

Accident On Lake C-City Claims Life Of Woman

New Deal Resident Drowns in Mishap

Mrs. Claude Phipps, 57, of New Deal drowned in a boating accident on Lake Colorado City Sunday afternoon.

Mrs. Phipps, a former resident of Colorado City, and 4 others were riding a motorized barge at about 3 p. m. when the barge tipped over about 100 yards from the lake shore.

The victim and her husband, her son and daughter-in-law, Mr. and Mrs. A. B. Phipps, and her grandson, Max Phipps, 3, were riding the barge at the time of the accident. The barge was moving toward the shore near the Sportsman's Club on the west side of the lake.

Mrs. Phipps and her grandson were trapped under the approximately 2 1/2-foot high metal-mesh railing around the homemade barge. They were freed by the efforts of the 2 men riding the barge.

The victim reportedly was assisted ashore and asked, "Is Max alright?" She collapsed immediately and died although efforts to revive her were made for over an hour.

The young Phipps was taken to Root Memorial Hospital here, but was released after 2 hours of observation.

Oxygen and mouth-to-mouth respiration were administered to Mrs. Phipps for more than an hour before Dr. Seth B. Cowan pronounced her dead. He gave the cause of death as drowning.

The family were at the lake for a day's outing and had been riding on the lake for some time when the accident occurred. The barge was powered by an outboard motor and was supported by 2 metal pontoons that ran its length underneath.

Exact cause of the accident has not been determined, states Colorado City Police Chief Leon Yeager. It is thought that perhaps the 5 gathered on one side of the barge and their weight tipped it over, but the possibility of a leaking pontoon has not been discounted, states Yeager.

The drowning death was the first in Mitchell County in 1961. Mrs. Phipps was born March 17, 1904 in Louisiana and married in Lubbock in 1919. She and her family lived in Colorado City for 10 years — from 1925 until 1935.

Funeral services were held in Lubbock Tuesday under the direction of Franklin Mallett Funeral Home. Burial was in the Lubbock Cemetery. Local arrangements were made by ACCIDENT pg. 5

Cameraman Records Lake Boat Tragedy

A news photographer's job is to be on the scene at the time news is being made.

Cal Moore was on the job at Lake Colorado City Sunday afternoon with his camera and recorded on film the tragic events of the drowning of Mrs. Claude Phipps of New Deal.

The 2 pictures appearing on this page of the Record and numerous others were made by Moore immediately following the barge accident.

Moore is a sophomore advertising student at Texas Tech College in Lubbock. He is the son of Mr. and Mrs. Hatton Moore who live in the Buford Community and is a 1959 graduate of Colorado City High School.

Covering the news in pictures is nothing new to the Mitchell County native. He has served as head photographer of Tech's student publication, newspaper, and yearbook.

Attempt Fails

County to Buy Used Trucks

Contractor E. W. Wilson submitted the low bid on 4 used trucks to Mitchell County Commissioners this week.

The bids on the 4 trucks, with dump trailers, were opened by the Commissioners Wednesday.

The trucks are being purchased for use in 3 of the county's 4 precincts — precincts 1, 2 and 3. The bid was for a total of \$9,750 on 3 1959 Dodge and 1 1958 Dodge 2 1/2 ton trucks. All have heavy duty transmissions and rear ends and 1958 Dunham 10 - yard hydraulic dumps.

The bid placed the purchase price of the 3 1959 trucks at \$2,500 each and the 1958 model at \$2,250 — totaling \$9,750. Used trucks were purchased, the Commissioners stated, because it was felt that they could adequately fill the jobs for which they are intended and still save several thousands of dollars for the county over the price of new trucks of the same type. All have been checked out by mechanics.

Baby Dies Enroute To Galveston Hospital

Carolyn Thompson, 4-day-old daughter of Mrs. Zeina Thompson, died today (Thursday) at 12:45 a. m. in Gratesville.

The ill infant was enroute to John Sealy Hospital in Galveston at the time of her death.

Graveside services were held today at 10:30 a. m. in the Mitchell County Cemetery with Rev. C. C. Beck officiating.

She is survived by her mother of Colorado City.

1-Year Church Scholarship to Salutatorian

Miss Judy Humphreys, Salutatorian of the 1961 graduating class of Colorado City High School, received a 1-year scholarship.

Miss Humphreys, the daughter of Mr. and Mrs. Harvey Humphreys, 1005 Cherry St., was awarded the scholarship by the Church Related Schools of Texas.

She will attend Wayland Baptist College in Plainview where she plans to major in sociology in preparation for a career in social service.

Miss Humphreys had a 4-year grade average of 94.79 — just 1/100 of a point behind John Gale and Miss Judy Ellis who tied for Valedictorian honors for the 86-member class with an average of 94.80.

4 SUBJECTS OFFERED

Summer School to Open Here Monday

It's back to school for many Colorado City public school students Monday when Summer School opens.

The students begin registering at 8 a. m. Monday at the high school.

Three courses, and possibly 4, will be offered in the 8-week, 2 part session at the school.

Civics, American History and World History will be offered, reports superintendent Frank Wilson and also English if enough sign up for the subject.

The English must be repeated work, he stated, and will be taught by Mrs. Dona Reed. Grades 9 through 12 can be offered.

Colorado City High School principal E. M. Findley will teach the Civics course. Coach Caddo Matthews will teach the 2-history courses. These 3 courses may be either new or repeat work, Wilson noted.

The 8-week session will be held 6 days each week and will be broken up into 2 4-week semesters. See SCHOOL, pg. 5

Vest and Hillhouse Named To 3-AAA All-District Team

Two Colorado City High School baseballers were named to the District 3-AAA all-district team in balloting last week by the 4-team district's coaches and sportswriters.

Named were first sacker Don Vest and hurler Steve Hillhouse, who paced the 1961 baseball Wolves of Coach Ken Kearns to a third place finish in the loop race behind Snyder and Lamesa, who tied for the top spot. The Tors of Lamesa went on to win the title in a playoff series with the Tigers.

First sacker Mike Andrews, second baseman and pitcher Charles Houston and outfielder Jimmy "Chicken" Womack were the other Wolves to gain recognition on the "dream team's" second squad.

Houston made the second unit in 2 positions — at both end base and as a hurler. Houston and Womack are both juniors who will return next year for Kearns. Andrews, Vest and Hillhouse are seniors.

The champion Lamesa Tornados landed 7 players on the team, the only unanimous choice — outfielder Mike Moffett, son of Tiger Coach James (Speedy) Moffett. The Tigers placed 1 more

on the first team, the Colorado City Wolves had a pair and Sweetwater 1 to round out the starting squad.

There were a pair of ties, Snyder's Benny Greenfield figuring in both. The double-duty star tied with James Woods of Lamesa for the first base slot on the initial team

and deadlocked Houston of Colorado City for a pitching choice on the second unit.

Positions on the team were determined by giving 2 points for a first team vote and 1 point for a second team ballot. Those receiving votes, but not named to either squad See TEAM, pg. 5

IN DAMAGE SUIT

Abilene Jury Rules In Favor of Doctor

An Abilene Federal Court jury Tuesday ruled in favor of Colorado City physician Dr. John H. Chinn in a civil suit charging Chinn with malpractice and seeking \$150,000 in damages.

The jury of 8 men and 4 women took only 30 minutes to bring back the judgement favoring Chinn and denying any part of the damages asked.

The suit was filed against Chinn by Anthony Y. Hubbard of Farmington, N. M., a former Colorado City resident. Hubbard claimed that Chinn did not secure proper permission before he amputated his right leg last November and did not make proper consul-

tation with a specialist before the operation. Hubbard was shot just above the right ankle on Nov. 7 of last year by a .12 gauge shotgun in a Colorado City Cafe. Chinn, assisted by Dr. Oscar E. Rhode, performed the amputation at Root Memorial Hospital here.

Monday testimony in the civil damage suit by Hubbard's wife brought an admission from her that she had signed a surgical consent form before the amputation. She did, however, state that she was unaware an amputation would be necessary.

Dr. J. M. Crymes and Rhode of Colorado City were called See DOCTOR, pg. 5

KICKOFF IS MONDAY

Chamber to Open Membership Drive

Colorado City Chamber of Commerce's membership drive opens here Monday.

The theme of the drive, the first in several years for the local Chamber, is "It Takes 2 — Your Chamber of Commerce and You."

The campaign is being staged by the Membership Committee of the local Chamber and is under the direction of that committee's chairman, Paul Boyd Hunter.

The drive will continue through Thursday, June 8.

Membership Committee members: Dr. Kenneth Cowan, Mrs. Morris Kirschbaum, Bob Ratliff, Mrs. Lena Porter, Byron L. (Barney) Wren and Trevis Kelley will be captains of the 6 teams conducting the drive.

Chamber members working on the drive are: R. J. Howard, James Boyd, Leonard Henderson, Jeff Taylor, Bob Bell, Henry Lewis, Bob Carver, Alvino Murray, James Hill, J. Ralph Lee, Bill Haman and H. L. Herman.

The teams will be conducting a door-to-door membership drive in the city and pool their efforts to get the best response of Colorado City.

in Colorado City — some of which have been members in the past. The Chamber presently has a membership of about 250.

We think membership in the Colorado City Chamber of Commerce is a bargain for all businessmen, Hunter said, because of what the Chamber is.

"It is the only organization in Colorado City organized solely for the purpose of making this community a better place in which to live and make a living. The Chamber is dedicated to moving Colorado City ahead."

"It is a public relations firm working for the entire city and a salesman selling Colorado City, as an ideal location for industry, conventions and residences."

The Chamber bands to get the business men of this city and gives them a voice in the progress of the city and pool their efforts to get the best response of Colorado City.

The campaign committee held its last meeting Monday in the Chamber. The list of members will be published in the Chamber pg. 1

Casting Saturday Ballots

Mrs. Fannie Lynn, 123 Chestnut st. enters the new voting booth in Mitchell County Court House Saturday to cast her ballot in the runoff election for U. S. Senator William (Bill) Blakley. Other voters are the high school principal, E. M. Findley, and the county clerk, Clark Gillett. The booth was set up in the county by Mitchell County Commissioner

LIGHT VOTE OF 1,310 CAST

Blakley Carries County By Near 3-to-1 Margin

Mitchell County voters gave Democrat William (Bill) Blakley almost a 3-to-1 unofficial margin in the special runoff election Saturday to fill the unexpired U. S. Senate term of Vice President Lyndon B. Johnson.

In one of the lightest turnouts in county history, Blakley received 824 votes and Republican John Tower received 384 U. S. Rep. Jim Wright of Fort Worth received the only write-in vote.

The light vote cast in the county reflected a trend over the entire state as only about 500,000 ballots were cast Saturday, a college professor said.

Tower, unofficially carried only one box in the Mitchell County "vote" and that was by a from Wichita Falls, upset millionaire Blakley of Dallas.

Tower beat interim appointee Blakley over the state by approximately 8,000 votes. The light turnout was blamed on the Democrats' defeat in the Texas-Republican last 2-2 of the special runoff election, Washington by Texas voters, approximately 400,000 ballots since 1957.

The county's total vote of 1,208 is about 1/2 of the total of the last runoff election in November. The runoff election was held in Mitchell County precincts 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

voted in the April 4 primary election — 1,467. The April 4 election had more than 60 candidates seeking the runoff spots that were grabbed by Tower and Blakley. Wright carried Mitchell County in that vote with 508 votes. Blakley ran second with 337 and Tower was a surprise third with 25.

Mitchell County also followed the state's trend as the agricultural centers went heavily for Blakley while whiner Tower amassed his strength in the metropolitan areas.

Tower, unofficially carried only one box in the Mitchell County "vote" and that was by a from Wichita Falls, upset millionaire Blakley of Dallas.

Tower beat interim appointee Blakley over the state by approximately 8,000 votes. The light turnout was blamed on the Democrats' defeat in the Texas-Republican last 2-2 of the special runoff election, Washington by Texas voters, approximately 400,000 ballots since 1957.

The county's total vote of 1,208 is about 1/2 of the total of the last runoff election in November. The runoff election was held in Mitchell County precincts 1, 2, 3, 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

lots cast than in the April 4 election. A total of 748, compared with 866 in April, were cast with Blakley getting 508, Tower 238 and Wright his lone write-in vote in the county.

The American Legion Hot box, precinct 12, gave Blakley a margin of 105 to 38.

Loraine, precinct 7, went for Blakley 168 to 35 as a total of 203 ballots were cast.

Westbrook, precinct 2, cast 45 of its 61 ballots for the conservative Democrat.

Reformed, precinct 10, had 45 votes cast. Blakley's margin there was 43 to 12.

Blakley received 11 of the 18 ballots cast in the Cuthbert precinct 3 box. Grade, precinct 3, cast only 32 votes, but 18 of them went for the losing Democrat.

IN R. D. WHITE HOME

Bridal Shower Compliments Miss Wanda Faye Moore

LORAIN — A bridal shower honoring Miss Wanda Moore, bride-elect of Fred McDowell Jr. was held in the home of Mrs. R. D. White Saturday night.

Bride's chosen colors of red and white were used. Guests were served white cake squares and red-punch from a table covered with red net with gold trim over white. The centerpiece was red roses with white stock. On the buffet was a square of stepo-home with red ribbon and a miniature bride and groom under an umbrella in the center surrounded by miniature packages. Two white streamers with "Wanda and Fred" printed accented the serving table. Napkins also were printed with names of the couple.

Glenda Richards registered gifts and Patsy Hudgins, Margie Moore, Sandra Chamness and Mrs. Bob Rankin presided at the serving table.

Mrs. Jasper Doyle read a toast to the bride and soft recorded music was played throughout the evening.

Gifts were displayed in the bedroom and showed by the hostesses.

Out-of-town guests were

Mrs. Fred McDowell Sr. of Colorado City; Mmes. Bob Rankin, Jess Smith, Owen Liles, Sadie Bonner and Marie Jones of Roscoe; Patsy Hudgins, Margie Moore and Nelda Williams of Lubbock; Mrs. George Moore, Mrs. Jay Moore and Winona from Sand Springs; and Mrs. Ed Moore, from Big Spring.

Hostesses were Mmes. Roscoe Hudgins, Jasper Doyle, Jess Smith, Jones Bonner, W. D. Cain, Roy Richards, Bessie Yarbrough and Paris Yarbrough.

Also Don Richey, Hubert Thomas, Liles and White.

Who Is This Guy?

AT TEXAS TECH

Miss Ruby Hines To Attend Institute

A reception was conducted in the home of Mr. and Mrs. Royce Mahon Monday night for Mr. and Mrs. Gene Baird and Vickie who are moving to Sweetwater.

Baird has been manager of the Higginbotham Lumber Company here for 14 years and will be connected with the same company in Sweetwater.

Mrs. Mahon greeted guests and Mrs. J. B. Cushing and Barbara Mahon served refreshments from a table covered with a drawn cut work linen cloth. Centerpiece was pink asters with white stock. Table appointments were in crystal and silver.

Piano music was presented by Miss Mahon and Mrs. K. L. Taylor.

Hostesses presented the Bairds with a two-place setting of their chosen pattern of China. Hosting the affair were members of the Loraine School Board and families and school superintendent, J. B. Cushing and family.

Baird served as president of the school board for the past two years.

In Aleman

Mr. and Mrs. Robert Hutchins and children are in Aleman this week visiting her parents, Mr. and Mrs. Schrank.

Miss Ruby B. Hines, Spanish and English teacher in Colorado City public schools, will attend the Summer Language Institute at Texas Tech during the month of June.

Miss Hines is among 46 elementary and secondary teachers of Spanish from 5 states accepted for the June 2 through June 27 institute sponsored by the National Defense Education Act at the Lubbock College.

Each public school teacher attending will receive a stipend of \$75 per week during the institute — a part of a nationwide drive to improve multilingual capabilities of American citizens. The money is provided in a \$69,385 grant to Texas Tech from NDEA.

The teachers will be trained in the newest techniques of instruction. They were chosen from 250 applicants from 10 states.

Miss Hines is a native of Colorado City and has been teaching here for the past 3 years. She teaches Spanish I and II in Colorado City High School and Freshman English in Colorado City Junior High School.

She is a graduate of Southwestern Theological Seminary in Fort Worth and Mary Hardin Baylor College in Belton. She received her Masters Degree from the Forth Worth school.

Miss Hines is a former missionary to Brazil — she served there for 7 years. Since her return to this county she has taught for 7 years. She came to Colorado City from a teaching position in Del Rio.

Three Attend United Fund Area Meeting

Three Mitchell County United Fund workers attended a 1-day area meeting in Lubbock recently.

Attending from this county were county United Fund president Bob Rely, county campaign chairman Henry Lewis and Dick Kendall.

The Lubbock meeting was a seminar covering "Methods of Improving Local United Fund Drives."

Appointed to the Budget Committee for the 1962 United Fund drive from this county are Rely, Lewis, Kendall, Herbert Mearse of Loraine, Jeff Taylor, Gwan Strange of Westbrook, Lewis Williams and Dick Wistrand.

The purpose of the committee is to evaluate the requests made by various agencies of the United Fund. The local committee members held their first meeting here in the Colorado City Chamber of Commerce office Wednesday.

Peace Corps Information is Available

The Peace Corps, which came into being on March 1 with the issuance of an Executive Order by President Kennedy, is in operation and applications are being accepted.

The Corps, according to Jack Burkhalter, Mitchell County Agent, represents an opportunity for individual citizens to work directly with people of other countries to provide economic, social, or educational assistance and to further the cause of peace through personal relationships and the development of mutual understanding.

He adds there is much similarity between the Corps and the International Farm Youth Exchange which has been a part of the 4-H Club program in the nation since 1949. This interest in such programs has brought local county extension service agents into the picture, says Burkhalter.

Those winning awards were, left to right, Sharon Byrne, third; Mary Beach, second; and Delores Holman, first place.

COMPLETES PROJECT

4-H Clubs Exhibit Favorite Foods

Members of the Buford and 2-L 4-H clubs exhibited the favorite foods they learned to prepare and serve during their food project this year Monday afternoon at the Lone Wolf Electric Co-operative Building.

The show marked the completion of their food project. Members learn to plan, prepare and serve food for complete meals. They also learn to practice good table manners, to work safely and use equipment.

The exhibitors were judged on the following points: Why the Food is Needed in the Body; Preparation of the Food; Personal Appearance—Appropriately-Dressed for Serving the Food.

Food was judged on appearance, flavor and quality. Another point considered was exhibitors knowledge of what to serve with their favorite food, suitable for occasion, balance in color and texture.

Those exhibiting food were Sylvia Minatra, Edith Hardin, June Barnett, Jean Compton, Sally Smith, Mary Beach and Christy Stubblefield.

IN LAMESA CHURCH

Durham, Snyder Rites Solemnized

Miss Julia Alene Durham became the bride of Ross Blanton Snyder Saturday at 8:00 p. m. in the First Methodist Church of Lamesa.

Mother of the bride is Mrs. Opal Durham. Bridegroom is the son of Mr. and Mrs. O. B. Snyder of Lorraine.

Rev. J. Lloyd Mahew, pastor of the church, read the double-ring rites.

Nuptial music was presented by Mrs. Jake Lippard, organist, and Patsy McMullen, soloist.

The bride, given in marriage by her grandfather, J. M. Peterson, wore an original model wedding gown of embroidered tulle over net and satin. The scalloped-sabine neckline of the dress was hand-clipped to follow the pattern of embroidered tulle.

Janie Durham, sister of the bride, was maid of honor and Mrs. Paul Brown, sister of the bridegroom, was matron of honor.

Bridesmaids were Joan Tarter and Pat Hickerson. Attendants wore dresses of orchid rayon organza over taffeta with clustered flowers on the shoulders. They carried bouquets of orchids encircled with white carnations.

W. L. Burke Jr. of Abilene was best man. Other groomsmen were Jerry Bourland, Don Dudley and Paul Brown. Ushers were Eddie Teeters, Ron White, Carlton Villers and Charles Bailey.

Cheryl Banzinger, cousin of the bride, and Gary Durham.

Guests Here of Harry Ratliff

Mr. and Mrs. Guy Smith of New Orleans were in Colorado City early in the week for a visit with Mr. Smith's brother-in-law and sister, Mr. and Mrs. Harry Ratliff.

En route home to New Orleans Mr. and Mrs. Smith stopped in Houston for commencement exercises in which their son, Louis, was graduated from Rice University.

Futura's the one that never cramps your style...

Some luxury compacts make you choose between your friends... and your luggage. But not the new Falcon Futura.

In a Futura you not only get a luxurious interior with individually contoured bucket seats, a handy console between them, wall-to-wall carpeting, and all the extras; you also get room for three people in the back seat, plus...

... a big roomy trunk. You put luggage in its place, not in the back seat which is reserved for your friends. Futura doesn't cramp your style—or your budget either! It's America's lowest-priced* luxury compact. It costs you less to run, too. Read about Futura's record-breaking Mobilgas Economy Run win below!

*Based on a comparison of Mobilgas Economy Run winners. Suggested retail, delivered price.

NOTE: Under the test conditions of the Mobilgas Economy Run, a Falcon, with standard shift, scored 32.6 miles per gallon... best gas mileage of any 6- or 8-cylinder car in the 25-year history of the Run! (Another Falcon was selected, with 31.6 mpg.) Drivers of all cars were experts... and really out to win. But Falcon topped 'em all!

High School Tickets at Center Office

Tickets will be available today (Thursday) and Friday at the Community Center office for high school students wishing to take part in the summer program, Mrs. Weldon Rives, director, said.

Saturday night entertainment for the high school group will be from 7 to 10:30 p. m. and activities will include dancing and games of ping pong, pool, horseshoes and darts.

Those students taking part in the program will also have access to the center Monday through Wednesday from 10:00 a. m. to 12:00 noon. Active recreation on these days will include ping pong, pool, horseshoes, darts, croquet, volleyball and table games.

Tickets are \$1.50 for the entire summer program, Mrs. Rives stated.

Enrolled at T. W. U.

Miss Corrine Rivera, above, 1961 graduate of Colorado High School will be among the first of her class to enter college. She will leave Sunday for Texas Woman's University in Denton where she will major in Elementary Education. In May graduation exercises, she won the Kiwanis Scholarship and the "I Dare You" Award. She is the daughter of Mr. and Mrs. Andrew M. Rivera, Rt. 2.

New Director Visits Here At Church

Rev. Ben Marshall visited this weekend in the First Methodist Church where he will be serving as Youth Director this summer.

Rev. Marshall is a graduate of Texas A & M College with a Bachelor of Arts in English. This past year he studied at Perkins School of Theology. As a member of the Methodist Student Movement at A & M, he served as President of their Wesley Foundation and as vice president of the Texas MSM Council.

He has attended the National MSM Quadrennial Conference in Lawrence, Kan., and served as Texas MSM representative to the National Conference of Methodist Youth.

This past year he served as Youth Director at Lake Highlands Methodist Church in Dallas.

Miles Host Visitors

Guests in the home of Mr. and Mrs. E. S. Miles during the week were Mr. and Mrs. Shelton Miles and son of Dallas; Mrs. Millie Shelton, Baytown; and Mr. and Mrs. Carl Shelton and daughter, Knox City.

Visit Here

Visitors in the M. J. Dawson home this week have been Mr. and Mrs. Jack Minatra and children and Mr. and Mrs. Stanley Moore and children, all from Farmington, N. M.

By The Way...

By PAULINE CORNUTT

We get a big kick out of looking back over some of our old newspaper editions and thought you might like to join us in seeing what has taken place in Colorado City in past years.

Our old newspaper copies have some of the most interesting stories of this century recorded in their pages... we chose 1940, 1941 and 1942 as the most interesting during a span of just over 20 years. One reason we found them amusing is because we knew quite a few of the names mentioned and thought most of you would too.

We would like to refresh your memory about some of instances that happened in those years... some of you will probably remember most of them well.

In the pages of the 1940 Record, we discovered a story about ED MAJORS having been elected chief of the volunteer firemen. His second assistant was WILFRED FOX.

Also taking the spotlight about this time as heads of Colorado City's Sixth Annual Frontier Roundup were O. F. JONES and SAM WULFJEN. This was a big attraction here and drew people from miles away.

Mitchell County set a 38-year record in June of the same year when the county voted dry in the county-wide liquor election... and it's been that way since then.

There were some astounding advertisements in the pages of the paper... one listing announced the sale of solid leather dress shoes for men, some of the finest in stock, for the sum of \$1.98... one group of infant's shoes sold for 10¢ a pair as long as they lasted!

If you think this is something... we checked the food prices, too, and found that at the SAFEWAY store, 2 pounds of coffee sold for 25¢ and a 24 pound sack of flour brought the price of 65¢. In one grocery advertisement, listings include 10 pounds of potatoes for 15¢, one pound of bacon for 25¢ and baby beef round steak for 27¢ a pound.

WESTERN AUTO STORE had batteries on sale for \$5.85 exchange.

Skipping a year to 1941... we find that R. T. MANUEL ginned the first bale of cotton which sold at 16¢ and brought a premium of \$72.

CONGRESSMAN GEORGE MAHON announced to residents here that city mail delivery service might be possible and said that future plans would probably include the marking of streets and numbering the houses.

On to 1942... we find the paper filled with war stories and words written in anxiety.

C. Citizens are urged to buy war bonds and collect scrap metal for war salvage. Stores closed to aid in the drive.

O. B. TRULOCK and BUZZ MAJORS were mentioned in a local write-up as being among those attending Texas Technological College in Lubbock.

JOE EARNEST was appointed chairman of the local draft board following the resignation of ROY DOZIER.

The town celebrated a decade of movie theater progress. The PALACE had been remodeled in 1938 and had its grand opening in July of that year.

Holder of B and C gasoline ration cards who abused their right to extra mileage were warned by the Price Administration that they might be denied renewal applications if the practice continued.

DRS. WILLIAM S. AND OSCAR E. RHODE were commissioned lieutenants in the army.

We could not begin to pick out even a fraction of the most important and interesting stories in the back issues of the newspaper.

However we hope you have enjoyed re-living a few instances in the past history of Colorado City and the people here as much as we have... both from the humorous and serious standpoints.

ON DISTRICT MEET

Mrs. McMillan Speaks to Home Demonstration Club

Mrs. R. E. McMillan of the Fairview Club was guest speaker when the Carr Home Demonstration Club met recently in the home of Mrs. Louis Rees.

Mrs. McMillan reported on the District meeting conducted recently in Brownfield. She stated that the club Home Demonstration Club is like a garden. In this garden, you plant peas — peas are in any well-planned garden — so, peas are for "planting" — sow squash all around the garden,

she said. Thus "squash" all and one visitor. Minutes of the previous meeting were read and approved.

A card of thanks from Mrs. Robert Rees was read. Mrs. Jackson read a letter from the agent's office reminding the women of the drapery workshop to be conducted in the Junior High School Economic Department. Time for the workshop has been changed to June 13, 14 and 15. She also asked that all members study the copy of the proposed 1961-62 program

of work of T.H.D.A. and recommend which programs the clubs will have so that delegates to state meeting may know how the clubs want them to vote.

Mrs. Bill Rees read the council report.

The next club project will be announced and place of meeting will be designated at a later date.

The meeting adjourned after which refreshments were served to one visitor, Mrs. McMillan, and the following members:

Mrs. John Latty, Mrs. Tom Jackson, Mrs. T. A. Rees, Mrs. Charles Buchanan and Mrs. Gerald Rollins.

Mrs. Curtis Stone, Mrs. Louis Rees and the hostess.

HIGH-SCORING GAMES CONTINUE

Yanks Win 3 Straight; Tigers Hold 2nd Place

The big news in Little League action this week at Ruddick Park was the surge by the Col-Tex Yanks.

The Yanks won 3 games during the week to move out of last place in the standings and bring their season's record back to the .500 mark and take over third place in the 6-team race.

The Yanks beat the Methodist Men's Pirates 19-7 and then came back to beat the Bucs 17-14 in a tie playoff for 2 wins. They stopped the City National Bank Giants 22-20 in a thriller for the other win.

The Dodgers held on to their undefeated record by topping the Pirates 15-5. A Dodger and Co-op Tiger meeting was postponed Thursday night due to high school graduation exercises.

In other action, the Giants won an 11-3 decision from the VFW Indians and the Tigers handed the Injuns a 23-14 licking.

The Giants had 6 singles, by Steck, Clark, Redman, Kahler, Taylor and Hill, in the first inning Friday night to get 6 runs and coast to the 11-3 win over the Indians.

Redman went all the way on the hill for the winners — allowing just 8 hits. The Giants pounded Injun starter Stockton and reliever McAdams for 13 hits. Steck led the winners' hitting with 3-for-4 and a double and 2 sin-

gles. The Indians got all of their runs in the first as Franco cracked a 2-run double and Green followed him with a double that scored Franco. Only 3 other Injuns ever got as far as third base as the Giant hurler Redman, bore down.

The Yanks began their surge Friday night as they pounded 2 Pirate hurlers, starter Jordan and reliever Parker, for 19 runs on 12 hits. Larry Parham went all the way for the Yanks to take the victory. Jordan was the Buc loser.

The Yankees broke loose for 14 runs in the final 2 innings of the 4-inning game. Morris' triple and doubles by Larry Parham, Hillhouse and Garcia led the 2-inning attack by the winners. Free and Jordan drove in the first 2 Bucs runs in the first and they got 5 more in the second as Molina cracked a 2-run double and Free, Henderson, Jordan, Webb and King all singled.

It was about the same story Monday night as the Pirates and the Yankees played off a tie game from May 9. The Yankees had to go 6 innings to take a 17-14 triumph.

Buc Free and Yank Feaster went all the way on the hill in the hitting contest. The Yanks sent 17 men to bat in a wild 12-run fifth inn-

ing as every Yank in the line-up scored in order — with 3 Yanks scoring twice. There were 2 away and 2 runs in when the Yanks sent 12 men to the plate to score 10 runs. Doubles by Morris, Garcia and the Parham brothers highlighted the attack. The Yanks had a total of 12 hits.

The Pirates held an 8-4 lead before the Yanks broke loose for the big 12-run frame. Jordan's triple and singles by Molina, Free and Parker led a 6-run Buc attempt to overtake the Yanks in the top of the sixth. The Bucs got to within 2 runs, at 16-14, but failed to tie or take the lead.

Barnett cracked a bases-empty homer and Garrett, Barnett, Wood (2), doubled to pace the Tigers to a 23-14 victory over the Indians in a Monday night battle.

Smith and Corbell teamed up to do the hurling for the winners against the Injuns. Franco and Molina, The Cats got a total of 20 hits — but the Indians showed some power too as they banged out 11 hits which included doubles by Stockton, who got 2 hits and Molina and Franco.

The game went 4 innings with the winners pushing a cross 7 runs in the first, 4 in the second, 6 in the third and 6 in the fourth. The Indians scored 3 in the first, none in the second, 8 in the third and 3 in the fourth.

The league-leading Dodgers won their 6th straight game of the season Tuesday night as they beat the Pirates 15-5.

The Bums were leading 13-0 when the Bucs broke for 5 runs in the fourth on a throwing error and singles by Free, Parker, Jordan and Webb. Only 3 other Bucs got as far as third base and winning hurler Haggerton held the losers to 6 hits.

Henderson went all the way for the losers and allowed 16 hits. Steve White and Wayne Russell hit back-to-back homers for the winners in the sixth frame to cap the Bums' scoring.

The Yankees and the Giants tied up in a scoring duel Tuesday night with the Yankees coming out on the long end of a 22-20 score.

The Yanks opened up with 10 runs in the top of the first to chase Giants starter Taylor. Kahler came on to finish out the game on the hill for the losers. First sacker Parham cracked a grand-slam homer to cap that first inning barrage for the Yanks.

The winners got 5 more in the second, 6 in the third and 1 in the fourth.

Taylor doubled in the first 2 Giant runs in the first frame. Witten tripled in 1 of their 4 in the second inning and Clark's triple was the big Giant blow in the fourth as they attempted to come from behind with 12 runs.

The league's 2 hottest clubs, the Dodgers and the Yankees, battle tonight (Thursday) at 6 p. m.

**Farm Loop
Lions Shell
Cubs, 38-0**

The Lions left little doubt they were the team to beat in Farm League action Saturday as they romped to a 38-0 victory over the Cubs.

In the other Saturday game, the second place Blue Sox beat off a challenge by the Steers by a 14-8 score.

Twenty-two Lions got into the game, 39 got on base and 38 scored in the Lions easy win over the hapless Cubs. The game only went 2 innings.

Seven of the first 8 Cubs walked before Self cracked a bases loaded triple in the first. Three more walks followed and Vest doubled. There were 3 more walks and Jennings doubled.

Lions got 6 more walks during the game — plus 2 hit batters. Henderson was the only Lion who got on base and didn't score. He walked in the first and was thrown out. The Cubs used 7 pitchers in an attempt to halt the Lions.

Hillhouse and Jennings no-hit the Cubs in the 2 innings. Four Cubs got on base, but all walked.

Thomas and D. Cox cracked bases empty homers to lead the Blue Sox to a 14-8 win over the Steers. D. Jordan and J. Hudson countered with solo shots of their own for the Steers. In both cases, the homers came back-to-back — in the third for the Sox and in the fifth for the Steers.

Lamesa Advances To State Tourney

Lamesa's Golden Tornadoes, champions of District 3-AAA, advanced to the state Class AAA baseball tournament Tuesday.

The Tors, who beat Snyder's Tigers in a playoff series for the district championship, beat Dumas 5-1 Tuesday to take the best-two-of-three series and advance to the state semi-finals in Austin.

The other 3 teams in the AAA state tourney will be Jasper, Paris and South San Antonio.

Colorado City's Wolves placed third in the 1961 district 3-AAA baseball race.

TO THE EDITOR

Thanks!
We appreciate the fact that the new housing addition in north Colorado City has 2 six-timers — Dotsey Circle and Manuel Avenue.
Mr. Delaney lived here in 1888 and I came to Colorado City in 1906.
The new housing addition known as the Henderson Heights is really nice. The houses are well spaced with plenty of light and air and built of the very best materials.
Let's not just look it over.

IN PONY LEAGUE PENNANT RACE

Myers Auto Wins Three To Take Lead in League

Myers Auto jumped up and became the hottest team in Pony League baseball here last week as they won 3-of-3 to take over first place in the young race for the pennant.

While the Myers nine was winning, the Craddock-Witten squad hit the skids and topped to last place with 3 losses in 3 games. In opening night action, Craddock-Witten had won and Myers had lost; in fact, Craddock-Witten beat Myers 8-7 on opening night.

Butane held on to tie for second and third place as they evened up their season's records at 2-2.

The rampaging Myers team dumped Humble 4-2, Roberts 14-9 and Craddock-Witten 12-2. Craddock-Witten lost 2 games by identical scores of 6-5 — to Roberts Butane and the Oilers beat Roberts 7-2.

Myers' Howard Belvin and Humble's David Bearden tied up in a masterful pitchers' battle in Myers' 4-2 victory Thursday night. Each of the hurlers allowed 6 hits, but

Belvin came home the winner. The Oilers runs came in the second when Elton Davis singled home Bearden who had walked. Curtis Taylor then scored on an error by Myers.

Belvin scored the first Myers run in the second inning on an error. Corky McAdams drove home an unearned in the fourth and then raced home on Tommy Applin's single. Melvin Williams singled in Wayne Snowden, who had tripled, for the final Myers run in the fifth.

Missions Hold to Lead; Texans Lose

The Missions continued on their undefeated ways and the Texans dropped their first game of the year in Minor League baseball action during the week.

The Missions made it 3-in-a-row on the year with a 13-6 victory over the Eagles. The Cats handed the Texans their first loss of the year in an 18-6 affair. A Thursday night game between the Missions and the Cats was postponed to a later date due to high school graduation exercises.

Iglehart went all the way Saturday to hurl a 5-hitter as the Missions beat the Eagles 13-6. Hamrick, Moody and Hale drove in 3 of the loser's runs — the others were walked in.

A Lujan started and lost for the Eagles. He was relieved by Ridley.

The Missions cracked out 9 hits, but used 10 free passes to good advantage. Pacing the winners' attack were Hoover with 3 singles, Iglehart with 2 singles and a double and Barrera with 2 doubles.

The Cats took a 5-0 lead in the top of the first inning as 5 walks, an error and singles by Rodriguez and Douglas paved the way. The runs came off of Texas hurler Talley

who started and lost. He was relieved by Molina.

The Texans' got 2 in the first with Molina driving in 1 run with a single. They came back in the third with 4 more runs to take a 6-5 lead as 2 errors and singles by Herrera and Bailey furnished the power.

Douglas doubled in the tying score in the fourth for the Cats and then scored himself on an error. That was all the Cats needed although they used 5 walks, a hit batter, a Texan error, a double by Whitten and 3 fielder's choices to score 9 in the fifth to end the game.

IN OUR COMMUNITY

Magic freshness of green grass, flowers and shrubs always gives a home . . . a community the fine, clean I-Like-To-Live-Here-Look.

And one of the neatest little neighborhoods for this appealing appearance is that new line of residences in 900 block of Rusk, just south of E. 10th St. The families there don't hold second place to any neighborhood for attractive appealing yards.

Here at Corner Drug we feature a wide, paved, parking area instead of grass and flowers. But our welcome mat is just as genuine as at any home.

Henry Barbary,

Little Girl Makes Her Point Fine

Ed Schergens, Editor of the Tell City (Ind.) News, reports in his column . . . a six-year-old California girl who did a little essay on the subject of the newspaper and sent it to the local editor. We quote:

of propriety and political agility, on the same subject. The Star, however, condescends to tell its readers in ten easy lessons how to read a newspaper: "Read your newspaper regularly. Make it a habit," is injunction number one.

TAYLOR - MADE

By RICK TAYLOR Record News Editor

BILL ERWIN said that many Democrats were flying their flags at half-mast Memorial Day—due to the victory of Republican John Tower.

Taylor-Made noticed that one in a neighbor's yard on Locust Street, had toppled to the ground. Guess he took it harder than most.

A. W. HUBBARD, who was with Texas and Pacific for many, many years and is now executive director of the Colorado City Housing Authority, is a great friend of Taylor-Made's father-in-law, BARRETT WALKER of Cape Girardeau, Mo.

Seems the 2 had some great times together, some years ago, in Ranger. Now A. W. won't tell The Shadow here just what kind of times it was they had together—but knowing the 2 of them, he can guess.

The 2 old friends rediscovered each other through the pages of the Record here.

Now that Taylor-Made has taken care of his in-law problem for a while—he'll move on.

One Mitchell County farmer, says A. V. SHEPPARD, of the local county Soil Conservation office, looks at things this way:

"When a feller has to know the botanical name of what he raises, and the entomological name of the bugs that eat it up and the pharmaceutical name of what he sprays on it—things are bound to cost more."

DR. SETH COWAN tells this one. "I'm in an awful state," moaned one of his patients. "Whenever the phone rings, I almost jump out of my skin. The doorbell gives me the willies. If I see a stranger at the door, I start shivering. I'm even afraid to look at a newspaper. What's come over me anyway?" he asked.

"There, there, old man," said Dr. Cowan. "Lots of people have had to go through that stage where their teenage daughter was learning to drive."

TAYLOR - MADE makes this observation. "A miser isn't much fun to live with—but he sure does make a wonderful ancestor."

One of the local citizens was recently stopped by City Patrolman MELVIN HEAD.

"I don't understand this, officer," he said. "I haven't done anything wrong."

"No you haven't," Head replied, "but you were driving so carefully, I thought you might not have a driver's license."

There's a moral in that reply—somewhere.

SHINNERY PHILOSOPHER

Television Boring, But So is Plowing

Editor's note: The Shinnery Philosopher on his Johnson grass farm on Bone Hollow Creek discusses the television situation this week, without any noticeable effect.

Dear editor: I was reading a newspaper last night while my wife was watching television. You can say this for television, it's easier to read while it's going on than while your wife is. I mean, whatever faults television has, it sure cuts down on the conversation; at any rate, what I was reading was an article by the new chairman of the Federal Communications Commission, the outfit that's supposed to supervise the airways.

According to Chairman Minow, television has got to get better if it's to stay on the air.

He said if you want to find out how bad television is, "sit down in front of your set when your station comes on in the morning and stay there until its sign off that night." He said you'd see a procession of junk, violence, silliness, and commercials, with only a few things you'll enjoy, and most of all, he added, "boredom."

Now I'm no authority on television, but I'm not sure watching the thing 14 hours in a stretch and complaining because you came out bored, is any real test. I have a notion if Chairman Minow will get off my tractor, give himself to the seat, bend his

head over, and watch the rows 14 hours a day while he goes up one and down another, he'll get off the tremendously bored, not to mention other things.

As for violence on television, I'll admit it's bad, but saying it'll have to be eliminated if T.V. is to stay on the air is like saying crime stories will have to be eliminated from newspapers if they're to stay in business. It's like saying violence will have to be eliminated from history books if they're to be read. It's like saying Shakespeare would have been an enduring success if he had cut out all the suicides and stabblings and swordplay.

Understand, I'm not in favor of violence. For one thing, it takes more energy than I'm interested in spending. But on television, when an outlaw gets shot, even the kids know it's only acting, the bullets are fakes, and the same characters will get shot again next week, but where the Federal Communications Commission will run into trouble is when it tries to convince the kids only fake bullets are used in war.

Television can continue its violence and stay on the air, but can man continue his and stay on the earth? I could give you the answer, but excuse me. Wagon Train is coming on, just as soon as the newscast about the violence in the Congo goes off.

Yours faithfully, J. A.

Dairy Activities Deserve Attention

June is Dairy Month, and today is the first day of June. This year the observance takes on added significance for a 25th birthday is to be celebrated.

We should be happy to have a part in the nationwide tribute to the dairy industry. During the past 25 years, June has been a time of recognition by the nation of the industry's vital contributions to America's economy and the health of her citizens.

June is the month when milk production reaches a peak and the industry makes its greatest effort to tell its story and promote the use of its products. The observance is actively supported by the U. S. Department of Agriculture and hundreds of special events are staged across the nation to make dairymen better known to the public they serve.

During this month food editors, nutritionists and others concerned with the diets of Americans are called upon to discuss nature's most nearly perfect

food' and its rightful place in the diet. Troy E. Kern, a Delta county dairyman, is Texas chairman for June Dairy Month activities. He is a director of the North Texas Producers Association, the American Dairy Association of Texas and of the National ADA. A leader for Mitchell County in the activities across the state is Corley Rogers, one of several industrious dairy farmers who seek to keep the dairy industry progressive here at home.

Emphasis in Texas and the nation will be placed on the need for proper nutrition and diet habits, including the consumption of milk and milk products as recommended by leading health authorities. Milk and milk products consumption in the United States, they said, is lower than consumption in more than a dozen other countries.

Citizens, especially consumers, are urged by the leaders to take advantage of food bargains from the dairy industry.

IN FINAL WEEK OF SESSION

Legislature Fails to Make Progress On Major Bills

By VERN SANFORD Texas Press Association Final week of the Legislature's 57th regular session was like most—with minor bills tumbling out in an avalanche and major bills tied up in conference committee.

Under now-or-never pressure, lawmakers searched desperately for compromises, but found their differences deep and hard to bridge.

Small loan regulation—stickiest of many sticky problems—bogged down in the feelings seemed to run Senate State Affairs Committee. It was an issue on which stronger and divisions deeper as time went on.

But many other bills "made it," or appeared to have, by receiving final passage in both houses as the session drew to a close. Among them were bills that would:

Outlaw selling liquor by the drink under the "front" of a private club and provide for licensing and regulation of bona fide private clubs by the State Liquor Control Board.

Pay members of the State Board of Insurance annual salaries, not to exceed \$20,

STATE CAPITAL Highlights AND Sidelights by Vern Sanford TEXAS PRESS ASSOCIATION

000, instead of the present \$50 for each working day. Salaries were pegged at \$16,000 in the appropriations bill.

Regulate importation of milk from other states. Result here did not make milk producers happy. It would allow milk to be imported into Texas if an inspector from the producing state certified its purity. Texas producers sought a bill requiring certification by a Texas inspector.

Make an emergency allocation of \$650,000 to the Department of Corrections, hard hit financially by over-flooding of the state prison population and crop failures on prison farms.

BACK PAY—Members of the Legislature are constitutionally entitled to receive \$400 a month salaries dating back to November 25, 1960, according to an attorney general's opinion.

But whether to accept this money is a question of another sort. November 25 was the effective date of a constitutional amendment authorizing \$4,800 a year salaries for legislators. Amendment was not put into effect until the Legislature met January 10 and voted a salary appropriation.

House had its payroll start January 1; Senate's started January 10. Two House members have since refunded to the state \$116 each, an amount covering the period from January 1-10 when the Legislature wasn't in session.

Most members have indicated, ruling or no ruling, they have no intention of trying to get pay dating back to November 25—when some weren't even in office.

LOCAL BUSINESS

Newspapers Tell Advertising Story

By MADGE BELL, Record Staff Writer

A retailer who handles a variety of products can waste advertising and promotion funds unless he realizes that each product should be treated differently in advertising.

For this reason printed media becomes more important to the advertiser as the product value increases.

Albert Lasker, famed advertising genius, put it this way: "Nobody will read a thousand words about a box of matches, but for an automobile 1,000 words might not be enough."

There are only a few ways in which a thousand words, or even 500 words, may be presented to a consumer in a manner in which it may be digested and studied.

Not even the salesman in a store can do the job completely. The salesman is likely to pass over important points. The prospect is even less likely to hear or remember all the salesman has to say.

Thus, for competitive selling, as well as re-selling, of any product which requires a consumer decision, the local newspaper is the most adequate sales tool.

TEXAS AGRICULTURE

Best Foodstuff in History Available

By JOHN C. WHITE, Agriculture Commissioner

Ever since the start of public water fluoridation for the sake of dental health and the cranberry contamination scare of recent years, there has been growing concern in Texas and elsewhere that we are being "poisoned" by our own progress in chemistry.

The fact is that there is no evidence to indicate that any material approved for use in agriculture or public health has proven detrimental to man in connection with his diet.

The cause for alarm in practically every instance has been the peddling of misinformation, half-truths, statements out of context and concocted stories by seekers of notoriety. These alarmists are often food-faddists or well-intentioned but uninformed people who believe that nothing wholesome ever came out of a chemical factory.

Actually, a vitamin is a vitamin whether it's made in a chemical factory or whether it comes from an orange. Oranges, especially Texas oranges, of course, are one of our best sources of natural Vitamin C, and in taste far superior to a vitamin pill.

Fluoridation of water, which must be exacting and carefully controlled, has induced dental decay in youngsters by 50 to 60% in those communities which have consistent water supply.

And, the same is true of the use of chemical fertilizers. The use of chemical fertilizers has increased crop yields and has made possible the feeding of a growing population.

vitamins have as much purity as ever and certainly more wholesomeness.

To cite an example close to home, in a recent year there was a sudden alarm sent against use of a chemical cotton defoliant containing arsenic acid because some Texas cottonseed oil products were found to have six parts arsenic acid per million. This seemed shocking and dangerous to the uninformed who weren't aware that arsenic acid is also a by-product of shrimp food and that a small shrimp cocktail contains a harmless 150 parts arsenic acid per million. The alarm was soon quieted.

Insecticides, certainly no acid to food enrichment as such, are nonetheless vital to production of healthy and undamaged foodstuffs. Use of such chemicals is carefully controlled and despite fears and shoutings of alarmists, there's no record of any cancer or other serious human illness resultant from use of agricultural chemicals on food crops.

Fortifying of food is one of the outstanding advances of public health of all times. Vitamin D added to milk and other foods has helped abolish rickets. Salt with iodine added has practically eliminated simple goiter.

We have the best and biggest food history in the world. Thank to the many responsible companies that have in mind the welfare of the people as well as the bottom line, the capable and professional staff of the Food and Drug Administration, and the responsible and well-informed consumer.

OUTDOORS IN TEXAS

Texas fishing clubs are gaining in popularity in Texas. Seldom does a day pass without some new fishing club being formed in the Lone Star state. Being a "joiner" we're highly in favor of them. It's our contention that fellowship alone is worth the dues of any organization, not to mention the tips that one receives from fellow members. Speaking of TIPS—the latest organization we have become affiliated with is known as TIPS. Spelled out it's Texas Invertebrate Piscatorial Sportsmen. Except for yours truly it is composed of real top-flight fishermen... every one of them.

Head man is Billy Diech Austin Evinrude dealer. Billy earned quite a reputation from the Gulf Coast to the Red River and from Caddo Lake to the Rio Grande, for his bass catching abilities. Second in command is Jim Roddie, Austin insurance man. If you think he's not good then just consider the fact that he has caught three eight pound black bass with jig and reel during the past twelve months. That's something few fishermen do, once in a lifetime. In fact just one eight pound catch in a lifetime would thrill this scribe.

But I'm getting off the track. What I want to do is tell you about this bass fishing club that they call TIPS—namely Texas Invertebrate Piscatorial Sportsmen. Top man is not called president. He's referred to as Large Mouth. Second in command is Small Mouth.

Other officers are a treasurer, better known as the Hook; and a secretary who is referred to as the Line. TIPS' sergeant at arms is designated as The Sinker. All other members are Vice Presidents!

So if you want to be vice president of something, organize a fishing club like TIPS. In the case of TIPS it's the lowest office you can hold. Kinda clever club eh? But you haven't heard everything.

Five Bucks gets you into the club. That's the application fee. But it takes even less to get you out. Members meet every evening, every other Wednesday. Miss three straight months of meetings without an "excuse" and you're no longer a TIPS'er.

And by the way that's one of the main purposes of the organization—passing on your fishing tips to fellow members.

Dues? There are none. And there won't be any until and unless the club needs more money. What do they do besides meet and talk shop, or hear specialists discuss bass, bass habitats, and bass catching methods? They hold contests! With no dues income, how do they purchase prizes to award to the top fisherman and to the top fishing teams? They charge an entrance fee in each fishing contest. Such events are held every other month and on a different lake each time.

Entry fee is determined largely by the number who sign in. The "just divide the cost of the plaques by the number of entrants. Works out fine! If a fellow steps up to fish and fails to show, he sacrifices his entry fee. If he doesn't step up by a predetermined date he can't enter. It's that simple.

Like to know something about the constitution and by-laws of TIPS? Well, the PREAMBLE reads like this:

"We, the bass fishermen of Austin, Texas, in order to form a more perfect fishing club, establish fellowship, on sure conversation, provide a means of collaboration, promote the general welfare, and secure the blessings of bass fishing to our lives and our posterity, do hereby establish this Constitution for the Texas Invertebrate Piscatorial Sportsmen."

Sounds slightly familiar doesn't it? Membership in the club is limited. Each charter member is permitted to sponsor another member; then each new member sponsors another new member until the maximum of 40 is reached.

Every candidate must be approved by the membership committee then endorsed by the organization as a whole at an official meeting of the group. When the full quota of members is reached no new members may be added until a regular member drops out or is dropped for non-payment of dues.

As a bass fisherman you will be interested in the fact that each member of TIPS is supplied with a record book in which he lists his catch. The record book calls not only for the size of the bass—its length and girth and weight—but also exactly where it was caught, on what specific lake, at what depth and on what lure. Also requested is information as to the time of day, weather conditions, wind conditions, and the temperature of the water.

At each meeting of the organization the fishermen turn in their reports and each is given a badge by the secretary to sew onto his fishing jacket or hat. This badge is merely a number which designates the size of the fish caught. It's a new method of "lettering" in snorts. Anyway it's a different club to say the least, and their meetings bring forth dozens of good ideas for fishermen during every session.

In Parents' Homes Mr. and Mrs. Billy Cornutt of Snyder, were week end guests of their Loraine parents, Mr. and Mrs. Ralph Lanford and Mr. and Mrs. Willis Cornutt.

Check The Water, Sir?
When Ira Yates heard a crashing noise in his back yard in Menlo Park, Calif., he went to investigate. He found a neighbor's car had rolled driverless through his fence and received an instant wash job in his pool. The auto's lights were still burning.

AT LAKE C-CITY

Big Catfish Biting In Shallow Water

Fishermen are catching the big cats in the shallow water at Lake Colorado City.

Earl R. Richardson, manager of Lakeview Camp, reports the following catches last week:

Bernie Grable of Colorado City reeled in 15 bass that totaled 31 pounds using bushwacker and top water lures.

Mrs. Dot Childers of Colorado City hooked an 18½-pound yellow cat on a trotline using perch. She landed the catch all alone.

Jerry Cunningham of Westbrook caught 2 2-pound bass on a bushwacker lure.

Charlie Parrish of Westbrook got a 9-pound and a 13-pound yellow cat using perch and water dogs on a trotline.

Mr. and Mrs. J. B. Cloud of Brownfield hooked 6 bass, from 3 to 1 pound, and 2 1½-pound channel cat using minnows on rod and reel.

C. H. Hyden of Big Spring reported catching a 9-pound yellow cat and 2 3-pound channel cat.

George Champman and Bob Landrum of Big Spring hooked a 4 pound yellow cat on

Billy Moore and Grady East perch on a trotline.

of Odessa reeled in 12½-pound yellow cat using minnows.

James Womble of Odessa caught a 6-pound yellow cat and 3 1-pound channel cat on water dogs and perch on a trotline.

W. W. Atcherson of Stanton used minnows and perch on both a trotline and a rod and reel to hook 3 yellow cat, 7, 4½ and 2½ pounds, and a 2-pound channel cat.

Big Spring fishermen Don Williams and John Black reported an 11 pound yellow cat and a 2½-pound channel cat caught on perch and shad on a trotline.

Snyder's Tommy Valentine reeled in a 4-pound yellow cat and caught another 4-pounder on a rod and reel.

Two yellow cat, 4½ and 3 pounds, and a 3 1-pound channel cat were caught by Mr. and Mrs. McEntire of Odessa using perch and minnows.

The local lake is reported to be clearing since the recent 2½ foot rise.

GRADUATION EXERCISES

"Do Something Well" Merkel Speaker Tells W'brook Class

WESTBROOK — "Learn to do something well, then do it," Rev. Joe McCarthy of Merkel told the graduating class here Friday night. Rev. McCarthy spoke on

the 119 Psalms and stated the Psalmist was sure his life would expand and told the seniors though the world looked perilous sometimes, every young person had every right to prepare their life and opportunity was present for those who wanted it.

"Do not take more from life than you put back into it and may your life expand even beyond your fondest hopes," the speaker said in conclusion. Six seniors received diplomas. Making the presentation was E. A. Oden, president of the school board. Ralph Bryant spoke the invocation and benediction.

Presenting the salutatory address was Anita (Richardson) Rees. Martha Bacon presented the valedictory address. Other speakers on the program were Howard Hendrix, class will; Manuel Contreras, class history; and Benny Whitehead, class prophecy.

Supt. Herman Parsons introduced the guest speaker. Helen Brown, class president, presented a gift, the United States Flag, to the school from the graduating class.

Participating in the exercises were Mrs. J. M. Watson pianist, and Loretta Whitehead, Marie Putman, Jesse Watson and Bill Joe Bird ushers.

Class sponsors are Coach Jerry Cunningham and Mrs. Roberta Rogers. Members of the class are Miss Bacon, Miss Brown, Contreras, Hendrix, Miss Rees and Whitehead.

Five members of the senior class left Saturday morning for their annual senior trip. Points of interest to be visited were El Paso, Carlsbad Cavern and a tour of towns in Old Mexico.

The class was accompanied by Mr. and Mrs. Jerry Cunningham. The group made the trip in the school station wagon and were expected to return Tuesday.

Mrs. Roy Messimer is attending the annual Methodist Conference in Lubbock this week as delegate from the local church.

She is being accompanied by the pastor, Rev. Thomas Hatcher and Rev. Mrs. J. W. Hawkins, retired Methodist minister.

Outstanding Couple Wins Legion Honor

WESTBROOK — Janella Williamson, daughter of Mr. and Mrs. Keith Williamson and Jerry Mac Bell, son of Mr. and Mrs. W. A. Bell, won the American Legion Awards which are presented each year to an outstanding girl and boy of the eighth grade class.

Presenting the awards was Leroy Gressett.

Merit Award Goes to Local Car Dealer

Cradock-Witten authorized Ford car dealership in Colorado City, this week was presented an Award of Merit for their contribution to traffic through the lending of an automobile for driver training purposes to Colorado High School.

The Award was given by the Texas Automobile Dealers Association, statewide association of factory authorized new car and truck dealers with headquarters in Austin. Members of TADA have for the past 12 years loaned motor vehicles to high schools and 4H Clubs for "behind the wheel" driver education. Dealers loan vehicles without charge as a public service in the interest of training our youth to become better drivers.

The vehicles for driver training are loaned to schools that have instructors qualified to teach both classroom theory and actual in-the-car fundamentals of driving. C. C. Gunn, San Antonio Oldsmobile dealer and President of TADA, has pointed out that "the new car dealers of this State have a very real interest in promoting highway safety. As merchants and as citizens, we feel it is important to teach our young people safe driving habits. They will be the principal motor vehicle operators of tomorrow."

According to national studies present-day drivers who have participated in high school driver training programs in the past have better than average safety records. H. C. Pittman, Executive Vice President of TADA, has said that Texas new car dealers have over \$2 million invested in automobiles on loan to schools throughout the state. Many of these vehicles are equipped with dual controls for maximum safety while learning.

MYERS

Continued from pg. 1

Paul Yeager drove home the winning run for Roberts as they toppled Craddock-Witten 6-5, also Thursday night. Jimmy Galey, who was safe on an error, scored the winning run in the top of the seventh frame.

Two Roberts runs in that seventh put the Craddock-Witten team 4 runs down — at 6:2. But they came back for 3 big ones in the bottom of the seventh — to almost pull the game out of the fire as Reggie Noble and Clay Strange each drove in runs.

Wayne Parham went all the way for Craddock-Witten to take the loss, he allowed 8 hits. Bobby Pineda started and won for Roberts — he was relieved by Parson Mann in the fifth. The losers' got 2 hits off of Pineda and 3 off of Mann.

Dee Dearen sacrificed home Elmer McMahan to break a 5-5 tie in the bottom of the seventh inning as the Oilers edged Craddock - Witten 6-5 Friday night.

The losing hurler was Ruben Martinez, the third Craddock-Witten hurler. He followed starter John Breezley and reliever Alan Ramage. The Oilers had only 6 hits.

David Taylor and C. Taylor teamed up to toss a 5-hitter at Craddock-Witten. The reliever, C. Taylor took credit for the win.

Myers, paced by the 2 hits each by David McKay, McAdams, Applin and Robert Cooper, stopped Roberts 14-9 Friday night.

McAdams was the winning hurler and had seventh inning relief from Snowden. Four of the Roberts runs were unearned. Ronald Hillhouse paced the losers' attack with 2 of their 6 hits. Cooper scored the winning run for Myers in the top of the seventh on an error — after singling.

McAdams cracked a booming 2-run homer in the bottom of the second inning to lead the surging Myers crew to a 12-2 romp over the stumbling Craddock-Witten nine Monday night.

McAdams also had 2 singles during the night as Myers roughed up 3 Craddock-Witten hurlers for 9 hits and 12 runs. McAdams' homer was enough to give Myers a winning margin.

Belvin took the victory for Myers — he was relieved by McAdams in the fifth.

Parham scored the first Craddock-Witten run in the fourth on an error. He got on base on a single, 1 of the 5 hits the losers got in the contest. Strange hit safely twice, a double and a single, to lead Craddock-Witten in the batting department. An error allowed the other run by the losers in the fifth frame.

Parham, Ramage and Breezley all went to the mound in an effort to halt the Myers attack. Sarter Parham took the loss.

Humble came back to make it 2 of 3 for the week Monday night as they beat Roberts 7-2 behind the 5-hit pitching of D. Taylor and Bearden. David Kendrick went all the way for Roberts to take credit for the loss.

Louis Molina scored the third Humble run in the second inning to give the Oilers all they needed — the run was unearned. The winners only got 5 hits themselves, but made the most of Roberts errors for their runs.
