Greenbelt Electric Co-op Meets Fri.

Greenbelt Electric Cooperative, Inc. will hold its annual meeting Friday, April 28, in Bura Handley Community Center. Starting time is 2:00 p.m.

David Pruitt, manager, has announced meeting plans.

Registration will start at 1:00 p.m. and the meeting will start at 2:00. Approximately 300 are expected, with 150 of those voting members of the co-operative and the others will include their families and guests.

Pruitt, who came here in January from Deaf Smith Electric Co-operative, will make his first report to the membership. Part of this should concern the devastating snow and ice storm that struck the 39-year old electric system only two weeks after he became manager. It was by far the most damaging storm Greenbelt has suffered.

Two directors will be elected. Seeking re-election are T.B. Henderson of Twitty for District 1, and Walter Camp of Dodson for District 4. They are opposed by Dexter Hall, Shamrock, District 1, and Louis Patterson of Dodson, District 4.

Musical entertainment will be presented, according to Walter Camp, chairman.

Holdover directors are A.J. Garland of Clarendon, president of the board; Kenneth Mathews of Claude, vice president; Selba Rainey of Lutie, secretary; Frank Murray of Hedley and Wilbur Tillman of Vinson.

There will be drawings for door prizes.

Mr. Garland will preside at the meeting and the Rev. Tom Thomson of First United Methodist Church, Wellington, will give the invocation. Bill Spillman will read the notice of this meeting and minutes of the 1977 meeting. Action pertaining to the election of directors will follow and there will be an

opportunity for nominations from the floor.

Reports will be given by Garland as president and Rainey as secretary.

The entire staff of Greenbelt Electric Cooperative will have a part in the meeting. Refreshments will be served.

Pruitt is the third manager the system has had in its near-40 year history. Orval Couch was with the system at its formation and he was succeeded by George Henry in 1955. He retired last fall. Mr. and Mrs. Henry, who now live in Floydada, will be here for the meeting.

Miss Bessie Rainer, office manager, joined the staff in 1939. In-so-far as is known, she and only one other office manager in the state have tenures of this length, with one electric co-operative.

Other employees include Jack Barnett, line superintendent; Dwight Bowen, accountant; Louise Orr, assistant accountant; Dorothy Robertson, cashier; Debra Belew, key punch operator; Kathy Damron, accounts receivable clerk; Lynn Wauer, material clerk and administrative assistant; Redgie Souder and Billy Sherwood, construction foremen; Maxie Tarver, Terry Ashcraft and Shane Tarver, construction linemen; Monte Ferguson, meter reader; and Julius Johnson.

Area service linemen and helpers are: Wellington, George Porter and Johnny Shaver; Wheeler, Sam Schaffer and Joe Mong; and Clarendon, Donald White and David Lewis.

This is the 36th meeting held by Greenbelt since it began service to customers in September 1939. The first was held in January 1940. Several years later, the annual meetings were changed to April.

There were no meetings in World War II years of 1942, 1943 and 1944.

Daylight Saving Time Here Sunday

Sunday is the day to change.

The nation goes on Daylight Saving Time at 2:00 a.m. Sunday, April 30. All clocks will have to be moved forward one hour.

Most people find it more convenient to reset their clocks when they go to bed Saturday night, and wake up Sunday morning to an hour that is later than they think.

This will be the last anyone sees of Standard Time until Sunday, October 29, when it will return for the six winter and early spring months.

County Gets Its Third Tax Officer This Term

Ocie Scott, who was serving an unexpired term as county tax assessor-collector, has resigned from that office, he said this week.

The commissioners court, in a called meeting, appointed Mrs. Ann Wauer to fill out the remainder of the term.

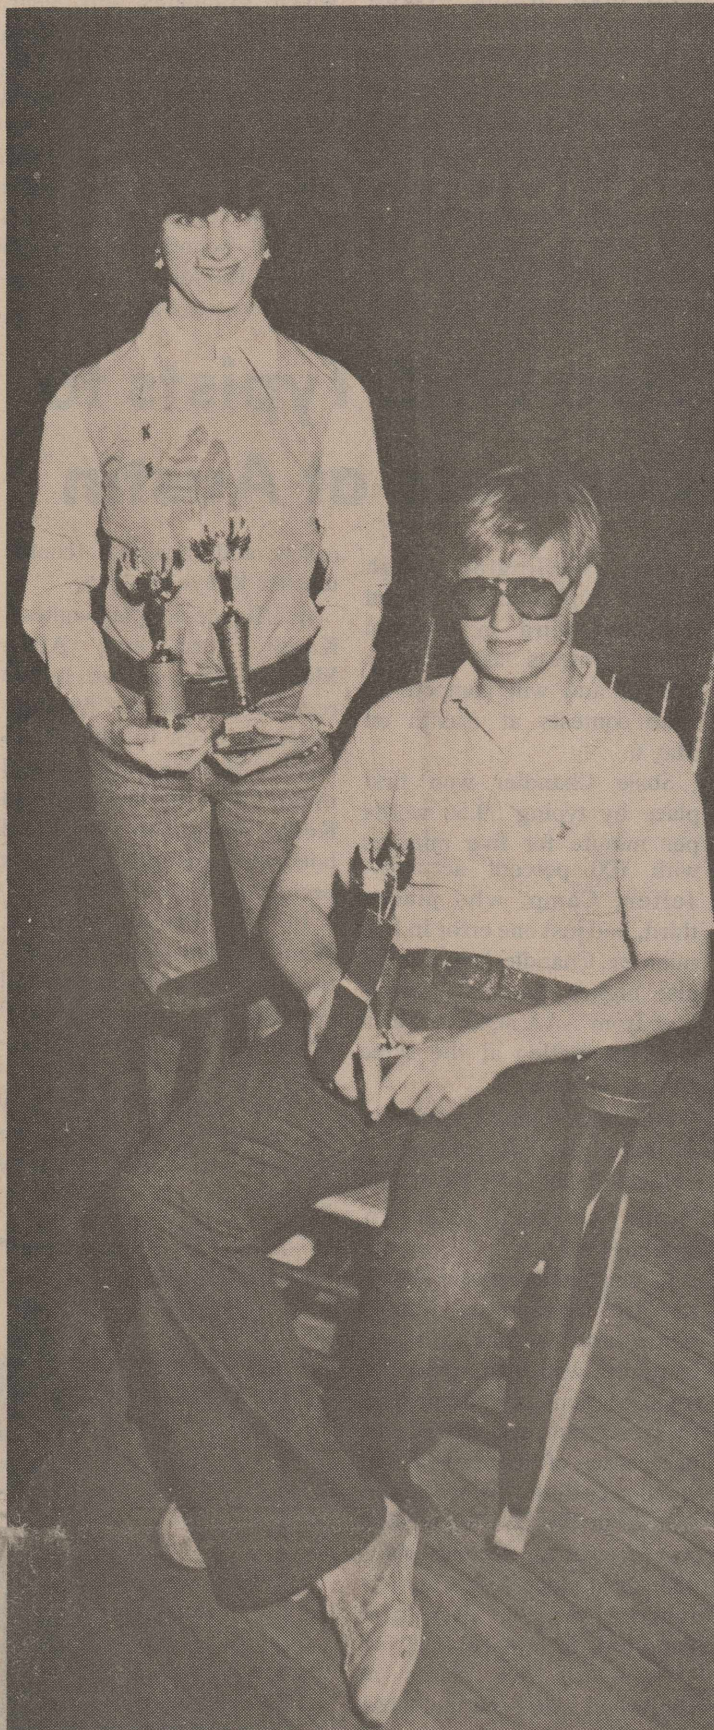

She filed as a candidate for the office in late January after Mr. Scott had announced he would not seek re-election. She said she will begin her duties May 1.

Mrs. Wauer, the wife of Benton Wauer, has had 14 years experience in bookkeeping and record keeping positions. She worked at West Texas Utilities Co. as cashier and bookkeeper; at the city office, primarily with taxes and with computer billing; and for six ginning seasons in the office at Farmers Co-op Gin.

The daughter of Mr. and Mrs. C.D. Messer, she has lived in the county all her life. She is a graduate of Quail High School.

She and her husband have one son, Mark, 15.

Mrs. Wauer is unopposed in her race for the remainder of the term as tax assessor-collector.

REGIONAL ALL STARS

Kandi Ford, left and Allen Murdock were named to the Regional All-Star Cast at one-act play contests in Odessa Thursday, April 20, for their performances in Wellington High School's entry, "Breaking Up Is Hard to Do."

Two highlights are planned as the Wellington School bands present their annual Pops Concert Tuesday, May 2, with the first notes to be sounded at 8:00 p.m.

It will be in Bura Handley Community Center and the usual format will be followed. One hundred and twenty-four students will take part.

Two former members of That Skyrocket Band will return to play one number. David Groves, and Bryant Harris of Amarillo will be joined by a present member, Allen Murdock, to be featured in a cornet trio in "Bugler's Holiday," by Leroy Anderson. The band will accompany

them.

Three selections from the Wellington High School's first program, in May 1929, will be included on the program. The Junior High band will play "Precision" by Harold Bennett, while the High School band will present "Aunt Hanna" and "College Boy," according to Jamie Larson, band director.

Groves has bachelor's and master's degrees in music

from West Texas State University and has completed all work toward his doctorate at North Texas University, except the required recitals.

He teaches band and orchestra at Horace Mann Junior High, Amarillo, and has classes at West Texas State University. He installs electronic sound systems such as those at "Texas."

Harris is associated with May and Duncan Music Co.,

in Amarillo. He was band director in the Grand Saline Schools for several years. He is also a WTSU graduate.

The traditional cake auction will be featured during intermissions, and sandwiches, soft drinks, cookies and cake will be sold.

"We want everyone to come and have a good time," Larson said. "The band students have worked very hard this year and improved a

lot. I think the community will be surprised and pleased at the progress the band has made. We urge you to support the band by attending the concert."

The Sparkler band from the elementary school will open the program. Their numbers will include "Telephone Tune," "Blue-Tail Fly," "Oompah March," "Skip to My Lou," and "Safari."

The Firecracker Band,

Rockets Win District Title; Eight Compete in Region

Wellington Skyrockets brought home their second consecutive District 2-A track title Thursday, April 20, winning by two points over Clarendon.

Coach Phil Bailey's men had 148 points to Clarendon's 146. Third place went to Memphis with an even 100; Shamrock was fourth with 52 and Claude fifth. Claude was the host team.

As first and second place winners, 8 Skyrockets qualified to compete in the Region 1 track meet at Odessa this week end. Two others will be selected to go as alternates, Bailey said. Some will be in more than one event.

This is a young team, made up principally of sophomores and juniors. They will be competing mostly against seniors, some of whom are at regional for the third time.

Competing will be the 440 relay team of David Baumgardner, James Thomas, Ricky Jones, and Robert Chambers; Kevin Hall in the 120 high hurdles; Chambers in the 440 dash; Robert Powell, the intermediate hurdles; Thomas, 220 dash; Hall, Chris Lynch, Powell and Chambers, mile relay; Thomas, long jump; Dane Dodge, shot put.

Results of the Claude meet were:

440 relay: Wellington was first with time of 44.77. Team members were Baumgardner, Jones, Thomas and Chambers. Clarendon was second with 45.1 and Memphis third with 46.1.

880: Marty Warrick was third with time of 2:11.4 First place went to Salinas of

Memphis, 2:00.9, and second to Stevenson of Claude 2:10.4.

120 high hurdles: Hall took second with 15.4 and Craig Needham third in 15.8. Thomas of Clarendon came in first in 15.2.

100 dash: Thomas, was second with 10.45. First went to Hall of Clarendon, 10.11 and third to Webb of Claude, 10.46. David Baumgardner was fourth in 10.54 seconds.

440: Chambers came in first in 50.06, while Fields of Memphis was second in 50.8 and Topper of Clarendon third in 52.1. Wellington's Tim Anderson came in sixth in 56 flat.

330 intermediate hurdles: Powell was second in 42.0 time and Needham third in 44.2. First place went to Brandis of Clarendon, 41.1 and Rocket Jon Sessions was fifth in 43.6.

220: Thomas took second with time of 23.3; coming in first was Hall of Clarendon,

22.6; third of Claude, 23.4; and fourth was Tim Anderson of Wellington in 24.1.

Juan Granados was third in the mile run in 5:17.0. first place was won by Shahan of Memphis 4:49.2; and second Thompson of Clarendon, 4:52.3.

Mile relay: Wellington's team of Hall, Lynch, Powell and Chambers was second with 3:29.0 time. Taking first was the Memphis team in 2:38.8; and third, Clarendon in 3:40.6.

High jump: Powell turned in Wellington's best height and took sixth place.

Long jump: Thomas brought in another first with 19'16½". Second place went to Stewart of Shamrock, 19-2½ and third McClellan of Clarendon 18-11.

Shot: Dane Dodge was first with a distance of 49.3, coming in second was Wilson of Memphis 48.4½; and Waters of Shamrock, third with 43.4½. Terry Manuel placed fourth for Wellington.

Discus: Manuel was third

with a 112-11½ distance and Dodge was fifth. First went to Waters of Shamrock, 117-3 and second to McKay of Memphis, 113-1.

When you have just two points difference, it gets a little nervewracking," Coach Bailey commented after he was back in Wellington.

"I was extremely pleased with the sprint relay team (that placed first). It took a lot of effort to go 44.7 on Claude's track, and we also had the outside lane, which is hard."

Bailey said he was also pleased with the mile relay team. "They broke 3:30 and that is real difficult to do."

Of the eight who have qualified for the Odessa competition, only two made the trip a year ago, Chambers in the 440, and Dodge in the shot.

Chambers time is down almost two seconds this year, from 52.2 to 50.16. Dodge distance a year ago was 45.5. This time it is up to 49.3.

Golf Course May Open by July

Wellington golfers may be swinging down new country club fairways by late July, Wellington Country Club board members were told Monday, April 24.

The underground water system has been completed along the fairways, and topsoil is being graded above a gravel layer on greens this week, Country Club president Bill Long said. The water system will be completed around the

greens as soon as topsoil work is finished, and then greens will be seeded to bent grass and bermuda grass sprigged in the fairways.

Water is now being pumped into a lake that has been dug on the west side of the course. Water from the lake will be used to water greens and fairways.

The board also discussed classes of membership which were created when the club's

constitution was adopted last week. Some confusion had apparently resulted from the fact that membership fees and the price per share of the club's stock were the same--\$200.

Purchase of stock is not a requirement to join the club, however. A prospective member may join simply by paying a membership fee of \$200.

Those wishing to join may contact C.T. Hubbard at Wellington State Bank.

junior high students, will present the three contest selections they are to play at the UIL Junior High band contest in Phillips May 12: "Gallant Eagle," "Feelings" and "Battle at Sandy Hook." Their other numbers will include "Handclap Blues," "We Know Cha Cha," and "You Light Up My Life."

Besides the numbers from the first band program and "Bugler's Holiday," That Skyrocket Band will include in its program "Tomorrow,"

Last Call for Little League Workers

The sight of a young boy or girl sliding into home plate will not be seen in Wellington this summer if more interest in Little League does not develop this week among Wellington parents, Don Lacy, current president, said.

A meeting of parents of children interested in baseball and anyone else interested in Little League will be held Thursday, April 27 at 7:30 p.m. at the Heritage Room.

"We need leaders, coaches and anyone that will help in any way," Lacy said. "Whether or not we have a summer program will depend on how many people show up to work on Thursday night."

TYPEWRITERS

Wellington High School sophomore Susie Chandler, left, won first place at regional typing contests in Odessa last week. Sophomore Jeffery Camp won third place and both will compete in state contests on May 6 in Austin.

Samnorwood Grass Team Takes Area I Contest

Samnorwood FFA grass judging team placed first in the Area I contest and second in the overall 51st annual Texas Tech Vocational Agriculture Judging Contest Saturday, April 22.

Team members were Lowry Schaub, Jody Knoll, Michael Bentley, all juniors.

The area level is the highest on which the grass team competes, and a team may compete only one time in the Tech event, said Jimmy Brown, Norwood ag instructor.

Snyder, which was first place team for Area II, was the winning team in the overall

contest. These two areas cover all the Panhandle and West Texas to El Paso and Alpine.

Samnorwood also had the top three individuals in the area contest. Knoll was high, Bentley second and Schaub third. Knoll received ribbons for 5th in classification and sixth high in the overall contest; Bentley was 7th overall and Schaub 8th overall.

This was an identification contest, and participants had to identify 60 different grasses among the 106 submitted to them. They also determined if each was a warm or cool season grass; native or introduced, its grazing value

for wildlife, if it provided good, fair or poor grazing for livestock, and if it is poisonous or non-poisonous.

Coach Brown also entered his freshman land judging team which placed 10th in the area. Next year it will replace the state championship team, which graduates this year. Members of the freshman team are Lynn Tate, J.D. Ray, Dwayne Myers and Russell Schaub.

Brown was a member of the Texas Tech University grass judging team, which won national honors in 1965, 66 and 67. The following year, he helped to coach the team.

Hightower Lauds New SBA Office

Congressman Jack Hightower stated today he was very gratified that the Small Business Administration has opened an office in Amarillo to handle disaster agricultural loan requests. "The need for a full-time Small Business Administration office in Amarillo has been apparent for some time," Hightower stated. "The number of farmers affected by last year's drought and needing financial aid for the coming year is overwhelming."

Almost all of the counties in the Texas Panhandle have been declared a disaster or are in the process of being declared a disaster by the Governor's Office. To be eligible for the low interest loans a producer will have to have certification by the Agricultural Stabilization and Conservation personnel that the producer did in fact have decreased yield from natural causes such as drought, hail or wind to one or all of his 1977 crops. A producer would be able to place as much as 50 percent of the emergency loan against existing debt. The rest would be operating funds for this crop year.

Hightower was instrumental in 1975 when he was a member of the Small Business Committee in pushing through legislation that put the Small Business Administration into the farm loan business. Hightower commented, "We have been disappointed in the way the Small Business Administration has handled much of the area of agricultural credit. The emergency and disaster loan area has been of some aid. The problems for the most part have been in Washington rather than in the regional

Two WHS Typists to Compete at Austin

Two Wellington High School sophomores placed first and third in regional typing contests last week in Odessa and will compete in state contests at Austin on May 6.

Susie Chandler won first place by typing 59.56 words per minute for five minutes with 100 percent accuracy. Jeffery Camp, who placed third, had just one error in five minutes. Chandler's score was also higher than any contestant from AAA schools which were competing at the same time in Odessa.

Both are Typing I students. To enter the UIL contests, a student must not have had formal training prior to September 1.

In shorthand contests senior Kloette Camp won fourth place and senior Connie Langford won fifth place in regional contests. Scores in this contest are based on percentage of accuracy of 450 words called. First place winner in this event had 440 correct words, second place 433, third place 432, Camp at fourth place 431, and Langford, fifth place, 430.

"The top five places in shorthand were all so close that on another attempt the scores might have been completely reversed," said

coach and business course teacher Rubye Hodges.

In UIL one-act play contest, Kandi Ford and Allen Murdock were named to the regional all-star cast for their performances in the WHS entry, "Breaking Up Is Hard to Do." And Dickie Moore and Kelly Ferguson received honorable mention for their performances in the play.

In UIL literary events, Wanda Thomas was one of 9 finalists in poetry reading and Beverly Orr was one of 9 finalists in persuasive speaking.

WHS speech teacher Gay McAlister is coach for the one-act play and literary events.

ROAR!

A lion roars through a trainer's hoop, a scene from the recent Cub Scout circus, parts of which were presented to Kiwanis Club last week. Scouts, standing from left, are Brian Van Pelt, Mike Myrick, Al Forrester and kneeling, Brad Neeley. At back, from left, are adults who received awards last week from the scouting district for their efforts in the program: Pack Chairman Deanna Van Pelt, Cub Master Tommy Thomas and Scout Master Glenn McLain. Lynn Pulliam is the lion.

Girls, Parents Unhappy With Regional Track Meet Results

The Rockette track team came home from the regionals at Odessa disappointed and their parents came home unhappy with the manner in which the UIL contest was conducted.

But there was nothing illegal when officials chose to qualify the top four teams of each heat for the finals of each event. Time was not a determining factor.

Wellington girls had faster time than some of the teams who did qualify in their respective heats, said Coach Debbie Chisum.

"All of our girls could have qualified for the finals if it had been determined by time," she said.

Two Rockettes did get in the finals. Mary Sue Thompson qualified with time of 11.8 in the 80 yard low hurdles. She was fifth in the finals.

Laura Gragson, whose time of 26.3 was second in her heat of the 220 dash, was not listed when the qualifiers were announced. Miss Chisum protested to the judges and after the results were checked, Laura moved into the finals.

"But her bad luck was not over. Those who saw the race say she came in fifth. She was given a seventh place.

Coach Phil Bailey, boys track coach, who had his own problems at Odessa a year ago, was asked about the operation of the regional meet.

"The National Federation for Track and Field rules says the track meet will be run off at the discretion of the meet director," said Bailey. "So what they did by taking the top four qualifiers in each heat was quite legal." But he agrees with the girls and their coach that it does not seem fair.

Bailey did not attend the girls meet. He was at home busy with his own team.

"It's a poor track meet," he said. "For one thing, it's a dirt track. People who are used to running on a surfaced track don't know what they are doing."

Bailey believes what he considers poor officiating cost Wellington the regional title a year ago.

"In the 100 yard dash finals, Shane Tarver had a clear second and they picked him something like fifth or sixth. A second would have won the track meet for us. Everybody saw it and when the results were announced, they booed," Bailey stated.

He believes Lubbock uses a better plan. The top three teams in each heat qualify, plus the two teams with the best times who did not qualify in the heats.

Towns contract with the UIL to hold the meet for 5-year periods, he explained. This is the second year Odessa has hosted the regional meet.

Bailey will take the boys track team to Odessa this week. He has told them what to expect.

The girls team is looking to next year.

"The kids did a real fine job, but they are disappointed," Miss Chisum said. "Considering that we had three freshmen, three sophomores and four juniors, we have something to look forward to next year."

1943 and 1944, Miss Rainer recalls. One of those years, only 10 persons showed up for the meeting. A new date was set, and that time 19 came. A few over 100 were required for a quorum.

The meetings were resumed during the last year of World War II, and none have been missed since.

YOUR COUNTY JUDGE MUST BE:

Juvenile Judge

The County Judge sitting as Juvenile Judge is by law the Chairman of The Juvenile Board. The Juvenile Probation Department is directly responsible to this board.

The Juvenile Judge has a wide range of alternatives in working with our children. He may refer them to the Family Service Center for counseling, testing and evaluation. Or he may refer them to other state or private agencies for other types of help. This type of referral may be before or after a court hearing.

In the event of a Disposition (Court) Hearing the Judge may: (A) place the child on probation on such reasonable and lawful terms as the court may determine; (1) in his own home or in custody of a relative or other fit person; (2) in a suitable foster home or (3) in a suitable public or private institution or agency, except the Texas Youth Council, or (B) commit the child to Texas Youth Council.

Bobby Jack has worked with children in five counties for over five years. He knows how and where to find the help that our children need when they get into trouble or when they just need a little help in staying out of trouble. He feels a deep need to work with our youth that become problem children. He has worked closely with the District Court, while it was Juvenile Court and knows how to handle the court processes required.

Bobby Jack believes that after September 1, 1978 that the Juvenile Probation Department as we know it, will not be able to continue due to the lack of funds and that the Juvenile Judge will have to take on this responsibility also.

The Tractor Specialist sells more "up-time"

When the land is ready, a farmer's tractor had better be ready to go. That's why a Case dealer franchise just makes good common sense.

As a Case dealer, you're a tractor specialist. Everything you do—selling, servicing, parts—has one target: the best in farm power. You and your tractors are backed by an industry "first"...a sound marketing program: Assured Availability. It tells your customers that if, for any reason during warranty, the tractor they bought from you isn't ready to go, they'll have a free replacement. And Case backs you up!

Case backs you up with other strong marketing help: including the Demo/Rental and Commitment to Quality programs.

If the franchise is open in your territory, you may also be eligible to sell and service light construction power. For information on the full potential of a Case franchise in your area, write or call.

PLANT CERTIFIED

For Higher Cotton Yields

Yields from certified cotton planting seed were up to **18 percent** higher than yields from caught or non-certified seed according to research by Dr. L. L. Ray at the South Plains Research and Extension Center in Lubbock, Texas. Certified seed has **not** undergone genetic deterioration in the field. Volunteer plants and undesirable cross-pollination are eliminated. And certified seed from Pioneer is free from pests and weeds which often accompany non-certified varieties. See your ginner or Pioneer brand seed dealer for these certified varieties.

Dependable even in dry country!

Certified LX571*

You can't control the weather. So, you need a hedge against drought. . . and that's where the Lankart variety LX571 fits in. It consistently produces top yields of high quality cotton . . . even under tough, dry conditions. And you don't have to give up anything to get this outstanding drought tolerance, either.

LX571 produces fairly long, strong fiber . . . with micronaire normally in the premium range. And storm resistant bolls strip well in one pass through the field. Add up all the good things about LX571 . . . then it's easy to see why this is one of the most planted cotton varieties in the Rolling Plains, Central Texas and Southwestern Oklahoma.

*LX571 is a U.S. protected variety (Plant Variety Protection Certificate No. 7200018). Unauthorized propagation and unauthorized seed multiplication prohibited by law. LX571 cotton planting seed can be sold by variety name only as a class of certified seed. It is unlawful to sell non-certified seed of this variety.

Long-time favorite.

Cotton growers in Texas, Oklahoma and Eastern New Mexico have relied on certified Lankart 57 for consistently high yields for years. This variety has vigorous plants with short main stems and short fruiting branches. Leaves are large and dense. And this medium-early maturity cotton has storm-proof bolls. Lankart 57 is a good stripper cotton, too, . . . well-adapted to Texas and Oklahoma dryland production.

Certified LANKART 57

Certified LANKART 611

High yielding, early variety.

This cotton variety was developed for the early maturity needs of dryland farming . . . especially in the Blackland and Rolling Plains of Texas and Southwestern Oklahoma. Vigorous plants with short main stems and close fruiting branches produce large bolls of high quality lint. A good stripper cotton for the Southern High Plains on wilt-free soil.

Certified **LANKART®** and **LOCKETT®** brand cotton planting seed is available from your ginner or Pioneer® brand seed dealer.

As State Treasurer, Warren G. Harding has increased earnings from the investment of state funds. These earnings represent savings to Texans by reducing the need for tax increases.

- \$1.8 billion in state funds invested in interest bearing accounts in over 1,300 Texas banks
- 90.4 percent of available funds invested at the end of March—the highest monthly average in Texas history
- 24 percent increase in earnings from October through March compared to same period in the previous year
- \$126 million estimated interest earnings for Texas this year—highest in history of state.
- More than 25 years experience as Dallas County Treasurer. Past President, National Association of County Treasurers & Finance Officers. Recipient of Outstanding Treasurer's Award of the United States.

Why Should Dolph Briscoe Be Governor for 10 Years?

There is no good reason!

No other Texas Governor has ever asked for 10 years. Much less been elected for 10 years. Dolph Briscoe's record does not merit 10 years in office:

- ★ Yet **Briscoe has spent more than \$2 million** in this campaign—including \$900,000 his supporters borrowed from 13 banks—to get 10 years in office.
- ★ **Property taxes** have increased by 1 BILLION DOLLARS since Briscoe was elected; so far, he has done nothing to provide property tax relief.
- ★ **Welfare costs** have more than doubled under Briscoe, without a fair increase in benefits for those people who really deserve them. The reason is waste. The worst example is Briscoe's own Office of Migrant Affairs, which spends \$8,000 for each person it helps find a new job.
- ★ **Utility rates** have skyrocketed while Briscoe has been governor, without a single sign of concern by the Governor.

Elect a New Governor

Endorsing John Hill, the Kilgore News Herald said:
"He fought Southwestern Bell all the way to the Supreme Court to stop an unfair rate increase. He appears to have beat the Howard Hughes empire over millions in inheritance taxes. And he cleaned up Duval County."

Endorsing John Hill, Fort Worth Star-Telegram said:
"In two terms as state attorney general, Hill has shown himself to be energetic, articulate and assertive. He can make firm decisions and work persuasively to see them carried out. As governor, he would be an active, accessible chief executive projecting a strong leadership image."

Endorsing John Hill, the Dallas Times-Herald said:
"John Hill has been an outstanding attorney general. He has made impressive progress in making the office what he has always said it should be—the people's law office."

Seale Cites Resolutions from Burnet Democrat Farm Caucus

Mr. and Mrs. Doug Seale were in Burnet over the week end to attend a Democratic Rural Caucus, which had as its goal changes in the Democratic party to make it more responsive to farmers.

"We are trying to get the Democratic state platform changed to be more responsive," Seale said.

He was named chairman of the resolutions committee, and 7 resolutions adopted will be taken before the State Democratic convention. These proposed that:

-All imports of agricultural products be stopped until prices reach 100 per cent of parity.

-All farm programs be announced early enough for farmers to make their yearly cropping plans well in advance.

-A board of agricultural agents, made up of bona fide producers, have substantial input into the farm program. Seale suggested that present ASCS committees, who have no input into the farm program at present, should be able to sit down and make farm programs.

-All agricultural commodities produced should not be sold for less than 100 per cent of parity, received from the market place.

-Support an increase in the state inheritance tax exemption from \$25,000 to \$200,000 to preserve the family farm.

-Rural Democrats should be considered as a legitimate minority and should receive proportionable representation at state and national Democratic conventions.

-Oppose any federal gun control legislation.

"We've got to work within the system and try to change the Democratic party," said Seale upon returning.

He urged all farmers who

are Democrats to attend their Democratic precinct conventions and get their input into these meetings.

"Get involved. Throwing eggs and stopping trains and going to Washington didn't do any good. It looks like we are going to have to work within the system," Seale declared.

A number of candidates were present, said Seale, including Joe Christie and

Bob Kreuger.

Chairman of the caucus was Billy Jean Veatch of Burnet and most of those attending were farmers, including members of the American Agriculture Movement. Members of labor unions were also present, although the American Ag Movement is trying to stay away from the labor unions, according to Seale.

Special Music at Dodson Church

Special music will be featured at both Sunday School and morning worship services of the Church of the Nazarene at Dodson Sunday, April 30.

The Lighthouse Quartet will

sing for the morning service, which begins at 11:15 a.m., said Mrs. Melvin Cardwell.

Joe Lennon will be the vocalist for the opening exercise of Sunday School.

The public is invited to attend.

Orange Pekoe tea refers only to the size of the leaf.

Youths Escape Serious Injury In Accidents

Two youths escaped without serious injury in vehicle accidents Saturday, April 22.

Tony Molina, 11, was one of several boys riding their bicycles down an incline at the side of Haskell Street at Third, when he ran into the path of an oncoming car, DPS Trooper John James reported.

The driver of the car, Mrs.

L.O. Tyson, could not avoid the accident, James said.

The youth knocked onto the hood and against the windshield, breaking it on the right side.

"He was real lucky and suffered only minor injuries," said the patrolman.

Saturday night, Dewayne Wheeler lost control of his car while driving south of town. It went off the road and hit a small tree. James said Wheeler told him he had reached down to adjust a floor mat.

The right side of the car was

heavily damaged, and Wheeler, who was alone, was taken to Collingsworth General Hospital by Volunteer Ambulance Service. He remained overnight for observation, James said.

A pound of fresh vegetables yields from two to six (one-half cup) servings when cooked, depending on the water lost, says Mary K. Sweeten, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Harry Ledbetter's Money Management Program

As a fiscal conservative, I have developed a comprehensive program to effectively manage the \$2 Billion dollars on deposit in the State Treasury. Here are aspects of it:

Rate of Return: The State Treasurer should not play politics with our tax money. I pledge to put the taxpayer's money to work earning the highest interest available.

Cash Flow Forecasting: Using modern management techniques, we can accurately determine how much money the state needs in liquid funds. The state's obligations must be paid on a timely basis at minimum administrative cost.

People all over Texas are responding enthusiastically to my campaign. I appreciate your support. I know that the public trust must be earned, and it is a responsibility I accept. I ask for your vote on May 6th. If you share my concerns, encourage your friends and neighbors to vote for Harry Ledbetter for State Treasurer in the Democratic primary election May 6th.

HE LISTENS!

If you've met Glenn during this campaign you noticed that you did most of the talking.

Glenn decided to run for the Statehouse more than a year ago. Since then he has been covering the 66th District to determine if his views are representative of the people. Now he knows that he can represent us with conviction and persuasion.

Glenn Conrad is the kind of man who takes the time to listen, and when he speaks, others listen.

When we select Glenn to represent us in Austin, we'll know that he will listen to us, and speak for us, powerfully and effectively in the Statehouse.

Jean Burchett Essays Read to Retired Teachers at Meeting

Several essays by Jean Burchett, Childress writer-speaker, were read by her aunt, Mrs. Ben Ratliff, for members of the County Retired Teachers Association at a recent meeting.

In "Zsa Zsa and the Turtle," a woman who makes her own clothes meets another who is dressed to the teeth--and is instantly deflated.

"Swim-Eazy or Wade" is for anyone who has tried to learn to swim. "If you get friends and family behind you,

they'll kill you. The Korean War would have lasted only three days if as much heart and dedication had poured into it as that given the 'Teaching Jean to Swim' project."

Mrs. Burchett, who is 5'3" and weighs 96 pounds, never did learn to swim, according to Mrs. Ratliff.

There is a growing demand for Mrs. Burchett as a speaker at banquets, clubs and farm organizations. Her writings have appeared in area newspapers, and the subjects

range from football and her cheer-leading daughters to more serious essays, one of which, "Waiting" was published in The Disciple, magazine of the Christian Church.

Mrs. Burchett is secretary to the Childress city manager.

Present for the meeting were Mrs. R.R. Crawley, Mrs. Monty Mitchell, Mrs. Rufus Sweat, Mrs. Jack Lowry, Miss Maudie Coffee, John S. Coleman, Mrs. Velma Hiett, Mrs. G.L. Jones,

Mrs. Ratliff, Mrs. Les White, Mrs. Edna Bradley, Mrs. Ernest Harwell, Mrs. Lowell Wells, and Miss Bonnie Willis.

The next meeting of Retired Teachers will be Monday, May 8, in the Heritage Room. Curtis Watts of the Social Security Administration has been invited to speak on "Social Security and Teacher Retirement."

Class Honors Three Couples

Adult III Sunday School Class, First Baptist Church, was entertained with a hamburger and home-made ice cream supper in the home of Mr. and Mrs. Denzil Lacy recently.

A time of singing and fellowship followed. Then the class presented gifts to three families who will be leaving Wellington: the Rev. and Mrs. Mickey Fugitt, Mr. and Mrs. John Dodge and Mr. and Mrs. Kenneth Davis.

Those attending were Mr. and Mrs. John Barton, Mr. and Mrs. Nicky Watts, Mr. and Mrs. Billy Wilkerson, Mr. and Mrs. Tom Wilkins, Mr. and Mrs. Reed Souder, Mr. and Mrs. Don Van Pelt, Mr. and Mrs. Jim Forrester,

Mr. and Mrs. John Birkey, Mrs. Bill Billington and Joshua, Mrs. John Dodge, Mrs. Lonnie Roberson, Mr. and Mrs. Jack Campbell, Mr. and Mrs. Rodney Myrick, Rev. and Mrs. Fugitt, Mr. and Mrs. Davis, Mr. and Mrs. Eddie Maxwell and the hosts, Mr. and Mrs. Lacy.

An ironing board adjusted to chair height and perpendicular to the sewing machine (placed on the left for right-handed persons) saves steps and time when sewing, suggests Becky Culp, clothing specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

COLLINGSWORTH COUNTY 4-H Club News

Busy Bells 4-H Club met with Miss Jean Chandler in the Extension Service office Friday, June 14.

Miss Chandler completed a program on charm and distributed pamphlets and samples of cosmetics suitable for young girls.

She also gave a talk on choosing patterns, showing the girls illustrations from a pattern book.

Members continued their demonstrations; Gwendy Kerlee, "Labels and What They Tell You;" Leslie Birkey, "Fashions and Shopping;" Gina Davis, "Clothes Tell a Story;" Carla Caison showed her sewing box and demonstrated her sewing tools.

Those present were Miss Chandler, Mrs. Richard Fourmentin and Patricia; Mrs. Eddie Davis and Gina; Mrs. John Birkey and Leslie; Mrs. David Caison and Carla;

Gwendy Kerlee, Barbara and Paula Reynolds and Teresa Pulliam.

APRIL 21 MEETING

The Busy Belles 4-H Club met April 21 in the home of Mrs. Richard Fourmentin and Patricia.

The girls continued their series of demonstrations and this week they were: Teresa Pulliam, "How to Use a Needle, Thread and Thimble;" Gina Davis and Miss Jean Chandler, "Measuring for Perfect Pattern Fit;"

Renee Lacy, junior leader, discussed and demonstrated "Know Your Sewing Machine," Mrs. Fourmentin stacked several types of materials and patterns on her dining table and the other girls gave their demonstrations from this. These were Paula Reynolds, "Knits and Wovens;" Mrs. Fourmentin, "Solids, Prints, Stripes and

Plaids;" Mrs. Wayne Pulliam, "Colors Make the Difference;" Patricia Fourmentin, "Clothing, Science, Wrinkles and Creases;" Leslie Birkey, "Fabric Grain and its Effect on Clothing;"

Refreshments of cake topping and iced tea were served to Mrs. Pulliam and Teresa; Miss Chandler, Mrs. David Caison, Carla and Annie; Mrs. John Birkey and Leslie; Mrs. Fourmentin and Patricia; Kristy Settle, Gina Davis and Paula Reynolds.

The girls have completed their talks and demonstrations and are ready to begin actual sewing. Each girl will bring apron material and work on them at the next meeting, which will be May 5 in the home of Mrs. Caison and her daughters.

Obesity problems are more readily solved by preventive measures than by curative approaches, says Frances Reasonover, foods and nutrition specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Mr. and Mrs. Dayle Needham Honored on Silver Anniversary

Mr. and Mrs. Dayle Needham were honored with a twenty-fifth wedding anniversary, April 16, in the Heritage Room.

Hosts were their children, Mr. and Mrs. Jimmy Needham, Mr. and Mrs. Jerrell Needham, Miss Barbara Needham, Miss Paula Needham and Miss Pam Needham, all of Wellington.

The table was covered with white lacecloths and centered with an assortment of white flowers. Silver appointments were used.

Dayle Needham and Miss Peggy Lewis were married April 18, 1953, in the home of Mr. and Mrs. W.L. Needham of Quail. The Rev. Robert Webb, then pastor of Faith Baptist Church, officiated.

Both Mr. and Mrs. Needham grew up here. They lived in the area some years after their marriage, then moved to Corpus Christi. During the last year, they reached the decision that Wellington was "home" and returned here to live.

Present for the reception from Wellington were Mr. and Mrs. W.D. Lewis, Mr. and Mrs. Odean Lewis and Janie, Mr. and Mrs. Needham, Jr.,

MR. AND MRS. DAYLE NEEDHAM

Sammy and Lonnie III, Mr. and Mrs. Johnny Needham, Mr. and Mrs. Dan Langford, Dana and Carrie, Grady Reed, Mr. and Mrs. R.B. Lucas, Mr. and Mrs. Loys Johnson, Mrs. Laverne Heitt, Mr. and Mrs. Emmett Ware and Mrs. George Porter.

Attending from Quail were Mr. and Mrs. W.L. Needham, Mr. and Mrs. Lonnie Need-

ham, Sr., and Ricky, Mrs. Dan Guthrie, Lisa and Kay.

Coming from Amarillo were Audrey Needham, Mr. and Mrs. Tommy Needham, Gary, Craig and Christina.

Others present were the Rev. and Mrs. Nathan Moulder and the Rev. Mr. Blake of South Plains and the Rev. and Mrs. Hollis Payne of Floydada.

breathed a prayer of thankfulness to God for giving us such a beautiful world.

After church service, my son, Ben Karnes, joined us for a few moments and then he and I returned to his apartment.

We had lunch Tuesday on the top floor of City Hall, the newly completed building which has gained world attention.

Thursday Mrs. Ziegen Hain from Irving joined us for brunch. Afterward Ben took us through Oak Lawn Methodist Church, where he is organist, and he played a tune or two for us.

We also visited old friends who have moved from Wellington, Judge and Mrs. Howard Riggs and their daughter, Dr. Peggy Wildman and her two lovely daughters.

Of course we made a stop or two at the Kentucky Fried Chicken Restaurant during the week.

Ben took me to the bus station Saturday morning at 7:40. The bus rolled into Childress at 2:11 p.m., where my daughter, Mrs. C.A. Wilbur and Bryan met me. We were soon back home in Wellington and my delightful visit had come to an end.

British Museum Described for Excelsior Club Members Thursday

Miss Marie Shadid was hostess for Excelsior Club members Thursday evening, April 20, when a program on the British Museum in London was given by Miss Rose Shadid.

Basing her talk on writings of Sir Frank Francis, director and principal librarian of the museum, she described the purpose of the world's great museums as "repositories of the remains of past civilizations. They provide the place where these civilizations can be studied and where their cultural achievements can be understood and appreciated. The prime purpose of a great museum is to collect materials for the comprehensive and intensive study of the past, and as such they are the resort of scholars." But they afford also to the ordinary man and woman opportunities for appreciating the qualities and achievements of human beings of the past.

"The British Museum, the first 'public' as distinct from 'private' museum in the world, has been engaged in these tasks for over 200 years. Founded on the basis of the comprehensive collections of Sir Hans Sloane, and enriched over the years by the acquisition of other great collections and by specially commissioned excavations, it is one of the richest museums in the world," Miss Shadid said.

"It's collections of British and medieval, Green and Roman, Egyptian, Western Asiatic and Far Eastern antiquities, of ethnographical specimens, of coins and medals, of prints and drawings, manuscripts and

printed books provide outstanding riches for the scholar and countless treasures for the interested visitor."

The speaker defined the role of the museum curator:

"The museum curator has a fourfold responsibility. He must collect; he must preserve; he must ensure that the treasures in his care are made available in the most appropriate and fruitful way for students; and he must see that the treasures in his care are made known as widely as possible. Exhibitions and gallery displays are of course the most appropriate means of doing this publication is another. Modern photographic techniques and procedures of reproduction are so advanced that it is possible nowadays by means of convincing and beautiful illustrations to make known to many people in all parts of the world who are never likely to see them with their own eyes, the outstanding objects of the world's great collections."

Miss Dorothy Robertson, president, directed the business meeting.

Later a dessert plate was served to Miss Hattie D. Wells, Mrs. Lowell Wells, Miss Bonnie Willis, Miss Rose Shadid, Mrs. Russell Yates, Miss Rama Camp, Mrs. Robert Barjenbruch, Miss Robertson and Miss Marie Shadid.

Quail HM Club Plan Dinner For Seniors and Garage Sale

Quail Homemakers held their regular meeting Monday evening, April 24, in the Home Economics room at Quail School, with Mrs. Monte Ferguson presiding over the meeting.

Miss Becky Cochran, reported on the state Future Homemakers of America meeting in Dallas. The club had sponsored two students for the convention.

Plans for the senior supper were discussed and the date of May 18 was set. The meal will be served at 7:00 p.m. at the Home Economics Room in Quail.

Mrs. Jim Ingram gave a demonstration and discussion of a sewing machine for which she is dealer.

Members were reminded of the garage sale Friday and

Saturday. The times will be 9:30 a.m. to 5:00 p.m. Those interested need to bring their marked items to the American Legion Hall at 8:00 a.m. Friday morning. Those wishing more information should call Mrs. Mark White, 447-2996, after 5:00 p.m.

The FHA girls will have a bake sale on Saturday.

Visitors attending were Mrs. Ingram and her daughter, Andra, and Miss Jean Chandler. Members present were Mrs. Ferguson, Mrs. White, Mrs. N.E. Childers, Mrs. Mack Shields, Mrs. Lonnie Needham, Mrs. Benny Carson, Mrs. Cary Don Neeley, Mrs. Delbert White, Mrs. Ross Oatman, Miss Cochran and Mrs. Donald Langley.

Personal

Mrs. Pearl Collier of Ft. Worth visited Monday and Tuesday, April 17 and 18, with her uncle and aunt, Mr. and Mrs. Palo Cummings, and with other relatives and friends.

Mr. and Mrs. Bill Towns of Dallas were weekend guests of Mr. and Mrs. Eddie Smith recently.

Mary Saied, Dr. Richard Morgan Wed in Lubbock Church Rites

Mary Lamartine Saied became the bride of Dr. Richard Dennis Morgan at 11:00 o'clock Saturday morning, April 22, in St. John's Methodist Church in Lubbock with the Reverend Raymond Dyess officiating.

Parents of the couple are Mr. and Mrs. Mack Saied, Jr., of Wellington and Mr. and Mrs. R.E. Morgan of Bay City.

Given in marriage by her father, the bride wore a floor-length satin gown with a sweeping chapel train and shoulder length veil.

Attending the bride were her sisters, Mrs. Ed Camp of Arlington as matron of honor, and Miss Becky Saied of Wellington as bridesmaid.

For something old, the bride wore a wedding ring engraved with her own name which belonged to her maternal great grandmother, after whom she was named. For something borrowed, she carried a lace handkerchief belonging to Dr. Morgan's mother, who carried it in her own wedding.

Bill Hale and Bobby Saied, both of Lubbock, were best man and groomsmen. Jimmy Saied of Atlanta, Ga., and Ed Camp of Arlington ushered and also lighted altar candles.

Punch, champagne and wedding cake were served to guests at the University City Club immediately following the ceremony. Mrs. Charles Harris of Lubbock and Miss

MRS. RICHARD MORGAN

Debbie Stone of Corpus Christi assisted at the reception.

The bride is a graduate of Texas Tech University in Lubbock where she was a member of Zeta Tau Alpha sorority.

The bridegroom is a

graduate of Sam Houston State University where he was a member of Delta Tau Delta fraternity, and of the University of Texas School of Dentistry in Houston.

After a wedding trip to Montego Bay, Jamaica, the couple will live in Lubbock.

Descendants of Early Vinson Minister Hold Reunion Here

Descendants of a long-time Vinson Methodist minister, the late Rev. R.H. White, gathered at the Heritage Room Saturday and Sunday, April 15 and 16, for a reunion. Before it ended, they agreed that it will be an annual affair, and set the 1979 meeting for the same time—the third week end in April.

This is the family of Mrs. C.E. Francis, and she and her husband were hosts.

Of the 9 White children, only Mrs. Francis and two sisters survive. Mrs. Mary Lamkin of Roswell, N.M. and Mrs. Pearl McClure of Lodi, Calif.

Visiting and reminiscing filled the reunion time.

Children of the White brothers and sisters who attended were: From the late Will White family: Carroll White of Sherman; Mr. and Mrs. Pat White of Collinsville; and Mr. and Mrs. Alvin Grimes of Dallas;

Children of the late Ewing White: Mr. and Mrs. Henry White of Levelland and Mrs. and Mrs. Chester White of Ft. Worth and their son and family of Tulsa.

Children of the late Walter White: George and Vera

White of Oklahoma City, Mrs. Stella Hawkins of Clear Lake, Calif. and Mrs. Alene Peacock of Oklahoma City, and the son and daughter-in-law of the late R.A. White who attended were Mr. and Mrs. J.H. White of Deer Park.

Mrs. Lamkin was accompanied by her son and daughter-in-law, Mr. and Mrs. Paul Lamkin of Los Angeles and her daughter, Mrs. Iva Parsons of Roswell, N.M.

Six of Mrs. Francis' 8 children were present: Ray Turner of Fillmore, Calif., Mrs. Margie Wolf of Amarillo, Mr. and Mrs. L.O. Tyson, Mr. and Mrs. Jack Turner of Durant Okla., Mr. and Mrs. P.E. Turner of El Paso and Bill Turner.

Members of the Francis family included Mr. and Mrs. Hershel Francis of Texhoma, Mrs. Minette Francis and Mrs. Lois Jones of Vinson. Relatives of the late Mrs. R.H. White who attended were Mr. and Mrs. Henry Reynolds, Mrs. Eunice Reynolds and Mrs. Velma Reynolds of Vinson, and Mr. and Mrs. Carroll Reynolds.

Mr. and Mrs. Mike Mitchell of Tyler are the parents of a son, born April 11. He was named Russell Patrick and weighed seven pounds, eleven ounces. The maternal grand-

Melanie Cunningham, Kevin King Marry in Ceremony Here April 9

Miss Melanie Starr Cunningham and Kevin Allen King of Shamrock were married Sunday, April 9, in the home of her grandparents, Mr. and Mrs. E.M. Hunter, 1302 Amarillo Street, Wellington. James Douglas, minister of the Shamrock Church of Christ, officiated.

The bride is the daughter of Mr. and Mrs. Keith Cunningham, while the bridegroom's parents are Mr. and Mrs. John P. King. All are from Shamrock. The bride is the granddaughter of Mr. and Mrs. Hunter and of Mr. and Mrs. Pat Patterson of Childress. She is the great granddaughter of Mr. and Mrs. P.E. Starr.

The ceremony took place before the fireplace. Above it was a large mirror which reflected the wedding party. Spiral brass candelabras were at each side.

For her wedding, the bride chose a dress of candlelight lace and satin. Lace formed the bodice and long full sleeves. The bridal satin skirt was street-length. She carried a nosegay of yellow roses and white daisies.

Attending the bride were her two sisters, Becky Cunningham the maid of honor, and Patti Cunningham, bridesmaid, both are from Shamrock. They wore green and white seersucker street-length dresses and each carried a long-stem yellow rose.

Mark Cadra of Shamrock was best man and David

Parsley has three times as much vitamin A and C as oranges.

Parents are Mr. and Mrs. J.W. Ivy of Memphis. Paternal grandparents are Mr. and Mrs. Monty Mitchell of Quail.

Deger was groomsmen. Afterwards, a reception honored the bridal couple in the Hunter home.

The bride's table was laid with a lace cloth and centered with her bouquet. Crystal and gold appointments were used. Andrea King, sister of the bridegroom, poured. Mrs. Bill Hill assisted.

Lois Hunter of Mustang, Oklahoma, the bride's cousin, registered the guests.

The bride is a graduate of Mobeetie High School and Frank Phillips College, Borger. At the time of her marriage, she was employed by Longhorn Trading Post.

A graduate of Shamrock High School, the bridegroom attended Frank Phillips College and completed the Department of Public Safety

Academy, Austin. He is now a D.P.S. Trooper assigned to Morton, where the couple will make their home.

Out-of-town wedding guests were Mr. and Mrs. Clifton Hunter, Lois, Cricket, Forrest and Jimmy of Mustang, Okla.; Mr. and Mrs. Pat Patterson of Childress, Mr. and Mrs. Bill Cunningham of Amarillo,

Mr. and Mrs. Rick King and Kara of Plano, Mr. and Mrs. Terry King and Gregory of Pampa, Mr. and Mrs. Ray Admire of Texola, Mr. and Mrs. John P. King and Andrea of Shamrock, Mr. and Mrs. James Douglas of Shamrock,

Susie Clarkson of Lawton, Okla., Roberta Miller of Apache, Okla., Debbie Kellison of Amarillo, and Mr. and Mrs. Jack King, Mark and Rory of Lawton.

Wellington Is Site of Annual J.H. Hobbs Family Reunion

The annual Hobbs reunion was held at the Heritage Room April 2. This is the family of Mrs. Emma Hobbs Jones of Wellington, and she is the only surviving child of the late Mr. and Mrs. J.H. Hobbs. Twelve children lived to become adults, and family members of 9 of these were represented at the reunion.

Present were Mrs. Jones, Mr. and Mrs. Don Jones, Mr. and Mrs. Gus Barton and Mrs. Elmer Carter of Wellington; Mr. and Mrs. Harvie Messamore, Mrs. Margie Harmon, and Jacquelyn, Holly and Kyle Howell of Amherst; Gladys Hobbs and Ruth Deger of Shamrock; Mr. and Mrs. Clifford Beck of Darrouzett; Mr. and Mrs.

Time To Try Recycling

More than 200 communities in the United States require residents to separate certain recyclable materials from their refuse. These recyclable portions are placed at curbside, collected by sanitation crews and sold to reprocessing firms.

Are there advantages to recycling on this scale, over and above the cost of handling? The communities that have tried the idea say it pays off, not only in returning some of the cost of refuse handling, but in reducing requirement for sanitary landfill space.

Landfills, particularly in the eastern states, are increasingly scarce and expensive to purchase and lease, as well as to operate. Escalating disposal costs as wages climb, equipment becomes more expensive and fuel costs more, make recycling on a municipal scale appear more sensible all the time.

Why couldn't Wichita Falls begin a test of such a program? Our refuse disposal system is efficient, even self-sufficient considering collection charges levied against residents, but is this any reason to ignore a potential for returning part of the cost of operation to the city through recycling?

We'd like to see a trial of such a program to gather information on its potential. **Wichita Falls Record News**

Beat the Clock

The baseball season is once more upon us. It is glorious again to stretch out the legs, to fold the arms, to sigh a sigh of contentment while, yawn, waiting for the pitcher, ho-hum, to finish his wind-up.

Baseball's critics caluminate the game as a slow-motion monstrosity, an exercise in studied lethargy. They should rejoice instead that grace and deliberation still persist in organized sports.

The clock has assumed domain over pastimes like football and soccer, but it is otherwise with baseball. Theoretically, a baseball game could last through the night, into the next morning, and so on into infinity, one inning after another collapsing into the black void outside space and time. It never happens, of course. But still the possibility exists.

The motions of baseball are themselves a timeless ritual. The pitcher's stare, the giggling bag, the triumphant, post-homer trip around the bases—they are dance steps, gestures, according to a pattern that celebrates form, not haste.

Baseball's victory over the clock is an important one. Speed—the eternal race with the clock—has come to govern human existence, which is why there are hardly any passenger trains and ocean liners these days, and so many ulcers everywhere one looks. With speed, baseball will have no truck. (The fast ball is its principal concession.) Let us salute the noble sport, the sport of sanity and grace. But take your time about it, if you like.

Tourism's Value

The big growth in tourism in the Sandhills during 1977 was encouraging, and the prospects for the future are even better.

The significance of the figures on travel expenditures reported last week by the North Carolina Department of Commerce can be shown in the volume itself.

But, as Floyd Sayre of the Sandhills Area Chamber of Commerce pointed out, "the resort business is much more important than the state figures indicate."

State figures show more than \$23 million spent on travel in Moore County, with 261 resort firms employing 2,460 people. Local estimates, however, show even larger figures in expenditures and employment.

There is even more importance in the contributions of tourism to the entire life of the Sandhills as well as its economy. There are intangible values as well as tangible—and this fact should not be lost upon those who live here.

Costing-Of-Living Pay

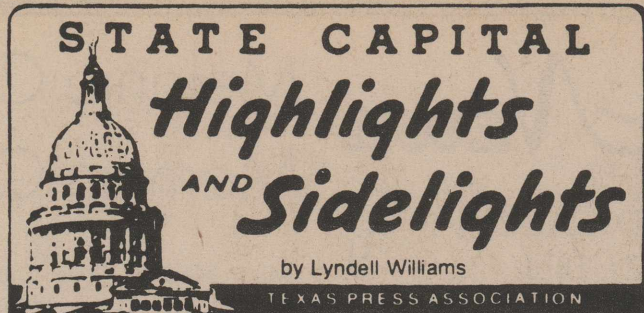

When employers give cost-of-living pay raises they think in terms of pre-tax dollars. But what the employee gets is after taxes dollars. There is a difference.

For example, a study by the United States League of Savings Association shows that if you earned \$20,000 last year and your boss gave you a 10% raise the first of this year your purchasing power, after taxes and inflation got their share, went up \$231.

What happens is that you pay taxes based on actual dollars rather than their purchasing power — when wages go up to keep purchasing power constant, taxes increase and purchasing power is reduced.

If you made \$10,000 last year and got a 10% raise you might be \$500 better off. We started with the figures of \$20,000 and a 10% raise. If you made \$50,000 and got a 10% raise after taxes and inflation you lost \$79.

Paul Timmons in The Amarillo News

AUSTIN — State Insurance Board Chairman Hugh Yantis has taken a stand against an increase in homeowners insurance rates.

The board is expected to vote on the matter in June.

Board statisticians recommended a 13.1 percent hike which would cost homeowners about \$43 million in additional premiums. There has been no adjustment in rates since July 1976.

The chairman indicated he may vote for selective increases in some categories but not for a general statewide adjustment.

At the same time, Yantis announced he is seeking to discourage "deposit term" life insurance policy sales.

And he directed a staff attorney to come up with proposed penalties for insurance firms and agents who sell policies to old people which they do not need or cannot afford.

Yantis said deposit term life insurance cannot be banned, but purchasers can be warned of what they are getting into. Deposits are forfeited if policyholders drop the 10 year policies or fail to make payments.

The board chairman said companies and their agents should be made accountable for selling unneeded insurance to the elderly whose judgment as to their requirements may be faulty due to age.

Penalties for victimizing the elderly could run as high as loss of license, the chairman indicated.

Allowable Set

The Railroad Commission ordered continuation of the legal producing rate for most Texas oil fields at 100 percent of market demand for May.

The finding means Texas wells, with few exceptions, will have wide open producing allowances for the 15th

month in a row. Actually, all-out production has been authorized nearly every month for six years.

Chairman Mack Wallace said crude and petroleum imports into the U.S. averaged more than eight million barrels a day for the four-week period which ended April 7. That amounts to about 42 percent of the nation's demand, Wallace stated.

Purchasers' nominations and additional demand for Texas crude oil in May totaled 3,551,424 barrels a day, up 7,627 from April.

Texas' estimated calendar day allowable for May is 3,558,816 barrels of oil with actual calendar day production of about 2,910,000 barrels.

Deaths Increase

Motorcycle accident deaths increased 111.5 percent and injuries 47.7 percent during the four months of 1977 after the legislature repealed the law requiring riders to wear helmets.

The Department of Public Safety said 110 motorcyclists died in accidents during September-December. Fifty-two were killed during the same period in 1976.

Motorcycle deaths for all last year increased 45.2 percent over 1976. DPS said, although registrations increased less than 10 percent.

The law was repealed on urging by motorcyclists.

Helmets are still mandatory for riders and passengers under 18.

Courts Speak

The Texas Supreme Court allowed the estranged husband of the late Candace Mossler to challenge her \$10 million will.

In another ruling, the high court affirmed lower court decisions granting \$80,500 in

legal malpractice judgments against Don Yarbrough, who resigned his Supreme Court seat last year as the result of prolonged legal troubles.

A trial court clerk cannot refuse to file pleadings which

appear inadequately certified under the Texas Rules of Civil Procedure, Attorney General John L. Hill said.

In other recent opinions, Hill concluded:

Names of applicants for municipal court appointments are public information and should be revealed.

The Montgomery County child welfare board is a gov-

Exes in Metro-plex Hold Reunion

The annual spring meeting of former Wellington and Collingsworth county residents was held Saturday, April 15 at the Howard Johnson Restaurant on I-30, Arlington.

Hosts this year were Jim and Pat Terry.

"We realize there are many people in the Metro-plex whose names and addresses we do not have so we'd like for anyone who can help us to let us know, so we may add them to next year's mailing list," said Mrs. Terry.

Forty-nine registered this year, they were:

From Ft. Worth: Dorothy and Woody Stafford, Spencer and Bea Coleman, Tom Trew, Betty Welch, Dr. Dick Ellis, Kay Ellis, Ed and Ola B. Tice, Jess and Mary Young, Tom and Tiny Bryant, Joyce

Brockenbush, Eugene Black Fagan, Levi and Thelma Needham, Jim and Alene Gillespie, and Don and Barbara Cason;

Dallas: C.G. Gray, Peggy R. Wildman, Mr. and Mrs. H.S. Riggs, Ben Karnes, Charles C. Roberts, Cameron and Ruth Beam;

Azle: Eddie and Jerry Hajek and daughters, Stephanie and Jennifer; Paris: Dr. Tom Bryant and Beryl Bryant; Hurst: Mr. and Mrs. G.D. Quail Teams Compete in TTU Judging

Two Quail FFA judging teams, livestock and dairy cattle, competed in the 51st annual Texas Tech Vocational Agriculture Judging Contest Saturday, April 22, but the computer used to determine the winners broke down, and the teams will be notified of their placings by mail.

Doyle Messer, vocational ag instructor said contest directors chose the computer method because of the large number of teams entered.

This contest served to determine the Greenbelt District and area I winners, as well as those of the overall Tech contest.

On the Quail livestock team were Ronald Alston, Gene Caldwell, and Charles Arthur. Members of the dairy cattle team were Mike Guthrie, Otis Farris and Harold Baker.

Messer also had two Hedley teams in the contest.

Some people used to use fig juice as a cure for ringworm and tooth ache.

How long can you depend on Lone Star for natural gas service?

☐ 10 Years ☐ 20 Years ☐ 50 Years
☐ More Than 50 Years

"Natural" is the key word in question. Unless regulatory price limitations make the development of new gas fields unprofitable for this area's producers, it will be many years before natural gas supplies run short for our million-plus priority customers.

The good news, however, is that these "natural" reserves can be supplemented with enough synthetic gas to keep Lone Star in the gas business for the next 50 years. And beyond, Lone Star has weathered too many storms in the last 69 years to shy away from the challenge of the energy future. We know what must be done to meet that challenge, and we'll meet it.

The groundwork is done.

There are excellent reasons for optimism. Foremost of these is the fact that 50% of the known onshore gas reserves in the United States are in areas where Lone Star already has pipeline systems in operation.

The energy outlook becomes even more promising when you consider the enormous, long-term potential of the gas fields under development in Texas' Gulf Coast waters. Lone Star is already buying some offshore gas. And we intend to buy enough of it to satisfy our customers' demand as it becomes available in volumes large enough to be gathered efficiently and economically.

Lone Star's ability to take delivery of new natural gas reserves as they are developed gives us an outstanding opportunity to buy our

area's fair share—enough gas to last our customers for many years.

Whether we can take advantage of this opportunity depends mostly on whether we'll be allowed to recover our actual costs on a timely basis.

Without the ability to pay our gas bill, earn a reasonable rate of return on our investments and recover our operating expenses, we will be unable to continue an aggressive supply program in time for it to be really effective.

There is no shortage of natural gas.

There's only a shortage of the low-priced, easily accessible gas that nearly everyone took for granted in years past.

If gas producers are given incentives to continue their risks in exploring for deeper, more inaccessible reserves, there is little reason for our high-priority customers to face natural gas shortages until we're deep into the 21st century.

After that, the future for gas energy still looks good. The technology for gasifying coal is a fact, not some fantasy of the future. And our nation has enormous coal deposits.

Converting it into gas makes sense. Because gas burns clean and doesn't pollute. It also makes economic sense, because this gas can be distributed through the pipeline system we have, and the families who have gas appliances can keep right on using them.

How long can you depend on Lone Star for gas service? We intend to make sure your children's grandchildren can depend on us.

Green Up Clean Up Put Litter in Its Place

Let's all help make Wellington a cleaner, more beautiful city to live in... by joining in with the Spring

City-Wide CLEAN-UP

Residential and Business Areas During This Time

May 8 thru May 13

Fix-Up!

Paint-Up!

Clean-Up!

During this time residents are encouraged to clean up premises of trash, rubbish and refuse, and put in the alley for pick up by City Trucks. **ONE WEEK ONLY.**

Trucks will start at 1st and Haskell Streets and work south.

Free Pick Up Tuesday, May 9

TUESDAY, MAY 9 the City Trucks will begin the Annual Free Pick Up and continue through all alleys until the entire city is covered.

PROPERTY IN THE ALLEY THAT IS NOT TO BE HAULED AWAY . . .

Residents having property or articles in the alley that they do not wish hauled off are requested to remove these from the alley and place on their premises. The City of Wellington cannot be responsible for any articles hauled off by mistake.

Vacant Lots

VACANT LOTS . . . Owners or lessees of vacant lots are required to remove trash, refuse, garbage and rubbish at their own expense, and to keep weeds under control throughout the season for protection against mosquito breeding and harboring places. . . .

However, it has long been a practice of the City to keep vacant lots mowed, where owners would keep them clean and mowable, and will continue this program.

Dead Trees and Heavy Junk, Thur. May 11

THURSDAY, MAY 11..... City equipment and community volunteers will cooperate in one big day of disposing of dead trees, excessive junk that requires front-end loaders and dump trucks. If you have dead trees or extra heavy items to be hauled, call the Chamber office. The City will not dig dead trees, but they will haul away dead trees that have already been dug.

Highway & FM Roads

IMPRESSIONS OF OUR COMMUNITY ARE FORMED along Highway 83, 8th Street, 9th Street, and FM Roads 338 and 1035 . . .

Congratulations are in order for the businesses and individuals who have cleaned, cleaned, painted or improved the appearance of property along these roads. Much more remains to be done. Let's all work together to continue to improve the looks of our approaches and create good first impressions.

This is how FOSTER WHALEY and his wife, Lois, farmed over 1,800 acres of farm & ranch land last year by themselves.

"FOSTER WHALEY used this 16 hour day and conservative approach to be recognized as one of the top ten county agricultural agents in the nation in 1967. I knew him when he started from scratch in 1949. He has been the prime mover in the development of our two most important products in Northwest Texas. These two being our youth and our agriculture. He is an achiever in community affairs. He has the experience and background to give us the kind of legislator this area needs," So says Leo Forrest, retired Manager of the Deaf Smith Electric Cooperative, Inc.

Foster & Lois have leased out much of their farming interests so they can devote the necessary time to the duties of State Representative.

FOSTER WHALEY will use this 16 hour day and conservative approach to become one of Texas best legislators in representing this District.

Twenty-Seven From Quail Earn CPR Certificates

Twenty-seven Quail residents have been certified upon completing the standard Cardio-Pulmonary Resuscitation course offered Friday and Saturday nights, May 21 and 22. Both high school students and adults were enrolled.

Classroom sessions, home study and practice on teaching mannequins were combined in the course, according to Marshall Peters, an instructor.

A different, and more effective, technique was used in which both classroom study and practice was in segments, he explained. "Undoubtedly they studied like the mischief, for they sure learned it," Peters said.

Other instructors were John Brown and Bob Watson. All are certified as instructors by the Texas Department of Health. Mrs. H.H. Bowen

assisted.

The course is offered by the American Heart Association and the local sponsor was the Volunteer Ambulance Service.

Those who were certified were Mr. and Mrs. Ben Carson, Mr. and Mrs. Cary Don Neeley, Loyd Langley, Mrs. Lonnie Needham, Karen Caldwell, Melissa Guthrie, Kay Guthrie, Russ Gardner, Alvie Clay, Donald Langley, Mr. and Mrs. Clovis McCary, Mrs. Jerry Barton, Mr. and Mrs. Mark White, Mr. and Mrs. Richard Peters, Mr. and Mrs. Mack Shields, Mr. and Mrs. Raymond Ross,

Mr. and Mrs. John Carson, Mrs. Rufus Jones, Dan Guthrie. Unable to complete the course due to illness were Jan Altman, Lonnie Needham and Ricky Needham.

The ambulance Service has a goal of 500 Collingsworth County people trained in CPR, Peters reminded. With the Quail Class, those who completed a Wellington class earlier, Emergency Medical Technicians, Emergency Care Attendants and Ambulance Service members bring the present number close to 100, he added.

Daydreams are beneficial when they motivate us to enjoy today, says Jenny Reinhardt, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Intra-League Tourney Here

An intra-league slow-pitch softball tournament will be held at Marian Airpark Ball Park Saturday and Sunday, April 29 and 30, with the six teams playing in the Wellington League participating.

This is to kick off the 1978-79 season, which begins Monday night, May 1 at 8:00 p.m.

The first tournament game will start at 5:00 p.m. Saturday, and games will follow in succession until 9 are played. There will be three

games Sunday afternoon and these will start at 2:00, according to Stephens.

He reminded that all teams must have paid their league fee of \$3.00 per player before they can participate. This money goes for new bases, trophies, equipment and other expenses. Langford's Conoco downed Childress Dozer, Inc., two games out of three, in exhibition softball Sunday, April 23, at Marian Airpark ball park.

Dozers won the first game 14-9, then Langfords came back to take the second with a decisive score of 10-1.

The third game went scoreless until the fourth inning when Langfords got three big runs. Dozer then picked up a run and the game ended 3-1 Wellington.

VFW Post to Hold Business Meeting May 2

A business meeting of Glynn Moore Post No. 6439, Veterans of Foreign Wars, will be held Tuesday, May 2, Commander Tony Stephens announced.

Officers for 1978-79 will be installed. They will begin their duties in June, at the same time the department commander takes office.

Victor Joyner Dies April 21

Victor Joyner, 60, who lived here in the late 1920s and early 1930s, died Friday, April 21.

His home was 2607 Hairpin Curve, Wichita Falls. Funeral services were conducted at Abilene.

He was the son of the late Rev. and Mrs. C.R. Joyner. His father was pastor of First Baptist Church several years.

Born March 19, 1918, in Florence, Joyner was extension agent for Roberts County and was named outstanding agent in District 1 several years. He was a member of the First Baptist Church, Miami, the American Legion and a lifetime member of the National Association of County Agricultural Agents. He was a veteran of World War II.

Survivors include four sisters: Lona Cameron of Wichita Falls, Emma Joyner of Abilene, Mrs. Helen Barbee of Amarillo and Mrs. Polly Autry of Snyder.
