Ford Calls On Employes To Take Pay Cut

Walkout Possible In 90 Plants Of General Motors

(By The Associated Press)

DETROIT, May 17—The CIO United Auto Workers threatened today to call a strike of 225,000 General Motors employes within two weeks.

This threat came against a backdrop of a strike at Chrysler Corp.

POLICE RUSH IN

DETROIT, May 17 (AP) — Special squads of state police were rushed into suburban Highland Park today to cope with an outbreak of picket line violence around one of 16 strike-bound Chrysler Corp. plants.

They were dispatched into the Detroit area by Gov. Kim Sigler at the request of Highland Park Mayor Norman Patterson.

Sigler also disclosed he was prepared to alert the National Guard if necessary.

and an unexpected move by the Ford Motor Co., to cut wages.

T. A. Johnstone, acting director of the UAW's General Motors department, said there is "a very good possibility" of a walkout in 90 GM plants May 28 if no settlement is reached by them.

Contract To Expire

"Our people probably aren't going to work if there's no contract," he added.

The current UAW-GM contract, extended 30 days, expires May 28. Nearly half of the General Motors union locals already have approved a strike, according to Johnstone.

A walkout at General Motors would boost the auto industry's strike total to 300,000. Some observers believe the union would be reluctant to strike two of the industry's "big three" companies at the same time. Ford's proposal met a crisp CIO rejection.

Pickets Are Accused

Chrysler, meanwhile, accused pickets of forcibly preventing white collar workers from entering some of its 16 strikebound plants.

Here are some of the developments on the many-sided auto labor front, affecting up to half a million workers at least indirectly:

1. The Ford Motor Co., pleading a cause of "public security," proposed that its wage "differentials" with competitors be eliminated, meanwhile rejecting the UAW's demand for a 30 cents hourly increase.

The bulk of Ford's 107,000 production workers probably would be affected in any reduction of

Veteran Race Driver Killed

INDIANAPOLIS, May 17 (AP) — Ralph Hepburn, crippled and scarred veteran of 30 years automobile and motorcycle racing, was killed yesterday when his car crashed into a wall at the Indianapolis motor speedway.

The 51-year-old Van Nuys, Calif., driver was practicing for his 16th attempt to win the annual 500-mile Memorial day race.

Hepburn crashed into a concrete retaining wall with the Novi special he had driven faster than any other car that ever roared around the two-and-a-half-mile track.

Most of the estimated crowd of 40,000 could not see what happened because of infield trees. But Luigi Chinetti of Milan, Italy, only foreign driver at the track, said Hepburn's car wavered, hit the infield dirt, and then swerved back across the track.

Hepburn was the 21st driver killed at the track since 1910.

Lou Welch of Novi, Mich., owner of the Hepburn car, said no attempt would be made to repair it for this year's race, May 31.

Arabs Drive Into Palestine

Trussed-Up Body Of American Reporter Found In Greek Bay

(By The Associated Press)

SALONIKA, Greece, May 17—A Greek cabinet minister hurried here from Athens today to investigate the death of George Polk, American radio correspondent, whose trussed-up body, with a bullet in the head was found floating in Salonika bay yesterday.

Premier Themistokles Sophoulis announced in Athens that he had ordered a full investigation and Constantin Rentis, the minister of public order, undertook to conduct it.

Trying For Interview

Polk, 34, a correspondent for the Columbia Broadcasting System, disappeared a week ago, after telling friends that he was trying to get an interview with Markos Vafiades, leader of the Communist Greek guerrillas.

Yesterday morning his body floated ashore along Salonika's Nizi (Victory) boulevard, the fashionable promenade. Apparently fearing an international incident, police concealed for several hours the fact that Polk had been shot in the back of the head. His hands and legs were bound with twine.

In Water Seven Days

The coroner estimated his body had been in the water seven days.

"I am going to mobilize the entire police of Greece to uncover the details of his death," Sophoulis said.

Police officials said they were hunting for suspected Communists with whom Polk, a navy veteran cited for heroism, might have made contact in trying to reach Markos. The rebel radio lately has been calling all Americans "Fascist beasts."

In Athens, however, a close friend of Polk's said the CBS correspondent had received several threatening telephone calls, in which the callers accused him of being a Communist, indicating that anti-Communists might have desired his death.

Had A Premonition

Mrs. Rhea Polk, his bride of eight months, said her husband had a feeling he was going to die.

"He felt," she said, "he had had every experience in life and there was no new goal to look forward to."

She said he had been threatened by both Arabs and Jews in Palestine, but never, so far as she knew, in Greece. He had been

Atomic Commission Ends Its Efforts

LAKE SUCCESS, May 17 (AP)—The United Nations atomic energy commission decided today to end its two-year effort to agree on world atomic control. The vote was 9 to 2.

Russia and the Soviet Ukraine voted against the suspension, which was proposed originally by the United States, Britain and France.

The move came after the western powers concluded it was useless to continue the talks any longer in view of the deadlock between Russia and the commission majority.

Candidates To Battle For Oregon Vote

Stassen, Dewey Debate Communist Issue Tonight In Nationwide Radio Broadcast

(By The United Press)

PORTLAND, Ore., May 17.—Gov. Thomas E. Dewey and Harold E. Stassen will debate the question of outlawing the Communist party tonight before a nationwide radio audience.

Both men are trying to start a bandwagon rolling from Oregon to the White House. They are sole opponents in the Oregon May 21 election, the last contested primary before the Republican national convention in Philadelphia.

Stassen and Dewey will debate the Communism question between 6 and 7 p. m. in the studio of KEX, Portland. The discussion will be released nationally over one (Mutual) and possibly more networks, and in the northwest by two or more outlets.

Only working newspapermen will be present in the studio. Stassen capitulated to Dewey's terms that the debate not be a public forum, except by radio.

Stassen will open the debate with a 30-minute speech advocating that the Communist party be outlawed. Dewey will respond with a 20-minute speech opposing Stassen's stand. Then each candidate will complete his presentation with 8½ minutes' rebuttal.

TRUMAN DECISION IS HELD UP

Arms Shipments To Jews Under Study

(By The Associated Press)

WASHINGTON, May 17—The United States had under study the question of lifting the ban on shipment of American arms to the Middle East, but indications are that President Truman will make no decision for a few days at least.

Several factors point to the go slow policy for the moment:

1. The United Nations security council is taking up the questions raised by invasion of Palestine by armed forces from the Arab states.

2. It is still not clear how far the Arabs intend to go. The Arab League says the sole purpose of the military maneuvers is "restoring peace and security."

A decision that the Arabs are aggressors under the United Nations charter might affect any changes made in the arms ban that might be considered reason to permit arms to go to the Jews, but not to the Arabs.

Word that the White House has the matter under study brought prodding comment in Congress for lifting the ban.

Favored For Jews

Senator Chavez (D-NM) said it should be lifted "for the Jews only." Senator Edwin C. Johnston (D-Colo) called it "a damn disgrace" that the Jews can't buy arms here. But Rep. Vorys (R-Ohio) said the United States should not furnish arms in a manner which would cause this country to take sides in a "holy war."

The White House also disclosed over the week end that the President is considering whether to exchange diplomatic representatives with the newly-recognized provisional government of the Jewish state, Israel.

Four Killed In 3 Air Crashes

COLUMBUS, O., May 17 (AP)—Four fliers were killed in three air accidents in central Ohio yesterday.

W. R. McCaulley, Fort Dodge, Iowa, and Jack Raymond Foote, Chicago, both employed by Sliok Airways, Inc., died in a crash of their twin-engined cargo plane in woods east of Port Columbus airport last night.

Earlier, two naval reserve fliers from Columbus field—Lt. (jg) William G. Smith, 24, of Newark, O., and Lt. (jg) Theodore L. Meyer, 25, of Columbus—crashed while on training flights.

Had Clothing Shipment

The cargo plane was enroute from Newark, N. J., to Chicago with a shipment of women's and children's clothing. Shortly before 9 p. m. it radioed Port Columbus' control tower that it had lost its rudder and was going to attempt a landing. Investigators said later, however, that the wreckage indicated the rudder was jammed.

The plane made two landing attempts before falling into the woods.

Witnesses said the plane flipped over on its back seconds after regaining altitude. It plunged almost straight down. Only a few trees were broken off. Both men were trapped in the cabin.

Search For Sinking Ship Is Abandoned

SAN FRANCISCO, May 17. (U.P.)—The Coast Guard and Airforce today gave up the search for a ship which radioed Saturday morning it was "sinking," after hitting a mine.

Planes and ships which combed a 6,000-square-mile area off the California coast over the weekend found nothing. Officials of both services said they "had nothing more to go on for a search."

Indications were the SOS was a hoax.

Tel Aviv Again Bombed; Port Area Blasted

Egyptians Pushing Toward Capital Of Jewish Defenders

(By The Associated Press)

The Egyptian army was reported by Arabs today to have driven 30 miles into Palestine, more than halfway to Tel Aviv.

On the east of the new Jewish state of Israel, other forces of the five Arab nations invading Palestine were said to have captured the important Rutenburg power station, where the Yarmuk river joins the Jordan. King Abdullah of Trans-Jordan, leader of most of the Arab forces, said the station supplied two-thirds of Jewish industry.

Capture Is Imminent

The Jews said the capture of Arab Acre, an old crusaders port 12 miles south of Lebanon, is imminent. Haganah forces were declared to have struck seven miles into Lebanon and wrecked a strategic bridge.

Tel Aviv, government seat of the state of Israel, was bombed for the third straight day. The Egyptians declared they destroyed important dock works there yesterday. The Jews said they destroyed one or two planes.

Aimed At Port Area

Haganah, the army, said several bombs were dropped at 5 a. m. The attack appeared aimed at the port area by a light or medium bomber and one other plane. At least 10 persons were killed from the air on Saturday and Sunday.

Moshe Shertok, foreign minister, acknowledged heavy Arab pressure in the northeast and south. The Egyptians were pressing into the Negeb, or southern desert, and the Iraqi army was striking in the northern Jordan valley, he said.

Station Is Captured

Haganah issued this communique at noon:

"Police station Nebu Yusha, upper Galilee, was captured by our forces.

"In the Semakh area, Lake Galilee, heavy attacks were made on our positions yesterday. Three enemy armored cars were hit and put out of action. Two attempts by enemy infantry to attack our positions were repulsed, each time with enemy casualties.

"Enemy armored cars, artillery and infantry yesterday attacked Gesher, on the Trans-Jordan frontier. Heavy guns fired from the Irbid road and Wadi Bara. Two enemy armored cars were put out of action and an infantry attack was repulsed.

"At 5 a. m. Tel Aviv was attacked from the air. Several bombs were dropped."

Success Reported For Atomic Tests

WASHINGTON, May 17 (U.P.)—President Truman announced today that this country has successfully tested three improved atomic weapons. The results, he said, "indicate very substantial progress."

Chairman David E. Lilienthal of the Atomic Energy Commission, said the latest tests, carried out in secret at the remote Pacific proving ground of Eniwetok atoll, are "a milestone in atomic development."

The President said he has generally approved commission plans to start at once further nuclear development based on information gained from the tests.

There was no indication what the improved weapons are or how they are improved. That and other details of the test remain secret.

Guam Is Alerted For 80-Knot Typhoon

GUAM, May 17 (AP)—Guam was alerted for a typhoon today.

The storm, with 80 knot winds at its center, was reported approximately 375 miles to the southwest—and moving towards Guam.

Apra harbor was closed to incoming traffic. Ships were leaving two and three at a time. The Navy shut down its Agana airfield.

Meanwhile, a search was ordered for 18 Yap natives blown to sea yesterday in canoes and rafts. Yap, in the Carolines, is about 400 miles southwest of Guam.

Soldier Is Woman's Second U.S. Victim

U.S. Sergeant, 21, Succumbs To Wiles Of Red Mata Hari

(By The United Press)

WASHINGTON, May 17—Only Russian officials knew the fate today of a 21-year-old U. S. Army sergeant who deserted his embassy post in Moscow and fled with a female Russian spy who seduced him with all the wiles of a Mata Hari.

In a way the story of his downfall is as old as history. But what made it unusual was the fact that the State department called a special press conference last night to announce details of its latest spy drama.

The principal characters are:

Sgt. James M. McMillin, U. S. Army, age 21, of Boulder, Colo. who has been attached to the office of the military attache in the U. S. embassy in Moscow for two years. He was described in the State department as a "young, inexperienced" American who fell into the hands of, presumably, a lovely spy.

Mrs. Galinda Dunaeva Biconish, a Soviet citizen who is described by the State department as "an experienced Soviet agent." Once before she lured another inexperienced American Army sergeant, John Biconish, with her charms

Meat Prices Zoom As Supply Is Cut

(By The United Press)

Meat prices have zoomed sharply in the 62 days since a strike by the CIO Packinghouse Workers Union cut off a large share of the nation's meat production, a survey showed today.

However, there was no way of telling how much of the price boost was caused by the strike and how much was caused by normal market fluctuations.

10 to 20 Percent Higher

The survey, conducted by United Press bureaus in 20 cities, showed that on the average across the nation various cuts of meat have climbed from 10 to 20 percent. Some cities reported rises of as much as 40 percent.

The survey compared prices today to those of March 11. The packinghouse workers struck March 16.

The average price of porterhouse steaks in the 20 cities jumped from 84 cents to 96 cents. The average for loin lamb chops went from 83 to 97 cents. Uncured ham rose from 58 to 62 cents.

Produce Also Up

The rise in meat prices also was reflected on produce such as poultry. The average price of broiling chickens in the 20 cities rose from 58 to 63 cents. The price on chickens remained steady in many cities but rose sharply in others.

The biggest price boost was reported at Knoxville, Tenn., where porterhouse steaks skyrocketed from 80 cents a pound to $1.20. Lamb chops went from 80 cents to $1.10.

Pittsburgh reported the least rise in meat prices. Porterhouse and ham remained steady at 85 and 55 cents and lamb chops rose from 70 cents to only 75 cents.

At Lincoln, Neb., where weiners rose from 45 to 58 cents, a dealer said "we're losing money even with the boost in prices but the public just won't pay any more."

First President Of Israel Is Elected

TEL AVIV, Israel, May 17. (AP)—Zion's senior statesman, Dr. Chaim Weizmann, 73, became provisional president of the new state of Israel today.

He was elected president of the 37-member council of government last night, which makes him, in effect, Israel's chief executive.

The leader of the world's newest state is now under the care of a physician in New York City. The nature of his illness has not been disclosed. Dr. Weizmann, one of the outstanding figures in world Jewry, is credited with having played one of the major roles in the establishment of the Jewish state, having fought nearly all his life for Zion.

Action Against Strike Hinted

SOUTH ST. PAUL, Minn., May 17 (AP)—Gov. Luther W. Youngdahl demanded a quick settlement of the meat packing strike in Minnesota as he summoned packers and strikers to his office today.

If the strike is not settled promptly, the governor said, "I shall be forced to consider other measures in the public interest."

He did not elaborate and refused to comment when a reporter asked if this meant he might close the packing plants, strikebound since March 16.

The governor made the summons yesterday after ordering national guardsmen to another strikebound packing plant at Albert Lea, Minn., 100 miles south of here.

About 1,000 workers of the Wilson company plant who are members of the CIO United Packing House Workers union are on strike there.

Meanwhile, armed militia men patrolled South St. Paul streets and watched livestock trucks roll into market for the first time in nine days. There were no incidents as the first trucks arrived.

The national guardsmen were first called out Friday after two sheriffs in the South St. Paul area reported they were unable to maintain peace.

In summoning officials of the UPAW and of strikebound Minnesota plants of Wilson, Armour, Swift and Cudahy to meet with him, the governor stated in his telegrams that "our farmers, business men, workers and others . . . are aroused and are insisting" on immediate settlement of the strike.

The governor had emphasized that the troops were called to restore and maintain order and not to advance the interests of one side or the other.

Many Czech Airmen Reported Deserting

MUNICH, Germany, May 17 (AP) —A refugee Czech officer says the Czechoslovak air force is deserting in wholesale lots. He estimated only five per cent of Czech air officers were Communist-minded.

The officer, a lieutenant whose name may not be disclosed for his safety's sake, said the deserters are fleeing into Germany by land, since it has become too tough to steal planes anymore.

The Czech air corps trained with the British Air force during the war. At least a thousand former Czech military men are reported to be in Bavaria now.

House Group Okays Big Super-Carrier

WASHINGTON, May 17 (AP)—A House armed services subcommittee approved unanimously today a bill clearing the way for the Navy to get started on a 65,000-ton giant aircraft carrier.

Navy authorities say the supercarrier, capable of cruising Arctic waters, would be the largest ship of any type ever built. It would be about half again bigger than the Navy's present biggest carriers. Up to four years would be required for its construction.

Presumably, multiple - engine bombers capable of carrying an atomic bomb thousands of miles could take off from its flight deck.

Lubbock Gets .41 Inch; Hail Also Reported

Moisture Assured For Planting But More Is Needed

Rain beat a welcome melody in the ears of South Plains farmers Sunday afternoon and night, as amounts ranging upward to three inches fell over the area.

Official measurement of precipitation at the U. S. Weather bureau station north of Lubbock was .41 inch.

Was Very Irregular

Rainfall was "very irregular," however, the weather bureau station reported, and estimates of precipitation at Lubbock Army Air field, Hurlwood and Wolfforth were about three inches. Light hail fell in that vicinity.

Amount measured at Texas Technological college was .28 inch.

The Santa Fe dispatcher received an estimate that rainfall varied from one inch to three inches in vicinity of Anton and that heavy hail was received northeast of Anton. The precipitation at Plainview was about one and one-half inches.

Rainfall varied over the remainder of the South Plains.

Welcome To Farmers

Coming at planting time, the irrigation farmers already had planted cotton and a few dry land farmers had taken a chance on early precipitation and planted cotton.

D. W. Sherrill, Lubbock county agent, estimated that 25 per cent of the cotton had been planted in Lubbock county. The rain fell slowly and definitely will benefit cotton already planted, he said. Some of the dry land farmers, he said, had planted cotton without enough moisture to bring it up and keep it growing.

Will Do For Planting

More rain always can be used in West Texas "but this will do to plant on," said Sherrill. "If we get some more in another week or 10 days, it will be just right," he said.

Rainfall reports to the Santa Fe, in addition to those from Anton and Plainview, were: Texico, sprinkle; Muleshoe, 1-4 inch; Sudan, sprinkle; Amherst, sprinkle; Littlefield, 1-4; Shallowater, 1-2; Slaton, .4; Canyon, 3-4; Happy, 1-4; Tulia, 1-4 Kress, shower; Hale Center, shower; Abernathy, light sprinkle; Levelland, .2; Bledsoe, light shower; Ropesville, 1-8; Meadow, 1-8; Brownfield, 1-2; Seagraves, light sprinkle; Wilson, 1-4; Tahoka, light sprinkle; Idalou, one-half; Crosbyton, one-fourth; Lorenzo, shower; Floydada, shower, and Ralls, one-fourth. Rainfall at Ralls varied up to .45 inch.

Negroes Face Charges Here

Several persons were held by police this morning pending further investigation and possible filing of charges.

Frankie Johnson, jr., 21, a Lubbock negro, allegedly shot a tire of the automobile of another negro, Eugene Hankins. Hankins, in the car at the time, informally charged that the shot was meant for him. A 12-gauge shotgun was recovered, investigators said.

Broke Chair Over Head

Melvin Blake, 28, a negro, admitted, police said, that he "broke a chair" over the head of Lillie D. Ashford, a negro female.

Another negro who allegedly admitted he had been convicted and sentenced for burglary in West Virginia and had been in difficulties with law enforcement in other cities was held for investigation into ownership of an automobile he was driving here.

He allegedly had no valid driver's license, no papers showing ownership of the car—"and his story had too many discrepancies," it was announced.

Companions Charged

Two negro companions, one of Utah and the other of West Virginia, were charged with vagrancy.

The arrest was by Sam Fort and John McVean, state highway patrolmen. A request was made for a check of ownership of the car.

A man who gave his address as Snyder was held for investigation after he allegedly had been "knocked out of the door of a residence here." Police said he made the mistake of going into

THE other day Alvin A. Goldstucker, Lubbock merchant, got a letter from his sister who lives in Brooklyn. In the letter was a clipping, apparently from the editorial page of the New York Journal-American, in which Lubbock was given a very fine send-off from several angles.

Under the title "East Side, West Side," and carrying the byline of Frank Conniff, the article was subheaded "Our Physical and Moral Strength." But read it for yourself, as we have reproduced it below:

"The city of Lubbock is a big broad gash on the Texas plain, a boom town sprawling ever wider with each passing day, a dynamic testimonal that the United States, far from having exhausted its natural growth, is still the land of youth and expansion.

"What, you may ask, brings this topic up now when the writer is 2,000 miles away from the scene? What's so special about Lubbock? It's simply that Lubbock and its booming growth symbolizes the world — especially by ourselves.

"Russia, it seems to me, is making the same fatal mistake that eventually wrote finis to Hitler's grandiose dreams. The Kremlin actually believes that the furtive neuroticism of New York, Washington, and Hollywood typifies a decadence that would make us a pushover in any test of moral and material stamina.

* * *

"The Russians, just as did Hitler, evidently interpret the frothy babbling of the cocktail commandos and the tragic ineptness of our policy-makers as the genuine expression of the American spirit. This is completely false.

"In countless ways, America is still the youngest nation in the world, bursting with strength, full of people who by no means have yielded to the shabby standards prevalent in the big citadels of glamor.'

* * *

"I SAT in the press box at the Lubbock ball park while the New York Giants and the Cleveland Indians prepared to play an exhibition baseball game. From our perch we could see a number of construction projects pushing toward completion. Periodically, long strings of oil cars rolled across the railroad tracks that rimmed the horizon.

"Decadent? This land bulging at the seams with signs of power and energy? This rich and fertile ground, still a frontier of hope and opportunity? The strength implicit in that casual Spring scene was enough to hearten any American tempted to concur with the foreign appraisal of our flabbiness.

* * *

"The people edging into the ball park seemed to reflect this atmosphere of youthful strength and energy. It was a holiday, of course. Wherever the ball teams visited this Spring, the community made a festive thing of it and the parks where they played were invariably jammed.

"Statistically, Lubbock has grown in the space of a few years from 15,000 to 70,000—and it's still going. The myopia that puts blinkers on our foreign rivals when they try to size up our war potential prevents them from correctly evaluating the spirit and stamina tucked away beneath those figures.

* * *

"THERE was another aspect of our Lubbock visit that would encourage anyone who fears our people have lost their sense of moral values. I think that Laura Z. Hobson, who wrote "Gentlemen's Agreement" as a tract concerning anti-Semitism, would have been heartened by the scene we witnessed in the Lubbock ball park that day.

"This was Dedication Day at the field. Special exercises were held before the game to signalize the fact that henceforth the park would be known as 'Sam Rosenthal Field.' Pretty fair size park, too. Almost 10,000 shoe-horned their way in to witness the Giant-Cleveland game.

"Sam Rosenthal came to Lubbock to make his fortune some 20 years ago. He prospered as a clothing merchant, and re-invested his profits in the Lubbock baseball team. They told me that Sam Rosenthal literally lost his shirt time and again, but he believed an athletic enterprise was good for the community and he never lost faith.

* * *

"Sam Rosenthal died last winter, and this was Lubbock's way of saluting his courage and perseverance. The Rev. Dr. Jack M. Lewis, pastor of the Lubbock Presbyterian church, spoke briefly at the dedicatory exercises. We who were from New York and Cleveland could tell from the simple phrases that Sam Rosenthal was a very loved and respected man in the community of Lubbock.

* * *

"MRS. ROSENTHAL and members of the family were accorded the places of honor as the handsome park was christened as "Sam Rosenshall Field." From the press box, we could observe the steady stream of well-wishers, who made their way to her box to congratulate Mrs. Rosenthal, Eddie Brannick, Secretary of the Giants, who sat with the family told me it was a very impressive tribute to the family's place in the affections of the townspeople

"Yes, in more ways than one, the brief stop-over in Lubbock was a source of inspiration The raw vitality that we could observe on all sides and the simple ceremony dedicating 'Sam Rosenthal Field' presented evidence that the American people have not yet lost the strength, either physical or moral, that may prove decisive in any future test between nations."

Mr. Conniff had his head—and his heart—with him when a baseball game brought him to Lubbock.

Not only did he see the things on the surface here — he saw under the surface he probed for, and found, what we out here like to call "the Spirit of West Texas."

His very fine article will be appreciated by the Lubbock public, and it has told countless thousands of people about our city who may not have even heard of it before, and who certainly weren't as familiar with it before Mr. Conniff's article appeared as they are now.

BY DREW PEARSON: PSYCHOLOGICAL WARFARE IS WOEFULLY NEGLECTED BY U. S.

U. S. Defense Chiefs Fear Another Pearl Harbor

WASHINGTON — U. S. defense chiefs haven't said so publicly, but one reason they have been so energetic in urging heavy rearmament is the fear of another Pearl Harbor. Vividly remembering how General Marshall was out horseback riding the morning of Pearl Harbor, they don't want to be caught again.

PEARSON

This is understandable.

However, there is another kind of Pearl Harbor which may hit the U. S. A. this time. And U. S. defense chiefs will be just as guilty of neglect if they are caught napping.

The most important, neglected chapter of war-preventing today is psychological warfare. You can call this propaganda, softening-the-enemy-from-the-war, or just plain winning friends. But the real fact is that this job of selling ideas, of making the people of another country believe in you, of winning the Russian people over to the U. S. A., has become almost the most important phase of modern peace and modern warfare.

Actually it boils down to the art of making it difficult for the 14 men in the Kremlin to declare war by persuading the Russian people that they themselves don't want war. At present, the Kremlin can take Russia into war overnight and the people have nothing to say about it. That is why the present impasse with Russia is so dangerous.

Meanwhile, psychological warfare has been woefully neglected. It has been neglected partly because of Republican Congress slashed the funds of the State department's propaganda division; partly because the State department itself has lacked resourcefulness and vision.

Note—Today, an A-1 man, George Allen, has taken over this division, but he is still short of cash and barely had a chance to get started.

Russian People Get Hopes Up

Most significant reaction to the Molotov note - exchange was the way the Russian people gobbled up the newspapers that morning. The newsstands were cleaned out. The news bulletin boards had more eager spectators than ever.

In other words, peaceful negotiations with the United States was hot, burning news. People ate it up. In other words also, the Russian people don't want war. And if you look over the devastation of their country, you can readily see why not.

However, now that we have slapped the Russians down with statements that we don't want to talk over our problems, the job of psychological warfare becomes all the more important. You can imagine what the Moscow propaganda machine will do with the Truman-Marshall statements discouraging a conference with the Russians. They'll say: "We told you so. You see, the Americans don't want to talk peace. They're only interested in war."

* * *

LAST month several thousand Americans pitched in to send friendly messages to the Italian people on the eve of their election. It was the greatest demonstration of psychological warfare" the world has ever seen.

Actually "psychological warfare" is the wrong term, unless you think in terms of the cold war. But anyway it was a case where Americans wrote several million letters to Italy, sent short-wave radio broadcasts to Italy, got up a special message signed by prominent citizens to the Italian people.

It was a case where the American people and the American government pulled together, with results highly gratifying to all.

During the election and since, a make-democracy-live contest has been conducted by short-wave radio to the Italian people, in cooperation with the World Wide Broadcasting foundation, the Voice of America, and a dozen or so patriotic businessmen who have contributed prizes. Italian essays on making Democracy live have been pouring in at the rate of several thousand a week.

When this column recently proposed a similar friendship propaganda drive to win over the Russian people, all sorts of American volunteered to cooperate. F. W. Danner, a printer of Akron, Ohio, patriotically volunteered to print free, a million copies of any propaganda message to be sent the Russian people.

The United States Time corporation also volunteered a large number of Ingersoll Mickey Mouse watches to go along with any propaganda messages to Russia. The Harmon Watch company has offered the same. The Schutter Candy company of Chicago volunteered a million candy bars, while John Paul Jones of Franklin, Pa., offered 1,200 pounds of candy.

In Germany, after V-E day, the Russians went wild over wrist watches, especially Mickey Mouse watches. In Austria, large numbers of the Red army have deserted—largely because they have come to realize the benefits of western civilization. Even Austria, war-torn and tawdry as it is right now, looks a lot better than Russian Communism.

* * *

Penetrating The Iron Curtain

So one of our problems is to let the Russian people realize that our much-criticized capitalism has a lot of advantages they don't know about, and second, that we're not anxious to ram anything down any nation's throat—except peace.

And if some wrist watches, or Sears-Roebuck catalogues, or candy or some other kind of propaganda dropped over or smuggled into Russia would help, let's try it. It may be a small step, but at least it's a step in the right direction—and better than sitting on our hands.

And if the State department is sitting on its hands because it's hamstrung for propaganda funds, I know a lot of Americans who will gladly contribute or cooperate in every way possible. They feel more deeply than our diplomats can ever imagine about the dangers of war and our hopes for peace. And while they are willing to pay taxes to build up a big Air Force and any other rearmament necessary, they also want more done than mere negative defense. They want to see concrete, continuous positive steps taken to head off war.

One of the surest ways to head off war is to show the Russian people that we, the American people, aren't what the 14 men in the Kremlin say we are.

As long as the Kremlin knows that 180,000,000 Russians will unflinchingly obey the order to march—without congressional debate, without criticism, and without anything about the issues—then war remains an ever-present danger.

What the State department is doing to head off this danger cannot be seen even with a microscope.

Area Rains

ther bureau station near Lubbock for this immediate area was "partly cloudy today and Tuesday; widely scattered thunderstorms late this afternoon.

The rain came on the heels of a cold front which moved into the state from out of the north. The Associated Press quoted the weather bureau at Dallas as stating the disturbance was caused when the cold mass of air, which originated in Canada, bumped into a widespread warm area in the Texas Panhandle. Rain, hail, lightning and wind were reported in the Panhandle and South Plains. Amarillo recorded .91 inch precipitation. Pampa, at the top of the Panhandle, received only a trace, while Wichita Falls had .12 inch. Little rain fell elsewhere as the cool front which caused the rain moved across the state into northeast Texas. Thundershowers were expected this afternoon and tonight around Texarkana and other portions of upper East Texas, the Associated Press reported.

Temperatures Sunday ranged in the 90's in West Texas and the high 80's elsewhere. Hottest recording Sunday was 104 degrees at Presidio. Wink reported 99 degrees; Laredo, Del Rio, Lubbock and Big Spring, 95; El Paso, 98; and Abilene, 96; Amarillo, 85; Tyler, 88; Texarkana, 85; Houston, 90; Beaumont and Galveston, 86, and Corpus Christi, 88. Low temperature was 55 this morning at Amarillo.

Pointing out that the cool front had caused slight drop in temperature, the weather bureau station north of Lubbock reported this morning's minimum was 60 degrees following Sunday's 95 degrees maximum. The temperature probably will go between 85 and 90 degrees this afternoon, it was reported from the weather station.

Rainfall in Lubbock vicinity began about 4:30 p. m. Sunday and stopped about 1:30 a. m. today. It was the first rain since April 22, when .05 inch was recorded. Sunday afternoon and night rainfall brought the amount recorded at the weather station this year to 2.43 inches, still below normal. Up to May 1, the total was 2.02, or 1.37 inches below normal for the first four months of the year.

Navigators Studying Inter-Planet Travel

NEW YORK, May 17 (AP) — The Institute of Navigation is getting ready for rocket travel between the planets.

The president, Rear Admiral Gordon G. McLintock, superintendent of the U. S. Merchant Marine academy at Kings Point, N. Y., said yesterday a technical development committee on upper atmosphere and inter-planetary navigation has been formed.

The institute is a non-profit scientific society which devotes itself to problems of navigation by air and sea. Paul Rosenberg, president of Paul Rosenberg Associates, consulting physicists, and Samuel Herrick, professor of astronomy at the University of California, are co-chairmen.

The co-chairmen said in a statement that "the obvious possibility of being able to use atomic power for rocket propulsion makes the dream of inter-planetary travel less remote than it was a half decade ago."

The United States lighthouse service maintains about 43 lightships, of which 10 are relief vessels.

5-Yr. Victim Of Gassy Stomach

"For 5 years I suffered from gas swelling and bloat," says a well-known citizen: "My meals just laid in my stomach and turned to gas. Had dizzy attacks from this condition. I tried many medicines, but they never had any effect on me, but finally I found INNNER-AID. It cleared out all my gas. Now I can eat without misery afterward. This is the only medicine that ever helped me."

INNER-AID is the new formula of 12 juices from Nature's Plants. It has relieved many people who had never been really helped before by any medicine. Taken shortly before meals it mixes with your food, thus eliminating the poisons that foster stomach trouble. It will cleanse the bowels, clear gas from stomach, enliven liver and remove old bile from the system. So don't go on suffering! Get INNER-AID. Sold by all drug stores. Adv.

Stock Market

LOSSES ARE CANCELLED

NEW YORK, May 17 (AP) — Another splurge of buying hit the stock market in the final hour of trading today and cancelled earlier losses.

The market closed with gains of fractions to around 2 points.

The late rally carried through last week's bull market when prices on the average jumped to the highest level since August, 1946.

Among the laggards were Bethlehem Steel, Youngstown Sheet, Columbia Gas.

A few minutes before the close of the market news that Pure Oil Co. had started production from the deepest level of any oil well in the world brought a flood of buying orders for the stock. It was necessary to suspend trading in the issue to bring buy and sell orders in line. When the stock reopened a block of 8,500 shares changed hands at 40, up 4⅛.

Owens-Illinois landed in front with a gain of around 2 points. Also higher were Montgomery Ward, Douglas Aircraft, United Aircraft, Santa Fe, N. Y. Central, Northern Pacific, Baltimore & Ohio, Atlantic Coast Line, United Airlines, Anaconda, Consolidated Edison, International Paper, Allied Chemical, General Electric, Westinghouse Electric, Schenley, and American Woolen.

Cotton Market

NEW YORK REPORT

NEW YORK, May 17 (AP) — Cotton futures were irregular in moderately active dealings today.

Early losses extended to $1.50 a bale as commission house and New Orleans profit taking met only scale down trade support.

Slowness in the development of export business prompted some July liquidation and switching into the new crop deliveries.

The market showed rallying tendencies in later dealings as mill buying and local covering met only limited offerings.

New crop deliveries advanced into new high ground for the day in the final hour of trading on short covering.

Futures closed 80 cents a bale lower to $1.30 higher than the previous close.

Five Sentences Are Assessed By Court

A total of 20 years, all except three of which were suspended, were assessed this morning when five defendants pleaded guilty of felony indictment charges in the 99th district court of Judge G. V. Pardue.

Defendants, dispositions and charges:

Harold Peinkert, five years for forgery, suspended during good behavior; J. B. Fulcher, five years for failure to stop and render aid after an automobile collision, suspended; Tom Fisher, a negro, two years for keeping a gambling house, suspended; Clarence Bryant, five years for theft, suspended; and Charlie Alford Brown, three years for forgery. Brown must serve his sentence in the penitentiary unless he makes successful appeal.

Pleas of guilty of indictments will continue this afternoon, court officials indicated. A 99th jury will report at 9 a. m. Tuesday for trial of whatever case is ready.

A jury reported at 1:30 o'clock this afternoon to Judge Dan Blair of the 72nd district court. Judge Blair called a rather extensive civil docket this morning.

Tuesday Is Deadline In Soap Box Derby

South Plains youngsters were reminded today that Tuesday is the deadline for entries in the first Soap Box Derby to be staged in Lubbock on Monday, July 5.

Entries today reached 251 and last - minute entries today and Tuesday are expected to boost the total to 275.

Derby Director Roy Finley, who maintains headquarters in the showroom of Kuykendall Chevrolet company, 1902 Texas avenue, said he hoped that every boy who wanted to enter the Derby had been given an opportunity to do so.

A boy must be accompanied by one or his parents in order to sign up for the Derby.

In the meantime, Finley said members of the Exchange club were out on their final drive for sponsors for boys' cars in the race. A sponsor pays a fee of $17.50, which pays for the wheel and axle and stearing gear and basic materials for construction of each racer. No boy can spend more than $6 in materials for his car, and he must build the car himself.

The sponsor will act as advisor and counselor for the boy in building of his car.

Today's entries in the race were: Robert Harris Smith, 1, son of Mrs. W. H. Smith, 2422 Ninth; Carl Wayne Winn, 12, son of Mrs. Clyde Winn, Whitehead addition; Uel Doyle Crosby, jr., 12, son of Rev. and Mrs. Uel D. Crosby, sr., 1917 Twenty-third; Horace Krizan, 13, son of Harry Krizan, 3116 Allen; James Dillion Blazi, 14, son of Mr. and Mrs. P. C. Blazi, 2536 North Fourth; and Harry Lavon Gibson, 14, son of Mrs. O. L. Gibson, 1907 Twenty-fourth.

STATEMENTS IN PAPER PUT HER ON TO REAL MEDICINE: RETONGA

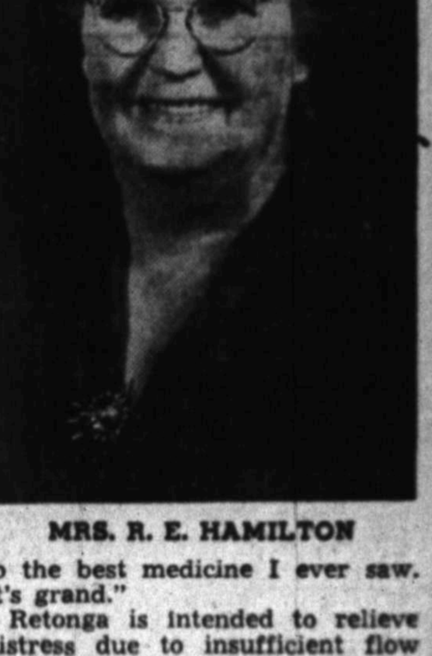

* * *

Felt So Tired And Run-Down She Hadn't Put Out A Big Washing By Herself In Over Six Years. Mrs. R. E. Hamilton Blesses Retonga For Regained Strength And Energy.

"Retonga changed the whole aspect of my life," happily states Mrs. R. E. Hamilton, respected housewife who lives with her husband in their own home at 772 West 9th St., Pomona, Cal. The Hamiltons moved there from Riverside about three years ago. Mrs. Hamilton gratefully continues:

"I felt so weakened I hadn't put out a big washing by myself in over six years and I couldn't do my housework without having to lie down and rest during the day. I suffered so badly from nervous indigestion, gas on the stomach, and was so worried about my condition that I hardly ever ate dinner at all. When I forced myself to eat I would feel so miserable and bloated afterwards that it was awful.

"It's hard to believe that any medicine could give one the relief that Retonga did me. Now I can get out a whole washing without any help from anybody, and even eat dinner with great enjoyment and never fear acid indigestion. I am certainly thankful that those good people were kind enough to make statements in the papers about Retonga, for they put me on to the best medicine I ever saw. It's grand."

MRS. R. E. HAMILTON

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. If the first bottle fails to give you gratifying relief, your money will be refunded. You get Retonga at all good drug stores.

Hubbers Beat Sox, Oilers Retain Top

The Borger Gassers got back into the West Texas-New Mexico league race yesterday afternoon with a 15-9 victory over the Pampa Oilers to narrow the margin out of first place to one game.

The Borger victory enabled them to split the two-game series with Pampa and leave them in no worse condition than when the set started.

Hubbers Beat Amarillo

In other games yesterday, the Lubbock Hubbers showed that they will have to be reckoned with by belting the Amarillo Gold Sox in 10 innings, 15-12; the Lamesa Loboes stayed in the race by trimming the hapless Clovis Pioneers, 10-5, and Albuquerque won its third straight by outlasting Abilene 13 to 9.

The Hubbers tried to win the hard way—and succeeded. With a substantial 12-7 lead going into the last half of the ninth frame and with one out, Bob Ramsey walked two batters. He had a count of two and nothing on the dangerous Bob Crues, when Manager Jackie Sullivan waved him out and called Royce Mills in to hurl.

Crews, Fausett Homer

Mills was great. Crues caught one of his pitches for his 13th homer of the season and second of the game, driving in two runs before him. Manager Buck Fausett helped himself to some of the gravy, following Crues' fourmaster with one of his own.

A Lubbock error, a sacrifice and Jack Mayfield's single brought in another run to tie the score and Marvin Alexander to pitch for the Hubbers. Alexander walked two men, then let the Sox down in order in the tenth, after the Hubbers had rallied to win the contest.

The Hubber tenth was a big one, with two hits, a sacrifice, two walks and a hit batter sending the winning runs across the plate.

A crowd of 1,226 fans saw the Hubbers turn bunt-happy, sacrificing successfully three times and beating out two other attempted sacrifices for hits.

Ramsey Looks Great

Ramsey again looked great on the mound, showing no signs of his recent injury. He gave up only two hits from the fourth through the eighth inning, one of the hits being Crues' 12th homer of the year.

The Hubbers gave the chase signal to Frank Mekules, an old pain, with a six-hit attack good for four runs in the sixth and then made Jim Keller, a new Gold Sox hurler, their victim in the tenth.

The victory was the third of the season for the Hubbers over the Gold Sox and anchored them safely in third place. Tonight they meet the Borger Gassers in a two-game series that might have an important bearing on the outcome of the league race.

Between . . . The Lines

— By JOE KELLY —

The first definite action ever taken by the Southwest Conference toward admittance of Texas Tech certainly must make the institution's alumni, students and friends happy. There seems to be little doubt that, for the first time since Tech applied for admittance some 25 years ago, SWC moguls are willing to turn an attentive ear towards Lubbock.

• • •

Of course there was nothing definite accomplished at the Houston meeting. A committee has been appointed to investigate possible expansion of the group. That doesn't mean that the committee will fall all over itself in enthusiasm for Tech's joining the SWC. This is May, giving the committee a little over half a year to study the question and bring in a report.

• • •

But the very move of appointing a committee to study possibility of Tech's entrance indicates that the majority of the Conference members realize they cannot continue to overlook the largest college in West Texas and the third largest state university. Tech long has been eager to take its place alongside Texas and Texas A. and M., a fact admitted by the Conference, but not considered important when application for membership was made.

• • •

Now is the time for Tech alumni to really get busy. They can work in groups, or they can work individually, but they should work. We don't mean by parties, entertainment on lavish scale or other such obvious methods. This is effective more when the persons concerned don't know exactly what the aim in mind by the parties and entertainment is. In this case they do and such measures merely tip the scales the other way.

• • •

Nothing will ever take the place of enthusiasm. The college graduate who is convinced his institution is the best, but who states the fact quietly and with assurance, is more respected than the one who blathers all over the place. This is the time and place for Tech alumni to convince the SWC members of Tech's value by actions and calm assurance. Several hundred alumni, working quietly and earnestly, can accomplish more than all the legislators and high-pressure salesmen in the world.

• • •

There doesn't seem to be much question that it will be the December meeting—or else. If the committee reports favorably, and there is a good chance of that, Tech quite probably will be admitted, fulfilling a long-dreamt desire. If they are turned down in December, Tech would do better to forget the Southwest Conference and start moving in another direction. Such repeated denials of an institution's request can grow old and wornout. It would be far better to either to work to sweep everything in sight in the Border Conference, or to form a new group.

• • •

We sincerely hope that the officials of the SWC see that Tech is willing and able to take its place in the Conference, to make it stronger and to advance all the good things that the group has accomplished. We believe that it would not be long before they respected the institution here as an equal in every sense of the word. We feel that the time has come for the SWC to build strength such as Texas Tech can add. Our hope is that, come December, we can announce that Texas Tech is a member in good standing of the Southwest Conference.

• • •

It will also be of interest to Texas Tech friends to know that New Mexico is making a serious bid to join the Big Six Conference, which boasts such powers as Missouri, Kansas, Oklahoma, Colorado, Nebraska, etc. The Lobo bid will be made at the annual spring meeting of the Big Six in Denver, but there is no indication of whether the bid will be accepted or not. Using the SWC as a rule, we would say that New Mexico would not make it. In addition, the Conference took in Colorado only this past year to make the loop consist of seven teams and an eighth member would be frowned on, just as the SWC has frowned on Tech. We wish the Lobos luck, hoping that if the Big Six accepts them, the SWC will be less hesitant to add Texas Tech.

THE ROUNDUP: Only two Hubbers were hitting under .300 when the official league averages through May 11 were issued. That's hitting hard and often . . . Don Moore has compiled a spectacular record at the plate in home games, completing the last stand with two perfect nights at the plate . . . Mrs. Rosenthal said Friday night that it never failed that when the Hubbers had a brilliant night last year they followed with a debacle such as Friday night . . . Al Smith has been sent to Lufkin of the Longhorn League, where he probably will play third base . . . And George Schepps, after seeing that Friday night holocaust, merely smiled. He is convinced that this potentially is a greater team than the 1947 group and that Friday was just one of those nights.

Rebels Move Toward Top

By HAROLD V. RATLIFF
Associated Press Sports Editor

The Dallas Rebels are moving up to the place reserved for them in Texas league pre-season forecasts.

Yesterday the Rebs trimmed San Antonio 8-4 to surge into a third place tie on the heels of a four-game winning streak.

Now the top three of April predictions are just where they were picked—Fort Worth, Houston and Dallas. But the Rebels may take over second spot soon. At least they will if things continue as during the past week.

Cats Move Out Ahead

Houston lost another one yesterday, this time to Fort Worth which increased its lead to five and one-half games by thumping the Buffs 6-4.

Tulsa's Oilers copped their sixth consecutive by lacing Shreveport 11-12. It dropped the Sports into a tie with Beaumont for the cellar. Beaumont gained company in the dank regions by sweeping a double-header from Oklahoma City, taking the first game 4-1 and the second 7-1.

A crowd of 5,458 saw Dallas cash in on five unearned runs and homers, by Bill Serena and Milan Vucelich. Serena clouted his third round-tripper in three games.

George Schmees' big bat carried Fort Worth to its victory over Houston as 7,341 fans paid to see the game. Schmees blasted one over the wall with two on in the eighth to bring the Cats from behind.

Tulsa took over fifth place by lacing Shreveport. Harry Perkowski gave the Sports only four hits and Charlie Kress, Tulsa first baseman, chipped in with two home runs, accounting for five Oiler runs.

Bob Revels and Kent Sterling held Oklahoma City to a total of seven hits in 16 innings. Sterling allowed only one in the seven-inning nightcap.

Three games are scheduled tonight with Tulsa at Shreveport, San Antonio at Dallas and Houston at Fort Worth. Beaumont and Oklahoma City have an off night.

Mound Trio Puts Cards Into Lead

By JOE REICHLER
Associated Press Sports Writer

The comeback of Howie Pollet, the consistent brilliance of Harry (The Cat) Brecheen and the remarkable relief hurling of Alpha Brazle are responsible for the St Louis Cardinal's lofty perch in the National league pennant race.

The Redbirds were in first place today, one full game in front of the New York Giants. They have won 13 and lost seven. Of this total, Pollet, Brecheen and Brazle—best left-handed trio in the majors—have won nine and lost one.

Second Win In Three Days

After a slow start, Pollet has rebounded with three straight victories. The New Orleans lefty was credited with yesterday's 6-5 10-inning victory over the Pirates for his second win in three days.

Brecheen has won all of his four starts, the first three by shutouts.

Brazle has appeared in four games, all in relief. The Cards won three of them with Brazle gaining credit for two. He was charged with one loss. Brazle was one of the four hurlers used by Dyer in yesterday's win.

Reds Outscramble Cubs

In the only other National league game played, the Cincinnati Reds came up with two runs in the top of the 10th to outscramble the Cubs in Chicago, 13-11.

Although they pounded out five home runs, the Cleveland Indians could do no better than gain a split in their doubleheader with Chicago. The White Sox won the opener, 6-4, in 10 innings and the Indians captured the nightcap, 9-2.

The split left the second place Indians still a game and a half behind the American league leading Philadelphia Athletics. Rain washed out the scheduled game between the A's and New York Yankees at the Yankee stadium.

Bosox Rally To Win

The fast-moving Boston Red Sox won their fifth straight by coming from behind to outslug the Washington Senators, 14-5. The second game of the scheduled twin bill was postponed by rain.

The St. Louis Browns nipped the Tigers in Detroit, 3-2, in the finale of their three-game series.

The scheduled doubleheader at Philadelphia between the New York Giants and Phillies was postponed by rain after the Phils had taken a 1-0 lead with the Giants batting in the third inning. The Brooklyn Dodgers and Boston Braves were in the midst of a scoreless deadlock at Ebbetts Field when rain arrived in the second inning to wash away the game.

Oilers Wallop Levelland 11-3

LEVELLAND, May 17 (Special) Sundown's sluggers jumped on Dewey Estes early and often, while Hap Wright was holding the Levelland Refiners to six hits, and the visiting Oilers took an Oil Belt league game here yesterday afternoon 11 to 3. The game was played at Patt Carter field here.

Carpenter, Sundown catcher, and Wooten, right fielder, each slashed out two singles and a double, and Bill Stone, first baseman rapped three singles. Trammell got two of Levelland's six hits, a double and a single.

The line score:

Sundown	021	202	031—11	17	0
Levelland	000	003	000— 3	6	3

Wright and Carpenter; Estes and Trammell.

Big State Fight Is In Middle Bracket

(By The Associated Press)

The real fight in the Big State league is in the middle.

From second down to sixth the boys are so close they can drink out of the same wrater bucket.

Waco and Austin are tied for second. Gainesville is just one game back. Wichita Falls and Sherman-Denison are tied for fifth and they're only one and one-half games away from Waco and Austin.

Greenville, out in front, is the only team that can breath easily. The Majors boast a four and one-half game lead.

Greenville gained another half-game yesterday by beating Texarkana 7-5 while Waco was losing to Wichita Falls 7-3. Austin was pulling into a tie for runner-up by licking Gainesville 6-4.

Sherman-Denison whipped Paris 9-8 in a ten-inning game played last night.

Pitchers Walloped Hard In Lone Star

(By The Associated Press)

Generally, pitchers were just guys out on the hill filling out the lineups in the Lone Star league yesterday. They were the least important in the winning of the games.

The four tilts produced 83 hits and 13 twirlers served up the ammunition. The most slugging was in the Kilgore-Gladewater game won by Kilgore 11-7. Both sides got 25 hits.

The two leaders—Longview and Tyler won their games.

Longview whipped Henderson 6-3 on a home run by Dixie Parsons with two on base in the seventh. Joe Pate pitched well after the third inning.

Tyler laced Bryan 5-2 in a game producing 20 blows. It was Tyler's eighth straight victory and kept the Trojans in a tie with Longview for the top.

Cellar-dwelling Marshall whammed Lufkin 6-4.

Pair Won By Bluebonnet

SAN ANGELO, May 17 (AP) — While the rest of the loop specialized in some throat-cutting, the Bluebonnets of Lubbock chalked up another twin killing in the Texas softball league last week.

Bluebonnet had a rough time of it but came through 2 to 1 and 3 to 1 over Monahans in the headliner attraction. G. W. Warden and Jackie Neel hurled the wins.

Odessa and Stamford traded out in the tightest series, Odessa taking the opener 1 to 0 as Stringbean Pope bested Roy Weaks, and Stamford came back to take the nightcap 1 to 0 behind F. W. Mickler.

Nathans of San Angelo staged a sixth-inning rally to defeat Cosden's Pipeliners of Big Spring 4 to 1 in the opener, and the finale was rained out.

Baldridge Splits Pair

Baldridge Bakery of Lubbock edged Crane 2 to 0 in the first game but Crane came back to win the second, 6 to 2.

Black Hubbers Set For Brown Bombers

John Odell, 16-year-old sensational chucker, will probably be on the mound for the Chicago Brown Bombers when they invade Rosenthal field at 8:15 tonight with their sights set for a victory over Lubbock's Black Hubbers. Black Hubber Manager James Roy Louis has named his ace righthander, Alexander Johns, to start on the mound for the local aggregation.

The Brown Bombers bring a colorful squad to the home park tonight including Armstead Dusty Rhodes, cutup center fielder, E. "Footy" Parker, first sacker formerly with the Houston Wolverines and the New York Black Yankees, Bilbo Williams, lanky left fielder, and Walter Bunch, double duty pitcher and catcher.

Admission to tonight's tussle will be 25 and 75 cents.

The Black Hubbers enter tonight's tussle with a season record of two wins and two losses, having thumped the Slaton Mexican Tigers and the Wichita Falls Black Spudders, and lost twice to the Detroit Senators, once here and once in Amarillo.

Exploding five runs in the eighth inning, the Black Hubbers yesterday nosed past the Wichita Falls Black Spudders at Rosenthal field behind the nine-hit hurling of big H. S. Hutchinson. With two out in the top of the ninth, relief hurler Johns had only to toss one ball to retire the visitors.

George Smith homered in the first stanza for the local outfit with one on, and Harmon Moore hit for the circuit in the eighth with the sacks empty.

Wichita Falls	400	102	000—7	9	2
Lubbock	400	000	05x—9	12	3
