Number 244

## "BUSINESS DEPRESSION IS RETREATING" FEDERAL BANKER TELLS CONVENTION

### SEVENTH DISTRICT SESSION BEGINS

MORE THAN 300 BANKERS, REPRESENTING 98 COUNTIES IN ATTENDANCE

### RESERVE SYSTEM EXPLAINED

Oscar Wells of Dallas and Joseph Hirsch of Corpus Christi Speak This Morning

Three hundred bankers, of group seven, Texas Bankers' Association, representing 98 counties of the northwestern part of the state, in session at the Wichita Theatre, cheered Oscar Wells this morning when he told them that business depression was on the retreat and that prosperity was getting more apparent every day.

Other speakers sounded optimistic notes and were applauded. When Mr. Wells, governor of the Federal Reserve Bank at Dallas, told the financiers of the district that the "war" was no longer against the commercial paper of the farmer, the merchant and the livestock grower he received more applause.

The session of group seven is the last of the district bank meetings in Texas this year. President R. E. Huff of the First National Bank, Wichita Falls, who is also group president, called the convention to order shortly after 10 o'clock. Delegates and visitors having previously registered with the group secretary, C. W. Snider of the City National Bank, Amarillo, and the group president, the attention of a number of the wives and daughters of the bankers.

The convention adopted a resolution endorsing John T. Scott, president of the First National of Houston, for the position vacated by Oscar Wells. Joseph Hirsch, chairman of the district, responded to calls for a speech.

E. B. Bryant of Abilene was elected secretary and F. H. Sherwood of Fort Worth was elected vice chairman.

At four o'clock this afternoon, Abilene was shown as the 1915 meeting place. Delegates are welcomed. The convention was started when President Huff introduced Roy E. McKee who offered an eloquent prayer. Dr. McKee thanked the Lord that this country was at peace and prayed that it might always be so and that its good influence and all right spirits might serve as a beacon light to other nations. He referred to the fact that bankers were the conservators of the nation's finances and in a great measure the conservators of the people's prosperity and fervently prayed that the meeting of group seven might be profitable and pleasant to all.

complimented the citizens of Wichita Falls and of the Panhandle country generally over the wonderful progress that they have made in the last decade. "Why I understand," he said, "that a tax truck that will hold 35 or 40 people at a trip has been made in Wichita Falls and sent to San Francisco to be exhibited at the great exposition. Even Wichita Falls is known over the entire state for its great amount of the industries."

"We have with us today bankers from New York, Chicago, St. Louis, Oklahoma City, Kansas City, and the Texas cities. This visit of these bankers and their speech shows that they are not only here and that they are going to stay, but that they wish to do business with us."

One thing that I emphasize is that we have been to all of the group meetings of Texas bankers lately and that we have found the people and the bankers everywhere in the state looking up and looking down as for as the business outlook is concerned and both the commercial line of the state and of the country is getting better, recuperation is well advanced, although for a while I will have to admit the picture was very ill."

Discusses Reserve System. Oscar Wells, governor of the Federal Reserve Bank at Dallas, said that the reserve system had only been in operation for a few months and the start had been very fine. He explained the system and the regional bank at Dallas fully and conclusively. It was a pleasure for the banks of this section, he said, and the bankers in that section should be glad to have the Federal Reserve Bank at Dallas fully and conclusively explained to them.

Wants Demonstration Agents. Joseph Hirsch, chairman of the district, said that the demonstration agent employed by the district and that they should be glad to have the demonstration agent employed by the district and that they should be glad to have the demonstration agent employed by the district.

Bank Duty to Farmer. Hirsch said that the duty of the banker to the farmer was to help him in his business and to help him in his business and to help him in his business.

Afternoon Sessions. The afternoon session delegates were entertained by a local string band and a few hours by local box cars. The delegates will be guests at a banquet given by local bankers at the Moose hall. Wiley Blair will preside as toastmaster.

Speakers of the afternoon were by V. H. Browning of Pecos, on what the banks had done for the farmer and the merchant in that locality. He said he knew the farmer and the merchant and both had been benefited by the banks and the farmer. Beverly D. Harris, vice president of the National City Bank of New York and Roy C. Snider, cashier of the Stockyards National Bank, Fort Worth, talked on "The Banker's Duty to the Farmer."

McNEALUS MAKES UNSUCCESSFUL ATTEMPT TO RESCIND FORMER ACTION

### SEVERELY CRITICISES MEASURE

Uniform Price Bill Goes to Third Reading—Plan Investigation of State Lands

By Associated Press. Austin, Texas, Feb. 22.—An effort was made today in the Senate by Senator McNealus to rescind the vote by which the Texas company bill was passed in the Senate last Friday evening but it failed by a vote of eight to ten.

Senator McNealus made a vigorous attack on the bill, calling it the worst piece of legislation that has been introduced in the Senate, and said that its passage would build up a "great trust which it would be impossible to control."

He insisted that if the Senate did not rescind the vote and send the bill back to the House, Senator Bailey would carry the fight to the House. Senator Bailey opposed the motion to rescind.

Senator Hudspeth introduced and had adopted a resolution of sympathy and condolence on the death at San Antonio of Col. A. W. Houston. The Wiley uniform price bill was passed on a third reading by a vote of nineteen to sixteen after voting several amendments which its author believed would have impaired the bill.

Making of Mineral Leases. The Senate passed finally the bill by Senator King authorizing guards to make mineral leases for their wards, which lease will remain effective until such wards reach the age of 21 years, whether male or female.

The House today considered the bill by Representative Hulse authorizing the establishment of a state normal college for East Texas. The House voted to print the equity tax bill after it had been reported adversely by the committee on revenue on taxation. No bills were introduced in the House today, among them a bill by Representative Hulse authorizing the establishment of a state normal college for East Texas.

## WOULD RECONSIDER TEXAS COMPANY BILL

### LACK OF RAILWAYS FATAL TO RUSSIANS

EAST PRUSSIAN DEFEAT DUE TO SLOW CONCENTRATION OF TROOPS

### MANY DIFFICULTIES OVERCOME

Deep Snow Adds To Hardships of Campaign—Petrograd Explains Failure of Attempt

By Associated Press. Petrograd, Feb. 22.—Explanation of the Russian retreat from East Prussia is contained in a communication given out last night by the general staff. Success of the German coup is attributed largely to the lack of strategic railways which prevented the Russian from concentrating with necessary rapidity on our East Prussian front, indispensable to ward off this drive of the enemy."

The general staff asserts that the missing of German troops on East Prussia was revealed to the Russians by the Russian press, but that the magnitude of the concentration did not become known until several days later. With the withdrawal of the Tenth Russian Army from Prussia toward the frontier, it was announced, then decided upon. This was followed later by a further retreat toward the Nieman and Luga Rivers.

Movements Exposed Flank. In these movements, the right wing of the Tenth Army was broken up by the Russian command, and the right flank was compelled to make a swift turning movement toward Kovno. This maneuver exposed the flank of the corps following, which, owing to this fact, found itself in an extremely dangerous position and only broken and disorganized portions succeeded in escaping from this district. Other corps of the Tenth Army fighting continuously in the direction marked out for them by their commanders.

On taking up these positions the Russian troops bravely repulsed the attacking enemy inflicting upon him severe losses and overcoming incredible difficulties caused by the deep snow which covered all the roads. The roads being impassable, automobiles were not able to run and trains were delayed, frequently not reaching their destination.

Battles Now in Progress. Retreating slowly, step by step, one corps forming the left wing of the Tenth Army held the enemy for nine days on lines which are ordinarily traversed in four days. On February 15 these corps fell back through Augustow, returned from the battle of Sloba and resumed the fortified positions indicated for them.

At the present moment actions on the German flank continue before Osowetz on the road from Lomza to Sedzawa and north of Kadzyna, on the road between Plock and Plock. In some places the fighting is very stubborn. On the right of the Vistula on the roads from Plock, Austrian detachments have been relieved by German troops.

THOMPSON-SETON RETIRES AS CHIEF OF BOY SCOUTS. By Associated Press. New York, Feb. 22.—Ernest Thompson-Seton, artist and author of books dealing with the life of woods, has retired as chief of the Boy Scouts of America. His official connection with the Boy Scouts, it was announced, ended February 11, at the last annual meeting in Washington.

## SCANDINAVIAN COUNTRIES CONFERRING ON BLOCKADE

### Action Awaited With Interest—Lone German Aeroplane Makes Raid. Carpathian Battle Rages

By Associated Press.

London, Feb. 2.—Germany's submarine blockade continues to be the chief topic of interest in the United Kingdom, although British shipping apparently is moving with its usual freedom. Representatives of the Scandinavian countries are holding another conference today, the outcome of which is awaited with much interest by neutral shippers. The question of a naval convoy, it is understood is being considered seriously at the conference, but the guarded comments of the newspapers show that it is recognized such a step might lead to war. Questions of the right of crews of five Danish ships to refuse to sail for English ports now is before a court which is considering their excuse that Germany is not likely to respect a neutral flag.

Following precedent which seems to have made Sunday a popular day for such raids a lone German aeroplane flew over several east coast towns last night, dropping bombs, rendering slight damage and causing little alarm.

Fighting in the Carpathian mountains still is being fiercely prosecuted by the Russian and Austro-German forces but apparently without decisive results for either side. The mountain passes now are recognized by army men as forming the most difficult section of the long eastern battle front and the impression is growing among military experts in London that other movements of both the Russian and the Germans are merely strategical operations designed to affect the result of the desperate struggle at the gateway to Hungary.

The French claim officially not only to have repulsed German counter-attacks in the Champagne region but to have captured an entire section of German trenches to the north and east of the woods taken the day before. On the eastern end of the western front the Germans have moved forward on the Alsatian flank of the Vosges mountains in the region to the west of Kolmar.

VATICAN HEARS THAT GERMANY HAS MODIFIED VIEWS ON PEACE CONDITIONS. By Associated Press. Rome, Feb. 22.—Reports received by secretary of state of the Vatican, says the Giornale D'Italia, show that Germany although maintaining an excellent military position, feels seriously the consequences of the war and therefore has modified materially her views on peace conditions "to be imposed." The paper adds:

"The pontiff considers such a condition of affairs lends itself favorably to diplomatic steps. He is reported again to have interpolated Emperor William to know upon what conditions Germany would be disposed to negotiate peace, observing that in any case the military honor of Germany is safe."

ANTI-AMERICAN UPRISING NOT IN EVIDENCE TODAY. Scheduled Outbreak of Mexicans in South Texas Has Apparently Not Materialized. Associated Press. Laredo, Texas, Feb. 22.—No indications were reported along the Texas border this forenoon of activity of the alleged plot discovered by federal officers two weeks ago to kill white males over sixteen and establish a republic of negroes and Mexicans. Circulars which the federal agents discovered fixed today for the uprising.

SWINE BREEDERS OF OKLAHOMA IN SESSION. Oklahoma City, Feb. 22.—Meeting in second annual convention, the Oklahoma Swine Breeders' Association convened here today with a long program of interest to the hog breeder. A livestock show and sale was to be held in connection with the meeting. The hog industry in this state is receiving new impetus, according to association officers, because of higher prices for pork.

## INQUIRY ORDERED INTO BOAT'S SINKING

### AMERICAN STEAMER EVELYN STRIKES MINE IN NORTH SEA SUNDAY

### ACTION OF NAVY DEPARTMENT

Will Conduct Investigation Separate From That Ordered Made by Ambassadors

By Associated Press. Washington, Feb. 22.—Secretary Daniels today ordered Commander Walter H. Gerhardt, American naval attaché at Berlin, to investigate and make a full report on the destruction of the American steamer Evelyn. So far official advice, merely have reported the sinking of the vessel and her cargo, but have given no details.

Secretary Daniels explained that his purpose in directing an inquiry after the state department had called on the ambassadors at London and Berlin for a report was to obtain technical information which probably might not be included in the ambassadors' reply. It was of course understood that Commander Gerhardt, American attaché at the embassy at Berlin, would be guided entirely by Ambassador Gerard in making his investigation.

ONLY ONE LIFE LOST BERLIN REPORT DECLARES. By Associated Press. Berlin, Feb. 22.—Reports concerning the sinking of the American steamer Evelyn yesterday off Borkum Island in the North Sea show that only one man of the crew lost his life. This man was frozen to death in a small boat after the sinking of the steamer. The Evelyn which sailed from New York January 29, with a cargo of cotton for Bremen struck two mines but the crew had time to get into life boats. Some members of the crew were taken up by a German ship and carried to Holland, while others were landed in Holland.

100,000 PRISONERS IN MAZURIAN BATTLE. GERMANY'S CLAIMS IN EAST PRUSSIAN FIGHT CONTINUE TO GROW. PURSUIT OF RUSSIANS ENDED. Successful Encounter in Champagne District on Western Side is Also Reported.

By Associated Press. Berlin, Feb. 22.—The German official communication today reads: "In the western theatre another hostile trench was taken by us yesterday to the east of Ypres. The enemy's counter-attacks on the captured positions remain unsuccessful in the Champagne district there was a number of prisoners taken by us during the last battle in this region has been increased to fifteen officers and more than 1000 men. The sanguinary fighting has been extremely successful. In the Vosges the village of the Hochrad and Stosswetz were taken by us after a short engagement. Other places of importance occurred. In the eastern theatre the pursuit after the battle in the Mazurian lakes district has come to an end. During the clearing up operations to the northwest of Grodno and in the battles reported during the last few days in the Plock and Nawex district, one commanding general and four other generals and approximately 40,000 men have been taken prisoners up to the present. 75 cannon and some machine guns the actual number of which has not been ascertained and much other war material, was also captured. The booty in the western battle in the Mazurian lakes district as a result of these additions has been increased to date to seven generals, more than 100,000 men, upwards of 150 cannon and quantities of other material of all description, the amount of which cannot as yet be approximately estimated."

"Cannon of a heavy caliber and ammunition frequently were buried in the enemy or sunk in the lakes near Loetzen and in the Widmlir Sea. Eight cannon of heavy caliber were dug up or pulled out of the water yesterday. The Tenth Russian Army, under General Baron Steyers, is considered to have been destroyed. New battles appear to be developing at Grodno and to the north of Seichawo. It is reported that the battle to the north west of Osowetz and Lomza as well as those at Przasnysz are taking their regular courses.

"There is no news from Poland to the south of the Vistula river."

THOMPSON-SETON RETIRES AS CHIEF OF BOY SCOUTS. By Associated Press. New York, Feb. 22.—Ernest Thompson-Seton, artist and author of books dealing with the life of woods, has retired as chief of the Boy Scouts of America. His official connection with the Boy Scouts, it was announced, ended February 11, at the last annual meeting in Washington.

# TIME

## Man's Kingdom

IT IS THE THING

We all have the same amount in this world, day by day. It is the Eternal Measure of all things. In almost all cases the big vital difference—the difference that makes one man's life one grand success and another man's life a long drawn out dismal failure, is that the successful man uses each minute of each day of each week, of each month, of each year of his life, so as to make that minute pay him the biggest dividend possible. He plans for this and that is the whole story of his success.

MEN OF THIS KIND insure their time as well as their LIFE. PERFECT PROTECTION POLICIES (The last word in insurance) Invented and sold by a thoroughly established company in the highest repute over its field of operations. Covers the loss of life. Covers the loss of time through daily disability, IRRESPECTIVE OF CAUSE, and Provides a lifetime income if totally and permanently disabled, without further payment of premiums. It will be to your interest to investigate this Old Line Policy.

## At The Theaters

**The Lydia Margaret**  
On today's vaudeville bill is Gilbert Girard, billed as a wonderful mimic both of animals and musical instruments, also the Costello Brothers in a classy musical offering. One of the brothers is a veritable wonder on the violin and the other has unusual skill of the piano-accommod. The feature picture is "Father's Three," a two part Victor with Rosemary Theby, Harry Myers, Brinsley Shaw and Charles Craig. The three Victor favorites play the part of three bachelors who adopt little Rosemary when her mother is unable to care for her. When the girl is grown, in spite of having everything that money can buy she is not happy. Her three foster fathers fall in love with her and she can not decide between them. So she promises to marry the one which gives her the gift she wants most on her birthday. Harry strikes the right chord when he searches out her mother, now old. The others give her costly imported gowns and wonderful jewels but the gift of her very own mother is the one that wins her heart and makes her happy. So Harry is the fortunate man.

**The Gem**  
Paul Hurst and Marian Sals are featured in "The Smugglers of Lone Isle" and the program includes a Hearst-Selig News Pictorial and a Biograph drama, "The Sheriff of Willow Gulch," a synopsis of which follows:  
Out of the gratitude for his kindness to her father, the girl accepts the sheriff as her lover though she loves another man. The men's rivalry for her hand is complicated by their struggle for political honors. When Rufus Warren discovers that there is a reason why he must never marry, and learns the truth about the girl's regard for him, he makes a sacrifice such as only the great minded may make. Even after he goes out of her life his influence remains to bring good to her lover.

**The Empress**  
The wonderful Thanouser dog, Shep, is featured in "Shep the Sentinel," and Rene Farrington and Nolan Galbe play the parts of heroine and hero in this picture where Shep saves the day for two unhappy lovers. Also on the program is a Beauty comedy, "Love Knows No Law." Virginia Kirtley, Joseph Harris and Emma Kluge are featured. The story follows:  
Bridget, a girl who is a beauty, reads how a scheming maid spilled water on her foot, and pretending that she was seriously injured, rested in bed for a month and lived on the fat of the land. Bridget hastens to follow her example and is sent to the hospital. A young doctor, Frank Stone, a young doctor, responds. He hears May Gibbs whisper to Bridget that she will come to see at the hospital daily—and being all ready in love with May, for the month which ensues he makes the most of their propinquity. The old banker, refusing to sanction their union, they decide to marry without his knowledge. He is made aware of the plan, however, by a surgeon who is jealous of Stone. As it happens, Gibbs reaches the hospital just after a warning has gone forth from the State Board of Health to be on the look-out for smallpox suspects. The banker is advised and put to bed in an isolated building, where his ravings result in a straight jacket. Bridget, wandering about the grounds, discovers her master, and on a bribe of life employment, releases him. Wrapped in a sheet, he reaches the hospital reception rooms just as the wedding ceremony is ended. By this time the attendants have traced him with the straight jacket. But Dr. Stone gives him a clean bill of health in exchange for his blessing.

**The Majestic**  
Maurice Costello is featured in a telling arraignment of the curse of liquor, "The Product," a Vitaphone drama. Ormi Hawley and Earl Metcalf are stars in "The Intriguers," a two-part Lubin drama, and Bryant Washburn is seen in "The Way of a Woman," an Essanay drama that presents Miss Irene Hough, voted the most beautiful telephone operator in America. The decision was reached in a contest in which hundreds of thousands of people took an eager interest. The contest was conducted by the Newspaper Enterprise Association which serves hundreds of newspapers. In as many cities. Thousands of girls entered the contest and Miss Irene Estelle Hough, a nineteen-year old girl of Omaha, Neb., was picked as the winner. She took the part of Dorothy in the play and proved as good an actress as she is beautiful, with the result that the play had an exceptional merit. Exhibitors have made many inquiries in regard to the play because of the widespread interest caused by the contest.

**Family Avoids Serious Sickness**  
By Being Constantly Supplied With Theford's Black-Draught.  
McDuff, Va.—"I suffered for several years," says Mrs. J. B. Whitaker, of this place, "with sick headache, and stomach trouble. Ten years ago a friend told me to try Theford's Black-Draught, which I did, and I found it to be the best family medicine for young and old. I keep Black-Draught on hand all the time now, and when my children feel a little bad, they ask me for a dose, and it does them more good than any medicine they ever tried. We never have a long spell of sickness in our family, since we commenced using Black-Draught." Theford's Black-Draught is purely vegetable, and has been found to regulate weak stomachs, aid digestion, relieve indigestion, colic, wind, nausea, headache, sick stomach, and similar symptoms. It has been in constant use for more than 70 years, and has benefited more than a million people. Your druggist sells and recommends Black-Draught. Price only 25c. Get a package today. B. C. Co.

## MUCH OIL ACTIVITY IN STRAWN DISTRICT

PALO PINTO COUNTY IS HOLDING FRATERNITY'S INTEREST JUST NOW

### WICHITANS DRILLING THERE

Burkburnett District Shows Greatest Activity in This Section at Present Time.

Oil operations at Strawn, in Palo Pinto county are exciting much attention among oil men at present, and there is considerable activity in that section. H. W. Whitney, local correspondent for the Oil and Gas Journal, reports events in the field as follows:  
"Palo Pinto County still holds the attention of the wildcatter and new work is in progress. There is no question but what there will be considerable development work done about Strawn, but it depends mostly upon the next two or three wells completed. When the discovery well was drilled in it was the general impression that the pool would be found to the north and east, the territory being in a direct northwestern direction from the Moran pool in Shackelford county, but the majority of the best posted oil men in this part of Texas have changed their minds and are drilling to the northeast, because some drilling two years ago showed the existence of gas. The future of this pool depends largely upon the outcome of the deep test being made by the Hamill for the Texas Pacific Coal Co. on fee. The well has a bare fishing job at 915 feet, owing to 300 feet of casing being dropped to the bottom of the hole. It is located four miles northwest of Strawn and about two miles from the Moran pool. The discovery well is the intention of Mr. Hamill to drill the well to 2,500 feet, provided paying oil or gas is not struck at a much lesser depth, but in case it proves to be a duster it will lease the land of those who have acquired large tracts of land to the northwest. J. N. Stewart and Ed Britton of the First National Bank of Strawn, Texas, are making a location on the Saller ranch, three miles north of the Moran pool, and will commence operations at an early date. Lacey and associates, of Oklahoma, have contracted for a deep test and are conducting a drilling outfit from Fort Worth, Texas, where Mr. Lacey has been drilling a deep artesian well. This location will be in Section 34, out of the Stewart ranch. Owen & Wilson, of Wichita Falls, have been given a contract for six wells by Swenson Bros. The above parties are now loading two drilling outfits at Lawton, Okla. The first test will be drilled on a section of land, which adjoins the discovery well. Swenson Bros., who are large landowners and wealthy men, are having their entire acreage covered with a fence so as to enable them to reach the locations of the wells which they are to start. They have built a camp and have a large force of men at work. Fuller et al., of the Caddo (La.) field, are starting a drill on the Moran ranch near the town of Palo Pinto, which is 25 miles northeast of the town of Strawn. The bulk of the leasing is to the northeast of Strawn, by the Producers Oil Co., the Corsicana Petroleum Co. and the J. M. Guffey Petroleum Co. and various other parties.

The outlook this week in the defined territory of the Texas Panhandle field is somewhat brighter than for the past several months and indicates a point to a partial resumption of activities previously noted in this section. To a large extent, however, these operations will depend greatly upon the price of oil. Since the recent drop in the Oklahoma field it is feared that the Panhandle field will not be drilled during the past week when a dry hole was finished in the new western extension. In the Petrolia pool in Clay county recently developments have not been very active, and the outlook is none too bright for future work. The Moran pool in Shackelford county sprung another surprise during the past week when the Producers Oil Co. drilled in its No. 2 on the Webb-Hoach farm, located one-half mile southwest of No. 1, and secured a well good for probably 25 bbls. a day in the 2,150-foot sand. The same company is drilling at 1,500 feet on its No. 3 Mathews, located on the south line of the Horton & Walker farm, and is making progress at 1,150 feet on No. 3-Webb. No. 4 Webb is fishing at 600 feet, as is No. 1 on the Griffith farm, two miles west of Webb. No. 1 at 550 feet, No. 2 on the Wilds tract is below 2,200 feet and the J. M. Guffey Petroleum Co. is drilling at 2,000 feet on its No. 1 on the Nelson ranch.

**Most Active Pool**  
The greatest activity at the present time is in the Burkburnett pool in Wichita County. There is a large amount of new work starting in the new western extension and there seems to be no sign of a let-up. A big disappointment the past week was the completion of the J. M. Guffey Petroleum Co.'s No. 4 Fred Thom farm, located 1,000 feet north of No. 1, a dry hole. The total depth of the well was 2,030 feet and it is the first real duster on this productive farm. Oil was found in the upper sands, but not in paying quantities. Pink Hammond and Tom Smith are now drilling at 500 feet in their important test on the Ferguson tract. The location is 220 feet each way from the southwest corner of the farm and about one-half mile from the Horton & Walker farm. This is one of the most interesting tests being made in the actual territory of territory that before has been untested. The Producers Oil Co. is still pumping No. 1 Thom and getting 50 bbls. a day, accompanied by some water. Johnson & Jamerson have a fishing job at 1,535 feet on their No. 2 Shultz, owing to a split collar, and Andy Urban is drilling ahead at 1,100 feet on his No. 3 Shultz, having been successful with a bad fishing job at 950 feet, where he lost the tools in the hole. Clint Woods has put No. 3 Fred Thom farm to pumping, but its production the first 24 hours amounted to only 15 bbls. Mr. Woods is now rigging up for No. 5 Thom, located 250 feet east and 1,250 feet south of the northwest corner of a 688-acre lease. Dyson and associates are building a rig for their No. 6 on the Horton & Walker lease, 565 feet north of No. 5. By drilling a little deeper in his No. 1 on the Fred Thom farm, Walter Cline was successful in striking a good-looking oil sand at a depth of 1,714 feet and will test it. This test was previously completed a 10-bbl. pumper. The Corsicana Petroleum Co. is drilling at 1,420 feet on No. 2 William Scharnce and is setting casing at 1,550 feet on No. 2 Sinclair Hamming. No. 1 on the Halcomb farm is down 1,490 feet and drilling ahead. W. C. McBride has a derrick built on the William Thom farm which is an offset to the Producers Oil Co.'s well on the same farm and expects to start work by the first of next week. The J. M. Guffey Petroleum Co. has made a location for a new test on the Sarah Pratt farm, which will be located in the northeast corner of a 160-acre tract and an offset to its No. 2 on the Fred Thom farm.

## If You Are Thinking of Buying A Stove, It Will Pay You To Examine Our Line of the Detroit Jewel and Quick Meal

Our line is complete and prices right. We are also making exceedingly low prices in refrigerators.

Call in and let us show you. We are still giving 20 per cent off in queensware and glassware. If you are needing anything in this line you can't afford to miss this opportunity.

We are still making low prices on buggies and delivery wagons. Do not miss this opportunity to buy.

If it's hardware we have it.

# Parmenter Brothers Hardware Co.

The completion of the week at Powikes was Walter Cline and associates No. 2 on the Waggoner ranch, which struck the top of the sand at 850 feet with 24 feet of pay and showed for a 10-bbl. starter. It was located 300 feet southwest of No. 1, which was also good for 10 bbls. in the immediate vicinity of the late completion Reese Allen et al. have given a contract for a deep test on the same ranch to Jerry Kinney and the tools are being hauled to the location, which will be five miles south of the post office at Powikes. The well of Howell & Markowitz on the Woodruff & Krone farm, located in Block 226 of the Waggoner Colony lands, has a fishing job at 1,200 feet and probably will be completed to skid the rig and start a new hole. Sanders & Holt are nearing an oil sand at the No. 6 on the Tate farm and should finish the well by the next week.

**Electra and Petrolia**  
The Electra pool in Wichita county shows an increase in development work and more tests are under way than for many months. Not much outside drilling has been done of late and there does not seem to be much chance for any large extensions in any direction, but the results have been so satisfactory inside of the defined areas that active work will continue until the leases are thoroughly tested. The Corsicana Petroleum Co. was successful in getting a 10-bbl. pumper at its No. 51 on the S. E. Honaker tract at a depth of 745 feet with 15 feet of pay to 760 feet. The same company is drilling at 500 feet on No. 62 Honaker. The Producers Oil Co. is drilling at 950 feet on its No. 78 Waggoner and at 1,700 feet on No. 30 Bywaters lease No. 2. It is making headway at 1,700 feet on No. 8 Tate-Waggoner and is drilling at 850 feet on No. 19 W. B. Honaker. No. 3 on the Nickley farm is down 1,400 feet and drilling ahead. W. W. Silk is drilling at 850 feet on his No. 2 Crowe and should reach the sand by the first of next week.

The Petrolia pool in Clay County offers but very little inducement for future work and it is safe to say that unless the market shows an advance before long not much work will be done outside of the defined limits of the pool. The Producers Oil Co. is setting the 5 5/8-inch casing at 1,610 feet on No. 1 Pioneer & Tankage farm and is making progress 1,325 feet on No. 2 Myers. No. 1 on the Walker lands is drilling at 1,390 feet.

**Notes of Interest**  
Drilling on the San Angelo Oil & Gas Co.'s test on the Harris Bron ranch near San Angelo, Tom Green county, has been discontinued on account of collapsed casing. This has necessitated the removal of some 45,000 pounds of casing and as such as new pipe can be secured active operations will be resumed. After the securing of additional capital in Brownwood, Texas, the test in the Bincs field has been drilled to a depth of 1,300 feet, after having been shut down for lack of funds at 1,100 feet. It is the intention of the operators to give this territory a thorough testing through this well. Considerable interest is being manifested at Malone, in Hill county, Texas, over the completion of a contract between several citizens of that place and the Waco Petroleum Co. for the drilling of a deep test near the town of Malone. This contract calls for the beginning of operations within 30 days. Great hopes of success are entertained by the reason of the fact that good showings of oil have been found at Malone.

The Children. Long hours of trouble come with them. And each one calls for constant care. They pay the price in sacrifice. Who wander where the children fare. For they must give their lives to them. And shun the pleasures of the night. And stay at home, when other roam. Nor yearn for frivolous delight.

They bring long days of dread with them. They twine themselves about the heart. With all their joys and all their noise They bring a heavy ache and smart. It is no easy task to be The parents of a child or two. They bring us work we must not shirk. Our will no longer may we do.

They bring the tears of grief with them. They bring the anguish of despair. The greatest woe that mortals know Is that parents sometimes bear. The very love they bring to us Is burdened with a heavy cross. At times, we start, should they depart. We wonder, could we stand the loss.

Yet there's no joy that can compare With that the children bring to us. There is no song, our whole lives long. Like that the children sing to us. And all our care and anxious nights. And all our fears are worth the while. Cheap is the price, in sacrifice. To pay to know a baby's smile. Edgar A. Guest in the Detroit Free-Press.

Recipe For Stuffed Potatoes. Peel large potatoes, cut off a thick slice for a lid, scoop out the inside and fill with chopped meat, well-seasoned with butter, pepper and salt or sausage meat. Place the cover on top, using a toothpick to hold it in place in covered dish in the oven and bake until potatoes are done.

SEVEN O'CLOCK DINNER FOR MRS. C. A. BARNETT SATURDAY Honoring Mrs. C. A. Barnett of Clinton, Mo., the house guest of Mr. and Mrs. C. W. Snider, Mr. and Mrs. H. E. Hunter entertained Saturday evening with an unusually pretty dinner. Washington's birthday lent a patriotic motif for the effective decorative scheme noted in the perfectly appointed dining table. A cluster of red and white carnations with smilax entwined formed the center piece and they silk flags marked each corner. Radiating from the center piece were the floral favors, red carnations for the gentlemen with white for the ladies, making a pretty color note on the snowy cloth. A delicious six course dinner was served and the guests spent the remainder of the evening in playing forty-two. Those enjoying Mr. and Mrs. Hunter's hospitality were Mr. and Mrs. T. T. Reese, Dr. and Mrs. Guest, Mr. and Mrs. C. W. Snider, Mr. and Mrs. C. Y. Tully and Mrs. Barnett, the honoree.

RECEPTION FOR MRS. S. E. GUTHRIE OF LAMPASAS Coming at a time when the gaiety of the winter social season has somewhat subsided the formal "At Home" of Mrs. T. H. Peery Saturday afternoon was unusually pleasant. Mrs. Peery entertaining as a compliment to her guest, Mrs. S. E. Guthrie of Lampasas. The decorations of the library and dining room were reminiscent of the Valentine season, both in the color note and heart design of the embellishments. Festoons of red hearts, both large and small, formed garlands at the windows and marked the double doors between the two reception rooms. Pot plants in profusion set off very effectively the scarlet carnations, cut flowers used in connection with the hearts. Pendant from the electric chandeliers were large hearts and the heart decorations, carried out in the dining room, formed a charming setting for the bevy of young girls, attired in chiffon frocks in light colors assisted the hostess in the punch service. Misses Isabel and Myrtle Morris, Mildred Van Voy, Opal Walters and the young daughter of the house Eloise Peery were in the dining room. The spacious living room has been converted in an attractive Japanese tea garden and this spot the guests found so attractive that they lingered long over their social cup. The Mesdames C. B. Felder, J. W. Nicholson and H. M. Kearby received the guests here. The shades were closely drawn, and a softened glow came from immense Japanese crans adorned with picturesque figures. The windows were overhung with beaded Japanese portieres and festooned with fluffy chrysantheums and tiny lanterns. Cozy corners, with andouilles, screens, parasols and lanterns, all from the Flowery Kingdom provided an effective background for the charming ladies presiding at the tea and coffee tables. The tables were set in a bower of exquisite plume chrysantheums. Mrs. A. S. Ponville presiding at the coffee urn in an elaborate and unique Japanese costume. The tea table with its Japanese cloth and china was in charge of Mrs. P. Langford and Mrs. Nace Clifford. Mrs. Langford, wearing an imported Oriental robe of pink silk, poured tea with her usual grace of manner, assisted by Mrs. Clifford, also in Japanese garb. A salad plate was served with the tea and coffee by Misses Letna Shaw, Ellen Adele Robertson

and Rose Johnson, all being gowned in keeping with the general motif. Here the clever hostess had provided a novel entertainment for the guests, a Japanese drill and song, executed by a number of little girls in costume with parasols and fans. Miss Agnes and Miss Kathleen Stonecipher were in charge of the drill. The guests on arriving were met by Mrs. C. R. Hart, sook with little Miss Emma Frances McFall at the card tray and were presented to the receiving line by Mrs. J. W. Lee. The ladies in the receiving line were the hostess, Mrs. Peery, Mrs. S. E. Guthrie, the honoree, and Mesdames J. D. McFall, G. H. Carpenter, W. S. Robertson, J. D. Johnson, W. G. Shaw, R. O. Harvey, G. D. Drinkard, P. D. Stanley, T. B. Smock and J. G. Kearby. Mrs. Guthrie wore an especially beautiful gown of nil-green crepe de chine, en-train, with draped over-tunic of white chiffon. The bodies were caught at the shoulders with strings of pearls and pink roses. Mrs. Peery's gown was of hand-painted crepe de chine, cut en-train and with jet-trimmings.

Mr. and Mrs. Abe Marcus have as their guest Joe Hursch of Corpus Christi. The Young Ladies' Guild of the Episcopal church held a business meeting Thursday evening, the business consisting for the most part of finishing up details of the Valentine social and hearing reports. The guild will meet next Saturday with Miss Adams on Scott Avenue.

OLD MAN IS FOUND DEAD, YOUNG MAN IS ARRESTED Body Is Found, Wrapped in Wagon Sheet, By Side of Road, in Mason County.

By Associated Press. Brady, Texas, Feb. 20.—A young man who gave the name of Davis, was arrested late Saturday by Sheriff Wall and held on a charge of murder, alleged to have been committed in Mason county Friday night. Davis was traveling with an old man by the name of Chamberlain who was killed and his body wrapped in a wagon sheet and thrown out of a wagon by the road side where it was found. The wagon was traced to Camp San Saba where it was traded for another wagon after which Davis came here. Blood stains were found on an axe in the wagon.

GOVERNOR'S PLANS FOR EXECUTIVE CLEMENCY By Associated Press. Austin, Texas, Feb. 22.—Executive clemency is to be dealt out in a systematic manner to deserving convicts according to an announcement by Gov. Ferguson this morning. The governor, it is said, intends to grant conditional commutation of sentence for observance of prison rules and efficient service to the extent that prisoners hereafter who show good records shall have double time to be deducted on a prison term, however, would cause forfeiture of all rights under previous good behavior.

"TEXAS FLAG DAY" IS OFFICIALLY ESTABLISHED By Associated Press. Austin, Texas, Feb. 22.—There is now a "Texas Day" in the State, Governor James E. Ferguson having approved a concurrent resolution adopted at the present session of the legislature designating March 2—Texas Independence Day—as Texas Flag Day. Under the resolution the Lone Star flag is to be displayed on all public buildings on March 2, the governor previously to have issued a proclamation to the people to observe the day properly. In signing the resolution Gov. Ferguson penned these words: "Approved with pleasure, pride and patriotism."

ARRESTED FOR ASSAULT ON FORT WORTH JEWELER By Associated Press. Fort Worth, Texas, Feb. 22.—Pat Murphy, arrested in Little Rock to day, was charged with assault on J. W. Mitchell, one of the leading jewelers of this city.

OBSTACLES IN WAY OF JOHNSON REACHING JUAREZ Is Alarmed by Report of Conditions in Mexico But Is Determined to Push Ahead By Associated Press. Havana, Feb. 22.—Jack Johnson, the pugilist, accompanied by his wife, secretary, sporting partners and a servant, arrived here today from Cienfuegos. He appeared in good condition and declared he never felt better. Johnson said his only anxiety was now to reach Juarez in time for his match March 5 with Jess Willard. He was alarmed at hearing of the present chaotic condition in Mexico, especially the difficulties which probably would confront him in going north from Tampico. Johnson declared, however, he was determined to push ahead in spite of obstacles and if no regular steamers were available for the trip he would charter a vessel to take him to Tampico. The heavyweight champion reached Cienfuegos on the four-masted schooner Henry F. Kraeger which he chartered to take him from Barbados. The passage which was rough, took ten days.

Knights Templar Attention There will be a meeting for re-hospital at 7 p. m. Monday night. All Sir Knights requested to be present. I. H. ROBERTS, E. C.

YOUNG WOMAN SUCCUMBS AFTER 69 DAYS SUFFERING Miss Georgia Lee Adams Dies From Effects of Burns Received in December.

Miss Georgia Lee Adams, aged nineteen, the young woman who was burned in an accident at her home last December, succumbed to her injuries Sunday after 69 days of suffering. The following has been received: Just as the evening shadows of another beautiful Sabbath drew on the spirit of Georgia Lee Adams was released from a body of intense suffering and went home to God, there to spend an eternal Sabbath with her Savior whom she loved so well. Georgia Lee, who was familiarly called, daughter of Mr. and Mrs. S. H. Adams, 602 Austin street, Wichita Falls, was born March 23, 1898. In August, 1913, she was converted and joined the Methodist Baptist church near Trinidad, Henderson county, Texas, where she was still a member at the time of her death. On December 15, 1914, she was severely burned from head to foot. Every moment of 69 days Georgia Lee suffered physical death, yielding only after the earthly hours of her tabernacle had literally perished away February 21, 1915. Beside a host of friends and other loved ones Georgia Lee leaves her parents and four sisters to weep for her, yet they can not wish her back after being released from such painful suffering. Call not back the dear departed. Anchored safe where storms are o'er, On the border land we left her. But soon we'll meet to part no more. Far beyond this world of changes, Far beyond this world of care; We shall find our missing loved one, In our Father's mansion fair.

In all her suffering Georgia Lee bore them patiently and often spoke words of comfort and cheer to those who administered unto her. It was a heavenly benediction to be in her presence, to witness her faith, for verily she glorified God in her suffering. To know her was only to love her as attested by the large number who came to pay tribute of respect. The funeral services were conducted at the residence by Pastors T. E. Cannady and R. C. Miller of the Baptist churches. To some it would seem so strange that one so young and fair, just entering the threshold of young womanhood, should be taken, but some day we will read the meaning of our tears and then we'll understand. A FRIEND.

GAMBOA AT SAN ANTONIO FOR PEACE CONFERENCE Felix Diaz Invited to Attend Meeting But Has Not Yet Given Reply.

By Associated Press. San Antonio, Texas, Feb. 22.—Federico Gamboa, president of the recent Mexican peace conference, today left San Antonio Saturday, as he said, "to meet some chiefs." He would not name these leaders nor would he discuss the matters to be considered, though he said emphatically it was not to inaugurate a new revolution.

He was accompanied by Esquivel Obregon and they are holding conferences today with several groups. Senator Gamboa said a telegram had been sent to Felix Diaz, asking him to meet with the chiefs, but no reply had been received.

TURKISH REPORT CLAIMS ONLY SLIGHT DAMAGE DONE Amsterdam, Feb. 22.—A dispatch from Constantinople gives the following official statement issued by the Turkish war office: "Early Saturday morning, English and French boats renewed their bombardment of the outer forts of the Dardanelles, firing 400 shots without much success. One soldier was slightly wounded by a fragment of stone. Eight armored Anglo-French ships bombarded the outer forts of the Dardanelles for seven hours without silencing them. The enemy fired shots from guns of great caliber. Three hostile armored ships were damaged, one of them a flagship, being severely damaged."

Another version of the Turkish report as received here from Constantinople says that on the Turkish side one man was killed and another slightly injured.

MEMORIAL HOSPITAL BILL IS SIGNED BY GOVERNOR By Associated Press. Austin, Texas, Feb. 22.—The governor today signed the Walter Colquitt memorial hospital bill, the measure being Senate bill No. 62. This bill provides for the taking over and supporting by the State of this hospital, which is devoted to the treatment of crippled children. The governor also signed the bill changing the time of holding court in the third judicial district composed of Henderson and other counties. The governor has before him the bill passed a few days ago which provides a heavy penalty for betting of any character on public elections. The governor said he would scrutinize this measure carefully.

### JURY FOR GRISHAM TRIAL CHOSEN THIS AFTERNOON

Five Members Agreed Upon at Three O'clock--is Accused of Killing at Electric

Selection of a jury for the trial of T. M. Grisham, under indictment on a charge of murder in connection with the killing of Foster Reynolds at Electric on January 19th, began this afternoon in the 30th district court. At three o'clock, five jurors had been chosen after the examination of only seventeen of the 90 jurymen and it was believed the selection of the jury would be completed this afternoon.

The jurors selected up to three o'clock were Jasper Geyer, T. P. Adams, A. L. Huey, W. J. Bullock and S. B. Gault.

Grisham shot and killed Reynolds in a furniture store where Grisham was employed. Self-defense and the unwritten law will be pleaded by the defendant who is represented by At-

### PETITION SENT TO AUSTIN OPPOSING FULL CREW BILL

Legislators Asked To Vote Against It Also Against Railroad Hospital Measure

A petition signed by many business men and shippers was forwarded to the representatives from this district in the State Legislature today asking them not to vote for the so-called "full crew" bill and the "hospital bill."

The petition asks that representatives at least exert themselves to delay action until a further hearing on these measures can be had. It was forwarded to Austin by telegraph this afternoon.

### INCREASES IN SUBMARINES IS PROPOSED IN SENATE

Senator Smoot Would Build 75 New Ones--Wants \$30,000,000 For First One

By Associated Press. Washington, Feb. 22--Senate Republicans intend to put up a larger building submarine program in the pending naval bill than has been provided by the House. Senator Smoot today introduced an amendment for 50 submarines of a sea-going type and 25 smaller ones. For the first year it would appropriate \$30,000,000.

W. C. T. U. MEMORIAL SERVICE NEXT WEDNESDAY

As a number of the pastors of the different churches of the city will be attending the laymen's convention in Dallas on Wednesday--evening the congregations are invited to unite with the Woman's Christian Temperance Union in their Francis E. Willard Memorial service Wednesday evening at 7:30 at the First Presbyterian church.

### WILSON NAMES FEDERAL TRADE COMMISSION TODAY

Three Democrats, One Progressive and One Progressive Republican Appointed

By Associated Press. Washington, Feb. 22--President Wilson today nominated the following members of the new federal trade commission: Joseph E. Davies of Madison, Wisconsin; Edward N. Hurley of Chicago; William J. Harris of Cedar town, Georgia; William H. Parry of Seattle, and George Rublee of Corvallis, New Hampshire. The commission has three democrats, one progressive republican and one progressive. Parry is described by the white house as a progressive republican and Rublee as a progressive.

Snyder, Texas, Feb. 22--Dutch Jordan, charged with killing his father, J. D. Jordan, in Scurry county last week, had an examining trial here. He was denied bail.

### ED MORGAN RETURNS FROM LONG SOJOURN IN CHINA

Well Known Operator Back After Trip To Far East and Will Remain

Ed W. Morgan, for several years a well known oil-contractor and operator in Northwest Texas and one of the most generally beloved men that ever started a rig, is back home. He arrived yesterday and announced that he would remain for a while. His last address was some place in China, whether he went over a year ago to work for the Standard Oil Company, but he says that hereafter these United States are good enough for him.

Small Box is Reported

SMALL BOX IS REPORTED ALONG WICHITA VALLEY. Small box is reported prevalent in several towns along the Wichita Valley and at some towns persons who have the appearance of small box are not permitted to alight from trains. Agents of the Wichita Valley Railway have been notified not to permit persons visibly affected with small box to alight from the trains. Such persons must secure a physician's certificate before they will be permitted to alight.

Oklahoma Democrats

OKLAHOMA DEMOCRATS MAKING PLANS FOR 1916. By Associated Press. Muskogee, Okla., Feb. 22-The Young Men's Democratic Club of Oklahoma was to hold a meeting here today to consider matters of interest to the Democratic party and prepare plans for the 1916 campaign. Each club throughout the State, it was said, would have one delegate present for every ten members on its membership roll. Voting in today's meeting by proxy was not to be allowed.

New Year's Resolutions

We make them and we break them but there is one resolution that we should make and keep and that is to trade at home. Every merchant and business man living in the city of Wichita Falls is dependent upon you for patronage. Without you they could not exist. Without them you could not have the fine city that you do. In trading at home, however, you must demand equal values, dollar for dollar, that you would get in Dallas or St. Louis. With a fair comparison of wages and expenses, you are getting that should be the business men of your city can buy just as cheap in Eastern markets as Dallas men can and the business man here can operate with much less expense than the big city house does. Now the holiday season is over. Many of you received photographs from friends at a distance. It is up to you to reciprocate in kind. We can assure you just as fine work in our studio as you can get in Dallas or Fort Worth and we do not have the heavy operating expense of the city studios here, consequently we divide the profits with you. Give us a trial. We will convince you and when we succeed we will all be happy. Call and see us. It costs you nothing. The photos of your friends speak for themselves. Remember the place. J. M. HAVIS. The Portrait Man. 710 1/2 Indiana Ave.

RED BALL TRANSFER CO.

519 Ohio Avenue. Phone Office 994. Phone Residence 725. We move, pack and store your furniture and do a general transfer business. Heavy Hauling and Home Moving a Specialty. A. DRAKE, Proprietor.

HORSE SHOING

I have in my employ one of the most competent horse-shoers in the State. If you send your horse to him, the work of shoeing them will be done by an expert in that line. I have customers who I have been doing work for in that line for 15 years and they are still with me. Ask them My shop is located at 607 Indiana Ave. Phone 1796. A. J. SEITZ.

"YOUR TIME"

It is so valuable to leave your business and go out on the street and run down or hunt a transfer or baggage wagon. USE YOUR TELEPHONE and call 444 or 14. We are in our office always and read YOUR business. YOU WILL NEVER FIND US STANDING ON STREET CORNERS. McFall Transfer & Storage Co. Office 707 6th Street.

STOP! LOOK! LISTEN!

Remember, safety first. Don't be sicked by some small town cheat who is making his debut in the vulgarity game with a cheap Naptha vulcanizer, the kind that you use on a kitchen table and light her and your tube burns and drops on the floor like molasses. This is the kind of a patch they can put out for the sum of two bits. We do it the steam way.

THAT FOOL LUCK!

Some folks sit in the shade of indolence and expect luck to come along, lambast them in the back until they holler "Golf-Rope," then drag them up the hill of success while acclaiming friends stand by shouting glory.

We notice that most of them still sitting in the shade while Old Man Luck plays four aces to the man who rolls up his sleeves, gets a firm grip on himself, his fate full in the face and kicks the wolf off his doorstep with a vim that would make old mule "Maude" ashamed of her weakness.

We are for that man—he be friend or foe and would like to beautify his last resting place should he ever decide to give up.

TOOTH BRUSHES

The world needs railroads, steamships and telegraph lines. It needs battleships, printing presses and state legislatures. It has to have politicians, book agents and vixenlike men. But did it ever occur to you how dreadful it would be without tooth brushes? Suppose you owned the New York Central and could not buy a tooth brush. Imagine you had the Mallory Line and this bit of bone and bristle was denied you. You may never be able to own any of these big things but you can have the best tooth brush in the world every time you lay down a quarter at our store. This brush is worth thirty-five cents at ordinary drug stores. We are further from competition than Augusta is from Galveston. The best tooth brush ever made and it's yours from now until the crack of doom for TWO BITS AMERICAN MONEY.

"Only the Best"

BUY THE BEST

We are showing in our "Office Supply Window" this week the following articles which according to our experience have proven the most satisfactory.

WASTE BASKET AND LETTER TRAYS Japanese Smoked Bamboo, any size, very suitable for residence use. Oxidized copper steel, any size, very suitable for hotels and nicely furnished offices. Wire solid tin bottoms to prevent small trash from getting on the floor. This basket is our best seller and is suitable for any place.

MODERN EVER-READY TELEPHONE MEMOPAD HOLDER—This attachment has roll of paper which pulls through as needed, very suitable for all purposes, and especially long orders, as you get it all on same sheet which can be filed if so desired. We carry these in all black or oxidized finish, the latter being very suitable for residence use. Extra rolls of paper may be had at any time.
