick, Aline Story, Connie Hurn, Ann Robertson, and Dennis Hall. These Abernathy young people were among 125 who attended a Lubbock Zone Sweetheart Banquet in Lubbock Friday night, Feb. 17. The Rev. and Mrs. Robertson, and Mrs. J. W. Smith were sponsors for the Abernathy Pal group.

Rev. Harold Brown, pastor of the Denver City Church of the Nazarene, was the speaker and he spoke on the subject "His Forever." Using the scripture that Daniel "purposed in his heart as the background." The teens then sang the teen chorus as a dismissal prayer. "His is my soul, redeemed from all sin. His is my heart, purified within. His is my life, transformed from above. His my whole being — an offering of Love!"

April 14 Is Final Day For Cotton Men

The Texas ASC State Committee set Friday, April 14, 1961, as the final date for 1961 cotton producers to release their 1961 cotton allotment for reapportionment to other producers within the county, and final date for applying for such released acreage, according to Mr. E. J. Pope Jr., Chairman Hale ASC County Committee.

To date only 13.8 acres of cotton has been released to the Hale ASC County Committee for reapportionment to other Hale County producers, while 222 producers have applied for such released acreage. Mr. Pope urges all Hale County cotton producers that do not intend to plant their 1961 allotted cotton acreage, or intend to plant only a part of such allotment, to release such acreage to the Hale

ASC County Committee for reapportionment to other Hale County farms, thereby retaining their 1961 allotted acreage for history purposes for their own farm, as well as for Hale County and Texas. All releases as well as applications for released acreages, must be made at the Hale County ASC Office in the Agricultural Building, Plainview, Texas, not later than Friday, April 14, 1961.

LIONS CLUB NEWS

(From Last Week)

Phil Sterrett presented the program at the Lions Club's noon luncheon at Graham's Restaurant Tuesday. Sterrett read portions of a Newsletter from the State Capitol concerning bills presented to the House and to the Senate by the appropriations committee.

Banquet Success

The Lions Club Ladies' Night Banquet held in the new school cafeteria last Thursday night proved very successful and enjoyable. Approximately 140 attended the banquet.

The program was presented by two students from Wayland Baptist College, Plainview. Ruth Torres, a graduate of Abernathy High School, and Albert Bent, a Wayland student from Colombia, presented a 45-minute musical program with an international theme.

LUNCH TIME—Abernathy School students enjoy being served in the new cafeteria, and cafeteria personnel likewise enjoy the new serving facilities and all other new and modern equipment in the new structure. The cafeteria features an all-electric kitchen and stainless steel serving line, capable of serving 1,000 to 1,200 students daily. The cafeteria joins the auditorium by a connecting passage for multipurpose uses by school and community.

Students Should Plan Ahead

LUBBOCK—High school seniors thinking of entering Texas Tech next fall will find planning ahead to meet testing requirements helps smooth the process of registration.

Tech officials recommend that high school students take either the American College Test (ACT) or the Scholastic Aptitude Test (SAT) during their senior year and have the results sent to Tech. High school counselors can be contacted for application blanks and testing blanks.

If students are not able to take the ACT or the SAT, they must arrange to take the battery of tests offered by Tech. For convenience of prospective Techans, three testing dates are scheduled for June. They are to be given at 8 a.m. June 5, 19, or 23 in the Agricultural Memorial Auditorium.

Fee for the tests is \$2 and may be paid at time of testing.

The tests are not entrance examinations, but will be used to aid in counseling students during their college careers.

Students unable to take the June tests and who have not taken the ACT or SAT will be tested at 8 a.m. Sept. 11.

Application for the June test dates may be made by writing the Testing and Counseling Center, Texas Technological College, Lubbock. The preferred test date should be specified.

Completing testing requirements prior to registration will help entering freshmen avoid registration delay.

STATE OF TEXAS
COUNTY OF HALE

DEED

WHEREAS, the City of Abernathy, Hale County, Texas, by and through its City Council, has determined and found that Santa Fe Avenue between B. Street and the West right-of-way line of the Panhandle-Santa Fe Railroad right-of-way, as well as A Street between the North boundary line of 7th Street and the South boundary line of Santa Fe Avenue had never been open to traffic and was not necessary or being used to accommodate traffic, or that such portion of said streets had never been accepted or used by the public for vehicular traffic, but that the portions of said streets had been used solely by the abutting property owners and the said City of Abernathy had agreed to exchange its rights, titles, and interests in and to that portion of the streets named for a portion of Lots 1 through 10, both inclusive, and Lots 19 through 28, inclusive, in Block 120, Original Town of Abernathy, Hale County, Texas, which is needed as right of way for the construction and building of a Farm to Market Road through the said City; and

WHEREAS, the present record owner, Hygrade Gin, Inc., a Texas corporation, by and through its duly elected officers, have the City Council of the said City of Abernathy to close the North-South alley intersecting Block 122;

original Town of Abernathy, Hale County, Texas; and

WHEREAS, the City of Abernathy desires to close said alley and convey its rights, title and interest in said alley to the said Corporation;

NOW, THEREFORE, KNOW ALL MEN BY THESE PRESENTS that the City of Abernathy, Hale County, Texas, by and through its duly elected Mayor, after being duly authorized by ordinance duly passed, for and in consideration of the sum of Ten no/100 Dollars to its cash in hand paid by Hygrade Gin, Inc., a Texas corporation, have bargained, sold, conveyed and assigned, and do by these presents bargain, sell, convey, and assign unto the said Hygrade Gin, Inc., a Texas corporation, the following described tract of land lying and situated in Hale County, Texas, to-wit:

BEGINNING at the Southwest corner of Block 120, Original town of Abernathy, Hale County, Texas, said corner being the Southwest corner of Lot 28 in said Block 120;

THENCE East with the South line of said Block 120 to the Southeast corner of Lot 19 in said Block 120;

THENCE South 30 feet to a point;

THENCE East 135 feet to the West boundary line of the Panhandle-Santa Fe Railroad right-of-way;

THENCE Southeast along the said West boundary line of the railroad right-of-way to a point where it intersects the North Boundary line of Block 121, Original Town of Abernathy, Hale County, Texas;

THENCE West 30 feet to the Northwest corner of said Block 121;

THENCE South 175 feet to the Southwest corner of said Block 121;

THENCE West 60 feet to the Southeast corner of Block 122, Original Town of Abernathy, Hale County, Texas;

THENCE North 175 feet to the Northeast corner of said Block 122;

THENCE West 135 feet to the East boundary line of the North-South alley intersecting said said Block 122;

THENCE South 175 feet;

THENCE West 15 feet;

THENCE North 175 feet to a

point in the North line of said Block 122;

THENCE West 150 feet to the Northwest corner of said Block 122;

There is excepted from this conveyance and research to the Grantor herein named an easement 15 feet in width, being 7 1/2 feet on either side of the center line described as follows, to-wit:

Said center line beginning 30 feet West of the Southwest corner of Block 121 and 30 feet East of the Southeast corner of Block 122, being in the city of Abernathy, Hale County, Texas;

THENCE North 205 feet to a point which is a point in a portion of the North boundary line of the tract herein described, Also a 7 1/2 foot strip beginning 7 1/2 feet East of a point being the intersection of the center lines of A Street and Santa Fe Avenue;

THENCE East along the center line of Santa Fe Avenue to a point in the West boundary line of the Santa Fe Railroad right-of-way;

THENCE Southeast 7 1/2 feet

along the West boundary line of said right-of-way;

THENCE West parallel to the center line of Santa Fe Avenue to a point 7 1/2 feet East of the center line of A Street projected into Santa Fe Avenue;

THENCE North 7 1/2 feet to the place of BEGINNING, with the Grantor named herein having the right of ingress and egress for the purpose of installing, maintaining, and replacing a water main.

TO HAVE AND TO HOLD the above described tract of land together with all and singular rights and appurtenances thereto in anywise belonging unto the said Hygrade Gin, Inc., its successors and assigns forever, so that neither the Grantor nor its successors or assigns shall have any right of title, or interest in, such property, premises, or appurtenances, or any part thereof, at any time hereafter.

IN TESTIMONY WHEREOF, the City of Abernathy and as Mayor of said City for the purposes and consideration therein expressed, and in the capacity therein stated.

MUSICAL GROUP WELCOMED HOME TO PLAINVIEW

In last week's Review we mentioned the popularity of the hi-fi recording, "Wheels," written by former AHS Antelope band member Jimmy Torres and Richard Stephens. These two young men are members of a musical group, the String-A-Longs, operating out of Plainview, their home town. Other members are Don Allen, Keith McCormick and Aubrey Lee de Cordova.

The String-A-Longs were in the New York area about a month making personal and television appearances. They returned home last week to a real red carpet welcome. A police-escorted caravan met their car at the edge of Plainview and escorted them to town for a welcome home party. A large banner downtown said: "Welcome Home String-A-Longs."

Watch for their recordings at local record shops.
