

Along The Waterfront

The light norther and rain have the water in the bay stirred up and a little muddy at present, but fishing was good until after the first of the week.

At Perry Jones' Bait House fishing was fine over the weekend, nearly everyone catching a nice string of fish, and out at Rattle Snake Point the fishing was good until the norther hit, several parties bringing in 14 or 15 nice fish.

Jolly Roger Camp reports that they have not had many fishermen, but those who tried were catching small drum and quite a few trout.

Saturday Bill Crist took out Mr. and Mrs. Boyer and party of two and they caught 38 nice trout and 1 red snapper. (Snappers are not usually caught in the bay). Mr. Crist had a party of five out Sunday and they brought in 72 nice trout.

Mr. Vaughn fished in front of Floyd's Boat and Sales Co. Saturday, catching 22 nice gaff tops and Monday, Mr. and Mrs. Vaughn and Carl Kurl went out from Floyd's and brought in 89 large gaff tops.

New Income Tax Rates Effective Nov. 1st

Frank Scofield, Collector of Internal Revenue at Austin, Texas, announced today that employers will be required to withhold income tax from wages paid on and after November 1, 1951 at the higher rates provided by the Revenue Act of 1951. The Revenue Act is at present in the final stages of enactment into law.

Revised withholding tax rate tables for employers are already being printed in Washington, and are being rushed to the offices of Collectors throughout the nation. Collector Scofield stated that the pamphlets containing the revised tables will be placed in the mails to all employers on his list just as soon as the tax law is finally enacted. Employers who do not receive the pamphlet within a few days after enactment of the new law, may obtain copies at the Collector's office. It was emphasized that the pamphlet cannot be made available for distribution to employers until after the bill becomes law.

In the meantime, however, Collector Scofield authorized the publication of the withholding rates as they appear in the pending Act, for the advance information of employers and the public.

Collector Scofield stated that employers are expected to make every reasonable effort to comply with the provisions respecting the new rates. In view of the short time elapsing between the enactment of the law and the first payroll period affected, many employers may not be able to adjust to the new rates on the first pay day affected. While no adjustments will be made in the audit of the withholding returns in such cases he made it clear that this does not in any manner affect the responsibility of employers to meet their full tax liability as required by law when making their returns for the year 1951.

Collector Scofield also called attention to the fact that the new law relieves individuals from penalties for failure to comply with the requirements relative to declarations of estimated tax on Form 1040-ES for 1951 if due to the increased rates in the Act. Revised estimates will not be required on account of the rate increase, although the higher tax for 1951 provided in the law will have to be paid when taxpayers file their income tax returns for the year.

Basket Ball District Organized Friday

Dave Coleman, Charles Roe, Jr. and Miss Catherine Warnick were in Mathis Friday and helped in the organization of a basketball district for both boys and girls in this district. Mr. Woodson, Superintendent of the Taft school, was elected executive chairman of the district.

The basketball championship in girls and boys divisions will be determined in two single elimination tournaments. In drawing places for the tournaments, Rockport was lucky and drew to have two of the tournaments here.

The boys tournament will be played here, February 2, and the girls will be played on February 9th. The other two tournaments will be played later at George West and Three Rivers.

If necessary the winners will meet in a three game play-off.

Fulton Hallowe'en Carnival Wed. Nite

Rehabilitation Program Explained By Counselor

Wednesday afternoon members of the recently appointed local rehabilitation council met in Judge John Wendell's office, D. D. Steele, district counselor, Division of Vocational Education and Rehabilitation, of Corpus Christi, was present and gave a very interesting talk on the subject.

Mr. Steele stated that the rehabilitation program is State and Federal government financed. The program is not a charitable one, but pays its own way. The State Education Agency, with the aim to make the vocational handicapped employable and therefore relieve local agencies from the responsibility of caring for such persons.

Any person, 16 years old and over, who has a vocational handicap is eligible, provided they meet with the program requirements.

Mr. Steele told those present that there are over 700 jobs available to handicapped persons, and that 90 per cent of the persons aided are lifetime employable. In Texas the average income of vocational handicapped persons is \$5.31 per week. After rehabilitation this average has jumped to over \$35.00 per week. At the present time there are 10 or 12 persons in Aransas County receiving aid under the program.

Clark Wren, local attorney, was chosen as local membership chairman, and will attempt to get at least 15 members from the various clubs in the county to join the local council. Vocational handicapped persons will apply for aid through this council. The council will in turn meet with Mr. Steele and assist him whenever possible.

Those attending the meeting and voicing their support of the program were Clark Wren, Dr. H. F. Elliot, Mrs. I. E. Allemang, Mrs. Chas. Roe, Sr., W. S. Steele, Judge John Wendell and Roy Rogers.

Area Fishing Sweepstakes Opens Nov. 1

More than one thousand ambitious fishermen have already paid entry fees in the first annual Area Fishing Sweepstakes, Thad Dyer, Executive Director of the sponsoring Corpus Christi Area Winter Fishing Sweepstakes said today.

The contest opens November 1 and ends March 1.

More than \$15,000.00 worth of prizes are to be awarded those who catch the longest and biggest fish.

First prize is a Ford Deluxe Sedan. Others are a year's supply of shirts, an all expense cruise to Havana for two, a \$400 boat and motor, rods, reels, radios and other prizes.

Prizes will be awarded weekly for the longest and/or the heaviest fish in four divisions: redfish, trout, sheepshead and drum. Grand prizes also will be awarded in each of these divisions at the end of the contest and the grand prize—the car—for the longest fish of all. Contestants do not have to be in the area at the time of the awarding of prizes to win.

Entry blanks may be obtained at various motor courts, sporting goods houses and bait stands in Rockport and Fulton and the 50-cent fee is good for the entire contest.

Dealers wishing to obtain blanks and memberships are asked to contact Mrs. Mary Juergens at the Chamber of Commerce office, telephone 825.

Measuring stations are to be authorized at numerous points in the area, from north of Rockport south to Baffin Bay. Stations designated in this area are Mills' Wharf, Lenoir's Landing, Rattlesnake Point, Wilson's Sporting Goods, Fulton, Floyd's Boat and Sales and Ankele's Hardware Store.

Members of the Executive Committee are O. F. Poling and Mrs. Esther McNeill, of Aransas Pass; Bill Moore and Ed Tarrant, of Port Aransas; Alex Scott and Mrs. Mary Juergens, of Rockport; Bruce Reagan, Bruce Ponton, Jack Lozier, Cash Asher, Al Bright and Fred Burner, of Corpus Christi.

The official fishing week ends and begins on Saturday midnight. The first three days of November will be added to the first official week, a period of 10 days. Winners are to be announced each Tuesday.

Coronation Ball November 23

There will be a coronation ball held in the school gymnasium on the Friday night of the week following the last football game, which is scheduled for November 23. At this time the football queen will be crowned.

The reason for the change from the usual custom of crowning the queen at the last football game of the season is the weather, which is usually very unfavorable for coronation ceremonies to be held outside.

The members of the football team will elect the queen the week following the last game.

Juniors Defeat Gregory 40 to 0 Thursday Night

Last Thursday, the Junior football team played the Gregory football boys here, the score was 40-0 in favor of Rockport.

The Jrs. got off with several long runs throughout the ball game, some of these were called back however because of penalties. At on time Claudio Lara returned a punt 95 yards for a touchdown only to have it called back.

The boys that hadn't been playing much got their chance in the ball game and they looked very good. Two of these boys looked especially good on their defensive work, they were Efilio Guyman and Boyd Winkle.

Offensively the entire team looked good, Valdemos Valdez's passing, Jimmy Clinton's running, Claudio Lara's running and catching passes. The blocking downfield and on the line was good. Tony Mejorado, Tommy Bradshaw, Jimmy Mills and Donnie Fields played there.

This week's schedule is: Thursday, Oct. 25, the Taft Juniors and Pee Wee teams will play here in a double header. The Pee Wee game will start at 7:00 p.m.

Pirates Play George West In Last Home Game

The Rockport Pirates tangle with George West here Friday night for the final home game of the season. It will be next to the last conference game for the Pirates.

The Rockport team faced the big Mathis eleven last Friday night and lost by a score of 26-13. Despite the heavy odds against them the Pirates fought valiantly and had the opposition worried throughout the entire game. The Pirates held the Mathis ground game and the big fullback in check the entire game, and forced Mathis into the air. That was the first game this year that Mathis has had to take to the air.

The Pirates' offense checked fairly well as Jimmy Sparks led both teams offensively. Sparks, playing a great game, reeled off better than 200 yards rushing to give Rockport about 245 yards on the ground. Both Rockport's touchdowns came via the pass route. Eddie Bradshaw was on the receiving end of both passes completed for touchdowns. Charles Garrett threw the first and Charles Smith the second.

All in all the Pirates played the best game they have played to date. They all hustled and scrapped on every play and were really trying for an upset.

This week the Pirates meet a strong George West team. George West is rated third in the district and will be heavy favorites to win this one. The Pirates, however, are asking no quarters and are challenging with all the fight they can. Practices have been brisk and that determination to pull an upset is present.

Bradshaw, Ballou, Pat Smith and Kane Lassiter have looked very good in preparation for this game and along with Sparks will be expected to lead the Pirates against George West. These Pirates will make a game of it and would appreciate all the backing and support you can lend. Let's all go out and help the team along.

Special Term of District Court Opens Oct. 26

The tax valuation of the City of Rockport for 1951 is \$1,665,000 with \$25,475.00 of collectible taxes. The tax levy was set at the meeting.

Average Daily Attendance Good In Public Schools

The average daily attendance in the Aransas County Independent Schools this year has been very good, with 132 students registered in the high school, the average attendance is 128.5 pupils or 97.7 percent. In the elementary school in Fulton, there has been an attendance of 86.1 of the enrollment, or 95.95 per cent.

The Rockport elementary school has an enrollment of around 455, with an average attendance of 425.59, or 96.01 per cent.

Marine Corps Offers Commissions To College Graduates

College graduates of the Rockport area have an opportunity to become Marine Corps officers under an expanded officer training program just announced.

S/Sgt. Leon M. Bomar of the Marine Corps Recruiting Station at Corpus Christi said that graduates 20 to 27 years of age, including married men, are being sought to meet the expanding needs of the Marines and to fill vacancies caused by the release of reservists. The Marine Corps has openings for 1000 officer candidates immediately, according to Sgt. Bomar.

The next officer candidate course will begin Nov. 29 with a quota of 450. Applications for this course must be received at Marine Corps Headquarters by Nov. 1.

College graduates accepted will be enlisted as privates and ordered to a 10-week basic training course at the Marine Corps Schools, Quantico, Va. Married men will receive family allowances. Upon successful completion of this training, candidates will be commissioned second lieutenants in the Marine Corps reserve and then given an additional five months of specialized officer training.

Applicants must be at least 20 years of age and not over 27 on July 1, 1952, and must be in good physical condition. They must be graduates of four-year accredited colleges or universities and hold degrees in fields other than medicine, dentistry and theology.

Members of organized or volunteer Marine Corps reserve units may apply if they meet other requirements. Letters of recommendation from both their commanding officer and inspector-instructor or must accompany their applications. Members of other reserve or regular components of the Armed Forces are not eligible.

Eligible college graduates should write direct to Marine Corps Headquarters in Washington for application blanks. The Corpus Christi recruiting station has a form letter available for this purpose for those who desire it.

Documents that must accompany the application blank to Marine Corps Headquarters include: evidence of college degree, such as a photostatic copy of diploma or statement from registrar of college or university; birth certificate; two passport size photos, with side and front view; three letters of recommendation from representatives citizens of the community; and, if the applicant is a veteran, documentary evidence of his discharge.

To expedite matters, the prospective candidate should assemble these necessary papers while waiting his application blank.

New Cigarette Tax In Effect Nov. 1

Collector Frank Scofield of the First Texas District issued a statement today calling attention of retail dealers in small cigarettes (including the standard and so-called "King" sizes), to the fact that the Revenue Act of 1951 provides for an increase in the rate of the Federal tax on small cigarettes from \$3.50 to \$4.00 per thousand, effective November 1, 1951. The Act also imposes a floor stocks tax of fifty cents per thousand (equal to 1 cent on each standard package of twenty) on all stamped (tax paid) small cigarettes held by dealers, and other persons, for sale at the first moment of Nov. 1, the day on which the increase becomes effective.

The collector emphasized the need for every retail dealer in the South District District, to take an actual inventory of all stamped small cigarettes on hand at the first moment of November 1, in order to prepare and file with the Collector's office at Austin, Texas, a return and inventory covering the tax due.

The floor stocks tax return and Inventory Forms 187, Revised, prescribed for the use of retail dealers, will be available for distribution on or before November 1, 1951. Every person liable to file return and pay floor stocks tax on small cigarettes should request the blank forms in a letter directed to Collector of Internal Revenue, Austin, Texas, for the necessary floor stocks tax returns and inventory forms should they fail to receive them in time to file the return on or before the due date of the return. The Act requires a complete and accurate floor stocks tax return to be filed and tax paid on or before December 31, 1951.

Mr. Scofield also emphasized the importance for each dealer to keep a copy of the cigarette floor stocks tax return and inventory filed by him as well as any other records showing the details of the inventory and how and by whom it was taken, and other information sufficient to enable the Collector's office to determine whether the correct amount of floor stocks tax has been reported and paid.

Mr. and Mrs. E. B. Traweck spent last week in Corpus Christi, visiting in the home of Mr. and Mrs. Roy Trayweek.

Mrs. Lew Wood and Mrs. Ben Dupnik spent the week-end at Port Isabel with their husbands, Lew Wood and Ben Dupnik.

SACRED HEART ALTAR SOCIETY MET THURS.

The Sacred Heart Altar Society of the Catholic Church held their regular monthly meeting in the Sacred Heart school building, Thursday afternoon.

Father Bockholt opened the meeting with prayer and the president, Mrs. Arley Shivers, presided. The secretary, Mrs. Fox read the minutes of the last meeting which were approved. The treasurer, Miss Genevieve Bracht called the roll. There were thirteen members present, one a new member, Mrs. Dave Coleman, joined Thursday.

Mrs. J. F. Harbin gave an interesting report on the N.C.C.W. meeting which was held in Woodboro on the 16th of October.

Further plans were made concerning the cedar chest which the society will give away in December and the society plans to have a rummage sale in November.

The meeting closed with prayer.

CHURCH GROUP ENTERTAINED BY MRS JOHN COX

Circle Number "2" of the Women of the Presbyterian Church met in the home of Mrs. John Cox Thursday afternoon.

The members enjoyed a social hour before the meeting was opened and Mrs. Cox served delicious sandwiches, cake and coffee.

Circle chairman, Mrs. Floyd Smith, presided at the meeting which was opened with prayer by Mrs. Manch Brundrett. Miss Lillie Fahr presented the lesson: The Sixth Commandment, Do You Respect Human Life?, and a very interesting discussion followed.

Mrs. Ted Atwood had the emphasis, "Let's Have a Talk About Church Extension."

The circle voted to have a short devotional, Mrs. Cox read a poem, "Prayer for Peace," and Mrs. Harry Mills read a prayer, "Our Boys."

Thirteen members answered roll call.

W.S.C.S. MET WED.

The W.S.C.S. of the Methodist Church met Wednesday afternoon at the home of Mrs. J. W. Townsend as a study group.

There were thirteen members and they had their second lesson in their study book.

Mrs. W. C. Kierbow of Galveston spent Thursday night in Rockport with her sister, Mrs. E. J. Johnson.

MRS. JOHNSON HOSTESS TO CEMETERY ASS'N.

Mrs. Travis Johnson was hostess to the members of the Rockport Cemetery Association Monday afternoon. Miss Vivien Picton presided over the meeting. Mrs. G. M. Hooper, grounds chairman, reported that the grounds were in good condition at the present, with a man doing regular work. Mrs. J. W. Brundrett asked that dues be paid as soon as convenient.

The resignation of Mrs. J. O. Williams, treasurer, was accepted with regret and an expression of appreciation for her services, and Mrs. W. B. Allen elected to fill the unexpired term.

A social hour followed the business session.

MR AND MRS. BLAIR ENTERTAIN M.Y.F.

The M.Y.F. of the Methodist Church held their regular Sunday evening service in the Annex at 6:45, with a good attendance. Mrs. Rork was in charge of the program.

After the preaching service, Mr. and Mrs. Blair invited the young people to their home for a social hour. Several games were played after which the hostess served the group fritos, potato chips, candy, cookies, ice cream and soda water.

Visitors in the Jim Smith home the past week were their son and wife, Mr. and Mrs. Wayne Smith and daughter, Lynda Jan of Aransas Pass and Mr. Smith's brother and wife, Mr. and Mrs. M. P. Smith of Houston and a sister, Mrs. Walter Upton of Brazoria, Texas.

Dora Belle McLester met Connie Murphey of San Diego in Corpus Christi last Friday and they went to C.C.U. and spent the week-end with Enell Peebles, who is a student there.

OUT FISHIN'

By

Harry Lee Burroughs
A feller isn't thinking mean
Out fishin';
His thoughts somehow are mostly clean

Out fishin';
He doesn't knock his fellow-men
Or harbour any grudges then;
A feller's at his finest when

Out fishin'.
The rich are comrades of the poor
Out fishin';

All brothers of a common lure
Out fishin';

The urchin with his pin and string
Can chum with millionaire and king;
Vain pride is a forgotten thing
Out fishin'.

A feller gets a chance to dream
Out fishin';

He learns a beauty of a stream
Out fishin';
An' he can wash his soul in air
That isn't foul with selfish care
An' relish plain and simple fare
Out fishin'.

A feller's glad to be a friend
Out fishin';
A helpin' hand he'll always lend
Out fishin';

The brotherhood of rod and line
An' sky an' stream are always fine;
Men come real close to God's design
Out fishin'.

A feller isn't plotting schemes
Out fishin';
He's only busy with his dreams
Out fishin';

His livery is a coat of tan,
His creed to do the best he can;
A feller's always mostly man
Out fishin'.

Mrs. Claude Johnson of Hobart Oklahoma spent the week-end with her sister, Mrs. Ira McShan and family.

Ira McShan who was confined to the Naval Hospital in Corpus Christi for several weeks, is able to be home again.

Mr. and Mrs. Wallace Sorenson and family spent last Sunday in Edna with their aunt, Mrs. Elizabeth Bronaugh.

Clarence Lassiter writes his parents, Mr. and Mrs. Wallace Lassiter, from Japan that he is fine and described some of the beautiful china he has seen there.

Humble Broadcasts Games Saturday

Texas Almanac Records Great Economic Progress

There has been almost as much economic progress in Texas during the last ten years as in all preceding history, according to data in the 1952-1953 edition of the Texas Almanac which has just been issued by The Dallas Morning News.

Highest percentage of gain was scored by the manufacturing industry which more than doubled during the last decade, as measured in employment and volume of physical production. The number working in Texas manufacturing plants increased from 163,978 in April, 1949, to 449,800 in June, 1951. All classifications of industry showed gains, but especially notable were developments of the chemical, aviation, and iron and steel industries.

Retail stores of the state now do approximately seven billion dollars of business annually as compared with \$1,803,716,000 in 1939. This leaves a wide margin of increase in turnover of goods after allowing for price inflation.

These changes have been accompanied by an increase of 20.2 per cent in the total population, 1940-1950, and with an increase of 66.2 per cent in urban population. The great shift of rural to urban population consisted primarily of removal of tenant farmers to industrial centers.

Figures presented in the new Texas Almanac show comparable gains in civic, educational and cultural activities. Changes in the public school system after two years under the Gilmer-Aikin act are presented, including tables giving data on all dependent and common school districts.

About 10,000 subjects are covered in the new volume, including Texas history, population, government, politics and elections, natural resources, weather, crops and livestock, industries, trade, trans-

Rebekah Lodge Meets

The Rockport Rebekah Lodge had their meeting Tuesday night. There were two visitors, Mr. and Mrs. Hohenstein, of Minnesota.

Mrs. Wm. Beetley brought a "lamb" cake, which was auctioned progressively during the social hour. Mrs. G. W. Harriet received the cake and she served it to those present, with coffee which the committee provided.

Sunday morning the 12-year-old daughter of Mr. and Mrs. Moorehead, who live in the Mayfield Cottages at Estes, was driving a stripped down car and she tried to turn off the highway when, she said, the steering gear locked, and the car ran into the northeast corner of the cottage in which she lived, knocking out the wall. None of the teenagers riding with the young lady were injured.

portation, finance, commercial services, recreation and athletics. A pronunciation guide to names of Texas counties, cities, and towns is included. The new state senatorial and representatives districts are shown.

All articles and maps for the 254 Texas counties have been revised to include new highways and other developments. A large folded map gives detail in four colors, including highways and railroads.

Rotary Club Entertains With Five Visitors

There were five visitors present at the regular meeting of the Rockport Rotary Club which was held in the Methodist Church annex, Wednesday noon on Oct. 24.

T. C. Kelly had charge of the program, and this being the 6th anniversary of United Nations Day, he gave some interesting excerpts from "Only War We See," and made timely comments on it. The question asked was "Why Did Communism Win Free China?" The answer: "The Battle Field is the Human Mind." The Communists made offers which they could understand and thought they would receive if they worked for them and the UN gave them things which they did not know how to use, in a manner which made the Chinese feel inferior.

Those who visited the club were Dr. J. F. Doyle, San Antonio; Jim Dow, Galveston; Tommy Vlasak, Ingleside; Wayne Davis, Ingleside, and Joe Sheldon, San Antonio. Joe Sheldon, a former Rockport citizen, made a few remarks.

Mr. and Mrs. Fred Hohenstein arrived last Thursday in Rockport for their 7th winter. Punky, their 17-year old cat who likes to spend his winters in Texas, came with them. Mr. and Mrs. Hohenstein are very comfortable located at the South Beach Lodges.

Mr. and Mrs. Ted Little and Mary Lou spent Sunday in Corpus Christi, visiting Mr. and Mrs. Sam Loe and family and Mr. and Mrs. John Berry and son. Sunday afternoon, they attended the open house at the First Christian Church in Corpus.

Mrs. Stanley Bissett is spending the week in Corpus Christi with her daughter and husband, Mr. and Mrs. Charles Dorothy.

Mr. and Mrs. C. O. Bailey have moved into their new home on the highway in the south part of town.

Guess They Felt Pretty "Sheepish"

My wife and I went to Central City Saturday for the football game and it was a top-notch. But I began to wonder if it was worth the trouble when we got in a traffic jam coming home.

Traffic makes me mighty impatient. When I came to a side road that seemed to point towards the main highway, I turned onto it. This road bumps along for maybe a mile, then fetches up short by the railroad—a dead end.

So, I turned around and darned if there weren't twenty cars behind me! One driver had followed

—figuring I knew a short cut—then a whole string of them swung after him, like sheep.

From where I sit, there's no sense in just "following along." Whether it's choosing a road, a movie star, or what beverage to drink at meal time, it's always better to make your own decisions. Personally, I often like a glass of beer with my dinner, but most of all, I like the freedom of making up my own mind about it!

Farmers and Ranchers File Tax and Wage Reports in October

Farm and ranch operators who
have regular hired hands are re-
minded that the social security
tax returns are due in October for
the third quarter. The current re-
port, which is filed with the Col-
lector of Internal Revenue is for
July, August and September. ctf

Only regular farm workers are
covered by Social Security. H. M.
Cleveland, manager of the Social
Security Administration in Corpus
Christi, explained the meaning of
"regular employment" as it is used
for this purpose. ctf

"To meet the test of regularity,
a farm hand must work for one
farmer for a full calendar quarter,
followed by work on at least 60
days in the next quarter for the
same employer and receive at
least \$50.00 in cash wages for
such work," he said. ctf

The reporting of wages and the
payment of taxes under this pro-
vision of the Social Security Act
is not voluntary, Cleveland ex-
plained. ctf

He emphasized that regular
farm workers receive the same
benefits of retirement and family
insurance as other workers do. ctf

Agricultural workers should
have social security account num-
bers, which are reported to their
employer at the time the tax re-
turns are filed. Applications for
the numbers can be secured at the
Social Security office or at post
offices at points away from Corpus
Christi. ctf

Lauriana Falcon Visits Mother

Private Lauriana Falcon Jr., son
of Mrs. Elvira Falcon is home on
a 15-day leave from Fort Lee, Vir-
ginia. Private Falcon is attached to
the 501 Quartermaster Batta-
lion. He expects to be shipped for
overseas duty in November. ctf
