MORE CARS ASKED FOR HOBBS JAUNT

ONE BANDIT KNOWN DEAD AND ONE REPORTED SLAIN AFTER FRUSTRATED RAID IN ALABAMA

MANY WITHOUT AUTOS DESIRE TO MAKE TRIP

TRANSPORTATION ALSO NEEDED FOR BAND ON GOOD WILL TOUR

Officials of the Lubbock Chamber of Commerce were sending out emergency calls this afternoon for more cars to make the good will trip to the newly discovered oil field near Hobbs, New Mexico. Indications were this afternoon that a good crowd would make the jaunt but there were numerous calls to the Chamber of Commerce by people who do not have cars wanting to make the trip.

Transportation for the 25 members of the Lubbock high school band who are to make music along the route is the greatest demand, the officials say. Through cars to secure transportation of about one-third of the band had been secured at noon today.

All those who have cars and can make the trip are being urged to take the Chamber of Commerce and signify how many they can take.

Leaves at 6:30 Friday. The party leaves here at 6:30 in the morning from the city hall. The first stop will be made at Brownfield, where breakfast and dinner will be next in line before the noon hour at Hobbs where a free chicken barbecue is to be served to the visitors by the Hobbs town near there, it was said.

A number of officials of the Lubbock Chamber of Commerce were out this afternoon endeavoring to sign other cars to make the trip.

According to word received here from Lovington, that place is pre-July Evans, who was 63 years old, reception. Lovington is receiving about as much oil play as the other towns near there, it was said.

RAILS July 19.—A. B. Sanders, superintendent, has been advised by the State Board of Education that the four and one-half credits of affiliation applied for by the Lubbock high school during the last year have been allowed, which makes the school one hundred per cent affiliated with a total of twenty-five credits.

Thirty-six teachers have been employed, many of whom are taking special courses in summer school in this and other states. The census shows one thousand and seventeen scholars. Valuation of taxable properties for school purposes runs over five million dollars.

He explained he wanted to make good "on his own," and that he believed he would have an opportunity to work up in the new firm.

"I chose a new firm because old firms are so conservative it probably would take me much longer to get to the top," he said.

GUARD INJURED WHEN CONVICTS FAIL IN BREAK

TWO PRISONERS LEAD ATTEMPTED DELIVERY AT FEDERAL PEN

ATLANTA, Ga., July 19.—Atlanta federal penitentiary was besieged for a time from within by two desperate prisoners armed with smuggled weapons last night.

With three other long-term convicts, they were in solitary confinement today while a guard was nursing a minor scalp wound, the only casualty of a 20 minute gun fight.

A near riot was precipitated during an exercise period in the prison yard about dusk, when Roy Gardner and Joe Urbyatt, serving 30 to 40 year terms for mail robbery and kidnapping, were seen at the inner wall. Guard Clarence L. Parker and Guard Bunch found the pair in the act of climbing an improvised ladder, were confronted with drawn revolvers. Bunch was clipped on the head.

Outward March Starts Before the remainder of the prisoners knew what had happened, the pictures had marched Parker and two other guards who rushed up to the head.

"I can affirm that you have adhered to that plan," Simmons said.

SAN ANTONIO, July 19.—Police today searched for an abductor who apparently plies his trade merely for the kick he gets out of it.

Just as they pulled up to the curb a stranger shoved the muzzle of a gun into Meyerhardt's ribs and entered the rear seat. The man forced his victim to drive 45 miles in the country and then gagged him and bound him to a tree with baling wire.

NEGRO STARTS FIGHT TO GET PRIMARY VOTE

SAN ANTONIO BLACK OPENS COURT FIGHT ON DEMOCRATS

SAN ANTONIO, July 19.—Attacks on the Texas law which permits the democratic party to exclude negroes from its primary elections was launched in federal court here today when J. C. Wimberly, negro attorney, petitioned for an injunction which would force the party to allow him to vote.

Wimberly attacked validity of the law on the grounds that in Texas the primary is in fact the election and that a law which permits the party to exclude him from the primary in fact permits it to exclude him from the election.

Wimberly also for an injunction restraining County Clerk Jack Burke and John K. Weber, democratic county chairman, from refusing him a ballot. An alternate plea in the petition asks for a mandatory injunction forcing the same plaintiffs to allow him to vote.

Judge Duval West ordered a hearing on the petition for Saturday, July 21.

Texas law was recently amended to give political parties power to lay down qualifications for membership. The democratic state executive committee in a meeting at Waco made color one of the qualifications for affiliation with the party. Wimberly's petition asks the judge to hold the state law and also the resolution of the committee unconstitutional.

Hunt Intensified For "Intellectual" MEXICO CITY, July 19.—(By Associated Press.)—Search was intensified today for those whom President Calles termed the "intellectual directors" of the assassination of General Alvaro Obregon.

General Obregon's body was en route to his native state of Sonora, some 1,000 miles distant, on the presidential train which he would have used after his inauguration in December. The body will arrive at its last resting place tomorrow.

As it left Mexico City thousands of Obregon followers raised their right hands and took a solemn oath to sustain his principles and to see that the punishment was visited upon those responsible for his death. This was done at the instance of a member of Congress who said the oath was given, turned to President Calles standing nearby and said:

"We demand of you justice by the punishment of those guilty of murdering Obregon."

Slayer Is Identified Police identified the slayer as Jose De Leon Toran, 23, an art student and a nat. 3 of Lagos, in the state of Jalisco.

Two Men, Believed Members Of San Antonio Bandit Party, Captured By Shreveport Officers In Gun Fight

DALLAS, July 19.—(By Associated Press.)—Two men, believed to be members of the trio who held up and robbed the paymaster of the San Antonio Light of a \$8,000 payroll several weeks ago and later engaged in a series of robberies in Dallas, were on their way here today from Shreveport, La., in custody of three Dallas officers.

The alleged bandits were arrested by Shreveport officers Tuesday after a pistol fight there between a woman and a policeman. The woman was in an automobile with the two men, but escaped. A third member

of the gang eluded Shreveport officers by jumping from the automobile, which later was found several miles from the city. The machine was identified as one reported stolen here.

The pistol fight occurred when a Shreveport officer approached the party as they stopped at an oil station. When he started questioning one of the men the woman perked a pistol from the seat and opened fire. The driver of the car sped away as the thief returned the fire. Shortly after the car was found two of the men were arrested in the woods.

TILDEN BARRED FROM PLAY IN TENNIS BATTLE

VIOLATION OF AMATEUR RULES CHARGED BY HEADS OF ASS'N

(By Associated Press)
PARIS, July 19.—Charged with violating the amateur rules of the United States Lawn Tennis association, "Big Bill" Tilden, lanky Philadelphia veteran of the courts, was dropped from the American Davis Cup team today.

This sensational and totally unexpected action was taken because he had violated the amateur rules in writing about the Wimbledon tennis tournament while playing it. Tilden's removal caused a complete change of the American team. Francis T. Hunter and John Hennessey will represent the United States in the singles and George Lott and Hennessey in the doubles. Previously it had been planned to play Tilden and Lott in the singles and Lott and Hennessey in the doubles in the inter-zone against Italy opening tomorrow.

Wear Makes Announcement
Announcement of Tilden's dismissal was made by Joseph Wear, of Philadelphia, chairman of the American Davis Cup committee, and was concurred in by Samuel H. Colton, president of the United States Lawn Tennis association. Wear immediately announced his own resignation, effective as soon as the American team returns home. Colton said he would bide his time but would have something to say about the matter when Davis Cup competition is over.

With Tilden's passing from the team he captained went virtually America's last chance of regaining this year at least the historic tennis trophy which passed into the hands of France's "Three Musketeers"—Henri Cochet, Rene La Coe and Jean Borotra—at Germantown last year. In fact, critics saw a possibility that without Tilden's inspired play, the United States might not even survive the inter-zone finals with Italy.

Deposing of the American veteran came just as the draw in the inter-zone finals was about to be made.

Lott Refuses To Play
Tennis sensation followed tennis sensation when Lott announced he would not play in the doubles, either because of sympathy over Tilden's disbarment or disappointment because he was not chosen for the singles.

Both Colton and Wear took the young player aside and argued that he must see the thing through. Lott reserved decision until this evening.

but it was confidently expected that after the excitement of a hectic day had died down he will take over his assigned place on the team.

NEW YORK, July 19. (AP)—Officials of the United States Lawn Tennis association were busy engaged today in drawing up an official statement in connection with the disbarment of "Big Bill" Tilden as a member of the American Davis Cup team.

Edward B. Moss, executive secretary of the U. S. L. T. A., announced that the official statement would be ready about one o'clock this afternoon.

TUNNEY, NEAR FIGHTING WEIGHT, IS GIVEN HOLIDAY IN TRAINING ORGY WHILE HEENEY LOOKS PERFECT MAN

(By Associated Press)
SPECULATOR, N. Y., July 19.—Dangerously near fighting weight, Gene Tunney, who will risk his world's heavyweight title against Tom Heene, the powerful New Zealand blacksmith, just a week hence was given a holiday today.

The champion was down to 190 pounds, almost the weight he will carry when he enters the ring against Heene, and from now on his days of strenuous preparation are few. He will probably work hard tomorrow and again next Monday.

During the next 24 hours Tunney will decide whether he will fly to New York with Commander Richard Byrd, on the day of the titular fight or travel by motor.

Plane Is Wrecked
Tunney was given a vivid picture of air travel yesterday when a party of friends met with a mishap while returning to New York after making a flight here to watch him work out.

The plane, which had Bill Winston, a Curtiss field pilot at the controls, and Bernard J. Gimbel, New York merchant, Charles A. Bob, one of Commander Byrd's financial backers, James T. Bush, president of the Madison Square Garden club, and Samuel Pryor, of Greenwich, Conn., Tunney's close friend, as passengers, was wrecked on the links of the Hamilton County County club when it crashed into a tree. Winston and Bob were slightly injured.

Tom Heene Looks Perfect, Is Claim

FAIRHAVEN, N. J., July 19 (AP)—As far as condition goes, both mental and physical, Tom Heene, Gene

Tunney's challenger, looks perfect. He is the picture of an athlete in shape. The perspiration drips off him, but he hardly draws a long breath when he finishes his workout. He seems to have the energy of a dynamo.

All this pleases Jimmy Hennessey, his trainer. Hennessey, cornered today at the Rumson farm camp, said he had a "hunch" that Heene will defeat Tunney, perhaps knock him out.

BODY OF FLIER SPEEDS SOUTH TOWARDS HOME

MEMORY OF CARRANZA HONORED AT ALL POINTS ENROUTE

ABOARD CARRANZA FUNERAL TRAIN, July 19.—Across the country to which he had come as a messenger of good will, the broken body of Captain Emilio Carranza today was being swiftly borne back to his native land.

In the rear car of the special funeral train the shades are drawn. Heavy scent of flowers fills the air. Two soldiers stand at attention at the head and foot of a bronze casket draped with the flags of the United States and Mexico and containing the body of Carranza's fallen idol.

Plane in Car Ahead
In the baggage car ahead is the "cracked up" airplane in which a month ago the flier winged away from Mexico City returning the good will flight of Colonel Lindbergh. The fuselage is twisted, the motor a shapless, molten thing. One wheel lies nearby.

In the three remaining cars are his father, Sebastian Carranza, a military guard of honor consisting of four American army officers and 14 enlisted men, Colonel Samuel Rojas, military attaché of the Mexican embassy at Washington, Captain Juan Beristain, also of the Mexican army, and three newspaper correspondents.

Leaving New York at 4:50, the special train sped through the New Jersey countryside where a week ago the wings of Mexico's "Love Eagle" failed him and he fell to his death.

Texarkana Plans Unique Reception

TEXARKANA, Texas, July 19 (AP).—An airplane circling low overhead will shower flowers on the funeral train of Captain Emilio Carranza, Mexico's martyr flier, as the cortege enters Texas here tomorrow morning. The plane will be piloted by C. E. Brower, with J. S. Friede, world war aviator, as a passenger.

Legionnaires of Texarkana post will form a reception committee; while the legion band will sound taps as the train departs for the border.

Thousands of Texarkana citizens were expected to pay silent tribute as the funeral train enters the station.

Rodney Adams and Jerry Williams are leaving today for Seattle, Washington, where they will visit for some time.

G. O. P. Means "Get Out Publicity"

Chairman of the Republican National Committee Hubert Work, left, and Henry J. Allen, Kansas publisher and director of publicity, are pictured here in a conference at Washington. One of their first problems was the suggestion of Senator Arthur Capper that the campaign budget be limited to \$3,000,000 this year.

RUSSIAN FORCES STRENGTHENED IN NORTHERN HUNT

(By Associated Press)

MOSCOW, July 19.—Russia intends to strengthen her forces searching for Roald Amundsen and his five missing companions and for six men carried away in the balloon part of the Italia after its crash north of Spitzbergen.

Vice Commissary for war Kamenef asked concerning the plans for the rescue work said: "Our expedition is facing a most difficult problem. For the solution of it we must prop up our forces and means, particularly because in this we can no longer count on the cooperation of other governments and we shall evidently have to work alone."

"The solution of this problem is a matter of paramount importance to our public. The complications and difficulties of the task that must not discourage us since the members of our expedition have proved that they are ready and able to overcome the gravest obstacles."

Malcolm Off Spitzbergen
The ice breaker Malinin searching for Amundsen to the east of Northeast Land reached the edge of the ice pack north of Spitzbergen. It turned and was proceeding along the southeast coast of Spitzbergen Archipelago. The vessel reported that it had frequently been jam-

med in the ice fields and experienced two violent storms which caused some damage to the ship.

The other Russian ice breaker, the Krassin will return to the waters north of Northeast Land after taking on coal at Kings Bay and commencing search. Russian planes will use the ship as a base for flights over the ice fields looking for the missing men.

TEMPLE, July 19 (AP).—Judge H. M. Evans, father of Dr. Hiram Wesley Evans, imperial wizard of the Ku Klux Klan, and of Dr. A. W. Evans of the Tech College faculty at Lubbock, died at his home here today after an illness of several weeks.

Judge Evans, who was 8 years old, was a Confederate veteran, a well-known early judge of Clay county, Alabama, and a pioneer Texas school teacher.

Willis Gray is leaving today for his home in Yoakum after attending the first term of the Tech summer session. He finished the requirements for his degree this summer.

Mr. and Mrs. Claude Burrus and family are leaving tomorrow for Glen Rose, where they will spend their vacation.

Mrs. W. B. Calhoun and children of Cisco, are visiting Mrs. C. E. Love and family, 1701 Broadway. They were accompanied home by Miss Ruth Love, who has been visiting in Cisco.

DRYS TURN TO RESOLUTIONS

GROUP ORGANIZED FOR FIGHT ON SMITH IN COMING CAMPAIGN

(By Associated Press)

ASHVILLE, N. C., July 19.—With more than 350 delegates in attendance the conference of Southern dry democrats meeting here to plan a campaign against Governor Smith turned its attention today to the report of its resolutions committee.

This group, charged with outlining a campaign program and preparing a statement of policies and purpose was organized at an executive session late yesterday under chairmanship of Dr. Arthur J. Barton of Atlanta, who with Bishop James Cannon of the Methodist Episcopal church, South, issued a call for the conference shortly after Governor Smith's nomination at Houston. The committee consisted of two representatives from each of the southern states. The subcommittee was named to draft the resolutions.

Mrs. Jesse W. Nicholson, president of the national women's democratic-law enforcement league, was the principal speaker at a general session of the conference last night to which the public was admitted.

She asserted that 5,000 women members of her organization, were opposed to Governor Smith, denouncing the nominee for his Tammany connections and his stand on prohibition.

"I have heard women in every state in the union say," Mrs. Nicholson declared, "that if Herbert Hoover was good enough for Woodrow Wilson, he was good enough for them and they would refuse to vote for Al Smith."

"Chain" Stores Are Scored By Dealers

DALLAS, July 19 (AP).—Alleged efforts of "chain" stores in the larger cities of the State to "turn public opinion away from the independent merchant" by selling fruits and vegetables below cost were discussed at today's session of the Texas Wholesale Fruit and Vegetable Dealers' association here.

Alvin Beyer, member of the association, recommended that the legislature or the federal trade commission, Mr. Beyer testified to instances where he said the "chain" concerns bought fruits and vegetables with the intention of "making no profit, but selling so cheaply that the little dealer will be run out of business."

Mary Frances Pirkey, who spent two months visiting Mr. and Mrs. G. W. McCleary, has returned to her home in Honey Grove.

ernment was determined, he stated to punish not only the material author of the crime but also to punish "as examples" those found to be "intellectual directors of the deed."

General Antonio Rios Zertuche installed as chief of police after the tragedy, announced that the prisoner "had commenced to talk." Emilio Casado, proprietor of the restaurant at San Angel where Obregon was killed, and 12 employees of that place were arrested and held for investigation.

El Universal Grafico said that the mother and wife of the assassin were also under arrest.

General Limon, chief of the presidential staff, announced that the situation throughout the republic continued tranquil despite the intense feeling which the slaying had engendered. The army was under orders to maintain peace and censorship was still in force. Excitement in the capital, which caused numerous enemies of Obregon to flee in fear of their lives, quieted considerably.

lar conscience affirmed, eighteen years ago, can never be nullified."

He concluded: "Finally I want to announce that the government will continue as heretofore within constitutional paths and with the requisite calmness and energy."

This is construed by some as signifying that the President will not attempt to succeed himself. The Mexican constitution at present forbids direct succession of the president in two terms of office. Calles was elected on the slogan: "Effective suffrage; no re-election."

Various means of making such succession possible, however, were being discussed.

These included the appointment by Congress of a provisional president to assume office on the expiration of Calles' term in December.

It was generally believed that if this plan were followed that Aaron Saez, former minister of foreign affairs and now governor of Nuevo Leon, would be named provisional president. Saez was among the foremost of Obregon's supporters and is a brother-in-law of one of Calles' daughters.

A general election might then be called and Calles offer himself for re-election without violating the clause in the constitution concerning direct succession.

Other suggestions were that a constitutional amendment allowing Calles to succeed himself in the present emergency might be asked or that the constitutional amendment to six years might be interpreted as applying to a four year term. This would retain him in office until 1930.

El Universal Grafico said that the mother and wife of the assassin were also under arrest.

through the first gate toward freedom. On nearing the second gate they opened fire on tower sentries, using the guards as shields, balked in this effort because Captain Parker threw his keys through the gate grating, they surrendered to a score or so of armed guards, after a fierce exchange of bullets.

Meanwhile prisoners in the yard, left unattended set up a loud clamor. Guards later herded them into their cell blocks with difficulty.

B. H. Gardner and Urbaytis have astonishing records for successful escapes. Gardner, convicted of mail robbery in California, twice escaped while enroute to serve a 25-year term at McNeil Island, Washington, only to be recaptured. He finally

made his way to freedom from the island, and later was captured by an Arizona mail clerk, who found him riding in his car. For this attempt he drew another 25-year term.

One of Most Notorious
Urbaytis is one of Toledo's most notorious criminals of the last decade, having participated in a \$1,000,000 mail robbery there in 1921.

He broke jail with two confederates the same year, and was at liberty three years although his companions were captured almost immediately. Apprehended in Columbus, Ohio, rooming house he was taken back to Toledo and convicted, and sentenced to an aggregate of around 60 years in prison.

Mrs. Harry E. Blocker and sons, Douglas and Harry, Jr., have returned from Winslow, Ark., where they spent about two months with relatives. Mr. Blocker met his family in Dallas and returned to Lubbock with them.

MEXICAN BONDS OPEN LOWER ON NEW YORK MART

(By Associated Press)
NEW YORK, July 19.—Mexican government bonds opened 1 to nearly 2 points lower on the New York stock exchange today on selling caused by the assassination of President-elect Obregon. Mexican 4s, large, assented of 1904, showed the largest loss by opening at 27, as against a previous close of 28 3/4, and then dipping to 26 1/2. National Railways of Mexico 4 1/2-2s of 1907 sold at 12 1/4, nearly 6 points below the previous sale.

Despite a reassuring statement of Thomas W. Lamont, chairman of the international committee of bankers on Mexico, that the status of Mexico's foreign debts was not affected by Obregon's death, considerable uneasiness over the political and economic stability of the country was apparent in some quarters by the hasty liquidation of Mexican bonds.

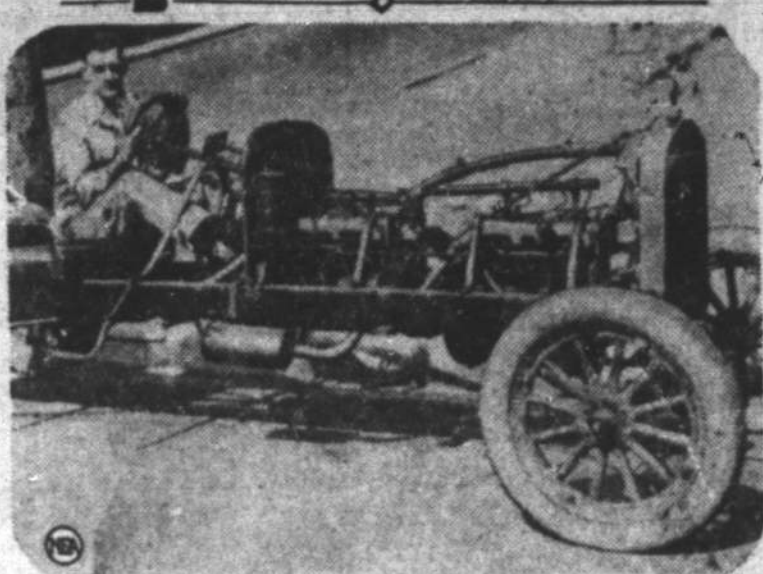

The assassination of President Obregon, Mr. Lamont said, "outstanding and distressing as it is, should make no difference in the status of the Mexican government bonds owned by Americans and others."

President Calles and his administration have repeatedly declared their intention of meeting their debts.

"There is no reason to doubt that after the report of the experts, recently returned from Mexico, has been completed and studied, fresh discussion will be undertaken for the purpose of arriving at the final solution of the debt question."

A Straight Eight Flyover

Henry Ford may enter the straight-eight field if he wishes, but C. Cecil Curtis, Asheville, N. C., mechanic, has anticipated him. He's put two old flyover motors in a straight line, as shown here, coupled them together, put in an eight-post distributor, an oil pump, a water pump and a vacuum tank and has gone out on the road at 90 miles an hour.

Years of Service in MODEL T FORDS

Expenditure of few dollars
may enable you to get thousands of
miles from your old car

THE Model T Ford is still a great car. It led the motor industry for twenty years and it is used today by more people than any other automobile. More than eight million Model T Fords are in active service in city, town and country, and many of them can be driven for two, three and five more years and even longer at very small up-keep expense.

The cost of Model T parts and of necessary labor is unusually low because of established Ford policies.

The labor charge for tuning up the motor is only \$1. This includes replacement of commutator case, brush and vibrator points if necessary. Grinding valves and cleaning carbon runs from \$3 to \$4. Overhauling carburetor, \$1.50. Installing new pistons or connecting rods, \$6. Tightening main bearings, \$6. For a labor charge of \$20 to \$25 you can have the motor and transmission completely overhauled.

The labor charge for replacing rear axle shaft, drive shaft pinion or drive gear is \$5. All sockets and joints of front end can be tightened for \$1.50.

The steering gear can be completely overhauled for a labor charge of \$3.50. Muffler repaired for \$1.

The labor charge for repainting the Coupe is \$25. Sedan, \$25. Touring Car, \$20. Top deck of Coupe or Sedan can be replaced for a labor charge of \$4.

All of these prices are approximate, of course, because the cost of materials needed will depend on the condition of each car. They show, however, the low cost of putting the Model T Ford in shape for thousands of miles of additional service.

See the nearest Ford dealer, therefore, and have him estimate on the cost of reconditioning your Model T Ford. He will tell you, in advance, exactly how much the complete job will cost.

FRIDAY WE BEGIN OUR SIXTH ANNUAL CLEAN SWEEP SALE

*The Premier Sales Event Of The Entire Year For It Places
Lubbock's Finest Assortment of Standard High Quality
Merchandise At Your Disposal At Bonafide
Reductions Of 1-4 to 1-2 Off*

During the course of the year you hear the word SALE, SALE, many times for there is rarely a week when the 'Man pointing with his finger' does not appear in the paper and the 'Red Signs' on the front of some store in Lubbock. Because of the fact that our sales are so different from this type sale, we dislike to use the word in our advertisements but unfortunately there is no other word to use.

Sales at this store mean only one thing—a real worthwhile reduction on correctly styled useful merchandise. We have them only twice a year and they are always remembered for their value giving. They are in the nature of Clearance events—planned and carried on entirely with the object of clearing stocks without profit to ourselves. That's why they are different—why they are always appreciated—why they really afford you opportunities.

This year we have liberal assortments for the event—for stocks are full in all departments. This year discounts are even more liberal than usual on many lines for with this larger investment we wish to be sure of quick clearance. Come expecting a Sale that is different from the usual sale and you will not be disappointed.
