TWO DIE IN FORT WORTH ROBBERY

Coolidge Not To Return To Public Life, He Writes

NEW YORK, April 10.—Former President Calvin Coolidge, in a copyrighted article in the May issue of Hearst's International and Cosmopolitan, writes that he has no intention of returning to public life.

The former president gives his views on prohibition, the tariff, playing the market, the suggestion that he run for senator, the talk of another term and "minding one's own business."

"When I left Washington, I left public office," Mr. Coolidge says. "It is an incomprehensible relief, and I have no intention of returning to it."

Would Result in Trouble
"If I were in the senate," he adds, "it would not be agreeable to many of my colleagues, and with all my desires to be helpful it would probably offend them as an embarrassment to the administration. To have a former president in Washington exercising political power would result in all kinds of uncomfortable complications. Only the necessity of serving in some national crisis so great as to subordinate all other considerations would warrant it."

Mr. Coolidge discusses prohibition at some length, and in connection therewith the editor of the Cosmopolitan has singled out for prominent presentation this sentence: "Considering that people have differed most radically on the best method of regulating the sale of liquor for generations, it is not likely to be settled for a long time to come."

ADVANCE IS MADE IN OIL
PRICE CUTTING WAR IS APPARENTLY OVER; SEVERAL RAISE

NEW YORK, April 10.—Advances in crude oil prices in the Texas and Mid-Continent fields were announced today by the Standard Oil companies of New Jersey and New York marking an end to the price cutting war against over-production begun in January.

TULSA, Okla., April 10.—The Carter Oil company, subsidiary of the Standard Oil company of New Jersey, today announced an advance in the price of Oklahoma and Kansas crude oils. The increase averages 10 cents a barrel on higher grades and more on lower grades.

HOUSTON, April 10.—Humble Oil and Refining company, effective today, advanced the price for crude oil in Texas and New Mexico. The new price for Ranger, North Texas, Mexia, Powell, Boggy Creek, Richland, Wortham, Littleton Springs, Currie, Moran, and Nacona crudes runs to 34 gravity is \$1.22, increasing three and one-half cents a degree up to 44 and above, making the top price \$1.57, with differential below 34 gravity five cents a degree, making bottom price below 25 gravity 72 cents.

For Gray county crude the new price is \$1.05.

OKLAHOMANS TO VISIT IN CITY IN MAY

GOOD WILL TRAIN WITH 125 MEN ABOUT TO STOP HERE

One hundred and twenty-five business men of Oklahoma City will be in Lubbock May 14 during a good will tour of Southwest Oklahoma and West Texas, sponsored by the Oklahoma City Chamber of Commerce.

Dates of the tour are May 12 to 17, inclusive.
Night stops are scheduled at Wichita Falls, Abilene and Lubbock. The train will be accompanied by bands and souvenirs will be distributed along the way, it was announced.

The Oklahomans will arrive here at 2:50 o'clock on the afternoon of May 14, leaving the next morning at 6 o'clock.
"Recent freight rate decisions and highway development have promoted closer social contacts throughout the territory to be covered by this year's tour," wrote Ed Overholser, president of the Oklahoma City Chamber of Commerce, to the local chamber.

"There is a rapidly growing community of interest between the cities in this territory," he said. "The common cause of these cities is the advancement of this vast territory, already making the greatest economic development of any section of the country."

OKLAHOMA CITY has the same interest as the other communities in this development, hence this "get-acquainted" tour.
Following several days illness, Cleo Benfield, 10-year-old daughter of Mr. and Mrs. J. H. Benfield, of Abernathy, died in a local sanitarium this morning at 9:30 o'clock.

FUNERAL SERVICES will be held at Abernathy tomorrow afternoon, under direction of Bynum Brothers, of this city.
Survivors are the parents and two brothers, Fred, 16, and Troy, 14.

NEW STEPS TAKEN
AUSTIN, April 10.—Gordon Griffin, contesting the election of Judge J. E. Leslie to the district judgeship of Hidalgo county, filed a motion for a rehearing in the Supreme court today, the court having dismissed the suit brought by Griffin to enjoin Mrs. Jane Y. McCallum, secretary of state, from canvassing returns of the election.

TWO ESCAPED PATIENTS FROM INSANE HOSPITAL HELD AFTER BODY OF YOUNG BRIDEGROOM IS FOUND IN GUADALUPE
SAN ANTONIO, April 10.—With the abdomen ripped open and filled with rocks to weight it down, the body of J. W. Bradshaw, bridegroom of a month, was found in the Guadalupe river near Waring, 43 miles from San Antonio, today. One eye had been shot out.
The body was brought to the surface with grappling hooks used by a searching party headed by Sheriff Alfonso Newton of Bexar county and Ed Bierschwaile of Kendall county.
Homer Edwards and Ernest Young, escaped patients from the state hospital, were held in the Kendall county jail at Soerens where they were taken following their arrest here. Although they were charged with the crime, their insanity status will preclude prosecution for murder. Both were adjudged insane after having been convicted of robbery and theft.
Bradshaw's body, nude and horribly mutilated, was found in shallow water on the Insaill farm about two miles from Waring.
Sheriff Bierschwaile and his deputy, Otto Karger, who were leading the searching party, first found Bradshaw's clothing, rolled up in a small clump of bushes. Several yards distant, Karger came upon a blood-stained piece of tin.
Peering into the clear waters of the stream, he and Bierschwaile saw the body. Bradshaw had been shot over the left eye. The abdomen had been slit, apparently with a piece of tin, and had been stuffed with large rocks to keep it from floating.

AUCTION CLOSES DAIRY SHOW

ATTENDANCE RECORD FOR SHOW LIKELY MORE THAN 50,000 ARE VISITORS; 32 FINE COWS SELL TODAY

PLAINVIEW, April 10.—The attraction of an auction sale of 32 tested cows is expected to draw a crowd to this city before the day closes the third annual Panhandle Plains dairy show which will register a total attendance of 50,000 for the four days exposition of dairy stock.

The finest stock of West Texas, the grand champions and first prize winners, were paraded before an admiring crowd through Plainview's streets this morning.
Started at One
Sale of the dairy cattle was started this afternoon at 1 o'clock and will be concluded probably by 6 o'clock.

Lynn county, with an attendance of 78, under direction of C. C. Williams, secretary of the Tobacco Chamber of Commerce, had the largest representation today. Ten of the farmers who attended from Lynn county last year returned with registered Jersey cows.
R. E. Shaver, Lynn county agent, is assisting farmers of that county in purchasing at the auction sale this afternoon. The Lynn county representatives are justly proud of Gordon Goddard, of O'Donnell, who sold first prize in the grand championship with his junior yearling Jersey heifer.

Thousands attended the Guernsey tour.

TOURNEY WILL BEGIN FRIDAY APPROXIMATELY 100 OF WEST TEXAS SCHOOL STUDENTS COMING

Seventy-five or one hundred contestants of the Plains and Panhandle will be in Lubbock tomorrow to compete in the district Latin tournament at the local senior high school.
The tournament will terminate with a banquet tomorrow evening at 7 o'clock at the Hotel Lubbock, where R. W. Matthews, principal of Lubbock High school, will award prizes. The banquet will be sponsored by the Latin club of Texas Technological college.
Registration at 9
Registration will start tomorrow morning at 9 o'clock in the high school building. A meeting of Latin teachers of the district will be held from 10:30 till 11:30 o'clock.
The tournament will start at 1 o'clock and will be concluded at 4 o'clock. The Latin club of Lubbock High school will entertain the visitors with a tea from 4 till 6 o'clock, followed by a visit through the textile engineering building at Texas Tech and a ride through the city.
Mrs. R. P. Johnson, Latin teacher of the local high school, will have charge of the tournament.

Search Is Made For Missing Man
DALLAS, April 10.—Searching continued today their efforts to locate the body of George Murray, 60, whose fishing boat was found yesterday anchored in White Rock Lake. His automobile was parked on the shore nearby. Lights of the car were focused on the boat. Searchers worked until late last night in motor boats on the lake grappling to the body without success.

START MAKING SALT
BOMBAY, India, April 10.—Two hundred civil disobedience volunteers, including six Mohammedians and three women, brought sea water to the steps of Congress house today for the manufacture of salt in violation of British law.

Bristow Tells Of His Capture

GIRL AND MOTHER TO BE UNITED

NEW ORLEANS, April 10.—"Your mother wants to see you, and she sent me to bring you to her," said Constable John Payton of High Island, Texas, to eighteen-year-old Elsie Fillingim, as he confronted the girl at her rooming house here today. "Do you want to go?"
"My mother," the girl replied, falteringly. "Oh—take me to her as soon as you can."
With that the girl left immediately by automobile for Beaumont, Texas, with the officer to become reunited with her mother, whom she had not seen since childhood in New Orleans for three weeks, employed at a sandwich stand.

MOODY VETOES BILLS; FUNDS ARE REDUCED

AUSTIN, April 10.—Governor Moody today had cleared his desk of bills left by the fifth called session of the 41st legislature. He made a clean sweep of those pending, paying the emergency appropriation bill by \$200,000, reducing its total to a little more than \$1,000,000 and vetoing outright four other bills. The time limit fixed by the constitution for the chief executive to act on bills left by the special session expired last night at midnight.

The governor disapproved of the bills levying a tax of two cents per bale on cotton to pay salaries of scale inspectors to be supervised by the agricultural department, amendments to the law levying occupation taxes on itinerant peddlers and circus; increasing salaries of district judges in Bexar, Tarrant, Dallas and Harris counties, and reorganizing the 31st and 32nd judicial districts and creating the 115th judicial district to be composed of the counties of Coleman, Runnels, Tom Green, Coke

and Wichita.

Tahoka Is Given Weather Station

TAHOKA, April 10.—(Special)—Tahoka has received designation for a full co-operative government weather station with E. I. Hill, editor of the Lynn County News, in charge, who will keep accurate temperature and rainfall records. The instruments were recently installed by a weather bureau representative from New Orleans.
The station was secured through efforts of the local chamber of commerce and Congressman Marvin Jones.

Two Persons See Each Other Talking Over Telephone By Use Of Television Apparatus

NEW YORK, April 10.—Application of television to the telephone, making it possible for two persons engaged in conversation to see each other, was demonstrated fact today.
Apparatus developed in the laboratories of the American Telephone and Telegraph company was used yesterday in a series of experiments over a two and one-half mile telephone circuit between 195 Broadway on lower Manhattan and the Bell laboratories on West street

DISPATCH TO PAPER IN OKLAHOMA CITY GIVES DETAILS

OKLAHOMA CITY, April 10.—Details of the capture of J. E. Bristow, Oklahoma and Texas oil man, released for ransom paid his bandit captors Wednesday, were given for the first time in a copyrighted dispatch to the Oklahoma City Times today from its staff correspondent, Merle Blakely. The newspaperman's story, obtained soon after Obie Bristow, son of the oil man, had greeted his father in an adobe house in Ahuacatlan, Nayarit, where messengers who made the ransom deal with Cruz Delgado bandit chieftain, delivered the captive, follows in part:
Left March 5
"Bristow left Tepec on March 5 with an interpreter and three peons. He was clad in overalls, was shaven and well kept. He was in high spirits, with prospect of a fortune in sine lying before him.
"The party penetrated into the Caracol mountains. On the fourth day they were accosted by two almost naked peons, armed and sporting Mexican threats.
"The peons took Bristow before Cruz Delgado, chief of one of the large Vivi La Cristo groups of outlaws. There he was told that he would be held for ransom, with death the penalty for default.
"Bristow wrote the ransom message, and it was delivered to Tepec by Charles Fields, the American interpreter. Before Bristow left for the wilderness he had entered into a 'treaty' with the Cristeros group He was not to molest provided he opened the zinc mine and gave employment for some of the Cristeros. Apparently treaties with the Cristeros are regarded as scraps of paper, especially if the benefits accrue to only one group of the far flung tribe.
"I felt on the second day out of Tepec that I couldn't depend on the Cristeros, but I thought I could buy them off," Bristow told us.
"Several days passed after the capture and Bristow was not harmed. Eight of the bandits stayed constantly with him while four other spent most of the time away, sometimes acting as outposts and mountain towns for food. Meanwhile, the group pushed into the mountains. Bristow mounted on a donkey.
"There is a touch of comedy in

EFFORT MADE TO DESTROY CHURCH HERE

PENTACOSTAL BUILDING IS FIRED TODAY; SACKS FOUND
An obvious effort to destroy the Pentecostal church building, 410 Avenue D, was disclosed this morning at 12:30 o'clock when members of the Lubbock fire department quelled a blaze which started from a kerosene-saturated sack, which had been placed on a bench inside the structure.
The oil-soaked cloth had damaged the north wall of the building and was well under way when firemen arrived, but chemicals soon halted the flames.
Family in Rear
In the rear of the building live Mr. and Mrs. C. E. Kneer; Mrs. E. V. Black, formerly of Clovis, N. M., who is pianist for a revival being conducted by Rev. W. E. Erloy, of Fort Worth, who also lives in the frame house.
Enemy within the ranks of the church is considered by members as cause of the fire. "Frequent changes of mission heads has perhaps caused some disunion, although we have no positive proof as to the person who would do such a thing as set fire to the building," said Mrs. Kneer.
Several months ago Rev. R. M. Walker sold the mission to Rev. J. A. Simer, who later sold it to Mr. Kneer. Since selling the mission Rev. Walker has not met with the religious body, due to the fact that a difference of belief arose.
Rev. Erloy, who is now conducting a revival for the church, stated today that he knew nothing as to the trouble. "The revival will continue," he said.
Local officers have made no investigation into the case, it was announced shortly before noon.

NAVAL PARITY LIKELIHOOD

FIVE-POWER PACT MAY BE REACHED AFTER CONFERENCE
LONDON, April 10.—Naval conference experts were understood to have been put to work this afternoon drafting a five power agreement which both Foreign Ministers Briand of France and Grandi of Italy have tentatively agreed to sign as an outgrowth of American intervention this morning.
This treaty, it was said, will be a comprehensive three power pact between the United States, Great Britain and Japan, but will include numerous points on which all the five powers are agreed and which France and Italy can sign.
The present plan is that controversial matters between France and Italy will be left out, and the clauses which exclusively affect the other three powers will be so worded that the two Latin countries will not be involved.
The decision to adopt this procedure was reached this morning after Secretary Stimson had visited Foreign Minister Briand and Hugh S. Gibson had conferred with Foreign Minister Grandi.

FIRE SCHOOL IS SOUGHT AT TECH

A petition will be made probably within the next future to seek establishment of a firemen's training school at Texas Technological college by members of the fire departments of the South Plains and Northwest Texas, Chief W. E. Twitty of this city said today.
"Texas Agricultural & Mechanical college is inaugurating such a school May 5 and 6," said Chief Twitty. "Due to the distance it will be difficult for many to go from this section to College Station.
"If such a school were located here, where facilities for such are as good as at Texas A. and M., we would draw an attendance of from 100 to 400 firemen each year."

NEGROES DIE, BANK CLERK IS INJURED

SHOOTING CAUSED AS RESULT OF TIP ON BANK ROBBERY
FORT WORTH, April 10.—Two negroes who attempted to rob the First State bank of Polytechnic, a suburb, were shot to death at 12:10 P. M., today in the bank. Assistant Cashier J. M. Fry was wounded, perhaps fatally.
Police had been given a tip that the robbery was planned, and city detectives had been stationed in the bank.
One Shot in Back
One of the negroes was shot down in the bank by Detective H. E. Weatherford, and the other negro was slain as he fled down the street by John Alsup, former city policeman and special guard at the bank since the tip it would be robbed was received. Alsup struck the fleeing negro with his shotgun, but he saved off shotgun. No loot was taken from the bank.
Weatherford, stationed on a balcony, opened fire at the two negroes and wounded both in the face. The negroes returned the officer's fire, and one of their bullets struck the assistant cashier.

THOUSANDS EXPECTED AT TECH EXHIBITS

ENGINEERING SHOW TO OPEN FRIDAY; HIGH SCHOOLS COMING
Four thousand high school students and other visitors are expected in Lubbock tomorrow at the opening of the second annual engineering show at Texas Technological college.
Students of seven divisions of the engineering department worked until a late hour last night in arranging displays for the event, and the workers expect to have the stage set Friday evening at 7 o'clock for the throng of visitors.
The show will continue through Saturday.
Classes To Attend
Several schools of the South Plains have indicated that classes of students would be sent to the event. Olton will send a large number of students, according to H. D. Webb, superintendent.
Other delegations will come from Levelland, Littlefield, Lamesa, Abernathy, Plainview, Ralls, Crosbyton, Tahoka, Brownfield, Slaton, Idaho.

CHICKENS ARE BEING STOLEN

FIFTEEN MORE HENS ARE TAKEN; 200 REPORTED LOST
Recording the third similar theft within the last five days in Lubbock county, 15 Barred Rock hens were stolen last night from the farm of C. R. Rogers, two miles east of Lubbock.
About 200 chickens have been stolen in the county within the last two weeks, according to reports from the Lubbock county sheriff's office.
Farmers and poultry raisers of the county are being urged by Sheriff Wade Hardy to start some system by which their flocks can be identified in case of recovery.
ATHENS BOY KILLED
ATHENS, April 10.—Robert Earl Skinner, 12, was killed here yesterday when struck by an automobile.

JOE CONVINCES HE'S CHAMP

CHICAGO, April 10.—Joe Birmingham is the champion three-year-old rock thrower of Chicago and points west.
Joe threw a rock through a window of Mrs. Louise Bolak's house. Mrs. Bolak didn't know little Joe did it. She thought it was Big Joe, the father and she had him arrested. When he told Judge Lupton that his little three-year-old had done the throwing, Mrs. Bolak said the baby couldn't even lift the stone, let alone throw it.
"Bring in the offspring," said Judge Lupton, "and we shall see."
The baby toddled in, walked over to the rock (which was exhibit A), picked it up and handed it off to him. He was aiming at a particularly attractive window pane at the rear of the courtroom.
"Can't distinguish," said the court hurriedly, "and accordingly grab that rock!"

TO GIVE CAMERAS

He has made the 12-year-old boys and girls of the country smile. For George Eastman, below, pioneer camera manufacturer, has announced that he will give a camera to each of the approximately 500,000 children in the United States whose twelfth birthday anniversary falls in 1930. It's to commemorate the fiftieth anniversary of the first photographic patent granted to Eastman.

CONVICTS STILL AT LARGE AFTER ESCAPE

HUNTSVILLE, April 10.—Eight convicts who escaped from the Eastham prison farm, near here, by prying boards from the flooring, remained at liberty today. They had been held in solitary confinement. Three passes with bloodhounds pursued them after their escape was discovered yesterday.

'Clear up your skin, dear, and you will be popular too'

SSS. WITH the last blemish gone, confidence returns. More friends, more invitations—more good times. With the joy and pride of possessing a clear skin, self-respect increases.

A lovely, clear skin is within the reach of all. To you who have lost it, hope is offered, that you, too, may have a beautiful skin, rose-petal in texture, pretty as a picture and without a single pimple.

Skilled physicians recognize the appearance of skin eruptions as being an indication that the body's power of resistance is low.

The natural way to remedy this condition is to restore the red-blood-cells to normal.

This is why so many thousands have been enabled to free themselves of these unsightly blemishes and painful skin annoyances by taking a course of S.S.S.

S.S.S. helps Nature restore the blood to its normal state. Healthy blood nourishes the body and works against infection and disease.

Without plenty of rich, red blood there would be no strong, sturdy, powerful men, or healthy, beautiful women.

If you are troubled with so-called skin disorders, take a few bottles of S.S.S.

FARM BUREAU TO MEET HERE

ANNUAL COUNTY MEET IS SATURDAY; WILL NAME DELEGATES

Delegates will be selected to represent this county at the district convention when the Lubbock County Farm Bureau Cotton association holds its annual meeting next Saturday afternoon in this city. W. M. Ross, president of the county unit, announced last night.

Saturday's meeting will start at 2 o'clock and will be in the courthouse.

The district convention will be held April 19, when nominees are to be named for directors of the State organization.

The annual membership meeting of the Texas Farm Bureau Cotton association will be held at Dallas on Monday, May 12.

"Every member of the organization in Lubbock county is urged to be present Saturday," Mr. Ross stated, "as many important matters are to come before the gathering."

At the district meeting, the county organization will be re-elected.

C. OF C. DIRECTORS TO DECIDE ON COTTON CO-OP ON FRIDAY

PETITION IS UP TO GROUP AFTER RALLY

TWO HUNDRED SIGN TO GUARANTEE FUNDS FOR WORK HERE

Following the circulation of a petition which has been signed by more than 200 guarantors, directors of the Lubbock Chamber of Commerce will meet tomorrow morning at 11 o'clock when definite action toward the proposal of underwriting the \$27,500 guarantee for establishment of district headquarters and a branch office of the Texas Cotton Cooperative association will possibly be taken.

One hundred and eighty out of 200 signed petitions pledging support to the Chamber of Commerce in underwriting the guarantee at a meeting of farmers, business men and representatives from several South Plains counties.

The big majority of the group were farmers, representing practically every county on the South Plains and some counties off the caprock. About 30 Lubbock business men were present. Upon call from R. J. Murray, president of the Lubbock Chamber of Commerce and chairman of the meeting, an even count was evident of members and non-members of the Texas Farm Bureau Cotton association. The meeting was held in the district courtroom at the courthouse, beginning at 2 o'clock and was punctuated by enthusiasm for the cooperative movement and for Lubbock as the headquarters center in the district of 13 counties.

Petitions were presented to the meeting from business men and farmers of numerous towns and communities in Hockley, Cochran, Taylor, Lynn, Lamb, Bailey and Lubbock counties. These petitions had been secured prior to the meeting as evidence that widespread interest prevails throughout this area for the government agricultural policy, through the Federal Farm Board's cooperative marketing agencies.

In opening the meeting, Mr. Murray declared that Lubbock's attitude toward inclusion of the district office of the Texas Cotton Cooperative association is practically 100 per cent. This is added by the petitions had presented here today to so many from this entire South Plains area. He said, "The purpose of this meeting is to learn whether or not this district office should be and can be located at Lubbock, with the enthusiastic support of cotton farmers and business men of other localities in the district."

A. B. Davis, secretary-manager of the Lubbock Chamber of Commerce, was called upon to explain the contract to be entered into between the chamber of commerce and the Texas Cotton Cooperative association.

"Inasmuch as the United States government has passed the agricultural marketing act, created the Federal Farm Board and given that body more power than any nation's board ever before had in peace time," Mr. Davis said, "we are informed that the Farm Board is going to spend millions upon millions of dollars in helping the farmers to help themselves."

"The Texas Cotton Cooperative association is now being organized. It is entirely new. It is to take into it automatically all members of the Texas Farm Bureau Cotton association. The new members are to be in no way liable for any liabilities of the Farm Bureau Cotton association."

\$10" continued Mr. Davis, "which is to be for life. This fee does not have to be paid in advance. It may be paid when delivery of cotton is made by the member."

"The chamber of commerce directors want merely to learn if the moral and active support in getting the 4,000 new members asked can be had from the remainder of this district. That is the reason for this meeting." He explained that the \$5 guarantee for each new member would be credited when each member is secured, that the time for securing the 4,000 members is up on August 31, 1931, next year; that \$2.50 is to be credited with each member secured by local branch offices and that all branch office memberships secured in the district will be credited with the district office.

B. Sherrod, director of the chamber of commerce and a past president, said:

Proposition Fair
"I think the proposition submitted is as fair as is possible, to all concerned. We all realize that farming is at a low ebb and that something needs to be done and done quickly."

"The chamber of commerce wanted to know that everybody in our community and town and on our farms are thoroughly sold on this proposition. We want to see if you are interested in going in with us. We don't expect you to guarantee anything, but want your aid and support. Had the chamber of commerce gone ahead with the project, without consulting you and finding out your interest, some might have considered it merely a chamber of commerce proposition and not something that is vital to every citizen of the plains."

Douglas Pounds, of Aeff, master farmer and Farm Bureau leader, said that he felt there were 90 per cent of the thinking farmers endorsing the Farm Board in this movement, and that he believed it to be a proposition for both the farmer and the business man, all working together.

At this point Mr. Murray declared that any law of the United States should be entitled to a fair test. He here exhibited a petition from Levelland business men and farmers, with 135 signatures, another from other Hockley county communities, with 229 names on it, one from Meadow with 92 signers, and a number of others.

Publicity Possible
Mr. Murray also said that he believed Lubbock would be the first city in the United States to establish a district office for any cotton cooperative and that such publicity would give this city nation-wide publicity.

R. A. Denham, of Lamesa, stated farmers of that section have taken it for granted that Lubbock is getting the district office and that settlement in Dawson county over-riding in agreement with this city as a central office.

R. D. Ows, of Paducah, said his city wants a local branch office and would like to see Lubbock get the district office.

"Our people are for it 100 per cent," stated W. M. Moore, of Levelland.

Support Pledged
J. W. Hammock, of Lamb county, said there were 16 men present from that county, all for it and representing a total of 1,500 bales of cotton. "We don't know anywhere else to put this office, but at Lubbock," he said.

Several others expressed hearty support for the project. It is understood that the Lubbock Chamber of Commerce directors are to meet Friday morning at 11 o'clock, when final action will probably be taken in underwriting the membership campaign for this district. Petitions are to be passed around among local business men today, which are to be signed as backing up the chamber of commerce in undertaking this membership drive.

Two Reasons WHY! Millions More Have Chosen

GOODYEAR QUALITY

The Hidden Foundation and All-Weather Tread

Super Twist Cord---With 60% Flexibility

First

Second

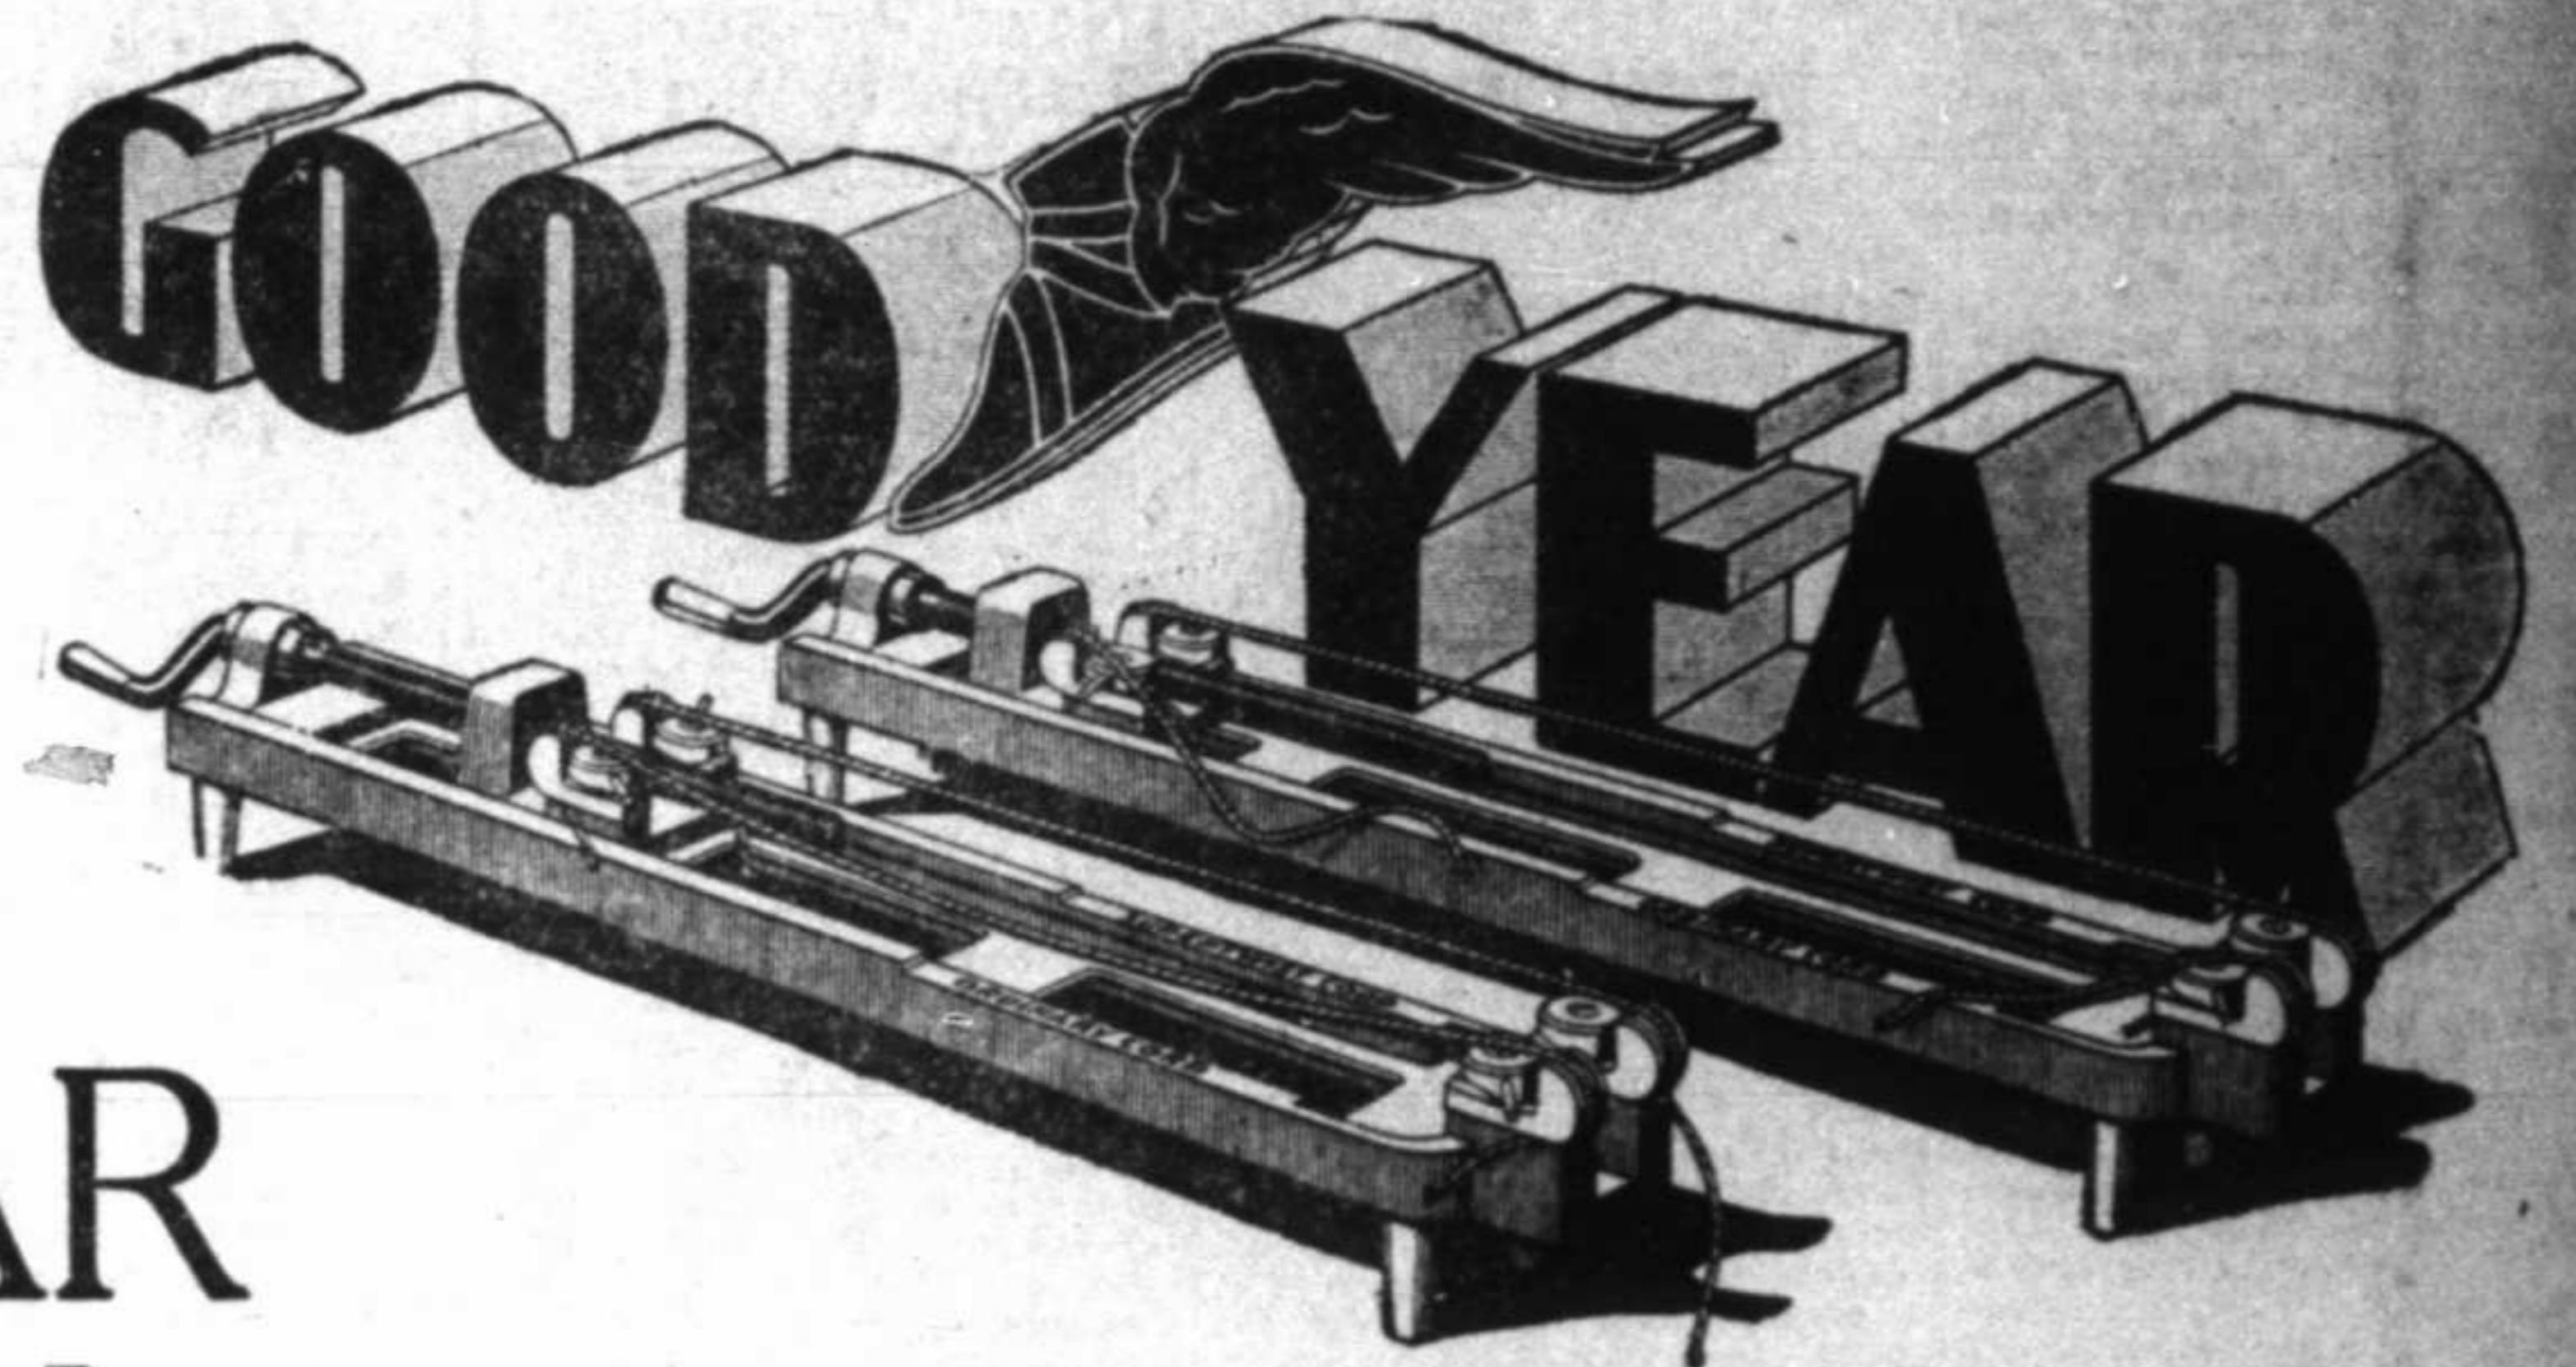

"Super Twist" is Goodyear's patented cord, used only in Goodyear Tires. It is a special Goodyear designed cord, holding a patent-right and is the feature about Goodyear Tires that set their standard of quality from all others.

Super Twist cord will stretch sixty per cent, and then come back to its normal length undamaged from the experience. The action is similar to that of a rubber band.

Why is flexibility so important in Tires? The answer lies in the fact that sharp blows will not break the cord, nor damage the carcass so easily. Flexibility adds to the life of the carcass, and the carcass is the foundation of every tire.

Every natural obstruction in the road, including rocks, ruts and sharp obstructions of all kinds are a constant menace to automobile owners, and it was with this in mind that Goodyear constructed and designed "Super Twist" to meet the demand of motorists. Once the tire hazards are eliminated, it follows naturally that "Super Twist" cord, with its flexibility, will stand greater road punishment and give you more miles of undelayed road service.

Ask To See This Demonstration

The next important part of a tire is the tread, which must be constructed to insure safe footing and perfect balance for your car.

The All-Weather Diamond Treads are so constructed that they pinch or grip the surface of the road, insuring you firm footing and quick starting and stopping.

The sharp Diamond edges of the All-Weather Tread prevent skidding and this adds longer life to the tread. The character of rubber that is used in Goodyear tires is the finest sold on the market. The scientific engineers treat the rubber and cure it on the tire, making it very tough.

Goodyear Tires will stand the high degree of heat that is generated by all tires when in motion.

Remember there are two main parts in a Tire, THE CARCASS and the tread. First, the carcass is the life of the tire and the character of tread, and quality of rubber resist road wear and give added protection to the carcass, they each depend upon each other.

The All-Weather Diamond Tread gives safety and the Super Twist Cord gives flexibility and the two together give us the world leading tire, expressed by "Millions More Now Ride On Goodyear Tires."

It costs no more to buy---and less to ride on Goodyear Tires.

BERKLEY BELL TO BE CANDIDATE FOR POSITION ON DAVIS CUP TEAM; TEXAS STARS NO WRANK WITH NATION'S BEST

IN THE REALM OF SPORTS

WITH ALLAN CARNEY
Journal Sports Editor

Lubbock track fans will be given their first, last and only opportunity to see the 1930 Texas Tech track team in action here Saturday afternoon when Coach Sam Burton brings his Buffalo tracksters from Canyon into the Matador stronghold for a dual engagement with the men of Vic Payne.

The injury list that has followed Leon Fisher for the past several seasons hit the Tech track star just in time to prevent his taking part in the meet with Canyon. A pulled leg muscle will prevent Fisher's entry in any running events and this means the loss of a valuable member of the team. Coach Payne is working his reserve forces hard this week in an effort to overcome the loss of Fisher. A survey of the material Burton is bringing here for the meet indicates the locals will have their hands full in outcoring the Thundering Herd.

While the Matadors are at home entertaining the Blues, the Lubbock High school cinder artists will be engaged in upholding their track supremacy in the annual Nevada-globe invitation track and field meet. Coach Pinkie Lowrey and 24 members of the Westerner squad will leave here early tomorrow and arrive in the Panhandle metropolis in time for the first preliminaries in the Class A division, which start at 1 o'clock. A raft of valuable prizes are being offered by Amarillo business men, including a handsome wrist watch for high point honors. Mina Watkins and Yancy Price are among those who are likely to make a strong bid for the prizes. Both will be entered in a number of track and field events.

This department began a howl yesterday for action in regard to work on Merrill Park and before the Journal hit the streets, workmen were repairing torn-down fences and cutting up holes in the grandstand main entrance to the ball park. It was also put in working order when the north side gate was hung back in position. All that remains now to be done is several days' work on the diamond and some work on the wire in front of the grandstand. This will likely be left up to the city league club.

K. Q. Pierce, who is in charge of the Merrill estate, favors a plan will work in conjunction with the whereby the Lubbock city league will have the Hubber outfit. Pierce suggests that the city league managers and players select a manager for the semi-pro team; allow the president of the railroop to handle the funds for both organizations, giving the city league a percentage of the receipts from Hubber games and give the Hubber nice precedence over all city league games.

The operator of Merrill Park has refused to lease the orchard on a percentage basis this year and is demanding a lump sum for the use of the grounds during the coming season. His suggestion for the cooperation of the city league teams and the Hubbers appears to be just about the best idea that has been put forward. Certainly the plan, if followed, would eliminate the continual scrapping between two elements by closing away with the petty jealousy so evident last year. There should be enough merchants in Lubbock interested in baseball to give the city leaguers a lift in getting started. This lift would come in the form of leasing the park for the season—a mere trifle when divided between twenty or thirty business concerns.

Baseball hostilities will open here Sunday with the strong Littlefield semi-pro outfit arrayed against a picked Lubbock club at Merrill Park. From the two teams it is hoped that a formidable nine can be picked to meet the Hones of Davis aggression that comes here May 2 for a single engagement. Art Mueller leads the Lamb county team in its initial visit here for the practice game. Dick Hatliff, veteran backstop of West Texas league fame, will likely do the receiving for the visitors.

From all appearances, there has been enough building materials placed on the grounds at the site of the new senior high school to construct a young city out on Nineteenth street. Piles of sand and gravel as well as immense stacks of lumber indicate those in charge of construction intend to start the edifice skyward in short order. Excavation work has started and appears to be progressing nicely.

What a beautiful home this will prove for the future district football champions!

Beaumont Mechanic Charged in Murder

HOUSTON, April 10 (AP)—After an examining trial during which his name was never mentioned, J. C. Vaughn, Beaumont mechanic, was bound over to the grand jury late Wednesday under \$5,000 bond on a murder charge growing out of the slaying of H. H. Conley, Damon merchant, Saturday night. Conley was shot down as he was walking with the former wife of Vaughn, Mrs. Louise Vaughn, from the woman's home to a nearby grocery store.

ATTENDANCE AT GAMES IS NEW RECORD

MORE THAN 16,000 ARE AT FORT WORTH; ALL GAMES ARE FAST

BY GAYLE TALBOT, JR.
Associated Press Sports Writer
If opening day bouts were any indication as to what is to come, the Texas League is in for a fine, large campaign. There were at least one near first fight, a record-smashing attendance in one city, and four lively skirmishes.

More than 16,000 fans, the greatest number ever to attend an opener in the circuit, packed LaGrave field at Fort Worth yesterday to watch Manager Jake Atz's Dallas Steers pound out a 7 to 5 verdict. Frank Snyder, catcher-manager of the Panthers, and Atz almost came to blows in the middle of the diamond in the eighth inning, the opening gun in what promises to be a glorious feud between the two pilots.

Buff Trim Indians
The Houston Buffs, ranked next to the Cats as favorite in the current race, lived up to expectations by trimming the San Antonio Indians, 7 to 4, in the Alamo City. Some 7,500 fans saw Floyd Rose, Buff righthander, set the Indians down with four hits.

The Wichita Falls Spudders, generally regarded as a weak entry, sprang the greatest upset by thumping Shreveport, 12 to 4, at Wichita Falls. Hal Witte, veteran southpaw, had the visitors at his mercy, holding them to one blow until the ninth inning, when he weakened. Crouch, Spud catcher, gained the honor of clouting the season's first homer in the second inning. Williamson was his victim. The crowd was estimated at 7,000.

Baker Starts Right
Del Baker began his managerial career in auspicious fashion as Beaumont nosed out the Waco Cubs, 4 to 3, sending some 7,000 customers home happy. Molesworth, new Cub shortstop, poled a homer in the ninth to tie the score, but the Shippers came right back to sew it up on Billy Mullen's double, his second of the game. Old Joe Munson cracked three hits for Waco.

Of the inaugural title, that at Fort Worth easily was the thriller. Apparently hopelessly locked after the Steers had piled up a seven-run lead off four assorted chumpers, the Cats came back to score five times in the last three frames and drive Dave Danforth from the hill in the ninth. The string and winning runs were on base when Larnon Cox, pinch hitter, bounded to the infield for the final out.

Bids On Bridges To Be Taken April 23

AUSTIN, April 10 (AP)—The State Highway Department will receive bids April 23 on four additional road and bridge projects. It was announced Wednesday. The value of the contracts has been estimated at \$400,000, bringing the total to be awarded by the highway commission at its April meeting to \$4,000,000.

One of the projects is the proposed steel and concrete free bridge over the Red river, between Chinleville, Tex. and Marjetta, Okla., to be erected jointly by the States of Texas and Oklahoma with the aid of the federal government at a cost of approximately \$120,000.

BEER, WINES BILL DEFEATED IN N. Y.

ALBANY, N. Y., April 10 (AP)—The New York state senate Wednesday rejected a motion to discharge from committee a bill calling for manufacture and sale of 6 per cent beer and 15 per cent wine by the state, the sale to be made under a permit system. The vote was on strict party lines, 27 republicans opposing and 22 democrats approving.

The bill is predicated on the theory that the 18th amendment and the Volstead act does not specifically prohibit states from manufacture and sale of beer or wine, inasmuch as the statutes place the prohibition only on "natural persons."

Tax Collector Is Fined in Census

LOS ANGELES, April 10 (AP)—Ralph Crossman, assistant deputy state inheritance tax collector, was arrested Wednesday, the first person to be taken into custody here for refusing to give information to census enumerators. He was released under \$50 bond.

LITTLEFIELD TO PLAY HERE NEXT SUNDAY

SUNDAY TO OPEN BALL SEASON IN CITY; GAME CARD

Art Mueller will lead the Littlefield semi-pro baseball outfit on Lubbock Sunday afternoon to inaugurate the 1930 baseball season for this city and the surrounding section. A picked team from local diamond circles will meet the Lamb county baseballers.

Matched as a practice affair, the Sunday contest will give Promoter Dee Puckett an opportunity to round up playing talent for the skirmish here on May 2 with the strong House of David aggregation from Benton Harbor, Mich. It is understood that players from both clubs, as well as some from Lamesa, will get into the Lubbock lineup when the long-whiskered boys come to town.

A list of veteran diamond stars are with the Littlefield club this year, including Dick Ratliff, versatile backstop with Ballinger in the West Texas league last season.

Puckett declared emphatically last night that he had no intentions of seeking the management of the Hubbers this season. The game with Littlefield has been matched to find talent for the engagement with the long-haired outfit on May 2, he asserts.

A tentative lineup for the local nine Sunday finds Del Morgan at first base, Rich at second, Hodges at shortstop, Fox at third base and Waller, Brothers and Ray in the outfield. Hinson will likely pitch for Lubbock and Watkins will catch.

AMATEUR FIGHTERS OF U. S. SELECTED IN BOSTON BOUTS

(By Associated Press)
BOSTON, April 10.—Having battered Sylvan Taylor, New York negro, to the canvas in less than a minute, Jack Pallat is amateur heavyweight boxing champion. He and seven other national champions were determined in the final rounds of the A. A. U. tournament last night. There were three nights of competition in which 90 boxers from 14 states and Hawaii started.

Besides Pallat, the new rulers of amateur glovedom are George Ostrow of Boston, 112-pound class; Able Miller of Los Angeles, 116; Ray Myers of New York, 126; Alex Santora, of New York, 135; Charlie Kelley of Boston, 147; Larsen of Boston, 160; Frank Tucker, San Francisco, light heavyweight.

Five finals went the full three rounds. The officials were jittered when they awarded the welterweight title to Kelley, who appeared beaten by the last minute rally of his opponent, Joe Bernal of San Francisco.

MACK SEES BIG SEASON; TRADE MADE

M'GRAW WORRIED OVER HITTING; ENS HAS LEFTIES NOW

(By Associated Press)
NEW YORK, April 10.—Robert Moeck, Grove, the Athletics' left-handed speed merchant, is due for a big season this year, in the opinion of Manager Mack. He declares Lefty's fireball is faster than ever.

"Why, it gives me a sore arm just to see him shoot that fast ball," Mack said, as his ace warmed up for a bout with the Phillies in the Philadelphia city series.

"One of the biggest satisfactions of my baseball life is that I bought Grove for the Athletics. We certainly would be up against it if he was with an opposing team.

The Yankees are putting into practice John Heydler's 10-man team plan, but not in the way the National league president had intended. Instead of the pitcher taking the place of the batter at the plate, the Yanks are sending in a runner for the mighty Babe Ruth. The "home run king," his right leg still heavily bandaged with tape, appeared in the New York lineup yesterday, hobbling around in the Nashville pitcher five times. He walked three times and scored two runs that Bill Karlon, a rookie, carried over the plate.

Percy Jones, southpaw pitcher obtained by Pittsburgh from the Boston Braves in exchange for Burleigh Grimes, spitball holdout, and a bundle of cash, will report to Manager Jewel Egan at New Orleans today or Saturday. Egan announced today he plans to carry three southpaws through the season. Jess Petty and Larry French are the other two.

Manager Joe McCarthy of the Chicago Cubs has given Lester Bell up as his third baseman since the National league champions open at St. Louis next week. Bell's throwing arm hasn't improved a bit in three weeks, and Clarence Blair is down for the assignment.

Manager John McGraw today's desires included, not only a first-rate second baseman and a top notch outfielder or two, but a few baselites by his New York Giants' "master mind" has been casting about for the first named articles since the start of the training season, but today he turned his interests to finding the latter. Against ancient Red Faber of the White Sox, his 1930 pennant hopefuls were able to make only two hits in seven innings yesterday at Indianapolis.

Having scalped the Braves in four of their scheduled five game series, the senators faced the Boston team at Richmond, Va., today for the final contest. While Manager Johnson was in Washington with his injured son, acting pilot Joe Judge named Garland Braxton to do the pitching.

(By Associated Press)
BOSTON, April 10.—Burleigh Grimes, right handed ace of the Pirates' pitching staff for two years, today was a member of the Boston Braves. Percy Lee Jones and a "large cash consideration" were given by Boston in exchange.

Grimes, one of the few remaining spitball pitchers in the big leagues, came to terms with President Emil Fuchs after he had been a Pirate holdout all spring. His demands for a \$20,000 salary and a two-year contract were not met by the Pittsburgh club officials.

Fuchs said the payment was the second largest ever given by the Braves for a ball player. Two years ago he declared he gave the New York Giants \$100,000 for Rogers Hornsby, whom he later traded to the Chicago Cubs.

PLEA MADE TO COMBINE DRYS IN LAW TEST

SENATOR FESS CALLS FOR ACTION UPON IOWAN'S ATTACK

(By Associated Press)

WASHINGTON, April 10—A plea that dry members of congress unite for the "testing hour" of prohibition is the outgrowth of the senate's latest discussion of the anti-liquor laws, a debate which saw Secretary Mellon accused of conducting a campaign against the eighteenth amendment.

The author of this charge was Brookhart of Iowa, ardent champion of prohibition. It was answered by Senator Fess of Ohio, who defended the cabinet officer and called upon the drys to leave off their bickering over enforcement and unite for the crucial period which he believes is just ahead.

Is At Testing Point

"This law is at its testing point," he asserted. "We must not be divided."

Brookhart said Secretary Mellon was not in sympathy with the dry laws and had been "conducting a campaign" against them through W. W. Atterbury, republican national committeeman from Pennsylvania.

and the Union League Club of New York.

Atterbury is a director of the Association Against the Prohibition Amendment and president of the Pennsylvania railroad. The Union League Club recently took a poll on its members which showed wet sentiment to be in the majority.

Unfair Contention

Fess contended it was unfair to link Secretary Mellon with Atterbury's activities or with any action by the Union League Club. He added he had no sympathy with Atterbury for "going out of his way" to work with the anti-prohibition organization.

Brookhart, in addition attacked democratic national committee for his contributions of \$65,000 to the Association Against the Prohibition Amendment and termed him as a "Wall Street republican detailed by Wall Street to run the democratic party."

Michell Opposes Plan

The debate took place in the closing hour of yesterday's session, after a day in which the judiciary committee had heard Attorney General Michell oppose the sweeping investigation of prohibition conditions urged by Chairman Norris.

A judiciary sub-committee, headed by Senator Overman, democrat, North Carolina, will take up the Williamson bill to transfer the enforcement unit from the treasury to the justice department on Thursday, hearing the testimony of a number of physicians. They are opposed to transferring also the treasury's jurisdiction over industrial alcohol permits. In his testimony yesterday, the attorney general said he favored leaving this function in the treasury.

Loggins Case Is Transferred Here

The case of J. E. Loggins, of Gaines county, charged with mail fraud, has been transferred from Fort Worth to the Lubbock division of Federal court, it was announced today.

Loggins is alleged to have mailed from the Seminole post office worthless checks for purchase of merchandise from a Fort Worth mail order firm. He is charged with signing at various times the names of R. L.

West, W. O. Young and J. L. White to the checks.

This trial will be held probably at the next term of Federal court in this city.

How One Woman Lost 20 Pounds of Fat

Lost Her Double Chin
Lost Her Prominent Hips
Lost Her Sluggishness
Gained Physical Vigor
Gained in Vivaciousness
Gained a Shapely Figure

If you're fat—remove the cause! KRUSCHEN-SALTS contain the 6 mineral salts your body organs, glands and nerves must have to function properly.

When your vital organs fail to perform their work correctly—your bowels and kidneys can't throw off that waste material—before you realize it—you're growing hideously fat!

Take half a teaspoonful of KRUSCHEN-SALTS in a glass of

hot water every morning—do not overeat and—in 3 weeks get on the scales and note how many pounds of fat have vanished.

Notice also that you have gained in energy—your skin is clearer—your eyes sparkle with glorious health—you feel younger in body—keener in mind. KRUSCHEN will give any fat person a joyous surprise.

Get an 85c bottle of KRUSCHEN-SALTS at any drug store (lasts 4 weeks). If even this first bottle doesn't convince you this is the easiest, safest and surest way to lose fat—if you don't feel a superb improvement in health—so gloriously energetic—vigorously alive—your money gladly returned. Adv.

The New KELLY

4.75-19 F-C

The biggest, handsomest, ruggedest tire ever offered to Ford and Chevrolet owners!

THIS new Kelly 4.75-19 F-C tire, especially designed for hard service on Fords and Chevrolets, is one third of an inch larger in cross-section than the regular 4.75-19, and one-third of an inch higher in standing diameter.

It has more air-space, which means easier riding. It has more rubber, which means longer wear. The tread is extended so that it affords more protection against curb-scraping and sidewall chafing. It also increases the non-skid qualities of the tire.

Stand one of these new Kelly tires alongside a similarly marked size of a competitive make and you can see the difference at a glance. This is the biggest, handsomest, easiest-riding, longest-lived tire the Ford or Chevrolet owner has a chance to buy.

NOTICE OF FIRST MEETING OF CREDITORS

IN THE DISTRICT COURT OF THE UNITED STATES FOR THE NORTHERN DISTRICT OF TEXAS IN BANKRUPTCY, LUBBOCK, TEXAS.

IN THE MATTER OF Plainview Music Company, Bankrupt

NO. 35 IN BANKRUPTCY. OFFICE OF REFEREE, LUBBOCK, TEXAS, April 8, 1930.

To the Creditors of Plainview Music Company, a partnership, of Plainview, in the county of Hale and District of Texas, a bankrupt.

Notice is hereby given that on the 8th day of April, A. D. 1930, the said Plainview Music Company was duly adjudged bankrupt, and that the first meeting of its creditors will be held at my office in the City of Lubbock, Lubbock County, Texas, on the 21st day of April, A. D. 1930 at 10 o'clock in the forenoon, at which time the said creditors may attend, prove their claims, appoint a trustee, examine the bankrupt and transact such other business as may properly come before said meeting.

NOTICE OF BANKRUPTCY PETITION FOR DISCHARGE

IN THE DISTRICT COURT OF THE UNITED STATES FOR THE NORTHERN DISTRICT OF TEXAS.

IN THE MATTER OF Benjamin Wardlaw Casey, Bankrupt

NO. 29 IN BANKRUPTCY. OFFICE OF REFEREE, LUBBOCK, TEXAS, April 8, 1930.

Notice is hereby given that Benjamin Wardlaw Casey of the County of Lubbock, and District of Texas, did, on the 5th day of April 1930 file in the Clerk's office of said Court at Lubbock, a petition setting up that he has been heretofore

duly adjudged a bankrupt under the act of Congress approved July 1, 1898; that he has duly surrendered all his property and rights of property and praying for a full discharge from all debts provable against his estate in bankruptcy, save such debts as are excepted by law from such discharge.

On considering the above mentioned petition, it is ordered that any creditor who has proved his claim, and other parties interested, if they desire to oppose the discharge prayed for in said petition, shall, on or before the 9th day of May, 1930, file with the Referee for the Lubbock Division of said district, a notice in writing of their opposition to a discharge in the above entitled cause.

NOTICE OF SALE STATE OF TEXAS LUBBOCK COUNTY

By virtue of an order passed by the Commissioners' Court of Lubbock County, Texas, on March 24th, 1930, appointing the undersigned as Commissioner to sell and dispose of certain lands belonging to Lubbock County, described as follows:

Situated in Lubbock County, Texas, and being the Northeast Quarter (NE 1/4) of Survey Fourteen (14), Block E, and ordering me as such Commissioner to advertise said land by an advertisement published once each week for three consecutive weeks in a newspaper published in Lubbock County, Texas, and also by posting three notices of such sale, one at the courthouse door of such county and the other two at two public places within said county, such sale to be on April 15th, 1930 at the courthouse door of Lubbock County, between the hours of 10:00 a. m. and 4:00 p. m. I will offer for sale and will sell at public auction to the highest bidder for cash all of the right, title, interest and estate in said Lubbock County, may have in and to the premises above described on the aforesaid date, and will report said sale to the Commissioners' Court for acceptance or rejection; the Commissioners' Court reserving the right to reject any and all bids.

Witness my hand at Lubbock, Texas, this 23rd day of March, A. D. 1930.

ROBERT H. BEAN, Commissioner.

THE STATE OF TEXAS

To the Sheriff or any Constable of Lubbock County, Greeting:

You are hereby commanded to cause to be published once each week for period of twenty days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Lubbock County, a copy of the following notice:

THE STATE OF TEXAS

To all persons interested in the Estate of William Haddock, deceased, Bill Haddock has filed in the County Court of Lubbock County, an application for final discharge as Administrator of said estate, which said application will be heard by said Court on the 19th day of May, 1930, at the Court House of Lubbock County, Texas, at which time all persons who are interested in said estate are required to appear and answer said application, should they desire to do so.

CHICAGO GRAIN

CHICAGO, April 10 (AP)—Big trading and higher prices in wheat were the rule today. Bullish aspects of the government crop report, upturn at Liverpool and continued drought over domestic wheat territory were incentives to buyers, who, however, encountered heavy selling on indications of showers southwest.

Opening 5-8 to 21-4 up, wheat advanced nervously within the initial range. Corn and oats also had an upward trend, with corn holding around 1-2 to 1 up. Provisions declined.

BULLS RULE STOCKS TODAY

BLOCKS OF SHARES ARE OFFERED TODAY IN DEMONSTRATION

NEW YORK, April 10 (AP)—The stock market opened with a demonstration of bullish enthusiasm. One block of 25,000 shares of North American Aviation changed hands at 14 5/8, or slightly above yesterday's closing price on the New York curb, or slightly above yesterday's closing price on the New York curb.

ACTIVE MONTHS RISE 1 TO 4 POINTS ON FIRST TRADES

NEW ORLEANS, April 10 (AP)—Cables were better than due and cotton experienced a steady opening with first trades showing gains of 2 to 4 points. Prices soon rallied on bullish textile statistics showing sales of cotton goods during March, 11 per cent in excess of production. May advanced to 16.06, July to 16.14 and October to 15.50, or 9 to 11 points above yesterday's close. This bulge attracted realising, and the market eased off 6 points from the highs by the end of the first hour.

ADVANCE IS FROM 2 TO 3 POINTS IN NEW YORK

NEW YORK, April 10 (AP)—Cotton opened steady at an advance of 2 to 3 points. Active months sold about 5 to 8 points net higher during the first few minutes of spot hours buying of near months against sales of later deliveries. Commission houses had some buyers' orders in new crop months, but the bulges met realising and the market eased after initial buying had been supplied. May eased to 16.29, or 7 points net lower. The new crop was relatively steady with new October around 14.37, or a point above yesterday's close.

Why Few Are Fat

Excess fat has been disappearing fast in late years. So fast that excess fat is no longer a problem. You see that in every

That change is largely due to the discovery that excess fat is largely the result of a gland weakness. A gland whose secretion helps turn food to fuel. So modern physicians, in treating obesity seek to combat this cause.

Their method is embodied in Marmola's prescription tablets. People have used them for 22 years—millions of boxes of them. Now almost everyone has slender friends to thank them for the results.

Go do what they did—try Marmola's. All druggists supply it at a box, and a book in each box tells you how and why it acts.

BRISTOW CAPTURE

(Continued From Page 1)

The ransom bargaining, Delgado first demanded 30,000 pesos (\$15,000). When the soldiers pushed their pursuit, he raised the ante to 40,000 pesos. Obie had the money and was prepared to pay it, but his scouts were shrewder, apparently, than the bandit chieftain, and Delgado finally accepted 3,000 pesos and called it quits.

KELOGG'S Pep Bran Flakes thrill your taste with their goodness. They're chock-full of the famous flavor of PEP.

At the first spoonful you'll say you never knew bran flakes could be so deliciously crisp.

No wonder the whole family loves them! No wonder mothers like to serve them.

They're rich with the healthful goodness of whole wheat—mildly laxative with the fiber of bran. With milk or cream, a wonderfully balanced food.

Serve Kellogg's Pep Bran Flakes often. For pep. For extra zest. All around the table, they'll agree that Kellogg's Pep Bran Flakes are better bran flakes.

Look for the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.

Chief Is Dead

NEW YORK—Chief Chauncey Kills in the Bush Yellow Robe, tribal headman of Calvin Coolidge, is dead at 63. After graduation from Carlisle he taught in Indian schools. He presided at ceremonies in which Mr. Coolidge became Chief White Eagle.
