Just Between Us

by ABJ

The response to our letting off ittle steam over the Cuban sit- ion last week has been pleas- but it's not at all surprising find so many people feeling as we do.

Since last week, many U.S. law- kers have shown concern, even ng so far as to draft a reso- ion Wednesday threatening ac- . . . but with that inevitable

We still believe the time for ing is past. Resolutions will an absolutely nothing to the sians. Power is the only thing understand.

Sound like warmongering? We k not. Seems more like com- n sense.

—jbu—

Our leaders have attempted to us long enough. Remember President Kennedy tried to down the scare over Cuba a ple of weeks ago, declaring the only Russians there— haps numbering as many as 6—were technicians?

Now, newsmen who actually saw Soviet camps around Havana eve that number far exceeds 00. And they aren't technicians . they're soldiers—Russian diers!

—jbu—

Congressman Walter Rogers of s week showed some of the dness we like to see. Speaking Amarillo, Rogers called for an asion of Cuba if proof is found t missiles are being shipped the island by Russia.

—jbu—

We're waiting to learn the ion of Jack Seale, Rogers' Re- blican opponent, on the issue. And we should be able to learn way of thinking before long. le plans to visit McLean on t. 12, according to one of his porters.

—jbu—

We're not trying to flatter our- ves or gain any notoriety, but would like to offer a sugges- n.

So many times, we voters won't e the trouble to write our ngressman our views on any fters. We'll tell them to each er and mull over them to our- ves, but he's the one we should form.

If you feel as we do but don't nt to take the time to write letter, why not clip out last ek's Just Between Us, write ross" on the clipping and mail to Rogers or one of our senators.

—jbu—

A nice note came to our desk is week, along with a change of dress from one of the News' bscribers.

Don Smith of El Paso wrote,

"Even though I have been away m McLean since my graduation m WTSC in 1958 and MHS in I continue to enjoy reading e gossip columns and other news our little paper. You people ally deserve a slap on the back a job well done."

Thanks, Don, and we'll keep the per coming.

Go-Cuter-Go gave the owners ynes a real fright last Saturday. The year-old son of Quarterhorse acing Champion Go-Man-Go turn- d up stiff, and barely able to get ound.

Sam Haynes, however, soon dis- overed the cause of his trouble. Go-Cuter apparently had been ightened by the lightning the ght before and slipped down.

BIG ATTRACTION: A gigantic red sphere will house the Man in Space Show at the State Fair of Texas in Dallas Oct. 6-12. The nation's first traveling space exhibit will include films of John Glenn's historic space flight, a mockup of the type vehicle scientists believe will carry man to the moon, a Moonscape, a detailed model showing current plans for maintaining life and exploration on the moon, models of the Atlas and several other space vehicles and space-age exhibits.

Clinic Set for Oct. 7

Sabin Vaccine Will Be Given

Type 1 of the Sabin oral polio vaccine will be given at the McLean school cafeteria on Sunday, Oct. 7, it was announced this week by the Lions Club.

The vaccine will be offered here from noon until 6 p. m. at the cafeteria, and there is to be no charge to persons receiving the anti-polio serum.

Those taking the vaccine will be permitted to donate to the project if they desire.

Dr. H. F. Fabian, McLean physician, will be in charge of the clinic.

The Sabin vaccine is taken by mouth on a cube of sugar.

All Over 6 Weeks

Dr. Fabian reported that all persons over six weeks of age are being encouraged to take the vaccine.

Diabetics will be provided with distilled water for taking the vaccine, and the vaccine will be dropped into the mouths of infants.

Types 2 and 3 of the Sabin vaccine will be given at later dates, which have not yet been set. It is recommended that the types be given not less than six weeks apart.

The clinic here is a part of a Gray County-wide project to immunize all residents against polio, and the vaccine is to be given the same day in Pampa and Lefors.

DURHAM RITES HELD TODAY

Funeral services for Mrs. Gracie Elizabeth Durham, 82, a resident of the McLean community most of the time for the past 39 years, were held at 10:30 this morning in the McLean Church of Christ with Don Willingham, minister, officiating.

Burial will be Friday at 10 a. m. in the Wilcox, Ariz., Cemetery, under the direction of Lamb Funeral Home.

Mrs. Durham died Tuesday morning at 9:30 in the Groom Hospital.

She was born March 20, 1880, in Arkansas and married F. E. Durham on Sept. 14, 1898. They moved from Wheeler County to McLean Jan. 1, 1923.

Survivors include one daughter, Mrs. John W. Dwyer of McLean; two sons, Archie Durham of Dragoon, Ariz., and Bruce Durham, address unknown; one sister, Mrs. Julia Townsend, Stonewall, Okla.; 20 grandchildren and 24 great grandchildren.

Pallbearers were J. D. Fish, Wayne McIlroy, Ernest Watson, Arthur Dwyer, Clyde Willis and Jesse Coleman.

McBlackcap Wins

Saunders Bardo McBlackcap, shown by George F. Saunders of McLean, won the reserve junior champion female honors earlier this month at the Mid-American Fair in Topeka, Kan.

Panhandle Clips Tigers; Groom Game Is Friday

LAST HALF TOO MUCH FOR McLEAN

Winless in two contests this season, the McLean Tigers will leave home Friday night to face the Groom Tigers in a game scheduled for 8 p. m.

The engagement will pit two teams which have failed to come up with a victory so far in the young season.

Groom lost its opener to Lefors, then last week fell to Gruver.

Coach Derral Davis, seeking ways to improve the Tiger offense, will present a revised lineup Friday night. But he hadn't made definite assignments this morning.

McLean held the visiting Panhandle Panthers in check almost through the entire first half here last week, before the visitors broke away and rang up their first score with four seconds remaining before intermission.

Pass Gets TD

End Alton Daniels caught a pass in a play that tarted from the McLean 12 to turn the trick for Panhandle. The try for extra points failed.

Earlier in the game, much of which was played in a downpour of rain, the Bengals got to within three yards of paydirt before being brought to a halt.

The drive started on the Panhandle 46 after Eddy Windom recovered a fumble. Gary Graham, Dickie Crockett, Bob Patton and Don Woods teamed up to move the ball downfield.

Panhandle took over on downs at the three-yard mark.

The visiting Panthers returned to the field with renewed determination after the halftime rest. An intercepted pass late in the third

INVOKES JEFFERSONIAN PRINCIPLES: Congressman Walter Rogers of Pampa introduces youth to Thomas Jefferson in observance of the 175th anniversary of the adoption of the U.S. Constitution. In remarks before the House of Representatives, the congressman hailed the Constitution as the "perfect answer to communism or any other ideology of those who would subject mankind to slavery."

City Students At Clarendon College

Attending Clarendon Junior College from McLean are the following:

Charles Jones, son of Mr. and Mrs. E. G. Jones; Tommie Hill, son of Mr. and Mrs. J. W. Hill; Jimmy Ray Kingston, son of Mr. and Mrs. Bill Kingston; Richard Norman, son of Mr. and Mrs. Myrle Norman; James Nall, son of Mr. and Mrs. Elmo Nall; "Pete" Miller, son of Mrs. Elizabeth Miller; Danny Douglas, son of Mrs. Willie Lamb; Gary Gordin, son of Mr. and Mrs. Leslie L. Gordin; John Glass, son of Mr. and Mrs. J. R. Glass; Emme Grigsby, daughter of Mr. and Mrs. Arlie L. Grigsby; Kay Green, daughter of Rev. and Mrs. L. R. Green; Bill Goldston, son of Mr. and Mrs. L. T. Goldston; Doris VanHuss, daughter of R. L. VanHuss.

HALE FUNERAL HELD MONDAY

Funeral services for Herbert Daniel Hale, former McLean resident, were held Monday in the Calvary Baptist Church in Pampa.

Interment was in Hillcrest Cemetery here, with Masonic graveside rites conducted by the Pampa Masonic Lodge.

An engineman for Phillips Petroleum Co., Mr. Hale lived at the Phillips Fairway Booster Plant south of Pampa. He was 64.

He was pronounced dead on arrival at Worley Hospital in Pampa at 10 a. m. last Friday.

A resident of the Panhandle area for 38 years, Mr. Hale was born in Arkansas on May 6, 1898. He was a deacon in the Calvary Baptist Church and a member of the Pampa Masonic Lodge AF and AM 966, Pampa chapter of Royal Arch Masons, and the Khiva Shrine Temple of Amarillo.

He was a 32nd-degree Mason of the Dallas consistory and a veteran of World War I.

Surviving are his wife, Lola Lee; one son, Nathan, a student at Tarleton College, Stephenville; three daughters, Mrs. Marvin Hall, Oklahoma City, Mrs. Noble Lane, Houston, and Mrs. H. L. Nelms, Seminole; one brother, Sam of Floydada; one sister, Mrs. Ollie Harbur, Chillicothe, and eight grandchildren.

BAND BOOSTERS MEETING

The first McLean Band Boosters meeting of the school term will be held at 7 p. m. next Tuesday in the new band hall. Parents of all band students — fifth grade through the high school — are invited.

Livestock Scales To Be Installed At Local Rodeo Grounds

Installation of a set of scales for weighing livestock is underway at the McLean rodeo ground, it was announced this week.

John C. Haynes, president of the 66 Roundup and Rodeo Association, said it was decided to install the scales after the Rock Island Railroad announced that the scales at the depot may be used for weighing only cattle to be shipped by train.

Contributions to pay for the scales and pens are being accepted at the American National Bank in McLean and The McLean News.

Haynes said all business people and area farmers and ranchers are being given an opportunity to contribute to the project.

A drive to raise the necessary funds has begun, and Haynes said persons not contacted could leave their donations at the bank or news office.

After completion, the scales will be available for use by all area farmers and ranchers.

Billingsley Has First Bale Here

The cotton harvest in this area officially began Wednesday, when Roy Billingsley, local farmer, brought two bales to the McLean Gin for processing.

Billingsley's first bale weighed 450 pounds and the second was a whopping 565 pounds. Both were pulled from an 87-acre field some two miles south of town.

A picture and additional details about the first bales will be published in next week's McLean News.

Weddle Writes 3rd Book

Wilderness Renegades is the name of the third book written by a former resident of McLean and just published by Franklin Watts, Inc., of New York City.

Ferris Weddle, brother of Mrs. Bill Moore of McLean, is the author of the new book. He now lives in Kamiah, Ida.

Born in Leaday, Texas, Weddle has spent most of the past 16 years in Idaho.

In addition to Mrs. Moore, he has another sister who lives in Amarillo, Mrs. Mae Belle Phillips, recently of Clarendon. Numerous other relatives live throughout the Panhandle and as far south as San Angelo.

The new book, Wilderness Renegades, has the same major characters who appeared in Weddle's other two books—Blizzard Rescue and Blazing Mountain.

The hero is Clint Wade, 13-year-old aspirant wildlife photographer and the son of a biologist with the state game department.

When Clint's father, Matt Wade, is assigned to study the habits and habitat of the bighorn sheep in a Northwestern mountain area, Clint is permitted to accompany him.

Trapper Bill, the old mountaineer who appears in the other books, comes along, too. Clint meets a new friend, Carlos Arranga, a young Basque sheepherder who is having trouble with his boss, a cranky old herder called Shoshone Joe.

An outlaw bear which hits both the wild and domestic sheep bands provides additional excitement, and the climax to the book is when the animal is finally killed—but not before it causes all kinds of trouble for the human characters and the hunting hounds.

As with the previous books, there is a great deal of information about Northwest wildlife, including golden eagles which are also found in Texas.

Quite a bit of space is devoted to the story of the Basques who come to the western United States from the Pyrenees Mountains of Spain and France. The largest Basque population in the U. S. is in Idaho.

SCALES

In talking with Bryan McPherson and Truitt Johnson, I learned that several local ranchers are in the process of erecting a set of scales at the rodeo grounds.

They tell me they plan to pay for the cost by donations. Letters are being sent out soliciting contributions. They say response has been excellent.

Most everyone realizes the necessity of having to put in the new scales, even though there is already one good set in town.

Although I recognize the rights of the firm that has caused the necessity for building the new scales, I am wondering if any fewer cattle will be shipped by truck than in time past. Just an idle thought.

WHEAT PASTURE

Prospects for wheat pasture look even brighter since last week.

The demand for wheat pasture for cattle is beginning to pick up. No doubt, this will have a local bearing on prices.

A good friend of mine told me the other day he sold some heavy calves for $146 per head. This is high-priced cattle.

Let's hope the rains and prices continue good.

WINNERS AT FAIR

LOOK HOW CLEAN MODERN ELECTRIC HOME HEATING IS!

EVEN A SNOW WHITE HANDKERCHIEF STAYS CLEAN WITH ELECTRIC HEAT

From home after home where electric house heating has been installed, you hear comments like these:

"Dusting is practically unnecessary . . ."

"Drapes just never seem to get dirty."

"We haven't had to redecorate in years."

And, then, electric heat homeowners volunteer information like,

"There just aren't any cold drafts or hot blasts."

"We've never felt so completely comfortable."

"It's amazing, there's just no maintenance to pay for or worry about."

Clean and comfortable — that's electric heat. And more economical than you believe possible. Ask your Public Service manager about electric heat — including a special heating rate.

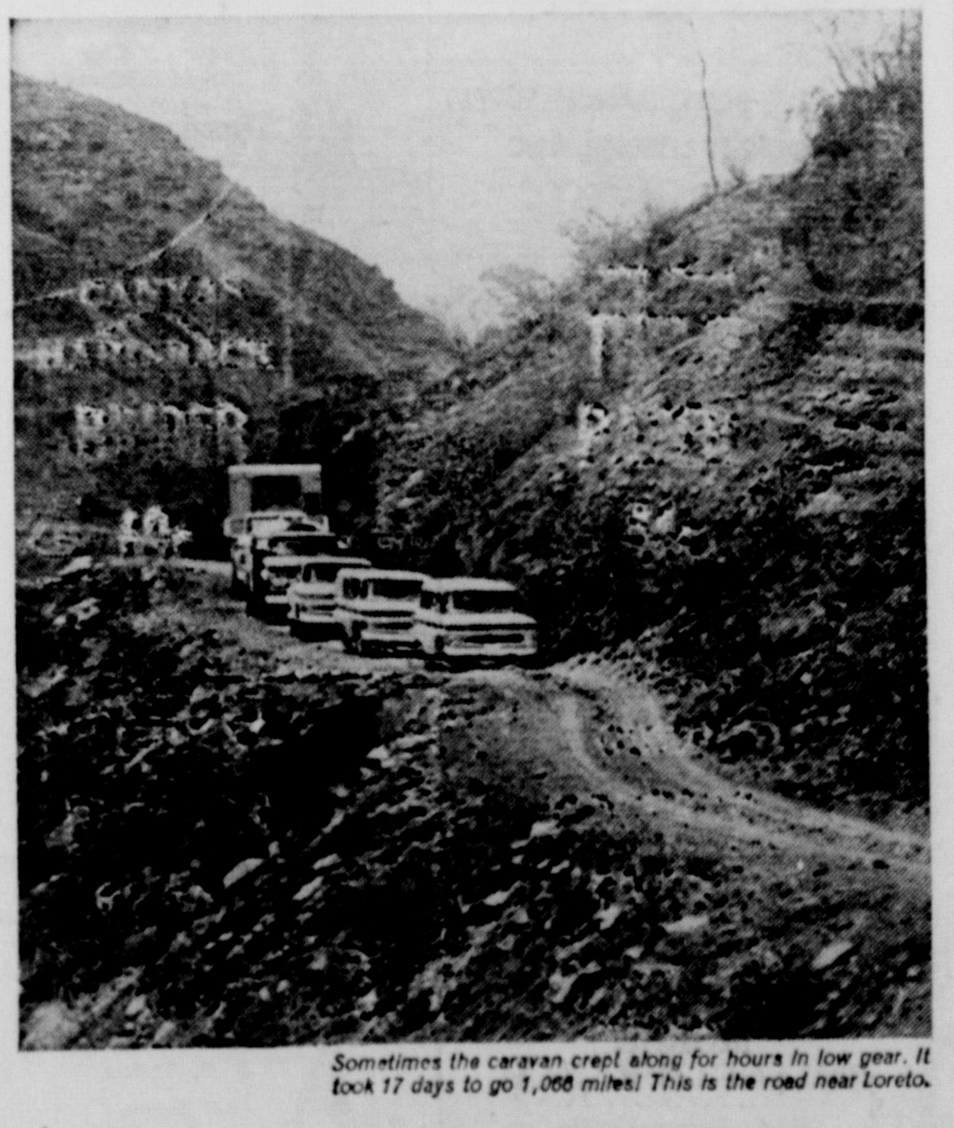
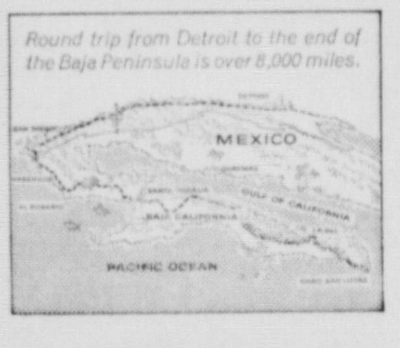
Tough new '63 Chevrolet Trucks are here!

...THE ONES THAT WHIPPED THE BAJA RUN...TOUGHEST UNDER THE SUN...
TO SHOW THE WORTH OF NEW ENGINES, FRAMES AND SUSPENSIONS!



Sometimes the caravan crept along for hours in low gear. It took 17 days to go 1,066 miles! This is the road near Loreto.

Round trip from Detroit to the end of the Baja Peninsula is over 8,000 miles.



Millions of years ago nature fashioned a proving ground for trucks that man can never duplicate. Today it is known as the Baja (bah' hah) California Peninsula, Mexico.

These pictures give you only a bare idea of the place. The road is fine for 140 miles below the U.S. border. Then the beating begins. Rocks and hard-baked ruts bang, jab and jerk the trucks from stem to stern. Loose sand makes them struggle and strain. Dust chokes them. Heat roasts them. Rivers drench them.

The Baja Run took this Chevrolet truck caravan 17 days to go the 1,066 miles.

All the trucks performed magnificently. Not one was forced to drop out because of mechanical difficulty.

Trucks that can take this kind of beating can take on your toughest truck jobs. Come in now and see tough quality-built '63 Chevrolet trucks with all their new improvements.

RAINFALL IS HEAVY HERE

A heavy thundershower dumped 1.09 inches of rain on McLean early this morning, and left the city enclosed in fog which was still hanging around shortly before noon.

The downpour brought to 3.57 inches the moisture total received by the city during September, and weathermen forecast the possibility of more to come.

It rained and it blew here Sunday night, but still left only .61 inch of moisture. This, plus the .69 inch received on Friday and Saturday, gave the thirsty soil and rangeland a good soaking.

Several television antennae were blown over in Sunday night's storm, accompanied by brilliant displays of lightning and booming thunder.

The same type of storm Friday night deposited more than three inches of rain in some areas north of town, and the lightning was fierce.

.60 on Friday

A shower on Friday had brought .60 inch to the city, and .09 inch fell the following day.

For the year, McLean now has received 15.72 inches, still well below the 20.21 to date in 1961.

After a fall-like spell of weather, temperatures shot back up again during the past week to warm readings.

A high of 101 was recorded last Thursday, the maximum of the week. The low was 60 degrees on Tuesday.

quarter started Panhandle on its way again.

38-Yard Drive

The drive started on the Panhandle 38, and Bill Addington scored the TD from two yards out, with 11:56 remaining in the game.

Again the try for conversion failed.

Shortly after the Panthers were knocking again, taking over on downs at McLean's 43. Halfback Jerry Hawkins raced 36 yards for the score.

This time 9:10 was left on the clock.

Capt. Kidd Tourney Will Be Held Sunday

The Capt. Kidd Golf Tournament, erroneously reported as being scheduled for last Sunday, will be held Sunday at the McLean course.

Tee-off time is set for 1 p. m.

Sonny Back, tournament chairman for the McLean Lions Golf Association, said four people—men and women—will play on each team in the Capt. Kidd Tournament.

The annual City Tournament is planned at the local course on Sunday, Sept. 30.

All golfers are invited to enter both of the tournaments.

Several McLean golfers entered the Shamrock tournament last Sunday, with one winning second place in his flight.

Chester Bohlar took second in the third flight of the tourney.

Art Exhibit Slated Sunday in Wellington

WELLINGTON—(Special) — Dord Fitz, internationally known artist, art teacher and gallery owner of Amarillo, will be presented Sunday in a lecture and showing of his paintings in the major art exhibit slated for Wellington this fall.

Presented along with him will be Robert Perkins, Amarillo dress designer, who will study in New York on a scholarship after Jan. 1.

There will be a relationship between each dress and a painting, the correlation of the two makes this exhibit unusual in its presentation.

This exhibit will be in the community building and will begin at 3 p. m. The public is invited to attend.

The Domestic Science Club is sponsoring the exhibit.

Fitz has art classes in Childress, Stratford, Dallas, Pampa, Spearman and Perryton, as well as in Amarillo in Texas; in Liberal, Kan.; and Oklahoma classes in Beaver, Boise City and near his ranch home in northwestern Oklahoma.

He started a new class in Wellington Sept. 13. This class meets from 7 to 10 p. m. on Thurdays and is held in the high school library. A new class has also started in Memphis to meet on Thursday mornings.

Area Cotton Classing Office is Opened Again in Memphis

To give cotton farmers in this area more convenient and faster classing service, the U. S. Department of Agriculture opened its Memphis cotton classing office Wedneday.

Operating now for the fourth season, the Memphis cotton classing office serves 56 gins in Armstrong, Briscoe, Carson, Childress, Collingsworth, Cottle, Donley, Gray, Hall, King, Motley and Wheeler Counties.

Kermit E. Voelkel, who has been with the cotton division of USDA'S Agricultural Marketing Service for 31 years, is in charge of the Memphis office this season.

During the peak ginning season, the Memphis office has facilities for classing about 5,000 samples per day.

Last year, the Memphis office classed 217,432 bales of cotton, according to Voelkel.

Early ginned cotton in the Memphis territory was classed in Altus. Should a farmer want a review on any of these classifications, the request for review and samples should be sent to Memphis, points out Voelkel.

Cotton is classed without cost for farmers begonning to organized Smith-Doxey cotton improvement groups.

Get Best Price

Farmers who know the grade and staple of their cotton are in a good position to get the best market price for it.

"That is why farmers in this area have nearly all of their cotton classed by USDA," Voelkel says.

In addition to classing cotton the AMS cotton office releases every Friday the "Texas Oklahoma Market Review," describing local, state and national market conditions, trends and quotations, plus fact on picking, defoliating, machine harvesting and ginning.

During the harvesting season, AMS issues a cotton quality report by classing offices every Monday and a quality report by districts, monthly.

During the ginning season, it releases a cottonseed review every Thursday.

Persons wanting these cotton reports can get them without cost by writing to Voelkel, 221 Noel Street, Memphis, Texas.

Objects of P-TA Outlined at First Meeting of Year

The McLean P-TA met Tuesday, Sept. 11, in the grade school cafeteria at 7:30 p. m. for the first meeting of the new school year.

Mrs. H. F. Fabian, president, welcomed the parents and teachers to the meeting. She then gave the objects of the P-TA, which are:

1. To promote the welfare of children and youth in home, school, church and community.
2. To raise the standards of home life.
3. To secure adequate laws for the care and protection of children and youth.
4. To bring into closer relationship the home and the school, that parents and teachers may cooperate intelligently in the training of the child.
5. To develop between educators and the general public such united efforts as will secure for every child the highest advantages in physical, mental, social and spiritual education.

The officers for the year are Mrs. Fabian, president; Mrs. Jerry Day, vice president; Mrs. Jack Shelton, secretary; Mrs. Chester Bohlar, treasurer; Mrs. W. C. Simpson, parliamentarian, and Mrs. Billy C. Norwood, reporter.

Jack Riley, principal, introduced the grade school faculty.

The main speaker of the evening was Mrs. R. Crews Henry, state P-TA chairman of recreation and a first grade teacher in the Canyon Elementary School.

Theme for the meeting was "Homes Create Community Strength Through Good Citizenship."

One hundred four parents were signed up at the meeting for membership. The goal of the P-TA is to sign up at least one parent for each child in the school. An award will be given to each classroom as it reaches 100 per cent membership.

Room count at the meeting was won by Miss Leona Forbes' third grade room.

Refreshments were served by the new officers.

The next meeting will be on Oct. 10 at 4 p. m. in the grade school cafeteria. First grade mothers will serve the refreshments.
