Carr Lashes Army Tactics

WASHINGTON (AP)—Francis P. Carr testified today he thinks Secretary of the Army Stevens and Army Counselor John G. Adams used "quite improper" tactics in efforts to block Sen. McCarthy's investigation of Reds in the Army.

Carr, staff director of the McCarthy investigations subcommittee, expressed that opinion under questioning by Sen. McClellan (D-Ark). Carr declined, however, to appraise whether the conduct of the Army officials could be described as contrary to ,'the security of our country."

Carr was in the witness chair for the second day at Senate hearings on the row between McCarthy and Army officials. He testified yesterday that both Stevens and Adams tried to stop McCarthy's investigation and, in doing so, talked of favored treatment for Pvt. G. David Schine, drafted former consultant to the subcommittee.

In response to questions from James D. St. Clair, one of the lawyers representing Stevens and Adams, Carr said today that Adams tried to block hearings on alleged Communist infiltration of secret radar laboratories at Ft. Monmouth, N.J., even before the hearings started.

He said Adams told him "there was no need for any hearings."

Carr, under questioning by McLellan, said the McCarthy camp's charges that the Army tried to blackmail the subcommittee out of its probe for Reds in the Army would have been filed sooner or later under any circumstances.

He agreed with McClellan, however, that release of the Army's charges against McCarthy and his aides—alleging extreme pressure for favors for Schine—brought about the "prompt exposure" of the Army officials' actions.

Under questioning by Sen. Jackson (D-Wash), Carr said he and the McCarthy subcommittee staff first went to work in a big way on an investigation of alleged subversion at Ft. Monmouth, last August and September.

Jackson suggested this was about the same time the subcommittee staff found out that Schine was about to be drafted into the Army.

Schine, wealthy New Yorker who was an unpaid consultant to the subcommittee, was drafted Nov. 3.

Carr insisted there had been some preliminary work before the Monmouth investigation hit full stride in August or September. He said informants had been developed and information had been obtained.

Carr said, however, he didn't "put too much stress" on a paper given the subcommittee early in 1953 by Paul Crouch, a former Communist now working for the Justice Department's Immigration Service.

The paper charged there were 1,100 Communists in the Army. Carr said he didn't necessarily agree with Crouch but he thought the document was "a very good statement concerning Communist infiltration" and it "served as a means of bringing it to our attention."

Jackson suggested that Carr, as a former FBI agent, didn't heed the memorandum to call his attention to communism.

"I didn't need the memorandum," Carr agreed.

Jackson expressed surprise that Carr hadn't seen until almost the time it was produced in the hearings by Sen. McCarthy a 2¼ page document purporting to be a summary of an FBI report on alleged security risks at Ft. Monmouth.

Carr said he didn't need to have the document in his possession, because he knew what was in it and the people named in it. He said that when McCarthy gave him the information he wasn't going to demand that McCarthy produce a document to back up what the senator had told him.

Under questioning by Army Counsel Joseph Welch, Carr then said the summary provided "one of the main sources" for the beginning of the Ft. Monmouth investigation.

In addition to the summary, Carr said, "we had some other names. . . we had information concerning other situations at Ft. Monmouth."

Borden Well To Complete In Reef Lime

Hanley Company of Midland is testing to complete its No. 1 H. D. Beal in southeast Borden County as a discovery from the Pennsylvanian reef lime.

The project flowed 227.28 barrels of oil plus 31.66 barrels of water in 24 hours from a perforated section in casing set at 7,723-239 feet. That zone has been treated with 3,000 gallons of acid.

Flow for the first nine hours of the 24-hour period was through an 18-64th-inch tubing choke. During the last 15 hours a 32-64th-inch choke was used. Total depth is 7,757 feet. Five and one-half inch casing is cemented at 7,775.35 feet and top of the reef lime is at 7,719 feet.

Ground elevation is 2,492 feet. Location is 662 feet from south and 1,970.07 feet from west lines of section 24-31-t3n-T&P. It is 14 miles south-southeast of Gail and two and one-quarter miles southwest of the Pancho Mag (Pennsylvanian) field. Operator expects to take a potential test in a few days.

FISHER WILDCAT

Texkan Oil Co. of Dallas has staked location for a 5,800-foot wildcat in southeast Fisher County. It will be the No. 1 F. W. Fields, located 2,100 feet from south and 467 feet from west lines of section 1-K-T&P.

The new attempt is seven miles southeast of Sylvester and one and one-half miles west of the Jones County line. It is three and three-quarters miles north of the Eskota field. Operation will begin at once.

The Midcontinent No. 1 Gilbert in Fisher County is drilling 4,837 feet in shale.

SCURRY REPORTS

The Lone Star No. 1 Eiland flowed 593.65 barrels of 42-gravity oil on a 24-hour potential test at a total depth of 6,797 feet. Flow was through a 24-64th-inch choke. Gas-oil ratio was 741-1 and tubing pressure was 445.

The Lowe No. 1 Golden-Sun tried to run a drillstem test at 7,160-220 feet and the clutch broke. It is now conditioning mud at a total depth of 7,220 feet.

Operator is preparing to plug and abandon the Fort Bend No. 1 Davis, wildcat east of Snyder. The last test run was at a plugged-back depth of 4,400 feet. Recovery was sulphur water.

The Woodson No. 3 Marley, now at a total depth of 3,313 feet in dolomite, ran a drillstem test at 3,254-278 feet. Tool was open one hour. Recovery was 300 feet of salt water and 30 feet of salty drilling mud. Flow pressure was 250 and 15-minute shutin pressure was 800.

Other drilling depths reported are: Woodson No. 1-B Lanham, 5,808 feet in shale and dolomite; Superior No. 8-536 Lanham, 7,955 feet in lime; and Southern Cali-

Actress Susan Hayward takes the witness stand briefly Monday as the trial began in her suit for divorce against actor Jess Barker. Barker, who is contesting the action, was in court with two attorneys. The couple, married in 1944, have twin boys, age 9.

Storms Lash State Again

By The Associated Press

Thunderstorms that have raided West Texas areas for a week boomed into North and East Texas Tuesday.

At dawn a squall line extended from Eastern Oklahoma through Dallas to Del Rio on the Rio Grande. Heavy rain was spilled on the Fort Worth vicinity and lesser amounts were reported at Dallas, Mineral Wells, Del Rio and Perrin Air Force Base in Grayson County.

Temperatures, as the thunderheads moved east and south, ranged from 54 at Dalhart to 80 at Corpus Christi. Most thermometer readings were in the 70s.

Forecasts called for continued warm temperatures with widely scattered afternoon and evening thundershowers from the Pecos River eastward across the state.

Tornado alerts were out Monday night in an area about 50 miles southwest of Childress to Hobart, Okla., area. One twister was reported to have touched the ground near Crane Monday afternoon, but it bounced back skyward with no damage reported.

May Release Prisoners

GENEVA (AP) — Red China today told the United States that China will consider the "early release" of American military and civilian prisoners who have records of good behavior.

This was announced by the United States after a third meeting between U.S. and Chinese Communist representatives. An estimated 83 American civilians and military personpel are either in prison or have been unable to get visas to leave the China mainland.

The Chinese told U. Alexis Johnson, U.S. ambassador to Czechoslovakia, that those in prison are there because of offenses committed in violation of Chinese law, but that the Peiping regime will review their behavior to see whether it warrants commutation of sentences or release.

Guatemalan Officers Demand Answer On Influence Of Reds

One Man Hurt In Crash Of Three Vehicles

One man was seriously injured in a three-vehicle collision near here yesterday, and three other persons involved in the accident were also injured but not seriously.

Harry E. Robins, 58, Hermleigh, driver of a 1952 Ford pickup, suffered a back injury, possibly a fracture of a vertebra, according to Dr. Wilton N. Jones of Battenfield Hospital.

Others injured were Arthur Foss, 48, Odessa Hotel, Snyder; W. C. McCormick, 41, 1905 Fifteenth Street; and James Erwin Westbrook, 21, Snyder.

Westbrook, a painter employed by C. A. Bretz Sign Co., was driver of a 1953 Ford club coupe which struck the rear of the pickup truck in which Robins, Foss, and McCormick were riding. Both vehicles were traveling north. Those in the pickup were employes of Hardy, Williamson & Arnold Pipeline Co.

When the coupe and pickup collided, the passenger car skidded or was thrown sideways in the path of an oncoming 1950 Mack truck of the Western Co., driven by William Franklin Lane Jr., 23, Odessa. The large truck struck the right side of the coupe broadside, knocking it about 10 feet off the pavement on the west side of the road. The pickup was thrown to the east side of the road, just opposite the car. The big truck was not damaged.

The accident occurred about three miles north of here on the Clairemont highway at almost the same location as a previous accident involving Westbrook in July, 1952.

In the 1952 accident, the other vehicle was driven by Gene Audry Pepper of Snyder. Both Westbrook and Pepper were charged in justice court with "contesting for speed upon a public highway with another vehicle." The charges were filed July 28, 1952. The charge against Westbrook was dismissed by W. C. Davidson, justice of peace, for lack of sufficient evidence, but Pepper pleaded guilty and paid a fine of $14, including court cost.

JURY TRIAL POSTPONED

Eleven Cases Are Cleared From County Court Docket

Eleven cases were disposed of in county court yesterday afternoon and this morning when pleas of guilty were entered by seven persons, and a case slated for trial by jury this morning was postponed until tomorrow.

Judge Edgar Taylor recessed the newly called jury panel until 9 o'clock tomorrow morning, postponing the retrial of Roy Lee Baker, 44, of 1411 Thirty-first Street, because of the absence of a witness.

Baker was tried April 13 on a county court charge of driving while intoxicated, but a mistrial was declared when the six-man jury deadlocked unable to reach a decision after deliberating 45 minutes.

The witness who could not be located today was being sought by officers of the sheriff's department who said they previously could not locate him to serve a subpoena.

Three persons pleaded guilty this morning to five misdemeanor charges, and one of them was sentenced to six months imprisonment in each of three cases.

Lemuel H. (Shag) Hudson, 50, numerously convicted bootlegger who was already serving a six-month sentence, was sentenced again in each of three cases which had pended against him since before his last previous assessment. No other cases pend against him now.

Hudson has served two months of his sentence assessed in April, and the three assessments today are to run concurrently with the remainder of the previous assessment. This places his release date in December, making eight months he will have served without intermission.

Mrs. Lola Mae Humphrey, a Negro woman who lives near Slaton, was assessed $123.50, including court cost, when she pleaded guilty this morning to a charge of illegally possessing liquor. The charge was filed in September.

H. H. Homsley, superintendent of the Loraine school system, paid a minimum fine this morning for driving while intoxicated. He was charged with the offense April 15, having been arrested near Hermleigh by Bill Love, deputy sheriff. Homsley has been free on bond. His fine was 150 plus court cost of $23.50.

Yesterday afternoon, Anderson Davis, Sr., well - known Snyder Negro bootlegger who is currently serving time in jail in lieu of a large fine, pleaded guilty to a charge of aggravated assault.

He was sentenced to 15 days to run concurrently with the time he is serving in lieu of a fine of $2,500 plus court cost. Credit for jail time is $3 for each day. He was convicted yesterday on an assault charge filed in February.

William E. Cauble, 33, of 1211 Twenty - eighth Street, recently charged by felony complaint with attempting to pass a forged instrument, was assessed 30 days when he pleaded guilty yesterday to a county court charge of swindling by a worthless $20 check to Snyder Drug.

He was assessed court cost of $23.50 in yesterday's case.

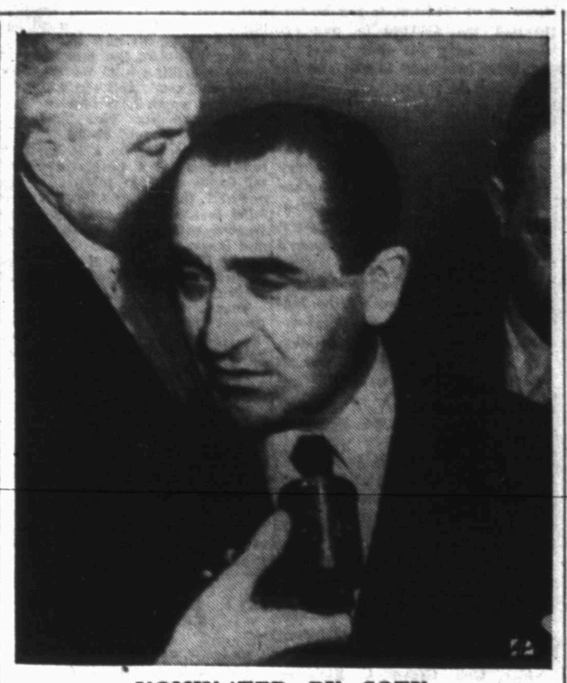

Joe Dell Matthews, 17, one of four Snyder youths recently arrested in a series of thefts and burglaries, pleaded guilty to three county court charges of theft of gasoline and was sentenced to 30 days in each case, all sentences concurrent. He is also charged with burglary of the office of Caperton Bros., a car dealership.

Marvin Lee Garden, 33, of Snyder, a former cafe employe, pleaded guilty to a charge of swindling by worthless check of $10 given to Hughes Service Station on March 30.

Garden is also under felony charge of theft of more than $50.

Van Fleet Confers

SEOUL, (AP)—Gen. James A. Van Fleet conferred with U.N. economic coordinator C. Tyler Wood today as he wound up a second visit to study South Korea's military needs.

NOMINATED BY COTY

Pierre Mendes-France, 47-year-old economic and financial expert, talks with newsmen outside Elysee Palace in Paris after agreeing to try to form France's 20th postwar cabinet. He was nominated by President Rene Coty to succeed retiring Premier Joseph Laniel. Mendes-France is a leader of the National Assembly's Radical Socialist (Moderate) bloc which was credited with bringing down the Laniel government.

Army Reported On Verge Of Revolt

TEGUCIGALPA, Honduras (AP) — Eighty army officers have handed a questionnaire to Guatemalan President Jacobo Arbenz Guzman about Communist influences in that country, and demanded a satisfactory answer by the end of the week.

This was reported today in private advices from the Guatemalan capital.

Official quarters in Washington received a report last night saying the army had given the President an ultimatum to quit sometime today, and that he had agreed provided the army guaranteed not to molest any Guatemalans. But the later information from the Guatemalan capital received here said Arbenz had until the end of the week to answer. The questions were handed to him yesterday.

If the army should oust Arbenz, he presumably would try to go to Belize, British Honduras, where he was reported to have a large seagoing yacht at anchor.

Two former Guatemalan defense officials who fled their Communist-tinged land say the army is on the verge of revolt.

Observers generally concede that Arbenz himself is not a Communist. But his regime has had strong backing from the Reds, and in return he has made numerous concessions to them and given them key government posts.

Mendoza and his brother, former air force chief Col. Rodolfo Mendoza, arrived here Sunday. They told reporters a "reign of terror" gripped their homeland and at least 600 persons were in jail.

They said the situation in Guatemala appeared to be nearing a climax. They said Guatemalans were convinced revolution would explode at any moment.

Press dispatches from Guatemala have been subject to a strict censorship since Arbenz suspended civil liberties a week ago and charged a plot against the government had been uncovered.

Travelers arriving in Honduras from the Guatemalan capital reported growing tension and many army desertions. There was a recurring rumor that Gen. Carlos Sarti, army chief of staff had disappeared.

The U.S. High Commission announced in Germany yesterday that six tons of Swiss antiaircraft ammunition consigned to Guatemala had been held up in Hamburg at the request of American authorities.

Shivers Gets City Control

AUSTIN (AP) — Big city control of the Sept. 14 State Democratic Convention seemed to be in the bag today.

A fast-moving State Democratic Executive Committee meeting voted to count every vote cast for Allan Shivers for Governor in 1952 in figuring delegate strength for the next state convention. That would include Democratic, Republican and write-in votes.

Unofficial figures show the action would give the state's top 12 counties 46 per cent of the voting strength. If only the Democratic votes were figured, the heavily-populated areas would have 40 per cent.

Shivers was the candidate of both the GOP and the Democrats two years ago.

The committee session was an all-out Allan Shivers meeting.

Chairman George Sandlin aimed one direct and another indirect blow at Ralph Yarborough, one of Shivers' opponents in the governor's race.

Another opponent, J. J. Holmes of Austin, sat through part of the meeting but neither he nor candidates for other offices were introduced at the gathering.

There was no dissent and no discussion except that offered by subcommittees in making various recommendations such as the unanimous selection of Mineral Wells as the site for the September convention. No other city applied.

Will Admit Negroes

VICTORIA, Tex. (AP) — Victoria Junior College will admit Negroes next September, the board of trustees voted yesterday. One Negro applied for admission last week.

Eden Confers With Molotov As Parley Nears Breakdown

GENEVA (AP)—British Foreign Secretary Anthony Eden and Russia's V. M. Molotov met in a hurriedly arranged private session today as the Geneva conference appeared moving rapidly toward a breakdown.

The Soviet foreign minister requested the meeting as the 16 nations which fought in Korea on the United Nations side drafted a declaration saying further talks on Korean unification were useless at this time.

The 16 planned to present the statement at a session of the 19-nation Korean conference this afternoon. The U.N. allies want to refer the Korean issue back to the international organization.

Authoritative quarters said the U.N. Korean allies agreed unanimously this morning that today's session would be the final one on Korea.

In London, Prime Minister Churchill presided over a Cabinet meeting to decide British policy in the light of the apparent failure of the East-West talks. Reports from Eden and Field Marshal Sir John Harding, chief of the Imperial General Staff, were laid before the Cabinet. Harding headed the British delegation in a recent five-power parley in Washington on the question of a defense line in Southeast Asia against further Communist encroachment.

The Indochina phase of the conference was in recess until tomorrow, when it will take up the Western demands that Communist-led Vietminh forces get out of Laos and Cambodia.

Western sources said Communist reaction to these demands on Laos and Cambodia would determine whether the Indochina talks will continue.

British Foreign Secretary Anthony Eden made this clear at a secret session yesterday. He told the nine-party meeting that the Indochina conference had made but one solid achievement in its seven weeks of deliberation—the start of military discussions between representatives of the French Union and the Communist-led Vietminh.

Eden was understood to have added that if the parley fails to make progress tomorrow on the problem of Laos and Cambodia, he was not sure it would be worthwhile to continue debate.

He suggested that a wise course might be to suspend discussion until the military commission finishes its work of drawing cease-fire lines.

Informed quarters said the Briton was not thinking of any overnight recess, but of a considerable interval.

This was regarded as particularly significant since Eden in the earlier stages of the conference had been the most patient of the Western leaders.

The Communists previously have refused to treat Laos and Cambodia separately from Viet Nam, contending that the fighting in all three states stems from nationalist movements. France and her allies contend that Vietminh forces from Viet Nam invaded the two neighboring kingdoms.

Russia's Foreign Minister V. M. Molotov made a slight concession yesterday. He said the neutral nations commission for supervision of an Indochina cease-fire might, under certain conditions, take decisions by a majority vote.

This represented a shift from his previous demands that all decisions must be unanimous, but Western delegates said his proposal was ambiguous and did not affect the basic issues. Molotov still insisted that the commission be made up of Communist Poland and Czechoslovakia, India and Pakistan.

The Western Powers planned to take a strong stand tomorrow against any Red demands for discussions between the governments of Laos and Cambodia and the Communist "resistance" regimes there, which the French say exist only on paper.

Western sources expressed belief that if the Communists insist on such talks, the conference would be broken off.

Winnie, Eden Plan A Visit To America

WASHINGTON (AP) — Britain's Prime Minister Churchill will meet President Eisenhower here in ten days.

Secretary of State Dulles said today he hopes the informal talks will lead to closer understanding on collective defense of Southeast Asia against communism.

Dulles, who will take part in the conferences along with British Foreign Secretary Eden, indicated at a news conference that alternatives to a European Defense Community will be considered along with the Southeast Asia situation.

The European army issue is a critical one at the moment because of the French government crisis and the American desire for French approval of a collective defense setup.

Dulles made it clear that France will not be represented at the meeting but said that no decisions will be made anyway. He said it is not unusual for the President to meet separately with either British or French officials.

Dulles met newsmen for his weekly conference a few minutes after the White House had issued a brief announcement that Churchill and Eden will visit the President over the weekend of Friday, June 25.

Presidential Press Secretary James C. Hagerty, announcing the forthcoming visit, told reporters there will be "an informal meeting between the President and his two old friends" without any formal agenda.

"Many things, a lot of things, will be discussed," Hargerty said.

Says Time Is Running Short

WASHINGTON (AP)—Gen. Alfred M. Gruenther says "time may be beginning to run against us" in efforts to build Western Europe's defenses.

This view was made public yesterday in a summary of testimony which Gruenther gave earlier in the day at a secret session of the Senate Foreign Relations Committee. Gruenther, commander of North Atlantic Treaty forces, testified on foreign aid.

He was quoted as saying the United States "may end up behind the eight ball" if it relaxes building Western Defenses. The summary said he reported Russia is making its own forces more effective and is increasing substantially the number and value of satellite troops.

The general, however, told newsmen after the session he is "soberly optimistic" about the general prospect in Europe.

Abilene Youth Dies In Car-Truck Crash

ABILENE (AP) — Walter Chester Bever Jr., 20, was killed on a farm near Clyde last night in a gasoline truck-car crash.

Three other passengers in the car were critically injured. They are: Jimmy Ray Spinks, 18; Kay Speen, 15; and Gary Ann Froman, 17, all of Clyde.

Ask Opening Of City Parks For Negroes

BEAUMONT (AP) This city's administration had under advisement today a request that two city parks be opened to non-segregated use by Negroes.

Mrs. Willie J. Brockman, city manager, said three Negroes who told her they represented the National Association for the Advancement of Colored People presented the request yesterday.

WEATHER

NORTH CENTRAL TEXAS: Partly cloudy and warm with scattered showers and local thunderstorms this afternoon, tonight and Wednesday.

WEST TEXAS: Partly cloudy this afternoon, tonight and Wednesday. Widely scattered thunderstorms in extreme east portion of South Plains and east of Pecos Valley. No important temperature changes.

EAST and SOUTH CENTRAL TEXAS: Partly cloudy and warm, widely scattered thundershowers this afternoon and Wednesday, and in north portion tonight. Moderate to locally fresh southeasterly winds on the coast.

Mendes-France Expected To Go Before Assembly Thursday

PARIS (AP) — Pierre Mendes-France, asked to try to form a new French Cabinet, talked today with the chiefs of French military forces as he worked on a new program for Indochina.

He said he would talk late today with Ambassador Jean Chauvel, acting head of the French delegation at the Geneva conference. Chauvel is being recalled from Geneva for the consultation.

Mendes-France said he would report to President Rene Coty tonight on the progress of his negotiations, and would probably be able to say then when he will go before the National Assembly to ask confirmation.

Since tomorrow will probably have to be devoted to writing his speech of investiture, Mendes-France is not expected to go before the deputies before Thursday.

Mendes-France accepted the invitation from Coty to form a new Cabinet to succeed that of Premier Joseph Laniel, who resigned after losing a National Assembly vote of confidence on Saturday.

Mendes-France's chances were considered slight. In addition to the Indochina issue, a major factor is the bad split over the scheduling of debate on ratification of the European Defense Community treaty.

Any successor to Laniel needs the support of both the Catholic Popular Republican Movement (MRP) and the Union for Republican and Social Action (URAS), the latter made up of followers of Gen. De Gaulle. The MRP wants the army treaty debated as quickly as possible; the Gaullists bitterly opposed to the EDC plan, will fight any attempt to force debate.

The new Premier will have to conjure up some formula to reconcile these views. Mendes-France's public statements have been more against than for the European army, a position which will probably cost him support among the MRP bloc.

Observers still can only speculate whether the Assembly, if it came to a vote on EDC, would approve the plan to rearm West Germany as part of a six-nation force. All sources agree the outcome would be close.

Advocates of EDC believed a few weeks ago they could line up a majority of 20 to 30 members. This, however, counted on the support of at least 60 of the 105 Socialists in the Assembly. A special Socialist party congress recently endorsed the treaty and threatened party discipline against members opposing the pact, but there still is a large group of Socialist diehards willing to defy those orders.

U.S. representatives in Paris are exhibiting new impatience with the French delay on EDC, which has been ratified by West Germany, Belgium, The Netherlands and Luxembourg. Some top Americans say they have strung along with French lagging as long as they can. They say they no longer can plead with the American Congress for leniency.

Area's Crops Get Boost From Rains

Rainfall totaled from almost nothing on one corner of Scurry County to more than an inch in another corner yesterday and last night.

This was the first rainfall of consequence here since May 21. In Snyder, the rain totaled .35 of an inch to bring the year's total to 7.26 inches. By this time for the month of June, Snyder had no rain last year, none in 1952, 1.41 inches in 1951, and about one inch in 1950. By this time last year, the total for the year was 4.21 inches, while it was 4.89 in 1952 and 4.95 in 1951. This year's total so far exceeds all recent years except 1950, when about 11.5 had fallen by this time.

The north part of the county got the heaviest rain. Throughout the area the rain was hard. In Kent County, at the Leroy Spires ranch, about half an inch fell, and water was standing on the ground this morning. At the Dan Gibson ranch about 15 miles north of Snyder, 1.3 was reported. Gibson said the rain was hard but did much good. At a point about nine miles north of town, about 1.25 fell hard. It left much water standing in the fields, but most of it ran off. At the P. W. Cloud farm about five miles north of Snyder, the total was about half an inch.

Northwest of Snyder, at the Texas Co. loading rack at Fullerville, about 17 miles out of town, the rainfall amounted to about .6 of an inch, while it ran from .5 to more than an inch in the Fluvanna area.

At Gail, the total was .26 of an inch, but more than an inch was reported about five miles east of Gail. There was rainfall all the way between here and Gail, most points reporting from .3 to .5 of an inch.

Showers were lighter southwest, south, and east of Snyder. About .3 of an inch was reported at Ira, while other areas had lighter rain.

Jake Hodges, soil conservationist here, said the hard rainfall will do much good in places where there was not enough rain to break through the fields.

The rain fell at about the right time, Hodges said, to give field crops the surface moisture they needed. Most areas had ample sub-soil moisture but not enough near the surface.

There was probably little help to pastures from the rain, Hodges said, explaining the rain needed on pastures should be slow and soaking.

No report was available by late this morning on the catch of water in Lake Thomas, but there appeared to be little rainfall in the lake's watershed.

Separations Still Exceed Inductions

Separation of Texans from the armed forces is still exceeding entries, according to the State Selective Service.

During May, 895 Texans were drafted, 2,239 enlisted, and 3,758 were separated. That makes about 100 coming out for every 83 going into the Army.

Local draft boards examined 1,123 men for possible service, and 565 of these were found unacceptable.

The Scurry-Nolan-Fisher board at Sweetwater announced it now has 677 men available for the armed forces, while there are 58 unacceptable. There will be a pre-induction physical examination call for 20 men for July, the board said.

Seven men will be inducted during July through this board. Included are James Bedford Sullenger of Dermott, Doyle Pipkin Parker of Roby, Howard Leon Chance of Sweetwater, Joe Gale Rousseau of Sweetwater, James L. Stevens of Abilene, George Boldin, Jr., of Odessa, and Gary Wayne Berry of Houston.

Eighteen-year-olds who registered with the board during May included Leon D. Haynes and Delbert Hess of Hermleigh, Joe W. Devenport, Cecil Gray, Jr., Charles D. Laurens, Volley G. Yates, Joe L. Rollins, Dewey D. Permenter, and Lawrence H. Hildreth, all of Snyder; Thomas D. Campbell, Carlton E. Sharp, and Donald H. Lewis of Rotan; Jay D. Lynch of Roby, Charles D. Sanders of Roscoe, Walter W. Sweet of Blackwell, Lawrence R. Houghton of Hamlin, Marvin W. Moore, Jimmie L. Jay, Jimmie Y. Watts, Andie Todd, Thomas E. Wideman, Jr., Ysidro A. Navarrette, Wesley R. Sims, Homer D. Sanders, Roland R. Powell, and Richard J. Hamilton, all of Sweetwater.

Arrest Is Made Here

Clifton Brown, about 30, who has been residing at Canyon Trucking Co., was arrested yesterday afternoon on a felony warrant from Bexar County, charging him with child desertion. He is being held in the county jail, pending arrival of officers from San Antonio.

HOSPITAL NOTES

The following admissions and dismissals at the two Snyder hospitals are only those whose names have been released by the hospitals.

BATTENFIELD HOSPITAL

Admissions — Mrs. Jack Cole, 107 Milburn; Mrs. Jimmy Mason, Hermleigh; W. C. McCormick, 1904 Fifteenth Street; Mrs. Maggie S. Jones, route No. 1; Mrs. Joe Evans, route No. 1; Kathy Ingerson, Lamesa; Krista Ingerson, Lamesa; Charles Ingerson, Lamsea; Ray Jones, Snyder; Harvey E. Robbins, Hermleigh.

Dismissals — Raymond Patterson, Snyder; C. E. Hall, Snyder; Mrs. Henry Treat, Dermott; Mrs. J. A. Merritt, route No. 2; John Wilson, Snyder; Jimmy Brooks, route No. 2; Geraldine Little, Snyder.

COGDELL HOSPITAL

Admissions — Mrs. James Perry, Thirty-fifth Street, obstetric; Mrs. Roy Morris, Jr., 1206½ Twenty-seventh Street, obstetric; J. C. Morgan, 3900 Fortieth Street, medical; Mrs. Faynelle Colley, Snyder, surgical; J. M. Phillips, Fluvanna, medical.

Dismissals — Mrs. M. V. Boothe, Lovington, N.M., surgical

McCarthy's Donation Goes At Reduced Rate

WYNANTSKILL, N.Y., (AP) — Sen. McCarthy's donation to the Kiwanis Club auction brought $6 less than a baseball autographed by members of the New York Giants and 25 cents less than a Rensselaer Polytechnic Institute hockey stick.

A bidder paid $7.25 for the autographed ball, while the Wisconsin Republican's gift—a copy of his book "McCarthyism — The Fight for America"—was knocked down for $1.25. The hockey stick sold for $1.50.

Celebrities are asked annually to provide items for the auction.

Misconduct Of Hoffman To Be Aired

TRENTON, N. J. (AP) — Gov. Robert B. Meyner said he will announce today detailed charges of misconduct against the late ex-Gov. Harold G. Hoffman, whose daughter disclosed that he embezzled $300,000 in bank funds to finance his stormy political career and pay off a blackmailer.

Meyner told a news conference yesterday Hoffman wrote a letter May 1 to his daughter, Mrs. Ada Leonard of Madison, to say he embezzled the $300,000 to pay expenses during his four years in Congress from 1927 to 1931 and for his successful 1934 gubernatorial campaign.

Mrs. Leonard, in a letter to Meyner last night, pledged that the Hoffman family would repay every cent of the money. Her mother last Monday was voted a $6,000-a-year pension by the State Legislature. The bill awaits Meyner's signature.

Hoffman, affable after - dinner speaker and president of the fun-loving Circus Saints and Sinners, was suspended March 18 by Meyner as director of New Jersey's Division of Employment and Security, a $13,500-a-year post he had held since he left the governorship in 1938.

At the time of the suspension Meyner said he had evidence of "widespread irregularities" in the purchase of division supplies and equipment.

An authoritative source said the charges against Hoffman include a reference to the $300,000 and recomendations for the dismissal of several persons, including one in another department.

Atty. Gen. Grover C. Richman Jr., who directed an investigation of accounts of the South Amboy Trust Co., of which Hoffman had been president.

Hoffman, a Republican, died of a heart attack June 4 in New York at the age of 58, and the next day Mrs. Leonard demanded that Meyner clear her father's name immediately. In her letter to Meyner last night, Mrs. Leonard apologized to the Democratic governor because "for almost two weeks you have appeared in a crucially unfair position."

Bids Opened For Tractor

Bids were opened from three companies bidding on sale of a crawler-type tractor to the city at a special meeting of the city council at 5 o'clock yesterday afternoon.

Purchase of the tractor was not made, however, because councilmen, the city manager and city engineer wish to study specifications of the three tractors before one is purchased.

Bids were on similar International Harvester, Allis-Chalmers, and Caterpillar tractors equipped with front-end loaders and rear-end ripper attachments.

Bids were:

Plains Machinery Co., Odessa, International Harvester tractor with IH loader, $8,472, plus $735 for the ripper. Plains also bid on the tractor with a Drott loader at a price of $11,030, plus $590 for the ripper.

Moore-Harris Co., Abilene, on Allis-Chalmers tractor, with loader, $11,184.63, plus $650 for a ripper, less $335 discount if paid for in full by Dec. 15, 1955.

Central Texas Machinery Co., Abilene, on a Caterpillar tractor bid a price of $11,435.23, plus $752.67 for the ripper attachment, less a two-per-cent discount if paid in December.

The council instructed the city manager, B. J. Shelley, to meet with representatives of insurance firms here in an attempt to arrange for a single company to handle the insurance affairs of the city. The single company would distribute policies to the other insurance firms, but all claims and policy writing would be handled by the single firm.

A subcommittee of councilmen was appointed to study and make recommendations for changes in the city plumbing ordinance if the subcommittee deems changes necessary.

OIL

Continued from Page 1

fornia No. 1 Weathers, 6490 feet in sand and shale.

NOLAN COUNTY

The Sun No. 1 Beaver is coring at 6,414 feet in lime. A core from 6,382-412 feet recovered 10 feet of gray dense medium crystalline fossiliferous lime with a few thin black limy shale streaks. There was no visible porosity and no show. The other 20 feet were the same except for numerous black limy shale streaks. Total depth is now 6,414 feet.

General Crude No. 1 Cave, on a drillstem test from 3,815-828 feet in lime, had good blows throughout the one-hour test. Recovery was 3,708 feet of gas in the drill pipe, with 90 feet of clean oil and 30 feet of oil-cut salt water.

Also in Nolan, the Sun No. 1-A Stone is drilling 6,345 feet in lime, shale and sand, and the Lion No. 1 Rogers is at 3,355 feet in lime.

The Lone Star No. 1 Walters flowed 121 barrels of oil plus 2.9 barrels of water on a 24-hour potential test at a plugged-back total depth of 3,189 feet. Five and one-half inch casing was set at 3,150 feet and the open hole was treated with 1,000 gallons of acid and fractured with 6,000 gallons of fluid. The No. 2 Walters is one location northeast of the No. 1 Walters.

Texas and Pacific No. 1-B Phelps ran tubing and swabbed the load, recovering five and one-half barrels of oil and 63 barrels of water in 17 hours over the load. There were 5,500 feet of fluid in the hole. Plugged-back total depth is 9,920 feet. Operator is now swabbing to test.

Other reports on Howard projects are: Texas and Pacific No. 2 Haney, 7,912 feet in lime and shale; Texas and Pacific No. 1 Underwood, 8,644 feet in lime; Chaplin No. 1 Myers, 8,460 feet in lime and shale; and Skelly No. 1 Shafer ,5,160 feet in lime.

BIRTHS

Born at Battenfield Hospital:

A daughter to Mr. and Mrs. Jack Cole, 107 Milburn, at 7:15 o'clock last night, weight eight pounds.

A six-pound, 15-ounce son to Mr. and Mrs. Jimmy Mason, Hermleigh, at 7:38 o'clock last night.

Born at Cogdell Hospital:

A daughter weighing seven pounds, 14 ounces to Mr. and Mrs. James Perry, Snyder, at 1:19 o'clock yesterday afternoon.

A daughter to Mr. and Mrs. Roy Morris, Jr., 1206½ Twenty-seventh Street, weighing five pounds, four and one-half ounces, at 6:29 o'clock last night.

WOMEN

A victorious game with the Braves just over, Richard Mahan of the Yankees watches a Cardinal-Cub contest with his mother, Mrs. R. W. Mahan, and an unlucky friend, Bobby Wilkerson. Bobby broke his arm in practice and hasn't been able to play in a game yet. (Lee Watson photograph)

SOCIETY SCRIBBLINGS

How does a mother feel when she sees her son wind up for his first pitch for the Yankees? What happens when she realizes that Sonny has hit that ball so hard it's going to be a homer?

Little League and Pony League mothers know the answers to these questions — answers they've learned by experience since the leagues have been instituted in Snyder.

Most of the mothers haven't missed a game for as long as their sons have been playing — and in many cases that's three years.

Mrs. ALVIN KOONSMAN, who lives on a ranch northwest of town, has seen every game son John Billy has played. That means a 44-mile drive for every game and, according to Mrs. Koonsman, a case of indigestion every time the score gets close.

Known among the Little League set as Babe Ruth's mother, energetic little Mrs. R. W. MAHAN "practically has a fit" every time her son Richard hits a homerun for the Yankees. And that has happened six times already this summer. Richard is 12, so this is his last year in Little League.

Having sons in both leagues can create a hectic situation when both play at one time. Mrs. E. K. SHEPHERD sometimes has to make a decision as to whether she will see James and Paul play for the Little League Cubs, or go to the Pony League and watch David. She says she never gets quite excited enough to jump up and down, but her husband does.

Mrs. C. H. WYLIE gets "weak inside" whenever Ronnie, who's in Little League, or Carroll, a Pony Leaguer, comes up to bat. The most exciting moment she can remember is arriving with Ronnie's bat just in time for him to hit a homer.

Mrs. MARVIN KEY gets excited whenever Roland or Wayne comes up to pitch. With two boys playing for the Giants, Mrs. Key is another mother who has never missed a game when her boys are playing.

Mrs. VIRGIL FLEMING has two boys on one team too — Jerry and Bubba, playing for the Braves —and on top of that a husband who coaches in the League. Nothing but baseball for that family!

Another baseball family is that of Mrs. DWAINE WALTON, who keeps up with the team her husband manages — the Giants — and a nine-year-old-son, Dalton, playing his first year of ball. Mrs. FRANK WEAVER finds baseball creates something of a conflict in her family. Her husband coaches the Indians and her son Bill plays for the Cubs.

The most memorable game for Mrs. BILL ROBERTS is still the first game she ever saw her son play. Tim was pitching for the Indians that night and got 12 strike-outs. That's the only time they've ever beat the Yankees, says Mrs. Roberts.

Having a son on the team is no prerequisite to getting all worked up over the ball games. Mrs. CHARLES BAKER, usually sitting in the car with ten-months-old Jane Ellen asleep beside her, watches the Braves through almost every game. Her husband is manager of the team. Another manager's wife, Mrs. SKIPPER JOYCE, who roots for her husband's leading Yankees, often serves as score-keeper.

All tied up with Pony League since its beginning here is Mrs. SPEEDY MOFFETT. Son Mike is now playing his third year for the Cardinals and her husband is serving his third year as president of the League.

Mothers of both Little League and Pony League players are organized groups, with committees handling concession stands and bucket-money contributions. Mrs. LESTER GLADSON is president of Little League Mothers and Mrs. STANLEY KERBOW heads the Pony League group.

PERSONALS

Week-end guests of Mrs. Billie Youree, 3102 Hill Avenue, were Mrs. Clayton Branch of Rotan and Mrs. Millard Blount of Fort Worth.

Mrs. L. V. Bowers and daughters Linda Ann and Candy of Midland visited Mrs. Bowers's parents, Mr. and Mrs. Bernard Longbotham, Sr., 2112 Thirtieth Street, last week.

Mr. and Mrs. Don G. Robinson and children Gealene, Jimmy Don, and Doris Gean, 2711 Avenue F, attended a family reunion in Abilene over the week end.

Mr. and Mrs. Charles Stonyers and family of Abilene visited Sunday in the home of Mr. and Mrs. Riley Campbell, 112 Twenty-fifth Street.

Miss Janace Morgan of Mangum, Okla., is a visitor in the home of Mr. and Mrs. J. F. Gelnar, 3103 Cherry Street.

Mrs. L. W. Edwards of Dumas visited last week with Mr. and Mrs. J. M. Glass, 510 Thirty-third Street.

Billy Harris, son of Mr. and Mrs. L. D. Harris of Abilene, is visiting his grandmother, Mrs. R. E. Gary, 501 Twenty-ninth Street.

Mr. and Mrs. John Curry 3214 Fortieth Street, returned Sunday night from their vacation trip on which they visited Mr. and Mrs. K. P. Moore in Houston, Mr. and Mrs. J. D. Tidwell in Nacogdoches, and Mr. and Mrs. Bert McDonald in Emerson, Ark.

Cat Uncovers Huge Cavern In Back Yard

BALTIMORE (AP) — Mrs. Irene Showalter saw the family cat scratching at a hole in the back yard yesterday.

So the South Baltimore housewife went out and chopped at the hole with a hoe, thinking it might be a rat hole. Then she decided to wait until her husband came home from work to investigate further.

But by the time Showalter came back, the back yard was minus a chunk of earth four feet in diameter and at least eight feet deep.

Police said the cave-in might mark the site of an old well.

Wax protects window sills from rain spots, so give the sills an application of the wax at least once a month.

INTERNATIONAL DESIGNERS PATTERN

Nancy Layton

Each season Nancy Layton imports from European fashion marts a collection of day to evening clothes to copy or modify according to the tastes of her clients. Today's jacket ensemble is typical of her imported ideas. Utterly simple, all emphasis is placed on line, cut to focus attention to the graceful curving of bosom, waist and hips. The shoulders have an exaggerated slope which makes a lovely fold from shoulder tip to the Y-shaped darts on either side of the jacket. The skirt is gored in back, has two front box pleats emerging from the darts of the bodice and following those of the jacket. It's best in a stiff fabric such as faille, bengaline or a crisp cotton with petticoats to make the skirt stand out. Size 12 requires 5⅞ yards of 39-inch material for the dress and 1⅞ yards of 39-inch material for the lining. To order pattern No. S-223, address International Designer's Patterns, P.O. Box 993, Dept. SX-13, G.P.O., New York 1, N.Y. State size. Send $1.00. Add four cents for handling, if paid by check or money order. Airmail handling is 25 cents extra. Be sure to give bust, waist and hip measurements when ordering.

Does spattering fat from a skillet annoy you? Then fit a collar of foil, about four inches wide, around the pan. Use a double thickness of foil for the collar.

Helps For Homemakers

Send your questions to "Helps for Homemakers," Snyder Daily News, or call 3-3600.

Moonlight suppers are very refreshing after a long, hot day. The following menu for a moonlight supper is offered: personality steak, baked potatoes, fruit salad or cole slaw, and toasted cheese rolls.

Following is a recipe for personality steak.

1½ pounds ground beef
1 teaspoon salt
⅛ teaspoon pepper
½ teaspoon celery salt
½ teaspoon dry mustard
3 tablespoons flour
3 tablespoons butter
4 tablespoons minced onions
3 cups milk

Add salt, pepper, celery salt, mustard, and flour to ground beef. Mix thoroughly. Melt butter in skillet, add onions and cook until lightly browned; add ground beef mixture and brown. Slowly add milk, stirring the mixture, and cook until thick. Add 1 or 2 cups of grated American cheese if desired just before serving. Serve over baked potatoes. Serves 8.

* * *

To have good, hot, mealy baked potatoes for an outdoor meal try selecting potatoes about the same size so that all will be done at the same time. Scrub them well. Place them in hot coals and cover them with embers. Medium potatoes bake in about 1 hour. If you want to hurry them, parboil potatoes at home and cover them with the hot ashes around the edge of the campfire.

WOMEN'S CALENDAR

TUESDAY

54 Bridge Club, 7:30 p.m., at the Highlander, Mrs. C. N. Segner, hostess.

WEDNESDAY

Mary Martha Circle, First Methodist Church, 9:30 a.m., Fellowship hall.

Order of Eastern Star, officers practice, 9:30 a.m., Masonic hall.

Rebecca Circle, Trinity Methodist Church, 9:30 a.m., Central Elementary School.

Wednesday Bridge Club, 12:30 p.m., with Mrs. N. R. Clements at the Country Club.

THURSDAY

O.E.S. stated meeting, 8 p.m., Masonic hall.

FRIDAY

Ladies' Day, 9:45 a.m., at the Country Club.

SATURDAY

Saturday Night Duplicate Club, with Mr. and Mrs. Charles N. Snyder, 3724 Rose Circle, 8 p.m.

Hostesses at a coffee which opened the rodeo queen campaign were Mrs. Whit Thompson, Jr., left, and Mrs. Max West.

Coffee Honors Queen Entrants

A kick-off coffee at the country club Saturday morning opened the campaign for a Scurry County Rodeo queen. Mrs. Max West and Mrs. Whit Thompson were hostesses. Honorees were queen candidates, their queens of the future, and mothers of both groups.

Steering committee for the coronation campaign — which is planned to bring in money for a women's clubhouse here — includes Mrs. Fred Bullar, Mrs. Jack Bowden, Mrs. Holman Odom, Mrs. E. J. Richardson Jr., Mrs. John Casebier and Mrs. John Hall.

Votes, which can be bought at 50 cents for 50 votes, will elect the queen and also bring in funds to add to the $10,000 already donated for the project by D. M. Cogdell, according to Mrs. E. A. Brooks, publicity director. Mr. Cogdell has also donated land for the house, which will be available to any woman's club group in Snyder, Mrs. Brooks says.

Shaped rods, obtainable in most drapery departments of stores, may be used in curtaining arched windows.

Lost 41 Pounds With Barcentrate

Mrs. Tom Carson, Route 2, Box 220, Austin, Texas, states: "I want to tell you how much Barcentrate has helped me. I weighed 192 pounds. Was tired and short of breath. I could tell the difference after the first bottle. I ate anything I wanted—only cut down on starches and sweets. I lost the 41 pounds taking eight bottles. From 192 to 151, an average weight loss of five pounds per bottle."

Get Barcentrate from any Texas druggist. Money back guarantee.

SIMULATED AIR RAID

Bustling 42nd Street, looking east where it crosses Fifth Avenue, is crowded, as shown in the top photograph, shortly before the start of a simulated air raid Monday in New York City. The lower photograph shows how the street was cleared as the Civil Defense Administration "Operation Alert" took place.

Governor Hopefuls Turning On Steam

By CLAYTON HICKERSON
Associated Press Staff Writer

All three candidates for the Democratic nomination for governor of Texas had new fodder in the campaign hopper Tuesday.

Mid-June found the governor's race heating up with the weather. There were th se other developments. Big city control in a September convention overwhelmingly for Gov. Allan Shivers appeared assured for the Democratic Party after a meeting of the State Democratic Executive Committee in Austin.

2. Republicans were finding details of setting up machinery for their part in the July 24 primaries bothersome and annoying. Their governor's candidate—Tod Adams of Crockett—said if he were elected there would be continued segregation in Texas schools, regardless of the Supreme Court's recent decision.

Hits 'Phone Rates

3. C. T. Johnson, opposing Ben Ramsey's bid for a third term as lieutenant governor, said if he were elected on the Democratic ticket he would seek "adequate" state control over telephone and other utility rates.

Gov. Shivers said in Pasadena Monday night that there is plenty of room in Texas for additional industrial growth but that the only vacancy for Communists is in jail.

The governor spoke at the annual banquet of the Pasadena Junior Chamber of Commerce in a speech in Houston at a meeting of the Texas Cotton-Seed Crushers Assn., shook hands with more than 1,000 persons in Baytown, and made television films for use in his campaign. He scheduled breakfast Tuesday morning with 1,200 Houston supporters.

Shivers' most talked about opponent, Ralph Yarborough of Austin, was also in Harris County Monday night in a television bid for the most populous county's big vote.

Yarborough emphasized the party loyalty and no-third-term issues repeatedly.

Tradition Cited

"Texas tradition condemns a third term," Yarborough said. "We approved the 22nd Amendment which forbids a third term for President." The candidate continued:

"And even if we weren't guided by the wisdom of tradition, common sense would warn us against perpetuity in office because it so surely invites laxity and indifference regardless of the man perpetuated in office.

"Leave any administration in office long enough and the fixers, the backdoor boys, the influence peddlers will find a way."

A third term, Yarborough said, gives a governor more power over the state government than the framers of the Constitution intended.

"We have set up most of our state boards on a three-term rotation," he said, "so that there is always one man on each board not beholden to a chief of state."

"Three terms for any governor," he continued, "and this carefully devised safeguard is swept away. Then you have a political machine no man would dare challenge."

Shivers Hits Sales Tax

Shivers took occasion while in heavily-industrialized Harris county to speak out against a general sales tax and a state income tax. He said lack of those two items and the state's balanced economy was attractive to Eastern and Midwestern industrialists.

"I intend to keep it that way," the governor said. He was to speak Tuesday night in Bastrop before a combined Bastrop-Smithville Lions Club meeting. Wednesday, the governor takes his campaign west to Amarillo, Lubbock and Abilene.

Yarborough was to stay over Tuesday in Harris County for meetings with campaign workers. He also heads west Wednesday—to Midland, Odessa, and Big Spring.

Johnson continued to enliven the lieutenant governor's race with prepared statements handed to newspapermen. "For too long," he said Monday, "Texans have been left at the mercy of the Bell Telephone monopoly with its ever-increasing rates."

Some dinosaurs were 80 feet long and weighed more thn 40 tons.

Bradley Turned Down Bid To Run For Senate

OAKLAND, Calif. (AP) — Retired General of the Army Omar N. Bradley says he was approached by "certain parties" to be the Democratic candidate for the U.S. Senate from California but that he declined.

Bradley, a resident of West Los Angeles here for a USO fund-raising speech last night, told newsmen:

"I spent eight years in Washington, and I wouldn't go back there on a bet."

Officers Find Payoff Money In Kidnaping

PHOENIX, Ariz. (AP) — Discovery of the $75,000 ransome money cleared up a major mystery in the puzzling Evelyn Ann Smith kidnaping case today.

The missing cash, bundled in a man's work shirt with a shiny pistol lying on top, was found near the Superstition Mountains yesterday. The "hiding place" was less than 10 feet from a road over which dozens of officers had traveled since Friday.

About 100 yards away is a ranch house near which Daniel J. Marsin, an unemployed Phoenix welder, was arrested shortly after the ransom was paid by Mrs. Smith's husband Herbert.

Marsin, 41, was identified by Mrs. Smith as her abductor.

Police continued the search for a rifle and binoculars the kidnaper was reported to have used.

Meanwhile, Marsin waited in jail for a preliminary hearing on a charge of kidnaping tomorrow. Marsin's attorney, John J. Flynn, has said "lots of answers will be given" at that time.

The questions to which Flynn referred and the sudden discovery of the payoff money prompted County Atty. William P. Mahoney to call this "the most fantastic kidnaping case in American history."

He said he believes the intricate planning that went into the kidnaping would link Marsin to the crime.

Last night the FBI was accused by Police Chief Charles P. Thomas of having delayed a description of the kidnaper.

Thomas told the City Council that FBI agents had tried to "run the whole show" and had scoffed at police for detaining Marsin at all.

"They told city officers that the suspect had nothing to do with the crime," asserted Thomas.

He said the federal agents delayed gaining a description of the abductor by bringing the victim into Phoenix for questioning.

The case, added Thomas, is "very definitely a bona fide kidnaping."

Bailey Rites Due In Anton

William Lemuel Bailey, 72, a resident of Snyder for eight months, died of a heart attack about 4:35 p.m. yesterday while working on a housing project at 500 Thirty-fifth Street.

Mr. Bailey, whose Snyder residence was 1406 Twenty-first Street, was formerly of Arch, N.M.

Funeral arrangements are incomplete. The body will be carried by Bolger Funeral Home to Anton, where services will be held some time Thursday.

Survivors are his wife, Mrs. Florence Bailey of Arch, N.M.; his mother, Mrs. Julia Bailey of Anton; one daughter, Mrs. Sarah Griffith of Arch; and six sisters, Mrs. Celia Brock of Dallas, Mrs. Susie Gordon of Gardenia, Calif., Mrs. Trudie Aaron of Compton, Calif., Mrs. Winnie Young of Anton, Mrs. Edna Jacobs of Maud, Okla., and Mrs. Beulah Corley of Pampa.

SPORTS

Local League Games Postponed Monday

If fields are not too wet, there will be play in two baseball leagues tonight.

The Pony League has its regular scheduled games tonight, while the Little League plans to have games which were rained out last night. No schedule has yet been named for playing of the city league game rained out last night.

Set for play in the Pony League tonight are the Courthouse Tigers and Von Roeder Red Sox in the 7 o'clock game and the Scurry Eutane Dodgers and Lions Club Phillies in the 9 o'clock game. These games are to end the first half of the season for the league.

The Red Sox are still leading the Pony League standings with a 6-0 record, while the Tigers are second with 4-2. The Dodgers run third with 2-4, and the Phillies are on the bottom with no wins in six starts.

The Tigers lost two previous matches with the Red Sox 3-2 and 5-3. Those were their only losses of the season. They are batting .226 to the Sox average of .147. Jimmy Allen is the Tigers' top batter with .444, while Richard Pickett leads the Sox with 1.000. Pitchers for the Red Sox include J. T. Myers (2-0), Dick Hayes (2-0), and Bud Morgan (2-0). Those for the Tigers include Dean Staton (3-0) and James Patterson (1-2).

The Dodgers, batting .171, are led at bat by Neil Boyd and Harley Merritt with .235 averages. The Phillies are batting .081 and are headed by Maxey Carey with .294. Pitchers for the Dodgers include Ronnie Baker (2-3) and Johnny Griggs (0-1). Those for the Phillies include Jackie Tucker and Carol Wylie, each with 0-2 records, Mickey Craig and John Ward, each with 0-1.

Last night's games set for tonight in the Little League are the Kiwanis Braves vs. Holder Indians and Lions Cubs vs. Quarterback Giants. The Braves hold second place in the league with a 6-2 record, the Indians third with 5-3. The Cubs are fifth with 1-6, the Giants last with 0-8.

Shreveport In First Again

By WHITEY SAWYER
Associated Press Staff Writer

Shreveport beat Dallas 14-3 Monday night to ease back into first place in the Texas League, one-half game ahead of San Antonio.

Sunday night the San Antonio Missions wrested the lead from Shreveport, but lost it Monday as they fell to the Oklahoma City Indians 6-3.

The Houston Buffaloes fell off a four game winning streak, losing to Tulsa by 10-6. Tulsa's Joe Szekely hit a pair of home runs to lead the Oiler's attack.

Beaumont got 13 hits from four Fort Worth pitchers to beat the Cats 8-2. Fort Worth was pretty well out of the game after the third inning when the Exporters scored four runs.

Dallas started off strong, jumping to a 2-0 lead in the first inning, but Shreveport's hitting soon pushed it out in front. A nine-run spree in the eighth inning kept the Sports there. They collected 17 hits, including homers by Bud Heslet and Don Spencer, three triples and three doubles.

The only bright spot for a record 1954 San Antonio crowd of 5,359 was a homer in the eighth, none on, by Joe Durham. It was Durham's eighth of the year.

The League was still a tight race, with San Antonio only one-half a game out, and Oklahoma City and Fort Worth, the other two first division teams, only three games behind Shreveport. Last-place Dallas was eight games out after a loss Monday night.

Williams Left Home Because Of Illness

BOSTON (AP)—Ted Williams, Boston's power-hitting outfielder, was still confined to his hotel suite today with a virus infection that will keep him from joining the Red Sox for an indefinite period of time.

Williams has been out of action for nine days but only yesterday, when the team enplaned for Detroit for the start of a Western trip, was the seriousness of his ailment revealed.

"Williams has a viral infection of the right lung, bordering on pneumonia," said team physician Dr. Timothy Lamphier.

Championship Bowling Tournament Scheduled

DALLAS (AP)—The Texas Women's Bowling Championship Tournament will be held here at the Hap Morse Lanes March 4-April 2 next year, Mrs. J. C. Pfeiffer, tournament chairman, said today.

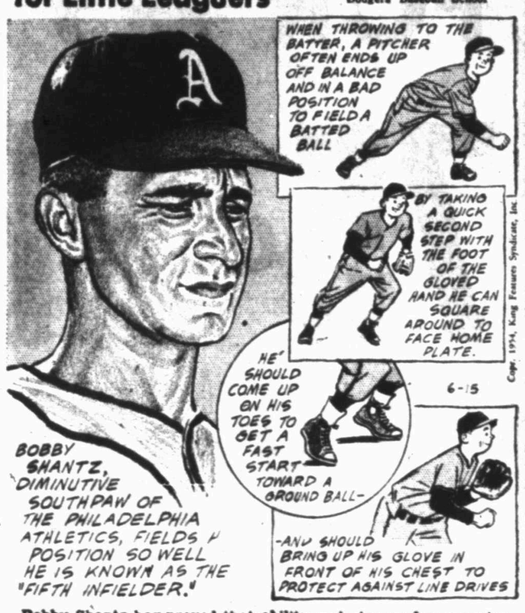

Dates for the tournament were set at a meeting of officials of the Texas Women's Bowling Assn. and officers of the Dallas Women's Bowling Assn.

There will be 500 teams of 2,500 women bowlers from over the state and it will be the largest tournament in the history of the association, Mrs. Pfeiffer said. The 1953 tournament at Austin drew 350 teams.

INSIDE BASEBALL for Little Leaguers

By MICKEY McCONNELL
Director of the Brooklyn Dodgers Baseball School

Bobby Shantz has proved that ability, not size, makes a major-league pitcher, but Bobby's ability is based on knowledge of all phases of the game. He might be described as "the complete player" because he can field his position, bat, bunt and run bases in addition to delivering the ball to the batter.

With adequate practice, every pitcher should become a good fielder. The ability to turn one possible hit into an out often means the difference between victory and defeat.

Pitchers generally finish their motions with the pitching arm pointed toward home plate. If the pitcher stays this way when the ball is hit, he will have trouble fielding a ball hit to his right if he is a right-handed thrower and to his left if he is a left-handed thrower. By taking a quick step with the foot of his gloved hand, he can square around to face home plate.

Snyder Blue Sox Trim Stamford Team

The Snyder Blue Sox, Negro women's team, Sunday afternoon downed a Stamford team 18-1 in a softball game, moving their record to five straight wins.

Eight of the Snyder team's nine players hit home runs in the game. Alberta Forrest and Georgia May Collins hit grand slams. There were two on base when Ettie Ruth Spears hit her homer. None were on base when home runs were hit by Sedalia Green, Earnestine Green, Willie B. Walters, Rebecca Jones, and Rosa Nell Walker.

Rosa Nell Walker was winning hurler, pitching the whole game. She gave up six hits and struck out 11. The Snyder team got 31 hits in the game.

The team will meet the Snyder Independent softball team at 8 o'clock Friday night on the Towle Park softball diamond.

43 Entries Listed For Net Tourney

Forty-three entries have been registered in the first annual city tennis tournament by about 30 persons.

Bill Ballard, tournament committeeman for the Junior Chamber of Commerce, which is sponsoring the tourney, said matches will be announced sometime tomorrow.

Play will begin Thursday in preliminaries and will continue through Friday. Finals will be played Saturday. The tennis courts at Towle Memorial Park will be reserved during the three days for the tournament, Ballard said.

There will be seven championships declared from the tourney. There are no entries in five additional divisions which had been set up. Those include doubles for boys under 15, doubles and singles for girls 15 through 18, and doubles and singles for girls under 15. There were two boys entered in doubles for those under 15 but no opponents, so they have been placed in the division for those 15 through 18. There were two girls entered, but they have been placed in the women's division because of lack of competition.

There are 11 entered in men's singles and five teams entered in men's doubles; six in singles for boys 15 through 18 and three teams for doubles in that age group; four boys in singles for those under 15; five women in singles and three teams in doubles.

New balls will be used in the tourney. Play in preliminaries will consist of the best two-out-of-three sets, while that in the finals will be best three-out-of-five.

Several Seek Buc Pitchers

NEW YORK, (AP)—Max Surkont and Vern Law, the only Pittsburgh pitchers who have won more than two games, appeared to be the players most sought after today in the hours before the midnight dead line on major league baseball trades.

The St. Louis Cardinals and Chicago Cubs both have talked deals with the Pirates involving the pitchers but so far nothing concrete has developed.

The Cubs, 11 games out of first place, probably could not be considered strong pennant contenders unless they could land both men, but the Cardinals, 6½ behind, might still be dangerous with the addition of only one consistent pitcher.

Chicago beat Surkont last night but the right-handed veteran still has a 5-7 record with the last-place Pirates. Law beat St. Louis in his last outing and has a 5-6 mark.

The New York Yankees still are looking for extra pitching help and have been reported interested in Sid Hudson of the Boston Red Sox and Alex Kellner of the Philadelphia Athletics. One source said infielder Johnny Pesky, who moved from Detroit to Washington over the weekend, was headed for the Yankees but the Yanks and the Senators promptly denied it.

The Red Sox have been eyeing Eddie Yost of the Senators but apparently don't have the trade bait that would interest Clark Griffith.

Buzzy Bavasi, vice president of the Brooklyn Dodgers, said he's been looking for a pinch hitter, preferably right-handed, but hasn't had any success.

Bavasi admitted he has been talking with Chicago, Cincinnati and Pittsburgh.

Women's Softballers In Action On Monday

The Fikes & Grimmett women's softball team brought their season record to 2-2 last night by defeating the Snyder Independent women 14-5.

Nita Burris was winning hurler in the game, and Billie Osgood was loser.

The Fikes & Grimmett team led off at the first of the game. Ruby Medford, Ettie Lee, and Arlene Neeper all hit triples for the winners in the game.

The winning team has tentatively scheduled an Odessa team to play here Thursday night.

Williams Is Named Howard Payne Coach

BROWNWOOD (AP) — Bennie B. Williams will become head basketball coach at Howard Payne College, succeeding W. H. (Bill) Hinton, who is assistant to the president of the college.

Hinton will devote full time to administrative duties.

Hinton's team won the Texas Conference basketball championship the past season.

Majors Find Home Is Not Exactly Sweet

By BEN PHLEGAR
Associated Press Sports Writer

The major league ball clubs were on the move again Tuesday wondering what ever became of Home Sweet Home.

Back in the old days—that elusive period when everything was better—the teams counted on building up a nice bulge on the opposition during the long home stands as protection against the ravages of Pullman jumps.

Home isn't like that any more, especially in the National League.

Seven of the eight senior circuit teams can't win for losing in their own ballyards this year. The single exception is the New York Giants.

The Giants have won 13 and lost 8 in the Polo Grounds. The next best home record is a sub-par 9-10 by the defending champion Brooklyn Dodgers.

If things continue to go as they have so far, the immediate future looks bright for the Giant fans. Both the Dodgers and Giants open long home stands tonight—the Dodgers against the Milwaukee Braves whose 14-6 mark is the best road record in the league, and the Giants against the Cincinnati Redlegs, who are 11-11 away from home.

In the American League, Cleveland, Chicago and New York, 1-2-3 in the standings, own winning records both home and away. Of the other five, Philadelphia is even at home and the others haven't been able to keep on the plus side regardless of where they've played.

Just as the Giants' prospects look bright, so do the immediate hopes of the league-leading Indians. Cleveland has the best home record in either league—16 victories and 6 defeats—and opens a 13-game home stand tonight against Washington.

Cleveland stretched its lead to two games over Chicago yesterday by beating Boston for the fifth straight time. The score was 13-5 with the Indians unloading 22 hits against Bill Henry, Tom Herrin and Tom Brewer. The game was the only action in the American League.

In the National League's single contest the Chicago Cubs celebrated their escape from the Windy City where they lost 10 out of the last 12 with a 6-5 verdict over the Prates at Pittsburgh. Hank Sauer's 20th home run, with Ralph Kiner on base, gave the Cubs the deciding runs.

Cage Coach Named

CENTERVILLE (AP)—Bill Barrington has been named head football and basketball coach of Centerville High School, replacing L. D. Becktold, who resigned to become head coach at Grapeland.

Barrington comes from Caldwell, where he was head basketball and assistant football coach.

Qualifying To Start

DALLAS (AP)—Seventeen players will qualify from Dallas for the national Public Links Golf Tournament here July 10-17.

Sectional qualifying will be June 25 with 173 entries shooting for the 17 places, Gordon Young, sectional chairman, said.

Six players who were with the Cleveland Indians when they won the 1948 American League pennant and World Series are still with the club.

THE GROWING TREND TO LINCOLN

Look at modern living on the move--then try it!

This picture gives you just a glimpse. You've got to put yourself *in* this picture to find out how modern your driving can be. And the way to do that is to come in and see us. We'll give you the keys. You do the rest.

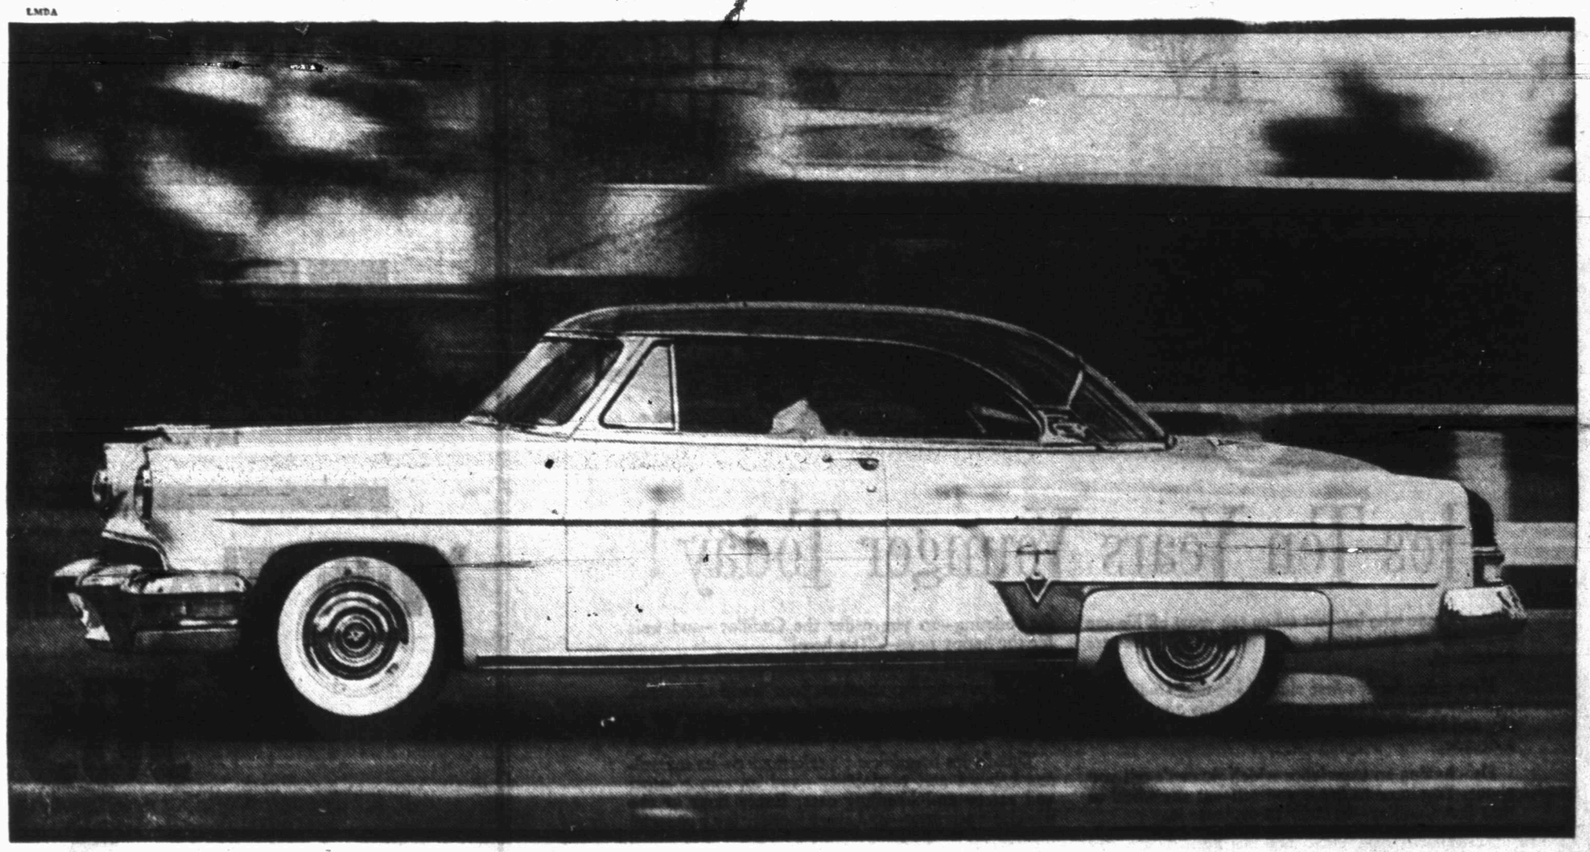

Take the new Lincoln out in traffic. First you'll notice that you can see more of the road. Lincoln's hood is low—the fenders where you can see them. It's easy to tell how near you are to the car alongside.

Next, head for some rugged back roads. Test Lincoln's handling on hills, around sharp curves, over ruts. You'll find you're in complete control at all times. The reason is more than metal deep. It's the *hidden quality* engineered in every Lincoln. Advances like the precision-balanced chassis, ball-joint front suspension, and variable-rate springs.

Then take Lincoln out on a parkway. Whatever happened to that traffic that was ahead? You feel a supreme confidence for you command the mighty Lincoln V-205 engine—the finest of high-output, low-friction designs to come from the most experienced of V-8 builders. The gentlest touch of your toe lets you surge ahead because of Lincoln's new vacuum-controlled 4-barrel carburetor.

Do more than *look* at modern living on the move. Come in and try it.

For the fourth straight year, Lincoln wins first place in its field for economy in the famous Mobilgas Economy Run.*

McCarthy Changes Direction Of Accusations Frequently

By JAMES MARLOW

WASHINGTON (AP)—Just as the old question of who threw the overalls in Mrs. Murphy's chowder has never been answered, Sen. McCarthy may never make up his mind on who "instigated" Army officials' charges against him.

Like a man hit when he wasn't watching, McCarthy has been looking around for suspects ever since, pointing to one individual after another as the cause of his troubles. Sometimes he found them in pairs.

He began by emphatically accusing two officials of the Eisenhower administration. As the testimony unfolded, he accused more of them, and has wound up putting the blame on a pair of Democrats, just as emphatically.

The calendar tells the story:

March 11. An Army report accused McCarthy and his aides of trying to pressure it into giving preferential treatment to Pvt. G. David Schine, a consultant to McCarthy's staff before he was drafted.

March 12. McCarthy accused Secretary of the Army Stevens and Army Counselor John G. Adams of blackmail. He said they were trying to pressure him into abandoning his search for Communists in the Army.

Both denied his accusations and later, at the public hearings, took full responsibility for issuing the charges.

April 20. McCarthy accused H. Struve Hensel, assistant secretary of defense of masterminding the charges against him. He said Hensel wanted to discredit McCarthy's subcommittee and head off a probe of Hensel's own "misconduct" and "possible law violations." Hensel called these accusations barefaced lies. (On May 26 the Republicans on the subcommittee threw out the charges against Hensel and Army charges against Francis P. Carr, a McCarthy aide.)

May 12. Adams testified at the hearings that on Jan. 21 he had met at the Justice Department with Sherman Adams, President Eisenhower's first assistant, Atty. Gen. Brownell; Dep. Atty. Gen. William P. Rogers; Henry Cabot Lodge Jr., chief U.S. delegate to the United Nations; and Gerald Morgan, another member of the White House staff.

Adams said he told the group of Army troubles with McCarthy and his staff and that Sherman Adams advised him to keep a record on it, which later became the basis for the March 11 report.

May 17. Eisenhower issued an order forbidding Adams to say any more on the conference. McCarthy protested this was an "Iron Curtain," preventing the subcommittee from knowing who was really responsible for the Army's charges. He said Brownell and Rogers must have had a hand in instigating them, and added "I fear in my mind" he was doing an injustice to Adams and Hensel in calling them the instigators.

May 24. Stevens and Adams said under oath the Army alone was responsible for the charges. McCarthy then contended the charges were "instigated" by White House aides.

June 4. McCarthy accused Rogers, the deputy attorney general, of taking part in "lighting the fuse . . . setting up the machinery" for the Army's charges. This was after it was revealed, in monitored telephone conversations, that Sen. Symington (D-Mo) told Stevens that Rogers "is on your side."

Symington also told Stevens he needed a lawyer and recommended Clark Clifford, now in private law practice but at one time former President Truman's special counsel.

June 5. McCarthy said it now appeared Stevens is a "fine, innocent fellow" who got "mousetrapped" into touching off the hearings "by smart Washington politicians." He accused Symington and Clifford of using the hearings in an attempt to destroy the Republican party.

June 7. McCarthy accused Symington of "instigating" the Army's charges, and he said Symington and Clifford connived with the "not too brilliant" Stevens in an effort to "get the Republicans to commit suicide."

WINS CONGRESSIONAL NOMINATION

James Roosevelt, surrounded by supporters at his headquarters in Los Angeles, waves a telepram in which his principal opponent for the Democratic 26th district congressional nomination conceded Roosevelt's victory. Roosevelt, who had been criticized because of his recent domestic difficulties, won the nomination by a ratio of about 6-1 over his closest opponent. He will meet Republican Theodore Owings in the general election.

Juneteenth Plans Made

Plans are being completed this week by a committee of Negro residents for their big "Juneteenth" celebration here Saturday.

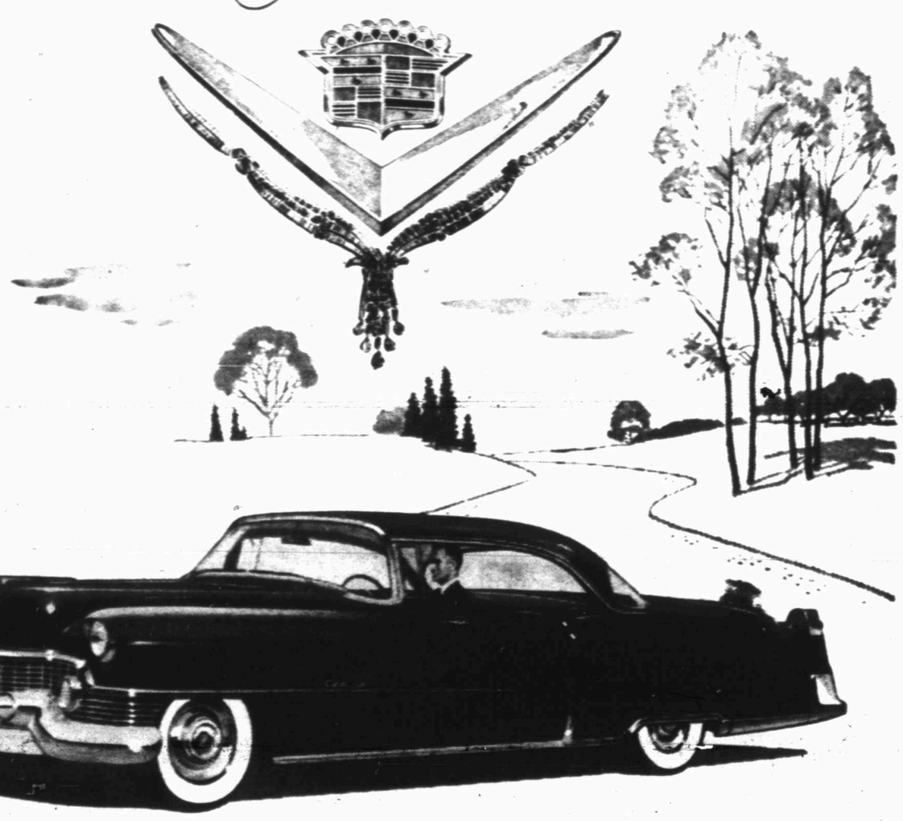

This is one of the largest events ever to be held here by the Negro population, who will be celebrating freedom of the slaves.

J. C. Smith, a member of the committee, said activities will begin with a parade at 1 o'clock Saturday afternoon. At 3 o'clock, a double header will be played on the Negro baseball field south of the Negro section of Snyder. The Snyder Black Tigers will play the first game against a Lamesa team. No opponent has yet been announced for the Negro women's team, which will play in the second game.

At 8 o'clock Saturday night, a big dance will be held at the baseball field in conjunction with a barbecue. Smith said a platform will be built for the dance. Music will be furnished by the Joe Hawkins band of Odessa.

Much of the meat to be used in the barbecue is being donated, Smith said. During the dance, a jitterbug contest will be held. Smith said two couples have already indicated they will be in the contest.

Cadillac

He's Ten Years Younger Today!

Here's a man who has just taken ten years off his age—insofar as his spirits and mental outlook are concerned.

He's going for his first ride in his first Cadillac—and he's a happy, happy man—with his hopes in the sky and his heart singing a song it hasn't recalled for a decade.

He's having an experience which we can't tell you about. You have to *live* it yourself—at the wheel of that first Cadillac—in order to evaluate it.

You know how it goes. You work and you worry and plan and hope. The years go by—and, bit by bit, you get things done. The insurance creeps up where you want it—the mortgage ... the home goes into the fire—there's that nest-egg against the future and the college fund is in the bank.

And then, one day, you feel there's no further need for resisting—so you order the Cadillac—and wait for the happy news—"It's here!"

Your ride home will live in your memory forever. You've put the cap sheaf on your world of dreams.

Of course, this great sense of personal well-being is only the *first* thrill that comes with your Cadillac.

There's its magnificent performance—its marvelous balance and roadability—and its rare comfort and safety and handling ease. Every hour at the wheel is a privilege—and every journey is a wonderful memory.

Is the time about right for *you* to step up to a Cadillac?

If so—please come in and see us. The longer we're in business, the happier we are when we deliver a man his first Cadillac.

We'll be waiting to welcome you—anytime.

YOUNG SIGNALS VICTORY

Financier Robert R. Young, a former Texan, who was certified Monday as winner of the battle for control of the New York Central Railroad, clasps hands in a victory gesture outside the New York Central Building. With him is Alfred E. Perlman, executive vice president of the Denver and Rio Grande Railroad, expected to be Young's choice as new president of the New York Central, and Mrs. Lila Acheson Wallace, co-owner of the Reader's Digest and a member of the new slate of New York Central directors.

Airline Receipts Go Down, Despite Increase In Traffic

By STEVEN V. DAVID

NEW YORK (AP) — The nation's airlines, busy carrying a record number of passengers in these early summer days, ought to be making more money than ever. The sad fact is that they aren't.

"We had the best May ever," Eastern Air Lines reports, "but we have to carry more passengers these days to make the same amount of money as a year ago."

Trans World Airlines also carried more passengers than in any other May, and American Airlines set a new record for any month by flying an estimated 325 million passenger miles. But, says American, it doesn't expect to make as much money in this quarter as it did in the same period a year ago.

United Airlines also notes a record May but thinks a rise in fares wouldn't hurt at all. On that point, however, there's sharp disagreement in the industry; opponents contend that boosting fares would reduce the number of passengers.

What's the explanation for the airlines' smaller profits?

"Costs per plane mile are down and volume is up about 10 per cent over a year ago," comments one airline official. "The trouble is that we've been adding new equipment faster than passenger traffic has been growing."

This means that load factors—the percentage of available seats that are filled—have fallen to an unsatisfactory level, increasing costs per revenue mile.

And about all the airlines can do—since they are reluctant to trim schedule frequency very much—is to wait until passenger traffic catches up with the number of seats.

That's going to be some time, however. The airlines are taking delivery of big new planes all the time, and will be for some months to come. After that, though, there should be a period of consolidation until the jets are ready to fly domestic routes.

There are other problems too. The cost of wages and materials has continued to rise. And for more airlines there have been expenses connected with the introduction of new planes like the Douglas DC7. But the major problem remains that of filling a large percentage of available seats.

Because of the situation, more emphasis than ever is being put on the mass transportation end of the business—the so-called air coach or air tourist flights. TWA, a leader in this field, says that about 54 per cent of its passengers on domestic routes and 72 per cent of those on international flights travel tourist class. Pan American World Airways also is carrying more than 70 per cent tourist, but notes that this figure will decline once the summer travel season ends.

More Comfort Wearing
FALSE TEETH
Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an improved powder, sprinkled on upper and lower plates holds them firmer so that they feel more comfortable. No gummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug counter.

Cancer Victim, Child Found Fatally Wounded

BALTIMORE (AP)—A Baltimore electrician, who recently learned he had cancer, was found fatally wounded along with his 6-year-old daughter yesterday.

A .22-caliber rifle was beside the dead man, James Stanley Jakubowski, 41, found seated in his car in nearby Anne Arundel County.

His daughter Shirley was lying in the road beside the car.

The two died five minutes apart in South Baltimore General Hospital about two hours after they were found.

Jakubowski had failed to keep a 2 p.m. appointment with his doctor yesterday.

The Jakubowskis have another child, a son, 12.

Sheriff Henry Buckner, 48, was shot to death answering a disturbance call at the home of Chester Lee Gonzalis, 21, near Stilwell, Okla. The Oklahoma crime bureau said Gonzalis signed a statement admitting the shooting.

Young's Crew Now Running NYC Road

By STEVEN V. DAVID

NEW YORK (AP)—The new regime of Robert R. Young buckled down today to the formidable task of running the nation's second largest railroad, the far-flung New York Central system.

Young and his board took over yesterday, an hour after they were officially proclaimed winner by 1,064,000 shares in their proxy battle with the management headed by William White.

The new board quickly elected Young as chairman — at $1 a year —and named Alfred E. Perlman, 51-year-old executive vice president of the Denver & Rio Grande Western, as president and chief executive officer.

Today, a spokesman said, Perlman will call in key operating men of the Central to talk over the road's problems. The Central is outranked in size only by the Pennsylvania Railroad.

White stepped down as president, as he said he would if Young won, as soon as the official tally of shareholders' votes was announced at Albany.

He promised to cooperate with the new management "in effecting an orderly transition."

In a statement, Young thanked those who supported him and declared: "We offer the warm hand of conciliation to whose who willingly or unwillingly worked against us."

Young said that all of the industry's 41,000 passenger cars and most of its 1,800,000 freight cars "can be replaced by more efficient types and more than pay their cost out of savings." He added:

"Industrywide planning for and agreement on improved and standardized equipment designs, volume purchasing, freight and passenger terminal adaptation to the motor age, the greater use of each other's facilities, accounting, reservation and ticketing simplification and many other cooperative projects are long overdue."

Perlman said in a statement that "we will not revolutionize the railroad overnight but we will build a firm foundation upon which will rise a progressive and modern structure of which we can all be proud."

What salary Perlman will get as president was not disclosed. White received $120,000 a year.

Drop Charge Against War Prisoner's Wife

LEXINGTON, Tenn. (AP)—A judge yesterday dropped a charge of unlawful cohabitation against attractive Mrs. James Hern, who remarried while her husband was a prisoner of war.

Judge A. T. Taylor took the action at the request of the former POW, Sgt. James Cogburn. The sergeant told the court he "believed it was best for all concerned."

Mrs. Hern, 24, said she married her present husband, a 25-year-old former Marine, believing Cogburn had died in Korea.

Cogburn was released last August after three years as a prisoner of the Communists. He obtained a divorce when he arrived home. The Herns remarried.

Titian painted "Christ and the Crown of Thorns" when he was 95.

Africans Build School For All

By FRED ZUSY

MOSHI, Tanganyika (AP) — The Chagga tribe of African blacks are building a school which will be open to whites—and to Indians too.

The Chaggas live on the southern slopes of 19,545-foot Mt. Kilimanjaro, highest in Africa. They've grown rich in the last few years because their coffee crops have brought high prices.

The Chaggas number all told about 365,000. In 1932 they organized a cooperative society called the "Kilimanjaro Native Cooperative Union, Ltd." They were helped in doing so by Roman Catholic missionaries and district government officers.

The union has about 35,000 members. Last year the Chagga's 6,000 tons of high grade "Arabica" coffee brought them more than 10 million dollars. The coffee is marketed cooperatively.

Three years ago the Kilimanjaro co-op group built a four-story community center — with its own offices, a public library, small hotel, shops and roof-top restaurant.

The center, built at a cost of $280,000 — paid from cooperative profits — was itself a unique venture. It is used by all races.

Last March the co-op approved plans to build a new commercial school as an addition to the center. It will cost $140,000 and will also be paid for from co-op profits.

Missionary schools have, in the same fashion, been open to all regardless of color of skin, but the moshi School is said to be the first built and paid for by blacks. Teachers will be brought from England. The school will handle 100 students.

The Chaggas are one of the most advanced of African tribes.

Firewater Calls For Heap Big Fireworks

PHOENIX, Ariz. (AP)—Firewater, reasoned a Navajo Indian, called for fireworks.

So, George Begay Harrison touched off a stack of dynamite that almost ruined a $10,000 power shovel on the reservation.

Yesterday he won a five-year suspended sentence on the condition he leaves liquor alone.

Crude Average Makes Gains

TULSA (AP)—Daily average domestic production of crude oil and condensate increased 32,850 barrels to 6,490,100 barrels during the week ended June 12, an Oil and Gas Journal survey showed today.

Texas accounted for most of the net gain with an advance of 24,425 barrels to 2,775,500 barrels. The biggest loss was in Michigan, down to 4,100 barrels to 33,000 barrels.

The week's output brought the Journal's figures on 1954 cumulative production to 1,047,905,800 barrels compared to 1,060,097,076 a year ago.

Other gains included Oklahoma, up 8,000 barrels to 506,000; Illinois, up 5,700 to 187,000; California, 2,600 to 990,100; Arkansas and the eastern area, each up 1,000 barrels to 77,950 and 55,000, respectively; New Mexico, 400 to 207,050; Alabama, 200 to 4,500; Colorado, 100 to 123,900; and Louisiana, 25 to 710,500 barrels.

Losses were reported for Kansas and Wyoming, each down 1,900 barrels to 323,900 and 239,700, respectively; Mississippi, 1,000 to 91,350; Nebraska, 700 to 18,600; and North Dakota, 300 to 14,600.

Kentucky and Utah each had 200-barrel declines, the former to 37,500 and the latter to 5,300. Montana dropped 300 barrels to 35,800.

Production was unchanged in Florida, 1,650 barrels, and Indiana, 30,100.

Simone 'Visit' Is Cut Short

LOS ANGELES (AP) — The Immigration and Naturalization Service has ordered British actress Simone Silva to leave the country within 60 days.

Miss Silva is the actress who caused a few photographers to fall into the Mediterranean when she stripped to the waist to pose with Robert Mitchum on the French Riviera.

Herman Landon, district immigration director, said that although the actress entered the United States on a pleasure visa, she signed a movie contract and is receiving a salary.

Miss Silva asked for a work permit last week but Landon said "she did not make a sufficient showing to conclude that she is a person of unusual ability and talent or professional attainment."

Al Petker, independent film producer who says he gave her a film contract, said he would appeal the decision, which he characterized as "ridiculous." He said her acting ability had been amply established by the nine movies she made in England.

Dougherty's Wife To Manage His Campaign

AUSTIN (AP)—A one-time University of Texas sweetheart and bluebonnet belle candidate was named campaign manager today for Dudley T. Dougherty, candidate for the U.S. Senate.

She is pretty Pat Dougherty, the candidate's wife.

Mrs. Dougherty is the daughter of Mr. and Mrs. Powell Thompson Cahoun, Goliad.

Mrs. Dougherty has been active in the campaign since her husband first announced he would run.

Dougherty plans a statewide radio broadcast next Tuesday night with former Gov. Coke Stevenson sharing the 30-minute program. Stevenson is chairman of Dougherty's campaign steering committee.

TV Audience Due To See Heart Operation

SAN FRANCISCO (AP)—A television program showing a young girl and her father with their blood vessels hooked together during a heart operation will be presented on a nationwide network during the American Medical Assn. convention next week.

The operation is for a defect in the girl's heart. To get the best results, surgeons like to operate in a "dry field"—that is, with no blood in the heart.

So they short-circuit the heart and connect the girl's veins and arteries into the circulatory system of the father.

The March of Medicine broadcast will be made over NBC-Tv at 10 p.m., EST, Thursday, June 24.

Malan Regime Fails Again On Vote Test

CAPETOWN, South Africa (AP)—Prime Minister Daniel F. Malan's regime failed again last night to put through legislation designed eventually to take the 38,000 colored (mixed blood) voters in Cape Province off the common registration roll.

Sitting in joint session, Parliament cast 128 votes in favor of the bill—part of Malan's racial segregation program—to 42 against. But the tally fell 10 votes short of the two-thirds majority of the total 207 members needed for a constitutional change.

It was the fifth defeat Malan has suffered in the courts and Parliament in three years in his efforts to alter the colored voting registration.

Recovery Of Pet Bird Is Costly To Elks

NEWPORTK, Ky. (AP) — Jerry, the parakeet pet of 9-year-old Mary Lou Keboe, escaped from her home and flew into a hole in the wall of the Elks' clubhouse.

Mary Lou demanded her bird back.

The Elks tore down part of the wall and some paneling to get him. It cost them $200 and four hours labor.

Installment Barbers

TOKYO (AP)—Barbers in Yamaguchi, western Honshu, are selling haircuts on the installment plan. Customers can get as many haircuts as needed throughout the year, and pay the bill in monthly installments.

Huge Plane Forced Down

GAGE, Okla. (AP)—A non-scheduled DC4 passenger plane with 78 persons aboard made an emergency landing here early today. Shortly after the passengers and crew left the ship it was destroyed by fire.

The plane, belonging to Great Lakes Airlines, was en route from New York to Los Angeles with 75 passengers and a crew of three.

The pilot, Charles Tedesky, radioed the Gage airport communications tower shortly before 3:30 a.m., that the plane would make an emergency landing.

One of the passengers, Bernie Weiss, Los Angeles, said he was sitting next to the window when he suddenly saw a glowing fire in one engine.

He said most of the passengers were asleep and those awake remained calm. He said the pilot did a magnificent job in bringing the plane down safely.

As soon as the plane landed, the passengers scrambled to safety before the plane was destroyed.

Great Lakes said it was sending another plane to pick up the passengers this afternoon.

Viet Nam's Premier Scheduled To Resign

SAIGON, Indochina (AP)—Authoritative sources said today the five-months-old government of Viet Nam's Premier, Prince Buu Loc, will resign tomorrow. Ngo Dinh Diem, 53-year-old Roman Catholic reformer and outstanding nationalist, is expected to succeed him.

The choice of Diem was seen here as an attempt to set up a new regime of leading nationalists untainted by previous close ties with the French. The obvious aim was to rally the masses against the Communist-led Vietminh and win over anti-Reds who had failed to support Viet Nam's chief of state, former Emperor Bao Dai.

Camp Safety Is Stressed

NORTH FORT HOOD, Tex. (AP)—With the greatest strength in its peace-time history—8,407 guardsmen strong—Texas' famed 36th Division attempted today to make this its safest summer training period.

The T-patchers launched an all-out safety campaign along with their field training schedule.

"We are stressing the safety factor in all phases of training," Maj. Gen. Carl L. Phinney said after viewing the first training.

"We are attempting to cut down the possibility of accidents through the observance of speed limits and good driving habits. We reduced the number of civilian cars in camp this year and found that the move to North Fort Hood was without incident or accident."

The general pointed out, too, that the division is tryjng to train its 1,700 rookies "to take care of themselves." He said avoiding exposure to the sun and observance of safety measures with tanks and weapons were being stressed.

Phinney said he was pleased with the first day's training and anticipated "a successful camp."

The first shot rang out yesterday at 1 p.m. on the rifle range to start the 36th on its seventh annual field training since World War II.

This week the National Guard outfit will be engaged in firing on the ranges and in radio, intelligence and other schools.

Next week it starts serious tactical training in the field under simulated combat conditions.

Aid To Be Sought

TOKYO (AP)—The Japanese government plans to ask U.S. aid in construction of a 5,500-mile highway network costing an estimated 750 million dollars, Kyodo news service said today.

Butter Price Fall Is Seen

WASHINGTON (AP) —Agriculture Department officials predicted today that retail prices of butter might drop to around 40 cents a pound under a new price support plan approved by the House Agriculture Committee. This would be 25 to 30 cents under present prices.

The committee approved yesterday a proposal to require the government to raise the support level for butterfat and milk used for manufacturing purposes from the current 75 per cent to 80 per cent of parity, effective Sept. 1 and continuing until April 1, 1955.

Parity is a standard for measuring farm prices declared by law to be fair to farmers in relation to prices they pay.

But the House plan would permit use of direct government subsidies as a method of supporting returns to dairymen. The taxpayers, in the final analysis, would pay the subsidies. The subsidies would permit a drop in retail prices of butter, cheese, dried milk, evaporated milk and other manufactured dairy products.

Under the present support program, the agriculture department offers to buy butter, cheese and dried milk from manufacturers at prices designed to enable the latter to pay dairymen the designated support prices for milk and butterfat. This offer has the effect of setting minimum wholesale and retail prices for these products.

Under the subsidy proposal, wholesale and retail prices of manufactured dairy products would be free to move up and down under the influence of supply and demand.

If the prices failed to give manufacturers enough to pay the designated support levels for milk and butterfat, the government would make up the difference to dairymen.

Only FORD has all these features Now!

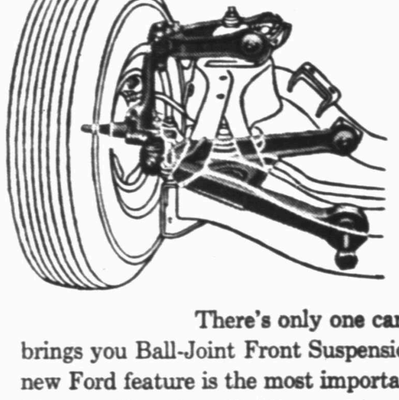

other low-priced cars may "catch up" later

V-8 POWER

There's only one car in the low-price field that offers the smooth, flexible power of a V-8 engine. And that car is Ford. While other car makers are still just *talking* V-8 power, Ford has it *today*. The new Ford 130-h.p. Y-block V-8 with its deep-block, low-friction design gives you smoother "Go" . . . greater gas savings. It's America's most modern engine.

BALL-JOINT FRONT SUSPENSION

There's only one car in the low-price field that brings you Ball-Joint Front Suspension. And that car is Ford. This new Ford feature is the most important advance in chassis design in 20 years. It makes all riding and handling easier . . . eliminates 12 points of wear . . . helps Ford retain its "new-car feel" far longer.

STYLING THAT STAYS IN STYLE

There's only one car in the low-price field that has truly modern styling. And that car is Ford. With its clean, honest lines, Ford has set a new styling trend for the industry. Ford styling is *advanced* styling that will *stay* in style for years . . . help make your Ford worth more, not only when you buy it, but when it's time to trade.

YOU GET A GREAT DEAL WHEN YOU BUY FORD!

So see us before you buy any car. Your present car will never be worth more!

Buy Wisely
