

Palace Drug Gets New Face

This new front is part of a remodeling program just recently completed by B.H. Dennard, owner of the local firm. Interior improvements were made also - a new heating and lighting system was installed, thus making this building an asset to any community.

Rising Star Girls
Slip By Gorman

The Rising Star Wildcat girls evened their district record to 1-1 as they beat the Gorman girls 45-40 on a fine final quarter which saw them behind six points going into it. Pam Hill led with 28 points as Jeanne Housel hit 9 and Laurie Hill 8. Katrina Linney and Kaycee Rutherford filled in for Pam Hill and did a fine job as it was late in the final quarter. Guards Carolyn Bessent, Vicki Elliott, Pam Hunt did a fine job also and Jenny Walker and Dianna Linney helped in Elliott's spot as she fouled out also in the crucial closing moments of the game. The girls upped their record to 15-6.

The boys fell 77-57 as they fell to 0-2 in district and 2-14 on the year. Mark Griffin lead the Cats with 15 as Robert Underwood landed 12 points and Mackey Elliott and Kevin Rust 10 apiece.

Elsewhere in the district,

Carbon boys beat Moran 45-44 and Moran took the girls game. In the standings, Gorman and Putnam lead the boys at 1-0 with Carbon and Moran at 1-1, with the Cats at 0-2. In the girls, Moran leads at 2-0, with our girls a close second at 1-1 and Gorman and Carbon 0-1.

This Monday we travel to Bangs for a Non-District contest and hit Carbon here in District play.

In football, the North won the American Bowl 21-14, Hula Bowl 16-0, and also the Senior Bowl 42-28, in an exciting game over the South in a clean sweep.

At one o'clock Sunday, the Cowboys load up Staubach or in other words the 12 gauge against the Steel Curtain (Dallas vs. Pittsburgh) in Super Bowl X to see who bends first. It will be a wild one! Who's gonna be the Bicentennial Super Champs??

U.S.D.A. To
Authorize Peanut
Transfers

The United States Department of Agriculture (USDA) has announced that the Eastland County Committee of the Agricultural Stabilization and Conservation Service (ASCS) may begin approving transfers of peanut acreage for the 1976 crop year. An earlier announcement had prohibited the ASCS County Committee from approving such transfers citing that changes in the peanut program are under consideration by the peanut industry which may lead to new peanut legislation.

The ASCS County Committee has been instructed to notify parties involved in the transfer that in the event Congress changes

the present law, the acreage transferred may be different. No time-table was given as to when any change could be expected.

Peanut transfers, which the announcement authorizes, may be transferred within the same county by lease, sale, or owner transfers. Peanut acreages are transferred on a poundage basis with adjustments made for differences in productivity of the farms involved.

The authorization by USDA to allow peanut transfers also authorized the reapportionment of peanut acreage released to the ASCS County Committee. USDA had previously denied the reapportionment of released peanut acreage citing the same reasons as for prohibiting the transfer of peanut acreage.

C.J.C. Registration
Underway

Registration for the spring semester at Cisco Junior College will begin on Wednesday, January 14, at 8:30 a.m. in the Student Union Building at CJC and will continue through Friday, January 16, Registrar Olin Odom III has announced.

Mr. Odom said that returning students would register alphabetically, and that each one has been assigned one of six different registration times to report. Those whose last names begin with the letters A, B, and C, will report on Wednesday at 8:30 a.m., the D, E, F, G, and H's will come at 1:00 p.m. on the same day; the I, J, K, L, and M's on Thursday at 8:30; the N,

O, P, Q, R, and S group at 1:00 p.m. Thursday; the T, U, V, W, X, Y, and Z's on Friday at 8:30 a.m. and registration for all International students at 1:00 p.m. Friday.

Odom also stated that any new or transfer student could register at any time on any one of the three days.

Night school registration for the Cisco college campus will be on the first evening of regular registration, Wednesday, January 14, from 7:00 to 8:00 p.m.

Registrations at the CJC extension programs will be on Monday evening, January 12, for Clyde and Tuesday night, January 13, for Coleman and Merkel both set for 7:00 to 8:00 p.m.

Services
Thursday For
Clyde Willett

Services for John Clyde Willett, 77, of Rising Star, a retired farmer, were held at 2 p.m. Thursday at Higginbotham Funeral Home.

Rev. Dick Williams, pastor of First Baptist Church, officiated. Burial was at Wolf Valley Cemetery, between Rising Star and May.

Mr. Willett died at 9:15 a.m. Tuesday at a Cisco nursing home. Born Sept. 9, 1898, in Brown County, he had been a resident of Eastland County about 18 years and had lived at May.

He married Elizabeth Crawford in Brown County in 1919. She died in 1948. He was a Baptist.

Survivors include a stepson, Howard Bible of Stillwater, Oklahoma; two brothers, Raymond of Fort Worth and Dee of May; a sister, Ada Holloman of Rising Star; six grandchildren and seven great-grandchildren.

Mr. Willett was preceded in death by three sons, a step-daughter, four brothers and two sisters.

Eastland Rites
For Mrs. Crossley

Thalia Kearby Crossley, 77, died January 12, 1976, in H Houston. Services will be held at 10:30 a.m. Thursday, January 15, at Arrington Funeral Home Chapel. Rev. James A. (Jack) Hopkins, First United Methodist Church of Ranger, will officiate.

Born April 22, 1898, in Wills Point, Texas, she was a teacher in Rising Star for 25 years, from 1922-1947. She was married to Martin E. Crossley, August 15, 1921, in Comanche.

Survivors are one son, Martin E. Crossley Jr., of Houston; two sisters, Myra Jenkins of Jouston, and Janetha Dale Chandler of Mineral Wells; two brothers, Jerome T. Kearby of Austin and J.G. Kearby of Fort Worth; one brother-in-law, C.E. Sumerlin of Amarillo; four grandchildren and one great-grandchild.

T.I.C. Speaker
To Address
May Group

Mr. Homer Tucker, Community development specialist of the Texas Industrial Commission, will speak at the May Community Center on January 22, at 7 p.m. The purpose of this meeting is to explore possibilities for securing a small industry in May.

Sublett Announces
Retirement

County Sheriff L.E. (Lefty) Sublett has announced that he will not seek re-election, and that at the end of his present term, which expires Dec. 31, 1976, he will retire.

Sheriff Sublett is completing his third term, and reports that he and Mrs. Sublett are looking forward to retirement days, with plans for a great deal of fishing, gardening, ball game watching and some travel.

In announcing his retirement at the end of this term, Sheriff Sublett especially asked that his appreciation be expressed

to his faithful wife, all the officers with whom he has had the pleasure of working, the various courts, and most importantly, to the general public for helping him through the years in performing his duties.

"I'll tell you for sure," he says, "it's an honor to work for the people of Eastland County, and I'll never forget the officers here and throughout the state who have meant so much to me."

"I feel a great deal of gratitude to all the people and want them all to know that it has been a pleasure working for them."

John Morren Files
For Sheriff's Office

John Morren has authorized this newspaper to announce that he has filed as a candidate for the office of County Sheriff, subject to action of the May 1 Democratic Primary.

Mr. Morren is presently serving as chief of the Eastland Police Department, a post which he has held since October, 1969, when he replaced Chief Ray Laney upon his retirement. Mr. Morren joined the Eastland Police Dept. in August 1967.

In announcing his candidacy, Mr. Morren said, "I'm seeking the sheriff's office because I want to serve the people of Eastland County. I recognize that the position is one of great responsibility, and join with all others in complimenting Sheriff Sublett for his years of service."

Mr. Morren, a native

Creighton
Seeks
Re-election

State Senator Tom Creighton of Mineral Wells filed for re-election to the office of State Senator, 22nd Senatorial District, with the State Democratic Executive Committee this morning.

His formal announcement will be made at a later date.

Lakewood
Luncheon

The Lakewood Ladies Association will meet on Friday, January 16, at 12:30 noon in the Recreation Center for the regular monthly luncheon.

Minnie Cunningham, Bobbie Edmiston, Lou Grider and Lois Garrett will serve as hostesses for the occasion.

Quarantine Delayed

The U.S. Department of Agriculture (USDA) today announced it is postponing the effective date of a brucellosis quarantine on Texas cattle, until further notice.

Meanwhile, according to official of USDA's Animal and Plant Health Inspection Service (APHIS), Texas is complying with the "uniform methods and rules" which set forth minimum standards for the 50 states participating in the cooperative brucellosis program.

In response to a temporary court order issued Dec. 30, the Texas Animal Health Commission began requiring the S-branding of cattle exposed to brucellosis to prevent them from being diverted from shipment to slaughter, and also requiring tighter controls of cattle entering brucellosis-free areas of the state.

Following a Jan. 8 hearing, Judge J.T. Boyd of the state's 64th Judicial District in Castro County, issued a temporary injunction directing the Texas

Eastland Countian, and Mrs. Morren, have three children: a son who lives in Florida, a son Tommy who is attending Howard Payne University, and a daughter, Pam, a Junior High School student.

Mr. Morren said that he will issue a formal statement at a later date.

Hollywood
Announces
Candidacy

Louis Hollywood of Cisco has authorized this newspaper to announce that he is a candidate for the office of Eastland County Sheriff, subject to action by the May 1 Democratic Primary.

Mr. Hollywood is presently serving as deputy in the County Sheriff's Department, a position which he has held for the past 18 months. Prior to that time he was a member of the Cisco Police Department for three and a half years.

He is an Eastland County native, born at Gorman, and he and Mrs. Hollywood live in Cisco. She is the former Jill Medford, daughter of Mrs. R.L. Medford, longtime Cisco residents.

Mr. Hollywood stated that he will issue a formal statement at a later date.

Political Pot Is Boiling

The political pot is beginning to boil as terms come up for election on many levels this year, up to and including the office of President.

Texas Senator Lloyd Bentsen who is seeking Democratic nomination for the First Office of the Land will have his name on the Eastland County ballots in the rare presidential preference primary in May.

A Republican spokesman said Tuesday that party has not made plans yet for a May Primary but will announce plans later.

Officers which come up for re-election this year include that for President; Congress 17th District, for which Incumbent Veteran Congressman Omar Burelson will seek re-election; and United States Senate, for which Incumbent Lloyd Bentsen is also running and he has both Democratic and Republican opponents for the seat.

State Senator office is up for election and a candidate in Weatherford has reportedly announced as a candidate although Incumbent Tom Creighton, presumably to seek re-election, has formally announced.

State Representative Joe Hanna of Breckenridge has announced as a candidate for re-election.

One State Railroad Commission post is open for election and the office of Chief Justice of the 11th Court of Civil Appeals is up for re-election.

Incumbent Chief Justice Austin McCloud presumably will seek re-election although he has not

formally announced.

Within the county, the office of judge, 91st District Court, will be voted and it is assumed that Incumbent Earl Conner Jr., will announce.

Incumbent Sheriff L.E. (Lefty) Sublett has announced his intentions and a number of persons are reportedly planning to seek the office.

First person to file as a candidate for sheriff

is Ronnie (R.B.) White, Eastland fireman and former Highway Patrolman.

Incumbent Danny Woods has announced as a candidate for re-election as Commissioner Precinct One (Eastland).

J. W. Vinson of Ranger and Constable for Precinct Two has filed for re-election.

All Constable offices in the county are up for election and Eastland Constable Bill Hunter is presumed to be a candidate for re-election but has not announced.

In a switch in Democratic party procedure, delegates who want to go to the New York Convention, must get ten signatures and file to have their names placed on the local ballots in the May Primary.

Three delegates are authorized for the 22nd Senatorial District and an Eastlander conceivably could be one of them. If he chooses to seek the delegate responsibility, he would be listed on the ballot as "...a delegate for Lloyd Bentsen". This is part of the special one-time presidential preference primary in Texas.

District Judge Earl Conner has filed for re-election.

Mr. E.M. (Buddy) Turner has filed for Constable Precinct Three, Rising Star.

The office of County Tax Assessor-collector is also to be elected this year.

February 2, is filing deadline for candidates for the Saturday, May 1, primary election.

Owen Seeks
Second Term

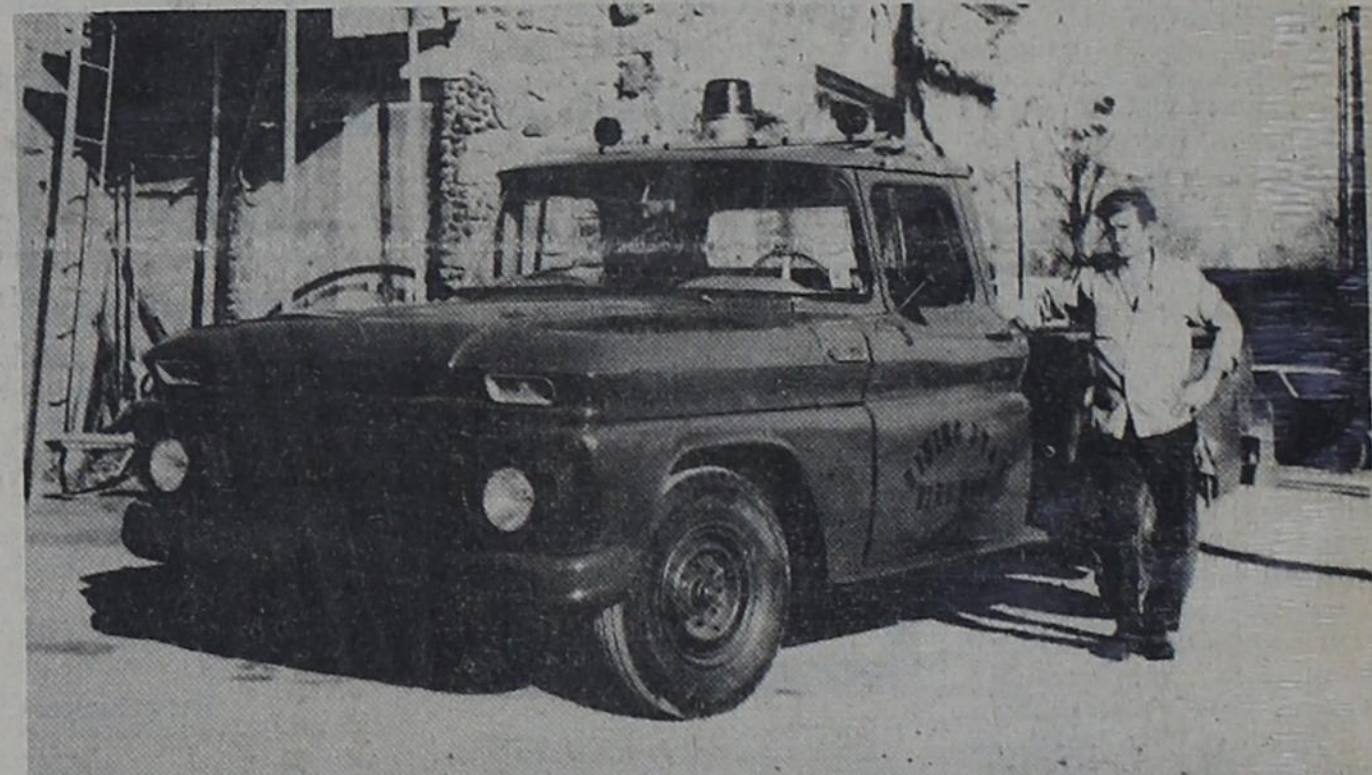

L.T. Owen has announced his candidacy for re-election for County Commissioner of Precinct 3 in Eastland County.

Mr. Owen, 46, was born in Okra, grew up there, and in the Long Branch Community. He has resided in Rising Star since 1943. He is married to the former Josie Hogan. They have three sons, Johnny, Robert and Bill. They are members of the Church of Christ.

Owen carried a run-off election on June 3, 1972, with a 422 vote over his opponent Curt Smith.

Local Fire Department Purchases Auxiliary Unit

This 3/4 ton truck was recently purchased by the local fire department and the City of Rising Star as an auxiliary unit to the two large fire trucks already in use. This vehicle will be used as an equipment truck to carry ladders, oxygen tank and other equipment.

Eddie Murphy, fire chief of the local department, has done most of the repair work on the newly acquired unit, such as a paint job, motor overhaul, equipped with ladder rack and other improvements.

The residents of Rising Star and the surrounding area appreciate this organization and the fine work they are doing as a volunteer fire department.

U.S.D.A. To Tighten Control
Of Peanut Program

WASHINGTON -- Citing alleged wide-spread violations of the present peanut marketing program, the U.S. Department of Agriculture (USDA) has announced a planned tightening of administrative controls to curb program abuses. Among the proposals under consideration are aerial inspections of each peanut farm and the complete ground measure of peanut fields during the 1976 growing season.

The current national average pea nut support price of \$394.50 per ton serves as an incentive to some producers to exceed the marketing quota allotments stipulated in the peanut

program. The proposed administrative checks could lead to fewer violations since conviction carries with it a penalty of 75 percent of the current support price for peanuts in excess of the allotment. For the 1975 crop year this penalty is 14.8 cents per pound. In addition, a guilty producer may have his allotment reduced for the following year.

USDA net expenditures for the peanut price support program have risen from \$34.8 million in fiscal year 1970 to \$121.2 million in fiscal year 1975. While much of this rise is a result of increased per-acre yields and a steadily rising pay-

ment "escalator" clause, a portion is a direct result of producers overplanting their allotments.

A USDA investigation is currently underway in Telfair, county, Ga., following reports of alleged program violations. Two Telfair county officials of USDA's Agricultural Stabilization and Conservation Service (the agency responsible for administering the peanut program) have been suspended pending the outcome of that investigation. USDA plans further investigation. USDA plans further investigations in other peanut-producing counties during 1976.

Mrs. Hightower Purchases
Local Beauty Shop

Mrs. Connie Hightower of DeLeon has recently purchased Robin's Beauty Shop in Rising Star.

Mrs. Hightower is an experienced beauty operator, having formerly had shops in Stephenville and DeLeon.

Mr. and Mrs. Hightower are former residents of Phoenix, Arizona. He is engaged in farming and construction work.

The couple are the parents of three daughters. Two granddaughters make their home with the Hightowers and attend school in DeLeon.

Mrs. Hightower extends an invitation to everyone to come by and get acquainted. Mrs. Debbie Linney and Mrs. Susie Bailey will continue as operators in the Hightower Shop.

Mrs. Ora J. White is birthday honoree

May Resident Celebrates 89th Birthday

Mrs. Ora J. White was honored Saturday evening, Jan. 10, on her 89th birthday with a party at the Twilight Acres Nursing Home, hosted by a daughter, Mr. and Mrs. C.O. Young of May. Mrs. Ora J. White was born January 10, 1887, in Dallas County. She married the late William Riley White in July, 1903, in Denton, Texas. She has lived all her life in Texas. Mr. White died in 1963. Mrs. White lived in May before moving to Rising Star. She lived alone and did her housework and attended church and community affairs until early in 1972, when she became ill. After a long stay in the hospital, she was too sick to live alone and she moved to Twilight Acres and has enjoyed good care and the best of treatment for nearly four years. Eight of Mrs. White's ten children were present at the celebration. They are: Mr. and Mrs. P.A. White, Mr. and Mrs. O.J. and Ethel Walker all of Amarillo; Calvin White of Plainview; Mr. and Mrs. R.B. White of Abilene, Mr. and Mrs. T.H. White of El Dorado, Arkansas; Bessie Bowers of Brownwood, and Mr. and Mrs. C.O. Young of May. Sixteen grandchildren and great-grandchildren were also present. White birthday cake, decorated with red roses and green leaves was served by Mrs. R.B. White and golden fruit punch was laded by Mrs. P.A. White and served to 65 guests. The birthday song was led by Virginia Moore of May, accompanied by Mrs. Jerry Underwood of Rising Star. Owen Aikin, minister of the Church of Christ, made a talk and paid tribute to the honoree.

Cancer Drug Research Providing Good News

The fact that cancer claims a victim in this country every minute and a half is a frightening reality we must all live with. But where's the good news about cancer? Living proof that there is good news is evidenced by the 222,000 Americans the American Cancer Society estimates will be saved from cancer this year. While no one is claiming a complete cure for the disease, words like "remission" and "control" are being heard more often today than five years ago. In recent years specialists in cancer care have been accelerating the war against cancer through surgery, radiation, drugs and knowledge of the body's immune system. Some of the longest strides in this war have come in the field of drug use known as chemotherapy. According to Dr. Emil J. Freireich who directs the research of some 30 cancer investigators at The University of Texas M. D. Anderson Hospital and Tumor Institute in Houston, "Chemotherapy is the only therapy available for cancers that have spread beyond the possibility of local control at the primary cancer site and therefore cannot be treated by surgery or radiation." It is important to remember, he explains, that cancer is not one disease but a large group of diseases... all dramatically different in characteristics and treatment. Thus, just as each cancer type is specific, drugs must be equally specific. Obviously, an over-all cure is no simple matter. Despite the complexities, Dr. Freireich points out that chemotherapy has made numerous advances on the disease during its brief 30-year history. For a small number of cancers, the use of drugs is actually the treatment of choice. For example, he explains that a single drug is available that does cure chorio-carcinoma, a cancer of the female placenta or afterbirth. "Women who have had this cancer would have died for sure in a very short period of time. Using the drug, early and properly, they are not only completely normal after five years, but they have their childbearing organs intact and can have normal, healthy children," he notes. Advanced Hodgkin's disease and childhood leukemia are two other examples of cancers that have been controlled successfully in recent years by use of chemotherapy, says Dr. Freireich. Unfortunately, to date the majority of cancers have not been successfully treated by drugs, notes Dr. Freireich. "What's new now," he says, "is that we are beginning to realize that we can use chemotherapy in patients who have been treated well with surgery and radiation but where likelihood that they will have recurrences is very high. We call that adjunctive chemotherapy." Thus, for many cancers, the chemotherapist is being called into action much earlier in the patient's treatment to combine the benefits of specialized treatments. Perhaps most promising of all is the development of combination drugs to wage war on cancer. Using combination drugs, Dr. Freireich notes that dramatic improvements have been made during recent years for the treatment of breast cancer, lymphoma, ovarian cancer and osteogenic sarcoma. Osteogenic sarcoma is the same disease that took the life of University of Texas football star Freddie Steinmark just 5 years ago. Working around the clock, seven days a week, research continues in the development of better drugs and drug combinations that will aid in the battle against cancer and contribute good news to a bad subject.

Arthritis, Rheumatism Sufferers! Time Proven ICY-HOT PUTS PAIN TO SLEEP "Without taking Pills"

If you're one of the many, many folks who have "tried everything"—taken pills by the thousand, capsules until you've gagged on them, spoonfuls of evil-tasting liquids until you can't stand the sight of your medicine cabinet, then it's time you get ICY-HOT!
ICY-HOT has been making friends for just about 50 years. You don't "take" ICY-HOT. Instead you just rub its creamy balm over the affected joints or muscles. That's all there is to it. ICY-HOT must get you the results you want—blessed temporary relief from the pain of arthritis, bursitis, rheumatism, soreness, stiffness. You begin to sleep peacefully again. You can actually feel the pain lessening. If you don't have relief in 24 hours, we'll return your money.

Yes, you must be 100% thrilled with the speed with which ICY-HOT puts pain to sleep, or we'll return the purchase price without question. \$3.00 for 3 1/2 oz. jar, or \$5.00 for 7 oz. jar.

Church News

Church of Christ

The present series of articles has served to point out that God did not intend for all the Bible to apply to all people at all times. The specific example cited was the Law given from Mt. Sinai (Exodus 20). It was addressed to the Jewish people alone, in preparation for the coming of the Redeemer Jesus. With the death of Jesus, the period of the Law ended, with its ethnic distinctions, special rituals, etc., and the Gospel Era began. We conclude this series by stressing that, despite the fact that the material of the Old Testament is no longer binding upon anyone, it still remains that God has preserved it and intends it to have a definite purpose in the Christian period. This is stated in Romans 15:4: "For whatsoever things were written aforetime were written for our learning, that through patience and comfort of the scriptures we might have hope."

From the Old Testament, we learn of the creative power and work of God. This same source details the source of our present woes, through sin. At the same time, the bulk of this material stresses the love of God for humanity and the long, arduous path leading to the birth, death and a resurrection of God's Son: Jesus Christ. A KNOWLEDGE of the Old Testament is indispensable to the understanding of God's grace toward us.

The Old Testament serves at the same time to strengthen the picture of the love and concern of God, given in the New Testament. If Jehovah could be so patient and concerned toward an often rebellious people like the Israelites, then there is certainly comfort and assurance for us.

God's perfect and righteous nature is likewise mirrored in the Old Testament. Consistently, the principles of holiness, justice and integrity flow from God, while that which debases and defiles is vigorously opposed. In this respect, the Old Testament lays the foundation for the revelation of God seen in the person of Jesus (John 14:7, 9, etc.).

Finally, the Old Testament furnishes us with dynamic proof of the ultimate design of God for our salvation, through Jesus Christ. God had said that he would send a Redeemer—the Old Testament repeatedly records this, and the New Testament proclaims the fact. God's promises to the Christian are thus completely validated.

Someone has said that "the Old Testament is the New Testament concealed and the New Testament is the Old Testament revealed." But it would be a grave mistake to raise the temporary and incomplete to the level of the permanent and perfect. God never intended it to be done. God speaks to us today through his Son, not through Moses and Elijah (Hebrews 1:1-2; Matthew 17:1-8).

Be with us for Bible study: on Sunday at 9:30 a.m., on Wednesday at 7 p.m., and in the Assemblies on Sunday, at 10:30 a.m. and 6 p.m.

Our sick include Vernetta Allgood who was in the Brownwood Hospital recently for tests, but able to be at church Sunday. Pate Goss is some better, but is still in Brownwood Hospital (Room 524). Inez Robertson is improving right along. Others have had, or are having, bouts of viral infection.

We especially invite the teens of Rising Star to join our young people this Sunday (morning, afternoon and evening) for a day of Bible study, fellowship and various activities. A group will come by bus from Abilene for the afternoon and evening, with several of the young men conducting the evening service at 6 p.m.

Have a good week. Call us if we can serve in any way.
Owen Aikin

First United Methodist Church

One of the shyest girls I have known was led to Jesus Christ. She began to be very enthusiastic about her newborn faith. I said to her, "Would you take part in a public meeting of testimony that we are going to have?" She almost fainted at the idea, but during that service, when the church was full, a note was passed to me. It was from Andrea: "I would like to speak." She spoke without a suggestion of nervousness. She told how she had been ill for years and discouraged and worried, and how now she was ill but had peace and joy in her heart. The people listened. They were amazed at the simplicity and the clarity of her witness, and for those who knew her intimately as such a shy and retiring girl, it was more amazing. The greatest thrill in a Christian's life is to feel that God is doing something in him and through him.

James Clarke once said: "All the strength and force of man comes from his faith in things unseen. He who believes is strong; he who doubts is weak. Strong convictions precede great actions."

Express your faith in Jesus Christ and be a positive witness unto His saving grace. Such a faith and a witness can change our world for the better.

Several of our members are still having their problems with sickness. Mrs. Kelsey Starks is still a patient in the Hendricks Hospital in Abilene, and Mrs. Fred Cook is a patient in the Gorman Hospital where she has been for a couple of weeks. Mrs. Vada Arnold has been confined to her home because of her respiratory problems, but she hopes to be up and around soon. We continue to pray for these as for others on our prayer list that Our God shall help them to overcome their illnesses.

Let us know when and if we can be of assistance to you and yours. We would be most happy to share Christ's ministry with each and all of God's children.

Bullock Offers Wats Line To Taxpayers

AUSTIN—Comptroller Bob Bullock said his office began operation Tuesday of a toll-free WATS line to answer general taxpayer questions.

He said the number is 1-800-292-9687. "Information is like oil to the machinery of business or government," Bullock said. "Without it we just can't run as well."

The Comptroller said his office deals directly with more than half a million taxpayers, nearly all of whom have a

Dear Sis,

We again have pencil cob freezer corn seed. The regular price is \$1.49 per pound, but for the rest of January we will have it on special for \$1.35 per pound.

Many in this area planted it last year. One family reported 4 extra pints of it per bushel compared to the bushel yield of the field type corn. Another family reported a 3 1/2 pint more yield per bushel. I had several messes of it and it was very tasty.

Mrs. Marshall Camp and Christy of New Orleans visited their Aunt, Mr. and Mrs. Le Roy Ford last week.

Wade Chambers continues to improve after a light stroke on Jan. 4. He will remain in the Brownwood Community Hospital for several days.

Mr. and Mrs. Windell Glenn of Lake Jackson will spend a 10-day vacation with his mother, Mrs. Grace Glenn.

The May Community Improvement Club plans to have

an "Old Fashioned Box Supper" the second Monday night in February at 7 p.m. at the Center. That will be February 9. Everyone is invited for a good time, to help raise money for Club house improvements.

Mrs. Don Jones and Bubba Jones went fishing January 10, to Hubbard Creek near Albany. They brought home about 50 fish caught in three hours. How is that for a fish story?

Mrs. Inez Newson of Kingsland visited her uncle, F.C. Edwards recently for three days.

Mr. and Mrs. Shane Kelton will move to Odessa January 15. We will miss them very much.

Mr. and Mrs. Billy Ellis, Phyllis, Perry and Patrick have recently moved here from Duncanville. They bought the piece known as the Monsey home just south of town. We are especially glad to have the good new school students.

BARRY WAYNE YOUNG

Grandson Of May Couple Selected To "Blue Band"

Barry Wayne Young, son of Sgt. 1st Class, E-7, Terry and Mrs. Young of Ottawa, Kansas, chose the trumpet as his instrument, when he began his band class in the 5th grade at Indian Creek Elementary School in Kansas City, Missouri. During his 6th grade year, he took band class at school and also private lessons in trumpet.

He now continues his band classes in the "Blue Band" of Ottawa Junior High School. The "blue Band" marched in Armistice Day Parade last fall and in the Christmas Parade in Ottawa. The Band won third place in the Christmas parade.

The Ottawa Junior High Blue Band and the Senior Band presented a Christmas Concert in December.

Barry Wayne is the grandson of Mr. and Mrs. C.O. Young and Mrs. Lavora Smith of May. The Terry Youngs are former May residents.

U.M.W. Meets For Pledge Service

The United Methodist Women of the First United Methodist Church met Monday afternoon for a Pledge Service of the Society. The service was given by Mrs. J.R. Bucy and a Bicentennial program was presented by Mrs. H.S. Switzer. "My Country Tis of Thee" was the opening song, with Miss Elizabeth Robertson at the piano and Mrs. Cecil Joyce leading.

Flags of the United States of America and the Christian Flag were displayed. The Pledge of Allegiance to the United States flag and the Christian flag were repeated in unison by the group.

Mrs. J.R. Bucy gave the purpose of the United Methodist Women and also gave a prayer. Mrs. H.S. Switzer gave the history of John Wesley and his changing beliefs and the forming of the Methodist Church in 1784 in America. Mrs. Switzer gave the introduction of the Bible study "A Nation Yet to Be". The 23rd Psalm was repeated in unison as the closing, followed by the benediction.

Game Night Set At Lakewood

Thursday, January 15, 1976 Rehab '76 To Feature Array Of Stars

Rehab '76 is set to take place on Saturday, January 17, 1976. The Sixth annual telecast to benefit the West Texas Rehabilitation Center will air from 7 p.m., Saturday, until 2 a.m. Sunday.

The seven-hour television spectacular will originate live and in color from the Abilene Civic Center, will be seen and heard in a three state area, and will feature a sparkling array of stars of stage, screen, and television.

Ken Curtis, Gunsmoke's "Festus Haggen" will appear for the first time on a Rehab telecast.

Arti Johnson, the sly German on Laugh-In, also will make his first appearance on the telecast. The special will be co-hosted by Rex Allen and Shari Lewis, both familiar and popular

repeaters on the show. Also featured will be Helen O'Connell, Connie Smith, Slim Pickens, Rex Allen, Jr., Arthur Duncan, Pedro Gonzales Gonzales, Johnny Gimble, The Men of the West, the Angle Sisters, and the Rehab '76 Orchestra.

Other personalities expected to appear during the telecast include Bill Mack, Dick Yaws, Don Harris, Ace Reid, Ronald McDonald, Larry Mahan, Don Gay, Ernie Taylor and Monte Henson. Additional personalities are expected to be on hand for the show also.

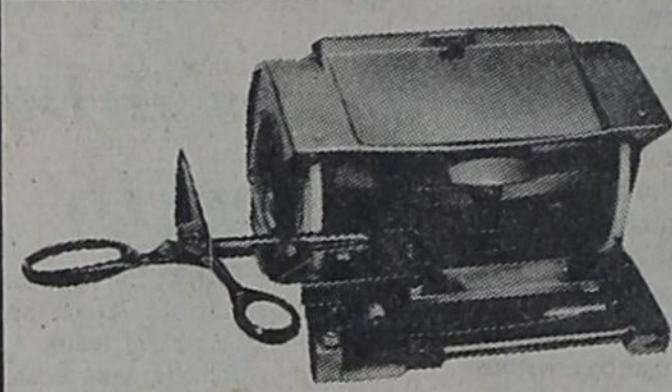

The annual telecast is the kickoff for the West Texas Rehabilitation Center's year-round fund-raising program. The Center is a private, nonprofit treatment and diagnostic center serving the handicapped of the Southwest.

The Rehab '76 network of television stations includes KRBC-TV, Channel 9, Abilene; KACB-TV, Channel 3, San Angelo; KXTX-TV, Channel 39, Dallas; KTTV-TV, Channel 36, Austin; KSWO-TV, Channel 7, Lawton, Okla.; KAMR-TV, Channel 4, Amarillo; KMOM-TV, Channel 9, Monahans; and KWAB-TV, Channel 4, Big Spring.

The Rehab '76 radio network includes Abilene radio stations KRBC, KNIT-FM, KFMN-FM, and KWKC. This year's show also will be broadcast on WBAP, Fort Worth, KEND, Lubbock; and KENM in Portales, N.M.

The Rehab '76 television-spectacular is considered the largest benefit telecast originating in the Southwest.
