## TRADES DAY MONDAY, AUGUST 1

### LAMESA BUSINESS MEN ON GOODWILL TOUR THROUGH TERRITORY

Many of the Lamesa Merchants and business men were out this week on the Good Will Trips that were arranged by the merchants division of the Lamesa Chamber of Commerce with C. Baldwin as chairman.

On Tuesday afternoon several cars and the band went to Gail and O'Donnell. All who went report a dandy good time.

Thursday a large group went to Lou, Loop, Seagraves, Seminole, Andrews, and Patricia. Friday the group is scheduled to go to Sparanberg, Ackerly, Midway, Key, and McCarty.

The Good Will Troopers are giving away novelties and trinkets to all the children who meet them at these stops.

They have whistles, balloons, caps and a lot of other advertising features they are giving to the children and the grown ups too for that matter, at all places. They report that many children are meeting them, as well as their parents, to take advantage of these gifts.

A good time is reported by all who have made and are making these trips and they tell us they too are getting better acquainted with each other and are getting a real kick out of them.

It is being planned to make this affair an annual one, according to those in charge.

### MISS ROZELLE MCKINNEY ATTENDING SHORT COURSE

Miss Rozelle McKinney, county home demonstration agent, left Saturday for A. & M., College Station, where she will attend the Short course, which will continue through this week.

Miss McKinney is taking with her a dress made by Betty Lee Bratcher of the Woody community, who won first place in the cotton school dress contest, included with the dress is a beret to match, a complete suit of underwear and a white hand made purse all designed and made by Miss Bratcher. This full costume is to be used by Mrs. Dora Barnes, state clothing specialist of A. & M. as a part of her illustrate material for demonstration on the school wardrobe which will be given to 4-H club girls attending the short course.

### LOCAL POST OFFICE NOT TO CARRY REVENUE STAMPS

Although the internal revenue act of 1932 requires the payment of stamp taxes on documents not heretofore taxed, under the present law post offices located in towns of not more than twenty-five thousand inhabitants are not authorized to carry in stock and offer for sale documentary internal-revenue stamps as they did when such stamps were commonly in use several years ago. Persons living in cities of 25,000 or less who desire to purchase internal-revenue stamps may do so by remitting to the postmaster in a city of over 25,000 population cash necessary to purchase the stamps required, plus return postage and registry fees. Fort Worth or Dallas would probably be more convenient for this section of the state.

### SIMPLIFIED ADDRESSES ON MAIL FOR RURAL ROUTES

When it is desired to send a piece of advertising matter as ordinary mail to every rural route box holder served from any post office having rural delivery, the name, the box number, and the rural route number of the addressee may be omitted, provided each piece is definitely addressed in the following manner:

Rural Route Box Holder, Lamesa, Texas.

and provided further, that postage at the proper rate is fully prepaid thereon, and all pieces for the same post office are put up by mailer, so far as may be practical, in packages of 50, each package to be labeled, "For distribution to rural box holders", with the name of the office and state.

Any further information desired regarding such mailing may be had at the post office.

Joe Bailey Masters of Comanche is here visiting friends this week.

R. P. (Uncle Pen) Duke, aged 82 years died at his home about 7:30 o'clock last Thursday evening, July 21 following a short illness.

Uncle Pen apparently in the best of health until last Sunday he complained of not feeling so well, but thought it nothing serious. Up to the time of his sudden death he did not consider himself very ill. His death came so sudden friends could scarcely believe that he had passed away.

Uncle Pen is a pioneer citizen of Dawson county, making his home during his many years here, with his nephew, H. L. Duke and family. Funeral services were held Friday afternoon at 5 o'clock at the Lamesa Cemetery, with Rev. R. H. Hanes of Abernathy in charge, assisted by Rev. E. F. Cole.

He is survived by one brother, J. W. Duke of Hemphreys, Texas and one sister, Mrs. Emma Pitts of Silver City, New Mexico, both of whom attended the funeral, and several nieces and nephews.

Other out of town people who attended the funeral are, Mrs. Will Hodges of Levelland, Mrs. Burt Holoman and son, Mr. and Mrs. J. W. Holoman all of Morton, Miss Bernice Horne of Lubbock, Mr. and Mrs. J. B. Pickle and daughter Jeanette of Big Spring.

### TO THE VOTERS OF DAWSON COUNTY

I wish to thank the voters of Dawson county for leaving my name on the ticket July 23. I feel that I have not yet been able to show you how much I appreciate your electing me to the tax collector's office two years ago, and I wonder daily how I shall ever be able to let you know how grateful I am for being allowed to make this race without an opponent.

But I shall do my best to show my appreciation for all of these kindnesses by serving you as you deserve to be served.

Very sincerely yours,  
Willie Belle (Pete) Cleveland.

### TO THE VOTERS OF DAWSON COUNTY

I wish to take this method to express my appreciation to the voters of Dawson county for the support you have given me in the past, and also in the election July 23rd.

Four years ago when I was placed in the treasurers office I tried to find words to thank you good people for the trust you had placed in me, and then I thought of service and have tried to express my gratitude to you in that way to the best of my ability.

I also wish to thank my opponents for the kindness shown me during this campaign. I believe I have, and can truthfully say, that we have learned to be better neighbors and friends than we were before this election. I appreciate this very much.

I feel so grateful to the citizens of this county for their support and I am at a loss to know just how to express my appreciation to them, again thanking you one and all.

Sincerely,  
MRS. MATTE HERNDON,  
Treasurer of Dawson County.

**SHORT ROW-CROPS**

**T**HE Case-Osborne Short Row-Crop Binder is built especially for cutting and binding short, row-crops—corn, milo, sudan, kafir, broom corn, etc. A handy lever adjustment provides wide binding range; ties tight bundles from 12½ inches up to 23 inches from the butt. Third packer works close to butts; extra long stroke promptly draws stalks back from butt chain, producing square bundles. Main wheel and grain

wheel are both of same large diameter which causes the binder to pull straight, lessens side draft and reduces whipping on rough ground. Weight is evenly balanced on the wheels. The result is a light draft, clean-cutting binder.

The Case-Osborne is extra strongly built with adjustments for taking up wear after long use. Angle and bar steel frame; oversize working parts well lubricated. Come in and see it.

**WITH WORLD-TRAVELER, ON WAY TO OLYMPIC IN CHEVROLET CABRIOLET**

DETROIT, MICH., July 18, John (Baron) Jan Feith, sportsman, author, playwright, and world-traveler, accompanied by his wife is now en route to California where for the fifth consecutive time he will represent his country and the Netherlands Olympic committee at the Olympic sports events, to be held at Los Angeles this summer.

The titled visitors are making the trip to the Coast in a new Chevrolet convertible Cabriolet, easily identified with official insignia on the doors and pennants of Continental motor clubs flying from the head-lamps. After stopping here the first week of the month, they proceeded to Chicago and from there to St. Louis, Kansas City, Denver, and Santa Fe, arriving at Los Angeles July 26th.

Baron Feith, in addition to his serving as a delegate to the Olympic games will write for a group of leading Dutch newspapers sportive and gossip articles on the international gathering of champions, as well as collecting items regarding road and touring conditions here.

He is also gathering material for the completion of a book, begun on a previous visit to the United States, which will deal in a humorous way with the impressions of the new America from the viewpoint of an itinerant tourist from overseas.

Among his many novels, short stories, plays, and other writings, Baron Feith is best known for his official work "Modern Holland". This was written by him on order of the Dutch government and procured for him a royal distinction. He is also an artist, always illustrating his own works.

While in this city he visited numerous automobile plants, and the General Motors proving grounds, and was given an insight into the many ramifications of the industry by C. F. Kettering, vice-president of General Motors, in charge of research, and W. S. Knudsen, president and general manager of the Chevrolet Motor Company. Baron Feith said he selected a Chevrolet for his trip because of the excellent reputation the car enjoyed in his home country.

**AND SO THE REPORT GOES**  
A man, his wife, his daughter, and her husband drove all the way from California to Lamesa last week to invest \$15,000 in a business in this city, so the report goes.

They stopped here over night and then drove on without making the investment. Why? They gave two reasons.

First, "you do not have any civic pride. We see too few trees, pretty lawns and little shrubbery."  
Second, "You do not have paved highways. We do not think we would like to live in such a community where its people do not take more pride in their homes and do not provide for better transportation arteries."

Well, don't that jar your upper jaw teeth? But its true and we were accused possibly rightly so. But we explained that we are yet a new country, and are busy setting trees and making prettier lawns each year and that we will take care of our highways when we could, but that did not satisfy the man and his folks with the money to invest, and they went on.

We wonder how many people like this pass us up. This is point blank proof that civic pride, flowers, grass, shrubbery, and trees really add to the value of our homes and lands.

Let us keep this in mind and the next time we have an opportunity to plant a tree or to co-operate in civic work let's do it. Now is a good time to co-operate in the Annual Clean Up Campaign, the city has on.

All of us should clean up and do it now! Tourists are passing this way every day and like you when you are on a trip, will either comment favorably or the reverse on our city when they pass through.

Let's clean up and stay clean not only because it makes us look better but because it is the right and healthful thing to do.

**SCOUTS OF TROOP 23 HOLD MEETING**

The troop committee, composed of Dr. J. C. Loveless, J. R. Flanniken, and Robert Kirk, and the Scout Executive committeeman, J. D. Dyer, met with troop 23 last Friday night. They judged parol corners of the new scout room in the Methodist church and awarded the prize for the best corner to the Bat Patrol after long deliberation.

They praised the work of the boys and the skill that they had shown in finishing the room. They expressed their appreciation of the work being done by Messrs Stephens, Pratt, and Marr, in their leadership of the troop.

Letters came this week to Mayor J. R. Lowrie from the Santa Fe Railway Company and the Lubbock Cotton Oil Company, that they want to co-operate in the annual Clean Up Drive the City now has on. Already these good people have started their weed cutting and their properties will be looking fine before they are through. Mayor Lowrie is personally thanking these people for this co-operation in the drive.

Ross Anderson and C. M. Baker spent Friday night in Lubbock.

**Lesson for July 31 THE GIVING OF MANNA**

LESSON TEXT—Exodus 16:1-36.  
GOLDEN TEXT—Every good gift and every perfect gift is from above, coming down from the Father of lights, James 1:17.

PRIMARY TOPIC—Bread from Heaven.  
JUNIOR TOPIC—Bread from Heaven.

INTERMEDIATE AND SENIOR TOPIC—God's Daily Gifts.  
YOUNG PEOPLE AND ADULT TOPIC—God's Daily Gifts.

I. Lusting for the Fleshpots of Egypt (vv. 1-12).

1. Murmuring against Moses and Aaron (vv. 1-3). As they journeyed from Elim into the great wilderness, they became conscious of the scarcity of some of the things they had enjoyed even in Egyptian slavery. Only a few days before they were singing God's praises for their wondrous deliverance at the Red sea (Exod. 15). Many complain bitterly of their experience in the service of God, while at the same time they will endure all sorts of hardships uncomplainingly when pursuing their own selfish interests. Their complaint not only displayed ingratitude but a deep-seated impiety. They went so far as to express the wish that they had died in Egypt with full stomachs rather than to be walking in the wilderness by faith. The very fact that God had gone to so much trouble to deliver them should have convinced them that he would not forsake them now.

2. God's answer to their murmurings (vv. 4-12).  
(a) He promised to rain bread from heaven (vv. 4, 5). His purpose was to teach them that man liveth not by bread alone, but by every word that proceeded out of the mouth of the Lord (Deut. 8:3).

(b) He promised to give them a vision of his glory (vv. 6-10). This served as a warning and encouragement. Moses and Aaron told the children of Israel that the glory of the Lord should be seen in the morning as a reminder that their murmuring was against the Lord and not against themselves.

(c) He promised them flesh and bread (vv. 11, 12). "At even ye shall eat flesh, and in the morning ye shall be filled with bread."

II. Quails and Manna Given (vv. 13-15).

At the appointed time God gave the Israelites the promised food. He first allowed them to feel their need to show them that man's highest need is not physical food, but living faith and fellowship with God. He followed this with a display of his glory, showing them that he was able and willing to supply their need if they would but trust and obey him.

1. In the evening the quails came up (v. 13). Since they desired flesh, he gave them flesh to eat. God frequently caters to the desires of his people, knowing that the best way to teach them is to allow them to be filled with their own folly.

2. In the morning God gave the manna (vv. 14, 15). The Israelites did not know what it was. Moses told them it was the bread which the Lord had given them to eat.

III. The Responsibilities of the Israelites (vv. 16-31).

1. They must gather a certain portion daily (v. 16). They must look to God for their daily bread (Matt. 6:11).

2. Every man must gather for himself (v. 16). Every man must appropriate Christ for himself.

3. They must not gather in excess of one day's supply (vv. 18-20). Those whose greed prompted them to do so realized their mistake when it became corrupt and bred worms. Christian grace and Bible truth must not be hoarded up—they are only good when put to use.

4. The manna must be gathered fresh every morning (v. 21). This was to be done early before the sun was up. So must we seek Christ, who is our manna, every day, and the first thing in the day (John 6:53).

5. The manna must be eaten to preserve life. They were in a wilderness, so could live only by the eating of the food which God gave. It is so with Christ, "except ye eat the flesh of the Son of Man and drink his blood, ye have no life in you" (John 6:53).

6. Due consideration should be given to the Sabbath day (vv. 22-31). A double portion was to be gathered the day before, so as to keep inviolate the Sabbath day.

IV. Manna Kept as a Memorial (vv. 32-36).

This was to be kept as a reminder of God's favor in feeding them in the wilderness, even for supplying them with bread for forty years until they reached the promised land.

**PITHY PICK-UPS**

The praying that is stressed in the Bible is personal praying—alone with God.—Philpott.

Perhaps we need more Andrews (personal workers) than Peters (preachers) just now.—Philpott.

Thou in the beginning didst lay the foundations of the earth (Ps. 102:25). What a task for the Carpenter of Nazareth!—Zwemer.

We seldom think that we should have co-operated in the Clean Up Drives until some serious epidemic hits our town and then we regret that we did not help rid the town of weeds and rubbish. Let's not wait until it is too late.

The Mayor states that special notice is taken of Lambeth Gin, Compress and Plains Gin Properties in that they have thoroughly cleaned the weeds and other rubbish from their properties in the Annual Clean Up Drive now on. He fully expects other industries including gins, oil mill, milk plant, and others to follow suit in the next few days.

If you do not think Lamesa has weeds you should take a drive over the town. You will be surprised. Any kind of campaign against weeds will not get enough of them cut. Let everyone do their part in weed cutting this week. Take time to look the town over and compare your yard and weed patches with those you see.

Mrs. N. K. Cotton has returned to her home in Van Alstyne after a two weeks visit here with her son, Jimmy Cotton and family.

To lighten the load on your shoulders, Sinclair has developed a new "Call-me-by-post card" service for the ordering of petroleum products. We supply you free with business reply cards (no stamp required) on which is printed a list of the principal Sinclair petroleum products. You keep the card handy and jot down on the card as your supply gets low the number of gallons or pounds you are going to need. Then you sign the card and drop it in the mail. We will give you quick deliveries.

We sell Sinclair Opaline Motor Oil, Sinclair Pennsylvania Motor Oil, Sinclair Tractor Oils, Sinclair Gasolines, Sinclair Super-Flame Kerosene, Sinclair Cup and Axle Grease, Sinclair P. D. Insect Spray.
