

Four Sons Now Serving In Army Uniform

A Mother's Pride --- And Worry!

Mr. and Mrs. O. D. Schoolcraft have a special concern for soldiers in uniform.

There's good reason, too. For four of the Schoolcraft sons now are in military service.

The fifth son? Well, he is a veteran of the Korean conflict.

Mr. and Mrs. Schoolcraft live at 941 Hickory and all their sons are graduates of Colorado High.

Here is the line-up of their military force:

Specialist 4th Class George E. Schoolcraft, 19 years of age, stationed at Fort Bliss, El Paso, as laboratory technician for Electronics School Support Command.

Specialist 4th Class Louis J. Schoolcraft, 23, on duty in Viet Nam with 12th Evacuation Hospital in Cuch.

Pvt. Michael R. Schoolcraft, 26, attending radio school in Fort Benning, Ga.

Pvt. Eddie G. Schoolcraft, 24, stationed in Fort Carson, Colo., with a mechanized weapons platoon in Company B, Second Battalion, 61st Infantry (MD).

Charles Schoolcraft, eldest of the sons with 35 years, now lives in Midland after coming out of the Korean War, as his mother happily says, "without a scratch."

George, the youngest, was the first to don Army uniform among the four now in service. He graduated from Colorado High in May 1965 and two months later, July 18, volunteered. His basic

SCHOOLCRAFT MILITARY FORCE
Pvt. Michael, Pvt. Eddie, Specialist Louis and Specialist George.

training was at Fort Polk, La.

The other three went into the Army last year and the first was Louis, who has been in Viet Nam since last September.

"I know it must be rough over there for him," said his mother, "but if it is bad, he has kept it to himself."

"He doesn't want to worry us, I know."

Louis, like George, is a volunteer. He finished Colorado High in 1961 and was an electrician at Texas Electric Service Company's Mor-

gan Creek Power plant before volunteering Jan. 14, 1966. His basic training also was at Fort Polk.

The pair of privates—Michael and Eddie—became soldiers together on the same day, last Oct. 12. They were inducted through Selective Service.

However, their paths parted after basic training in Fort Carson. Eddie remained at the Colorado military base while Michael was ordered to Fort Benning.

Michael, whose wife lives in Midland, completed Color-

ado High in 1959. He was working for Mobil Oil in Midland before service.

Eddie also has a wife living in Midland—the former Carolyn Owens of Colorado City. He was an electrician in Odessa before putting on his uniform.

Did the Schoolcrafts instill a special patriotism or military interest in their sons? "No," says the mother, "nothing like that."

"It just happened this way. Sure, it is a worry. But there is nothing I could do about it."

Then she smiles and adds: "I am just glad they are all willing to serve. Instead of dodging responsibility to their country."

Five sons are only half of the Schoolcraft family. Each son, so to speak, has a sister.

One of those five sisters—Mrs. Fred Dillard, the youngest—has a husband stationed with the Army now in South Carolina. And she is residing here temporarily with her parents.

Another, Mrs. Chester Echols, has a husband who is a veteran of overseas duty.

Right Of Way Job Near End For 208 Extension

Acquisition of right of way for extension of State Highway 208, north from U. S. 80 business route to Interstate 20 freeway, was almost complete Saturday.

City and county officials revealed that deeds have been acquired for seven out of nine strips of right of way necessary for the highway. The other two deeds are in the process of being prepared and signed.

State, city and county are working together for the project, which has been in the planning stage for more than a year to facilitate highway traffic on and off of Interstate 20 via State 208 which connects Colorado City with Snyder on the north and Robert Lee on the south.

Property owners who have deeded right of way for the extensions are Jack Cox, Perry Barber, City of Colorado City, Lewis Vowell,

Rube Mann, Joe Earnest—all local, and O. D. Dillingham of Abilene.

Cox, Barber, Earnest and the city donated acreage to the project. This was land where buildings and other improvements were not in and was in amounts of .032 acre (city), 3.905 acres (Barber), .218 acre (Earnest) and 1.263 acres (Cox).

Where improvements had to be considered, the following payments were made on state appraisals: \$2,646 to Vowell for 2.62 acres with house, chicken house and water well; \$6,830 to Dillingham for .369 acre with the former Ranch House cafe building; \$7,295 to Mann for .529 acre with business building and other improvements.

Two deeds in the process of being prepared are for .306 acre of Lone Wolf Electric Cooperative Inc. property and .252 acre of property,

formerly owned by C. O. Shurtlett and sold recently to Frank Deregibus.

Right of way costs are being shared one half by the state and one fourth by each the city and county, according to City Manager Ford Merritt and County Judge Elmer Martin.

The extension project will begin at intersection of State 208 and U.S. 80 East at Lone Wolf Electric and

move north along the old Buford road across Lone Wolf Creek and intersect with Interstate 20 at the I-20 overpass over the Old Buford Road.

The project was anticipated with construction of Interstate 20 and the right of way acquisition will give Texas Highway Department engineers a green light for scheduling actual construction work.

Tennis Courts -- New Or Old?

Colorado school trustees may decide to construct new tennis courts at Colorado High instead of renovating present courts.

School administration office has been accepting bids for the renovation—a project for two courts located immediately east of Colorado High's main building and south of the gymnasium on Locust.

However, the renovation costs may be at a level that will influence consideration for construction of three new courts instead of working over the old facilities.

"I am sincerely, Mrs. Shumate, 442 West 9th St."

\$500 Loss In 2-Auto Collision

Approximately \$500 damage was caused in a two-car collision here Wednesday morning at intersection of E. Sixth St. and Elm.

A 1967 model Chevrolet Camaro, driven by Floyd Wesley Caldwell, received approximately \$400 damage, according to police. About \$75 damage was caused to a 1962 Ford pickup driven by O. L. Simpson.

Police reported that Simpson was traveling east on Sixth St. and Caldwell was driving south on Elm when the accident happened about 8:30 a.m.

Supt. James G. McMath told trustees this week.

So, while school officials are continuing to accept bids on renovation of the two old courts, they also are asking contractors to submit proposals for new courts.

McMath said the new courts, if these are given the nod over reworking of the old, would be of concrete instead of asphalt. The old courts are asphalt.

New courts also would require a new site—possibly the northwest corner of the playground and athletic practice field area (at Chestnut and 15th St.) north of the main high school campus.

Location of courts in this new area would not interfere with utilization of the playground area for band or football practice, the superintendent said.

Some bids for renovation of old courts already have been received, but more may be submitted.

Requests for bids on new construction have gone out now to contractors locally and in the area and replies are expected within a few weeks—in time for trustees to consider the project at their April board meeting.

McMath has informed trustees the school district probably has sufficient funds in its budget to build new concrete courts—if the decision is in that direction.

Stack of Tags

Mrs. Henry Burton, chief deputy in County Tax Assessor-Collector's office, checks a large stack of license plates which must "go" before April 1.

Public Hearing Monday For Paving Project

Car Tags... Definitely 2,000 To Go

Mitchell County's auto-license sale for '67 enters its final two weeks Monday.

And what has been accomplished in the last couple of weeks has to be repeated in these final days.

County Tax Assessor-Collector Monte Hardgrove said his office had issued approximately 2,025 sets of auto tags at closing time Friday.

"We have about 2,000 more sets to sell," he emphasized. And that doesn't include trucks and pickup trucks. However, most of the big truck sales already have been completed.

Hoping to avoid a jam-up of customers in the last few days before April 1 deadline, Hardgrove announced that his office usually closed on Saturday will remain open from 8 a.m. until noon Saturday, March 25, for the sale purpose of issuing license plates.

CITY PROPERTY owners will have their voice Monday concerning a proposed half-million-dollar paving project. It will come at a City Council hearing at 7:30 p.m. in City Hall's council chamber.

In its entirety, the planned paving amounts to a total of \$499,676.20, covering areas on 36 separate city streets and 14 alleys.

Whether or not the council approves the full program or trims the project or adds additional streets will be decided after the public hearing.

H. G. COUNTS & Company of Midland is the contractor for the paving which will improve between 125 and 150 street blocks within the community.

Much of the list is included on request by interested property owners. Some has been added by city officials in a plan for improvements in special traffic areas or where drainage and depletion is a special problem.

PROPERTY OWNERS, who have the opportunity to express their "for" or "against" the paving segments Monday night, are involved in a major quarrel because paving is paid for mainly on an assessment basis in proportion to the amount of property fronting on the paving.

The city pays a portion of costs—including intersections—but the assessment tab to property owners is figured for a total of \$441,543.97 and the city's cost at \$58,132.23.

Costs are based on the rate of \$1.628 per front foot for curb and gutter, \$2.540 for front property and \$2.540 for side property with 31-foot width paving.

PAVING IS planned for portions of 22nd Street, 21st Street, 19th Street, 18th Street, 17th Street, 16th Street, 14th Street, 13th Street, 12th Street, 11th Street, 10th Street, 9th Street, 8th Street, Seventh Street, Fourth Street, Third Street.

Also, portions of Main, College, Temple, Terrill, Cherry, Cypress, Pine, Walnut, Chestnut, Locust, Vine, Cedar, Short, Austin, Waco, Rusk, Watson, Shepherd and Eastover.

These do not include 14 alley areas in the downtown area—the first bonafide move by the city toward meeting a problem that has been proposed off and on for a score of years.

Rubinfoff Concert Tuesday Night

Rubinfoff and his \$100,000 insured Romanoff-Stradivarius violin come to the stage of Colorado High Auditorium Tuesday at 8:15 p.m.

The program of popular concert music will be one in 125 cities across the nation by this musician who has been in the public eye for scores of years.

Colorado City Kiwanis members, who are sponsoring Rubinfoff's appearance here, are pushing their preconcert sale of tickets, \$2 per adult and \$1 for student.

Kiwanis profits from the concert will finance community and youth projects of the club.

Rubinfoff, star of stage, radio and television, will

perform as violin solos the full scores of Chopin's Polonaise, Warsaw Concerto and Rhapsody in Blue.

A graduate of the Royal Conservatory in Warsaw, Poland, Rubinfoff knew as a child the martial feeling inspired by the immortal Polonaise. Even with freedom today confronted with tyranny and treachery, as the composer "Chopin knew it," the opus is considered appropriate by Rubinfoff as a current theme of the times.

Rubinfoff's violin is famous for its silken, lustrous tone, its full range and extraordinary depth. Made in 1731 by the master of all violin makers, this particular Strad-

ivarius eventually found its way into the hands of the Romanoff, one time rulers of Russia, and still bears the jeweled crest of that family.

During the Russian revolution, the instrument was smuggled out of Russia and eventually purchased by Rubinfoff.

An interesting fact is that during certain passages of Warsaw Concerto Rubinfoff exerts as much as 60 pounds of pressure on the violin.

Rubinfoff, who also will play free for students in a couple of Colorado City schools during the day before his night concert, is a forty-nine months of every year.

Crucifixion Musical at 6 Today

Six featured musicians from Lubbock will present John Stainer's "Crucifixion" today (Sunday) at 6 p.m. in First Methodist Church.

The special presentation of the musical of scriptural passages of Passion Week is a part of the church's Lenten program and a prelude to Holy Week.

In the musical will be Mr. and Mrs. Robert Leonard, soloists for Lubbock's Episcopal Church; Mr. and Mrs. A. C. Boyd, Mr. and Mrs.

Letter Voices Paving Opinion

The following is a letter to the editor of Colorado City Record pertaining to the city's paving program up for public hearing Monday night:

"Dear Editor please print this letter to the City Council or whoever has charge of the paving on 9th and Cherry."

"Tiny and I bought this little place November 1965 with hopes of paying for it as we enjoy the rest of our days and with hopes that our children will have it when we pass on."

"But we can't pay for the paving that has been proposed as it's all we can do to make our house payments and the insurance and our utility bills and I mean that's all we can do."

"We are content to make out with the dirt streets. We are in our early sixties and you know we have had lots worse roads than these. In fact we grew up with muddy roads that were hub-deep

HemisFair Is Highlighted For 1949 Club Program

Texas Day program for members of the 1949 Study Club, Tuesday evening in the home of Mrs. Arlene Morris, featured a paper "The HemisFair of Texas," written and presented by Mrs. Trevlyn Kelley.

The speaker was introduced by Mrs. H. Jene Stealey, leader, after roll call was answered with a current event.

"HemisFair '68 is one of the boldest and most imaginative endeavors in the history of the Southwest," Mrs. Kelley told club members. "The International Exposition will be the first major exposition ever held in the Southwest United States. To be held in San Antonio, it will start April 6 and continue through Oct. 6, 1968."

More than 7 million visitors from nations throughout the world are expected to visit HemisFair, said Mrs. Kelley.

Site of the exposition is a 92 architectural wonderland in downtown San Antonio, just 200 yards from the Alamo, she continued. Original idea is credited to Congressman Henry Gonzales and Mayor Walter McAllister.

Governor John Connally, commissioner general of the exposition, has pushed it full speed ahead," Mrs. Kelley noted, "and recently the Texas Legislature passed the governor's bill for a 5 1/2 million dollar emergency appropriation for HemisFair funds."

President Johnson, she told her listeners, is also an avid supporter and last year signed a bill allotting over 6 1/2 million dollars in federal funds for HemisFair support.

Mrs. Kelley next launched into an account of the colorful history of San Antonio and its festive celebrations.

A prospectus of the major attraction to be offered concluded her lecture. She

mentioned the United States Pavilion, The Institute of Texas Cultures, The Tower of the Americas with revolving restaurant, the Civic Center, Woman's Pavilion

and the International Sector. During the business session Mrs. Dwight Tomb reported awards won by 1949 Study Club at Mesquite District convention in Abilene.

The club won a first prize with an overall report in Public Affairs, first in the Citizenship and first in the Defense divisions. Press book won third place.

Attending were Mrs. Wayne Griffin, Mrs. Tomb, Mrs. Joe Weaver, Mrs. Tom Neff, Mrs. Ken Lewis, Mrs. Kelley Morris, and Stealey. Next meeting will be March

21 in the home of Mrs. Ken Lewis, Texas Electric Village, when Mrs. Robert Shamburger will present the program, "Drugs, LSD, and Alcoholism."

Bride Feted At Shower

WESTBROOK A bridal shower honoring Mrs. Stephen Braun, nee Miss Brenda Rich, was held Friday evening, March 10 in the home of Mrs. J. T. Rich, Colorado City from 7-9 p.m.

Oma and Janette Rich served refreshments of white cake squares and punch from a lace covered table of white over green, the bride's chosen colors, centered with an arrangement of Easter lilies, and silver and crystal appointments.

Thirty guests were present. Mr. and Mrs. Braun spent the weekend with her parents, Mr. and Mrs. Buford Rich of Westbrook.

Those Horrid AGE SPOTS*—WRINKLES

Fade Them Out!

*Weathered brown spots and wrinkles! They tell the world you're getting old—perhaps before you really are. Fade them out with ESOTERICA, new medicated cream that breaks up masses of pigment on the skin—makes hands look white, smooth, and young again. Equally effective on face, neck and arms. Not a cover up. Penetrates skin cells to stimulate new, smooth beauty. Fragrant, greaseless—it softens, lubricates and moistens skin. Now only \$2.00 for 3 ounces—3 months' supply used as hand cream and powder foundation. If you want lovelier skin quickly get Esoterica today.

ESOTERICA SOAP softens skin, helps clear surface blemishes. Combats dryness.

SECTION 1: That there is hereby granted to Frontier TV Cable Co., Inc. a corporation, with its principal office located at 302 Del Rio National Bank Building, Del Rio, Texas, hereinafter called "Grantee," the right, privilege and permission for a period of 10 years from the effective date of this franchise to construct, maintain and operate in the present and future streets, avenues, alleys and public grounds, and places of the City of Colorado City, Texas, and its successors, towers, poles, lines, cables, necessary wiring and other apparatus and appurtenances for the purpose of receiving, amplifying and distributing television signals and signals on a closed circuit channel to the said City and the inhabitants thereof, and to use and occupy such present and future streets, avenues, alleys and public grounds and places for such purposes. However, any assignment or transfer of the rights and privileges herein granted shall be subject to the approval of the City Council of said City.

SECTION 2: No towers or poles shall be erected by the grantee without the express consent of the City of Colorado City, at locations to be approved by said City, which consent shall be evidenced by written permit signed by the City Manager or other authorized representative of the City. The grantee shall, at its own expense, move its lines, cables, wiring, towers, poles and other apparatus to other locations when the City Council may require such to be done for the safety or convenience of said City or its inhabitants affected thereby.

SECTION 3: All installations made by the grantee shall be made in good, substantial, safe conditions and maintained in such condition at all times. The grantee shall make no excavations in the streets, alleys, and public places without first procuring a written permit from the City Manager, and all work of such kind shall be done under the supervision of the City Manager and in compliance with his instructions.

SECTION 4: The grantee shall comply with all rules and regulations now in force or which may hereafter be put into force with respect to proper installation and construction of lines, cables, wiring and other apparatus authorized by this ordinance to be installed; and the right to change such rules and regulations now in force or hereafter adopted and to adopt new rules and regulations respecting such matters is hereby reserved.

SECTION 5: That the service furnished hereunder to said City and the inhabitants thereof shall be first class in all respects, and shall be subject to such reasonable rules and regulations as may be promulgated from time to time by the City Council. The grantee may require security for the payment of bills rendered to the customers of its system by it, and may disconnect service to any of its customers where the bill rendered to such customer remains unpaid for more than one (1) month from its date, and service need not again be made available to such customer until the amount due, plus \$3.50 additional charge for resuming service is paid to Grantee.

SECTION 6: The grantee shall pay to the City of Colorado City, on or before the first day of April for the previous year or portion thereof of each year during the life and term of this franchise, a sum equal to three (3) per centum of the gross revenue received by the grantee during the preceding year for the services sold to its customers within said City of Colorado City, and all connection charges and fees received by Grantee shall be considered as revenue.

SECTION 7: The City of Colorado City shall have the right and privilege by and through its Finance Officer, or other persons authorized by the City Council, to inspect the books, vouchers, contracts and records of the grantee, its successors and assigns, for the purpose of ascertaining the gross receipts and revenue derived from the distribution and sale of said signal service, in order to determine therefrom the amount to be paid to said City.

SECTION 8: The grantee shall at all times keep its cables and other appurtenances shielded in such manner that there will be no interference with signals received by private television sets or receivers sets owned

by persons not subscribing to Grantee's service.

SECTION 9: Upon the compliance by Grantee with the provisions hereinafter set out respecting the making of bond, the grantee shall have the right to charge and receive from each subscriber to its said service within said city a sum not to exceed Forty-five dollars (\$45.00) which sum shall include all charges for connecting each such subscriber to its system plus the first month's service charge according to the schedule of monthly charges set out below, provided that such charge to each customer shall not exceed the actual expense of each such connection plus the first month's service charge. If the grantee has not begun to furnish the service contracted for to each subscriber within a reasonable length of time after receiving such payment, it shall return to each subscriber to whom service has not so begun the full amount of such payment. The grantee shall be and is hereby authorized to charge each of Grantee's subscribers for the service to be furnished by Grantee up to the following sums each month:

- (a) \$7.50 per month for one television set; and
- (b) \$3.50 per month for the second set in the same building; and
- (c) \$2.50 per month for the third or any additional television sets in the same building; and

the City Council finds that such rates are and would be fair and reasonable rates and charges to be made for the service to be rendered by the grantee at this time. However, such rates shall be subject to review and revision by the City Council at any time.

SECTION 10: The franchise hereby granted may be revoked by the City Council of said City of Colorado City in the event any payment or sum of money owing by the grantee to said City shall be and remain delinquent for as long as six weeks, or if operation under said franchise shall lapse for as long as six months, or if Grantee shall fail to comply with any other provisions of this ordinance. Such revocation shall be at a hearing called for such purpose by the City Council, notice of which hearing shall have been given in writing to the grantee for not less than 20 days in advance of such hearing, and such hearing may be called for any special or regular meeting of the City Council.

SECTION 11: The rights and privileges, grants and authority herein granted to Grantee, its successors and assigns, unless sooner forfeited and terminated for causes herein mentioned or other just cause, shall endure and continue for the length of time and term provided in Section 1 of this Ordinance.

SECTION 12: The grantee shall file its written acceptance of this permit and franchise with thirty (30) days after the final passage and approval of this Ordinance, and failing so to do this ordinance shall be null and void regardless of any other provision herein contained.

SECTION 13: The tower necessary to picking up, amplifying and transmitting television signals to subscribers with the City of Colorado City, Texas, shall be commenced by Grantee within 6 months from the date of its written acceptance of this franchise and it shall complete such tower within 6 months from the date of commencing the same. In the event Grantee shall fail to provide such services as are provided for by this ordinance, and within the time herein specified, the franchise hereby granted shall be null and void, and the grantee will thereby forfeit all rights and privileges granted to it hereunder.

SECTION 14: (1) Before the grantee, its successors or assigns shall collect or receive any payment from any person for a connection with Grantee's system or for service to be rendered by it within the City of Colorado City, Texas, it shall procure and deposit with the City Manager of said city, subject to the approval of the City Manager, a good and sufficient Fidelity Bond in a reputable and solvent Casualty or Surety Company, in a sum not less than \$10,000.00 conditioned to the effect that it will save each and everyone of its subscribers within the City of Colorado City, Texas, from any loss by reason of mishandling, misapplication or malfeasance by Grantee, its agents, servants or employees of or with respect to all sums of money paid to or collected by it under the terms and provisions of this ordinance.

(2) The grantee, by the

acceptance of the franchise hereby granted to it, agrees to hold the City of Colorado City harmless, free and clear of any and all damages by virtue of any act of negligence whatsoever which may be committed by the grantee, its agents, servants or representatives; and to secure said City against any loss or damages for which it might or may be liable by reason of any such act or acts of negligence on the part of said Grantee, its agents, servants, or representatives, the grantee, before it undertakes to exercise any of the rights, privileges or authority of any nature granted by this ordinance, the grantee shall procure public liability insurance in some good and solvent insurance company for not less than \$50,000.00 for a single injury and not less than \$100,000.00 for a single accident and for property damage to the extent of at least \$5,000.00. Such policy of insurance shall be submitted to the City Manager for approval before Grantee shall enter into the performance of any of its work authorized by this ordinance, and the approval of such policy of insurance by the City Manager shall be in writing; and such insurance shall be kept in force by Grantee, its successors or assigns at all times during the term of the franchise hereby granted. If Grantee fail to procure such insurance, or should it permit such insurance to lapse after obtaining same, this franchise shall terminate and the rights of Grantee to operate its business thereunder shall cease.

SECTION 15: Should any word, phrase, clause, sentence, paragraph or portion of this ordinance and franchise be declared to be invalid by a court of competent jurisdiction, such adjudication shall not affect the validity of this ordinance and franchise as a whole, but shall only affect the portion thereof so declared to be invalid; and the City Council of the City of Colorado City, Texas, hereby expressly states and declares that it would nonetheless have passed this ordinance and granted this franchise had it known that any word, phrase, clause, sentence, paragraph or portion of said ordinance and franchise were invalid, except as to such invalid portion.

SECTION 16: This ordinance will become effective upon the written acceptance of same by Grantee as provided in Section 12 of this ordinance, after its third and final reading and passage.

PASSED ON FIRST READING THIS 13TH DAY OF MARCH, 1967.

JOHN H. CHINN
Mayor

Personal Paragraphs

Mr. and Mrs. Curtis Clemmer spent the weekend in Lubbock, guests of Mr. and Mrs. Donald Anderson and Mr. and Mrs. Kenneth Ferguson.

The Evolution of Pharmacy

Here's a formula for a general all around "tonic" that was found in the ancient Egyptian archives... A mixture of plums, grapes, frankincense, cumin, wines, beer and yeast... Sound good? Well here's the hooker, they also mixed in "Goose grease"... If it weren't for the last ingredient, this formula might be quite popular in some circles today...

There's no other label in the world JUST LIKE this one... and that's how we feel about YOUR prescription.

IN PAYNE CHURCH

Miss Jean Compton Bride Of Michael F. Flanagan

Vows were exchanged in a church ceremony, Thursday evening, by Miss Sidney Jean Compton and Airman Michael Frederick Flanagan in Payne Baptist Church.

Perkins of the bride are Mr. and Mrs. Sidney A. Compton, route three. The groom is son of Mr. and Mrs. Harry E. Flanagan of Bayard, Virginia.

Rev. Fred Smith, pastor, was officiant for the double ring ceremony at seven-thirty. Church altar was backed by an arch entwined with greenery, flanked by white candles in candelabra, and arrangements of gladiolus.

Miss Peggy Redman played the wedding music. Mrs. J. C. Garrett, soloist, sang "Because" and "The Lord's Prayer."

The bride, given in marriage by her father, wore a floor-length gown of pearl drape, designed in empire style. The detachable train, veil and long bell-shaped gloves were of Chantilly lace. Her veil of illusion was attached to a crown of seed pearls and sequins. She carried a bouquet of white or gladiolus and gladiolus flowers on a white satin ribbon.

Miss Joyce Patterson, cousin of the bride from San Angelo, was maid of honor. Her floor-length dress of white, pink kitten safin was fashioned in empire lines with matching lace yoke and short sleeves. Her headpiece was a matching circlet. She carried a bouquet of white gladiolus flowers.

Candle lighters, who doubled as ushers, were Warren N. Griman of Glendale, California, and Stanley E. Stroppe of Linn, Missouri. Best man attending the groom was Ronald J. Hardwick of Laurinburg, North Carolina.

Parents of the bride hosted the wedding reception for the bride couple, party and guests, in Fellowship Hall at the church.

Table for the bride was covered with a white linen cutwork cloth over cherry pink. An arrangement of pink roses, silver and crystal appointments, the traditional white wedding cake and punch service completed decorations.

Mrs. Michael Frederick Flanagan
Miss Sidney Jean Compton

The groom's table was laid with a blue tablecloth, centered with a white candle. Dark fruit cake was served with coffee from the silver service.

In the reception house party were Miss Sandra Sweatt, Miss Joyce Allen, Miss Karen Holman; Mrs. Wendell Lee, of Ballinger, Mrs. James Dixon, of Big Spring, cousins of the bride.

For a wedding trip to Bayard, Virginia, the bride wore a rose linen tunic suit and beige accessories.

The groom, scheduled for overseas assignment in Ok-

inawa, after April 24, will report in California on that date. His bride expects to attend school while he completes his foreign duty.

Total Look Baumann HD Club Subject

Mrs. Fay McCallum was hostess Tuesday for the meeting of Baumann HD Club in her home.

The hostess also presented the program "Your Total Look," stressing personality, personal cleanliness, carefully chosen accessories, becoming styles.

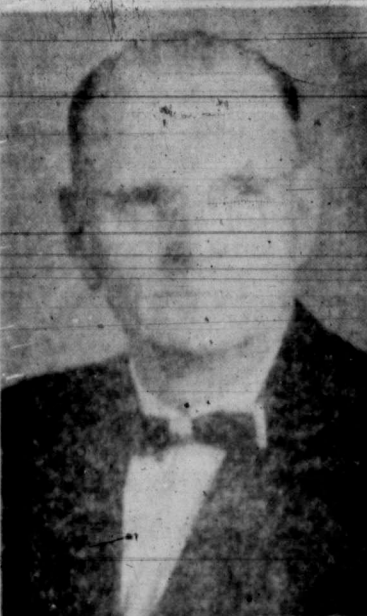

Mrs. Floyd Griffin presided during the business session. Mrs. J. T. Vest present

(Adv.)

Oak Street Begins Revival

The Oak Street Baptist Church opens their spring Revival meeting today. Rev. Earl R. Keating, pastor Emeritus of the Hoffmantown Baptist Church, Albuquerque, New Mexico, will be the guest evangelist. Since he has retired from the pastorate, Rev. Keating is devoting much of his time to evangelism.

Allen Hamlin, Music Director at the Hillcrest Baptist Church, Amarillo, Tex. will lead the singing during the week-long revival.

Evangelist Earl Keating

Services will begin nightly at 7:30 P.M. and the week day Morning services at 10:00 A.M.

"I feel that we are going to enjoy a week of Bible-Centered preaching and inspirational singing and we would like to invite everyone to attend," says Rev. Carl Lee, Oak Street Pastor. (Adv.)

AT ABILENE

C-City & Loraine Clubs Win 12 Prizes In District

Federated Club Women of Mitchell County, Colorado City and Loraine, came home from Mesquite District meeting in Abilene with awards totaling an even dozen.

Mitchell County Federation won first prize for the president's report in that division. Mrs. L. B. Elliott gave the oral report.

Zeta Delta Study Club was awarded second place for their president's report in the club division, with Mrs. Don Eite presenting the report.

Also won by Zeta Delta, Abilene study club in Colorado City, was first place in the Home Life Department report and second place in the Press Book Department, division 1, class C.

The BHS Study Club of Colorado City took third place in the same division.

Overall first honors and two first place awards in the Public Affairs Department went to 1949 Study Club which won first in the citizenship division and first in the Defense and US Sav-

ings Bonds division in addition to the overall. Zetaganthian Study Club was judged second prize winner in the Health division. Public Affairs Department.

Athenium Study Club at Loraine won second place honors in two divisions of the Texas Heritage Department - second in Cattle Brands and Ranch History, and second in Tours and Pilgrimages division.

Hesperian Study Club won honorable mention for their program "The Old Testament and Fine Arts," in the Outstanding Club Program Department.

Hesperians also came home with first place in the Historical Department, division B, Class 2.

Athenium Club, Loraine organization, had the honor of having one member win the distinction of submitting the first place poem in the Poetry Department. Winner is Mrs. Jim Johnson (Cora Johnson) of Loraine. Mesquite District Federation convention opened Mon-

day morning in Windsor Hotel at Abilene and closed after a luncheon in the hotel Tuesday.

Main address at the closing luncheon was made by Mrs. B. F. Seay of Andrews, president of the Texas Federation of Woman's Clubs.

Entertainment features at the luncheon included numbers by the Abilene High School Choir directed by Jack Chambliss, and a fashion show. Eight women modeled spring ensembles they had sewn or hand-knit. Commentary was by Mrs. Don Wilson Jr. of Abilene.

Club women of Baird will host the 1968 spring convention with clubwomen of Abilene as co-hosts.

ATHENEUM CLUB

Loraine Members Active On Program

Athenium Study Club of Loraine was represented at Mesquite District Convention of TFWC in Abilene Monday and Tuesday at Windsor Hotel. More than half the members were in attendance for the two day annual convention.

Mrs. Bruce H. Johnson, 2nd vice president of Mesquite District, presided at the report session of the convention, Monday. At the noon luncheon, she introduced each special guest with an original rhyme that told of qualifications and accomplishments as Federated clubwomen. Mrs. Cora Johnson gave the invocation.

Mrs. J. F. Boren of Abilene, district poetry contest chairman, announced that Cora Johnson was first place winner in the district poetry contest. This makes her eligible to enter State Poetry Laureate Contest, at the State Convention in May.

Mrs. Bruce Johnson remained in Abilene for the night session to attend the Keys to Knowledge dinner, a reception honoring state and district officers and an executive board meeting. Tuesday she presented club awards to all who won them.

Mrs. Lester Finley, Athenium president, received four awards for her club. Two of these were for Texas Heritage Department of which Mrs. R. H. Bennett is chairman; one press book, with Mrs. C. R. Green as Chairman, and one for 100% subscriptions to the Club Woman magazine.

Members attending from Loraine were Mrs. Glen Coon, Mrs. Lily Bennett, Mrs.

Golden Age Club Elects

WESTBROOK - Members of the Westbrook Golden Age Club met Tuesday evening at 7:30 o'clock for a business and social hour. Hostesses for the evening were members who have birthdays in March: Mrs. Earl Hays, Mrs. P. E. Clawson and Mrs. P. L. Byrd.

During the business session a new slate of officers was elected. Mrs. A. G. Anderson will serve as president. Mrs. Lillie Ward of Colorado City, vice-president. Mrs. Hoyt Roberts was re-elected secretary, and Mrs. Leroy Gressett, treasurer.

The Rev. L. B. Edwards said the invocation.

Dominoes and "42" were played during the social hour. Refreshments were served to 20 members and guests.

OES Grand Matron Will Visit Chapter

Mrs. Mildred Sharpe, 74, of Dallas, Worthy Grand Matron of the Grand Chapter of Texas, Order of the Eastern Star, will make a fraternal visit to Colorado Chapter No. 58, Order of the Eastern Star, Tuesday, March twenty-first at 8 p.m.

Other guests expected are Herschel Harrington, of Houston, Worthy Grand Patron; Mrs. Marie Harrington, his wife, who is Grand Electa, of the Order; Mrs. Katherine Harbour (Gaston D.) of Shamrock, Grand Examiner of district two; Mrs. Mildred Basinger (Paul) of Lubbock, district deputy Grand Matron of district two; Mrs. Mildred Sparks (J.R.) of Snyder, Duff Grand Matron of Section seven, District Two; and Mrs. Virginia Phillips (J.L.) of Wichita Falls, member of the Secretarial Committee of the Grand Chapter of Texas.

There will be a salad supper at the Medallion room of the Lone Wolf Co-op. Building at 6:30 p.m. honoring the visiting officers. All members are urged to attend both of these meetings, said the local chapter.

Out-of-town officers will be guests in the home of Mrs. and Mrs. L. E. Elliott while in the city.

CONVERSATION CORNER

WOMEN, so say the publishers of "Who's Who in America," are no longer sensitive and secretive about their ages.

Back in 1901-02 a third of the women listed in their "Who's Who" would not tell their age. For their 1968-69 volume only six percent withheld their age as secret.

Well, now! Age has always been a pretty ticklish business with us little women.

Way Zsa Zsa Gabor has it figured now she was a national beauty at 13 when she married for the first time.

THERE are ways and ways and ways to keep your age secret — but not if you're the grandmother to two daily visitors who have learned to add and subtract.

Ever get so fouled up in reckoning your years that the day came when you turned out to be two full years younger than your own son?

Children are extremely age-conscious. "How old" is an important thing to them. And grandchildren have many and various ways of forcing the hand of one reluctant to speak right out and tell.

"How long have you been married?" one will say with the look of an angel.

"How old were you when you got married?" the other will say presently as if there were no connection or plot, whatever.

HOW OLD is a relative matter. I belong to the Marlene Dietrich school of thought, anyhow.

She chooses to ignore the whole thing. "Darling, it's only a number," she'll tell anybody.

SARAH T. HUGHES

Hesperian Daughter Club Studies Judge

Dallas, was described by Mrs. F. B. as "capable, vivacious, energetic, and talented."

She suggested that Judge Hughes might be compared to Susan B. Anthony because of her part in politics.

Club members met in the se "She has been talking to women for 40 years trying to persuade them to run for public office and take a more

active part in politics."

It is, too. I have met people known since kindergarten who are growing fat around the middle and weary around the eyes in their early thirties.

And I have the pleasure of knowing at least two beautiful women well in their eighties. My mother is one.

USED to be an old saying that went "A man is as old as he feels and a woman is as old as she looks."

Actually, any man or any woman is as old as he or she THINKS. You can think yourself into a decrepit state of senility . . . or you can think young.

Maybe one sure sign that the old rockin' chair's got you or gonna get you soon, is when you decide you have no interest in the moon. No interest in sitting under same and sighing . . . and no slightest interest in ever going to the moon by flying.

SEEN LATELYS included Lena Strange (Mrs. Gwan) and Peggy Bagwell (Mrs. Hulen) at City National . . . Lena Lindsey, Baumann and her pretty little daughter Ann of Loraine . . . Jim Market of Loraine on the downtown scene . . . Saw Minola Floyd of the L.T.N.S. (long time no see) department . . . Betty Ginzle (Mrs. Frank) and Johnnie Tartt (Mrs. B. W.) together after study club meeting . . . Rev. Carl Lee of Oak Street Baptist Church.

Fritz Mogford dropped in looking mighty pleased. The Mogford son George is home from Vietnam!

MET for the first time a charming Westbrook citizen named Mrs. T. A. Rees . . . Also got introduced to Mrs. Sam Armstrong, Mrs. Cullen Payne, attractive Mrs. Bobby Lemons . . . and Mrs. Don Richey.

Saw, same time, same place, Mrs. J. D. Gibson, Marie (Mrs. Bill) Jackson . . . Mrs. Willis Tilley, Muriel (Mrs. Willard) Thurman, Mrs. Raymond Wheeler, Mrs. R. E. McMillan, Mrs. Don Blasingame of Buford, Mrs. Joe Boyd, Mrs. Bill Rees of Westbrook, and Mary (Mrs. John) Womack of Cuthbert.

Which is another way of saying I dropped in on a Home Demonstration workshop meeting in Medallion Room. Janice Miller was there, too. And Porter Richardson.

FAMILIAR FACES other places belonged to Billie Marie Long (Mrs. Jack) and to Jean Compton who is now Mrs. Michael Flanagan.

Saw Margaret Oylor . . . Nelda Garrett at her lunch hour break . . . Earl Brock.

Talked via Alexander Graham Bell to Alice Baker, musician, wife of Curtis and mother of Debbie and Dana . . . Also to Pat (him, Girl Scout enthusiast, wife of the mayor, Dr. John, and mother of five Chins.

Loraine Rogers (Mrs. Nathan) was looking lovely in spring blue . . . Aldred Pickens, wife of Sefton, was chic in a plaid cotton shift.

The Sam L. Majors, Sr. were sharing a noon hour table . . . Ditto Elizabeth and Howard Cox . . . The Perry Adamses . . . and the Howard Hardcastles.

Bessie House was an office dropper . . . Mozelle Jones (Mrs. Murray) was saying how happy she is to have her six-year-old son Ricky home from the hospital. He has been under treatment for burns suffered Feb. 17 and had skin grafting on his left leg in Hendricks Memorial at Abilene.

Calendar of Events

Sunday, March 19

6 p.m. Vesper services with special musical program, First Methodist Church. "Crucifixion" will be sung by a group of Lubbock Singers.

Monday, March 20

7 p.m. Miss Gladys Miller will present the study for Wesleyan Service Guild, First Methodist Church.

7:30 p.m. Mitchell County 4-H Club, countywide meeting, to be in Medallion Room, Lone Wolf Electric building.

Wednesday, March 22

9:30 a.m. to 2:30 p.m. Girl Scout adult leadership workshop, First Methodist Church. Gloria Zerega, West Texas Girl Scout Council executive, will direct a camping workshop.

Thursday, March 23

7:30 p.m. Communion Service observing Maundy Thursday, First Methodist Church sanctuary, with First Christian Church members as guests. Special music and slides.

Friday, March 24

7:30 p.m. First Christian Church, with First Methodist Church members as guests services with "The Cross" as theme.

Saturday, March 25

8:30 a.m. to 1 p.m. Bake sale sponsored by Methodist Youth Fellowship, St. Luke Methodist Church, in E-Z Way Superette.

WESTBROOK — Mr. and Mrs. N. J. McMahan, Kathy Henderson and Vickie Chambers spent the weekend in Fort Worth.

BILL F. CARTER

School Board President Speaker At PTA Meeting

Bill F. Carter, president of Colorado Independent School Board, addressed Parent-Teacher Associations of Colorado City Tuesday afternoon in a meeting hosted by Primary PTA with Hutchinson-Wallace PTA as guests in Primary School.

Earl Cook, coordinator in the administration of Colorado Independent Schools, introduced the speaker who discussed "Financing Public Education."

"In order to explain 'Financing Public Education,' I believe the proper place to begin would be in knowing what we, locally, are financing, and of course the one item that covers is our school budget."

Carter then reviewed the necessary steps for preparation of the school budget.

"Our district's budget this year totals \$1 million \$301," he told the joint PTA session, adding — "Last year in Texas there was an estimated one and a quarter billion dollars spent on education. It's a big business."

The school board head

then discussed in detail sources of income for public education in Texas — local and county funds, state funds, and, finally, funds from the Federal Government.

"Ten years ago," he cited at one point, "The Federal Government was paying only 2 1/2 percent toward education in Texas. Last year the percent had increased to a little over 10 percent."

He explained the facets of the Federal program — National School Lunch and Special Milk programs, through Department of Agriculture; National Defense Act of 1957; Vocational Education Act of 1963.

"We have budgeted this year approximately \$82,607 under the Elementary and Secondary Education Act, Title I and Title II," he said.

"You are more familiar with this program which pertains to elementary schools," he told the PTA members.

In conclusion he said, "Our building needs are determined by our ability to pay, together with the kind of school the community wants."

The school board head

then discussed in detail sources of income for public education in Texas — local and county funds, state funds, and, finally, funds from the Federal Government.

"Ten years ago," he cited at one point, "The Federal Government was paying only 2 1/2 percent toward education in Texas. Last year the percent had increased to a little over 10 percent."

"We have budgeted this year approximately \$82,607 under the Elementary and Secondary Education Act, Title I and Title II," he said.

"You are more familiar with this program which pertains to elementary schools," he told the PTA members.

In conclusion he said, "Our building needs are determined by our ability to pay, together with the kind of school the community wants."

The school board head

then discussed in detail sources of income for public education in Texas — local and county funds, state funds, and, finally, funds from the Federal Government.

"Ten years ago," he cited at one point, "The Federal Government was paying only 2 1/2 percent toward education in Texas. Last year the percent had increased to a little over 10 percent."

He explained the facets of the Federal program — National School Lunch and Special Milk programs, through Department of Agriculture; National Defense Act of 1957; Vocational Education Act of 1963.

"We have budgeted this year approximately \$82,607 under the Elementary and Secondary Education Act, Title I and Title II," he said.

Card of Thanks A-3

Mrs. Miller Holland and family would like to express deep appreciation to our many friends for the many contributions of sympathy during our sorrow. We shall always remember you with deep gratitude and consideration.

We would like to express our appreciation for the many thoughtful things done by the people of Colorado City during our recent sorrow. These things will be remembered and cherished by us.

The family of
W. E. Seward.

We the family of Mrs. Estella Brady Lee wish to thank each one for words, sympathy and all kind deeds during our sorrow in death of mother. May God bless each one.

The family of
Estella Lee

We are thankful beyond measure for all our good friends who helped so much during our recent sadness. May we offer our humble thanks for your comfort and love.

The family of
Leon Yeager

HD CLUB REPORTERS

Publicity Workshop Has Two Speakers

Publicity workshop for Herald County Home Demonstration Club reporters was presented by Mrs. J. D. Gibson in Medallion Room, Leas Wolf Electric Cooperative building, Thursday at 3 p.m.

Mrs. Gibson introduced two guest speakers, Porter Richardson, who is manager of the local radio station KVMC, and Mrs. Bill Coffey, editor of women's news for the Colorado City Record.

Richardson gave details for getting club news on the air and club announcements broadcast.

Mrs. Coffey explained the procedure for getting good newspaper coverage on club events, projects, and regular meetings.

Mrs. Gibson climaxed the program by giving each reporter a pamphlet, "So You've Been Elected Publicity Chairman," and some forms of model reporting for a club.

Present at the publicity workshop were Mrs. Bill Jackson, Mrs. Willis Tilly, Mrs. Wilbur Thurman, Mrs. Raymond Wheeler, Mrs. R.

E. McMillan, Mrs. Don Blasengame, Mrs. Sam Armstrong, Mrs. Joe Boyd, Mrs. Bobby Lemons, Mrs. T. A. Rees, Mrs. Bill Rees, Mrs. J. C. Wornack, Mrs. Don Ritchey, Mrs. Cullen Payne, Miss Janice Miller, Home Demonstration Agent, Mrs. Gibson, Mr. Richardson and Mrs. Coffey.

Miss Payne Is Listed On Honor Roll

University of Texas at Arlington, formerly Arlington State College, has just issued the School of Science honor roll for fall semester.

Dr. Peter S. Girardot, dean of the School of Sciences, listed among 265 students on the honor roll, Miss Arla Jo Payne.

Miss Payne is daughter of Mr. and Mrs. James E. Payne, 1111 Walnut St. and is a Colorado High School graduate.
