Olton Butane Sells To West Texas Gas, Inc.

Olton Butane, founded early in 1946, has been purchased by West Texas Gas, Incorporated. The sale, effective Feb. 1, is being announced by J.C. Hamby and Houston Hamby.

The Midland based firm also acquired Hart Oil and Butane Company, Incorporated and Plainview Oil and Butane Company, Incorporated. They had purchased Dimmitt 66 and Chem-Tex Gas in Dimmitt Dec. 1, 1979 and also own businesses in Morton, Plains, Denver City, Clarendon and Andrews.

Established by the elder Hamby and Frank Cornelius, the business helped meet the demand for liquified petroleum at the peak period when area farmers turned to a more economical fuel than gasoline. The business began operation with one truck which was kept "on the road" at all times.

Butane sold as low as five cents in the firm's early days but averaged six or seven cents.

Houston Hamby grew into the business and became a full time associate after graduation from Olton High School. Jess Parker joined the firm in the early 50's.

The Olton men founded Hart Oil and Butane in 1955. Cornelius sold his interest in 1960.

In January 1978, key pump service was added to further serve the people of Olton.

J.C. Hamby is retiring but all other personnel of the Olton and Hart firms will remain. Parker will serve as manager of the local plant. Others continuing to provide services are Roy Harmon, Jack Kirby, O.Z. Findley and Billy Austin.

Houston Hamby will serve as district manager of Olton, Hart and Dimmitt with offices in Hart. Lonny Davis will manage the Hart unit.

Myrle Bradley, who joined the company in the early 50's, will continue as manager of Plainview Oil and Butane with James McCoy operating the Halfway unit. McCoy has been associated with the company since 1960.

The Hambys extend their appreciation to everyone in the community for the support and friendship shown throughout the years.

Dental Services Welcomed By Olton Community

Since the opening of Olton Dental Clinic Aug. 28, area residents have had available Tuesday of each week the professional services of Ronald Hawkins, DDS.

Graduate of Baylor Dental School, Dallas, Dr. Hawkins has had three and one-half years of practice in the city of Lubbock before opening the Olton branch office.

For one year he was an associate with Dr. Durwood Sanders. Two and one-half years ago he opened his own office for private practice.

With so many new dentists locating in the city of Lubbock, his work load did not prove to be heavy enough for his abundant energy. Hearing of a need for a dentist in Olton, he came to the city, looked the situation over and liked what he saw.

Dr. Hawkins bought the building at 610 Main Street, invested a considerable sum in remodeling and equipping it for his purposes. He now stands ready to offer expert dental services in the areas of examinations, including x-rays, cleaning, fluoride treatments, all types of fillings, crowning or bridgework.

The doctor does extractions, minor gum surgery, makes dentures including partial plates, bleaches rusty teeth and offers veneering. He states, however, that he is not an orthodontist.

Dr. Hawkins says his Olton office has about the same equipment as used in his Lubbock office, and the set-up is practically the same. His wife, Joy, serves as dental assistant.

Presently he has one treatment room. Future plans are for two treatment rooms and a two-girl staff for an office open two days each week, with the possibility of another dentist to share the work here.

He also plans to add nitrous oxide, commonly known as laughing gas, which is especially good for use with children who are tense or unnecessarily fearful.

Reared in Dallas, Dr. Hawkins is a graduate of Kimball High School. He holds a bachelor of science degree from North Texas State University in physics and math; a master of science in physics and math from the University of Texas and DDS from Baylor University at Dallas.

His wife was reared in Cooper. She too holds a BS degree from North Texas State University in the field of homemaking education. She has taught five years in the Irving school system. Joy has helped her husband set up both offices and works part time in the Lubbock office as well as at Olton.

Dr. and Mrs. Hawkins, who live in Lubbock, have one son Brent, two years of age. They are members of Bacon Heights Baptist Church.

The local phone, 285-3343, is equipped with a Record-a-Call system. Calls may be made to the number at any time and message left. The dentist or his assistant will return any call made in this manner early Tuesday morning.

Office hours are slated 9 a.m. until 5 p.m. each Tuesday.

The doctor may be reached for emergencies by calling the Lubbock office 792-6107.

'Salute To Elvis' Slated Here Feb. 23

Adult tickets are $2.50 in advance; $3 at the door.

Billed as the "Number One Elvis Show", the program has been seen by more than one million people. Bill Brooks of Tupelo, Miss. Presley's hometown, will sing songs the late rock and roll star made popular.

The program will co-star James White of "Rub It In" fame and will also feature Wayne Hopkins, Tom Webster and others.

Presley fans and all other music lovers are invited to attend. Proceeds of the show will be used to help provide equipment for Olton Boxing Team and to finance drug education materials.

Cemetery Funds Needed Now

Immediate response is needed to a plea issued this week by Olton Cemetery Association. Final payment is due March 1 on 3.6 acres of land acquired for the development of a new addition to the cemetery.

Purchase of more land became a necessity because available lots in the present cemetery are almost sold out. Association directors fear that space will be gone before the new land can be developed.

Cost of the land is the immediate financial burden faced by the Association although additional funds are needed for surveying, fencing, paving, landscaping and other work.

Some $25,000 is expected to be the cost of establishing the cemetery annex. That sum must be raised through contributions.

Contributions to this fund may be left with Cemetery Association treasurer, Gwen McClain, at Olton State Bank or mail to P.O. Drawer X, Olton, Tx. 79064.

In addition to answering this immediate need, OCA directors encourage persons to help provide for the maintenance of the cemetery by giving annually to the cemetery fund. No amount has ever been set for "dues" so that persons could give in accordance with their means.

'Gold Nuggets' Section To Begin In Enterprise

One Man's Trash is Another Man's Treasure.

Seeking to bring seller and buyer together, The Enterprise begins a new feature in the classified section.

Unused household items, small farm implements and the like may be listed in a new section, "Gold Nuggets" at the customary price of ten cents per word, with ten word minimum. Weekly running thereafter is five cents per word, with 75 cent minimum.

This new feature is added: If the total fee is paid before the item appears in the paper, (to save billing and mailing costs) the ad will also be placed in the next issue of both The Hart Beat and The Kress Chronicle, without additional charge.

Readers are reminded to be on the look-out for "treasures" listed in the new section of GOLD NUGGETS, helping all area residents to make the most of unused-but-useful items.

Police Investigate Accidents, Brak-Ins

Local officers last week were called to investigate two accidents.

Theresa C. Benton was driving north on Avenue E Jan. 28 when her 1975 Buick Skylark was struck by a 1975 Dodge van driven by Ruben Salas Garcia. Garcia, driving east on 5th Street, failed to see the approaching car and pulled into its right of way.

Tuesday's accident occurred on Main Street. Winston Bley was driver of the 1978 Mercury Marquis which was clipped by a 1976 Ford pickup driven by Ted Giles.

Both vehicles were driving north on Main and Giles' was changing from the inside to outer lane of traffic.

Saturday morning, Officer Dale Johnson was called to Olton Butane to investigate a break in. A back window had been broken by a rock found at the scene.

The intruder entered the office and took $1.50 in change. Nothing else was reported missing. The break-in occurred after 2 a.m. prior to daylight.

Community Clinic was entered Wednesday morning between the hours midnight and 9 a.m. Entrance into the building was made through a south window in the building which also houses Wayne's Printing. A discarded stove from the alley was moved beneath the window for the intruder to stand on to pry open the window.

After entering the building, the unknown person or persons gained access to the clinic through a connecting door. Examining rooms were entered but nothing was reported missing except $26 from a desk in the front portion of the building. No drugs are kept at the clinic.

Johnson submitted his resignation Tuesday morning and will begin working Feb. 20 in Dimmitt.

"It's a better paying job," he told the Enterprise this week. "I just can't afford to pass up the opportunity. I've enjoyed living here and appreciate the people of Olton."

HELEN LOCKE

Recipe Revue

Three bird feeders in the backyard of Helen Locke's home are bringing much pleasure to the woman who has lived in Olton since she was not quite four years old.

"Bird watching is my newest hobby," Helen says. She admits the small creatures offer a fascination that's contagious. She has learned much since she first became interested and discovered there are many more different birds in this area than she'd ever imagined.

All sorts of birds satisfy themselves with wild bird seed she lovingly provides. She hopes to eventually lure still other species, especially the small swallows she's seen nesting at the school grounds.

Recently she spotted a little yellow breasted warbler, a bird she'd never seen here. She's also spied a wren and a large bird she was not able to identify. She became especially fond of house finches which fed daily last winter.

Helen enjoys biking and recommends that fun activity as good exercise. She also likes walking with friends. She is an avid reader and recently discovered an entertaining magazine, "Good Old Days".

A practicing good neighbor, Helen checks almost daily with senior citizen neighbors and shut-ins, runs errands and shares goodies from her kitchen.

About three years ago, she became a regular sponsor for the Senior Citizens Club and enjoys their meetings. She is also a member of Olton Study Club.

Helen was born in Hollis, Okla., the daughter of the late Will and Allie Locke. She has one sister, Mardema Ogletree of Lubbock. She is a faithful member of Main Street Church of Christ.

Fond of all animals, Helen has two dogs and three cats. Two part-Manx cats have been named Charkie and Tina. Sparkie is the name she gave to a part-Persian kitten.

As unlike temperamentally as they are by breed, Ginger and Daisy are house dogs. Daisy is a docile, loving white Poodle while Ginger is a Lhaso Apso filled with playful mischief. Ginger also has a mischievous habit of honking for her mistress when left to wait in the car.

Helen enjoys collecting cookbooks and new recipes but almost always makes her own adaption. The Chinese casserole she shares is one of her own arrangements.

The filled cookie recipe is one Helen's mother made up and one feared lost by Helen and Mardema. Recently she was thrilled to discover that Curtis Scruggs had the recipe for "Allie's Filled Cookies".

Mrs. Sorley, Guest Reviewer For Olton Study Club Meeting

Mrs. Frank Cornelius hosted a meeting for Olton Study Club Monday, Feb. 4. The event, a guest night salad supper, was held in Woman's Club House. Mrs. Lily May Silcott assisted as co-hostess.

Following the informal serving of the meal, Mrs. Archie Sorley presented a review of the book "A Walk Across America" by Peter Jenkins. The book chosen became a segment of the year's study in which the club is taking "a trip around the world in 18 weeks".

Mrs. Sorley described happenings in Jenkins' journey. A 1973 college graduate disenchanted with America as he saw it, he was tempted to leave this country but decided instead to walk across the land to see for himself what it was really like.

As she developed the story, Mrs. Sorley explained that with plans to take a few months to walk with his dog, Cooper, to the Gulf of Mexico, some five years later he was still walking. Stopping to live and work among the people, he found himself. His journey also brought him to a religious awakening. From a cynic - he came to celebrate all that it can mean to be an American.

Special guests for the event were Mmes. Fred Hicks, Elizabeth Boruk, Frank Struve, Gene Trotter, J.L. Snider, Tom Sluder, Marguerite Hyatt, Jack Estes, Gilbert Roberson, Elmer Moore, Bob Coen, Owen Jones, Owen Norfleet, Curtis Scruggs, A.G. Huguley, Pearl Schreier, G.W. Langford, Don Muller and Miss Connie Hulsey.

Next meeting of the club has been changed to Feb. 11. Mrs. J.L. Carson will be hostess.

A horse can't pull while kicking;
This fact I merely mention;
And he can't kick while pulling,
Which is my chief contention.
Let's imitate the good old horse,
and lead a life that's filling;
And pull an honest load,
And there will be no time for kicking.

My vote of Thanks goes to none other than our Mayor K.Y. Givens. So many of us "girls" don't know any more about a car than how to start it and how to stop it. Therefore we make many visits to K.Y.'s station for him to keep us going. You drive up, out he comes, washes your windshield, then says, "You have a low tire, you need a quart of oil, your battery is low on water, your anti-freeze is O.K." You are nearly out of gas and you better fill up for it's going up." When he had finished with all this, he says, "Now take it on the highway and blow the soot out and you'll have a good car." What more could you ask for, and he does this for so many of us. We appreciate him. Oh! Yes! Once each year he says, "You need a new sticker."

Last Tuesday we held our monthly board meeting at Dorothy's Place.

Directors present were Melvin Rape, president; Mildred LaDuke, Doug Goen, Bill Yoakum, Dale Cary, K.Y. Givens, Wendell Potts, Robert Struve, Steve Spain and Lois Brimhall, manager.

The main topic of discussion was the Chamber of Commerce and Agriculture banquet which will be held Monday, Feb. 18. This year's banquet will have a patriotic theme. The program consists of the Olton Community Choir. We have an abundance of local talent and it seemed a shame not to showcase it. Wendell Potts is the program chairman and he has done a fine job of putting together an entertaining program. Richard Hayden is directing the choir. Mary Cary will accompany them.

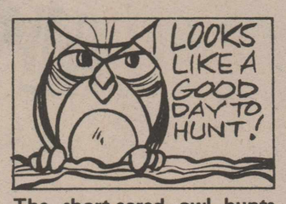

Leon Noack is in charge of food and arangements. He has promised us some fine, home-broiled steaks plus all the trimmings.

Steve Spain is in charge of tickets. He reported tickets are ready for sale. They may be obtained from any director or at the chamber office.

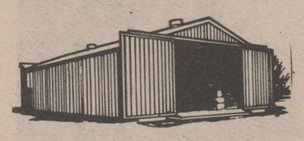

Mildred LaDuke, in charge of the decorations, has something special planned. Ray Kinnison will be the Master of Ceremonies.

An election of new board members was held. Directors whose terms expired were Wendell Potts, Leon Noack and Doug Goen. One more place was open because of the resignation of Larry Garvin. Those elected were Royce McFadden, George Richardson, Ray Kinnison and Leon Noack. Goen and Wendell asked not to be re-elected.

After the directors election, an election of officers was held. The following were elected by acclamation: Bill Yoakum, president; Leon Noack, vice-president; and Mildred LaDuke, secretary-treasurer.

Local Young Homemakers Attend Convention In Dallas

"Education: Key to the '80's" was the theme of the 18th Annual Convention of the State Association of Young Homemakers of Texas, Feb. 1-2, at the Dunfey Dallas Hotel. Olton members attending were Mary Bass, Delores Garcia, Jeana Ferguson, Cindy Burnett and Jimmie Gipson.

Their songs, dances and instrumentals covered music from the 50's, 60's, and into the present day. Oris Baldwin and his daughter, Jo Shannon, the 1979 "Miss Fort Worth", provided piano music and songs during the Awards Luncheon Friday. Mr. Baldwin, Minister of Music for Arlington Heights United Methodist Church, Ft. Worth, took 12 requests from the audience, then composed and delivered a musical rendition.
