E. Eason Out For Sheriffs Job

E. Eason of the O. K. community is this week announcing for the office of Sheriff of Dawson county subject to the action of the Democratic Primary in July.

Although born in Alabama Mr. Eason has lived in Texas so long that he is a true blue son of the Lone Star State. He came to Lamesa county more than 30 years ago then to Erath county where he lived for 20 years and is now going on his eleventh year in Dawson county. The first year he lived at Mt. Olive and since has been at O. K.

Mr. Eason is from the ranks of the great American people. He is a son of the soil, a farmer. He, however, has been all over the south, has studied people closely and has always had an absorbing interest in people, why they break down and the best measures possible to employ in making better folks out of them.

For years he has studied the law enforcement machinery of towns, counties and the nation as a citizen. He has looked at it from the ranks of the public with the idea of sometimes becoming a part of that machinery. He wanted to study and know the reactions of the public so that if and when he did become an officer he would know the best ways to proceed with enforcement to gain maximum results so far as making people law abiding are concerned.

"I believe I know thoroughly principles of the office of Sheriff," said Mr. Eason in his statement. "I have studied the office carefully and have considered well before asking folks to support me in the office. I have seen life in all its channels, have studied it, and believe I can enforce the law with methods that will lessen rather than increase the number of criminals."

Mr. Eason has never paid a fine in his life; owns his home, pays taxes, is one of the common people, and knows and appreciates their problems and perplexities. He will deeply appreciate the support of his friends in this race and asks their help and influence in the primary and coming election.

LAMESA PIONEER PASSES AWAY

Mrs. M. B. Perkins, one of Dawson county's early residents passed away last Thursday at Winter. She had recently moved with her son Will and family to this place and was sick for only a short while and died following an operation. Mrs. Perkins, with her husband and children resided here for many years and have many friends who will miss her.

ENTHUSIASTIC TREE PLANTER

B. F. Lee, a real old timer of Dawson county plans to plant a long line of shade trees on the Big Spring road. His farm is on half mile out. He says if he can enjoy them long, he will plant for those who follow him.

HIGH SCHOOL STUDENTS TO GIVE GEORGE WASHINGTON PROGRAM

On Monday morning, February 22 at 10 a. m. the high school students will present a George Washington program in the High School Auditorium. The public cordially invited to attend.

DEX DAVIS HOUSE BURNED

The house occupied by Dex Davis on South 4th street caught fire last Thursday afternoon from some unknown cause and was practically destroyed before the fire department was notified. The house belonged to Pete Cameron and was partly covered by insurance.

TIRE THIEVES FOUND

The two boys who took two tires were found Monday. They were from the car of Earl Hatchett identified as the ones who stole some chickens also it is said. Hatchett's car was at the station when the tires were taken from it.

Miss Ruth Gullidge of Spring visited Mrs. J. F. B. Hurst here Tuesday. S. Richardson spent last week in South Texas.

BIG SPRING MALE CHORUS PROGRAM AT METHODIST CHURCH THURS., FEB. 18

For the price of a book or set of books one may be admitted to the male chorus program given by Big Spring Male Chorus Thursday evening the 18th at the Methodist Church. This program is sponsored by ten organizations in the county and has for its purpose the securing of more books for the already well started library here.

Dr. Roy Loveless, chairman of the Library Association, stated Wednesday of this week that at this program there would be five solos consisting of bass, baritone and tenor; six choruses and four quartets, and the program will last one hour and twenty minutes.

There will be a cotton buyer, banker, police, care man, lawyer, Civil Engineer, Biologist, auto salesman, Tire Dealer, Dentist, Rhetorician, Nation Well Supply Man, Ginney, Auto Mechanic, Chamber of Commerce Secretary and others on the male chorus at this program.

The Lamesa Luncheon Club, Elphian Club, Study Club, Boy Scouts, American Legion, Chamber of Commerce, Parent Teachers Association, County Home Demonstration Council are sponsoring this entertainment.

Admission may be obtained by bringing a book or a set of books on hand and help build this library and hear at the same time one of the best male choruses in West Texas. At this time 1230 books are in the library and it is expected to have this many more this year.

First Annual Scout Kite Tournament

Boy Scouts of the three troops at Lamesa will compete against each other Saturday afternoon, February 13th, in the various phases of kites flying during a big kite tournament which will be held at the Lamesa Airport.

The contests will start at 3 o'clock and it is hoped that a large crowd will be present to watch the boys display their skill with their white winged birds.

It will be the first meet of this kind ever held in Lamesa, but we hope to make it an annual affair and one of the most enjoyable scout activities during Scout Anniversary week each year. There will be both patrol and individual competition in each event and ribbon premiums for first, second and third place winners awarded. Many kinds of kites are expected to be seen in the air as the boys are not restrained as to the type or size of their kites. However, all kites must fly and individual kites must be made by members of the patrol. Judging and awards will be the same for patrols and will be made to have disinterested individual competition. An effort will be made to have disinterested judges throughout. The events of the tournament will be as follows:

- For Patrols**
 1. Best made kite.
 2. Highest flying kite.
- For Individuals**
 3. 100 yard dash.
 - Same as for patrols.

Judging
Kites will be judged for the best made before they fly, and for the highest flying ten or fifteen minutes after the sound of the whistle. For the 100 yard dash the boys must have their strings measured for the same length and at the signal release their kites, fly them the full length of their strings and then draw them in. The boys doing this first will be declared the winners in this event.

INTERESTING FACTS
The first permanent Atlantic Cable was laid in 1866.
The first oranges were grown in California in 1873.
The volume of the earth is 200,000,000,000 cubic miles.
Potatoes were not raised in New England until 1719.
There are 3,743,344 square miles in the United States.
France invented a system of making plate glass in 1691.
The Chinese dictionary contains about 40,000 characters.
Hawaii has the largest extinct and largest continuously active volcano in the world.

Interscholastic League Debates

The 1931-32 debates will be held in the District Court room, Lamesa, Tex. at 7 p. m. Teams forfeit if not present at 7:30 p. m. The following teams debate in first round Wednesday, February 17, 1932.

Boys
Lamesa vs. Key; Lakeview vs. Lou; Hancock vs. Ackerly; Liberty-bye.

Girls
Lakeview vs. Liberty; Hancock vs. Munger; Key vs. Ackerly; Lou vs. Klondike; Lamesa-bye.

Coaches please see director for respective members of their teams. The public is cordially invited to attend these debates. No admission fee.

The question this year is: Resolved that Lobbying as practiced in this country is detrimental to the best interests of the people.

Bob Lindsey Jr., Star Route 1 Director of Debate.

NATIONAL BOY SCOUT WEEK FEBRUARY 8 TO 13

The month of February 1932 signifies two great events: The two hundredth anniversary of George Washington and the twenty-second anniversary of the founding of the Boy Scouts of America.

The Boy Scout movement originated in England and was brought to America by W. D. Boyce who knew nothing of the organization until a personal incident revealed its existence. While seeking a certain location in a congested part of London, a lad noticed his bewilderment saluted and asked if he might be of service. Mr. Boyce accepted his offer and upon reaching his destination offered the boy a shilling. The boy courteously refused the offer by saluting and saying "A Scout accepts no reward for a courtesy or good turn."

This resulted in Mr. Boyce bringing with him a trunk of literature to America and taking steps for the subsequent incorporation of the Boy Scouts of America. With the assistance of Edward S. Stewart and Standley Wells, Mr. Boyce secured the right of incorporating the organization on February 8, 1910.

In 1911 the Scout Oath and Law took its present form embodying twelve fundamental principles: The Oath: "On my honor I will do my best: 1. To do my duty to God and my Country and to obey the Scout Law; 2. To help other people at all times; 3. To keep myself physically strong, mentally awake and morally straight.

The Law: A scout is, 1. Trustworthy; 2. Loyal; 3. Helpful; 4. Friendly; 5. Courteous; 6. Kind; 8. Thrifty; 10. Cheerful; 11. Clean; 12: A scout is reverent.

With more than four hundred thousand boys of our nation taking this oath and living the Law, it behooves us grown-ups to revere and respect them, to honor them during this week, signifying our appreciation of their attitude in making our country a better place in which to live. They are the leaders of tomorrow the tomorrow which we expect to be better than the harvest of our own youth.

Some seventy boys of Dawson county are a vital part of this army of Scouts, they can be easily recognized in every day life, they are the elite of adult training, the training of some outstanding men of our community who have a vision of the need of true leadership of the future. Men who are giving their time and means unstintingly that the world may be made better by their having gone this way.

Our hats are off to these leaders J. D. Dyer, who has rendered perhaps the greatest number of years of service in the county; Dr. Lovelace, recently awarded national honors for outstanding service; Joseph N. Spikes; Ernie Parelman; W. A. Stephens; Happy Dyer; and Leslie Pratt who work daily with these more than seventy boys, because they love the work, the boys, and the welfare of the country.

Tornadoes Win County Tournament

The Dawson county Basketball Tournament which was held in Lamesa last Friday and Saturday with eleven teams in play was won by the Lamesa Tornadoes. In order to win this honor the Lamesa team had to beat Wilson, Liberty, Klondike and Higginbotham.

The tournament was held to decide a county winner to represent the county at the District Tournament in Lubbock the 19th and 20th of this month. The Tornadoes will probably play some mighty good games at this District Tournament.

DATE CHANGED FOR LEGION SQUARE DANCE

At the regular meeting of the American Legion Tuesday night, it was decided to change the date of the Square Dance from February 22 to Thursday the 25. This date was changed so the dance would not interfere with any other George Washington celebration.

The committee also announced that it had secured prices on fruit trees, roses, evergreens and shrubbery with equally as low prices. Of course these low prices on all material will depend on quantity lots and for this reason will have to come through the committee that all orders may be pooled. It is urged that all orders be placed through your local street captains, or committeemen if these low prices are desired. All street captains were named at the meeting: Mrs. Lee Hanson, chairman N. 6; Mrs. C. E. Martin, N. 5th; Mrs. Dee Hull, N. 4th; Mrs. Swanson Hurt, N. 3rd; Mrs. A. G. Barnard, N. 2nd; Mrs. E. B. Warren, N. 1st; Mrs. Walter Connell, S. 1st; Mrs. Loo Randalls, S. 2nd; Mrs. Tom Burnside, S. 3rd; Mrs. W. D. Arnett, S. 4th; Mrs. H. A. Gilliam, S. 5th; Mrs. G. E. Goodlee, S. 6th and S. 7. These captains will appoint workers in each block of their respective streets who will solicit all property owners for tree and shrubbery planting. The names of these workers will appear each week in the paper.

On the Highways leading into town the following have been appointed as captains: Mrs. M. C. Lindsey, chairman of Stanton

Mrs. Truman Campbell will leave Friday for a trip to South Texas with her parents Mr. and Mrs. R. L. Tate of Slaton.

NEW SUNDAY CLASS IN FIRST BAPTIST CHURCH

The Young Mothers, under 25 years of age, have organized a special class in Sunday School, with Mrs. J. R. Barron as teacher. Twenty "young wives" attended Sunday.

NEW GROCERY STORE

The new grocery store on the west side of the square continues to progress. No doubt, the carpenters will soon have their latest "piece of art" ready for occupancy of the Davis Store of Fresh Foods.

Mrs. Truman Campbell will leave Friday for a trip to South Texas with her parents Mr. and Mrs. R. L. Tate of Slaton.

Just Talking

By Wm. A. Wilson

There is no waste of time like that of reading without thinking. There is no more brutal thing than to become an habitual critic. There is no parasite like a leech on the community.

"Trust to luck but all we get is what we work for." "Look before you leap," but leap. There are three worths: Worth more, worth less, and worthless.

To be afraid you can't is the surest way that you won't. Too much talk about the other fellow and not enough action about self makes a meddlesome person.

Meaning is across the fence from love; a citron on one side; a watermelon on the other. If we are to experience less failures, we must listen to Experience when she speaks.

Some say in order to appear dignified they must always wear long faces. Others smile themselves into dignity.

We all can remember when only the ranchman watered his stock. Our dislikes should be our secrets. We should published our likes.

Who cares what you wear? It's what you are that counts. Only the "what you were" ruts keep you what you are.

We sometimes get angry at our bankers for not loaning us money, but we cannot help respecting his good judgement.

If it did not require thinking, it would be easy to work and talk at the same time.

The clerk who fails with her present firm will likely fail with any other firm unless she profits by her mistakes.

Did you ever hear of a busy rumor being idle.

Perhaps the greatest capital punishment is "breaking the neck in business."

A man may have millions, and not be worth a cent.

DAWSON COUNTY GETS NATIONAL RECOGNITION IN TREE CAMPAIGN

Plans were laid to get FREE TREES for each school district in the county through the Bi-Centennial Central Committee in a meeting held at the City Hall Monday of this week.

J. D. Dyer, general chairman with G. M. Roberts, J. E. Barron, Mrs. Phillip Yonge, Mrs. R. B. Townsend, V. O. Barron, W. T. Webb and Miss Rozelle McKinney members, announced that a plan had been outlined whereby any school in the county could get FREE trees for its grounds if at least 100 trees is bought through the Dawson county Bi-Centennial Committees by parents of the school. The committee also announced that it had been able to get prices of trees if purchased through the various chairman and committees as low as 10 cents and not higher than 28 cents. This is the Chinese Elm and range in height from four to ten feet tall.

The committee also announced that it had secured prices on fruit trees, roses, evergreens and shrubbery with equally as low prices. Of course these low prices on all material will depend on quantity lots and for this reason will have to come through the committee that all orders may be pooled. It is urged that all orders be placed through your local street captains, or committeemen if these low prices are desired. All street captains were named at the meeting: Mrs. Lee Hanson, chairman N. 6; Mrs. C. E. Martin, N. 5th; Mrs. Dee Hull, N. 4th; Mrs. Swanson Hurt, N. 3rd; Mrs. A. G. Barnard, N. 2nd; Mrs. E. B. Warren, N. 1st; Mrs. Walter Connell, S. 1st; Mrs. Loo Randalls, S. 2nd; Mrs. Tom Burnside, S. 3rd; Mrs. W. D. Arnett, S. 4th; Mrs. H. A. Gilliam, S. 5th; Mrs. G. E. Goodlee, S. 6th and S. 7. These captains will appoint workers in each block of their respective streets who will solicit all property owners for tree and shrubbery planting. The names of these workers will appear each week in the paper.

On the Highways leading into town the following have been appointed as captains: Mrs. M. C. Lindsey, chairman of Stanton

Mrs. Truman Campbell will leave Friday for a trip to South Texas with her parents Mr. and Mrs. R. L. Tate of Slaton.

DR. DUNN CHAIRMAN OF LUNCHEON CLUB

Dr. W. H. Dunn was chairman of the Business Men's Luncheon Club during their regular meeting Tuesday in the banquet room of the Williams Hotel. Judge E. B. Warren gave a very interesting talk that was very much appreciated. Mrs. Miss McCall furnished the music and Rodin Pickens rendered solos on a hand saw.

The next program will be in charge of W. B. Collins and Hilary Banta. A Dry Goods and Tailor Program. All their competitors will be there and after the fight prizes will be awarded.

EVERGREENS PLANTED IN COMMEMORATION OF DECEASED CLUB MEMBERS

The Lamesa Luncheon Club has a block of land 68 feet square in the City Park that they are going to beautify in memory of community service.

Last Monday the officials of the Club planted three evergreens in this space in commemoration of three charter members of the Club who are deceased: Namely J. H. Clark, Joe L. Ray, Frank R. King.

Highway. With her Mrs. S. L. Forrest and Mrs. E. C. Nix will work; Seminole Highway, Mrs. John Cason chairman. With her a committee will be named, Brownfield Mrs. Carl Rountree, chairman. Mrs. Wm. A. Wilson has been named to work with Mrs. Rountree; Highway Nine North Mr. Davis chairman; Highway leading East along North City Limits, Mrs. T. D. Randle chairman; Highway Nine South, Mrs. Claude F. Gowan chairman. One each highway property owners will be asked to plant trees on both sides of the highways for two miles out.

In each school district a Bi-Centennial Committee is appointed by the Central Committee which will have charge of the work in the school districts. Each home in the district will be canvassed for tree planting and every school district will be urged through this committee to plant trees about the school premises.

A meeting of the school committees is called in the City Hall Friday evening of this week for outlining plans for an extensive drive of tree setting. In addition to FREE trees for each school district it is pointed out by the committee that each person in the county, and this includes the City, who plant trees and who will turn their name into the committee the American Tree Planting Association will send a certificate of Honor and a large badge with the photo of George Washington on a Bi Centennial Badge will be given by the County Central Committee.

The Committee has on hand now all sorts of tree planting and culture bulletins that are for free distribution to any interested persons.

It is pointed out by the committee that there is no better time to plant trees than this year. The good underground season, the national sentiment and the low price of trees all speaks their approval of this project. Perhaps little remains in the way of tree setting this year.

If Dawson county sets more trees than any other county in the United States this year it will get a large banner so recognizing this fact. Why not win this distinction?

REMEMBER, if you want trees for your school, your name on the National Association Honor Roll, free George Washington Buttons and the advantage of low priced trees see some member of the Dawson County Bi Centennial Tree Planting Committees and express your willingness to work and cooperate in this Big Drive to set trees this year in Dawson county.

In the meeting Monday the following people attended: Albert Law, G. M. Roberts, Mrs. Dee Hull Mrs. H. A. Gilliam, Mrs. S. L. Forrest, Mrs. M. C. Lindsey, Mrs. C. E. Martin, Mrs. Lee Hanson, Mrs. Loo Randalls, Mrs. Wm. A. Wilson, Mrs. G. E. Goodlee, Mrs. R. B. Townsend, Mrs. A. G. Barnard, Mrs. Walter Connel, Mrs. Claude F. Gowan, Mrs. Carl Rountree, Mrs. E. C. Nix, J. E. Barron, Mrs. Tom Burnside, J. D. Dyer, Miss Rozelle McKinney, Mr. Whiteside of Lubbock.

Most people like to take their own advice. Most people are failures.

Being on time at your appointments only rates you second to those who are ahead of time.

A clock watcher—an employee with no responsibility. The boss carrying the full load. Moral Employee unemployed and shrunk up.

Towns do not happen they are built by those who live in them.

Who hath ever said speaking of you, "There goes a person who has meant more to this town than any citizen in it?"

If every person in my town were just like men, what kind of a town would my town be?

A dollar rolling around in the community can be torched by more toes than one in the sock.

Cussing the government does not make business better. Looking in the mirror does not make you look better. It's an individual matter, and we must help ourselves.

A pessimist: "We are just now coming into this depression."

An Optimist: "Business is better than this time last year."

Betweeninst: "I hope so."

SMOKE FIRE WATER SALE

I have been commissioned to dispose of the Golden Rule Store Stock and Fixtures. The Firemen were quick in responding, putting out the fire without unnecessary water damage. This is a stock of the better class merchandise but Noret says he won't have it. To restock it would be like putting good apples with bad ones. He says pay me so it is up to us to dispose of it quickly regardless of what other merchants say or think.

How Do Trees Serve Us Best?

1. Trees absorb poisonous gases and exhale health giving oxygen, thus preserving our health.
 2. They shade us from the hot sun and cool the air by evaporating moisture from their leaves.
 3. They shelter us from the cold, blustering winds of winter.
 4. They make our homes, schools and cities more beautiful.
 5. They furnish protection and nesting places for birds that destroy insects and sing four our entertainment.
 6. They serve as a refuge for wild life of all sorts.
 7. They furnish employment to many thousands of men and women and are a source of wealth in our forests.
 8. They supply us with logs and timber for our homes and furnish us with even the paper we write on in school. Our pencils and desks are made from trees. Without trees we would lack many comforts which we enjoy now.
 9. They give us many medicines to cure our ills and nurse us back to strength.
 10. They cover our hills and valleys with a forest growth that helps to store the rain water which might otherwise become a torrent, washing away the fertile soil and filling up our rivers and harbors.
- For these reasons and in return for these services, we should love and cherish trees as our friends. We should protect them from harm, care for them when they are thirsty, and increase the number of our friends by planting trees. From the time it is planted a tree becomes more powerful and beautiful for many, many years.

AMERICA'S INTEREST IN SANGHAI GREAT; 241 FIRMS IN OPERATION

The latest period for which statistics are available, (1930) shows America's trade with Shanghai amounted to \$120,253,554. This was composed of \$41,625,717 in exports from the city, 28 percent of Shanghai's total and \$78,627,837 in imports, 25 percent of the total.

American participation in the government of Shanghai has been regular since 1869, but the greatest portion of the burden has fallen on the British. American concerns, outstanding among which are the Standard Oil and Singer Sewing Machine Company, have large branches there, but the American interest is not comparable to the British.

The American civilians are estimated by the Commerce Department to number 1600. The United States Military force totals 1264 men.

American business establishments within the International Settlement, although greatly outnumbered by British and Japanese concerns conducts more than one-fourth of the imports and export business of the city.

This afore mentioned International Settlement was organized in the late 50's by a group of American who leased land for a community later being joined by the British and some other foreigners. It consists now of 5,584 acres on the outskirts of the city. It belongs to the Chinese Republic but is leased in perpetuity at \$2.35 an acre per year. American business has grown now until there are 241 firms established.

Other nations with considerable trade with Shanghai include Japan, Great Britain, France, British India and Germany.

POULTRY PRICES NOT LOW AS OTHER FARM PRODUCTS

Every survey of the farming industry made during the past year has shown poultry to be one of the outstanding, profitable farm products.

It is true poultry prices and egg prices are reduced, but a recent survey shows poultry prices declined only 6 percent and eggs 16 percent in 1931.

On the other hand, the decline in other farm products has been as high as 52 percent for wheat, while corn declined 43 percent and oats dropped 44 percent. The average decline for all farm products including hogs, lambs, cattle, etc. was shown to 31 percent.

It is a well known fact, that with hogs selling at from 3c to 4c a pound, they have been losing money for the farmer. Even with 40c corn the farmers were unable to make money on their hogs the past year.

The conditions in the dairy industry, for instance, are well known, with milk wars and unprofitable prices in many sections. In some sections farmers were being paid as little as 80c to \$1.00 for milk or the equivalent of \$15.00 to \$20.00 a ton.

Last year the prediction was freely made that poultry meat prices would be higher in the fall, bringing four times as much as pork. This has more than come true, a poultry brought from five to six times as much as pork throughout the year.

With a reduction in poultry production last year, and an outlook for further reduction this year, it is more than probable poultry will maintain an average sale price of four to five times as much as pork.

Owing to the fact poultry raisers and farmers have their buildings, brooders and in many instances, their feed, it is advisable that they continue to produce poultry in normal amounts as in former years, rather than reduce the flocks as was done last year, owing to unfavorable conditions.

The farmer who maintained his flock last year, found his poultry a good source of ready cash income and a profitable crop, when other prices and cost of raising poultry was considered.

The outlook is that this will be an equally favorable year for poultry prices and those who maintain their flocks will reap the benefit.

The above information was released by the International Baby Chick Association, and we think they have very ably summed up the poultry situation up. Poultry made you a profit last year and they will do the same this year.

RAY BARRETT IN PLAINVIEW
Ray Barrett, who has been associated with the Lamesa National Bank for several years, has recently gone to Plainview to accept a position in the newly organized bank there.

MORRIS SELLS INTEREST IN DRUG STORE
R. F. Morris sold his interest in the Taylor-Morris McCall Drug Store this week to Mr. McCall and Mr. Taylor. Painters have been busy changing the sign to Taylor-Morris Drug Co.

Taylor Morris McCall recently sold their interest in the Dal Paso Drug Store to Durwin Echols and Carl Peterson and were managing the one store on the west side.

Mrs. Bill Warnick is visiting this week in Rule with relatives.

Marcus Tweat who was injured by his horse falling on him, has been moved to his home on the Big Spring road. Marcus is improving rapidly.

Edward Noret was a business visitor to Colorado last week.

Miss Evelyn Burnside was a house guest of Francis Burns of Lubbock the past week end.

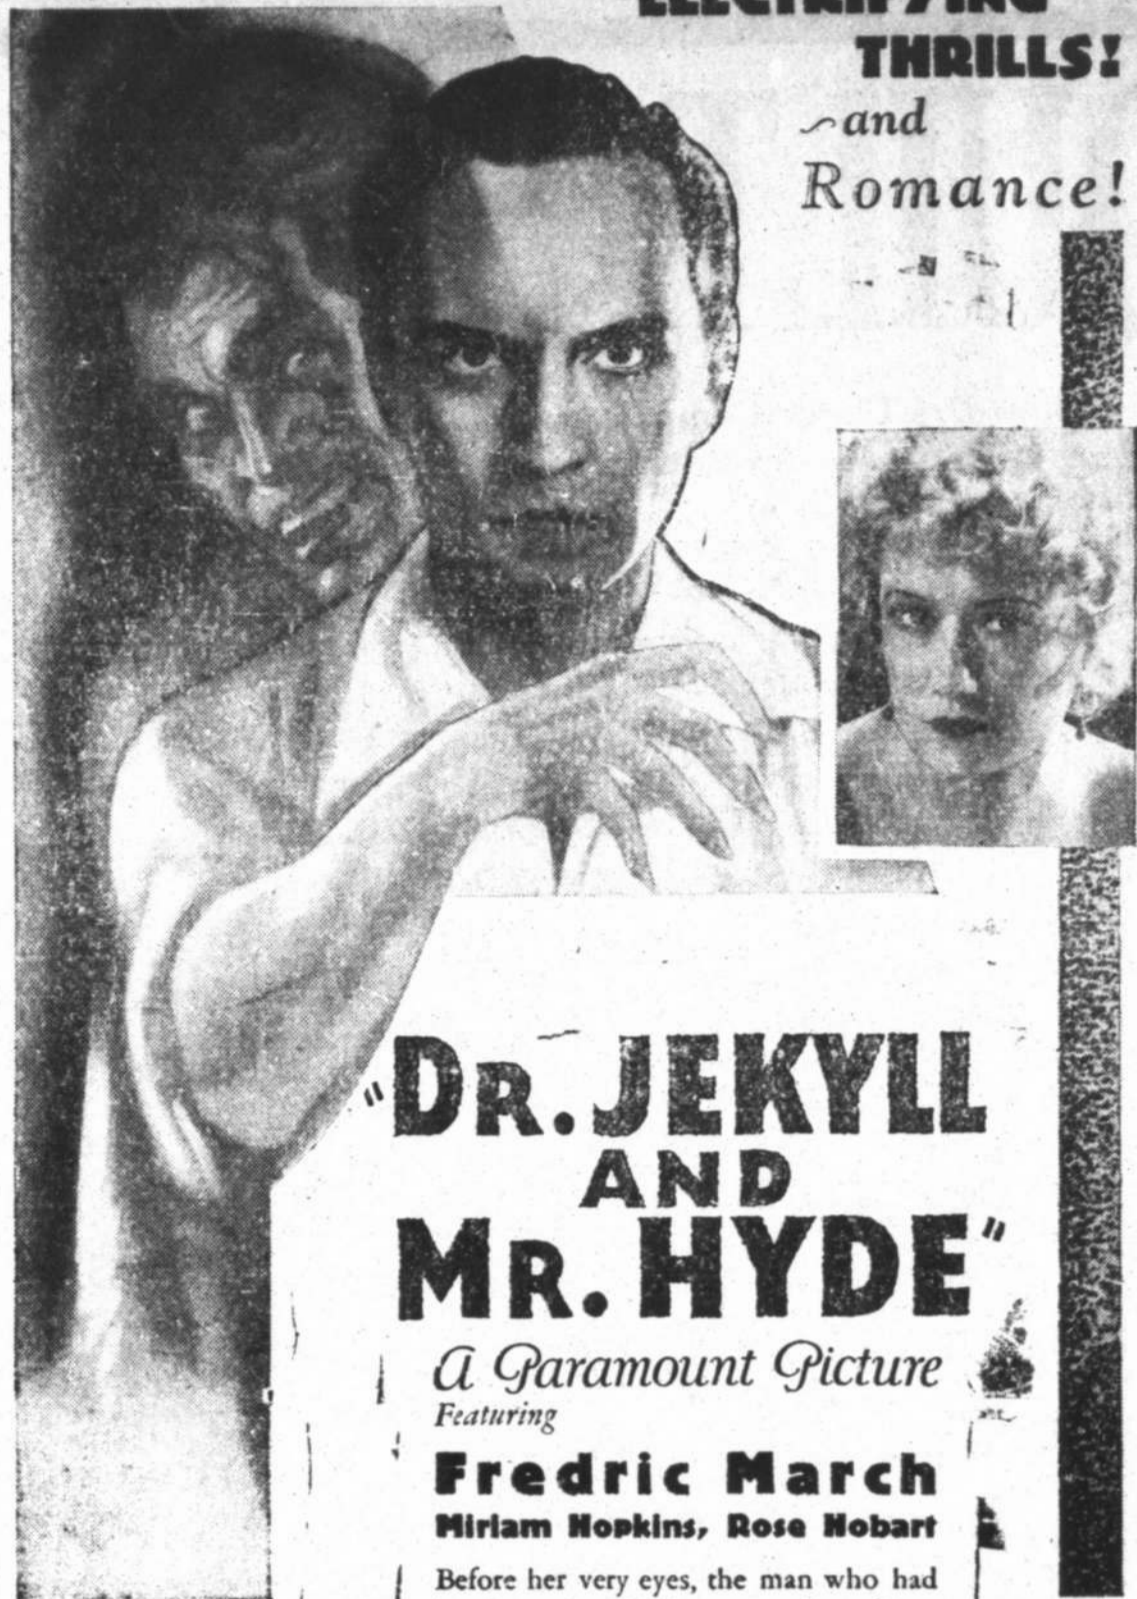

Mr. and Mrs. John Edd Punchard of Waco came in Sunday for a visit with their mother, Mrs. Bessie Punchard, and the T. C. Brannon family.

Mr. and Mrs. Gordon B. McGuire Jr. visited Mr. and Mrs. Gilbert Watson in Lomax Sunday.

Mr. and Mrs. B. F. Chancellor returned Tuesday from a two weeks visit in Breckenridge.

Mrs. T. K. McMullen very much improved after a serious illness due to throat trouble.

Edward Noret was a business visitor to Colorado last week.

If you don't have a quilt or spread come in and see the display of these quilts as there are hundreds of quilts in the county and there will be one of the biggest collections ever shown. Don't forget to have your quilt here not later than February 20th. Show starts February 22nd. Judging will take place February 26th at 4 o'clock P. M. Friday.

DON'T FAIL TO BE HERE

Collins Dry Goods Co.

DR. JEKYLL AND MR. HYDE

Seven distinct characterizations are enacted by Fredric March during his portrayal of the dual personality role in Paramount's "Dr. Jekyll and Mr. Hyde," which is scheduled as the feature picture at the Palace Theatre for 3 days during the first part of next week.

With the assistance of Director Ronben Mamoulian, March has created four different Hydes and 3 Jekylls for the course of the film.

These varying characterizations are necessary in order to show the disintegration of the beloved Dr. Jekyll into the most hideous incarnation of his evil self.

Hyde, when he first appears, is not developed to the fullness of his evil character. As he slowly gains more freedom and enters deeper and deeper into his life of crime and debauchery, he changes physically for the worse. These changes will be shown in four steps of characterization until the final one, where he has completely conquered Jekyll and is in his most hideous form.

At the same time, Jekyll, in trying to throw off this unloosed evil self, shows more and more the signs of this struggle.

R. R. (RAY) JORDAN OUT FOR COMMISSIONER FROM PRECINCT NUMBER 2

R. R. (Ray) Jordan of the O. K. Community joins the candidate brigade this week, announcing for commissioner of Precinct 2, subject to the action of the Democratic Primary in July.

Mr. Jordan has been living in this county for a number of years and has never asked for a public office before. He has been a farmer and tax payer the entire time he has spent in Dawson county. Mr. Jordan feels that he is qualified to serve in the position for which he asks and says that if elected he will strive to give universal satisfaction. He states that he has a number of substantial citizens in Dawson county who are friends of his that can substantiate any thing he might say, and who have strongly solicited him to run.

MRS. H. B. GLOVER HONORS HUSBAND WITH SURPRISE BIRTHDAY PARTY

Mrs. H. B. Glover honored her husband with a surprise birthday party at their home on Wasson Street Friday evening. Several friends were present and enjoyed salad, angel food cake and hot playing "84" and "Slippery Sal." Tempting refreshments of fruit chocolate was served to those present.

OPEN HOUSE FAREWELL PARTY

On Friday evening between the hours of 7:30 and 9:30 at the Legion Hall Open House will be held for W. W. Evans and his wife as a farewell for them. The public is cordially invited to be present and a special invitation is extended through the papers to the farmers that cannot be reached by telephone.

Miss Aileen Graham has come to have an extended visit with her relatives, the Tom Burnside family.

Miss Blanche Meeks, teacher at Hagin, spent the week end with Miss Lola McWhirter.

The Pierce children have enrolled in school this week and every one is about through gathering their cotton.

Vernon Adeock received a new shipment of law books last week and he is very proud of same.

HANCOCK HILIFE

Forget your troubles and financial worries for one night and come to Hancock. You will laugh until all the world looks rosy when you see our gentlemen friends masquerading as ladies, for we are to have a male beauty contest and style show.

This event is being sponsored by the teachers of Hancock School. If there is a bit of mirth in your system you will laugh yourself hoarse at Mr. C. E. Sims as a society lady, dressed in the height of fashion. Mr. Montgomery will look stunning in one of the latest creations.

Mr. K. Stephens, one of the trustees, will be stepping down home folks.

Girl's Basketball Tournament Scheduled Here For February 13 and 14

There will be a girls' basketball tournament in the local high school gym, starting Friday, February 13 and ending late Saturday. Sixteen of the leading teams of this part of West Texas will take part. The first round of county games will start Friday night with the following teams taking part: Hancock, Munger, Klonike, Lamesa, Key and McCarty.

The tournament proper will begin Saturday morning with the following outstanding teams in play: Seagraves, Ira, Slaton, O'Donnell.

Don't be afraid of getting choiced, there will be nothing burlesque or common. Everything will be done in the best of order.

Mrs. W. J. Beckham, Mrs. Pounds and Sid Key with other home talent will furnish the music. Each rural school is asked to send two representatives, gentlemen dressed as women.

Three prizes will be awarded, one for the prettiest boy in Hancock who shall be called "Miss Hancock" another for the most beautiful boy outside of Hancock, who shall be called "Miss Dawson County." The third prize will go to the all around best costume in the show.

After the Style Show the ladies of the community and the high school girls will serve hot chocolate and home made cake to every one.

The admission for this stunt is to be ten cents for adults and five cents for children. The date is Friday, Feb. 13, 1932. If you want a seat come early as we are expecting a capacity house.

Hilife Editor

Miss Christine Creswell of Texas Tech spent the week end with her home folks.

PATRICIA (NATILEE) NEWS

By Vernon D. Adeock

There was good attendance at all sermons Sunday both sermons by Rev. Peters were very good.

The BYPU rendered a fine program Sunday evening and we had a very interesting Sunday School lesson on this Sunday on the "Slavery of Sin." The Methodist meeting with Rev. Peters Sunday afternoon and made financial plans for the church this year. Rev. Peters expressed his appreciation of the spirit of cooperation in this meeting.

Our singing was changed from First Sunday to Second Sunday at the singing here Sunday afternoon. All are invited to these singing services next Sunday and every second Sunday.

The Epworth League social at Mr. and Mrs. Clarence Latson's was enjoyed by all Thursday night.

Mrs. T. E. McReynolds is visiting her mother at Trent, Texas this week. Her mother is not expected to live.

Little Opal Boydston has been sick this week.

The party given by Mr. and Mrs. M. B. Aslin Saturday night was enjoyed by many.

Vernon Briston, Hobbs, N. M. is visiting his brother in law Dalton Fuller.

Mrs. Fuller is visiting her mother at Hobbs, N. M.

A party will be given at Mr. Clines Thursday night.

Miss Maurine Boydston and Mr. Glenn Price and Mr. Alton Scott spent the day with Miss Jessie Aslin Sunday. Miss Jewel Price spent the day with Misses Jodie and Lillian Adams.

IMPROVED UNIFORM INTERNATIONAL SUNDAY SCHOOL Lesson

By REV. P. B. FITZWATER, D. D., Member of Faculty, Moody Bible Institute of Chicago. (©, 1925, Western Newspaper Union.)

Lesson for February 14

JESUS AND THE MAN BORN BLIND

LESSON TEXT—John 9:1-41.
GOLDEN TEXT—Then spake Jesus again unto them, saying, I am the light of the world; he that followeth me shall not walk in darkness, but shall have the light of life.
PRIMARY TOPIC—Jesus Makes a Blind Man See.
JUNIOR TOPIC—Jesus Gives Sight to a Blind Beggar.
INTERMEDIATE AND SENIOR TOPIC—What Jesus Did for a Blind Man.
YOUNG PEOPLE AND ADULT TOPIC—Jesus the Light of the World.

I. Working the Works of God While It is Day (vv. 1-5).

1. The disciples' problem (vv. 1, 2). In their minds all affliction, negative and positive, was God's retribution for sin. Therefore, they argued that this man's blindness proved his sin. They recognized also that the effect of sin is sometimes hereditary. The common philosophy of men about us today is that sickness, disease, and all sorts of calamities, is God's judgment for sin.

2. The Lord's answer (vv. 3-5). Jesus affirmed that in this case there was neither sin on the man's part nor that of his parents, but that it was an occasion for the display of the works of God and that he had come to execute this task while it was day because the night would come when no man could work. Since Christ is the light of the world, the task which challenged his attention was the opening of this man's eyes. The purpose of Jesus in working miracles was not a mere exhibition of miraculous power, but "to illustrate in the physical sphere his power in the spiritual sphere." It was illustrative of man's utter helplessness in his own salvation. The natural man is blind and dead (II Cor. 4:4; Eph. 2:1). God, by his Spirit, must quicken the soul dead in trespasses and sin before he can see to take hold on Christ, the remedy for sin.

II. The Man's Eyes Opened (vv. 6, 7).

1. The means used (v. 6). Jesus spat on the ground and made clay of the spittle and anointed his eyes. Observe that the means used in this miracle were a little less than foolish in themselves. The object must have been to show the man the utter inadequacy of the means to the accomplishment of the end, that he might be convinced that the power was of God.

2. His obedience (v. 7). He immediately obeyed. He did not stop to question the reasonableness of the command. Obedience only to that which seems reasonable is not obedience at all. He did not inquire as to what would be the result.

III. The Man's Testimony (vv. 8-36).

In his testimony we have a fine example of the development of faith.

1. He testified to his personal identity (v. 9). This was very easy. His self-consciousness enabled him to know that he was the same man who was born blind.

2. He testified as to how it was done (vv. 11-15). So definite was his experience that he was able to tell just how it was done.

3. He testified that the one who opened his eyes was a prophet (v. 17).

4. He testified that this healer no doubt was sent of God (vv. 30-33).

5. He worshiped him as the Son of God (v. 38).

IV. The Results of His Confession.

1. As to the people, they were divided in their sentiment (v. 16). Some believed Jesus was from God because of his works. Others believed that he was a sinner because he did his work on the Sabbath day.

2. As to the man, they cast him out (v. 34). Faithful testimony will often result in ostracism from religious people, but there must be faithfulness.

3. As to Jesus, he found the man (v. 35). Being cast out by men, he found himself in the arms of Jesus. He was led on to a deeper faith. He first saw Christ as a miracle worker, then as a prophet, and finally as the Son of God.

This whole lesson may be viewed from three angles:

1. As an acted parable of a life that issues from faith in Christ. It is an illustration of the spiritual sphere in terms of the physical.

2. The testimony of the deity of our Lord. This testimony is fourfold:
a. The miracle itself an unheard-of work, that a man born blind should receive his sight.

b. The unwilling admission of the enemies themselves who made a public and official investigation.

c. The testimony of the man himself.

d. That of his parents.

3. An illuminating example of the development of faith.

SAGE REMARKS

Talk without action saps the will.

Example is the school of mankind.

Good is best when soonest wrought.

As the purse is emptied, the heart is filled.

If you wish your neighbors to see what God is like, let them see what he can make you like.

BALLARD NEWS

By Bob Lindsey Jr.

Bro. W. B. Wages held regular services at the school last Sunday afternoon.

Lois Summerlin, Tech student, visited her family and friends during the week end.

Mr. and Mrs. J. D. Wages, Merle Shipp, Johnnie Galloway, and Mrs. L. W. West attended church here last Sunday.

Ballard's girl team was defeated by Wilson 14-13 at Wilson last Thursday afternoon. Vera Cooley, Ballard, made a two-point goal immediately after whistle blew.

Misses Verna White, Pearl Scott and Laura Miller visited the school last week.

A large crowd attended the Fairview-Ballard game at Ballard last Friday after school. Ballard's boys were defeated 8-0, Ballard's girls won 24-16.

Bro. W. B. Wages, Lamesa, and Bob Lindsey Jr. spent the week-end with R. Y. Lindsey, Martin County. Bro. Wages held two services while there.

Declamation eliminations were held last Monday among Ballard students to select the school's representatives in the Interscholastic League Declamation contest.

The school will have an evening commemoration program in February in memory of George Washington, Lincoln, and Wilson. Trees will be put out on Washington's birthday to cooperate in the nation wide BI Centennial Commemoration. Date of the program will be announced thru the papers everyone is invited.

Misses Katie Lee Bumpus, Opal Wortham and Minnie Cope were Lubbock visitors Sunday.

Andrew Dunlop of Lubbock was a Lamesa visitor Sunday.

Mr. and Mrs. Whit Barrow are the proud parents of a baby girl born Saturday of last week and named Julia Ann.

Misses Ethel Iris Simpson, Gladys Hastings, and Audrey Faye Bailey were Seagraves visitors last Wednesday.

TRUE DEVELOPMENT

by Pearl P. Gibson

It is mostly by comparison that we are able to estimate value. Having but small opportunity for comparison the wants of primitive man were but little higher than beasts, depending upon self preservation, but with intellectual development came new comparisons and new wants.

To the American people life would have but small interest if it had to be faced in slavery, with endless hours of toil without hope or remuneration, and driven under the whiplash of cruel despots, but such is not the case. However dissatisfied we may become, and however much criticism we may hear, we know that America is the best government for men that exists today, and that it has set a higher standard for other nations. However many mistakes we may have made our intentions were right; our own citizenship start life in freedom, and the national ideal is still high. We have the right to own property, to worship God or pretend we are atheists, just as we like. It is our privilege to criticize our president or bolt our political party if they do not please us. But into the melting pot of our country have gone a few characteristics in common, regardless of the nation from which they came, which went to make up the American national character, and those were courage, vision, faith, energy and independence. Courage to tear bleeding roots from home soil; vision to transplant them in fields of larger growth; faith and energy to make them grow; and independence of thought and of life. We were crude, but crudeness meant growth when combined with vision and the ideal of freedom, and if you search the pages of history, and review the rise and fall of nations you will find no better heritage than that upon which America is founded.

No country is greater than its people. When we lessen our high ideals we cheapen values. The standards of early America were right, and in our efforts to grasp too much tinsel for a time, we seemed to have lost something of the worthwhile quality of faith, but when that is restored we will be ready for true development for we will have had the benefits of comparison, and "experience is a good teacher."

DELPHIANS MEET

Members of the Delphian Society responded to roll call Tuesday evening February 2 with "My Conception of a Masterpiece." This proved to be the most interesting and instructive.

Mrs. Ayres as leader reviewed the work done in art before the Renaissance which gave a very good background to the evening's lesson on "The Golden Age of Painting" with the following discussions:

The Realistic School—Mrs. Sam Smith.
Botticelli—Mrs. Valeria Sharp Pratt.
Leonardo De Vinci—Mrs. Arthur Hull.

Michael Angelo—Mrs. McDonald.
Election of officers, by secret ballot, for next year disclosed these results:

President—Mrs. Valeria Sharp Pratt.
First Vice President—Miss Thelma Merrick.
Second Vice President—Mrs. Sam Smith.

Secretary and Treas.—Miss Maurine Morgan.
Delicious home made candy was served at the conclusion of the program by Mrs. R. E. Simpson, president.

Roll call for Tuesday, February 16 will be, for which of the great five Leonardo, Michael Angelo, Raphael, Correggio or Titian do you care most and why?

LEAP YEAR PARTY AT FORREST HOME

The Girls Sunday School Class of the First Methodist Church enjoyed a Leap Year party at the Forrest home Wednesday evening. The girls enjoyed the privilege of their choice, made the dates and escorted the boys to the party. Many interesting games and contests were played and at a late hour rolled sandwiches, hot chocolate, congealed salad, angel food squares was served to a large number of guests.

RURAL SCHOOL REPRESENTATIVES TO MEET

Friday evening at 7:30 in the City Hall the principals and trustees of the rural schools will meet to discuss tree planting in their territory during the tree planting campaign. Every person planting

Social News of The Week

MISSES NORMAN AND McDONALD HOSTESSES

Misses Thelma Lee Norman and Marie McDonald were joint hostesses to the Ace High Club Thursday evening at the home of the former.

At the conclusion of the games Miss Thelma Guerrant was presented with high score award.

Tomatoes with potato salad, angel food squares, cheese straws, and coffee was served to the following guests: Misses Jewel Towns, Myrtis Wright, Lua James, Ethel Iris Simpson, Thelma Guerrant, set, Maurine Morgan, Armlinda Timmons, Rozelle McKinney, Commie

Zelle Barnes, Nell Goodloe, Helen Norman, Mary Roach, Bettye Travis, Grace Weaver, Majorie Ferguson, Audrey Faye Bailey, Alene Graham, Gladys Hastings, Miss Bowen, Mrs. Mike Aura and the hostesses.

BRIDGE ENJOYED IN THE W. B. COLLINS HOME

Mrs. W. B. Collins was hostess to three tables of bridge Thursday afternoon in her beautiful home on South First Street. Mr. Lee Hanson proved to be the most fortunate player receiving a salad plate.

A delicious salad plate was served.

SURPRISE PARTY FOR MRS. TOM BURNSIDE

Thursday evening a group of Mrs. Tom Burnside's friends gave her a complete surprise by rushing into her home wishing her many pleasant returns of the day. The occasion being her birthday, gifts were presented, some valuable and some as jokes. After several games of bridge and dancing dainty refreshments were served to about thirty guests.

S. C. ARNETT HONORED

At a recent meeting of directors S. C. Arnett was elected as President of the Board of City Development of Lubbock. Mr. Arnett is also president of the Citizens National Bank. He has for many years been an outstanding leader in Lubbock but for a few years has declined to accept public offices due to ill health. Lubbock again gladly announces his return to leadership.

Mr. Arnett is a brother of our highly esteemed and capable fellow townsman W. D. Arnett.

LEGION AUXILIARY MEETS

The American Legion Auxiliary met Monday February 8, at the Legion Hall. Mrs. Irvin Bailey filled the presidents chair after an absence of several meetings on account of illness.

A very interesting program was rendered on Americanization. The history of the American Flag was given by Mrs. Bryant Fulkerson. The Flag Etiquette and the Flag Code were given by Mrs. J. D. Dyer. Mrs. Bailey gave the life of Abraham Lincoln and Mrs. Phillip Yonge gave the Gettysburg address.

The meeting then adjourned to meet again on Tuesday February 23 when they will hold a joint meeting with the Legionaries. All the ex-service men and their wives are invited to attend.

MRS. EARL MOORE BRIDGE HOSTESS

Five tables of bridge were in play Friday afternoon from 3 to 5:30 with Mrs. Earl Moore as hostess. High score went to Mrs. Phillip Yonge and high cut was awarded to Mrs. Rosecoe Holton.

A delicious salad plate, sand tarts and coffee was served to twenty guests.

Mr. and Mrs. J. E. Waller were Amarillo visitors last week.

MRS. L. E. EAGER ENTERTAINS

L. E. Eager's birthday, last Friday proved to be a very pleasant occasion for sixteen of his friends as Mrs. Eager served a "Stag" dinner in his honor.

As the guest arrived, each received a pink carnation pinned on by the hostess. Turkey, and all the "fixins" that men are fond of, was served. A real smoke and chat period followed for a short while then two tables of "81" assembled for play. At a late hour, guests departed, declaring the party one of the most pleasant ever attended and truly wished for Mr. Eager many more birthdays to follow. Mrs. Eager was assisted in serving by their little daughter Ramah.

NEW BRIDGE CLUB ORGANIZED ON THURSDAY AFTERNOON

Mrs. Fayne Wilkes was hostess to a group of friends at her home on South 14th street, last Thursday afternoon at which time a new bridge club was organized. The name is yet undecided.

In the afternoon games of bridge Mrs. Gladys Alsobrook won high score and received a set of place cards. Dainty refreshments consisting of black eyed susan salad, sandwiches, coffee, and salted nuts was served to the following: Mesdames W. E. Cox, Jr., Bruce Chilton, Misses Gladys Alsobrook, Mildrediekerson, Margaret Thornhill, Kathleen Clement, Mary Cooper and the hostess.

MRS. FAYNE WILKES HOSTESS TO IDLE HOUR CLUB

A very delightful party was extended members of the Idle Hour Bridge Club last Wednesday afternoon by Mrs. Fayne Wilkes at her home on South 14th street.

At the conclusion of the games a cookie jar was presented Mrs. Smith Cecil Bryant as high score honor. Dainty refreshments of assorted sandwiches, salad, roasted nuts and coffee was served to the following guests: Mesdames Sam L. B. Rice, E. C. Nix Jr., W. E. Cox Jr., Moore and the hostess.

HANCOCK NEWS

By Margarie Dobbs
40 were present at Sunday School, February 7th. Rev. J. B. Baker held regular services Sunday afternoon and evening. The Randle String Orchestra was present and rendered several numbers in connection with the preaching.

Mr. and Mrs. J. J. Taylor, Lamesa, visited in the Matt Hughes home Sunday.

Sid Key has been on the sick list the past week.

Fire destroyed the feed stack of Mr. E. R. Clifton, Saturday. No other damage was reported.

C. Collin Dobbs visited Adrain Simpson Saturday night and Sunday.

Mr. Charlie and Oscar McLendon visited J. B. McLendon Thursday night.

Miss Wilma Allen, primary teacher, was ill Monday of last week. Mrs. W. P. Avriett was absent from school Friday morning on account of illness. The flu has been raging in this community.

Sid Key made a business trip to Andrews, last week.

Mrs. M. C. Dobbs, Margarie and C. Collin Dobbs, Mrs. J. B. McLendon and daughter attended the Passion Play at the Methodist Church Thursday evening.

Mr. and Mrs. J. M. McNeil, and family, Weaver, visited relatives and friends, Sunday.

Prayer Meeting every Wednesday evening. Everyone welcome.

Mr. and Mrs. F. M. Hughes and family visited in the community Sunday.

Immediately after moving to Sparenberg, the Butchee boys had the misfortune of losing one of their young cows. It seems that the cow strayed from their new home.

Mr. Jack Hancock and family have moved on the place recently vacated by Mr. and Mrs. Charlie Butchee.

Mrs. Ollie Smith, Miss Grace Weaver and Bill Weaver were Seminole visitors, Sunday.

Mrs. Owen Taylor, Mrs. E. F. Cole, Misses Geneva Bowen, and Leva Cason spent Tuesday visiting friends in Lubbock.

John Johnson of O'Donnell was a Lamesa visitor Monday.

Mrs. Jake Scharberg of Lubbock spent Sunday in Lamesa visiting Mrs. O. J. Duff.

Mrs. Ruby Womack of Lubbock underwent an operation in a local hospital Monday. Mrs. Womack and her husband had come to Lamesa to stay with the Laxton children while their father was in the hospital and was taken ill for self and had to be operated on.

R. Daryl Kirk was a visitor to Stinnett last week.

Dangerous Business--

Business Men Have Tried to Ram Their Way Out of the Depression by Price Cutting

Men go into the "Price Cutting Game" full of fight, eager to grab volume from the other fellow. But the more volume they get, the more they lose—business is done at no profit.

The little price cutter may kick up a great dust for a while, but in the end the public pays his funeral expenses. Big price cutters think their pocketbooks will stand the long strain while they "get the other guy." But they are like the Irishman, in his shirt tail on a bitter night holding down the dog to freeze the beast to death—they get chilblains.

The public has learned a lot about price cutting since 1929. It knows that profits are the wages of business. When business cuts its wages employees are laid off, purchases are curtailed, and healthy growth stops. The evil consequences are always passed back to the public, and the public pays.

In running business at a decent profit, good management has public understanding and support, if it will take the public into its partnership. The public knows that price cutting is dangerous business.

LIFE INSURANCE and GOLD

Are the only things that have not decreased in value within the last two years.

As an emergency fund it has lessened many physical and mental hardships in recent months. It has provided the necessities of life and has saved property from the sheriff's hammer.

Both labor and capital are turning to it in greater numbers every day for safe and sound investment—and for protection for creditors.
