Classes Start Monday

Big Kindergarten Class Registered

Pre-registration enrollment figures indicate that the Kindergarten class in Colorado City schools will be the largest ever this year.

A total of 133 Kindergarten students are signed up to enter the Colorado City school system when classes start tomorrow morning, although Superintendent Lloyd McKee said that some of the students have moved since pre-enrollment was held last spring.

However, some new students have moved into the city and school district since that time, hiking the numbers to the largest class ever.

"This is the sixth year for Kindergarten to be held in Colorado City schools," McKee said.

The first year, ending in 1971, half-day schedules were held and 63 students were enrolled in the school's Kindergarten program when school ended in May.

Subsequent year-end enrollment figures were:

- 1972, 92.
- 1973, 108.
- 1974, 105.
- 1975, 102.

Classes begin for Colorado City students Monday morning. It will be the first year of existence for Colorado Middle School as Sixth, Seventh and Eighth graders will all attend school in the same building, the former Junior High School building.

After the first few days of classes last year, there were 660 students attending classes in grades K through fifth; 381 in grades 6-8, and 449 high school students in grades 9-12. Teachers are expecting a larger enrollment this year, after

classes have been held a few weeks and everyone gets back from holidays and vacations.

Loraine principal C. T. Hudson reports 149 students enrolled in junior high and high school in Loraine, grades 7-12. Elementary enrollment, Kindergarten through sixth, reports 186 students.

"That's about 11 students fewer than last year," Hudson said, "but everyone is not in school yet. There are from four to five families we know of that haven't gotten back into school yet, so we're expect-

ing about the same enrollment."

There were 190 students in K-6 grade after classes began last year and 134 in grades 7-12.

Classes at Loraine began Tuesday morning, but Colorado City and Westbrook students got a few more days of summer vacation as both schools start classes tomorrow.

Westbrook has about 150 students enrolled in Kindergarten through 12th grade. Registration will be held in classrooms tomorrow morning.

Locker Contest

Freshmen at Colorado High School attended an orientation session Friday afternoon, followed by a search for classrooms and lockers. All went smoothly until two students collided over

the same locker. Shown above straightening out the issue are, from left, Melanie Turner, Tony Reyna, Elizabeth Turner and Ronald Proctor.

"Pigskin Preview"

Meet Wolves 7:30 p.m. Thursday

Wolves head coach Mike Farda invites the public to a Pigskin Preview to be held 7:30 p.m. Thursday at Wolf Stadium. All football players, coaches, band members and officers, Wolverines and officers, cheerleaders and majorettes in grades 7-12 will be introduced at this time, Farda said.

Booster Club memberships and season home-game tickets will be sold at a saving over gate prices.

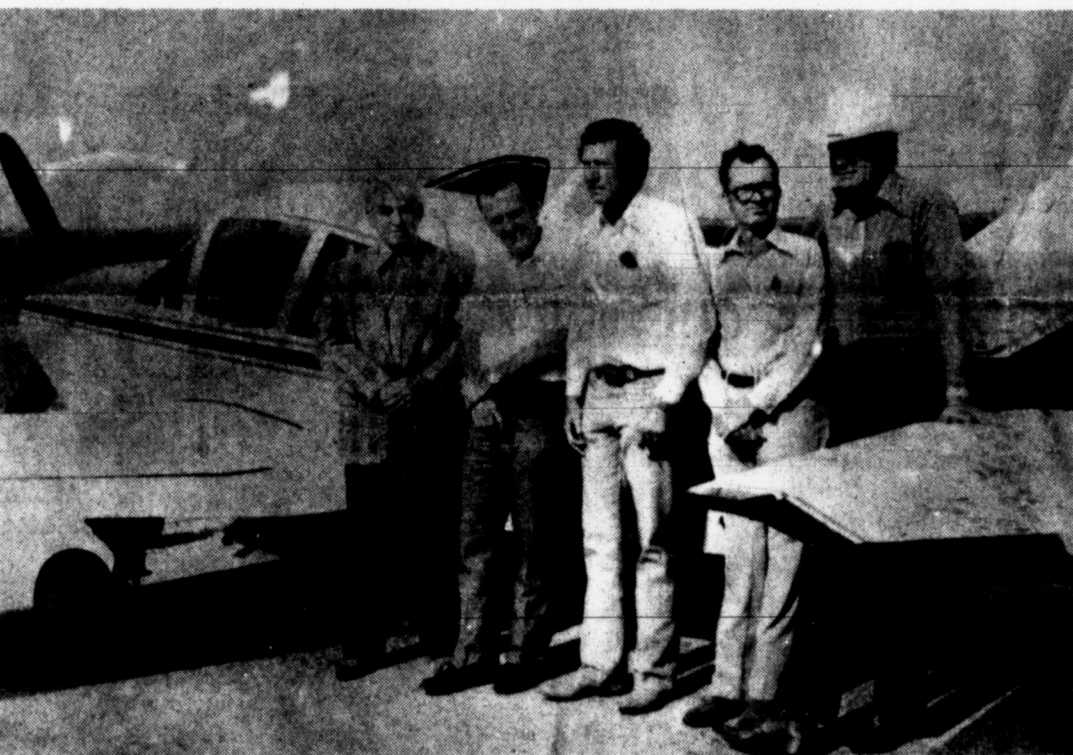

"This will be a great opportunity for you to meet the Wolf Pack for the 1975 football season," Farda said.

Two scrimmages have been

set: August 22 in Baird and August 29 here against Crane. The first Booster Club meet-

ing for the year will be held Sept. 2 at 7:30 p.m. in the high school cafeteria. Booster Club

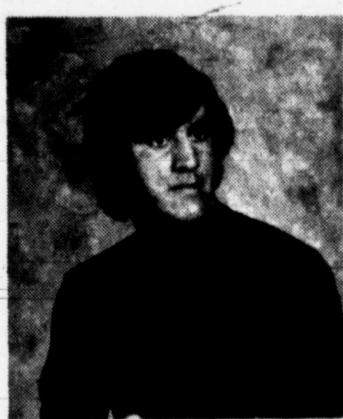

president Bob Chalkley said the program will be announced at a later date.

Aerial Inspection

George L. Boenigk, second left, state director of the Agricultural Conservation Practices part of the state Agricultural Stabilization and Conservation Service office, was in Mitchell County Friday morning to make an aerial inspection of damage to terrace systems from recent hard rains. The ASCS county committee requested cost-share relief for rebuilding the terraces and Boenigk's job as

ACP head is to moderate the program, he said. Also pictured above, from left, are J. P. Jones, assistant to the ASCS state committee and pilot of the plane; Boenigk, Don Stewart, Mitchell County ASCS executive director; Van Mills, district conservationist for Mitchell County SCS; and Warren Anderson, chairman of the ASCS county committee.

Arthur Holguin.

Holguin's Body Found In Lake

The body of Arthur Holguin, 24-year old Colorado City man, was recovered from Lake Colorado City Thursday morning following a search which began after 10 p.m. Tuesday.

Holguin, an employee of H&H Auto Air in Colorado City, had been on an outing at the lake with his two brothers and their families when he left the group to go swimming about 10 p.m.

The sheriff's department, game warden and state park rangers were alerted that Holguin had possibly drowned in the lake when his clothes were discovered "at the end of the pipeline road across from the power plant," Game Warden Ronnie Aston said.

Dragging operations began shortly before midnight Tuesday, Aston said, aided by members of the Colorado City Volunteer Fire Department, sheriff's deputies and park rangers. After dragging until about 4 a.m. Wednesday, the search continued all day Wednesday, from 8 a.m. until 6 p.m.

The searchers were getting ready to continue their dragging Thursday morning, when a bank search discovered the body in the northeast corner of the lake, about a half mile across the lake from where Holguin's clothes were found.

Jerry Hammond of Colorado City found the body at 9:45 a.m. Thursday and it was recovered

Dragging At Lake

The dragging operations for the body of Arthur Holguin, missing since about 10 p.m. Tuesday night, continued from shortly before midnight Tuesday until 4 a.m., resumed Wednesday from 8 a.m.

until 6 p.m., and were about to begin again Thursday morning when the body was discovered floating on the northeast side of the lake about a half-mile from where his clothes were found.

C&W Show

Friday at 7 p.m. the Tony Douglas Show gets underway in the high school auditorium.

The country and western entertainment show is being sponsored by the Chamber of Commerce.

Advance tickets are still on sale for \$2.50 adults and \$1.50 for children under 12. Tickets at the door will be \$3.50 adults and \$2 for children under 12.

Known as "Mr. Nice Guy" of country music, Douglas will be singing his new recording hit, "Thank You for Touching My Life" as well as other songs.

Also on the program is Box Car Willie, a singer of train songs who also does imitations.

The Shrimpers band will do the back-up music for the singers, including 13-year old Crickett Sewell. Members of the Shrimpers are Chuck Jennings, lead; Harlan Powell, rhythm bass; Junior Knight, steel guitar and Wayne Bennett, drums.

Petition Circulates In Precinct Three

The county clerk's office issued a petition Wednesday which will be circulated in Precinct Three calling for a special election permitting the sale of alcoholic beverages for off-premise consumption in that precinct.

The petition, if successful in collecting the 168 names of registered voters in the precinct, will be presented to the county commissioners and date for an election set, possibly in about two months.

There are approximately 1,425 registered voters in Precinct Three, according to the county tax assessor-collector's office, but only 478 voted in the last gubernatorial election. Thirty-five per cent of those 478 voters must sign the petition by Sept. 15 if the special election is to be called by county commissioners.

The petition request was filed August 8 and verified by the clerk's office Wednesday. Nine-

teen names were on the original request, but three names had to be deleted because of a technicality. Only 10 names are required to petition a request for the circulation of an official petition.

If the petition is successful in getting 168 signers, it will be the second special liquor election in the county this year.

A petition was circulated in Precinct Two in June and a special election held in July for both on-and off-premise consumption of alcoholic beverages in that precinct. The issue was defeated by about a two-to-one margin.

Man Killed In Pickup Wreck

Truman Harris Prestidge, 61, of Odessa, was pronounced dead on arrival at Root Memorial Hospital by Justice of the Peace Henry Doss shortly after 9 p.m. Friday.

He would have been 62 Saturday.

The pickup truck Prestidge was driving was travelling eastbound in the left lane of I-20 about 100 yards west of Cattleman's Restaurant when it ran into the median and struck a concrete culvert.

Highway patrolman Jimmie Granato who investigated the accident said that rainfall was heavy at that time and visibility was poor.

Town Talk

By MAC MCKINNON

Colorado City's new high school complex on East 17th Street appears to be a relatively small facility from the street.

However, as is usually the case with most building, the appearance from a distance is deceiving.

Superintendent Lloyd McKee and I recently took a walk through the complex. Not only did I discover that the new high school is larger than it appears, but it is also rapidly taking shape.

This will be quite an asset to Colorado City when it is completed and one of many things of which local residents can be proud.

Speaking of things of which we can be proud, I recently took a medical doctor from another town on a tour of Mitchell County. He is considering relocating here and during that tour he commented that Colorado City's medical facilities are an oasis in a desert.

It now appears that we'll have to make do with the existing city airport as state and federal officials were unable to find an adequate site for a permanent facility closer to the city.

Members of the city council were hoping to develop another airport closer to the city and one which the city would own. The city does not own the land where the existing airport is and because of this, the city cannot receive any state or federal monies to help in the development of the airport.

Councilman J. O. Dockrey Jr. reported to the council that it is anticipated that the city will get back the military landing strip some seven miles north of town within a few years.

This is anticipated, Dockrey said, because it is believed the function of Webb Air Force Base, whose students now use the Mitchell County landing strip for practice landings, will be changed in the near future.

There was a large turnout for the special aviation meeting Tuesday night at Lone Wolf Electric Medallion Room. The large crowd of about 50 was indicative of the interest in aviation and safety in aviation, Dockrey noted. Program for the meeting centered around a clarification of density altitude's effects on take-off and landings and a discussion of pilot responsibility regulations.

There have been reports going around that a new doughnut shop will open downtown soon and that Western Auto will re-open within the near future.

As of early Saturday, Lake Colorado City had picked up about a half-foot of water due to rains this past week and Lake Champion had picked up more than a foot of water. Morgan Creek and North and South Champion Creeks were reported to be running good Saturday morning.

COLORADO INDEPENDENT SCHOOL DISTRICT
Colorado City, Texas
PUBLIC ANNOUNCEMENT
CONCERNING FREE LUNCH POLICY
The Colorado Independent School District, in participation with the National School Lunch Program is announcing a revised free lunch policy statement for the 1975-76 School Year. The District will provide lunches free of charge for those children whose families are unable to pay.
Students eligible for a free lunch will also be eligible for a free breakfast in those schools which participate in the School Breakfast Program.
Local school officials have adopted the following family size and income scale to assist them in determining eligibility.

Family Size	Family Annual Income
1	\$0 - 2,580
2	0 - 3,390
3	0 - 4,200
4	0 - 5,010
5	0 - 5,750
6	0 - 6,490
7	0 - 7,160
8	0 - 7,830
9	0 - 8,440
10	0 - 9,050
11	0 - 9,650
12	0 - 10,250
Each Additional	\$600

Families falling within these scales or those suffering from unusual circumstances or hardships may apply for free lunches for their children. They may do so by filling in the application forms sent home in a letter to parents. Additional copies are available at the principal's office in each school. Applications may be submitted any time during the school year. The information provided on the application will be confidential and will be used only for the purpose of determining eligibility.
Under the provisions of the policy, the BUILDING PRINCIPAL will review applications and determine eligibility. If a parent is dissatisfied with the ruling of the local official, he may make a request either orally or in writing for a hearing to appeal the decision. The policy also provides that there will be no identification of, or discrimination against, any student unable to pay the cost of a lunch.
A complete copy of the policy is on file in each school and in the CISD Administration Office, where it may be reviewed by interested persons.

Ornelas, Moreno Exchange Nuptials In Catholic Ceremony Saturday

Miss Alicia Ornelas and Tanis Moreno Jr. exchanged vows Saturday afternoon during a 3 p.m. ceremony in St. Ann's Catholic Church.

Father Joseph Busch officiated during the single ring ceremony.

The bride is the daughter of Mr. and Mrs. Eulalio Ornelas of Colorado City and the groom is the son of Mr. and Mrs. Tanis Moreno Sr. of Loraine. The altar was flanked with two seven branch candleabras with alternating lime green and yellow tapers. Two pedestals in front of the candleabras were decorated with two matching bouquets of yellow gladiola and lime green pom poms.

The bride, given in marriage by her father, wore a formal length gown made in Mexico. The satin gown was overlaid with sheer organza accented with Mexico lace appliques and seed pearls. A flounced ruffle, pleated and edged in lace at the bottom of the dress, was complemented by the portrait neck edged in a pleated ruffle accented with lace. Sheer puff sleeves were accented with lace cuffs, buttoned with satin covered buttons and the lace ruffles covered the bride's wrists.

She wore a chapel length three-tiered veil of illusion that was attached to a satin headpiece of flowers trimmed in seed pearls. She carried a nosegay of yellow roses, white daisies, pom poms and gypsophyllia.

Adelita Ceballos, sister of the bride was matron of honor and Armelinda Ornelas, sister of the bride was maid of honor.

Bridesmaids were Manuela Molina, Lupe Castillo, Becky Ornelas, Eusebia Alvarez, Alice Moreno, Rachel Moreno, Mary Moreno, Pat Torrez, Jessie Alvarez, Alvinia Rosas, Edna Rivera, Elva Alvarez and Lupe Arellano.

Also Julie Tovias, Delores Moreno, Maria Rodriguez, Irene Rivera, Alice Davila, Elizabeth Godina, Adelinda Alvarez, Andrea Garcia, Julie Moreno, Angie Ornelas and Gloria Romo.

Including Audelia Herrera, Mary Flores, Lydia Pineda, Rosa Gutierrez, Irma Martinez, Margie Mendoza, Mary Helen Marces, Mary Gutierrez, Juanita Rios, Jovita Diaz, Linda Pantoja, Virginia Garcia, Diana Garcia and Rosemary Vallejo.

The maid and matron of honor wore white satin dresses overlaid with organza. The princess styled dress was accented with a square neck and butterfly sleeves. They wore white floppy hats.

The bridesmaids wore dresses identical to the maid and matron of honor in green and yellow. They carried a long stem yellow rose.

Flower girls were Amanda Ornelas, sister of the bride and Christiana Moreno. They wore floor length dresses of yellow and green. Damas were Anna Rivera and Lydia Mendoza.

Barbara Gray Talks At B&PW Meeting

An outline of the newly created Community Education Program was presented by Mrs. Barbara Gray, Coordinator, to the Colorado City Business and Professional Women at their meeting Tuesday.

Mrs. Gray emphasized the concept of family education programs for all age groups. Classes are planned in such general interest fields as food management, dance, make-up, macrame, wood working, card games, as well as the college credit courses offered by WTC in Snyder and Adult Basic Education courses. Recreation is being planned and will make full utilization of school facilities. She also showed the film "To Touch a Child."

Four new members received club pins from their sponsoring members. They are Winnie Roach, Margaret Johnson Lusk, Janis Choate and Barbara Corbell.

President Aldred Pickens conducted the business meeting, when members voted to hold an Appreciation Dinner to thank the people of Colorado City for their support of the club.

On recommendation of the membership committee, three teams will be formed to encourage attendance and participation during this Bicentennial Club Year. Captains for the red, white and blue teams will be Ethel Hardegree, Nell Carpenter and Wilma Womack, respectively.

Finance Committee presented a proposed budget for study. Final budget will be considered in September.

Program Committee, Mollie Phillips, chairman, was host for the meeting. Committee members are Margaret Oyler, Mary Hickman, Barbara Pollard, Betty Minshew, Trudy Bodine and Margaret Johnson Lusk.

Guests for the evening were Becky Harkins, Kay Kelly and the speaker, Mrs. Gray.

Members present were Jackie Dennis, Barbara Corbell, Carolyn Smith, Linda Perkins, Helen Reeves, Jean Holbert, Margaret Oyler, Sue Womack, Martha Bisette, Mary Lee Moore, Winnie Roach, Christine Cooley and Mary Hickman.

Also Shirley DeLaney, Faye Spivey, Lona Pritchett, Mildred Boyd, Ida Miles, Carla Rivera, Juanita Schafer, Janis Choate, Nell Carpenter, Thelma Tidwell, Lena Porter, Virginia Dearen, Wilma Womack, Aldred Pickens, Mozelle Richardson and Mildred Free.

Kinard, Loveless Exchange Vows In Afternoon Ceremony

Miss Martha Elaine Kinard became the bride of Stephen Jeb Loveless in the First Presbyterian Church Chapel in Fort Worth Saturday afternoon.

The Rev. Dan Goldsmith of Fort Worth officiated in the 2 p.m. double ring ceremony.

The bride is the daughter of Mr. and Mrs. Larry C. Kinard, of Fort Worth, formerly of Colorado City. The groom is the son of Mr. and Mrs. Leon Loveless of Dallas.

The wedding music was presented by C. Allison Salley, organist and Webster Dean who sang "The Wedding Song."

The altar was flanked with votive candles and greenery. Centered on the altar was a multi-colored summer floral bouquet.

The bride, given in marriage by her father, wore a floor-length gown of crystal peau fashioned with a mandarin neckline and lantern sleeves. Pearl-sprinkled Alencon lace accented the molded bodice and sleeves. The billowing skirt flowed to form a chapel-length train.

She wore a veil of nylon net with double rows of clipped Alencon lace gathered from a stand-up lace crown which was encrusted with seed pearls.

The bride carried an Edwardian-style bouquet of gardenias, stephanotis and baby's breath with miniature yellow roses set deep inside and flowing ivy streamers.

Miss Cyndi Taylor of Dinero, Texas, was maid of honor. She wore a floor-length, yellow voile dress with capelet sleeves. The dress had a natural waisted look with a schiffliembroidered insert at the midriff.

Bridesmaids were Miss Liz Dally of Austin and Miss Jan Loveless of Dallas. They wore green dresses identical to that of the maid of honor and carried bouquets of the same style as the bride with miniature yellow carnations, baby's breath, jackstraw pom-poms and ivy leaves.

Scott Collinsworth of Sherman served as the groom's best man. Groomsmen included Brooks Loveless of Austin and Bill Gray of Dallas.

Ushering guests were Gary Moore of Austin, Larry Kinard, Jr. of Lubbock and John Kinard of Fort Worth.

Immediately following the ceremony the couple was honored by a reception in the church parlor. The bride's table was overlaid with a white cutwork tablecloth and accented with a four-layer wedding cake with yellow wedding bells. The cake and punch bowl was surrounded with fresh greenery and flowers.

Members of the house party included Mrs. John Chinn, III, of Lubbock, Mrs. Randy Parker of San Angelo, Mrs. Marc Wilson of San Angelo, Miss Marty Watkins of Lubbock and Miss Cara Bounds of Houston.

Both bride and groom are mid-law students at the University of Texas Law School. The bride is vice-president of the Student Bar Association. The couple graduated with honors from The University of Texas in May, 1974.

The bride received her degree in journalism and the groom a degree in physics. The bride is a 1970 graduate of Colorado High School.

After a wedding trip to New Orleans the couple will live in Austin.

★ Talk From Page 1

game is being considered and was to have been played last night but has been delayed due to the rains.
A team of softball players recently went to Big Spring to play in a softball slow pitch 3-2 tournament.
In a 3-2 game, batters came to the plate with three balls and

two strikes on them and get one pitch. If it is a foul, the batter is out. The team has 30 seconds to get into position on the field between innings and if they're not there in time, the first batter for the other team gets a walk. This makes for a pretty fast game.

There is a definite need to have more baseball diamonds in the county and this is something that needs to be considered by local governmental bodies before next spring.

There is at least one men's team that would like to play hardball in a league with area towns but they don't have a place to play.

In addition, if there is as much interest in Little League next year as there was this year, another league needs to be formed to get everyone on a team that wants to play or else a Little Miss America Softball League needs to be formed to give the girls a league in which to play as has been done in Snyder.

A Two-Edged Sword

Rev. Jesse Hodge

Pastor

St. Luke Methodist Church

Colorado City

For the word of God is quick and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intents of the heart. Neither is there any creature that is not manifest in his sight; but all things are naked and opened unto the eyes of him with whom we have to do. Hebrews 4:12, 13 K.J.V.

If I as a minister take serious my call and believe that my call into this ministry is authentic that being the shepherd over the flock that God has entrusted to me, then I must take serious what the writer of the letter to the Hebrews has to say about the Word of God to His people. The Jerusalem Bible says that the Word is something alive and active; it cuts like any double edged sword but more finally; it can slip through the place where the soul is divided from the spirit, or joints from the marrow; it can judge the secret emotions and thoughts. No created thing can hide from Him; everything is uncovered and open to the eyes of the one to whom we must give account of ourselves. If we as ministers of the word of God put over his flock and if we as his flock who are called to minister His word one to another take with any degree of seriousness our call and His Word, then we must expect that we as ministers when we present His Word to our people on any given occasion God being there in Spirit which makes His Word that living Word. Then our people on occasion are not going to be all smiles and bundles of happiness when the Word alive be-

gans to seek and search out the secret thoughts and intents of our hearts like a two edged sword. When we gather together as God's people we come not really exposing our real self to one another, because we don't want one another to know just how bad we really are for fear we will not be accepted like we are. We come with our real selves covered up or hidden. The Word alive in us as it is presented by the one called by God to be your shepherd begins this exposing of one's real self to themselves. We begin to see us as we really are.

Most of us don't really like what we see. We don't want to admit the truth to ourselves even though God already sees us just like we are because we can't hide from Him and everything is uncovered before Him about us as His people. We as ministers in the pulpit and the pew are trying to fool each other by trying to be what we are not and cannot ever be without the power of God alive and actively working within our own life as an individual, and our own body as the church of Jesus Christ. Somehow we believe that we must present ourselves perfect to one another before we can be accepted as a part of the church of Jesus Christ.

A minister who desires to please his flock rather than please his God who has called him in this ministry is not fit to stand in God's pulpit and expound his word. A layman who likewise is a minister, who desires to be accepted by his brothers above that of being acceptable unto his Christ and his God is not fit to call himself a Christian nor a child of God in the Biblical sense of the word.

Ministers both lay and clergy who will not preach God's word as they know in their own spirit it should be for fear of others ought to remove themselves from those places of responsibility within the church and outside the church as witnesses for Jesus Christ.

There is an alternative for us! Let the word of God active and alive in us as individuals and as a church perform its work in us as a sharp two-edged sword to better equip and make us fit vessels to be used by Him in His work. Let us quit taking offense at our ministers both lay and clergy when they present this alive and active word from God and it begin the work in us because we have hid our sins, because we are not willing to admit to ourselves that there is yet still a work to be done in us by His spirit.

Only as God exposes sin in our life and the life of the church can we repent and confess and be restored in right relationship to Him and with Him, so that His spirit can perform His perfect work in us and in the church.

Since in Jesus, the Son of God, we have the supreme high priest who has gone through to the highest heaven, we must never let go of the faith that we have professed. For it is not as if we had a high priest who was incapable of feeling our weakness with us, but we have one who has been tempted in every way that we are, though he is without sin. Let us be confident, then, in approaching the throne of grace, that we shall have mercy from Him and find grace when we are in need of help. Hebrews 4:14-16 Jerusalem Bible.

Forum To Be Held

Ruffin, Day Repeat Vows In Saturday Evening Ceremony

A Public Forum will be conducted in Robert Lee by the Arthritis Foundation of Midland. The Forum will be held Thursday at 7:30 p.m. in the Robert Lee School Auditorium.

Mrs. Savannah Caperton Belcher, a Coke County native, will be Forum Moderator. Speaker will be Dr. William A. Riley, Internist and Specialist in rheumatic diseases. He is from Big Spring. Another speaker will be Physical Therapist, Kirby Horton. He is from Big Spring also.

The meeting is open to the public and anyone in the area who wants to come will be welcome.

Plans call for the speakers, show of self help devices and publications will be available.

Miss Debra Ann Ruffin became the bride of Robert George Day Saturday evening in the Calvary Baptist Church.

Rev. Bob Grayson, pastor, officiated in the 7 p.m. double ring ceremony.

The bride is the daughter of Mrs. Billie Ruffin of Colorado City and Eldon Ruffin of Snyder. The groom is the son of Mr. and Mrs. Jack Day of Kermit.

Wedding music was presented by Mrs. James E. Payne, organist and Mrs. Bob Grayson soloist. Mrs. Grayson sang "More" and "Wedding Prayer." Mrs. Payne also played a harp solo, "Twelfth of Never."

The couple was married before a heart shaped arch entwined with greenery and blue votive candles. The arch was flanked by spiral candelabra which was accented with greenery and white tapers. Seven branch candelabra with greenery and white tapers also decorated the church.

The prayer bench was decorated with an arrangement of white roses and baby's breath. The mother's pews were marked with brass bud vases holding a white rose. Other pews were marked with blue votive candles, greenery and white doves.

The bride, given in marriage by her grandfather, Cecil Schaefer, wore a formal length gown of white tulle with lace over a white tulle skirt. The bride's hair was styled in a short, wavy bob. The bride's veil was white tulle. The bride's bouquet was white roses and baby's breath. The bride's train was white tulle.

The groom wore a white tuxedo with a white shirt and a white bow tie. The groom's hair was styled in a short, wavy bob. The groom's boutonniere was white roses and baby's breath. The groom's ring was white gold.

The wedding ceremony was held in the Calvary Baptist Church. The church was decorated with white roses and baby's breath. The church's pews were marked with brass bud vases holding a white rose. The church's altar was decorated with white roses and baby's breath. The church's pulpit was decorated with white roses and baby's breath.

Mike Denny of Kermit was best man and John Day, brother of the groom and Otis Ruffin brother of the bride were groomsmen.

Candlelighters were Jerry Don Lewis of Colorado City and Mary Day of Kermit, sister of the groom.

Ushers were Jerry Don Lewis and Otis Ruffin.

The couple was honored with a reception following the ceremony in the fellowship hall of the church.

The bride's table was covered with a floor length white lace cloth. The wedding cake, made by the bride's mother, Mrs. Billie Ruffin, was three tiers and decorated with blue roses. The cake was placed on a mirror and decorated with blue roses. The table was accented with a silver candelabra entwined with greenery, white roses and blue carnations. Crystal and silver appointments also accented the table.

The groom's table was covered in a floor length green cloth. German Chocolate cake and coffee were served. A bowl of fresh fruit was the centerpiece. Members of the houseparty were Mrs. Debbie Carlock, Vicki Beach, Sherry Christian and Mrs. Dorothy Stansel.

For a honeymoon trip to New Mexico and Colorado the bride wore a blue double knit pantsuit accented with the orchid from her bridal bouquet.

The bride is a 1974 graduate of Colorado High School and has attended the University of Texas at Arlington and will continue her studies at Odessa College.

The groom is a 1971 graduate of Kermit High School and has attended the Odessa College and is presently employed by Dover Inc. W.C. Norris Division in Odessa.

The couple will be at home in Odessa.

Meeting

1st Monday at 7:30 p.m. fire drill.

2nd Monday Ladies Auxiliary will meet.

3rd Monday at 7:30 p.m. business meeting.

Tip

Know what to do in case your clothing catches fire. You may only need to know once in a lifetime—but it could save your life. If you should catch fire, quickly drop to the floor or ground and roll, roll, roll until you smother the flames. This will keep flames and fumes from rising to your face. Learn not to burn!

INSTRUCTIONS TO BIDDERS
1. Sealed proposals addressed to Mr. T. L. Rees, President, Board of Trustees, Colorado ISD, Box 1268, Colorado City, TX 79512 will be received in the High School Cafeteria, until 3:00 P.M., Tuesday, September 2, 1975, at which time they will be publicly opened and read aloud, for the furnishing of all labor, materials and equipment and performing all work required for the paving of the High School, in accordance with Plans, Specifications and Contract Documents as prepared by Rihard and Huckabee, Architects and Planners, Lubbock and Andrews, Texas.

2. Lump sum proposals will be received for the paving of the High School provided and installed as specified.

3. A Certified Check, Cashier's Check or acceptable Bidder's Bond payable to the Owner, in the amount of not less than 5% of the largest possible total for the bid submitted must accompany each bid.

4. Attention is called to the fact that the contractor must comply with all Federal, State and Local Labor Laws.

5. The successful bidder will be required to enter into a contract with the Colorado ISD, Colorado City, TX, and furnish a performance and payment bond in the amount of not less than 100% of the contract price, conditioned upon the performance of the contract.

6a. Bids will be awarded to the successful bidder with the stipulation that payment will be made by the school district upon completion of the paving of the High School and upon the acceptance of the Board of Trustees.

6b. Attention is called to the fact that the Owner is exempt from the payment of the State Sales Tax normally levied against material costs. In order to take advantage of this exemption, materials and labor costs must be identified by the successful bidder. In developing this division of labor and material costs, the bidders are cautioned to include all costs and allowances, not representing direct material costs with labor. The contract sum, as identified by the base bid shall not include any allowance for the payment of State Sales Tax on materials required to complete the work. The successful bidder, upon award of the contract, will be furnished with a permit number which will enable him to purchase the required materials without payment of such taxes.

7. Specifications and Plans may be obtained from the Architect in accordance with the stipulations set forth under Deposits and Refunds. Rihard & Huckabee, Architects, P.O. Drawer E, Andrews, TX 79714 915-523-3450.

8. The bidder acknowledges the right of the Owner to reject any or all bids and to waive any informality or irregularity in any bid received, in addition, the bidder recognizes the right of the Owner to reject a bid if the bidder failed to furnish any required bid security, or to submit the data required by the bidding documents, or if the bid is in any way incomplete or irregular.

Banks Seek Ag Loans

The average size of agricultural loans has increased, interest rates are lower, and more than half the banks in Texas are seeking new farm and ranch loans. These conditions are reflected in a recent survey of agricultural credit conditions by an economist for the Texas Agricultural Extension Service. Operating loans showed a sharp increase, followed by machinery and crop storage borrowing.

Card Of Thanks

We want to thank our friends and neighbors for the consolation given to us during our trying time. The food sent to us, the beautiful flowers and plants, and your kind help was very much appreciated. All your kindness made our grief that much lighter to carry. God bless everyone of you.

Tennis Finals

Ken Burnam, tournament director for the annual Lions Club Tennis Tournament, says that competition to determine winners in the adult division is still underway.

"Tennis buffs are slowly getting the soreness out of their unused muscles, as the Lions Club summer tournament comes to a close for another year," Burnam said last week. "Competition started three weeks ago, as players played whenever they had time after work."

He said that the tennis courts have been full every evening for these three weeks with the weekend hackers.

"Many of the players practiced so much that they actually played a good brand of tennis," he said.

Fourteen players started out in the Men's Singles division and winners will be determined soon by a match between Burnam and Billy Gavin. Semifinalists were Don Delaney and Jimmy Ruth, each defeated by one of the finalists.

The doubles team of Don Delaney-Mel Palmer, nicknamed "the over the hill gang," won their division after a defeat by Burnam-Gavin and defeated the team of Terry Stander-Joe Vincent. "Both teams, the 'aged hackers' and the 'young hackers,' put on a brilliant display of unusual tennis strokes," Burnam said.

Mixed doubles teams of Ed Newton-Theresa Brewer and Don Delaney-Kay Faegan will meet for the championship in that division, Burnam said.

"The tournament was enjoyed by all, and is a highlight of the summer for the physically oriented tennis players or 'hacker,'" Burnam said.

Spray Hints

Early planted sunflower crops in Mitchell County have completed the bloom stage and are now in a period of grain filling, says Bob Benson, County Extension Agent.

Since this is the period in which oil content and seed weight are being determined, farmers need to be careful not to stop plant growth too quickly with harvest-aid chemicals. Early killing could have a drastic effect on final yields, he said.

The agent says that with the excellent moisture conditions prevailing on the High Plains, it could take four to six weeks after completion of the bloom stage for seed to reach full maturity.

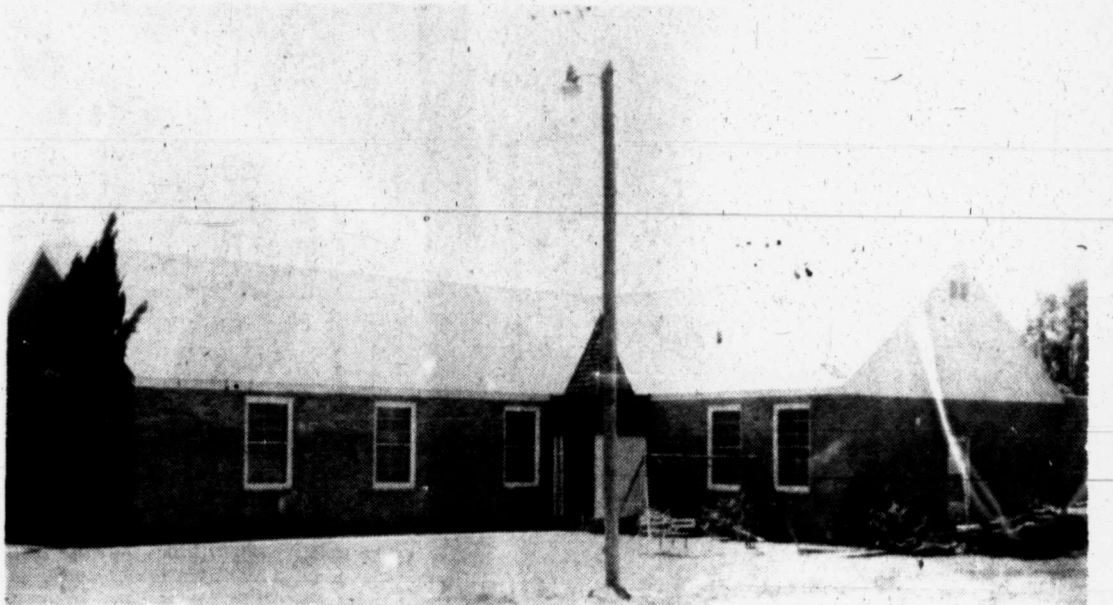

By that time the back of the head and stalk should be lemon yellow in color and most of the leaves will be dead or appear to be dying. The triangular shape of the head will be the outer edge of the head will be brown and brittle. The seed in the center of the head will be as dark in color and as firm as the seed on the outer edge.

When these characteristics are noted, the seed is mature but the fleshy head base (which when cut open with a knife looks somewhat like a sponge) will not be sufficiently dry for combining operation, the head base must be dry, Benson cautions.

Several weeks could be required for the head base to dry naturally. During this period seed will begin to shatter and some yield will be lost. The best alternative is to rush the final drying process with the use of a harvest-aid chemical.

Recently, Paraquat was cleared for use as a sunflower desiccant in Texas. The chemical may be applied at a rate of 1 to 2 pints per acre when sunflower seeds are mature, Benson says.

Five gallons of spray mix (Paraquat plus water) should be

Connie Marie Cooley

...to wed in October

Cooley, Penland Plan Fall Wedding

Mr. and Mrs. Clyde L. Cooley of Colorado City have announced the engagement and approaching marriage of their daughter Connie Marie, to Travis Edward Penland of Levelland.

The bride-elect is a 1973 graduate of Colorado High School and a graduate of South Plains College. She is presently employed at the Cook Memorial Hospital in Levelland.

The prospective groom attended school at Broken Arrow Oklahoma and South Plains College and has served in the U.S. Navy.

Awarded

Earl Cook, former Colorado City resident, was presented the Distinguished Service Award of the Vocational Agriculture Teachers Association of Texas. He has previously been connected with schools in the Mitchell County area.

TO GET TO YOUR FAVORITE VACATION SPOT

SAFELY, ECONOMICALLY AND RELAXED

Sometimes the hassle of getting to your vacation site can be enough to make you really need a rest. That's why you should install a set of Michelin steel-belted radials on your camper or travel trailer. They're designed to deliver safety — puncture protection, all-weather traction, excellent braking ability and firm road holding. They run economically — reduced rolling resistance as compared with conventional bias ply tires can mean genuine gas savings up to 10%. And they do all the work — their smooth, easy-handling ride means you don't wear yourself out getting to your vacation spot.

Make things easier on you, self. Stop in and have Michelin "X" steel-belted radials installed.
