HOPE GROWS FOR PEACE IN CHINA

NEW REGIME IS PROPOSED IN MANCHURIA

Chinese Journalist Has Plan to Re-organize Province and Let Japan Furnish Policing for it.

BATTLE PENDING

Japanese Order General Ma to Surrender City; War Lord Not Recognized by Rest of Nation.

TIENSIN, China, Nov. 10. (AP)—Riotous activities of armed civilians were believed to have collapsed today owing to effective defense of suburbs adjacent to the Japanese concession and the capture and disarming of numerous groups. A feeling of tension remained, however.

TOKYO, Nov. 10. (AP)—A proposal for complete reorganization of the government of Manchuria, made by Eugene Chen, noted Chinese journalist and statesman, today turned the attention of Japan to China again, rather than to Geneva in the hope of a possible permanent solution of the knotty Manchurian problem.

The proposal, said to have been formulated by the opposition government at Canton was given to the Japanese consul in Canton by Chen before he left for Shanghai to discuss with Nanking leaders a reorganization of the Nanking Nationalist government.

The plan calls for closer cooperation with Japan and expulsion from Manchuria of "greedy and meddling war lords" together with the appointment of a high commissioner by the central government to take charge of Manchurian affairs.

Looking to Chen, Japanese military forces would be permitted to remain and Japan would be largely responsible for maintaining peace and order. It was stated authoritatively here that Tokyo's hopes in this direction, far distant and rather slender though they are, are based on plans for Eugene Chen to play a prominent role in the reorganization of the Nanking government and to obtain an agreement with Canton's policy of close cooperation with Japan in the management of Manchurian affairs.

First intimations of the Cantonese policy were announced here Oct. 20 when reports were received of Chen's willingness to open direct negotiations on Manchuria. In the event he was acceptable as foreign minister of the reorganized Nanking government.

Japan's reply to the "aide memoire" of the United States government on the Manchurian conflict, was dispatched to Washington today.

May Keep Notes Secret
Baron Kijuro Shidehara, Japanese foreign minister, decided not to suggest publication of the notes of the two governments, although it was believed here he would not object to publication if Secretary of State Stimson wished it. The foreign minister agreed with the secretary, however, that the time is not opportune for making the notes public and Ambassador Deubel has been instructed not to request that they be published.

Official dispatches from Manchuria today denied General Mah Chang Shuan, commanding the Chinese troops near the Niumi river bridge, had issued a declaration of war against Japan. The dispatches also denied the Chinese had bombarded the Japanese position near Tansing, as reported yesterday.

On the contrary, it was said, the situation in Manchuria is quiet, notwithstanding some apprehension over the intentions of General Mah due to a report that he telegraphed General Hsueh Liang, deposed governor of Manchuria, urging him to mobilize troops at Kirin to reinforce the Heilongjiang army against the Japanese.

Withdrawal of the Japanese troops from the Niumi river vicinity, originally expected to take place Nov. 13, the government said, might be delayed a few weeks because fighting delayed the repairing of the bridges.

Garner Promises Aid Plan

Texas Says Party Will Offer Program When Congress Convenes.

WASHINGTON, Nov. 10. (AP)—Representative Garner of Texas said today the Democrats would have a full legislative program adequate to meet the situation ready to present to the coming congress.

The Democratic house chief made the statement in a conference with newspapermen shortly after his arrival today from his home at Uvalde.

He declined to disclose the nature of the program and added:

"I have absolutely nothing to say on public questions at this time."

Asked whether the Democrats would organize the house, Garner said that matter still "is in the lap of the gods."

He added that until the house meets Dec. 7 it could not be determined which party would have the most votes on the floor.

"I do believe," Garner said, "that we Democrats are in a better position to organize than the Republicans. Our organization is better organized and has shown greater harmony than exists in the Republican organization."

Garner said he felt that while congress was in recess the president was charged with the responsibility of operating the government and that he did not feel he should comment on public questions until congress convenes.

The Texas expressed the opinion one party should not attempt to overthrow control after the house is organized.

Phone Company Not to Discuss Franchise Now

AMARILLO, Nov. 10. (AP)—With its Amarillo franchise in effect until June 28, 1932, the Southwestern Bell Telephone company is not willing to discuss a renewal.

That announcement was made today by G. N. Halley, district manager here, for the telephone company.

However, the city commission is ready to discuss and "possibly close" a telephone franchise. In fact, the commission will discuss the telephone franchise tonight, according to a letter mailed Monday to Halley by Bill Durham, city manager.

The two announcements are the latest developments in Amarillo's telephone rate fight, in which Mayor Ernest O. Thompson has led a boycott which has resulted in several hundred orders for discontinuance of service being issued.

City officials had no comment to make, but intimated some definite development as the result of tonight's meeting.

School Valuations Total 27 Millions

The board of education approved the tax roll at a meeting in the office of Joe Smith, manager, yesterday afternoon. Other business was routine, the meeting being a regular one.

Total valuation of the school district for 1931 is \$21,711,601, according to the report accepted. The valuation was divided as follows: Land \$1,469,017; other real estate and improvements \$12,675,095; personal property \$7,567,489.

Taxes to be collected for 1931 will be \$217,116.01.

The 1930 delinquent tax list has been prepared and was presented to the board by Mr. Smith. There remains to be collected slightly less than \$14,000.

LUNCHEON AS USUAL.

Decatur Fire Is Costly Early Today
DECATUR, Nov. 10. (AP)—Fire swept through one side of the public square here early today, razing the buildings on half of one block. Losses were believed to approximate \$35,000.

A grocery store, furniture store, hardware store, camera store and an undertaking establishment were burned.

MORALS CASE MISDEMEANOR IN KENTUCKY

Affair Will Not Result in Trial Unless Writer Is In Kentucky Again; He Denies Charge.

PROBE SPEECHES

Criminal Syndicalism May Be Charged as Result of Addresses to Miners in Coal Field Area.

PINEVILLE, Ky., Nov. 10. (AP)—Theodore Dreiser, novelist, and Marie Pergam were indicted by the Bell county grand jury here today on charges of adultery.

The indictment charged the offense was committed at the Continental hotel here during the tour of the southeastern Kentucky coal fields by Dreiser and a committee of writers investigating the fatal outbreaks in the coal fields in the labor controversy last summer.

It was signed by W. A. Brock, commonwealth attorney, and R. N. Corbett, a retired merchant, foreman of the grand jury.

Bond for each was fixed at \$200, but court attaches said the warrants would not be served unless the defendants returned to Kentucky, since a misdemeanor is not an extraditable offense. A fine of \$20 to \$50 on conviction is provided by law.

Later left here yesterday prior to Circuit Judge D. C. Jones' ordering the grand jury to inquire into charges, concerning him and the young woman and also to inquire whether the Kentucky criminal syndicalism law was violated in addresses made at mass meetings and hearings held by the committee.

Dr. Jones' order was issued after Dreiser and Marie Pergam had been in the city for several days.

A business man's committee has asked the city to reduce salaries and combine fire and police departments.

Methods were scheduled for the week as municipal heads sought ways and means to meet the financial situation.

Merchant and University Co-Ed Robbery Victims

AUSTIN, Nov. 10. (AP)—Travis county officers were searching today for five men who held up A. L. Voigt, Round Rock merchant, and Miss Nell Poole of Port Worth, University of Texas co-ed, robbing them of personal effects and Voigt's automobile.

The couple told Sheriff Coley White that while Voigt was mending a flat tire near here last night, five men appeared, three of them armed with pistols and two with clubs. They took Voigt's pocketbook with contents and Miss Poole's wrist watch and shoes. After they had fixed the tire, the holdup men loaded the couple in the automobile and after driving them around for several miles put them out.

Voigt made his way to a farm house where he telephoned the sheriff's office. A detail of deputies went to Voigt's rescue. His automobile was not recovered.

Liquor Trial Is Begun Here Today

Trial of R. L. Mitchell, charged with possession of intoxicating liquor for the purpose of sale and transportation of intoxicating liquor, is being heard in 31st district court today.

The jury was completed before noon and the charges read. District Attorney Raymond Allred was able to be in court this morning and will assist County Attorney Sherman White in the prosecution. Mr. Allred had been confined to his home by injuries suffered in an automobile accident two weeks ago.

Mr. Mitchell was arrested by officers of the sheriff's department some time ago.

Amarillo Votes On Refunding Issue

AMARILLO, Nov. 10. (AP)—Taxpayers in Amarillo today were voting in a special election on an \$864,000 refunding bond issue.

The proposed issue would refund outstanding bonds and warrants at a lower rate of interest than now paid.

The tax rate of \$1 on the \$100 assessed valuation will be maintained for another year if the bonds are voted, according to the city commission.

With typical Indian summer weather prevailing, prospects are good for a large vote, although pre-election contest was not unusual.

The flyer's absence from this country while he was in Little America with Byrd was permitted to be included in his required term of residence.

BORGER NOW UNABLE TO CASH NEEDED WARRANTS

Fire and Police Departments May Be Combined as Economy Movement.

BORGER, Nov. 10. (AP)—Borger municipal troubles were many today.

The city yesterday found itself unable to cash more of its warrants. When it discovered it would be unable to operate longer on a revised general fund provision applied by legal counsel and today faced the apparent necessity of curtailing even drastically, very item of city expense.

Last week Borger's city hall and its white walls went in the dark as the power company "cut off" the city for failure to pay its bill.

A business man's committee has asked the city to reduce salaries and combine fire and police departments.

Methods were scheduled for the week as municipal heads sought ways and means to meet the financial situation.

Reserved Seat Sale Is Larger

Pampa fans apparently woke up this morning and realized that the Pampa Harvesters are not going to play a set-up game tomorrow afternoon at Harvester park. As a result, Joe Smith has been reserving many seats for the game to be called at 2:30 o'clock on account of the holiday.

Only the center section of the west grandstand will be reserved and the customers had better get their seats early. Mr. Smith said this morning. He may have to put part of another section on sale if the demand is great.

The Tigers are not to be taken as an easy team to beat. They have been working toward this game all season and it may be they will play their best tomorrow. The team could not be called heavy, but the weight is distributed where most needed. The team as a whole will average 161 pounds. Although Coach Odus Mitchell has not announced his starting line-up, the team he has been working as the first string this week will average 163 pounds.

Joe Kahl, sensational little half-back, will not get into the game. He was injured in the Lubbock battle and has not scrimmaged since that time. He may not be able to play again this season. Sullivan will take his place. Joe Freeman and Jim Groom will not see service tomorrow. Both are on the injured list and may also be out for the rest of the season.

YOUNG FOLK AT ELKHART ARE VICTIMS

Two Students, Boy and Girl, and Former Pupil Die Same Day But Without Definite Relation.

DIARY ONE CLUE

Youth to "Explore Realm of Death"; Another Fears School Failure; Girl Swallows Poison.

ELKHART, Henderson Co., Nov. 10. (AP)—Two boys and a girl, children of old families of this community, were dead today, victims of suicides almost coincident as to time but leaving no word which indicated they shared the same motive.

The dead were: Ernest Miller Jr., who would have been 17 years old tomorrow, senior student and football player at the Elkhart high school and member of the Elkhart band.

Erlis McCann, 17, daughter of Mr. and Mrs. John McCann, who live on a farm three miles south of Elkhart.

B. Clyde Kennedy, 19, native of Elkhart who had lived in Oakwood, near here, for the last year.

Relatives and friends said although the three young people were slightly acquainted, they never had been associated together closely.

Dies in Hotel Room
Kennedy who operated an ice sub-station at Oakwood, was found dead in his hotel room there at 3 p. m. yesterday, when his brother, W. T. Kennedy of Elkhart, arrived in Oakwood with a load of ice and went to the hotel looking for him.

The youth was lying in bed and a physician who was called said he apparently had been dead since shortly before noon. A bottle bearing a poison label was on the dresser near him. He left a note which said:

"Goodbye and good luck to my friends and family. Clyde." He made no other explanation. Justice of the Peace Carl Johnson returned a verdict of suicide.

While Kennedy's death in Oakwood still was unknown, the McCann girl left her home during the morning and went to the high school in Elkhart to visit friends. She left school at noon and stopped downtown in a drug store, purchasing a dime's worth of poison which she told him her mother needed to "kill some cats."

She walked on home and told her mother she wanted "a bite to eat." Soon afterward she was found lying in her bedroom, apparently convulsing. She died a short time later, leaving no message and saying nothing which might have indicated her motive.

Uses Father's Pistol
Young Miller, whose father is a traveling machinist for the Gulf Pipeline company, did not reach his home after school classes were over until about 7 p. m. Members of the family heard a shot and found him in a bedroom, shot through the head. He had procured his father's pistol from a closet. The pistol lay near him.

He left a note saying, "Goodbye, Mother and Dad. It's better for me to die now than to disappoint you in life. Tell Gertrude this (older sister) I'm sorry she can't ever call me uncle. Tell Maude (this younger sister) not to marry too soon. Ernie, P. S. Tell Miss Hardwick (his school teacher) I appreciate the kindness she has shown me."

Intro "Realm of Death"
A poem he had written, entitled "The Last Chapter" and dated Nov. 9, nine minutes until 7 was left in the room. In it he mentioned "going to find out about the realm of death."

Tollie Pate, a schoolmate, said Miller told him last Saturday night that if he did not finish school this spring he would kill himself, but other than that he was not known to have said anything that would indicate his reason for suicide.

Justice D. R. Shubertfield of Elkhart returned verdicts of suicide in both deaths.

Funeral rites for Kennedy were planned this afternoon at Oakwood but services for Miller and the girl had not been arranged.

FEMININE FANCIES

By Hollye Sellers Hinkle

Most of Pampa's women have visited the public library here, but there is another library, used daily, that is little known, despite its educational value.

The library, or reading table, is for high and low third grade pupils of Sam Houston school, taught by Mrs. John B. Hessey. It is receiving many favorable comments by visitors at the school during American Education week.

In the library may be found numerous health booklets, readers, and such books as Mammoth Story Book, After the Rain, a Tale of Soap and Water, and Story of Our Country. There may also be found Our Story Book, as well as picture folders, and stories pertaining to Yellowstone National park. Among the magazines may be found the following: Child Life, American Childhood, The Child's Magazine, Boy's Life, The American Girl, Hygiene, Modern Education, Texas Outlook, Progressive Teacher, Normal Instructor, Grade Teacher, Every Child's Magazine.

It was a thoughtful move on the part of Mrs. Hessey that made possible the obtaining of the magazines. She offered mailing lists in return for subscriptions to the magazines, and her offer was accepted.

"Married people must expect to disagree," according to a statement by Mrs. Franklin D. Roosevelt, first lady of New York state, in the Pieter Review, but she tells how to meet the situation. Among other things, she suggests the following: "Let neither husband nor wife strive to dominate. Talk things over. Meet every situation in the open."

We agree with Mrs. Roosevelt that frankness is necessary to a happy marriage, yet we would suggest tactful frankness. As this is a column primarily for women, we suggest to the women that they express their likes, dislikes, and wishes to their husbands, but they do it in the same pleasing manner that they employed in winning the man of their choice before marriage.

Take the age-old example of the new hat, for instance. A husband will buy all the new hats for his wife he can afford—and like it too—just as he liked to buy flowers and candy before marriage and to save money for that first home—if the wife frankly admits that she likes pretty things, if she asks for his suggestions, interests him in the same things, and uses such good taste that he cannot help but be proud of her.

Here's New Vick Plan for Better "Control-of-Colds"

Made Possible by New Vick Product Based on New Idea for Prevention of Colds.

Pampa druggists authorized to sell new product of trial. Vick's VapoRub users and refund price if Vick Plan does not reduce family's yearly "Colds-Tax."

Mothers are guardians of the family health and directors of the family budget. It is the mothers who have the worry of colds and their cost. And it is the mothers who especially appreciate the new Plan for better "Control-of-Colds" in the home—just announced by the makers of Vicks VapoRub.

This Plan is made possible by a new preparation, Vicks' Nose & Throat Drops, based on a new idea in "preventing" colds. It is a companion product to Vicks VapoRub the modern method of "treating" colds. That is, they aid and supplement each other.

Here, briefly, is the Vick Plan for better "Control-of-Colds" in the home:

1.—Before a Cold Starts.
Use Vicks Drops—just a few drops up each nostril—whenever you have been exposed to anything which your own experience tells you is apt to be followed by a cold—contact with others having fresh colds, crowds, stuffy ill-ventilated rooms, public places—a night on the Pullman or a dusty automobile ride—sudden changes in temperature, wet or cold, inhaling smoke, dust, gases—excesses in living, such as over-eating, smoking or drinking—any hard day when you are over tired.

In short, don't wait for that stuffy, sneezy irritation of the nasal passages. Then you are not "catching cold"—you have already caught one.

2.—After a Cold Starts.
At night, massage the throat and chest with Vicks VapoRub—now available in "stairless form," if you prefer. Spread on thickly and cover with warm flannel. Leave the bedclothes loose around the neck so that the medicated vapors arising may be inhaled freely all night long. During the day, use Vicks Drops every few hours—any time, any place.

This gives you a full 24-hour treatment and without the risk of too much internal "dosing," when so often upsets the digestion—especially of children. Both these Vick products are external. They can be used freely and as often as needed without the slightest harmful effect.

DELEGATES TO AID RED CROSS ARE SELECTED

Circles of the First Methodist Woman's Missionary society yesterday appointed members to serve on a nominating committee, and the committee will meet this week to nominate officers for the coming year. Persons to assist in the Red Cross drive which is to begin Nov. 15 also were selected.

At the close of the circle meetings, members gathered at the church for a reception.

Africa was the subject of study at each circle meeting.

Following the opening song and a prayer by Mrs. Fannie Hardin, the Miriam circle, meeting in the home of Mrs. Tom Henry, reported 17 visits, two trays, and eight bouquets. Mrs. Albert Wood led a devotional on prayer and forgiveness.

The following topics were discussed: Africa Unknown, Mrs. H. L. Wilder; Benefits from the White Man's Invasion, Mrs. J. G. Noel; Liberia, Mrs. E. B. Fisher.

Mrs. Tom Henry and Mrs. J. H. Marshall were appointed to help with the Red Cross drive, and Mrs. J. M. Turner was appointed to serve on the nominating committee.

Mrs. R. W. Lane closed the meeting with prayer.

Those present were Mesdames J. G. Noel, Albert Wood, T. L. Cernan, R. W. Lane, J. M. Turner, Fannie Hardin, H. L. Wilder, P. C. Oden, R. B. Fisher, J. H. Marshall, J. M. Powell, Tom Henry, and the following visitors: Mrs. H. E. Johnson, Mrs. L. C. Graham, and Mrs. Frank Bryant.

Many Visits Made
One hundred thirty-three visits, 25 garments, and 25 trays were reported by the Grace Purviance circle at a meeting in the church parlors.

The meeting proceeded as follows: Africa and Liberia, Mrs. P. L. Hill; song, Sweet Hour of Prayer; prayer, Mrs. Lewis Robinson; devotionals, Mrs. Hill; Africa Unknown, Mrs. Robinson; Africa's New Problem, Mrs. Ralp Chisum; Benefits of the White Man's Invasion, Mrs. J. V. Kidwell; Liberia's Struggle for Survival, Mrs. H. R. Thompson.

One visitor, Mrs. Forrest Keen, and the following members attended: Mesdames Frank Wirtz, R. A. Meyers, A. W. Babione, H. R. Thompson, Frank L. Hill, J. V. Kidwell, Roy Tinsley, O. H. Booth, Lewis Robinson, Ralph Chisum, Frank Fore, A. B. Goldston, and Paul Jensen.

Mrs. Sherman White entertained the Belle Bennett circle in her home. A song, Where He Leads Me I Will Follow, and a prayer by Mrs. C. T. Nicholson opened the meeting.

Mrs. C. E. McHenry was selected to serve on the nominating committee. Mrs. Sherman White and Mrs. E. P. Galloup were asked to help in the Red Cross drive.

Eleven visits, three bouquets, and 11 trays were reported.

Mrs. Joe Shelton led the devotional on forgiveness and a song, My Jesus I Love Thee, was followed.

At right are shown some of the new and novel beach accessories. They include black Grecian sandals of kid, striped umbrella, black and silver bracelet, and striped beach bag.

Law Is Featured At Chapel Today

Mrs. T. F. Morton entertained with several humorous readings, and Olin E. Hinkle was principal speaker at the chapel service at Sam Houston school this morning. The high school girls' glee club, accompanied by the director, Miss Iva June Willis, entertained with a selection, Nursery Rhymes.

Mr. Hinkle's talk was on what the schools are doing to promote observation of law. He particularly complimented the new junior traffic police system, both for its present and for its educational results.

He told the children that their example would be influential with adults as well.

In speaking of necessity for laws, he used illustrations from nature to make his points clear to the children.

The junior officers, resplendent with shining badges, sat together at the front and were introduced. The Girl Scouts likewise stood for recognition and their activities were outlined by Principal Patrick. The school's only Boy Scout, Jimmy Dick, who is also captain of the school boy patrol, was given special recognition.

Sing-Song to Be Held This Evening

The public is invited to attend a sing-song this evening at 7:30 o'clock at Merton school, the event being under the direction of the Parent-Teacher association.

A patriotic program is being arranged by Miss Jimma Searcy, and Supt. R. B. Fisher and others will speak.

with a prayer by Mrs. Joe Shelton. Talks were as follows: Africa Unknown, Mrs. C. T. Waller; Industrial Centers, Mrs. H. W. Peters; Liberia's Struggle for Survival, Mrs. Joe Smith, who also led the closing prayer.

Those present were Mesdames Chris Eber, C. E. McHenry, Joe Shelton, W. H. Peters, E. P. Galloup, C. E. Waller, C. P. Nicholson, William Castleberry, Sherman White, R. Culbertson, G. H. Mahan, Joe Smith, and one visitor, Mrs. D. O. Horn.

PRESENTATION FOR PUBLIC TO BE NEXT MONTH

Forty persons saw the presentation of a one-act play, The Actress Explains, at a meeting of the Little Theater Monday evening at the Mitchell building. The play, a comedy, was directed by Mrs. Helen Turner, with Mrs. Turner, Mrs. Cretney, and Emmitt Smith taking the parts.

A vocal trio, A. L. Patrick, Harry Kelley, and Emmitt Smith, entertained, with Mr. Smith at the piano. Mrs. Raymond Harrah then gave two musical readings. She was accompanied by Miss Shirley Greene.

It was announced that the cast had been selected for Dulcy, the 3-act play to be presented publicly early in December.

Rehearsals are being held under the direction of Mrs. Helen Turner by the following characters: Dulcy, Mrs. H. D. Keys; her husband, A. L. Patrick; Bill, her brother, W. B. Weathered; Mrs. Forbes, a business man, I. A. Freeman; his wife, Mrs. J. C. Carroll; Angela, their daughter, Miss Louise Barton; Mr. Leach, a scannier, Jack Foster; Schuyler Van Dyck, Emmitt Smith; Mr. Patterson, Russell Kennedy; Henry, the butler, C. W. Stowell.

It was announced that a membership drive is being conducted. Those interested in joining may gain further information by telephoning Mrs. Floyd Senter, 621.

LEARNING WILL BE SUBJECT OF PROGRAM HERE

The Junior high school Parent-Teacher association will observe American Education week with a program based on the subject of learning Thursday afternoon at 3:30 o'clock in the school building.

A business session will be given at the conclusion of the following program: Devotional; violin solo, Mrs. Hill; reading, Elizabeth Woods; talk on What Is Learning? by Supt. John B. Hessey; talk on what the homes do for learning by Mrs. T. W. Swentnam; talk on what the schools do for learning and thinking, Miss Charlotte Embury; talk on the community's part in regard to learning, Ivy Duncan; discussion of new methods in education, Supt. R. B. Fisher.

Club Women Endorse Cooperative Marketing Associations; Advocate Use of More Cotton; Consider Tax

LUBBOCK, Nov. 10. (P)—Business of the 34th annual convention of the Texas Federation of Women's clubs was outlined at a meeting of the executive committee yesterday and the convention was opened officially today.

Every report and resolution was in line with the administration program of Mrs. R. F. Lindsay of MI. Pleasant, retiring president who has pressed development of fine arts, adult education, construction of a headquarters building at Austin, the beautification of Texas highways and the preservation of canyons, or in song and story Texas landscapes and historic sites.

The more than 200 delegates who arrived during the day discussed convention plans, attended a luncheon tendered by the Lubbock chamber of commerce, met at a tea at the home of Dr. and Mrs. Paul W. Horn, and tonight listened to an address by Congressman Marvin L. Jones of Amarillo and to a program of welcome from the local federated club.

Pre-convention meetings were marked by the attendance of all the state officials except Mrs. E. E. Maloney of Commerce, corresponding secretary and president of the seven districts.

Of greatest interest to the executive committee was the recommendation by Mrs. Lindsay that an endowment be established to stimulate efforts of Texas artists, musicians and writers. The resolution proposed the appointment of a committee comprised of the president of the University of Texas, the president of Texas State College for Women, and the president of the federation to work out a plan by which the federation might make an alternating biennial award to

some Texas artist, writer or musician. A \$500 award will be paid to come artist this year.

The committee would be authorized to report at the next annual meeting. The resolution, like others passed on by the executive committee, will be presented to the convention for adoption.

The women showed their interest in economics and politics by endorsing resolutions to encourage the use of more cotton, support of cooperative marketing associations, and the appointment of a committee to confer with a state board on a proposed tax revision measure.

Lindsay stated that the drive to close law was the first proposed resolution lost by the federation during her administration.

Mrs. E. P. Turner of Dallas nominated for life membership in the executive committee.

BUILDERS of PAMPA

The progress and development of any city is the result of the energy and effort of the business men and firms who make it up. The businesses listed on this page are permanent institutions and have contributed much to the upbuilding of Pampa.

This page will appear in the News-Post once each week and will contain something new and interesting each time. A study of its stories will give a new knowledge of the reasons for the individual successes. Help these merchants in their program.

Stark and McMillen Are Helping to Build A Better Pampa

**Did You Ever
Stop to Think?**

By EDISON R. WAITE
Shawnee, Oklahoma.

The Stark and McMillen elevator was purchased in October, 1926 with G. C. Stark and Roy McMillen as owners. S. E. Love later joined the organization. Their elevator has a capacity of 10,000 bushels. Besides buying and selling all kinds of grain their company handles flour, feeds, coal, salt, shrubs, farm implements and other farm necessities.

Their elevator and warehouses is on the Santa Fe railway at the edge of the business section but is still easily accessible from every direction. Large grounds surround the elevator and there is never any congestion.

In season shrubs are handled and landscaping is a special feature. W. Krouse is in charge of landscaping and he is always glad to give Pampans and farmers advice about lawns and tree planting. Coal and salt are handled in large quantities and of several kinds.

MERIT brand poultry feed is specialized. Every kind of mash and grains for making hens lay and keeping healthy poultry is kept in stock. Starting mash, chick grain, growing mash, growing grains, hen feed, poultry fattener and other Merit products are stocked.

In talking about egg mash they say:

Your hen turns out a whole egg or none at all. This fact must be remembered, for more than one hen has reached the baking pan classified as a "boarder," when in reality she had a big producing capacity but lacked the raw materials. You may compare the laying hen to an industrial plant assembling tables. For every base she needs a top, or for every white she requires a yolk and shell to finish the job. The hen is true to form in her method of production. She will not make half an egg. Consequently if you feed her enough raw material for 140 yolks but only enough material for 72 whites, you will get only 72 eggs.

This readily reveals why many flocks are or producers, and it proves that you can afford to buy a balanced ration. In MERIT MASH you can buy profits by the bag—so many eggs per bag. For, when fed in conjunction with the proper amount of grains, it is furnishing to your layers the necessary egg-making materials, in properly balanced proportions to insure the maximum possible production.

MERIT dairy feeds are also carried by the Stark and McMillen Elevator company. MERIT milk maker is one of the best of dairy feeds. Mr. Stark says about this feed:

A cow that is producing as much as 30 pounds of milk per day is working as hard as the average team of horses on the farm. While the horse works ten hours a day for

five or six days a week, the cow works twenty-four hours per day seven days a week. A cow's work is milk production. She makes a product rich in minerals, starch and sugar rich in fats or energy and heat producing materials. When the food she eats is not uniformly rich in these same things, she must take them from the only source available, her own body. She can do this for awhile and maintain milk flow, but the drain on her natural resources will soon tell, and the milk flow will fall off. In allowing this form of physical abuse, the dairyman seriously injures the cow and soon destroys her usefulness.

Pasture grass is succulent and palatable. For body maintenance it is hard to beat, but for heavy milk production it is not enough. Combined with the milk producing properties of MERIT MILK MAKER Dairy Feed the two provide a splendid high production and body maintenance ration.

Stark and McMillen are jobbers for GOLD MEDAL and PONSAS BEST Flour which can be obtained through your grocer.

Everything in CASE machinery is handled by the company. At the present time a J. I. CASE feed grinder is being demonstrated and a special invitation is given to interested parties to see the machine at work. CASE combines, tractors, mowers, cutters and other implements are handled.

Stark and McMillen Elevator and Warehouse

LUBBOCK HAS SET-UP IN HER TILT WITH PLAINVIEW

Vernon and Quannah to Battle for District 2 Title; Cisco Is Favored.

By BILL PARKER
Associated Press Sports Writer
Texas Intercollegiate league football will take over the Southwest gridiron spotlight Nov. 11. Several major district combats are slated on this date between scholastic elevens making serious bids for the state championship.

Reviewing the leaders as they prepare to parade Nov. 11, one finds that Lubbock in district 1 will battle Plainview. Lubbock is the owner of two straight victories. Plainview so far, is just one of the teams in the race. Collier Parris, Lubbock sport critic, picks Lubbock to win.

In district 2, Quannah and Vernon are tied for first place with two wins respectively. It will not be that way long. These two teams play Nov. 11 to unlock their deadlock.

Favors Quannah

Al Parker, Wichita Falls sport critic likes Quannah.

Abilene and Cisco are plying the district 3 field undefeated. Unfortunately, Abilene will not play before a holiday crowd, but Cisco will. The Big Dam Lobos have two consecutive victories and will try to make it three Armistice day against the Ranger Bulldogs.

Boyce House, Oil Belt critic, fears Cisco will win.

The Big Spring Scholastic of district 4, leading the scholastic class A teams in scoring with 396 points in eight games, will explode a few fireworks against Sweetwater. Big Spring, San Angelo, and Sweetwater are tied for the district 4 lead.

All are undefeated but the Bojones hold three victories against two each for San Angelo and Sweetwater. San Angelo will play Colorado. Blundy Cross, wrestling expert, favors San Angelo and Big Spring.

Ames Melton can go fishing Nov. 11 for Central Fort Worth, leader in district 5, will not play. Highland Park and Oak Cliff, at the pinnacle in district 6, will join Victor Davis and Louis Cox in watching Forest and Sunset play on Nov. 11.

Big Day at Sherman
Armistice Day will be a gala one at Sherman where Sherman and Denton, tied for the district 7 lead, will strive to break their existing tie.

The Sherman sport scribe, E. L. Callihan, picks Sherman to win. Marshall and Greenville who are the undefeated leaders in district 8 will play Nov. 11. Greenville battles Paris. Marshall will put down a touchdown barrage against Texarkana.

Herman Elmo Scott, Greenville sport artist, is sure Greenville will win and is under the impression that Marshall will also triumph.

Paul Moore, who guesses the winners for the Corsicana Sun, can review the war Nov. 11 because Corsicana and Cleburne, unbeaten district 9 leaders, will be idle.

The Tyler High Lions, 1930 state champions, are sure to retain their unmarred lead in district 10 because they do not play Armistice day.

Floyd Allen will have to look elsewhere for his football game.

El Paso, Austin and Bowie, the three pace setters in district 11 will not play.

The three way first place tie in district 12 between Breckenridge, Main Avenue and Austin is in for a change. Breckenridge plays Austin.

Dempsey Future to Be Settled Soon by Garden

NEW YORK, Nov. 10. (AP)—Jack Dempsey's future probably will be settled definitely when the old Manassa Mauler comes here next month for a conference with Jimmy Johnston, head of Madison Square garden's boxing department.

If Dempsey, now 36, decides his barnstorming tour has put him in condition for another comeback, Johnston is prepared to offer him two matches which might lead to a "shot" at Max Schmeling and the heavyweight championship.

Johnston said the garden would not offer Jack any guarantees but an adequate share of the receipts for a bout in February at Miami, Fla., against an opponent drawn from a list of four leading heavyweights—Tommy Loughran, Johnny Risko, Paulino Uzcudun and Tom Heeney.

Loughran and Uzcudun, who are matched in a ten rounder in the garden this Friday night, already have offered to sign knickerbockers for a Dempsey match, donating their share to unemployment relief.

If Dempsey makes a good showing in the south, Johnston is prepared to match him against Jack Sharkey here in May or June although there is some doubt whether Sharkey would accept such a match. Granting that the Sharkey-Dempsey match could be made and a resounding Dempsey victory, the former title-holder would be paired off against Schmeling in a title bout in September.

Carnera to Pay Fine in Order to Fight Levinsky

CHICAGO, Nov. 10. (AP)—Primo Carnera, Italy's biggest heavy weight, was due in Chicago today to pay a fine and begin training for his ten-round bout with King Levinsky, the former fish monger, in the Chicago stadium Nov. 19.

Carnera has been under suspension by the Italian Boxing union and the National Boxing association, which has a working agreement with the foreign group, for failure to fulfill an engagement in Italy two years ago. His representatives agreed to pay off the \$1,350 fine, and the Illinois State Athletic commission yesterday granted the stadium permission to stage the Levinsky bout.

tin. Main Avenue takes on Alamo Heights.

Al Scherwitz likes Breckenridge and Main Avenue.

District 13 will be without holiday games, giving Kerns Tipps and Lloyd Gregory a rest.

Beaumont and Port Arthur are tied for the lead in district fourteen. Both boast clear records, but one will be dented following their game Nov. 11.

Vin Burke is sticking to Beaumont. Shep Shephard favors Port Arthur.

The Whirlpool

"Pa" Stribling, father and manager of W. L. "Young" Stribling, recently tried to beat a few Dallas sport writers at golf. "Pa" had just about as much luck against the scribbles.

Paul Moore, sport writer of the Corsicana Sun, wants the world to know the Corsicana Tigers have scored 361 points instead of the previously published 351 markers.

Paul says the mistake was made when the papers carried the Corsicana and Sam Houston score as 29 to 0 when it should have been 39 to 0.

TROJANS ARE SELECTED FOR ROSE BATTLE

Southern California to Pick Opponent When East's Schedule Is Run.

PASADENA, Calif., Nov. 10. (AP)—University of Southern California's Trojans, with the Pacific Coast conference title almost won, have been selected to shoulder the burden of the west in the seventeenth annual Rose tournament football game here Jan. 1.

While no official statement was forthcoming from the university, it was considered likely that the game will be played for charity. Dr. Rufus B. von Kleinsmid said earlier in the season the Trojans were eager to play for the benefit of the unemployed.

Selection of an opponent, which probably will not come until the schedules of the leading teams east of the Mississippi have run their course, is left entirely to the western school.

Five teams, however, stand the best chance of receiving this invitation it was officially said. The five are Northwestern, Cornell, Tulane, Tennessee, and Georgia.

Should a team from the south be chosen, it will be the fifth time in the last seven years that an eleven from below the Mason and Dixon line has participated in the inter-sectional classic. In that time the southerners have won three contests and tied the other one, leaving the coast standard bearers barren of victories.

Southern League To Sell Mobile

MEMPHIS, Tenn., Nov. 10. (AP)—Under an agreement reached at a meeting of the Southern league directorate yesterday the much-battered Mobile franchise will pass to an unnamed buyer wholly satisfactory to the league providing three-fourths of all the stockholders in the Mobile Baseball corporation consent.

Announcement that a buyer had been found was made by John D. Martin, league president, at adjournment of the annual meeting of the directors last night.

The announcement said the offer was made in confidence, that the buyer was rated by the league directorate wholly capable and with ample financial backing to operate the franchise and the terms offered were acceptable to the majority stockholder, Byrd Douglas, president of the corporation.

Other action taken by the directors included the reduction of the player limit from 18 to 17 and the fixing of April 12 as the opening date of the coming baseball season.

SLATON TIGERS ARE DUE TODAY FOR BIG BATTLE

Light Team Is Pointed for Pampa and Will Fight for Class A Laurels.

Two dozen Slaton Tigers, eager to get a bit of Class A prestige by beating the strong local eleven, were to arrive this afternoon for a work-out prior to the Armistice day game at 2:30 o'clock tomorrow.

A large delegation of Slaton fans and the Slaton pep squad will arrive here about noon tomorrow. The fans started to charter a special train but were later able to get enough big busses to bring the crowd. Coach Mitchell talked with Coach Paul Wright of the Tigers yesterday and that worthy told Mitchell that his Tigers were going to make the Harvesters think they are up against the Lubbock Westeners.

Slaton is by no means a weak sister as some believe. Coach Mitchell made the following remark after a scrimmage with the Gorillas yesterday afternoon: "I am afraid of those Tigers and don't mean maybe."

The Tigers are not heavy but what they lack in weight they make up in ability and fight. One Tiger, fullback weighs only 139 pounds, according to weights of players received here last night.

Players, their weights and positions follow: Regulars—Anderson, right end, 170; Henry, left end, 145; Covington, right guard, 153; Gussow, right guard, 180; Foster, right tackle, 165; Jackson, left tackle, 160; Poutz, center, 175; Johnson, right halfback, 152; Alford, left halfback, 145; Rucker, fullback, 158; Cannon, captain, quarterback, 165.

Substitutes—Mercer, right end, 144; Montague, left end, 148; Terry, right guard, 150; Brooks, left guard, 153; Young, right tackle, 187; Becker, left tackle, 170; Arms, center, 155; Mahlie, left halfback, 145; Gear, right halfback, 150; Bickertstaff, fullback, 139; S. Mahlie, quarterback, 137.

Mustang Freshmen To Play Amarillo

DALLAS, Nov. 10. (AP)—Southern Methodist university freshmen will embark today for Amarillo to meet the Amarillo Junior college Badgers tomorrow. The Colts turned in a hard practice session yesterday which was featured by the hard running and plunging of "Curly" Woodward, former Sunset school fullback. Last year, Amarillo held the Colts to a scoreless tie.

'Ramming' Rack Is Available Again Back Smiling

KANSAS CITY, Nov. 10. (AP)—"Ramming" Ralph Graham was back in uniform today as the Kansas State grid team prepared for the crucial tilt with Nebraska Saturday.

Although defeated by Iowa State last week, the Kansans hope to down Nebraska and stay in the running for at least a half a share in the Big Six conference championship. A Nebraska defeat and a Husker victory over the Iowans a week later would turn the trick.

The other conference tilt Saturday brings together Missouri and Oklahoma. Ab Walker, who called signals in the Sooners' fourth period scoring drives against Kansas last week, was at the quarterback post on the first string yesterday.

The Missouri Tigers are being directed by Assistant Coaches Walter Head Coach Gwinn Henry is recovering from a minor operation. Granslie and Harry Lansing, while

TEAMS TRAIN LIGHTLY FOR NEXT GAMES

Texas Longhorns Expected Show Real Offensive to Horned Frogs.

By The Associated Press
Yesterday was a day of light practice for Southwest conference football teams.

Featuring this week's card will be the Texas Christian and University of Texas game at Austin. Victorious last Saturday, these two teams were allowed to take it easy yesterday but will start pressure practice today. The Frogs spent the afternoon mapping out new offense formations to use against Texas.

Having clocked off a 25 to 9 victory over Baylor Saturday, the Longhorns believe they have finally hit the stride which carried them to last year's conference championship. The Southern Methodist Mustangs spent the afternoon playing tag football and running through a few

new plays to use against Baylor. Emmet Jordan, fullback, was on crutches as a result of a knee injury received in the A. and M. game Saturday and will not play this week.

Texas A. and M. Rice and Baylor polished up a few new plays. A. and M. and Rice will meet at Houston. Both are out of the conference race but their contest is sure to carry plenty of fire.

HUGE GRID ATTENDANCE
LOS ANGELES, Nov. 10. (AP)—Setting a new high mark for Pacific coast football attendance, 33,000 persons paid approximately \$280,000 to witness the Stanford University of Southern California game at the Olympic stadium here last Saturday. U. S. C. won 19 to 0. The figure also tops the list for grid games of the nation so far this season.

Minnesota and Iowa elevens have met 25 times since 1891.

June-Day starting ALL WINTER LONG

"HIGHEST TEST"

at the price of ordinary gasoline

NOW Controlled Volatility gives higher Winter Gravity

65° to 71.4°

Also Phillips 66 Ethyl at the regular price of Ethyl gasoline

THE toughest time to test a gas is on a day of freezing cold. The colder the day on which you try your first tankful of Phillips 66... the greater gasoline, the better we like it.

You won't hear a lot of grinding and whirring from your starter, with no action from your motor. Instead, a touch of the starter and your motor comes to life instantly, warms up quickly and runs along sweetly.

What a beautiful demonstration of the special winter benefits of high test gasoline! You get not only summer power, pep, and mileage; but instant starting, too. All without any increase in price.

We can make Phillips 66 higher test without higher price because we are the world's largest refiners of natural high gravity gasoline. We do it to win your steady patronage by offering more for the money. Stop for that test tankful at the Orange and Black 66 shield.

Contest Prizes Are Offered by Gordon Store

Three prizes in an essay contest on the subject of "The Star of All Sales" are being offered to high school girls by Gordon Store in a contest announced today.

All high school girls are eligible, and judging will be done by high school teachers selected by the manager of the store. Essays may be written at any time, but must be in the store not later than 4 p. m. Wednesday, Nov. 16. Entry blanks, on which the essays are to be written, may be obtained at the store. No purchases are necessary for entry in the contest.

The prize list included a silk dress, pair of dress slippers, and a pair of Allen A. hose.

Gusher in East Texas Runs Wild

Tyler, Nov. 10. (P)—Another East Texas gusher had run wild today, flooding adjoining locations and nearby creek bottoms with a deluge of oil.

The Guy V. Lewis well, located near the Tyler-Henderson highway in Rusk county, blew in out of control last night.

Soldiers were dispatched to the scene to guard against fire hazards and to divert traffic away from the area.

CITATION BY PUBLICATION THE STATE OF TEXAS

To the Sheriff or any Constable of Gray County—GREETING:

YOU ARE HEREBY COMMANDED to summon Irving Crossland by making publication of this citation once in each week for four consecutive weeks previous to the return day hereof, in some newspaper published in your County, if there is a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the 114th District Court of Gray County, to be held at the Court House thereof, in Pampa, Texas, on the 1st Monday in December A. D. 1931, the same being the 7th day of December A. D. 1931, then and there to answer a petition filed in said Court on the 1st day of October A. D. 1931, in a suit, numbered on the docket of said Court No. 3014, wherein Grace Crossland is Plaintiff, and Irving Crossland is Defendant, and a brief statement of plaintiff's cause of action, being as follows:

Plaintiff and defendant are husband and wife. Plaintiff asks for an absolute divorce on the ground that the defendant has been guilty of extreme cruelty and excesses of such nature as to render their living together insupportable; that he has abused plaintiff and finally deserted her; that he is guilty of adultery and is now living with another woman.

Herein fail not but have before said Court, at its next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said Court, at office in Pampa, Texas, on this 2nd day of November A. D. 1931.

Mountain of Apples From Virginia's Orchards

If "an apple a day keeps the doctor away," think of all the doctors this huge bin of apples would put out of business! Here are part of the 25,000,000 apples weighing 6,000,000 pounds that are being prepared for shipment at Winchester, Va. One of the largest crops in many years has been harvested in the Shenandoah Valley apple belt.

NOTICE OF SHERIFF'S SALE STATE OF TEXAS, COUNTY OF GRAY.

Caraway Widow Likely to Run

JONESBORO, Ark., Nov. 10. (P)—The widow of Thaddeus H. Caraway today appeared the probable choice to fill the unexpired term in the United States senate after an announcement by Mayor E. J. Bosler that she would accept the nomination if it were proffered.

Mayor Bosler made the announcement as a friend of the family and a member of the state democratic central committee shortly after the junior Arkansas senator was buried here yesterday.

Mrs. Caraway has been a close student of politics and government during her husband's years in congress and possesses much the same gift of wit and satire.

King Carol Is Disconcerted When Younger Brother Follows Example by Marrying Fascinating Charmer

BUDAPEST, Hungary, Nov. 10. (P)—The morganatic marriage of the Prince Nicholas of Rumania with Mme. Jans Lucia Deletj, in a dramatic elopement yesterday despite King Carol's stern disapproval of the union, had royal circles buzzing with excited comment today.

Prince Nicholas, fascinated by the charms of the brunette beauty, ignored his elder brother's refusal to sanction the marriage, leaped into his racing car and made a wild dash to Tohan and compelled the mayor of that town to perform the ceremony.

With determination similar to King Carol's where the auburn haired Mme. Magda Lupescu was concerned, the 28-year-old prince refused to let his love for Mme. Deletj be thwarted by the arguments of the king.

The mayor of Tohan, a small town near Buzau, knowing he had incurred sharp criticism for performing the ceremony without the sanction of the king, excused himself by declaring he knew no other course to follow when the determined prince rode up to his home in a cloud of dust and ordered him to perform the ceremony.

What King Carol would do with his defiant young brother was a matter of lively speculation today. There seemed little he could do inasmuch as the civil ceremony uniting the Prince and Mme. Deletj was apparently binding.

COUNCIL MEETING
The county home demonstration club council is meeting this afternoon at 2 o'clock at the courthouse.

The Rev. and Mrs. F. W. O'Malley had as their guests yesterday Mrs. Elizabeth Bivins of Amarillo and Mrs. Charles Halsell of Bonham.

GRAINS TURN DOWN
CHICAGO, Nov. 10. (P)—All grains turned downward early today, influenced by preholiday profit taking and by a letup in aggressive speculative purchasing so conspicuous of late. Harder readjustments in advance of the United States government crop report due after the close also were a bearish factor. Openings at 1 cent setback to 1-8 gain, wheat later receded all around. Corn started 1-4 to 7-8 off and then continued to sag.

Mr. and Mrs. O. E. Owens and family have moved from Denison to Pampa.

NOTICE OF SHERIFF'S SALE STATE OF TEXAS, COUNTY OF GRAY.

By virtue of an order of sale issued out of the 31st District Court of Gray County, Texas, on a judgment rendered in said Court on the 23rd day of September, 1931, in favor of A. P. Stark, plaintiff vs. C. S. Johnson, defendant, No. 2038 upon docket of the said 31st District Court, I did on the 10th day of November, 1931, at 4:00 o'clock P. M. levy upon the following described tract and parcel of land situated in the County of Gray, State of Texas, as the property of the said C. S. Johnson, and being the same property described in said order of sale, a foreclosure of vendor's lien having been granted to the A. P. Stark upon said land, to-wit: A P. Lot No. 10, in Block No. 3, of the Priest Addition to the City of Pampa, Texas, according to the plat of said addition; and described in deed from A. P. Stark and wife Leona M. Stark to C. S. Johnson, and recorded in Vol. 52, page 508, deed records of Gray County, Texas. And on the 1st day of December, 1931, being the first Tuesday of said month between the hours of Ten o'clock A. M. and Four o'clock P. M. and said day at the Courthouse door of said Gray County, at Pampa, Texas, I will offer for sale and sell at public auction for cash, all the right, title and interest of the said C. S. Johnson, in and to the above described real estate.

Dated at Pampa, Texas, this 9th day of November, 1931.

"It's a Truly Modern Cigarette"

"I'm certainly grateful for Lucky Strike. It's a truly modern cigarette for it gives me modern throat protection. And your improved Cellophane wrapper is wonderfully modern, too. It opens without any coaxing—a flip of the little tab and there are my Luckies."

A famous and beloved picture star while still in her teens—blessed with breath-taking girlish beauty—could fate have been kinder to Loretta Young? She's the very incarnation of young loveliness. If you have not seen her in First National's "Ruling Voice," do so.

That LUCKY tab! Moisture-Proof Cellophane. Sealed tight—Ever tight. The Unique Humidor Package. Zip—And it's open! See the new notched tab on the top of the package. Hold down one half with your thumb. Tear off the other half. Simple. Quick. Zip! That's all. Unique! Wrapped in dust-proof, moisture-proof, germ-proof Cellophane. Clean, protected, neat, FRESH!—what could be more modern than LUCKIES' improved Humidor package—so easy to open! Ladies—the LUCKY TAB is—your finger nail protection.
