FIRST ANNUAL SEA-O-RAMA GETS UNDERWAY

Extensive Boat Parade Scheduled Sat. Afternoon

A boat parade will be one of the Saturday features of Rockport's first annual Toast of the Coast Sea-O-Rama, according to George Dickey, one of the members of the Rotary committee handling the affair.

This parade will start from the vicinity of the Jackson tug "Todd" which will be anchored off Rockport beach and then, led by parade marshal Mayor Herman Johnson, will proceed into the basin in Little Bay, around the basin, then back offshore to Rockport Yacht Basin.

This parade is open to all boats, whether visiting or local, that can navigate the six foot depth of the basin in Little Bay, while Rockport Yacht Basin has ample depth for large boats, which can join the parade there, Dickey said.

Parade entry registration may be made either before or after the parade at Marineland's old center in downtown Rockport, on June 8, or at Marineland's new (Continued on page 8)

Marineland to Open New Building During Sea-O-Rama Weekend

Four years ago, on Aug. 1, Homer Faber and Pat Greene opened Marineland, a boat sales and service, handling everything for the outboard enthusiast; on June 9, the company, now owned by Faber and his son-in-law, Lt. Charles Maslonka of the Air Force, will open at its new location on Highway 35, occupying approximately four times the space it formerly used.

And there have been some other changes. In the beginning, the firm handled a number of different lines of boats, engines and trailers; today it handles only Evinrude motors, Lone Star Boats, and Little Dude trailers.

Now, as the beginning, Marineland handles everything for the outboard owner, from life belts and signal flags to fire extinguishers and water skis and, as a further service to its patrons, (continued on page 8)

Aransas County's Light Vote Goes To Yarbrough

Voters in Aransas County Saturday gave Don Yarbrough an 88 vote margin over John Connolly. Yarbrough polled 479 votes to 391 for Connolly.

A very light vote was cast since only one issue of local interest was on the ballot. This was the race for state representative. Leroy Wieting, Portland city manager, was elected from the 35th District composed of Aransas and San Patricio Counties.

Wieting led in both counties to defeat incumbent Tom Andrews 3,794-3,034. Andrews, an Aransas Pass attorney, was seeking his second term to the office.

San Patricio County gave Wieting an edge of 3,281 and he led in Aransas County 513-343.

Other vote totals were: lieutenant governor, James A. Turman, 476; Preston Smith, 367; attorney general, Waggoner Car, 473; Tom Reavely, 360, and congressman-at-large, Woodrow Wilson Bean, 420; Joe Pool, 387.

VFW OBSERVES MEMORIAL DAY

The local Stewart-Wendell VFW Post 3904 observed Memorial Day Services with a graveside ceremony at the local cemetery, commemorating the death of all veterans.

Principal speaker for the occasion was Major W. S. Faulk, Jr., operations officer for the 113th AC&W Squadron. Lay Reader Harry Carter of St. Peter's Episcopal Church, Rockport, acted as chaplain.

Darrel Lichte, son of Captain and Mrs. Gilbert Lichte, 113th AC&W Squadron, blew taps.

The United States flag was also displayed throughout the city.

Commander E. H. Carter wishes to thank all participants in Memorial Day Services.

SINGING CONVENTION HERE JUNE 10

The Second Sunday Aransas County Singing Convention will be held Sunday, June 10, at the Rockport Assembly of God Church, from 2:30 to 4:30 p.m.

The Ainsworth Sisters, with their little brother, Ross, are expected, in addition to the Harbor Quartet and other good singers.

C. of C. Drive For New Members Told

New members, the result of an intensified drive, and raises in dues by old members, have upped Chamber of Commerce dues by \$1328 per year. Seth Steele told the Board of Directors at their regular meeting.

This was enough, according to Mrs. Mary Juergens, Chamber of Commerce manager, to implement the extensive advertising program instituted earlier this year under leadership of the committee of which Steele and Homer Faber are members, and which first vice president, Jack Sanders, heads.

This program was aimed at placement of sign boards at strategic points in the area, to point traffic towards this city.

Orders have already been placed for two of the signs, Mrs. Juergens said. One will be at the intersection of Highways 77 and 113, between Victoria and Refugio; the other will be at the point in Gregory where Highway 35 and Highway 181 separate.

In other business, the directors listened to four members of the Junior Oddfellows as they detailed plans for a band shell to be placed on Rockport beach, to be (continued on page 8)

Fulton Lions Complete Fish Fry Planning

The Fulton Lions Club, as its part of the Sea-O-Rama, to be held June 9-10, has scheduled a fish fry at Fulton Harbor on Saturday at 11:30 a.m.

Also to be at Fulton at the same time are two Corpus Christi aggregations, the Legionettes, a girl's rifle team, and the Corpus Christi Shriner Motorcycle Drill Team, both of which will put on performances.

Final details were completed Monday night at a meeting of the club.

Overall chairman of the affair is Navigation District Commissioner Raymond Owens.

Chairman of the Cooking Committee is Jake Pierce, who will be assisted by Zeph Rouquette, J. D. Gray and Johnny Schleider.

Prentice Elder is chairman of the set-up committee, and has as his assistants, H. H. Dick, Harry Dean, Dan Snyder, Harry McDow and Perry Moore.

Matt Scott and Bill Stanley will be cashiers; the price is \$1.25 per plate.

JAMES H. SORENSON, JR. NEW PRESIDENT OF PORT BAY HUNTING CLUB

James H. Sorenson, Jr., has succeeded to the presidency of the Port Bay Hunting Club, one of the oldest in this region. It will celebrate its fiftieth anniversary in June.

New Flying Service Started For Anglers And Beachcombers

A new service for fishermen and beachcombers has been inaugurated by Buster Coward, of the Rockport Flying Service, who will fly them to one of the most remote beaches in Texas, where surf fishing is at its best, shell collecting is excellent, and there's lots of driftwood of all sorts and sizes, if you're a driftwood collector.

Coward said he had so many inquiries about a method of reaching the Gulf beaches on St. Joseph and Matagorda Islands, and the mouth of Cedar Bayou, which divides the two, that he started the off-beat taxi service. Ten minutes from Rockport will reach any of them, he said, making the usual long and tedious boat trip unnecessary.

Rockport Elementary Library Now Open

The Rockport Elementary School Library is now open for its summer program. Daily from 8:30 'till 10:30, the library is open to service the students of the Rockport-Fulton area. Any student in the school district, and Sacred Heart are welcome to use the facilities.

Books on every subject, primary supplementary readers, fiction for all levels can be found. Children are now under way for achievement reading. There is the "Flower" group, those reading to put petals on their flower. The others are reading to put exhaust under their rocket to get to the moon.

The library will continue to be open during the above mentioned hours—Monday through Friday; June, July, and the first two weeks of August. Just as a swimmer becomes proficient because he practices his skill, a reader will only become a better reader by reading!

ROTARIANS HAVE LADIES NIGHT

The Rotarians held Ladies Night last week, and heard, for their entertainment the Lex Harp Combo, from Crystal City. Harp is a business man and the musical organization is a family affair, with Mrs. Harp and their two sons, Reed and Keith.

Their playing started as a hobby that has grown until the group is in demand throughout the southwest.

Mr. and Mrs. C. E. McElveen and girls spent last week camping at Garner State Park.

1962 Hurricanes Named As Watchers Get Ready For Season

Hurricane watchers were ready for Alma last Saturday.

That will be the first hurricane of the season, which starts in June and ends in November.

Air Force and Navy reconnaissance squads organized for action. After Alma will come Becky. Other names assigned for possible storms are Celia, Daisy, Ella, Flossie, Gretta, Hallie, Inez, Judith, Kendra, Lois, Marsha, Norleen, Orpha, Patty, Rena, Sherry, Thora, Vicky and Wilma.

There is an average of 10 storms yearly, said hurricane forecaster Arnold Sugg.

Last season, Anna was spotted July 19. Jenny, the last storm struck Nov. 6.

"There will be ships in the North Atlantic, the Caribbean and the Gulf of Mexico watching for storms," Sugg reported. "In addition, we will get reports from islands in the Caribbean."

Tiros 4, the weather satellite launched from Cape Canaveral, already is sending pictures which the hurricane office scans for clues to conditions.

In addition, weather information is automatically transmitted from stations suspended by anchor in the seas. The largest, in the Gulf of Mexico, will be set up again, Sugg said.

Transmissions also will be set up from a network of balloons.

PARADE COMMITTEE REMINDS PARTICIPANTS OF SCHEDULE SATURDAY

The Sea-O-Rama Parade Committee wishes to remind the young people of this area, Fulton and Rockport, about their part in the Saturday activities.

If you are planning to ride in the parade as part of the bicycle unit, you must be at the Chamber of Commerce building by 9:30 a.m. Saturday, June 9. This invitation is extended to all students who will take time to trim their bikes in a festive fashion and be at the proper place at the proper time.

TWO MORE BATHING BEAUTIES NAMED FOR MERMAID BEAUTY CONTEST

Two more bathing beauties, whose names have been inadvertently omitted from previous lists are Miss Fay Snyder and Miss Niki Dick.

Niki, daughter of Mr. and Mrs. H. H. Dick, is sponsored by the Fulton Fire Department; Fay, daughter of Mr. and Mrs. C. D. Snyder, represents Anthony's Beauty Salon.

Final Details Set On Mermaid Beauty Parade

At a meeting Monday night, final plans were laid for the Mermaid Beauty Parade luncheon, Saturday and for the beauty contests that will follow, as part of Rockport's Sea-O-Rama on June 9-10.

Mrs. Eugene Carter announced that the two organizations sponsoring the beauty contests—the Rockport Business and Professional Women's Clubs and the Jaycees—will act as hostess to the thirty-five girls competing, at a luncheon to be held at Duck Inn at noon.

Earlier in the day, the beauties will have ridden in the street parade that will get the two-day fiesta under way, winding through the streets of Rockport and Fulton. After luncheon they will gather at the Woman's Club building to compete for the titles.

First will come the junior contest, for girls from 13 to 15, with trophies and a grand award for the winner, who will be named Mermaid of 1962 in a show starting at 3:30 p.m.

The Mermaid Award will be made immediately after the junior contest, along with awards to the runners-up. Following, the preliminaries on the senior contest will get under way. Contestants in this division must be sixteen and over, unmarried, and never previously married.

Eliminations will be held, until only five of the senior beauties remain. From these five, when finals are held at 7:30 p.m. the judges will select Miss Sea-O-Rama of 1962, who has already been invited to take part in Corpus Christi's big Fourth of July celebration.

Representing the clubs at the meeting were Miss Iris Sorenson, for the Business and Professional Women, and Mrs. E. W. Carter, for the Rockport Jaycees.

Mrs. Genevieve Rice, home economics teacher at Aransas County High School, demonstrated for the 25 girls present runway manners and counseled them on walking, turning, and making a good appearance before the judges.

Others present who assisted in the meeting were Mrs. J. C. Gurrey, Mrs. Charles A. Roe, Sr., Mrs. Hugh Highfill, Mrs. Ellis L. Clark, Mrs. Charles Hammond Smith, Mrs. Milton Harrell, and Mrs. J. P. Keith.

Commissioners Appoint New J. P.

The Commissioners Court, at their end of the month meeting, accepted the resignation of Jack Smith as Justice of the Peace for Precinct 2, and appointed E. B. Crawford, Sr., to fill out his unexpired term.

Crawford recently won the Democratic nomination for the place, subject to the November elections, for a term beginning in January.

In other action, the commissioners considered a request by City Manager Fred Robbins, of Aransas Pass, asking this county to enter into an agreement with that municipality, whereby the county would pay \$25 for each fire call answered by the Aransas Pass fire fighting equipment and fire department outside the city limits of Aransas Pass and within this county. All such calls must be authorized by Aransas County Emergency Corps officials, Sheriff's Department, or County Judge John D. Wendell.

The commissioners voted to enter into such an agreement, effective Jan. 1, 1963.

County Surveyor T. E. Griffith was authorized to make necessary surveys at Aransas County Airport to fulfill requirements of the Federal Aviation Agency.

DEADLINE FOR BEAUTY ENTRY FEES SATURDAY

According to Mrs. E. W. Carter, final deadline for beauty contest entry fees is Saturday morning at 9 a.m. She asks that entrants get this money and the money for pictures to her before that time.

Miss Tullock of Belton, Texas, is visiting with Mr. and Mrs. C. L. Thomas and Allen this week.

WE INVITE—

We invite John Chupe and guest to see "Queen of Pirates" and "Flower Drum Song", playing Sunday and Monday at the Cove Drive In Theatre.

This clipping from the Pilot (good for persons named above only) will serve as your admission.

WEST-CASTERLINE NUPTIALS HELD

White cathedral tapers gleaming in wrought-iron candelabra, entwined with greenery, formed the background for the wedding of Miss Karen Casterline to Grady Abner West, Jr., on Saturday, June 2, at 8:00 p.m., at First Baptist Church, with the Rev. C. Wilson Brumley officiating at the double-ring ceremony.

Twin floor baskets, holding white gladioli and stock, flanked the candlelight setting, with a center arrangement of the same flowers at the altar. Huckleberry greenery trimmed the altar railing, with fern trees at each end. The bride is the granddaughter of Frank Casterline, and the late Mrs. Casterline of Fulton.

Parents of the groom are Mr. and Mrs. Grady A. West of Rockport.

Mrs. Bill Clark, of Corpus Christi, rendered the traditional wedding marches, and Miss Kay Yeakle, of Corpus Christi, sang "Entreat Me Not" and "The Wedding Prayer."

Given in marriage by her grandfather, the bride wore a formal gown of diamond-white pure silk organza over taffeta, with molded bodice, and hand-drawn Alencon lace detailing its Sabrina neckline and cap sleeves. The princess skirt with flat bow at the front waistline, was accented by inverted pleats, and cascades of Alencon lace fell gracefully from its carriage back into a full chapel train. A lace pillow, re-embroidered in seed pearls, held her three-tiered pure silk illusion veil, in fingertip length.

She carried a cascade bouquet centered with a white orchid surrounded by butterfly orchids with pearlized leaves.

Matron of honor was Mrs. Robert Casey of Bryan.

Bridesmaids were Miss Florence Casterline, of Rockport, sister of the bride; Miss Barbara Mangum of Houston; and Miss Sue Crawford of Livingston.

Junior bridesmaids were Miss Barbara Sue West and Miss Brownie Lynn West, of Rockport, sisters of the groom.

The attendants wore street-length dresses of coral pure silk organza over taffeta, with square necklines and elbow-length sleeves. Their belle-shaped skirts had a carriage back caught with a handmade rose at the waistline. As headpieces, they wore circlets of illusion in matching coral color, and carried cascade bouquets of white asters and huckleberry greenery.

Serving as candle lighters were Miss Frankie Casterline, sister of the bride, and Miss Anna Belle Casterline, of Waco, niece of the bride. Their dresses were identical with those of the attendants, and they wore corsages of white asters.

The flower girl was Miss Cheryl Ann Casterline, of Waco, niece of the bride. She wore a frock of white polished cotton topped with white organza in pinafore design. Her headpiece was a small organza coil, with illusion circlet, and she carried a nosegay of coral carnations.

Ring bearer was Master Frank Allen Casterline, cousin of the bride.

Best man was the father of the groom, Grady A. West.

Groomsmen were Randy West, brother of the groom; Bruce Thompson, of Premont, the groom's cousin; and Cecil Casterline of Waco, brother of the bride.

Junior groomsmen were Leslie Casterline and Charles Grant, cousins of the bride.

Serving as ushers were Raymond F. Owens, cousin of the bride; Wayne Shults, Jerry Iles, Larry Falcon, all of Rockport; and Joe Meador of Waco.

Mrs. Robert Raymond Owens, aunt of the bride, wore a Copenhagen blue lace sheath over taffeta, with blue peau d'oe detailing at the waist, and blending accessories. Her small hat was of flowers in shades of blue, and she wore a white orchid corsage.

Mrs. Grady A. West, mother of the groom, was dressed in a pink linen sheath, with Sabrina neckline, and bodice outlined in beading of the same color. Her small hat featured a rose in blending shade, and her orchid corsage was of lavender.

Mrs. Mabel Thompson, grand-

mother of the groom, wore a tailored dress in shades of turquoise, with blending accessories, small turquoise hat, and an orchid corsage.

Immediately following the ceremony, a reception was held in the garden of the groom's parents. The pathway to the receiving line was marked by wrought-iron hurricane lamps and satin streamers. Indirect lighting gleamed from the shrubbery, and baskets hanging from the trees, were filled with artificial flowers.

The bride's table was laid in white satin, with a net overskirt, and centered with a white cherub candelabra holding votive lights encircled with white stock and emerald greenery. At one end of the table was the white four-tiered bride's cake, topped by inverted wedding bells. The other end held the crystal punch bowl.

The groom's table was laid in yellow taffeta, and its centerpiece was a silver tree candelabra entwined with yellow flowers and ivy. The groom's cake was of chocolate, and a silver coffee service was placed at the opposite end of the table.

Alternating at the guest register were Miss Rennie Owens and Miss Eileen Casterline, both cousins of the bride.

Other members of the house party were: Miss Betty Sue Thompson and Miss Bonnie Thompson of Premont; Mrs. Cecil Casterline of Waco; Mrs. Mickey Casterline of Corpus Christi; Mrs. Frank Wilson of Bryan; Mrs. Robert Paynard of Austin; Miss Terrylinn Gregory of Houston; Miss Martha Weed of Dallas; Miss Merrily Johnson and Miss Shirley Cole of Rockport.

For her going-away costume, the bride wore a two-piece suit of white nubby-weave cotton, with pencil skirt. Its box jacket was piped around collar and cuffs. Her cloche hat was of blue straw, trimmed with blue roses, and she wore a white orchid. Blending accessories completed the ensemble.

After a short wedding trip, the couple will be at home at 711 South Valley Mills Drive, Waco, where the groom will receive his degree from Baylor University in August. He is a member of the Taurus Society at Baylor.

The bride is a graduate of Baylor University, where she was a member of Delta Alpha Pi.

Among the out-of-town guests attending were the following:

Mr. and Mrs. Will Blazek of Bryan; Mr. and Mrs. M. H. Yeagle of Corpus Christi; Mr. and Mrs. Raymond Bedre of Aransas Pass; Mr. and Mrs. Heywood Smith of Taft; Mr. and Mrs. Heywood Smith, Jr., of Mathis; Mr. and Mrs. Ellrod of George West; Mr. and Mrs. Ivy Basham and Beverly of Goliad; Mr. and Mrs. Ernest Etheridge and Barbara Ruth of Beeville; Mr. and Mrs. Ernest Pierce of Odem;

Bones of Fossil Horse Found On Key Allegro

Bones believed to be those of a prehistoric horse have been unearthed here during the development of Key Allegro, a Florida-type subdivision, between Rockport and Fulton, formerly known as Frandolig Island and now owned by Carl C. Krueger, Jr., and associates, a group of San Antonio financiers.

The discovery came when Vermillion Construction Company bulldozers moved in to level the rattlesnake infested, chaparral-grown island preparatory to filling it and dredging canals.

"Chuck" Vermillion said "we thought at first that it was probably a horse or cow that had been drowned and buried there many years ago by a storm, but a visitor to the site, Troy Grant of Corpus Christi, became interested, and took one of the bones to Aalbert Heine, director and curator of the Corpus Christi Museum. Mr. Heine tentatively identified it as a fossilized bone from one of the horses that were so plentiful in this part of the world about the time of the last Ice Age."

Aalbert Heine, when contacted by telephone, said: "We sent the teeth to the American Museum of Natural History in New York and are waiting for an answer."

"My preliminary conclusion is that they are Pleistocene teeth from the last Ice Age, and could be anywhere from about 6,000 to a million years old."

"At first sight, some of the teeth look like horse teeth. The horse originated in North America, and there were many kinds, ranging in size from little ones as small as a Shetland pony to some that were even larger than the greatest draft horses of today."

"Horses migrated from America via Alaska and the land bridge that used to cross Bering Strait and connect with Asia. Horses finally became extinct in this country, although there are some places in Texas where the geological formations are called the Equus Beds because of the great number of horse bones found there."

"Those that we have in this country were finally brought back

to America by the Spanish," Heine said.

The Museum director asked for other bones or fossils discovered at the site, and these were presented to him by Krueger and Vermillion, who are awaiting results of the American Museum examination with much interest.

PREPARE IN ADVANCE FOR RETIREMENT

Everyone does not want to retire as soon as he reaches retirement age, but everyone who does retire wants to get his social security checks promptly, District Manager H. M. Cleveland of the Social Security Administration in Corpus Christi says.

"We at the Social Security office are pleased to give information and help in filling out the required forms to establish the right to benefits. We are interested in paying claims promptly, and we urge all applicants to give some time and thought to planning ahead for retirement," Cleveland said.

A prospective claimant should get in touch with the Social Security Office two or three months before he retires, to find out what papers he needs and get everything in order in advance. This will eliminate unnecessary delay in receiving the first check.

Detailed information and free booklets on the social security program can be obtained by writing to the Social Security Administration, 530 South Water Street, Corpus Christi, Texas.

MARINELAND TO OPEN— (continued from page 1)

has modern, one-stop repair and sales service.

James Bauknight is in charge of the shops, with four men under him, and they do anything that needs to be done from engine repairs to repainting the boats.

Clarence Faber, Homer's brother, who joined the organization two and a half years ago, has been acting as general manager for the last year and a half.

In charge of the parts and accessories purchases and sales is Frank Glass, former owner of Glass Marine Sales Co., Waco, Texas.

Heading the bookkeeping department is Mrs. Charles Maslonka, wife of one of the owners.

They have entered into a lease contract with Jack Sanders to construct a building suited for their needs and this will be finished in time for the opening. Of steel and glass construction, it is ultra-modern in every respect.

Sanders has on the drawing board new and extensive dry storage facilities which will be built later in connection with the operation.

Faber has timed his opening to coincide with Rockport's First Annual Toast of the Coast Sea-O-Rama. Those outdoor enthusiasts who will stop by the old location Friday, June 8, in downtown Rockport, or the new location on Highway 35 North, on Saturday, June 9, with their old boats and registers, Faber says, may win a \$150 marine radio as a door prize.

Boats for the parade may be launched at the following boat ramps:

Navigation District ramp at the Cove Harbor, on Highway 35 South; Mildred's and Archie's Bait Stand on South Beach; A&J Bait Stand, in Rockport; Navigation District ramp at the Rockport Yacht Basin; Navigation District ramp at Little Bay; Navigation District ramp at Fulton harbor; Palm Basin; Bob's Bait Stand.

Dickey suggests that when launching boats, owners park their trailers in an area which will not hamper further launchings at the site, and which will not interfere with spectator parking.

Boat parade entries are requested to assemble in the vicinity of the tug boat "Todd" which will be anchored off Rockport beach, at 1 p.m., Saturday, June 9, where they will be met by two control boats which will assist them in finding their place in the parade.

And, Dickey said, as part of the day's festivities, several boats will be moored at the City Docks and will be open for inspection. Among these will be an 82-foot Coast Guard Cutter from Port Aransas Station, one of the larger Game and Fish Commission boats, and a standard shrimp boat, with gear as used at this time.

Trained personnel will be aboard all these boats, to answer questions and to explain the purpose and work of their specific craft.

Mr. and Mrs. Bill Lassiter spent the weekend in Raymondville and Harlingen. They visited with Mr. and Mrs. Elbert Charleston and son in Raymondville and the Bruce Preckwinkles and Travis Owens' in Harlingen.
