The Mirror Through Which The Public Views The Community As It Is Week By Week

## On The BEAM

By J. W. King, Sr.

It is only a few days now before election day—Tuesday, November 4. Don't forget the date.

If you haven't already made up your mind for whom you will cast your vote you'd better make it up pronto.

Whether you are for the Democratic candidate or the Republican candidate is no one's business, but your own. The important thing is that you vote. If either candidate is elected by a minority vote it will be a reflection on those who fail to go to the polls and vote. Your vote may be the one to decide between the two candidates.

I suppose that everyone who reads this column has decided by now that I am a Democrat and am supporting the "democrats" of the Democratic party. I believe the Democrats can and will do more for the average citizen than the Republicans. The records of both parties in the past have proved it to me. The Republicans and some so-called Texas Democrats would have you believe that the most important issue in the campaign is the "tax" issue. Even tho I am for Texas retaining her just title to the "Llano Estacado," there are other things that with me far outweigh the "tax" issue.

The Republicans are making a lot of promises. They promise lower prices—but they did this: The Republican party voted to cripple and kill every price control program to come before Congress since the end of World War 2. They voted against holding prices down. They voted for inflation.

They promise lower taxes—but the Republican 80th Congress passed the "rich man's" tax law. This is the law that increased the take home pay 53.4% for rich people who made \$250,000 a year; but only 3.5% if you earned \$5,000 a year or less. That's the kind of lower taxes you can expect from Republican leadership.

They promise continued and increased social security—but they tried to stop the Democrats from giving social security benefits to 10,000,000 working people in 1949.

They promise a strong, safe America, a peaceful world—but they voted to slash our defenses for 1953, to reduce new medium tanks from 2,400 to 300, to slow Air Force and Navy readiness by two years. They voted against any help to our allies, military, economic or technical, in 1951. The Republican party voted for a weak America.

They promise Prosperity—but the last time the Republican Party moved into Washington we suffered the blackest depression in our history. During the 20 years since 1932, the Republican Party has voted to weaken, cripple, obstruct or destroy every Democratic prosperity measure.

See you at the polls next Tuesday.

## Donations Needed To Pipe Water To Loraine Cemetery

Plans are now to get the cemetery piped for water. The Lions Club, the City and ladies organizations are working on the project. Ditches for the pipe have been dug for some time and the pipe needs to be laid before the weather gets too cold.

This is a community-wide project and everyone will want to do his part. With everyone co-operating it can and should be done soon, Mayor Vance Dickenson said.

Those that wish to donate money or so much pipe for this cause should see August Hackfeld, Lion committeeman, or Mayor Vance Dickenson.

The cemetery needs a lot of work done on it in order that it might be kept in better condition. Mayor Dickenson says. It is an attractive cemetery when kept up. During these dull times I believe we could set aside a day or two and have volunteers come and clean it up. Think about this and I'm sure a day will be set aside soon to get this much needed job done, the mayor said.

## Send In Your Favorite Recipe With Picture For Publication

In this community there are women who take great pride in their cooking. Each one has a favorite recipe that someone else would like to have. We feel sure that hundreds of recipes have been exchanged through individuals and clubs.

In order to get these recipes before all of the women of this community we would like to print a Favorite Recipe in the paper each week along with the picture of the individual whose recipe it is. We plan on starting this feature within the next few weeks, and in the meantime we would like for each woman in this community who has a favorite recipe to bring or send it to The Mitchell County News so that we may file it to be ready for use at any time. When you bring or send your recipe also include a picture of yourself suitable for running in the paper. Any good picture of you will do but a posed picture is better. We do not want to run a recipe without a picture, so be sure to include a picture of yourself, and be sure to write your name on both the picture and the recipe so that we can easily identify them.

We believe this feature will be of value to the ladies of this community so do not hesitate to send in your favorite recipe along with your picture. The recipe may be for a pie, cake, special way to cook a roast or a steak, how to make jelly, preserves or anything that is good to eat. Please do not disappoint us or our readers.

## Bulldogs Defeat Bronte Longhorns

The Loraine Bulldogs went to Bronte last Friday night, followed by a big crowd of fans, determined to defeat the Bronte Longhorns and they really did a good job of it. They came out on the big side of a 31 to 7 score.

In addition to the five touchdowns, the Bulldogs threatened to score again but were stopped 11 yards short on one occasion. The only Longhorn touchdown came in the second period after a bad pass from center gave Bronte the ball on Loraine's 8. Arbie Phillips went over from the 2 and Billy Gentry kicked the extra point. The half ended with Loraine 12, Bronte 7.

The alert defense of the Bulldogs stopped more than one attempt by the Longhorns to get a sustained drive under way. Every Bulldogs played heads-up football on both offense and defense. It was a team affair—every player put everything he had into the game.

The Bulldogs made 13 first downs, the Longhorns 5. The Bulldogs completed 3 out of 8 passes, the Longhorns 5 of 14 and had three interceptions. The Bulldogs punted 5 times for 115 yards and the Longhorns 7 times for 153 yards. Loraine was penalized 4 times for 30 yards and the Longhorns 1 time for 15 yards. Winning from Bronte put the Bulldogs in second place in the district with Coahoma. Hermleigh holds the top spot as of now but the Bulldogs will be out to displace them come Friday night when they go to Hermleigh for the crucial game of the season. The Bulldogs have only three games left to play. Hermleigh, Coahoma and Hobbs all considered strong teams, and if they can defeat all three they will be at the top in the district.

The Bulldogs will go into the game Friday night the underdogs as they have in the last two but, we hope, with a determination to overcome it.

The Hermleigh game is to start at 7:30, according to Supt. Homsley.

## Rayburn Predicts Democratic Victory

House Speaker Sam Rayburn, chairman of the Stevenson-Sparkman Committee, predicted this week that Adlai Stevenson, and John J. Sparkman, Democratic nominees for President, and Vice President, will win a solid victory in Texas in next Tuesday's election.

"All indications point to the greatest vote in Texas history," Mr. Rayburn said. "That is good for our side. There are simply more Democrats than non-Democrats in Texas. So, if the Democrats go to the polls—and they are so aroused they will go—Texas will remain Democratic."

Mr. Rayburn has been highly critical of misrepresentations in which he says the so-called Democrats for Eisenhower have engaged in the campaign. He predicts that the majority of the people of Texas will administer a stinging rebuke to them in Tuesday's election.

"Texans remember how things were in 1932 after 12 years of Republican rule," he declared. "Texans know how things are with them today after 20 years of progressive Democratic leadership. Texans don't want to go back—Texans want to go forward. They will continue to go forward with the Democratic party."

Giggly guests came in all their finery and the contest began as they vied for first place. Mrs. Vance Dickenson played as the style parade was staged and after serious consideration of all contestants the judges announced Mrs. Ed Small and Mr. Vance Dickenson winners. ## Know Loraine's Business, Professional Men and Women

Meet Rev. and Mrs. Wayland Boyd, who have made their home in Loraine since February 1949, until the first of this week when they left to make their home in Fort Sumner, N. M.

Rev. Boyd was born in Crosbyton, Texas, and moved to Taylor County with his parents, Mr. and Mrs. Jeff Boyd, in 1923. He graduated from Abilene High School and Hardin Simmons University and attended Southwestern Theological Seminary in Fort Worth. He was owner and manager of a grocery and market business in Abilene before he began preaching. His first pastorate was at Looney, in Mitchell County, where he served two years, going from there to pastor the Bethel Church in Jones County for two and a half years before coming to Loraine in 1949.

Mrs. Boyd was before her marriage in 1933, Ida B. Garrett, daughter of the late J. E. Garrett and Mrs. Garrett of Anson. She was born in Jones County and graduated from Anson High School and Parsons Beauty School in Abilene. At the time of her marriage, she was employed as beauty operator. Mrs. Boyd has taught a class in the junior department of the Sunday School, was counselor of the Girls Auxiliary and active in the W. M. U. and all phases of the church work.

The Boyds have three children: Sally 13, Garrett 10, and Ida Fay 5.

Hobbies? Rev. Boyd's hobby is fishing with hunting and football named as almost as important. Mrs. Boyd loves to cook, a necessity in any household, but the fine cakes and good Mexican food is prepared with a love for doing these things.

Rev. Boyd was active in work in this association and was serving as moderator of the Mitchell County Association this year. Every department of the church has shown marked growth during his pastorate here. There have been 112 additions to the church by baptism, 145 by letter. The average Sunday School attendance has increased from 143 in January 1949, to 201 in January 1952. The church has supported a missionary in Africa the past two years. The education building and parsonage were built at a cost of \$35,000. Six deacons have been ordained, four have been licensed to preach and one ordained as preacher during his pastorate. A \$450 cabin was built at the Big Spring camp grounds and approximately \$550 is in the treasury to buy a lot and apply on a Mission for the Mexican people of this community.

Guests of Mr. and Mrs. Worth Bruce Sunday were Mr. and Mrs. Henry Deights of Abilene, Mrs. Roland Landfield and son of Roscoe, Mrs. W. R. McAtee of Wichita Falls, and Mrs. Chester Beights.

Visitors of Mr. and Mrs. Travis Hallmark Sunday were Mr. and Mrs. John Bell and children of Evansville, Ill., Rita Beights of Midland, Mr. and Mrs. T. P. Bell of Abilene, Mr. and Mrs. Ira Beights and children, Mrs. Harve Beights, and Mrs. Chester Beights.

### Favored Longhorns Bow to Unpredictable Loraine

It was the Bulldogs night to howl last Friday when Bronte was rolled 31-7. The last half was all Loraine's with the Bulldogs racking up 19 points to the Longhorns none. In the second quarter Phillips carried the ball over for Bronte's lone score of the game and at the half Loraine led 12-7.

The Bulldogs have turned out to be a blocking team after all which is evident in the 31 yards Loraine rolled out against Bronte's 63.

The yardage also indicates that the Bulldogs defense was on the ball too, which has been a big factor in the teams success this season.

Both platoons will get a real workout this Friday when we again back a favored team, this time our old rivals, the Cardinals. There's no denying that Hermleigh has again fielded a good team, as usual, but it is also "in the book" that Loraine stands a better chance of rolling their pins out from under them than any team in this district this season. We have the advantage of having seen them in action coupled with a hard hitting and hustling squad of boys who are naturally afraid of the Cardinals tailcoaters. The Bulldogs have not forgotten that a Hermleigh team has never been defeated on the gridiron by a Loraine 11.

Take it from the bulldogs themselves if you want to see hard fought, clean, hustling football, just be in Hermleigh at 7:30 P. M. Friday.

### Band News

The Loraine High School Band is looking forward to several special attractions in which the band will be represented.

On November 1, the band will play for the Halloween Carnival. Several good numbers will be played and free donations to the band will be appreciated. In the afternoon of November 3 the band will attend a concert given by the Abilene Symphony Orchestra at Abilene. Perhaps from this concert the band students can further their knowledge and appreciation for music.

The band will also play for the Coronation service which will be held November 2.

The band has an invitation to march in the Christmas Parade

at Monahans December 3. The band has high hopes of getting to march. It will be a great honor to the community of Loraine and to the Loraine High Band. There will be several hands there who are rated extra high in their appearance and playing quality. Loraine's hopes to perform to an equal performance if they are able to go.

Because of bus trouble Friday night the band was delayed in getting to the game at Bronte. Because of lack of room for the band students in the buses several of the band students rode back with parents or some of the other fans. We wish to express our appreciation for the help and co-operation to the people of Loraine in getting the band members home safely.

An accident has happened to one of our members—Bobby Reddin. He has a broken ankle and will therefore be unable to march and play the bass drum when we march at the half of the football games. The band is sorry of Bobby's misfortune, but we do have another bass drum player, Glen Linder.

For the half time activity Friday night the theme will be Halloween. It will be an exciting performance so your fans of Loraine come to see the band and pep squad perform and back the Bulldogs.

### Introducing A Senior

In Iraan on August 24, 1935, Mr. and Mrs. J. E. Wilson began the parents of a bouncing baby boy, George Douglas Wilson.

Doug is a handsome 6' 2", with brown eyes and hair. Quite an unusual guy. He plays defensive guard on the football team and has lettered the three years he has been here. Last year he made 2nd team as All District Defensive Guard. This year he is class reporter, sports editor for the Mastiff Staff, art editor for the annual and is the senior candidate for Halloween King.

Some of his favorites are: Sports, football; dish, pork chops; actress, Rita Hayworth; actor, Mel Ferrer. He says as far as girls are concerned, anything in a skirt.

The seniors of 1953 have really enjoyed having Doug with them these last four years. Although he hasn't made any special plans for his future, we know that Doug will succeed in whatever field he chooses. Best of luck, Doug.

### Twirp Week

Saturday night at 11 o'clock Twirp Week ended for all Loraine High School girls. Most of the girls report that their pocketbooks are very flat and empty. Sounds like the boys can be just as expensive as the girls.

Although most of the boys admit they had a good time, they still prefer driving. They feel it is safer. If you don't believe it, ask Bill and Roy. Glenn and Doyce also think it is better to drive. They don't have to use hands, and that is an art the boys have acquired.

The girls also agree they had a lot of fun dating the boys but most of them say they had rather be treated than to treat. It seems that Shirley taught Jan Edd some new techniques. Wonder what they were? It also seems that "Dick" had quite a time at Dixie's expense.

## DICK RUSSELL BACKS ADLAI

RUSSELL IS THE GEORGIA SENATOR FOR WHOM GOVERNOR SHIVERS AND TEXAS DELEGATION VOTED UNANIMOUSLY ON ALL BALLOTS AT DEMOCRATIC CONVENTION IN CHICAGO

Senator Dick Russell of Georgia, the man the Texas Delegation headed by Gov. Allan Shivers supported on all ballots at the national Democratic convention in Chicago, predicted last week that Adlai Stevenson and John J. Sparkman will be elected by one of the largest majorities given a national ticket in recent years.

Senator Russell, who is chairman of the senate armed services committee and of the senate subcommittee on agriculture, said: "General Eisenhower's evident confusion in his efforts to grapple with vital political issues has clearly demonstrated to the American people the grave danger of placing our government in the hands of a military man. . . . No military career, however great, can be a substitute for familiarity with the operation of a government which traditionally and by law is dependent on civilian control. . . ."

"As one who has admired General Eisenhower as a military leader, I have been bewildered by the endless contradictions of his political pronouncements. It would require a book to catalog them. . . ."

"Shortly after stating that he did not understand the term 'Farm Parity' he assured the American farmer of 100% parity for all the products of his toil. As one who has devoted a large part of his legislative service to overcoming Republican opposition to fair farm legislation I have vainly awaited an endorsement of this last farm statement from General Eisenhower's Republican congressional supporters. I have failed to see where one of them has disclaimed his record of opposition to the soil conservation program and to the laws which enabled these farmers to have some idea when they plant their crops what they will receive from their harvest."

"The American voters are thinking for themselves in 1952. Neither the bedlam of this campaign nor the military glamor of the Republican candidate will confuse them. They will go to the polls in the greatest number in our history on November 4 to maintain in power the party of the people. . . ."

"Governor Stevenson has the potentialities which can make him one of the greatest presidents who has ever served our country. With the support and prayers of the American people and the aid of the Almighty he devoutly wishes, he will see this nation safely through the dangers of today's world."
