## Kitty's Korner

by Kitty Montgomery

We haven't had a man of the week or month or whatever for quite some time now so we are going to bestow the honor on Rev. Jim Hanagess. "Man of the Season" would be the most appropriate title... Throughout the football season Brother Jim as he is affectionately known by Baptists and non-Baptists alike, has taken the time each week to write an inspirational letter to each player on the Lion football team. What's more he has followed right with them during this losing season, praising their efforts throughout every game.

His weekly letters have meant a great deal to many young Lions who have been down on themselves and the world in general after losing week after week.

These weekly letters have taken up a great deal of this busy young preacher's time and a lot of effort has gone into saying just the right thing at the right time. We think he deserves recognition for his fine work and we are more than happy to see that he gets it.

Halftime last Friday night is more exciting than the ball game. After the fire twirling routine, the lighted batons were mistakenly stacked in a bucket of kerosene instead of water and we looked for a minute as if we were all going to be blown to kingdom come.

I was happy and a little surprised to see all the cheerleaders come out of it unsinged. There's always something to be thankful for.

Our local bakerman, M. Crosby, thinks maybe he has stumbled upon something new. After making up a special order of cheese biscuits the other day, he had quite a bit of dough left over. Rather than throw it away, he made it up into a batch of biscuits and took them up to the front of the bakery to be sampled. He's still getting orders for cheese dounts.

Talk about poetic justice. When Orvil Perry got a call from Sonora to be on the lookout for two men who had robbed and assaulted a hitchhiker and dumped him out near the Sutton county line one night last week, the officials thought that they had probably already gotten through Ozona. However, when Orvil was called out to investigate a wreck just out of the Ozona city limits short time later, he found that the victims of the wreck were none other than the alleged robbers.

Members of the Ozona Woman's League are busy as bees getting ready for the club's annual gift bazaar. It will be held Nov. 25 at the Civic Center. Instead of keeping the Bazaar open all day, it will be open from 12 noon until 5 p. m. this year. Club members make all gift items and foods offered for sale each year at the bazaar. They always have lots of goodies, so mark a reminder on your calendar and shop with the girls.

I am going to get out of town this weekend for the first time in ages and I can't decide if it's going to be a treat or a treatment. I'm going to accompany four football players and Tom to Austin for a, you guessed it, football game. It's the Bay-

# Stanton And Ozona Meet Friday Night In Stanton To Decide Who Will Occupy District Cellar Post

If the Lions are going to win one this year, tomorrow night is the night for it. Lions and fans wil travel to Stanton to take on the Stanton Buffalos, who only have one win to their credit this year and are, like the Lions winless in district play.

The Lions and the Buffalos are evenly matched as far as experience is concerned, both drawing heavily from players with B team experience. Stanton will be fighting to win their only game in district play, as they meet the district leader, Big Lake, in their final game of the season.

On the other hand, a win over the Buffalos, just might give Ozona the steam they need to upset McCamey in their final game. The Lions have already lost the tough ones, Crane and Big Lake, and figure they have no where to go but up. A win over Stanton and McCamey would allow the Lions to end the season with a third place berth in district play.

The Lions held the Big Lake Owls to only 154 yards rushing last Friday night and unless the Buffalos can move in the passing department, which they have not been able to do this year, they could wind up scoreless. The Lions should be able to move well on offense, as they will be facing the weakest defensive team they have played all year.

Friday night the Owls came and conquered, but the outcome was not as bad as predicted, the final score being 36-12. The Lions scored twice in the fourth quarter, but failed on the PAT attempts.

Freshman halfback Ruben Tambunga scored the first touchdown for the Lions, hitting paydirt from 12 yards out. Tambunga was also the leading rusher for the Lions with 39 yards. He interceted one Owl pass.

The second Lion score came on a 40-yd. pass play from David Williams to Pete Perez.

Heading up the Lion defense was Tom Davidson with 15 tackles. David Pagan and Tony Wheeler had 10 tackles each. Quatro Davidson and Tom Jenkins each recovered an Owl fumble.

## Cleona Quiett, Former Teacher of Music Here, Dies

Word was received here this week of the death of Miss Cleona Quiett October 20 in a San Diego hospital. Miss Quiett taught music and piano for fourteen years in Ozona.

She suffered a stroke while in Chicago last year and was unable to return to her teaching here. Since that time she has made her home in San Diego with a brother.

Miss Quiett was a familiar figure to Ozonans the fourteen years she resided here, but few knew she had retired from a successful career in the theatre before becoming a music teacher.

She attended the Cincinnati Conservatory of Music. While working as an usher in the Schubert Theatre in Chicago, she volunteered to replace one of the leading characters who failed to appear and sang the entire performanee. The manager took her with the show to New York and for 15 years she sang in Schubert Productions.

She received her Master's degree from the American Conservatory in Chicago before coming to Ozona. While living here, she spent her summers studying in Chicago.

Survivors include two brothers, Robert P. Quiett of San Diego and Roy C. Quiett of Shawnee, Oklo.

# Busy Patrolman Probes Accident, Grabs Suspects

Highway Patrolman Orvil Perry investigated three accidents in the county during the past week. Property damage was heavy but there were only minor personal injuries.

Late Wednesday night Patrolman Perry was on his way to investigate a truck wreck on Lancaster hill west of town on Hwy 290 when a call came from Sonora to be on the lookout for two men driving a late model Chevrolet and pulling a U-Haul trailer. The two were wanted in Sonora for beating and robbing a hitch hiker and dumping him out on the highway just before entering Crockett County.

Reaching the site of the accident, Perry reported that a 1969 White truck tractor and semi-trailer, driven by James Bell of Sonora, had parted as the driver lost control on a curve. The trailer careened off the right side of the road and overturned while the tractor skidded into a pasture on the other side. The driver suffered minor injuries and damage to the rig was estimated at $17,000.

Returning to town about midnight, he went to the site of an accident just east of Ozona on Hwy 290 where an Oklahoma man had lost control of a 1966 Chevrolet towing a U-Haul trailer, hit a culvert and the trailer broke loose and overturned. He took the driver, Steven Edwards and a passenger, Russel Cooper, into custody and turned them over to the officials in Sonora where they are being held for robbery by assault.

A minor accident occurred on Santa Rosa St. early Saturday morning when C. H. Landin backed his 1963 Chevrolet into a parked pickup belonging to Esequiel Flores. Damage was $25 to the car and $50 to the pickup.

## PROCEED, MR. AGNEW

Vice President Spiro Agnew has drawn down on his head the fury of the left-wing in the Congress and the press for his demnuciation of the leaders of the October 15th "Moratorium".

The shrill criticism seems to center primarily on the charge that Vice President Agnew attacked the Moratorium leaders as "an effete corps of impudent snobs who characterize themselves as intellectuals." In the interest of fairness, we believe that this quote should be evaluated in the context of the speech given by Mr Agnew in New Orleans.

The Vice President said: "Education is being redefined a tthe demand of the uneducated to suit the ideas of the uneducated. The student now goes to college to proclaim rather than to learn. The lessons of the past are ignored and obliterated in a contemporary antagonism known as the generation gap. A spirit of national masochism prevails, encouraged by an effete corps of impudent snobs who characterize themselves as intellectuals."

"It is in this setting of dangerous oversimplification that the war in Vietnam achieves its greatest distortion.

"The recent Vietnam Moratorim is a reflection of the confusion that exists in America today. Thousands of well motivated young people, conditioned since childhood to respond to great emotional appeals, saw fit to demonstrate for peace. Most did not stop to consider that the leaders of the Moratorium had billed it as a massive public outporing of sentiment against the foreign policy of the President of the United States. Most did not care to be reminded that the leaders of the Moratorium refused to disassociate themselves from the objective enunciated by the enemy in Hanoi."

Upon reading the full text of Mr. Agnew's speech, it is obvious that a deliberate attempt to distort the true meaning of his words has been made by individuals whose reasoning, as well as their identity, is obscure. But the most cogent evidence of the legitamacy of Mr. Agnew's remarks was provided by the avowed enemies of the United States. In an open letter to the Moratorium agitators, North Vietnamese Communist Premier Pham Van Dong saluted them as his "Dear American Friends."

Just a few weeks ago we were wondering "where is Agnew?" Now we know and we're glad to have found him.

## More Lions Roar

### HI SCHOOL HOROSCOPE

By Elizabeth Jones

It's a long week for OHS students. Without even having to tell you you all know why; six weeks tests. They sure seem to come around often. Thursday, dreary, bedraggled students will stumble into classes to try and salvage their six weeks average with a good grade on the test. Even though it's a little late now, remember, better late than never.

Friday is another test day, but it's not as bad because at 2:40 it's all over but the crying. The Lions travel to Stanton tonight for a football game. It has been forecasted by many that the Lions will really be fighting to win this one. Let's change the record and have everyone backing them and yelling Friday night. It will be worth your effort.

The week-end will be calm and peaceful. Students who don't leave town for the steer roping will be home acting like little angels so maybe mommie and daddy won't be too hard on them when report cards come out. Don't forget, tears always bring an amazing amount of sympathy.

Students will enter school with a new attitude on Monday. Such thoughts as "I'll study early this time so I won't have to cram" and "I won't wait until the last minute" and "I can't take being grounded another six weeks" will be on everyone's mind, especially when they see what they made on their tests.

Tuesday is the day of preparation, for parents that is. Then Wednesday, and the bad news is out. Well, it's too late to worry about it now, so get those report cards signed and it won't be on your mind until six weeks from now. After all, you wanted to stay home and study for a while anyway. Who cares about that dumb dance, you don't like the music anyway, and that new dress can always wait.

**EDITORIAL**

**By David Hoover**

Are you proud of yourself? If so, let it show. Only be careful how much you show.

Show yourself for what you are. Don't be a follower with no opinions. State your beliefs and profit from your mistakes. Be a true individual no matter what public opinion has to say. Even though you may sometimes be wrong, or if you are wrong most of the time, you must take into consideration your flaws and try to correct them.

Do you simply sit around, and go along with whatever the crowd does? If so, you are far from being a well rounded individual. You should strive to know a little about everything in order to have a clear view and a personal opinion based on intelligence.

Your mind is the most precious thing that you posses, so keep it healthy and up to date on whatever is happening. Your mind is your personal key to success or failure, and in order to succeed you must have clear cut, objective ideas based on your personal opinion and individual instinct.

**BAND**

**By Elizabeth Jones**

The 1969-70 Ozona Lion Band has spent the last few weeks preparing for the annual marching contest which will be in Ranger on November 22. The band has been working hard to prepare new and difficult marching routines to the marches Imperial, Brasses to the Fore, Allied Honor, Alamo, and Birth of the Blues. This year has been much more difficult due to the new styles of marching which Mr. Tommy Sanders, band director, introduced this year and also because the attention is now on the concert given on the field as well as the marching.

November 8th there will be All-District Band try-outs in Eldorado. Students who attend will compete with other students in this region for a place in the band and also to prepare for All-Region Band try-outs later in the year. Band members planning to attend All-District Band try-outs are: Sherry Saunders, Beth Crowder, Mary Jane Martinez, Melissa Zapata, Kay McMullan, Denise Deaton, Chester Wilson, Elaine Zapata, Charlene Strickland, Sylvia Vitela, Mary Frances Martinez, Polly Dixon, and Jerry Reed.

The newly elected officers for the Lion Band are: Donald Olson, president, Kathy Lynn Russell, vice-president Chesta Wilson, secretary, Charlene Strickland, reporter, and Sylvia Vitela, sergeant at arms.

Senior band members received band jackets recently for their hard four years of work. Senior members are Kathy Lynn Russell, Chesta Wilson, Sherry Saunders, Mary Jane Martinez, Mary Frances Vargas Ramirez, Maria Barbee, Mickie Nations, Mary Frances Martinez, Sylvia Vitela, and Elizabeth Jones.

**HOMECOMING DANCE**

**By Dianna Deaton**

A large crowd attended the Homecoming dance Saturday night given by the Student Council.

The dance was moved to Saturday night instead of the usual Friday night so there would be more time to dance.

Many of the exes attended the dance and along with the teachers and High School students everyone seemed to have enjoyed themselves.

"The Links" from Alpine furnished the music. There were many varied comments on the band, but most everyone seem to like them.

**VOCATIONAL AGRICULTURE NEWS**

**By Cynthia Harrell**

Mr. Jimmy Davee, the Vocational Agriculture teacher, said Friday that the 29 boys taking agriculture this year were being prepared for the District Leadership Contest November 13, in San Angelo.

Two parliamentary procedure teams, one skill team in electricity, and one freshman quiz team (nicknamed Greenhands) will participate in the District leadership Contest in San Angelo.

The boys have been shearing sheep the last two weeks. Hogs and three feeder calves are their new projects.

Mr. Davee feels that boys should study agriculture because "Agriculture empolys 40% of the working population in the United States."

**SNAKE DANCE**

**By Netta Pearl**

The annual snake dance was after Thursday night's game. All the kids met at the band hall to start the dance. The dance was led by the band. Leading the gay group were the cheerleaders.

Traffic was stopped for the group while they paraded down main street. Mothers and little brothers and sisters watched as the yelling and screaming was taking place.

At the field a float was ready for the cheerleaders to perform, and the twirlers to twirl. The fire was lit and the band played. Cups of cookies were given to all the football boys by the cheerleaders. Then pillows fixed like lion's heads were given to the seniors. The junior and freshman classes tied in the box contest. Speeches were asked to be given by all the seniors and coaches.

**EUROPEAN TRIP**

**By Betsy Sikes**

How would you like to travel a gondola through the canals of Venice? Or take an afternoon boat trip past the castles on the Rhine River? Or view the Trapp family home used in "The Sound of Music" in Austria? Or tour the Vatican? Or try snow-skiing in the Alps? Or view Paris from the Eiffel Tower? These and numerous other sights of Europe are offered to anyone between the ages of 15 and 22 by the American Leaderhsip Study Groups for a price which is far below that which it would be if you traveled alone. And the best part is that you will receive three semester hours credit in college which is equivalent to one history course. The entire trip will be chaperoned by a teacher from Ozona High School.

On November 11, at 7:30 p. m., a film, "A Young Look at Europe" will be shown in the Ozona High School Auditorium outlining the points of interest of the tour. After the film, Miss Moeller, the tour chaperone will answer questions by parents and interested students on the tour price, passports, clothing etc. Parents are encouraged to attend.

Miss Moeller can take only a limited number of participants and she must know whether a student is interested by December 1.

**MAINTAIN GOOD CREDIT -- FOR A BETTER WAY OF LIFE --**

**GOOD CREDIT IS ONE OF YOUR MOST PRICELESS POSSESSIONS!**

When you have established a good credit rating . . . you can enjoy the privileges of credit buying. This way, you can live better on a fixed income and budget for the purchases you need or want.

Credit puts more of the good things of life within the reach of responsible people. Local merchants who grant credit want you to use it, but not abuse it. Buy only what you know you can pay for . . .

Pay promptly when bills are due.
Good credit is the badge of a good citizen. It is the reward of the responsible person who is mindful of his obligations.

Credit is more than a "convenience".
It is a symbol of integrity and a source of personal prestige.

As you know, Friday night s Homecoming and the irlers twirl with fire ba- ns and the football queen crowned. This turned into o memories for me. I can't y they were both great, t one of them was.

First of all, the cheerlead- s had to light the fire ba- n for the twirlers and en they were finished, we uldn't get them out. The irlers said to put them in e can. And so I did, the s can, and almost did burn wn the stadium. I doubt I'll ever be that embrass- again.

Then I had to go out on e field and face all those ople, but it turned out well I was crowned football een by Captain Tony heeler, much to my sur- se and happiness.

**PEP RALLY**

**By Netta Pearl**

Last Friday's pep rally was at 3:20 and was one of remembrance. The cheerleaders decorated the gym floor as a football field. To start off the rally, yells done by the cheerleaders got the spirit up.

The twirlers showed their ability as cheerleaders. The cheerleaders did a twirling routine.

To top off the rally, Steve Hubbard, Moose Coates, Sooner Williams, Tommy Jenkins, and head cheerleader Tommy Conner did a cute yell. Speeches were given by all seniors and coaches. The spirit stick was awarded to the freshman class.

## TIPS For Gardeners

**From The Ozona Garden Club**

**By Mrs. Bailey Post**

November is the best month to start planting shrubs, trees and bulbs. Most decidious plants lose their leaves by the last of the month and will be safe to plant bare rooted.

Balled and burlapped plants planted late this month or early Dec. will have time to develop a good root system while soil is still warm.

In late November, begin planting bulbs every ten days to have a succession of blooms in the spring. I have planted bulbs as late as Christmas.

Cut back dead tops of peonies, feed one cup of bone meal and mound dirt over roots for winter protection.

Protect half-hardy plants with leaves that have been raked or start a compost heap. A dormant spray used this month will kill many of the eggs and larvae that winter over around the base of plants and in leaves. All rubbish should be cleared away.

Cut back crysanthemum plants to six inches after a killing frost and mulch roots if needed.

Lawns should not be cut too short for the last mowing to provide more protection for the grass roots.

## Christmas Seal Sale Plans Made

Crockett County is a part of a 32-county organization to combat tuberculosis and respiratory diseases. The forming of the organization last April completed a reorganization plan for the entire State of Texas.

Preparation for the 63rd Annual Christmas Seal Campaign is getting underway in Ozona with the receipt of cartons for the Bangle Campaign which will be held Saturday in Ozona. The campaign this year is sponsored by The Ozona Woman's Forum, the Woman's League and Beta Sigma Phi Sorority.

Both the Girl Scouts and the Boy Scouts will help in the campaign. Ozona High School cheerleaders and twirlers will be working the traffic light in downtown Ozona Saturday.

Money colected in the annual Christmas seal drive is broken down as follows: Community Services, 35%; Public Health Education, 20%; Professional Education & Training, 5%; Fund Raising, 10% and Administrative and General Expense, 10%.

Texas has a higher-than-national rate of new TB cases. Terminating McKnight State TB Hospital as a tuberculosis hospital means that TB patients in West Texas will be treated in a different manner. Advances in drug treatment cause a patient to become non-infectious quickly, so he can now safely be treated in an outpatient clinic.
