

COACH LEAVING: Doug Dallas' departure as head football coach and athletic director at Rotan has certainly been the topic of discussion for the past week. The Rotan School Board meets on Monday night, February 11th for their regular meeting. The contracts of the three building principals are scheduled to be discussed, in closed session, at that meeting. In March, teachers are hired or fired - or dismissed or not re-hired or terminated or whatever you call it for the 1991-92 school year. Stay tuned.

ANOTHER ADDRESS: We were informed of a fourth local guy involved in Operation Desert Storm and stationed in Saudi Arabia. Raymond Paul Baker, son of Mr. and Mrs. Tommy Baker of Rotan, is a mechanic with the armored cavalry division. His address is - Pvt. Raymond Baker, 456-63-6227, HHT-1/2 ACR, Sqm - Oper. Desert Storm, APO New York 09759. The others are Tony Zambrano, Kenny Martin and Phillip S. Cleveland.

PARTY: The Auditorium Class of the Roby Church of Christ will hold a class party on Sunday night, February 10th, after the evening worship service. Party will be held in the Fellowship Hall. Members, according to Speedy Hart, are to bring salad, dessert, a favorite table game and a guest.

MORE CHURCH NEWS: Rev. Joe Vernon, First Baptist Church of Rotan, writes a weekly "From Your Pastor..." column on the front page of the Informer Newsletter. His last line in the weekly newsletter read "Thank you for letting me be your pastor."

STATE COMPTROLLER NEWS: Texas Comptroller John Sharp said, in a recent news release, "It'll be legal and above board or it won't be done by this agency," - good way to start out a term of office. More commissions and agencies, boards and groups need to take notes from John Sharp. He has also appointed Pam Fridrich as his ethics officer, former executive director of Common Cause of Texas - she will be keeping everyone up to date on what is legal and ethical in the office.

LOTTERY: Texans are probably going to get the opportunity to vote on a Texas Lottery - and if we do - voters are going to be bombarded with "pros" and "cons" in every media. Governor Ann hopes to have the lottery issue on the ballot in May for Texans to vote on - for or against. If you have a view - now - drop a note to Senator Steve Carriker, Texas Senate, Post Office Box 12068, Capitol Station, Austin, Texas 78711.

OLD LETTER: Uncovered a letter on my desk dated November 27th, 1990 from Kenny Martin, in Saudi Arabia, according to Annette Martinez, who opens my mail, - the letter is fairly new. I have only had it for a few days. In his letter he expresses his appreciation for the support and letters from friends in Fisher County. Take a minute and write one of the four Fisher County servicemen serving in the Persian Gulf.

AS A RULE OF THUMB: You can't drink hot coffee from a straw. It burns quick, bad and often. Don't try it. As a rule of thumb.

FINALLY: Ol' Whistle Britches from his Shinnery Ridge Ranch at Rough Creek pens. "Why is it that the United States Postal Service still has a monopoly on carrying the mail? What we need is a UPS for mail. A dime to a dozen donuts private enterprise could carry mail more efficiently and cheaper."

***COMPUTERS:** Do you think our brains will start shrinking now that machines do our thinking?

***YOUTH:** Youth is that period when you look for greener fields and middle age is what we can hardly mow what we've got.

***CAUTION:** A railroad crossing is a place where it's better to be dead-sure than sure-dead.

FINALLY, FINALLY: True religion is the life we live, not the creeds or affirmations we profess.

Special Hospital Committee Meets

Arthur Rice, director of Hospital Home Care in Dallas, spoke to five members of the Fisher County Hospital Long Range Planning Committee last Monday night concerning a feasibility

study for a rural health clinic and home health agency.

The committee is seeking additional programs to recommend implementation on, that the full hospital board can put in place in order to improve the financial future of the local medical facility.

Rice presented some preliminary

projections concerning the potential for home health care and a rural health agency. Final feasibility study figures are expected to be completed in late

February and presented to the Fisher County Hospital Long Range Planning Committee in March.

Committee members present for the meeting last Monday night were: J.T. Palmer, Dr. C.M. Callan, Kim Pease, Brenda McCall and Raferd Hargrove. Committee member Steve Carriker and Dr. Mary Walker were in Austin.

Two Arrested For Possession Of Pound Of Grass

Fisher County Law Enforcement officers arrested two Sweetwater residents, both formerly of Rotan, for possession of "approximately one-pound of marijuana", according to Sheriff Mickey Counts.

The two arrested were: Robert Martinez and George Martinez. They were arrested by Deputy Marvin Kersh on Highway 419 approximately 6 miles southwest of Roby.

Each was jailed and each posted bond in the amount of \$10,000.

The incident took place on January 30th.

Sheriff's Officers Arrest Rotan Man For Marijuana

Fisher County Sheriff's Department officers arrested Frank Salazar, age 48, of Rotan on January 13th and charged him with possession of "less than 2 ounces of marijuana", driving while intoxicated and failure to possess liability insurance, according to Sheriff Mickey Counts.

Salazar was arrested and after posting a total of \$3,000 in bonds was released from jail.

Room Parents At Rotan Will Hold Meeting

The Room Parents Association met on Monday, Feb. 4th at 6:00 p.m. at the LRC Building. Things discussed were: Valentine parties which will be Thursday, Feb. 14th at 2:00 p.m. for kindergarten, first and second grades. At 2:30 p.m. for third and fourth grades.

Also a book fair has been set for the week of March 11th.

Easter egg hunts will be on Friday, March 22nd.

Spring break will begin on March 25th.

Financial Aid Workshop Is Set For HSU On Feb. 18th

Prospective college students are invited to attend the Financial Aid Workshop on Monday, Feb. 18, at Hardin-Simmons University.

Rene Maciel, director of admissions at HSU, said the program will begin at 6:30 p.m. at Duffy Auditorium in Richardson Library.

"This workshop will be a good opportunity for students and parents to find out more about financing the cost of a college education," said Maciel.

He said discussion will include need-based aid, grant aid, scholarships, the Assured Financial Aid Package, the Challenge Scholarships, the college work-study programs and various types of student loans.

"Assistance will be given on filing FFS forms, and understanding the financial aid paperwork," he said.

Interested students or parents may call 1-800-725-COWBOYS or the Financial Aid Office, Area Code (915) 670-1331 for more information.

Nineteen County 4-H, FFA Members Will Show Animals At Houston Livestock Show

Nineteen 4-H members from Fisher county 4-H will be joining other 4-H and FFA members from throughout the state for showing competition at the upcoming Houston Livestock Show, Feb. 16 through March 3 at the Astrohall.

These 4-H and FFA exhibitors compete in one of two divisions of the Houston Livestock Show - the junior show division. The other division, the open show, attracts its exhibitors from the world's agricultural industry, primarily professional breeders and ranchers.

Entries in both the open and junior shows combine with horse show entries to make the Houston Livestock Show

the world's largest.

Representing 862 Texas 4-H clubs and FFA chapters, the junior show is expected to exceed 13,000 entries this year. A variety of animals are shown in the junior show division: market steers, market swine, market sheep, market poultry, beef and dairy heifers, breeding sheep, goats, commercial steers and breeding rabbits.

The four market animal categories represent animals raised by the exhibitor as food sources. Top animals in each of these categories are eligible for their individual market auctions. Total money paid in 1990 at the four junior show auctions exceeded \$2.7 million.

"The Houston Livestock Show and

shows.

Horse show activities officially kick off the upcoming Houston Livestock Show and Rodeo beginning Thursday, Feb. 14 with cutting horse competition. The National Cutting Horse Association World's Championship Finals is scheduled for Thursday - Sunday, Feb. 14 - 17. The 1991 Horse Show also will feature competition from six different breeds.

Bar-b-que cooking fans can enjoy the World's Championship Bar-B-Que Contest beginning Friday, Feb. 15 at 4 p.m. in the northwest corner of the Rodeo is committed to benefiting youth and supporting education. We feel we accomplish these goals through the active role we take in supporting the second week of livestock competition, our junior show. This second week features the livestock projects of youngsters from all over the state and we're proud of the dedication and hard work they give to each of their animals," said Steve Woodley, Houston Livestock Show and Rodeo assistant manager.

In addition to the upcoming livestock show competition, a series of lectures, seminars and live animal demonstrations again will be on the calendar for the month of February - the International Stockmen's School. Held Feb. 14 - 16, 1991, at the Sheraton Astrodome Hotel, this school focuses on lectures and seminars delivered by agricultural experts from throughout the world.

New cattle shows scheduled for the open show division of the 1991 Houston Livestock Show are the Texas Longhorn, Piedmontese and Pinzgauer

17 4-H Members Show Steers In Fort Worth Show

Fisher County 4-H members exhibited 17 steers at the Ft. Worth Show held last weekend. 5 steers placed in the show and 2 were sold in the Premium Sale.

Roby Cubs Participate In Roscoe Tournament, Taking Victory

The Cubs participated in the Roscoe Jr. High Tourney that was held this past weekend. As usual the Cubs drew a tough first round opponent by drawing Hamlin. There is a long story that goes with this tournament. As you know we participated in the same tournament last year. Three starters from last year's team played again this year. We didn't play very well last year. Two of our three losses for the year came at the Roscoe Tourney. To make a long story short, this year as the coaching staff scheduled games and tournaments, we flirted with the idea of not going back to Roscoe for the tournament. I was confronted by the 8th grade boys wanting to go back to Roscoe. They said, "Coach, we can win that tournament." That is exactly what happened, the Cubs won the championship game by defeating Roscoe. The kids did exactly what they said they could do.

In the first game played Thursday, the Cubs played the Pied Piper of Hamlin. The Cubs won the game by a score of 52-30. The Cubs took control right off the bat by outscoring Hamlin in the 1st period 15-8. Jeremy Curlee had 8 of the 15 points during the 2nd period with good defense holding the Pied Pipers to only 8 points during the quarter. The Cubs scored 17 points during the period and led at halftime by a score of 32-16. The 3rd period was pretty even as Roby scored 8 points during the period, Hamlin managed 6 and the score after the 3rd quarter was Roby 40, Hamlin 22. The Cubs opened up a wider margin by outscoring Hamlin 12-8 during the 4th period. The final score was Roby 52 - Hamlin 30. Scorers for the game included: Jeremy Curlee-18, Coby Moore-8, Chad Dannheim and Bryce Moore-6, Mario Barrera-5, Kelly Heflin and Les Branham-2, Brian Dickson-1, Chris Cortez-4.

In the second ball game the Roby Cubs played the Eula Pirates. Again the Cubs were outsize but proved that size isn't everything. This was the night that the Cubs defense was outstanding, holding Eula to only 16 points for the entire game. The 1st period was marred by missed shots. The end of the 1st period score was Roby 3 - Eula 2. The Cubs began to break open the game as they outscored the Pirates 13-5. Four different Cubs scored during the period. The halftime score was Roby 16 - Eula 7. The Cub defense stiffened to hold Eula to only 7 second half points. The

offense also clicked scoring 21 second half points. Final score Roby 38 - Eula 16. Scoring included: Jeremy Curlee-6, Kelly Heflin-3, Chad Dannheim-11, Chris Cortez-10, Coby Moore-6, Bryce Moore-2.

In the championship ball game, the Cubs played the host team of the tournament, the Roscoe Plowboys. This was a very good game, the Cubs led the entire ball game but Roscoe played very hard to keep it as close as it was. The Cubs blew out to a 19-4 first period lead. Coby Moore scored 8 of his 14 game high points in this period. The Cubs relaxed somewhat letting Roscoe sneak back into the game. The Plowboys outscored the Cubs 11-5 in the 2nd period, going in at halftime down by 10. Roby 25 - Roscoe 15. The 3rd period was an exact scoring scoop of the 2nd period. The Cubs outscored the Plowboys 11-5. The score at the end 3, Roby 36 - Roscoe 20. The 4th quarter was all Roscoe's outscoring Roby 14-7. "It seemed that the Cubs were trying to hang on to the game. All they wanted to do was match Roscoe bucket for bucket," coach said. He also pointed out that all of the second teamers played the last quarter. The final score of the game was Roby 43 - Roscoe 34. Scoring included: Jeremy Curlee-12, Chad Dannheim 4, Les Branham-1, Chris Cortez-6, Coby Moore-14, Bryce Moore-6.

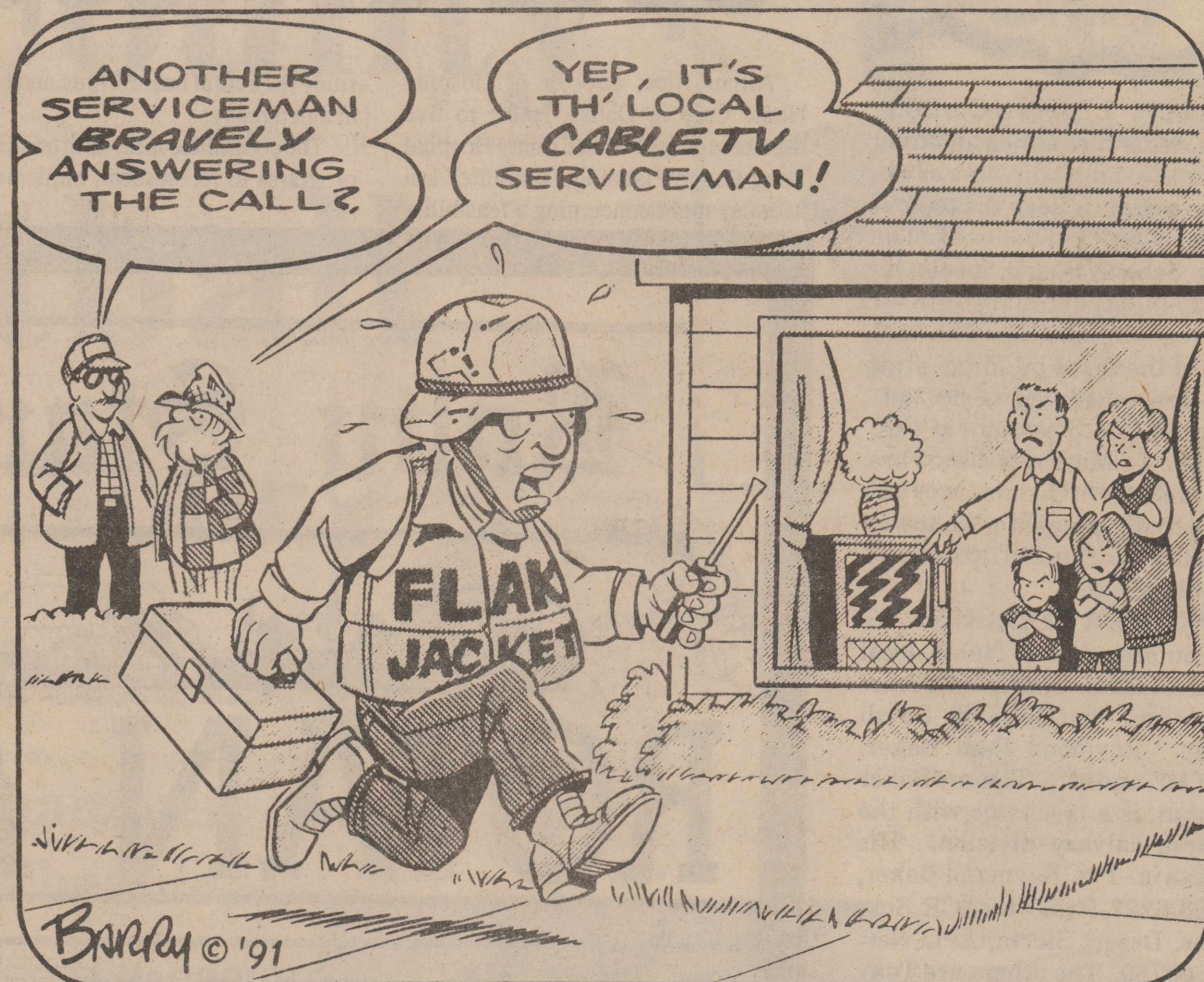

Roby finished the season on Monday beating the Rotan Yellowhammers A&B teams. The "B" team game went in to overtime thanks to Casey Terry's 6 quick points in the 4th period. "I kept trying to find the right combination, we couldn't hit the broad side of a barn," Coach Bryant said. "Casey had 6 of the 7 points of the period." He only played the last two minutes of the 4th quarter. In the overtime period the Cubs outscored the Yellowhammers 5-0. The final score was Roby 22- Rotan 17. Scoring included: Micheal Brown-4, Chris Terry-2, Pat Buckner-2, Jason Thompson-1, Lonnie Green-3, Casey Terry-8, Chad Dannheim-2.

The "A" team also had a difficult time in shaking the "Hamsters". The first period started just the way the Cubs wanted to, jumping out to a 10-4 lead. Then just as in the previous game, relaxed and let Rotan get back in to the ball game. Roby could only manage a

1 point lead at the end of the 1st period, 12-11. Chris Cortez came in off of the bench after Bryce Moore received his 3rd personal foul. Immediately Cortez went to work scoring 6 of the 13 points in the 2nd period. But there was just no way to get rid of those pesky "Hamsters". The score at halftime Roby 25 - Rotan 23. The Cubs came out a different team after halftime and outscored Rotan 16-2. Seven different Cubs scored points during this period opening up a 16 point lead at the end of the 3rd period. The score Roby 41 - Rotan 25. The 4th period was played evenly as both teams scored 16 points. The final score, Roby- 57, Rotan- 41. Scorers included Jeremy Curlee- 4, Kenny Heflin- 2, Chad Dannheim- 19, Mario Barrera- 3, Les Branham- 2, Chris Cortez- 10, Coby Moore- 8, Bryce Moore- 6, Brian Dickson- 3.

The Cub teams both reached goals that they set at the first of the year. To be undefeated in district play, and to be undefeated for the season. The Cubs were 6-0 district and 15-0 for the year. Congratulations Coach.

"With Malice Toward None, With Charity For All"

The date was Good Friday, April 14, 1865. A hush fell over the audience as the curtain rose upon "Our American Cousin" at the Ford Theater in Washington D.C.

From his balcony box, President Abraham Lincoln was viewing the play when suddenly the unmistakable "crack" of a pistol pierced the atmosphere! Lincoln slumped into unconsciousness, felled by the bullet of John Wilkes Booth, a southern sympathizer in the Civil War.

Abraham Lincoln was tall and thin in stature, with sharp features in contrast to his gentle heart and an honest nature

... "with malice toward none, with charity for all."

Having struggled from his humble birth in a log cabin to become a self-educated lawyer, and ultimately the sixteenth President of the United States, Lincoln believed in "government of the people, by the people, and for the people."

The rising sun, on the morning of April 15, 1865, found Lincoln stilled forever, claimed in the darkness by death. Yet, his impact upon our nation would not be destroyed. Though the life of Abraham Lincoln had ended, a new era of freedom had begun.

Texas Jaycees Announce New Chapter Opening In Rotan

The Texas Junior Chamber of Commerce (The Jaycees) are pleased to announce the formation of a new Chapter in Rotan. The new Jaycee Chapter was sponsored by the Snyder Jaycees.

The Jaycees is an organization that provides leadership training and personal development through strong community involvement for men and

women ages 21 through 39. Jaycees focus on volunteerism and a commitment to improving the quality of life for others.

The Texas Jaycees consist of approximately 150 Chapters with 8,000 members. Priority projects include Holiday Rest Shops, The Living Bank Organ Donor Program, Youth Education Programs, Environmental Im-

provement Programs, and Shooter Education.

The Texas Jaycees are affiliated with the United States Junior Chamber of Commerce. Membership includes some 230,000 members nationwide with approximately 4500 Chapters.

For information on the Rotan Jaycees, contact Kevin Copeland at 735-2023.

NEW CHAPTER: The Texas Junior Chamber of Commerce (The Jaycees) are announcing the formation of a new Chapter in Rotan. The new Jaycee Chapter was welcomed to Rotan by Mayor Jerry Marshall far left as he met with the Chapter Representatives.

Hustling Around Hobbs

By Joy Walker

by: Joy Walker

We have been having winter and spring weather all at one time, and on February the 2nd, Groundhog Day, the little fellow did see his shadow which means another six weeks of winter, hope that is wrong. Last Monday it was so warm, it was just like spring, and then Tuesday it turned cold, and I do mean cold. Wednesday morning we saw some sleet and a little light powdering of snow, but we were lucky here as our roads didn't get as bad as they did down around Abilene. They sure had some ice to contend with and by the television, some of the trucks really had a bad time trying to get where they were going.

On Saturday they still had some snow in the ditches and the shady places in and around Stephenville, and they said the roads down there were awful.

Mr. and Mrs. Clarence Anderson went to Tenaha during the week. They left Tuesday morning of last week and came back Sunday night. They visited with Mr. and Mrs. Leslie Anderson and Joe. They went to basketball games both Tuesday and Friday nights to watch Joe play. He is a senior this year.

Our sincere sympathy goes out to LaVerne Kennedy and Norvelle Kennedy and Donna and their family. Norvelle Kennedy, Sr., passed away Thursday and was buried at Rotan on Saturday.

Mrs. Jim Ratliff and two boys from Abilene went to Snyder Saturday and spent the night with Mr. and Mrs. Tracy Knipe, Taren and Blain. Tracy came back by the James Ratliffs and visited with them on Sunday. Jim Ratliff was in Lexington, Kentucky, playing with his wheelchair basketball team, and Tracy picked him up when he flew in to

Abilene that night. He is really seeing all parts of the country and is enjoying visiting so many places. Said Kentucky was just beautiful.

Levi Parks is progressing very well, and the news seems very optimistic. We hope that he will continue to improve. Sam Etheredge went into Methodist Hospital in Lubbock last Monday and he has really been sick. He has had pneumonia and they will be keeping him in Lubbock until he is feeling better. The report on Sunday was that he is some better and we hope that he will continue to feel much better in the next few days.

Jackie Wayne Etheredge and Ann Barrett have both been at Lubbock with Roxie and Sam. Mr. and Mrs. J.W. Etheredge spent the day and night at Lubbock on Friday. LaNelle spent the night with Mr. and Mrs. David Etheredge and boys in Levelland. Happy birthday to Doshia Cave whose birthday was on the 5th of February.

We had a good crowd at church on Sunday and are still having special prayer services for our men and women that are overseas on Wednesday night.

I went to Stephenville on Friday evening with Carol Ann and we visited with Evette and spent the night with her. Sure enjoyed seeing the town again, but it has almost doubled in size since Mark and Melody went to school there. Evette lives in a nice apartment and you can walk to this big shopping center from her apartment, so it's very handy. She also works in the shopping center, so doesn't have far to go to work.

We came home early Saturday morning and then I ate lunch with Donnie and Sheila and Carye who was home from Texas Tech. Valentines Day is just around the corner, and already the stores are full of Valentine candy and cards. Early in the month, florists and confectioners, not to mention Hallmark cards, etc., begin to entice would be sweethearts with their wares. Cards, candy and bouquets of roses laced with baby's breath are beautiful, they get more expensive every year, but the tradition of St. Valentine lives on.

Happy Valentines. See you next week.

Lady Hammers Clinch Playoff Spot In District 25A

by Cliff Vlasin

The Rotan Lady Yellowhammers clinched a playoff spot last week, eliminating Hermleigh 51-47 on Tuesday and pounding Ira 61-35 on Friday, both games being held in opponents' gyms.

After a difficult loss to Roby January 25, the Lady Hammers had a tough time rebounding from the defeat, and found themselves in a real tussle against a team they had handily defeated in their first meeting.

"I think (the loss) had a lot to do with it," coach Darren Janssen said. "We felt like we probably should have beaten Roby," he added. "If we could have played the fourth quarter like we played the first three, the game would have been ours."

At Hermleigh, the Lady Hammers had to battle unfavorable conditions as well, Janssen felt. "Over there in Hermleigh's gym the lighting is not the best," he said. "I think that had an effect -- not only is your vision poor, but it has a psychological effect."

Janssen was proud, however, of the way his girls came back. "We were just kind of sleep-walking a little bit," he said, "expecting it to be easier than it was. We finally came around, and showed a lot of great leadership there in

the fourth quarter, coming from behind."

The Lady Hammers composure in the waning moments made a big difference as they overcame a Hermleigh lead and held on to the victory.

"We were down by two of four in the fourth quarter, and Jenni (Burnes) came up with a few key steals for us, and we got the game back," Janssen said. "We got a three-point lead and then we started to stall. We ended up getting a couple of easy baskets," he remembered. "We ran almost two minutes off the clock in the fourth quarter, I was real proud of the way they did that."

Another plus for the Lady Hammers of late has been the more even distribution of scoring. Terry Warren led the Rotan offense, scoring 15 points, all of them in the first half, before fouling out. Jenni Burnes was next with 14 followed by Sherri Conner with 13. Shawna Speck and Vanessa Peek contributed four each, and Janissa Krober added one.

Looking at the final score, it is difficult to believe that the Lady Hammers were ever close to Ira, but it was close, at least for the first quarter.

The Lady Hammers ended the first quarter with four straight points, however, to take a 14-10 lead, and the effect was like the breaking of a dam. After a

Conner jumper game Rotan a 16-12 lead, Burnes hit three straight layups and the run was on.

The half ended with Rotan holding a 32-16 lead. The Lady Hammers then scored 20 unanswered points beginning at the 5:21 mark of the third quarter. By the end of the third quarter, the Lady Hammers were coasting to a win with a 54-20 advantage.

Conner paced the Lady Hammers with 18 while Burnes was close behind with 16. Rounding out the Rotan scoring were Speck (8), Linda Hernandez (5), Krober (4), Warren (4), and Peek (4).

Janssen was pleased, especially with the play of his freshman, Burnes. "She's starting to play better and better," he said. She's starting to show some

leadership qualities, and she plays great defense. If we could just work on her shooting, and get it to come around, she'd be an outstanding ball player."

Janssen also said he was happy with the season and never doubted his players' capability. "I knew if we could just keep our heads on, we'd be in the picture for the district race. I never really lost faith," he said.

"I think the kids kind of lost faith in themselves, that's easy to do." "I'm proud of them," he added. "To get so far down, go 0-12, and then come back to put some numbers in the win column. We've played good ball -- we're not selfish; we no longer rely on Sherri to do it all."

The rest of the Rotan season will depend on what happened on Tuesday against Roby. A win over Roby would force a playoff for the district crown, while a loss to the Lady Lions would give the Lady Hammers the second playoff spot and a bi-district match

with the District 26-A champions from Roscoe.

Extension Home Economist

BUCKLE UP FOR LOVE!.....The Fisher County Extension Service urges families to recognize the annual Child Passenger Safety Awareness Week from February 10-16, 1991.

The theme, Buckle Up for Love!, is designed to encourage parents and others to protect children in child safety seats and safety belts by correctly using them. The goal of 1991's awareness week is to urge correct use of these protection devices. When used correctly, child safety seats are extremely reliable in preventing deaths and injuries to young passengers.

Motor vehicle crashes are the number one killer andcrippler of children. Correct use of child safety seats and belts is 71 percent effective in preventing death and 67 percent effective in preventing serious injuries to children four and under.

In 1989, highway crashes killed 723 child passengers under the age of five. Parents can help reduce the number of deaths caused by such crashes by buckling in their loved ones every time they drive. Child restraint systems saved 238 lives in 1989 and 1,324 children since 1982.

Love is more than a feeling. It's an action, too. For your children, love is being sure that your child safety seats are properly installed and used correctly. Give your kids a Valentine every time you take them in a car. Buckle up for love!

STONE-WASHED JEANS TURN YELLOW.....Consumers are complaining about stone-washed jeans that turn yellow despite following care label instructions. The yellowing problem is caused by the inadequate removal of residual bleach from the denim fabric during the manufacturing process.

Roby Lions Post Consecutive Wins

by Cliff Vlasin

The Roby Lady Lions posted their fifth and sixth wins in a row last week, clinching at least a share of the District 25-A crown in the process.

A 78-34 win over the Ira Lady Bulldogs on Tuesday and an equally easy 77-41 thrashing of the Hermleigh Lady Cards on Friday combined to improve Roby's record to 12-11 on the year and a perfect 5-0 in district play.

The two lopsided victories gave the Lady Lions opportunities to work a great many players as they prepare for a playoff berth. Senior Shana Feagan and junior Lorissa Edmondson, Roby's top two scorers, found themselves in an

unusual position over the past two contests, a position next to coach Gail Gregg on the bench.

Both felt the bench time was not only good for them, a chance to rest, but was even more important in giving other players much-needed playing time.

"Playing in games like this is building their confidence," Feagan said, "and that'll be good for them when we get into the playoffs. They won't be so tentative."

Edmondson agreed. "One thing I was glad to see tonight is he was playing Melanie (Faglie)," she said. "If he would just give her a little bit of expe-

rience I think she would come off the bench in any of our places and contribute, even if she just goes in and gets a few rebounds."

Both Feagan and Edmondson were also pleased at the increased offensive output from the third member of their triple-post attack, Belinda Williams. "Belinda has been playing really good since she came off that good game against Rule," Feagan said. "She knew that she could do it. She's been playing defense, going to the basket, blocking shots."

We're playing against these teams, and it's giving her a chance," Edmondson added. "We can really work it in to her a lot -- she's doing a good job."

The Lady Lions got off to their usual slow start against Ira, and found themselves on the short end of a 9-8 score with over half of the first quarter gone. Two straight outside jumpers and a three-point play by Feagan got the Roby attack on track, though, as the Lady Lions pulled to a 15-9 advantage.

The Lady Lions then went on a 6-0 run at the start of the second quarter that began with an Edmondson layup and ended with a short jumper by Faglie, giving Roby a 24-14 lead. The Lady Lions outscored Ira 28-6 in the second quarter, and by halftime had a playoff berth cinched, leading 45-20.

Despite logging considerable bench time, Feagan and Edmondson still led the Lady Lions in scoring with 27 and 19 points respectively. Faglie was next with nine, while Williams and Michelle Beauchamp pumped in eight each. Also scoring for Roby were Tanya McClure (4), Monica Pullig (2), and Karen Barrera (2).

It was the same song, second verse, on Friday as the Lady Lions started slow against Hermleigh, and led by only five 19-14 at the end of one quarter. A 21-13 second-quarter outburst, followed by a 22-12 third quarter in favor of Roby, clinched a tie for the district championship.

Once again, Feagan led the charge with 25, and Edmondson was close behind with 22. Williams also contributed double figures, hitting for 12, while Beauchamp added eight, McClure (4), Pullig (2), Angie Brzezinski (2), and Barrera (2) rounded out the Roby

scoring.

With the playoffs in sight, Feagan and Edmondson can't help but remember the 1989 team that reached the regional semifinals. They find themselves in totally different roles now. "It's hard because Shana and I were freshman and sophomore back then," Edmondson remembered. "Carol (Kirby) was our leadership and that helped." (Kirby is currently starting for Baylor). "Now, it's taken us a year to where Shana and I are having to be the leaders.

"It's hard to adjust from somebody telling you 'good job' and 'way to go', and then you have to be the one to tell somebody," Edmondson continued.

Feagan said that much of the Lady Lions' focus must now be on the playoffs. "In the playoffs, we'll probably see more double teams on me and Lorissa, so we're working on getting the other girls open.

The two experienced players will have to take leadership roles as post-season play begins, and they feel they are ready.

"We know what to expect," Feagan said.

Mobile Cancer Detection Unit To Be In Rotan Feb. 20

The Mobile Breast Cancer Detection Unit of Odessa, Texas, which services Rotan, Texas today received the certification of the American College of Radiology Mammography Accreditation Program.

Mammography is an x-ray examination of the breast, which the American Cancer Society and other medical experts see as the best means for the early detection of breast cancer.

The program is voluntary and is designed to insure that women receive optimum quality mammographic examinations. The process is done through a peer review evaluation of the facility's staff qualifications, equipment, quality control and quality assurance programs, image quality, and breast dose. The accreditation must be renewed every three years.

The accreditation program was instituted because of the concerns of radiologists, other national medical organizations, and the public that qualified personnel perform and interpret mammograms and that dedicated mammographic equipment be used. The American College of Radiology received an American Cancer Society Control Grant which was used to pilot test the Accreditation Program.

Breast cancer will strike one in 10 American women. The American Cancer Society predicts that about 41,000 women will die of breast cancer this year. As there is no way to prevent the disease, early detection and treatment offer the greatest hope for survival.

The American Cancer Society recommends that women do monthly breast self-exams and have regular physical breast exams by a doctor. It further recommends mammography on

the following schedule:

A baseline mammogram (for reference) between age 35 and 39.

A mammogram every one or two years between age 40 and 49.

An annual mammogram from age 50.

The Breast Cancer Detection Unit will be in Rotan, Texas on Wednesday, February 20th. You may call 735-2256 for an appointment.

Stuart, Sapsky, And Dannheim Attend Orientation

Glenna Stuart, Roby School Counselor, Sylvia Sapsky, Rotan School Counselor, and Beth Dannheim, County Extension Agent recently returned home from an orientation to a new financial management education program being undertaken by the Texas Agricultural Extension in partnership with the College for Financial Planning.

The program is a nationwide effort to teach young people essential concepts of personal finance and sound money management.

The financial planning program materials are geared to the 16 to 18 year old group and emphasize such concepts as understanding the financial planning process, earning income to meet your

goals, protecting your assets, saving, and planning to meet your financial goals.

The High School Financial Planning Program was developed by the Denver, Colorado-based College for Financial Planning and is provided without charge as a public service of the College. The program has been implemented in several states but 1991 will be the first year for the Texas Agricultural Extension Service of The Texas A&M University System to join in partnership with the College.

Roby High School and Rotan High School have joined in a cooperative effort with the Fisher County Extension Service to implement this program during the spring of 1991. Glenna Stuart, Roby School Counselor and

Sylvia Sapsky, Rotan School Counselor are coordinating the pilot programs in their respective schools. Beth Dannheim, County Extension Agent

will serve as the local sponsor for the program. For more information concerning the program contact Beth Dannheim at 776-2171.

Tim Bob Smith To Compete In Houston Rodeo Calf Scramble

Tim Bob Smith, a 15-year-old 4-H member from McCauley, will compete in the 1991 Houston Rodeo calf scramble on March 1 in the Astrodome.

The calf scramble is an exciting part of Houston rodeo action, featuring Ricky Van Shelton as part of that evening performance.

Tim, the son of Bobby Smith, will compete for one of 252 calves to be awarded at the 1991 Show.

Additionally, as many as two youngsters from each of the 18 rodeo performances will be awarded "hard luck" certificates for their hearty efforts in attempting to catch a calf, resulting in 36 or more certificates actually given.

An entertaining event whose net proceeds educational contributions to Texas students, the Houston Livestock Show and Rodeo ranks as the nation's largest donor of agricultural scholarships.

Yellowhammers Provide Exciting Plays

by Cliff Vlasin

The Rotan Yellowhammers may not be filling up the win column with numbers lately, but they haven't let that stand in the way of excitement.

The Hammers fell just a little short in two close ones last week, dropping a 67-61 overtime loss at Hermleigh on Tuesday and following that with a heart-rending 59-53 loss to Ira Friday.

"The kids, I thought, played well," said interim coach Ted Posey following the Ira loss. "They got behind 10 points, and all of a sudden, we come right back. They're willing to get after it and do the best they can."

The Hammers played the Bulldogs close throughout the first half as the lead changed hands several times. The game was tied four times in the first quarter.

When Jason Wishert put up a layup with only five seconds to go in the quarter, the score was knotted at 14, but a long-range bomb by Ira's leading scorer Kory Clark hit nothing but net, giving the Bulldogs the 17-14 lead at the buzzer.

Ira maintained that lead through the rest of the first half, but the Hammers were still in the hunt at halftime, trailing 29-24.

Ira opened the second half by stretching the margin to 33-26, but another Wishert layup followed by a Trey Carrillo steal and layup brought the Hammers back to within three at 33-30. The two teams then traded buckets for much of the rest of the third quarter, with Ira taking a 45-39 lead into the final stanza.

Trailing 49-43 in the fourth, Rotan came roaring back on buckets by Carrillo, Wishert, and Poose Alls to regain the lead 51-49 with less than four minutes left.

The Bulldogs answered with a Clark three-pointer, but once again, Alls hit a layup, giving Rotan a one point lead, 53-52 with 1:54 left.

The Hammers stopped Ira on its next possession and had the ball and the lead with under a minute left. It was then that things came unraveled for the orange.

A steal by Clark resulted in an Ira three-point play, giving them a 55-53 lead, and from that point it became a battle of free throws, Ira making four and Rotan missing four.

"Probably what hurt us, when you get down into the final phases like we were, and ahead, just the simple years of basketball knowledge limited us," Coach Posey said. "We got a throw-away from a man that wasn't even covered; he could have stood dribbling there for 10 seconds, nobody's on him -- and he throws it in with us two points ahead. That's just lack of general basketball savvy in a tight situation."

Alls paced the Hammers with 17 points while Wishert hit for 14 and Carrillo popped in 10. Maurice Ray and Ruben Yanez each chipped in four, and Jason Carrillo and Aron Baker added a bucket each.

The story was much the same Tuesday night in Hermleigh. After falling behind in the first half, the Hammers came scrambling back only to be disappointed.

The Hammers were outscored 30-19 in the first half, but by the final minutes of the fourth quarter, they were back in it, eventually taking a lead.

Mistakes hurt in the end, however, allowing Hermleigh to tie it up, sending the game into overtime.

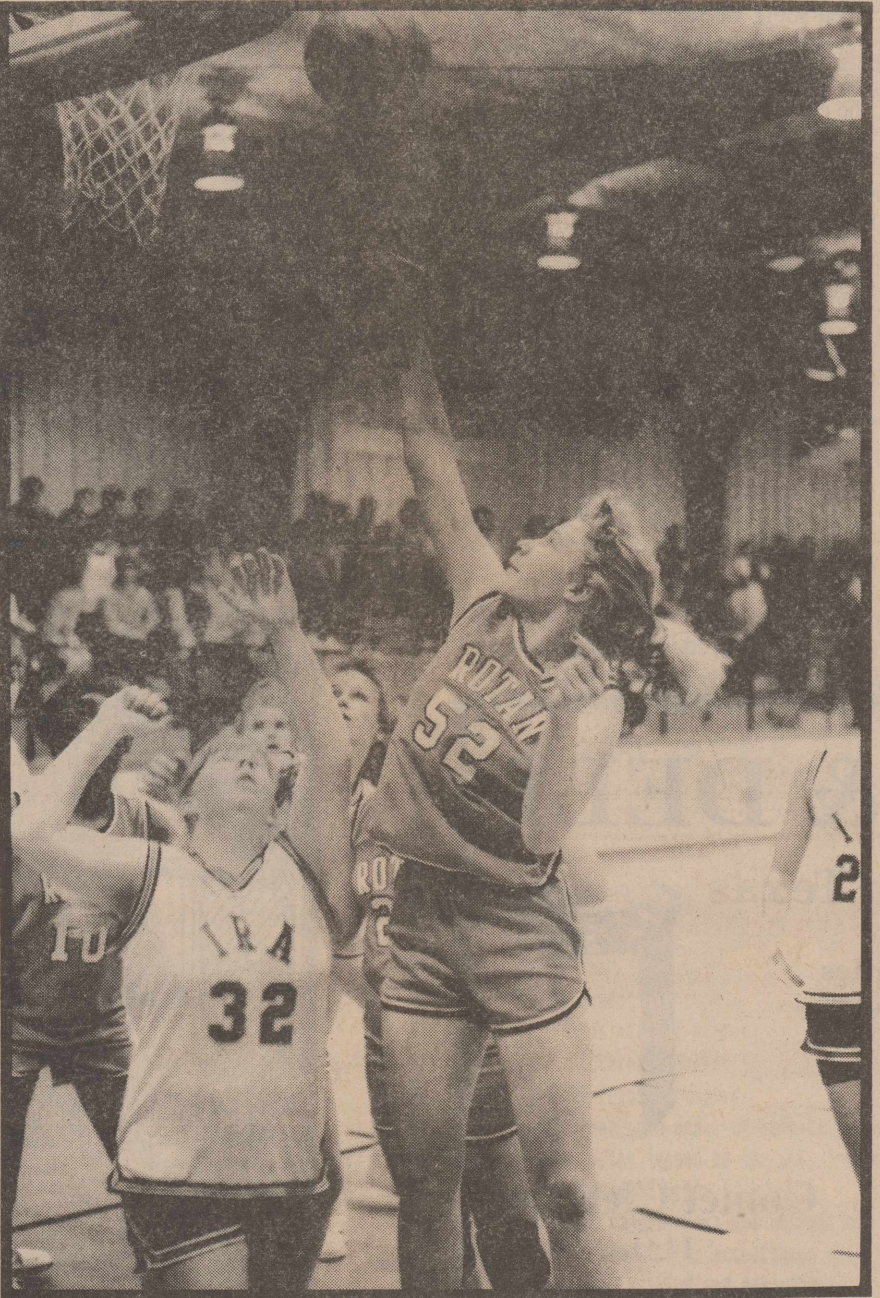

"We were ahead two points, and on two different occasions, we took the

ball down to our floor and instead of controlling it outside, we threw it in," Posey remembered.

"The boy is covered, doesn't have any kind of shot, and turns around and shoots. We get the rebound, kick it back out, come back around the key, kick it back in, to another kid, and he does the same thing. So, we go into overtime, and just didn't get it done."

Alls again led the Rotan scoring with 15, Ray added 11, and Wishert added 10. Trey Carrillo hit for nine, Chris Kennedy put up eight, Ruben Yanez, had six, and Steve Warren put up two.

Posey felt at least a little handicapped when he and Mickey Early took over the Hammer program after the departure of coach Doug Dallas, beginning

OVER THE TOP: Janissa Krober (52) scores for the Lady Hammers in recent basketball action.

with the Hermleigh game.

"It was our first time to deal with the kids, so we felt like, in a little cracker-box gym, that we needed to just hold them back and control the ball, because we felt like they were going to burst us with their shots.

"We didn't turn them loose, and we get behind like 15-5. Then, we start seeing what our quickness can do to them, and all of a sudden, we're back in the ball game."

Posey said that, despite the losses, the Hammers are enjoying playing and being competitive.

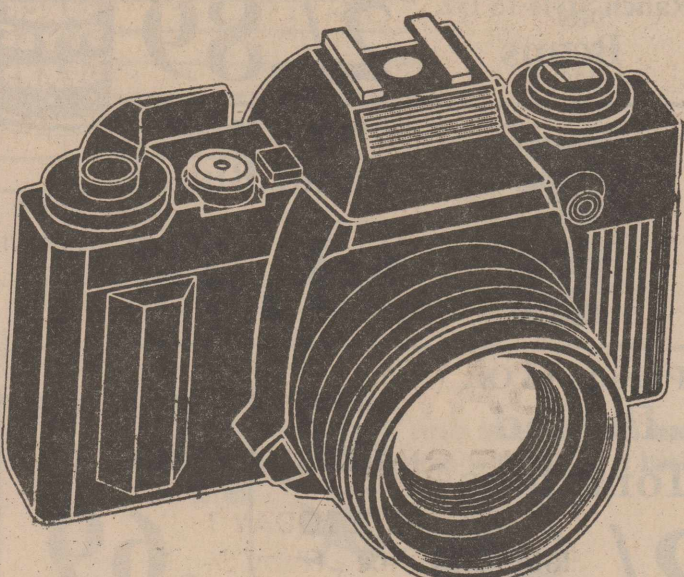

"That's basically what they're going to do," he said, "try and enjoy it, try to hustle and compete. If we can get them

to compete, that's all it's about anyway. It's great to win, but if we can just compete and know we've done our best at what we know, then maybe we're getting out of them what we need to."

Roby Lions Claim District 25A Title

by Cliff Vlasin

The Roby Lions extended their current winning streak to six last week, streaking past Ira 90-56 on Tuesday and pummeling Hermleigh 85-28 on Friday to claim the District 25A championship.

The two wins improved the Lions' record to 13-8 on the season and a perfect 5-0 in district, one game away from their preseason goal of a 6-0 district mark.

"I told them in there...I was proud of them, and I had all the confidence in the world in them," Roby coach Ron Francis said. "I really talked to them about making sure they play, even though it

was a big point spread, we've got to maintain our intensity and keep playing for that latter part of the season."

According to Francis, the Lions divide their schedule into three seasons, non-district, district, and post-season play. "That first season is practice time just to get ready for this part, this second season, which is district; that's the part that counts," he said. "Now we've come into a situation of being 5-0, that this part of the schedule is turning into a type of pre-season for us, it still counts and we've got to win these, because we set a goal of 6-0 at the beginning of the year, but we've got to maintain that intensity and keep doing the things that

we're supposed to -- keep jumping at the ball, keep blocking out, keep pushing the ball."

The Lions have truly sent a balanced attack at their opponents this season, a fact that can be illustrated by the fact that every starter has led the team in scoring at least once. The latest to emerge in a big way has been senior Jeremy Terry, who paced the Roby attack with 21 points in Tuesday's triumph over Ira.

"He's been eating his spinach," Francis remarked. "He's been unconscious for four games, and I couldn't be happier with him."

Francis feels Terry's play is another wrinkle in the Lion scheme of things that many people overlook.

"Most of the time, when people see us they say, 'well, you've got to stop that big kid inside, and you've got to stop that kid in the corner,' he said. "Then they'll say, 'you know, those two guards they've got, they'll just kill you out in the back court, they'll just kill you defensively, because they're so quick, and they'll make steals and layups -- you've got to watch those guys,' and most of the time, teams don't see Jeremy."

"He's pretty consistent and he's not real flashy, and he doesn't just explode on you." "You don't notice him scoring. Here lately, he's been picking that up, and people have been having to say, 'hey, you've got to watch that kid, too.'"

Terry credits his teammates with most of his success. "I think it's just the good passing of the other guys, working it in and all, just looking for the open shot," he said. "Somebody will get the ball, and if somebody sluffs off on them, they'll pass in, and we'll get the easy layup."

"I think we're playing a whole lot better team ball," he added. "We're all playing together as a team, and not just one or two individuals. Everybody's working with each other, no jealousy, just a good team."

That team concept was in evidence in a big way Tuesday, as nine Lions contributed points, five of them hitting for double figures. After Terry's 21, Jonathan Petty was next with 16 and Eddie Onofre chipped in 12. It was also a strong night for the Lion bench, with Dale Alsup pumping in 14, Chuck Dannheim hitting for 10, and Nick Dickson adding six. Kenny Hefflin and Albert Barrera added a deuce each, and

Robert Katie had one free throw.

The Lions wasted little time establishing superiority, rocketing to a 19-6 first-quarter advantage. They then scored the first 12 points of the second quarter to go up 31-6, and never looked back.

Terry, who had 15 in the first half outburst, said the Lions wanted it from the outset. "I really don't know," he said. "I was just ready to play -- the team was ready to play." "We knew if we got this we clinched the district, or at least got a playoff spot, and everybody just came out ready to play."

The Lions were even more dominant Friday as they "entertained" the Hermleigh Cardinals. The Cardinals likely found themselves little entertained as they managed only one basket in the first quarter while the hometown Lions were ripping the nets for 21. By halftime, the Lions had an incredible 42-8 advantage.

Petty led the onslaught with 17 points while Onofre was right behind with 15. Brandon Justiss and Hefflin also contributed double figures with 12 and 11 respectively, followed closely by Robert Katie with nine, and Jamie Amador with eight. Dickson had six, Barrera five, and Alsup two to round out Roby's scoring.

As the Lions prepare for playoff action, their confidence is at its peak. "I'm looking forward to seeing what we're going to do in the next few games," Terry said. "I think we can get on the floor and play with anybody. It doesn't matter who we play in the playoffs, we'll play anybody."

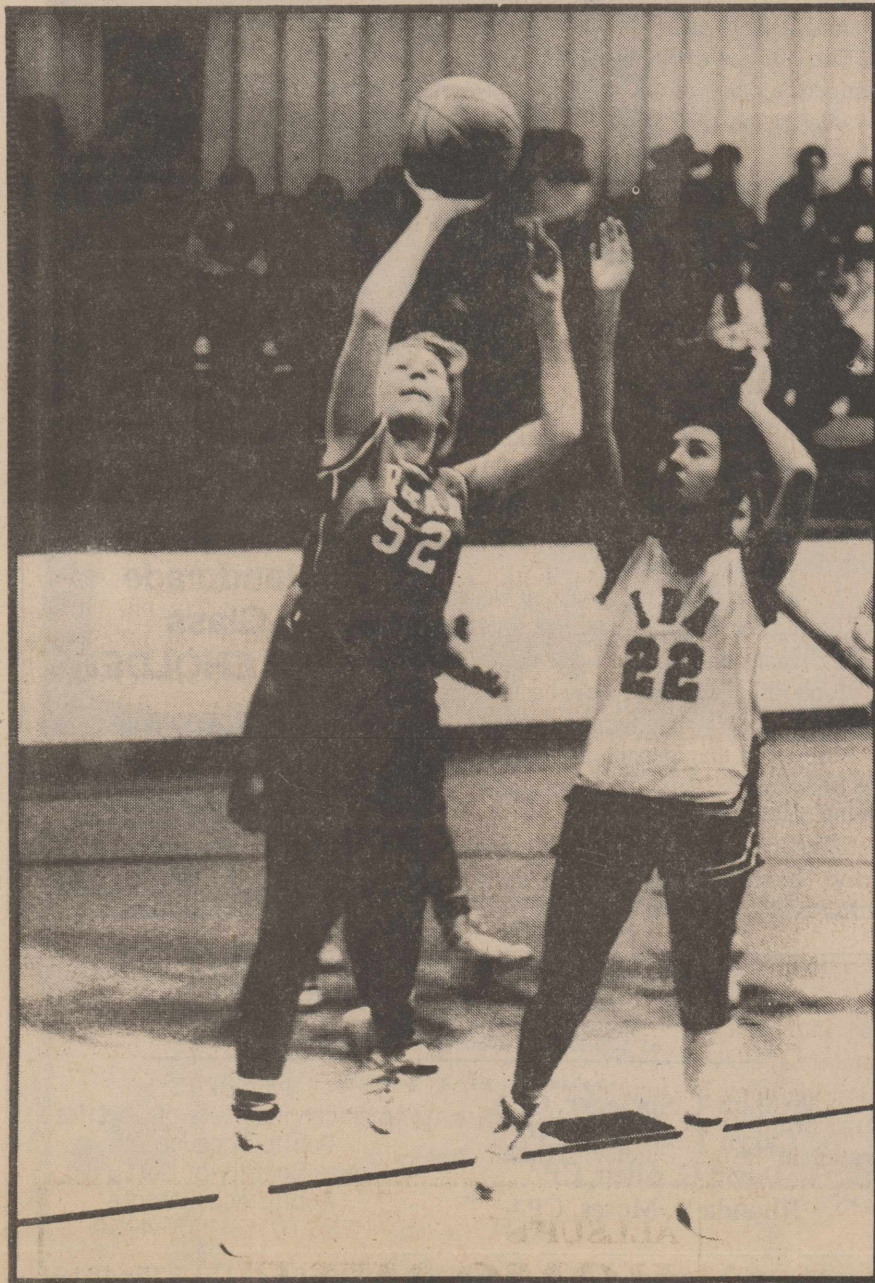

His coach agreed. "I've told them... I don't care who it is -- if Abilene High calls up and they want a practice game, I'll schedule it, Francis said. "I'm not afraid of putting them on the floor with anybody."

Adam Lopez

Adam Lopez, son to Mr. and Mrs. Adon Lopez of Lubbock, Tx., formerly of Rotan, is serving in the Army at the Persian Gulf. He has been at the Kuwait border for five months now. Adam is 21 years old and has served in the military for two years. He is a graduate of Lubbock High and received a scholarship at Ranger Jr. College in baseball. He is stationed at Fort Hood. His wife, Lisa and son Adam, Jr., are in Killeen.

Adam's family, parents and grandparents respect President Bush's decision and are behind him 100%. They pray for the war to end soon and all who are serving will get to come home safe and sound.

described land, DEFENDANTS, for taxes, penalties, interests and costs due on the lands or lots, hereinafter described, in the amounts set out opposite the description of each tract, with interest thereon at the rate of twelve per centum (12%) per annum from the date of Judgement until paid, and cost of suit as manifested by the itemized Bill of Costs, hereinafter appearing, together with the further costs of executing and fulfilling the requirements of this writ; and whereas, said judgment decree directs the foreclosure of the lien created, established and continued on and against the said property hereinafter described by reason of the levy and assessment of taxes on and against the same and the delinquency thereof, said taxes remaining unpaid and due to the above named plaintiff and impleaded defendants taxing units and as the said lien now exists and at any time heretofore existed by reason of such levy, assessment and delinquency, and on the dates and for the years set out in said judgment against the property as hereinafter described, the same lying and being situated in the County of Fisher, and State of Texas.

THEREFORE, YOU ARE

HEREBY COMMANDED, that you seize, levy upon and advertise the sales as under Execution, of each of said tracts of land, and sell the same, selling each tract separately, to the highest bidder for cash as under Execution; provided, however, that none of said property shall be sold to the owner of said property, directly or indirectly, or to anyone having an interest therein, or to any party other than a taxing unit which is a party to the suit, for less than the amount of the adjudged value of the property or the aggregate amount of the judgments against the property in said suit, whichever is lower, which said adjudged value, or reasonable fair value, of the property as set by this Court in accordance with the provisions of Section 33.50, Property Tax code, Vernon's Annotated Civil Statutes of Texas, is in the amount set out opposite each tract above (if no amount is given, the Court did not find such value).

If the Defendants or their attor-

shall at any time before the sale file with the Sheriff, or any other officer in whose hands this Order of Sale shall be placed, a written request that the property described therein shall be divided and sold in less tracts than the whole, together with a description of said subdivisions, then such officer shall sell the land in such subdivisions as the defendants may request, and in such case shall only sell as many subdivisions as the defendants may request, and in such case shall only sell as many subdivisions as near as many be to satisfy this judgment, interest and costs; and it was further ordered by the Court that the net proceeds of any sale of such property made hereunder to any party other than a taxing unit who is a party to this suit shall belong to and be distributed to all such taxing units which have been found to have tax liens against such property pro rata and in proportion to the amounts of their respective tax liens as hereinbefore established, but any excess of the proceeds of sale over and above the amount necessary to pay the taxes due, defray the costs of suit and sale and other expenses chargeable against said property, shall be paid to the parties legally entitled to such excess.

And it was further ordered, adjudged and decreed that the owner of such property, or anyone having an interest therein, or their heirs, assigns or legal representatives, may, within two (2) years from the date of the filing for record of the purchaser's deed, have the right to redeem said property on the following basis, to-wit: (1) within the first year of the redemption period, upon the payment of the amount bid for the property by the purchaser at such sale, including a tax deed recording fee and all taxes, penalties, interest and costs thereafter paid thereon, plus twenty-five percent (25%) of the aggregate total; (2) within the last year of the redemption period upon the payment of the amount bid for the property by the purchaser at such sale, including a tax deed recording fee and all taxes, penalties, interest costs thereafter paid thereon, plus fifty percent (50%) of the aggregate total.

Delinquent taxes, penalty, interest

and cost due for which judgment was herein rendered covering all years delinquent at the date of this judgment on the following described property, to-wit:

And in addition to redeeming direct from the purchaser as aforesaid, redemption may also be made from the tax collector of the county in which said property was sold, in the event that the purchaser at the tax sale cannot be located, as provided in Section 34.21, Property Tax Code of Texas.

And it was further ordered, adjudged and decreed by the Court that the officer executing this Order

of Sale shall make property conveyance to the purchaser or purchasers of said land, under and by virtue of said sale, or to any other person to whom the purchase may direct the conveyance to be made, upon due compliance with the terms of sale, in which such deed the conditions of the right of redemption, provided by law, shall be expressed and also made subject thereto.

And it was further ordered, adjudged and decreed by the Court that the Clerk of this Court shall issue a writ of possession to the land above described and ordered sold, or any part thereof, ordering the Sheriff or proper officers to place the purchaser or purchasers, or their heirs, executors, assigns, or administrators in possession of the property so purchased, or any part thereof, at the sale provided for in the judgment.

And it was further ordered, adjudged and decreed by this Court that the purchaser of property sold for taxes herein shall take title free and clear of all liens and claims for taxes against such property delinquent at the time of Judgment in this suit to any taxing unit which was a party herein or which has been served with citation as required by law.

HEREIN FAIL NOT, under penalty of the law, and due return make of this writ, within ninety (90) days from date hereof, with your endorsement thereon, showing how you have executed the same.

GIVEN UNDER MY HAND AND SEAL OF SAID COURT, by order of said Court, at office in Roby, Texas in the County of Fisher, this the 30th day of January, 1991.

Bettie Hargrove
Clerk of the District Court
Fisher County, Texas
REAL PROPERTY
SHERIFF'S RETURN

Came to hand February 1, 1991, at 10 o'clock a.m., and executed at Roby in Fisher County, Texas on February 1, 1991 at 11 o'clock a.m., by levying upon the land described below, property of the defendants situated in Fisher County, Texas.

And afterwards on February 6, 1991, February 13, 1991, February 20, 1991, I advertised the same for sale and to be sold at the courthouse door of Fisher County, on March 5, 1991, the same being the first Tuesday in said month, by advertisement in the English language, published once a week for three consecutive weeks preceding such sale, the first of said publications appearing not less than twenty days immediately preceding the day of sale, beginning on February 6, 1991 in the Rotan Advance, a newspaper published in the County of Fisher, stating in said advertisement the authority by virtue of which sale was to be made, the time of levy, the time and place of sale, a brief description of the property to be sold, the numbers of acres, description of lots, the original survey, location in the county and the name of which the land or lots are generally known, and also mailing to each of the within named defendants, a copy of said notice of sale, and also handing a copy of said notice to defendant's attorney of record in said cause.

And on the said March 5, A.D., 1991, at the hour of 10:00 A.M., at the courthouse door of said county, in pursuance to said advertisement, I sold said property at public sale to the purchasers listed below, to whom the same was struck off for the sum listed opposite each tract, that being the highest secured bid for same, which said amount was not lower than that allowed by the judgment and order of sale in said suit; and the purchasers having paid to me the sums of the aforesaid bids, I at the request of said purchasers, executed to them deeds to the said land or lots, subject to the right of the defendant(s) or any person having an interest therein to redeem said property, or their interest therein, at any time within two years from the date of filing for record of the purchaser's deed in the manner provided by law.
