oy has ever been in ith the law before. ts didn't know any- ut their Saturday ties, either. The two "sleeping out" that were not missed by their parents.

They said they used up about four pounds of sugar and had some left at the end of the "sugaring" activity, which ended about 12:30 a. m. Sunday. They estimated they visited "18 or 20" cars during the evening.

Among the cars doctored with the sugar was a 1951 Plymouth owned by Roy Leatherman. He drove to the booster station at Gray Sunday morning and when he killed the motor, it refused to start again. The car, which had only 2,166 miles on it, was towed to Perryton by a wrecker and left at the McGibbon Motor Co.

Other cars were owned by Herb Jines, Nelson Smith and Jack Todd. Smith and Jines noticed the sugar spilled around the gas cap opening and did not start their cars.

All of the cars, involved were located in the 1100 and 1200 blocks of Amherst, Baylor, Colgate and Drake streets.

Mechanics explain that once the sugar and gasoline get into the motor, there is little remedy except a new motor. The sugar makes a sort of molasses which, when it comes in contact with the hot, piston wall, sticks all working parts very tightly.

The two boys are to appear before judge Dave Shanks in juvenile court Monday morning.

Five More Enter Wheatheart Race From Perryton

Five more entries in the "Wheatheart of the Nation" contest have been received by the Chamber of Commerce, making the entry list stand now at six. Miss Jeanne Suitor was the first to enter, representing the C. of C.

The entries are as follows:

Kay Cayler, representing the Frances-Virginia Shop. She is the daughter of Mrs. Mattie Maud Cayler and a junior in Perryton high school.

Marvalee Gahart, representing Dean's store. She is a Perryton high school senior, 16 years old, and makes her home with Mr. and Mrs. R. B. Trayler.

Evelyn Woodard, representing the Southwestern Associated Telephone Co. A 1950 graduate of Leedy, Okla., high school, she has worked at the local office since February.

Erlene Pugh, representing Virtue's. She is 17 years old, her home is at Balko, and she was basketball queen candidate of the junior class last year.

Beulah Owens, representing the C. D. Russell Construction Co. She is a graduate of Canadian high school and attended Phillips University and Hardin-Simmons. She is employed at the Perryton Lumber Co.

The prize in the Wheatheart contest this year is an eight-day, all-expense trip by air to Havana for the winner and any companion she selects. The Chamber of Commerce sponsors the contest.

Any business firm or organization may enter a Wheatheart candidate. Entry blanks have been sent out to neighboring cities in the Texas and Oklahoma Panhandles and in Kansas.

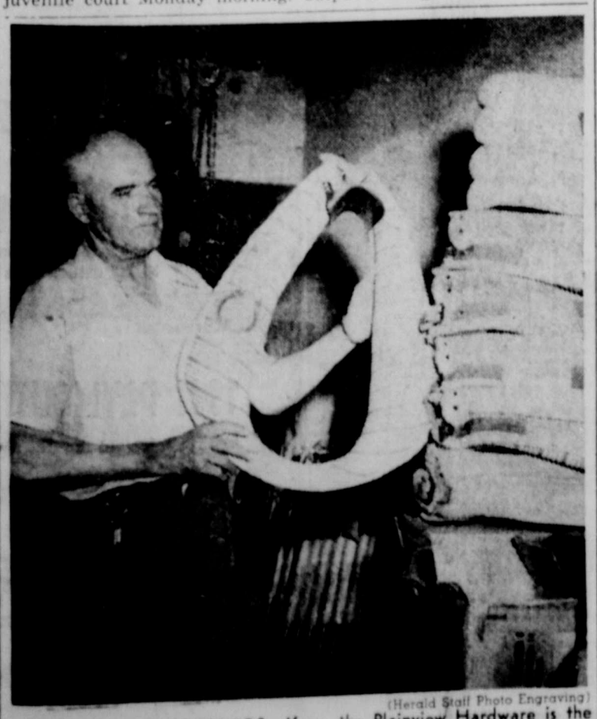

Water Pump at South City Well Goes Out Again

The city is still having pump trouble at the south city well.

The submersible pump, installed two weeks ago, went out again last Thursday and was taken out by the Heiskell Well Drilling Co. of Pampa.

A new pump was shipped by the Byron Jackson Submersible Pump Co. of Los Angeles on Monday and was due to arrive here today, Thursday.

Meanwhile, three wells at the water tower north of town are supplying the city with water and no water shortage is foreseen by city manager J. B. Whigam. One of the well pumps was repaired recently, boosting its output to 650 gallons per minute.

(Herald Staff Photo Engraving)

NEED A HORSECOLLAR?—If so, the Plainview Hardware is the place to go. Although they haven't sold one for five years, and have had some on hand for 20 years, manager Sam Hergert says it is the store policy "if it's made and sold, we've got it." Sam says up until a few years ago, long after the work horse went out of fashion, they still sold a horsecollar now and then to ranchers who used teams in bad weather to pull feed wagons. There are about 30 new horsecollars stacked in the Plainview basement, in case anyone needs one.

Dollar Day Scheduled For Next Week

Dollar Day, monthly savings event promoted by Perryton merchants, will be held next Tuesday, August 7. A wide variety of bargains are listed in this issue of the Herald for this special shopping event. Beat the high cost of living! Save the household budget. Shop on Dollar Day and save!

JUST HERE and THERE

We are passing the following letter on to our readers. We think the little lady has a just gripe . . . now what do you think?

A "working" lady and I were discussing the impromptu "calls" so common to town living. (Of course I'm a country gal, so am not bothered that way, 'cause my neighbors don't have any more time to "chew the fat" than I have.) Anyhow, we both agreed that those calls could be done without for the most part. I thought the following ten commandments might be helpful in the cause of "Love Thy Neighbor."

If Thou Lovest Thy Neighbor Keep These Commandments.

1. Thou shalt not ask thy neighbor to fix thy darned old hair, for she will surely hateth thee.

2. Thou shalt not pay constant social calls on her at the un-Godly hour of 10 a. m. when she is in the midst of her filth.

3. Thou shalt not call her on the telephone and drawl into her harried ear, "whacha doin?" If such be the case she may commit mayhem on thee for good reason.

4. Thou shalt not expect her to help thee give many parties, or belong to thy club if she already belongs to six now; nor invite thee to all her social activities.

5. Thou shalt not leave thy kids on her constantly. She has kids of her own to herd.

6. Thou shalt not argue with her concerning religion.

7. Thou shalt not pry into

Installation of Legion Officers Monday Night

Joint installation services for the new officers of the Pierce Johnson Post, American Legion and Auxiliary, will be held Monday night, August 6, at the Veterans Memorial Building.

Present for the installation will be Roy Beard, state veterans affairs officer; Ray Smith, 18th District Commander; and Woodrow Epperson, state service officer, will be present to conduct the installation ceremony.

The joint affair will be preceded by a potluck supper at the building, with Auxiliary members as hostesses.

New Legion officers to be installed are Robert Barlow, commander; O. P. Graves, first vice commander; Don Boyle, adjutant; Gale Rogers, finance officer; Tom Davis, service officer; Sidney Jines, historian; Wayne Gyger, sergeant at arms; and Rupert Allen, liason officer.

Auxiliary officers for the coming year are Mrs. R. P. Hurn, president; Mrs. Manse Wood, first vice president; Mrs. Don Boyle, second vice president; Mrs. Robert Barlow, secretary; Mrs. F. L. Garrett, historian; Mrs. Sibley Jines, sergeant-at-arms; and Mrs. E. W. Thomas, chaplain.

Two Day Program of Events Planned For City's 32nd Annual Celebration

Selection of Wheatheart to Be Highlight

With Celebration Day fast approaching, Jaycee committees are busy putting the finishing touches on the program for the 32nd annual affair. General chairman Cleve Hudson and his committees are working hard on plans made months ago for holding the Celebration on Friday and Saturday, August 17-18.

Included in the entertainment is a street parade, free barbecue, two dances, four rodeo performances, cowgirl sponsor contest, midget auto races, old timers reunion and selection of the Nation's Wheatheart.

Rodeo

The Claud Hays rodeo stock from Weatherford, Okla., has again been secured for the rodeo and Blackjack Fletcher of Gage, Okla., has been hired as the rodeo clown. Bill Cunningham of Enjd will be the announcer.

Amateur cowboys will compete for $2,500 in cash prizes in this largest amateur rodeo in the southwest.

There will be calf roping, bull riding, bareback bronc riding,

See No. 3, Page 6

Burglars Make Empty Haul at Nail Oil Station

Burglars entered the Nail Oil Co. sometime Saturday night or Sunday, but owner Harry Nail told officers that nothing was missing, as far as he could determine.

Entry to the building was made through the rear door, where the screen door was punched open and the night latch on the other door broken.

There were no evidences of the building being ransacked, and Nail believes the burglars may have been frightened away before they completed their job.

This is the third time that the Nail Oil Co. has been burglarized. An electric razor was stolen one time and burglars broke in through a rest room window on another occasion. No money was missing either time.

Midget Races Are Added to 32nd Celebration Show

Midget auto races have been added to the Perryton Celebration program, with the races scheduled for Friday morning, August 17, at the fair grounds track.

There will be eight races, including the qualifying lap, with $200 in cash prizes to be awarded.

Officials are: Flagman, Don Mizar; timekeeper, Alva Drake; referee, Lawrence George; push car driver, Billy Drake.

Drivers who have entered thus far include Tip Collingsworth, Dent Lenderman, Parvin Hooper, Bill Hooper, Elmer Graves, Lyndon Balzer and Warren Carnes.

See No. 4, Page 6

Dead Telephones After Lines Drop

Approximately 150 telephone subscribers in east Perryton were without phone service last week after an accident which tore down the trunk line leading from Main street down 4th ave.

The line across S. Ash street, at the corner of 4th avenue, was torn down, and two telephone poles flattened, when a truck driven by Frank Gipson hit the line Friday afternoon.

Service was restored by Saturday afternoon.

(Herald Staff Photo Engraving)

ANOTHER CITY PUMP—The city is still having pump trouble on the south city water well, and workmen are shown above taking out the B & J submersible pump which was installed two weeks ago. It went out of operation last Thursday and another pump was shipped from Los Angeles Monay. The well is expected to be in operation again this week. Shown above (back to camera) are Grover Heiskell of the Heiskell Drilling Co., Pampa, O. L. Morris of the same company, and J. B. Whigam, city manager.

Slow Response to Red Cross Appeal

The response to the Red Cross special appeal for funds to aid the flood stricken Midwest area, is lagging, according to local disaster chairman F. B. Sumpter. Each local chapter has been assigned a quota to be sent in for this purpose and Ochiltree county has not reached the figure, Sumpter said.

Checks may be mailed to the Red Cross office at the courthouse annex. A need for at least $5,000,000 in the special drive is needed for flood relief, according to Red Cross estimates.

Wave of Petty Thefts Solved With Confessions of Youths

Solution of the numerous thefts of batteries, gasoline, tools and other articles was made by local officers this week with the confession of eight boys, six of them juveniles.

Upon questioning by county attorney Jack M. Allen, state highway patrolmen Jack Shields and Bob Loving, sheriff Ray Phagan and deputy Clyde Tarbox, the boys admitted stealing a wide variety of articles during the past six or eight months.

Two of the boys were old enough to appear in county court and they were sentenced to jail Wednesday after pleading guilty to theft. They are Frank Karns, 18, who was given 60 days by judge Dave Shanks, and William Thornton, 19, who pleaded guilty to a charge of theft and was given 90 days in jail.

The other boys, all under the age of 18, will appear in juvenile court Monday morning for disposition of their cases.

The boys, who operated sometimes in pairs and sometimes in groups, admitted taking tractor batteries, gasoline, jacks, tools, copper wire, and various other articles from farms in the county.

Intensive questioning by the officers, who were trying to find a lead in the "sugar in the gas tank" case, led to confessions from the group regarding the thefts.

Record Water Consumption for City This Month

The month of July saw the highest water consumption in the history of Perryton, reports city manager J. B. Whigam.

Local citizens used 25,000,000 gallons of water and the city water department took in $6,600 during the month. This covers the period from June 20 to July 20 and the bills were sent out on August 1.

During this period, there was one week when the city operated without the south city well, when the pump was being replaced.

Dry, hot weather caused the increased consumption, with more water put on yards and used in air conditioners during the past month.

WHEATHEART CANDIDATE—Miss Marvalee Gahart will represent Dean's store in the Wheatheart contest at the Perryton Celebration. She is 16 years old and a senior in Perryton high school. Marvalee makes her home with Mr. and Mrs. R. B. Trayler.

BALKO News

Marolyn McGlamery

Robert and Alberta Pearson left Friday for Lodi, Calif., to visit their brother and family, Mr. and Mrs. Louis Pearson and boys. They went with Mr. and Mrs. Reiswig, parents of Mrs. Pearson. They will return home by train in about three weeks.

* * *

Mr. and Mrs. Gerald Morehead and Mr. and Mrs. Leroy Morehead and Ronnie left Friday evening for a three weeks trip to Santa Anna and Long Beach, Calif., where they plan to visit relatives.

* * *

Guests in the McGlamery home Sunday were Mr. and Mrs. Denny Sullivan, Kyle and Linda of Perryton, Mr. and Mrs. Clyde Pugh, Gary and Max, Patsy McDonald, Billie Jean Duff and Mr. and Mrs. Derrel Renfrow.

* * *

Raymond Holiday returned to his home at Ft. Collins, Colo., Monday after finishing the farming on his father's place. He has been staying with Mr. and Mrs. Arthur Wood.

* * *

Mr. and Mrs. Tom Palmer and Mark spent Monday afternoon in the home of Mr. and Mrs. S. A. Pugh.

* * *

Dinner guests in the home of Mr. and Mrs. C. R. McNerlin Sunday were Mrs. Alice Morris, Mrs. Mable Howard, Wayne and Vernor Howard of Laverne, Okla.

* * *

Ed Meacham went to Stillwater Saturday to get Mrs. Ed Meacham, who has been attending summer school. Their daughter Christy has been staying with Mrs. Meacham's parents, Mr. and Mrs. Stratton of Clinton, Okla. The Meachams returned home Monday evening.

* * *

Pfc. Walter L. Fish, who is serving in the Marine Corp, was shipped overseas July 15 and is now stationed somewhere in Japan.

* * *

Mr. and Mrs. Irwin Naylor, Estella Sue and Edna Lou plan to leave this week end for a trip to Ft. Collins, Colorado.

* * *

Mr. and Mrs. Scott Ging and children of Woodward, Okla., visited all day Sunday in the home of Mr. and Mrs. Vernon Garwood. Mr. Ging is the veterans instructor in Woodward.

* * *

Mr. and Mrs. Neal Humphrey left Monday morning for a ten-day trip to Denver and Canyon City, Colorado.

* * *

Mr. and Mrs. Herb Hibbs spent Sunday visiting with their grand son, Calvin Slovacek, who is in the Beaver Hospital.

* * *

Mr. and Mrs. Floyd Humphrey and Ava Ruth left Wednesday for a three weeks trip to various parts of Oregon and California.

* * *

A family get-together was held in the home of Mrs. Emma Humphrey Sunday with Mr. Dewitt Dixon showing pictures of life in South America, around Venezuela where he lives. Those enjoying the evening were Mrs. A. S. Dixon of Guymon, Mr. Dewitt Dixon of Caracas, Venezuela; Mr. and Mrs. Neal Humphrey, Mr. and Mrs. Jack Humphrey, Karel Kay and Jocille; Mr. and Mrs. Floyd Humphrey, Miss Ava Ruth Humphrey, Mr. and Mrs. Billy Cornell and Mike of Logan, Okla., Mrs. Nell Beatty and Mrs. Emma Humphrey.

* * *

Mr. and Mrs. Harold Cornell entertained with a dinner in their home Sunday. Those present were Mr. and Mrs. M. G. Cornell, Liberal, Kansas; Mr. and Mrs. J. A. Kinsey and Mr. and Mrs. Derrel Renfrow, Mr. and Mrs. Billy Cornell and Mike visited with them in the afternoon.

Panama is the youngest of new world republics; Israel, of the old world.

COTTON CROP—If the first freeze is late enough, Ochiltree county seems sure to produce some cotton this year, and the field above is an example of some of the best cotton in the county. It is grown by Charley Jewell northwest of town and there are blooms on it now. Above, top picture, are Elliott Lee, county PMA secretary, and Paul Loftin of the Herald staff examining the growing cotton. Below, Lee is holding one of the blooms on the young cotton. There were several hundred acres planted to cotton this year, but heavy rains washed much of it out, and the high winds killed a lot more. Practically all of the acreage was lost this way, but Jewell has had much better luck and hopes to harvest a crop.

Dog Tells It To Marines

HASTINGS, Neb. (AP) — Navy men at the Hastings Naval Ammunition Depot, always anxious to twit the other services, found an aide in a cocker spaniel dog which had been trained to roll over when he hears the word, "dead."

When the sailors came across a group of Marines, they asked the dog: "Would you rather be a Marine, or dead."

The dog of course, rolled over as if dead.

Sweeper Efficiency Curbed

SHAFTER, Calif. (AP) — The Chamber of Commerce has announced a solution to the problem of the street sweeper that was too efficient. Seems the sweeper—one of those tank-sized motorized jobs with a big rotary broom—had been scooping up street signs as well as rubbish. The city had put the markers too close to the curb.

The chamber's solution: luminous signs placed high on posts well clear of the sweeper's path.

Tech Exes to Meet August 19 At Pampa Fete

Texas Tech Ex-Students of the eastern Panhandle area will have a chance to get acquainted with Tech's new coaching staff . . . including Head Coach DeWitt Weaver . . . at a dinner meeting of the recently organized Red Raiders Club at Pampa Thursday night, August 9.

Ex-Techans from a score of Panhandle towns have been invited to meet at the Palm Room in Pampa's City Hall at 7:30 o'clock on the evening of the 9th for a $1.50 per plate dinner and a get together with Red Raider coaches and members of the new Tech booster organization.

Tom Abraham of Canadian, vice-president of the Red Raider Clubs, Inc., is in charge of arrangements for the Pampa meeting. Invitations have been mailed to some 300 ex-Techsans whose names are on ex-student rosters, and others who may have been missed are invited to attend.

On the program for the evening is a talk by Tech's new head coach, Dewitt Weaver, who joined the Raiders this spring, coming direct from the associate coaching spot at Tulsa University.

Weaver will introduce the members of his staff, including Jack Mitchell, Wade Walker, and Bobby Goard, all three former Oklahoma University grid stars Walter (Babe) Wood; and Wyatt Posey.

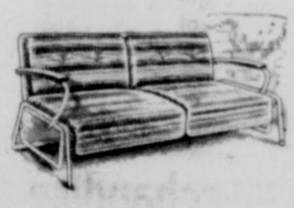

Mitchell came to Tech from the backfield coaching job at Tulsa University; Walker from the freshman line position at North Carolina State; and Goad from the Chickasha, Oklahoma, high school where he was head coach. Wood joins the Tech staff from Wake Forrest, where he was backfield coach; and Posey left an assistant's job at Yale to take the Tech position.

Hold-overs in the Raider athletic department are Polk Robison, who is continuing as head basketball coach; and George Scott, 1950 Freshman coach, who is trainer.

Tech Exes attending the Pampa meeting will also be invited to join the Red Raiders Club, Inc. an organization dedicated to bigger and better football teams for the Lubbock college. The meeting at Pampa is one of a series being arranged for Texas Tech ex-students all over the state.

Cow Callers Are Ready Now For Second Effort

MIAMI, July 31—The twice-postponed Roberts county Cow Calling contest will be staged Saturday at the Red Seitz Picnic Ground north of Miami. The contest was originally scheduled for May 19 but a heavy rain washed out the event. It was re-scheduled for the following Saturday, but the road to the picnic grounds hadn't been repaired and the grounds weren't in shape.

The winning caller will receive $100 from Old Tack of the Amarillo Globe-News, who originated the contest three years ago. The second, third and fourth place winners will receive prizes from Miami merchants, who also will give prizes to the best women cow callers.

Old timers also will meet for a day of visiting. They will register at the American Legion, all during the morning.

A highlight will be a basket lunch at noon, spread under the huge cottonwood trees at the Seitz ranch.

The cow calling contest will be staged at 2 o'clock with Roy Sewell of Pampa, Reed Hill of Canadian and Orval Christopher of Miami the judges.

To accomodate racing fans, Delaware Park has 65 acres of parking space. The surfaced parking lots can handle 12,000 automobiles.

The Florida State University tennis team has been the Dixie Conference champ for three consecutive years.

Heavy Sleeper

WITH THE FIRST MARINE DIVISION IN KOREA (AP) — When the enemy attacked one night, Pfc. James W. Fleet was asleep in his foxhole. A yelling mob of Chinese burst out of the 3 a. m. darkness. Artillery roared, machine guns rattled, grenades flashed, automatic rifles chattered.

For three hours the Reds blasted away, and the Marines blasted back. Within 100 yards of his foxhole, a fierce hand-to-hand struggle swayed. Flett slept serenely through it all. Next morning he awoke, gazed with astonishment upon a counted heap of 112 enemy bodies.

"It's embarrassing," he gulped, "to have to ask your buddies what happened."

Jimmy Joy and Band to Play On August 17

Jimmy Joy and his orchestra have been secured for the Friday night dance at the Perryton celebration on August 17-18. The selection of "Miss Perryton" for entry in the Wheatheart contest will be a feature of the dance.

On Saturday night, Ray Price and his orchestra will appear.

Both dances will be held at the Veterans Memorial Building.

Jimmy Joy was born and reared in Texas, first coming to prominence in the musical world at Texas A. & M. College, where he organized an outstanding dance band.

His band has played at the leading hotels in the nation, including The Baker in Dallas, the Muehlebach at Kansas City, the Bismark, Drake and Stevens in Chicago.

He is the only musician in the business who successfully plays two clarinets at the same time. This is a feat he mastered many years ago when playing at Texas A & M and has always identified the style of the Jimmy Joy orchestra.

One Building Is Erected in July

If the Garland and Dent Motor Co. hadn't erected a 9x12 office building during July, the city building permits would have recorded a complete blank.

As it was, this frame building, costing $400, was the only entry on the city hall records.

By way of contrast, building permits for July, 1950, were $33,900.

The sailors of Phoenicia sailed to Cornwall to trade for tin.

Red Cross Class Opens at Notla

Red Cross first aid classes will be started at the Notla school house on Friday night, August 3, and will continue through the month, Mrs. Carol Wall has announced.

The classes will be held each Monday and Friday nights from 8 to 10 p. m. There will be baby sitters to take care of the youngsters, Mrs. Wall said.

The classes will be taught by qualified Red Cross instructors from Perryton. There is no charge for enrolling in the class.

In the United States, eight countries and more than a dozen towns are named after Lafayette, the Frenchman who helped America fight the Revolution.

Spurns Gold For Music

NEW YORK (AP) — Marjorie Lawrence, American concert soprano now on tour in Australia, recently wrote to friends here that she had found a young Anzac who preferred singing with her to having a share of a gold mine.

Miss Lawrence said that James Wilson, a baritone with the National Opera Company, was in rehearsal when notified that his father-in-law, David Butterick, had struck gold at Wedderburn, Australia. Wilson was offered a share of the claim.

"If I had gone digging for gold, I wouldn't have had the chance to sing with Marjorie Lawrence," he was quoted as saying, "and I'd sooner do that than own all Australia's gold claims."

New Nursing Class Planned

A new class in "Home Care of the Sick" will be offered at the Red Cross chapter office in the courthouse annex, beginning Monday, August 6. The course is open for anyone above the age of 14 and is free of charge.

The class will be limited to 15, so early registration is desired, said Mrs. Jess Cudd, county home nursing chairman.

A night class is being planned, to begin August 20, meeting from 7:30 to 9:30 p. m., on Monday, Wednesday and Friday evenings.

Miss Beulah Miles, nursing field representative, met with the chapter personnel Monday and Tuesday of this week and was well pleased with the nursing program of the Ochiltree chapter.

Cpl. Edward F. Johnston has reported to Ft. Sill, Okla., for reassignment after a 30 day furlough. He came home on rotation after almost 11 months duty in Korea with the 2nd Div. and has been visiting his mother, Mr. and Mrs. Trulin Gooch.

Photographer To Cows Does Well in Work

(AP) Newsfeatures

HELENA, Mont.—The pampered female was ready to have her picture taken—she had just come from the beauty shop and the photographer was all set up. Then she changed her mind and walked away.

But Ed Saxton didn't get mad. He's used to temperamental cows—he makes his living taking pictures of purebred registered cattle.

"You've got to have a world of patience to get by in this business," Ed claims, "after you've spent about 15 minutes getting the animal in the right pose it may get nervous and move, then you've got to start all over."

There are only about five full-time beef cattle photographers recognized by the leading livestock publications. It keeps them all jumping to fill the needs of a business very few people hear about.

Ed got started about 12 years ago at Billings, where he ran a commercial photo shop. He liked to take pictures of horses and cows and kept several large prints in his show window.

Along came the editor of a Colorado livestock magazine and saw Ed's work. He ordered several prints for covers and told Ed that most purebred cattle breeders need photographs of their top cattle for advertising.

Ed grabbed his camera and started calling on ranchers and has been doing all right photographing cattle ever since. He was out of it for three years while installing communications systems on Navy ships during the war. He started up here after the war.

"I've learned to think like a bull," Ed tells people who ask how he can get the animals to pose.

'LONE WOLF' GONZAULLAS SPEAKS—Capt. Manuel T. (Lone Wolf) Gonzaullas, famous Texas Ranger who retired on July 31 after 30 years as a Ranger, speaks at a party given him at the Koon Kreek Klub, near Athens, by Henderson County Sheriff Jess Swetten. On the table before him are going away gifts he received from friends and fellow officers. He plans to go to Hollywood as technical consultant on the radio program, "Tales of the Texas Rangers." Regarding the "Lone Wolf" title he has, Gonzaullas said, "I guess I got that nickname because I went into a lot of fights by myself—and I came out by myself, too." He joined the Rangers in 1920. (AP Photo)

The largest crowd to ever see a professional football game was 95,625 at Memorial Coliseum in Los Angeles, Sept. 16, 1950.

The Nile River has no tributaries the last 1,500 miles of its length.

Parents Interest Urged

FRANKFURT, Germany (AP)—German parents must take more interest in how little Klaus is doing at school if democratic processes in education are to take hold in Germany. That's what James M. Read, chief of the education and cultural relations division of the U. S. high commission advises. He backed up his contention in an address to German educators by citing personal experience:

"As a parent with a child in a German school I have missed being called into [illegible] frequent consultation teacher or into a [illegible] ing or council."

Read, former [illegible] University of [illegible] tucky), urged that [illegible] study groups with [illegible] modern theories of [illegible] and development.

The oldest winner [illegible] golf championship [illegible] who was 43 when he [illegible] verness in 1920.

U. S. had [illegible] of horses on her farms [illegible] 21,430,000.

Mustangs Will Play Toughest Gridiron Foes

DALLAS—H. N. (Rusty) Russell, head football man at Southern Methodist, shudders when he discusses his 1951 schedule. Its the toughest in the nation, he says.

Georgia Tech, Ohio State, Missouri and Notre Dame in a row openeing the campaign, then six of those blood-thirsty Southwest Conference foes.

But that intersectional schedule that finds the Methodists playing the first two games on the road—Georgia Tech at Atlanta and Ohio State at Columbus—then meeting Missouri in Dallas only to hit the road again the next week to tackle Notre Dame at South Bend, Ind., is making even Russell's coaching colleagues in the Southwest feel sorry for him.

"I'd rather play the best ones even if I lose," Russell says, "Sure, we could get some set-up games but who would want to see them? My idea is that we play the strongest teams we can find and give the fans some football. If we keep on doing that we might get to be one of them."

SMU has always played intersectional standouts but only the last five years have the Methodists taken on an average of four of the strongest teams in the country in each season. They just don't put the "warm-up" teams on their schedule.

In the past five years, SMU has played 17 of the nation's top teams winning 14 games, losing two and tying one. Missouri beat the Methodists once and Notre Dame once, the latter winning by a touchdown in 1949 when it had what was considered its greatest team.

Russell hopes the home fans understand the situation — that it's a lot better to play the best even if you lose than to beat somebody 40 or 50 points.

The only objection Lester Jordan, the business manager of athletics who counts the money at the gate, has to this year's schedule is that it won't allow SMU to set an all-time attendance record.

Last year the Methodists played before 580,447 fans in 10 games—the all-time high. But SMU had five games in the Cotton Bowl where 75,000 can be seated. This year there are only four and the Methodists play in smaller stadia on their road trips. Jordan figures a potential of 300,000 for the four games in the Cotton Bowl but outside of Ohio State, which can handle over 78,000, the other stadia are comparatively small.

Jordan figures SMU can't hope to come within 60,000 of last year's total.

Willie Anderson won three consecutive Open golf championships in 1903, 1904 and 1905. That mark has never been equalled.

Are You Guilty?

(AP) Newsfeatures

Driving errors will cause most of the traffic crashes in the United States this year. And the number of those crashes may well set a new record. Are these some of the errors you make? (The pictures showing the errors were prepared by the Standard Oil Co. of New Jersey).

PASSING on curves and hills.

WRONG SIDE of the road.

RECKLESS DRIVING — This driver is "cutting in."

OUT OF BOUNDS—Running off the road is fifth on the list of highway killers.

RIGHT OF WAY violation. This driver passed a stop sign.

IMPROPER SIGNALS—Driver of the black car signaled for a right turn, turned left.

American Heads Ethiopian State Bank

ADDIS ABABA (AP)—For the second time since Ethiopia established her new currency in 1945, an American's name is appearing on all paper notes circulating in the country.

The name is that of Jack Bennett, (Washington, D. C.), former U. S. Treasury official and later financial adviser on the staff of General Lucius D. Clay in the American Zone of Germany.

Crisp new paper bills just put into circulation now bears his signature. Bennett is Governor of the State Bank of Ethiopia. This is the bank of issue of all Ethiopian legal tender. The first American name to appear on Ethiopian paper money was that of George Blowers, former head of the Bank of Monrovia (Liberia) and governor of the State Bank of Ethiopia until 1948.

All of Ethiopia's paper money is printed by the Security Bank Note Company of Philadelphia. The metal coins also are minted in the United States.

High-Profit Crops May Pay Off Later In Soil Depletion

STILLWATER — Many Oklahoma farmers, bent on collecting today's profits from high revenue crops such as wheat and cotton, are borrowing from the future—debts the next generation of agriculturists will have to shoulder.

"A legacy of worn, depleted soils can easily stem from the high prices wheat and cotton can command under present market situations," believes Jack Harlan, Oklahoma A. & M. College agronomist.

Citing the instance of cotton, this year running 45c per pound, Harlan indicated we have lost a lot of acreage this way already —and without enriching the farmer any more than the same amount of pasturage would do.

"Money can be made from pasturage, and the farmer can still have his land left at season's end," Harlan said.

The difference lies in a term usually associated with commercial business—overhead.

"Cotton must be planted at least once each year and often more. Then it has to be chopped, cultivated, sprayed, dusted, fertilized and picked. Even at 45 cents a pound, profits aren't too good unless production is up around a bale an acre or more," Harlan explained.

"Pasture overhead is considerably smaller—with good management it needs seeding only once, fertilizing every three or four years. Harvesting the crop with livestock is cheap," he compared.

Borderline acreage for both wheat and cotton needs to be reduced, Harlan maintained.

"If your land doesn't average a bale of cotton or 10-15 bushels of wheat to the acre, a pasture crop might return more money and build the soil at the same time."

Englishmen Change Shape

LONDON (AP) — The Englishman is changing his shape again. Instead of lounging around in tweeds, his trousers sagging at the knees and his pockets bulging at the seams, he will soon be strutting about looking like a crack guards officer.

In short, he will be wearing the "military look." The "Tailor and Cutter," trade paper for Britain's tailoring industry, welcomed the change. The newest suits for men are based on military patterns with tighter fitting jackets with a slash up the back and narrow trousers without cuffs.

The new style, according to the magazine, is a reaction from the "sartorial hysteria" of American stylists which followed the end of the war. "Drape exaggerated itself into an early grave and the bright and exaggerated fashions made popular by Hollywood panted themselves to a standstill," it said.

The races include a helmet dash, slow car race, main event, Australian pursuit, consolation race and grudge race.

The races begin at 9:00 o'clock Friday morning.

The National Geographic Society says the Chow is the only dog with all blue or black lips and tongues.

Local Committee Chairman for CROP Named

Local committee chairmen for the CROP drive were named at an organizational meeting held Friday night in the Harvester Room of the Hotel Coffee Shop. Rev. W. E. Fisher of Dallas, state CROP official, was present and had charge of the meeting. He is a former pastor of the Perryton Methodist church.

Quota for Ochiltree county is three cars of grain and the campaign week has been set for October 21-28. The committee will meet again on August 16 to make additional plans.

Named chariman was Harvey Urban, with Joe Erickson as co-chairman. Other representatives are Rev. Lloyd H. Jones, Ministerial Alliance; Rev. R. Martin, Lutheran church; Aldon Bell, commodities; Mrs. Vera Williams, secretary; Gale Rogers, treasurer; Paul Loftin, publicity; Gus Birdwell, chairman of special gifts; Mrs. Earl Schwalk, home demonstration clubs; and W. H. Lance, Farm Bureau.

Other representatives will be named from the Lions, Rotary and Jaycees.

Wheat Goal for 1952 Announced; Larger Acreage

The 1952 wheat production goal for Texas is 6,400,000 acres, according to a release from the Deportment of Agriculture released this week, and the county goal will be received in the near future.

The 1952 wheat goal calls for a slightly larger acreage than was seeded in 1950.

The 1951 goal for Ochiltree county was 306,000 acres, the same as the wheat allotment, but only an estimated 65,000 acres were harvested.

There are 380,000 acres of cropland in the county, Lee said, but it is doubtful if there are over 200,000 acres planted to wheat this fall due to the large acreage of grain sorghums this year.

Mr. and Mrs. Carl Williams and children, Joan, Ernestine and Carl D., visited relatives and old friends in Perryton the fore part of this week. They were returning to their home at Wichita, Kansas following a vacation trip through Colorado and New Mexico.

BALKO ENTRY—Miss Erlene Pugh of Balko will represent the Virtue's store in the annual Wheatheart contest at the Perryton Celebration. She is a senior at Balko high school and was junior candidate for basketball queen last year.

No. 3

Continued from Front Page

ribbon roping, bull dogging, bronc riding and a wild horse race.

Special belt buckles will be given for each event.

Cash prizes of $200 will be given in the cowgirl sponsor contest, with a gold plated buckle as a special award.

Horace Lackey is chairman of the contest, with Lee Welch as committeman and Janet Ranson as hostess.

Dance

Jimmy Joy and his orchestra will play for the first celebration dance on Friday night, August 17.

For the Saturday night dance, Ray Price and his band will furnish the music. The finals of the Wheatheart contest will be held on this night.

Parade

Theme for the parade this year is Western or old-fashioned. There will be several commercial floats, but these will not compete for the prize money.

Floats will be entered from all the home demonstration clubs, civic clubs and local business firms. The Will Rogers Range Riders of Amarillo and several other riding clubs will be here.

The Santa Fe miniature train and the Khiva Drum and Bugle Corps of Amarillo are among the out-of-town entries.

Barbecue

The free barbecue will be held at the county park again this year, near the rodeo grounds.

Alton Boxwell is chairman of the committee, and the committee is concentrating now on raising funds for the free meal.

Barbecue will be served at the Old Timers Reunion at the courthouse lawn.

Old Timers Reunion

Del Taliaferro is in charge of the Old Timers Reunion, and invitations have been sent out over the Plains area to those who have lived here for 40 years or longer.

Registration will begin at 8 a. m. on August 18 at the courthouse and a program has been planned for the visitors.

Midget Auto Races

The races will be held at the county fair grounds, where there is a special track. There will be eight races, with prizes of $200 to be awarded.

Seven cars have been entered in the race and several from out-of-town are expected.

Wheatheart Contest

The 1951 "Wheatheart of the Nation" will be crowned at the Ray Price dance on August 18.

The prize this year is an eight day, all expense trip to Havana by air for the winner and her companion.

Six girls from Perryton have entered the "Miss Perryton" contest to be held Friday night, August 17.

Out-of-town candidates are expected from Liberal, Guymon, Amarillo, Booker, Spearman, Canadian, Miami and Pampa.

College Students Must Request Draft Deferment

College students who plan to attend this year and who have not requested deferment for the school year should do so by August 20, according to Mrs. Norma G. Phelps, clerk of local selective service board No. 99.

Deferment of college students is not automatic, Mrs. Phelps said, and if the registrant's file is not completed by August 20, he is liable for induction.

To qualify for deferment for a school year, the registrant must (1) request deferment (2) be accepted by the college or university for the coming year (3) have the required test score or the class standing required under the law. This latter requirement must be met by a statement from the school.

There will be six men inducted from the local board on August 16 and the September quota for induction is two men, Mrs. Phelps said. The inductees have not been selected.

Legend says that when a name was sought for the capital of Switzerland, the people organized a great hunt and the city was named after the first animal slain, a bear—Berne.

Small applications of boron on some eastern U. S. fields help the growing of alfalfa.

The Indians called Mt. McKinley in Alaska, "Denali"—meaning "Home of the Sun."

Cutting Horse Show Added At State Fair

The excitement of the rodeo has been added to horse show events at the 1951 State Fair of Texas, Oct. 6-21, Ray W. Wilson, livestock manager of the fair, has announced.

Cutting horse contests—events that have become increasingly popular with rodeo fans in the past several years—will be featured as part of the biggest horse show in the history of the fair.

There'll be cutting horse events for Quarter Horses as part of the Quarter Horse Show Oct. 12-13-14, and an open cutting horse contest the final weekend of the fair, Oct. 19-20-21. On the last day of the fair, a world's championship matched cutting horse contest has been arranged.

Cutting horses, Wilson explained, are stock-working horses with plenty of range know-how and "cow sense." They are valuable, intelligent animals that are absolutely essential on cattle ranches, he said.

The particular talent a cutting horse must have is the ability to barge into a herd of cattle, cut an animal out of the herd for shipment to market, doctoring or moving to another pasture, and prevent the animal from returning to the herd, Wilson said.

All horse show events this year will be held in the fair's new $125,000 Livestock Judging Pavilion. The pavilion has an arena 90 by 180 feet and seats for 3,200. And all events are free.

Premiums totaling $3,440 and eleven silver and bronze trophies to be awarded by the American Quarter Horse Association will be offered in the Quarter Horse Show.

Many of the best cutting horses in the nation are expected to compete for $2,000 in prize money offered for the open cutting horse contest. In addition, the National Cutting Horse Association is offering a trophy.

First go-round in the contest is Friday night, Oct. 19 and the second go-round is Saturday afternoon, Oct. 20. Finals of the rodeo-type contest will be Sunday afternoon, Oct. 21, with a world's championship matched cutting horse contest to follow. Details of the world's championship contest will be announced later, Wilson said.

Shattuck Wins Over Perryton By 11-8 Score

The Shattuck Cardinals defeated the Blue Sox Sunday afternoon at the local park by a 11-8 score to dim local hopes of catching Follett in the T-O League race.

Perryton was leading, 8-7, until the eighth inning when pitcher Melvin Williams got wild and walked six men, letting in four runs. Shattuck got 13 hits off Wayne Gyger and Williams.

Box Score:

Perryton	AB	R	H
Deal, lf	6	1	1

Mr. and Mrs. Jack Heil left Monday evening for Edinburg, to be at the bedside of his father, O. J. Heil, who is ill.

Beaver Trims Legion Nine by 11-6 Score

The Beaver Legion team took the measure of the Perryton Legion juniors Sunday afternoon by a 11-6 score at Beaver.

Perryton started out well and collected six hits and five runs in the first and second innings. This outburst got Dixon, Beaver's starting pitcher, off the mound.

Inability to hit when men were on base hurt the Perryton cause. Twice during the game bases were loaded and no one came through with a hit.

Thrasher went all the way for Perryton on the mound, while Beaver used Dixon, Dyer and Pugh for the hurling chores.

Balko Wins Over Baptists

Balko won both the peewee game and the senior game from the Fellowship Baptists last Thursday night. The Balko peewees took their game 8-2, and the Balko seniors won by a 5-2 score.

In the senior game, a much improved Fellowship team gave strongly favored Balko a hard time. Pugh pitched the entire game for Balko as did Gaunder for Fellowship.

Ancient Paris was captured and plundered several times by the Vikings.

HAS THE PROOF—Dry land fishing pays off, according to J. F. Drake, above, who has six catfish as proof. The string weighed about three pounds and were caught by Mr. Drake and R. L. Smoot at the Witt lake just west of Perryton.

From the Grandstand . . .

By WILBUR MARTIN
Associated Press Staff

The world's biggest coaching school—that of the Texas High School Coaches Association—will unfold in San Antonio the last few days in July and the first few in August.

More than 1,000 coaches from all parts of Texas—and a few surrounding states—are expected to attend.

It is these coaching schools that the high school mentors take postgraduate work in the mysteries of the Split T formation, the single wing, double wing and straight T.

Baseball, track and basketball are also on the agenda, but football dominates.

Frank Howard of Clemson and Raymond (Bear) Bryant of Kentucky are the top grid instructors this year. They'll have picked squads of high school football stars for their demonstrations and will guide the North and South squads in the annual all-star tilt.

The high school coach is an amazing person, a jack of many trades, who deserves more credit than he usually gets.

The vast majority are from the little schools of Texas, where double in brass as gym teachers, history teachers, and maybe even arithmetic.

A college coach may think he has headaches, but he should have the worries of the high school men. They get the same sort of pressure from the fans, and they have to be father-confessors, worry about a million and one little things that can upset a high school boy, particularly one playing football.

This year the coaches from all but the smallest schools in Texas as will have a double interest in learning all the latest tricks. For there will be four state division championship races — Class AAAA, AAA, AA and A. And that takes in just about every school able to put 11 boys on the field.

Last year there were only two division champions — Wichita Falls in Class AA and Wharton in Class A. Class B schools play to a state championship in basketball and track only.

Fellowship and Booker Split

The Fellowship Baptist Peewees won a close game over Booker Monday night by a 5-4 score. The Fellowship boys were behind most of the game, and trailed 4-1 in the last inning but scored four runs on two walks, a triple by Briggs and a double by Townsend to win, 5-4.

In the senior game, Booker ran roughshod over the Fellowship boys, 23-0. Rodgers, Booker's picher, allowed but one hit and struck out seven in four innings of play.

Dove Season Changes Seen In September

AUSTIN—Changes in the proposed 1951 dove seasons in Texas are foreseen by the Executive Secretary of the Game, Fish & Oyster Commission following a conference with Clarence Cottam, assistant director of the Federal Fish & Wildlife Service.

The Fish & Wildlife Service and the state jointly set seasons on both mourning doves and white wing doves because they are migratory birds.

The Executive Secretary said it seems unlikely that Texas will be zoned for waterfowl hunting as recommended by the Commission.

The Commission, at its last regular meeting, recommended that the mourning dove season open in the North Zone September 1, and open in the South Zone November 15 to run 45 days. The Executive Secretary understood from the conference with Cottam that the opening dates may stand but that the season would run 40 instead of 45 days. The bag limits of ten per day and ten in possession seemingly will continue. Shooting hours would be from noon to sunset instead of all day.

Cottam reported that the Fish & Wildlife Service disfavors the proposed two week-end hunts on white-winged doves in the Rio Grande Valley. The Executive Secretary reported that the 1951 season probably will be Friday, September 14; Sunday, September 16, and Tuesday, September 18, with the hours from 4 p. m. to sunset, as usual.

Cottam said the whitewings suffered to heavily from the winter freeze that destroyed much of their nesting areas in the orange groves to permit an expanded season. The Commission recommended Friday, September 7, and Sunday, September 9, and Friday, September 14, and Sunday, September 16.

The Executive Secretary reported increasing hunting pressure, plus weather hardships on both whitewings and mourning doves, as major factors in the curtailments tentatively fixed by the Federal authorities.

Cottam also indicated a no-zoning waterfowl policy by the Fish & Wildlife Service because of the precedent provided by such a concession to Texas. He pointed out that several states seek a zoning arrangement, some of them, like Delaware, being just a fraction the size of Texas.

The Executive Secretary said it was too early to anticipate the waterfowl regulations since the summer duck and goose count still is underway. He quoted Cottam as saying Texas would be allowed regulations to permit as generous hunting conditions throughout the state as possible.

The Commission has recommended that the waterfowl season open November 10.

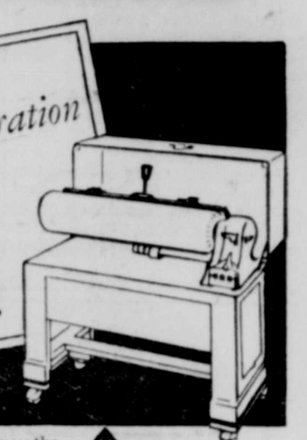

Routine Walk Covers Ground

KANSAS CITY, Mo. (AP)—If he can hold out for a few more years, George R. Ross will have walked around the world—25,000 miles—just getting to and from work.

It's two and one-half miles from my house to my job," says Ross, 75, a fireman in a boiler room for 55 years. "Using five miles a day as an average for the round trip, I figure I have walked 17,160 miles since 1939."

Francis, The Talking Mule, Is Starred In Race Track Comedy

Francis, the talking mule, returns to the screen with pal Donald O'Connor, this time in a race track drama which sees Francis as a forecaster deluxe because he can talk to the horses. The picture, "Francis Goes to the Races," comes to the Ellis on Tuesday-Thursday.

Donald and Francis hit the road, hit the race tracks, and come close to wrecking the whole grand institution of horse racing. As the two get mixed up with gamblers, the track police, and the racing association, in O'Connor's attempts to save the day for pretty Piper Laurie and her stable-owning grandpa, Cecil Kellaway, one incident follows another, each funnier than the one before.

Donald parlays two bucks into 25 grand and Francis throws a big drunk on part of the winnings. Highspot of the picture is when Francis takes a supposed second rate horse, and in his own words, psychoanalyzes her, because he says she has an inferority complex, and persuades her she can beat her brother, the favorite.

The latter almost passes her in the stretch, but stops dead of the barrier because as Francis tells the racing board later, he knew the horse was too much of a gentleman to beat his sister.

Singapore Short on Medical Services

SINGAPORE (AP) — The chief surgeon at Singapore General Hospital says medical services in this British crown colony have "lagged behind the times."

The surgeon, Mr. B. M. Johns, asserted it was "fantastic" that in a colony like Singapore with more than 1,000,000 people there was only one ear, nose and throat specialist to serve the entire island, the Federation of Malaya and surrounding territory.

Johns said there was a tremendous demand for medical services but his department could hardly cope with the situation because of lack of staff and facilities.

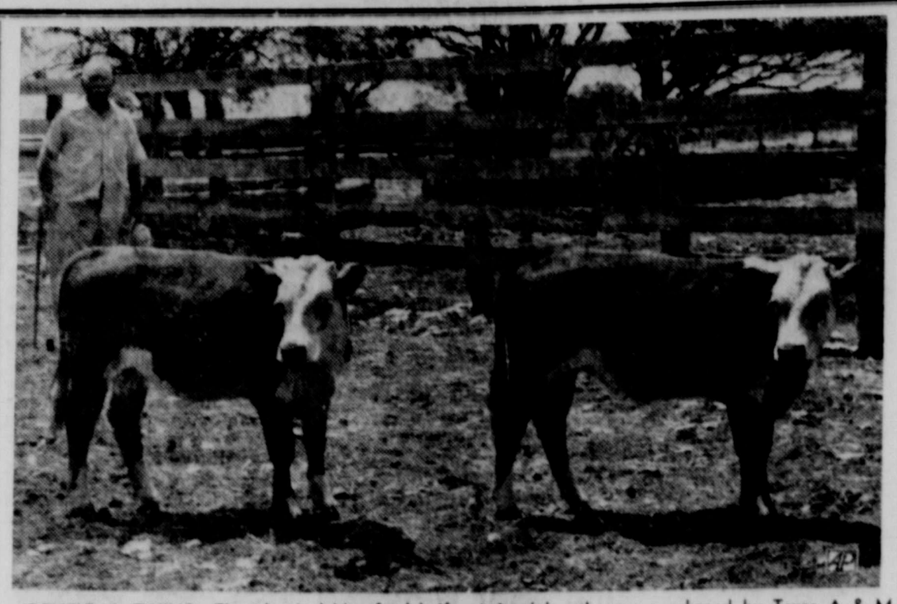

Amazon Queen Aids Jungle Jim

Jungle Jim has another strange adventure in "Fury of the Congo," which comes to the Ellis on Friday and Saturday.

A wild, beautiful and barbaric Amazon queen, played by Miss Moreland, leads her embattled women to aid Johnny in furious struggle not only against lions, leopards and giant spiders, but also against a savage band of smugglers searching for the Amazon tribe's sacred animal, the Okongo, whose glands secrete a powerful narcotic fluid.

Henry, the leader of the smugglers, and his brutal henchman, played by Talbot, force Jungle Jim and the men of the Amazon tribe to track the elusive Okongo herd. Johnny is forced to use all his jungle lore to circumvent the smugglers. The story winds up in a furious stampede of Okongoes, with the wild Amazon beauties fighting beasts and bandits to free their captured men.

Mr. and Mrs. J. B. Cartwright, Sr., Phil Cartwright and Bob Black of Oklahoma City were Sunday dinner guests of Mrs. Spencer Whippo and Ruth.

IDENTICAL TWINS—The identical Hereford heifer twins (above) were purchased by Texas A & M College for 40 cents a pound to be used in nutrition experiments at College Station. The calves were grown on the W. T. Wright ranch, ten miles north of Alice. At left is 82-year-old W. T. Wright who says the twins are the fourth set of twin calves born on his ranch in the last four years. (AP Photo)

WATERMELON TIME—Tourists from 25 states will be served free watermelon by pretty Mineola girls like Ann Lukenbill (above) during the Third Annual Watermelon festival (July 25). Miss Lukenbill was festival queen last year. (AP Photo)

Cuts Teeth Early

CARLSBAD, N. M. (AP)—There's a suspicion that Robert Verne Tucker must be planning to put the bite on somebody very early in life.

Young Bobby, the son of Mr. and Mrs. Robert L. Tucker of Carlsbad, boasted four teeth at the age of four months. Now at six months, he has eight teeth whereas infants twice his age often are just cutting their first tooth.

Mr. and Mrs. Spencer Whippo and Ruth left Thursday on a two weeks vacation and business trip to Kansas City.

Skelton Fires A Gasmobile In 'Excuse My Dust'

With Red Skelton cast as the inventor of a horseless carriage in the innocent era of 1895, the Technicolor comedy, "Excuse My Dust," comes to the Ellis on Sunday and Monday.

Red has one of the best roles of his career as the small-town boy with big-time ideas of the future of the gasmobile. Not even the determined opposition of his fiancee's father, owner of the town's livery stable, can deter him and, after a series of Skelton situations, he wins the hand of the lady.

However, before succeeding, he almost burns down his barn in his experiments with the gasmobile and faces the loss of his sweetheart to the son of the local banker.

The big scene finds Red nosing out his rival in a race for a $5,000 purse.

The picture boasts a number of new songs and some pretty scenery.

Mr. and Mrs. J. W. McKinney left Wednesday on a vacation. While they are away they will visit in Oklahoma City, Tulsa, Port Arthur, Ft. Worth and Fayetteville, Ark.

Mecca Water Project Planned

CAIRO (AP)—The Saudi Arabian government has earmarked $1,578,400 to improve roads and water supply for Mecca, the Arab News Agency reports. This is the biggest allocation in the history of Islam's holy city, ANA added in a dispatch from Mecca.

Tens of thousands of pilgrims from all over the Moslem world every year swell Mecca's population. Water supply is one of the main problems of this city, built in the desert.

Delbert Davis of Perryton, Texas recently purchased two purebred Aberdeen-Angus bulls from Frank B. Eitel & Sons of Green Castle, Missouri.

Ghosts Chase Bowery Boys

The Bowery Boys nearly wind up second best, but finally win out over the supernatural in "Ghost Chasers," the comedy which comes to the Pertex Theatre on Sunday-Tuesday.

As they move against what often are errie backgrounds, one of the boys, Hall, meets Edgar, the ghost of a Pilgrim father who has been dead for 300 years. The ghost, portrayed by Lloyd Corrigan, is an exceptionally helpful fellow to his new-found friend; and laughs reach a high peak when, to gain entrance to otherwise forbidden rooms, he walks through walls and takes Hall with him.

Again, Gorcey turns in a smash performance; Hall has never been better as a comic, and Corrigan attains greater stature as a performer in his ghost role. He is particularly amusing when, seated on a chandelier in a massive room, he looks down at the bevy of serious folks attending a seance.

Action Is Keynote Of Brown Film

Action is the keynote of "Man from Sonora," Johnny Mack Brown's latest outdoor drama, which will be seen at the Pertex on August 3-4.

In "Man From Sonora," Johnny is cast as a retired U. S. Ranger, desirous of hanging up his guns, but forced by circumstances to resume his role as a man-hunter. It all comes about when a stage in which a U. S. Marshal is a passenger is ambushed and the law-man's identification papers stolen. Before the latter can reveal his identity, he is murdered by a hired gun-hand who then proceeds to masquerade as his victim. When Johnny moves in, the fake marshal sets a posse after him, charging him with murder. The fighting star then becomes [illegible] and hunted, in a [illegible] climax.

Mr. and Mrs. J. B. [illegible] Sr., returned Saturday [illegible] three weeks vacation [illegible] and Washington, D. C. [illegible] way home they visited [illegible] Cartwright's daughter [illegible] ily, Mr. and Mrs. Spencer [illegible] kins of Sedalia, Mo.

He also says he likes to work in the winter better than in the summer, although the fact mperature was around the 100 mark when this picture was made may have something to do

Top o' Texas Rodeo Opens On August 7

Cowboys and cowgirls from all over the Southwest are already registering for the 7th annual Top o' Texas Rodeo, which is being held August 7 through 11, at Pampa, Texas. This year's rodeo is expected to be the biggest of all time and the program is spiced with many special attractions. The Top o' Texas Rodeo is one of the largest amateur rodeos in the world, and is known throughout the country as one of the fastest moving shows in the rodeo world.

Heading the special feature list this year will be Monte Hale, one of Hollywood's most popular western singing stars, who will be here for all four rodeo performances, which begin at 8:00 p. m. each evening, August 8 through 11. Hale was featured in the 1948 Top o' Texas Rodeo, and is returning by popular request. He was especially popular with the young visitors to the rodeo because of his friendliness and cordial reception of these "future cowboys and cowgirls."

The show will open, as in the past, with the Kid Pony Show on August 7. Junior cowboys and cowgirls from 5 to 16 will have an opportunity to display the ability of rider and horse in the many events listed for the Kid Pony Show. These events include the Barrel Race, Bull Fight, Bull Riding, Flag Race, Doughnut Race, Cutting Horse Contest, Calf Roping, and Girl's Clover Leaf Reining Contest. There will also be a colorful downtown street parade on Tuesday afternoon, August 7, at 4:00 p. m. for participants in the Kid Pony Show.

Mt. Rainer in northwestern United States is named after a British admiral.

Carl Hurter Finishes Course At Fort Lee

Cadet Carl V. Hurter son of Mr. and Mrs. Carl Hurter and a student at University of Texas successfully completed his six weeks training at the Quartermaster ROTC Summer Camp, Fort Lee, Virginia, on July 27.

This summer camp is a part of each cadet's ROTC training in college and must be completed before he is eligible for a reserve commission as Second Lieutenant in the Quartermaster Corps.

Highlights of this camp were when the cadets moved to Camp Pendleton near Virginia Beach, famous resort area, on the week end of July 6-8 where they set up camp. The fifth week of training was spent in the field at A. P. Hill Military Reservation, Virginia. Here they had an opportunity to operate Quartermaster equipment and conduct field exercises.

Malay Curfews Used Against Reds

JOHORE BAHRU, Malaya (AP) —The State of Johore has joined others in the Federation of Malaya in enforcing curfews with the idea of breaking up Communist terrorist activities.

The curfew imposed here means that all persons must remain indoors from 6 p. m. to 6 a. m., until further notice, unless especially authorized to be out. All persons are required to buy their essential foodstuffs inside their own towns, villages and resettlement areas. They will not be allowed to carry any foodstuffs out of these areas. This is to make it impossible for Communist terrorists to obtain food from these sources.

Mr. and Mrs. Charles Whippo Jr. and Buddy of Amarillo are visiting his parents, Mr. and Mrs. C. E. Whippo. From here they plan to go to the mountains for a few days.

A Hard Decision

Two young lads appeared at the courthouse quite conscience-stricken Wednesday after realizing to what extent their Saturday night "mischief" had done to a score of automobile owners in Perryton. It is to their credit that they voluntarily appeared and admitted pouring sugar into about 20 gasoline tanks, since officers admit that they didn't have the slightest lead on the case.

The boys said they didn't know that sugar ruined a motor, and they probably didn't. This does not alter the fact, unfortunately, that sugar does ruin motors.

What disposition of their case will be made remains to be seen. It will be a hard case to judge, since these boys are first offenders and it will be difficult for a judge to hand out punishment that will be adequate, yet keep them on the path toward making a useful citizen.

Practically every adult male has at one time or another engaged in youthful pursuits that he regretted afterward, but few of us have been called upon to face consequences of an act like this one.

Perhaps justice, tempered with mercy, will be the decision of the juvenile court. What will happen regarding the property damage to the automobiles involved is a question yet to be decided.

Wolf Creek Philosopher

Offers His Farm As Defense Spot

(Ed. note: The Wolf Creek Philosopher has another idea to get out of work, as his letter this week reveals.)

Dear editar:

It was so hot out here yesterday I was able to read only the front page of my newspaper, takes too much energy to turn a page in weather like this, and down toward the bottom of the page I noticed an article advisin farmers to keep and eye on germ warfare.

That is, as I understand it, the next war will have some novel ideas in it, apart from shootin at each other, and among these will be bioloical warfare, which I understand consists of the enemy spreadin disease among livestock, or boll weevils in the cotton, or potato bugs in the potatoes, or corn borers in the corn, or greenbugs in the wheat, etc.

Now you take the ordinary farmer, he's gonna have a hard time discoverin when war has been declared, as he's already afflicted by about all the insects they are. Why last year and this year my wheat was so infected with greenbugs and cutworms if I'd known about biological warfare, I'd figured the rest of the world has just declared war on me. Talk about wild rumors, we're gonna have plenty, but the thing has its brighter side.

For example, it's gonna be mighty handy to be able to tell your wife, no use tryin to make a crop this year, them Russian airborne greenbugs will get the wheat before a man has a chance to get started, or the Chinese cutworms will sabotage me, sure as anything.

And I've been thinkin, what this country needs is an anti-insect belt, a buffer area, sort of like a radar net-work, to repel an invasion, to sort of protect the rest of the crops, and if suitable financial payment can be arranged, I will enlist my farm in such a plan.

Will let it grow up in weeds and grass, so when foreign insects hit here, they'll starve to death before they get on over into the real farmin section. In fact, if I could get a supply of these home-grown greenbugs on my wheat, any foreign insects would have mighty slim eatin in my field.

By strategically locatin similar farms throughout the country, we might be able to whip the thing. Washington ought to get to work on this right away. Will be glad to lease my farm for a reasonable amount to the government, and meanwhile will bend every effort to get it in the proper run-down shape and will guarantee to keep it that way. When danger threatens American agriculture, you'll find me willin to do my part.

Yours faithfully,
J. A.

From the SIDELINE

with HAROLD HUDSON

We thought Gordon Shackelford, Jaycee president, got off a good crack at the meeting last week, although when we've mentioned this, no one seems to think it particularly funny. As he stood before the Jaycees, and saw the wide assortment of beards, ranging from full ones like Walter LaMaster and G. K. Rupprecht have, to the merest whisper of a goatee like Lee Little has, to the clean shaven faces of Dean McCutcheon, Alton Boxwell and O. C. Watson, Shack said: "Well, you can tell who wears the trousers in these families—and to what degree!"

We thought this was funny. Some of our fellow Jaycees didn't think it a bit funny, although these were the beardless ones, we'll have to admit.

Speaking of beards, we were downright embarrased last Saturday at Pampa at the regional meeting of the Panhandle Press Assn. Had on this beard, and the only other bearded one was Preach Loftin, who has a little goatee. People would come up, look intently at the beard, then be too polite to ask why it was on there. Although that was one of the selling points of raising beards—to get to tell people about the Perryton Celebration when they asked about it—we found that too many times people would depart rather hastily before we could go into our pitch about the rodeo, free barbecue, etc.

As a result, we know that many of our fellow newspaper men just think this beard is an eccentric demonstration on our part—and we're the secretary of the organization, too.

Several have asked us to say something about Alton Boxwell's cats, and while this isn't really a funny story, rather a tragic one, in fact, we will explain why Boxwell's friends meet him at the drug store and yowl "me-ee-ow!" at him.

Seems that the Boxwell Brothers funeral home has a mama cat who had kittens several weeks ago. Somehow or another, kitten wails began to be heard from what appeared to be the walls of the funeral chapel. Much investigating was done, but the wails continued, louder and louder.

Finally Boxwell found that mama had taken the kittens into the attic and dropped them down inside the wall, and then couldn't get them out. Hence the wailing. With a funeral coming up one afternoon, Boxwell was forced into action. He crawled under the building, and could not get the kitten. Finally had to tear out a partition, as we were told, and rescued them.

We don't see why he should be so self-conscious about kittens. This could have happened to anybody. Of course, kittens howling in a funeral chapel, with a funeral coming up, does make a difference.

News story: "San Remo, Italy—King Farouk of Egypt was playing poker Friday night. There were 3,000,000 lire ($5,000) in the pot.

"I call," said Italian industrialist Pier Bussetti.

"'A straight,' said Farouk, throwing in his cards without showing them. 'Take the word of a King'.

"Bussetti did."

We don't have too wide an acquaintance in the poker-playing field here, but we'd be willing to bet that some cards would be shown, king or no king, or the king profession would be more or less depopulated if this incident happened in Texas.

The Anton News brings up a good question. You know, there is an old tradition about mothers-in-law. They all have the reputation of being grouchy, meddlesome and mean gossipers whose heart is as cold as the locker compartment of a refrigerator.

Then there is the tradition about grandmothers who are all supposed to be sweet, kindly souls and soft-hearted toward everyone.

Now one thing in this connection has us worried—how can this be when every woman is a mother-in-law before she is a grandmother.

We have no patience with those who make excuses for the basketball players at CCNY, Manhattan, Bradley, etc., who have admitted taking bribes to control or throw games during the past two years. About as soon as the scandal broke, excuses began to pop up. The boys are not to blame, their apologists say, since they were corrupted by so much easy money, they saw their school making money on their games and saw no reason why they shouldn't cash in, etc.

Maybe the real culprits are the gamblers who paid off, but the players are equally guilty. They knew right from wrong and kenw the consequences of taking a payoff. We have no sympathy for them.

Nowadays, with psychiatrists having a hey-day, every delinquent, every sex-killer, every bribe taker, gets a white washing on account of his frustrated childhood, maybe, or perhaps his mother didn't love him or he came from a poor family. We don't hold with this.

Looking through "Who's Who In America" you'll find a big percentage of the successful, honest citizens came from homes and environments, which, according to the psychiatrists, should have produced only criminals. We see evidences every day of men and women who rose above their environment.

Butcher Chooses Discretion Over Valor

REDONDO BEACH, Calif. (AP)—There were no questions asked when butcher Jack Watson was cutting up some roasts in his shop and a great dane "of about shetland pony size" came in, selected the biggest one, and stalked out with the chunk in its mouth.

Watson watched the dog appear down the street, and he didn't do anything about its "unusual size."

The biggest jump in education in the horse sport is that which the horse from the 3-year-old free-for-all class.

Notice to the Public

The Court has contemplated killing Bind Weed and Blue Weed along County Roads . . . the idea has been abandoned entirely.

The Court will need all of their funds to repair, construct and maintain the roads.

Weed Killer will be SOLD AT COST at the County Barn to those who want it. Pay for it when you get it.

Ochiltree County Commissioners' Court

BUY YOUR TIRES WHERE YOU GET THEM SERVICED

We know from experience that correct inflation, regular inspection, proper rotation and correct wheel alignment can add miles to the life of your tires. Now, with car care more vital than ever, it makes sense to buy top-quality Mobil Tires where you get them serviced.

LILLY BROS.

17 North Main — SERVICE STATION — Phone 2281

AT THE SIGN OF THE FLYING RED HORSE

No doubt about it—you'll make a mighty handsome picture in a strapping new '51 Buick.

But it isn't the way you look, but the way you feel that's really important.

We'd like you to discover a Buick's ease and comfort, a Buick's power and performance, a Buick's steadiness and control—just to see if maybe you *have* been missing a travel treat.

We'd like you to discover what a valve-in-head engine—gingered with Fireball combustion—can mean in pulse-pounding thrill and in big miles-per-gallon figures.

We'd like you to learn what coil springs on all four wheels—not just the front ones—can do in the matter of smoothing a rough road and keeping you on a level keel

We'd like you to see what generous roadweight and a rigid torque-tube mean in solid steadiness of ride—what Dynaflow Drive* does for you in downright comfort and convenience—what a breeze it is to handle so big and roomy and impressive a car.

Most of all, we'd like you to note the easy-to-take price tags our cars wear—what a whale of a lot more automobile you get for your money in today's Buicks than you'll get elsewhere.

So—come in for a sitting soon, won't you? Whether you try a SPECIAL, SUPER or ROADMASTER, you'll find it the top buy in its field—and a beauty from any angle.

Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

"Smart Buy's Buick"

NO OTHER CAR PROVIDES ALL THIS!

DYNAFLOW DRIVE*—saves strain on drive and car
FIREBALL ENGINE—high-compression, valve-in-head—gets more miles from every tank of fuel
PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection
WHITE-GLOW INSTRUMENTS—greater clarity at night
TORQUE-TUBE DRIVE—seals the chassis, smooths ride, improves driving control
4-WHEEL COIL SPRINGING—cushions ride, cuts servicing costs
DUAL VENTILATION—outside air fed separately to right or left of front compartment
SELF-ENERGIZING BRAKES—hydraulic—softest pedal-pressure five times as brake drum
DREAMLINE STYLING—tapered, car-length fenders, gleaming sweepspears on most models
Plus: Self-locking luggage lid, StepOn parking brake, two-way ignition lock, Safety-Ride rims, Hiffoam engine mounting. Body by Fisher

THERE'S NO SUBSTITUTE

This page made possible through the generosity of the firms and public-spirited individuals listed here.

— Attend Church This Week —

How frequently we hear it said, "This is just as good as the real thing!" Maybe so in lesser matters, such as particular foods or clothing or brands of aspirin. But in the larger realm of character and morality and religion, it can never be true.

There is no substitute for integrity of soul. One cannot afford to be almost honest or fairly truthful or halfway dependable. Honesty and genuineness of life have no substitutes. *There can be no substitute for genuine friendliness;* in fact, a "substitute" is a fraud here... it is hypocrisy and treason to a man's better self. *There is no substitute for brotherliness.* One is a neighbor or he is not.

In a man's relation to his God, there is a supreme demand for the *genuine and the true. Reverence and gratitude and devotion to a man's Highest Friend must be "real."* The man who bows in the presence of the all-loving and all-seeing God must be himself, or he is a caricature like the Pharisee on the street corner . . . praying to be seen by his fellow men. *The respect of men and the favor of God and a man's own sense of integrity... these can have no substitute and no rival.*

TEXAS FLAG IN KOREA—When an "adopted" Texas tactical unit of the Fifth Air Force in Korea, the 27th Fighter Escort Wing, was replaced by a real, live Texas unit, the 136th Fighter Bomber Wing, the official flag was lowered only long enough for an official transfer. Taking part in the transfer are, left to right: Col. Albert C. Prendergast, Dallas, Tex., 136th Wing Commander; Brig. Gen. James Ferguson, Deputy Commander Fifth Air Force; Maj. Gen. Frank F. Everest, Fifth Air Force commander, and Col. Raymond F. Rudell, Buffalo, N. Y., 27th Fighter Escort Wing Commander. (AP Photo)

THE TEXAS POLL

Governor Shivers Still Rides Mounting Wave of Popularity

By JOE BELDEN
Director, The Texas Poll

AUSTIN, Texas — Allan Shivers, increasingly mentioned as a possible candidate for the United States Senate next year, today rides a mounting wave of popularity as Governor of Texas. And he is maintaining his popularity better than any of his three predecessors, O'Daniel, Stevenson and Jester.

The latest statewide survey by The Texas Poll, conducted this month, shows the governor has regained ground he lost over the last year. His "popularity index" is now on a par with his previous high point in August 1950. The Texas Poll has made periodic measurements to establish a trend in the governor's popularity. On each of eight statewide studies covering comparable representative samples of qualified voters, this question was asked:

"In general, do you approve or disapprove of the way Allan Shivers is handling his job as Governor of Texas?"

	Approving	Disapproving	Undecided
Nov. 1949	68%	6%	26%
Jan. 1950	72	8	20
Apr. 1950	76	12	12
June 1950	76	10	14
Aug. 1950	79	8	13
Nov. 1950	73	10	17
Feb. 1951	76	11	13
July 1951	79	11	10

When the percentages for the latest survey are computed omitting the undecided voters, 88 per cent approve and 12 per cent disapprove of Shivers as governor. Note that the number of undecided voters has been decreasing steadily as people have had more time to watch and judge the governor. The disapproval column, on the other hand, has remained about the same since April 1950.

In the past eleven years (with the exception of the World War II years), The Texas Poll has made recurring measurements during the terms of four governors. The following table represents the up and down "thermometer" readings of voter approval, leaving out of the computation people who were undecided when they were interviewed:

	% Approval
O'Daniel (Jan. 15, 1939 to Aug. 4, 1941)	
June 1940	43
Sept. 1940	67
Nov. 1940	70
Jan. 1941	74
March 1941	77
May 1941	69
Stevenson (Aug. 4, 1941 to Jan. 21, 1947)	
Oct. 1941	94
Dec. 1941	86
April 1946	77
June 1946	73
Aug. 1946	72
Dec. 1946	75
Jester (Jan. 21, 1947 to July 11, 1949)	
March 1947	92
May 1947	81

MR. and MRS. JOHN DALE TAYLOR

Veneta Cook and John Taylor ge Vows in Baptist Church

ble-ring ceremony at 3:00 o'clock July 29, in the sanctuary First Baptist Church, Miss Veneta Ann Cook became the bride Dale Taylor.

ride is the daughter of Mrs. J. O. Cook of Book- and Mrs. Reece E. Taylor, Baylor are parents of the om.

O. C. Curtis read the before an arch en- fern and white or baskets of pink d at either side of white aisle cloth bridal aisle.

ine Graves, pianist, program of nuptial accompanied Miss wrence, who sang "Be- and "I Love You Truly." tional wedding march- played for the proces- recessional.

ride, given in marriage father, wore a gown of atin designed with fitted high neckline and yoke finished with a bias fold . The sleeves were long ed and came to points hands. Lace ruffles cov- front of the full skirt ed the chapel train.

ll of illusion, edged with ll from a coronet of satin carried a white Bible with a white orchid and ntis.

Virginia Lou Cook at- her sister as maid-of- She wore a floor length orchid net and carried et of yellow gladioli.

ride's other attendants Dwendie Atchison, sis- bridegroom, Mrs. Wen- sister-in-law of the Miss Frances Payne. on wore yellow, Mrs. n was green and Miss pink. Their bouquets k and white gladioli. ephenson was best man. Ushers were Earl Olmstead, Sonny Schnell, Jimmy Witt and Reece W. Taylor.

Mrs. Cook, mother of the bride, was attired in navy sheer with pink and white accessories. Mrs. Taylor, mother of the bridegroom wore an orchid colored dress with white accessories. Both wore corsages of white pom-pom chrysanthemums.

At the reception held in the Church parlor following the ceremony, the bride's table was covered with a lace cloth and centered with the tiered wedding cake. Mrs. Edgar Cook served the cake and Mrs. Roy Stollings presided at the punch service. Miss Helen Payne registered the guests.

After a wedding trip through New Mexico, the couple will be at home at 117 Southwest 4th Avenue. For traveling Mrs. Taylor chose a black sheer dress with white accessories and a white orchid corsage.

Mrs. Taylor is a senior student at Perryton High School. Mr. Taylor graduated from Perryton High School, with the Class of 1950. He is employed by The Texas Company.

Among the out-of-town guests at the wedding were Mrs. W. B. Stapp and child of Little Rock, Arkansas, Mrs. Wendell Cook and sons of Hobbs, New Mexico; Mr. and Mrs. Leon Daugherty of Pampa; Mr. and Mrs. J. E. Cook of Logan, Oklahoma; Sid Spaulding and daughter of Forgan, Oklahoma; Miss Lilly Ann Belbro of Forgan, Oklahoma; Mr. and Mrs. Herb Bass of Elmwood, Oklahoma; Mrs. R. F. Sanders of McLean, Mrs. Alice Short Smith of McLean and Hazel Irene Smith of Buenos Aires, Argentina.

G DATE SET . . . August 24 is the date chosen for their Miss Verlia Hummer and Dean Coughenour.. Miss Hummer ter of Mr. and Mrs. M. S. Hummer of Booker and Mr. is the son of Mrs. Sarah Coughenour of McPherson. Kanple will exchange vows at 2 o'clock in the Church of the Waka. Prof. Raymond Flory of McPherson, Kansas will

Fifty Attend Home Demonstration Club Achievement Day Tuesday; Rain Hinders

An estimated fifty persons attended the annual home demonstration Achievement Day tour, held Tuesday, in spite of the rain which lowered the attendance. The tour started south of Perryton, then west and back to Perryton where lunch was served at the county park at noon.

The first stop on the tour was the Willis Hardy home at McMillen, where the large garden was the point of interest. Mrs. Hardy cans for the entire family out of this garden, which contains practically every vegetable that will grow in this country.

The Travis Flowers home at Taz was the next stop and the visitors toured the Flowers home, which is unique in its kitchen arrangement and its adjoining all-purpose room. A very modern poultry house was another interesting part of the farmstead.

At the Bill Brown home in the Black community, the visitors saw a large and beautiful yard and an exceptionally well arranged home. Beautiful landscaping and an efficient arrangement was also viewed at the next stop, the Allen Dennison home near Farnsworth.

At the Bryon Tevis home a wide assortment of handwork in rugs and other items were shown. Mrs. Tevis explained that most of the rugs were made by inmates of an Austin institution where she formerly worked as a dietician, and that they represented many hours of tedious work.

The Earl McGarraugh home north of Perryton was the next stop, where the landscaping, garden and home were visited.

At the Roy Stollings home in Huntoon, the girl's bedroom was the point of interest. Furnished in Southern style, with canopied bed and furniture in keeping with the Southern theme, this room attracted much interest.

Final stop for the day was at the home of Mrs. Tip Collingsworth in Perryton, where the laundry and nursery arrangement in the home was visited.

Party Honors Visitors

Mrs. Percy Austin and Mrs. Ervil Hoots entertained with a pinochle party, Thursday afternoon, honoring their aunt, Mrs. Mildred Beisheim of Rochester, N. Y. The party was given in the Austin home at Farnsworth.

Mrs. Wolter held high score and Mrs. Billy Conner was low scorer for the afternoon.

Dainty refreshments were served to Mrs. Marvin Longhofer of Canadian, Mrs. Jack Nix of Canadian, Mrs. L. R. Conner, Mrs. Ray Chase, Mrs. Billy Conner, Mrs. L. C. Wilson, Mrs. Fred Koehn, Mrs. Dean Conner, the guests of honor and the hostesses.

Mrs. Wolter is an aunt of Mrs. Hoots and Percy Austin. Mrs. Wolter and her daughter Mrs. Beisheim and granddaughters Dorothy Ann and Joyce have been visiting for the past week in the Hoots and Austin homes.

Picnic Honors James Children

Mrs. D. A. Caldwell entertained friends of her grandchildren, Judibeth and Terry James of Riverside, Calif., last Thursday evening with a hamburger supper in the back yard of the Caldwell home at 901 S. Baylor.

Those present were Sandra and Buddy Bolerjack, Carol Ann and Gloria Coffin, Patty Brally of Tulia, Judibeth and Terry James.

Judibeth and Terry, who have visited here the past month, returned to their home, July 27.

Mr. and Mrs. W. M. Escoe left Wednesday for a weeks vacation in the Colorado mountains.

Veneta Brown Is Party Honoree

Mrs. Wick Brown was hostess at a party, July 30, honoring her daughter Veneta Kay on her fourth birthday.

Sand pails and shovels were given as favors at the close of the party.

Refreshments of birthday cake and ice cream were served to Judy, Sue and Kay Headlee, Betty Snider, Bryna Crum, Leola Phillips, Jean Stumpf, Mike Blank, Marva Sue Delk, Patricia Girouard and the honoree. Also Kay's grandmother, Mrs. Lee Platner, and her cousin, Tommy Hall of Wichita, Kansas.

Page-Peckenpaugh Engagement Told

Eugene F. Page of Dallas announces the engagement of his daughter, Miss Patricia Page to Wendel Peckenpaugh, son of Mr. and Mrs. B. H. Peckenpaugh of Farnsworth.

The wedding will take place Sunday, August 5 at the First Methodist Church of Dallas.

Mrs. Jack Heil Is Complimented

Mrs. Jack Heil, who until her recent marriage was Miss Polly Holmes, was honored with a miscellaneous shower, Friday afternoon July 27, in the home of Mrs. Spencer Whippo, 914 S. Fordham.

Hostesses for the courtesy were Mrs. Nell Mounts, Mrs. A. E. Pittman, Mrs. C. L. Schell, Mrs. Sibley Jines, Mrs. Coke Harlow, Mrs. Billy Beck, Mrs. Blanche Clack, Mrs. W. R. Grabeel and Mrs. Whippo.

Mrs. Harlow and the honoree's grandmother Mrs. Bruce Bull of Lefors, received the guests. Miss Joyce Rodgers was in charge of the guest book and Mrs. Bruce Holmes assisted the honoree with her gifts.

Arrangements of summer flowers in tones of yellow and white decorated the receiving rooms. The honoree, Mrs. Roy Enfield, mother of the honoree, her grandmother and her sister-in-law Mrs. John Heil of Follett were presented corsages.

The refreshment table was covered with a white linen hand-drawn cloth over yellow. Appointments were in crystal. The centerpiece was a miniature bride and bridegroom under an arch of white meline ruffles encircled with yellow chrysanthemums. Yellow tapers in triple candelabra at either side completed the centerpiece. Mrs. Enfield and Mrs. John Heil presided alternately at the punch service.

Sixty guests called during the afternoon between the hours of four and six o'clock.

CHARTER MEMBERS of Epsilon Sigma Alpha sorority who attended their formal banquet, Thursday evening, are left to right, on the stairway, Mrs. Sammy Phelps, Mrs. Allan Good, Mrs. Glenn Johnson and Mrs. Lindsay McWilliams. Below left to right are Mrs. LaVaun Pattison, Mrs. Bob Turner, Mrs. Don Enterline, Mrs. Bob Barnett and Mrs. W. L. Good, educational director.

Epsilon Sigma Alpha Sorority Has Formal Banquet Thursday Evening

A formal banquet, jewel pin ceremony and dance for the Perryton Chapter of Epsilon Sigma Alpha sorority was held, July 26, at 7 o'clock in the Harvester Room of the Hotel Coffee shop.

The banquet table was decorated with yellow chrysanthemums. Sorority place cards designated the seating arrangement.

Following the banquet the members received the badge of Epsilon Sigma Alpha in a candlelight ceremony. Mrs. Oran Payne, a member of the Pampa Chapter, conducted the ceremony.

Those receiving pins were Mrs. Bob Turner, Mrs. Lindsay McWilliams, Mrs. Sammy Phelps, Mrs. Bob Barnett, Mrs. Allan Good, Mrs. Don Enterline, Mrs. Glenn Johnson and Mrs. LaVaun Pattison.

Those attending from the Pampa Chapter were Mrs. Bill Ragsdale, Mrs. Charles Robinson, Mrs. John Gammon, Mrs. Dorothy Nelson and Mrs. Payne.

Mrs. Bob Turner, president of the local sorority, presented the educational director, Mrs. W. L. Good, with a recognition pin.

After the ceremony a dance was held in the Harvester room. Those attending were members of the sorority, their husbands, the guests from Pampa, Mrs. W. L. Good, Miss Mona Organ, Huie Throckmorton and Glen McWilliams.

Mr. and Mrs. Louis Strobeck and sons, Richard, John and Don, from Eugene, Oregon were week end guests in the A. J. George home. Mr. Strobeck is a cousin of Mr. George.

Several Stories Left Out Of Herald

Several stories were left out of last week's Herald, quite through accident. Among these was the advance story on the annual home demonstration Achievement Day tour, which was to have been one of the principal stories on the society page. Somehow, the entire galley of type was misplaced when the pages were being made up and was not discovered until Monday morning, long after the Herald was mailed. Our sincere apologies to all concerned.

Mr. and Mrs. J. W. Browning and family of Tacoma, Wash., and Mr. and Mrs. H. H. Scott and daughter of Abilene were Saturday night and Sunday guests of Georgia Hurlhey. Mrs. Browning and Mrs. Scott are nieces of Miss Hurlhey.

MRS. WILLIAM CLIFTON HERNDON Jr.

Austin Church Is Setting For Goddard-Herndon Wedding, July 28

The Central Christian Church of Austin was the setting Saturday evening, July 28, for the marriage of Miss Nona Blossom Goddard and William Clifton Herndon, Jr. The bride is the daughter of Dr. Walter C. Goddard and the late Mrs. Goddard of Austin. Mr. Herndon is the son of Mr. and Mrs. W. C. Herndon, 822 S. Grinnell.

The ceremony was read by the Reverend Dr. John Barclay before an altar banked with white gladioli, agapanthus, chrysanthemums and marconi daisies. The decorative motif was carried into the audience with aisle candelabra, palms and satin ribbon markings for the family pews. A white aisle cloth was laid for the bridal party's entrance.

Miss Eleanor Page, organist, played the traditional wedding marches and accompanied Mrs. James Cooper of Lorena who sang "The Lord's Prayer" and "I Love Thee."

Given in marriage by her father, the bride wore a gown of imported Chantilly lace designed with a fitted bodice and full, flared skirt extending into a cathedral-length train. The long fitted sleeves were set onto a yoke of nylon illusion. The decolletage of the neckline was edged in lace and outlined with seed pearls and the high neckline of the illusion yoke was outlined with a satin and pearl choker applique.

The bride's full-length veil of imported illusion fell from a heart-shaped hat of matching lace. She carried a cascade bouquet of white roses and lilies of the valley. Diamond earrings, a gift of the bridegroom, were her only jewels.

Maid-of-honor was Miss Jonilu Swearingen of Austin. The bride's other attendants were Mrs. Joseph T. Painter, Mrs. H. K. Allen, Mrs. George Cullen, sister of the bridegroom, Miss Emily Ann Finch, Miss Martha Thompson, Miss Doris Holland and Miss Julie Johnson, cousin of the bride.

All were dressed identically in white marquisette gowns designed with fitted bodices, low round necklines, cap sleeves and bouffant skirts. Their headdresses were white heart-shaped half hats of marquisette with short circular veils. They carried cascade bouquets of white glamelia.

W. C. Herndon, father of the bridegroom, was best man. Groomsmen were Joe Gillis Goddard, brother of the bride, Raymond B. Goddard, Jr., of Waco, cousin of the bride, John Fry of Houston, Joe Bruce Cunningham of Big Spring, Fisher Culberson of Dallas, George Cullen of Houston and Philip LaMaster of Perryton.

Cliff Cullen, of Houston, nephew of the bridegroom, was ring bearer. Ushers were George Penn of Hillsboro and Rice Turner, Bert Hooper and George Lacy, all of Austin.

Mrs. Goodall H. Wooten, the bride's great-aunt, wore a gown of green lace with matching accessories and a corsage of gardenias and lilies of the valley. The mother of the bridegroom wore a blue lace gown with rose colored accessories.

Following the ceremony, a reception was held at the Austin Club. White flowers with wedding palms, woodwardia fern and garlands of table smilax continued the green and white floral theme used in the church.

Green net over white satin covered the bride's table where Mesdames R. S. Phillips, Thomas B. Greenwood, Gillis Johnson, Raymond B. Goddard, Sam McMillan and Jamie Odom presided. The double-ring wedding cake, decorated with white roses and lilies of the valley, was served with coffee and punch.

For her going-away costume, the bride chose a navy blue suit of imported mouchette by Eric. She wore navy accessories and a white Melusine beaver hat. After a wedding trip to Havana, Cuba Mr. and Mrs. Herndon will be at home at 905 S. Baylor street, Perryton.

The bride is a graduate of The University of Texas, a Plan II major and a member of Pi Phi Sorority.

Mr. Herndon graduated from the University of Texas, where he received a law degree. At the University he was a member of Friars, Cowboys and Phi Alpha Delta, honorary legal fraternity. He was chairman of the 1949 campus Religious Emphasis Week, president of Wesley Foundation and vice president of his fraternity, Delta Tau Delta. During World War II he served three years with the Third Army. He is engaged in ranching and practices law in Perryton.

Among the out-of-town guests at the wedding were Mr. and Mrs. Max Boyer of Perryton, Mr. and Mrs. Gillis Johnson of Fort Worth, Mr. and Mrs. Raymond B. Goddard of Waco, Mr. and Mrs. Sam McMillan of Eagle Pass, Mr. and Mrs. J. A. Collins of Lawton, Oklahoma, grandparents of the bridegroom, and Mr. and Mrs. S. H. Needham, Jr. of San Antonio, Mrs. Lucille McCullough and Miss Lynne Wooten of Houston.

Family Dinner Is Held Sunday In Spencer Home

Mrs. F. C. Spencer and Miss Grace Spencer were hosts at a family dinner, Sunday, in the Spencer home at 821 S. Grinnell street.

The dinner honored Mrs. J. L. Darnell, formerly Pauline Spencer, who is moving to Jacksonville, Florida to make her home while her husband is in the Navy.

Places were laid for Mrs. Darnell, Mrs. L. M. Davis of Borger, Mr. and Mrs. Glen Tindle, Kate and Joyce of Stinnett, Mrs. C. B. Rogers, Gale Rogers, Don Rogers, Mr. and Mrs. Robert Thurman, Rollin and Danny, Mr. and Mrs. Harold Hudson and Jimmy, Mr. and Mrs. Harvey Kile and the hostess.

HD Club Meets In Frank Home

"The smart hostess has everything planned in advance and will spend as little time as possible away from her guests while preparing the refreshments," stated Mrs. Mary Watson Jones, agent, at the meeting of the Modern Priscilla home demonstration club Wednesday afternoon, in the home of Mrs. Harold Frank, 1509 S. Amherst.

Mrs. Jones gave a demonstration on preparing some simple party refreshments. She made a delicious drink with ice cream and grape juice. The combination was mixed in an ordinary electric mixer.

Mrs. John Huston gave a report on her activities during the week she spent at Texas Tech College in Lubbock where she took a course in "Art Designing."

During roll call each member gave the number of pounds of pecans she desired to have the club order for her. Mrs. Ronald Dieball and Mrs. James Slough had thier names placed on the roll as new members.

The hostess served delicious refreshments to Mrs. Harry Reimer, Mrs. John Huston, Mrs. Kenneth Cudd, Mrs. Marvin Felix, Mrs. Ronald Dieball, Mrs. James Slough, Mrs. Byron Tevis, Mrs. Billie Sanders, Mrs. Una Burson of Dallas, a guest, and Mrs. Jones.

The next meeting will be in the home of Mrs. John Huston, August 8.

Escoe-Lamb Vows Are Read July 10

Mrs. Jim Lamb

Mr. and Mrs. W. M. Escoe, 601 Birch St., announce the marriage of their daughter, Miss Nancy Jo Escoe to Pvt. Jim N. Lamb, son of Mr. and Mrs. Lawrence Lamb of Amarillo.

Vows were exchanged at Las Cruces, N. Mexico, July 10.

For her wedding the bride wore a tailored white cotton lace dress with white accessories and a carnation corsage.

Mrs. Lamb is a graduate of Perryton high school and attended Baptist Bible College at Springfield, Mo. Mr. Lamb graduated from Amarillo high school and attended Texas Technological College at Lubbock.

The couple are at home in El Paso. Mr. Lamb is stationed with the army at Ft. Bliss.

Friendly Circle Club Entertains With Tea Tuesday

Members of the Friendly Circle Home Demonstration club entertained with a tea, Tuesday afternoon in the home of Mrs. Bill Pletcher, southeast of Perryton, honoring members of the Modern Priscilla Home Demonstration club.

During the program Miss Alene Wagner, a member of the 4-H club gave an interesting discussion of her trip to the 4-H Club round-up held at College Station recently.

Members of the Friendly Circle club entertained with a style show, under the direction of Mrs. George Pletcher. Theme of the style show was "How Our Lady May be Dressed Around the House."

The tea table was laid with a white linen cloth and appointed in crystal. Opposite ends of the table held the punch service and a low container holding individual corsages, which were presented each guest as she was served refreshments. Mrs. Kenneth Cudd presided at the punch service.

Those present for the afternoon were Mesdames John Huston, Billy Sanders, Kenneth Cudd, Harry Reimer, Troy Derryberry, Lee Edge, Byrl Hardy, George Pletcher, Allen Wagner, Jona Janzen, Cecil Leicht, Earl Schwalk, Hershel Swinney, Geo. Rogers, Herman Wagner, and the hostess.

Hoys Entertain For Grandson

Mr. and Mrs. Harold Hoy entertained with a picnic, July 26, honoring thier grandson, Randy Stapp, on his first birthday. Randy is the son of S/Sgt. and Mrs. Derald Stapp. Sgt. Stapp is with the Army in Korea.

Those present were Mr. and Mrs. Tom Stapp, Max and Maxine of Booker, Mr. and Mrs. Lloyd McCurdy, Mr. and Mrs. Raymond McCurdy, Anita Rae and Deborah Ann, Mrs. A. E. Bryan, Mrs. Derald Stapp, the honoree and Mr. and Mrs. Hoy.

Marriage Licenses

July 25: Wayne Jackson Leeves and Frankie Imogene Elkins.

Mrs. Bolerjack Is Honoree At Shower

Mrs. Troy Bolerjack was honoree at a baby shower, Tuesday evening, in the Ray Schweitzer home at 1317 S. Eton.

Hostesses for the occasion were Mrs. Percy Powers, Mrs. Kenneth Schweitzer, Mrs. Otha Castle, Mrs. Loyd Morgan and Mrs. Ray Schweitzer.

Mrs. Kenneth Schweitzer greeted the guests and Mrs. Powers presided at the guest book. Mrs. Morgan assisted the honoree with her gifts.

The refreshment table was covered with a lace cloth and the centerpiece was an arrangement of goldenglow on a reflector. At either side crystal holders held pastel green tapers. Mrs. Rufus Bolerjack and Mrs. Edith Tucker, sister-in-law of the honoree, presided alternately at the punch service.

Approximately twenty - five guests called between the hours of seven and nine o'clock.

Mr. and Mrs. J. A. Collins of Lawton, Okla., are visiting this week with their daughter and son-in-law, Mr. and Mrs. W. C. Herndon, 822 S. Grinnell. Mr. and Mrs. Collins attended the wedding of their grandson, Bill Herndon, in Austin last Saturday and accompanied their daughter home.

Mr. and Mrs. W. H. Lance and their nephew, Bob Reed, left last Thursday on a fishing trip to Montana.

Service Men Are Visitors In Brown Home

Pvt. Billy Lee Johnson of Wichita, Kans., and Cpl. Howard Whiteley of Fayetteville, Ark., have been guests in the Wick Brown home for the past few days.

Pvt. Johnson, who is a brother of Mrs. Brown, will report in Seattle, Wash., August 13 and will sail for the Far East on that date. Cpl. Whitely was wounded in Korea and is on his way home to be discharged from the Army.

Members of the Full Gospel Church honored Pvt. Johnson and Cpl. Whitely with an ice cream supper, Monday evening, at the park.

Gifts were presented the boys.

Ray Gyger Honored On Fourth Birthday

The Clifford Gyger home at 102 Harvard was the scene of a party, July 27, honoring the Gyger's son, Ray, on his fourth birthday. Ray's grandmother, Mrs. E. B. Gyger, assisted with the entertaining.

Movies were made of Ray and his guests at play.

The refreshment table was covered with a pink and white cloth and centered with the decorated birthday cake.

At the close of the party windmills and clusters of suckers were given the children as favors.

Birthday cake, ice cream and fruit punch were served to Jenette Cudd, Donnie Cudd, Vicki Lawrence, Craig Lawrence, Douglas Fuller, Randy Dieball, Randy Gyger and the honoree.

Adults present were Mrs. Gene Cudd, Mrs. Gene Lawrence and Mrs. John Dieball.

Sunday School Class Has Party

Members of the Fidelis Sunday school class met in the Aldon Bell home, last Thursday evening, for a class party.

Duane Bell is teacher of the class for the summer.

Home-made ice cream and cake were served.

Those attending were Rev. and Mrs. Lloyd Jones, Mr. and Mrs. Marvin Genuchi and sons, Mrs. C. B. Rogers.

Misses Fae Marie Beck, Josephine Foote, Betty Lawrence, Janette Waugh, Connie Kershaw, Co'Leen Yates, Barbara Kirkpatrick and Laveta Manners.

Also Leon Bell, Mickey Houston, Ed Melvin, Bill Melvin, Gene Waide, R. E. Waide, Dean Maberry and the host.

CARD OF THANKS

We wish to thank those who helped us in so many ways when we lost our home in a fire, July 21. Special thanks to the Men's Bible Class of the Methodist Church and the folks of the Huntoon community.

Darrouzett ME Church Workers Meet Monday

DARROUZETT — Workers in the Methodist campaign assembled at the church basement Monday evening for the "kick-off" dinner. After a song by the group and the invocation by Rev. Lloyd H. Jones, pastor of the Perryton Methodist church, a delicious meal was served to the workers and their companions.

The dinner, under the direction of Mrs. Alfred Fausset, was served by Jackie James, Maurine Fausett, and Kay Schollenbarger. It consisted of tomato juice, salad, hot rolls, buttered peas and potatoes, beets, sliced tomatoes, baked ham, iced tea and cherry pie.

During the evening, appropriate songs, prepared by Naussa Wheatley led by Charles Altmiller with Mrs. Herber at the organ, were sung. A reading, "The Model Church," was given by Melba Hennigh.

After a very inspirational talk by Rev. Jones, and instructions to the workers, those present prepared to tackle the job of dispensing with this year's portion of the church debt and the yearly budget. The group of 40 people pledged over $3,000 to be paid at regular times during the year.

This week's work of the campaign is for the workers to visit in the remaining homes of the members, to give them an opportunity to share in this great work.

The next meeting of the group will be in a few days, and the ladies will bring covered dish luncheon for the workers.

The meeting was closed with a song, "The More We Get Together," led by Maurine Fausset, and a prayer by Rev. Harris.

Two Cowboys of Boys' Ranch Make Big Hit On Denver Visit

Two slightly dazed but happy boys returned recently to the famous Boys' Ranch near Amarillo, Texas from a two-day trip in Denver, Colorado. They boys, Erwin Ray, 9, of Borger, Texas and Troy Black, 17, of Mason, Texas won the trip in a special citizenship election conducted by all the "cowhands."

Erwin and Troy were chosen the best all-around citizens and most popular boys at the ranch. With this honor went the chance to fly to Denver and spend two days just seeing and doing everything possible.

The boys stayed at the renowned Brown Palace Hotel as guests of Wolf Roberts, prominent businessman. They were officially welcomed by Governor Dan Thornton in his office, taken on tours of amusement parks and places of interest, and were guests of honor at a special banquet attended by presidents of all the Denver Civic Clubs.

It is hoped that this will be the start of an annual event at the Ranch. Both Troy and Erwin feel that their's is a very special honor because they were the first to be elected "Best Citizens of Boys' Ranch."

ON DENVER TRIP—Erwin Ray, 9, of the famous Boys' Ranch near Amarillo, Texas, tries on Colorado Governor Dan Thorton's Stetson for size. Erwin and Troy Black, 17, were elected outstanding citizens of Boys' Ranch and awarded a two-day flying trip to Denver, Colorado. They were guests of Wolf Roberts, prominent Denver businessman.

Chakales Is Indian's Shackler

(AP) Newsfeatures

CLEVELAND — Rookie Bob Chakales, righthand twirler for the Cleveland Indians, may have come up with the American League's most mispronounceable name.

The correct way of saying his name is "shackles." And that's exactly what the Indian chiefs, manager Al Lopez and General Manager Hank Greenberg, hope the cocky, 23-year-old will do to the sluggers of the junior circuit.

Chakales made the big jump from Class A Eastern League to the Indians. Last year with Wilkes Barre, the six-foot, 185 pound southerner won 16 games and lost five. He had an earned run average of 2.04. Both marks were best in the league.

Young Bob is quite a hitter, too. His first hit in the big leagues was a home run in big Comiskey Park in Chicago. In Detroit he smacked a two-out two-run single to win his own ball game, 3-1.

Back in Richmond, Va., Chakales was an outstanding high school athlete. He was named on the All-State football, baseball and basketball team.

Now under the tutelage of those former great American League hurlers, Red Ruffing and Mel Harder, Chakales should make a go of it in the big time.

Chakales is one of the three bachelors on the Indian squad. Born in Asheville, N. C., he makes his home Richmond, Va.

100 Wrong Birthdays

HAMBURG, Germany (AP) — Mrs. Marie Schuett of nearby Oberdorf recently became 101 years old and learned that for the last hundred years she has been celebrating her birthday on the wrong date.

She had always celebrated on March 22, but records of the registry office showed she was born March 20, 1850, so she switched her celebration.

Flies Carry Many Diseases During Summer

AUSTIN, Texas—Thousands of children and adults die every year from diseases carried by the fly. Typhoid fever, tuberculosis, pollo, summer complaint, cholera, intestinal diseases, and frequently death follow closely in the trail of the common house fly.

"The control of the fly menace comes at the top of the list of necessary public health measures which should be applied by every city and community in the State,' urged Doctor Geo. W. Cox, State Health Officer.

The most effective measure for control is to prevent breeding," Doctor Cox said. "Flies breed in filth, and about eight days are required to complete a life cycle. During her life time of several months, one house fly lays from 600 to 1000 eggs. Thus it can easily be seen that in a season which usually begins in the spring of the year, the descendants from one fly number countless thousands.

"To eliminate flies, the breeding places must be destroyed. Hanure piles, garbage, and other organic filth furnish the requirements of warmth, moisture, and food necessary for the propagation of the fly. Flies should be kept from contact with food or drink or utensils in which such food and drink are prepared and served. Likewise, they should be kept from access to privy vaults where they pick up the infections, which they later spread to humans by contact with the food and drink, and by unwashed hands and utensils.

"See that your windows, doors, and porches are screened so that the stray fly from some careless neighbor will not molest your family. See that your grocer keeps meat, vegetables, and fruit screened from flies.

"Organize health measures to destroy the breeding places, control the flies' access to your home and food, and establish

In 1951 the number of horses on U. S. farms dropped below 5,000,000 for the first time in the history of U. S. Agriculture reports.

Farmers Move From East Texas To Big Cities

WINNSBORO, Texas (AP)—The farmers are moving out of this part of East Texas.

O. J. Gipe says the number of active farmers in the Winnsboro area has dropped from 3,800 in 1940 to between 1,100 and 1,200.

Gipe is head of the Hopkins-Rains-Wood and Sulphur-Cypress Soil Conservation Districts.

He blames economic pressure and the temptations of the big cities for the exodus.

Gipe and his staff spend most of their time trying to persuade farmers not to abandon their fields, and telling them how they can stay.

"The day is gone," Gipe says, "when just anybody can make a living on a farm. Hit and miss farming today won't provide enough to feed and clothe a family, and keep them warm throughout the winter."

Some of the hundreds who have left East Texas farms have moved into cities and towns, in the same area. But many have gone to Dallas, Fort Worth, Detroit, Chicago, Los Angeles, and San Francisco.

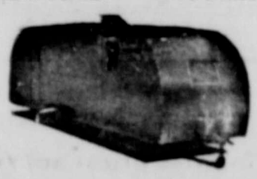

Gipe says this latter group was attracted by the "big time" wages and "big time" leisure.

Few have sold their farms, he added. But the land they leave behind is unused, except that the houses are more or less homes for the old folks also left behind.

The bulk of the 1,100 to 1,200 farmers continuing on the land are gradually converting their acres from peanuts and cotton to pastures for grazing beef and dairy cattle. This takes less manpower. It is also good for the soil.

"I know one dairy farmer," Gipe says, "who, when I came to this area about nine years ago, scarcely was able to feed his family. He's a dairyman now with a herd of more than 100 Jerseys, and he's literally on top of the economic heap."

Of that ...be no question what... this connection it is interesting to note that the big cellulose plant just opened near Prince Rupert, British Columbia, apparently is located in a region less advantageous from the standpoint of timber availability than would be the case if it were in Alaska.

"Already it is casting wishful glances at the Alaska supply but we Alaskans think it would be ruinous indeed if the raw logs were to be shipped to a Canadian plant or to any other for that matter for processing.

"Proper development of that part of Alaska will come about rapidly enough once the mills are established and all steps of the work are performed right there.

"In view of the almost dangerous deficiency in pulp products it would seem that utilization of Alaska pulp resources has become more than ever a matter of high national interest."

Mrs. W. E. James of Lefors and Mrs. Kenneth Tubbs and children of Canyon were visitors Saturday in the home of Mrs. R. H. Francis, 818 S. Amherst.

Some light penetrates the ocean to a depth of 3,000 feet where photographic plates exposed for two hours show its effects, but at the depth of a mile no light can be detected.

TEMPORARY PHONE LINE—These telephone workers are stringing a cable temporarily on the Anderson Mfg. Co. warehouse until they can get new poles installed. A truck hit the line at the corner of S. Ash street and 4th avenue Friday afternoon, throwing about 150 subscribers in east Perryton without phone service until Saturday afternoon. Shown above are Alvin R. Hoover, on the roof, Jimmy Norris, at the ladder, and Frank Winn holding the cable. All are SW Associated Telephone Co. employees.

CAUGHT WITHOUT HOOK—Mrs. George Robbins of Galveston is shown with an 86-pound silver king tarpon she landed off Galveston's Pleasure Pier without hooking it. A fisherman next to Mrs. Robbins got the strike. The tarpon leaped high in the air, cut the other angler's line, but got tangled in Mrs. Robbins' line. She landed the fish in 30 minutes. (AP)

Stalin Eulogy Robbed from Bible

BERLIN (AP)—Johannes Becher, poet laureate of East Germany, has written a new poem to eulogize the Soviet Union, and it seems to have been inspired by the Bible.

Becher's latest work is a 300-page-long tome dedicated to Stalin and entitled "Star of Never-Ending Glow."

It amounts to a parallel with the Star of Bethlehem. In an explanatory preface, Becher draws the comparison himself by suggesting that the Soviet Union has only one message for the world, and that is "peace on earth."

He doesn't add the traditional "to men of good will."

Texas Driver Responsibility Law Not In Effect

AUSTIN (Spl.)—Homer Garrison, Jr., Director of the Texas Department of Public Safety, today announced his intentions of calling upon the State's newspapers and radio stations to assist his Department in putting the "damper" on the false rumors and misinformation that is currently being spread in some circles concerning Texas' new Motor Vehicle Safety Responsibility Law.

Garrison emphasized that the State will conduct a thorough educational program in November and December to acquaint the public accurately and adequately with the purposes and requirements of the law which will become effective next January 1st.

At the same time, Director Garrison warned the public not to believe statements that the statute is now in effect or that it is a compulsory insurance law. He emphatically pointed out that the law will have no effect upon motor vehicle owners and operators until January 1st and declared that under no condition or circumstances will it compel motorists to carry automobile liability insurance.

According to Garrison, the new regulations bear no resemblance to a compulsory insurance law. He pointed further to the fact that only one state has such a law but that Texas became the 35th state to enact a security-type Safety Responsibility Law. It is true, according to Garrison that, beginning January 1st a motor vehicle owner or operator who is involved in an accident resulting in death or injury, or property damage exceeding $100 must furnish proof of his ability to meet claims up to $15,000 or have his motoring privileges suspended until he does. Proper insurance may be accepted as sufficient proof of such financial responsibility but the law also offers several other choices of furnishing such proof. Among these are the posting of a bond with the Texas Department of Public Safety or the depositing of satisfactory security with the Department. Also, under certain conditions, individuals or firms may qualify as self-insurers under the terms of the law.

The alternatives will be clearly set forth by the Safety Department as a part of the education program beginning in November. All such information released by the State will be clearly identified as such, and it will be official according to Garrison.

In calling upon the press and radio for assistance, Garrison stated: "I am asking the public-spirited newspapers and radio stations of Texas to cooperate with the Department of Public Safety, on behalf of the State, in a plan to give our people all the true facts. I am confident that they will do so. This educational program will begin November 1st, two months before the law becomes effective. In the meantime, I hope the people of Texas wil not permit themselves to be misled again about this new law, which was enacted for their greater safety and financial protection."

The U. S., Mexico, Canada and Australia produce about three fourths of the world's lead.

Tuba Fever Blanks Memory

PITTSBURGH (AP)—For a long time Pittsburgh's Hill City Band had a tuba player but no tuba for him to play. Now Director Howard McKinney is trying to find the person who has the tuba.

McKinney became so excited when a woman telephoned him to say she would donate a tuba to the band that he forgot to write down her name and address. Now McKinney and the tuba player have a new worry.

"What, oh what, is that woman's name?"

Newest Nash Rambler

Nash Motors' new Rambler "Country Club" hardtop convertible is a completely new model with huge "full-vision" windows. The trim and luxurious 5-passenger sedan has unusually designed front, side and rear windows for increased visibility. Styling is highlighted with sweeping front-to-rear fender lines, broad, low hood, and a low center of gravity. The new Rambler has Nash-pioneered "Airflyte" construction, an all-steel top, and the factory delivered price includes about $300 worth of custom equipment.

TV to Expensive For Japan

TOKYO (AP)—Jiro Sato, Japan's man in the street, and his wife are eager for television but they are going to have to wait a long time for it. The reason: Nobody can afford it.

Receiving sets are far beyond the reach of the average man. Six companies are making sets on an experimental basis, but these are not on general sale. The sets cost 100,000 yen, or about $275. That's a sum the 15,000 yen-a-month worker would find impossible to shell out. There are less than 300 sets in Japan, all of them in Tokyo.

So far one license for TV broadcasting has been issued. It is held by Yomiuri, the largest newspaper in Tokyo. Officials of Yomiuri say they plan TV on a limited and experimental basis for a few years.

LOTS OF FISHERMEN—The Witt lake west of Perryton seems to be well supplied with fish, and there are plenty of fishermen lining the side of the road practically every day. Dale Eldon Barnes, above, holds six fish caught there last Friday. Seated are Vonita Barnes, left, and Rose Glasscock, right.

University Wants To Unfreeze Permanent Fund

AUSTIN, Texas—Texas voters will determine in November whether the University of Texas and Texas A. & M. College can increase their income for operating expenses without increasing taxes, tuition fees or State appropriations.

A constitutional amendment which will permit increased income without cost to the State will be one of those appearing on a statewide election ballot November 13. The amendment was submitted to the people by unanimous vote of the 52nd Legislature. The House approved it 129 to 0 and the Senate vote was 27 to 0.

Currently the Permanent University Fund can be invested only in certain bonds, which pay a relatively low interest rate. The interest income is divided approximately two-thirds to the University and one-third to Texas A. & M. for building construction and to pay their operating costs in part. If the amendment is approved, up to half of the Permanent University Fund can be invested in corporate stocks.

This will mean, according to an analysis by University Investment officials, that the investments of the fund will pay a substantially larger return. After a period of time, allowing for careful investment in high-grade securities which is required by the amendment, it is possible that income at present rates may be increased $1,500,000 to $2,000,000 per year.

Free Care Expanded

VANCOUVER (AP)—High cost of living has obliged Vancouver General Hospital to expand its free medical care. Formerly a man earning $110 monthly for himself, wife and one child, and $20 for each additional child, was eligible. Now a family of three earning $150 and $25 for each addition up to a maximum of $250 is eligible for free care.

Capt. Lloyd E. Drake, son of Mr. and Mrs. J. F. Drake, has been recalled to active duty with the Air Force, and is now stationed with the 1114 Special Air Mission Squadron, O'Hare International Airport, Park Ridge, Ill. He and his family have lived at Ocala, Fla., since the end of World War II.

HEALTH FOR ALL

Salt In The Diet

There seems to be an increasing number of ailments which call for a cutting down on the amount of salt in the diet. In fact, since salt has received so much publicity in the past few years as one of the items not to eat at time of certain illnesses, many of you might get the idea that it would be better to cut out salt while you're in good health, too.

Salt is essential to life. There is practically nothing living that doesn't contain salt. Because nearly all foods contain salt (or sodium, as it is called), it would be impossible to cut salt out of the diet completely, even if such a thing were desirable.

The aim of the body is to keep the salt level of the body fluids at 0.85 percent. That is the amount of salt in the body fluids of healthy persons. When that level changes, it shows up in the blood. The kidneys are the chief regulator of the salt level, either retaining salt when the level gets to low or throwing off excess salt; kidney disease, therefore, is likely to change the function of the kidneys to such an extent as to throw the salt level out of kilter, which in turn affects the whole body.

Other organs of the body also have an effect upon the kidneys, of course, so that with improper functioning of such organs as the adrenal cortex (the capsule that sits on top of the kidney), the heart, or the liver usually there is a change in the salt level of the body.

When salt is retained in the body, water is retained with it, usually creating a swelling of the various parts of the body which is known as edema; dropsy is an example. To get the body back to normal, medical treatment is aimed at restoring that salt level by getting rid of the retained salt and water.

Along with other treatment, a diet which cuts down on the amount of salt eaten is usually prescribed because the body will use up the salt it has stored away if too little salt is taken in; as the stored salt is called into action, the water it rams is also removed from storage.

No one should undertaken a restricted-salt diet without the advice of a physician. When such a diet is prescribed, however, it should be faithfully followed. Kidney trouble, heart trouble and high blood pressure are usually thought of as the leading diseases which make a low-salt diet necessary, but many doctors will prescribe the diet for a number of other ailments, also.

Depending upon the amount of salt which must be cut from the diet, there are schedules of foods to eat which vary from highly restrictive to just adding no extra salt at the table. That is a matter between each patient and his doctor as to how much salt must be eliminated. There are, however, certain foods which are lower in salt content than others; they usually form the basis from which to work on eliminating items on a salt-restricted diet.

All salted foods, naturally, come off the list first—salted nuts, potato chips and the like. Canned foods which have had salt added in the canning process are also often eliminated, but special saltless canned foods are available now in most grocery stores.

Meats and dairy products are nearly all high in sodium. Those which contain the least include lean beef, lean lamb and lean pork (smoked pork is omitted); chicken breast, duck breast and turkey breast; veal, venison, beef liver, pigeon, rabbit loin and foreleg, sweetbreads, tripe, and turkey leg. Butter (unsalted), cream, egg yolk and milk are the least salty of dairy products.

Other foods which are basically low in sodium content include:

Beverages — the cola drinks, cocoa, coffee, fruit juices, ginger ale, cereal drinks, tea and wines.

Fats and oils — unsalted beef drippings, unsalted butter, vegetable oils, olive oil and salad oil.

Cereals and cereal products — arrowroot, pearl barley, cornflour, cracked wheat, cornmeal, farina, white flour, wheatmeal flour, macaroni, maltex, oatmeal, puffed rice, puffed wheat, rice, sargo, semolina, shredded wheat, soya flour, tapioca, and wheatena.

Fruits—all except those to which salt or sodium benzoate have been added.

Vegetables—same as for fruits except that celery, beets, dandelion, kale, mustard greens, spinach and sauerkraut are often eliminated.

Sugar and preserves—plain chocolate, dry coconut, sugar, honey, jam, jelly and marmalade.

Fish—all except shellfish and oysters. No salted or smoked fish are low, of course.

Nuts—any that haven't been salted.

Condiments — allspice, caraway, cinnamon, curry powder, garlic, mace, mustard powder, nutmeg, paprika, pepper, peppermint extract, sage, thyme, tumeric, vanilla extract and vinegar. Prepared flavorings are not included nor are onion salt, celery salt, and garlic salt.

Such condiments as are allowed will usually make the difference between tasteless unsalted food and a nice palatable dish. Someone who has leaned heavily on salt for seasoning will usually find after a month without salt that he is detecting rare flavors which he had previously drowned in salt. And those who stick to their restrictions in the use of salt testify that the day does come when salted food no longer tastes good.

French Lead European India Visitors

NEW DELHI (AP)—Frenchmen formed the largest single group among the 3,386 Europeans who visited India during 1950.

Home Minister C. Rajagopalachari told Parliament that of the 539 Frenchmen who visited India 38 were tuorists. Others were businessmen, missionaries, dentists, artists and officials. Eighty-five Russians visited India in 1950. The home minister said that 3,892 visas were granted to Americans during the same year.

MODEL LAYOUT—United States editors from urban and rural areas alike displayed keen [illegible] the model layout of the Ontario Agricultural College at Guelph, Ontario, which was shown [illegible] when they visited the College during their 11-day visit to Ontario as guests of the Provincial [illegible] ment of Travel and Publicity. More than 1,400 students are registered at the College and the [illegible] visitors annually visit the campus.
