

SECTOR DISCOVERY IS COMPLETED AS AN OIL WELL. J. W. McMillen and John Francis No. 1 J. H. Emmons, new discovery from the San Andres-Permian in Southeast Ector County, has been completed as an oil well and a new field opener.

Located one and one half miles south of the South Cowden field, about five and one half miles south of Odessa, and 660 feet from north and west lines of section 8, block 42, TP survey, T-3-S, this project was finished for a 24-hour pumping potential of 242 barrels of oil and gas water.

The pay section is between 4,368 feet and the total depth at 4,550 feet. A water intrusion below the casing seat at 4,261 feet, had been eliminated by the setting of a formation packer.

It is expected that the owners will shortly pull the packer and run a liner through the water section, in order to get a permanent shut-off.

SUPERIOR STAKES DEEP WILDCAT IN REAGAN

Superior Oil Company has filed an application with the Railroad Commission of Texas, requesting a permit to drill its No. 1-3-C University, as a 10,500-foot wildcat in South Reagan County.

The venture will be 1,980 feet from south and 660 feet from east lines of section 25, block 8, University survey, and 13 miles southwest of Big Lake. Operations are to start at once.

NE PECOS REGION GETS 3,000-FOOT PROSPECTOR

Bond Oil Corporation and L. C. Harrison No. 1 B. F. Smith is to be a 3,000-foot cable tool wildcat in Northeast Pecos County, about 22 miles southwest of McCombs.

It will be 2,246 feet from north and 1,884 feet from east lines of section 12, block 145, T&STL survey. Drilling is slated to commence soon.

2,000-FOOT VENTURE IS TO BE DRILLED IN PECOS

Charles H. Houston, of San Antonio, and associates are to drill their No. 1 Cordova Union as a 2,000-foot cable tool prospect, in Pecos County, about 17 1/2 miles northeast of Fort Stockton.

The drill site is 330 feet from south and west lines of section 8, block 141, T&STL survey. Work is to start in the near future.

STEEPOUT IS STAKED TO SHAFER LAKE-DEVONIAN

Superior No. 3-13-G University is slated as a 9,800-foot exploration in North-Central Andrews County, in the Shafter Lake area.

It is located 660 feet from north and 1,980 feet from west lines of section 36, block 13, University survey. The 9,800-foot objective is calculated to take the project into the Devonian, which has been shown to be productive in two wells which had been drilled to that formation in the vicinity of the new Superior development.

NEW DEEP PROJECTS TO BE DRILLED IN THREE DISTRICTS

New Ellinger prospectors have been reported for the Dollar Hide and Martin fields in Southwest Andrews County, and for the Andor field in Northwest Ector County. Those projects are:

Pure Oil Company No. 2-E-B E. P. Cowden, in the Dollar Hide area, will be 1,982 feet from south and 660 feet from east lines of section 25, block A-52, ps survey. It is to go to about 10,500 feet—if necessary to test the deep pay.

Humble Oil & Refining Company No. 14 J. E. Parker, in the Martin field will be 660 feet from south and east lines of section 18, block A-41 ps survey. It is scheduled to go to about 9,900 feet.

The Texas Company No. 3 J. P. Cowden in the Andor area is located 660 feet from south and west lines of section 8, block 44, TP survey, T-1-N. It is contracted (Continued on page 7)

School To Proceed With New Athletic Plant Development

Trustees of the Midland Independent School District, at a special meeting Monday afternoon, voted to proceed with the development of the new athletic plant on a 14-acre tract owned by the school district in Northwest Midland.

Immediate action on the proposal was necessary since materials for the new plant are enroute here, and since the athletic field must be moved from its present location at the junior high school as soon as possible.

A petition signed by 83 citizens and asking that the location be reconsidered and the athletic plant not be established at the proposed site, was received by the trustees last week.

Four attend hearing. A public hearing on the matter then was held by school officials last Friday night, but only four visitors, one of whom had signed the petition, were present. The trustees expressed regret that more citizens did not attend the hearing to express views or to suggest alternate sites.

The petition was formally considered before formal action was taken at the Monday session.

Pauley Seeks Inquiry Showdown

Jester Opens West Texas Water Meet

BIG SPRING. — (AP) — West Texans opened a one-day conference on their water supply needs Tuesday with a statement from Governor Beauford Jester that similar conferences will be called for other parts of the state.

Representatives from 92 West Texas counties gathered here to meet with governmental officials to discuss not only "where is our water coming from next Summer," but "where can we get it as far ahead as 1980."

Communities in West Texas had been asked to file briefs on their present water supplies and anticipated need.

Nine spokesmen presented these needs to the conference. Col. E. V. Spence of the State Board of Water Engineers nailed the problem of water in West Texas to two main issues:

1. How to utilize fully without waste the "outtake" from both surface and underground water sources.

2. How to balance the "outtake" with the "inflow."

Gov. Beauford Jester called the conference and those attending heard anticipated needs of communities in the 92 counties based on this information:

Current and future estimated population; average daily water consumption; average annual precipitation; present sources of supply and capacity; quality of surface water supplies; an estimate of future water demands for domestic, industrial and irrigation purposes; water and soil conservation activities now under way; flood damages; existing and proposed water districts; data from surveys, including underground resources, surface flow measurements, quality and analysis, and size and location of future water reservoir sites.

The regions represented at the conference went through one of their driest years in history in 1947. Spence said he expected the conference to disclose a "necessity for a great deal more study of underground water and for more gauging of smaller streams. He mentioned also the possibility of piping water to arid regions.

Several Other Speakers. Governor Jester and Spence spoke, as did J. B. Thomas, Fort Worth; John D. McCall, Dallas; water rights attorney; various members of the U. S. Geological Survey, including specialists in underground waters, surface waters and water qualitative problems.

Jester named Frank Kelley of Colorado City as coordinator of the conference.

Spokesmen for various sub-areas included Rex Baxter, Amarillo; A. B. Davis, Lubbock; A. C. Bishop, Stamford; M. J. Benefield, Odessa; Milo Roth, San Angelo; Paul Counts, Fort Stockton; Frank B. Clayton, El Paso; John Womble, Abilene; L. A. Chapman, Colorado City; T. Youngblood, Bronte; and N. T. Underwood, Coleman.

Louisiana Ballots On Governor Tuesday

NEW ORLEANS. — (AP) — Louisiana Democrats braved a prediction of chilly rains Tuesday to express their choices for governor in one of the state's most puzzling political contests of recent years.

Seeking the office are former Governors Sam Jones and Earl K. Long. U. S. Rep. James H. Morrison and Appeals Judge Robert F. Kennon.

Veteran political observers have shown little agreement in ideas on the relative strength of the candidates, probable survivors for a second primary February 24, and potential lineup of support in the runoff by the losers.

The Democratic nominee is certain of election in Louisiana, where Republicans have been impotent since reconstruction.

About 900,000 Democratic voters, a record, are officially reported as registered.

Government Meddlers, Bureaucrats Draw Verbal Blasts Of IPAA Banquet Speakers

Government bureaucrats, theorists and meddlers were blasted by officials of the Independent Petroleum Association of America at a banquet Monday night in the Scharbauer Hotel.

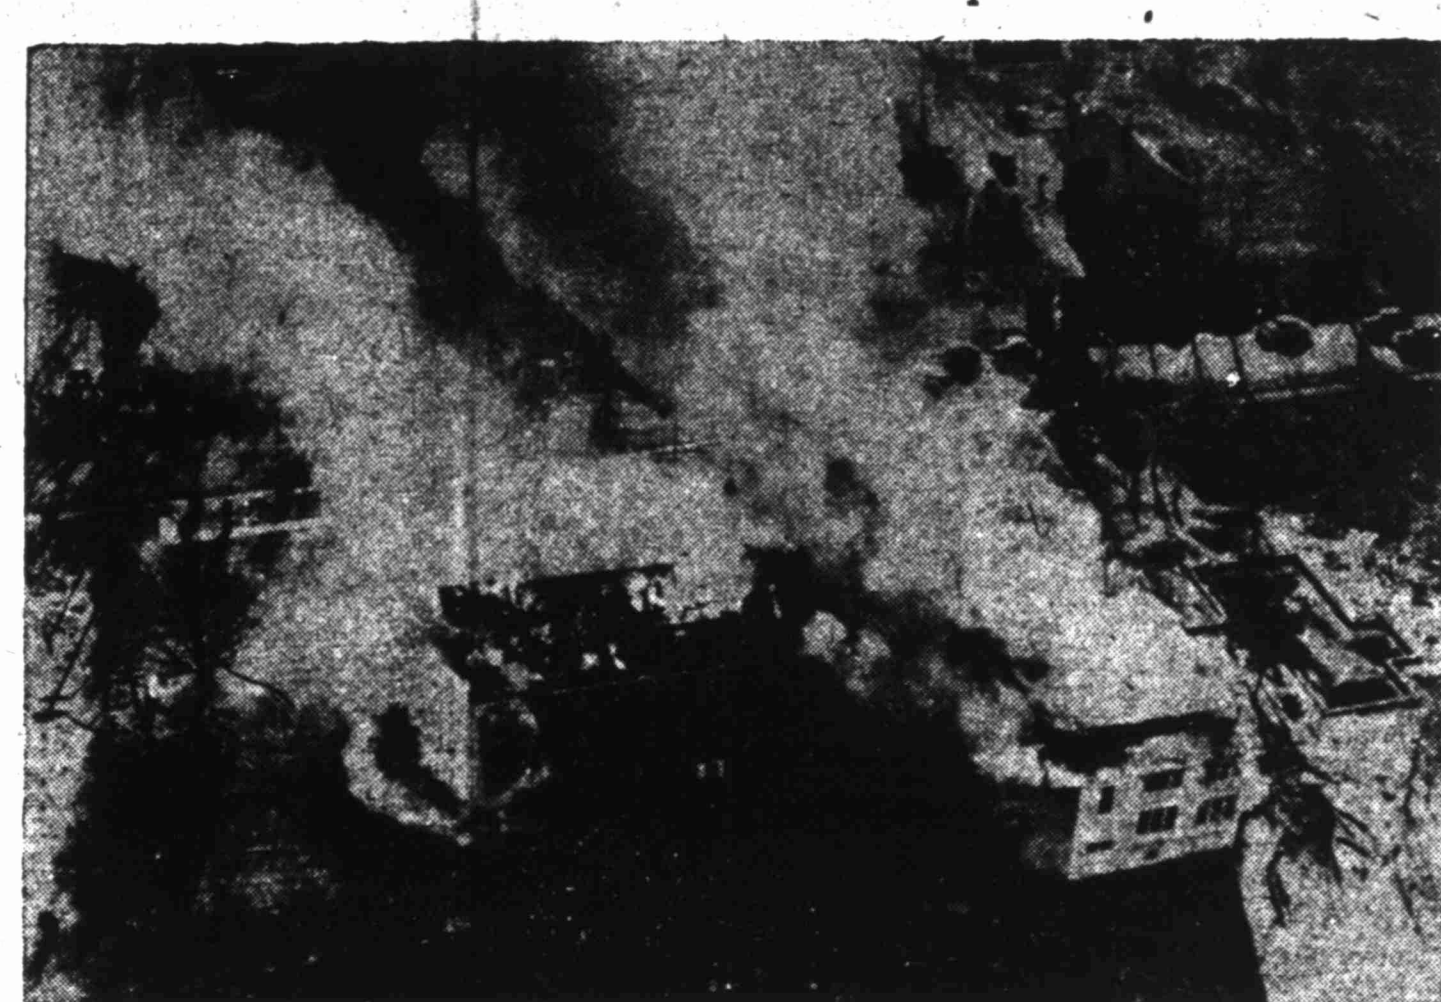

The banquet honored officers and members of the executive committee of the IPAA who are holding their quarterly meeting here.

The bureaucrats and theorists were charged with repeatedly hampering the oil industry by threatening controls and by attempting to retard exploration and development and even by suggesting that the government take over the petroleum industry and natural resources.

Merle Becker of St. Louis, IPAA president, said problems facing the industry and methods of meeting them are the principal topics of discussion at the sessions here. He urged Americans to hold to "the profit system and the ideas of free enterprise which have made the nation great."

After telling of the creation of the IPAA in Colorado Springs, in June, 1929, he told of the need for independent oil operators to organize. He said the organization of independents to keep the government from regulating the oil business made it possible for West Texas to become the principal source of production of crude oil of the nation. He explained that had bureaucrats been permitted to carry out a program for ending oil development, the great program for production of crude oil in this region would not have been possible.

61 Old Folks Rescued As Fire Sweeps 'Home'

Aerial view shows smoke billowing upward from the Lutheran Home for the Aged in Madrid, Iowa, as fire sweeps the building. Madrid residents and home employees successfully rescued 61 inmates, 23 of them bedfast, and set them up in temporary shelter in a nearby church.

Republicans In Huddle Stage On Tax Reductions

WASHINGTON. — (AP) — Republican tax cutting plans reached the decision stage Tuesday.

Speaker Martin (R-Mass.) called the House GOP Steering Committee to an afternoon session to shape party policy on the red hot domestic issue.

There was every advance indication the committee would:

1. Ignore the urging of Bernard M. Baruch to put off tax cutting for two years.

2. Reject Daily President Truman's request for a \$40 "cost-of-living" tax cut for everyone with an offsetting revival of the wartime excess profits levy on corporations.

Knutson Stands Firm. Chairman Knutson (R-Minn.) of the tax-writing Ways and Means Committee told newsmen he would carry into the meeting a demand that his \$5,000,000,000 bill be adopted as the GOP tax slashing goal for 1948.

But high Republicans, who would not allow the use of their names, predicted the Knutson Plan would be trimmed down—possibly to an overall cut of \$4,000,000,000—with chief emphasis on lower rates for taxpayers in the low brackets.

Mrs. F. Hindman Dies In Midland Hospital

Mrs. Fannie Hindman, 51, of 601 East California Street, died Monday in a Midland hospital after an illness of several years. She had been seriously ill about a week.

She was born Dec. 5, 1896, in Erath County, the daughter of the late Bob and Sidney Steward. She moved to Midland from Abilene in 1940.

Funeral services were to be held at 2:30 p. m. Tuesday in the Ellis Funeral Home Chapel, with the Rev. A. L. Teaff, pastor of the Calvary Baptist Church, and the Rev. Ray Jones officiating. Interment was to be in Fairview Cemetery.

Survivors include four brothers, Tobie and Rob Steward of Comanche, George Steward of Midland, and Charlie Steward of Itasca; two sisters, Mrs. J. D. Jackson of Midland, and Mrs. Will Cox of Comanche, and several nephews and nieces.

U. S. Would Militarize All Europe, Say Reds

MOSCOW. — (AP) — Pravda declared Tuesday that U. S. officials "talking out of school," had revealed to Europe that the Marshall Plan is an attempt to transform the continent "into a base for military-political adventures."

Commentator Yuri Zhukov's article in the Communist Party newspaper pictured a Europe of the future dotted with American military bases, with "English, French, Italian, Belgian and other soldiers marching under the command of American officers, with American automatic rifles and singing 'Yankee Doodle!'"

WEATHER

Partly Cloudy Tuesday afternoon, Tuesday night and Wednesday. Little change in temperature. High temperature Monday, 38 degrees; low Tuesday morning, 31 degrees.

Dulles Testifies For Marshall Plan

WASHINGTON. — (AP) — John Foster Dulles said Tuesday Soviet leaders are trying "by every act short of new war" to destroy the weakened economies of Europe's free states.

The Republican foreign affairs expert told the Senate Foreign Relations Committee this effort "probably will succeed unless the United States does something to help these convalescent countries regain their health."

He testified at the committee's hearings on the Marshall Plan for American aid to 16 Western European nations.

Dulles said it is to the "enlightened self interest" of this country to take the "step towards peace" involved in aiding those European nations now outside the Communist orbit.

Dulles told the senators he became convinced at the London Foreign Ministers' Conference that the drive for peace has passed from the "words" to the "deeds" stage, adding:

"We cannot get a peace treaty for Europe until it is known the free states of Europe are going to stay free."

Dulles said it would be a "fool's paradise," if the United States did "not make honest, substantial efforts to help others to lift themselves out of the morass into which they have fallen."

He said Soviet leaders "believe that, in Europe, free institutions are tottering, and that if they are given a few well-timed pushes, they will fall."

C. Of C. Banquet Program Announced

Piano selections by Mr. and Mrs. Howard Orr, and a vocal solo by Allan Johnson will feature the musical program at the annual membership meeting and banquet of the Chamber of Commerce of Commerce January 27 in Hotel Scharbauer, Robert L. Wood, chairman, announced Tuesday.

Ben H. Wooten, vice president of the Republic National Bank of Dallas, will be the principal speaker. "Developing the Resources of the Southwest" will be his subject.

Officers and directors of the Chamber of Commerce for 1948 will be elected following a report of the nominating committee.

Out-of-town visitors will be introduced by T. Paul Barron, and Bill Collins will present awards to the "Top Wranglers of 1947."

Tickets for the event went on sale Monday at the Chamber of Commerce with a rapid sale reported. Attendance will be limited to the capacity of the hotel's Crystal Ballroom.

U. S. Would Militarize All Europe, Say Reds

MOSCOW. — (AP) — Pravda declared Tuesday that U. S. officials "talking out of school," had revealed to Europe that the Marshall Plan is an attempt to transform the continent "into a base for military-political adventures."

Commentator Yuri Zhukov's article in the Communist Party newspaper pictured a Europe of the future dotted with American military bases, with "English, French, Italian, Belgian and other soldiers marching under the command of American officers, with American automatic rifles and singing 'Yankee Doodle!'"

Prove It Or Hush, Probers Are Told

WASHINGTON. — (AP) — Edwin W. Pauley demanded Tuesday that Senate investigators "either prove he used inside government information for personal gain or acknowledge publicly that he made money in commodities through sheer business ability."

He insisted that the full record of his admittedly profitable market dealings "is a story of profit honestly and honorably made, legally, ethically and in the American tradition."

Pauley, a special assistant to Secretary of the Army Royall, declared: "I have never at any time in my life used any government position, or any 'inside information' for my personal financial gain."

He made the assertions in a letter to Chairman Bridges (R-NH) of the Senate Appropriations Committee.

The letter and the full records of Pauley's commodity transactions for the past three years were made public by Senator Ferguson (R-Mich.), chairman of a subcommittee which Bridges named to inquire into speculation by government employees.

Will Resign Soon. Pauley, a California oil man and former Democratic national treasurer, has announced that he intends to wind up his temporary job with the Department of the Army sometime this month and to resign as reparations adviser to Secretary of State Marshall.

He has acknowledged that he made a profit of \$89,708 in the commodity markets in the last three years, but has said he liquidated most of his holding since taking the Army post.

Pauley has already testified before the investigating group once, and is scheduled to appear again Friday along with Senator E. Stassen, candidate for the Republican presidential nomination.

It was Stassen who first injected Pauley's name into the inquiry to amplify his charges that Administration "insiders" have profited by using official information for personal profit.

Arabs Attack Jewish Colony

JERUSALEM. — (AP) — Arab fighters, apparently striking in reprisal for Jewish raids Monday, hit Tuesday at the Jewish colony of Yeheli, northeast of Acre, and police said fighting was still going on three hours later.

The colony is one of 19 Jewish settlements which are outside the Jewish state proposed under the United Nations' partition plan, approved November 29.

Jewish settlement police left the colony at the height of the attack to evacuate casualties but their vehicle was stopped and burned. There was no official report on casualties.

Sporadic outbreaks of sniping throughout the Holy Land claimed the lives of two Jews and one Arab, bringing to 907 the unofficial death toll since the partition decision was voted at Lake Success.

Ronald Lee Lockhart Dies In Hospital Here

Ronald Lee Lockhart, 18-months old son of Mr. and Mrs. J. E. Lockhart who reside one and one-half miles northwest of Midland, died Monday night in a hospital here of complications from burns received several weeks ago.

The child was born July 30, 1946. Funeral services will be held at 2 p. m. Wednesday in the Ellis Funeral Home Chapel, with the Rev. Vernon Yearby, pastor of the First Baptist Church, officiating. Interment will be in Fairview Cemetery.

The parents and a brother, Donald Ray, survive.

NEW YORK. — (AP) — The arrest on a deportation warrant of Claudia Jones, negro woman writer and secretary to the National Women's Commission of the Communist Party in the United States, was announced Tuesday.

Cold Rain Replaces Snow, Ice In Texas

By The Associated Press. Freezing drizzle or light rain fell generally over Texas Tuesday morning.

The show and ice which covered some sections Monday began to drip, but East Texas was still trying to dig out of the heaviest snowfall in almost 20 years.

Freezing rain was falling over Marshall, where the minimum temperature was 22 degrees and the maximum at mid-morning was 28 degrees. Traffic conditions were hazardous and the ice-covered sidewalks dangerous. There was little activity in town and schools remained closed.

Freezing drizzle was reported Monday night at Waco, Dallas and Fort Worth but it had changed to a cold light rain in the morning hours. The only snow reported in the state was a light fall at Fort Stockton.

The lowest temperature Monday night was 19 at Clarendon, Amarillo, Lubbock and Childress recorded 20 degrees while Brownsville, Laredo and Del Rio reported 28.

TRUCKER CRUSHED AS DRILL COLLAPSE FALLS. LEBELAND, TEXAS. — (AP) — Wilson Orimes, 26-year-old truck driver, was crushed to death here Monday when a 2,400-pound drill collar fell as it was being loaded onto his truck.

Air Terminal 4-H Club Names Officers

At a meeting of the Midland Air Terminal 4-H Club Monday afternoon, the following officers were elected:

Barbara Porter, president; Frances Pratt, food demonstrator; Shirley Nelson and Peggy Jane Timmons, food leaders; Sara Segrest, clothing demonstrator; Dottie Sneed and Barbara Porter, clothing leaders.

Year books were given members, and the next meeting was called for February 2. Present were Barbara Porter, Dottie Sneed, Sara Segrest, Johnnie Bess Ward, Peggy Timmons, Shirley Nelson, Frances Pratt and Theresa Ann Hubbard.

First Methodist WSCS Attends 'Pledge Tea'

All WSCS circles of the First Methodist Church met jointly Monday afternoon for a "pledge tea" and program in the Scharbauer Education Building, featuring an address by the president, Mrs. Luther Tidwell.

Mrs. D. A. Pass presided over the program which opened with a hymn, and Mrs. J. W. Thorne, presented the "goals for the year," as each officer stated her aims.

All women are urged to increase their pledges this year, the money from which is used to promote Christianity in foreign fields. This is imperative, it was stated, since the great upswing in the cost of living.

Mrs. B. P. Haag presented the devotion on love, followed by the benediction, signing of pledge cards, and a brief business session under the direction of Mrs. Tidwell.

A tea table, situated near the fireplace, was attractively decorated by Mrs. Winston Hull with arrangements of fern and carnations flanked by candles. Mrs. Pass presided at the service.

Those attending were Mrs. R. R. Russell, Mrs. C. H. Shepard, Mrs. Otis Ligon, Mrs. Frank Prothro, Mrs. J. W. Thorne, Mrs. D. A. Pass, Mrs. Earl Chapman, Mrs. E. A. Crisman, Mrs. Charles Forrest, Mrs. Elwood Kinney, Mrs. Ralph Smith, Mrs. Noel Oates, Mrs. Sam Preston, Mrs. J. L. Barber, Mrs. R. T. German, Mrs. Mary Lou Snodgrass, Mrs. L. C. Stephenson, Mrs. Minnie Crumley, Mrs. Charles W. Wilkerson, Mrs. J. M. Flanagan, Mrs. D. E. Hoover, Mrs. C. C. Watson, Mrs. R. D. Myers, Mrs. Joe Birdwell, Mrs. George Bradbury, Mrs. A. W. Butler, Mrs. Bolton Bennett, Mrs. George Thompson, Mrs. A. J. Norwood, Mrs. W. A. Black, Mrs. L. I. Baker, Mrs. James C. Watson, Mrs. O. L. Crooks, Mrs. H. H. Hollowell, Mrs. Ray Godfrey, Mrs. J. C. Taxes: An Accounting Problem

Income is determined by accounting. So, accounting is at the root of income taxation.

Naturally, business has always turned to Certified Public Accountants for aid in preparing its income tax reports, and for assistance in settling disputed tax items with the government.

The government, too, welcomes the aid of CPAs in explaining to taxpayers the accounting requirements involved—as evidenced by the fact that the Treasury Department authorizes CPAs to represent clients in tax proceedings.

By assisting in the prompt payment of the right amount of taxes—corporate or individual—Certified Public Accountants help to reduce the cost of paying—and collecting—the Nation's taxes.

What are you
doing to get me
a telephone?

Here's the answer, Lady...

Everything we can think of, and as fast as we can—that's what we're doing to get telephones to those waiting. And it's getting results. In the Southwest we're now putting in 12,000 new telephones a week.

Getting a telephone to someone waiting is more than connecting wires to a group of terminals and setting up the account on our books.

Today the telephone system is carrying a full load, like a rush-hour bus.

We're Building
So in some places we must put up a new building or make the present one bigger, to house new equipment. That job is well along, with 85 buildings or additions finished or under way.

Western Electric Company, the Bell System manufacturing unit, rented 26 extra factories last year to get space quickly. They delivered more equipment than in any year in a 77-year history. As a result, 2 1/2 times as many telephones

were added by the Bell System as in 1941, the previous high year.

When equipment arrives it must be fitted into the existing telephone system. Additional wire and cable are fanned out from the telephone exchange to the places where new telephones are going in.

New Voice Highways
In the last two years we've placed a sizable amount of these new voice highways—something like 700,000 miles of wire in cable.

When the additional central office and cable facilities are ready for service, the new telephones can be connected.

It isn't a simple job, you see. It can't be done in haste, but it is being done as swiftly as complexity allows. Fifty thousand telephone people in the Southwest—an all-time high—are hard at work supplying service and extending it. We appreciate your patience and understanding.

What To Do For That Sluggish, Down-and-Out Feeling

Remember the time when you could eat like a horse, bubble over with energy, feel happy as a lark? Was it not because you liked to eat—didn't know what indigestion was, felt strong as an ox? As age advances the "old stomach" and the "old blood" need help. Now you may again release vibrant energy of every muscle, fibre, cell. Every day—every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease. To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients. Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste. Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm flesh fill out hollow places. Millions of bottles sold all over the world from your drug store. SSS Tonic helps build sturdy health.

Couldn't Get A Good Night's Sleep, Says Denison Lady

"Before taking MertoX I was so worried with gas on my stomach that I could hardly breathe," writes Mrs. J. A. Jackson, Route 3, Box 96A, Denison, Texas. "My food would sour and I suffered with a great deal of pain in my elbows and knees, so that I could not sleep. I also had headaches most of the time. Since taking MertoX a short time I feel like a different person and I think MertoX is a wonderful tonic." This great herbal compound con-

+ Coming Events +

Superior Rug Cleaners

Charlotte Kimsey Shower Hostess For Bride-Elect

Charlotte Kimsey, 723 West Storey Street, was hostess at a Sunday afternoon kitchen shower commemorating Miss Elma Jean Noble, daughter of Mrs. Susie Noble and bride-elect of Ronald Jarrett of Midland.

Guests were received by the honoree, wearing a corsage of cornflowers and yellow and white daisies, and the hostess. Following registration in a bride's book under the direction of Mrs. John A. Matthews, guests were ushered into attractively-decorated entertaining rooms, featuring arrangements of Spring flowers in cooking utensils, later presented to the honoree as gifts.

The hostess presented Miss Noble gifts arranged in two basket-woven grocery carts decorated with large ribbon bows.

The dining table from which refreshments were served was centered with a bouquet-type arrangement of vegetables. Presiding at the copper tea service was Elma Anne Tolbert.

Invitations for the shower were miniature book books in which each guest wrote her favorite recipe, later presented at the door and given to the honoree in a recipe box.

The guest list included Mrs. H. C. Avery, Mrs. Bill Beckers, Mrs. Howard Chamlee, Mrs. Joe Conkling, Mrs. John H. DeFord, Mrs. Lynn Durham, Mrs. Newell Ellis, Jr., Mrs. Lamar Eschberger, Mrs. Frank Essex, Jr., Mrs. Burt Gillham, Mrs. Norman Goodman, Mrs. Gerald M. Graham, Mrs. Frank Hawk, Elma Graves, Mrs. Walter R. Jarrett, Mrs. Roy E. Kimsey, Mrs. King C. Light, Mrs. John A. Matthews, Mrs. J. V. McCoy, Mrs. James Mims, Mrs. Charles E. Nelson, Mrs. Susie G. Noble, Mrs. Jack Oldrich, Mrs. A. E. Pettit, Mrs. Harold B. Shull, Mrs. James T. Smith, Mrs. T. P. Tarwater, Mrs. W. H. Thomas, Mrs. William W. Wainman, Frances Braselton, Sudy Cowden, Louise Cox, Montez Downey, Kitty Jean Ellis, Betty Kimbrough, Liza Jane Lawrence, Nell Maddox, Ruby Millard, Lila Stewart, Elma Anne Tolbert, Elma Jean Noble and Charlotte Kimsey.

YOUR newspaper, serving freedom by serving YOU.

Congratulations To:

Mr. and Mrs. J. A. Connolly on the birth Monday of a daughter, Vivian Mae, weighing six pounds, 12 ounces.

Society

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JAN. 20, 1948-3

First Baptist WMU Circles Meet For Studies, Summaries Of Book

WMU circles of the First Baptist Church met with various Midland hostesses Monday afternoon for Bible studies or summaries of the book, "That the World May Know." Mrs. Raymond Leggett, 203 Ridglea Drive, entertained members of the Mary Martha Circle, with Mrs.

C. C. Boles offering the opening prayer and the book review. The closing prayer was given by Mrs. B. C. Girdley. Those attending were Mrs. Girdley, Mrs. M. D. Cox, Mrs. J. O. Vance, Mrs. W. B. Preston, Mrs. Boles and Mrs. Leggett.

Episcopal Guilds To Receive Ways And Means Plans

Monday afternoon meetings of both guilds of the Episcopal Auxiliary of the Trinity Episcopal Church featured announcements from representatives of the ways and means committee that recommendations will be presented by that committee at next week's joint meeting of the auxiliary. Attendance by both St. Cecilia's and St. Margaret's Guilds, has been urged by Mrs. W. L. Kerr, president.

Mrs. Frank Monroe reviewed "That the World May Know" at a meeting of the Lockett Circle in her home, 107 Ridglea Drive. Mrs. J. M. White offered the opening prayer, and Mrs. O. L. Stalcup the closing prayer. Those present included Mrs. Bertie Howell, Mrs. Monroe, Mrs. Cowan, Mrs. Hannaford, Mrs. Meadows, Mrs. Walton, Mrs. Stalcup, Mrs. A. P. Scharbauer, Mrs. White and a guest, Mrs. Vernon Yearby.

St. Cecilia's Guild met in the home of Mrs. R. W. Hamilton, 1110 West Texas Avenue, for a business session under the direction of Mrs. Taylor Cole, chairman, and a review of the second book of Samuel as presented by the Rev. R. J. Snell, rector.

Little Moon Circle met in the home of Mrs. John Dunagan, 1904 West Wall Street, for a mission study by Mrs. C. A. Churchill. The session opened with a prayer by Mrs. J. P. Kreischer and a song, and the closing prayer was offered by Mrs. O. L. Bevil. Members attending included Mrs. Dunagan, Mrs. Kreischer, Mrs. Billy Gilbert, Mrs. H. W. Coker, Mrs. Bevil, Mrs. C. A. Churchill, Mrs. Joe Wright and Mrs. Carl Hyde.

Mrs. C. G. Murray, 908 West Illinois Street, was hostess at an Annie Barron Circle meeting during which Mrs. A. B. Bain was appointed periodicals and education chairman. Mrs. R. O. Walker taught the lesson, Mrs. D. E. Jimerson gave the opening prayer and Mrs. Murray offered the closing prayer. Refreshments were served to Mrs. J. W. Schroder, Mrs. Jimerson, Mrs. J. C. Hudman, Mrs. N. T. Dilday, Alta Merrell, Mrs. Bain, Mrs. Ernest Neill and Mrs. Walker.

Community mission work of the Mary Elizabeth Truly Circle for the next three months will be to assist with the Spanish-American mission, it was announced at a meeting in the home of Mrs. H. Murff, 1702 West Wall Street. The session featured current events, including discussions by Mrs. R. Chanslor, Mrs. Murff and Mrs. H. S. Collings, and the study by Mrs. George Johnson. Mrs. Chanslor gave the opening prayer, and Mrs. Johnson had charge of the devotional and benediction. Refreshments were served to Mrs. Noel Cannon, Mrs. Johnson, Mrs. Chanslor, Mrs. Robert Donnell, Mrs. Collings, Mrs. Fred A. Wycoff, Mrs. W. L. Johnson, Mrs. Murff and a guest, Mrs. B. C. Bloodworth.

Following Rev. Snell's review of Samuel II and a benediction, the hostess served refreshments to Mrs. Taylor Cole, Mrs. Lester Grant, Mrs. Hamilton, Mrs. Paxton Howard, Mrs. Harvey Herd, Mrs. N. B. Larsh, Mrs. Roger Northrup, Mrs. J. E. Peck, Mrs. Eugene Russell, Mrs. W. A. Schaeffer, Mrs. Don Thompson, Mrs. Studdert, Mrs. Westlund, Mrs. W. A. Yeager and Mrs. E. J. Dittmer and Beverly Littlejohn.

Mrs. Louis A. Bartha, 112 Ridglea Drive, entertained members of St. Margaret's Guild, with Mrs. Duncan Aldrich presenting the devotional and leading the group in union prayers and a prayer for the Panama Canal Zone.

Mrs. A. T. Barrett, chairman, presided over a brief business session. Following roll call and minutes, Mrs. J. P. Ruckman, chairman of the ways and means committee, announced plans for presenting recommendations at the joint meeting Monday in the home of Mrs. W. Dave Henderson.

Mrs. W. L. Kerr had charge of the program which included the chapter, "What About Death," from "Living Faith for Living Men."

Following Mrs. Aldrich's benediction, the hostess served refreshments to Mrs. Aldrich, Mrs. James N. Allison, Mrs. John P. Butler, Mrs. H. A. Briggs, Mrs. Barrett, Mrs. Bartha, Mrs. Roy Douglas, Mrs. Paul Kolm, Mrs. Cooper Hyde, Mrs. R. E. Keen, Mrs. Kerr, Mrs. S. J. Lones, Mrs. W. S. Nelson, Mrs. R. E. Morgan, Mrs. J. G. McMillan, Mrs. H. C. Peck, Mrs. Ruckman, Mrs. K. C. Slough, Mrs. D. C. Sivalis, Mrs. P. N. Shriver, Mrs. M. F. Turner, Mrs. Lane Taylor, Mrs. R. L. Gates, Mrs. R. F. Meyer and a guest, Mrs. Al Turner.

Mrs. A. B. Clements, 506 West Louisiana Street, entertained Rebekah Circle members, with Mrs. W. H. Hall leading the opening prayer and the Bible study. Mrs. O. R. Phillips offered the benediction. Those attending included a guest, Mrs. H. N. Strickland, and Mrs. G. C. Johnson, Mrs. W. P. Hawkins, Mrs. Phillips, Mrs. T. O. Midkiff, Mrs. Hall, Mrs. J. P. Godwin and the hostess.

FREE WASH

It's a fact! We invite you to try our money-saving, time-saving, work-saving "Lauderette" service at ABSOLUTELY NO COST! Don't miss out! Come early!

"Lauderette" Does Your Wash In Only 30 Minutes

Nothing to buy—nothing to send in! Simply tear-out the valuable coupon below and bring it in with your trial bundle. You will receive FREE a regular 30-minute wash (including tumble-washing, triple-rinsing, and damp-drying) in one of our famous, fully-automatic BENDIX washers! This special offer is good Thursday, January 22nd only. Let us prove our claims! IT COSTS YOU NOTHING!

CONVENIENT! While Bendix does all her wash automatically, Mary has 30 minutes to shop in nearby stores. "Sometimes I read, knit, or visit with my friends."

There are plenty of Bendix automatic washers on hand to finish even the largest family wash in only 30 minutes. And you can shop, visit, or rest during the time, because the Bendix is completely automatic! Come in today and see for yourself why hundreds of your own friends and neighbors use our "Lauderette" service every week. Find out what we mean by "TELECOIN certified SERVICE", given only at "Lauderette." Read our pledge that guarantees you the highest standards of service and sanitation.

Watch how gently and thoroughly the Bendix does every job—from fine lingerie to heavy work clothes! Marvel at the whiteness and sweetness of your wash when it's done—and learn how you can end your washday drudgery for good!

TRY THESE "LAUNDERETTE" SPECIALS

It's housecleaning time again—a good time to get special jobs done (and done right) at your "Lauderette." Courteous, experienced laundry attendants will help you.

BLANKETS SLIP-COVERS CURTAINS DRAPES BEDSPREADS BATH MATS

30 MINUTES! When modern Bendix washers do your work, you have 30 minutes to spend as you wish. You can shop, read, or just rest! Washday drudgery is the most tiresome part of housework. "Lauderette" service ends it for once and for all—saves you time, energy and money!

"Lauderette" is a trade mark of Telecoin Corporation and identifies stores which have adopted the standards of service and sanitation of Telecoin Self-Service System. Telecoin Corp., 12 East 44th St., New York 17, N. Y.

Hancken 'In' Again As Greenville Pilot

GREENVILLE, TEXAS. — (AP) — The Greenville Majors of the Big State baseball league had a new manager Tuesday—Morris "Buddy" Hancken.

Club president Edgar Ablowich Monday night announced the former manager of the Ballinger Cats in the Longhorn League had been named to manage the Majors this year. Three days ago Ablowich denied a report Hancken had been employed.

Hancken, 31, a catcher, formerly played with Beaumont, Seattle, and Philadelphia.

He became manager of Ballinger in mid-season last year and guided the Cats from sixth place to third in the regular season standings, and the Cats won the Shaugnessy playoff.

Bulldogs Bound For Sweetwater

The Bulldogs of Midland High School were to leave early Tuesday afternoon for Sweetwater where they will tangle with the Sweetwater Mustangs in a District 3-AA basketball set to at 8 p.m. Tuesday.

Coch Jack Mashburn, who was to accompany the team, said his charges are ready to go following their 30-45 loss to the league-leading Big Spring Steers here last Saturday night.

To Big Lake Friday

The Midland cagers will journey to Big Lake Friday to take part in the annual basketball tournament in the Big Lake gymnasium. They are scheduled to meet the Sonora High team at 4 p.m. Friday in a first round engagement.

The Big Lake tournament is the oldest basketball tournament in West Texas and annually draws the leading cage teams of this area.

Texas Marine Earns 'Dough' For Parents

PLAINVIEW. — (P) — If Lavern Roach, the Texas Marine, ever battles his way to the middleweight championship, he'll enlarge on those words a fighter ordinarily says over the radio from "Hello, Ma; I won" to "Hello Ma, Hello Pa; I won for you."

It was the big obsession of the pride of Plainview as he pushes his way toward the top in boxing. The journey thus far has been in the category of sensational because he's only had 23 professional fights and lost just one—the first.

The other night Roach reached the big time as he licked Tony Janiro, a well-ranked fighter, in his first appearance as a headliner in Madison Square Garden. Now they're talking in New York about Roach drawing a \$100,000 gate in a bout with Marcel Cerdan.

Well, the quicker the money rolls in the better. Here in this Panhandle town they know the greatest ambition of the gentlemanly, clean-living young ex-Marine is to help his parents. They encouraged him in his desire to be the world's best fighter and his father had much to do with his development.

There's also another good reason why the 22-year-old Roach is after the big dough—a pretty Plainview girl.

At Quitaque, Texas, today, his father is operating a garage made possible by young Roach.

Lavern was a good fighter from the start. As an amateur he did well in the Golden Gloves and while in the Marines engaged in 33 bouts, winning all except one—a disputed decision to Joey Varoff in an inter-camp match.

Named the most promising boxer to come out of the armed forces in World War II, Roach received the identical award that presaged the long strides into boxing history of Gene Tunney of World War I.

AMARILLO GRID COACH TURNS IN RESIGNATION

AMARILLO. — (P) — Howard Lynch, for ten years head football coach at Amarillo High School, offered his resignation to the Amarillo School Board Monday night.

Lynch served as line coach under Blair Cherry, present University of Texas football coach, when the Golden Sables swept to three consecutive state championships in 1934, 1935, and 1936.

Boosters Make Final Plans For Football Banquet

Final arrangements for the annual Booster Club football banquet for the Midland Bulldogs were discussed at a meeting of the Boosters in the high school Monday night.

The banquet will be held Monday night in the cafeteria at North Elementary School. J. W. McMillen, Booster Club president, appointed Mike Brumbelev and Stanley Erskine to assist in arranging the menu.

The feature of the banquet will be the appearance of Henry Frka, nationally famous coach at Tulane University. He will present a 1,500-foot film of last season's Tulane-LSU game.

Three hundred persons are expected to attend the banquet, McMillen said.

Juniors, 'C' Cagers Licked By Odessans

John M. Cowden Junior High School basketballers staged a last-quarter rally against a team from Odessa Junior High here Monday night, and it looked suspiciously like a Midland victory until the last two minutes of the game. But the home boys were bested, 17-12.

Following the junior tilt, "C" squads from Midland and Odessa tangled in a fast contest that resulted in another Odessa victory, 27-20.

The Odessa Junior High quintet was immensely surprised in the fourth frame when the embattled Midland juniors came from away behind to even the score at 11-all. The teams remained even, Steven, until the last two minutes of the quarter. Then, to make a long story short, the Odessans sacked six points while the Midland men were making one. Dickie Glass led the Midlanders in scoring, racking up four points.

In the C-squad tilt, Holt registered nine points to shine among Midland scorers.

Baylor Brushes TCU To Maintain Clean SWC Slate

By The Associated Press

Baylor kept its undefeated record and position as one of three leaders in the Southwest Conference basketball race Monday night, brushing off Texas Christian University, 32-26.

The defeat was the third for the Horned Frogs by a margin of less than six points.

Wednesday night, Rice and Texas A&M tangled in a conference game at Houston while Arkansas takes on Alabama in an inter-sectional game at Memphis.

Baylor came from behind in winning its fourth straight game, overcoming an 11 point Frog margin at the end of 11 minutes of play.

But the Bears began to roll, scoring 18 points in four minutes while holding the Frogs to three, and led at the half, 27-22.

The only other games this week pit Arkansas against Arkansas State Thursday at Jonesboro, Ark., and Rice against Baylor Saturday at Waco.

WILSON'S

Oil Men

(Continued from page 1)
by the government, and that while dry seasons hurt the cattlemen, dry holes worry the oil men.

"Both have hazards," he added, explaining the value of organizations for protection of the rights of individuals.

Becker discussed the depletion allowance from income taxes, the steel shortage which concerns his industry and steps taken to prevent government controls of oil.

"Our freedom of enterprise should be guarded and preserved," he said, "and our hope-for-profit system should be encouraged. This hope for profit brings development of our nation. As in the case of the recent oil discovery in Upton County, it means a profit for the oil man but at no loss to any of us. Our hope is that more wildcaters in their search for profits will strike oil."

History Is Recalled
E. C. Moriarty of Wichita, Kans., an IPAA director, told of the organization of the independent operators and of their first trips to Washington to protect their rights by opposing a movement to stop all oil development.

The importance of the oil industry to the nation and the constant battle to keep bureaucrats from hampering the industry were outlined by Moriarty.

He explained that in Venezuela, Arabia and other foreign countries the governments control all oil, and its development does not bring wealth to citizens.

Blasé Theorists
He blasted theorists who claim that "oil is running out" and who want this nation to import all its oil and conserve its resources.

Moriarty charged that if oil men are not alert some theorists will persuade the government to take over the industry and not just control it.

He urged all oil men and all citizens of cities and towns in oil producing areas to support the IPAA, which seeks to encourage free enterprise and the "profit system."

M. C. Ulmer was toastmaster at the meeting and John P. Butler, president of the Midland Chamber of Commerce, was master of ceremonies.

Delbert Downing, Chamber of Commerce manager, welcomed the oil men to Midland. Officials Present

Members of committees which handled arrangements for the two-day meeting were introduced, and Ed Warren, an IPAA leader, presented officials of the organization.

Entertainment was provided by C. V. (Cap) Lyman, who read a poem to Becker, which was written by Lee Flood, and by a quartet. It included Ralph E. Smith, Leon Valdez, M. O. (Hoot) Gibson and Don Moore. Homer Meek was at the piano.

The IPAA leaders concluded their meeting with a luncheon Tuesday at the Midland Country Club.

Area VD Institute Concludes Tuesday At Auditorium Here

Concluding discussions in the two-day area venereal disease institute were underway Tuesday at the City-County Auditorium under direction of Miss Frances Buck, public health consultant from Washington, D. C.

Approximately 20 nurses and health workers from Midland and other cities of this section attended Tuesday's meeting. "Communicable and Non-Communicable Syphilis" was the principal subject of the session Tuesday.

Mrs. Jane Randolph, field supervising nurse with the State Health Department at Austin, accompanied Miss Buck here. A similar institute was held last week in Dallas, and others are to be held in San Antonio, McAllen and Houston.

Midland Men Named Crane Co-Op Heads

CRANE—Troy Laxton, formerly of Midland, was named to succeed L. J. Hicks as manager of the Crane Co-Op at the first annual meeting of the association here recently. Laxton will be assisted by J. B. Terry, also of Midland.

John Tillery, W. O. Murray and Alton Evans were elected one-year directors, and J. H. Hughes, Jr., V. R. Tomlinson, Roy Pilgrim, Joe D. Fisher and R. E. Wesberry were named to two-year terms. A three-year auditing committee, including F. F. Adams and Hayse Dameron, was elected.

D. W. Mays of Amarillo, district commissioner of association co-ops, was the principal speaker at the meeting.

Buffalo Trail Council To Hold 25th Annual Meeting In Big Spring

Election of officers for 1948 will be the principal order of business at the 25th annual meeting of the Buffalo Trail Council, Boy Scouts of America at the Settles Hotel in Big Spring Thursday afternoon.

The business meeting will begin at 4 p. m. with Guy Breneman of Midland, council president, presiding. At 6 p. m. there will be a banquet, to which council members and their ladies, Scoutmasters, Cubmasters, Eagle Scouts and Scouters are invited.

Joe M. Evans of El Paso will be featured speaker at the banquet, P. V. Thorsen, council executive, announced.

Oil & Gas Log

(Continued from page 1)
to about 9,000 feet—if it requires that much hole to explore the Ellenburger.

NO O&G SIGNS IN DST AT NE MARTIN PROSPECTOR
Sun Oil Company No. 1 Hale Northeast Martin County deep wildcat ran a one hour drillstem test in a sand section at 7,030-65 feet.

Recovery was 60 feet of drilling fluid, with no shows of oil or gas. The venture is coring below 7,072 feet in sand.

This project is 19 miles north of Stanton and 1,980 feet from north and east lines of section 36, block 35, TP survey, T-3-N.

PLYMOUTH TESTED AGAIN AT M-C STERLING VENTURE
Plymouth Oil Company No. 1 Foster, North - Central Sterling County exploration, about 11 1/2 miles north and west of Sterling City, had taken a drillstem test on the open hole at 8,316-76 feet, covering the section of the Ellenburger so far drilled.

The test showed gas soon after the tool was opened. There had been no gauge or estimate received on the gas volume. No fluid had been reported as having come to the top during the time the tool was in the hole.

Operator was pulling the drill pipe at last report.

GULF COMPLETES SHALLOW DISCOVERY IN CROCKETT
Gulf Oil Corporation No. 1 H. B. Cox, West-Central Crockett County shallow wildcat discovery, 29 miles west of Ozona, and in section 6, S. Sloan survey, Abstract 3389, has been officially completed as a new field opener.

On a 24-hour pumping potential it produced 184 barrels of 26.2 gravity oil from pay between 798 feet and the plugged back total depth of 943 feet.

The production section is in the Queen sand of the upper Permian. This well was originally drilled as a core test—but was completed when it developed commercial oil production.

REAGAN COUNTY LEASE DEAL IS ANNOUNCED
O. J. Weaver of Fort Worth has announced that he has secured a block of 5,120 acres in Northwest-Central Reagan County, to C. R. Craig of Fort Worth and Midland, on a straight 10-year commercial lease deal.

The property covers the last eight unleased sections of the Merchant heirs ranch and includes sections 11 and 12, block A, H&OB survey; sections 13 and 14, Wade and Hooper survey, and sections 16, 17, 18, and 19, IL&SB survey. No other details of the transaction have been learned. The block is 12 miles north of Stiles.

Oklahoma School Battle Headed Back To Courts

OKLAHOMA CITY —(A)—The legal battle of a 23-year-old negro woman to enroll in the University of Oklahoma Law School Tuesday was headed, back to the United States Supreme Court, which only last week directed the state to establish equal law school facilities for negroes and whites.

A negro school of law, established here in surprise move Monday by the Oklahoma State Regents for Higher Education, was branded by negro leaders as a "Jim Crow law school."

Ada Lois Sipuel Fisher, the negro seeking admission to the University's law school, will not attempt to enroll in the newly created law school but will stand on her application for enrollment at the State University, Roscoe Dunjee, a national director in the NAACP, said.

Dental Health Program Is Started In Schools

Dr. Edward Taylor, dental director with the State Health Department, is in Midland to help organize a dental health program in schools here.

The state health officer is working in cooperation with the Midland-Ector-Haward County Health Unit and with school officials. Dr. F. E. Sadler, director of the unit, said.

City Issues Permits To Master Plumbers

Midland city officials announced Tuesday that master plumber permits, required by a state plumbing license law which went into effect January 5, have been issued to the following:

E. B. Templeton of Heath and Templeton Plumbing Company, J. R. McProud of Midland Plumbing Company, Joe G. Whitmire of Whitmire Plumbing Company, C. E. Smith of Smith Plumbing and Heating Company, H. F. Kelly of Sanitary Plumbing and Heating Company, and to H. L. Hagler, A. B. Brooks and W. B. Shattuck.

Scouts To Explore Davis Mountain Ranch

Midland Boy Scouts will make an exploration trip to the Buffalo Trail Scout Ranch in the Davis Mountains this weekend. Executive P. V. Thorsen announced Tuesday.

Two Scouts and a leader from each Midland troop will leave from the West side of the courthouse at 8:30 a. m. Friday and return Saturday night, he said.

J. M. McDonald will be in charge of the group, which will be accompanied also by Stuart Painter, field executive in Midland.

Houston Steel Plant Has \$175,000 Fire

HOUSTON —(A)—A \$175,000 fire destroyed one of five buildings at the Houston plant of the Federal Steel Products Corporation early Tuesday. Two firemen received severe burns while fighting the blaze.

GRAPEVINE MAN KILLED WHEN STRUCK BY BUS
FORT WORTH —(A)—Robert Archie Chamblee, 48, of Grapevine was killed instantly early Tuesday when struck by a bus as he adjusted snow chains on his automobile on Highway 121, a quarter-mile east of Birdville.

ZONING COMMISSION TO MEET THURSDAY
A meeting of the Zoning Commission will be held at 7 p. m. Thursday in the City Hall. Chairman John J. Redfern, Jr., said Tuesday. Special policy matters are scheduled for discussion.
