

Notable Notes

Lions Club Sale

The annual Broom and Mop Sale of the Rockport Lions Club will be held Saturday, April 16. The sale makes products of the Lighthouse for the Blind available to the public. Products will be on sale at Ray's Texaco, HEB and Super-D parking areas, according to sale chairman Gordon Stanley. Commercial establishments are being solicited for pre-sale orders by members of the Lions Club.

Learning Center In Need

The ABC Learning Center, a day-care center and school for pre-schoolers and a non-profit organization, needs a filing cabinet, a balance beam, tricycles and wagons, a small picnic table with benches, wooden toys, toy digging tools suitable for outdoor playing in a pebble box and boards with a small hammer and nails. Residents wishing to donate any of the above items or make a contribution toward their purchase can call 729-1512 before 11:30 a.m. Mon.-Fri. or come by the school at 112 N. Church.

P.E.O. To Meet

Chapter EO, P.E.O. will meet Tuesday, April 12 in the home of Mrs. D.T. Adams. Mrs. David Roaten will give the program, "L is for Love."

SS Representative

A representative of the Social Security Administration will be at the Courthouse in Rockport on Tuesday, April 12, at 9 a.m. The representative will answer questions and also help claimants file applications for the regular Social Security benefit payments as well as for Supplemental Security Income benefits.

Open House

The AARP will sponsor an "Open House" at the Community Concern Center at 206 No. Magnolia, Wednesday, April 13 from 2:30 p.m. to 5 p.m. The public is invited to visit with the people whose effort and involvement make the Center's services possible. Refreshments will be served.

Revival Services

Revival services are scheduled for April 6-10 at Faith Baptist Mission in Fulton. The speaker will be Bob Roby, pastor of the First Baptist Church of Gorman. Music will be under the direction of Ron Roby. Otis Mundine, Mission director, invites the public to attend the nightly meetings which will begin at 7:30 p.m.

City Hall To Close

Rockport City Hall will be closed April 8, Good Friday. Garbage pick-ups normally scheduled for Friday, April 8 will be made Thursday, April 7, instead.

Dramatic Tableau

The dramatic tableau, "The Last Supper" by Robert Westenberg, will be presented Thursday, April 7, at 7:30 p.m. in the sanctuary of the First Presbyterian Church, Live Oak and Laurel Streets. During the worship service the 12 Methodist and Presbyterian players will be positioned stylistically to recreate Da Vinci's painting of the Last Supper.

Decorations For Sale

The women of the Aransas County Hospital Volunteers, Incorporated workshop announce that the table decorations used at the annual Chamber of Commerce banquet are on sale at the workshop outlet in Encina Plaza. Proceeds from sale of the unique table decorations and hundreds of other hand-crafted items go into the ACHVI Hospital Fund.

CB CLUB FAIR SCENES. The CB Club's Fair for the benefit of the Hospital Fund had a little bit of something for just about everyone. The entertainment included a performance by Joe Diamond and the Blue Diamonds, upper left, some fast talking by

auctioneer "Dutchman" Jim Metzger, a winning smile by Little Miss CB Deborah Otto, who raised \$70 for the fund in her name, and some high-flying sack jumping by this hard charging young lady. (Staff Photos By Mark Simmons).

Fair Raises Thousands For ACHVI Hospital Fund

The Aransas County CB Club's April Fool's Fair to benefit the Hospital Fund raised as much as \$3,000 less than sponsors had hoped, but still one of the largest donations to date.

The perfect weather that worked for SeaFair in the fall sent thousands to the beach and cut potential attendance for this first-of-the-spring event, and just-paid-IRS blues may have had a strong hold on a crowd that did more looking than buying inside the craft tent, but the event was still a success.

As SeaFair organizer, Bill Janeczek pointed out at the Tuesday Chamber of Commerce Board of Directors meeting, the Fair involved a hundred or so faces who were new

to festival promotion, and slave-labor hours for the Hospital cause made the results a triumph of determination.

And also made a lot of people happy, including the winners of various auctions and events: (Continued On Page 14)

HO&M Files Five Permit Requests

City Council Monday in special session accepted applications from Houston Oil and Minerals Corporation for five drilling permits, and set April 25 at 7 p.m. as the date for a public hearing on the requests. The five wells will have surface locations in State Tracts 146, 150 and 169 (Aransas Bay), and bottom hole locations in State Tracts 148 and 149 (Little Bay).

Associate Counsel John Lea told the Council the sites were an attempt by the company to compromise in location between the City and Key Allegro. Lea said he hoped the placement would mean no noise problems for either area.

Easter Sunrise Service Set For April 10

The Aransas County Minister's Association will conduct the annual Easter Service Sunrise Sunday April 10, beginning at 6 a.m. in the Navigation District parking lot overlooking Aransas Bay. In case of inclement weather, the service will be held at the First Baptist Church, Live Oak and Main. The service will feature special music and dramatic readings of the Easter story from the Bible. Worshipers should bring their own lawn chairs, blankets or other seating.

Stautzenberger Seriously Hurt

Aransas County Chief Deputy Sheriff E.A. Stautzenberger was listed in serious but stable condition Tuesday morning in Memorial Medical Center, Corpus Christi.

Stautzenberger was almost killed in a two-car accident north of Rockport on Highway 35 the night of April 2. The accident injured two other persons less seriously.

Stautzenberger's life was saved at the scene by the Aransas County Hospital Volunteers, Incorporated's emergency ambulance service, which responded to the 7:19 p.m. call in three minutes, and worked 29 minutes to free Stautzenberger's battered body from his mangled auto.

Stautzenberger suffered a broken collarbone, a chipped first vertebrae, severe lacerations and crushed and broken ribs. One of the ribs punctured his right lung Monday night, causing it to collapse, but doctors said he had overcome the crisis and was discomforted most by a tube inserted through his back to drain internal fluid.

He is now in pain but rational, and visiting with his wife five minutes an hour when he is awake.

The conversation is evidence of his progress since the first critical hours after the wreck. Gary Knostman, one of the many friends standing by with the family, said attendants and doctors were unable to communicate with Stautzenberger for six or seven hours, using his last and first name, Earnest. Then someone bedside suggested "Chief," what his friends call him. The doctors did, and his eyes came wide open immediately.

School 'Medium'

City Vote Sets Record

City and School district voters elected four candidates Saturday April 2. The turnout in the City race, where contested races in Ward 1 and 2 drew strong voter interest, was the heaviest in history for an "off" year (no Mayor's election).

The school turnout, with only one of two races formally contested, was "medium" according to Superintendent Joe Randow, falling in between a

high of 110 last year and a low of approximately 500, 1975.

City voters, in a squeaker, turned out incumbent Ward 1 Alderman Charlie Garrett in favor of former Alderman Joe "Pepe" Zambrano, a former Alderman who resigned last year to run unsuccessfully for county Commissioner. The vote was 105-99.

County Facing Money Squeeze

County Judge John Wendell told Aransas County Commissioners the County was to the "point of no return" in its finances. "That doesn't mean we're bankrupt," he added, during a regular Court session Wednesday, March 30, "but don't promise any more to anybody until we've had time to fully examine the budget."

Wendell said the County had been faced with a continuing stream of unforeseeable expenses, including \$9000 for the Aransas County Hospital Volunteers, Incorporated for an emergency ambulance service, almost \$60,000 for a maintainer to help the County Road and Bridge Department recover from the worst winter in 100

years, and the probability of a new pumper for the Rockport Fire Department.

The latest big budget item is 15 loads of topping for the Road and Bridge crew, investment made to beat a substantial April 1 price increase. Commissioners have already spent unprecedented amounts of money for overtime for crew laborers in a catch-up program, with Commissioner Eric Eller hardest hit and still behind.

Some relief for the County drainage situation may be coming soon in the form of state easements between Highway 35, North and Aransas Bay. State Highway Department investigators told County Sur- (Continued On Page 14)

Letters to the Editor

Dear Editor:

I would like to take this opportunity to thank the elected officials of Aransas County, especially the Commissioner's Court, for doing a good job in holding the line on taxes.

This is especially commendable in light of the decreasing tax base of the petroleum industry.

Every time I get provoked over a paving or drainage situation I have but to think of

my taxes at my previous two places of residence and the situation immediately becomes tolerable.

I would also like to commend the voters (albeit a small turnout), for exercising good judgment in the recent election by once again subscribing to the maxim that "there ain't no such thing as a free lunch".

Sincerely,
Fred Heinsohn

Watch Rockport Grow

By "Uncle John" Leslie

At the Chamber of Commerce meeting, a good deal of attention and credit was given to those who brought the ambulance service to Rockport. I am glad this service does exist. We now even have a back-up ambulance which is now in service. It will answer only in case the first ambulance is tied up. But this makes me think of one weakness in the whole situation. The majority of the money was raised by the Women's Volunteer Group, headed by Mrs. Cone and assisted by many others. They worked hard and raised a tremendous sum of money—dollar by dollar. From what I have read in the papers, there were only three major gifts to this cause. One was the King Foundation which paid for the ambulance. One was a donation of the royalty on an oil and gas lease donated by H.C. Cooke. It was raffled off at \$100 a share. The lucky winner received the full 1/8th royalty. The rest of the money came in small dribbles, after much hard work by the ladies involved. They are still working and my hat is off to them. But, insofar as I know, no other substantial gift came from a citizen of Rockport. However, a gift did come in from a man whose home is in Houston but does own a summer house here. He came forward, according to the paper, and made a donation of \$5,000. Hats off to you, Mr. Gopp! I am proud to have met you and to know you, and we all appreciate your interest in this project. I just wonder why some of our more affluent permanent residents in Rockport didn't do what this part-time resident of our community did. A few large donations could have cut months off the two years it took by going at it one dollar at a time. The good Lord was with us during this period, in that we did not have too many tragedies.

AMERICAN HEART ASSOCIATION SUCCESS
Congratulations to the American Heart Association in their campaign to teach people in this area the use of the C.P.R. system of sustaining life in heart patients while waiting for the ambulance to arrive. Pat and Roy Blair have taken the lead in this training. They were assisted by Louise Hughes, Iris Anna Jenkins and Doug Ward and many others whose names I do not have. They have given unselfishly of their time in teaching people through lecture and practice on a dummy how to use this system. Last week when I talked to Roy and Pat they said that approximately 75 have received certificates testifying to their proficiency in administering this life-saving technique to you or to me if the occasion

demands. Isn't it good to know that scattered throughout this community there are many who will come to our aid if needed? Bill Aston, the ambulance driver, states that the first three minutes after a heart attack is the crucial time. According to his schedule, as seen in both local papers, he has been able to reach the scene of numerous heart attack victims within that period. Let's boost and back him and those working on this cause whenever we can.

The Aransas County Hospital Volunteers, Incorporated's emergency ambulance service reports the following calls for the week of March 28, through April 4.

--A 12:09 p.m. call sent the Modulance and crew to Dr. G.M. Patillo's office in downtown Rockport within five minutes. The crew treated heart attack victim Joel Bullington of Rockport at the scene and transported him to Spohn Hospital in Corpus Christi.

--March 30, an 8:33 a.m. call sent the Modulance and crew to the scene of a major traffic accident five miles north of Rockport on Highway 35. Two victims, Peter Kinett and Ernest Rezendas of the Port Aransas Coast Guard Station, were treated on the scene and transported to Lyman-Roberts Hospital in Aransas Pass. Response time to the call was four minutes.

--March 31, a 5:40 p.m. emergency call sent the crew to Holiday Beach, 12 miles outside of Rockport. The crew arrived at the scene 12 minutes later and began treatment of heart attack victim J.C. Smoot of Rockport and I.V. was begun and the patient monitored with the Life-Pak heart machine before transportation to Lyman-Roberts.

--An April 4 emergency call at 8:51 a.m. sent the crew to a Rockport resident for a possible overdose, but the patient was advised to see a family physician after being checked by crew-members. Response time was four minutes.

--At 12:04 p.m. a call from the office of Dr. Patillo brought the crew to the aid of accidental injury victim Alan Krueger of Rockport, who was transported to Spohn Hospital. Response time was one minute.

--April 2, a 2:38 a.m. call sent the crew to a house fire at 834 Pine Street in Rockport. The ambulance arrived within six minutes and treated one

patient suffering severe burns and lacerations. Technicians started an I.V. at the scene and stabilized the patient, Robert E. Stratman, at the scene before transportation to Memorial Medical Center in Corpus Christi.

--April 2 at 7:19 p.m. a major

Judge Miller

Appoints New

Court Reporter

Judge John H. Miller has appointed Miss Sandra Gwen Hatley official reporter of the 36th District Court, succeeding Robert Adame, who resigned recently.

Miss Hatley is a former reporter for the Victoria County Court at Law. A graduate of the court reporting school at Plainview, she is a native of Rock Springs.

Judge John Miller made the appointment effective Friday, April 1 with a salary of \$15,460.90 per year, plus expenses.

When he made the appointment, Judge Miller also established the shares of costs to be paid by the five counties within his 36th District. Aransas County will pay 10.3 percent of the cost, or \$132.71 (This figure was approved at the Wednesday, March 30 Commissioners' Court meeting).

traffic accident north of Rockport on Highway 35 brought the both ambulances to the aid of several victims, including Sheriff's Department Chief Deputy Ernest Stautzenberger. Crews worked for 29 minutes with extrication equipment to free the victims from the badly twisted wreckage. After stabilization at the scene, the victims with minor injuries were transported by the back-up ambulance crew to Lyman-Roberts. Stautzenberger was taken to Memorial Medical Center. The response time was three minutes. Stautzenberger was reported in stable but serious condition Monday.

--An April 2 call at 2:46 p.m. sent the Modulance to Holiday Beach to help Olivia Gerchak, a

heart attack victim. Response time was 11 minutes, and the patient was transported to Lyman-Roberts Hospital.

--A third April 2 call went in at 9:46 a.m. from a Rockport residence. Response time was two minutes and the patient was advised to see a family physician.

--April 4, an emergency call brought the crew to Key Allegro Inn, where a winter visitor, Alan Sharaway, was transported to Lyman-Roberts Hospital. Response time to the 5:50 a.m. call was four minutes.

Total mileage for the week was an unusually high 510 miles, with average response time in the city just over three minutes, and response time in the county approximately nine minutes.

Pharmacy Topics

By RICHARD BECK

One small town has developed a special loan policy to attract doctors. Student gets a loan to go to medical school of his choice. In return, he must repay the loan with interest OR practice medicine there at least three years.

A number of pharmaceuticals, formerly prescription-only drugs, are now available over the counter. Many are well-known and effective.

New medical specialty-family practice-requires that doctors be recertified every six years. Only such specialty so far, though recertification is expected to become a trend.

In Japan, Vitamin C is given routinely after blood transfusions to prevent hepatitis.

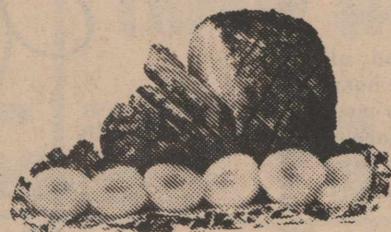

First aid: if the skin is unbroken after a minor burn, immerse the area in cold water. Cover with thick layers of sterile gauze.

On Thursday March 31 the AARP held its weekly card party at the Paw's and Taw's Building on Fulton Beach Road.

Hostesses for the afternoon were Dorothy Eastridge, Marion Tuttle and Lois McIlwain.

Winners in Ladies' Bridge were Irene Hopper, who took first place and Marion Tuttle, second.

Paul F. Magnuson claimed first prize in Mens' bridge, and Frank S. Skrobarcek took second.

In Canasta, Lorraine Russell had the high score, with Helen Schornick as runner-up.

The Finale prize was won by Ed Huizenga.

The next weekly card party will be held Thursday, April 7 at 1:15 p.m. All are invited to attend. The next regular AARP meeting will be Wednesday April 13th at 9:30 a.m.

Couple Celebrates

Anniversary

Mr. and Mrs. C.G. Cook of Lamar celebrated their Golden Wedding Anniversary April 4 at their home.

The couple's son and three granddaughters were on hand for the occasion.

Son Tom Cook, his wife Joyce, and granddaughters Joyce and Robin came from Harlingen. The third granddaughter, now Debra Birginham, came from San Antonio with husband Frank.

Use a microwave oven to heat baby's formula. A four-ounce bottle heats in 10 seconds and an eight-ounce bottle takes 20 seconds. This time in the microwave will not make the milk hot, but removes the chill. Add a few more seconds if warm milk is desired. The nipple does not have to be removed, and glass, plastic or disposable bottles may be used, says Lynn Bourland, family resource management specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Betty Jo Camp Queen Of Month

The Monday Evening TOPS group met in the IOOF Hall March 28 for the monthly awards as their program for the evening. Betty Jo Camp was awarded a gold star for a 10 pound weight loss as well as achieving the honor of being Queen of the Month with Margaret Floyd Runner-up.

Other "losers" for the month were Eva Henderson, Cleo Townsend, Betty Jean Ward and Jackie French in the TOPS group with Bernita Kinsey and Thelma Sours below goal weight for TOPS. The club lost 20 1/4 pounds for the month with only a 2 1/4 pound gain.

Jane Jordan and Alma Johnson are new members who

were welcomed to the group. Margaret Floyd won the "Put or Take a Nickel" contest that concluded in March for the TOPS group.

Bernita Kinsey and Thelma Sours attended the weight control seminar held in Corpus Christi on March 31. This meeting was sponsored by the Texas Agricultural Extension Service and the Dairy Council.

TOPS Monday Evening group meets every week at the IOOF Hall with weigh-in from 6 to 6:40 p.m. followed by a business and program session from 7 to 8 p.m. Visitors are welcome and interested persons can call 729-7298 or 729-6016 for further information.

Methodist Women Hear Leslie, Mayer

The United Methodist Women held their monthly meeting on March 22 in Fellowship Hall with 33 members and guests in attendance. The meeting was designated to honor winter guests and each guest was presented with a

small corsage upon registering.

Kathy Barre invited all Methodist women to her home on April 13 at 10 a.m. to meet and visit with her former college roommate, Ruth Ann Robinson, who is now a missionary to Bolivia.

The meeting was then turned over to Helen McCague, program chairman. Mrs. McCague introduced Mr. John Leslie, who gave a very enlightening talk on problems of the aging in Rockport and what the Concern Center and Council on Aging are doing to help out.

Mrs. Maxine Mayer, who is recreational director of the residents of the home, gave a very inspiring account of her daily activities and how they are enjoyed by the residents.

A beautiful pot luck luncheon was served with the Helping Hands Cluster in charge of the kitchen and the beautifully decorated tables.

Frank H. and M. Louise Smith of Rockport celebrated 50 years of marriage Saturday, March 26 with a party at the SeaGun Inn's Neptune Hall for family and friends.

The party was hosted by the couple's children: Mr. and Mrs. Frank H. Smith, Jr., Bedford, Texas; Mr. and Mrs. J.M. Hearn, Jr., Rockport; Mr. and Mrs. Fred Brandesky, Corpus

Christi; Mr. and Mrs. Doyen C. Smith, Las Vegas, Nevada; Mr. and Mrs. J.M. Prescott Harlingen.

Among the out-of-town guests attending were D.L. Appleman, Aransas Pass; Ruth Leschki, Dakota City, Nebraska; Bonnie Kirkman, Richmond, California; Mrs. Smith's father and aunts; and Helen Wilkin of Ennis, Texas, Mr. Smith's oldest sister.

Also on hand were 12 of 15 grandchildren and three of six great-grandchildren.

The Smiths were married March 30, 1927 in Camden, Arkansas.

Friendship Club Meets

The Friendship Club of Mobile Inn Trailer Park met recently with Violet Bond and Dorothy Glassel as hostesses. Lucille Moore and Leona Smith served refreshments to a group which included guest Mrs. Laura Sutcliff.

At the next scheduled meeting of the club, Frank and Leona Moore will host.

"Where shopping's a pleasure"

Your Vegetable Garden Represents Hard Work, An Investment And A Profit If You Control Garden Pests In The Weeks Ahead. Our Four Point Program Allows You To Do Four Things In One Step...And Best Of All...To Spray Today And Pick Tomorrow. Through The Use Of The Environmentally Safer Products.

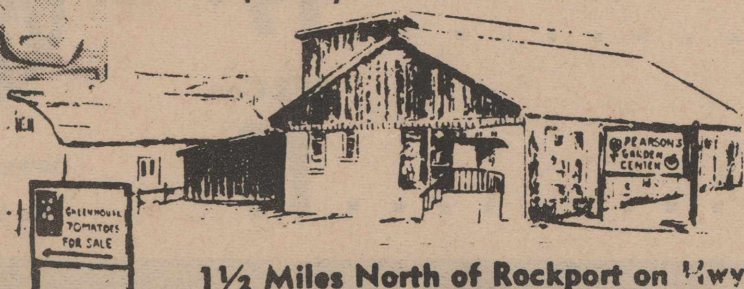

1. Fertilize with the correct soluble fertilizer as an added boost to the fertilizer already applied to the soil. You will be impressed with what foliar feeding of the correct soluble plant food will do for your garden.

2. Control sucking insects such as aphids, red spider mites, etc.

3. Control chewing insects such as cabbage looper, etc.

4. Control plant diseases such as Early and Late Blight, Bacterial Spot, etc.

Working With Living Plants Is Our Only Business. Advising With You Is Part Of The Service We Offer In Exchange For Your Patronage. We Will Help You Choose The Right Product To Do A Better Job In The Safest Manner Possible Which, In The End, Is The Cheaper Way To Go.

High School VOE Students Place In State Meet

Rhonda Collins and Steve Flanagan from Rockport-Fulton High School's vocational Office Education course won honors in the State Leadership conference held March 24-26 in Fort Worth.

Along with Teresa Milks, the three students made up the first group ever to compete on the state level from the school's three year old pro-

gram, which is headed by Mrs. Earline Flanagan.

Flanagan took fifth place in the state level Accounting and Related I competition. Collins placed fourth in Office Services Clerk competition.

The three, Milks, Flanagan and Collins, had won the right to compete in the state contest by placing first or second in the Area II Coastal Division March

19 in Alice.

At the Alice competition, Flanagan placed first in Accounting and Related I, Collins took first in the Office Service Clerk division, and Milks took second in Typing and Related I. Flanagan also scored a perfect 100 in Business Arithmetic, and added competition which was not run at the state level. The three students are part

of a class of almost 30 students who use the full year, two hour class as a springboard to clerical and accounting careers. The course has typing as its only prerequisite, but is one of the most productive class at the school. Students learn to use a variety of office equipment as well as basic and advance clerical skills such as typing, filing, and office organization.

Students this year published all of the football season programs on a class offset machine, and have produced other printed matter for the school.

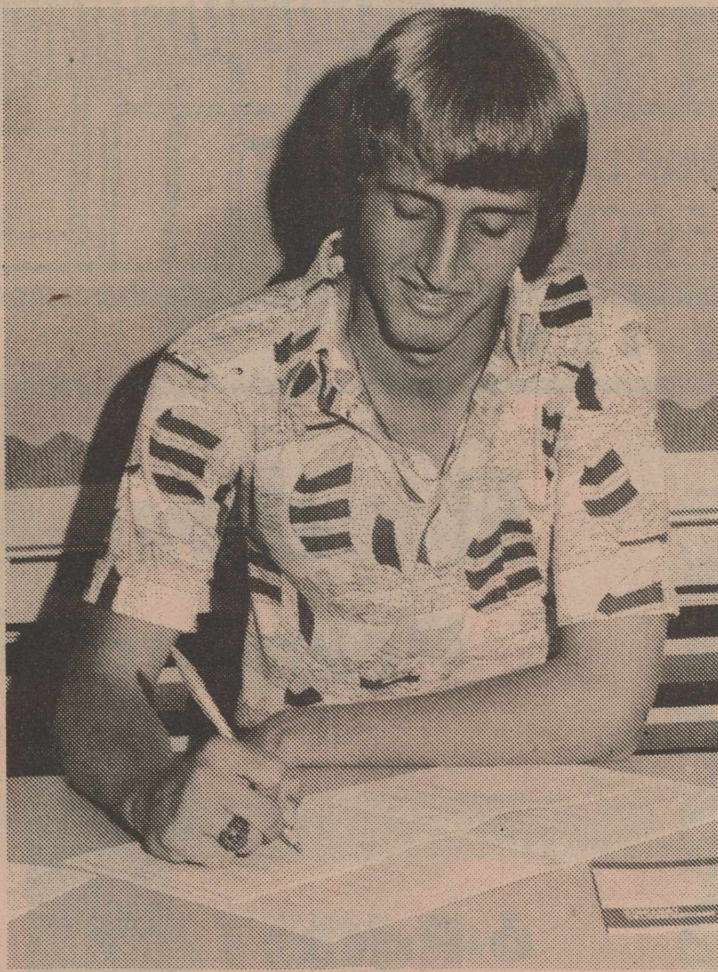

Class instruction is on an individual basis, with the student and teacher consulting at the end of each week to prepare lesson plans and work assignments such as the programs or

other printing for the next week of classes. Flanagan says that, given the proper attitude and a modicum of ability to begin with, the students are ready for office work when they leave the class.

As a testimony to the class, several of the students now work in local businesses, including the Pilot.

ACHVI's Aston Lauded In State EMS Newsletter

"The Luling Emergency Medical Services System is proving that a community's size doesn't necessarily limit the quality of its EMS system."

That is how the Texas Emergency Services newsletter for March, 1977 sums up the development and success of a city-county funded emergency

medical service serving a rural area with 14,000 people (Aransas County has an estimated 12,000 and many similar needs.).

Like the local Aransas County Hospital Volunteers, Incorporated Service, the Luling system was operated and developed by Paramedic Bill

Aston.

Aston and his five full-time, three part-time fellow employees, along with a concerned local hospital staff and an aware city and county governments are the subject of a five page article which touches on the extent and impact of emergency care Aransas County looks

toward. Luling area DPS officer Johnny Kuykendall told EMS "One thing for sure, is that the new EMS system has cut the ambulance response time by a minimum of five minutes."

Other portions of the article touch on one of the many successful cases in which lives were saved: Luling welder Don Wells, electrocuted while installing an antenna, was revived and treated for three hours by the Luling EMS personnel and local doctor James Thomas, then flown to San Antonio by MAST helicopter. Wells supports a wife and three children now, and has no memory of the rare and intense medical effort which saved his life.

The article notes that such successes have overcome most if not all community objections about the system: "Those individuals (employees, hospital staff, etc.) are paid the supreme compliment by others who don't necessarily agree with the concept (Tax Supported EMS), but are willing to say they are pleased with their Luling EMS system."

Perhaps the most telling

observations about the system, and the future of similar operations, comes from an interview with Aston himself, which forms a separate section of the Luling focus:

"We face the same problems of any small community trying to handle its emergency medical care situation. We have limited funds, therefore, we have to utilize the manpower and facilities that we can afford. Limited funds also

insure that we carefully and constantly plan for a better service.

"While there is always room for improvement, I believe our service is as good as any around. If our physicians continue to work with us and the hospital continues its support, our personnel will continue to operate at the highest level possible and the Luling EMS system will become even better."

SYMBOL OF LIFE

Instrument of Death

Can you imagine the electric chair or the gallows being thought of as a symbol of Life? Every day we see the Cross; but only on Good Friday do we remember it was once an instrument of execution.

This tremendous reversal in the meaning and implication of a device of torture and destruction bears simple witness to the profound effect the Resurrection of Christ has had on human culture.

Yet the thrust of the dramatic events that led to that first Easter is aimed not at culture but at YOU and ME. Christians believe Jesus died and rose again for US.

Celebrate Easter with all who share this joyous belief. The Lord made the Cross a symbol of His life — an inspiration for ours.

Congregation Memorializes

Christ's Death

The Rockport congregation of Jehovah's Witnesses celebrated the memorial of Christ's death Sunday, April 3 at the Kingdom Hall.

This special service, held once a year on the anniversary of Christ's death, Nisan 14 according to the ancient Jewish calendar, was attended by 108 persons with Robert Hassenpflug giving a Bible talk on the meaning of the occasion.

Walter J. Kloske, presiding minister, also announced that most of the members of the congregation will be attending a Bible study seminar this weekend at the Sam Houston Coliseum with about 4,000 area Witnesses and interested persons expected.

"Just as God through Moses instructed the Israelites, 'Gather the people, the men and the women and the little ones... in order that they may learn... and take care to carry out all the words of the law,' so we follow this divine pattern in assembling for larger meetings to study the Bible in order to be able to carry out God's requirements for Christians," said Kloske.

Highlight of the meeting is the public address by district overseer Dennis W. Bennett, Bennett, a native of England who has served as a traveling minister in the U.S. for fifteen years, will speak on the subject, "Follow the Way to Life" Sunday at 2 p.m.

Troop 280 Does Badge

Work At Camp

Boy Scout Troop 280 journeyed to the H.E.B. Foundation Camp near Leakey in March to spend the weekend. Their campsite was called Comanche Outpost. Activities included mountain climbing, backpacking and hiking, which help to meet requirements on badge work. The troop also went swimming in the Frio River and had initiations at a campfire ceremony.

Scouts attending were Raymond Arnold, Clyde Barre, Jeb Beall, Peter Booth, Doug Bruning, Hunter Cross, Andy Deason, Michael Hanzelka, Adam Harden, Robert Jack, Ed Lane, Robert McMillan, Scott McMillan, Jay Merrett, Keith Morrison, Sam Porterfield, Ronnie Roe, Jon Shaw, Kevin Shuff and Michael Von Heuval. Adults attending were Herb Booth, Jay Harden, Buddy Von Heuval and Martin Jack, Scoutmaster.

Bicycle Safety Program Presented

Representatives from the Aransas County Sheriff's Department and Rockport Stewart-Wendell V.F.W. Post 3904 Ladies' Auxiliary presented a comprehensive program on bicycle safety to third, fourth and fifth graders at Fulton Elementary March 30.

Auxiliary President Margaret Vogler, Senior Vice President Gladys Tillison and Secretary Nina Garrett came to the school to present the "Lite-A-Bike" program, part of a nationwide push to cut nighttime biking accidents by urging riders to use inexpensive reflector and silver tape on fenders, frame, tires and handlebars for added visibility.

Sheriff Bob Hewes, Chief Deputy E.A. Stautzenberger and Deputy Jim Pridgen added to the program with a screening of the safety film "Five Ways to Protect Your Bike."

LITE-A-BIKE. Representatives from the Aransas County Sheriff's Department and Rockport Stewart-Wendell V.F.W. Post 3904 Ladies' Auxiliary presented the "Lite-A-Bike" safety program at Fulton and Live Oak Elementaries last week. Pictured are the six who presented the program at the Live Oak School: L to R, first row, Margaret Vogler, Gladys Tillison and Jean Taylor. Back row, Sheriff Bob Hewes, Deputy Jim Pridgen and Chief Deputy E.A. Stautzenberger.

and Pridgen led a question-and-answer period, as well.

The Sheriff's Department also gave each student a copy of laws on "Operation of Bicycles and Play Vehicles," provided by the Texas Department of Public Safety.

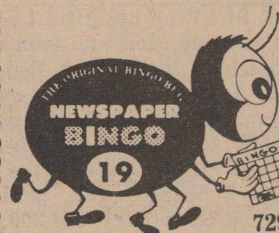

The program was presented to third and fourth graders at Live Oak Elementary School March 31, with Jean Taylor, Auxiliary treasurer, replacing Nina Garrett.

Aransas In Line For Road Funds

Rehabilitation of highways in Aransas County and the surrounding area is included in a special \$60 million program approved by the State Highway and Public Transportation Commission. The ten-county area served by District 16 will receive \$2.27 million for this rehabilitation work.

The special program is necessary to overcome damage to roadways by the effects of the worst winter in years.

District Engineer Roger Spencer of Corpus Christi said the work will consist of seal coating a 7.4 stretch of Fm. Rd. 881 from Puerto Bay east and north at a cost of \$36,100. The second and last project will be on South Highway 35, from one-tenth mile north of Stapp Avenue in Aransas Pass to the San Patricio County line, or six-tenths of a mile. The second project is also a seal coating,

and has a price tag of \$6,500. Highways in some parts of South Texas and the lower Rio Grande Valley were damaged by excessively heavy rains this winter. In more northerly sections, it was the record cold spells that wrecked havoc on the highways.

"It is intended that first priority be given to repair and rehabilitation of surface and base failures caused by severe weather this winter," Engineer-Director Luther DeBerry wrote District Engineers.

All areas of the state will share in the 1977 Rehabilitation Program, which will use financing that might have been available for highway improvements.

As it is, the program will do little more than put the highway system back into the shape it was before the ravages of the past winter.

District Next For Pirates

Rockport's Varsity boys' track team finished ninth in the strongest field in South Texas Saturday at the Nueces River Relays in Calallen.

All of the Pirates' 14 points came from two individuals, Darryl Green and Charlie Edler, who finished third and second, respectively, in the 100 yard dash and the 220 yard dash.

Gregory-Portland, the favorite and also the favorite to win 15-3A, was the meet winner going away, totalling 172 team points to easily out-distance 4A Alice and 15-3A's

Sinton. Tuloso-Midway and Kingsville tied for fourth, and Beeville, Mathis, and Refugio counted down to the Pirates in ninth. 15-3A's West Oso and Calallen finished 10th and 12th respectively.

Rockport's JV team finished a strong fourth in the tough field of 14 with a total of 50 points.

The sprint relay team of James Stevens, Alvin Bardwell, Hollis Durham and James Simmons set a new meet record of 46 seconds flat to lead the way. Simmons also finished second in the 220 yard dash, and Contreras took second in

the mile.

Bardwell, Esequiel Hernandez, Durham and Stevens finished third in the mile relay, and Durham took fourth in the 440 yard dash to the scoring.

Both teams are off this week awaiting the district meet, set for April 22 in Beeville. Gre-

gory-Portland, which won Saturday going away in both the Varsity and Junior Varsity divisions, is the runaway favorite again. Rockport will hold its own in sprint events, and both teams have a good chance to finish in the top half of the district.

Outdoors 'n Things

Inflation rears its ugly head every way we turn—even in the publications of the Texas Parks and Wildlife Department (TP&WD).

Because of ever-increasing production costs, the subscription rate for Texas Parks and Wildlife magazine had to be raised effective the first day of March. The magazine will now cost Texans \$5.25 for one year or \$9.45 for two years.

Since this price increase was announced the magazine staff in Austin has received many letters from readers saying that, even with the increase, it is still the best buy on the market for anyone interested in the Texas outdoors.

Awards won by the magazine in international competition indicate that this is probably true. During the last eight years Texas Parks and Wildlife has been judged number one in its class in the United States and Canada on five occasions.

This is in the annual competition held by the American Association for Conservation Information (AACI), an association of governmental conservation agencies from the two

countries.

The magazine appeals to a wide segment of people, not just hunters and fishermen. Many elementary school teachers use it in their teaching. The "Young Naturalist" feature is aimed directly at this age student and the many beautiful, full color pictures can also be utilized in the classroom. Bird lovers, who never have hunted and probably never will, enjoy the many articles on bird life.

Fishermen like the "how-to" articles on both freshwater and saltwater fishing. Hunters, ranchers and advanced students of wildlife management look forward to the articles written by wildlife biologists on the different aspects of their work.

Commissioners' Court

(Continued From Page 1)

veyor he would have to be responsible for determining property corners in the affected areas, but that the state would survey and possibly dig the

ditches when the lines are determined. The Court promptly gave Griffith the go-ahead to research County records, and if all goes well, work

could begin sometime in April. A total of eight easements are involved, all in a 10 mile stretch between Rockport and Aransas Pass. Griffith said all were "essential" to the county drainage program.

The Court managed to save some money on a request for a County contribution to the cost of a new crime information teletype system for the Sheriff's Department. The County agreed to put up its seven and one half percent share of the \$10,171 system, 85 percent of which is covered by a state Criminal Justice Council grant. The city of Rockport will also put up seven and one half percent, or \$758. The original cost for the new system, which is faster and will tie into a new state-wide network, was \$158 more than the rental for the present system, but a five-year fixed cost maintenance contract should mean a substantial long-run savings for the county.

Putting finances and roads aside for a time, the Court set Wednesday, April 6 as the starting date for research on the redistricting of county voting precincts. Precincts 2 and

4, because of recent population gains, are now far larger than Precincts 1 and 3, throwing the county out of line with the "one man, one vote" rulings handed down by state and federal courts. The redistricting can only be adopted in July, but may be completed by early June, when the Board of equalization meets and work begins on the 1978 budget.

In other business, the Court: --Adapted State Highway Department policies on utility easements, leaving the first three and one half feet for Central Power and Light, the next two and one half feet for Southwestern Bell, and the next two feet for all other utilities. In addition, the County now requires that lines be buried two feet or more. CP&L will be required to bury subdivision lines five feet, and high pressure gas lines will face a three foot minimum depth.

--Approved a request from Copano Cove Water Company to lay a water line in the Copano Cove subdivision. The line will not cross any county road.

--Accepted a bid from George Clark Chevrolet of Aransas Pass on a four wheel drive, double wheeled pick-up for the Road and Bridge Department. Total cost was \$6399.80 for the one ton vehicle.

--Approved a tentative layout for a mobile home trailer park west of Highway 35 and north of Lillian's Dance Hall. The park will have 66 units if completed, the smallest lot measuring 50 x 125 feet, above the County's 6,000 square feet minimum.

--Heard a report by Commissioner Raymond Owens on the progress of House Bill 179, which would give limited ordinance powers to County governments. Owens, who had high hopes for a strong bill, said committee amendments had watered down the bill substantially, deleting potential county control over such vital issues as the environment, land control, gun control and zoning. Owens said his impression after two long days in Austin was that opposition to the proposal was coming from two main pressure groups--large cities such as Dallas, and the oil companies.

He noted that Aransas County's Representative Leroy Wieting had voted against empowering the counties on most of the crucial amendment votes.

In the Ladies' Cake Bake-Off, Agnes Roberts took Grand Prize with an angel food cake. Betty Kelly was first with a yellow cake with white frosting, Patsy Blair second with a chocolate cake, and Mrs. C.B. Garner third with a blackberry cake.

In the girls' division, Helean Pearson and Jill Oliver came through with the Grand Prize winner, a strawberry cake in the shape of a rabbit, and Barbie Mosier took home first place with a chocolate butter-milk cake.

In the men's division, Christ Borkholm the Grand Prize winner with an apple coffee cake, and Doug Monroe was first with a "scratch" cake.

The Little Miss winner was Deborah Otto of Rockport, a five year old who raised more than \$70 in her name for the Hospital fund.

Belinda Arlington was first runner-up, Dawn Hughes second runner-up, and Ann Worth third runner-up.

In the sack race, David Hutch, Carl Sleser and Cathy

Castle took first, second and third in the under 16 division.

In the three leg contest, there were three divisions, with Tina and Tammy Chavez, Brian Otto and Carl Sleser, and Ed Worth and Molly Butterfield finishing one, two, three in the under 10 division.

In the 10-16 age group, Eric Commander, and Ron Dominguez, Rosendo Ramirez and Don Beard and Linda MGrav and Cindy Hutch were one, two and three, respectively.

Robert and David Frazier took first place in the over 16 race, with Ronnie Ormand and Jerry Kelly in second place.

The Ugly Mug "winners" were Jerry Payne, Kolin K. Kelly and E.H. Smallwood in order of "beauty."

The talent contest winners were Penny, DeeAine and Ginger Rossman, who edged out Ingrid and Coleen Seyers and a band composed of Hunter Cross, Rocky Guidin, Glen Payne and Leslie Miller. The Rossman sisters donated their \$25 prize to the Hospital Fund.

City Election

(Continued From Page 1)

race, incumbent Norvell Jackson, Sr. edged challengers Gary Deason and Donna Price, taking 149 votes to Deason's 124 and Prices 101.

In the School elections, M. Gene Gregory defeated a write-in challenge from Lynette Jennings 441 to 101, and will begin his first full term in Place 7. Gregory was appointed to fill the unexpired term of H.D. Heldenfels, who resigned, at the September Board meeting.

In the race for Place 4, Joe Ed Meyer, who operates the Enco station at the entrance to Rockport-Fulton High School, defeated Michael Kelly 492-134.

The school voting progressed smoothly all day in the Junior High School cafeteria, and the returns were canvassed without questions or challenges Monday night, April 4, in a special Board meeting.

After the canvassing of the votes, the new members were

sworn in, and given a tour of the almost completed Industrial Arts building.

City Council will wait until the next regular Council meeting to swear in new Alderman Zambrano, but the city fathers canvassed and approved the votes Monday afternoon in special session.

The Council expressed pleasure at the record turnout. It compares favorably with the recent off years of 1973 and 1975, when 237 and 89 votes were cast, respectively.

Recent Mayoral races were closer, but also less, with 353 votes cast in 1974 and 509 cast in 1976. The final 1977 vote was 583. No figures are available on the number of registered voters in the city because of election laws which require the city to use the County's registration list - a requirement which caused problems for city officials.

A.A.R.P.

(Continued From Page 1)

The group heard background of the presentation of preliminary plans for housing units in the Rockport area to serve the elderly and handicapped from John Forehand, Executive Director of the Community Development Corporation of Corpus Christi, which has constructed several public housing projects with funds provided by the Federal government.

The executive board of the local A.A.R.P. met Monday morning, April 4, and approved a declaration of intent to apply for funds.

As stated in the letter, the Association will apply for funds under Section 202/8 to Mr. Finnis Jolly, Area Director, San Antonio Area office, U.S. Dept. of Housing and Urban Development, San Antonio, Texas.

RULES OF THE GAME

NO OBLIGATION OR PURCHASE NECESSARY:

There is no obligation or purchase necessary. A copy of the paper is available for playing the game at the office of this newspaper - also at the public library - also a Bingo card and/or a copy of The Rockport Pilot for that day containing the Bingo numbers may be obtained by mailing your request to this newspaper (please print your name and address clearly). You may play as many cards as you wish - they are free. Get additional cards - one at a time - each day of the week - from the merchants listed below (adults only).

DIFFERENT COLORED CARDS EACH WEEK:

The color of the cards changes each week. To be a winner, you must play Bingo cards of the correct color for that week. Mutilated or altered cards will not be honored. ALL 24 NUMBERS ON A CARD MUST BE MATCHED TO WIN.

CHANCE DETERMINES NUMBERS:

Bingo numbers for each week's game are drawn strictly at random at the office of this newspaper. Some duplication of Bingo numbers may appear in the merchants' ads - or elsewhere in the paper. This duplication does not affect the game or the total numbers drawn. All numbers for each week's game will appear someplace in the sponsoring merchants' ads - and possibly elsewhere in the paper. Employees of this newspaper and members of their families are not eligible to win any of the prizes. Newspaper Bingo is a program copyrighted and registered by Marketing-Research Associates, Minneapolis, Minnesota.

NOTE

Only one Bingo card and one newspaper will be sent per request and a self-addressed, stamped envelope must accompany each request.

PICK UP FREE BINGO CARDS

Each week (adults only, please) pick up your FREE Bingo cards from any of the sponsoring merchants listed below. Rules of the game allow the merchants to give you only one card on each store visit. However, you may make as many visits as you wish each day of the week. THE MORE CARDS YOU PLAY - THE BETTER ARE YOUR CHANCES OF WINNING.

CHECK EACH ISSUE OF THE PAPER:

Each game is complete in each week's issue of The Rockport Pilot. A new set of Bingo numbers will be published each week in the sponsoring merchants' ads - and possibly elsewhere in the paper. A new color of Bingo cards for each week's game will be available at the sponsoring merchants' stores. To be eligible to win, you must play Bingo cards of the correct color for that week's game. The color of the cards for each week's game will be announced on this page.

HOW TO PLAY:

Check the ads in each week's issue of The Rockport Pilot. The ads of the merchants listed below will contain one or more "Newspaper Bingo" numbers in the "Bingo Bug" symbol (shown above). Occasionally numbers, in the "Bingo Bug" symbol, may be found elsewhere in the newspaper. Be sure to check the Classified Ad section for additional numbers. IF YOU CAN MATCH (JUST CIRCLE OR "X" THE MATCHING NUMBERS) ALL 24 NUMBERS ON ANY ONE OF YOUR BINGO CARDS WITH THE NUMBERS PUBLISHED IN THE WEEKLY ISSUE OF THE PILOT - YOU HAVE A "BINGO"! - AND YOU ARE A WINNER!!

AT LEAST \$50.00 WEEKLY!!

Winners will share a weekly prize of \$50.00 (in "Bingo Bucks" - they spend the same as cash with any of the sponsoring merchants listed below). If there is only one winner, he wins all of the \$50.00. If there is more than one winner, all winners will share the \$50.00 in equal amounts. If there are no winners any week, the \$50.00 weekly prize will be added to the following week's prize fund.

IF YOU ARE A WINNER:

If you have a winning Bingo card, ON WHICH ALL 24 NUMBERS HAVE BEEN MATCHED WITH THE NUMBERS APPEARING EACH WEEK IN THE PILOT, print your name, address, phone number, and the name of the store where you got your winning card, and mail to this paper at P.O. Box 608, Rockport, Texas 78382 (the envelope containing your winning card must be received by Monday at 5 p.m. of the following week) - or bring your winning card to the office of this newspaper at 1002 Wharf Street by Monday, 5 p.m. of the following week.

Fulton Fire Department March Report

A March brush fire which began between Corpus Christi Street and 12th Street was the toughest fight in a long, hard month for the Fulton Volunteer Fire Department.

The fire was reported to the Department at 3:33 p.m. Three units and 18 men were out of the Fire House at 3:38 p.m. arriving at 3:46 p.m. The three unit crews fought the fire without a halt until 4:30 p.m. when a fourth unit was called in. The fourth unit covered for a single unit dispatched to investigate a false alarm at the Aransas County Airport.

The three units at the Corpus Christi Street fire continued to fight the blaze and were joined by the fourth unit when it returned from the false alarm. The four then fought the fire for more than five hours, finally bringing it under control at 10:25 when two of the four units were sent back to the Fire House. The final two units did not return until 2 a.m.

The Corpus Christi Street area, with its heavy brush cover, was the biggest trouble spot for the Department all month. A total of three fires were reported from the area.

Other calls reported by the Department included:

March 1, 9:15 a.m.: Out 9:18 and arrived at 9:23 a.m. at a reported brush fire at the south end of the Copano Causeway.

Two units and seven men found a controlled burn in progress by a local construction company, and returned at 9:34 a.m.

March 2, 3:43 p.m.: Out 3:46 p.m., and arrived at 3:50 p.m. at a brush fire west of Rockport-Fulton High School with three units and 11 men. The fire was quickly extinguished, and the crew returned at 4:47

p.m. after a final clean-up sweep.

March 4, 9:25 a.m.: A car fire at 6th and Broadway was turned in, but units dispatched were advised by the owner that the fire was out as they were making ready to leave the station.

March 4, 5:18 p.m.: Out 5:20, arrived 5:24 at the airport fuel

farm with 10 men and three fire units. The units returned at 5:45 p.m.

March 5, 3:10 p.m.: Out 3:13, arrived 3:24 at a brush fire off Hwy 35, South across from Cove Harbor. Eleven men and two fire units assisted the Rockport Department and returned 4:06 p.m.

March 6, 4:43 p.m.: Out 4:45,

arrived 4:48 at a brush fire in Copano Village adjacent to Joe's Boat Dock with 19 men and three fire units. The fire was extinguished, and the men returned at 5:05 p.m.

March 7, 1:20 p.m.: Out 1:20, arrived 1:25 at another brush fire at the end of Corpus Christi St. Next fire started again after an initial assault, and the 11

men and two units did not return until 3:12 p.m.

Mar. 12, 1:50 p.m.: Out 1:55, arrived 2:05 at a brush fire in Peninsula Oaks to assist Rockport with 10 men and three fire units. Returned 3:45 p.m.

Mar. 16, 8:45 p.m.: Out 8:47 p.m., arrived 8:48 at a stove fire in a residence on 6th Street between Broadway and Pal-

metto. Minor damage resulted although the fire was quickly extinguished. Eight men and one fire unit answered the call, returning at 8:55 p.m.

Mar. 20, 2:20 p.m.: Out 2:23 to a brush fire west of Rockport-Fulton High School with 14 men and two fire units. Returned 3:35 p.m.

Mar. 30, 9:15 p.m.: Out 9:17,

and arrived 9:20 at a mobile home in Starfish Mobile Home Estates where 16 men and one fire unit extinguished a stove fire. The mobile home suffered only minor damage. Returned at 9:40 p.m.

The following donations were received during March 1977: J.L. Stewart \$150.00 and R.T. Bradford \$10.00.

Wieting Wins

Decal Charge

House Approval

State Rep. Leroy Wieting of Portland won approval from the Environmental Affairs Committee on H.B. 1052, a bill authorizing the Parks and Wildlife Department to charge for a duplicate motorboat validation decal. Currently, the Department supplies duplicates for those that are lost mutilated or destroyed at no cost to the requester.

Rep. Wieting believes the committee action was necessary since "the nominal \$100 charge will certainly be a fair and equitable method for absorbing the Department's high costs of paper and printing."

The bill will see action in the full House in the next several weeks.

Alicia Weekley

On University

Honor Roll

Alicia S. Weekley, daughter of Mr. R.M. Weekley of Rockport has been named to President's Honor Roll at Rice University for the first semester of the 1976-77 academic year.

Ms. Weekley was a graduate of St. Mary's Hall, a secondary school, before enrolling at the Houston based University.

She was one of 828 outstanding students who maintained the high grade averages required for the academic honor.

HO&M Plans

Drilling From

St. Tract 169

Houston Oil and Minerals, which has shut-in three potential producing wells in Aransas Bay pending completion of a pipeline, plans immediate drilling of two additional wells, both from a surface location in State Tract 169 and both bottoming out in State Tract 148.

HO&M puts the surface location of No. 1, State Tract 148 at 3,700 feet from the north line and about 1,000 feet from the east line of State Tract 169. The bottom home of No. 1 will be 4,500 feet north-northwest of the surface site, 500 feet out of the southeast corner of State Tract 148, and approximately 4,250 feet north-northeast of the surface location.

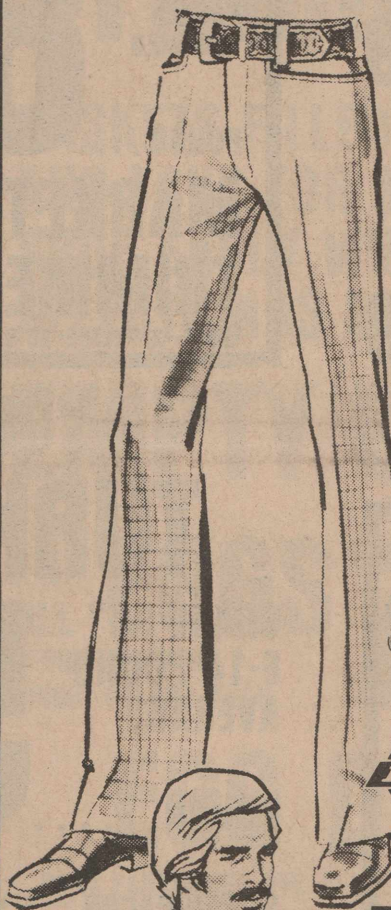

The surface location of well No. 2 will be the same as for well No. 1, with the bottomhole 500 feet out of the southeast corner of State Tract 148, approximately 4,250 feet north-northeast of the surface.

When traveling with children, look for hotels and motels that don't charge for children sharing parents' rooms, suggests Claudia Kerbel, consumer information specialist with the Texas Agricultural Extension Service.
