## A LANDMARK FALLS

The west wall of the old Shamburger Lumber Co. collapsed into Amarillo Street Monday evening, May 1, a short time after workmen tearing down the building had gone home. Later city employees using a front end loader pushed down the front section, which swayed in gusts of wind. The building had stood

at the corner of Amarillo and 8th Streets more than 50 years. Wellington Lumber Co. owns the property and manager Mickey Breedlove said the lot will be cleared and fenced.

## Election Interest on County Judge's Race

A light vote is likely in the first Democratic primary election in Collingsworth County unless people turn out in opposition to pari-mutuel betting on horse races, Mrs. John Coleman, county Democratic chairman said early this week.

"People just haven't been too concerned," she said. As absentee voting ended Tuesday, April 2 at 5:00 p.m., 91 absentee votes had been cast in the office of Helen Gollighugh, county clerk, and 22 had been mailed out.

Voting hours will be 7:00 a.m. to 7:00 p.m., Mrs. Coleman said.

On the district level, the race for state representative, 66th district, has generated the greatest competition. Both Foster Whaley of Pampa and Glen Conrad of Claude, the democratic candidates, have been in Wellington a number of times, and they, with the Republican candidate, Bill Hale of Floydada, were at the annual meeting of Greenbelt Electric Co-operative Friday.

On the county level, most interest has centered on the judge's race, an office sought by Bobby Jack Watson and Cliff Hartman. Judge Zook Thomas did not seek re-election.

Hartman, commissioner of Precinct 1 until his resignation to seek this office, and Watson, on leave as juvenile probation officer for the 100th judicial district, have worked closely with the judge's office over a period of several years.

This is the only contested county office, but three precinct offices have drawn two candidates each.

Candidates for Constable of Precinct 1, an unexpired term, are, as the names appear on the ballot, Delmar D. Turner and Wilson Porter. Turner until recently was a policeman at Childress and Porter is the

city night watchman. This office has been vacant since the death of Bruce Hite shortly after he took office in January 1977.

Justice of the Peace Precinct 1 include the entire county except small uninhabited areas in each of the other three precincts.

There are elections in three commissioners precincts this year. Two are contested.

In Precinct 2, W.M. (Melvin) Seale, the incumbent, is opposed by Joe F. Knoll, manager of the Lutie Gin a number of years.

In Precinct 4, W.R. Breeding of Samnorwood, the incumbent, is opposed by Raymond Neeley of Wellington. Breeding is a farmer and rancher, Neeley is an earth moving contractor.

John R. Henard, Jr., is the only candidate for Commissioner of Precinct 1. He is filling Hartman's unexpired term, and under Texas law, he must run for the office in the next election following his

appointment. Candidates who are unopposed for county and precinct office include:

-District and county clerk: Helen Gollighugh, incumbent.

-County tax assessor-collector: Ann Wauer. Mrs. Wauer who took office May 1 is a candidate for the unexpired term of Ocie Scott, who was himself filling the unexpired term of Mrs. Frances Williams.

-County treasurer: Yvonne Brewer, incumbent.

-Justice of the Peace, Precinct 1: Beatrice McKinney, incumbent. The justice of the peace precinct also covers the entire county except the same three small areas in the other precincts as in the constable's precinct.

Candidates for county Democratic chairman and precinct Democratic chairmen are:

Democratic Chairman, Mrs. John Coleman.

## Slow, Ground-Soaking Rain Breaks Drouth

Drouth-breaking rain that measured from 2.5 to 2.75 inches over most of the west and north parts of the county, and up to 3 inches at one point, fell throughout Tuesday May 2. This is the most moisture the county has received at one time in 1978.

With the rain came dropping temperature, which fell into the high 30s in the northwest part of the county. Before dark there was a reading of 40 at Dodson. This makes it some of the coldest May weather the county has experienced in recent years.

In Wellington, measurements ranged from 2.5 to 2.75 inches. To the southeast, however, Dodson received only 1.6 to 1.8 inches, according to reports given J.C. Howell.

At Quail, Donald Langley said 2.5 inches fell at his house.

The moisture was general throughout the lower Panhandle and South Plains and into Western and Central Oklahoma.

For some county wheat growers, this rain is the difference between a fair crop and no crop at all.

"Some wheat already has damage, but this rain will fill the heads of what we have and make them a lot better—a lot plumper," said Extension Agent Don Reeves.

"Some of the wheat on sandy land will be helped more than that on tight land."

Much of the wheat in the north part of the county is being grazed, some growers having turned their fields as recently as a week ago. The moisture will improve this grazing.

A few of the larger farmers have grazed as much as 700 to 800 acres of wheat land this spring.

In contrast, some of the wheat south of Wellington, helped by this rain, should make 15 to 18 bushels per acre, and some of it 20 bushels, believes Fred Cox, who farms at Loco and northwest of town.

Yet he pointed out that within two to three miles of some of this wheat is other wheat that won't be cut.

Some of the damage has come within the last weeks.

Around Dodson, growers are estimating some wheat will make from 10 to 12 bushels per acre and possibly a little acreage going as high as 15 bushels.

It is also likely that some wheat around Dodson will be plowed up and the land planted to cotton or maize.

Heads are small on much of this wheat, cutting the yield. However, the rain should fill out these heads, it was pointed out.

Little cotton acreage has been planted, reports from all parts of the county indicate.

As soon as the weather warms, cotton planting should go into full swing.

Near the west edge of the county, on Highway 203, Don Tarver reported 2.75 inches of rain. He said most of the rain

soaked into the ground, but he had checked two farm ponds and they caught some water.

In the Abra area, Mrs. Rudie Tate said 2.3 inches of rain fell. Until now, it had been too dry to plant even haygrazer she said, although Joe Knoll, who had .6 inch of rain earlier, had been trying to plant the last day or two.

The Tates have turned cattle into their tritacale this week.

Kenneth Martindale at Samnorwood said the rainfall ranged from 2.5 to three inches of rain in that part of the county. Only a small amount of wheat has not been

grazed, he said.

Little water ran off the fields, Martindale said terraced wheat pasture that has been grazed had water standing behind the terraces. All water soaked in where terraced fields had been plowed.

Roads were muddy Tuesday afternoon, and the school bus he drives went into a ditch. Community residents and county road employees helped to get it out and took home in pickups those children living off the pavement.

"When it rains, the county boys stay handy and give us a lot of help," he said.

## Skyrockets Win Regional Track, Two to State

Wellington Skyrockets stunned officials and athletes of Region I and were amazed at their own performance that won the Class A Championship Saturday, April 29.

The Winged W's were showing their competitiveness, as they garnered a 45-point total.

It is the first regional championship in track and field events the team has won.

Two Skyrockets qualified for state UIL track meet at Austin Friday and Saturday, May 12 and 13.

Robert Chambers, who won first at Odessa will compete in the 440 dash. His time in the

regional finals, 49.4, is the best he has ever run, said track coach Phil Bailey. It is .4 better than his time at state a year ago when he placed fifth.

This will be his second trip to the state meet—and he is only a junior.

James (June Bug) Thomas, who placed second in the long jump at Odessa, also qualified for the state. His distance in the regional was 20'9". He is a junior, too.

Also in the regional finals: Wellington's 440 yard relay team was fourth with time of 44.4. Team members were David Baumgardner, Ricky Jones, Thomas and Cham-

bers. Their time was .3 second better than their first place time at district.

Kevin Hall was sixth in the 120 yard high hurdles.

The mile relay team came in third with 3:29.1. These runners were Hall, Chris Lynch, Robert Powell and Robert Chambers. Their time was .1 second behind their District 2-A meet time.

In field events, Dane Dodge was third in the shot put with distance of 50'6½".

This included all the men who qualified Friday.

"They gave it everything they had. You couldn't find fault with any one of them.

The sprint relay team came within one-tenth of a second of qualifying for state, Kevin within .4 second qualifying, the mile relay team within three seconds, and Dane within one foot. You just can't find fault with that," said Bailey.

"We're extremely proud of the kids. This is the first time they have won regional and we couldn't have been any more happy.

"The sprint relay was so close the video taped finish had to be taken down for analysis. It was that close between four teams, said Coach Bailey.

The coaches, Bailey and

James Williams, praised the Wellington support. Approximately 20 drove the 6½-hour 350-mile trip.

Lots of schools around Odessa didn't have that many people there.

Wellington was second to Stanton in Region I Class A last year.

This year, with Wellington first, Stanton was second with 38 points. Others were, third, Memphis, 37; fourth, Farwell, 28; fifth, Stratford, 28; sixth, Knox City, 27; seventh, Crosbyton, 25; eighth, Marfa, 21; ninth Rotan and New Deal, 20 each.

## Jim Ingram Heads '78 Little League

An organizational meeting for the Wellington Little League Baseball program was held Thursday night, April 27, in the Heritage Room.

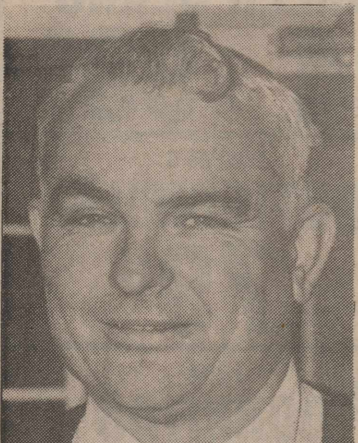

Jim Ingram was installed as president, and other officers are Jerry Nix, vice president; Mrs. Joe Harris, secretary-treasurer; and Mrs. Don Reeves, reporter.

Mrs. Reed Souder is chairman of the women's

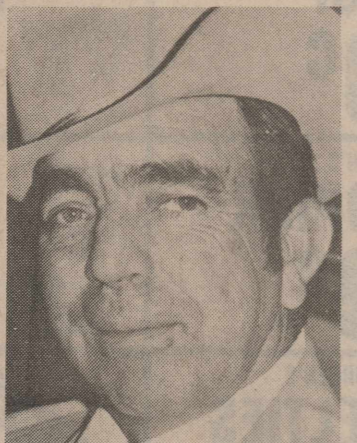

auxiliary. Plans were made to enlist boys and girls 9 through 12 years old and to secure sponsors and coaches.

Several more coaches are needed, as well as someone to be responsible for stocking the concession stand each game, Ingram said.

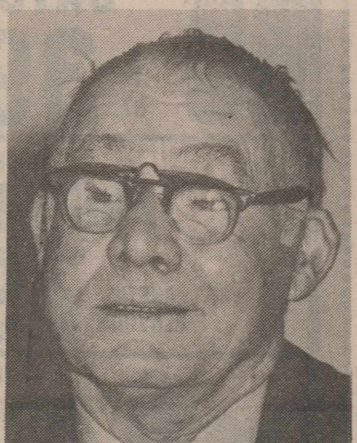

Anyone who can help in these areas is asked to contact him or Nix.

BOB WATSON - CLIFF HARTMAN

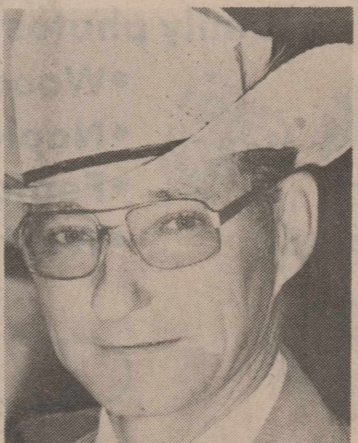

WILSON PORTER - DELMAR TURNER

JOE F. KNOLL - MELVIN SEALE

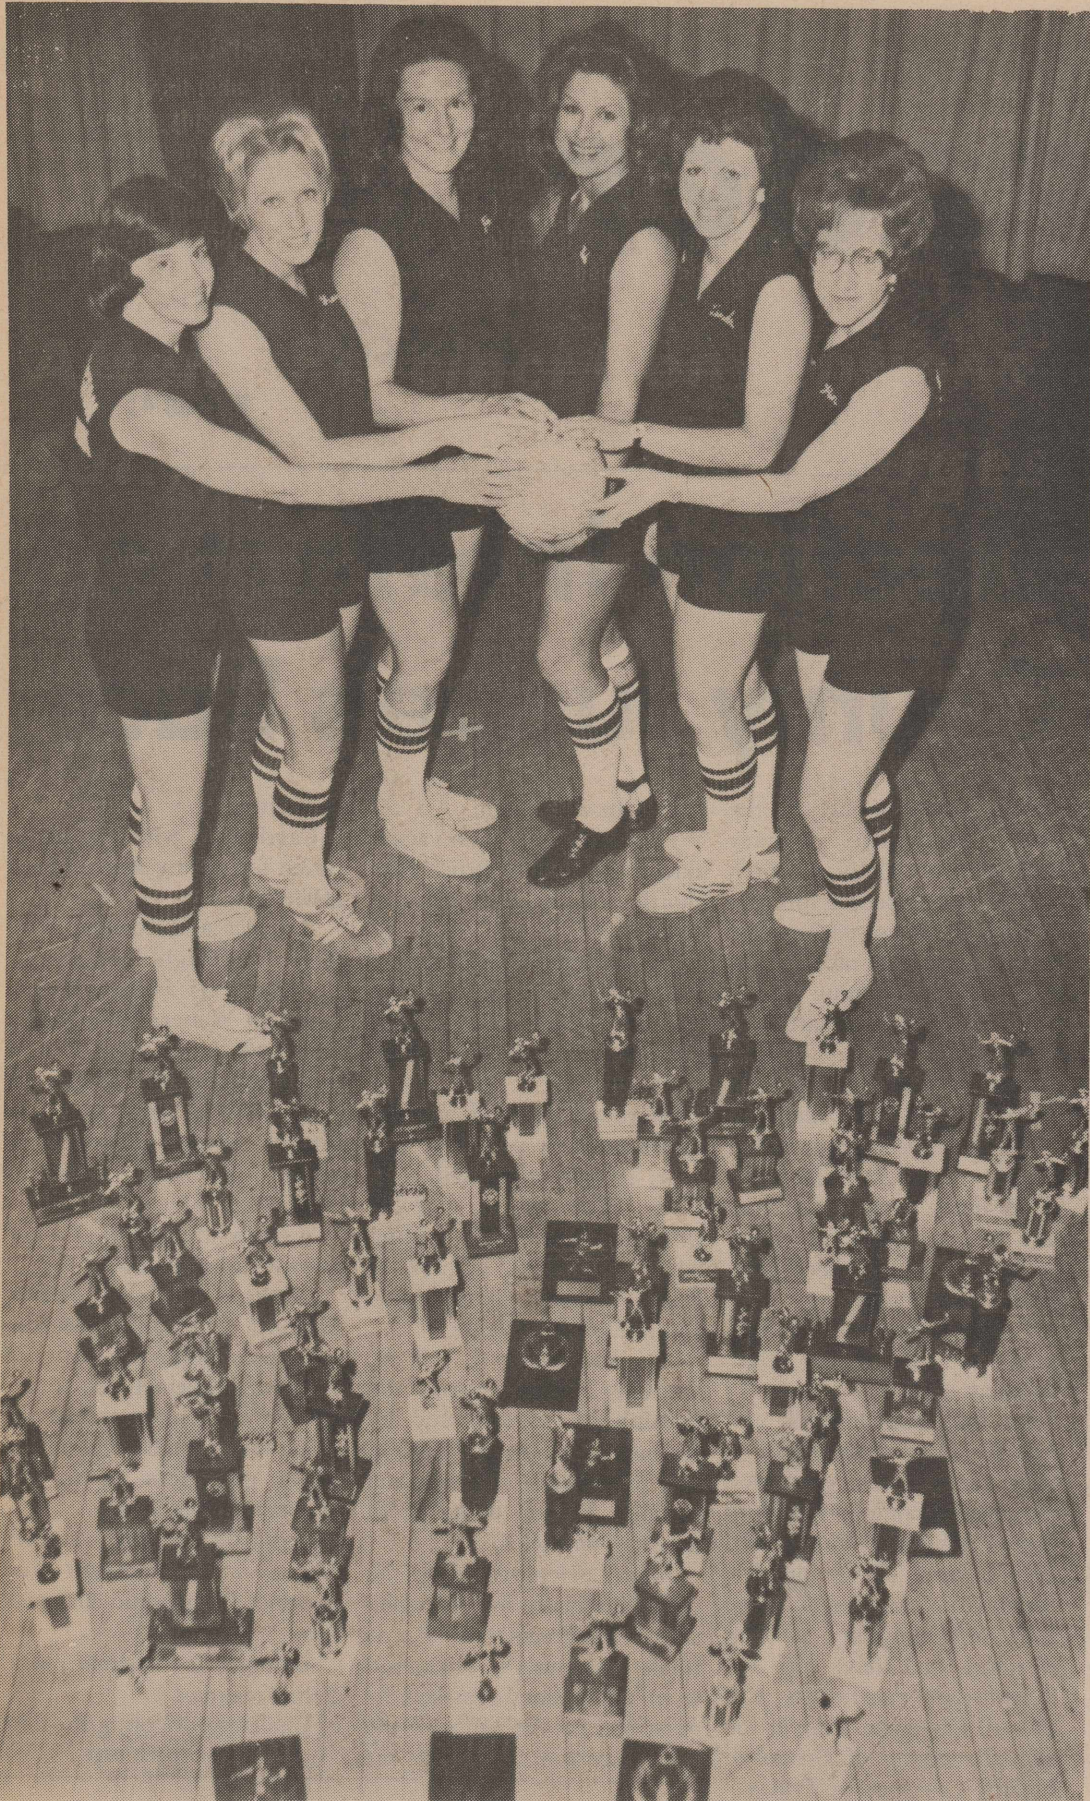

W.R. BREEDING - RAYMOND NEELEY

### CONTESTED RACES

Voters will make decisions in four contested races in the Democratic Primary Saturday, May 6. The only contested county race is for the office of county judge, sought by Bob Watson and Cliff Hartman. Next, running for Constable of Precinct 1 are

Wilson Porter and Delmar Turner; Commissioner of Precinct 2, Joe F. Knoll and Melvin Seale, incumbent; and Commissioner of Precinct 4, W.R. (Buck) Breeding, incumbent and Raymond Neeley.

**BREAKING UP IS HARD TO DO**

The volleyball team that has played for Wellington State Bank for the past several years is breaking up this year, the result of two team members moving from Wellington this summer. Some of the members have been playing volleyball since 1962. Wellington State Bank has sponsored the team for 9 years and has had the same players for the last 5 years. Standing from left, behind some of their trophies, are Zenith Warrick, Cheryl Brown, Joline Wilson, Vada Wood, Linda Brewer and Helen Gollighugh. Cheryl and Linda are leaving this summer, but the other four say they'll find some way to be back on the hardwood next spring.

**Attend Precinct Conventions Sat., County Chairman Urges**

All county Democrats are urged to attend the Democratic precinct conventions which will be held Saturday, May 6, the day of the Democratic Primary.

All conventions will begin at 2:00 p.m., said Mrs. John Coleman.

All will be held in the same location as the voting box.

Mrs. Coleman urged a good turnout. Delegates to the county convention will be elected and resolutions to be presented on the county level will be adopted.

She asked that anyone having resolutions to introduce should bring them already written out as the individual wants them.

The present precinct chairman will preside at each of the precinct conventions.

The county convention will be held Saturday, May 13, at the court house. Delegates to the state convention will be named and resolutions to be introduced on the state level will be adopted.

The chairman also urged that all eligible citizens who are Democrats to vote in the Saturday election.

For one thing, this is the grass-roots level where every voter makes his voice heard.

"Remember, our vote determines if we keep all our voting boxes," Mrs. Coleman said. "It is expensive to have boxes with light votes, and

there is a tendency at present to consolidate them with other boxes."

A consolidation such as this always means an inconvenience to some, it was added.

Some used to say that a person carrying fern blossoms would find gold.

**#2 - continued from page 1**

Wellington garnered 14 points in field competition Friday, besides qualifying the track competitors.

The Rockets picked up 31 points Saturday.

They entered the mile relay with 33 points and had to finish fourth or better behind first place Stanton to hold the team trophy. The Rockets did, with third place in 3:29.1.

Usually the regional is for seniors, who are stronger and more experienced.

Bailey's team was made up of sophomores and juniors.

After the Friday preliminaries, they were tied for first, having qualified both relay teams, Hall in the 120 high hurdles and Chambers in the 440. "We figured we had a pretty good chance—but then sophomores are lacking in experience."

"The next morning Coach Williams and I went down to the motel lobby before the kids got up and Bill Hall asked: 'Have you seen the paper?'"

It said "Wellington first." "We got totally nervous," Bailey described the coaching reaction.

He believes both Chambers and Thomas can handle the pressure of the fast company they'll be competing against at Austin.

Chambers is a 5-10, 150 pound athlete and the 440 is his best event.

"He is an extremely dedicated young man as far as his athletics go, a gifted young man as far as being able to run. He's the kind of boy who makes me look like a good track coach," said Bailey.

Thomas, at 5-7 and 140 pounds, is just a year and a half away from open heart surgery.

"He is an extreme competitor. Last year, after his surgery, he came back to play basketball while he still wasn't in good shape and he was not in shape to run track, although he ran some."

This year, he is playing football and basketball and he came out for track. He has developed into a four-event man.

This was his first time at regional.

"I don't care what anyone says, when you've had your heart cut on, it's a little hard to get synched up again, but Heaven knows he doesn't seem to have any trouble," said his coach.

The first iron printing press to be used was the Stanhope press, invented by Charles, the third Earl of Stanhope in 1798.

## Father Erpen Makes Phillips Commercial

Father B.A. Erpen, priest of Our Mother of Mercy Catholic Church, was in Los Angeles recently to appear in a television commercial for Phillips Petroleum Co.

He was one of three clergymen to tell their experiences using that company's Trop-Arctic Motor Oil.

Father Erpen has listened to these commercials a number of months. On August 15, he wrote Phillips telling his own experiences using Trop-Arctic Motor Oil in his 1972 Mercury, which he had driven 160,000 trouble-free miles. On August 24, F.D. Lovell, in charge of advertising and merchandising, Phillips Petroleum Co. in Bartlesville, Okla., acknowledged his letter and congratulated him on his record.

Father Erpen thought that was the end of it.

On February 28, Ed Winter, account executive for Tracy Locke Advertising and Public Relations, Inc., Dallas, which handles the Phillips account, contacted Father Erpen.

"We would like very much to discuss further with you your experiences using Trop-Arctic Motor Oil," he wrote.

By that time the 1972 Mercury had carried Father Erpen on his priestly duties for

more than 180,000 miles and was adding mileage at the rate of 1,000 per week.

Plans moved quickly, and by mid-April the Wellington priest was in Los Angeles to film the commercial.

SAYS

## FOSTER WHALEY

Democratic Candidate For State Representative

MATURITY OF JUDGMENT A PROVEN RECORD OF ACCOMPLISHMENTS

FOSTER WHALEY as County Agricultural Agent used his boots on a couple of bureaucrats; one tried to close down a cotton gin, the other tried to sell compulsory soil and water conservation to the local soil conservation district.

FOSTER WHALEY was the first to alert Texas' major farm organizations of this statewide effort. He wrote the resolution for his local farm organization's opposing compulsory soil and water conservation.

IN THE PEN ABOVE, Foster Whaley hedged the first cattle ever hedged in Gray County, and among the first ever hedged south of the Canadian River. He then taught this technique to thousands of feedlot managers, cattle feeders, farmers and 4-H members. Many 4-H members attended college on profits they earned from his help.

FOSTER WHALEY, as State Representative, will continue to boot any bureaucrat in State Government who gets over zealous in regulating our industries, organizations and agriculture.

# Green Up Clean Up Put Litter in Its Place

Let's all help make Wellington a cleaner, more beautiful city to live in... by joining in with the Spring

## City-Wide CLEAN-UP

Residential and Business Areas During This Time

# May 8 thru May 13

## Fix-Up! Paint-Up! Clean-Up!

During this time residents are encouraged to clean up premises of trash, rubbish and refuse, and put in the alley for pick up by City Trucks. ONE WEEK ONLY. Trucks will start at 1st and Haskell Streets and work south.

### Free Pick Up Tuesday, May 9

TUESDAY, MAY 9 the City Trucks will begin the Annual Free Pick Up and continue through all alleys until the entire city is covered.

PROPERTY IN THE ALLEY THAT IS NOT TO BE HAULED AWAY . . .

Residents having property or articles in the alley that they do not wish hauled off are requested to remove these from the alley and place on their premises. The City of Wellington cannot be responsible for any articles hauled off by mistake.

### Vacant Lots

VACANT LOTS . . . Owners or lessees of vacant lots are required to remove trash, refuse, garbage and rubbish at their own expense, and to keep weeds under control throughout the season for protection against mosquito breeding and harboring places. . . .

However, it has long been a practice of the City to keep vacant lots mowed, where owners would keep them clean and mowable, and will continue this program.

### Dead Trees and Heavy Junk, Thur. May 11

THURSDAY, MAY 11..... City equipment and community volunteers will cooperate in one big day of disposing of dead trees, excessive junk that requires front-end loaders and dump trucks. If you have dead trees or extra heavy items to be hauled, call the Chamber office. The City will not dig dead trees, but they will haul away dead trees that have already been dug.

### Highway & FM Roads

IMPRESSIONS OF OUR COMMUNITY ARE FORMED along Highway 83, 8th Street, 9th Street, and FM Roads 338 and 1035 . . .

Congratulations are in order for the businesses and individuals who have cleaned, cleared, painted or improved the appearance of property along these roads. Much more remains to be done. Let's all work together to continue to improve the looks of our approaches and create good first impressions.

# Delegates Attend FHA State Meeting

Delegates representing the Samnorwood, Quail and Wellington Future Homemakers of America Chapters attended the 1978 state meeting of the Texas Association of FHA in Dallas Thursday and Friday, April 20 and 21.

Approximately 6,000 attended from across the state.

Attending from Quail were Donna Langley and LeAnn Marcum, both juniors. They were accompanied by their sponsor, Miss Becky Cochran.

Wellington representatives from the junior chapter were Sylvia Hunnicutt and Sharee Bailey, and from the senior chapters, Peggy Popwell and Kelly Covey. Their sponsors, Mrs. P.M. Scott and Mrs. Larry Henard, attended.

Representing Samnorwood were Sally Kincannon and Kim Peeples, and their sponsor Miss Judy Barber. "The New Demisions of FHA/HERO" was the theme of the 1978 meeting.

Lewis Timberlake, member of Help Inspire Someone, challenged the delegates to grow and develop in leadership and living skills.

Workshops involved all members and were on topics of concern to young people, such as careers, assertiveness, communications, and issues

such as abuse of children and the elderly.

The business was conducted at the House of Delegates session Thursday evening, followed by a talent show featuring representatives from Areas I-V. The theme was "Roots: Dimensions of Texas."

Future Homemakers who have achieved unusual accomplishments by completing all levels of Encounter, a special growth and development program, were honored at the Friday morning session.

A state choir, composed of 130 Future Homemakers was featured. Installation of 1978-1979 state officers climaxed the Friday evening session.

The Future Homemakers of America is a vocational student organization sponsored by Homemaking Education, Texas Education Agency, with Mrs. Elizabeth F. Smith, director, and Mrs. Betty Romans, state advisor.

Visiting Mr. and Mrs. Loyd King Tuesday evening, April 25, were her cousins, Mr. and Mrs. Clarence Dyson of Mobeetie and Mr. and Mrs. Bill Myatt of Salinas, Calif. Mrs. Myatt is Dyson's sister, and the family lived here many years ago.

CINDY COLEMAN-MICHAEL CROWELL

### Cindy Coleman, M. Crowell Plan Home Wedding in late June

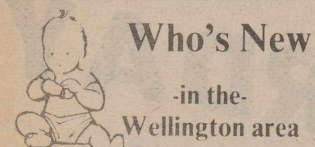

Mr. and Mrs. Douglas Coleman of Dozier announce the engagement of their daughter, Cindy Ann, to Michael R. Crowell, son of Mr. and Mrs. George R. Crowell of Claude.

A garden wedding is planned for June 24 in the

home of the parents of the bride-to-be.

Miss Coleman is also the granddaughter of Mrs. Wood R. Coleman of Dozier and the late Mr. Coleman, and of Mr. and Mrs. Lem Weaver of Silverton.

She graduated from Samnorwood High School in 1976 and attended Clarendon College. Her fiancé attended West Texas State University and is currently employed by Crowell Water Well Service in Claude.

Col. and Mrs. Dudley Coleman of Dozier are the parents of a son, Samuel Henard, born in Collingsworth General Hospital Friday, May 28. He weighed eight pounds, three and three fourths ounces. The grandparents are Mr. and Mrs. Edd Henard and Mrs. Wood Coleman. Mrs. Mike Burkhalter is the great-grandmother. Selected as god-parents are Mr. and Mrs. J.H. Oldham of Samnorwood.

Sgt. and Mrs. Nat Holton are the parents of a daughter, Carrie Ann, born April 4 in Memphis, Texas. She weighed six pounds fourteen ounces. Grandparents are Mr. and Mrs. Ham Holton and Mr. and Mrs. Frank Smotherman, Childress. Great grandparents are Mrs. Carroll Blevins of Childress, Mrs. Judge Holton, Wellington and Mrs. George Clark, Long Beach, California.

Mr. and Mrs. Larry McCain of Childress are the parents of a son, Kent Lawson, born April 11. He weighed six pounds six ounces. Grandparents are Mr. and Mrs. Lawson (Ham) Holton, Travis McCain of Childress. Great grandparents are Mrs. Carroll Blevins and Dave McCain, Childress and Mrs. Judge Holton of Wellington.

Midway Home Demonstration Club met at the home of Mrs. Russell Hill Wednesday, April 26.

Miss Jean Chandler, extension agent, gave a demonstration on making silk flowers, and afterward, the group tested its skill by making roses.

Mrs. Hill presided, Mrs. Herbert Duncan read the devotional and Mrs. Donald Curry gave the secretary's report.

Those present were Mrs. Curry, Mrs. Charles Cason Sr., Mrs. R.T. Savage, Mrs. Joe Terry, Mrs. Bertha Williams, Mrs. James Masten, Mrs. Claude Cason, Mrs. Cecil Masten, Mrs. Duncan, Mrs. Bob Conway of DeRidder, La., Mrs. Emil Kersten, Mrs. Pat Gulley, Mrs. Van Brandes, and the hostess, Mrs. Hill.

Mr. and Mrs. Jack Nelson have returned from Cypress, Calif. Where they visited their son, Billy Nelson, and his daughters, Amie, Lori and Nancy. They were away two weeks.

### Mrs. C. Hill Hosts Club

The Lillie Home Demonstration Club met Thursday, April 27 at 2:00 pm. in the home of Mrs. Charley Hill.

Mrs. Robert Barjenbruch gave a report on the Texas Panhandle Distinguished Service Awards Luncheon April 22 at West Texas State University, Canyon. Mrs. Barjenbruch was a nominee from the Lillie Club.

Two 4-H Club girls, Stacy Scott and Vanda Wood, presented a skit, "Your Green Thumb," which they plan to give at the 4-H District contest at WTSU later. Miss Jean Chandler, extension agent, has coached the girls.

Mrs. Dudley Phipps, president, called the meeting to order. Mrs. Henry Langford gave the opening prayer and Mrs. Hill read the devotional. The treasurer's report was given by Mrs. L.W. Wells. Roll call was answered with "My First Day at School."

Present were Mrs. Barjenbruch, Mrs. C.R. DeArmond, Mrs. Luther Gribble, Mrs. Earl Hunter, Mrs. Langford, Mrs. Phipps, Mrs. Violet Potter, Mrs. Wells, Mrs. Fred Yarbrough, Mrs. Elmer Haralson, Mrs. Jim Lowe, Miss Chandler, Stacy Scott and Vanda Wood, co-hostesses Mrs. Bura Handley and Mrs. Hill.

### Group Attend RT Workshop

A workshop for the coming year's work for the Retired Teachers was held in the First Methodist Church, Plainview Monday, May 1.

Mrs. Monty Mitchell is the new president and she, Mrs. Ernest Harwell, Miss Maude Coffee, Mrs. Alma Crawley and Mrs. Rufus Sweat attended this workshop.

Mr. and Mrs. Roy Allen of Dinuba, California, visited with his aunt, Mrs. J.L. Hays, Myra and Larlu last Friday. They will be visiting relatives in Oklahoma, Arkansas, Tenn. and Louisiana. They had just returned from a fourteen day trip to Hawaii.

### 1954 Study Club Installs Officers for 1978-80 Term

Installation of 1954 Study Club officers for 1978-1980 was held on Wednesday, April 26 in the home of the club president, Mrs. Lynn Wright.

Mrs. Wright, who will serve another term as president, was in charge of the installation, the theme of which was "Bouquet of unity!"

Each officer received a spring flower. As her name was called she stepped forward to place her flower in a vase and comment on the duties of her respective office.

Other members, not being installed as officers, also participated by adding flowers to the bouquet and commenting on the responsibilities and desired attitudes of individual club members. At the completion of the ceremony, spring bouquet had been formed, a bouquet of

unity.

Officers in addition to Mrs. Wright, president, are: first vice president, Mrs. Lois Ratliff; second vice president, Mrs. Leon Hartman; recording secretary, Mrs. Fred Cox; treasurer, Mrs. A.J. Fires; corresponding secretary, Mrs. R.L. Templeton; reporter, Mrs. Virgil Patterson; historian and federation counselor, Mrs. Johnny Nash.

During the business session, the club presented a check for \$50.00 to Mr. Marshall Peters to be used in purchasing equipment for the Collingsworth Volunteer Ambulance Service.

The final meeting for this club year will be on May 11 at 2:00 p.m. in the Heritage Room of the Wellington State Bank.

Attending were Mrs. A.J. Fires, Mrs. Fred Cox, Mrs.

### NRTA Meets On Monday

The meeting of the County chapter, National Retired Teachers Association, has been changed to Monday, May 8, at 2:00 p.m. in the Heritage Room.

The program speaker will be Curtis Watts, representative of the Amarillo Social Security office. He will discuss changes in the Social Security law and how they will affect teacher retirement.

Bill Hatch, Mrs. Bob Goforth, Mrs. Jerry Nix, Mrs. Virgil Patterson, Mrs. Lois Ratliff, Mrs. R.L. Templeton, and Mrs. Wright.

Troy Gardner of Nashville, Tenn., was here to attend the funeral of Cecil Maten, and to visit with relatives and friends

Mr. and Mrs. Bill Carr, Linda and Terri of Albany were weekend guests of Mr. and Mrs. Frank Boyles and Pauline Bias.

## Mrs. B.M. Sims Installed as President Elect of TFWC

A Wellington club woman, Mrs. B.M. Sims, was installed as president elect of the Texas Federation of Women's Clubs during the recent state convention in Austin.

Her term of office is two years, and at the Austin meeting, she completed her term as second vice president. She was installed by Mrs. Carroll E. Miller of Montana and West Virginia, the immediate past president of the General Federation of Women's Clubs.

The state board meeting was held at the TFWC headquarters on San Gabriel Street.

Major events included the Top of Texas District hospitality hour co-hosted by Mrs. Bill Beale, a 1924 Study Club member, and Mrs. Wood Craig of Sunray.

One evening, an open house honored Mrs. Sims, her installation came on the last night of the convention.

Three Wellington clubs received honors.

For departmental reporting, a parallel of the convention theme, "In the Hollow of Our Hands," was used. This relates to hands and research compiled by Mrs. Chester Fires was used.

Mrs. Sims was dean of departments and reporting. For her report, a visual aid, "Reflections of Reporting," was created by Mrs. Beale.

A committee from Ko Shari Juniorette affiliate of the Texas Federation and General Federation, assembled the state awards list both in 1977 and 1978.

The written resume of Mrs. B.B. Martin, Top of Texas District life member and district chairman of ethics and protocol, merited a second place overall, awarded from Mrs. Ramon Liles, state chairman and TFWC secretary pro tem. Mrs. Martin is a member of Dodson Civic Club.

Under the Texas Heritage Department, Top of Texas Products Division Project, 1924 Study Club received a

first. Under the arts department exhibit, Mrs. Beale received several awards: a first for original toile, a second for embroidery and a second for quilting.

Under Federation Interaction-Liaison, a second in programs went to 1924 Study Club; a first in projects to Dodson Civic Club and a second in projects to 1954 Study Club.

Mrs. Sims announced that the 1979 state convention will be in Houston and the 1980 convention, when Mrs. Sims is due to be installed as president of the Texas Federation of Women's Clubs.

The general federation is meeting at Tucson, Arizona in June 1978; New Orleans in 1979 and St. Louis in 1980.

## Mrs. Stovall Hosts Club

The Quail Friendship Club met Thursday afternoon, April 27, in the home of Mrs. Truitt Stovall.

The guest speaker, Mrs. Nell Champagne of Shamrock, presented the art program.

Members present were Mrs. Monty Mitchell, Mrs. Ira Morgan, Mrs. Orbie Hartman, Mrs. Roy Peggram, Mrs. Jennie Oatman, Mrs. John Bishop, Mrs. Stovall, Mrs. Mary Clay, Mrs. Pat O'Hair, Mrs. E.P. Haynie, and guests, Mrs. Nettie Miller, Miss Grace Wilson, Mrs. Cary Don Neeley, Mrs. Bertha Stephens, Mrs. Pat Shields.

That scientific term, "astronaut" is rather romantic in the original greek. Aston means star and nautes sailor, so an "astronaut" is one who sails among the stars.

## Blanch Fruits, Vegetables For Taste, Texture

Blanch fresh fruits and vegetables before freezing or drying to preserve taste, texture and color.

The process of blanching inactivates enzymes—an enzyme is a catalytic substance that promotes change.

Blanching before freezing and drying is recommended for all fruits and vegetables except green peppers

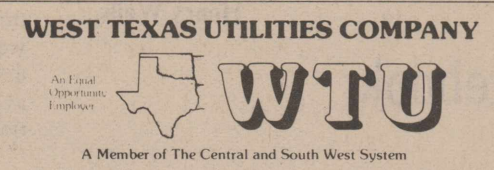

Sounds strange, doesn't it? No one ever thinks about the role electricity plays in making most of our activities possible. But without it, our lives would come to a virtual standstill.

At West Texas Utilities Company, we don't expect you to think of electricity directly each time you turn on the T.V. or cook dinner or wash clothes. But maybe, every once in a while, you'll think of what it takes to make your life so comfortable.

We've aimed our sights in but one direction, year after year — to meet your needs. You may not always think of us, but we're always thinking of you. Because electricity is such a versatile energy source, it will play an increasingly important role in all our lives.

So, when you think about the comforts and necessities of your life, think about WTU. We're dedicated to providing you with a reliable supply of electricity. We hope you'll use it wisely.

Remember, Reddy supplies the energy, but only you can use it wisely!

## Foster Whaley For State Representative

Voters in the 66th District should nominate Foster Whaley as the Democratic candidate for State Representative on Saturday, May 6.

Whaley's record of political savvy gives him a head start when it comes time to work for the things this county needs in Austin. Over 20 years as a county agent and farmer-rancher gives him first-hand experience in dealing with good programs and bad programs that come from the lawmakers in Austin. And that experience will help him to know how a bill will affect citizens in Collingsworth County.

Whaley will be able to devote full time to the job, and being a good legislator is a full-time job.

Whaley's opponent is an outstanding young man and is a fine candidate. But we think Whaley is even better. We urge your careful consideration of the candidates.

Henry Wells

## Political Notebook

### U.S. SENATOR

On a campaign swing through Wellington, Senatorial candidate Bob Krueger said something that has stuck with us: talking about a proposal to deregulate the oil and gas industry (which he helped sponsor), "If we can succeed in getting the government out of the gas regulation business, maybe it would be a start in getting the government out of other phases of our lives." We think he deserves the chance to give it a try against John Tower next fall.

### ASSOCIATE JUSTICE, SUPREME COURT, PLACE 1

O'Neal Bacon has a reputation in East Texas as being one of the most competent, fair and efficient judges around. We think he's preferable to Franklin Spears, a liberal from the old Ralph Yarbrough mold.

### COURT OF CRIMINAL APPEALS, PLACE 2

There's a chance that Sam Houston Clinton may be elected to this spot on the strength of his name. But the former A.C.L.U. lawyer from Austin is not likely to hold the same opinions on law and order as most Collingsworth County citizens. Judge Denzil Bevers in Lubbock is just one of many lawyers and judges around the state urging citizens to vote for Jim Vollers. They believe Vollers is a fair man who will continue to rule on cases in a way that will protect the taxpayers and the victims of crime more than the criminals.

Henry Wells

## You Have a Voice at the Ballot Box, Precinct Convention, Sat.

During the winter and spring, farmers learned they have a voice and can speak out in Wellington, Austin and Washington.

In the Democratic Primary Saturday, May 6, they, and those who are not farmers, can use their voice in another way—by the ballot box. The officials for whom we vote range from nominees for precinct and county officials up to U.S. Congressman and Senator.

It is important to speak out in large numbers Saturday. This is the grass roots we hear about so often.

It is important that we attend the precinct conventions, Saturday, also. The National Democratic Platform has its beginning in precinct conventions like this—thousands of them over the country.

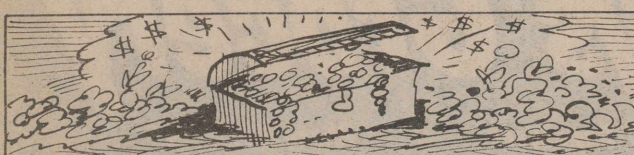

Your voice counts for as much in the precinct convention as that of any other person. If there is something you want the county convention, and ultimately the state convention, to act on, bring your resolution, written out, and present it Saturday afternoon.

It is your first step in making your political voice heard.

Virginia Robey

## STATE CAPITAL HIGHLIGHTS

By Lyndell Williams  
TEXAS PRESS ASSOCIATION

AUSTIN—Texas has one of its hottest statewide elections in years coming up Saturday, but interest is lagging.

Secretary of State Steve Oaks, who has been monitoring registration and absentee voting, predicts the turnout may drop below the modest 29 percent for 1974 primaries.

Oaks said only a remarkable near-deadline upsurge in absentee voting would give reason for reassessment of low-participation calculations.

According to Oaks' prediction, the Democratic primary turnout will be in the 1 million to 1.2 million range. About 1.5 million voted in 1974. Oaks' office previously had indicated as many as 2 million (still an unspectacular turnout) would vote Saturday.

None can predict accurately the Republican primary turnout. Oaks is sticking with a 100,000 to 150,000 projection, but some Republicans think the primary may attract fewer than 100,000. Only 69,000 voted in 1974 when there were no spotlight contests on the GOP ballot.

Voting in both parties shot upward in 1976, of course, due to the first Texas presidential preference primary.

There are now about 5.5 million registered voters, according to Oaks' staff estimate. Deadline for registering to vote in the May 6 primary was April 6.

Absentee voting continued through Tuesday of this week. It was reported about average in Dallas, but below average in many other counties.

### Bases Closing?

The Carter administration has proposed closing Good-

fellow Air Force Base in San Angelo and trimming personnel at Fort Bliss near El Paso by 608 military and 41 civilian jobs.

The plan will be under study by the Pentagon for about 10 months, and could be blocked by Congress.

Gov. Dolph Briscoe has urged top federal officials to reconsider the plan.

Briscoe argued a strong case can be made against the reductions, and said "cost effectiveness of these bases is such that they actually merit expansion, not reduction."

The Goodfellow security training center would lose 375 military and 225 civilian jobs. Fort Bliss is a 35,000-military personnel installation.

Nationwide, the cutback plans would affect 14,600 military personnel and 8,600 civilians.

### Program Cleared

A \$20.9 million program for 387.7 miles of Farm and Ranch to Market roads has been approved by the State Highway and Public Transportation Commission.

The 1978 program includes 80.1 miles of new construction and funds for completion and further development of the remaining miles. A total of 127 projects are included. The all-paved Texas system of farm to market roads now extends more than 41,000 miles.

At the same time, the commission also approved a \$5.8 million 1978 railroad signal program for the federal highway system, subject to Federal Highway Administration approval. It includes 94 projects in all sections of the state.

Most of the projects involve railroad crossings on federal-aid urban system streets. Others are on federal-aid primary and secondary highways. The projects will be funded 90 percent by federal money and 10 percent from the state highway fund.

### Courts Speak

The Texas Supreme Court has directed district judges to leave child custody controversies in hands of original divorce courts.

In other action, the high court:

—Set review of a case involving the issue of whether a tire test driver, killed when

a tire blew out, is a consumer under the products liability law.

—Held a waitress killed in an auto accident on her way home from work at 2

a.m. was not entitled to workers' compensation benefits.

# You Can Be Heard In Washington.

On May 6th, Texans can have more than just a vote in the U.S. Senate. You can have a voice.

Bob Krueger is a national leader who can speak for the people of Texas in the U.S. Senate. His voice is heard and respected in Washington.

## Krueger on:

### Agriculture:

"I co-sponsored the Flexible Parity Act, voted for the 1978 Emergency Agriculture Act, and have introduced strict beef import legislation."

### Inflation:

"The only real way to halt inflation is to hold government spending to a constant level, work vigorously toward a balanced budget, and allow the real growth in our economy to take place in the private sector."

### Taxes:

"I will introduce legislation which would insure that every American, regardless of tax shelter, will pay some income taxes. My 'Fair share tax plan' would help relieve the tax burden on middle income families and small businesses."

### Energy:

"While Texas consumers have been hit with higher utility bills, we have been subsidizing the rest of the country with cheap energy. We must have an energy program that doesn't discriminate against the consumers and producers of Texas."

### Right To Work:

"I strongly favor the Right to Work law and will fight to keep it."

## Mrs. Truman Estes Selected B&PW District 10 Woman of the Year

Mrs. Truman Estes, nominee of the Wellington Business and Professional Women's Club, has been named District 10 Woman of the Year.

Mrs. Bessie Nelson, District 10 Director, Texas Federation of Business and Professional Women's Clubs, notified the Wellington president, Mrs. Billy Williams of the selection. Other nominees were from

the Bowie B&PW Club and the Metropolitan B&PW Club of Wichita Falls.

Mrs. Estes will represent District 10 at the state convention in Galveston in June 23 to 25, competing with nominees from the other 14 districts in the state.

The Wellington Club met Tuesday, April 25, for their regular meeting. Miss Myra Hays was chairman and Mrs.

Claude Smith co-chairman for the program. Decorations were spring flowers with napkins and program booklets carrying out this theme. Members of the club joined Miss Hays in the collect and the pledge to the flag.

Mrs. Claude Smith spoke on the subject: "Change, Wife Abuse" and told that wife beating is a widespread crime that has been ignored until recently. In New York State alone, 14,000 wife beatings reported to the police in 1973, she said.

Mrs. Novella Word, brought two sixth grade students Aaron Barton and Todd Roberson to give speeches for the group.

These club members were present: Mrs. Goldie Barnett, Mrs. Pauline Bias, Mrs. Estes, Mrs. Jerry Ferguson, Mrs. Bura Handley, Mrs. J.C. Hartman, Mrs. Pearl Harwell, Mrs. Ernest Harwell, Miss Hays, Mrs. Don Hendrix, Mrs. Jimmy Kelso, Mrs. D.R. ### Buy Shrimp By Count

Buy shrimp by "count" rather than descriptive terminology often varies between retail outlets, advises Annette Reddell, seafood consumer education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

What is described as "large" shrimp by one merchant may be defined as "jumbo" by another, she explains.

Ordering by count also allows accurate price comparison

Miss Lyn Powers of Dallas and Stan Bratten of Tishomingo, Oklahoma, will exchange marriage vows at 7:30 p.m. Saturday, May 13, at 8309 Watercross Drive, Fort Worth.

Miss Powers is the daughter of Mrs. Nell Powers of Jasper and the late Clark Powers. Parents of the prospective bridegroom are Mr. and Mrs. L.B. Bratten of Wellington.

Miss Powers is a graduate of Jasper High School and has a degree in home economics from Stephen F. Austin State University in Nacogdoches. She is employed as a flight

attendant for Braniff International Airlines and is based in Dallas.

Her fiance is a graduate of Wellington High School and attended West Texas State University. He is employed by P&M Sales Company of Tishomingo.

The couple will live in Dallas.

## Hatch to Speak at SBA Meet

Mayor Bill Hatch will be a program speaker when the Lubbock District Office of the Small Business Administration holds a business workshop in Childress Monday and Tuesday, May 8 and 9.

It will be conducted in two evening sessions from 7:00 to 10:00 p.m. in the city council room at Childress City Hall.

Workshop sponsors are the Childress Chamber of Commerce, SCORE (Service Corps of Retired Executives) and SBA. Interested Wellington people are urged to attend.

Hatch will speak at the

Tuesday session, discussing "So You're Going into Business?"

Philip J. O'Jibway, district director of the Lubbock office, SBA, said topics for the Monday evening session will include personal factors, "How Do You Measure Up?", financial factors, "What Your Lending Agency Wants to See", and business regulations, "Let the Records Speak." Other Tuesday topics to be discussed are "Merchandising", "State Tax Regulations," and "Insurance."

There will be a discussion

on advertising, "Securing the Proper Exposure," and one on salesmanship, "It's Up to You to Sell It." A short film will be shown each evening.

The discussion leaders are specialist in problems relating to small business, and are interested in providing information to assist in the development of new business, said O'Jibway. They emphasize that many business problems can be avoided because they are caused by lack of management experience and know-how.

Fee for the two-evening program is \$3.00 to cover

## IF YOU SMELL NATURAL GAS, FOLLOW THESE 3 STEPS TO SAFETY.

The natural gas industry has an excellent safety record.

The fact that you can smell natural gas is because we add a harmless chemical to it as an extra safety feature. Otherwise, it would be completely odorless. If you detect faint whiffs of what you think may be gas, investigate. It may be something that is as easily and safely corrected as a pilot light that has gone out, or a burner valve that's partially open.

If your equipment seems to be working properly and the odor intensifies and seems to be everywhere, please follow these precautions:

1. Do not switch anything electrical on or off. Do not use the telephone in your own home. Do not strike a match. Do not do anything that might cause a spark.
2. Have everyone leave the house immediately, leaving doors open to help ventilate.
3. Go to a nearby telephone and call Lone Star Gas Company. Wait until we have found the source of the odor to determine whether it's safe for you to return to the house.

You may never have a natural gas leak, but we want you to be informed in case one does occur. Please make sure your family is aware of these precautionary steps. And we suggest that you keep this message for future reference.

## SI PERCIBE OLOR A GAS NATURAL OBEDEZCA ESTAS 3 NORMAS DE SEGURIDAD.

La industria del gas natural tiene un récord de seguridad excelente.

El hecho de que Usted pueda percibir el olor a gas natural se debe a que se la ha añadido un producto químico extra, que no es nocivo. De lo contrario, el gas no olería. Si detecta ciertas ráfagas de olor que cree son producidas por escape de gas, investigue. Es posible que se pueda corregir fácilmente y sin peligro, por tratarse de que una llama-piloto se ha apagado, o que una válvula de algún aparato está parcialmente abierta.

Cuando suceda que a pesar de que su equipo aparentemente funciona bien, pero el olor a gas se intensifica y se siente en todas partes, entonces siga estas precauciones:

1. No conecte ni desconecte ningún aparato eléctrico. No use el teléfono de su casa. No prenda fósforos. No haga nada que pueda producir chispas.
2. Haga que todos salgan de la casa inmediatamente, dejando las puertas abiertas para que se ventile.
3. Vaya a un teléfono cercano y llame informando a la Compañía Lone Star Gas Co., y espere hasta que los encargados de la Compañía investiguen las causas y determinen si se puede o no retornar a casa.

Es muy posible que Usted nunca tenga que enfrentarse con escapes de gas, pero queremos informarle por si acaso le sucede alguna vez. Asegúrese que toda su familia conozca estas normas de seguridad. Le aconsejamos también que guarde este aviso como referencia para el futuro. Gracias.

# A State Income Tax. A Hangman's Noose For Texas.

If you think taxes are choking you now, consider the possibility of a State income tax. It would be a noose around your neck. Around the neck of every Texan. And around the future of Texas.

A vote for John Hill is a vote for:

- bigger government.
- more government spending.
- more inflation.

AND FOR A STATE INCOME TAX.

A vote for Dolph Briscoe is a vote for:

- fiscal responsibility
- less — not more — government.
- continued economic growth.

AND FOR NO NEW TAXES.

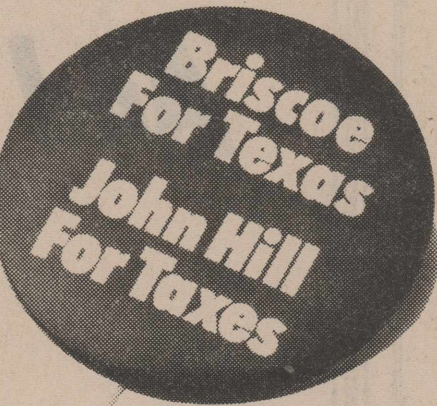

- We don't need New York-style government in Texas.
- We don't need Washington-style bureaucracy in Texas.
- And we don't need a big spending liberal activist as Governor of Texas.

LET'S KEEP DOLPH BRISCOE AS OUR GOVERNOR.

"We are already footing the bill for run-away government in Washington. As Texans we should not have to foot the bill for run-away government in Austin.

"I don't think Texas should spend itself into a state income tax. That is exactly what will happen if Mr. Hill fulfills only some of his political promises."

## No Republican Primary Here

There will be no republican primary election in Collingsworth, Chairman Don Tarver of Quail said Tuesday.

Lack of interest brought this decision, he said.

Of the Republican candidates, Bill Hale, Floydada merchant running for state representative from the 66th district, has visited Wellington several times during his campaign.

U.S. Senator John Tower

brought his campaign here early in his campaign, his first visit to Wellington since he was elected to that office 18 years ago.

No other candidates have campaigned here.

## Wellington Boys, Memphis Girls Win

Wellington boys and Memphis girls won the District 2-A Junior High Tennis Tournament, held Monday, May 1, at Ellison Park Courts.

Junior High teams do not advance beyond the district level, according to Coach Ronnie Glenn, tournament director.

In boys singles, Wellington's two top junior players, Brent Long and Lynn Bartlett faced each other in the finals. Long won 7-5, 7-5, and Bartlett took second place.

Third place went to Foster of Memphis.

In the first round, Long defeated Hill of Clarendon 6-0, 6-0, then went on to defeat Foster in the semi-finals.

Bartlett drew a bye in the first round and took a 6-3, 6-0 victory over Hays of Clarendon in the semi-finals.

Hardin of Clarendon won the girls singles defeating Whitten of Memphis 1-6, 7-6, 6-0.

In the first round, Hardin defeated Lisa Powell of Wellington 6-0, 6-0, then won over Davis of Memphis 6-0, 6-0. Whitten first defeated Johnston of Clarendon 6-0, 6-0, then downed Jannon Thomason of Wellington 6-0, 6-3. Davis took third place by defeating Thomason 6-4, 6-1.

Opening the girls doubles division, Richardson and Montgomery of Memphis defeated Debbie Bergvall and

Melanie Pendleton of Wellington 6-3, 6-3, and in the semi finals they took the match from Petty and Kotora of Clarendon 6-0, 6-0.

Fisher and Hernandez of Memphis defeated Norman and Wilson of Clarendon 6-0, 6-0 in the first round, then in the semi-finals won over Carla Nunnelley and Ruth Ann Alexander of Wellington 6-1, 6-1.

The two Memphis teams met in the finals with Fisher and Hernandez taking the match 6-1, 6-4.

Third place went to Nunnelley and Alexander on a win over Petty and Kotora 6-1, 6-0.

Floyd and Mejia of Memphis took the boys doubles title from Tim Harris and Bill Reeves of Wellington 6-2, 5-7, 6-4.

Harris and Reeves had a bye the first round and defeated Bryant and Day of Clarendon

6-0, 6-0 in the second.

Floyd and Mejia played Lance and Newland of Clarendon to a 6-3, 6-0 win, then in the semi finals defeated Wade Williams and Bruce Alexander of Wellington 6-3, 7-5.

Williams and Alexander came in third with their defeat of Bryant and Day 6-0, 6-0.

Only Wellington, Memphis and Clarendon have junior high tennis teams in UIL play. Shamrock does not offer tennis and Claude Junior High does not play in 2-A.

Although two more schools will be added to District 2-A next year, when Claude leaves the league, it is not certain yet this will help the junior high tennis situation, said Coach Ronnie Glenn.

On the junior high level, White Deer and Panhandle will have the option of competing in the 2-A, or in some other district.

### Trio Attends UDC Ceremony

Three county women, Mrs. B.B. Martin of Dodson, Mrs. C.O. Bodine and Miss Maudie Coffee, were in Childress Sunday, April 23, to attend the annual ceremony commemorating Confederate Memorial Day, which is April 26.

This was given by the Childress Chapter No. 1845, United Daughters of the Confederacy, and the Sarah Elizabeth Underwood Chapter No. 670 of Children of the Confederacy, at the Calvary Baptist Church.

Miss Tops Gilreath of Memphis is UDC president.

Miss Coffee led the Pledge of Allegiance to the United States Flag. She was also in charge of registration and placed a wreath in memory of the Gray Soldiers. Mrs. Martin was in the cast of a playlet, "When Grandfather Followed Lee," for which Mrs. Bodine was the narrator.

# Henards Celebrate 30th Year at Wellington Livestock Commission

New pens at Wellington Livestock Commission are nearing completion this week. On the rail from left are Jim Henard, Dudley Coleman and Billy Henard. Standing from left are Jo Rita Henard, Gail Henard Coleman, Rusty Henard and Bill Henard.

It's a family affair. It's been that way for thirty years.

Thursday noon at the sale barn, 700 head of cattle to be sold. Henards everywhere. Jo Rita working sales forms. Jim tagging calves. Johnny at the scales. Debbie in the office. Billy in the pens. Gail behind the window. Rusty trying to keep everyone confused and Bill trying to keep everyone straight.

Last Thursday, April 27 marked the 30th anniversary for the Henard family at Wellington Livestock Commission. Edd (Rusty) Henard and his brother John Robert Henard, Jr. bought the commission company from Joe Rountree and held their first sale on the last week in April, 1948.

And 30 years later, Edd and his sons, Jim and Billy (who bought out John Robert's interest in 1976) are completing a renovation and enlarging

program that will triple the company's capacity. New steel pens that have been in the works for a year will be completed next week.

The new pens can handle 3,000 head at a time, and the company can feed and water 1,500 at once, Henard said. Before remodeling, capacity was about 800.

An average of 700 cattle per week are moving through the auction since the new pens have been built. "About 400 to 500 was all we could handle well before," Henard said.

Rusty Henard has seen 'em sell high and seen 'em sell low, but the most dramatic change in price came from the highs of 1952 down to the lows of 1953-54. "Cows went from 42 cents/lb. in '52 to 7 cents/lb. in '53," Henard said. "And 300 lb. choice stocker calves dropped from \$1.02/lb. to 22 cents/lb. in less than a year."

Cattlemen regularly bring their cattle to market in Wellington from Donley, Hall, Wheeler, Motley, Cottle, Gray, Childress, Hemphill, Armstrong, Lipscomb and Collingsworth counties in Texas and Harmon, Greer and Jackson counties in Oklahoma. Cattlemen from as far away as Amarillo and Oklahoma City sometimes sell their cattle in Wellington. And five order buyers and two packers regularly buy at the auction in addition to ranchers.

All the people who help put on the auction each week seem like part of the family. Haskell Baggett has been at the sale barn for 30 years, Joe Blackshear for 18, and Jane and Richard Nall have helped out for 14 years.

There have been only three auctioneers in the 30 years. Cleatus Calloway sold the cattle for 28 years, then Tommy Denton sold for a year

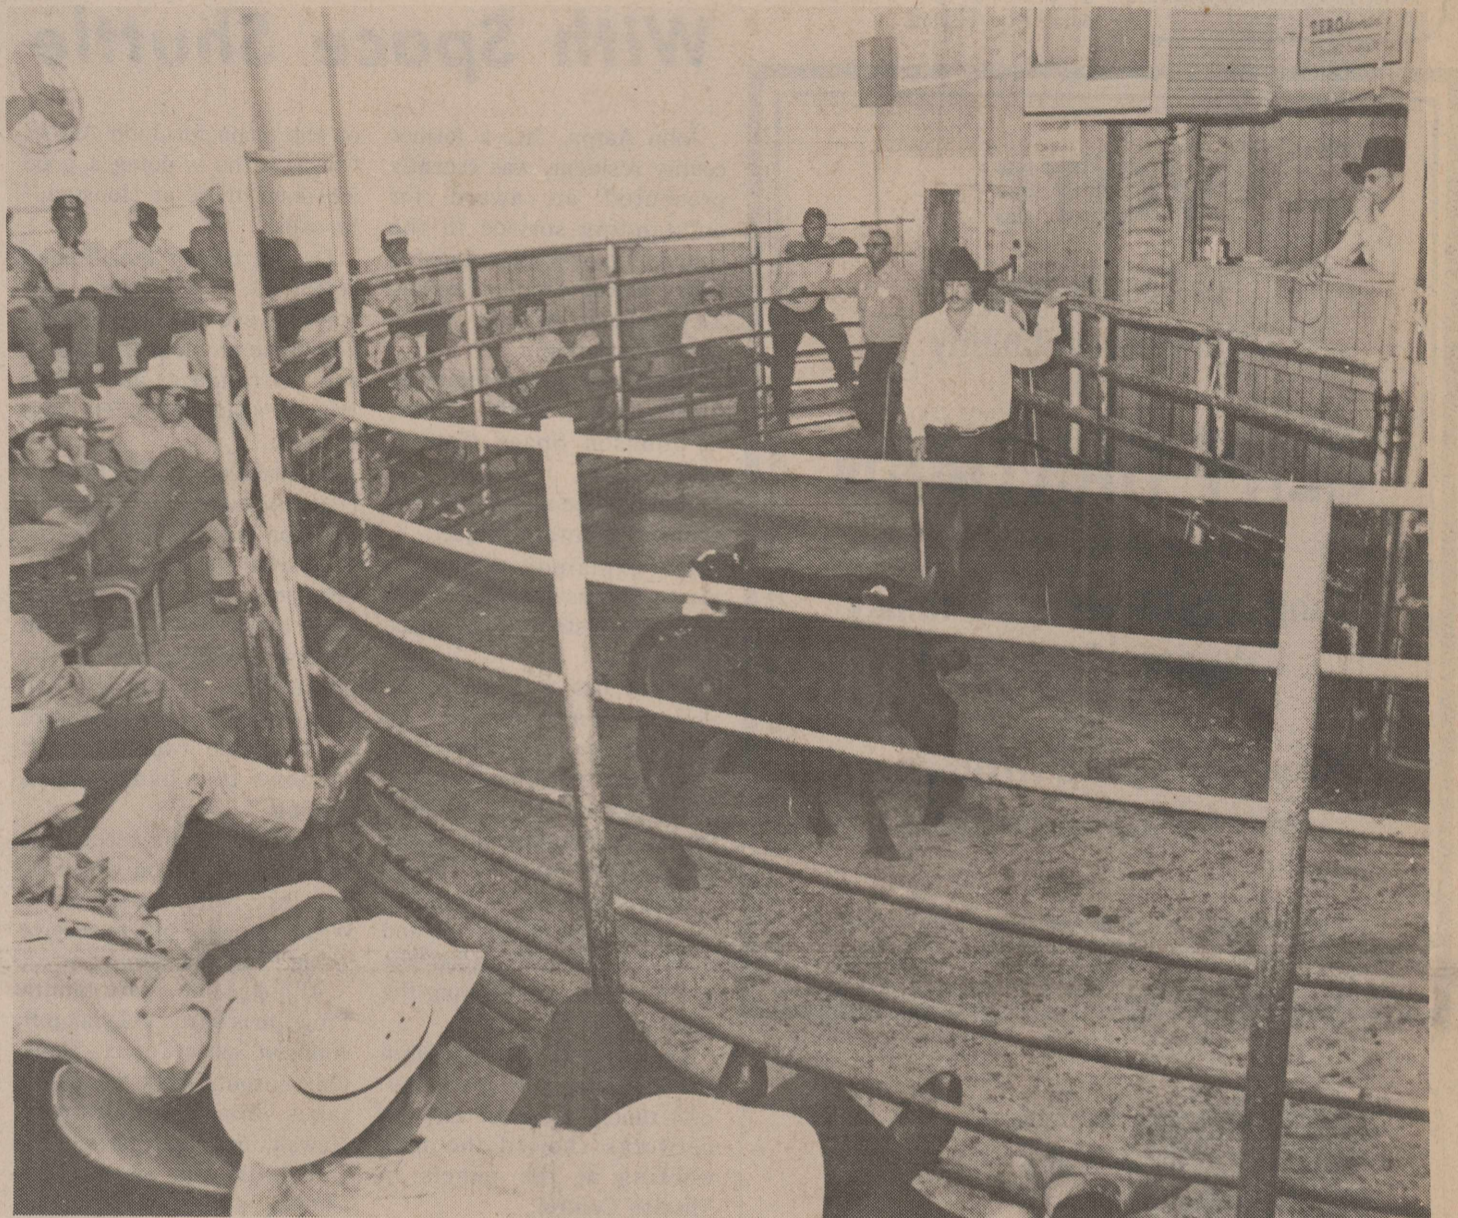

**SAVE YOUR PAPERS**

I am recycling old newspapers to help pay for my band trip to Europe this summer. Call me at 447-2863 and I will come by and pick up your stacks of newspapers for recycling. Thank you, Allen Murdock

**AUCTION**

At right, auctioneer Dave Clugy sells a pair of calves as Billy Henard shows them off and Rusty Henard, back, looks on.

THE WELLINGTON (TEXAS) LEADER

## Your County Judge Must Be:

**A LEADER**

For over five years Watson has served the people of Collingsworth County in providing better services to our youth who have been in trouble. He is presently working to provide adequate detention facilities as Project Director of The Collingsworth/Hall Counties Jail/ Detention Program. He has worked in upgrading the Collingsworth Volunteer Ambulance Service to one of the best in the state. He has 20 years experience in Law Enforcement and over 450 clock hours of inservice training giving him knowledge of the Law and Court Procedure.

**CIVIC MINDED**

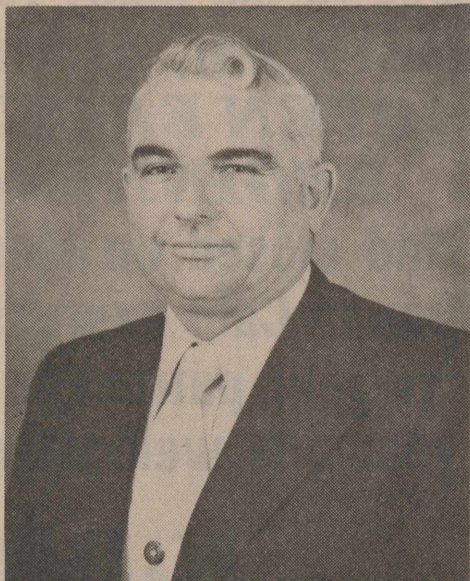

Bobby Jack believes in Collingsworth County. He is active in church work and civic organizations, having received awards from The Kiwanis Club and the Ambulance Service for Outstanding Community Service. He will work and cooperate with all the people.

**A CHURCH WORKER**

Bob is active in the Church of Christ where he serves as one of the Elders and is presently teaching a teenage Bible class. While attending Abilene Christian University his minor was in Bible having obtained 16 college credits in this field. He is presently serving as a member of the board at Westview Boys Home.

**A PUBLIC SPEAKER**

Bobby Jack is in demand as a speaker at civic, church and school groups in this area. He is also an instructor at Clarendon College and for the American Heart Assn. At present he is serving as a resource (training) officer for the Probation Training Project at Sam Houston University.

"A child that has been taught the laws of God will have little difficulty in respecting the laws of man." — Bob Watson

**A BUSINESS ADMINISTRATOR**

Watson is knowledgeable in preparing budgets and in the necessity of living within them. His college major was in Business Administration. He has put this knowledge to work as: Park Superintendent for the Texas Parks & Wildlife Department; Chief of Security of Abilene Christian University; Project Director of the 100th District Probation Department. He has served the last 4 years as President of the Collingsworth Volunteer Ambulance Service.

**CONCERNED WITH ROADS**

During this campaign Bobby Jack has traveled most of our county roads and believes that we must continue to work and improve them to enable our farmers and ranchers to bring their products to market. He believes that the next major blacktop should be to the Baptist Encampment.

**ABLE TO WORK WITH P.R.P.C. (Panhandle Regional Planning Commission)**

Bobby Jack has been active in working with P.R.P.C. He is presently serving as advisor to the Panhandle Emergency Medical Services System and as a member of the Texas Panhandle Employment and Training Planning Council. He has served as a member of the Criminal Justice Board and the Alcohol/Drug Board. He is working for Collingsworth County.

**INTERESTED IN YOU**

I have attempted to contact each person. However, due to pressing Juvenile problems in other counties I have not been able to contact each of you. I would like to serve YOU as YOUR County Judge. I like to work with people and believe that the County Judge must be able to work with people in helping them solve their problems.

CHRISTOPHER C. KRAFT- JOHN AARON, JR.

**Aaron Receives Award for Work  
With Space Shuttle Program**

John Aaron, Jr., a former county resident, was recently presented an award for outstanding service in the completion of work associated with the Approach to Landing Test phase of the Space Shuttle program.

The award was presented by Christopher C. Kraft, director of Johnson Space Center, Houston.

Aaron is the manager of the Onboard Software Project.

He explained that this means he was in charge of the computer system on the space shuttle.

Aaron has worked at the Space Center since he graduated from Southwestern Oklahoma State University, Weatherford, Okla., in 1964.

During the Gemini and Apollo flights, he was the flight systems engineer in Mission Control Center at Houston and monitored and managed the space craft system during the flights.

County residents saw Aaron on television newscasts several times when the national networks showed the men working at the panels in Mission Control.

In 1967, as the astronauts on Apollo 8 were circling the moon on Christmas eve, they read a passage from the Bible.

During this flight, one of them named a crater, described as a fairly large one,

on the moon for John Aaron, "because he is doing a good job down there at Houston," he said.

On the trip of the ill-fated Apollo 13, it was Aaron who was able eventually to find the key to the problem of bringing the astronauts and their crippled spaceship safely back to earth.

According to B. Richard Lewis in his book, "Appointment on the Moon," "It was he (Aaron) who recognized the need to cut in the secondary water boiler to cool the ship on its first revolution around the moon. The emergency had eluded the crewmen who were glued to the two spacecraft windows that had escaped fogging."

For this, Aaron received a presidential citation which he and his wife traveled to Washington for him to receive at the White House.

Although the Space Shuttle Program is based at Lyndon B. Johnson Space Center, Houston, Aaron's work frequently takes him to California, Hawaii, and other parts of the U.S., said his sister, Mrs. Clinton Norman of Dodson.

Aaron was born in Wellington in 1942, while the family lived at Quail. He is the son of Mrs. John Aaron, now of Matador, and the late Mr. Aaron.

He attended school at Quail

and Dodson when the family was at Fresno, and in his freshman year of high school, they moved to Vinson. He graduated there in 1960.

Aaron is married to the former Cheryl Hart of Vinson and they have two children, John and Kim.

He relaxes from his work at the space center by deep sea fishing in the Gulf of Mexico, deer hunting in Colorado, or sometimes quail hunting in Collingsworth County.

The family goes camping frequently.

**March Bond  
Sales \$13,326**

March sales of Series E and H United States Savings Bonds in Collingsworth County were reported today by County Bond Chairman Billy F. Moseley. Sales for the third-month period totaled \$18,755 for 23 % of the 1978 sales goal of \$80,000.

March sales totaled \$13,326. Collingsworth was the second high county in 8-county District 2.

Texas sales during the month amounted to \$26,644,081. While sales for the first three months of 1978 totaled \$77,564,628 with 25% of the yearly sales goal of 306.6 million achieved.

**Burglars Enter  
Both Dodson  
Gin Offices**

Burglars entered the offices of both Dodson gins Tuesday night, April 25, but insofar as the managers can determine, nothing was taken at either place, according to Sheriff John Rainey.

Both officers and gin managers believe the burglars were hunting Treflan, and neither gin had any in stock.

At the farmers Co-op Enterprises, the burglars broke the glass pane from the east door and reached inside to unlock it. John Barton is the manager.

At Davis Gin, where Grover Graham is manager, the bottom part of the south door was broken loose.

The ancients believed rubies were antidotes to poison. There are some 70 pyramids remaining in Egypt.

Texas Doesn't Need a

"No New Taxes"...

Texas Needs a Governor Who  
Will Reduce Taxes!

Texas Needs Preston Smith.

Texans have paid too much in taxes!  
For the last six years Texas has been operating with a tax surplus that has skyrocketed to more than 2 Billion dollars.

It's easy for other candidates to say "no new taxes" when they have been taking more money out of your pocket than is needed to run your state government.

You've been overcharged!  
Preston Smith will reduce taxes.

- Preston Smith will improve Texas schools!
  - Preston Smith will implement a state energy program!
  - Preston Smith will strengthen agriculture in Texas!
  - Preston Smith will fight the rising crime rate!
- Preston Smith will return pride in state government!

Incumbent Justice T. C. Chadick is the overwhelming choice of fellow lawyers throughout Texas; has been endorsed by the Houston Chronicle, Waco Tribune Herald, San Antonio Light, Fort Worth Star-Telegram, Dallas Morning News, Dallas Times Herald and many other newspapers throughout the state; by the Dean of the Texas Senate, A. M. Aikin; by Baylor University President Abner McCall; by 10 former Supreme Court Justices; and literally hundreds of informed people throughout the State.

In Texas, we've learned the bitter lesson of voting for a well known name, rather than a well respected and qualified candidate for this highest court position. Let's don't make the same mistake twice.

1. I believe the taxpayer needs better representation and not more taxation.
2. The Texas Legislature has passed a bill making it possible for the Commissioner's Court to put into effect a retirement system for County elected officials.  
This retirement system, once put into effect, will be a permanent expense and burden to the taxpayer.  
I am opposed to this retirement system which is currently being advocated by some Commissioners.
3. I believe there is room for improvement in the present system. I believe your Commissioner should take a more active part in serving the people.

**Hospital Board Organizes, Retains 70 Cent Tax Rate**

Collingsworth General Hospital board was reorganized Monday night, April 24, after four re-elected members took office.

Returning to the board were Bill Janes, Lyman Daniel, Otis Emmert and Tom Cunningham.

Emmert was re-elected president of the board, Clyde Drake vice president and Cunningham secretary.

Hold-over members are J.C. Howell, Drake, and Truett Holland.

The board voted to keep the same tax rate, 70 cents on a \$100 valuation on a motion by Cunningham and second by Drake. The unanimous vote came after the board decided that little if any benefit could come from raising the rate to the 75 cents limit.

Seven doctors and a dentist were approved as members of the hospital staff, after filing necessary credentials.

On the active staff are Dr. Carter Holcomb, chief of staff; Dr. Charles B. Jones and Dr. Reynaldo P. Perez. Courtesy staff members are Dr. Roy C. McNett, DDS, Dr. Donald Blacketter of Shamrock and Dr. O.R. Goodall of Memphis.

Dr. Jose Diaz Esquivel is the consulting pathologist and Dr. William L. Reed the consulting radiologist.

The board looked at the record of falling number of patient days, due to circumstances the hospital could not control. Contributing factors were the necessary absence of Dr. Perez from his practice for a four-months period and a fire at the clinic which made it difficult for both doctors to practice for 50 days.

Dr. Holcomb pointed out that with warm weather here, and no epidemic illness in progress, a drop in patient days could be expected.

Patient revenue for the fiscal year is down \$24,927.39 from the same date in 1977, the financial statement shows, but at the same time, expenses have been cut \$21,173.35 from the same date a year ago.

At this time, the hospital is showing a net loss of \$3,167.97. Board members did not look on this as serious as the hospital is only six months in its fiscal year.

Charles Floyd reported on his 18 months as hospital administrator. He explained building and equipment re-

novation and upgrading and told the board he was proudest of his upgrading of the hospital staff.

He cited as an example that the nursing staff has moved from two registered and three licensed vocational nurses to 5 registered and 5 LVN nurses. The total nursing staff has been cut from 25 to 20 without affecting patient care. All but two have had ECA and CPR training and several have had EMT training.

The total number of employees has been dropped from a high of 43 full time equivalent employees to a current low of 34.

"The thing I am proudest of is that everybody is certified or trained for what they are doing," he said.

Dr. Holcomb added that "We are extremely fortunate to have Charles. He has a finger on the pulse of everything better than anyone I've known."

Some say lightning will not strike elm trees. The first U.S. census was taken in 1790.

**John Hill Opposes State Income Tax**

When he announced for Governor, Attorney General John Hill said that he would oppose — and would veto — a state income tax or any other new tax bill. He has repeated that pledge many times since. Anyone who says that Hill would support a state income tax is just trying to mislead the public.

As Attorney General, John Hill cleaned up political corruption in Duval County, sued the phone company to stop an increase in rates and worked for a national energy policy that would be fair to Texas.

As Governor, John Hill will use the state's budget surplus to reduce property taxes and to help pay more of the cost of our public schools. There will be no state income tax and no other new taxes if Hill is elected Governor.

MATURITY OF JUDGEMENT  
A Proven Record of  
Accomplishments

**THE PLEDGE: "I will not solicit, I will not accept any of the Austin or down state lobby money in my race for State Representative."**

YOU SEE, if FOSTER WHALEY took money from the special interest groups down state and then voted against them, he would betray the special interest groups. ON THE OTHER HAND, if FOSTER WHALEY took money from the special interest groups down state and voted against the people of the 66th District, he would betray the people that elected him.

A VOTE for FOSTER WHALEY for STATE REPRESENTATIVE will insure clean government in the 66TH LEGISLATIVE DISTRICT.
