Dog Ordinance Passed

Dogs Not To Run Loose After July 1

The City Council of Colorado City, responding to numerous complaints, Monday night passed an ordinance that prohibits dogs from running loose.

The ordinance goes into effect July 1. On that date, all dogs must either be on a leash or be in an escape proof enclosure or they will be picked up and held by the city for five days, and if unclaimed, they will be disposed of.

The number of dogs running loose on the streets of Colorado City was an issue in the April city council election. Almost all candidates said something should be done about the dog problem.

Hank Bryant was the only member of the council voting against the ordinance.

The ordinance is not anti-dog but rather pro-people, said City Manager J.A. Sadler Jr.

A number of people have been bitten by dogs in recent weeks as they attempted to enjoy the good weather by riding bicycles or going for walks.

Under the new ordinance, all dogs three months old and older must be vaccinated at a cost of $4 and have a city tag costing $2 each year.

The local veterinary clinic will hold clinics in the near future for the vaccination of dogs. During the clinics, a member of the boys club will fill out information needed on each dog as required by the new ordinance and the Mitchell County Boys Club will receive a portion of the $4 vaccination fee.

The council also authorized Sadler to purchase a tranquilizer gun to catch loose dogs.

The city is expected to hire a man to catch loose dogs and he will be paid a certain price for each dog caught.

The ordinance also provides for the picking-up of dogs that create a nuisance when a complaint is filed and signed by a city resident.

Persons violating the ordinance will be subject to fines up to $200.

Regarding the redemption of impounded dogs the ordinance states:
"The owner or keeper of any dog captured or impounded under the provisions of this Ordinance shall be permitted and allowed, within five days after such dog shall have been impounded, to redeem, reclaim and again receive possession of said dog, upon payment of Director of Finance or his duly authorized agent, the sum of $5 per day, or any fractional part thereof, during which time said dog may have been impounded and upon securing a permit to keep said dog as herein provided."

If the dog is not claimed within the five days, the humane officer is authorized by the ordinance to dispose of the dog in a humane manner or sell the dog for pound costs.

The ordinance also authorizes the humane officer or any police officer to shoot any rabid dog or any dog in the streets "which shall manifest a disposition to bite."

Under the previous dog ordinance, dogs could run loose as long as they were tagged and vaccinated.

The new ordinance also makes it unlawful to remove tags from dogs except for the purpose of putting on a new tag.

Board Hires New Teachers

The Colorado City Independent School District ends the year's term 1972-73 in good financial condition, according to the financial report reviewed at the meeting Monday night by the members of the school board.

The meeting was held in the high school library following a special dinner honoring the board.

Boys from the Home Management Class of the high school prepared and served the dinner in the Homemaking Department.

Items for consideration included the graduation activities scheduled for 1973.

Board members will attend the baccalaureate services Sunday, May 27 at 4 p.m. in the high school auditorium.

Glenn Roenfeldt, pastor of the First Baptist Church of Colorado City will be the speaker.

Commencement exercises, May 29, at 8 p.m. at Wolf Stadium will feature student speakers and the awarding of symbolic medals as a part of the program.

Board members will also attend this ceremony.

A special senior and junior assembly will be held May 25 at 1:30 p.m. in the auditorium. Parents are invited.

Recommendations that the resignations of Randy Hicks and James Slaughter from the teaching staff be effective at the end of the 1972-73 school year was accepted by the board.

The board also voted to accept the appointments of Bobby Caswell as a fifth grade teacher at Hutchinson Elementary and Deborah Caswell as seventh grade teacher of math at the Junior High School for the 1973-74 school year.

A report will be made to the board on the insurance settlements for hail damages to the school buildings and vehicles during the recent storm.

The board directed Supt. Lloyd McKee to set up a work schedule for them to follow in the coming months as they proceed with an intensive study on the recommendations made in the recent study conducted by a team of educators from North Texas State University in cooperation with the local schools and the Region 14 Education Service Center.

Dr. Vaughn Huffstutler headed the study and reported the findings at the previous board meeting.

In laying the groundwork for the considerations of what is feasible for meeting the needs of the school district, McKee was requested to compile information including names of consultants, architects, and advisors in the field of education and present them at the next meeting of the board.

Randy Barr Has Top Exhibit

A gun case with sliding glass doors, made by Randy Barr, was selected as the top exhibit in the 1973 Industrial Arts Exhibit at Colorado High Tuesday night.

There were 10 divisions in the exhibit with three awards given in each division.

Here are the results of the exhibits by division:

--Division I, Gun Cases & Cabinets, first, Randy Barr; second, Eddie Vann and R.D. Hall, and third, Paul Barr.

--Division II, book cases and shelves, first, Tim Parsons; second, Randy Barr and Hoby Lee; and third, John Rivera and Hoby Lee.

--Division 3, stereo cabinets, first, Kirk Morris; second, Raymond Sanchez, and third, Kyle Moore and Roy Franco.

--Division 4, coffee tables, first, Mike McClure; second, Jerry Lelek, and third, Jesse Rivera.

--Division 5, gun racks, first Tim Parsons; second, Lewis Martin, and third Jesse Rivera.

--Division 6, cedar chests, first, Eddie Lozano and second Tim Bisnette.

--Division 7, toy boxes, and benches, first, Mike McClure; second, Bruce Hill, and third, Freddie Espinoza.

--Division 8, Turned objects on wood lathe, first, Dan Feaster; second Larry Harrison and Ronnie Bell; and third, Mike Morren.

--Division 9, large tables, first, Matt Salmon, and second, Gene Hunt.

--Division 10, small items, first Ronnie Bell; second, Mike Morren and third, Steve Morris.

School officials expressed a special thanks to Wayne Griffin for handling the judging of projects and selecting judges. A large crowd attended the exhibit.

Baseball Action

Baseball is the talk of the town.

The Ministerial Alliance has discussed forming a men's softball league and possibly a volleyball league. The softball league apparently will be formed but all the details have not yet been worked out.

The softball league is expected to use the baseball field on the south side.

The Junior Teenage Baseball League will hold a work day all day Saturday at the High School field at Cherry and 13th and everyone interested is urged to come and help.

The first game for the junior teenage league is set for May 24 (next Thursday).

Little League action got underway a day late this week as opening day ceremonies were rained out Monday and held Tuesday.

It was announced by the Little League that members of farm league teams are not insured. It had been assumed in past years that they were insured but that apparently was not true.

New Band Director

Kent Holder Hired Here

Fredrick Kent Holder, a native of Raymondville and a 1953 graduate of Hardin-Simmons University, has been hired by Colorado Independent School District as director of bands.

He will succeed Dwight Tomb who has resigned after 17 years as band director here.

Holder is expected to arrive in Colorado City in early June to begin formulating plans for the bands for the 1973-74 school year.

Holder, who has done post-graduate work at the University of Houston and the Arizona State University, has 18 years experience as a choral and band director. He is now band director at Page, Ariz.

In announcing the hiring of Holder, School Superintendent Lloyd McKee said Holder's record shows a long history of first divisions and sweepstakes bands.

Holder has been in Page since 1968. The first year he taught there, his band was selected as the honor band from Northern Arizona at the Flagstaff Music Festival. Since then his bands and choirs have received superior ratings both at the Flagstaff and Tempe Music Festivals.

Before moving to Page he taught in the Houston area where his bands received first division ratings for eight years in a row. During the 1972-1973 school year, Holder served as the woodwinds adjudicator for the Arizona State Band tryouts.

He also was selected to serve on the committee for the state to help reorganize band and festival procedures in the state of Arizona.

Holder's wife, Betty, has a bachelor of science degree from Grand Canyon College in Phoenix, Ariz. with a major in elementary education and minors in English and music. Mrs. Holder is a native of Gary, Indiana.

She has two years of teaching experience having taught in Page Junior High School as a speech and drama teacher. She will be teaching the fifth grade at Hutchinson Elementary for the 1973-74 school year.

The Holders have five daugh-

Council Buys Lights, Tractor

City Council in their regular monthly meeting Monday night voted to spend $28,500 for traffic signal lights at three downtown intersections to meet federal regulations that go into effect in 1975.

In addition, the council considered a number of other items that included buying a new tractor with a broom sweeper attachment and a shredder, extend water to Fisher Park at Lake Champion and pave four blocks of Walnut Street.

Revenue sharing money will be used to pay for the street lights which will be placed at Second and Walnut, Second and Elm and Third and Walnut.

The low bid for the lights was from N. Jack Pharriss, Inc., of Dallas. Other bids were from Signal Light Co., in Fort Worth for $29,209 and Crabtree Electric for $43,300.

The lights are expected to be in place by late summer.

Some $33,000 had been budgeted in revenue sharing funds to pay for the lights. With the $4,500 saved in the low bid, City Manager J.A. Sadler Jr., suggested that Walnut from 17th to 21st be paved.

The council agreed and directed Sadler to get bids for the next council meeting. The new pav-

Laboratory Facilities

Some 1,000 students each year are served by the Southwestern State College Biological Sciences Department audio-tutorial laboratory in Weatherford. It's popular with the students, because they can attend Biological Concepts lab sessions at their convenience. Dr. Harry Henson (second from left) and Dr. Roy Dick (standing right), department professors, assist Robin Swayer, WATONDA freshman, and Mary Jane Hearin, COLORADO CITY, sophomore, in using the laboratory facilities.

Conservationist Speaks To Club

The Colorado City Garden Club met recently in the Community Center. Mrs. Earl Brown president, presided over the business meeting.

Mrs. Bruce Johnson announced a District VIII Garden Club Forum will be held in Abilene at the Garden Center, June 12.

Mrs. E.M. Owen introduced, guest speaker George Willis. Willis is a Range Conservationist of Soil Conservation and is a graduate of Texas Tech University.

Willis started his speech by saying, "I like to think of myself as a salesman, because we do have to sell conservation."

He identified wild flowers brought by each member by common and botanical name. He used books, "Native Flowers" by C.A. Richenthin and "Wild Flowers" by Homer D. House.

He showed slides of pastures using conservation and those which do not use it. The slides also were of wild flowers that at various stages of growth were poisonous to animals and those which were not.

Members present for the meeting were; Mrs. S.A. Palmer, Mrs. R.D. Bridgeford, Mrs. Ben Elliot, Mrs. A.H. Jackson, Mrs. B.B. Bridgeford and Mrs. Don Stewart.

Others present were; Mrs. George Willis, Mrs. Earl Brown Mrs. Bruce Johnson, Mrs. E.M. Owen, Mrs. Ronald Sanderson and Mrs. George Lay Powell.

Also Mrs. Drew Ballard, Mrs. L.J. Taylor and guests were; Mrs. Henry Billberry and Mrs. Harry Ratliff.

New members are Mrs. E.B. Wilbanks, Mrs. Drew Ballard Mrs. J.Lee Jones and Mrs. Jasper Wood.

Many Visit Mrs. Read

Weekend guests at the home of Mrs. Jenny Read were Mr. and Mrs. Lester Duffer, Geraldine, Joyce and Terrie of Big Spring.

Other guests included Mrs. John Riffe, John and Nikki of Ira; Mr. and Mrs. Maxey Ware and Jeran of Westbrook.

Visiting from Snyder were Mr. and Mrs. Johnnie Klein and Elbert; and Mr. and Mrs. Delbert Klein.

Also visiting were Mrs. R.P. Ware, Mrs. Mattie Read, Otelia Soles and Mrs. Estella Bloom all from Colorado City.

Our Thanks

Tuesday night, more than 150 persons turned out to honor Colorado High School band director Dwight Tomb, who has resigned after 17 years as band director here.

It was a solemn occassion as several speakers paid tribute to Tomb and what he has done for the many Colorado City youngsters who have played in the band under his direction.

Perhaps the greatest tribute to Tomb was the large number of young people, his former and present band students, who turned out for the supper at Lone Wolf Electric Co-Opertorium to honor Tomb.

Tomb's work has had a tremendous effect on the lives of many young people and we appreciate the work he has done here. We wish him the best of luck in future endeavors.

SAFEWAY

REMARKABLE VALUE!

THIS IS THE NEW CONCEPT OF STAINLESS

Heavy, handsome, worthy of a place beside your finest china. All the beauty of design, the careful craftsmanship, once reserved for sterling alone. Now in stainless that needs no upkeep, no polishing, no care of any kind. This is today's accomplishment in flatware. Beauty without upkeep, the contemporary approach to living — and chic entertaining. Hampton Court, sophisticated modern, with bold clean lines and a marvelous hand-forged look.

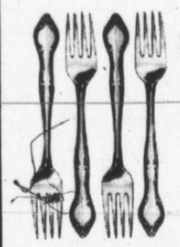

STAINLESS HOLLOWARE WITH THE HIGH POLISH OF SILVER

Gleaming stainless, much more expensive to produce than the ordinary dull finish, but worth it in the difference. The effect is magnificent! These serving pieces have the weight, the feel, the brilliance of silver—but all the advantages of stainless. No cleaning, no polishing, no care of any kind. They'll be handsome assets to your entertaining, wonderful for family use as well. Follow the Special Feature schedule and collect a complete set at important savings!

Juniors And Seniors Hold School Banquet

The annual Junior-Senior banquet was held at the high school cafetorium Saturday evening.

The background stage was decorated with a large poster in colors, depicting the theme "Age of Aquarius". Posters with astrology signs were used as decoration and the meal was served from foursome tables centered with candles. Favors were scented candles.

Nancy Smith was Mistress of ceremonies.

Sylvester Rose gave the invocation and Tanna Oliver gave the class prophesy. "What's your sign", was a reading given by Edna Galvan.

Supt. Harkey, speaker of the evening told the young people discipline was very important for each individual. He said there was very little difference in the youth of today and any other generation, the difference that exists is in the permissiveness of families, schools, and society in general.

Comparing discipline to brakes on a car, he said "unless brakes are applied at the proper time, the car becomes a menace".

Joel Rose gave the benediction.

After the banquet the traditional prom was held at the Coltex Club.

Judge Carter Speaks On "Golden Rule"

Judge Carter spoke to the Methodist Women when they met in a regular meeting Wednesday.

The meeting opened with group singing "Love Lifted Me" and prayer by Mrs. Motes.

Mrs. Jim Johnson read Micah 6:8 in giving the devotional, which tells us of love, mercy and our walking humbly with the Lord.

Mrs. Watkins introduced the speaker. He spoke on the subject, Faith and Justice, and reminded the group that if they lived by the Golden Rule, our lives and our nation would be different.

He stressed the importance of Christian home influence on the youth of our land, and summed his talk by saying "The teaching of Jesus, if followed, would save the world."

Twelve members were present.

Baptist Women Hears Program On "Life"

Baptist Women met in the church Monday afternoon for a program on "Seeing Life From the Other Side".

Mrs. Woodrow Pratt and Mrs. Cline Taylor presented in dialogue, "Work in Puerto Rico".

Mmes Dexter Taylor, Thomas Riden and Edwin Hallmark discussed the language, communication, training of leaders, and how the mission board works there.

Mrs. Harvey Leach told of her plans to attend the Foreign Mission week session at Glorietta New Mexico, August 9-15 and how she had been blessed in the past years she attended sessions there.

Nine members were present for the meeting.

Forbus' Attend Graduation

Mr. and Mrs. Calvin Forbus were in Ft. Worth Thursday night and Friday to attend the Commencement Exercises at the Baptist Theological Seminary when their son-in-law Harold Davis received his Master of Divinity Degree.

Mrs. Davis is a teacher in the Mansfield School near Ft. Worth and they commute to Howland, Texas near Paris each weekend where he pastors the First Baptist Church.

He helps assure that the electricity you use is accurately measured.

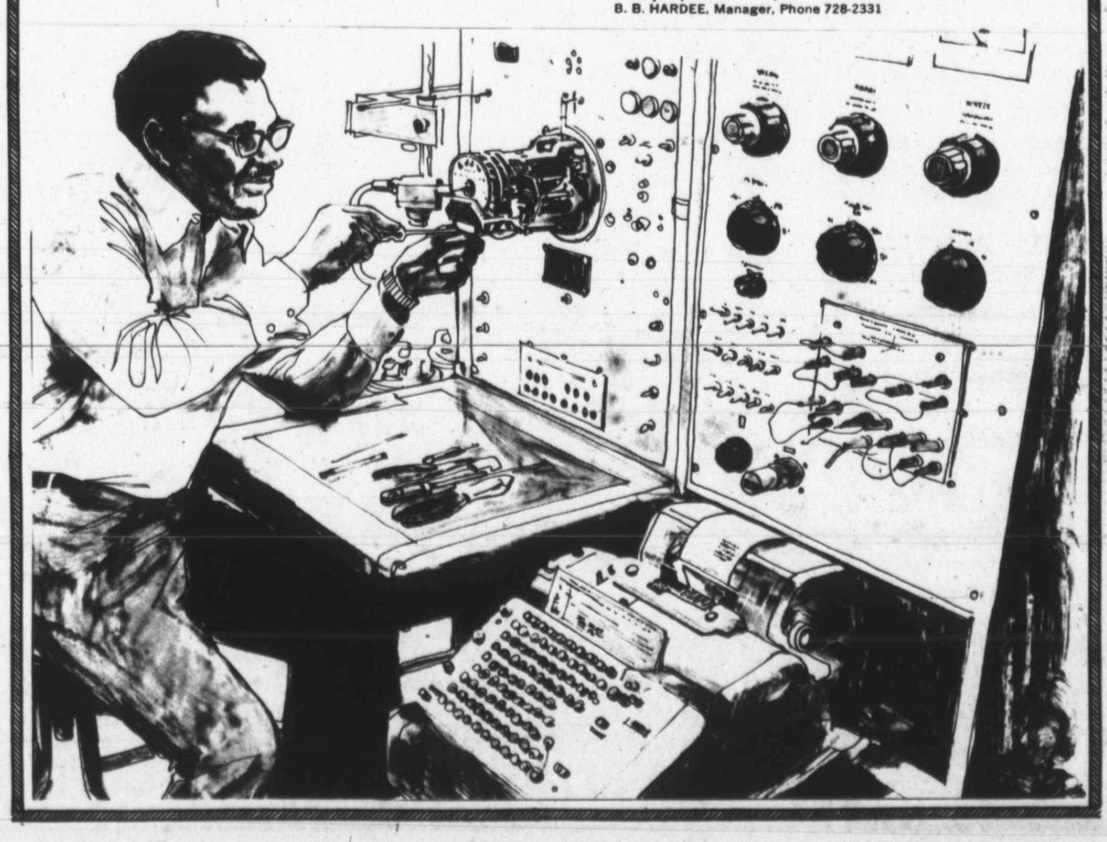

Our meter testers help make sure that the electric service you use is probably the most accurately measured product you buy. Your electric meter has the accuracy of a fine watch.

The meter tester uses a computer device that is typical of the sophisticated equipment we use today to control the quality of our services. It can measure the accuracy of a meter to within 1/30,000th of a kilowatt hour. And the accuracy of this equipment is checked regularly against the standards set by United States government agencies.

At Texas Electric, trained people operate precision equipment in a continuing program designed to assure the accuracy of your electric service bill.

It's the job of every one of us to see that you get the most value from your electric service.

Watson Rites Held Tuesday

Jack William Watson, 47, retired auto mechanic was dead on arrival at Root Memorial Hospital at 9:05 a.m. Sunday after suffering an apparent heart attack.

Funeral was held Tuesday at 2 p.m. in the Kiker-Rains-Seale Chapel.

George Burt of Midland officiated, assisted by Rev. Glenn Roenfeldt. Burial was in the Colorado City Cemetery.

Pallbearers were; Terry Flannagan, Mickey Flannagan, Joey Bryan, Steve Bryan, Michael Payne and Sonny Peel.

Born Nov. 21, 1925, in Hale County, he moved to Colorado City in 1966.

He married Durlene Doss June 7, 1954, in Clovis, N.M.

Survivors include his wife; a son, Ronnie Eatson of Colorado City; his mother Mrs. Josephine Wooliver of Colorado City; a brother, Clarence Payne of San Angelo.

ing will provide a paved road for the New St. Ann's Catholic Church being built on Walnut and will help develop the area.

The council also extended the sick leave of Ed Putman and hired Susan Anderson to operate the swimming pool this summer.

Glenn Hemphill of Mitchell County Utilities requested that the city pay $1,500 to extend water to the city's park at Lake Champion. The council voted to do so.

The date for the tax equalization board to meet was set for July 3 with Dick Wistrand, Henry Bilberry and R.B. Baker being appointed to the board.

The council accepted the low bid of $5,694 for a David Brown tractor, shredder and broom attachment from Matlock Farm Supply. Also bidding was Costin Implement with a bid of $5,981.

Architect Don Hampton of Sweetwater was present for a discussion on the new civic center. Council members questioned Hampton regarding whether or not a steel building or a masonry type building would be best and just how the costs would compare.

Hampton said the steel building could be built for $10 a square foot while a masonry type building would cost $12 a square foot with an additional $1 per square foot if the building was bricked.

Sadler told the council a site for the new civic center should be tied down legally within a few days.

DIRECTOR From Page 1.

Holder is the church choir director and Young People's Department Director. Mrs. Holder is a chruch pianist and solist and the Young People's Sunday School class teacher.

Artifacts Loaned To Museum

A Singer treadle sewing machine, a wooden wringer washing machine, and a rare African xylophone were among the artifacts of the Colorado City Historical Museum included in the Permian Basin Museums Institute display on view during the opening celebration of the South Campus of The University of Texas of the Permian Basin last weekend.

Mr. and Mrs. Lewis Elliot and J. Ralph Lee were on hand to participate in ribbon-cutting ceremonies opening the exhibit to the public.

As a resource depository, UTPB will not only collect and preserve documents on area history, but will also be able to borrow rare research material from the State Archives.

Museums represented in the display were from Borden County, Colorado City, Iraan, Kermit, Martin County, McCamey, Midland (two), Odessa, and Pecos.
