STORM REPORT

As Reported by . . .
Stormie Meriwether,
First Grade Student

Dear Friends, It's almost Christmas! We got my tree from "Oka House" (Hinton) and put it in my "City House". We put all the decorations on it. I am so ready for Christmas!

We had a party at my school. I made an icecream cone Christmas tree. I put the green icing all over it. I put M & Ms for the decorations. I put a popcorn on the top for a star. It is so cute and a little messy. I made gifts for my mom and dad and I bought gifts for my mom and dad and my dogs at the Santa Shop.

Now we are out of school. We went to Lubbock to see Craig (Smith) at his "Gradulation". It was a fun day. I played with my cousins and rode the golfer cart.

Houston is the name of a town and the name of my friend, Houston Hardcastle. We drove a long time from Lubbock to the town, Houston. You can't believe it! I went to the Houston Symphony to hear the music about Jesus. (Handel's Messiah). I liked the lady singing opera the best. After the music we went to see the movie The Princess and the Frog. I love that movie! You have to see it.

We stayed at "Miss Alice's" hotel (Holiday Inn Express - Houston Medical Center).

In the morning I saw Miss Alice. She is so happy to see me. She said, "Stormie, you are growing up! Look at you. You lost your tooth!" Miss Alice gave me a sack of candy and crackers and hot chocolate. Miss Alice told me, "Don't you forget, Stormie. When you sit down at the table there we are together, Salt and Pepper-Stormie and Miss Alice." I love Miss Alice. I hope she will always be there when I take my dad to see his doctor in Houston. Merry Christmas! That's it.

Mrs. Rutherford's Christmas around the world. "St.Lucia day in Holland"

The Shamrock Library invited the Kelton ISD to visit them for a Christmas Story and Music hour. Pre-K through Second grade traveled to Shamrock.

The PK - 1st Grade classes spent Friday enjoying Christmas Around the World. In each class the children learned about the Christmas custom of that country. The students had so much fun learning and making things that the children of those countries get to do. The teachers of each of those grades spent time and energy getting their country ready for each child. The children had passports to go from country to country and they brought smiles with them as well. We all enjoyed our day and the teachers had a blast teaching the children and learning about the country's Christmas Traditions as well.

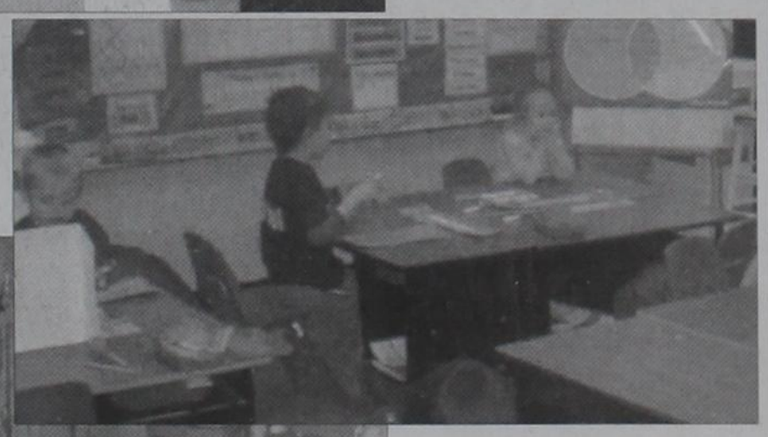

The students traveled to England, Kenya, Mexico, Holland, Germany, & Sweden. (upper left) Wes Putnam, Micah Shortnacy, Gus Braddock, Kelly Martin, Travis Reeves, Nathan Rowley, Nathanael Darnell, & Alliyah Rubio are enjoying their time in Sweden learning about St. Lucia. Leann Spence is St. Lucia.

Left: Larry Luna, Ranaely Dyck, Brooklyn Buckingham, Alexis Rubio, & Hunter Koelzer are making Christmas Cards during their visit to England.

Below: Keelynn Longbine, Nicholas Benson, Shasta Blakemore, Dominic Ruiz, Damien McDaniels, & Trenton Neaville are learning about Christmas in Mexico.

Below: Lazlo Alfaro, Sarina Alvarado, Ethan Orr, Savannah Luna, Serenity Mendez, Michael Shortnacy, Amelia Salvidar, & Eva Langley are learning about Christmas in Kenya with Mrs. Orr.

COUNTRY NEWS
By Verna Fillingim

And there were in the same country shepherds staying out in the fields keeping watch over their flock by night. Then an angel of the Lord stood before them, and the glory of the Lord shone around them and they were terrified. But the angel said to them. Don't be afraid, for look, I proclaim to you good news of great joy that will be for all people. For unto you is born this day in the City of David a Savior which is Christ the Lord.

Happy Birthday to Melanie Gates, Jerod Guiellen, Donna Hunt, Royce Marion, Rocky Mendiola, Bob Wills, Alexander Johnson, Lori Morrison, Brandon Simmons, Lela Pride, Shelia Touchstone, Hyland Weaver on Dec. 20, Martha Meek, Barbara Hodges, Patterson Alvey, Hank Henderson, Robert Smith, Amber Butler on Dec. 22, Cameron Biben, Rhonda Rutherford, Steve Earney, Kenny Reed, Lee Young, Nancy Shelton, Betty Talley, McKenna Morgan, Gordon Estes, James Light on Dec. 26, Patricia Debose, Casie Britain, Jennifer Sabbe, Lewis Britt, Anita Brown, Jason Inman, Dee Dee Boring, Shane Boring, Katie Hathaway, Cinnaman Wood, Blue Coomer, Chris Fillingim, Jotana Henson, Kylie Jo Schubert, Erma Riley and Steven Meadows on Dec. 28.

Mindy Bailey and Stacy Horton directed the good elementary music program at Wheeler Baptist Church Sunday night. Good job? I couldn't get all the names, but a very good program. Many relatives and friends there to enjoy the program. Good crowd there.

Sarita and Brad Dawson and Shelby and Macaela from Amarillo came to visit a few days with Ed and Laurel Hershman. Good to see them all out to church at Wheeler Baptist Sunday. Hope to go to care church Tuesday and to hear the Band at night. Love to All!

Happy Anniversary to Thurman and Bobbye Horn, Ronnie and Melanie Alls and John and Randi Sue Franklin on Dec. 20, Toby and Kloette Henson, Bill and Melinda Stiles and Danny and Karen McNeill on Dec. 21, Skeet and Dianna Johnson on Dec. 22, Travis and Cheryl Wilson and Jess and Cari Turner on Dec. 23, Rick and Janet Hefner on Dec. 24, J.R. and Jennifer Sullivan on Dec. 26, Garland and Charleen Dukes and Ken and Rhonda Rutherford on Dec. 27, Jack and Brenda Sparlin Dec. 28, Doug and Betty Rives on Dec. 29, Darrel and Maggie Marshall and Terry and Shelia Mick on Dec. 30, Rick and Judy Woollard on Dec. 31. God bless you everyone! And help you to have many more happy years! God bless you!

All of 'us kids' enjoyed seeing all the characters and all at Doris Finsterwald's house. Many move and there is music and looks so pretty. Many little buildings. Doris' family has helped with the set up and buildings and all through the years. It has 'grown' a lot.

Sorority girls met at Jane Dukes house in Brisoce on Dec. 2 for their Christmas party with a short meeting and a good supper. They also revealed secret sisters and drew for new ones and had a good time.

Thursday night Sorority girls visited friends and sang Christmas songs for them and gave bags of luscious treats to older friends. Thank you very much. Some in the Sorority are Rita Pearson, Jocelyn Meek, Kathy Hunt, Jane Dukes, Jackie Lane, Heather Archer, Tiffaney Boydston, Deana Brown, Christin White, Ruth Cornell, Ann Lee, Shelly Walden, Beverly Swift, Sally Adcock and Patsy Rarden. Sorority ladies were from Briscoe, Allison, Mobeetie, Wheeler and maybe other places. Thanks for coming.

Galutia's Trip:

Dr. Bob and Glenda Galutia's family got together for Thanksgiving at the home of son, Yancy, and Chelsea Galutia and girls 4 year old Carina and 1 1/2 year old Yelena at Owasso, Oklahoma. Also there were Susy Lee and Ashton and Manson and Dr. Bob and Glenda from Wheeler and Niki and Todd Burch and daughters 5 year old Maddie and 2 year old Sydney, who came from Tribune, Kansas and Dr. Bob's mom, Dortha Galutia, and sister, Susan Scott, from Branson, Missouri. Steve and Joyce Walker had prepared good traditional Thanksgiving food for them to take along for the holidays. Very enjoyable. They also got to visit Willie George's Huge Christian Camp at Tulsa with its large display of lights and activities and the Dry Gulch Train. They had a wonderful time with their family. God bless you everyone!

There is no longer a Christmas Tree at Gageby on Christmas Eve. But I still remember when there would be gifts for kids from their families and a beautiful tree. When our Mary was still small, but very active, I remember how scared she was of Santa and started climbing over benches going to the back. About halfway she landed in Exie Frances' lap and stayed there, even though she didn't know Exie.

There will again be food and fellowship and good singing at Gageby Church on Christmas Eve. Everyone invited. Time about 6:00 p.m.

You will want to drive around Wheeler and the country to see all the beautiful lights and deco-

ALLISON NEWS

By Juanita Boydston

The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith the hath girded himself: the world also is stablished, that it cannot be moved. Thy throne is established of old: thou art from everlasting. The floods have lifted up, O Lord, the floods have lifted up their voice; the floods lift up their waves. The Lord on high is mightier than the noise of many waters, ye, than the mighty waves of the sea. Thy testimonies are very sure:holiness becometh thine house, O Lord, for ever. Psalm 93:1-5

O COME let us sing unto the Lord: let us make a joyful noise to the rock of our salvation. Let us come before his presence with thanksgiving, and make a joyful noise unto him with psalms. For the Lord is a great God, and a great King above all gods. In his hand are the deep places of the earth: the strength of the hills is his also. The sea is his, and he made it: and his hands formed the dry land. O come, let us worship and bow down: let us kneel before the Lord our maker. For he is our God; and we are the people of his pasture, and the sheep of his hand. Today if ye will hear his voice. Psalm 95:1-7

The weather in Allison, Texas today was a beautiful day, a little more breeze than the past few days. But we have to remember we are living in the Texas Panhandle. It was in the sixties today and suppose to just be in the fifties tomorrow, but then its to become winter in the true sense of the word. With high winds and snow and rain and freezing weather. BRRRR!! But I'm praying about the electricity already. God is great and greatly to be praised and so good to his people. Praise be to God!!

Louise had her Christmas Day celebration on the 19th of December. It started offwith a big breakfast and then after gift exchange and dirty santa playing, she made several pizza's, enough to feed all her guest, all fifty four of them. Those attending her gathering were of course Louise Boydston, Melissa and Kevin Fleming and their children, Megan and Ashton of Lufkin, Texas, Justin and Stephanie Walker and their children, Tyler, Addison and Ayssa of Allison, Texas, Gary and Julie Boydston of Allison, Texas, Greg and Tiffanye Boydston and children, Tori, Kaylye and Gavin of Allison, Texas and Hannah Boydston of Columbia, South Carolina, Doug and Amie Purcell and son, Ryne of Amarillo, Texas, Mike and LaQuinta Hulse of Sahuarita, Arizona, Cory and Michelle Phillips and children, Conner and Allison of Aledo, Texas, Michael Hulse of Austin, Texas, Ernie and Sue Martin of Leedey, Oklahoma, Kristi Hansbro and children, Brayden and Brianna of Cheyenne, Oklahoma, Bennie and Debbie Boydston of Allison, Texas, Josh and Heather Archer and daughter, Paisley of Allison, Texas, Jason Boydston of Huntsville, Texas, Cheryl Dupont and Patrick Smith of Amarillo, Texas, Sabrina Dupont and daughter Makenna of Amarillo, Texas, Cody Dupont of Borger, Texas, Chuck and Kim Thompson and children, Brittany and Chase of Amarillo, Texas, Kimber Thompson of Ft. Worth, Texas, Christian Thompson and fiance, Tyson Tanner of Amarillo, Texas, Opal and Juanita Boydston. It was a wonderful day with beautiful weather and a great time of visiting and picture taking and gift giving and eating the delicious food. Really did enjoy seeing everyone.

Sunday, Opal and Juanita Boydston were among many who enjoyed the delicious meal served by the FFA at the Allison School Caferteria. It was their Christmas meal and was so very good. Then Santa appeared and visited the little ones and older ones as well. Opal and Juanita delivered five other meals to others around and the last ones was Uncle Roma and Aunt Billy June Brown's and they wanted Opal and Juanita to go shopping for them in Wheeler, Texas at Market Square and buy a few things and groceries. So they did that for them and then was invited to eat supper with Glenn and Betty Boydston so Vance and Carol met with us there and we had good fellowship and very delicious meal. Thanks Betty!! That was great!!

Louise Boydston, Mike and LaQuinta Hulse, Kim Thompson and family and Sue and Ernie Martin went to Elk City Nursing Home and help Pearl and other residents celebrate Christmas. LaQuinta and Louise had made several treats to serve and they played Christmas songs afterwards. I'm sure the residents enjoyed it all.

MERRY CHRISTMAS AND HAPPY NEW YEARA!! EVERYONE!!

God Bless and Keep ya'll till next time!!

MOBEETIE NEWS

By Sue Mayfield

Merry Christmas!! It certainly sounds like we may be getting a round of winter weather. A white Christmas would be a very nice change. I am originally from South Dakota , so it just doesn't seem like Christmas with out some of the white stuff. We will take the moisture any time we can get it, except for the fact we usually have to get a sheet of ice with it. May you all get to your destinations safe and sound.

On Sunday , Nov. 13, we took off for Kingfisher, OK. The middle school and the high school had their Christmas concerts together, along with all of the bands. They have a new band director and a new music teacher this year. Wow! They really out did themselves. They are both first year teachers, but you wouldn't know it to hear the kids.

After the concert we went on to Wister, OK to visit with Jasper and Ruth Williams and family. Ralph stayed with them as we went to Branson, Mo., to check it out. We were disappointed to find that most of the regulars don't have shows after the 13th of Dec. Oh well it just gives us a reason to go back some day. It was nice to visit with the family and know that Jasper is doing better.

Our deepest sympathy to Betty and the family of Joe Grayson of Pampa. He passed away at a hospital in Temple. Joe had worked for Eagle Rock Energy. He had worked in the gas field for 30 years. Joe had ranched in Wheeler Co. for many years. Joe is survived by his wife, Betty, of the family home in Pampa, 2 daughters, Mitzi Devoll of Pampa and Kandi Curtis of White Deer, his mother, Mary Grayson of Clinton, OK., a sister, Christina Grayson of Grand Junction, Co., nine grandchildren, eight great-grandchildren, and a host of friends. Joe will be greatly missed.

Leola Stuart is enjoying the holidays with her son, Dennis, his wife, Vanessa, and sons, Garrett and Braydon.

I hope this finds Kenneth Walker of Dumas feeling much better. His hands kept peeling, until they are just raw. He couldn't play the violin or anything, they hurt so bad. His dermetologist went right to work on it. He said that Kenneth had arsenic poisoning from all the wells when he was growning up. Hope this finds you feeling much better.

Our condolences to the family and friends of Betty Gilchrest of Pampa. She passed away in Amarillo after a battle with cancer. She was 72 and had been living with her daughter and grandson, Chip Watson. Services were held on Mon. at 2 P.M. Betty is survived by 2 daughters, Karen Watson of Skellytown, and Tammie Ralph,of Borger, 5 grandchilren, along with a sister, Frances Patterson, of Pampa, a great-grandchild, and a host of friends.

Please keep our friends and neighbors in your prayer. Drive safely and enjoy your families .Have a very Merry Christmas!!

OLD TIMES NOT FORGOTTEN

MOVING UP TO A BETTER FARM

After living on "Old Double Tuff" for two years, Dad managed to rent a much better farm. It even had electricity and the windmill was only about fifty or sixty feet from the back door. This place was a quarter section. About 100 acres was in cultivation and 60 acres of pasture. He also rented another 80 acres that joined it, which was all farm land.

By this time, he had pretty much got over the "chicken house" incident, and began to let me do simple jobs with the Ford tractor; stuff like cutting cotton stalks with the stalk-cutter. This didn't require hardly any accuracy, and it gave me something worthwhile to do. It also helped keep me out of trouble.... unless you factor in the "tool box" that was attached to the tractor fender. I thought of it as my personal, "ammo box".

Dad always did the more complicated plowing, such as planting and the first time over young cotton with the cultivator. He didn't want me doing any of that. He had already figured out, I had too short of an attention span and would "flub it up," for sure. Wisdom is, "You can't do a good job of cultivating, if you're always looking for sand rats and snakes." The sight of either didn't seem to affect Dad, but I saw them as "perfect" running, targets! So, I'd grab a wrench from the tool box, and throw it as hard as I could at any sand rat, or snake I plowed up. Eventually, I lost most of his wrenches doing just that. My explanation, "Tools are great for throwing at the snakes and sand rats."

Dad wasn't too impressed with my excuse, but in my own defense, I had taken time to get off the tractor and look for the tools and my kill, but that loose sand had a way of claiming anything with a little bit of weight, especially...tools! And the critters... most of them got away, unscathed.

This farm just happened to join Uncle Fat's place. I considered that to be a really, good deal! Sometimes, one of my cousins and I, would be plowing in adjoining fields with only a fence separating our turn rows, but that's another story.....

DPS Asks: Please Drive Safely Over The Holiday Period

The Christmas and New Year's holidays will see all available DPS troopers patrolling Texas roadways in an attempt to make travel safer for all Texans. Troopers will be focusing on locating drivers who may be intoxicated, but also will be looking for speeders and seatbelt violators.

All available troopers will be on patrol from Thursday, December 24 through Sunday, December 27, and again on Thursday, December 31 through Sunday, January 3.

During the Christmas holiday last year, DPS troopers arrested 651 drivers for DWI and issued 15,400 speeding tickets and 2,580 safety restraint violations. During the New Year's holiday last year, DPS troopers arrested 304drivers for DWI and issued 5,173 speeding tickets and 912 safety restraint violations.

"We want to do all we can to minimize the number of traffic crashes and fatalities during this holiday season. Texas drivers can do their part by designating a sober driver if they've consumed any alcohol. The holidays are no time to spend in jail, but we will arrest any driver who is impaired," said David Baker, assistant director for the Texas Highway Patrol.

DPS offers the following advice for holiday travel:

Drive with courtesy; it's contagious. Remember, it's the holidays!!!

Slow down—especially in bad weather, construction areas and heavy traffic.

Don't drink and drive; get a designated driver.

Buckle up everyone in the vehicle.

Keep cell phone chatter to a minimum, and avoid texting.

Avoid drowsy driving.

Make sure your vehicle is properly maintained.

'The angels sang about 'Peace on Earth'-right here, right now in this world in our lives. Only in heaven will we be free from sickness pain, sorrow and war.

But to all who trust in Him, God promises His peace now.'

David and Rita Pearson went to Stamford Saturday to visit his mom, Mary Pearson, and other relatives. Mary is not well. Remember her in your prayers.

Jerry Killingsworth was at Wheeler Post Office Saturday and was going on to Amarillo to visit his wife, Anne, who has been poorly. Remember her in your prayers.

Pray for Kenneth Childress who has been in Wheeler Hospital and needs your prayers.

A Very, Merry Season
To All You Gentlefolk!

Christmas was a simple affair,
A time filled with friends, family and prayer.
A time when strangers were welcomed
with open arms,
A time to sing God's many praises
in hymns and psalms.
In these modern times,
it's good to remember,
The gentler days of
past Decembers
Though some things never
change, it's true...
Like our deep felt thanks
for friends like you!

Magical (from Page 6)

how Olivia felt when the builders showed up to construct her very own pond right in her back yard. Her garden included everything from a pond filled with fish, lily pads, tadpoles, plants and a waterfall to a bench seat made especially for her.

Her mother said, "Olivia never lets her illness slow her down. She looks forward to playing outside with her dog and swinging on her swing set." Now Olivia has a new outside adventure - her garden. She can sit outside everyday and enjoy the serene views of her garden, thanks to Make-A-Wish.

Alzheimer's Disease Doesn't Take a Holiday

MADISON, Wis.- The bright lights, big crowds and bustle that make the holidays fun for most of us often do just the opposite for people with Alzheimer's and those who care for them.

Dr. Cindy Carlsson, UW Health geriatrics physician and Alzheimer's disease researcher at the University of Wisconsin School of Medicine and Public Health (SMPH), says that Alzheimer's patients may feel a sense of loss while caregivers can become frantic trying to keep up with holiday traditions and caring for their loved ones at the same time. But Carlsson has advice on making the holidays more enjoyable for everyone:

*Follow a Routine. Sticking to a routine can reduce the stress on the patient, caregiver and family.

"Holidays are anything but routine, yet a routine is the best way to be kind to the patient," Carlsson says. "Make sure the day is as normal as possible by providing meals at the same time they usually are."

*Help Them Remember. Alzheimer's patients can become frustrated when someone tries to challenge their memories with questions like, "Do you remember me?" and "Do you remember what we did last summer?"

"Regardless of how close you are to the person, introduce yourself," advises Carlsson. "You could also update them on your activities so that they don't have to ask questions."

Carlsson says reminiscent therapy can be effective. She suggests going through old family photos with your loved one. In addition, consider asking guests to wear name tags.

*Involve Them in Activities. We recommend that you involve an Alzheimer's patient with straightforward activities like wrapping gifts, folding napkins or simple crafts," says Carlsson. Activities can provide mental and physical stimulation.

*Take Care of the Caregiver. The best gift for a caregiver can be the gift of time and respite. The typical stress of caring for an Alzheimer's patient can become even more overwhelming during the holidays. Carlsson says you can help a caregiver by offering to give them some "time off."

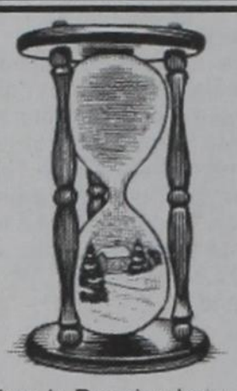

Families can even prepare a plan to share the care giving. For caregivers who will be hosting the holiday get together, Carlsson suggests smaller gatherings or even a potluck.

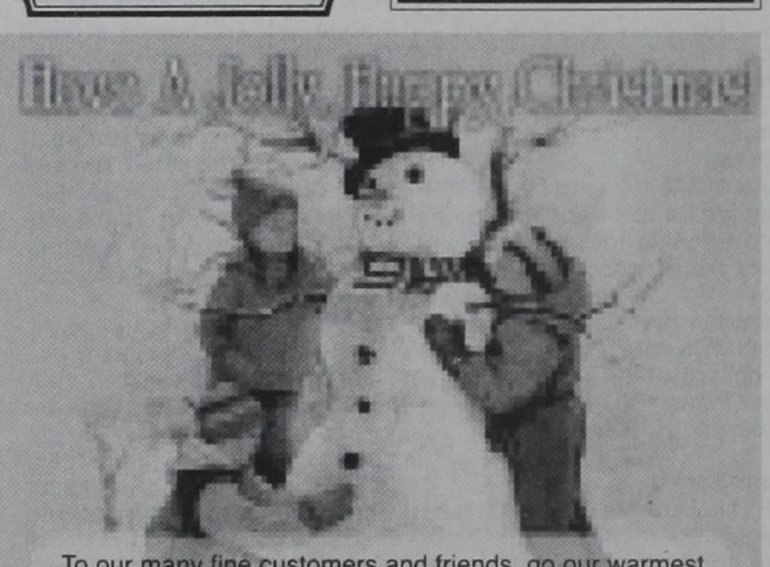

Carlsson says besides keeping the routine, the two most important things to remember are, keep the celebration simple and include the Alzheimer's patient.
