NUMBER 13

NUMBER HOUSES ORDER COUNCIL

ORDINANCE PASSED TUESDAY REQUIRING NUMBERING OF ALL BUILDINGS

Mail delivery in Perryton is closer following the action of the city council, Tuesday, in passing an ordinance requiring the numbering of all houses and providing for the widening and renaming of streets in the city.

The ordinance is obligatory on the part of the owners to number his property and provides a penalty for failure to do so within thirty days and a heavier penalty if they are not done within sixty days.

The plan of the council is to follow the Philadelphia system of numbering and naming the streets, streets being taken as a basis for streets running east and west, and Main street being the base for all streets running north and south.

Numbers will be found on the left, there being an odd number for each block.

The Kansas City Directory company, Kansas City, Mo., have been engaged to determine and furnish official numbers to conform with the ordinance passed, and to furnish a glass aluminum sign and to post same for a cost of one cent.

This firm is represented in Perryton by W. J. Carter and G. F. Judson.

Facial numbering work is being done on Friday of this week and gentlemen request those desiring to know that they should be at home to leave their names with their neighbors.

The City Directory company agreed to mark all of the intersections.

Large blocks of sidewalks have been completed during the past few days and many more are being laid. With the designating of houses and streets and with the amount of sidewalks constructed, Perryton will be ready for city mail delivery.

Mayor C. E. Forbes states that the city ordinances regarding chickens running at large will be strictly enforced and that the citizens of the city will please give their full cooperation to the officers in the enforcement of these ordinances.

Form Association

Playground Association Being Sponsored; Call First Meeting Friday Night

Between ninety and a hundred men and women of Perryton have signified that they are interested in the formation of a playground association, according to Dr. Fewkes and a meeting has been called for Friday night to be held in the county court room at 8:00 o'clock, to perfect such an organization.

It is being planned to make a start by clearing off the grounds and laying off courts in the rear of the buildings between the new Holland building and the C. E. Stone company's building.

All interested in this work are urged to attend the meeting Friday night.

FIVE IN FIRST PLACE AT MEET

OCHILTREE COUNTY CONTESTANTS MAKE GOOD SHOWING AT DISTRICT LEAGUE MEET

Ochiltree County made a splendid showing last week at the district interscholastic league meet. Five of the contestants from this county won first place thereby entitling them to represent the district in the state meet to be held at Austin on May 2-3-4. Winners were:

Milton Freeman and Irvin Hergert, Perryton, first place in boys tennis doubles.

Margaret Rogers, Farnsworth, first place in rural senior girls declamation.

Nowell Dean, Ochiltree, first place in girls tennis singles.

Ethel Hart, Ochiltree, first place in rural extemporaneous speaking.

Arlene Slavin, McMillen, first place in rural junior girls declamation. The junior contest is discontinued in the state meet.

E. W. Rogers of Farnsworth will leave next Tuesday with the contestants for Austin where they will compete against winners from the other districts in the state.

The other contestants from Ochiltree County all made very creditable showings. Mansell Coffee and Irvin Hergert went to the semi-finals in the boys debate. Milton Morris won third place in city extemporaneous speaking. Paul Pittman won second place in the mile run losing first by only a few feet. Marion Tucker won fourth place in the broad jump, but he had been jumping in practise farther than the first winner at Canyon. Many of the boys placed in the preliminaries but did not win a place in the finals. The Ochiltree girls won third place in volley ball. Audrey Talley, Ochiltree, won second place in the 3-R-Contest, losing first place by only the fraction of a point. Other winners, if any, have not been reported. Ochiltree County is very proud of the splendid record made by our contestants.

C. E. ROWE TO HOLD PUBLIC FARM SALE

C. E. Rowe, who lives one mile north and one-half miles west of Gray will hold a public auction sale at his farm on next Wednesday, May 1. Mr. Rowe is offering an exceptionally good bunch of high grade milk cows for sale, also some hogs and farm machinery.

The old reliable auctioneers, Littleton & Steffen, will cry the sale with P. P. Rogers of the First National Bank doing the clerking. Terms of three months time will be given. A free lunch at noon.

INFANT SON DIES

Funeral services were held Monday afternoon at 3:00 o'clock at the Baptist church for the baby son of Mr. and Mrs. Walter Bergan, who passed away Sunday, living only six hours from the time of his birth, Sunday morning.

Rev. C. Lex Shelby, pastor of the Baptist church, conducted the services. The body was laid to rest in Ochiltree cemetery.

COOKED FOOD SALE

The Senior Epworth League will hold a cooked food sale on Saturday, May 4, place to be announced later. Dressed chickens, pies, cakes and homemade candy will be sold. Watch next week's Herald for announcement.

If you have anything to buy, sell or trade, use a Herald classified.

SEASON OPENER WON BY BOOKER

PERRYTON CLUB LOSES FIRST IN RAGGED 9 TO 7 CONTEST; SHATTUCK IS NEXT

A ragged but interesting exhibition of the great national sport was afforded base ball fans, Sunday, when Booker took the season opener on the local diamond by a 9 to 7 count.

The local club, with less than a week of practise, was unable to strike their usual stride. Lack of strike-out was very evident in the pitching staff as Smith Reagan and M. Smith took turns on the mound in an effort to hold the Booker sluggers.

The line-up for Perryton included Caylor, Reagan, Murphy, Irvin, McClellan, Franklin, Hunter, M. Smith, Young Smith, and Teas.

The next game is with Shattuck at Shattuck next Sunday. Unfavorable weather conditions have held up practise this week but the local club is expecting to put up a much stiffer game than was played here last week.

A complete schedule of the league games will be given next week. The league is composed of Perryton, Booker, Pollett, Higgins, Canadian and Shattuck.

Hazel Hurd Players

Popular Stage Company Returning To American Theatre Every Tuesday Night

The Hazel Hurd Players are returning to Perryton according to Carl Ellis, manager of the American Theatre, and will play here every Tuesday night, opening on the night of April 30 with the popular stage success, "Father and Son".

The Hazel Hurd company is one of the best known and best liked theatrical companies to play this city and their many friends here will welcome them back. Fred Twyman, manager of the company and Mrs. Twyman as well as a number of the other members of the cast are well known here.

MARVIN JONES FIGHTS HOOVER ON FARM RELIEF

Marvin Jones, our representative in congress, is leading the fight in congress for the Debenature plan of farm relief which is now up before the senate and house. On last Monday Jones publicly rebuked President Hoover for his opposition to this legislation.

Jones represents a district which is composed almost entirely of farmers and cattlemen and he firmly believes that this important legislation will actually help the farmer.

CROWD WELCOME BOOSTERS HERE

ESTIMATE A THOUSAND PRESENT AT GATHERING TO GREET WICHITA BOOSTERS

A crowd estimated at over a thousand was present Monday afternoon to welcome the Wichita Boosters to Perryton and stayed to enjoy the splendid band music and singing included as entertainment features of that organization.

A special train carrying the boosters arrived in the city at 5:45 and the band and members of the party marched up to the business district where the entertainment was staged.

The large crowd present, most of whom were dollar day shoppers, was well pleased with the visit. Dollar day, which was observed by all of the Perryton stores, was also observed Monday and was responsible for drawing the large crowd.

LYON IN DEFU FILM

Ben Lyon is one of the few American screen actors who has appeared in foreign-made pictures. While abroad for a vacation he was asked by Defu, First National's German producing organization, to act opposite Lya Mara, noted Russian dancer and screen star in "Dancing Vienna". He was the only American in the cast. "Dancing Vienna", a romantic love story of modern Vienna, comes to the American Theatre on Monday.

Ball Game Friday

Lady Faculty and Home Ec Girls Will Play Off Tie Game On Friday Afternoon

The next important event on the athletic calendar for Perryton is the baseball game between the lady members of the Perryton high school faculty and the Home "Ec" club, which will be played on the high school athletic field at 3:30 Friday afternoon. These two lady teams recently played a tie game which was hotly contested from start to finish.

Much interest is being manifested and a large crowd is expected to see the fair ones toss the "old pill" around the diamond. Some unusually good players are to be found on both teams. The game will go seven innings, the proceeds going to the school art department and to the home ec girls.

MUST BUILD SIDEWALKS TO GET CITY DELIVERY

It is being rumored around Perryton that to obtain city mail delivery it is not necessary to build sidewalks. This report is absolutely false. The postal regulations are very clear on this subject and for information of those parties circulating this report the following extract from Section 654 of Title Six, headed delivery service, is reprinted. This section says:

"This statute supersedes R. S. 3893. Applications for the establishment of city delivery should be addressed to the First Assistant Postmaster General, division of post office service. They should give the population of the place, state whether the houses are numbered, the streets properly lighted, their names posted, AND WHETHER THERE ARE GOOD CONTINUOUS SIDEWALKS THROUGHOUT THE WHOLE OF THE DISTRICT WHICH IT IS PROPOSED TO SERVE BY LETTER CARRIERS."

There may be some isolated cases where this service has been granted to cities not having artificial sidewalks but in such cases it is found that those communities had natural walks that were considered ample. Anyone who knows anything of the conditions here during wet and muddy weather must realize that no mail carrier could be required to cover a route without walks.

If Perryton wants city mail service, sidewalks must be put in. Numbering the houses and marking the streets are also necessary but that alone cannot get us the service. We must have sidewalks, regardless of what anyone may say.

STONE OPENING THIS WEEK END

CHAIN STORE HOLDS FORMAL OPENING FRIDAY NIGHT; BUSINESS OPENING SATURDAY

Formal opening of the C. E. Stone company store in Perryton is to be held Friday night between the hours of 8:00 and 10:30 o'clock, marking the addition of the forty-fourth link of their chain of dry goods stores throughout Texas, Okla and New Mexico. The business opening of the new store is to be held Saturday.

The formal opening is to be featured by a style show, local girls modeling the newest in coats and dresses. Flowers and souvenirs will be given away at the opening and music for the event will be furnished by a five-piece orchestra.

A number of specials will be offered for Saturday for the business opening of the new store which is located in the new building, the third door north of the Perryton Drug company.

Everyone is cordially invited to attend the formal and business openings at the store and preparations are being made to care for a large crowd on both occasions.

Farnsworth Improving

Santa Fe is Building Unloading Dock; Will Have Lights Soon

The town of Farnsworth, located ten miles southwest of Perryton on the Santa Fe, continues to improve and build. At present a Santa Fe bridge and building crew is constructing a large new unloading dock and spur track. This dock provides for both end and side unloading and is of the very latest design. It will provide adequate facilities for the easy unloading of the big shipments of tractors, combines and other heavy farm equipment which is distributed from that place.

C. E. Whipple, division manager of the Texas-Louisiana Power Co., was in Farnsworth last week looking after the arrangements for the wiring of the town for lights and power. Every business house and residence will be supplied from the high line which runs from Perryton to Spearman.

RAISE FUNDS TO FIGHT LEPROSY

MAY 1 IS PHILIPPINE DAY IN U. S. TO BE OBSERVED IN PERRYTON, SAYS CHAIRMAN

According to F. P. Rogers, county chairman of the Leonard Wood memorial, May 1, has been designated as "Philippine Day" in the United States and is to be observed in Perryton, in honor of the soldier, physician and statesman who as governor-general did so much for the islands.

On this day, or before, small subscriptions will be received to be used for the relief of the suffering of the unfortunate thousands who are afflicted with the dreaded disease, leprosy. Prof. W. B. Irvin, superintendent of the Perryton schools is cooperating with Mr. Rogers in this drive for funds and an active campaign is being planned by the school children who will solicit their parents for contributions.

On May 1 it will be just thirty-one years since Dewey steamed into Manila Harbor, sank the Spanish fleet, reduced the fortress at Cavite, and raised the American flag. That date marked the beginning of a long series of reforms on the part of the American administrators in these islands. Since

CITY WATER RATES REDUCED BY BOARD

At the meeting of the city council on last Tuesday evening it was decided to raise the amount of water allowed to each customer on the minimum billing of \$2.00 a month from 2500 gallons to 4000 gallons. The charge for all water over the minimum will remain as heretofore, 30c per 1000 gallons. The amount furnished for the minimum billing was raised by council in order that the citizens might be able to use more water in irrigating lawns and gardens.

SPEARMAN IS COUNTY SEAT

UNOFFICIAL RETURNS GIVE SPEARMAN SEVENTY-ONE VOTES OVER NECESSARY MAJORITY

The county seat election held last Saturday in Hansford County resulted in Spearman winning with seventy-one votes over the necessary two-thirds majority. Ochiltree County citizens were very much interested in this contest and the great majority of them were in favor of Spearman. The contest was between Spearman and Gruver, the new town which is being built on the Rock Island from Liberal to Amarillo. Only eleven votes were cast in favor of keeping the county seat at its present location, old Hansford.

A total of 1277 votes was cast in the election which was hotly contested. Gruver, on account of being located within five miles of the center of the county had to poll only a majority vote to get the county seat, but Spearman, being located outside of the five mile zone, was required to get a two-thirds majority, which they did with votes to spare. The Spearman vote was 876.

No contest is anticipated and it is thought that the records will be moved just as soon as the commissioners meet and canvas the returns. The commissioners court is called to meet today, Thursday. This is the fourth county seat election that has been held in Hansford County since 1922. In January of the above year, Spearman failed by fifteen votes of getting the necessary two-thirds. Then again in March, 1927, they failed by just a few votes. In August, 1928, Spearman won under a new law which required but a majority vote, but later this law was declared null and void thus invalidating the election.

The vote by precincts was as follows: S. Spearman; G. Gruver; H. Hansford.

Voting Box	S.	G.	H.
Spearman	801	30	5
Gruver	19	91	1
Mulock	33	9	0
Kimball	16	63	2

Manual Training Show

Work of Manual Training Students Will Be Exhibited Next Monday Nite

On next Monday night, immediately following the Parent-Teachers program, the Manual Training department of the high school will be open for inspection. A great many of the beautiful and useful articles that have been made by the boys during the year will be on display. The complete tool and machinery equipment will also be on exhibition.

This department of the school was not open for exhibition during the recent school exhibition due to the fact that E. E. Shupe, head of the department, was out of the city. Much good work has been accomplished by the boys and they have been taught to make numbers of useful articles. Mr. Shupe is a very competent instructor. Everyone is cordially invited and urged to visit this department on next Monday night.

PERRYTON GETS BIG HATCHERY

HUTCHINSON & COOK TO INSTALL 52,000 EGG INCUBATOR IN PERRYTON AT ONCE

Poultry raisers in the Perryton trade territory will welcome the announcement that former county agent C. J. Hutchinson and M. A. Cook have formed a partnership for the purpose of installing and operating a modern hatchery and poultry business in Perryton. They have made arrangements for the purchase of a Smith 52,000 egg capacity incubator and expect to have it in operation for next winter's business.

The Smith is the outstanding large incubator manufactured today and is recognized by all poultry authorities as being the very best. It is steam heated and some of the main features are: ample supply of fresh air; constantly uniform temperature; complete record of temperature; powerful ventilating fans; no laborious cooling of eggs in the incubator; comfort for the operator in the machine; cooling coils for hot weather; accurate moisture control; special modern type heating plant; triple safety control; easy to turn eggs; standard bed metal egg trays; and a capacity with small floor space, this enormous incubator only taking up a space 10 by 13 feet.

The hatchery will be located in the Cook building just north of the Denver Trail Cafe. A seventy-five foot brick and tile addition will be built onto the rear of the present building. An attractive and modern front is planned. The estimated cost of the hatchery, exclusive of buildings is better than \$10,000.00. The incubator alone costing over \$6500.00. Mr. Hutchinson states that they expect to carry a full and complete line of poultry supplies of all kinds.

This business is much needed in Perryton and it is fortunate that men who know the chicken game are going to install the plant. Few people realize the volume of the poultry business today. Did you know that the total production of poultry and eggs in the United States in 1928 exceeded the value of the wheat crop by \$119,000.00

According to F. P. Rogers, county chairman of the Leonard Wood memorial, May 1, has been designated as "Philippine Day" in the United States and is to be observed in Perryton, in honor of the soldier, physician and statesman who as governor-general did so much for the islands.

Sunday School Lesson

International Sunday School Lesson for April 28
THE SUFFERING SERVANT OF JEHOVAH
 Rev. Samuel D. Price, D. D., Associate General Secretary of the World's Sunday School Association

Fulfillment of prophecy is one of the strongest evidences of the authenticity of Scripture. The fact that exact statements of future events could be made hundreds of years in advance, and later developments would be in perfect accord, argues mightily for the inspiration that believers in the Word claim for it. In no instance is the problem of fulfillment made any greater than in this lesson study, in which these varied Messianic statements are made.

Much discussion has centered about the implications in "The Servant of Jehovah," which theme is found in repeated portions of Isaiah, such as 41: 8-20; 42: 1-7, 19-25; 43: 5-10; 49: 1-9; 50: 4-10; 52: 13-15. Many claim that the "Suffering Servant" refers only to the Jewish nation. The conservative interpretation is that, while it has a direct implication to the Chosen People, it refers primarily to the promised Messiah and is a glorious description of Jesus Christ in His divine office work. There are many other prophecies concerning Him in the Old Testament. Compare the record of this life as recorder in the Gospel and note how each prediction was performed, and there will be both added and intense reverence for the Holy Bible. Read this particular lesson text at least three times.

A wonderful Person is being portrayed. Multitudes still fail to believe the message and hence lose much in their lives. He is referred to as a man, and so is His Father Jehovah. We continue to objectify a spirit in terms of human form, such as "the arm of the Lord."

Constantly through the years of His public ministry "He was despised and rejected." No one can ever know the extent of His sorrows. He was more sensitive than any other in all the history of the world. We know of His agony and bloody sweat in the Garden of Gethsemane. Only the angels could appreciate His Worth as they looked on in pity. His physical sufferings and heart aches were only incidents compared with the mediatorial work He was perfecting. His acts were vicarious as He took the law place of the sinners of the world. His bruises of heart as well as of body, together with the chastisement of the Pilate commanded stripes, were for our healing.

Man's indifference to such love is worse than pathetic. The picture is of sheep purposefully going astray while the shepherd is tenderly calling them to safety and full-rest provision.

Throughout His earthly life He was silent under every form of abuse and oppression. Pilate was amazed at His quiet demeanor. Others under similar circumstances of injustice would rail at their accusers. The lovers of this Messiah rejoice that, after He had been crucified between two thieves, there was a royal-like tomb for that body

through the graciousness of Joseph of Arimathea. This one suggests to all of us that great souls do not peddle personal miseries. Archbishop Trench, speaking of our debt of sin, said "It was contracted in the currency of earth. He paid it in the currency of heaven."

A JOINT RESOLUTION
 H. J. R. No. 7
 proposing an amendment of Section 5 of Article 4 of the Constitution of the State of Texas fixing the salary of the Governor; providing for its submission to the voters of the State of Texas as required by the Constitution, and making appropriation therefor

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article 4 of the Constitution of the State of Texas be so amended as to read as follows:

"Section 5. The Governor shall, at stated time, receive as compensation for his services an annual salary of Ten Thousand Dollars and no more, and shall have the use of occupation of the Governor's residence, fixtures and furniture provided that this amendment shall not become effective until the third Tuesday in January, 1931."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on July 18, 1929, at which election all voters favoring said proposed amendment shall write or have printed on their ballots the words: "For the amendment to the Constitution of the State of Texas fixing the salary of the Governor."

And those voters opposing said proposed amendment shall write or have printed on their ballots the words: "Against the amendment to the Constitution of the State of Texas fixing the salary of the Governor."

Section 3. The Governor of the State of Texas is hereby directed to issue the necessary proclamation for

said election and to have same published as required by the Constitution for amendments thereto.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated to pay the expense of such publication and election.

H. J. R. No. 6
A JOINT RESOLUTION
 proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members, and for continuous session of that Court

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 3 of Article 5 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 5. Section 2. The Supreme Court shall consist of a Chief Justice and eight Associate Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; in other matters, until otherwise provided by Law, the jurisdiction of the Court shall be exercised under such regulations and orders as the Court by a majority vote may prescribe. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this State and unless he shall have attained the age of thirty years, and shall have been a practicing lawyer or a judge of a court, or such lawyer and judge together at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall receive such compensation as may be provided by Law. In case of vacancy in the office of Chief Justice or of Associate Justice, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present

Constitution, and until their successors are elected and qualified. When this amendment takes effect, the Governor shall immediately appoint six additional Associate Justices of the Supreme Court for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and, upon the qualification of such new Justices, the Commission of Appeals of the State of Texas shall terminate."

"Article 5. Section 3. The Supreme Court shall have appellate jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by Law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall extend to such other questions as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by Law, the said Court and the Justices thereof may issue the writs of mandamus, procedendo, certiorari such other writs as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State.

The Supreme Court shall have power, upon affidavit or otherwise as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capitol for the transaction of business at such times as may be designated by the Court.

The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter be required by Law, and he may hold his office for four years and shall be subject to removal by said Court for good cause entered of record on the Minutes of said Court who shall receive such compensation as the Legislature may provide."

Sec. 2. Said proposed Constitutional amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on Tuesday, July 16, 1929, at which election each voter opposing said proposed amendment shall scratch off of the ballot with a pen or pencil the following words printed on said ballot: "For the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court." and each voter favoring said proposed amendment shall scratch off the ballot in the same manner the following words printed on said ballot: "Against the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court." If it appears from the returns of said election that majority of the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and Laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof

as may be necessary is hereby appropriated out of the State Treasury to pay for the expenses of said publication and election.

As new and different now as it was when introduced

Recall the scene. A New Oakland All-American Six. Making its bow to the public. And now you see it here... there... everywhere you go. Other cars have appeared in bewildering succession. But the distinction of the All-American continues... unaffected. It's as new and refreshingly different today as it was when introduced. Like a good friend... it grows on you... impressing you more favorably with every passing week. The better you know it the more you will respect the New Oakland All-American Six.

Prices \$1145 to \$1275, f. o. b. Pontiac, Michigan, plus delivery charge. Spring covers and Lexaply Hydraulic Shock Absorbers included in list prices. Bumpers and rear fender guards extra. General Motors Time Payment Plan available at minimum rate.

Consider the delivered price as well as the list price when comparing automobile values.

Oakland-Pontiac delivered prices include only reasonable charge for delivery and financing.

Walter Fly, of Vega and Amarillo—a Prominent Phillips User

What Satisfied Users Say

Scene on Fly's Farm South of Vega, Showing 5 Tractors which Use Phillips Products 100%

The following are excerpts from bona-fide letters on file at Phillips Petroleum office, written by satisfied customers. They tell their own story!

Vega, Tex., March 20, 1929
Phillips Petroleum Company,
 Amarillo, Texas.
 Gentlemen:
 I started to use Phillips oil last July 1, and find it superior to all oils I ever used. I had the first tractor used successfully in the Panhandle in 1913. I think I have used about all kinds of oil made.
 Anyone can't go wrong in buying Phillips oil.
 Yours truly,
 Herschel Cramer

Hereford, Texas, March 21, 1929
Phillips Petroleum Company,
 Amarillo, Texas.
 Dear Sirs:
 I have obtained complete satisfaction from the use of Phillips motor oils and Phillips 66. Before using them, my oil was costing me much more money. Now I am getting exactly as good service from Phillips oils and will continue to use them in both my tractors and my automobiles.
 Your service is excellent.
 Yours very truly,
 J. L. Hutson

Hereford, Tex., March 21, 1929
Phillips Petroleum Company,
 Amarillo, Texas.
 Gentlemen:
 I want to tell you of the extra fine service I have obtained from the use of your Phillips oils and motor fuel. Recently we overhauled a tractor that had completed about 3500 acres of plowing. We found a very small amount of carbon which showed us that the lubricating oil was doing a correct job. We also found that there was practically no wear on any part of the motor. I am convinced there is no economy in buying bargain oils. Phillips motor and tractor oils meet my demands and I have never found as complete satisfaction in any other oils.
 Yours very truly,
 F. W. Brunson

Hereford, Texas, March 21, 1929
Phillips Petroleum Company,
 Amarillo, Texas.
 I am an Oakland and Pontiac dealer and am very much interested in lubricating oils. I have made a number of endurance tests and operating tests and find Phillips motor oils are far superior to any I can obtain. Therefore, I am using them exclusively and am glad to recommend them to my customers.
 Yours respectfully,
 Dixon Motor Co.

CHAIN STORES

**DRY GOODS · MILLINERY
READY-TO-WEAR · SHOES**

Big Opening in Perryton, Saturday, April 20th

Seventeen years ago Mr. C. E. Stone opened one small store in Wellington, Texas. Within a short time he conceived the CHAIN STORE idea, for he realized that the big operators could underbuy and therefore undersell, the one store merchant. He also realized that buying and selling for cash would mean a saving for customers. So it was there that the seed was planted which was to thrive and grow into a chain store organization, with cash stores throughout this part of the country.

Today, the C. E. Stone Co. not only operates a vast Chain of retail stores, but maintains its own warehouse and wholesale house in addition to its New York buying offices. Buying in large quantities for cash and direct from manufacturers enables them to far undersell competition. So the coming of this great institution to Perryton does not mean "just another store" but a new epoch in merchandising. Come to the new store Saturday or any other day expecting to find values of a very unusual nature and you will never be disappointed.

In 1910 Baldwin Built His First Combine--Today, 19 years Later, He Introduces--

The New Baldwin

This Machine Now On Display In Perryton

It has long been Curtis C. Baldwin's ambition—which he is now fully realizing—to design and build a combine that does better work at less cost; that does efficient work under any and all conditions.

A combine is nothing, more or less than a mechanism for the application of power to maintain certain motions that will harvest and thresh your crop. If the designer is experienced and qualified, the movements will be reduced to the minimum. That is simplicity. If the movements are correct, no trouble is encountered in doing good work under varied adverse conditions. That is efficiency. If the builder is willing to pay for high quality materials, skilled labor and a high factor of safety—that is durability. The sum of the three—whether it be found in combine, airplane or wheelbarrow—is satisfaction.

Simplicity—Efficiency—Durability—these are the outstanding features of this combine. Translated into terms of performance, they stand for economy and dependability. In other words, this combine is designed and constructed to save, to serve, to satisfy. What more can man ask of a machine?

It will pay you in bushels of grain, in hours of labor, in dollars and cents, to compare this machine with other combines!

THIS MACHINE IS MANUFACTURED BY BALDWIN HARVESTER COMPANY WHICH HAS NO CONNECTION WITH THE GLEANER COMBINE HARVESTER CORPORATION, WHICH USES THE NAME "Baldwin" IN CONNECTION WITH ITS COMBINE HARVESTER

G. C. BRILLHART INJURED

G. C. Brillhart is in the hospital with a broken leg which he received last Thursday while he was attempting to rope a cow from the radiator of his car. As the car swerved, he fell and it ran over his leg just above the ankle, breaking one bone and shattering the other. He was rushed immediately to the Liberal hospital and it will be several weeks before he will be able to return to his home.

Mr. and Mrs. Van Trease drove to Canadian Monday to take Mrs. Alexandria who returned to Miami after being at the bedside of her husband several days. Mr. Alexandria, manager of the Panhandle Lumber Company, has been very ill with pneumonia but is much improved though still not able to leave the hospital.

Ed McMillen and Val McLanahan drove to Santa Fe, New Mexico, Wednesday to meet Mr. McMillen's sister, Mrs. Ruth Thompson, and her daughter, Marie, who will spend the summer in Perryton with Mrs. J. R. McMillen.

Mrs. Carl Ellis and sons, Don and Dan, returned Monday from Albuquerque, New Mexico where they have been visiting with Mrs. Ellis' mother, Mrs. Jerrard, for several weeks. Mrs. Ellis states that her mother is still in very poor health.

Mrs. W. S. Lockwood, Stinnett, was in Perryton Monday, visiting with Mrs. Allen King.

Mr. and Mrs. W. H. Dunlavy announce the birth of a baby boy, early Wednesday morning. As yet the little lad has not been named.

F. C. Spencer returned Sunday from Huntington, Indiana, where he has been several weeks looking after business matters and visiting with his mother, Mrs. S. M. Spencer. Jake Tyrrel of Huntington accompanied Mr. Spencer home and will visit in Perryton several weeks.

Miss Eva Glasgow spent the week-end visiting with friends in Woodward, Okla.

H. Mehr drove to Guyton, Monday on business.

Paul Ballew has accepted a position as salesman at the Perryton Motor company, local Chevrolet dealer.

Mrs. Theo Pickle, is very ill with pneumonia at the home of her daughter, Mrs. F. C. Spencer, south of town.

Mr. and Mrs. W. D. Christopher had as guests Sunday Mr. and Mrs. Ray Christopher and Mr. and Mrs. Roy Christopher.

The many friends of Mrs. A. C. Witt will be glad to learn that she is recovering very nicely from the mastoid operation which she underwent last Thursday. It will probably be a few weeks yet before she

IS ABLE TO MAKE THE TRIP HOME.

Ross and Clyde Cook and Clyde Yearly received several cuts and bruises last Sunday night when their car, a Chevrolet coupe, collided with a Ford touring car driven by Fred Traylor, on the state highway near Buler Store. Mr. Traylor was driving without lights and was evidently blinded by the lights from the other car. The Chevrolet was badly wrecked.

Mr. and Mrs. Lewis Rogers and daughters came in last Thursday from Sparta, Mo. to spend the summer in Perryton. Noah Pletcher, a brother of Mrs. Rogers, went after them.

Mrs. C. B. Rogers and daughter, Jane, are improving after several days of serious illness.

Fred Battle, manager of the Burrow Lumber Company, visited a few days last week with his family at El Paso.

Mr. and Mrs. Dwight Holland, Spearman, visited Sunday with Mr. and Mrs. R. H. Holland.

Saturday seemed rather an unfortunate day for Harvey Pletcher. In the morning while he was grinding feed he got an arm caught in the machine and it was badly bruised and torn. Later, he fell as he was getting off the tractor and the plows passed over his limbs. Though no bones were broken, he will probably be in bed for several days.

Dr. POWELL, EYE, NOSE AND THROAT SPECIALIST, WILL BE AT DR. BREWER'S OFFICE, TUESDAY, APRIL 30.

IDEAL FOOD STORES

Ready for Your Harvest—

Have you Seen the John Deere Combine

Are you one of the dozens of grain-growers who have visited our store to see the John Deere Combine? If you are not, we would like to have you stop in the next time you're in town. If you have seen the John Deere, you already know why it's

The Grain-Saving Combine That's Easier to Operate

Here are some of the features you'll like about the John Deere:

1. Easy to Operate. Controls are grouped on the operator's platform in such a manner that one man has complete and instant control of his machine.
2. Saves the Grain. Cutting, elevating, separating and cleaning units are constructed with a great margin of safety for saving grain.
3. Sturdily Built. John Deere quality in materials and workmanship assure long life and good work.
4. Roller and Ball Bearings. Light draft and long life result from the use of high-grade bearings at all friction points.
5. Easy to Oil. High-pressure grease gun oiling system makes oiling a swift and easy job.
6. Powerful Motor. The motor that operates the John Deere has a surplus of power for the pinches.
7. Easily - Emptied Grain Tank. Less than a minute is required to empty the 65-bushel grain tank on the John Deere No. 2. This feature means more hours for cutting.

Stop in and see the John Deere—we know you'll like it and want it for your harvest.

A hearing will be given and held by and before the Governing Body of the City of Perryton, Texas, on the 19th day of May, 1929, at 2:00 o'clock, P. M., in the City Hall, in the City of Perryton, Texas, to all owners or claiming any property abutting upon said portions of streets and highways, and to all owners or claiming any interest in any such property, and to the owners of railways using, occupying and crossing said portions of streets and highways, and to all owners or claiming interest in any such railways. At said time and place all owners or claiming any interest therein, or any interest therein, and all owners of railways using, occupying, and crossing such portions of streets and highways, and all owners or claiming any interest in any such railways, shall be and appear, and will be fully heard concerning said improvements, the

cost thereof, the amounts to be assessed therefor, and the benefits to the respective parcels of abutting property and to railways by means of the improvements on the portion of street or highway upon which the property abuts, and concerning the regularity, validity and sufficiency of the contract for, and all proceedings relating to, such improvements and proposed assessments therefor, and concerning any matter as to which they are entitled to hearing under the law in force in the city and under the proceedings of the city with reference to said matters. Following such hearing assessments will be levied against abutting property and the owners thereof, and against said railways, and such assessments when levied shall be a personal liability of the owners of such property and against railways, and a first and prior lien upon the property as provided by the law in force in the city, and under which the proceedings are taken, being the Act passed at the First Called Session of the 40th Legislature of the State of Texas, known as Chapter 106 of the General and Special Laws of the State of Texas.

The improvements on each said portion of street or highway constitute an entirely separate and distinct unit of improvement, all to the same extent and as fully as if entirely separate and distinct proceedings had been taken with reference to the improvements and assessments therefor, in connection with improvements on each such portion of street or highway, and the assessments against the property abutting upon any unit shall

be and are in no wise affected by any fact or circumstance relating to or connected with the improvements in other units.

Of all said matters and things, all owners or claiming any such property, or any interest therein, and all owners or claiming the railways using, occupying and crossing said portions of streets, or any interest therein, will take notice.

Done by order of the City of Perryton, Texas, this 25th day of April, 1929.

KNOW TEXAS

In the early days of Texas, cattle
were so cheap they were killed for
the hides alone.

In 1928 there were about 3,419,
157 citrus trees of all kinds in the
Lower Rio Grande Valley.

Texas has about 600 miles of street
railways.

More than 537,000 Texas homes
are served by electricity.

About 450,000 electric irons are
used in Texas homes. This is the
most widely used electrical appli-
ance.

Heart to Heart Talk

By John Joseph Haines M.D.

THE HOUSEHOLD OF FAITH

Without faith, little that is worth
while can be accomplished. Every
heroic or great humanitarian deed
recorded in history is a monument
to unswerving faith.
St. Paul in Hebrews, eleventh
chapter, instances many notable ex-
amples of faithful men in action;
it would do no harm if we read
that story a little oftener.

We have plenty of such testimony
here in America. By faith, George
Washington, with his handful of
ragged troops, was able to force a
very powerful nation to capitulate.
Faith in his God, his faithful fol-
lowers, and himself.

By faith, the homely Lincoln ham-
mered away through poverty, adver-
sity and a bloody war—until he
drove the word "slavery" from the
statutes of the United States of Am-
erica, and made his name immortal.

By faith, Woodrow Wilson, back-
ed by a great liberty-loving people,
delivered a hemisphere from the
menace of tyranny. Like Lincoln,
he gave his life for principle, in
faith that never for an instant wavered.

And Lindbergh's great achieve-
ment. Faith, faith, faith!

Man is the only creature cap-
able of possessing faith; the lower
animals have no need of it. When
I see a faithless man or woman buf-
feted by waves of misfortune and
discontent, my sympathies are awak-
ened—but that doesn't help any-
body; faith must be sought for,
seized, held. It costs nothing; its
value is greater than that of the
costliest gems.

FIGHT LEPROSY
(Continued from page 1)

that time great strides have been made in many fields, but particularly in the field of education and public health. The latter was probably the chief hobby, if it can be so called, of the late Governor General Leonard Wood, not only in the Philippines, but in Cuba as well. It was as the result of Governor Wood's devotion to the interest of public health that yellow fever was wiped out in Cuba. Trained as a medical man at Harvard, he constantly had the urge to be about the business of a physician. One of the great problems which claimed his constant interest during his governorship of the Philippine Islands was leprosy.

In a formal statement to the public concerning the purposes and plans of this day, which has been designated as "Philippine Day", the board calls upon the nation for participation in these words: "To the end that this gift of healing from America to her wards in the tropics be something more than the mere handing out of dimes—to the end that history may record that 'once upon a time' a great nation set aside a day and named it after people who had found refuge under that nation's flag, selecting for this occasion the very anniversary of the day when her great ships and bristling guns had rushed to the thunderous rescue of these people—to those ends the entire nation is invited to an informal observance of May 1, 1929, as Philippine Day, and Americans everywhere are invited to have in heart the grave and solemn responsibilities that go inseparably with administering the affairs and lives of a dependent people. That kindly thinking may give tangible bonds for its kindness every town, village and city in the United States is invited to share in erecting this living memorial in life-saving to the memory of a great American soldier, who spent the full round of his life in service to his country and a large part of that life in writing the pages of a glorious colonial history in Cuba and the Philippines. It will remain for each town to say to what degree it may care to share in this work; the main consideration is that every town shall be a participant."
