ANSWERLINE

Q. Why did Western Texas College in Snyder drop the men's basketball program? I tried to attend as many games as I could myself.

A. The reasons stated included discipline problems with the players and lack of attendance but like so many college athletic programs of this nature -- it boiled down to money. It was losing around \$20,000 per year.

BRIEFLY

State Office Closed Monday

The district office of State Representative Robert Junell will be closed Monday, Jan. 18 in observance of Martin Luther King's birthday.

AARP Meets Monday

The Mitchell County Chapter #1461 will have their regular meeting on Monday, Jan. 18 at 11:45 in the C. C. Thompson Room. All members are urged to attend and visitors are always welcome.

TAAS Meeting Scheduled

Hearing rescheduled for
MCED permanent injunction

Judge Weldon Kirk of the 32nd District Court in Colorado City has rescheduled a hearing for a permanent injunction against the Mitchell County Education District (MCED) for January 28, 1993 at 10:00 a.m. A contempt of Court hearing against the MCED will be heard at the same time.

It had been scheduled -- along with a hearing for the contempt action -- for 10 a.m. Thursday, Jan. 14.

Judge Kirk was presiding over a criminal trial in Sweetwater that was still in its punishment phase Thursday causing the postponement.

An agreement has been made between the attorneys for the parties involved in the conflict for the Education District to distribute funds -- less the disputed \$73,114 --

provided all schools pay in their tax money to the CED as the law provides for.

Dan Steakley, attorney for the CED said Thursday "if all schools put in their tax money, then the CED will distribute it back to them".

The contempt action was filed against the CED on Tuesday, Jan. 12 by Richard W. Meyer, attorney for the Westbrook Independent School District.

The action stems from the MCED withholding \$73,114 from the Westbrook ISD due to an over payment based on incorrect average daily attendance figures.

In the affidavit by WISD superintendent Sonny Hollis, he stated that the "last payment the WISD had received from the County education District was on

December 10, 1992 and no other payments had been received by Plaintiff from Defendant since that date. The request and demands to the MCED before and since filing of this suit have been very clear, which were to pay all monies due to Westbrook. No monies have been received by Westbrook despite the Court's order and the ongoing operations of Westbrook schools are now threatened".

In Steakley's answer to the contempt charge, he responded by saying "if the Court's order is interpreted as a mandatory injunction, requiring the district to pay to the Westbrook Independent School District the entire sum of \$73,114 then such act would expose the Defendant to liability to both Colorado City Independent

See HEARING, page 5

Private prison hearing
draws no opposition

Twenty-five Mitchell County residents attended the presentation by Private Prisons of America at the courthouse Thursday night and the response was very favorable for the plans presented.

Twenty-four of those attending signed a form expressing their support for the project while one said she had "no opinion."

Sonny Emerson and J. D. Williams of the firm gave a brief presentation and then answered questions from the audience.

Questions centered on financing, education of the inmates, how the prison would fit into the picture with the 1,000-bed TDCJ unit to be constructed here, job training and health care for inmates and employment at the private prison.

The entire proposal is due to be presented to the Texas Department of Criminal Justice on Jan. 29 and Emerson said Thursday that "our complete financing package would

be in hand before the proposal is sent to Huntsville." He said firms interested in financing the project has been calling their company to hear their plans.

The firm is submitting a bid as a result of the TDCJ sending out a request for proposal for constructing at least 2,000 prison beds by private companies.

Emerson said each 500-bed unit could employ as many as 300 and his firm was committed to hiring at least 90 percent of the people from the local area.

He said the pre-release facility would train the inmates for a job on the "outside" in building trades and it is possible that a firm that builds pre-fabricated prison structures could locate near the prison site and actually employ the inmates.

They would be paid a salary and in turn they would pay the TDCJ for their room and board.

"We want to train them to live a responsible life when they get out of prison," said Williams. When asked about security at the prison and if he expected much trouble from inmates in a facility such as this, Williams replied, "these guys will work eight hours a day -- just like you and I do (referring to the audience), then they will go to

Indictments
released,
2 arrested

Two individuals who had been indicted by the Mitchell County Grand Jury have been arrested this week by the Sheriff's Department.

Lupe Molina, age 39 of 1000 Cedar in Sweetwater, was arrested Tuesday and bond was set at \$2,500. She was indicted Oct. 22, 1992 on theft over \$750 but less than \$20,000.

Rudy Alaniz, age 17 of 909 13th in Snyder, was arrested Tuesday on two counts of burglary of a motor vehicle. Alaniz was indicted on Dec. 17, 1992. The charges stem from motor vehicle break-ins that occurred in Colorado City in early November of last year.

He was released from jail Wednesday on \$2,500 bond for each count.

Football
banquet
planned

The Colorado High School football banquet is scheduled for this Monday, January 18 at 7:30 p.m.

Five awards will be given according to athletic director Mark Howeth and they include the offensive Most Valuable Player, defensive Most Valuable Player, Colorado City Record "E" Award, KVMC Radio "Fighting Heart Award and the Sportsmanship Award.

Players will be recognized individually and all-district performers will also be recognized. The Football Sweetheart will be announced at the banquet as well as the Wolverine Beau.

It will be a catered meal at the Colorado Middle School and a highlight film of last season will be shown.

Chamber Banquet: Dana Lynch (R) buys a Chamber of Commerce banquet ticket from banquet chairman Bob Reilly. Tickets are going fast and Reilly expects a sell-out. If you need tickets, call the chamber office at 728-3403.

Chamber tickets available

Tickets are still on sale for the Colorado City Area Chamber of Commerce Banquet to be held Monday, January 25 according to banquet chairman, Bob Reilly but the supply is running low.

The banquet promises to be outstanding this year as the newly elected Speaker of the House will deliver the main address.

Pete Lancy of Hale-Center was sworn in Tuesday as the 68th Speaker of the Texas House of Representatives.

Lancy has pledged to pass a school finance plan in the House within the next 30 days -- "a plan with bipartisan support that will meet the requirements of the courts and the needs of our educational system."

He also said taxes should not be raised and lawmakers must agree on a budget that stays with current revenues.

The new speaker pledged to earn the trust, respect and support of Texans for the work done by the Texas House of Representatives.

Lancy said he will set standards for himself and for the Speaker's Office that go beyond what is required by law.

"I am requiring my top staff members to pledge not to represent anyone before the legislature for a period of time after their employment ends. And I make that same pledge for myself," Lancy said.

He has served in the Texas House since 1972.

He has received numerous awards and honors for his work in the legislature.

He has also been honored as Hale Center's "Citizen of the Year" -- a like honor which will be bestowed upon some citizen of Colorado City at the banquet.

The Farm/Ranch Family of the Year and the Business and Professional Woman's Club, Mitchell County Woman of the Year will also be named.

Tickets are available at the banks in Colorado City and Lorraine and from any Chamber director.

Citizen of the year
nominations sought

Nominations are now being accepted - through tomorrow, January 18 only - by the Colorado City Area Chamber of Commerce for the 1992 Citizen of the Year Award that will be presented at the annual chamber banquet on Monday, Jan. 25.

Chamber officials said more nominations than usual have been received this year.

The award is presented each year to an individual based on nominations and considered by a committee of judges. The public at large is being asked to make nominations and recommendations to the committee through the accompanying form in today's Record.

Elizabeth Connell and Louise Decovic were the recipients of the award at the last banquet. They joined a select list of citizens in the past as "Citizen of the Year" in Colorado City.

CITIZEN of the YEAR AWARD

Name of Nominee _____

List reasons for nomination: _____

6. _____

(If additional space is needed, attach copy)

There's still time to vote!! Bring this nomination coupon by the Chamber office no later than Monday, January 18th.

Fina to begin work on
Colorado River site

Work will begin later this month or early in February on Fina's plans to reduce the amount of oil seeping into the Colorado River from the site at the old Col-Tex refinery said Diane Perkins, senior staff environmental specialist from Dallas.

Perkins said Thursday that Fina has everything just about in place to begin the operation that was first presented to the City Council back

in July.

The state-of-the-art plan is expected to cost well over \$566,000 by itself - a figure which Fina officials noted they would pay in order to halt the oil seepage.

The Texas Water Commission (TWC) has approved the abatement plan which includes installing an interception trench for hydrocarbons that would run from W. Highway

See FINA, page 5

Training session set

Agriculture producers who do not have a private pesticide applicator license or have let their license expire, need to attend the applicator training session on Thursday January 21, 1993.

Producers who use restricted-use or state-limited-use pesticides must be licensed in order to purchase and use these products. If you attained a license before 1989, and supervise farm hands; you must re-certify at this training because you are no longer legally authorized to supervise labor when pesticides are involved.

Field crop producers are not the only ones who need a private license. Cattle producers are no longer exempt, especially if they use products like Co-Ral. Some cattle pesticides have been put on

the restricted-use list as of January 1, 1993.

The training session will be held in the C.C. Thompson Room in Colorado City on January 21, 1993. The class will start at 8:30 a.m. and continue until 12 noon. After a lunch break, the testing period will start at 1:00 p.m. This training is not for receiving continuing education credit towards a current license. For further information call Bryan Limmer at the Mitchell County Extension Service at 728-3111.

11:36 p.m. - Shots fired, 400 block Cypress, Fireworks discharged in City limits. Citation issued.

Perry issues warning

Agriculture Commissioner Rick Perry today warned consumers against buying or using an illegal and potentially dangerous pesticide being sold under the name "Miraculous Insecticide Chalk" as a roach and ant control.

"The chalk has been found recently in the Dallas, San Antonio and Corpus Christi areas," Perry said. "Needless to say, our inspectors are stopping the sale of this pesticide wherever they find it."

The insecticide is not registered with the U.S. Environmental Protection Agency or the Texas Department of Agriculture as is required for any pesticide to be legally sold in the state.

The product, which also is commonly called "Cockroach Wipeout" Chalk, contains the active ingredient, deltamethrin, which is not registered for use with EPA. The chalk can be ingested or absorbed through the skin. According to the EPA, no known antidote exists for deltamethrin, but the federal agency reports that a small amount, such as one piece, probably would not require medical treatment. However, because of the health threat, the insecticide should be avoided.

"Because it resembles chalk used on blackboards, the pesticide is dangerous to young children who might find it, play with it and chew on it," Perry said.

The product has been found at some flea markets and other retail outlets. The chalk is manufactured in China and its importation to the United States is not illegal, but its distribution is, according to EPA.

The pesticide is sold as individual pieces of chalk or in boxes containing several sticks. No directions, disposal or precautionary information accompanies the chalk.

To safely dispose of the insecticide, contact your local city officials or the Texas Water Commission to find out when the next household hazardous waste collection is scheduled for your community.

Consumers who have seen the chalk for sale are urged not to buy it and to call the nearest TDA regional or Austin office. TDA's regional offices are Lubbock - (806) 799-8555; Dallas - (214) 631-0265; Houston (713) 666-8491; San Antonio - (210) 820-0288 and San Juan - (512) 787-8866. In Austin, TDA Pesticide Programs office can be reached at (512) 463-7549.

Ritchey, Thomas united January 9

Mrs. Corey C. Thomas

Kendra Ann Ritchey of Colorado City, Texas and Corey Christopher Thomas of Aubrey, Texas were united in marriage on January 9, 1993 at 6:00 p.m. at 22nd and Austin Street Church of Christ by Gary Dennis from Levelland, Texas.

Parents of the bride are Floyd Lee and Judy Ritchey of Colorado City, Texas. Parents of the groom are Alvin A. Thomas of Amarillo, Texas.

Kendra was given in marriage by her father in a double ring ceremony. She wore a white crystalline organza wedding gown by Bonny.

The bodice has netting between the beaded wedding band collar and the sweetheart neckline. The pleated bodice drops asymmetrically at the waist. Lace swirls on the bodice front and back are adorned with seed pearls, oat pearls, and iridescent sequins following the lace design. The back bodice has buttons to the neck.

The pleated elbow length sleeves are embellished with lace motifs, pearl and iridescent sequins. Wide ruffled rows of organza create a beautifully light flowing full skirt which has more layers of ruffles extending to a cathedral train.

Her bouquet was white silk roses with pearl streamers and baby's breath. Tiny iridescent flowers filled in the rest.

She wore a wide-brimmed satin hat with a tulle pouf and short veil. Satin flowers trimmed with sequins and pearls accent the brim of the bridal hat. She wore a diamond heart necklace given to her by the groom. She carried a hankie that belonged to her late grandmother Ritchey as something old. Her garter was something blue. Borrowed was diamond earrings that belongs to her mother. She put a penny of the year they were born, in her shoes.

Matron of honor was Tammie Blair of Colorado City.

Bridesmaids were Mendi Conner of Colorado City and Lisa Caldwell of Donna, Texas. They wore tea length full dresses of deep mauve satin, fitted sleeves with little gathers. A bow at the back of the dress was the only accent. They wore pearl earrings and a necklace given to them by the bride as her gift to them. They all carried a single mauve rose with a ribbon.

Best man was Trent Jones of Amarillo, Texas. Groomsmen were Nathan Bradley of Amarillo, Texas and Keith Jones of Amarillo, Texas.

Flower girl was Elizabeth Beaty of Aubrey, Texas. Ring bearer was Jason Rutherford nephew of the groom. Candle lighters were Joey Ritchey and Cary Ritchey, brothers of the bride. Ushers were Joey Ritchey, Cory Ritchey, brothers of the bride and Tim Beaty a cousin from Aubrey, Texas.

The church was decorated with an archway covered with garden greenery. Two-fifteen branch candelabras and two-seven branch candelabras. The candelabras flocked the archway with mauve candles and greenery. The Unity candle matched the archway and candelabra. Church pews had burgundy and mauve bows with english ivy. Mothers pews were decorated with lace wreaths accented with burgundy roses.

Singers were from Snyder. D'Ann Preston, Mr. and Mrs. Torrey Bowden, Mr. and Mrs. Arlie Eicke. As the candles were being lit they sang "12th of Never" and the groom and the groomsmen entered. As the mothers lit a candle they sang "I'll Still be Loving You". The maid of honor and bridesmaids entered on "Friends". At the Unity candle they sang "Cross My Heart." The bride and groom left on "Follow Me".

Reception was in the church fellowship room. Houseparty hostess were Dedra Ousley of Dallas, Debbie Gardner of Colorado City, Kelly Thomas sister of the groom from Amarillo. On the

brides table was a four tier cake with solid white roses, top was crystal swans accented with iridescent roses, lace and pearls. The center piece was a silver candelabra with mauve candles and the brides flowers in the center.

The grooms table had a german chocolate cake decorated with a horseshoe in the center. The center piece was a boot with mauve and burgundy flowers.

The couple will live in Aubrey, Texas after a honeymoon trip to Colorado.

The bride will attend North Texas State University majoring in Elementary Education. The groom is employed by Tim Beaty Builders of Denton.

Out of town guests were from Aubrey, Amarillo, Fairfield, Levelland, Lubbock, Sweetwater, Dallas, Snyder, Donna, Texas.

CALL 728-3431 FOR APPOINTMENT

According to the American Cancer Society, one out of ten women in the United States will develop breast cancer sometime in her lifetime. It is currently estimated that over 37,000 women die each year as the result of breast cancer.

Ninety percent of breast cancers are diagnosed by women or their physicians finding a lump in the breast. Women who are diagnosed with a lump large enough to feel have a 50 percent five year survival rate. A woman who is diagnosed as having breast cancer by mammography, before a lump can be felt, has a 97% five year survival rate and a 90% 10 year survival rate.

A mammogram can detect a cancer this small, even before it can be felt.

Guidelines For Screening Mammography Established by the American Cancer Society.

- I. 35-40 years of age - One baseline mammogram.
- II. 40-50 years of age - A mammogram every 1-2 years depending on breast type and risk factor.
- III. 50 years of age and over - An annual physical examination and annual mammogram.
- IV. Asymptomatic women under 50 years of age with significant high risk factors should be examined at appropriate intervals. These risk factors include previous breast cancer and family history of cancer.
- V. A symptomatic woman should have a mammogram at any age when she experiences a mass, nipple discharge, skin changes or unexplained breast pain.

A screening mammogram is an x-ray of the breast using extremely low dosages of radiation (usually comparable to dental x-rays) and is designed to find very early cancers.

A female technologist who is highly trained in mammography will perform the examination.

The charge for the screening mammogram is \$70.00. The Unit accepts cash, check, Visa, Mastercard and American Express.

Stenholm to look into USDA changes

Congressman Charles Stenholm, Chairman of the House Agriculture Subcommittee on Department Operations and Nutrition, has promised prompt and in-depth review of the U.S. Department of Agriculture's tentative proposals to streamline USDA's field offices operations.

"While Secretary Madigan has made some preliminary recommendations, no official decisions have been made to close any particular USDA field office," said Congressman Stenholm. "It will be up to the Clinton Administration to implement any changes in the USDA field office network, and the Department Operations Subcommittee will carefully review the entire situation before any significant changes are made."

The USDA, in conjunction with the Office of Management and Budget (OMB), has been reviewing all USDA operations with an eye toward streamlining, increasing efficiency, improving service and saving money.

The Agriculture Stabilization and Conservation Service (ASCS), Soil Conservation Service (SCS), Farmers Home Administration (FmHA), Extension Service (ES), and Federal Crop Insurance Corporation (FCIC) were evaluated on the basis of the following factors: program delivery costs; number of producers served; complexity of programs administered; geographic service area; whether local offices were scattered or located under one roof; and intensity of workload at local offices.

FINA

80 almost to the railroad track. It will consist of a PVC pipe buried some 21-feet below the surface of the soil on top of the sandstone substructure.

The recovery trench will have a sump pump attached to it allowing the oil moving through the sand and gravel above the sandstone level to be recovered. According to Fina officials, this will greatly reduce the amount of seepage into the river.

Recovered water will be treated by Fina and will then be sent to the city's sewer treatment plant.

According to city officials, it will enter the system actually more pure than the city's treated water.

Oil which is recovered from the system will be trucked to Fina's Big Spring refinery where the product will be recycled.

TWC asked Fina to do this along with three other items - they include fencing the area, locating oil gathering booms in the river and placing netting over all pits. Perkins said Fina has done all these things with Fina picking up 100 percent of the tab so far. As Fina officials stated in their July meeting in Colorado, Perkins said it is their intent to do everything they can but they do not own the property now and only operated it for five years beginning in 1960.

Costs have already exceeded \$1 million Perkins said.

The refinery was built in 1920 by Anderson Pritchard and Chovron and the site where the refinery is located has had some 14 owners over the years - including Chovron and El Paso Electric Co. The company in El Paso declared bankruptcy soon

after discovering they may be liable for some of the cleanup costs associated with their past ownership.

Perkins said Fina is most interested in getting Chovron involved in the clean up but so far, they have refused to do so.

Chovron has said they only owned stock in the Col-Tex Refinery and had no management responsibilities.

Fina disputes this claim based on interviews from former employees of the refinery.

"We've always said we would do our part to clean up the site but everyone needs to pay their fair share also," said Perkins.

The project could take several years to complete said officials of the TWC.

HEARING

School District and Loraine Independent School District. As shown in the Defendant's Original Answer, the Education District was required by law to withhold such funds and redistribute them to the CISD and the LISD. At all times material to this lawsuit, Westbrook knew that these two additional school districts were to receive the additional monies and that the Education District was required to distribute money to them. Moreover, as shown in such answer, the Westbrook ISD had informed the Education District that it would not refund any of the funds even if it was shown that such funds were paid to it improperly. Thus, to pay such funds to the Westbrook ISD would have been an act by the MCED in contravention of its clear requirement to redistribute such funds to the Colorado ISD and the Loraine ISD.

Stankley's answer to the original lawsuit continued by saying "the Court's Order placed the Education District between the proverbial 'rock and a hard place'. Faced with this dilemma, the Education District sought a means to escape this potential multiple liability."

To avoid possible action from the Colorado ISD and the Loraine ISD, the Education District has not paid any funds to either Westbrook ISD, Colorado City ISD or Loraine ISD.

The answer also stated that Westbrook was notified on Jan. 7 that funds would be withheld from all the districts.

Stankley said Thursday that "basically everything has been put on hold since the hearing was postponed - everything is preserved just as it is today."

Carr Scholarship applications sought

Applications from high school seniors are being accepted by Angelo State University for Carr Academic Scholarships for 1993-94.

Over 350 Carr Academic Scholarships for 1993-94, ranging in value from \$1,000 to \$6,000, are available to qualified high school seniors. During the current year over 900 students from throughout Texas and the nation, as well as numerous foreign countries, are attending Angelo State University on Carr Academic Scholarships.

In order to be eligible, students must normally be in the top 15 percent of their high school class, have a high school grade average of 90 or above, and present a combined math and verbal score of 1000 or higher on the SAT or a composite score of 25 or higher on the Enhanced ACT Assessment.

Supported by a growing multi-million dollar trust established by the late Robert G. and Nona K. Carr of San Angelo, the undergraduate scholarships may be renewed annually by the University for students who maintain the required academic record and personal standards. During a four-year course of undergraduate study at ASU, Carr Academic Scholarships can be worth from \$4,000 to \$24,000.

The priority deadline for submitting applications and all supporting materials is March 1, 1993, although completed applications from outstanding

school -- they won't have time or the energy to cause any problems with our system."

Several other private firms have made proposals in area towns including Sweetwater, Snyder and Big Spring.

Snyder held their public meeting Wednesday with 80 in attendance and 79 of those expressing a favorable opinion of putting a unit there.

Big Spring held their public hearing Thursday night as well with 60 people in attendance. No one spoke against the proposal there either.

A decision from TDCJ could be heard within four months of Jan. 29.

Henderson is hostess to club

The North Loraine Extension Homemakers Club held their first meeting of the year on January 6, 1993 at 2:00 p.m. The meeting was held at the Loraine Seniors Citizens Center with Doris Henderson as hostess.

President Margaret Brame called the meeting to order with the prayer in unison and the club creed.

President Brame then introduced Dorothy Johnson who presented installation of new officers for the year. Mrs. Johnson acknowledged the past officers, then installed new officers, who are: President-Wanza Graham; Vice President-Doris Henderson; Secretary-Reporter-Jimmie Jacks; Treasurer-Billie Schroeder; Council Delegate-Margaret Brame; Alternate Council Delegate-Effie Wheeler.

The meeting was then turned over to president Wanza Graham.

Hostesses were assigned for the year in the program books.

It was voted to donate money for the Loraine Livestock Show.

Food and work schedules for the Mitchell Co. Livestock Show Concession stand were assigned.

Roll call was answered by naming a project or program for the club to do this year, with fifteen members present.

Minutes of the previous meeting were read and approved. Treasurer's report was given. Wanza Graham gave the council report.

Discussion was held on the kitchen at the Ag barn, and painting of the windows downtown Loraine. Our project this year will be to beautify Loraine.

Pat Carter read the duties of a TEHA member.

Discussion was held on having another Sunday dinner in April or early May and selling tickets.

Mary McMullen, CE-HE, told the group about a health person from Texas A&M being here in February to hold a Health Fair or Diabetic Clinic. Discussion was held.

Refreshments were served to visitors and members present.

Visitors were, Mary McMullen CE-HE, Nelda Hill, Audrey Beights, Ann Preston, Tonya McMillan and Dorothy Johnson. Nelda Hill, Audrey Beights and Ann Preston became new members.

Members present were Margaret Brame, Pat Carter, Wanza Graham, Blondie Hamilton, Darlene Hamrick, Elaine McMichael, Mildred Rose, Billie Schroeder, Bessie Ann Vaughn, Doris Henderson, Eva Wells, Effie Wheeler, Rachel Singleton, and Bertha Faye Snyder.

Final performance: Tickets are still available for the last performance of 'The Odd Couple' (female version) at The Colorado City Playhouse. Sunday's matinee is at 2:00 PM. The cast does an excellent job and the play has been well received. Cast members (L to R) Tracy Compton, Amanda McBroom and Nedra Shonis Walthall are shown here during a recent rehearsal.

Retired teachers meet

The Mitchell County Retired Teachers Club met at noon January 12, 1993 at the Wallace Center.

Program subject was Travel Tour in Turkey with guest speaker Charlene Reilly.

Mrs. Reilly our speaker, moved to Abilene at an early age from Winters. She attended McMurry, Texas Tech and Hardin Simmons and taught in the Colorado City and Loraine schools for 35 years. Today her hobbies are travel, reading, and a grandson. She is the wife of Bob Reilly, local Prudential agent.

Mrs. Reilly gave us some high lights of her most recent trip to Turkey.

First she related the importance of Turkey in history: the supposed resting place of the Ark on Mt. Ararat, the Crusades, location of Paul's seven churches, the travels of Marco Polo, the site of Constantinople.

She described the area nearest to the seas as tropical and beautiful. The interior is high plains and mountains-harsh. Some farming is done. Camel, goats, and sheep are raised. The wool is used by the women to cord, spin, and weave into beautiful rugs and wall hangings.

Islam is the religion of the country and the religious laws are closely followed. However, some leniency toward women is shown in that they are now allowed to enter a mosque. Yet women are still required to walk behind a man, carry all packages, care for the children

and work in the fields. Prearranged marriages are common.

Turkey is a member of N.A.T.O. and has good relations with its neighbors: Iran, Iraq and Russia.

This was an exciting trip for the group as they experienced two earthquakes, two bombs, being marooned in a snow storm, an avalanche, and serious plane problems.

During the business session Mrs. Godwin gave a health break and asked for volunteer hours.

The following were nominated for T.R.T.A. unusual service award: Peggy Raliff, Frances Godwin and Carolyn Witten. Nominees for the twentieth century teacher award

were: Mabel Merritt, Earline Sellier and Tommy Fae Feaster.

Memorials for Nadine Gordon and Clarice Fowler were sent to the Retired Teachers building fund in Austin.

Those attending were: Mary Ellis, Frances Cooper, Minnie Lee Moore, Alma Smith, Fannie Fae Feaster, Carolyn Witten, Elaine McMichael, Eddie Barclay, Gerry Stone, Earline Sellier, Flo Bodine, Betsy Aycock, Frances Godwin, Lonie Pruitt, Mabel Merritt, Peggy Ratliff and three guests: Charlene Reilly, Margaret Costin, and Tom Moore.

The next meeting is scheduled for noon, February 9, 1993 at the Wallace Center.

LETTERS TO THE EDITOR

To the Parents of Children in Grades 3, 7, 11:

On Tuesday, January 19, 1993, at 7 p.m. in the CMS Auditorium, the CISD will sponsor a parent meeting on "Understanding Your Child's TAAS Scores". All parents of students in grades 3, 7, and 11 are encouraged to attend this meeting.

If you attend, please bring the

copy of your child's TAAS score with you so that you can ask specific questions. Of course, all results will kept confidential, but any and all questions are welcome. Students are welcome to attend as well. We hope to see you there.

Sincerely,
Kitten Arthur
Curriculum Facilitator

Looney E.H. Club met January 13th

The T.E.H.A. Looney Club met January 13, 1993 in the Housing Authority Building.

Corene Basnette was hostess. Thirteen members were present and one visitor Mary McMullen our agent was present.

Lonie Pruitt opened our meeting. Linnie Williams lead our club prayer.

Mary McMullen did our officers installation. Linnie Williams brought our recreation.

Roll call was answered with suggested programs for the coming year.

Etta Lee Gibson gave the treasurers report, also secretaries report.

Plans were finalized for the Stock Show, also hours to work 1:30 to 4:30 for Looney Club Saturday January 16.

Corene Basnette served delicious refreshments to: Lonie Pruitt, Etta Lee Gibson, Linnie Williams, Ruth Holman, Eddie Barday, Lena Bullard, Neva Hammon, Mabel Harlow, Billie Woods, Madge Shepherd, Louella Hall, Ruth Myers.

The meeting was adjourned.

Former Halliburton employees due benefits

Trade Adjustment Assistance petition number 26,929V from the Halliburton Services in Snyder, Texas has been certified under the Trade Act of 1974, according to the Texas Employment Commission.

This certification allows all company workers from the Snyder, Texas plants who were totally or partially separated from employment due to a lack of work on or since 5/6/92 to begin filing for benefits and reemployment services through local TEC offices.

According to the findings of the Department of Labor, the

increase in U.S. imports of article like or directly competitive with crude oil contributed importantly to the decline in sales or production and to the total or partial separation of workers at Halliburton Services.

Workers should contact the nearest Texas Employment Commission office for assistance in filing for the following services: weekly trade readjustment

allowance, job placement, employment counseling, vocational training and financial assistance for job search and job relocation.

Cosmetology course to begin at WTC

A new cycle of cosmetology instruction begins at Western Texas College March 1 and prospective students are now urged to pick up an information packet regarding the program and to schedule a placement test for admission.

The cosmetology information packet is available through Student Services located in the Learning Resource Center on the WTC campus. The placement test is scheduled through the counseling office.

Prospective students must be interviewed by instructor Judy Border and she noted it should be scheduled as soon as possible.

The class meets from 8:30 a.m. until 5 p.m. Monday through Thursday. It takes 12 months to complete and involves 1,500 class room hours. Upon completing, graduates must pass the state examination in Austin.

For more information, contact Judy Border at (915) 573-8511, ext. 267.

Loraine baseball to begin

The 1993 Loraine Varsity baseball season is just around the corner and I would like to take this opportunity to update some information on this year's team said baseball Coach Bob Loy.

"We are all proud of the accomplishments of last season and hopefully we can have another great one," he said.

We will have a number of newcomers from the Junior High level and some of these individuals need to be mentioned: Ty Henderson, Josh Lee, Joe Sanchez, Corey Wooddell and Brian Butler. Also, newcomers, Dewayne Starling, Artie Pineda, Joe Leija, Aunray Crawford, and Jason Shy.

The returning players form last year are: Chris Phillips, David Mitchell, James Lopez, Craig Finley, Jesse Rico, Steve Gutierrez, Ben Wilkinson, Michael Moore, Sammy DeLeora, and Justin Herrington. We lost David Madrid, Clayton Lee and Rene Pantoja.

We will open our season against the Colorado City J.V. at 4:00 p.m. on February 22 in Loraine.

Ezell, Jackson married on St. Thomas

Mark Ezell and Ronda Jackson were united in marriage November 7, 1992 at St. Thomas, United States Virgin Islands. The 4 P.M. double ring garden ceremony occurred in a white Victorian gazebo overlooking the Caribbean Ocean.

Parents of the bride are Ron and Carolyn Jackson of McKinney. The bridegroom's parents are Kenneth and Helen Ezell of Desoto, formerly of Colorado City.

The bride wore a romantic teal-length gown of ivory satin with lace overlay covering the entire gown. The drop waist bodice, featuring an off-the-shoulder neckline, was adorned with pearls and cascading bouquet of tropical flowers native to the Virgin Islands, which included lilacs, pink and

iam and bougainvillea.

The groom wore a black double-breasted tuxedo with a single pink and white lily on the satin lapel. The couple's attendants were the groom's parents, Kenneth and Helen Ezell.

The bride attended Texas Tech University and is a graduate of Grayson County College School of Nursing. She is employed by Presbyterian and Children's Healthcare of Plano, where she is a registered nurse.

The groom, a manager for Computer City in Dallas, is a graduate of Trinity University in San Antonio.

After spending several days in the Virgin Islands following the ceremony, the couple made their home in Plano.

Mr. and Mrs. Mark Ezell

Business & Professional Womens Club meets

by: Louise Lodgson for Colorado City Business and Professional Women

Colorado City Business and Professional Womens Club met for its monthly business and dinner meeting on Tuesday, January 12, 1993 at 7:00 p.m. in the Civic Center with Worlds Affairs Committee in charge. Molly Bruce is chairman of this committee with Charlene Reiley and Sallie Rogers assisting. After a delicious spaghetti meal was served to one visitor and twenty-two members present, Charlene Reiley read the club collect to close meeting while Molly Bruce led pledge to flag and Margaret Oylor led in prayer. After the meal, Molly Bruce introduced Dan Truelove, a Westbrook teacher, who then presided over a hidden auction which was enjoyed by all

present. Thank you, Dan, for a job well done.

After a brief recess, President Pauline Light, called the meeting to order for a short session. Minutes of past meeting read and approved and Treasurer's report read, approved and filed for audit. Correspondence was read by Erlene Selliers. It was announced that the club had equalized plus one. Shirley DeLaney announced that beginning in February she will be teaching an Individual Development Seminar which will be held on Tuesday nights and one session on all day Saturday. The cost will not be over \$10.00. Anyone interested can call Shirley DeLaney.

The BPW will be serving the Chamber of Commerce Banquet January 25, 1993 at the Civic Center. Please, members be at the Civic Center by 6:00 p.m.

District Director Liz Sands, from Sweetwater Texas will be a guest at the February meeting. Meeting was adjourned.

Guest present was Dan Truelove. Members present were: Margaret Oylor, Phyllis Lane, Eddie Barclay, Anna Staats, Christine Cooley, Juanita Schaefer, Faye Sprivey, Charlene Reiley, Sharon Truelove, Louise Lodgson, Mildred Free, Wilma Womack, Pauline Light, Virginia Deaton, Nancy Crow, Donna Laurens, Erlene Selliers, Priscilla Martin, Shirley Bradley, Shirley DeLaney, Lovess Curlee and Nelda Garrett.

Nail class to begin at WTC

A Nail Technology Class will be offered through Western Texas College's Cosmetology Dept. beginning Feb. 1 and running through April 1.

Interviews for prospective students will be Jan. 20 and those interested should complete a Nail Technology Packet prior to the interview.

The class will involve 250 hours of instruction. Students will learn the basic skills to be a manicurist in addition to completing nail extensions.

For more information, contact Judy Border at (915) 573-8311, ext. 267. She noted this will be the last nail technology class offered at WTC for a two-year time period.

McAdams, Strain exchange vows

Mrs. Jeremy Strain

Machelle Ann McAdams and Jeremy William Strain were united in marriage on January 2nd at 4 p.m. in Colorado City at the 1st Baptist Church.

Dr. Joe Marshall of Abilene Christian University, Abilene officiated the double ring ceremony.

The bride is the daughter of Rick and Marsha Rickard of Loraine and Marshall McAdams of Lubbock. The granddaughter of Mrs. H.H. Rowell of Loraine and Rosalie McAdams of Lubbock. The groom is the son of Eddie and Roxie Strain and grandson of Waddell and Jerry Strain of Colorado City.

Decorating the altar area was a 29 candle brass candelabra arched on each side with 22 candle tiered candelabras and flanked with 16 candle spirals all trimmed with boxwood ivy and satin bows. The aisles were candlelight and sprays of english ivy and Indian laurel accented the aisle pews along with white satin bows.

Given in marriage by Rick Rickard and her father Marshall McAdams, the bride carried a cascading bouquet of Casa Blanca lilies surrounded by white roses flowing with english ivy, scattered with pearls and lace.

For her walk down the aisle she wore a regal gown fashioned of white illustrious bridal satin with the bodice having a batin neckline, an extreme dropped waist and low V back. Leg of Mutton sleeves poufed at the shoulder and tapered to a bridal point at the wrist. The full satin skirt fell to a sweeping cathedral length train, the entire dress was lavished in hand clipped venice lace motifs accented with iridescent sequins and hand sewn pearls.

Enhancing her gown was a bridal ring headpiece with a halo of aloncon lace appliques with clusters of pearls and sequins. The illusion formed a full triple tiered cascade to her waistline splashed with pearls on all three tiers.

For something new she wore a pair of triple drop diamond earrings. Something borrowed was the bridal slip and something blue was a small satin bow.

Wedding music was provided by pianist Mrs. Lynn Bethel of Snyder. Vocal accompaniment was provided by Cindy McLeod of Loraine who sang "MASTERPIECE" and "EVERYTHING I DO I DO FOR YOU". Lee Francis of San Angelo sang "LOVE OF A LIFETIME" and "WHEN I LOOK INTO YOUR EYES".

The bride entered to The Bridal Chorus from Lohengrin by Richard Wagner. The recessional was The Wedding March from The Sound of Music by Richard Rogers.

Matron of honor was the brides sister, Dr. Stephanie Jones of San Antonio. Maid of honor was Marjo Puikonen of Helsinki, Finland. Bridesmaids were Jennifer Clifton, Shelli Webb of Loraine and Mandy Strain sister of the groom of Colorado City. Bridesmaids were Christi White of San Angelo and Brooke Cooper of Colorado City. Their dresses were victorian styled formal length, full skirted, V backed satin gowns alternating in colors of emerald green and rich purple. Bouquets were purple roses with shades of fuschia. Flower girl was Paige Meredith of Whitney, Texas cousin of the groom. Ringbearer was Josh Ziegler of Colorado City friend of the groom. Candelighters and ushers were Fabian Alvarez of Loraine and Scott Galey of Colorado City.

Best man was Cody Strain of Colorado City brother of the groom. Groomsmen were George Ramsey of Lubbock, Brandon Raschke of Austin, Randy White of Lubbock, John McAdams of San Angelo, Billy Joe Robinette of Colorado City and Jim Bob Haggerton of Stanton. They wore black tuxedos with matching cummerbunds and bow ties of emerald green and deep purple. Boutonnieres were purple roses with shades of rose and fuschia.

The groom wore a tuxedo with white jacket and black pants and a white rose boutonniere with purple rosebuds.

The reception following the

ceremony was held in the fellowship hall. The brides table held a gracefully columned 3 tiered cake suspended over a flowing fountain and was topped with a double bell of satin and pearls. Six satellite cakes were bridged out in a regal display of scalloped tiers richly decorated with ribbon and floral clusters complimented by fresh flower arrangements in purple and shades of rose and fuschia.

The grooms table offered a silver service of coffee, and in the traditional symbol of good luck, a rich german chocolate cake fashioned as a plowed field complete with a tractor and implements. The centerpiece was a special compliment to the groom made from field hay and wheat.

The food tables of hors d'oeuvres, fruit cascades and vegetable designs were prepared and displayed by Rafael of San Angelo with assistance of John McAdams brother of the bride.

Members of the houseparty were Liz Hale, Natalie Wieck, Michelle Garcia, Sue Ann Lentz, Tammie Blair and Bridgett Bridgford.

The bride is a 1991 graduate of Loraine High School and is attending Angelo State University. She is employed by Robert C. Rowland, M.D. and Associates.

The groom is a 1991 graduate of Colorado City High School has attended Angelo State University and Western Texas College. He is employed by Carl Block of San Angelo.

After a honeymoon in Crested Butte, Colorado they will make their home in San Angelo.

Out of town guests registered from San Angelo, Whitney, Snyder, Big Spring, Lubbock, Austin, Stanton, Stevenville and Wichita Falls.

BIRTHS

Manuel and Rosa Lopez, Jr. announce the birth of their son Carlos Javier born December 30, 1992 at Mitchell County Hospital. He weighed 8 lbs 6.8 ozs. He was 20 1/2 inches long.
