SIXTIETH YEAR | Sonora, Texas, Friday, December 2, 1949 | SEVENTH WEEK

## . . . Son of a gun . . .

Writing a column for a weekly newspaper is sort of like wearing a shirt. You wear it a week and then you have to dig out a new one. But the trouble with the column is you don't know where to start digging some weeks. So you pick a subject to get "warmed up" on and then keep digging until you have taken care of all the trivia you had in mind for that week. This week we will start off with the subject of honey because it's something everybody is interested in. Husbands and wives call each other honey, stores sell it, people eat it, bees manufacture it, and somebody once wrote a song about it (Da-de, da-de, daaa-Honey).

Therefore we invite you to consider that the honey bees of Texas may have chalked up their greatest production record in 1949-a total yield of nearly 14,000,000 pounds of honey. An average of 45 pounds per colony, and over twice last year's yield. For out-of-state readers we add that the little busy bodies did a proportionately fine job the nation over.

—(?*½$*?)—

Published recently in the Whitewright Sun, a Grayson County weekly up near Sherman, is the following verse entitled, "Oh Yeah!" and which might well be retitled, "The Whine of the Ancient Editor" with proper apologies to the descendents of Samuel Taylor Coleridge:

They find fault with the editor,
They say he should be shot.
The news sheets are as peppy
As a cemetery lot;
The staff shows faulty judgment,
The jokes, they say, are stale,
Some stories are so jumbled
We can't make head or tail,
But when the paper's issued,
(We can say with a smile),
If someone doesn't get one,
You can hear him yell a mile.

—(?*½$*?)—

Lea Allison of Sonora recently purchased nine purebreed Aberdeen-Angus bulls from Young & Ricks of Lampasas. Allison is switching from Herefords to Angus cattle.

—(?*½$*?)—

Seems like the county's best hunters are the young people. Last week we reported kills made by two 10-year-olds, Nancy Wilson and Tommy Espy. This week Betsy Ross, 12, daughter of Mr. and Mrs. Joe B. Ross, got a nice 8-pointer at about 125 yards. Last year both she and her brother, Joe David, brought in bucks.

—(?*½$*?)—

Plans are already being carried out for Sonora business and residence Christmas decorations. First business to decorate its windows is the Home Gas Company, where Mrs. Raymond Morgan has installed a double-window display of the Scene of the Nativity. The figurines and background are very attractive and seem to set the tone for this year's decorations.

—(?*½$*?)—

Who is your favorite columnist? Walter Winchell? Hedda Hopper? Or perhaps Drew (Ugh!) Pearson? Our favorite columnist is a man you probably never heard of -- Tom Payne of Nicholas County, Kentucky, who is a "corresponder" for the Nicholas County Star and the Paris Kentucky-Citizen. As you will discern in a moment, Mr. Payne has not worried too much about spelling and grammar, but his observing eye is as sharp as a razor and his veracity is unquestioned for the simple reason that when he doesn't know something to be true he says so.

His columns have appeared in several metropolitan dailies, the New Yorker Magazine, and in several Kentucky dailies. Here are a few samples:

"Joe Hughes said he was fishing for big fish and he caught a muserat. I don't kanow whar that is true or not."

For short and sweet sports reporting, we quote this:

"Sharpsburg went to Morehead to play basket ball and they got beate but I didn't learne the score."

On public affairs:

"Thay say there will have some tellphons around the naberhood and that is sompson we need." "I guess Dog Walk will soon have electure light. They have unloaded the poles. But that is no sine of a duck nest to see fethers."

## 25 Students Make Honor Roll At High School

Twenty-five Sonora high school students were named on the honor roll as the six weeks grades were posted Wednesday. Honor roll requirements have been changed this year to include only all A students and students who make all A's and only one B. Formerly, those who made A's and B's were included. The tightening of requirements has increased competition school authorities say.

Senior Class: All A's — Ernest Stephen. All A's and only one B: J. R. Caldwell, Jo Ann Gardner, Norris Loeffler.

Junior Class: All A's — Enedina Chavez, Flora Dell Davis, John Howell, Martha Renfroe, Onita Smith and Blanche Taylor. All A's and only one B — Geraldine Peitchinsky.

Sophomore Class: All A's — Nancy Neill. All A's and only one B — Inez Chalk, Esther Chavez, John Stanley Hamby, Jimmy Morrow, Jack Ratliff.

Freshman Class: All A's — Maxine Ballard, Marilyn Mittel, Joe David Ross, Billy Scott. All A's and only one B — Oscar Carpenter, Nettie Kisselburg.

Eighth Grade: All A's — Bill Ratliff.

Seventh Grade: All A's and only one B — Ralph Copeland, Betsy Ross and Rose Alice Turney.

### BAND WANTS TO USE OLD INSTRUMENTS FOR TRAINING PROGRAM

The Band Parents' Club is starting a drive this week to borrow band instruments for use in training the younger members of the high school band. According to Boyd Lovelace, president of the club, old instruments and even those that can be repaired are wanted for training purposes. Lovelace said Wednesday that the club would have broken instruments fixed and would return them to the owner at the end of the year.

Anyone able to help is asked to see H. R. Hay or Lovelace.

## Weekly Swing of SOUTHWEST FARM MARKETS

PRODUCTION AND MARKETING ADMINISTRATION, U. S. D. A.

Southwest farm products sold in mostly steady to stronger markets during the past week, the U. S. Department of Agriculture's Production and Marketing Administration reports.

Prices of cattle and calves were mostly firm and unchanged from a week earlier at Texas and Oklahoma markets. Most classes gained 25 cents to $1 at Denver, but good and better steers declined. Average good steers topped at $26.70 at Denver, and $26 at Oklahoma City. Medium steers brought $18 to $23.50 at Fort Worth.

Sheep and lambs showed little change for the week. Good and choice lambs earned $22.50 at San Antonio, $22.50 to $22.75 at Denver, and $23 to $23.50 at Oklahoma City. Fort Worth paid $23 for good lambs. Goats were steady to higher.

Mohair sales fell off in Texas, but a good volume of average 12-months wools sold last week at 51 to 57 cents per pound in the grease. One lot brought 58½.

Livestock receipts held up fairly well on most market days, but the Thanksgiving holiday cut into the week's total supply.

### Ohio Visitors Here

Mr. and Mrs. Arthur Duckett of Springfield, Ohio, arrived last Wednesday for a two-weeks' visit with their son and wife, Mr. and Mrs. J. W. Duckett.

## All PMA Officers Renamed Tuesday

In the annual election held in the local PMA office November 22, for PMA committeemen to serve during the 1950 program year, all members were re-elected. B. M. Halbert, Jr. was re-elected to serve as Chairman; Cleve T. Jones, Jr. as Vice-Chairman; Lea Roy Aldwell, Regular Member; Edwin E. Sawyer, First Alternate Member, and Joe M. Vander Stucken was elected as Second Alternate Member.

County committees of the Production and Marketing Administration are responsible for the local administration of such farm programs as price-supporting, loans and purchase agreements, acreage allotments, and allotment of funds to the various Agricultural Conservation practices carried out in the county. Agricultural conservation is a continuing effort, and with slackening of requirements for food, feed and fiber, there is an opportunity to intensify conservation activities. The committee will supervise the use of several thousand dollars in Federal funds to help promote soil and water conservation in Sutton County nevt year. One or more of these activities affects, either directly or indirectly, the operations of every producer in this county.

D. C. Langford, County Agent for the Agricultural Extension Service, is an ex-officio member of the local committee.

## Texas Aggies To Welcome New Prexy At Dinner

*DR. HARRINGTON MAIN SPEAKER AT WEST TEXAS AGGIE MEET*

SAN ANGELO — Dr. Marion T. Harrington, Acting Dean of Texas A&M College who will become next president of A&M, will be the principal speaker at the West Texas A&M Club meeting on December 9. The affair will be a dinner meeting at 6:30 p.m. in the St. Angelus Hotel. This will be the final meeting of 1949 for the West Texas A&M Club, and A&M men of the college from all areas around San Angelo are expected to take part.

The West Texas A&M Club's distinguished guest is the first A&M man to be elected to the presidency of the college. He received a Bachelor of Science Degree Chemical Engineering in 1922 at A&M. An outstanding scholar, Harrington received his Master of Science Degree from A&M in 1927, and did graduate work at the Massachusetts Institute of Technology, the University of Michigan, the University of Southern California and Iowa State College. He was awarded a Ph. D. Degree from the latter school.

One of the top young men in American education, the 47-year-old president was nominated to the helm of the A&M College by Chanacellor Gibb Gilchrist of the A&M System. His appointment was met with unanimous acclaim by faculty and administrative officials of the school.

W. A. Moore of Adrian is here on an extended visit with his daughter, Mrs. J. E. Eldridge, and Rev. Eldridge.

## Sonorans' Nephew Killed In Dallas Air Crash

One of the victims of the air crash at Dallas Tuesday was Joe Stanley Smith, nephew of Mrs. R. D. Trainer, Mrs. H. L. Taylor, Mrs. J. S. Holman and George E. Smith of Sonora, and a survivors of the Bataan "death march" and 42 months in a Jap prison.

Smith made his home at Albuquerque, N. M. and was the father of a 3-day-old baby boy at the time of his death. Funeral services are to be held this afternoon at the Baptist Church in Carlsbad, Smith's hometown, and interment and military services will be at the National Cemetery at Santa Fe Saturday.

The Ex-Sergeant had recently joined the staff of the War Claims Commission in Washington and he and another member of the commission were enroute to Dallas. George Smith, Mrs. R. D. Trainer, Mrs. Taylor and Reginald Trainer are attending the funeral.

## Concho Valley Scouts To Hold Dinner Dec. 10

The Concho Valley Council, Boy Scouts of America, will be honoring Cub Scout, Boy Scout and Explorer Leaders of the 24 counties that make up the Concho Valley Council, at the Annual Council Meeting to be held on Saturday, December 10 at 6:30 P.M. at the St. Angelus Hotel in San Angelo. Lea Roy Aldwell has tickets and the cost is $1.50 per plate.

The decorations for the banquet will be products of the 24 counties, or replicas of same, such as cotton, citrus, vegetables, sheep, wool, goats, mohair, oil cattle, pecans, honey, etc.

Dr. John M. Guinn, President of San Angelo College, will make the address at the banquet.

A business session of all Council Officers will be held at 3:00 P.M. in the Green Room of the St. Angelus Hotel.

The Council is composed of the following counties and districts: Coke and Runnels in the Colorado River District; McCulloch and Concho in the Heart O'Texas District; Tom Green and Irion in the Twin Mountain District; Reagan, Terrell, Upton, Crane, and Pecos in Permian Basin District; Crockett and Schleicher in West Ranch District; Menard, Kimble, and Sutton in East Ranch District; Val Verde and Edwards in Val Verde District; Real, Uvalde and Kinney in Uvalde District, and Maverick, Zavalla and Dimmitt in the Winter Garden District.

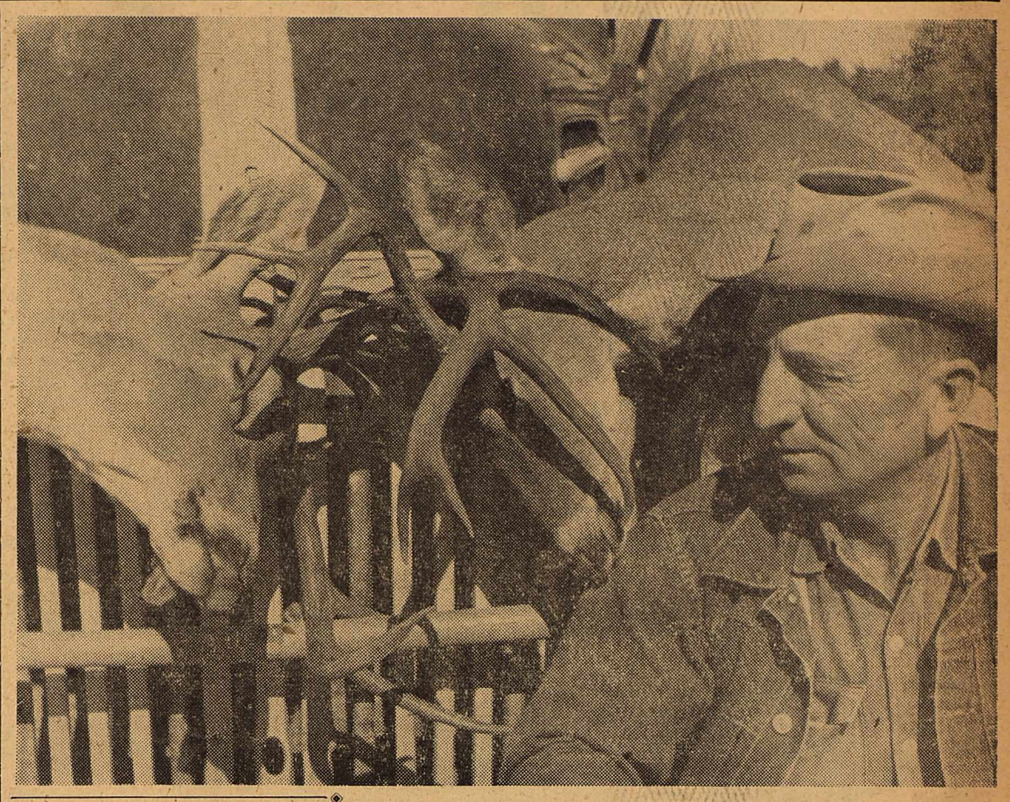

### CHRISTMAS LIGHTS TO BE UP THIS WEEK

Sonora will be lighted for Christmas this year by almost twice as many lights as were strung last year. Strings will be hung from the court house to Piggly Wiggly Grocery and from Sonora Grocery to Wm. Cameron Company.

It is also planned to hang extra lights at the intersection of Concho and Main.

Mr. and Mrs. W. L. Miers left Wednesday for Galveston, where Mrs. Miers will receive medical treatment.

Attend SOME Church Sunday.

## Finds Bucks After Fatal Fight

**Pictured above is Jim Hugh Richardson with two nine point bucks which had killed each other shortly before he found them about sunrise Monday morning, on the Fort Terrett Ranch south east of Sonora. Evidence at the scene of the battle indicated that the fight had been long and bloody as the earth was pawed and torn up for over two hundred yards from the point where they were found about five steps apart. According to Richardson they had become entangled in a small mesquite tree where the buck on the right evidently received a wound in the large vein of his neck from which he bled to death. The skull of the other buck was broken when he broke loose from his adversary. Richardson dressed both and brougth them to Sonora to be donated to charity. He is foreman of the Fort Terrett Ranch. — *Photo by Boyd Lovelace.***

## Season's First Basketball Game Tuesday Night

With no boys back from last year's A squad, Coach Billy Willard faces a mighty problem in getting his charges ready for the season's first basketball game Tuesday night against the Junction Eagles.

The non-conference tilt will be played here starting at 6:30 o'clock, with the B team match. The A teams will play at 7:30 o'clock. Coach of the B squad and Junior team is Buddy Hawkins.

The full season schedule will be published in next week's Devil's River News.

## Congratulations

### To These New Parents

A son, Ed Lee, was born Thursday morning to Mr. and Mrs. Wallace Renfroe in a San Angelo hospital. The baby weighed 8 pounds, 1 ounce.

Grandparents are Mrs. W. E. Glasscock of Sonora, and Mr. and Mrs. Bill Renfroe of San Angelo.

* * *

Mr. and Mrs. Thomas B. Thorp are the parents of a son, Thomas Marion, born Saturday in a San Angelo hospital. The baby weighed 8 pounds, 3 ounces.

Grandparents are Mr. and Mrs. Vernon Marion and Mrs. Tom Thorp, all of Sonora. Great-grandmother is Mrs. Nettie Marion of Greenville.

* * *

Mr. and Mrs. Bennie Babb are parents of a son born Tuesday afternoon in San Angelo. The baby weighed 9 pounds and 10 ounces and has been named Kirby Lee. Paternal grandmother is Mrs. Bessie Babb of Del Rio, and maternal grandparents are Mr. and Mrs. Frank Jenia of Virginia, Minn.

### Doc Kirby In Hospital

H. C. (Doc) Kirby, district and county clerk, underwent major surgery Saturday morning in Methodist Hospital, Houston. He is reported recovering. Mrs. Kirby is in Houston with her husband.

## Lions Roar

The L. W. Elliott School choral club entertained members and guests of the Lions Club Tuesday with a selection of songs. Trained by Mrs. James Wilson, music teacher, the group sang, "Bluebirds Singing In My Heart," "Let's Take An Old-Fashioned Walk," and "Twenty-Four Hours Of Sunshine." Members of the chorus present were Lydia Perez, Elizabeth Brown, Nilda Galindo, Maria Elena Vasquez, Eladia Gomez and Maura Chavez.

Following the program plans for hanging Christmas lights along the streets and decoration of homes and businesses were discussed.

### FORMER SONORAN DIES IN JUNCTION

Otto Oxford, 59, former Sonoran, died Thursday morning at his home in Junction. Funeral services will be held this afternoon at 3 o'clock in Junction.

Oxford, a former cook at the old Riverside Cafe, is survived by his wife.

### GRASS FIRE THURSDAY

The grass fire alarm which was sounded Thursday night at 6:30 o'clock, was given to report a fire at the T-Half Circle ranch. However, the fire was brought under control and it was not necessary for the trucks to make a run.

Mr. and Mrs. Lee Labenske spent Monday in San Antonio.

## Book On Mohair Production Ready

Lack of material on the mohair industry has prompted the Texas Bureau of Business Research to issue a publication intended to assist Texas mohair growers and marketers.

The monograph, "Production and Marketing of Mohair in Texas," is by Dr. Stella Traweek, assistant professor of business services and a native of the West Texas goat country.

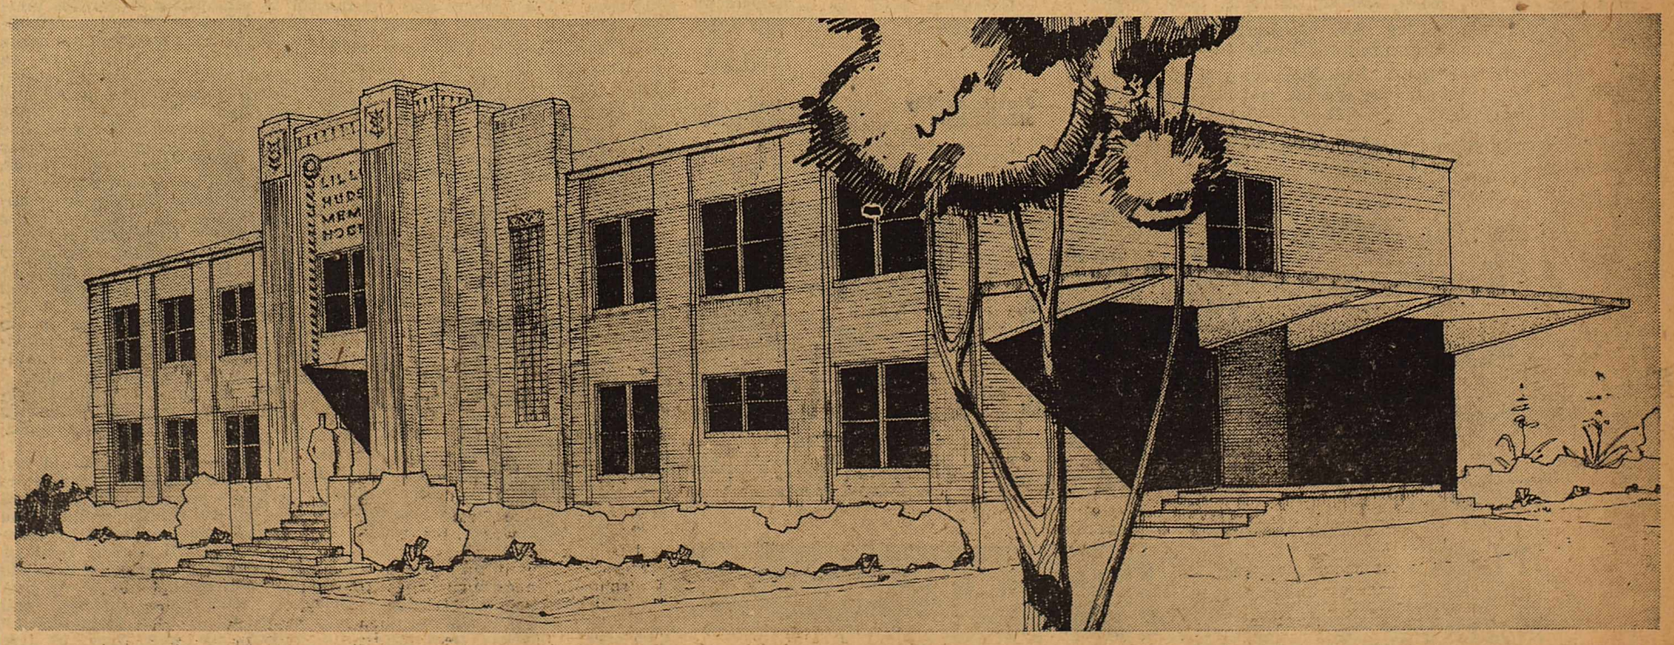

The brochure recounts the industry's history, deals with its marketing problems and mechanism, and discusses the future of the industry and its attendant problems.

Copies of the new publication may be obtained for two dollars each from the Bureau of Business Research, University of Texas, Austin 12, Texas.

### BREAKS ANKLE IN FALL AT LAKE SUNDAY

Francis Archer suffered two broken bones in his right ankle Sunday at the lower Devil's River Lake when he slipped while climbing some rocks and fell about four feet. He was treated here and will be on crutches about two months. The party Archer was with was visiting the fishing lodge operated by Jack Rape, former Sonoran.

Jack Ellingson and Dave Locklin attended the Texas-Texas A&M game at College Station Thursday.

**Shown above is Architect John G. Becker's drawing of the Lillian M. Hudspeth Memorial Hospital, for which construction bids will be let Wednesday afternoon, January 11, in the District courtroom. The building will have two stories and a basement and will contain 38 rooms. A 27-bed hospital, it will have ten private rooms, surgery, delivery room, laboratory, and enough other features to make it one of the finest small hospitals in the state. Estimated cost is about $225,000. Construction will be of brick. Large entrances on right are for ambulances.**

## Workers Urged To Claim Benefits

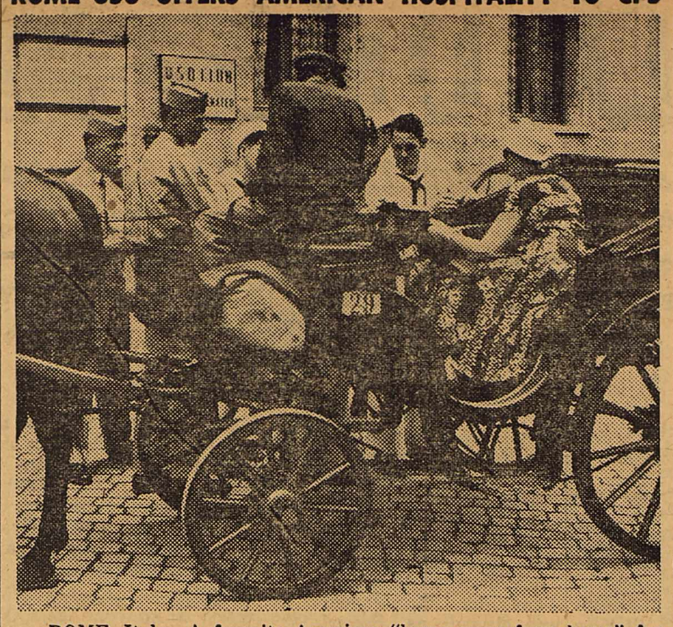

Loss of social security benefits, particularly to 65-year-old retired workers, continues to be a problem, according to George Clark, manager of the San Angelo Social Security Administration office.

"The smart thing for a worker to do," said Clark, "is to contact the social security office when he is 65 and discuss his particular problems with us. Financially successfully people apparently became successful because they did not over-look their opportunities. We find that very few financially successful workers lose their benefits."

George Clark explained that social security claims may be back-dated for a period of three months only and that workers who do not check into their rights within three months after they first became eligible may lose some of the benefits they have paid for.

"The social security office," Clark concluded, "is a good place for a worker to spend a part of his 65th birthday. Our job is to help workers collect all the payments they are entitled to. However, we can't do this unless the worker comes in and talks it over."

## ROME USO OFFERS AMERICAN HOSPITALITY TO GI'S

ROME, Italy—A favorite American "home away from home" for visiting U. S. GI's in the Eternal City, is the popular USO Club located near Vatican City. Thousands of American soldiers, sailors and airmen on leave here gravitate to the Rome USO, where they enjoy the familiar USO recreational and welfare services available back in the U. S. To hundreds of servicemen of all faiths, most prized USO aid is its arrangement for group audiences with the Pope.

Above is shown a group of visiting GI's in front of the Rome USO meeting an American tourist riding in a traditional Roman "taxi." The Rome USO is one of 17 service centers outside the United States.

### Scotts Have Guests

# If You Are 85, 45 or 3, Hadacol Helps All Ages

HADACOL is good for all ages, bringing five of nature's B vitamins and important minerals to the young and old alike. Recently the HADACOL folks received the good news that among the countless thousands who had been benefited by HADACOL were a lady of 85, a man of 45 who felt like he was 18, and a beautiful little girl only three years old.

Mrs. Edmond Doucet, of Church Point, La., is 85 years old, having thousands of friends in the picturesque Evangeline section of Louisiana where she was born and has spent all of her life. These friends are happy to know that Mrs. Doucet feels better now than at any time in two years and gives the credit to HADACOL.

MRS. DOUCET

"I had been sick for almost two years and was suffering with gastric disturbances and bloating. I was run down, had lost weight and had to stay in bed most of the time. I lost courage and felt that there was no hope for me."

Mrs. Doucet had tried many preparations without apparent beneficial results when she heard the glorious news about HADACOL.

"After taking several bottles of HADACOL I felt like a new person," said Mrs. Doucet. "I eat anything I want without ill effects and sleep well. I feel much stronger."

Neville Dugas, of Route 1, Box 101 B, Carencro, La., is a successful farmer who had worked early and late at all kinds of hard work and it wasn't so long ago that he wondered if he would ever be able to work that way again. He had tried many medicines, but felt no better.

MR. DUGAS

"I had all kinds of stomach disturbances," said Mr. Dugas. "My stomach was so bloated that it felt like it would swell up and burst. I suffered with gastric disturbances, heartburn and was run down and nervous. I had no appetite and suffered with headaches and I couldn't sleep at night. I was so drawn and pale that my friends had difficulty in recognizing me. After the third bottle of HADACOL I felt a real improvement and after the twelfth bottle of HADACOL I felt like I was 18 instead of 45. I am feeling perfectly well."

"My three year old daughter, Joan, had lost her appetite," said Mr. Dugas. "Her cheeks were pale and she cried often. I started giving Joan HADACOL and after three of the large economy size bottles she is now healthy, has an excellent appetite and her disposition is perfect."

JOAN

All three of these people were suffering from a lack of B vitamins and the minerals which HADACOL contains. HADACOL comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

A lack of only a small amount of B vitamins and certain minerals will cause digestive disturbances . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburn, gas pains and your food will sour on your stomach and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of lack of B vitamins and minerals which HADACOL contains. And if you suffer from such a deficiency disorder, there is no known cure except the administration of the vitamins and minerals which your system lacks.

It is easy to understand, therefore, why countless thousands have been benefited by this amazing tonic, HADACOL.

So it matters not how old you are or who you are . . . it matters not where you live or if you have tried all the medicines under the sun, give this wonderful preparation, HADACOL, a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives because HADACOL supplied the vitamins and minerals which their systems needed. Be fair to yourself. Temporary relief is not enough for you. Give HADACOL a trial!—Adv.

## POSTAL RECEIPT INCREASE REFLECTS BUSINESS CLIMB

Postal receipts in Texas stepped up 6 per cent from September to October, the Texas Bureau of Business Research reported.

Receipts for 62 Texas cities amounted to $3,887,480 in October, gaining 12 per cent from October a year ago.

Corsicana registered the highest gain in postal receipts from September to October -- 50 per cent. Other large monthly increases were recorded in Jacksonville, 44 per cent; Bryan, 32 per cent; New Braunfels and Coleman, 31 per cent; Del Rio, 30 per cent; and Brownsville, 27 per cent.

October postal receipts amounted to $1,027,727 in Dallas; $623,895 in Houston; $422,307 in Fort Worth; $150,236 in Austin; and $134,818 in El Paso.

## San Antonio Livestock Exposition To Feature Sheep And Goat Industry

With $4,486 in premiums allocated to eight breeds of sheep and two types of Angora goats, officials of the San Antonio Livestock Exposition are looking forward toward one of the nation's largest exhibits, according to J. A. Gray, department superintendent.

The 10-day meeting, to be held at San Antonio's new $3,000,000 Coliseum, has an over-all premium list of $45,000 for all standard breeds of livestock.

Eight breeds of sheep, Rambouillet, Delaine Merinos, Corriedales, Columbias, Shropshires, Southdowns, Suffolks and Hampshires, along with B and C type Angora goats will compete for top prize money.

Included in the premium list for sheep and goats is a boys' lamb show in which the young exhibitors will compete for $1,310 in premiums.

Exhibitors in the sheep and goat department of the exposition may obtain premium lists from Joe Ridgway, Manager, San Antonio Livestock Exposition, P. O. Box 1746, San Antonio. Entries close December 15th.

Rules for the showing state that all breeding sheep and Angora goats must be registered in the recognized flock books of their respective breeds and bear such identification as required by the breed associations. Registry certificates of ownership must be produced at the request of the superintendent.

Quality, cleanliness of fleece, body conformation and breed characteristics are the points to be considered in judging the Rambouillet, Delaine Merinos and Corriedale breeds.

All fine and medium wool sheep in the 4 to 6 tooth class are to be shorn after January 1st of the preceding year. Sheep not shorn after this time are disqualified.

Other eliminating factors include pronounced defects or abnormalities, over-shot or under-shot jaws, weak constitution, or unthrifty condition, and will not be allowed to show in any of the breeding classes.

Each exhibitor may enter as many as three animals in each of the single classes but will be limited to only two premium awards in any one claass. An exhibitor will be restricted to only one entry in every group class.

All lambs, both breeding and fat classes, and Angora kids, in order to be eligible to compete in their respective classes, must be carrying all milk teeth at the time of entering the show ring.

An exhibitor's flock in all breeds shall consist of one ram, in any of the eligible ages; two, 4 to 6 tooth ewes and two ewe lambs.

A lamb flock shall consist of one ram, one ram lamb and three ewe lambs; all to have been bred by the exhibitor.

A get of sire group shall consist of four head of the eligible ages with both sexes represented, bred and owned by the exhibitor and both the get of one sire.

50 WAYS NEW FORD for '50

The one fine car in the low-price field

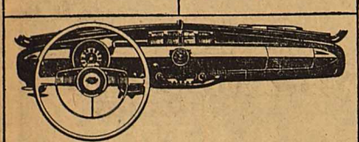

100-h.p. V-8 has new super-fitted pistons, quiet three-blade fan, new "hushed" material timing gear and new camshaft design for extra quietness.

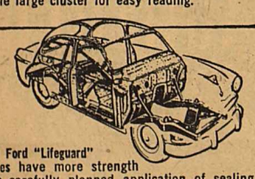

Push-button door handle anchored at both ends so you can't catch your sleeve.

95-h.p. Six engine too—gives remarkable economy.

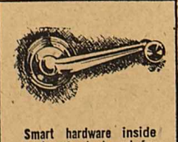

Compact "Fashion Car" panel. Instruments, illuminated by soft, non-glare "black light", are grouped in a single large cluster for easy reading.

1950 Ford "Lifeguard" Bodies have more strength with carefully planned application of sealing and insulation material throughout entire body.

Improved front suspension has new torsional stabilizer.

Smart hardware inside and out, designed for more than beauty.

New front seats with foam rubber cushions hold their shape.

King-size brakes stop you with 35% less pedal pressure.

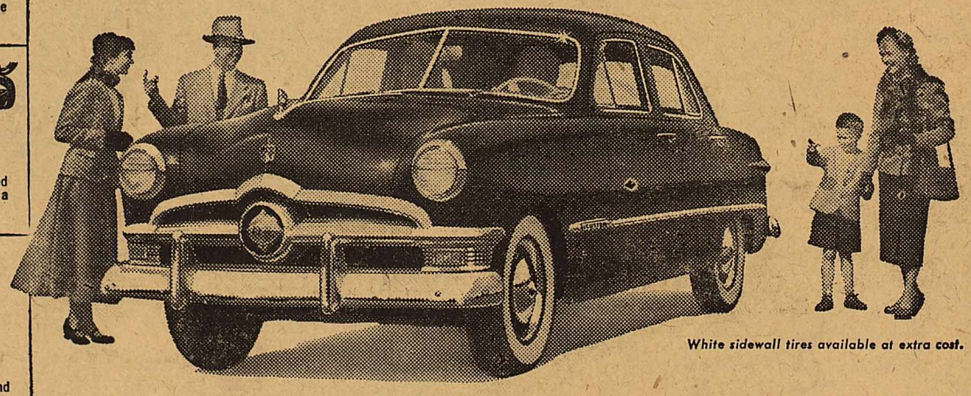

New baked-on colors — your choice of 11.

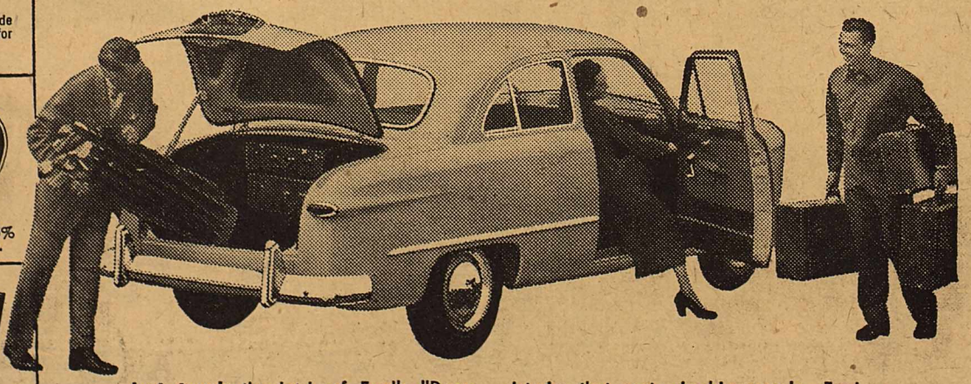

New medallion—front and rear adds note of beauty.

There's a Ford in your future ...with a future built in

White sidewall tires available at extra cost.

**The 1950 Ford** is 50 ways new and finer ... from new heavier gauge steel frame and 13 way stronger "Lifeguard" Body to new designed ceiling and seating for greater head room. New comfortable foam rubber front seat cushions, over new special non-sagging springs. New richly colored upholstery fabrics. New push button door handles, new rotary secure door latches. Eleven brand-new baked-on enamel colors that keep their freshness because they're "built to live outdoors."

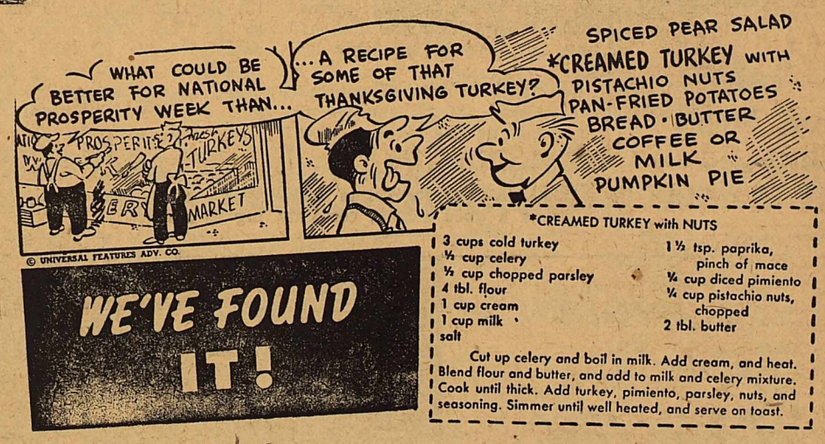

**Just touch** the latch of Ford's "Deep Deck" Luggage Locker—22.9 cu. ft. of usable space awaits any load you can muster. Just sit in the '50 Ford's luxurious new interior that seats six big people—Ford has more hip and shoulder room than any car in its class. For an even bigger thrill drive this '50 Ford ... the *fine* car in its field.

## Elliott School News

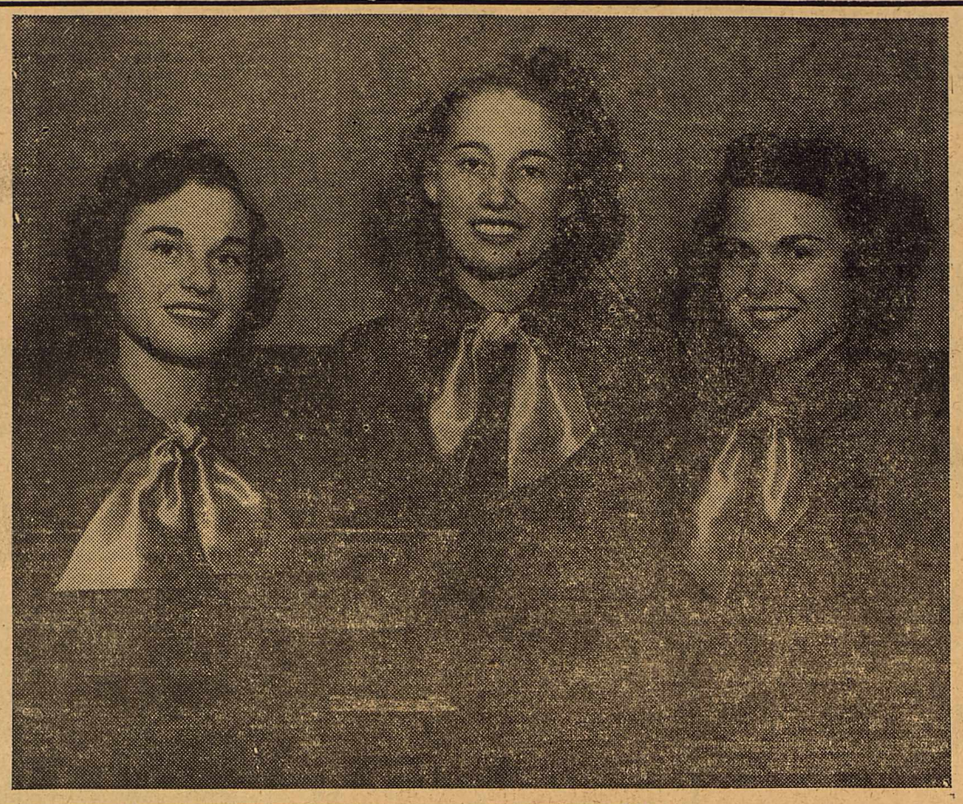

The Elliott School population is growing these days. Boys and girls who have been away working in the cotton harvest are coming back to school. For most of them the months ahead are going to be busy ones as they attempt to "catch up" with the members of their class who have been in school all along. In many instances it is impossible for them to do the work that is now in progress, due to their not having had the prerequisites, and work that they can do must be be given them regardless of their grade assignment.

Christmas cannot be very far away; at least judging by the art work that is being done in the primary and intermediate grades. Santa Claus, in the form of paper cut-outs and freize work is already in town.

Plans are being made in most of the grades for a Christmas party. An all school Christmas assembly program is in the incubation stage.

One of the most pleasing sounds heard in the L. W. Elliott School halls these days is that of spoken English. If this seems like a strange statement the reader should have visited school in the early part of this year. Most of the boys and girls are making a sincere effort to cooperate with the teachers in the "Speak English" program whose constant watchword is "Speak English and Learn English." However, due to the large numbers just now enrolling in school who are not acquainted with the program, everyone must be on the alert continuously to help those who find difficulty in remembering their English.

The teachers are still engrossed in the study of "Evaluative Criteria for the Elementary School" and are learning that the L. W. Elliott School, while not ranking at the bottom of the list in qualifying as a good school, certainly has some work to do in reaching the top of the list. So far one of the best things to come out of the study has been the critical analysis made by the teachers themselves in regard to teaching practices and habits that have long been considered sound pedagogy. How effective are these practices, and, are we really giving the child what he needs, are questions that the group is seeking to answer.

## HOLD VISITATION DAY

## LUCKIE - GREEN RITES READ HERE WEDNESDAY

Miss Dollye Green and Vernon Luckie were married Wednesday, November 23, in a candlelight ceremony performed in the home of the bridegroom's parents, Mr. and Mrs. Jim Luckie in Sonora.

Decorations were mums and candelabra with pink tapers. T. R. Chappell, minister of the South Side Church of Christ, performed the single ring ceremony.

The bride chose as her wedding gown a light blue wool dress with navy accessories and a gardenia corsage.

R. C. Luckie served his brother as best man and Mrs. Luckie attended the bride as matron of honor.

A reception was held immediately following the ceremony.

Mrs. Luckie is a senior at Sonora High School and her husband is a Sonora High School graduate.

## TO TAKE SHRINE

Alfred Schwiening and sons, Curt, Harold and Alfred, Jr., left Thursday for Waco, where they will all take the Shrine. According to Shrine officials, this is the first time in Texas history that a father and three sons have joined at the same time. Edgar and Travis Glasscock and R. C. Vicars are also attending the initiation.

Out-of-town wedding guests included Mr. and Mrs. R. C. Luckie and daughter of Big Lake, and Don Cooper of Glendale, California.

Mr. and Mrs. Ralph Miller and son, Glenn Howard, of Norman, Okla., visited her mother, Mrs. Beal Freeman, last Thursday through Sunday.

Mr. and Mrs. L. E. Johnson, Jr. returned Monday from San Antonio, where their daughter, Janet, was operated on Saturday. She is recovering.

YOU see it quick-stepping along the highway—and you can't miss the parallel.

You glimpse a bold front end—sleek tapering fenders—flaring, streamlined roof lines—even to "double bubble" taillights, here is the look of "the fastest thing that flies."

Then you try one on the road, courtesy of your Buick dealer.

Adjectives flock into mind—"agile"—"nimble"—"eager."

You realize that here is *action*, swift and easy—action born of Fireball valve-in-head straight-eight power—action floated on soft coil springs that, for all their lightness, keep your grip on the road sure-footed and firm.

*This* you tell yourself, *is traveling as traveling should be.*

Comfortable—in the spacious manner of king-size interiors. Easy—in the lightness of controls, which can include even the magic of Dynaflow Drive* if you wish. Pleasurable—in the wide, wide outlook that's yours, and the inner satisfaction of having a Buick for your very own.

And we might add another thing, just by way of being practical.

It's frugal too. Frugal in a first cost that's actually less than for some sixes. Frugal in the surprising way such a sizable car gives the go-by to gas pumps.

And if you have Dynaflow, frugal even in many upkeep costs you can forget about—such as clutch troubles, transmission maintenance, even many engine servicing costs.

Why not put yourself into one of these jet-lined beauties right now? It's more easily managed than you might imagine — as you'll see by talking to your Buick dealer.

## LITTLE THINGS about the STARS
### RADIO ★ TELEVISION ★ HOLLYWOOD
By GEORGE LILLEY

NEW YORK, N.Y.—The popular "Aldrich Family" is on television this season as well as on the radio. The television version is Sunday evenings (NBC-TV) and offers a different "Henry" in newcomer Bob Casey, 22 — selected as the most likely video prototype in a country-wide search among young actors. The AM program, back Thursday nights, NBC, is rounding out its 10th year as a half-hour feature and stars, as usual, Ezra Stone as "Henry." Two veteran members of the cast are appearing on both shows: Jackie Kelk ("Homer"), who looks his role, and fatherly House Jameson, long "Sam Aldrich" of the radio broadcast.

**Jackie Kelk** ... *double duty*

### MEET THE ANDERSONS

"Father may Know Best" . . . but only *after* he learns it from mother! Such is the situation—probably truer to life than most males care to admit—in the newest family radio drama (Thurs. nites, NBC), "Father Knows Best." The Anderson Family, says writer Ed James, is an average American family. "Possibly a wee happier than average, but we strive to draw from real-life—not caricature." Actor Robert Young, himself father of four girls, plays Father, "James Anderson," who thinks he is head of the household. But he invariably is bested by mother; James, Jr., 15 (nicknamed "Bud" to avoid the dreaded possibility of being called "Junior"); Betty, 17, whose dream world is peopled by Clark Gables and Perry Comos—or even Kathy, 9. It is crisp, plausible comedy.

**Robert Young** ... *2nd best*

### TELEPHONE HOUR'S 500th

The "Telephone Hour" (Monday nights, NBC), perennial award winner among the programs of better music, celebrates its 500th broadcast November 21—a history that takes it back to April, 1940. It's record is a worthy one. Fritz Kreisler, Maggie Teyte, Ferruccio Tagliavini were brought first to the radio audience by the program and have been Telephone Hour exclusives since. Lily Pons, Jascha Heiftz, Marian Anderson, Ezio Pinza are others of its "regulars." Tagliavani will guest on the anniversary program, his 11th "TH" appearance. Talented American conductor Donald Voorhees has directed the program since its inception.

**Tagliavani** ... *come 11*

### PORTIA'S PROBLEMS

Like an old friend, a good radio serial wears well. Among the most successful: NBC's 10-year-old "Portia Faces Life." "Portia," star of the program, is smart dressing, veteran actress Lucille Wall, who has played the role since the show's inception. In the last decade seldom has "her" show rated out of the first three in the Hooperatings. A brilliant lawyer who would prefer to be a happy housewife, "Portia" is currently far away from her goal. She is defending husband "Walter Manning," in court charged with murder; son "Dickie" has run away from home. A sort of 10th anniversary climax, these clouds promise to grow darker before there is sunshine.

**Lucille Wall** ... *less sunshine*

## Livestock Entry Deadline Dec. 12 For Stock Show

With Dec. 12 the deadline, entries for the beef cattle, dairy cattle, sheep and swine are arriving in every mail at the offices of the Southwestern Exposition and Fat Stock Show. Entry applications and premium lists may be obtained by writing to the Stock Show offices, in the Will Rogers Coliseum.

All cattle, sheep and swine entries postmarked Dec. 12 will be accepted.

For the horse show, final date for entries is Jan. 5; sifting of steers will begin at 8:30 a.m. Friday, Jan. 27, which is opening day of the show. All other entries in the cattle, sheep and swine departments must be in place by 7:30 a.m., Saturday, Jan. 28.

## Hardin-Simmons Cowgirl Band To Play Here Tuesday

**TO GIVE CONCERT — The Hardin-Simmons University Cowgirl band will be in Sonora Tuesday, December 6 at 9:30 o'clock to give a concert at the high school auditorium. The all-feminine musical organization, appearing in colorful western regalia, is directed by Bryce Jordan.**

The Hardin-Simmons University Cowgirl Band, under the direction of Bryce Jordan, will present a program in Sonora at the high school auditorium at 9:30 o'clock, Tuesday, December 6.

The all-girl musicians will present a variety program including semi-classical, popular and novelty numbers. Featured attractions are Mary Jane Smith, Houston, accordian soloist; Barbara Brown, Midland; Genora Brown, Midland; and Jane Welch, Hereford, vocal trio; and Norma Kniffen, Chicago, national VFW twirling champion.

Having developed the characteristics of a showband, the colorful group has attracted much attention through West Texas and New Mexico. It has also gained popularity at assemblies in high schools.

Appropriately attired in western costumes, the girls will wear purple skirts and blouses with gold ties and brown boots.

A varied selection of numbers to be included on the program are "St. Louis Blues," concert arrangement of Cole Porter creations, medley of tunes from "South Pacific," "Band Jive," "Streets of Laredo," "Sunflower," "Rosetta," and "I Surrender Dear."

Towns included on the itenery are Winters, Ballinger and Eldorado, Monday, December 5; Sonora, Junction and Mason, Tuesday, December 6; and Brady and Coleman, Wednesday, December 7.

The band was reorganized in 1946 after having been merged with the University Orchestra during the war yearas. It has been termed as an asset to the Hardin-Simmons School of Music as it offers oportunities in band work. Its director, Bryce Jordan, has acquired recognition through his academic accomplishment and experience in the music field. He participated in the Austin Symphony Orchestra and was flute scloist of the University of Texas Symphonic Band.

The band is one of a number of musical organizations of the School of Music at Hardin-Simmons. Its male counterpoint is the world-famous Cowboy band directed by Marion B. McClure. Other musical organizations include the a cappella choir, led by Euell Porter; the university orcestra, conducted by Dr. Herbert Preston; and stringed ensembles.

Jordan, the director, attended the University of Texas where he received his bachelor's and master's degrees in music. While there he was flute soloist in the Symphonic Band, Radio House Orchestra and Symphony Orchestra. He was also a member of the Austin Symphony Orchestra.

During World War 11, Jordan served in the Army Air Force and participated in various Air Force bands. He was piccolo soloist in the 329th A.A.F. Band and served as acting director in various A.A.F. bands.

The all-girl vocal trio is composed of two sisters, Barbara and Genora Brown, Midland, and Jane Welch, Hereford.

The group was organized this year and blend their voices in singing novelty numbers. "Among My Souvenirs" and "Best Things in Life Are Free" are included on the program on the south central Texas tour.

### Auto Collision Thursday

Members of the W. C. Anthony family escaped injury Thursday night in Christoval, when their car, driven by W. C. Anthony, became involved in a collision with another car at an intersection. The Anthony car suffered extensive damage.

The condition of Mrs. Alvis Johnson, who underwent surgery in a Houston hospital last Friday, was reported as satisfactory this week.

**A few people** from time to time get caught in get-rich-quick schemes like buying "gold bricks" at bargain prices.

A lot more fall for ideas like the doughnuts-and-coffee-and-a-dollar-bill Pyramid Clubs.

But most Americans realize that the only sound-and-certain way to accumulate money is by regular savings.

And it's a testimonial to their good sense that sales of U. S. Savings Bonds during the past year have reached a new high.

All you need to get started on your bond-buying program is your pen and the slip of paper you can get from your employer or bank.

Sign up today for regular saving with U. S. Savings Bonds—on the Payroll Savings Plan, if you're on a payroll, or through the Bond-A-Month Plan at your bank.

***TRAFFIC IS TERRIFIC!***

Local and long distance telephone traffic have reached an all time high today. The demand for new service is at an equally high level. We still cannot obtain much of the equipment we need to handle this tremendous traffic as well as the demand for telephone service. Yet we are installing more telephones and servicing more calls than ever before. Yes, traffic is terrific in every phase of telephone service today. And we will continue to keep our service expansion "terrific" as well.
