SNYDER JAYCEES, who are thoroughly experienced in such endeavor, planned concessions in minute detail for this year's Scurry County Rodeo, and it is working out just as they calculated. On the first night, they sold 1,402 hotdogs and dispensed 90 cases of pop. The second night, 1,523 hotdogs were sold, and the pop volume for the second night had not been calculated this morning. The Jaycees had planned on a volumn of about 4,000 hotdogs for the four-night rodeo; and they are fairly well on schedule. Other items, such as potato chips and snow cones, are going at about the rate they figured.

THE EFFECT OF "professor firings" at Texas Tech already is being felt outside the realm of education circles. The recent Tech board action has provided a new supplement to the line of repartee used by rodeo announcers.

Brush, Grass Fire Halted

SAN SABA, Tex. (AP)—A brush and grass fire that burned over about 2500 acres 30 miles southeast of here was brought under control last night but some large stumps and trees continued to burn today.

Sheriff Brantly Barker said there were no livestock losses.

Tank trucks, used to spray cattle, carried water from ranches in the area to put out the fire.

A watch was posted during the night to guard against a new outbreak.

The burned over acreage included parts of the Mack Yates and Mack Yates Jr. ranches, that of Tommy Yates and about 1,000 acres of the ranch of James Gray, Dallas attorney.

Mayor J. W. Shook of San Saba said the fire broke out Wednesday night in the area which received a minimum of rainfall during the spring storms.

Councilmen Told To Quit Turning Backs

DENVER (AP) — City Councilmen who are concerned about poor acoustics in their meeting room received this advice:

Stop turning your backs on the public.

Tom Millisack, general services director, said six of the nine councilmen sit with the audience behind them. And too many have weak voices, he added.

Miss U.S.A. Not A Miss--She Has Two Children

LONG BEACH, Calif. (AP)—The stately, stunning Miss United States in the Miss Universe contest was disqualified today for being married.

The Maryland girl who gave her name as Miss Leona Gage but actually is the wife of an airman and mother of two sons, will be stripped of her title and prizes worth thousands.

Heir to the crown as fairest in the land is beauteous Miss Utah, runnerup in the Miss United States finals last Wednesday night. However, Charlotte Sheffield, 20, of Salt Lake City, can't be among the 15 finalists in Miss Universe judging tonight.

Contest officials said this is because she did not compete against 32 foreign beauties in the preliminaries last night, and thus could not be compared with them in official judging.

Leona was one of the 15 to enter the finals. Her place will be taken by the girl who was 16th.

Officials were meeting this morning to determine which girl that is.

Leona denied tearfully last night and again this morning that she was married—even in the face of reports from relatives and friends that she was.

Finally, this morning, she broke down and sobbed out the story to contest officials. Then she went into seclusion.

This is the first year contest rules have required that entrants be single.

Leona, who gave her age as 21, actually is 18. She was married in Wichita Falls, Tex., Feb. 3, 1954, to Gene Norris Ennis, 28, Air Force sergeant now stationed at Friendship International airport at Baltimore. They have two children, David Nathan, 2, and Gene Jr., 3.

Her winnings would have included: a $1,000 wardrobe, an $1,100 trailer, a $2,000 contract with a cosmetics firm and a trip to Europe.

Miss Utah inherits all these, with the possible exception of the wardrobe, which Leona already has picked up.

"We don't know what to do about that," a contest official said.

Another official added: "She's young and pretty and once she got into this thing, one thing just led to another."

Oscar Meinhardt, director of the international beauty pageant, said:

"She swore to us that she is not married and her sponsor insisted she is not."

The rumors started flying last night, and Miss Maryland tearfully denied them. This morning she denied them again. At last, however, she changed her story and admitted the marriage.

Mrs. Clarence Long of Crisfield, Md., Leona's mother-in-law told newsmen that the girl came to her three weeks ago with the children and said she was going to try for the contest.

Mrs. Long kept the oldest child and the other was turned over to a family on a farm near Baltimore. Mrs. Long said Leona told her contest officials knew she was married.

After winning her title, Leona told a story of rags to riches path to the contest. She said she and a cousin with whom she lived near Baltimore pooled $45 in savings to buy a dress to enter the Maryland contest. After winning that, she said the two of them split her round trip ticket and came here together, with practically no money.

She won the title in a dress borrowed from a Long Beach merchant and said afterward she had but $2 in cash.

A girl who gave her name to newsmen Wednesday night as Barbara Gage said she was Leona's cousin and told part of the rags-to-riches saga. She could not be located today and officials expressed doubt she is related to Leona.

13-Day Producing Pattern Set Next Month For State

AUSTIN (AP)—The Railroad Commission retained its rare 13-day statewide producing pattern today for all August setting the daily oil allowable at 3,069,923 barrels a day.

There was no change in the allowable figure for the present month which was the first month in which the commission ordered a 13-day producing pattern. Almost all major oil companies nominated 13 days and representatives of the independent oil association agreed that it would be unwise to set an allowable above market demands.

Stocks of Texas crude are 4,200,000 barrels higher than they were four weeks ago. U.S. stocks are 10½ million barrels higher than a month ago despite the big drop in production from Texas fields which supply almost half of the nation's oil.

"It is our bitter experience that when the allowable is above the market demand selective buying become prevalent. We think a reasonable allowable should be set," testified Bruce Street of Graham, representing the West Central Texas Oil and Gas Assn.

Ralph Harvey, representing the North Texas Oil and Gas Assn., reported that there was becoming a "real difficulty in moving oil by truck in North Texas, especially in Knox, Baylor and Throckmorton counties."

"There is no one that I know of having secured a connection for a new well in the last two weeks," said Harvey, explaining that the truckers couldn't find buyers for the crude.

Other testimony was offered by Will Odom of Austin that a new field in Pecos County was not able to secure a pipeline connection. He reported that the buyer, an importer, said that the company couldn't sell crude, that they had "plenty of oil." Odom blamed the high rate of imports for cutting off the new field in Texas and said such steps would discourage wildcatting.

Shamrock Oil Co. told the commission it would continue 75 per cent of pipeline proration on all its Panhandle wells during August because it could not secure enough outlets. Shamrock said it was forced to cut off 2,000 barrels daily of crude from the Cactus Petroleum Co. and effective Aug. 1 would discontinue taking 1,500 barrels a day in southwest Kansas.

Nominations by companies: 15 days, Sun; 14 days, Shell; 13 days, Atlantic, Gulf, Sinclair, Humble, Texas, Phillips, Cities Service, and Indiana Oil; 12 days, Magnolia.

Man Pleads Guilty On DWI Charge

A Snyderite pleaded guilty to a charge of driving while intoxicated in county court this morning following his arrest at the scene of an automobile accident he was involved in here last night.

Clarence Columbus Floyd, 40, pleaded guilty and was fined $125, plus court costs of $23.50, and assessed the mandatory three-day county jail sentence by Edgar Taylor, county judge, this morning on his plea of guilty.

Arthur Dyson, state highway patrolman who arrested Floyd, said that he was driving a 1952 model Chrysler which was involved in a collision with a 1956 Chrysler driven by Troy Adams, at the intersection of Avenue E and Thirty-seventh Street, about 10:50 o'clock last night.

Floyd was proceeding south on Avenue E without any lights and his car had no brakes, Dyson said. When he reached the intersection he run the stop sign, and in turning west on Thirty-seventh Street, narrowly missed a car driven by C. E. Egner, of Snyder, and swung into the wrong lane of Thirty-seventh Street, where his car and the Adams car collided head-on.

With Adams were his wife and children. The wife and children were taken to Cogdell Memorial Hospital by a passing motorist, but were not admitted as patients after a check disclosed no serious injuries.

Both cars were extensively damaged.

Bond Financing Plan

TULSA (AP)—H. E. Bailey, Oklahome City engineer, says a revenue bond financing project is the most promising way to get a modern north-south highway through eastern Oklahoma.

Bomb Hoax Is Reported

BOSTON (AP) — Three airliners carrying more than 100 passengers made emergency landings in widely separated spots last night because of a bomb hoax.

Three Air France Constellations were in the air when a woman telephoned the line's reservation desk at Idlewild Airport in New York that a bomb was on one of its planes.

One Constellation landed here. Another, bound for Mexico City, came down in Montgomery, Ala., and a third at Sydney, N. S. No bomb was found.

The plane which landed in Boston was about 50 minutes out of New York, bound for Paris, when it received radioed orders to land. FBI agents, state police and customs men searched the plane.

The 59 passengers were taken to hotels for the night.

Area Gets Light Rain Yesterday

The clouds looked promising yesterday, and it appeared for while the Snyder area would get a rain, but only a few light showers fell in the area.

The clouds, however, were gathering again at noon today, and there was possibility of showers this afternoon.

There were only a few reports of light showers, none of them enough to measure the rainfall.

Northwest of Snyder and about five miles south of Fluvanna, there was a small shower.

In the Ira area, there was a shower which lasted about 15 minutes.

Otherwise, there were only reports of a sprinkle.

By The Associated Press

Rain fell at El Paso and San Angelo Friday.

The Weather Bureau said the points received the only moisture in the state Thursday night, however.

Temperatures ranged from 69 degrees at Amarillo to 81 at Dallas at dawn.

Partly cloudy skies with scattered thundershowers were forecast.

Rainfall Thursday included Alpine .38 of an inch, Beaumont .20, Galveston .02 and traces at Houston, Midland, Van Horn, Lufkin, Salt Flat and Dalhart.

Most highs were in the 90s.

A midsummer hot spell in most of the central and southern sections of the country showed no indication of a general breakup today.

Southern areas reported 70s and 80s, with the 90s the rule in most of the southwest desert region.

Citrus Ban Lifted

AUSTIN (AP)—Two years of negotiation ended yesterday with Florida lifting its 20-year ban against Texas citrus fruit.

Dallas Is Looking For Old Airplanes

DALLAS (AP)—Anyone have a Curtiss carrier pigeon, or maybe a pinch-back Fairchild, stored away in an old hangar somewhere?

Dallas would like to borrow several dozen types of airplanes for the opening of the new Love Field Terminal Oct. 20-27. They want to display all types of aircraft operated in and out of the field by airlines since the first scheduled airmail flight in 1926.

Tech Stand Is Lauded

BEAUMONT (AP)—Stands taken by Texas Tech President E. N. Jones and the college faculty have been commended by two Lamar Tech faculty groups.

Dr. Jones asked the school's directors to reconsider the ouster of two professors by taking their cases up in an open hearing. Directors in a closed session Saturday voted not to renew the contracts of Dr. Byron Abernethy and Dr. Herbert Greenberg.

Lamar Tech chapters of both the Texas Assn. of College Teachers and of the American Assn. of University Professors sent telegrams yesterday to both Jones and the Texas Tech Faculty Committee.

Third Is Slashed Off Aid Measure

WASHINGTON (AP)—The House voted 155-74 today to slash a third off the economic aid fund President Eisenhower asked to support defense programs of America's allies.

The standing vote, subject to a later roll call, amounted to a reversal in a see-saw battle as the House began a day of showdown voting on Eisenhower's multibillion-dollar aid bill.

The House action would slap a ceiling of 600 million dollars on the defense support fund for the coming year. Eisenhower originally sought 900 millions for this fund which he says is needed to shore up economies of poor, anti-Communist countries like Korea and Formosa which border the Iron Curtain.

At one point, the House had cut the figure to 500 millions.

Then on an earlier vote today it voted to add 300 millions, bringing the fund up to 800 million dollars. This action was taken on a 172-154 teller vote.

In a series of moves and countermoves today, Eisenhower supporters then lost 101-149 a vote to hold the figure at 690 millions. Then the final cutting move, by Rep. Wayne Hays (D-Ohio), trimmed the amount to 600 million dollars.

The original decision to cut the fund to 500 millions was taken Wednesday on a 106-100 vote.

Eisenhower said that figure was so low as to be "a threat to our nation's security and that of the free world."

But critics of the aid bill planned to try to cut back again on the defense support fund, and to chop other parts of the big overseas assistance program.

The House took up the bill where it left off Wednesday, having recessed yesterday without transacting any business because of the death of Rep. Bowler (D-Ill).

At the start of the day, the bill carried $3,042,333,000 to aid other countries in the fiscal year which started July 1. This is $802,300,000 less than Eisenhower asked.

Infant Mixup Solved

SAN ANTONIO (AP)—Somebody made a basic error at a hospital and touched off today an infantile battle of the sexes.

They mistook a girl baby for a boy baby.

Things were running smoothly at the hospital until Miss Rosa Smith arrived, and asked for the baby son born to her sister, Mrs. Guadalupe Smith. Her sister, she said, was sick.

An attendant got the idea Miss Smith was asking for an infant girl born to Mrs. Jose Ramon.

Maybe the babies' names caused the mixup. The boy's name is Ramon Smith; the girl's is Juanita Ramon.

The unsuspecting Miss Smith took the infant girl to her sister who wasn't fooled for one minute.

"Take that girl back to the hospital and bring me my son," she demanded.

Miss Smith went back to the hospital but couldn't persuade anybody a mistake had been made. Miss Smith left again.

Meanwhile, Mr. and Mrs. Ramon appeared to take their daughter home. All the hospital had to spare was a boy. The Ramons already have 11 children and didn't want a boy.

Police were called and spent several hours locating a woman with a girl baby she wanted to trade in on a boy.

At 9:30 p.m. Miss Smith came back to the hospital again to point out the difference between the baby she had and the baby she wanted. Attendants quickly took charge of little Juanita.

This time, they refused to release little Ramon. Mrs. Smith, they said, would have to come in and get him herself.

Papa Ramon was pretty puzzled.

"They ought to be more careful," he suggested.

The hospital staff agreed.

"We goofed, but good," an attendant confessed.

WEATHER

Competition Rugged In Rodeo

Keen competition continued in the 21st annual Scurry County Rodeo here last night as second night ropers came up with fast times and riders ran high in points. The rodeo lasts through Saturday night.

Times ran as fast as 12.2 by J. D. Armstrong of Big Lake and 12.8 by Walter Arnold of Silverton in the calf roping's second group day. In the first group day so far, times are a little faster, with 11.2 by Ed Sims of Post and 11.9 by Jimmy Bird of Post.

Other calf roping times last night included 13.6 by Donnie Carricker of Clairemont, 13.0 by Lloyd Smith of Colorado City, 14.0 by Rufus Hart, Snyder left-hander, 14.2 by Tootney Orr of Big Lake, 14.9 by Tommy Bacon of Breckenridge, and 15.4 by Horace Rankin of Big Spring.

A new cowboy took the lead in bareback bronc riding last night. There is only one go round in that event. Now leading is Duke Holland of Childress with 133 points. Second is John Farris of Iowa Park, who rode the first night, with 130. Third with 129 is Jimmie Moore of Post, fourth Polly Holler of Guthrie, Okla., 128; and fifth Ronnie Dyer of Andrews, 126.

There is also only one go round in the steer riding contest, and Spike West of Levelland is still leading with 148 points. Bob White of Midland, who rode last night, is second with 145, while others include Randy Johnson of Abilene with 143, Steve Nail of Snyder with 140, Jimmy Moore of Post with 139, and Norwood Grubbs of Tylia with 137.

Other results from the Thursday night show:

Sponsor contest—Becky Jo Summerlin, Roby, 19.7; Louise Mayo, Petrolia, 20.4; Judy Ford, Taylor, 20.4; Jane Ford, Taylor, 20.5; Dathene Vineyard, Kress, 20.5; Joyce Bradley, Sweetwater, 22.4; Rose Mary Mickler, Big Spring, 22.0; Sharon Reeves, Fort Worth, 24.5; Frences Gist, Colorado City, 22.3; Sadie Smith, Gail, 21.9; Jo Kacx, Midland, 22.4; Ina Ray McHood, Fort Worth, 22.7; Shelia Bartlett, Sweetwater, 20.5; Ruth Ann Bell, Midland, 21.2.

Wild Cow milking—Joe Rollins, Snyder, 23.6; Perry Walker, Big Spring, 25.0; Forrest Smith, Sterling City, 33.6; LeRoy Hodges, Breckenridge, 35.0; Roy Beavers, Fluvanna, 38.5.

Goat sacking—Abel Gonzales, Snyder, first; Benny Minor, Snyder, second.

ONE OF THE LEADING saddle bronc riders so far in the 21st annual Scurry County Rodeo is Don Workman of Post, who has 139 points to lead his group-day. He is also among top competitors so far for averages. Leading is a member of the second group-day, Red Berry of Olton. (Lee Watson photographs)

A LOCAL COWBOY is among those competing in more than one event in the annual Scurry County Rodeo, which lasts through Saturday night. He is Booger Townsend, who rode his bull Wednesday night, and then last night was the second high in points in saddle bronc riding. About 300 are entered in events.

OIL ROUNDUP

Two Wildcats Are Staked

Wildcat locations have been staked in Scurry and Howard Counties, while a field test has been spotted in Fisher County near Hamlin.

SCURRY COUNTY

Monsanto Chemical Co. No. 54-G McLaughlin will be a new wildcat 15 miles southwest of Snyder. The drillsite is 1,687 feet from the south, and 330 feet from the east lines of Section 182, block 97, H&TC survey. The rotary test is projected to a depth of 2,700 feet.

FISHER COUNTY

The AB-TEX Production Co. and Hill and Hill of Abilene No. 2 W. C. Matchett is a new project in the Coffin Field in Fisher County. It will drill to 4,300 feet by rotary. The location is 1,394 feet from the south and 1,639 feet from the east lines of Section 183, block 1, BBB&C Survey, or about three miles north of Hamlin.

HOWARD COUNTY

El Paso Natural Gas Production Co. No. 1 W. L. Poe has been spotted as a wildcat 15 miles north of Big Spring. Scheduled depth is 8,200 feet, by rotary. The drillsite is 660 feet from the south and 1,980 feet from the west lines of Section 45, Block 32, T&P Survey.

WWH Drilling Co. of Midland No. 1 N. H. Reed is a new wildcat eight miles southeast of Big Spring. The location is 330 feet from the south and east lines of Section 21, Block 31, T&P Survey.

NOLAN COUNTY

Cosden Petroleum Corp. of Big Spring has completed its No. 1 C. L. Knierim in the Watts (Gardner Sand) Field three and one half miles northeast of Blackwell. Daily potential is 168 barrels of 42 gravity oil, calculated on a flow through a 20-64 inch choke, with 600 pounds casing and 150 pounds tubing pressure. Production is from four perforations per foot at 5,450-58 feet, with the casing set on bottom at 5,520 feet.

Short Visit Is Extended

James Hilton Powell, 2608 Avenue H, employe of Sunray Mid-Continent Oil Co., recently underwent emergency surgery in the Seymour Hospital while on an intended "short" visit with his parents, Mr. and Mrs. D. L. (Leck) Powell, who are former residents of Snyder.

Powell was dismissed from the hospital Monday and returned to the home of his parents on their ranch northwest of Seymour.

Mr. and Mrs. Cecil Mearse and children, Max and Mendi, of Snyder, who spent the day in the Powell home there Tuesday, said Powell's condition was satisfactory.

Sammy, three-year-old son of the Snyder Powells, is making the best of the situation, "cowboying" on the ranch.

Services Held For Thomas A. Johnson

Funeral services were held Monday at McKinney for Thomas A. Johnson, 83, brother-in-law of Mrs. Alice Northcutt, 2707 Avenue W, who died Sunday.

Mr. Johnson, a native of Hamilton County and resident of McKinney 34 years, had retired in 1940, as president of the Collin County National Bank.

He had formerly been at Merkel, where he founded the Farmers and Merchants National Bank. He was a former member of the Texas Tech board of directors and was a director of the Texas Power & Light Co. He was Methodist, a former president of the Chamber of Commerce and Lions Club.

Suspicious-Looking Man Is No Burglar

CASPER, Wyo. (AP) — Lyle Svoboda got suspicious when he spotted two men in a car watching his service station.

He quietly telephoned police, and soon a squad of officers armed with riot guns drove up.

They surrounded the car, whose driver identified himself as a Mineral, Ill., police judge waiting to use a telephone booth nearby.

AT JAMBOREE

Foreign Problems Are Minor

VALLEY FORGE, Pa. (AP) — A slender, black-haired boy from Linden, N.J., joined a gathering at a tent in one of the sections reserved for foreign guests at the Fourth National Boy Scout Jamboree.

This tent flies the flag of Iran, and here George Podgorny, of Tehran, sole representative of scouting in Iran, sleeps, studies and holds court.

The boy from New Jersey, 14-year-old Charles Robinson, said his hellos, then addressed himself to Podgorny: "Sir, do you have anything to trade?"

"Only a left-handshake," he was told. "I am not permitted to trade anything else."

"Okay," said Charles, "that's good enough for me."

Hundreds of scouts and visitors call 'round to see Podgorny, a tallish, handsome, meticulous young man with a deep love of scouting and warm humanitarian principles.

He says he delights in the company of all who come his way and in that of his immediate neighbors — three Japanese scout leaders, Dr. H. Kurushima, Kazuya Tsukamoto and Kazuo Yahagi; a band of Australians, a group from the Philippines, the lone figure from Peru, Juan Rodriques; the two scouters from Brazil, and others from alien soil.

Around the Iranian tent, trading went on at a rapid pace.

Talk about United Nations, world councils, any ponderous adult assembly.

The jamboree seems to have them all beaten by miles.

Bruce Douglas, 18-year-old student of architecture from Melbourne, Australia sums it up: "The hospitality everywhere has been amazing. I had no idea what scouting meant outside of my own country. There is only one word for the total impact of our welcome—tremendous. Here we are, scouters from 20 or more countries, with different languages, customs, outlooks and temperaments, but see how well we get along. No barriers among us at all. Young people such as ourselves meet in this way, form friendships, pull one another's leg, and it all happens before any false barriers can be set up. In that way you've got something that last a lifetime."

Defense In Clinton Trial Rests Case

KNOXVILLE, Tenn. (AP)—The defense today rested its case in the Clinton segregation trial without calling further witnesses.

Chief Defense Counsel Robert L. Dobbs, Memphis, told U. S. Dist. Judge Robert L. Taylor after two morning that "in order to avoid consuming any more time, the defense for the 10 defendants rest their case."

Northern segregationist John Kasper's lawyer J. Benjamin Simmons, said he concurred. He represents only Kasper.

U. S. Dist. Atty. John C. Crawford Jr. rose and said, "that's all for the government, too."

The only defense witnesses today were Ted White, a Clinton fireman, and Guy M. Jones, foreman in a knitting mill at Clinton.

White's testimony was that the restraining order, prohibiting interference with integration of Clinton High School, was not fully read by U. S. Marshal Frank Quarles.

Jones testified that everything was quiet around the high school prior to Dec. 4. That was the day when the Rev. Paul Turner escorted six Negro students to school and was beaten immediately afterward.

Crawford, however, brought out the fact that Jones began work every day at 7 a.m. Jones said he was on vacation Dec. 4, a Tuesday.

Government witnesses have described mounting tension in the week before Dec. 4. The said four defendants regularly stationed themselves near the school.

Jones said, however, that he made it a point" to know what was going on at the school.

331 Near Collisions Of Aircraft Reported

WASHINGTON (AP) — Pilots reported 331 near collisions between aircraft in the first three months of this year, the Civil Aeronautics Board says. In 71 of the near misses, the planes came within 100 feet of colliding. In 144 cases, they passed within 500 feet.

California had the most near crashes — 61. Florida and Texas had 26 each; Washington, 15; Illinois and Oklahoma, 14; Maryland, 13; Arizona, 11; and New Jersey and New Mexico, 10.

4 Million Americans Addictive Drinkers

LOMA LINDA, Calif. (AP)—Seven million adult Americans, says a report, are heavy addictive drinkers.

The report, released yesterday at the Annual Institute of Scientific Studies for the Prevention of Alcoholism, said the number of adult drinkers is increasing at the rate of 250,000 a year.

Atomic Rocket Is Fired Today

ATOMIC TEST SITE, Nev. (AP)—The first air to air atomic rocket fired from a plane burst over the desert today with a flash that paled the morning sun.

The Air Defense Command's newest and most powerful weapon exploded at 7 a.m.

The vivid fireball flared in the target area at an altitude of more than 15,000 feet and sent up a pink doughnut-shaped cloud.

The nuclear rocket was launched from a Northrop F89 Scorpion jet fighter.

As the rocket's cloud rose in stately fashion into clear blue sky, the vapor trail of an airplane, probably the launcher, cut sharply away to the north.

The cloud assumed somewhat the shape of the usual atomic mushroom, but the crown quickly separated from the filmy stem and floated regally with a creamy white foam expanding from the pink center.

The burst was more than 13 miles from News Nob where observers were stationed.

The launching plane was the leader in a formation of three Scorpion jets. The rocket was the Genie, manufactured by Douglas Aircraft Co.

Power of the weapon was announced only as "well below nominal. A nominal bomb is rated as the energy equivalent of 20,000 tons of TNT. From the size of the fireball and the noise of the explosion it seemed likely that it was far down in the range of kilotons.

Col. J. H. Atkinson, commander of the Air Defense Command, disclosed before the test that air to air rockets with atomic warheads already are in the inventory of his force. The weapons are designed to knock down invading bombers.

Col. Atkinson said defense command planes do not carry these weapons but they could be put into use in a matter of minutes.

The program to develop the nuclear air to air rocket has been in progress since 1949 and many tests have been run on the atomic device and the rocket. Today, however, was the first time one has been launched from a plane at a stated target.

The target in this test was a predesignated point in space, the exact latitude and distance from the launching plane of which were not disclosed.

Within 10 minutes after the detonation the cloud was only a faint misty smudge in the sky over the hazy blue mountains rimming Yucca Flat.

When the rocket exploded, five defense command officers were on the ground directly beneath it to study blast and flash effects. They had no protection, and were not expected to need any.

The officers are Lt. Col. Frank Ball of Washington, D. C., Col. Sydney Bruce of Durango, Colo., Maj. Norman Bodinger of Ridgefield, N. J., Maj. William Hughes of McKeesport, Pa., and Maj. Donald A. Luttrell of Justin, Tex.

Many Facing Flood Threat

CAPULIN, Colo. (AP)—A thousand persons, their homes and land in jeopardy, watched apprehensively as workmen tried to plug a gaping hole today in the face of Terrace Reservoir.

The 45-year-old dam in southern Colorado is full for the first time in years.

Below, in a valley stretching virtually to Albuquerque, lie dozens of small communities and many isolated farms.

Work crews have dumped several tons of dirt and rocks in the hole 60 feet below the top of the 168-foot-high dam.

Employes of an irrigation district, which owns the dam, opened valves that allowed water to escape, lessening pressure. Part of the water backed up by the dam is the result of a record snow melting in the mountains.

Men Slave To Habit, He Claims

By JANE EADS

WASHINGTON—Dr. Shane MacCarthy believes a man can do a better job in his short shirtsleeves when heat and humidity conspire to undermine comfort.

Executive director of the President's Council on Youth Fitness, he wears a sports shirt to work, on calls to the white House, and to conferences around town.

He believes the physical fitness of men in general would be improved if they dressed sensibly in sweltering weather. He says he hopes other officials will follow shirt!

"I feel that what I'm doing is completely in the viewpoint of aiding your responsibilities," he told me. "So many men go home after a long hot day, take off coat and tie as soon as they're in the house and sigh, "There, I feel better.' Why not feel better all day long at work?"

MacCarthy says he's not aiming to be conspicuous, or trying to start a trend toward tackiness.

"There's nothing eccentric or radical in a clean, open-neck short sleeve sports shirt," he said.

When MacCarthy has to go to the White House he reaches for a tie and puts on a jacket. He also does same when attending luncheon meetings in restaurants that require these items, though he thinks it's all nonsense.

"Men are slaves to habit," he scoffs. "They live on a very thin crust of custom. They're afraid of adult guts. Women don't have ropes around them. Most of them wear what they please whenever they please, especially in hot weather."

MacCarthy who was born in County Cork, Ireland, blew his jacket after weathering many Washington summers.

His open defiance of custom has started a revival of what government employes call the "Brotherhood of Sensible Men" started about 10 years ago by one Charles Planck of the Civil Aeronautics Administration.

One could be a member by just taking off tie and unbuttoning shirt collar. Wearing a sports shirt would get a daring young man to the inner sanctum. The initial hullabalaloo over the organization got becalmed, but membership in BSM has increased by thousands as men quietly develop what MacCarthy calls "adult guts."

Miss Perlin Is Regarded As The Perfect Secretary

By DOROTHY ROE
AP Women's Editor

If you figure it from the business man's point of view, you might say that Miss Sadie Perlin, of Sacramento, Calif., is the most important woman in America today.

Besides looking like a glamor girl, complete with big brown eyes, dimples and the approved kind of figure, Sadie is that long-sought, often-dreamed-of phenomenon, the perfect secretary. This isn't merely an opinion—it's official. She even has a resolution passed by the California legislature congratulating her on this fact.

Sadie, you see, has been chosen secretary of the year—the girl with the halo—on the basis of a national competition involving letters from 5,000 bosses, each telling why his secretary should be awarded the title.

Sadie's boss is Gov. Goodwin J. Knight of California, who wrote that Sadie combines all requisites of the perfect secretary "to a superlative degree." He named among these requisites "loyalty, integrity and an appreciation of privacy, tact, charm and ability to act promptly with discretion."

Sadie was brought to New York by the Underwood Co. for a week of television appearances, interviews and official honors.

Sadie started her secretarial career immediately after completing high school in her home town of Los Angeles. She held various jobs in a business office, a movie studio and state government offices. It was while she was working for the California State Highway Commission that she was recommended for the post of private secretary to Gov. Knight—an event now considered highly fortunate by both the governor and Sadie.

For girls starting secretarial careers, Sadie has this advice:

"When you are interviewed for a job, dress simply, go easy on the makeup, wear hat and gloves, and don't talk too much. Don't start out by inquiring about pensions, vacations and overtime. If you lack experience, take the first job you can get — just to get experience.

"After you get the job, remember that it's important to get along with the other people in the office. Don't gossip. Don't broadcast office business outside the office. Don't expect the office to be the center of your social life. Don't flirt with the boss—any sucessful executive is too busy to be bothered with social diversions during office hours.

PHYL'S CORN GRIDDLE CAKES

Ingredients: 1 package (10 ounces) quick-frozen whole-kernel corn, milk, 1 cup pancake mix, 1 egg, 1 tablespoon butter or margarine (melted).

Method: Cook corn accordingly to package directions in very lightly salted water. Drain liquid from corn into measure; add enough milk to make 1 cup. Pour into mixing bowl, add pancake mix, enough to moisten dry ingredients well; batter will be slightly lumpy. Stir in drained corn. Use about ¼ cup of the batter for each pancake and bake on hot lightly greased griddle or in electric skillet until golden brown; turn and brown on other side. Serve at once. Makes 10 to 12 griddle cakes.

SPORTS

BUCKIN' THE LINE

By BUCK FRANCIS
News Sports Editor

(Bill Valentine, who for several years has been active on the local sports scene, especially in baseball, is filling in today for Buck, who is on vacation.)

It was a hungry and thirsty lot at the All-Star game last Tuesday in St. Louis. The fans consumed 40,000 hot dogs and buns, 100 gallons of mustard, 30,000 bags of peanuts, 50 pounds of popcorn, 40,000 bottles of beer, and 40,000 bottles of pop.

I get a kick out of those hollow-sounding appeals on major league telecasts to "support your minor league clubs." It's about like asking a bystander to pick up his victim after he's hit him over the head with a blackjack.

Minor Leagues In Danger

The president of the minor leagues told the Congressional committee that he sent out questionnaires on the welfare of teams under his jurisdiction. Of those that answered (maybe some couldn't afford the stamps) 100 out of 123 clubs said they operated last season at a loss.

Major league telecasts into minor league territory probably make up a part of the reason. The minor leagues are in danger, and when they are, so are the majors. Without a training ground for players the majors couldn't survive long.

Too many major leagues have pulled out of the minors. League after league is endangered, and that includes the Texas League.

New Twist By Gregory

I have heard a lot of reasons why football players decide on one college or another, but Abilene's All-Stater Glynn Gregory has come up with a new one.

After giving the usual reasons, such as liking the coaches, school, town, etc., he said, "I guess everyone knows how Doak Walker has been able to capitalize on his football reputation in a business way. If I ever got to be good, there wouldn't be any extent to what I could do as far as business contacts are concerned. I don't believe I'll ever be that good, but gee, wouldn't it be nice?"

Gregory has speed, size, football smart, and a great desire to win. I believe Gregory will put SMU back on the winning track and end up with "Big D" in his hip pocket.

That is, if Little Oklahoma doesn't carry him across the Red River before school starts in September, Dr. Jones.

Outboard Race

WORCESTER, Mass. (AP) — The 1957 national stock outboard championships will be held on Lake Quinsigamond Aug. 22-25 it was announced today.

Red Sox, Tigers Win Last Night

The Lions Club Phillies failed to tie up the first place position in the Pony League last night, and the Von Roeder Red Sox cinched championship of the second half of play.

The Red Sox downed the Phillies 9-5 in a five inning game which got started late. The Phils protested the game in the second inning on interference of the shortstop with a runner.

Tonight is the last night of regular play in the second half. On Monday night, the champs of the two halves, the Red Sox and the Dodgers, will meet for league championship.

Charles Gladson was inning hurler for the Red Sox, going all the way for six hits, three walks, and two strikeouts. Loser was Bobby Pena, who in two and one-third innings had one hit, four walks, and a strikeout. His relief, Weldon Ware, allowed four hits and no walks while fanning three.

The only extra base hit in the game was a double by Spencer Dyer for the Red Sox.

In the other game, the Courthouse Tigers moved into a tie for second with the Phillies with a 14-5 win over the Ira Yankees.

The Tigers will attempt to capture second place alone tonight when they meet the Phils in the second game. In the first game, the Red Sox will meet the Dodgers. That game starts at 7.

Winner for the Tigers was Greenfield, who in three innngs gave up one hit, no walks, and stuck out one. Smith, his relief, went one inning for no hits, walks, or strikeouts. Mike Morris finished the game for eight hits, one walk, and four strikeouts.

Conservation Slash

OKLAHOMA CITY (AP) — About $200,000 will have to be cut from the budget of the Wildlife Conservation Commission because the sale of fishing and hunting licenses has decreased, Clarence Burch, director, said.

SUNK BALL LOSES MATCH FOR IKE'S PRO—Ted Sleichter, golf pro for President Eisenhower at Gettysburg, Pa., examines the ball which sank in the 17th green during the PGA tournament at Dayton, Ohio and resulted in his elimination from the tournament. On the putting shot that followed, Sleichter hit the ball again on the follow through and lost the hole. He then halved the 18th hole and was eliminated by Don Finsterwald.

Snead, Ford Favorites In PGA Tourney

DAYTON, Ohio (AP) — Sammy Snead, 45, and Doug Ford, 34, continued to rule as red-hot favorites, but each could be cooled off quickly, as 16 survivors surged today into the 39th National PGA championship's fourth round of match play.

Several darkhorses, who surprised everyone including themselves by getting this far in the man-to-man combat, were scattered through the list. But plenty of tournament-tested talent was still around, too.

Dow Finsterwald, 27, of Tequesta, Fla., and Athens, Ohio, one of the brightest of the young stars, was the road block in Snead's path today. Finstereald hasn't been out of the money in 56 straight tournaments and has $21,447 to show for his 1957 club-swinging.

Ford, year's big-money man with $37,946, tangles with the elder half of golfdom's most sensational brother act, Jay Hebert of Sanford, Fla. Hebert, 34, ex-marine who suffered leg wounds in the Pacific, was the hottest thing on the winter tour.

His brother, trumpet-playing Lionel, 29, has long-hitting Mike Souchak, former Duke footballer, as his foe.

In the same bracket are Claude pion, who tangles with par-busting Harmon, 41, former Masters champ Tommy Bolt of Los Angeles; and Henry Ransom, 46, former welterweight boxer and owner of a 2700 acre Texas ranch, who meets Mich., three times a finalist in Walter Burkemo, 38, of Franklin, this classic in the last six years.

Ted Kroll, 37, of Fort Lauderdale, Fla., winner of the world championship last year, meets National Open Champion Dick Mayer in the Snead-Finsterwald bracket, but the other four are horses of a darker hue.

Milon Marusic, 42, from Webster Groves, Mo., who followed the tournament trail for three years without a victory, and Donald A. Whitt, 26, of Alameda, Calif., were foes in one fourth-round match. Marusic ousted defending champion Jackie Burke 2 and 1 yesterday.

The other pair are Charles Sheppard, 51, of West Newton, Mass., and Warren Smith, Jr., 41, pro at the Oak Hill Club in San Antonio.

AFTER WOMEN'S OPEN

She Gets More Than Winner

HOT SPRINGS, Va. (AP)—Jackie Pung, the plump golf pro from Hawaii, didn't win last month's National Women's Open Golf Tournament because of a technicality, but she wound up with more money than the winner.

Mrs. Pung revealed today that a "special purse" collected after her painful last-round disqualification at the Winged Foot Golf Club in Mamaroneck, N.Y. totaled $2,600.

That was $800 more than the first-prize money she lost to Betsy Rawls of Spartanburg, S.C., who was declared the winner when Mrs. Pung, the low scorer, was found to have signed an incorrect scorecard for the last 18 holes.

Despite the extraordinary "consolation purse" contributed by Winged Foot club members, spectators and officials, Mrs. Pung said, today, she's still suffering "mental anguish" because of her disqualification.

She said loss of the coveted open title left her feeling "very hurt."

Mrs. Pung had appeared to be the winner after playing four rounds in 298 strokes. She accepted congratulations and was being interviewed by the press when it was discovered that she had inadvertently signed her card for a 5 at the fourth hole of the final round, where she actually played a 6. The error didn't affect the 18-hole total on the card, which was listed correctly.

Jackie was disqualified. The tournament committee, following the rules strictly handed the title to Miss Rawls, who finished with a 299.

Mrs. Pung played here yesterday the first round of the $7,50 Hot Springs Women's Four-Ball Tournament. She and her partner, Wanda Sanchez of Baton Rouge, La., had a best ball score of 75—one over women's par and five strokes off the leaders' pace.

College All-Stars Drill Opens Today

EVANSTON, Ill. (AP) — Drills opened today for the College All-Stars in preparation for their game in Chicago Aug. 9 with the New York Giants, National Football League champions.

Most of the squad of 40 checked in at Northwestern University yesterday. Head Coach Curly Lambeau told them to be ready for their first workout today.

The squad included Jerry Tubbs, Oklahoma; Jim Brown, Syracuse; James Harris, Oklahoma; Paul Hornung, Notre Dame; Tom McDonald, Oklahoma; John Pardee, Texas A&M; Del Shofner, Baylor; and R. Underwood, Arkansas.

Giants Plan To Leave New York

NEW YORK (AP)—The New York Giants is dead.

By next year the National League club will have shifted to San Francisco, or Minneapolis, or someplace.

Club President Horace Stoneham laid it on the line yesterday, announcing he will recommend to his board of directors that the Giants quit the Polo Grounds at the end of the season. He indicated there is very little chance of the club finding another ball yard in New York.

Stoneham also made it clear that the Giants already have league permission to transfer their franchise, even if the Brooklyn Dodgers choose to stay behind.

League permission for the Giants to switch to San Francisco and the Dodgers to move to Los Angeles—when the two clubs decided to do so—was thought to be a package deal, with one move hinging on the other.

"That is not true," said Stoneham. "They are two separate deals, one not contingent upon the other. We were given permission to move irrespective of what the Dodgers do. But that pertained only to our moving to San Francisco.

"Should the Giants desire to go to Minneapolis, for instance, we would have to seek league permission all over again."

Milwaukee Is Back On Top

By ED WILKS

If you've got the idea the National League contenders have rolled over and played dead once they made the top, you're right. Nobody loses like the leaders these days.

Since the scramble really got tight early in June, the lead has changed hands no less than 10 times, with Milwaukee's Braves moving back in with a one-game edge last night on a 4-2 victory at Philadelphia after Brooklyn socked St. Louis out of first with a 10-9, 11-inning stunner.

All five of the contenders—Milwaukee, St. Louis, Brooklyn, Philadelphia and Cincinnati — have been in the lead since June 8, and in that time, they've played at a combined .400 rate while in first place.

Only the Braves have played over .500 while on top, winning seven of 13 games for a .538 percentage. The Cards were 7-9 while in first for .438. Cincinnati won only two of eight for .250. Brooklyn (0-1) and Philadelphia (0-2) didn't win once while in the lead.

Cincinnati's Redlegs, who have managed to stay within two games of the top although losing eight of their last 12, remained at close fifth with a 2-1 decision over the New York Giants yesterday. Pittsburgh defeated the Chicago Cubs 6-5 with four in the ninth.

The American League took on a look of complete collapse. The New York Yankees as the world champions opened up a five-game lead, their largest bulge of the season, with a comeback, 3-2 victory at Detroit while Baltimore scored five in the ninth to beat the second place Chicago White Sox 6-2. Boston defeated Kansas City 3-1 and Washington blanked Cleveland 4-0.

The Braves, who have won six of nine since the All-Star break to take the lead for a fourth time, were without slugging Hank Aaron for the windup of the three-game sweep at Philadelphia. But Del Rice drove in three runs, two with a homer off loser Curt Simmons, to take up the slack as Aaron rested an injured ankle and joined Joe Adcock, Del Crandall, Felix Mantilla and Bill Bruton on the injury list.

Bob Buhl, who had lost four in a row, beat the Phils a third time for a 10-6 season record. He needed Don McMahon's relief in the ninth.

Second baseman Red Schoendienst, who started three of four Milwaukee doubleplays, played the last two innings in centerfield in the make-shift Braves' lineup—the first time he's played the outfield since 1947 with St. Louis.

The Dodgers, winning six of seven, moved past the Phils into third, 1½ games behind, left the Cards all shook up with an unearned run in the 11th. The Brooks rallied for five runs in the ninth—capped by Gil Hodges' 12th grand-slam homer for a share of the NL record with Rogers Hornsby and Ralph Kiner—to rub out a 9-2 deficit after the Cards had put together a seven-run comeback in the top of the ninth.

Gus Bell rapped a two-run homer and added two singles for the Redlegs as Johnny Klippstein won his fourth with relief from Raul Sanchez in the ninth after Bobby Thomson's leadoff homer junked a shutout. Stu Miller was the loser.

The Yankees scored all three in the eighth—after being held to two hits for seven innings by Billy Hoeft. The Tiger lefty, now 7-8 was tagged for Jerry Coleman's one-out single, a walk and Yogi Berra's single for the first run. Then Hank Bauer poked a two-run double. Al Cicotte won in relief, but needed Bob Grim's relief to get out of a two-on, none-out jam in the eighth.

Baltimore had managed just three hits off Jack Harshman until the ninth, when the Orioles counted three unearned runs among their five. Billy Goodman's pinch single scored two to win it for reliever George Zuverink.

The Red Sox picked up a pair of unearned runs at Kansas City and Ted Williams banged a triple for a 2-0 lead in the third off loser Tom Gorman. Tom Brewer won his 11th, giving up a Billy Martin homer in the third.

Camilo Pascual, who has pitched both of Washington's shutouts this season, no-hit the Indians for six innings and wound up with a three-single job for 7-10 record.

Softball League Tourney Slated

The local Girls Softball League, which is nearing the end of its regular season, will cut short its schedule to make room for a tournament.

In a meeting last night, managers decided to move up several games on their schedules, so that a tournament can be held without conflict.

The double elimination tournament is scheduled for July 25-26-27 on the south field in Towle Memorial Park.

Regular season games that were previously scheduled for Thursday, July 25, will be played tonight on the High School field. The games on tap tonight will feature the Police Department Black Sox vs. the Kiwanis Blue Jays in the opener at 6:30 p.m., while the American Legion Legionnettes will meet the Fire Department Fireballs in the second game.

The other rescheduled game will match the VFW Cardinals and the Black Sox. It was originally set for July 29, but instead will be played as the second game of a doubleheader on the night of July 22.

At the meeting last night, plans were made for selecting two all-star teams. One will be composed of teams from Hermleigh and the other from teams in Snyder.

Plans also are being made for a girls and women invitational tournament on Aug. 7-8-9-10. Three or four teams from Snyder and several out-of-town teams likely will be entered in that tournament.

Farm Loops Ending Slate

The Farm Leagues of the Snyder Little Leagues will round out their schedule tonight and tomorrow night, with two games scheduled each night.

Playing tonight will be the Tigers vs. Cardinals and Sports vs. Eagles. Tomorrow night it will be Buffalos vs. Blue Darts and Dodgers vs. Cubs. First games start at 6 p.m. The games are being played on the Little League field in Towle Memorial Park.

In the National Farm League, the Cardinals are leading with a record of 7-1, followed by the Tigers with 5-3, Cubs with 3-5, and Dodgers with 1-7. No standings are definite in the American League. The Eagles lead that league with an 8-2 record.

SECOND PLACE PRIZE WINNER in the rodeo parade here Wednesday was the square dancer float entered by the Lucky 13 Sports Club. They won $65 prize money for the float.

25 Students Expected In Top Four Lincoln School Grades

There will be 25 students in the top four grades of Lincoln School when its new high school addition opens this fall.

High school instruction will be offered at Lincoln School for the first time this fall. Until now, students of that school went to other cities to attend high school after completing the first eight grades. About 10 of those who will be in high school here this fall attended other high schools last year.

Many of the teachers in Lincoln School will double as both junior high and high school teachers this fall so the school can offer all the needed courses.

At the beginning, classes will be small in many of the subject areas until the high school portion of the school grows. If the number of students here does not change, the high school will have 27 students next year and 32 the following year.

Registration of students has shown the number of students who will take the various subject offerings in the high school: freshman English, four; sophomore English, nine; junior English, two; senior English, four; American history two; world history, 10; biology, five; first-year typing, two; second-year typing, one; Texas history and civics, four; first-year shop, nine; second-year shop, four; homemaking, five; general math, four; first-year algebra, none; second-year algebra, 10; and general science, four.

The high school will have three seniors, six juniors, 12 sophomores, and four freshman. In the junior high, there will be five in the eighth grade and 11 in the seventh.

Details for subject offerings have been studied this summer by the school administration with Daniel Johnson, principal of the school.

Subject offerings will be:

Twelfth grade—English, world history, American history, general science, or typing.

Eleventh grade—English, algebra, or geometry, world or American history, shop, homemaking or biology, typing.

Tenth grade — English, algebra, world or American history, shop, homemaking, or biology.

Ninth grade—English, general math, world history, and shop, homemaking, or general science.

Eighth grade — English, math, social studies, and arts and crafts, shop, or homemaking.

Seventh grade—English, math, social studies and arts and crafts or shop.

Passing The Buck Is The Modern Trend

The modern trend of "passing the buck" will never get problems solved and usually create new ones, according to C. Dale Brooks, minister of the Thirty-seventh Street Church of Christ, who spoke at the weekly luncheon of the Rotary Club yesterday.

Brooks, in opening his talk, quoted Will Rogers on his statement that there were three main stages of hisotry, the passing of the buffalo, the passing of the Indian, and the passing of the buck, and the country is still in the latter stage.

"Passing the buck," or a person's trying to lay blame on someone or something else, is nothing new. It goes back even to the time of the Creation, when Adam blamed Eve for his sin, Brooks said.

But even though it is not new, it is a problem which is increasing in size. "A father who turns down the problem of a broken toy may not be able to help with the problem of a broken heart," he said, stressing the need for men to accept their proper responsibility in the home, community, and church. The child cannot be properly reared if the father leaves it as only the mother's responsibility.

Brooks cited the results of a survey taken, with a report published in the Readers Digest, among 300 seventh and eighth grade boys. It was found that the average time a father in that group spent with his son was seven and one-half minutes a week. "A father who is that busy is too busy," Brooks said.

It is a man's own responsibility to his home, his business and the things in his community are run properly, the minister said.

Order Restored In Courtroom By Shot

GREEN COVE SPRINGS, Fla. (AP)—It took a deputy sheriff with a rifle to restore order in Circuit Court.

A pigeon flew into the courtroom and Judge W. A. Stanley interrupted a charge to the jury and asked Court Clerk George Carlisle to chase him out.

Carisle yelled "shoo" and flapped his arms but the bird flew around wildly. Jurors and spectators joined in the arms-flapping.

Stanly finally tossed the problem to Sheriff John P. Hall who summoned a deputy with a .22 rifle. one shot killed the bird.

Man Steals Liquor Still At Courthouse

BRYSON CITY, N.C. (AP) — Willard Lloyd Dorsey, 23, of Bryson City, received a six-month suspended sentence after pleading guilty to stealing a moonshine liquor still from the county jail.

Police said Dorsey took the still, which had been confiscated in a raid, as he was leaving the building after visiting a friend.

Swamp Trail Is Not Left By Moonshiners

NEW BERN, N.C. (AP) — A State Alcoholic Beverage Control Board agent, Albert Russell of New Bern, was poking around a swampy area near Cherry Point looking for moonshiners.

He saw a trail which looked as if it had been made by a boat. He cautiously guided his own motorboat into the swamp grass.

It wasn't moonshiners. It was alligators — a mother and her young ones.

Russell retreated.

Ike To Get New Fish For Newport Vacation

PROVIDENCE, R.I. (AP) — The Rhode Island Fish and Game Division intends to make sure President Eisenhower gets a few fish on his Newport vacation next month.

Thomas Wright, division chief, said that a few big, fat and sassy trout will be transplanted from the hatchery at Lafayette into streams in the Wood River Reservation.

A Brooklyn mosque is the house of worship for a group of Russian Tartars.

Gas Prices Are Slashed

HOUSTON (AP)—Four major oil companies cut wholesale gasoline prices two-tenths of a cent a gallon yesterday.

The reductions by Continental, Shell, Texas, and Gulf erased increases posted a month ago.

Texas and Gulf spokesmen said the cuts applied to all of Texas east of the Pecos. Shell said its reduction covered the state.

Continental said its cutback also also applied to kerosene and diesel fuels.

Service station operators indicated the cuts, in some areas at least, would be passed on to the consumer.

Company spokesmen said the cutbacks were for "competitive reasons." Increased costs, especially labor, were blamed for last month's price hikes.

Boy Scouts Homeward Bound From Jamboree

VALLEY FORGE, Pa. (AP) — Some 50,000 Boy Scouts were homeward bound today from their week-long fourth national jamboree at historic Valley Forge Park.

But for some 1,700 picked scouts and leaders representing every state and U.S. possession, there was still another adventure ahead.

This is the jubilee contingent—the group which leaves now for England, for the international jamboree.

They leave in two groups, the largest from Ottawa on the S.S. Fairsea on Monday and a split-off group of 100 will leave today aboard the S.S. Castel Felice from New York.

Now At Chieftain Pontiac
Guaranteed 30,000 Miles

We are now prepared to offer a written warranty for 30,000 miles or 30 months on every new Pontiac sold and serviced by us!

Pontiac's record of dependability and long life—consistantly giving up to and over 100,000 miles of service with no major maintainance—makes this offer possible. With todays prices you can't afford to buy a new car and then have to spend hundreds of dollars for major repairs after a few thousand miles of driving. With our 30,000 mile warranty, you can own and drive America's Number One Road Car with all it's beauty, performance and dependability and not have to worry about a large repair bill.

Don't settle for anything less. Come in now and investigate this wonderful plan. Remember—5 out of 10 small cars wear a Pontiac price tag but give you none of Pontiac's advantages—So Don't Second Guess Yourself Out Of A Pontiac!

SNYDER AREA CHURCH NOTES

Revival Meeting Season Gets Underway In Area

Revival meeting season again getting underway here, and a number of Snyder area churches have meetings on schedule.

One is a city-wide youth-led revival to open Sunday at the Colonial Hill Baptist Church. Leading the meeting will be three future ministers, all now college students. They are Lanny Curry of Hardin-Simmons Univ., and Logan Cummings and James Barber, both of Texas Tech.

Services will be held three times daily during the one-week meeting, at 6:15 a.m., 10 a.m., and 8 p.m., according to the Rev. Jimmie Nelson, pastor. Barber, of Colorado City, is a senior at Tech, where he is a member of the Baptist Student Union executive council, band, and participates in intramural sports. He preaches and leads singing. Curry, of Borger, is a graduate of Hardin-Simmons and plans to finish seminary work. At Hardin Simmons, he was student council president, religious drama president, BSU devotional vice-president, and held other offices. Cummings, a senior at Tech, is from Littlefield. He was a basketball star at Tech last season.

* * *

The Camp Springs Methodist Church will open a revival meeting Sunday with the Rev. Alvis Cooley of Rotan, as evangelist, assisted by the Rev. J. W. Hawkins, pastor. Services will be held at 8 p.m. daily.

The Central Baptist Church at Hermleigh will hold revival services beginning tonight and lasting through July 28, with the Rev. A. J. Martin, pastor of the Avenue D Baptist Church in Snyder, as evangelist. The Rev. Kenneth Andreks, pastor of the Buford Baptist Church, will conduct singing. The children's choir will meet at 7:30 p.m. each day. Mrs. Ulmer Vernon will lead the group, with Ramona May as accompanist. Prayer meetings will be at 7:30 o'clock each evening, with the men to be led by Mr. Fargason and women by Mrs. Jones. Young people will be led by Rev. Andress. Morning services will be at 10 o'clock, evening services at 8.

* * *

A youth-led revival meeting is scheduled at the Green Hill Baptist Church beginning Wednesday night and lasting through the following Sunday night. Evangelist will be Bobby Lacy, and singer will be Vernon Stokes. Young People of the church will serve as ushers, pastor, Sunday school superintendent, training union director, and other officers.

* * *

Opening tonight at the Canyon Baptist Church will be a revival meeting with Hafisel Pearce of Aspermont as evangelist. Services will be held at 10 a.m. and 7:30 p.m. daily, according to the Rev. Johnny L. Willson, pastor.

* * *

A meeting is scheduled at the Fluvanna Church of Christ from Sunday through July 31, with services daily at 10 a.m. and 8:15 p.m. There will be no morning service Monday. Speaker will be W. T. Hamilton of Lamesa. Wesley Fillmon is minister of the church.

* * *

C. Dale Brooks, minister at the Thirty-seventh Street Church of Christ, will begin a series of Gospel meetings at the Hermleigh Church of Christ Monday night. Services will be at 8 p.m. daily through July 28. Donald R. Scott will lead congregational singing.

Bid Made By Ceylon

NEW YORK (AP) — The World Council of Churches has been invited to hold its next assembly, in 1960, in Ceylon.

Churchmen view this as evidence of the key place the World Council is assuming in the younger churches of Asia.

The World Council effects world-wide coordination of its members in the field of inter-church aid.

It carries the responsibility for the international phase of the churches' assistance to refugees. In 1956 the World Council resettled 28,459 refugees from Europe and Asia, a record figure.

The Council also helps struggling Protestant minorities in various parts of the world. It is deeply concerned with keeping churches in Communist countries from being isolated from Christians in the free world.

The membership now includes 165 denominations in 50 countries.

Mellon Supper Set By Methodist Men

The Methodist Men of the First Methodist Church will meet at 7 p.m. Monday at the church to go to Lake J. B. Thomas for a melon supper.

The supper will be held on the north shore of the lake at the Lyle Deffebach cabin.

The Rev. John Reaves, pastor of the First Christian Church, will speak to the group after the supper.

"Nevertheless" will be the subject of the Rev. G. M. Cole, pastor of the First Baptist Church, at the Sunday 11 a.m. service. The choir will sing "The Awakening Chorus." At the 7:30 p.m. service, the pastor will speak on "Jesus Shall Come Again." The choir's music will be "Jesus Is Coming Again" and "The Many Mansions."

* * *

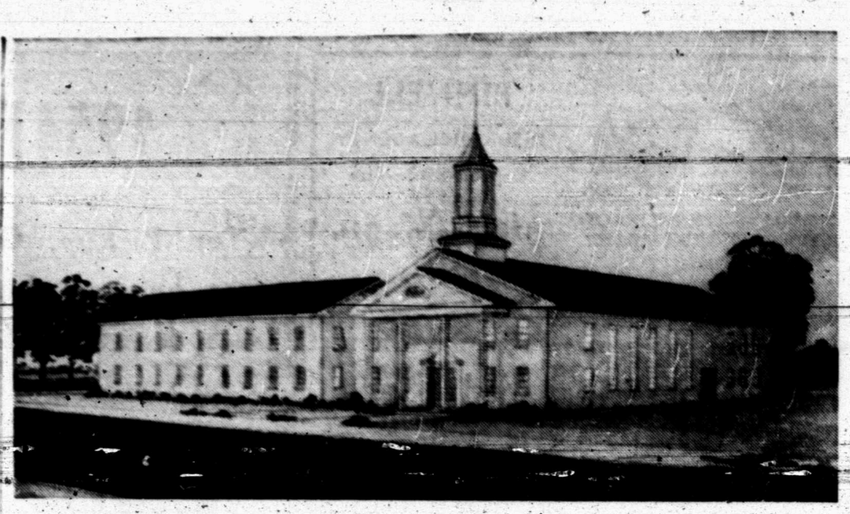
The Rev. Donald Hungerford, vicar at St. John's Episcopal Church, will speak on "The Totality of Our Offering" at the Sunday 11 a.m. service.

* * *

The Rev. A. J. Martin, pastor of the Avenue D Baptist Church, will speak on "The Origin of the Church" at the Sunday 11 a.m. service. Roy Stuckey of the Central Baptist Church of Hermleigh will speak at the Sunday 8 p.m. service. Rev. Martin will open a revival at the Hermleigh church.

* * *

The Rev. Elton Wyatt, pastor of the Trinity Methodist Church, will speak on "Make Up Your Mind" at the Sunday 10:55 a.m. service. The vacation Bible school will have its closing period at the 7:30 p.m. service.



GROUNDBREAKING services will be held between the Sunday school and church hours Sunday morning at the Avenue D Baptist Church for its new auditorium, which is to be under construction soon. Shown at right in the picture is an architect's drawing of the planned auditorium, which will face Avenue D. At left is the present auditorium, facing Thirtieth Street, which will be converted into education space.

AT AVENUE D BAPTIST

Groundbreaking Is Slated By Church

Members of the Avenue D Baptist Church will hold groundbreaking ceremonies Sunday morning for their planned new auditorium.

The ceremony will be held between Sunday school and morning worship, at about 10:30 a.m. The Rev. A. J. Martin, pastor, will preside, with members of the church's building committee leading in the service. They are E. J. Hardin, chairman, H. L. Todd, Alfred Greenway, Ernest Gowdy, Charlie Eastman, and Grover Harris.

The new building, which will cost an estimated $70,000, is expected to be completed by November. The building committee is now in the process of gathering bids.

The building will be 46 by 110 feet and will house an auditorium, three departments of the Sunday school, and a pastor's study and secretary's offices. Classroom and offices will be in the east end of the building, which will face west on Avenue D.

The present auditorium, which faces Thirtieth Street, will be converted into two departments of education space.

The new building will be of brick veneer to match the present plant.

CHURCH NEWS

Sheldon Centennial Celebration Planned

TOPEKA, Kan. (AP) — A centennial celebration of the birth of Dr. Charles M. Sheldon, author of "In His Steps" is being held this year in many churches around the world.

Dr. Sheldon wrote the celebrated international best-seller while minister of Central Congregational Church here in Topeka. More than 30 million copies have been sold.

A great humanitarian, Dr. Sheldon believed in sharing American surplus with the needy overseas. In 1900 he was instrumental in raising $100,000 dollars to relieve a famine in India.

He died here at 88, still trying to provide comfort for the suffering.

Apple Crop Threatened

BOSTON (AP) — Massachusetts' chief marketing investigator, Walter Piper, says the state's apple crop is threatened with a half-million dollar loss by the continuing drought.

The Public Spirited Firms and Individuals On This Page Bring You This Weekly Message In The Hope That It Will Point To A Better Way Of Life And Be An Inspiration To Everyone.

Here men give evidence of some deep, deep decisions. They are casting their lots for God. In a heart-to-heart talk a father gives his witness for the deepest faith he possesses. *He has been successful in business because he kept the approval of his God.* Now he wants to know from his sons if he can count on them to perpetuate the integrity, justice and godliness which marked the history of his business. God wants to know that of you, too, Mister. This is a moment of high decision with these men. Maybe you are making important decisions too. One thing for sure... your success will be greater when God is your Senior Partner. If you are "For God" you will attend His church and support His cause on earth... be For God.

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benedictions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we with our children should go to the church of our choice on Sunday. "You in the Church and the Church in you" form a combination for good. Be a regular CHURCHGOER and a daily BIBLE READER.
