Easing Restrictions Against Franco Gets American Support

By STANLEY JOHNSON

LAKE SUCCESS, Oct. 27. (AP) — The United States threw its support today behind a move to soften United Nations restrictions against Franco Spain.

An American source said the U. S. will vote for a resolution, scheduled to be introduced in the United Nations special political committee (meets at 10:45 a.m. EST), to revoke the ban on sending ambassadors to Madrid and to UN.

The resolution does not permit full Spanish membership in the United Nations nor does it repeal an earlier formal condemnation of the Franco regime.

Secretary of State Dean Acheson forecast the new American policy in a letter to Sen. Tom Connally (D-Tex.), chairman of the Senate Foreign Relations Committee, last spring.

He said that if the UN resolution did not consitute outright approval of Franco, the U. S. would have no objection to repealing the ban on ambassadors.

Britain, whose labor government has been one of the most outspoken critics of Franco, let it be known it would not oppose the resolution and would abstain in the voting.

With the almost solid support of the Latin American and Arab countries, the resolution seemed assured of the votes needed to beat down Soviet bloc opposition.

It is sponsored by Bolivia, Costa Rica, the Dominican Republic, El Salvador, Honduras, Nicaragua, the Philippines and Peru.

All of those countries have cultural and emotional ties with Spain which originally colonized them.

New Drug Has Same Effect As Hormones

By ALTON L. BLAKESLEE
(Associated Press Science Editor)

BOSTON, Oct. 27. — Discovery of an expensive drug that seems to act like the wonder hormone ACTH was announced today to the American College of Surgeons.

The drug, an old one named Furacin, may become a plentiful new medicine against arthritis, rheumatic fever and perhaps some kinds of cancer. Tests on humans are just starting. Furacin is derived from furfural, a by-product in milling flour and soybeans.

CORTISONE ACT

The new discovery is that Furacin apparently prods the adrenal prodding is what ACTH does.

ACTH (adrenocorticotropic hormone) comes from the pituitary glands to produce Cortisone. This acts on the adenal glands, which lie over the kidneys.

Both ACTH and Cortisone bring dramatic relief from rheumatoid arthritis, knock out rheumatic fever, and have temporarily helped against some kinds of cancer.

The hormone-like action of Furacin was reported by Dr. Charles E. Friedgood and Dr. Charles B. Ripstein of Maimonides Hospital and the State University Medical Center, New York.

GIVEN TO MICE

They gave it to mice with sarcoma, a cancer of connective tissue. Mice ordinarily die of this cancer in 21 days. When they got Furacin, they lived nearly twice as long. When given Cortisone, they lived slower, and some cancer cells died, about 45 days. The cancers grew when either drug was given.

Both Cortisone and Furacin made the mice's adrenal glands grow larger and become more active.

But Furacin didn't help mice whose adrenal glands were taken out. This was the hint that Furacin acts on and through the adrenal gland, much as ACTH does.

North Extender To Salt Creek Pool Completed

A one-half mile north extender to the Salt Creek Canyon Reef lime pool of Kent County was completed at General Crude Oil Co. and Percy Jones No. 2-2 Percy Jones.

It rated a daily flowing potential 628.39 barrels of 40.2 gravity oil.

Open hole was acidized at 6,196-6,554 feet with 500 gallons.

Gas-oil ratio was 404-1. Location of the extender is 660 feet from the west and 3,300 feet from south lines of section 2, block ZZ, Boley Brown Survey.

NO FLUID

Sunray Oil Corp. and Seaboard Oil Co. of Delaware No. 1 W. A. Mays, Central-South Kent County wildcat, three and one half miles northeast of the Cogdell Canyon field and 1,980 feet from the south and 1,900 feet from the west lines of section 57, block 4, H&GN survey, topped the Ellenburger at 7,432 feet. That gave it a datum of minus 5,277 feet.

It drilled to 7,456 feet and took a 45-minute drillstem test at 7,430-56 feet. There was a slight blow of air at the start of the investigation which died before the tool was closed.

No fluid came to the top while the tool was open. Operators started to pull out and the draw works broke down. The drill pipe and the tester will be pulled when the machinery is repaired.

Interested observers do not expect the recovered fluid to show much if any sighs of petroleum.

The wildcat did not log any indications of possible production above the Ellenburger.

DEEPEN WILDCAT

Stanolind Oil & Gas Co. No. 1 Burton, Northwest Howard County wildcat, 10 miles northwest of Big Spring, ran a two-hour drillstem test in the Pennsylvanian lime from the bottom of the intermediate casing, which is cemented at 8,200 feet, and the total depth at 8,945 feet.

The packer was set in the pipe at 8,160 feet.

When the tester was pulled, it was found to have been plugged with cavings after the first 15 minutes.

Recovery was 6,270 feet of heavily-gas-cut-drilling mud, with the bottom 1,400 feet being slightly oil-cut.

The project is making more hole.

Location is 660 feet from the north and west lines of the southeast quarter of section 27, block 33, T-2-N, T&P survey.

Top of the Pennsylvaniann lime is at 8,866 feet, and elevation is 2,360 feet.

GLASSCOCK TEST

Ralph Lowe of Midland is to start operations immediately at his No. 1 Neal-Ballinger, which is to be a 10,500-foot wildcat to explore to the Ellenburger in Northeast

(See OIL EXTENDER, Page 8)

Production Of Wool Short Of Needed Supply

WASHINGTON, Oct. 27. (AP)—Production of wool in this country next year may be the smallest since 1879—a development which would make it more dependent than ever before on foreign supplies.

The Agriculture Department today forecast 1951 production of shorn wool at between 210 million and 225 million pounds compared with 254 million indicated for this year.

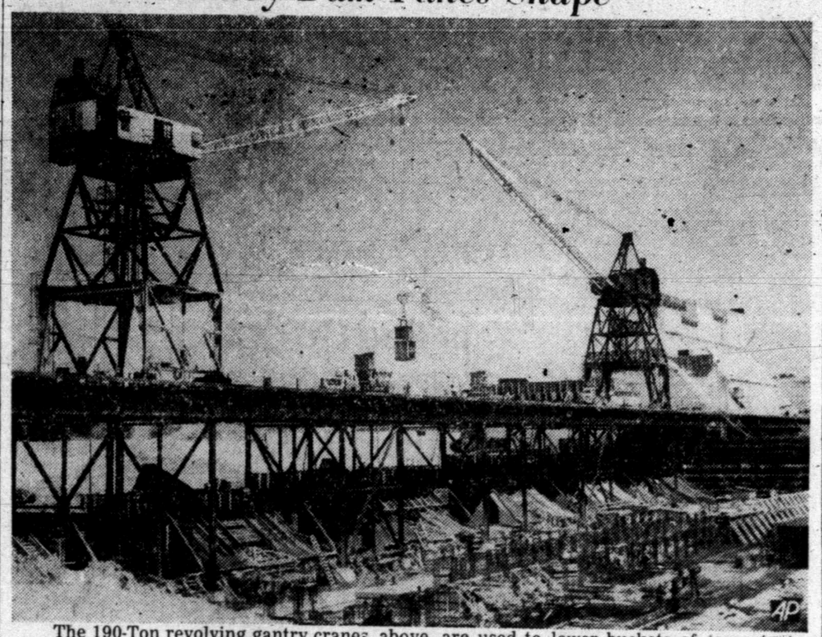

The forecast reflects a sharp and rapid decline in production since 1943, when output set a record of 455 million pounds.

This further drop in production comes at a time when the country needs larger supplies for its defense program.

Sheep raising has declined in refered smaller financial returns than cent years largely because it ofcompetitive types of farming.

The department said the decline in production, coupled with prospects of a larger demand, probably would cause prices to go higher next year. They have gone up considerably this year. In September producer prices of shorn wool averaged 62.2 cents a pound, the highest since the government started keeping price records in 1909.

Whitney Dam Takes Shape

The 190-Ton revolving gantry cranes, above, are used to lower buckets of concrete to workers on the mammoth Whitney Dam project on the Brazos Rievr 15 miles southwest of Hillsboro in Hill County. The cranes operate on an enormous steel trestle. The Whitney Dam, one of the key flood control projects in the Southwest, is to be completed in 1953.

Four Men in Plane Believed Crashed in Louisiana Lake

NEW ORLEANS, Oct. 27. (AP) — The Air Force reported a twin-engine navigation training plane with four men aboard "is presumed to have crashed" into Lake Pontchartrain on the northern edge of New Orleans in a heavy predawn fog today.

The plane took off at 2 o'clock this morning for Craig Air Force Base at Selma, Ala.

Lt. John Walker, public information officer of Keesler Air Force Base at Biloxi, Miss., said "one landing light has been found and the plane is presumed, to have crashed."

Search for the remainder of the plane was hampered by the dense fog, heaviest in New Orleans this year.

First reports from civilian sources placed eight men aboard the plane, but Lt. Nick Stam, also of the Keesler AFB information office, said Maj. James Percy at Scott AFB, Belleville, Ill., home base of the plane, said there were only four.

Maj. Percy said they were a lieutenant colonel, a major serving as pilot and two others whose rank was not known.

Their identities were withheld.

Lt. Walker said the plane arrjved here last night from Craig Field at Selma and took off this morning for a return flight to Selma.

Lt. Comdr. John Parsons of the Naval Air Station at New Orleans said three sentries reported hearing the plane "smack the water" at 2:05 o'clock this morning.

As soon as the fog clears, civil air patrol planes will be sent up to continue the search.

County Bar Favors Special District Court

A recommendation that the Scurry County Bar Association ask for the establishment of a special independent district court for Scurry and Borden Counties rather than a permanent new district here was accepted unanimously last night at a bar association meeting. Pat Beene, chairman of the judiciary committee which has been studying the possibility of a new district court here, read the committee's report.

The special district would be independent of the existing thirty-second District court, which now hears cases in Scurry, Borden, Mitchell, and Nolan Counties.

The committee report also recommended that the Scurry County attorney serve as criminal district attorney for the independent district of Scurry and Borden Counties.

It was noted in the report that the backlog of 450 cases here was more than 10 times as great as in some neighboring districts.

Incorporated in the report was a recommendation for the creation of a Scurry County court of law with jurisdiction over civil and criminal cases now tried before the county judge.

The creation of such a court would leave the county judge with jurisdiction over the business matters of the county, such as roads, airport, and taxes, and over probate and eminent domain matters.

It is expected that the Legislature will be asked during its next session to create an independent special district court in Snyder.

Three Metals Are Curtailed

By MAX HALL
(Associated Press Staff)

WASHINGTON, Oct. 27. (AP)—To speed the making of munitions, the government is planning to stem part of the immense flow of aluminum, copper and nickel now going into civilian products.

William H. Harrison, administrator of the National Production Authority, (NPA) told manufacturers yesterday that a "tentative plan" under consideration calls for a cut of 20 to 30 per cent in the nonmilitary use of the three critical metals.

NO DATE SET

He didn't say when the plan might be put into effect.

Harrison also served notice that another important metal, cobalt, is so scarce that it may be removed from non-defense altogether. Cobalt, similar to nickel, is used as a steel alloy and in electromagnets.

It was not clear just how heavily the proposed metals controls would affect the output of television sets, refrigerators, washing machines, automobiles, bicycles, toys, and other articles which contain aluminum, copper, nickel or cobalt.

This will depend in part on the extent to which a manufacturer can adopt substitutes for those metals.

APPLICATION

The NAP said that the cutback program would apply to the metals only in their "primary forms." Each manufacturer using aluminum, copper, or nickel would have his supply reduced by a certain percentage below his average consumption during some particular previous period not yet determined.

But each manufacturer could still decide what products to make. And buyers of those products would not be limited to any percentage of their previous purchases.

Weather

WEST TEXAS: Fair this afternoon, tonight and Saturday. Not much change in temperatures.

EAST TEXAS: Fair this afternoon, tonight and Saturday. Not much change in temperatures. Moderate to fresh southerly winds on the coast.

Critical Materials Being Put On Ship Bound For Red China

WASHINGTON, Oct. 27. (AP)—Sen. O'Conor (D-Md) said last night that a ship destined for Communist China now is loading a large quantity of petroleum products, scrapped automobile tires and galvanized pipe at American ports.

O'Conor, who is chairman of a Senate commerce subcommittee investigating shipments of oil and other strategic materials to the Chinese Reds, did not identify the ship. The loadings now are being made or shortly will be, he said, at Baltimore, Philadelphia and New York.

O'Conor said he had turned over this information to customs officials in urging the treasury department to re-examine the cargo being taken aboard the vessel.

The senator also asserted in a statement that more than 3,300,000 gallons of lubricating oil and 700,000 pounds of greases were sent from the U. S. to China in the 12 months ended last June 30.

Nearly 90 per cent of these shipments were made after the Communists seized control of China, O'Conor said. He added:

"And the flow continued, although in smaller amounts, even during the three months after the Department of Commerce placed petroleum products on the list of critical materials."

He was referring to the months of April, May and June. The Commerce Department, which administers export controls, put petroleum products on its critical list on March 20.

Blast At U. S. By Philippines Is Repudiated

MANILA, Oct. 27. (AP) — Sharp discipline of the author of an article accusing Washington of harboring worse grafters than the Philippines was promised today by President Elpidio Quirino.

The article was released Thursday by the Malacanan (Philippines White House) press office. The writer was named by the Press office as Federico Mangahas, Quirino's personal secretary.

Quirino repudiated the article, which was on Malacanan stationary, saying:

"I have not authorized publication. Steps are being taken to take distion of the statement of the alleged commentator, much less its reciplinary action against the party responsible for this release."

The article purported to answer lease as a Malacanan statement. criticism of the Bell Mission whose report to President Truman has not been published. The mission, headed by Daniel W. Bell, Washington banker and former undersecretary of the U. S. Treasury, studied Philippines finances and economics for two months and reported on aid for the island republic on Oct. 11.

The Malacanan statement declared Filipinos were "mere pikers" compared with Americans in the matter of graft. The writer was described merely as "a Philippine commentator"

Red China Again Says American Planes Have Hit Across The Border

LONDON, Oct. 27. (AP) — Communist China has again accused American military planes operating in Korea of violating her sovereignty. The Peiping radio said Foreign Minister Chou En-Lai charged that U. S. aircraft bombed and stafed the Manchurian province of Liaoning between Oct. 13 and Oct. 25.

The broadcast last night said the Red leader demanded in a cable to UN Secy. Gen. Trygve Lie that the Security Council "take measures" to stop the alleged activity.

Twice before Chou accused the U. S. Air Force of bombing Manchurian towns near the Korean border. The U. S. proposed that the Security Council name a commission to investigate the alleged bombing, but Russia vetoed the suggestion.

Different Version Of Korean War Given By Russian Mouthpiece

MOSCOW, Oct. 27. (AP) — Pravda reported in a dispatch from Korea today that well organized, "well equipped Red partisans there are conducting wide-scale guerrilla operations throughout the country."

The article by the Communist Party newspaper's correspondent in Korea said the partisans control all South Korean roads.

It added that the wrath of the Korean people against Americans and South Koreans is growing by leaps and bounds. Not one family in all Korea has escaped "murder" of at least one of its members by U. S. or South Korean forces, the correspondent wrote.

Snow, Mountains Slow Allied Troops Pushing Near North Frontier

Directors Of Texas Co. Due Here Tomorrow

Several directors of the Texas Co. will fly here tomorrow from a board meeting in Dallas to inspect Texaco's production holdings on the Fuller ranch north of Snyder.

They will fly from Dallas to Sweetwater, then proceed by car to the Fuller ranch.

Returning to Sweetwater tomorrow night, they will proceed to Brownsville, Tex., by plane, and after inspecting the Carthage-Hydrocol plant Sunday, the group will disband.

Those who were expected to attend the board meeting in Dallas today include George N. Aldredge, First National Bank of Dallas; W. J. Cummings, chairman of the Continental Illinois National Bank & Trust Co., Chicago;

W. S. Gray, chairman of the Central Hanover Bank & Trust Co., New York; Henry U. Harris, member of Harris, Upham & Co., New York;

J. H. Lapham, San Antonio; C. L. McCune, president of the Union National Bank, Pittsburgh; W. H. Mitchell, member of Mitchell, Hutchins & Co., Chicago; L. J. Norris, chairman of the State Bank of St. Charles, Ill., and R. C. Shields, Fisher & Co., Detroit.

Also expected to attend were the following officers of the Texas Co: W. S. S. Rodgers, Harry T. Klein, J. S. Leach, R. F. Baker, M. Halper, A. C. Long, R. Ogorrio, and R. L. Saunders.

It was not known how many would make the trip here.

The guests and directors will land at Sweetwater at about 11 o'clock, proceed at once to the Fuller ranch, where they will have a barbecue, lunch. They then will make a brief inspection trip, arriving at Sweetwater for the flight to Brownwood at 2:45 o'clock tomorrow afternoon.

Another Post Threatened By The Vietminh

By SEYMOUR TOPPING
(Associated Press Staff)

SAIGON, Indochina, Oct. 27. — French warplanes ranged along the North Indochina frontier yesterday, trying to disrupt the Communist-led Vietminh offensive which already has cleared French posts from 400 miles of the Chinese border.

Vietminh troops menacing the isolated French citadel of Laokay on the northwest frontier were strafed and bombed. French aircraft blasted Vietminh concentrations east of the big French post which is girding itself for an apparently imminent enemy onslaught.

The Air Force continued to pound the recently evacuated frontier fortress headquarters town of Langson. A French military spokesman said plans yesterday destroyed the power plant of the city which French troops abandoned 10 days ago.

Air attacks also continued on supply dumps left behind in the Langson area by the hastily withdrawing French garrison. The French had already claimed destruction of munition and gasoline dumps. Remaining food stockpiles were the objective of the fresh air strikes.

Another major frontier post recently evacuated by the French, Caobang, also was bombarded by the French air arm. The military spokesman said violent explosions rocked the town and left fires.

Vietminh troops massing for the next phase of their offensive on the new 100-mile frontier defense line between Dinhlap and Moncay on the Gulf of Tonkin also came under air attack.

Guerrillas In Other Parts Are Fighting

Still No Confirmation That Chinese Forces Have Crossed Border

(By The Associated Press)

SEOUL, Oct. 27. (AP)—Thinly clad allied troops trudged over snow and tortuous summits tonight toward Manchuria's Communist frontier.

The forward troop movement was from the Korean west coast across the spiny peninsula to the Sea of Japan.

The shivering troops braved wintry blasts but met few enemy troops near the border.

Behind the forward most troops, however, Red forces put up a fight.

A U. S. 8th Army spokesman here said the South Korean (ROK) attacking Reds and driven them First Division had beaten back the west of the town.

At Chosan, where the ROK Sixth Division was perched on the banks of the Yalu River opposite Manchuria, not an enemy soldier was visible. The river forms the boundary.

But hungry bands of bypassed North Koreans popped up in scattered areas.

DOUBTS REPORT

An 8th Army spokesman at Seoul said he could not verify ROK frontline reports of facing large forces of organized Chinese Reds. He doubted if they were true.

AP Correspondent Q. H. P. King quoted one high staff officer:

"The rumor of 60,000 Chinese Communists in North Korea is purely rumor as far as I am concerned. I have not seen any."

But reports that Chinese Reds were fighting on the North Korean's side persisted.

One Chinese Red prisoner was quoted as saying two divisions of Chinese-Korean troops had crossed the Yalu from Manchuria to get into the fight.

AP Correspondent Hal Boyle reported an 8th Army officer as expressing the belief the Chinese encountered by the ROKs were border inhabitants induced to "volunteer" for service in the dying North Korean army's last stand.

Wreck South of Abilene Fatal to Three Persons

ABILENE, Oct. 27. (AP) — Three transient Latin-Americans were killed today when their car collided with a truck at Lawn, 20 miles south of Abilene.

Dead are Antonio Gutierrez, about 16, Miguel Gutierrez, about 18, and Rudy Recoba, about four. 15, and Eugenio Gutierrez.

Raymond Herman Fries, Blanco, driver of the truck, was unhurt.

The dead and injured were all from Mathis, Tex. They had been picking cotton in the Lawn area.

The accident occurred at 8 o'clock this morning.

Grand Prairie Man Killed In Air Crash

DALLAS, Oct. 27. (AP) — Chance Vought aircraft has identified a test pilot killed yesterday in a jet plane crash as Eugene Joseph Nabe, 26, of Grand Prairie.

He was flying a Corsair fighter plane which dived into a cotton field north of Dallas. The identification was withheld yesterday pending notification of next of kin.

Ship Drags Into Port After Being At Sea For Ten Months

By STANLEY RICH

HONG KONG, Oct. 27. — Almost with a sigh today the trouble ship Tamara eased into the harbor and dropped her hook.

It was the end—or near the end—of an unlucky cruise. Ten months it took her to sail ffom Australia. Three weeks is par.

The Tamara is a Honduran registered ship of 1,160 tons—a trap if ever there was one, and a ship with a temper akin to that of a king cobra.

Her 38 crewmen are of six nationalities—all volatile.

Her cargo is a group of Chinese deportees from Australia, seven dogs, four cats, two monkeys and a gorilla from Borneo.

SEEKS QUIET

Her destination—well, anywhere there is peace and quiet.

Here is what authorities were told had happened:

The Tamara left Newcastle, Australia, near Sydney, on a hot day last December. Her destination was Portuguese Macoa on the South China coast. It was to be a leisurely three-week cruise.

Two days out the Tamara's temper flared. She blew a boiler tube. The Chinese all got seasick. She limped into Brisbane for repairs.

But even in port her baleful influence was felt. Three of her South American crewmen fell in love with the same girl. Knives flashed.

The result: One jail and two hospital cases.

Seven weeks and several court hearings later she put out for Bowen, Northeast Australia port. More trouble.

The officers and crew got into a donnybrook. Don't know what it was about.

MORE HURT

Result: A bosun and fireman hurt badly; 12 crewmen quit.

By mid-March the Tamara was headed for Thursday Island off the North Australian coast.

A generator shaft snapped, her coal ran low and disgruntled seamen demanded back pay.

From Thursday Island the Tamara plodded toward Makassar in the Celebes. One day she found herself in the middle of a minefield while an Indonesian naval battle raged.

With her luck, you'd think the Tamara would have had her brains blown out.

She escaped unscathed.

But once outside the battlezone she blew another boiler tube and her food ran out.

COAL GONE

By the time she reached the Gulf of Bone in the Celebes her coal was gone. There she took on fresh water, food and wood and headed for Borneo.

At Samarinda she loaded on the dogs, cats, monkeys and gorilla.

On her way out she got stuck on a sand bar.

Weeks later she put into Manila for food, water and repairs.

On Sept. 23 she sailed for Hong Kong, on their way.

She went back to Manila. The crew was getting tired of it all. They almost mutinied.

Finally hte Tamara got here today, 10 months late.

Everybody, including the dogs, cats, monkeys and gorilla, was for getting right off the ship. They were all tired of each other.

But port authorities blocked them.

It seems there had been trouble aboard the Tamara and nobody but the captain could come ashore until things were straightened out.

Bypassed Reds Terrorize The Countryside

By STAN SWINTON
(Associated Press Staff)

WONSAN, Korea, Oct. 27.—U. S. and South Korean Marines were rushed into rugged terrain south of Wonsan today to fight the maurading "Diamond Mountain Gang" of Red Koreans.

Four thousand bypassed North Korean troops make up the band, which has been terrorizing villages.

A battalion of U. S. Leathernecks sped 35 miles south of Wonsan into Kojo and a battalion of South Korean Marines went ashore 30 to 40 miles south of Kojo.

BETWEEN TWO

The big guerrilla band—named for the Diamond Mountains from which it strikes, was reported between the two battalions.

A U. S. First Marine air wing spokesman said 1,000 of the North Korean guerrillas were killed in air

A U. S. Tenth Army spokesman attacks in four days.

said the gang was led by a North Korean brigadier general.

He said another 1,500 bypassed Reds slipped down out of hills above Inchon and raided and looted that town, 55 miles southwest of Wonsan.

The Reds fled after "taking the town apart."

MANY COME OUT

Other bands of hungry, bypassed Korean Reds limped down from the hills at a dozen points on the east coast.

The U. S. Army spokesman said: "There are more North Koreans behind us than ahead of us. They are coming out of the hills all down the coast raiding towns, holding up trains and generally annoying us."

He did not term the situation serious but said the Reds are causing a great deal of trouble. He said the ragged raiders are in groups ranging from company to battalion strength. This would indicate the largest units, operating as command groups, probably have about 1,000 men.

LEGAL NOTICE

NOTICE

TO THE REAL AND TRUE OWNERS, WHETHER HEREINAFTER NAMED OR CORRECTLY NAMED OR NOT, OF PROPERTY ABUTTING UPON

TWENTY-THIRD STREET AND SUNDRY OTHER STREETS AND AVENUES WITHIN THE LIMITS HEREINAFTER DESCRIBED

IN THE CITY OF SNYDER, TEXAS, AND TO ALL OWNING OR CLAIMING ANY SUCH ABUTTING PROPERTY, OR ANY INTEREST THEREIN, AND TO ALL INTRESTED IN ANY OF THE PROCEEDINGS, CONTRACTS OR OTHER MATTERS HEREINAFTER MENTIONED.

Notice is hereby given to the real and true owners, whether hereinafter named or correctly named or not, of property abutting upon Twenty-third Street and sundry other streets and avenues, within the limits herein defined, in the City of Snyder, Texas, and all persons owning or claiming any such abutting property, or any interest therein, and to all others claiming or interested in any of said property, or in any of the proceedings, contracts and matters hereinafter mentioned, that:

The City Council of the City of Snyder, Texas, by duly enacted Ordinance dated July 5th 1950, has determined the necessity for, and ordered the permanent improvement of, the following streets within the following limits, in the City of Snyder, Texas, to-wit:

23RD. From the WPL of Avenue "T" to the EPL of Avenue "Q" except its intersection with Avenues "R" and "S", designated as UNIT NO. 1;

23rd St. From the WPL of Avenue "T" to the EPL of Avenue "H", designated as UNIT NO. 2;

24TH STREET. From the WPL of Avenue "T" to the EPL of Avenue "Q", except its intersection with Avenues "R" and "S", designated as UNIT NO. 3;

24TH STREET. From the EPL of Avenue "Q" to Ctr. Blk. 52 & 55, except its intersections with Conc. Dr. Str. (37 L. F.) and RS&P R. R. Crossing (24 L. F.) designated as UNIT NO. 4;

24TH STREET. From the Ctr. Blks 1 & 2 to EPL of Avenue "H", designated as UNIT NO. 5;

25TH STREET. From the EPL of Avenue H to the WPL of Avenue E, designated as UNIT NO. 6;

29TH STREET. From the WPL of Avenue E to the WPL of Avenue U, designated as UNIT NO. 7;

26TH STREET. From the WPL of Avenue U to Ctr. Blk. 3 & 4, except its intersection with Conc. Dr. Str. (40 L. F.) designated as UNIT NO. 8;

27TH STREET. From the WPL of Avenue P to the EPL of Avenue L, except its intersections with Conc. Dr. Str. (36 L. F.) and RS&P R. R. Crossing (36 L. F.), designated as UNIT NO. 9;

26TH STREET. From the WPL of Avenue E to the EPL of Avenue D, designated as UNIT NO. 10;

27TH STREET. From the WPL of Avenue Z to the WPL of Avenue W, designated as UNIT NO. 11;

27TH STREET. From the WPL of Avenue T to the WPL of Avenue S, except its intersection with Conc. Bridge (200 L. F.), designated as UNIT NO. 12;

27TH STREET. From the EPL of Avenue M to the WPL of Avenue F, designated as UNIT NO. 13;

27TH STREET. From the EPL of Avenue P to the EPL of Avenue D, designated as UNIT NO. 14;

28TH STREET. From the WPL of Avenue Z to the WPL of Avenue W, designated as UNIT NO. 15;

28TH STREET. From the EPL of Avenue V to the WPL of Avenue T, except its intersection with Avenue U, designated as UNIT NO. 16;

28TH STREET. From the WPL of Avenue Q to the EPL of Avenue N, except its intersections with Conc. Dr. Str. (34 L. F.) and RS&P R. R. Crossing (35 L. F.), designated as UNIT NO 17;

28TH STREET. From the WPL of Avenue L to the EPL of Avenue F, designated as UNIT NO 18;

28TH STREET. From the EPL of Avenue F to the EPL of Block 38, designated as UNIT NO. 19;

29TH STREET. From the WPL of Avenue Z to the WPL of Avenue U, except its intersections with Avenues V and W, designated as UNIT NO. 20;

29TH STREET. From the WPL of Avenue N to the EPL of Avenue F, designated as UNIT NO. 21;

29TH STREET. From the EPL of Avenue P to the EPL of Block 55, designated as UNIT NO. 22;

29TH STREET. From the WPL of Avenue S to the EPL of Avenue R, designated as UNIT NO. 23;

30TH STREET. From the WPL of Avenue N to the EPL of Avenue J, designated as UNIT NO. 24;

30TH STREET. From the EPL of Avenue J to the EPL of Avenue F, designated as UNIT NO. 25;

30TH STREET. From the EPL of Avenue F to the EPL of Avenue E, designated as UNIT NO. 26;

31ST STREET. From the WPL of Avenue Y to the EPL of Avenue V, except its intersection with Avenue X, designated as UNIT NO. 27;

31ST STREET. From the WPL of Avenue T to the WPL of Avenue S (Highway 350), designated as UNIT NO. 28;

31ST STREET. From the WPL of Avenue N to the WPL of Avenue M, designated as UNIT NO. 29;

32ND STREET. From the WPL of Avenue Y to the EPL of Avenue V, designated as UNIT NO. 30;

33RD STREET. From the WPL of Avenue V to the EPL of Avenue U, designated as UNIT NO. 30-A;

33RD STREET. From the WPL of Avenue T to the WPL of Avenue S (Highway 350), designated as UNIT NO. 31;

32ND STREET. From the WPL of Avenue M to the EPL of Avenue J, designated as UNIT NO. 32;

B AVENUE. From the NPL of 29th Street to the SPL of Hwy. No. 84, designated as UNIT NO. 33;

C AVENUE. From the NPL of 29th Street to the SPL of Hwy. No. 84, except its intersection with 28th Street, designated as UNIT NO. 34;

D AVENUE. From the NPL of 29th Street to the SPL of 36th Street, except its intersections with 27th and 28th Streets and U. S. Highway 84, designated as UNIT NO. 35;

E AVENUE. From the NPL of 30th Street to the SPL of Highway 84, except its intersections with 27th, 28th and 29th Streets designated as UNIT NO. 36;

E AVENUE. From the NPL of 26th Street to the NPL of RR. except its intersection with Railroad Spur (10 L. F.), designated as UNIT NO. 37;

F AVENUE. From the NPL of 30th Street to the SPL of 26th Street, except its intersections with 29th Street, designated as UNIT NO. 38;

F AVENUE. From the NPL of Hwy. 84 to the SPL of 25th Street, designated as UNIT NO. 39;

G AVENUE. From the NPL of 30th Street to the SPL of 26th Street, except its intersections with 27th, 28th & 29th Streets, designated as UNIT NO 40;

H AVENUE. From the NPL of 30th Street to the SPL of 26th Street, except its intersection with 27th, 28th, & 29th Streets designated as UNIT NO. 41;

H AVENUE. From the NPL of 25th Street to the SPL of 23rd Street, except its intersection with 24th Street, designated as UNIT NO. 42;

(1)—Amount per front foot for Curb and Gutter Assessment against Property Owner.
(2)—Amount per Front Foot Exclusive of Curb and Gutter Assessment against Property Owner.
(3)—Total Amount per Front Foot all improvements to be assessed against Property Owner.
(4)—Total Amount to be paid by Property Owner.
(5)—Total Amount to be paid by City.
(6)—Total Cost all Improvements.

Each portion of said streets designated by Unit Number constitutes an independent unit of improvements and shall be improved as separate and independent from each and every other unit of improvement, and assessments levied for said improvements in each unit shall be altogether separate, distinct and independent of and from assessments levied in every other unit, and in levying said assessments against the property abutting upon one of said units, no matter relating to any other unit shall be considered or shall have any effect upon any other unit, all as fully and to the same extent as if separate proceedings and contracts had been executed for the improvements to be made in each of said units.

A Hearing will be given and held by and before the City Council of the City of Snyder, Texas on the 31st day of Oct. 1950 at 8 p.m. o'clock in the Chamber of the City Council in the City Hall of the City of Snyder, Texas, to the real and true owners whether named or correctly named herein or not, of all property abutting upon said streets, within the limits above defined, and to all persons owning or claiming any such abutting property or interest therein and to all others owning, claiming or interested in said abutting property, or any of the proceedings, contracts or matters and things herein mentioned or incident to said improvements or said contract herein described.

At said time and place all such persons, firms, corporations and estates, and their agents and attorneys, shall have the right to appear and to be heard and to offer testimony as to the said assessments, and to the amount thereof, proposed to be assessed against said abutting property and the real and true owner or owners thereof, the lien and charge of personal liability to secure payment of said assessments, the special benefits to accrue to each abutting property and to the owners thereof by virtue of said improvements, or concerning any error, invalidity, irregularity or deficiency in any proceedings or contract in reference to said improvements and to said proposed assessments, and concerning any other matter or thing as to which a hearing is a constitutional prerequisite to the validity of assessments, proceedings and improvements, and on which they are entitled to a hearing under the laws of the State of Texas and the proceedings of said City Council.

Following such hearing, assessments will be levied against each and every parcel of property abutting upon said streets, within the limits herein defined, and the real and true owners thereof, for that portion of the costs determined by said City Council to be payable by such abutting properties and the real and true owners thereof, and said assessments shall constitute a first and prior lien upon said abutting property from July 5th, 1950, the date said improvements were ordered by said City Council, and a personal liability and charge against the real and true owners thereof as of said date, whether or not such property be described or correctly described, or such true owners by named or correctly named in said proceedings, and no error or mistake or discrepancy in the names of such owner or owners in describing said property in this Notice or in any of said proceedings with reference to said improvements, shall invalidate any assessment or certificate issued in evidence thereof, but nevertheless each parcel of abutting property and the real and true owner or owners thereof shall be charged with, and be liable for, said assessment, which shall be valid whether or not such owner or owners be named or correctly named, or such property be described or correctly described, all as provided for by Article 1105-b, Revised Civil Statutes of Texas, as amended, as the Act under which said improvements, proceedings and assessments are being constructed, performed and levied.

Of all said matters and things, all owning or claiming any such abutting property or any interest therein, as well as all others in anywise interested or affected by the things and matters herein mentioned, will take notice.

DONE by order of the City Council of the City of Snyder, Texas, this the 19th day of October, 1950.

Clara Jones
City Secretary, City of Snyder, Texas

Canada Will End The State Of War That Exists With Germany

OTTAWA, Oct. 27. (AP) — Canada will end its state of war with Germany "as soon as it is in a position to do so."

This announcement by the external affairs department yesterday follo wedare comme ndationby day followed a recommendation by the United States, Britain, and France that non-Communist members of the United Nations end their state of war with Germany early in 1951.

Canada said its decision was prompted by the "desirability of bringing the Federal Republic of Germany into closer association with the community of free nations."

Denham Hints At Red Influence On National Labor Relations Board

WASHINGTO, Oct. 27. (AP)—Robert N. Denham says while he can't prove it he is convinced there is Communist influence in the National Labor Relations Board. At President Truman's request, Denham recently resigned as general counsel to the board.

Specifically excluding the five NLRB members, Denham said "there is definitely some semblance of Communism" in the organization. The board had no comment.

"I could not put my finger on the people and I couldn't prove the charges if I tried," Denham said yesterday in a speech before an American Veterans Committee (AVC) meeting.

The President's request for Denham's resignation followed a long dispute between the counsel and the board over enforcement of the Taft-Hartley Labor Act.

Chinese Reds Said Sending 30,000 Men To Vietminh Rebels

TAIPEI, Formosa, Oct. 27. (AP)—Pro-Nationalist reports from the Chinese mainland said today the Reds were sending 30,000 regular troops to aid the Vietminh rebels in Indochina.

The reports—not confirmed—said the troops were from Red Gen. Liu Po-Cheng's Army.

The troops will move into Indochina through Langson, the reports said. Langson recently was abandoned by the French.

Nevada's Only Seat Likely To Go To A Democrat Next Month

(Associated Press Staff)
By ED OLSEN

RENO, Nev., Oct. 27. — From a statistical standpoint, anyway, Democrats should keep Nevada's only Congress seat.

Democrat Walter Baring, seeking re-election, has almost a two-to-one registration in his favor, although he won by only 7-10 per cent of the state's vote in 1948.

But his Republican opponent, A. E. (Burr) MacKenzie, thinks that perhaps enough Democrats will cross party lines to make the race a close one.

Baring, 38, is a former furniture store salesman elected over a Republican incumbent in 1948.

MacKenzie, 46-year-old cattle rancher at Yerington, is banking on the hope Nevadans will toss Baring overboard because he has been so much more of a supporter of administration policies than the state's leading Democrat, Sen. McCarran.

A cracked or broken windshield is a strike against a driver—against his ability to see clearly.

New Credit Regulations Are Cutting Car Sales Sharply

By WILLIAM C. BARNARD
(Associated Press Staff)

Words ranging from "confusion" to "havoc" are being used by Texas automobile dealers to describe effects of the new credit regulations.

On Oct. 16, the Federal Reserve Board tightened up previous controls of Sept. by requiring a shorter time to pay.

Over the state, dealers have held meetings to ask that credit conditions be lightened. Texas auto finance men met at Austin and passed a resolution calling for repeal of the new regulations and Charles F. Bacon of Abilene, president of the association, estimated 25 per cent of new and used car dealers will be driven out of business.

SALES DOWN

Reports from Dallas, Fort Worth, Corpus Christi and other points say sales are way down. Pampa dealers urged potential customers to "write your congressmen."

J. N. Whitehurst, general manager of the authorized new car dealers of Dallas, Inc., which represents 31 firms, told us that Texas dealers look for a sales drop of 40 to 50 per cent in new car sales and that used car sales are expected to be reduced even more drastically.

"What specific complaints do auto dealers have against the new regulations?" we asked Whitehurst.

"Regulations requiring one-third down and trimming the time to pay the balance to 15 months have priced the little man right out of the new car market," he replied. "You can't buy a $2,000 car now unless you can afford $666 down and $100 per month. The new terms won't bother people with money—they'll go right on buying cars whenever they please. But the little guy and the little business—the cleaning shop on the corner or the small bakery with its small profit—will do without. Dealers feel that this is nothing less than discrimination against a large segement of the buying public.

CUT PRODUCTION

"Another point is that if the public can't buy from dealers, dealers are not going to buy from the automobile manufacturers. Make no mistake about it—when dealers don't buy, auto production inevitably will be cut. When production is cut, hundreds of thousands will be laid off in auto plants, steel mills, coal mines and other supply-industries. Dealers feel, therefore, there will be a chain reaction of layoffs and unemployment that could have a drastic effect on our economy.

"That's why Texas dealers are joining others over the nation in urging that the controls be loosened. Certainly the dealers hate to see the drop in business, but we aren't cry-babies. We are just protesting something we feel is premature to the start of the big defense effort and all wrong. We are not afraid of having to go out of business. We are not yet burying the corpse. He ain't quite dead."

Armed Forces Mobilization Tapering Off

WASHINGTON, Oct. 27. (AP) —The armed forces appeared today to be etsing off the fast mobilization pace they set following the Communist invasion of South Korea.

There were no signs of any change in this nation's announced intent to build a powerful military machine of defense against Communist pressure but there were indications that for the time being nearing completion.

Developments pointing in that direction included:

1. Secretary Pace said yesterday that the Army hopes to start releasing mobilized National Guardsmen and reservists next summer in a program which may be completed before early 1952.

2. The Air Force announced it will halt immediately the call-up of enlisted reserves.

3. The Navy said it needs no more naval reserve airmen, and that its need for reserve aviation ground officers has been "substantially" met for the immediate future.

4. A Marine Corps spokesman said the corps will be calling only a few reservists from now on because the volunteer recruiting program has been proceeding satisfactorily.

These points came out as the four services set up new procedures covering the recall and discharge of reservists. Each issued separate instructions to carry out Secretary of Defense Marshall's directive of Monday outlining an "orderly" policy for mobilization of reserve units and individuals.

Guided Missile Head Says He Can See No Push-Button Warfare

DETROIT, Oct. 27. (AP) — On account of the "human element," there will never be a real push-button war, says K. T. Keller.

Chrysler Corp.'s president, newly named director of America's guided missile program, told interviewers yesterday:

"You just can't get along without the human element."

Of his government assignment, Keller said "the military importance of guided missiles is fully appreciated" by the U. S. and it is felt that the program "should be expedited."

Keller, who is 64, will retain his Chrysler post. However, Chrysler's board of directors is permitting him to give as much time as he sees fit to the government work.

Odd Situation Gives California Elections Surprising Results

By MORRIS LANDSBERG
(Associated Press Staff)

SACRAMENTO, Calif., Oct. 27. —You run into an odd situation in the 4th and 7th Congressional Districts in California.

California candidates are allowed to "crossfile," to go after both major party nominations, and many succeed.

Democrats outnumber Republicans in each bailwick. Yet:

In San Francisco's rich-poor 4th, Democratic Rep. Frank Havenner, who won by only 4,929 votes in 1948, almost licked his 1950 Republican opponent, Raymond D. Smith, at the primary.

And in Alameda County's 7th—equally rich-poor — where 4,216 votes decided the race two years ago, Republican Rep. John J. Allen, Jr., goes into the November election with a 33,182-vote primary election bulge over a hustling Democrat, Lyle E. Cook.

Smith si a political unknown, but he's energetic.

Havenner has been in and out of San Francisco politics so many of his 68 years that he can get the political backing of both industrialists and labor unions.

Over in the 7th District 41-year-old Cook, lawyer and ex-tax collector, is working energetically to cut into Allen's primary lead.

Allen—quiet as Cook is dynamic—is a hometown Oakland boy from a prominent family.

Productivity Of Coal Miner Doubled In 35 Years By Machinery

WASHINGTON, Oct. 27. (AP)—The Bureau of Labor statistics reported today that the hourly output for each man in the nation's mines more than doubled between 1915 and 1950.

Machinery and the growing trend toward digging coal, iron, and even non-ferrous metals from open pits or surface "strip" mines was chiefly responsible, the bureau said.

In bituminous coal mining, 60 per cent of underground production was cut by machine in 1919. Last year, machines cut more than 90 per cent of the total output.

ADMIRATION COFFEE IS BETTER BECAUSE IT TASTES BETTER

Baseball's Big Question Still Is What To Do With Rickey

BROOKLYN, Oct. 27. (AP) —Which way Branch Rickey? That's the question puzzling the baseball world today now that the bushy-browed executive definitely is through in Brooklyn.

Pittsburgh had seemed like the best bet, but last night Rickey, in Columbus, O., denied reports he would become general manager of the Pirates. And in Pittsburgh Tom Johnson, secretary-treasurer of the Pirates, declared "I'm sure no deal has jelled between Rickey and Galbreath because I would know it if it had." Johnson referred to John Galbreath, owner of the Pirates.

In addition Johnson said: "I know definitely that Hamey (Roy Hamey, Pittsburgh general manager) is not going to leave the Pirates no matter what Rickey does."

This increased speculation over a report that the 69-year-old Rickey had been mentioned as a possibility for president of DePauw University at Greencastle, Ind.

(The New York Herald-Tribune said later "It was learned from authoritative sources that Rickey has joined the Pittsburgh organization as assistant to Galbreath.")

When Rickey announced his resignation as president and general manager of the Brooklyn Dodgers yesterday he said he planned to see Galbreath, an old friend, "within a few days." Rickey also said he would visit St. Louis.

Rickey said he would see Fred Saigh (Cardinal owner), in St. Louis, but not on business. He also said he would see Bill Dewitt (Browns president), to assure him that what he had read in the papers about Rickey and the browns was not right.

"I would not accept any proposition from St. Louis that would in any way harm my old friend, Bill Dwitt," Rickey said.

One thing for sure, Rickey does not want to retire.

In Columbus, where he made his denial at the home of his daughter, Mrs. John Eckler, Rickey said it would be "some time" before he would have anything to say about his future connections, but added that he "hoped to be busy."

Rickey's future plans created more stir than the big changes in Brooklyn where Walter O'Malley is the new president. O'Malley and Mrs. John L. Smith, each owner of 25 per cent of the Dodger stock, have arranged to buy Rickey's 25 per cent for $1,025,000. Between them they will have a controlling 75 per cent interest.

O'Malley gave no hint of any drastic upheaval.

It now is believed likely that there will be no successor to Rickey as general manager. The post will be left vacant with his duties split among two or three men. Fresco Thompson, farm director, and Harold Roettger, publicity chief, are slated for more responsible posts. O'Malley will take a more active part.

Burt Shotton's future as manager is indefinite. Shotton will not attend the general meeting Monday but O'Malley says he has an "open mind" on the subject.

In Bartow, Fla., Shotton told the Associated Press, "I'd be glad to be back. I'm letting things work out the way the people in Brooklyn want them to work out."

If Shotton goes, Shortstop Pee Wee Reese is in the front line of possible successors. Reese long has been thought good managerial timber although he still has years left as a player.

Ray Robinson Drops Another

PHILADELPHIA, Oct. 27. (AP) — The promoters are still marching in the lambs and Ray (Sugar) Robinson continues to slaughter them in hte master style of the Harlem dandy.

Last night it was Carl (Bobo) Olson who faced the Robinson fists. Fresh from the Hawaiian Islands, 22-year-old Olson tried to win Robinson's Pennsylvania-version middleweight championship. All he got for 5.500 miles of traveling was his fourth defeat in 53 fights.

Robinson set Olson down for the count in 1:19 of the 12th round of a scheduled 15 rounder at Convention Hall.

Olson never had a chance. One judge gave him a round while the other judge and the referee called one round even and gave Robinson the rest. A low blow cost the champion the 11th.

Robinson had only one trouble with Olson. That was hitting him. The islander offered a unique defense that made him a very tough target. He held his hands high and allowed his elbows to protrude in front of his midsection.

Robinson admitted after the fight that although he had everything his own way, Olson was one of the toughest opponents he has faced in his 11-year pro-ring career.

Surprise In Store For Texas Gambler

ST. LOUIS, Oct. 27. (AP) — Somewhere in Texas a wagering football fan will be surprised to know he placed a $1,000 bet on this Saturday's games with St. Louis police, not a St. Louis bookmaker.

The city gambling squad raided a downtown handbook yesterday which was taking long distance bets. Members of the squad took over the phones and reported they took $10,000 worth of bets in two hours.

Hermleigh 12, While Kittens Tie Rotan 6-6

A powerful Sweetwater "B" team battled Coach Hal Battle's Tiger "B" squad to a 33-6 defeat last night at the Tiger stadium here.

Most of the Sweetwater scoring came in the first half of the game as the Tigers struggled for no gain.

The only Tiger scoring came in the third quarter when Fullback Jimmie Simmons took a pitch from Quarter Jimmie Cain and raced down the field to touchdown.

Simmons was captain in the game.

The next "B" team game is not definitely set, Battle said, but will probably be with Rotan or San Angelo.

While the "B" team was in the game, Ernest Kinney's Junior High Kittens were in Rotan to tie the Yellowhammer juniors 6-6.

After an uneventful first half, Rotan came through with a scoring in the third quarter.

Quarterback Burnie Hagin, not to be outdone, took up the ball in the last quarter and raced a few yards to rack up a Kitten TD.

Hagin's passes, mostly to End Stephen Blare, took the Kittens back down to Rotan's 2-yard line when the game ended at a tie.

Captains for the game were Fullback Hoyle Strickland and Tackle Morris Hattaway.

All were outstanding in the game Kinney said, and he boasted a good line on the junior squad.

The next Kitten game will be with Hamlin at 7:30 Thursday night in Hamlin.

Members of the high school "A" squad will rest on an open date tonight, and will go into rugged practice next week in preparation for the game with Hamlin Friday night in the Tiger Stadium.

Most Valuable Player Award Given Rizzuto

(By The Associated Press)

NEW YORK, Oct. 27. — Phil Rizzuto, who was chased out of the Polo Grounds and Ebbets Field because he was "too small," is the most valuable player in the American League for 1950.

Rizzuto, the little game cock who plays a man sized shortstop for the World Champion New York Yankees, won the coveted award yesterday with plenty to spare.

The 32-year-old star polled 16 of 23 first place votes and 284 of a maximum 322 points in a poll conducted by the Baseball Writers Association of America.

Boston's Billy Goodman, the league's batting champion, finished a distant second. Goodman received only four first place ballots and wound up with 180 points. Catcher Yogi Berra of the Yanks drew the three remaining first place votes and finished third with 146 points.

Rounding out the top ten were George Kell, Detroit, fourth, Bob Lemon, Cleveland, fifth, Walt Dropo, Boston, sixth, Vic Raschi, New York, seventh, Larry Doby, Cleveland, eighth, Joe DiMaggio, New York, ninth and Vic Wertz, Detroit, tenth.

Ted Williams of Boston, last year's winner, finished way down. Williams drew only seven votes. The great slugger however missed a good part of the season because of a broken elbow.

Conference Teams Win All Games Last Night

(By The Associated Press)

Big Six Conference teams won all their games last night, two of them against teams in other states.

Paris, the leader of the Big Six, beat Cameron State at Lawton, Okla., 20-14. Tyler downed Northeast Louisiana state at Monroe, La., 34-6.

Kilgore whipped Tarleton State of the Pioneer Conference 32-6 at Kilgore.

With Decisive Columbia Win Army Can Move Back To No. 1

NEW YORK, Oct. 27. (AP) — The country's No. 1 football team, Southern Methodist, will stand on the sidelines and watch the lesser lights scramble for spots in the top ten this week.

Army, which is rated No. 2, could take over the top spot if it scores decisively over Columbia, one of the have nots of the Ivy League. But the Lions—though they probably will go down—are not to be taken lightly.

It will be recalled that in 1947, Lou Little's boys came up with one of the major upsets of the year by whipping the Cadets 21-20.

No. 3, Oklahoma, sporting the longest winning streak in current college circles,—25—takes on Iowa State, and this is figured by the odds makers to be a breeze for the powerful Sooners.

From a competitive standpoint, the game of the week will pair a couple of ancient and hallowed Ivy League rivals, Cornell and Princeton in Tigertown. A crowd of 50,000 will be on hand in Palmer Stadium when these two unbeaten elevens clash.

Cornell, the defending Ivy Loop champion, probably will enter the fray a slight favorite even though in this case the Big Red is the defensive outfit and Princeton specializes on pulverizing the opposition.

There are major conference games all over the country but none will have a bearing on the national picture. In the Big Ten, for example, Ohio State, seeking to repeat its conference victory of last year, goes after Iowa at Columbus, while Northwestern tackles Wisconsin, which has been beaten but once. Indiana bucks Illinois and Michigan engages Minnesota. Notre Dame, rapidly becoming the forgotten team of college football, goes up against Michigan State in an effort to salvage some prestige.

In the Pacific Coast conference, a couple of Rose Bowl aspirants, Stanford and Washington, both of which tasted defeat for the first time last week, clash.

Texas gets its chance to give Rice the lumps in the feature Southwest Conference game.

Feature of the Southeast Conference program will be the Kentucky-Georgia Tech game in Atlanta. Kentucky, the nation's fourth-ranked team, is rated a heavy favorite.

Wake Forest and Clemson, unbeaten but tied, play the top Southern Conference contest. In the Big Seven, Kansas plays Nebraska in the feature.

Texas To Have Last Chance To Show Strength Tomorrow

By HAROLD V. RATLIFF
Associated ress Sports Editor

Texas and Rice blast at each other at Houston tomorrow in a game that will write the true greatness, if any, of Texas.

It will show whether the Longhorns are going to figure in the Southwest Conference race—whether they are to be rock-ribbed foes of Southern Methodist.

Another game of deep significance will be played at Waco when the gas house gang of college football, the rough, tough Texas Aggies—swipe at Baylor. If the Bears should give the Aggies a hard battle the latter would be removed from the ranks of hot contender in the wild sashay to the championship.

Two more games are scheduled tomorrow, these counting in the conference's already top-flight intersectional record. The league has a 12-5 mark for the season against outside foes.

Battered Texas Christian tries to whip Mississippi at Memphis, Tenn., in another coach-vs-pupil affair. Dutch Meyer, head man at TCU, once tutored Johnny Vaught, mentor of the Rebels.

Arkansas' massive men seek to repel a fine Vanderbilt team at Little Rock, in the other intersectional struggle.

Texas is favored to beat Rice, which is nothing new but which hasn't been happening very frequently of late. It is a traditional game—one Rice had rather win than any other. A crowd of 70,000 is going to see about it.

Texas A&M, on the basis of the season record, should lick Baylor, but against a mutual opponent the difference isn't indicated as large. A&M defeated Texas Tech 34-13, Baylor beat Tech 26-12. Tech, however, was in much better shape to play football against the Aggies than it was against the Bears.

Arkansas finds itself a 6 1-2-point favorite over Vanderbilt which lost its first game only last week to Florida, 31-27. The Razorbacks have had anything but a successful season thus far, dropping three out of five.

Texas Christian is a 6-point underdog to Mississippi with its great John Dottley. Mississippi, however, has lost three games in five starts; TCU has dropped two in a like number of tests.

The Texas-Rice and Baylor-A&M games are do-or-die affairs for Rice and Baylor. Each has lost a conference game and another loss means elimination for the championship race.

Texas Christian did us dirt last week, losing when selected to win. That was the only miss in four games. Here we go again:

Texas-Rice at Houston, 2 p.m.—Rice could win it but Texas ought to—Texas by a touchdown.

Baylor-Texas A&M at Waco, 2 p.m.—We'll take the Aggies by three touchdowns.

Arkansas-Vanderbilt at Little Rock, 2 p.m.—A weak vote for Arkansas.

Texas Christian-Mississippi at Memphis, 2 p.m.—Most everybody else is taking Mississippi, we'll try Texas Christian again; the Horned Frogs by the smallest margin can ime. shrdlu i yg -Pn ou you can imagine.

Latest Casualty List Shows 65 Men Killed

WASHINGTON, Oct. 27. (AP) — A Defense Department casualty list (No. 135) issued today contained the names of 65 dead, five wounded and one missing in action in the Korean fighting.

Robert Lee 6 B Squad Loses

Coming into sight for championship in their district, gridders from Hermleigh went to Robert Lee last night to top them with a score of 12-6.

Quarterback Floyd Hacker took the first score for Hermleigh in the first quarter when he ground out four yards for touchdown.

No other scoring came until the fourth quarter when Robert Lee intercepted a Hermleigh pass and carried it to score in two plays.

With a possible tie on their hands, the Hermleigh eleven worked hard until they could get into touchdown territory, and Fullback Donald Fritz was the one who carried it yards for the final touand1 -26w ht ifdcs$10nshrdluetaocimfwypcmwfyp game to go.

Hacker's passes to End Jimmie Cooper and Halfback Dick Wall were the main yardage-gainers of the game.

Captains of the team, coached by J. N. Williams, are Fritz and Halfback Billy Hudnall.

Taking Robert Lee for its first loss this season, the Hermleigh crew will tackle Loraine for another conference tilt in Hermleigh next Friday night.

Port Arthur Still In Undefeated Position With Beaumont Win

(By The Associated Press)

Mighty Port Arthur rolled on undefeated last night to open the weekend of play in Texas schoolboy football.

The Yellow Jackets beat Beaumont, a traditional rival, 32-7, in a District 11 game of the Class AA division.

Bowie of El Paso defeated El Paso High 13-6 in a District 4 conference test.

In the City Conference Brackenridge eased along in the San Antonio District with a 50-6 smashing of Lanier.

Reagan beat Milby 34-0 in the Houston district.

Fort Worth Tech upset North Side 14-13 in the Fort Worth District. It was North Side's first conference defeat.

Nine Violations Are Charged Against U. S. According To Pravda

MOSCOW, Oct. 27. (AP) — Pravda today reported that the Chinese Communist Government had charged the U. S. Air Force with nine new violations of the China-Korea border.

The Communist Party newspaper, summarizing a telegram from Peiping Foreign Minister Chou En-Lai to United Nations Secy.-Gen. Trygve Lie, said the incidents involved 25 American planes between Oct. 13 and Oct. 25.

Chou's telegram, Pravda said accused the Americans of deliberately violating China's frontiers for the purpose of spreading the Korean war to Northeast China.

Five pitchers who operated exclusively in this century won 300 or more major league games during their careers.

Saturday's Games

By FRANK ECK
AP Newsfeatures Sports Editor

EAST
ARMY to trounce COLUMBIA (Cadets everything, Lions Little).
BOSTON U. to take SYRACUSE (Not much to choose from here).
COLGATE to edge BROWN (A likely high scoring game).
CONNECTICUT over NYU (Violet in for a surprise).
LAFAYETTE to beat BUCKNELL (It could go either way).
CORNELL to trim PRINCETON (It was too close last year).
DARTMOUTH to halt HARVARD (The Green will roll here).
SAN FRANCISCO to nip FORDHAM (Figures to be a good game).
VILLANOVA to edge GEORGETOWN (Wildcats in close battle).
HOLY CROSS to beat YALE (Crusaders pack power).
PENN to sink NAVY (Middies just haven't got it).
PENN STATE to crush TEMPLE (They're not in the same league).
PITT to take MIAMI (Look at that Panther schedule).
RUTGERS over LEHIGH (It was 40-27 last time).
VIRGINIA to halt WEST VIRGINIA (A stout defensive battle).

MIDWEST
ILLINOIS over INDIANA (A Big Ten game worth watching).
*MARQUETTE over SANTA CLARA (It could go either way).
MICHIGAN to crush MINNESOTA (Wolverines much stronger).
KANSAS to take NEBRASKA (Looking to avenge 27-13 loss).
NORTHWESTERN over WISCONSIN (It should be a tight one).
NOTRE DAME to rout MICHIGAN STATE (Irish still mad at Purdue).
OHIO STATE over IOWA (The Buckeyes have this one).
OKLAHOMA to crush IOWA STATE (The Sooners very handily).
MISSOURI to stop OKLAHOMA A&M (Aggies have stout defense).
PURDUE to turn back UCLA (The team that beat NOTRE DAME).
*TULSA to rout BRADLEY (First met in '49—Tulsa won 55-6).
*Night Game

SOUTH
ALABAMA over MISSISSIPPI ST. (Will be 7 straight over Maroons).
TULANE to ebat AUBURN (A green wave habit since 1946).
CLEMSON to take WAKE FOREST (A Southern power this fall).
MARYLAND over DUKE (Duke won six previous meetings).
FLORIDA to crush FURMAN (Furman last beat Gators in 1930).
KENTUCKY to beat GEORGIA TECH (Wildcats great this year).
TCU over MISSISSIPPI (Horned Frogs over Rebels again).
NORTH CAROLINA over WM. and MARY (Tar Heels are due).
*NORTH CAROLINA STATE over VPI (State b ya large score).
TENNESSEE to take WASHINGTON & LEE (First meeting since 1929).
VMI to rout CATAWBA (The Kaydets find a breather).

SOUTHWEST
VANDERBILT to edge ARKANSAS (Out to avenge 7-6 loss in '49).
TEXAS AGGIES to beat BAYLOR (Stiteler has strength now).
TEXAS to turn back RICE (Longhorns have Townsend).
TEXAS TECH to halt TEXAS WESTERN (Figures as close game).

FAR WEST
CALIFORNIA to trim ST. MARY'S (Bears hold 32-8 series edge).
COLORADO AGGIES over UTAH STATE (Colorado has 22-11 bulge).
COLORADO P. to beat UTAH (Did it by 14-7 last year).
*DENVER to take ARIZONA (Seeks first win in second meeting).
OREGON STATE to rout MONTANA (Beavers won by 63-14 last fall).
SOUTHERN CAL. to halt OREGON (Easiest rival thus far).
STANFORD to halt WASHINGTON (Indians must stop Heinrich).
WASHINGTON STATE to rout IDAHO (It was 35-13 last time).
WYOMING to beat NEW MEXICO (Cowboys have 4-2 series edge).
*Night Game

(RECORD: 98 Right, 41 Wrong, 5 Ties. Pct. 705).

CORWIN CLARK
alias "CORWEE"

Blond hair, blue eyes. Four years old. Height 3 ft. 7 inches; weight 58 lbs.

Last seen loafing on his doorstep Sunday morning.

THIS BOY IS DANGEROUS

He is intelligent, clever, friendly—a natural leader. But his parents have repeatedly neglected the opportunities provided by local churches for his religious and moral training.

The aid of all Christian citizens is required to locate this boy and hundreds like him. The character-building influence of the Church can make them outstanding men. Your active support of the local churches in their efforts to train such youngsters will have ample REWARD in the contribution these youths will one day make to the life of our Community.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

	Book	Chapter	Verses
Sunday	Colossians	3	1-11
Monday	Colossians	3	12-25

TALK OF THE TOWN

By FRANCES BIOW

Our skies may not be filled with heavy plane traffic as you'd find over aviation fields or crowded cities, but we are right up there in progressiveness when it comes to flying. Where else do neighbors run out and hop into the cub plane to drop in for a visit to a nearby rancher? THE BERT DENNISES, out Gail way, did just that to the flattered astonishment of the CLYDE MILLERS, who looked out their huge picture window that fronts their grassy acres and saw the visitors alighting Sunday afternoon. They had arrived casually for a short visit and to see the Miller home, which, admittedly, is something to fly to. . .

* * *

FRANK STEPHENSON informs us that American Legion boys are most grateful to MRS. W. W. NELSON, 2701 Avenue U, who has donated one wheel chair to the revolving collection the legion maintains. They have five chairs now, all loaned out to needy cases. They also have crutches. If you need to use any of this equipment, vet or not, call MARCEL JOSEPHSON, 487-W.

The NOLAN von ROEDERS are back at 2811 Avenue Y after that rushed and glamerous trip through California. There is still talk among their friends of the luncheon they enjoyed on the Robert Sherwood's yacht. "While away we traveled by plane, ship, auto, and train!" said Mrs. Von Roeder.

* * *

Energetically able to turn a penny when needed, the Homemaker's Class at school put on a Hobo Day last week which simply meant they all turned out in blue jeans and hove to at any job about town they could wrangle. Lawns mowed, babies watched, kitchens scrubbed, sidewalks swept, anything at tall. They will also sell Christmas cards like mad. It is all to buy a projector for movies in the Homemaking class.

Mrs. Blackard Has Bridge Party At Club

Mrs. Ophelia Blackard entertained the Wednesday Bridge Club at luncheon at Country Club. A floral arrangement of chrysanthemums and pumpkins decorated the buffet table.

Mrs. Blackard had invited as special guests of the club. Mrs. Jack Yeaman of Austin and Mrs. Bert Dennis of Gail. Mrs. Yeaman won the high score prize for guests, and Mrs. J. D. Scott took the high score prize among members. Mrs. R. B. Sears won traveling prize.

Members htere were Mrs. Wayne Boren, Mrs. G. B. Clark, Jr., Mrs. C. R. Cockrell, Mrs. P. W. Cloud, Mrs. Herman Doak, Mrs. Novis Rodgers, Mrs. B. L. McKinley, Mrs. W. D. Beggs, Mrs. N. R. Clements, Mrs. Harold Brown, Mrs. Scott, and Mrs. G. M. Heinzelmann.

PERSONALS

Mrs. Lee Taylor, 2707 Avenue U, returned yesterday from Van Alstyne, Tex., where she has been visiting her sister, Mrs. A. B. Carter.

Mrs. L. H. Hardy and Mrs. Willie Keel went to Sweetwater Tuesday on business.

Mr. and Mrs. Paul Flowers, West Side Trailer Court, are parents of a son born Wednesday at the Snyder Hospital.

Mrs. Don Pittman from Kermit has recently become secretary in the Extension Service offices in the court house, according to Mrs. Mildred Sparks, County Home Demonstration Agent.

Mrs. George Montgomery and small daughter are in Odessa this week, where Mrs. Montgomery is receiving medical treatment. Mr. Montgomery of the Frank Montgomery Dirt Contractor Co., will join her this week end.

Mr. and Mrs. Claude Holder, Post Road, are parents of a son born yesterday at the Snyder Hospital.

Tyler Lions Club To Continue Sale Of Car Chances And Pencils

TYLER, Oct. 27. (AP) — The Tyler Lions Club is going ahead with its sale of a pencil and a chance on a new car for a dollar, believing "public opinion has overruled the effect" of the state lottery law.

The Lions started selling pencils yesterday as soon as they got word that the Sixth Court of Civil Appeals in Texarkana had dissolved an injunction against the sale. Proceeds are to be used to buy glasses for under-privileged children.

A district judge, in issuing the temporary injunction, had called the Lions' plan a lottery. The appeals court agreed.

But the three judge court said a court of equity could not restrain the commission of a crime.

Justice I. N. Williams, who wrote the opinion, said dissolvement of the injunction would allow the Lions to resume selling the pencils and automobile chances. But he said that any member who did so faced possible criminal charges and was subject to indictment under the state gambling and lottery laws.

Snyder Florist To Demonstrate Design At San Angelo School

Mrs. Eleanor O'Hara expects to leave Sunday for San Angelo to attend the Floral Associational Design School, being held over the week end for all Texas and Southwestern florists interested in designing.

Mrs. O'Hara, who manages the City Floral shop, has been invited to demonstrate floral designs on the stage of the design school, to be held at the St. Angelus Hotel, San Angelo.

Wives of Lawyers Attend Dinner For The Bar Association

The Scurry County Bar Association entertained their wives last night at dinner at the Village Restaurant before their regular meeting.

The women later gathered at Mrs. Ross Hemphill's home, 419 Thirtieth Street, for bridge and canasta games.

Mrs. Hemphill, assisted by cohostess Mrs. Bob Davie, served cokes and candies.

Miss Truman On Television

NEW YORK, Oct. 27. (AP) — Margaret Truman, who makes her professional television debut Sunday night, says television is "a wonderful medium," and she sometimes keeps a date waiting while she watches a show.

The President's 26-year-old daughter will appear on Ed Sullivan's "Toast of the Town" program over the Columbia Broadcasting System network.

At a press conference yesterday, she declined to say how much pay she will receive for her appearance. She said she would sing two songs.

Miss Truman told newsmen she is a rabid television fan.

One of her favorite programs, Kukla, Fran and Ollie, a puppet show, is "just like 'Alice in Wonderland,'" she said, and added:

"If I have a date, he just has to sit down and watch!"

Miss Truman, who currently is busy with a concert tour, a phonograph record contract and with her musical studies, recalled that her father dropped up to inspect her Hotel Carlyle Apartment last Tuesday after he had addressed the United Nations here.

The President, she said, tried out her piano although she was out of the city giving a concert.

How did he like the piano?

"He said it was all right but that it needed tuning," she said. "I knew it needed tuning, but I was away on tour and didn't need it."

Father-Son Banquet Held

More than 50 persons attended the annual father-son banquet for members of the Snyder High School "A" football squad last night at the Country Club. Mothers of the players gave the party.

Small flags bearing jersey numbers, were placed between each father's and son's plates. Twenty-three boys and their fathers were present, along with three coaches and five guests.

Superintendent M. E. Stanfield was the principal speaker for the evening. He told the group of the benefit of athletics to students and school, and expressed the need of sports in the schools.

Long-time backer and former sports official Carl Herod talked briefly on what football does for the school. T. D. Wyman, high shcool principal spoke of Snyder High School's spirit for the team and the good students co-operation.

Guests of the group other than the three speakers were KSNY Sportscaster Len Benson and Dr. B. J. Weaver. Coaches present were Speedy Moffett, Mule Kayser, and Jack Blanchard.

Getting Ready for Girl Scout Week Here

Girl Scouts have had a busy week in Snyder, preparatory to observances of national Girl Scout Week next week. Shown above at the studios of KSNY, where they conducted a radio program on scouting, are, front row, Sharon Seagraves, Nancy Smith, Sandra Rivers, Diane Park, and Dena Dupree; and back row, Mary Jo Harrell, Mrs. Roy Smith, Brownie leader, and Betty Tom Norred. The girls represent all phases of Girl Scout work from Brownies through Senior Scouts—(Craft Studio photograph).

PERSONALS

Mr. and Mrs. C. A. Townsend, 1011 Twenty-seventh Street, have as a visitor Mrs. A. E. Riley from Odessa, who has been here visiting for a week with her son.

Mrs. J. E. LeMond, 1100 Twenty-sixth Street, has returned from a trip to Tahoka, Lubbock, and other Panhandle towns. She was away a week.

Mrs. C. T. Paul was ill yesterday and unable to be at her job as clerk at J. C. Penney's. The Pauls live at the Y Trailer Courts.

Mrs. Joy Keller and Mrs. Mildred Merritt are two new employees at the Stinson Drug Co. they are clerks in the cosmetic department of that drug store.

Dick Miller and David Andrew from Lincoln, Neb., are visiting at the Clyde Miller ranch near Fluvanna. Mr. Miller is the son of Mr. and Mrs. Clyde Miller, and is vacationing after a successful season as producer of a series of plays at a summer theater in Lincoln. Mr. Miller and Mr. Andrew will open another season at the Nebraska theater next spring. They plan to be in this area another week.

Both Mr. and Mrs. H. D. Griffin, who were in a car accident near Anson last week, are much improved. Mrs. Griffin is back at her post as manager of Franklin's. She received slight facial cuts and an injured leg. Mr. Griffin is still at home recovering from a fractured knee cap. He will return to his job with King Drilling Co. next week. They live at 2607 Avenue U.

Farewell Party For Mrs. Betty Wendell Snyder Held Thursday

Mrs. Homer Graham, 3110 Avenue U, yesterday afternoon feted Mrs. Betty Wendell Snyder with a farewell tea.

Mrs. Graham had deocrated her home with floral arrangements. In the dining room, lavender shades of dahlias and chrysanthemums brightened the buffet table, and the living room contained yellow and gold chrysanthemums.

Mrs. Snyder wore a black frock with a large bow at the shoulder, a large black picture hat, and other black accessories. Her corsage was a glamelia. The hostess wore a sheer black street length dress with a gardenia corsage.

Mrs. Graham served a chicken salad plate with rice, stuffed olives, cheese straws, two confections, and coffee to the following: Mrs. Edward Bolger, Mrs. W. W. Adcock, Mrs. D. M. Cogdell, Mrs. Gene Best, Mrs. Effie Kerley, Mrs. Sid Worrell, Mrs. Nolan von Roeder, Mrs. Floyd Boston, Mrs. Ben Pennington, Mrs. Lee Aiken, Mrs. R. L. Gray, Mrs. S. O. Cress, and Mrs. Harry Butler.

Mrs. Snyder received numerous going away gifts. She will leave for California next week.

Mr. and Mrs. Willard Jones of Camp Wood, formerly of Snyder, were here yesterday and this morning.

Mrs. Nachlinger Is Hostess to Hermleigh Home Demonstration

Mrs. Frank Nachlinger was hostess to the Hermleigh Home Demonstration Club Tuesday afternoon.

Mrs. Ernest Corley, president called the meeting to order, Mrs. Ben Henderson, secretary reading previous minutes.

Mrs. Henderson gave a report on the council she recently attended, and Mrs. Nachlinger read "The History of the Organization of the United Nations."

Mrs. C. L. Banks and Mrs. Corley won game prizes.

In celebration of her birthday that day, Mrs. Nachlinger served birthday cake, sandwiches, iced tea, and presented each guest with a present.

Present were Mrs. Banks, Mrs. Corley, Mrs. Henderson, Mrs. Addison Casstevens, Mrs. Ivy Sturdivant, Mrs. G. L. Wall, Mrs. Fred Campbell, Miss Sandra Sturdivant, Danny Sturdivant, Miss Ann Corley, and Richard Campbell.

PERSONALS

Mr. and Mrs. James E. Banfield have returned from a trip to San Antonio, their former home. Mr. Banfield is employed with the Weatherford Oil Tool Co. The Banfields live at Barber's Trailer Courts.

Mrs. Bessie Cochran, 910 Twenty-eighth Street, is a new employee at the Lee Home & Auto Supply Store. Mrs. Cochran was formerly the night manager and cashier at Nowlin's Cafe. Mrs. Cochran had held the post at the cafe for three years.

Mr. and Mrs. T. D. Thomas have had as guests at their home west of town Mrs. C. C. Blalock and children, Mrs. E. C. Hays, and Mrs. G. E. Woods, all from Talco, Tex. Mrs. Woods was going on to visit with a son at China Grove.

Aubry Bentley, left yesterday for Abilene, where he will be inducted into the Air Force. Bentley has been employed at the soda fountain at Stinson Drug Co. He is the son of Mr. and Mrs. Earl Bentley, 611 Twenty-fourth Street.

Bridal Shower For Mrs. Dale Walton

Mrs. Dale Walton was honoree at a bridal shower yesterday afternoon, given by Mrs. Tom Carney, 2611 Avenue V. Assisting Mrs. Carney at hostess duties were Miss Betty Chandler, Mrs. Gerald Walton, and Mrs. Leon Andress.

Hors de oeuvres, nuts, mints and fruit punch with colored ices were served from a buffet table centered with a miniature church house, nestled in white and maroon chrysanthemums. The hostess had placed a bell on the steeple and a miniature bride and bride-groom entered over a path strewn with gold and brown leaves. A cloth of Spanish imported linen and crystal cut work completed the tea table.

There was a guest list of more than 70 people. Pouring at the punch bowl, Miss Chandler wore a tailored black suit. Mrs. Gerald Walton wore a red gaberdine suit with a gold and bronze chrysanthemum corsage. Mrs. Andress was gowned in black.

The bride wore a rust colored corduroy suit with a gray blouse, bronze chrysanthemum corsage, brown accessories.

Mrs. McFarland Is Hostess At Bridge

Mrs. Armor McFarland entertained the Duce Bridge Club yesterday in her home, 2234 Sunset Drive, Highland Park.

Mrs. Carney Poppenoe won the traveling prize; Mrs. Dell Smith won high score prize; and Mrs. R. E. Patterson took low score prize.

Mrs. McFarland decorated with garnet roses clustered in a brandy snifter, with moss green and red ribbon wound around the stem. Roses decorated the entire house.

Mrs. McFarland served chocolate cake with divinity icing and coffee to her guests. The group will next meet with Miss Katherine Northcutt, 2707 Avenue W.

The poultry industry has a dollar rating of 3½ billions.

Seventeen Field Locations In Scurry During Week's Period

Locations for 108 tests for oil, including 20 wildcats, were listed during the week of Oct. 8 to Oct 14 in 24 West Texas Counties. The preceding week listed 83 tests for oil, including 13 wildcats, in 25 counties.

Totals for the first 41 weeks in 1950 became 3,520 in proven areas and 634 for wildcats, a grand total of 4,154. This is a weekly average of 101.3, up from 101.2 through the 40th week.

Runnels County led in wildcat locations with four, Crockett three, Garza two, Borden, Coke, Pecos, Ector, Kimble, King, Midland, Motley, Schleicher, Tom Green, and Upton Counties one each.

Pecos County gained 19 field starters, Scurry added 17, Ector 13, Runnels seven, Andrews and Crockett five each, Borden and Upton four each, Cochran, Coke, and Gaines two each, Reagan, Garza, Howard, Loving, Sterling, Tom Green, Ward, and Yoakum Counties one each.

Mickey Cohen's New Bullet Proof Sedan Is Put Up For Sale

LOS ANGELES, Oct. 27. (AP)—Today's transportation special Bullet proof Cadillac. At the ridiculously low price of $16,500 no family need be without one. Why talk? See Mickey Cohen, gambler.

Cohen, often the target of gangland bullets, is selling his custom built armored car because the California Highway Patrol denied him the special permit he needs to operate it.

Bullet proof cars, the patrol ruled, are for use only by money-carrying express firms and the like, not gamblers.

Burton Chalmers, who armored the car and is acting as agent for its sale, says it is even superior to the models used by President Truman.

Baptist Congregation Will Consider Bids on New Church

Members of the First Baptist Church will hold a business session Sunday to decide whether the church will accept the three lowest bids for construction of its new auditorium.

The three lowest bids — one on the general construction of the building, one on the electrical work, cooling, and plumbing — total $187,694, the Rev. E. K. Shepherd, pastor, said.

An unusually large number of contractors made bids on the three phases of the project, Mr. Shepherd said, with about eight bidding on the general construction of the building. The general construction bids ranged from $154,800 by B. F. Horn, of Abilene, to a high of $189,000.

The low bid for the plumbing, and year-around air conditioning was by Connally Stephens, of Abilene, for $27,018. The low for the electrical work was submitted by R. B. Tally, of Big Spring for $5,876.

Fred Buford of the Dallas architectural firm of Buford & Feinberg, designers of the proposed auditorium, said he was "pleasantly surprised at the number of bids submitted."

If the church accepts the low bids Sunday, work on the project is expected to begin in about two weeks, Mr. Shepherd said. The contractors also included bids on the number of days required for their work. Horn's time bid being 220 days. The number of days required for the builders ranged from this to 365.

When the construction is begun, the brick parsonage, now situated about 50 feet west of the present auditorium, will be moved to a new location in the west part of the city.

The present auditorium will be remodeled for an education building, and the new edifice will be erected adjacent to its west wall.

The church has a total of more than $122,000 in cash and pledges in the building fund, which was begun late last year, Mr. Shepherd said.

Circle of Business Women Organized At First Baptist Church

The Business Women's Circle of the First Baptist Church was organized Monday night, and nine officers were elected.

They were Miss Vera Periman, vice-chairman; Miss Thelma Leslie, secretary; Mrs. D. C. Worley, treasurer; Miss Katherine Northcutt, publicity chairman and historian; Mrs. Vera McClanahan, mission and Bible study chairman; Mrs. Dell Smith, benevolence chairman; Mrs. Ethel Eiland, program chairman; Mrs. Mildred Houston, stewardship chairman; and Mrs. D. K. Ratliff, social chairman.

The group will appoint a community missions chairman and a music chairman later.

The new organization chose the first and third Monday nights in each month for regular meeting dates, when the women will convene at the church at 7:15 o'clock.

Assisting Miss Periman, the hostess, in serving a Mexican supper to the group were Adene Wells and Shirley Ann Weber, homemaking students.

W. W. Park Is Guest Speaker At Women's Service Organization

The Women's Society of Christian Service of the First Methodist Church met Tuesday afternoon for their business session and worship program.

Guest speaker was W. W. Park, who talked on the United Nations. A talk on prayer for the UN was also given by Mrs. M. W. Clark.

Mrs. N. R. Clements and Mrs. W. W. Adcock participated in a program on medical education led by Mrs. Kruta. The worship program was led by Mrs. J. L. Robinson.

In the business session, the society voted to lend support to Miss Casner, from Texas Technological College, who is going to Brazil as a missionary. She has been an assistant to the pastor at Levelland.

Evangelical Methodists Building New Church

A new Evangelical Methodist Church is to be started this week in the Brotherland Addition, the Rev. O. J. Woodward, announced yesterday.

Some of the materials have already been secured, and several donations from Snyder citizens have been received. It is hoped that the first service can be held early in December.

The contract for the building was let to T. N. Moore, Snyder contruction man and member of the congregation. Moore is donating his services free.

The Rev. and Mrs. Woodward, formerly of LaFayette, Ga., came here on June 12 shortly after he was separated from the army. They now live at 2608 Avenue U. He is now employed by Owen's Department Store. When the church is completed he will be pastor.

The church is to be an English style chapel of hollow-tile and stucco construction.

Methodist Board Of Education To Meet

The board of education of the First Methodist Church will meet Tuesday afternoon for a business session concerning the needs of the Sunday School, with J. O. Littlepage, chairman, presiding.

Reports of Sunday School progress and present needs will be given by Lyle Deffebach, general superintendent of the Sunday Schools; W. W. Park, adult superintendent; Lyman Yoder, superintendent of young people; and Miss Eula Stimson, superintendent of the children's work.

The meeting will be held at the church at 3 o'clock.

World Peace Service At Methodist Church

The First Methodist Church Wednesday night held a special service in observance of national prayer week.

A session of prayer was held especially for world peace. The service was held in the place of the usual Wednesday night Bible study.

Secretary of W.C.T.U. Is Visitor in Snyder

Mrs. Thomas C. Jensen, of Austin, secretary of the state Women's Christian Temperence Union, left Snyder Wednesday after a week's visit here with the Rev. and Mrs. M. W. Clark, 2811 Avenue X. Mrs. Jensen was accompaned by her sister, Mrs. Martha Routt, also of Austin.

While in Snyder, the two women also visited with Mr. and Mrs. J. O. Dodson, 3105 Avenue S, old friends.

Mrs. Jensen and Mrs. Routt planned to go on to Amarillo and several other Texas cities.

Film Is Shown At Brotherhood Meeting

At least 50 men attended the Men's Brotherhood Meeting recently held at the First Methodist Church, the Rev. W. W. Adcock, pastor, said today.

A chief feature of the program was a motion picture film, "The First Step," a story of a Christian family and the training of children.

The program consisted also of a special song by a quartet.

A supper in banquet style was served by women of the Crusaders Sunday School Class.

The Men's Brotherhood meets monthly, the next meeting date being Nov. 20.

Church of the Nazarene Moved to Ave. G, 30th

The Church of the Nazarene, which has been located at 1209 Twenty-sixth Street for the past six years, was moved yesterday to its new location on the corner of Avenue G and Thirtieth Street.

The church was organized about six years ago in the north part of the city, and an auditorium was then constructed at Avenue M and Twenty-sixth Street, where the church was continued to meet since. The auditorium was moved to the new location yesterday, and the parsonage will be moved to the new site today.

The church plans to begin construction of a new auditorium soon, the Rev. J. D. Dillard, pastor, said. After the new building is completed, the church will convert the present structure into an educational building.

Hospital Physician Takes Leave of Absence

Dr. Mary Booth has taken a leave of absence from the Snyder Hospital Clinic, Bruce Greer, administrator of the hospital, announced yesterday.

Dr. Booth has returned to her home in Abilene for an indefinite period of rest, Greer said.

Steelmen Name Leader

HOUSTON, Oct. 27. (AP) — New president of the American Institute of Steel Construction is R. B. Wood of Chicago.

He was elected last night at the concluding session of the institute's 28th convention.

Girl Scouts' Play Day Set For Tomorrow

A kick-off breakfast at 8 o'clock Monday morning will open Girl Scout Week activities for Girl Scout troops here.

Purpose of the week's events is to swell the finances of the Scouts. Nolan Watson, finance chairman, will speak to the girls at the breakfast, beginning the drive to raise $2,000.

More than 750 Snyder girls have expressed interest in Scouting work, according to Mrs. Sam Wood on the Girl Scout Council. Many have already actively taken part in our first projects.

Play Day tomorrow begins at 3:30 lasting through 5 at the new Tiger Stadium, and we are prepared for all Girl Scouts and Brownies to turn out for the fun.

Miss Virginia Burgess, of Abilene, Girl Scout area chief, will arrive in Snyder Thursday to meet with all leaders. Miss Burgess will speak to the leaders at 9 o'clock Thursday morning, and will hold consultations all that day.

Dunn Farmer Killed in Fall Under Trailer

Fatally injured after falling beneath the wheels of his moving trailer, Oscar Farrar, 60, a Dunn farmer, died at noon yesterday in the Root Memorial Hospital, Colorado City.

Farrar was driving his tractor to Dunn, pulling a load of cotton, and was near the Deep Creek bridge between Ira and Dunn at about 5 o'clock yesterday morning when the accident occurred.

Investigating authorities reported that the tractor seat broke loose and let Farrar fall under the wheels of the trailer as the tractor continued to pull the load.

Farrar was found unconscious and several injured by an unidentified man, who took him to the Colorado City hospital and found he had suffered a crushed chest and fractured skull from the accident.

Born in 1890 in Arkansas, Farrar had lived and farmed near Dunn for the past 31 years. He was married to Audie Long July 25, 1914, in Morgan Hill, Tex. They live two and a half miles west of Dunn.

Whiting for the arrival of a son, Sgt. Clark Farrar, now with the Air Force in Spokane, Wash., the family has not made definite funeral arrangements. Sgt. Farrar is expected in Dunn Sunday. Services will be at the Dunn Church of Christ under the direction of the Kiker Funeral Home of Colorado City.

Survivors are the widow, Sgt. Farrar, and a daughter, Miss Hontas Farrar of Sul Ross College in Alpine. Farrar has three brothers, four sisters, and one grandchild.

Man Arrested By Police Bites His Own Arm

We have heard many times the old tale of "man bites dog," but the police here have a new one, a case of "man bites self."

It all happened last night shortly after 10 o'clock when patrolmen arrested the man for intoxication and brought him to the police station. While they were booking him on the charge, he suddenly lifted his arm and sank his teeth into it for several deep bites.

Rushing him to the Snyder Hospital for treatment of the wounds, police could not stop him in time to keep him from taking several more bites in his arm upon arrival at the hospital.

Treated for his injuries, he was taken back to the city jail.

On the police department's daily report, his booking was listed as "intoxication and cannibalism."

Scurry Farm Bureau Head Asks Relief on Cotton Export Ban

Farmers throughout the county, disappointed by the recent drops in cotton prices, are hoping for a quick change by Secretary of Agriculture Brannan, doing away with, or increasing the limit on raw exports of cotton which has resulted in a low of about $20 a bale to cotton growers.

Ross Williams, president of the Scurry County Farm Bureau, told farmers this week he had written Sen. Lyndon Johnson and George Mahon, representative of this district, asking that they use their influence in an effort to bring immediate relief to the farmers suffering loss on cotton sales after the unusually high expense encumbered this year in growing the crop.

JOHNSON'S REPLY

In replying, Lyndon Johnson sent me word that he believed there would be plenty of cotton left for all our national needs if the export limit — now 2,146,000 bales — were done away with," Williams said.

The limit was first set by Brannon at two million bales but was recently increased 146,000.

In a letter to Johnson, Tom Connally, and all Texas congressmen, J. Walter Hammond, president of the Texas Farm Bureau Federation, made an appeal that an effort be made by them to bring about a change in the present limit to stop the decrease in the cotton prices, which he said had dropped nearly 3½ cents a pound, plus a 50-point break in the basis.

BIG LOSS

"Farmers stand to lose many millions of dollars, which in turn will enrich the processors and distributors of cotton goods, with no saving to the consumers," Hammond said.

"We don't know yet," Williams said, "whether any change will come favoring the farmer in this matter, but he is the one who has grown the crop under many handicaps, including unfavorable weather, bad insect infestation, and labor problems. And if any action is taken to give the farmer relief, it must come before the cotton passes out of the farmers hands."

SCHLEICHER WELL

Delta Gulf Drilling Co. of Tyler and Dallas No. 1 H. F. Thomson estate has been completed as a discovery from the Strawn in North Central Schleicher County.

A calculated daily flow of 1,270 barrels of 42-gravity oil was made on a six-hour potential test of open hole at 5,751-5,803 feet.

Production was measured through a three-quarter inch tubing choke. Gas-oil ratio was 1,150-1. Flowing pressures were from 175 to 190 pounds on tubing and 790 pounds on casing.

Operator set seven-inch oil string at 5,751 feet. Total depth of the opener is 5,803 feet.

The discovery is 663 feet from north and 4677 feet from east lines of the south half of the northeast quarter of section 71, block TT, TC survey. It is one and one-half miles northeast of Hulldale and nine and one-half miles north and slightly east of Eldorado.

GAINES COUNTY

C. M. Ashby of Dalas has spotted location for his No. 1 Thornton Lomax and L. B. Johnson to be drilled as a 9,000-foot Devonian wildcat in extreme Southwest Gaines County.

The prospector will be drilled 660 feet from north and west lines of section 9, block A-13, psl survey. Operations are to commence at once.

The No. 1 Jenkins proved a failis five and one-half miles west and slightly north of The Texas Co., Humble Oil & Refining Co. and Ralph Lowe No. 1 T. E. Jenkins, Devonian discovery from 9,100 to 9,135 feet.

That opener was completed for a daily potential of 175.17 barrels of high gravity oil and 43-28 barrels of water daily.

The No. 1 Jenkins proved a failure in the Ellenburger at 11,465-519 feet.

The Devonian was topped at 9,116 feet, 884 feet high to Shell No. 1 Sparks, deep dry hole three and one-half miles to the northeast.

SHALLOW ZONE

W. M. Lyle of Midland, No. 1-C W. L. Murphy, North Pecos County exploration, located in the Imperial townsite, and 1,000 feet north of the nearest completed producer from the San Andres lime at around 2,500 feet in the TCI field, encountered a possible new and shallower producing zone between 1,560 feet and 1,585 feet.

Samples from that interval showed good signs of oil and the zone put some shows of oil on the mud in the pits. No drillstem test was run on the section.

The project is now making hole below 1,600 feet in shale and lime and it is going on down to about 2,500 feet to test the San Andres.

Location is 230 feet from east and 710 feet from north lines of section 13, block 3, H&TC survey.

TEST REEF

Stanolind Oil & Gas Co. took a drillstem test in the top of the reef lime at 9,720-9,813 feet on its No. 1 Allie Scales, north outpost to the discovery well of the Wellman field in Southwest Terry County.

A 1,350-foot water blanket was used. Tool was open three hours and gas came to the surface in one hour and 55 minutes.

There was a steady blow of gas throughout the test, but the well did not flow.

Recovery, which was reversed out, was the 1,350-foot water blanket, 500 feet of heavily gas cut mud and 500 feet of heavily oil cut mud.

There was no free oil or water. Open flowing bottom hole pressure was 1,025 pounds. Shut-in pressure after 15 minutes was 4,250 pounds. Operator is preparing to drill deeper.

The top of the reef lime is at 9,735 feet by samples, on an elevation of 3,281 feet. That makes it minus 6,454 feet and 21 feet low to the top of the reef in Anderson Prichard Oil Corp. No. 1 Bevers discovery well of the Wellman field.

Location is 660 feet from south and east lines of section 14, block DD, John H. Gibson survey and nine miles southwest of Brown field.

When you roast pork, use a roast meat thermometer placed in the center of the roast. When the thermometer shows an internal temperature of 185F. the pork is done.

Two Snyder Women In Hardin-Simmons Band On West Texas Tour

Charlene Goodall and Lynn Logan of Snyder are two members of the Hardin-Simmons University Cowgirl Band.

Miss Goodall is the daughter of Mr. and Mrs. Charles Goodall, and Miss Logan is the daughter of Mr. and Mrs. Archie Logan.

The Cowgirls will make a tour of West Texas and Oklahoma towns Monday through Thursday next week. They will appear in Albany, Seymour and Wichita Falls Oct. 30, Lawton, Okla., Altus, Okla. and Childress, Oct. 31; Plainview and Hereford, Nov. 1; and Levelland and Lamesa, Nov. 2.

The band, under the direction of H. Bryce Jordan, is one of the few all-girl organizations of its type to be found in a co-educational school. It is composed of approximately 45 girls who specialize in the show band style of entertainment.

Featured soloists of the band are Mary Jane Smith, Houston, accordian soloist; Genora Brown, Midland, mistress of ceremonies; Doris Crudgington, Breckenridge, vocalist; and Norma Kniffen, Chicago, national V.F.W. twirling champion. Also featured is a trombone trio consisting of Tomi Williams, Bledso, Anna Kether of Hico, and Doris Crudgington.

Men Should Beware Of New Air Search Tactics By Wives

DAYTON, O., Oct. 27. (AP) — A Dayton woman yesterday practiced the modern way to check up on husbands.

She called the Miami Valley Flying Service here and said she would like to charter a plane if—"If you can see well from the air with a pair of field glasses. . .well enough, that is, to spy on things."

The flying service didn't disclose the woman's name, but said when she appeared she wanted to fly near restricted areas at nearby Wright-Patterson Air Force Base. Employes of the service hesitated and asked her to explain.

"My husband piles up a lot of mileage on his car, and I want to find out where he goes after he leaves the field and before he gets home."

She made the flight, all right, but what she found out was her secret. She wouldn't discuss what she saw through the glasses.

Have a jar of chocolate syrup on hand to dress up desserts. It's delicious over cottage pudding or tapioca cream, as well as over vanilla or peppermint ice cream.

Funeral Today For I. T. Ivison

Funeral services were to be held this afternoon at 2:30 for Ira Tom Ivison, 55, former Snyder resident and mechanic who died in Ingram, Tex., Wednesday night.

Ivison was born in Arkansas June 4, 1895. A garage owner at Avenue L and Twenty-fourth Street in Snyder several years, he retired last year and moved with Mrs. Ivison, two sons, Tommy Ivison and Jimmy Ivison, and daughter, Oma Anne Ivison, to Ingram.

Services were to be held in the First Methodist Church, where the Rev. O. B. Herring of Slaton, former Snyder minister, was to officiate, assisted by the Rev. W. M. Clark and the Rev. W. W. Adcock of the First Methodist Church.

Funeral arrangements are by Bolger-Barnes Funeral Home, and burial was to be in the Snyder Cemetery.

Pallbearers are Holly Shuler, Ben Nelson, Elbert Perry, Jim Ikard, Ed W. Thompson, and Doyle Pogue.

Honorary pallbearers are Paul Jim Pitner, A. C. Alexander, Harvey Shuler, Fred Davis, Alfred Greenway, Mike Burditt, R. O. McClure, David Stravhorn, Will Sturdivant, Charlie Noble, Lee Stinson, O. V. Littlepage, J. E. Shipp, R. H. Odom, N. W. Autry, John Pratt, R. E. Patterson, G. R. Austin, Jr., E. E. Thompson, Jr., Bo Moffett, Douglas McGlaun, Tollie Favor, George McDowell, Hilton Lambert, Earl Strawn, Ernest Taylor, and John Lynch.

Survivors other than Mrs. Ivison and the children of Ingram are four other sons, Allie Ivison, 156 Twenty-second Streetr, Deel Ivison, Truman Ivison, and Kenneth Ivison, all of Snyder; three sisters, Mrs. Jim Gage of Plainview, Tex., Mrs. Jack Kitchwood of Durant, Okla., and Mrs. Bill Tribble of Amarillo; a brother, J. W. Ivison of Loraine; and eight grandchildren.

Michigan produces 91 per cent of the automobiles manufactured in the United States.

Lover's Lane Curfew Extended In Philly

PHILADELPHIA, Oct. 27. (AP) —Love's young dream was given a boost yesterday by Philadelphia's City Council.

Council voted to extend from 11 p.m. to midnight the legal hour for parking on the biways of the city's Fairmount Park—long a favored haunt of guys and their gals.

Youngsters like molasses and it offers them splendid food values. Serve it spread on bread and butter, in milk drinks, and on waffles or pancakes.
