Bank Deposits Just Under \$50 Million

Deposits in Wellington's two banks have increased approximately \$3.5 million in the last 12 months, an amount that is a little larger than the growth seen in the preceding year, reports of the two institutions to the State Banking Commissioner and the Federal Reserve Bank have shown.

Wellington State Bank and City State Bank reported deposits of almost \$43.2 million for the September 30 call. This was up from \$39.7 million a year ago and \$36.8 million two years ago. It is also a rise of around \$10 million over deposits in Wellington banks three

years ago, when the deposit figure was \$32.8. The preceding year, 1977, saw deposits of \$26.5 million. This growth has been maintained in spite of depressed farm prices and the nation-wide recession. The 12-month period has also seen an almost shutdown in oil and gas

drilling and in oil and gas leasing. None of the cotton harvest is represented in this quarter's bank call. Bankers are optimistic about the continued growth of the county's financial condition. The deposit figure reveals that Wellington's two banks break all

records for third quarter business. Since the 1977 third quarter figure, deposits have risen \$16.6 million. Demand deposits have dropped in the last year, indicating that county residents have less ready spending money. --See DEPOSITS, page 2

Auxiliary Opens Remodeled Dr.'s Lounge Tues.

Collingsworth General Hospital Auxiliary completed its largest project to date with the opening Tuesday, October 12 of a completely remodeled doctors' lounge at the hospital.

The lounge is used by physicians to dictate medical records and to have conferences with families. The room also serves as the hospital board meeting room.

The room features new cabinets, new carpet, new chairs and table, and new drapes, and the room has been repainted.

"We've completed this project except for one item," Auxiliary president Loretta Wright said. "We need a small vacuum cleaner or electric broom for the hospital to use in keeping the room clean. The hospital's industrial vacuum cleaner is too large and heavy to be useful here, so we're looking for a donation of a good used vacuum or money so that we can buy a small vacuum."

Ideas for a revived Hospital Auxiliary began to surface here last year and --See AUXILIARY, page 2

NEW DOCTORS' LOUNGE

Hospital Auxiliary member Corky Bowen, left, shows off the newly remodeled Doctors' Lounge at Collingsworth General Hospital to Dr. and Mrs. Carter Holcomb and Mrs. Prasanna K.N. Booster Club Chili Supper Friday

The Wellington Skyrocket-Shamrock Irish football

game is a tradition of nearly 50 years standing, and before it takes place Friday, Oct. 15, another tradition will be observed.

It's the Skyrocket Booster Club chili supper at the Elementary School cafeteria.

Denzil Lacy, president, has announced plans.

The supper will begin at 4:30 p.m. and continue until 7--half an hour before the football game starts.

Tickets may be bought from any Booster Club member, and they are \$3.00

for both adults and children. Tickets will also be sold at the door.

The Booster Club boasts some of the best chili cooks around, Lacy says, and they are planning a meal of chili, pinto beans, cornbread, and coffee or tea. A variety of pies will be sold separately at 50 cents for a generous slice.

All proceeds from this annual fund raiser will go to the Wellington High School athletic fund, says Lacy.

"The weather will probably be perfect for a good

chili supper, and we are expecting a lot of Shamrock fans to join us for this event. After all, football boosters of the two schools are good friends every night but one--and that's when they meet at Powell Field or El Paso Field," he added.

Sarpalius Brings Campaign to Co.

Senator Bill Sarpalius brought his campaign for re-election from the 31st Senatorial district to Wellington Monday, Oct. 11 and

revealed part of the more than 30 bills he has already prepared for the hopper when the next session of the legislature opens.

The budget will be a big issue in the next session, Sarpalius said. "Money is tight and everyone wants part of it. Education will be a big issue because of overcrowding in the schools and the problems they face," the senator said.

A third big issue will be agriculture.

Sarpalius, the only freshman in the 67th Legislature to be chosen chairman of a committee, the Agriculture Subcommittee, has bills ready to introduce that deal with farm-ranch problems.

If the federal government makes changes in the crop insurance program, one of these bills would enable the state to match funds with the federal government to reduce premiums to the point that farmers can afford to buy crop insurance.

"Another bill would set up an office in Mexico to market our agriculture products directly with Mexico instead of going through the USDA," he said.

Sarpalius has a package of bills relating to alcohol. --See SARPALIUS, page 2

Hospital Hopes to Be Out of Short-Term Debt Next Year

Collingsworth General Hospital paid off \$80,000 in short term notes during the fiscal year which ended September 30, 1982.

That reduces the hospital's short-term notes to \$103,845. And the hospital board and administration hope to pay off the remainder of that debt during the current fiscal year.

At least that's the plan in this year's budget adopted by the board September 21.

The budget calls for paying off the notes and capital improvements of around \$50,000 if all goes as expected.

In the hospital business, though, it doesn't always go as expected.

The hospital accumulated the debts during a tumultuous era of administration and medical staff changes over the past several years.

But current administrator Perry Foster thinks things have stabilized for the hospital, at least for the moment. "We're attempting to control costs by decreasing personnel in some areas of the hospital. Resignations have not been replaced and some departments have been recognized to take care of additional duties," Foster said.

"During the past fiscal year we lost 3 full-time employees," Foster said. "We did not replace 2 and we replaced 1 with a part-time position."

The '82-'83 budgets call for operating expenses of \$1,181,900. The hospital expects to take in \$1,146,000 in patient revenue; \$9,000 from various other revenue; and \$237,500 in property taxes. After figuring \$36,000 in bad debts, \$15,000 in long-term bond payments, about \$10,000 tax collection and appraisal district costs, the hospital administration estimates it will be able to pay off its current short term debt and make some capital improvements this year.

In other hospital news, Collingsworth General has been approved as a clinic site for LVN students through Clarendon College.

Foster said the program would benefit the hospital in two ways: student nurses will assist regular nurses and help provide better care for patients and the number of qualified personnel available for employment in the area will increase.

The board has also approved expansion of the medical records department

LIONS CLUB SWEETHEART

Carla Nunnelley is this year's Wellington Lions Club Sweetheart. A WHS senior, she's the daughter of Mr. and Mrs. Carroll Nunnelley. She was captain of the girls basketball team last year, was a junior varsity cheerleader, and is a member of FHA, the Church of Christ and the Fellowship of Christian Athletes.

Old Rivalry Surfaces Fri.

Skyrockets and the Shamrock Irish will battle before a Wellington crowd Friday, Oct. 15, with a 7:30 p.m. game time.

Of all the teams the Skyrockets play, the Shamrock-Wellington rivalry is the oldest, going back more than 50 years, even to the time when the Skyrockets wore black and gold.

The teams have remained together consistently in district line-ups, and in some years the confrontations were the liveliest in conference competition.

The Rocket-Irish game was originally played on the Friday nearest to Veterans Day, but for a number of its years scheduling has made this impossible.

The Rockets will be out to

take advantage of Shamrock's youth. Shamrock, on the other hand, points to the size of its players--a good number of 200-pounders.

Graduation took out some of Shamrock's most valuable talent and Coach Terry Smith opened the season with only 8 lettermen from last year's 6-4 team. Among these, 4 offensive and 4 defensive players, there remains some fine skill and the Irish in no way can be considered a pushover.

The Irish opened their district play with a 33-0 loss to Clarendon, but some of the pre-conference games they showed their strength by defeating Sanford-Fritch 6-0, and leading Wheeler until the final minutes when

the Mustangs made a touchdown to win 14-10.

The Irish have a good passer in Richie Tarbet, their 5-10, 155-pound quarterback who developed into a fine medium range passer during the last half of the 1981 season. Coach Smith has been cultivating Tarbet's throwing arm this year.

Shamrock's outstanding running back is Gilbert Salinas, a 5-9, 180 pound junior who was a two-way starter last season when he was the Irish leading tackler, but with more than usual speed. This year, a running back, he is the leading rusher.

Mike Gaither, the big tight end, 6-3, 208, is one of --See RIVALRY, page 2

the nation with as many of his Collingsworth County constituents as it is possible for him to contact.

At noon, Hightower will be taken to Wellington Livestock Commission Co., and for lunch he will have some of the hamburgers for which the Livestock Commission's lunch room is famous.

There again, he will talk with as many people as possible--this time carrying his discussions on a one to one basis with farmers and ranchers from a much larger

area than Collingsworth.

He also plans a visit to the court house and to Wellington business houses. It will be an opportunity for merchants and profession people to talk with their congressman about the economy as it is in his 13th District.

Hightower is expected to discuss with supporters critical issues of his campaign and to urge these supporters to get out and vote on General Election Day Tuesday, Nov. 2.

CAMPAIGN STAFF

David Sarpalius, a 4th grader at West Central Elementary in Hereford, had the day off from school Monday, so his dad, State Senate candidate Bill Sarpalius, put him to work on the campaign trail in Wellington.

Sept. 30 demand deposits were \$7.8 while the figure a year ago was \$10.4. For two years prior to that demand deposits were also in the \$10 million range, and around \$8 million for the two years before that.

Time deposits are another story. They also are at the highest level in banking history, \$34.6 million, up from \$5 million from the \$19.2 figure a year ago and up \$9 million from the time deposits two year ago. This is a sure indicator that Wellington area bank customers are putting their money to work making more money.

Time deposits in 1978 were \$19.2 million and in 1977 the figure was \$17.5. This category of deposits has almost doubled in the

Seal emphasized that the reception is for all constituents and he urged that Collingsworth people make an effort to contact their congressman on Thursday.

"Jack has a lot of support here. He has done a good job for our county and he has always been helpful. He is the most approachable congressman this district has had in many years, and most of all, he is a good, clean Christian man," Seal declared.

last 6 years.

Just as deposits rose, combined assets of the two banks rose, and on Sept. 30 were just under the \$50 million mark—\$49.3 million.

This is up almost \$4 million from combined assets of \$45.5 a year ago and up \$7 million from the 1980 figure of \$42.6. It combined assets have risen about \$12.5 million in the last three years.

Sept. 30, 1977 combined assets were \$29.2 million; in 1976 the figure was \$25.5 million.

Loans of the two banks are \$23.4 million.

The remainder of the interior line will average over 200 pounds per man.

The Friday night game is a do-or-die situation for the Irish who lost to Wellington 6-0 last year and are determined it won't happen again.

Coach James Williams is taking the games with a one-at-a-time attitude. "We're preparing for Shamrock just like any other team," he said.

Two bits of hard luck struck the Rockets, however, Mark Hunnicutt is hospitalized with pneumonia and probably will not be released, much less play, by Friday. He was sick at the Quana game last Friday night and went into the hospital Saturday morning.

Tickets will be given by participating merchants for merchandise purchased, but only the Saturday, Dec. 18 drawing will be held.

Details of this program will be announced, said Tommy Hudson, chamber president as plans were worked out Monday, Oct. 11.

the organization adopted by-laws and elected officers in November, 1981.

In the past eleven months, auxiliary members have volunteered over 2,000 hours of service time at the hospital in addition to fund raising projects.

"We've had great community support on our fund raisers, and without community support we couldn't do the things we've been doing for the hospital," Mrs. Wright said. "We are now accepting memorial donations and honorariums which will be used on upcoming projects and other projects are in the works as soon as funds are available."

Other auxiliary projects in the past year are new patio furniture; refurbished furni-

ture in the lobby, including a coffee cart and service; eleven chairs in patient rooms that make into beds for overnight stay by family members; two rocking chairs for use with small children; two walkers; and suction machines for use on surgery patients.

The auxiliary currently has 67 members. Dues are \$5 per year or \$125 for a lifetime membership. "We're accepting new members every month, and we encourage anyone who's interested or who would like more information to call a member," Mrs. Wright said.

One concerns mandated penalties for anyone drinking and driving; another would set up local alcohol rehabilitation centers; and a third would require educational training on problems of alcohol and drugs on the grade school level. Still another of his bills calls for increasing penalties for minors carrying false identification cards. This bill would also outline what an occupational drivers license is.

Sarpalius has been active on the Sunset Commission, made up of four senators, four members of the house and two from the public sector. It is currently investigating 33 state agencies. If these are to continue, a bill must be

passed during the next session.

Commissions included are Public Utilities, Railroad, State Insurance, all banking commissions. This will be a big issue.

Sarpalius will introduce a bill calling for a form of deregulation for the harvest seasons only of that portion of trucking industry that hauls perishable agriculture products.

Other bills will cover revamping the juvenile program, and leave up to the community itself how it wants to handle such issues as a child pornography.

Sarpalius, noting Collingsworth County's fine volunteer ambulance system, will introduce an EMS bill which would bring standards of the remainder of the state systems up to those in the Panhandle, and more specifically in the 31st District.

"We have not upgraded our standards for ambulances for 40 years, he said.

"You can legally run an ambulance out of the back of a pickup." His bill will also call for upgrading the standards for the training of drivers and attendants.

His bill would require the State Health Department to come out into the communities to give the training.

1st Baptist Plans Four-Day World Missions Conference

First Baptist Church will sponsor a World Missionary Conference from Sunday, Oct. 17, through Wednesday, Oct. 20, with missionaries serving on world, state and home levels as guest speakers.

Services will begin at 7:30 p.m. in the church sanctuary.

Speakers will be: Sunday morning: Mrs. Hattie Leach Welch, foreign missionary to Brazil.

Sunday evening: William Henry Colson, state missionary who serves as metropolitan superintendent in the Corpus Christi association.

Monday evening: Michael Dewayne Brown, home missionary, who is director of missions for Lakeland Baptist Association, Milwaukee, Wis.

Tuesday evening: Mrs. Ellen Cobbs Adkins, foreign missionary to Gaza.

Wednesday evening: T.O. Upshaw, state missionary.

Sixteen churches in the Panfork Baptist Association will be hosting missionaries.

"Southern Baptist support financially 3,059 foreign missionaries in 94

countries," said the Rev. Stanley Hughes, pastor.

"Besides foreign missionaries there are many home missionaries and state missionaries whom they support. A world missions conference is an opportunity to learn how missionaries live and serve. Everyone is invited to attend."

Sir Arthur Conan Doyle, author of the Sherlock Holmes sagas, supposedly modeled Holmes' assistant and friend, Dr. Watson, after himself.

Pastor Here Almost Half Century Ago Honored During Return Visit

The pastor of a Wellington church almost 50 years ago and his wife celebrated their 63rd wedding anniversary during a visit here Wednesday and Thursday, Oct. 6 and 7.

They are the Rev. and Mrs. B.H. Givens, now of Live Oak, Calif. They lived here while he was pastor of the Assembly of God from 1936 to 1941.

The couple were house guests of Mr. and Mrs. Troy Stallings who were hosts at the surprise anniversary party and supper Thursday evening.

A decorated cake was prepared. A gift of \$100.12 was presented to the couple.

Those attending were all of the members of the Assembly of God during Rev. Givens' pastorate, and who still attend that church.

They were Barbara and Ralph Hicks, Dovie Martin, Nell Poteet, Florence Tingle, Faye and Raymond Horton, Ruby Sanders, Delma Jesse, Rev. Raymond Vaughan and his daughter, Gwynn Lewis, both of Lubbock, Alton and Cleo Burkhalter of Childress, and Mr. and Mrs. Stallings, and the guests of honor. Pictures were made and much time was spent reminiscing.

Austin Harris called during the party.

In addition to his pastoral work, Rev. Givens served as Mayor of Live Oak.

During their Wellington visit, Rev. and Mrs. Givens saw much of the town and visited the present church. They also visited the small white wooden church located north of the railroad which served the congregation during their tenure here. It was later sold to another congregation and no longer is in use.

A biography of Rev. Givens and his work is being prepared in California and is due to be published in

REV. AND MRS. B.H. GIVENS

January 1983.

Rev. Givens will be 89 on his next birthday and is associate pastor of the Live Oak Assembly of God, of which he is a former pastor. Mrs. Givens is 82.

After going to California, he was pastor of several churches, including the Live Oak Assembly of God, for 8 years. The present pastor was one of his converts.

Rev. and Mrs. Givens, their daughter, Pauline, a granddaughter, Lynn and her children, Christian and Paul of Sacramento, Ca., are traveling in a motor home, and will visit in Oklahoma, Missouri and Kansas before returning to California about Nov. 1.

On Friday, Mr. and Mrs. Stallings took the Givens to Amarillo for a fellowship meeting and annual Christmas in October rally at South Lawn Assembly of God

Church.

Greeting them in Amarillo were Benny and Cleland Stallings, Rev. and Mrs. Eben Burkhalter, Rev. and Mrs. Eerie Burkhalter, who began their ministry under Rev. Givens in Wellington.

Later, the Stallings drove their guests to Pampa where they visited Kenny Stallings Chell and Amanda, and Mrs. Carrie Edwards of Shamrock.

They were joined by relatives, J.C. and Fern Daniels, and Frank and their children.

Those attending the fellowship meeting from the Wellington church were Mrs. Hicks and daughter Margie, Mrs. Jesse, Mrs. Rufe Benton, Mrs. Poteet, Janell Gilley and daughter, Terra, Mrs. Irene Loving, Mrs. Dovie Martin, and Mrs. Ruby Compton, and Mr. and Mrs. Stallings.

Garden Club Sees Slide Program of Eastern Canada

Wellington Garden Club met Wednesday, Oct. 6, in the home of Mrs. W.F. Harbin. Mrs. Joe Terry was co-hostess.

An announcement was made that the Wellington club will host the Northern Zone Garden Club meeting on Friday, Nov. 5, and plans were made for this.

Mrs. H.L. Jenkins presented the program, showing slides of scenes from Nova Scotia, Newfoundland, Prince Edward Island and other areas in Eastern Canada.

Mrs. Jenkins also opened the meeting by reading a prayer by Gail Brooks.

Mrs. Terry read the collect and members heard a letter of appreciation from Perry Foster, administrator of Collingsworth General Hospital for flowers the club set out in the hospital patio.

A new member Mrs. Dorothy McGuirk, was welcomed, and others present were Mrs. Annie Caison, Mrs. E.F. Bartlett, Mrs. Lois Ratliff, Mrs. Herbert Duncan, Mrs.

Florence DeArmond, Mrs. Russell Hill, Mrs. Jenkins, Mrs. Susie Crawford, Mrs. Ray Clubb, Mrs. Ruth Wyrick, Mrs. Charles Cason, Mrs. Chester Fires, and the hostesses Mrs. Harbin and Mrs. Terry.

PERSONAL

Mr. and Mrs. James Richardson were in Plano last weekend to visit their daughter and family, Mr. and Mrs. Gene Sweat and Michelle.

Mr. and Mrs. R.S. Montague, Jr., of Augusta, Ga., came Tuesday to visit with his sisters for the remainder of the week. They are Mrs. Jessie Bledsoe, Mrs. Marie Ball and Mrs. Hubert Leach. They are also visiting a niece, Mr. and Mrs. Leon McClendon and Kevin.

Mrs. Georgia Owens Honored By Her Church on 89th Birthday

BY WANDA CARDWELL

Sunday, Oct. 10 was Georgia Owens Day at the Church of the Nazarene in Dodson. The entire morning service was held in her honor, as she celebrated her 89th birthday.

Mrs. Ocie Lewis and Mrs. Claudia White, long-time friends, related many experiences from the past.

Kloette Camp, visiting here from Huntsville, sang "Oh, How I Love Jesus," while Mr. and Mrs. Arnice

Lewis sang "Yesterday."

Rev. Amos Meador of Borger, a former pastor at Dodson and a long-time friend, related the church activities Mrs. Owens had participated in since she had been a member of the church.

Rev. Meador stated that Mrs. Owens served on the church board for 50 years and was president of the Missionary Society 16 years. She was its first president.

She has taught every Sunday School class except

the one for the young people and the men's class. For 23 years, she served as secretary for the church.

Garland Hightower led the congregation in singing Mrs. Owens' favorite hymn, "What a Friend We Have in Jesus."

Rev. Dennis Hayes preached on Mrs. Owens' favorite scripture, the 23rd Psalm.

A dinner was served in her honor after church.

Visitors Sunday morning and at the dinner were Rev. Meador and Vernel Meador, Mr. and Mrs. Duard Luck, Mrs. T.E. Lennon, Mrs. Claudia White, Mr. and Mrs. Newell McDaniel and Mrs. Clarence Black, Miss Camp from Huntsville and Jeffery Camp from Texas Tech University.

The Mississippi is often called the Father of Waters because of its many branches.

PERSONAL

Mr. and Mrs. Mark McMillan and daughters, Donna and Paula of Oklahoma City visited over the weekend with Mr. and Mrs. Lee Kitchens. McMillan is Mrs. Kitchen's nephew. Mrs. McMillan, who has advanced degrees in bi-lingual education, teaches English, Spanish and French in Oklahoma City Schools. It was the family's first visit to Wellington.

Visiting Mr. and Mrs. Raymond Ford over the weekend were their children: Dwayne and Millynn Ford with Mauri, from Arlington; Dan Ford of Amarillo; and Ramona Hightower with Timothy of Dodson.

Mr. and Mrs. Monte Davis of Ft. Worth visited last weekend with her mother, Mrs. D.E. Fulton.

Stephen Horn, Lori Jennings Wed in Tulia Ceremony

Wedding vows were exchanged by Lori Gayle Jennings and Stephen Marshall Horn in a ceremony performed Saturday, October 2 at seven o'clock in the Central Church of Christ at Tulia. Jim Shewmaker, of Amarillo, uncle of the bride, officiated.

The bride is the daughter of Mr. and Mrs. Carl Jennings of Tulia, while the bridegroom is the son of Dr. and Mrs. Joe J. Horn, Plainview. He is also the grandson of Roy M. Horn, who attended the wedding and of the late Mrs. Horn.

Cathedral candelabras bearing ivory tapers, accented with salal foliage and polished English ivy, floor baskets of white gladiolas atop pedestals, and a unity candle table formed the setting for the ceremony.

Wedding selections were presented by His Image, a chorus from the church, which also provided background music for Pam Preston of Dallas, soloist.

Mr. Jennings gave his daughter in marriage.

The bride wore a formal gown of candlelight satin, designed with a Queen Anne neckline. Alencon lace appliques enhanced the bodice, extending from the empire waist onto the A-line skirt. A scalloped border of the lace encircled the hemline which swept to a full chapel train. Juliet sleeves were accented with matching lace appliques and clusters of seed pearls. She wore a candlelight derby enhanced with Alencon lace applique and seed pearls and trimmed at the back with a pouf of English

illusion. She carried a bouquet of white gladiolas.

Mrs. Fred Bush of Pampa was matron of honor. Other attendants were Mrs. Ken Kelley of Amarillo, Mrs. David Findley of Houston, Mrs. Randy McCall of Ft. Worth, Judy Kephart of Lubbock, and Laura Hendrickson of Dallas.

They wore floor length skirts of teal moire taffeta with ivory ruffled blouses of embroidered cotton voile. A magenta colored satin sash was tied in a bow at back.

Chantilly lace complimented the Victorian neckline and the long fitted sleeves.

They carried single stalks of magenta gladiolas.

Joe Mark Horn of Galveston was his brother's best man. Groomsmen were Randy Daniels of Arlington, Doug Sutter of Houston, Joe Miller of Canyon, Darrell Holley and Robert Carter both of Plainview.

Guests were seated by Jay Jennings of Abilene, brother of the bride, John Ledbetter of Summer, cousin of the groom, Pat Terrell of Plainview and Roy Salazar of Edinburg.

Kelli Shewmaker of Amarillo was flower girl and Corey Jennings of El Dorado, Ark. was ring bearer. Both are cousins of the bride.

Guests were registered by Holly Horn of Dallas, sister of the bridegroom, and Mrs. Paul Rousseau of Tulia.

After the wedding, Mr. and Mrs. Jennings were hosts at a reception in the church fellowship hall.

The bride's table was laid with a white floor length cloth with a sheer embossed

overlay. Sonia roses centered the table, which held the bride's cake and a silver punch bowl. Other appointments were of crystal and silver.

Guests were served by Cherisse Holley, Holly Horn of Dallas and Nancy Horn of Plano, both sisters of the bridegroom, Mrs. Doug Jordan and Mrs. Scott Burrow, both of Tulia.

The groom's table was covered with a draped floor-length ecru cloth with ecru lace overlay, crocheted by the bride's grandmother, Mrs. F.L. Montandon, Sr. A brass coffee service and brass appointments were used. Eucalyptus and foliage in a brass container complimented the table. Serving were Pam Preston and Jo Ann Peel of Dallas and Mrs. Ros Rousseau.

The bride is a graduate of Tulia High School and has a B.S. degree in speech pathology with an elementary endorsement from Abilene Christian University, where she was active in Ko Jo Kai Social club. She previously was a speech therapist in Corpus Christi and is presently with the law firm of Johnson and Swanson in Dallas.

The bridegroom is a graduate of Plainview High School and the University of Texas at Austin with a B.A. degree in zoology. He received his certificate in computer programming from Texas Institute in Dallas and he is presently working toward a master's degree in computer science at the University of Texas at Dallas. He is employed as a computer programmer with Omega Optical in Dallas, where the couple will make their home.

Microwave School Slated Oct. 18, 19 for Co. Women

The Collingsworth County Extension Service is sponsoring a microwave cooking school October 18 and 19 from 7 p.m. to 9 p.m. each evening.

Monday night's school will be held at the Farm Bureau Building with Tuesday night's school held at the Bura Handley Community Building, according to Nancy Bigby, extension agent.

Karen Burgess, Electric Living Consultant with West Texas Utilities Co., will be the instructor.

On Monday night she will be demonstrating complete meals in the microwave in a short period of time along with tips for using a microwave.

Tuesday night's program will cover holiday cooking in the microwave. It will

include baking as well as making candy.

Microwave recipes and information will be handed out each night along with the opportunity to sign up for a microwave correspondence course.

"Everyone interested in learning to use your microwave to it's full potential is invited to attend," said Miss Bigby.

"Also, if you are considering purchasing a microwave, this is an

excellent opportunity to learn more about what it can do."

For further information, women can contact Miss Bigby, county extension agent, at 447-2313.

Belles Lettres Opens Year Of Its Golden Anniversary

Belles Lettres Club met Tuesday, Oct. 5, to begin the new year--one that will mark the golden anniversary of the club's organization. Mrs. W.F. Harbin, Mrs. Charles Cason and Mrs. Dick Richards were hostesses for a salad luncheon in the Heritage Room.

Mrs. Bob Hightower gave the table grace.

Mrs. Richards is the new president.

Belles Lettres club was organized in 1933. It has operated continuously over the 50 years except for 5 years during World War II when no meetings were held.

Mrs. Cason read a poem, "The Soul, Like Nature, Has

Seasons, Too."

Members told pleasant memories from their childhood.

Mrs. Harbin gave the treasurer's report for the past year and passed the books to the new treasurer, Mrs. Bryan Denley.

Mrs. Richards read a poem about yearbooks, then distributed the new Belles Lettres yearbooks.

Those present were Mrs. Earl Alexander, Mrs. E.F. Bartlett, Mrs. A.B. Clark, Mrs. Denley, Mrs. Hightower, Mrs. F.A. Hatch, Mrs. Howard Riggs, Mrs. Fletcher White and the hostesses, Mrs. Harbin, Mrs. Cason and Mrs. Richards.

Mrs. Forbis Hosts Club

Mrs. John Eron Forbis was hostess to the Fresno Extension Homemakers Club Tuesday, Oct. 5.

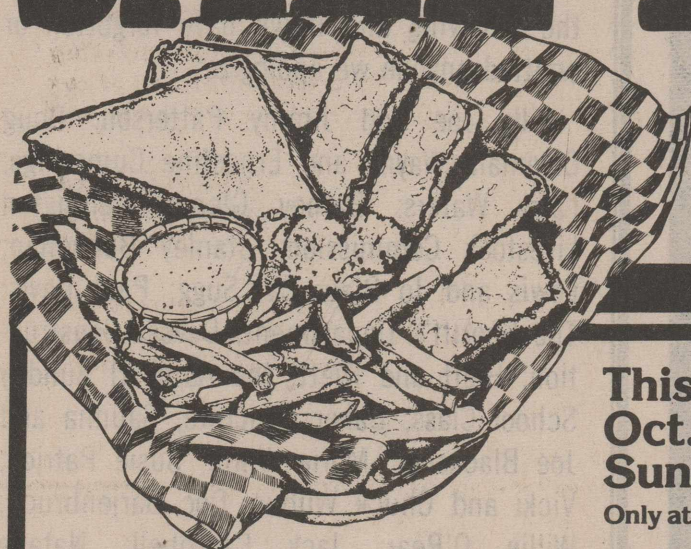

This was a planning meeting for the coming year's work. The group meets on the first and third Tuesdays of each month.

Present were Mrs. J.B. Killian, Miss Nancy Bigby, the Home Extension agent, Miss Inez Clement, Miss Mabel Clement, and Mrs. Forbis.

Mrs. Killian will be the hostess on Oct. 19.

COLLINGSWORTH COUNTY EXTENSION AGENT REPORT

by Nancy Bigby

EAT LIGHTER AT SNACK TIME

Eat lighter at snack time if old snack favorites have lost their appeal.

Low-calorie cheeses, along with raw fruits and vegetables, pack a lot of nutrition. They are delicious as light, sparkling "anytime snacks."

Plan snacking menus around low-calorie dairy products and seasonal fruits.

Low-calorie dairy products include cottage and ricotta cheese along with low-fat yogurt.

Dairy products are our leading source of calcium which is needed for bones and teeth.

They also offer high-quality protein, riboflavin and many other nutrients.

Fruits are valuable chiefly because of the vitamins and minerals they contain. They're also an abundant source of fiber.

Summer fruits include

strawberries, a rich source of vitamin C needed for healthy gums and body tissue.

Apricots are rich in vitamin A need for growth, normal vision and healthy skin.

Other nutritious summer-time fruits include melons, peaches, plums and nectarines.

And, of course, don't overlook grapes, now available almost year round.

Winter fruits include all citrus favorites and the ever-faithful banana.

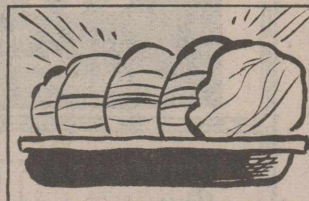

Apples are plentiful and high quality this time of year.

And don't forget the variety of canned fruits—peaches, pineapple, apricots and mixed fruits.

If packed in heavy syrup, just pour off the syrup and use in fruit punches for active children of normal weight.

All these foods are NATURALLY NUTRITIOUS!!!

So remember, highlight snack menus with seasonal fruits and low-calorie dairy products for something nutritious, light and delightfully different.

Roasted meats should be cooked for the shortest time possible, at the lowest temperature, to retain the maximum amount of thiamine. The one very important exception to this rule is, of course, roast pork, which always must be cooked until no pink meat remains.

Kathy Scott, David Aldridge Repeat Vows in Ceremony

Kathy Scott of Arlington and David Aldridge of Richardson were married in Northside Baptist Church at Weatherford Saturday, September 18, at one o'clock in the afternoon. The Reverend Jack Vereen was the officiant.

The bride is the daughter of Mr. and Mrs. Ocie L. Scott of 1509 East Avenue, while the bridegroom's parents are Mr. and Mrs. Homer Aldridge of McDaniels, Kentucky.

An arched brass candelabra with white votive candles, entwined with greenery was centered at the front of the altar. A spiral candelabrum was at each side.

Wedding music was presented by Mrs. Norman Allen, organist.

The bride wore a gown of ivory English net over satin made in Victorian style. The

MR. AND MRS. DAVID ALDRIDGE

deep V neckline was covered with a sheer net overlay. Embroidered lace enhanced the standing collar and bodice, as well as the cuffs of the long full net sleeves.

The full skirt fell from an empire waist and had a deep embroidered border at the hemline. Satin ribbon encircled her waist.

The bride's bouquet was a cascade of silk orchids with assorted flowers in tones of rust and peach, tied with streamers of peach and ivory lace.

Susan Peters of Crowell was the maid of honor. She wore a floor length gown of peach taffeta. The softly gathered skirt fell from a raised waistline, which had a softly gathered cummerbund. The bodice was designed with a scooped neckline and large puffed sleeves. She carried a colonial bouquet of roses, dogwood and lilies in shades of peach and rust, tied with peach lace streamers.

William Conrad of Richardson was the bridegroom's best man. Ushers were Rand Franjan of Houston and Desmond McCutchen of Weatherford, nephew of the bride.

After the ceremony a reception in the home of Mr. and Mrs. Bobby McCutchen of Weatherford, the bride's sister and brother-in-law, honored the couple.

The bride's table was covered with an ecru lace cloth. The centerpiece was a bridal cake topped with peach and rust flowers, while the bouquets of the bride and maid of honor were at the sides.

Dana Sanford of Ft. Worth cut the wedding cake and Gladys Koetter of Joshua poured.

Later the couple left on their wedding trip to New Orleans. They are now at home in Richardson.

The bride is a graduate of Wellington High School and received the Bachelor of Arts degree from West Texas State University. She is now working toward her master's degree at the University of Texas in Arlington and is employed by Sabine Corp. in Dallas.

The groom is a civil engineer and is employed by Texas Instruments in Dallas. He is also working toward an advanced degree.

Mr. and Mrs. Scott attended the ceremony.

WM Council Reactivated

The Women's Missionary Council of the Assembly of God has been reactivated, and meetings will be held each Tuesday evening at 6:30 p.m. in the church annex.

Members will do quilting for the public as a fund-raising project, and do other work.

A box for the needy will be placed in the annex and those attending will bring some item, such as a can of food, a bar of soap, or some other necessary item, each time she attends a WMC meeting. Help will be given to the needy from these donations.

Officers were elected, and those wanting additional information on the work may contact one of them: president, Mrs. Barbara Hicks, 7-5720; vice-president, Mrs. Delma Jesse, 7-2044; and secretary, Mrs. Myrtle Stallings, 7-2257.

Choose Well Balanced Clothes

One secret to choosing a well-balanced yet striking wardrobe is to learn what colors enhance your skin and hair tones and look best on you. Color should draw attention to your face and make it appear brighter. To find your best colors, try holding different swatches of fabric against your neckline. Opinions of friends may also be helpful in deciding what colors look best on you, the specialist says.

Thank you!

Now that we are settled in our new home, we would like to take the time to express our appreciation to everyone who has helped us in so many ways in our time of need.

We would like to thank the Fire Department, especially Jeff Langford, for getting here so fast. The food and clothes that were offered were greatly appreciated.

It is impossible to express a "special thank you" to everyone! There were so many who helped us. Your moral support helped us through a very hard time. It is at a time like this that you realize how many good friends you have. The love of a small town is something to treasure. We will be grateful forever.

We want to extend a special thanks to the following and if we have forgotten or omitted anyone we apologize:

Billy Joe and Jimmy Patterson; Doug Coleman; Wayne and Ernestine Cummings; Larry Waters; Barney Glenn; Wellington Livestock Commission; Stanley Buchanan; Lewis and Jo Blau; Cal Sugg; Paul Davis; The Sheriff's Department; Devoss Construction; Hiatt and Hiatt; the Adult II Sunday School Class; Baker Concrete; Saunna and Joe Blacksher; Marie White; Susie Patrick; Vicki and Chuck Wilbur; Doc Barjenbruch; Willie O'Rear; Jack Campbell; Natalie Holland and Granny and Papa.

We love you all,

137 See Soil, Crop Projects

One hundred and thirty-seven farmers, business men and ag students participated in the annual Soil and Crops tour Wednesday, Oct. 6.

Three of the 5 stops were to see cotton variety tests, each planted at a different date, in different type soil.

The effect of stress from the summer drouth was observed, as well as the effect of heavy rains that delayed planting for up to a month.

One other stop was a grass management program on the farm belonging to Mrs. Oscar Ketchum of Los Angeles, located in Lillie community; and the 5th was a grain sorghum variety test on land operated by Benny Carson at Marella.

Mrs. Ketchum's project was in co-operation with Salt Fork Soil and Water Conservation District; the others were by the North-west Texas Research Demonstration Program, joint effort of the Extension Service and Texas A&M Experiment Station.

Birkey's cotton variety demonstration west of Quail was the original early June planting on this farm. Later in the tour, Troy Gene Thomason's cotton showed the results of different planting dates in different type soil.

The last stop, David Caison's cotton, was the only May cotton to be included in this year's plots. Planted in skip-row pattern, it is located on the H.C. Templeton farm just south of the Fred Cox Addition.

Cotton Demonstrations on Dan Langford's and Henry Langford's farm were of still different planting dates and soil types, but time limitation prevented stops there.

Carson's grain sorghum test included approximately 10 varieties, from which the best variety in total yields is being sought. It included those varieties that will stand up after hard frosts. Both yellow endosperm and red endosperm were included.

"We like to plant these side by side and let people look at them and decide for themselves what they want," said Extension Agent Don Reeves.

The SCS project showed old farm land planted to weeping love grass. Part was seeded, part grazed and part hayed, explains Tommy Powell, SCS conservationist.

The water system is located in the middle of the farm so the various pastures can be rotated.

"The way they are handling it makes it a real well managed place," said Reeves.

The tour ended with a barbecue at Ellison Park, hosted by Collingsworth County Farm Bureau and the Wellington State Bank. Wellington Schools provided bus transportation and vocational ag classes from both Wellington ad and Samnorwood participated.

Out of county visitors were Sue Farris, and Paul Gross, both district extension directors; Dr. Carl Patrick, area entomologist; Dr. Frank Petr, extension agronomist; and Ronald Gooch, Donley County extension agent.

Tourney Winners

Sunday, Oct. 3, the Willow Creek Women's Golf Association sponsored its third annual Guys and Dolls Tournament.

Thirty-two teams came from area towns including Childress, Memphis, McLean, Stinnett, Claude, and Muleshoe.

Gary Cox and Jean Hassell of Childress took first place in the first flight with 68.

Gary and Linda Brewer were 2nd, with 69; Joe Bob Browning and Linda Foxhall of Memphis, 3rd with 70.

In the second flight, Mark and Virginia Williams were 1st with 73; Charles and Nelda Rogers of Childress 2nd with 74; and Wayne and Patsy Martin, 3rd with 74, in a tie breaker.

In the 3rd flight, three teams tied with 80, all ties were broken by matching cards. James Goff and Debra Hargraves of Childress were 1st, Johnny and Joyce Haynes of McLean 2nd; and Dick and Margaret Pendleton, 3rd.

More couples wanted to play in this tournament than could be accepted. Three were turned down Sunday morning.

Three teams teed off on each hole with another three teams immediately behind on holes No. 1 and No. 8.

Play started at 1:30 p.m. in perfect weather, and ended in at 7:30 in weather just as perfect.

It is the last tournament of the season on Wellington Country Club Golf Course. After everyone was back at the club house, a catered barbecue dinner was served which included beef and sausage, pinto beans, cole slaw, potato salad and all the other trimmings.

"DON'T BURN"

Winners in the annual Fire Prevention Week poster contest for Elementary School hold their posters. At back from left are: Frederic Schmidt, Bryan Black and Scott Covey; middle row: Lupe Arreola, Wiley Fires and Mendi Watts; front row: Amber Ford, Rachel Garcia and Cody Martin.

Farmers-Ranchers for White Campaign in 7 Texas Cities

Doug Seal, Democratic County Chairman, was in a group supporting Mark White for Governor of Texas early this month.

"We need to have 'Farmers and Ranchers Committee for Mark White' and get out and set the woods on fire," he remarked casually--and went on to other things--not dreaming the idea would make contact with from 2½ to 3 million Texans.

Others in the group liked the idea and went to work on it.

"We picked Oct. 4 and 5 for the trip through Texas. The 5th was the day (Gov.) Clements talked with President Reagan and we didn't want them to grab all the headlines," Seal declares.

Setting the woods on fire meant lining up TV, radio and print media people, contacting Mark White

supporters and getting farmers and ranchers concerned about their future.

The committee flew out of Amarillo carrying Seal, Ralph Sides of Childress who is on the national board of Farmland Industries; Bob Armstrong, Democratic nominee for Land Commissioner; Ralph Roming; Joe Rankin, Texas Farmers Union vice president; Steve Carreker of Roby, nominee for state representative who has been involved in Texas agricultural problems for several years.

Stops the first day were in Lubbock, Abilene, Midland, San Angelo, and Austin, where they spent the night. Representative Dan Kubiak (Mr. Gasohol) replaced Armstrong there.

This was a strategic stop. "What happens in Austin is covered all over the state," Seal points out.

The second day saw the men in Fort Worth, and Wichita Falls, before returning home.

Lions to Sweep You Off Your Feet Friday

Wellington Lions Club will hold its annual broom sale on the courthouse lawn Friday, Oct. 15.

The sale begins at 8 a.m. and continues through 5 p.m. The sale day has been on Saturday in the past and Lions have changed the day to Friday in hopes of reaching more customers.

In addition to brooms, mops and many other kitchen and household items will be available.

All proceeds benefit Lions Club projects.

From one to four television crews, along with radio and newspaper reporters and photographers covered the Farmers and Ranchers Committee at every stop. "We tried to educate the farmers and ranchers in some facts," Seal said.

Mark White staff members believe the farmer-rancher tour reached between 2½ to 3 million people.

Seal declares he enjoyed every minute of it.

By the same token, he denies any political ambitions.

"I don't have ambitions any farther than the county line," he declares emphatically.

Poster Winners Announced

Wellington Elementary School students observed Fire Prevention Week by making posters with a theme: "Learn Not to Burn Wherever You Are."

Winners were announced by Melvin Cardwell, principal.

In kindergarten and first grade, Rachel Garcia's poster was judged 1st place winner, Cody Martin 2nd; and Amber Ford 3rd.

Lupe Arreola was first place winner in the 2nd and 3rd grade group, Mendi Watts 2nd and Bryan Black 3rd.

Frederic Schmidt placed 1st in the 4th and 5th grade group, Scott Covey 2nd and Wylie Fires 3rd.

The contest was sponsored by Wellington Volunteer

Fire Department, and a winner and runner up will also be selected to be entered in the district contest sponsored by the Panhandle Firemen's Association in Amarillo. The winner of that event will compete on the state level.

Classroom Teachers Assn. Organized Here

Wellington school teachers organized a Wellington Classroom Teachers Association last week.

The organization will have no state or national affiliations.

The group will meet on the first Wednesday of every month.

Officers elected at the organizational meeting were Lennie Morgan, president; Shelly Sanders, secretary-treasurer; and building representatives: Gay McAlister, high school; Barbara Bartlett, junior high; and Frankie Campbell, elementary.

Wellington Florists Attend Schools

Alliene Shanks and Peggy Hendrix of Wellington Florist have attended several design schools recently.

Mrs. Shanks attended the Mid-West Texas Design school and Trade Fair in Abilene, Mrs. Hendrix attended the Tall in Texas Design School in Amarillo, and both attended the Fall and Christmas Design School in Lubbock.

Autumn and holiday decorations and arrangements were featured at the seminars.

NOTICE

IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record. The fact that you can smell natural gas is because we add a harmless chemical to it as a safety feature. Otherwise, it would be completely odorless.

If you are outdoors and smell gas, call your local Lone Star Gas office.

If you are indoors and detect faint whiffs of what you think may be gas, investigate. It may be that a pilot light has gone out or a burner valve has been left partially open. These are corrective steps you can take yourself.

If your equipment seems to be working properly and the odor persists or intensifies, please follow these precautions:

1. Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

County Business Firms To Get Disaster Loans

Collingsworth is one of 68 counties in Texas to receive an economic injury designation which enables a small non-farm businesses to be eligible for disaster loans as a result of hail, rain and high winds June 18 through June 25.

County Judge Zook Thomas received notice of the designation from Robert A. Lunsford, state coordinator

of the Division of Emergency Management, Texas Department of Public Safety.

Funding is through the Small Business Administration.

The effective date was Sept. 24, according to word received by Governor Bill Clements, who had requested the economic energy

designation for the area on Sept. 14.

All counties in this area are included in the designation.

Application for loans will be accepted locally from eligible businesses or firms until the close of business June 23, 1983, according to information received by Judge Thomas.

Absent Voting Under Way

Absentee voting for the Nov. 2 General Election began Wednesday, Oct. 13, and will run through Friday, Oct. 29.

Helen Gollighugh, county clerk, announced that her office will be open during the noon hour each week day, but it will be closed on Saturday and Sunday during absentee voting.

Any qualified voter of the State of Texas may vote absentee if he expects to be absent from the county of his residence on election day; who will be 65 years or older on election day; or who because of sickness, physical disability or confinement in jail or because of religious belief cannot appear at the polling place on election day.

Absentee voting is conducted by two methods:

(1) Voting by personal appearance in the county clerk's office.

(2) Voting by mail.

Those voting by mail will mail an application for a ballot to the county clerk.

The clerk will mail the ballot to the person requesting it, who vote the ballot and mail it back to the clerk. If it is returned in any other manner, it shall be void and not counted.

The application for an absentee ballot to be voted by mail shall state the applicant's permanent address and the address to which the absentee ballot is to be mailed.

Qualified voters who, after the beginning of the period for absentee voting, apply for an absentee ballot on the ground of expected absence from the county, and who are absent from the county when they apply for the ballot and who expect to be absent from the county during the clerk's regular office hours for the remainder of the absentee voting period, must state this in his application.

The envelope containing the application for ballot must be postmarked outside the county.

The ballot must be mailed

to the voter at a point outside the county.

Qualified voters may make application for an absentee ballot up to 60 days before absentee voting begins, but the ballot will not be mailed to the voter until after the absentee voting period starts.

A voter who becomes ill or suffers a physical disability 5 days or less before election day and will be unable to come to the polls may vote absentee in this way: He shall make a written request signed by him or signed by a witness at the voter's direction, and the witness shall present it at the clerk's office. The clerk will send the voter a ballot by the person presenting the request.

The voter may select any person 18 years of age or older who is not a relative to present the request for a ballot or to deliver the marked ballot back to the clerk.

Williams, Player Of the Week

BY KENNETH W. TIDMORE

Charge!

No, that's not the sound of the U.S. Cavalry nor is it some frenzied woman racing into a dress sale at Dillard's. It is what Wellington's Wade Williams did last Friday night in leading his team to a come-from-behind 19-14 grid win over Quanah.

Trailing 14-13 with 1:10 left in the game and 85 yards from paydirt, Williams took control and charged his Skyrockets down the field. The senior quarterback—cornerback sailed his 'Rockets into the end zone on three passes including the TD toss to Dwayne Culpepper which covered 26 yards and gave Wellington the win with 11 seconds left in the game.

Williams' efforts earned him the Globe-News Class 2A honor as player of the week. Williams won this award the second week of last season also.

The 5-11, 155 pounder did even more. Williams connected on 9 of 16 passes for 259 yards and two TDs. His first TD pass was a 47-yarder to Culpepper with no time left on the clock to knot the score at 7-all at the halftime break.

Wellington went up 13-7 in the third quarter when a 25-yard pass from Williams set up the go-ahead TD at Quanah 2-yard line. Williams also intercepted one pass and was in on five tackles defensively.

'He's (Williams) been running better than pass-

at a formal or informal gathering.

The girls viewed an album of place settings and learned how to fold napkins seven ways. Sheets of these and other information, prepared by Nancy Bigby, extension agent, were given to the girls present.

They had a discussion of tableware and food service etiquette according to Emily Post. This was brought by their leader, Mrs. Richard Fourmentin.

The girls then started filling out their project sheets.

Refreshments were served by Leslie Birkey and Mrs. John Birkey and Julie Caldwell and Mrs. Harold Caldwell to Leandra Hartman, Patricia Fourmentin and Mrs. Fourmentin.

The next meeting is scheduled for November 12.

Mary Ann Lowe 7th in National OTRA Standing

Mary Ann Lowe, who has probably entered more barrel races than any other woman rider still active in the county, has been ranked 7th in barrels in her age group in the nation by the National Old Timers Rodeo Association.

Mrs. Lowe, wife of Bill Lowe, rides in the class for women 50 years and over, and one must be at least 40 years of age to be eligible for membership. She is the only Texan in her class.

She rides Leo's Road Runner, and has competed in the national contest for three years.

The National Old Timers Rodeo Association will hold its annual meeting at the Amarillo Civic Center October 26 to 30, the first time it has gone outside Las Vegas, Nevada.

"We'd like to have lots of Collingsworth County people in Amarillo to see the contest and give it their backing," she said.

Mrs. Lowe was rated 7th by winning either second or third in four qualifying races, at Beaver, Ok., Canadian, Wichita, Kansas and Gallup, N.M. The Amarillo event will have no bearing on her standing.

MARY ANN AND ROAD RUNNER

She will also compete in the West Texas Barrel Racers Association point race at Slaton this weekend. She will be riding Abe,

which is usually ridden by Bill Lowe and is a third generation horse bred by the Lowes. Earlier she competed at Abilene.

New EMT Class Starts in November

A new Emergency Medical Technicians class will start in mid-November,

according to Marshall Peters, president of Collingsworth Volunteer Ambulance Service.

This is a 120 hour class, and Peters urges all those interested to give it serious consideration.

"We do need some new ambulance service volunteers, and if you are interested and want to take the training, this will be a good time to do it," he pointed out.

Peters said the location will be announced later, but classes will probably be on Tuesday and Thursday nights, three hours in length.

The State Department of Health now gives four-year certification to those who successfully complete the course, Peters said. Formerly certification was for two years.

4-H Steers Go To State Fair

Five 4-H Beef Club members will take fat calves to the 1982 Fair of Texas, County Extension Agent Don Reeves announced.

These include Stan Tate, son of Mr. and Mrs. Rudie Tate, Barry Long and Brad Long, sons of Mr. and Mrs. Benson Long; Stacy Fires, daughter of Dr. and Mrs. Mark Fires; and Patricia Fourmentin, daughter of Mr. and Mrs. Richard Fourmentin.

The group will go to Dallas Sunday and return Friday.

The steers will be sifted Tuesday and shown Wednesday.

The sale will be held Friday.

Reeves and several of the parents will accompany the group.

Clarks Visit Oregon Relatives

Mr. and Mrs. Loyd Clark have returned from a week's visit with relatives in Oregon.

At Camby, they were guests of her son and family, Mr. and Mrs. George Tipton and their 8-year-old daughter, Amy.

They took the Clarks on to the west coast, where they visited in Lincoln City. Their next stop was at Marion, Oregon, where they visited his sister and brother-in-law, Juanita and Boley Kincheloe. The former Juanita Clark, she grew up

FARM BUREAU OFFICERS

Serving Collingsworth County Farm Bureau during the coming year will be Reed Souder, secretary-treasurer; Jerry Lewis, 1st vice-president; Benton Wauer, president; and Denzil Lacy, 2nd vice-president.

FB Elects Benton Wauer

Collingsworth County Farm Bureau members passed 21 resolutions most relating to the government farm program, and is preparing to forward them to the resolutions committee of the Texas Farm Bureau for action at its state convention which begins Nov. 28.

As this was a working convention, county FB members then elected officers for the coming year.

Benton Wauer was elected president to succeed Mike Hughes. Jerry Lewis is first vice president; Denzil Lacy, second vice president and Reed Souder secretary-treasurer.

Directors for the south section of the county are John Scott, George Barton and Gary Killian; north: Steve Emmert, Harold Scott and Dee Coleman; west: Mike Williams, Elvis Pitts and Ronnie Hartman; east: Lynn Emmert, Pat Gulley and Danny Davis. Hughes is director at large.

In a resolution introduced from the floor, members approved legislation that would allow counties and school district to pass local option sales taxes on taxable goods sold in the county.

Members passed a resolution asking that all farm programs be phased out, and another that if they are not, the programs should include mandatory production controls. Others are that farm program announcements be made early enough in the year for producers to make necessary management decisions. Loan levels, target prices and disaster payments be high enough to guarantee producers production costs plus a reasonable profit.

They supported the Commodity Credit Corporation, which sets the floor on the loan rates, and urged that Farm Bureau work with, but not join, all other farm organizations to develop a broad based farm program.

In other resolutions, members asked that Federal

Crop Insurance be abolished, and disaster provisions of the 1973 farm program be reinstated, or if this is not done, that the ASCS handle the insurance program, using county average yields as the insurance base.

Recommended a marketing system for wheat, feed grain and cotton similar to those for tobacco, dairy products and peanuts.

Urged cotton classing by instruments and supported amendments to bankruptcy laws to guarantee rights of producers holding warehouse receipts compress tickets and other title to stored commodities.

Urged every effort to

expand agricultural exports, and that the State Department encourage agricultural export trade.

Opposed embargoes on agricultural commodities.

That grain exports sell clean grain so the buyers will know what they are getting.

A minimum price law similar to the minimum wage law.

That State SCS committee members must have served on county committees and be elected by farm operators.

It was announced that Collingsworth County Farm Bureau membership remains above the 600 mark.

All of the children and several grandchildren attended the anniversary dinner.

Some New Street Signs Say "Stop"

New street markers leading onto the courthouse square say: "Stop!"

This comes as a surprise to many drivers. A few days ago the signs directed drivers to "Yield."

It is part of the new street marker program begun by the city during the summer, which will finally mean new markers at all street intersections.

Some intersections, like those at the four corners of the square, have been changed from "Yield," or no sign at all, to "Stop."

Pioneer HiBred Announces New Scholarships

Beginning in the fall of 1983, the Southwestern Division of Pioneer Hi-Bred International, Inc., will initiate a new scholarship program to benefit farm youth in Texas, Oklahoma and New Mexico. Through the scholarship program, Pioneer will award six four-year scholarships annually to FFA and 4-H members in the three states.

High school seniors who receive the \$4,000 scholarships will be awarded \$1,000 each year for the four years they attend college. By the fall of 1986, when the scholarship program is fully implemented, the Southwestern Division of Pioneer will be awarding \$24,000 annually toward college educations for outstanding FFA and 4-H members.

The announcement of the new scholarship program was made by Jim Lindsey, president of the Southwestern Division of Pioneer.

Card of Thanks

We extend deep appreciation to all our friends who did so much for us during our recent bereavement. The words of sympathy, the visits, the flowers and food were deeply appreciated.

The family of
Mrs. Edna Maxwell

We wish to express our sincere appreciation to all those who have been so thoughtful during Velman's illness.

For the lovely flowers, cards, visits, the many prayers offered in his behalf, and to Nita White of Childress who opened her home to the family, we are truly grateful.

May God bless each of you.
Velman and Dora Fern Warrick

We would like to take this opportunity to thank each one of you who remembered us in prayer while waiting for Matthew's arrival. Without the many prayers offered in our behalf, we would never have received such a miraculous gift from God. May He bless you as richly as He has blessed us.

ROCKET ACTION

Dewayne Curry, 20, sidesteps a Quanah tackler as Chad Holland, 70, helps out for the Rockets.

Skyrocket JV Scalps Indians

After starting a little slow, the Skyrocket Junior Varsity defeated Quanah Indians JV 22-14 at Powell Field Thursday, Oct. 7. When the evening ended, Coach Allen Sanders called it "One heck of a good game."

Two fumbles in quick succession at the beginning of the game postponed

Rocket momentum during the first half, but allowed Quanah to score late in the first quarter on a two yard run.

With 6:34 left in the third period, Rocket Jimmy Barber made a 13 yard run for the first Wellington score, then Joe Bill Munn kicked the extra point.

Also in the third, Quanah had a bad snap and Chuck Brown made a 37 yard sprint for a goal and the Rockets second TD. The try for extra points was good and the quarter ended with the Rockets leading 15-6.

Brown scored again in the fourth on a 9 yard run set up by an interception by Barber. Again Munn kicked the extra point.

Quanah's final touchdown came on a 30 yard pass in the fourth quarter on the only offense Indians had during the second half, and the game ended 22-14.

"We started slow but then came back and generated some good offense and got everything going our way," said Coach Sanders.

"We played sound ball all across the line," he added. He praised Jamie McKay, who started in quarterback position for the first time. Joe Bill Munn moved to halfback and won his share of the praise.

The JV travels to Shamrock Thursday, Oct.

14, for a meeting with the Irish JV. This is the second time around for the JV district, and the Wellington boys will be looking for a repeat of their 27-0 victory here Sept. 16.

"We understand they have moved two starters up to the varsity, but we don't know if they will be as strong as they were the first time," said Sanders.

"Everyone is looking for a good game. Everyone's putting it together."

Rockets Win 19-14 Thriller

Wellington Skyrockets staged a Dallas-Cowboy-style come-from-behind rally in the game's closing seconds to win the district opener with Quanah 19-14.

The Quanah Indians had come from behind in the fourth quarter to post a 45-yard touchdown pass and extra-point kick that put the score at 14-13 Quanah with 8:03 to play.

The Rockets couldn't move the ball and punted it back to Quanah with 6:29 to play.

Quanah began a 14-play drive that ate up over 5 minutes on the clock and turned the ball over to the Rockets on the Wellington 26 yard line with 1:10 to play, after fine defensive effort by Darvin Nix, Ricky Martinez and Otis Lewis dropped the Quanah quarterback for a loss on a fourth and four situation.

74 yards to go and one minute and 10 seconds to get there.

The Rockets dropped the first play with no gain and the clock down to 43 seconds. Then quarterback Wade Williams hit Dwayne

Culpepper for a 20-yard passing gain, 34 seconds to play. Williams passed to Darren Hall for another 20.

27 seconds to play, the Rockets on the Quanah 27 yard line. Williams connects to Culpepper who grabs the ball and crosses the goal line with 11 seconds to play in the game. The extra-point run fell shy and the Rockets had a 19-14 victory before a stunned Quanah and incredulous Wellington crowd.

It was a razzle-dazzle game throughout.

Quanah scored on their first possession with a 35-yard pass from quarterback Robby Harris to speedster Skipper Hodo. Leonard Love's extra-point kick made it 7-0. (The same combination, a 45-yarder, accounted for Quanah's other 7 points.

The Rockets didn't score until the closing seconds of the first half. Wade Williams intercepted a Quanah pass at the Rocket 22 yard line with 26 seconds to play. The first play netted the Rockets 3 yards on the ground. Then Wade Wil-

liams lofted a pass and Rosendo Villanueva hauled it in at the right sideline for a 28 yard gain.

With 11 seconds to play in the half, Williams was almost surrounded by Quanah linemen, got loose and fired to the short man, Culpepper, who took off down the left sideline, side-stepped one tackler, headed inside and outran 3 Indians into the end zone after time had run out on the clock. The extra-point kick made it a 7-7 on their initial
