## Skyrockets Meet Electra on Friday

Wellington Skyrockets return to Powell Field Friday night to meet the Electra Tigers, a team with greater potential than its record indicates.

Electra has not had a good season so far, but all their games have been close and Wellington coaches consider they may have a good club.

Electra went into district play with a 1-3-1 record, then lost Friday night to a strong Seymour team 14-6. The week before, it was a 14-12 loss to Nocona, but the Tigers held their opponents scoreless during three quarters.

Both touchdowns against Nocona came via passes from quarterback Scott Isbell, once to Bryan Dunson on a 13-yard pass and again on a 50-yard pass play to Terry Bruce. One of the Nocona scores came on a pass interception.

Wellington head coach Jim Forrester rates the 154 pound Isbell as a good quarterback, and Dunson, at 178, as a fine running back and probably Electra's best players.

The Tigers also have some size on their tackles, in Mike Kiselwick, 220, and Cary Klein 208, as well as in their fine

## Services Held Here Tuesday For Mrs. Cocke

Mrs. Frank Cocke of Wheeler, who was reared here, died in Mineral Wells Sunday evening, October 17. She was with a sister-in-law, Mrs. Kate Terry, at the time of her death. Mrs. Cocke had suffered from multiple sclerosis for a number of years.

The former Jewel Griffith, she was born in Oklahoma August 7, 1901, and came to Wellington as a small child. She attended school here.

She was married to Frank Cocke October 23, 1920, and moved to Wheeler County later that year. She maintained close ties with Wellington over the years, visiting here frequently.

Funeral services were conducted in Kelso Chapel at 2:00 p.m. Tuesday, with the Rev. R.T. Dyess, pastor of First United Methodist Church, officiating. Burial was in Memorial Gardens under the direction of Kelso Funeral Home.

Survivors include her husband, who was in Amarillo hospital when she passed away; two sisters and a brother, Mrs. Frank Sanders of Shamrock, and Mrs. John Mocharnuk of Albuquerque, N.M., and Ernest Griffith of Sherman. Mrs. Clyde Drake, a sister-in-law, is the only relative now living here.

## WHS Goes to District 2 A, Amonett Says

Alignment of schools under the new University Interscholastic League classification was made Monday afternoon, October 18, at a meeting of administrators in Clarendon.

Supt. Thayne Amonett, who represented Wellington, said that WHS will move into Class 2-A, effective with the 1972-73 school year.

This class will include two new members, Wellington and Turkey-Quitague Consolidated, and the six original members, Clarendon, Silverton, Wheeler, Memphis, Claude and McLean.

Turkey and Quitague will be consolidated with the beginning of the 1972 school year, in a new plant to be constructed mid-way between the two towns. Each was formerly a Class B School.

2-A has been a 6-school district.

In the Monday meeting, work was begun scheduling district football games, in order that coaches and administrators may fill in the non-district games to complete the schedule.

Class A Schools are those with an enrollment of less than 229 students in high school, Mr. Amonett explained.

## He Likes the Quality

## East Texas Packer Ships to Sagebrush

An East Texas meat packer who liked the kind of cattle Sagebrush Feed Lot, Inc., is turning out, has contracted with the Wellington firm to do much of the company's feeding, although it means shipping the cattle a round trip of about 525 miles.

Newsom Meat Packers of Mt. Vernon now has 450 head of cattle in the Sagebrush lots east of Wellington, and the number is due to grow to from 1,000 to 1,500 at a time, turning over three times a year, said John Barton, feedlot manager.

Besides this contract, Sagebrush Feed Lot, Inc. is finalizing contracts with other feeders closer to Wellington.

To take care of this business, the lot is building another unit of 500 to 1,000 head

capacity, with a turnover three times a year. This will increase the total feeding capacity of from about 12,000 to approximately 15,000 head per year.

"Newsom Meat Packers likes our kind of cattle. They seem to be yielding better, doing more for him and he keeps coming back for more," Barton said of the packing company owner.

Most of the cattle are brought in by company trucks when they weigh 300 to 400 pounds. In the four months they are on feed here, they will gain another 300 pounds, then the cattle are trucked back to Mt. Vernon for slaughter.

Most of these cattle are from East Texas, although Newsom Meat Packers also is buying some which Sagebrush has in its lots.

"He has fed at other lots which are larger than Sagebrush, but he likes our operation," Mr. Barton continued. "If everything goes well, we will be feeding a great majority of their cattle."

## Banks, FDIC Close Oct. 25

City State Bank, Wellington State Bank and the FDIC will join with other banks in closing Monday, October 25, in observance of the new date of Veterans Day.

The Congress of the United States and the Texas Legislature have designated the second and fourth Mondays in October as public holidays on which all state and federal offices and all banks in Texas must close, according to Oscar Lindemann of Dallas, President of the Texas Bankers Association.

The traditional Columbus Day of October 12 and Veterans Day of November 11 were changed several years ago by Congress and the Texas Legislature to the second and fourth Mondays in October. 1971 will be the first year, however, in which these new Monday public holidays will be observed.

Both dates were declared mandatory bank holidays by the Texas Legislature so that Texas laws would conform with the laws of the federal government and a majority of other states, Lindemann said.

SUSAN LOWE

KEITH DAVIS

## Four-H Gold Star Recipients Named

Susan Lowe and Keith Davis are the 1971 4-H Club Gold Star Boy and Girl in Collingsworth County. Announcement of their selection was made jointly by Mrs. Leta Hill and Don Reeves, Extension Service agents.

The Gold Star is the highest award a 4-H member can receive on the county level and selection is based on citizenship, leadership, projects carried out and general interest in 4-H work. The awards are given by the Extension Service.

Susan and Keith will be honored twice, first at the County 4-H Awards Program on November 6, and again at the District I Banquet in Amarillo November 20. Greenbelt Electric Co-operative, Inc. will be one of the sponsors of the latter.

Susan, 16, is the daughter of Mr. and Mrs. Bill Lowe and she became a 4-H member at the age of 9, the youngest boy or girl can join. Her principal projects have been with horses and she has competed in the State 4-H Horse Show two years.

She enters youth activity horse shows and this year is entering the open class barrel races. She and her family trained her own horses. She is a junior in Wellington High School.

Keith, also 16, is the son of Mr. and Mrs. G.N. Davis and his main projects have been with beef cattle, although he is now working with his father on grass projects. He is a junior leader in the 4-H Beef Club.

Keith has shown steers in all major livestock shows. He has had the county reserve champion beef calf; last year he exhibited second place Hereford and 8th place Angus in the Amarillo Fat Stock Show, and two more shows at El Paso, Houston or Ft. Worth. Keith is a sophomore in Wellington High School. He, too, joined 4-H at the age of 9.

## Catholic Church Completes Work On Interior

Parishioners attending Mass on Sunday, October 17, at Our Mother of Mercy Catholic Church, were pleasantly surprised by a number of changes which had been made in the appearance of the interior.

During the week, several men of the parish had worked under the supervision of Father Pat Burke, the Parish Priest, on the construction of a new altar in the sanctuary. It will comply with the new liturgical rules by facing the congregation. The old altar has been left in its place to house the Blessed Sacrament, Father Burke said.

Besides the off-white paneled altar, other improvements have been made in the 50-year-old church. The altars have been paneled in white, with a silver trim. The seats and kneelers have been secured to the floor with metal bolts, and a new system of lights has been installed around the confessional.

Working on the week-long project were Tip Miller, Gus Allen, Alfred Soldana Sr., A.D. Payne, Jess Peters, Jesse Romo Sr., Trinidad Cantu Sr., Lebrado Castro, Doroteo Garibay, and Joe Pena.

## Multi-County Probation Application Presented

Representatives of three counties and 5 schools approved the application for funding of a Multi-County Juvenile Probation Program in a meeting here Monday night, October 18. The application has been sent to the Panhandle Regional Planning Commission for review.

Participating are Collingsworth, Donley and Wheeler counties, and the School Districts of Quail, Samnorwood, Hedley, Shamrock and Turkey. The program remains open to other schools or counties.

Funding is sought from the Texas Criminal Justice Council in the amount of \$100,847. 10 for the three year program, County Judge Zook Thomas said. The total program, however, is a \$204,779.10 package with the participating schools

and counties to furnish the remaining \$103,932.00 as "in kind" contributions.

The application will go before the Criminal Justice Advisory Board of PRPC on Tuesday, October 26, and upon approval to the PRPC Executive Committee for review on Wednesday, October 27. Judge C.L. Abernathy Criminal Justice co-ordinator for PRPC, told the group Monday.

It goes next to the Criminal Justice Council in Austin, which can take it under consideration as early as its meeting on Friday, November 12. Should the agenda for that meeting be too crowded, it should come up at the December meeting.

If the program gets full approval, it will provide for a full-time chief probation officer, a probation officer and office-

manager, who, it is planned would be a woman to work with juvenile girls. They will serve the counties in the capacity of juvenile probation officers and the schools as truant officers, and a psychologist working part-time. Their full salaries would be paid by the Criminal Justice Council.

Headquarters for the program would be in Wellington.

Funding requested for the first year would be \$33,615.70 from the CJC, with the participating counties and schools contributing \$34,644, for a total of \$68,260. The contribution of the counties and schools would be "in kind" which could include such things as the services of county judges, attorneys and sheriffs, office space, supplies and resource personnel such

## County Salutes Past at Dedication and Pageant

Collingsworth's gala tribute to its heritage comes Saturday night, October 23, in three major events, each pointing to another era. These are:

- The chuck wagon supper served from 6:00 to 8:00 p.m.

- Dedication of the official Historical Marker designating the site of the old Rocking Chair Ranch, 8:15 p.m.

- A pageant, "Man & Land & Love" presenting vignettes of the county's history, immediately after the dedication, in the high school auditorium.

Tickets are on sale for the minimum donation of \$1 and this will cover both the supper and admission to the pageant.

The chuck wagon supper will be held at the elementary school cafeteria and foods traditional to the old ranch chuck wagons will be served.

## DEDICATION

Mrs. Ralph Randall of Panhandle, first vice president of the Texas State Historical Survey Committee will dedicate the Rocking Chair marker in the auditorium.

John Holton will be the master of ceremonies, and Deskins Wells will introduce the speaker.

The ceremony will begin at 8:15 p.m., and because of the lighting effects to be used, the doors will be closed and there will be no further admission to the dedication after it begins, said Mrs. Clyde Drake, president of the county Historical Survey Committee, which is in charge of the dedication.

Mrs. Randall is one of the small group of Panhandle women who initiated the movement for the Square House Museum in that city. Its fame has spread and its facilities have grown, until it is recognized nationally for its excellence.

She serves on a number of other boards, most related to

regional history, and she is on the board of the Panhandle Heritage Foundation, sponsor of "Texas" and "They Came from Spain."

The temporary location of the marker is in itself a fitting site. Surrounded by yucca, it stands on Highway 83 in front of the native rock office of Cudd Brothers Trucking. It will be re-located permanently upon completion of the proposed county park just north of Salt Fork River.

## "MAN & LAND & LOVE"

"Unsaddle your worries for this October 23 date!" declared Mrs. B.M. Sims, pageant script writer. "Hitch up your family and friends to a team of nostalgia and be a witness to the re-enactment of a prairie bouquet that includes all citizens of Collingsworth County."

With a contemporary family of grandparents and grandchildren, the audience will see scrapbook samplers of Collingsworth's yesteryear unfold in a mixed media production which picks up at the close of the dedication.

In three acts, geared to interest all ages, is an array of surprise props and exciting settings, with songs from days that used to be.

"The evening's presentation will be a time for reminiscing and for learning more about Collingsworth County."

The presentation is in three acts. Act I, entitled "A Beginning in Miniature" shows progress on Collingsworth prairies by cowmen, farmers and their families.

## Norwood Carnival Slated October 30

The Samnorwood community will join with the school for the annual Halloween Carnival Saturday evening, October 30, under sponsorship of the Parent-Teacher Association.

As in the past, the carnival will be in two parts.

The supper will be served from 5:30 to 7:30 p.m. in the school cafeteria. The menu will include turkey and dressing with all the trimmings. There will be carnival fun games for all ages.

Coronation of the Carnival Queen will be held in the school gymnasium at 8:00 p.m.

Prince and Princess nominees have been chosen from all rooms in grade school and from the junior high and high school grades, and the queen will be chosen from among these. The others will participate in the coronation ceremony.

These nominees include: Miss Rama Camp's room: Stan Tate and Beth Green; Mrs. Velma Hiett's room: Sally Martinez and Jack Clark; Mrs. Jack Lowry's room: Lynn Tate and Jona Stages; Mrs. Judy Orin's room: Michael Bentley and Kimberly Peeples; and John Thomas room: Mark Tarver and Donnie Knoll.

Seventh grade: Clinton Oldham and Mabeline Bryant; eighth grade: John Cruz and Eugenna Weldon; ninth grade:

Junior Coleman and Shirley Kirkland; tenth: Joel Dean Rainey and Mary Blair; eleventh grade: Randy Garner and Dianne Barefoot; and twelfth grade: Feliciana Segura and Ruby Kirkland.

## Farmers Union Completes New Officer Slate

As an attempt to hold cotton yields on allotted acres, Farmers Union members will request the county ASCS committee to recommend to the state ASCS committee that a freeze be placed on yields.

The action was taken in a meeting Monday night, October 18, when members also completed the slate of 1971-72 officers.

The resolution seeks to hold yields which would be affected by this season's drought damaged cotton crop.

To serve with President Donald Langley of Quail, elected in the September meeting, the Farmers Union elected Delbert White of Quail first vice president; Donald Coleman of Samnorwood, second vice-president; and Mrs. Delbert White secretary-treasurer.

## City-County Civil Defense Work Due

The City of Wellington and Collingsworth County will be participants in "Civil Defense Exercise 71", a five-day training exercise to be held beginning Monday, November 1, in the County Court Room, Court House, at Wellington.

This announcement has been made in a joint statement issued by Mayor John Coleman, and County Judge Zook Thomas, the County Civil Defense Director is Judge Thomas, who has worked closely with State Civil Defense representatives over the past several months in the planning for this special training, will serve as coordinator for the local exercise.

The City and County are two of 18 localities in Texas which will participate in the exercise, it was announced by Judge Thomas. The County and City staff will also be involved in the exercise by using the State's Emergency Operations Plans while operating from the State

Emergency Operating Center, a specially-constructed underground facility located at Austin. Other state agencies with emergency responsibilities will also participate.

"The purpose of the exercise is to afford a setting for realistic decision-making by officials in time of a nuclear emergency, and the exercising of emergency plans which have been drawn up by each of the localities participating", Mr. Coleman and Judge Thomas stated.

Also scheduled for participation in the local exercise will be representatives from each of the emergency services of the City and County, together with other personnel who have emergency responsibilities. "Each participant will have a real chance to evaluate the readiness, capability of his own operation by working to solve the 'problems' of the exercise," Judge Thomas pointed out.

## Couple Goes to State History Group Meeting

AUSTIN - Historic Del Rio will be the site of the 1971 annual meeting of the Texas State Historical Survey Committee, to be held October 29 and 30. Attending from Wellington will be Clyde Drake, president of the Collingsworth County Museum, and Mrs. Drake, chairman of the County Historical Survey Committee.

One of the highlights of the convention will be a tour of prehistoric Indian pictographs at the Fate Bell Rockshelter not far from Del Rio. In addition, Harry Middleton, Director of the LBJ Library, will be the special speaker at a banquet Friday evening.

Opening Friday morning, the meeting will include a talk on "Archeology in the Amistad Reservoir Area." "State Legislation Affecting Historical Preservation" is the topic of another major talk which will be followed by a panel presentation entitled "What to Do Before the Bulldozer Arrives: Preservation Strategy."

General James U. Cross, Executive Director, Parks and Wildlife Department, and Senator Don Kennard of Fort Worth will speak Saturday on the special parks fund as it relates to the acquisition of historic sites.

"National Organizations and Agencies: How They Can Help You" will be the title of a talk which will focus on the National Trust for Historic Preservation, the American Association for State and Local History and the National Archives.

Also on Saturday the topic of "Historical Research" will be treated. This will be followed by a presentation on "Texas Tourism Today."

## Miss Young to Church Meeting

Mary Young, daughter of Mrs. Lutrenia Tennison, recently attended the 7th Quadrennial Session of the Woman's Missionary Council of the Christian Methodist Episcopal Church, representing St. John's Methodist Church. It was held in Detroit.

She was elected on the constitution and by-laws committee for a four-year term from the Mattie E. Coleman junior organization. With other delegates, she traveled by chartered bus from Dallas.

In addition to council meetings, the group went sight-seeing and were given a banquet at which Miss Young served as one of the hostesses for her group.

The next meeting will be in Memphis Tennessee in August of 1972.

First use of the railway suspension bridge was at Niagara Falls in 1855.

## Quail Teams Meet Mobeetie Friday

Quail Quails and Bobwhites will host the Mobeetie boys and girls Tuesday, October 26, for the second meeting of these basketball teams this season.

Coach Bill Wilson said he expected both his girls and boys to show still more improvement from the first meeting, Quail's opener. In those games, played at Mobeetie, Oct. 8, Quail boys won 76 to 70 and the girls lost 41 to 26.

Quail has an open date Friday, October 22.

Quail boys played a good defensive game during three quarters of the Mobeetie game, until three first string players were lost by fouls.

Play was about even during the first period, then in the second, Quail scored 32 points while holding Mobeetie to 11, and the half-time score was 49 to 27. Mobeetie boys scored 21 points in each of the last two periods, while Quail made 16 and 11.

High point players was Quail's Larry McCann, with 21, while Medley had 20 for Mobeetie.

The Bobwhites showed lots of hustle, and the first half of the girls game was fairly even,

but Mobeetie pushed forward in the third and fourth quarters to take the game by a substantial margin.

Sherri Canada received a shoulder injury in the third quarter, and Coach Wilson said Monday it is not yet known how long she will be out.

High pointplayer was Debbie May of Mobeetie with 17, while Ola McCann of Quail had 12.

Playing for the Quails were Gary Brown with 19 points; Jerry Alston and Laron Peters 12 each; Jerry Barton, 7; Larry McCann 21, Terry Canada, 5; Reggie Souder, Joe Barton and Calvin Green.

Mobeetie players were McCurley, Newman, Medley, Johnston, Crose, Barton, Sims, Seitz, and Wright.

Quail girls were Ola McCann, with 12; Sherri Canada, 7; Mallie McCann, 6; Doris Peters, 1; Lenora Oatman, Judy Gosnell, Debra Culpepper, Karon Peters, Sheri White, Sandra Sullivan, Janet Patterson, Hope Souder, Susan Langley. Playing for Mobeetie were Carla Ridgeway and Kay Ridgeway with 12 each, Debbie May, 17; Sheila Barton, Becky McCurley, Ann Allen, Tanja Dunn and Betty Seitz.

## Quail News

By Mrs. G. T. Stephens

We received approximately one inch of rain in Quail Sunday night, and as much as one and a half inches was reported in the Marella community. It will be a boon to the young rye and wheat crop.

Pvt. Johnny Dee Hook, of Ft. Polk, La., is home on a two weeks leave, visiting his parents, Mr. and Mrs. D.F. Hook, and other relatives. At the end of leave, he will be reassigned.

Paul and Randy Gollighugh of Amarillo spent the week end in the home of Mr. and Mrs. Albert Gollighugh and Dub. Other guests Sunday afternoon were Mrs. Eugene Vernon and daughter Betty of Wellington, and W.F. Howard Sr. of Childress.

Mrs. Des Meason of Oklahoma City visited in the home of Mrs. T.C. Crabtree from Wednesday until Sunday. Mrs. Meason's brother-in-law, Mr. and Mrs. Fred Meason of California, were visiting in Oklahoma City and brought her to Quail. They returned to Mangum Wednesday afternoon to visit relatives there. Sunday, Mr. and Mrs. Crabtree and Mrs. Meason attended a Meason family reunion at Lugert, which is an annual event.

Mr. and Mrs. Obie White visited in Haldton, Oklahoma, last week with relatives.

Mr. and Mrs. Ople White visited in Llano last week with their son, Mr. and Mrs. Rudell White.

John Carson, Jr., had an emergency appendectomy in Highland General Hospital, Pampa, Thursday, October 14. His condition was reported as satisfactory Tuesday, October 19. Mr. and Mrs. Ben Farmer and Mr. and Mrs. John Carson, Sr., and R.P. Carson of Wellington visited John Jr. Saturday. Candee, daughter of Mr. and Mrs. John Carson, Jr., came with her grandparents and spent Saturday night.

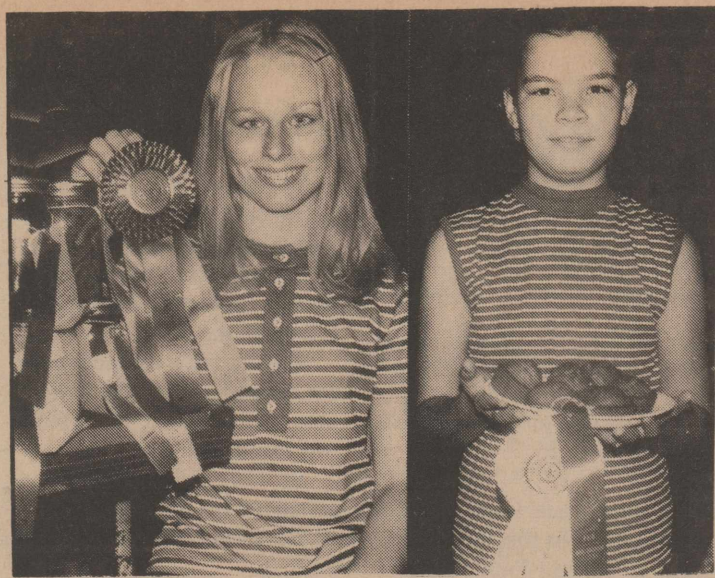

Mr. and Mrs. John Carson, Sr., visited in Hollis, Oklahoma, Monday with Mrs. Howard Greenwood, John's aunt.

Rufus Jones, who lives 6 miles north of Quail, reports an unusual pear tree in his

orchard. The tree blossomed out last week in beautiful white blooms and it looked like a snowbank. It had very few blossoms last spring at regular blooming time, and didn't have any fruit at all this year. However the tree, approximately four years old, had a fair-sized crop last year.

Mr. and Mrs. Wayne Patchell of Medina, Calif., came Sunday for an extended visit in the home of Mr. and Mrs. Z.J. Neeley and other relatives. She is Mrs. Neeley's sister.

Guests in the home of Mr. and Mrs. Carol Blevins Sunday afternoon were Mrs. W.M. Scott of Wellington and Mrs. Ham Holton of Hollis, Oklahoma.

### AWARDS FOR CANNING AND COOKING

Two who displayed their ability at canning and cooking in the County Fair last month were these young ladies. They are Sheri White, left, and Kay Coffee.

## B Team Plays Quanah Indians Thursday Night

Wellington Skyrocket B team will travel to Quanah Thursday, October 21, to meet the Indian B team.

Game time is 7:00 p.m. "We expect Quanah to have a team that is about like the Shamrock Irish B," said Coach Don Lacy. They have played Shamrock twice and won by close margins, a single touchdown on one and three points on the other. We figure they will be a little stronger than Shamrock, but not a lot."

Wellington will be seeking its second victory, after taking a 48-24 victory over the strong Irish B last week.

## Van Meters Return Here

Mr. and Mrs. Estel Van Meter and their two sons, who moved from here about a year and a half ago, have returned to make their home.

Mr. Van Meter is employed at Sagebrush Feed Lot and the family is living four and one-half miles east of town. They lived at Greensburg, Kansas, after leaving here.

Their daughter, Karen is a second year student in Phillips University, Enid, Oklahoma. Rex has enrolled as a junior in Wellington High School and Otis is in the sixth grade.

Dining cafeteria style originated in New York City in 1843.

## Junior High Takes Double Header Thursday

Wellington Junior High Football teams took a double header from Shamrock here Thursday, October 14.

Coach Carroll Nunnelley's eighth grade won 20-8 while the seventh grade team, coached by Dick Hamilton, was victorious 28-8.

### EIGHTH GRADE

The first scoring drive was mounted by Wellington with three pass plays: the first from George Brewer to Neal Cochran for 30 yards; Brewer to Edward Thomas for 10 yards, and on the third, Richard Sims, took the 7-yard pass and went over for the touchdown.

This 6-0 score held through the first half. Wellington threatened twice, but couldn't get the ball over.

In the third period, Bobby Cantu scored from 60 yards out on an end sweep, behind the effective blocking of Cameron Moore, Nicky Vassey, Jackie Black and Brewer.

Midway in the fourth quarter, Victor Aguirre intercepted a Shamrock pass of about 40 yards and went all the way for a score. The try for extra points was good on an end sweep by Brewer.

Shamrock's score came with 49 seconds left in the game, on an 85 yard end sweep by Joe Martinez, behind good Shamrock blocking. The try for extra point was good.

"I felt our offense looked better than it has been in previous games, as far as moving the ball and scoring is concerned. Out defense played its usual game -- real well," Coach Nunnelley commented.

There was one injury. On the last play of the first half, Neal Cochran broke the little finger of his left hand and it is not known when he will be back in the lineup.

### SEVENTH GRADE

Jesse Runnels was the first seventh grader to score, and this was on an end sweep from 30 yards out, behind good blocking of Cantu and Tony Martinez, with the entire line joining in. The try for extra points was good.

Runnels accounted for the second score, also again sweeping end from about 30 yards out.

Cantu was the third to score, on an off-tackle run of 40 yards and the conversion after touchdown was good.

Wellington closed out its scoring late in the second when Martinez intercepted a pass and made good an 85 yard runback. The lone Shamrock score came in the third quarter, on a 25 yard pass, and the conversion was good for two points.

"There was real fine effort on the part of all the boys, and especially of the line in

blocking and tackling. This was the best game we have played all year," said Coach Hamilton.

The seventh grade now has a 3-1 record.

## Austin Couple Visits Kin

Mr. and Mrs. John O. Thompson of Austin visited recently in the home of his mother, Mrs. Sophronia Thompson, and their Aunt, Mrs. Mayme Somerville.

They commented on the beautiful weather in Collingsworth, after spending the past 10 years in Austin, where they own and operate the Austin Motel.

They were en route to San Francisco to visit their daughter and grandchildren.

MRS. KENT CLARK

## Deborah Neeley, Kent Clark Marry in Quiet Ceremony on October 11

Miss Deborah Joyce Neeley and Earl Kent Clark were married in Panhandle Monday, October 11, at four in the afternoon. The Justice of the Peace performed the ceremony.

The bride is the daughter of Mr. and Mrs. Raymond Neeley, and of the late Mrs. Delma Neeley. Mr. and Mrs.

Earl Gene Clark are the parents of the bridegroom.

For her wedding, the bride wore a blue knit dress in empire style, with a sleeveless bodice.

After the ceremony, the couple left on a short wedding trip to Amarillo.

A graduate of Wellington High School this spring, the bride is the reigning Miss Wellington. She was enrolled in Career Training Center in Amarillo at the time of her marriage.

The bridegroom was graduated from Wellington High School in 1968 and attended Midwestern University in Wichita Falls and Clarendon College. He is presently engaged in farming and ranching here.

The couple is at home at 702 10th Street.

## HDC Council Luncheon Features Reports on State, National Groups

A salad luncheon honored members of the County Home Demonstration Club Council to highlight an all-day meeting Monday, October 11.

It was held in the Heritage Room of Wellington State Bank.

A special event of the meeting was a cultural arts display, with each club exhibiting hand work, paintings, or crafts which have been made this year.

A guest speaker was Mrs. Clyde Drake, who presented plans for the Historical Survey Committee pageant.

After lunch, the regular council meeting was held with Mrs. Malcolm Horton, chairman presiding.

In the morning session, reports on the National Extension Homemakers Council Meeting and the Texas Home Demonstration Association convention were given by Mrs. Haskell Manuel, county THDA chairman; Mrs. Jake Meadows, Mrs. Edna Bradley and Mrs. Cecil Masten. They represented the county at these meetings, held concurrently in Dallas in late September.

A keynote speaker of the national meeting was Edwin L. Kirby, administrator of the Extension Service, Washington, D.C., who commended the 2,500 homemakers for their leadership with youth, the dis-

advantaged, poor, elderly and handicapped.

"We are happy that you are taking a hard look at your program priorities to be sure that they are high priorities designed to make the best possible use of your membership's time and resources; help Extension's efforts zero in on high priority problems with an appropriate balance for all people; and insure your continued growth and vitality," Mr. Kirby emphasized.

Other key speakers were John Hutchinson, state Extension Service director, and Mrs. Florence Low, home economics director.

The women also attended workshops and rap sessions, each conducted by a national leader.

Mrs. Argen Draper of Hereford was the home demonstration agent representing District 1.

Approximately 35 women attended, representing the six home demonstration clubs in the county, Wellington, Midway, Abra, Fresno, Dodson, and Sannorwood.

Mrs. R.W. Brantley returned last week after visiting in Jacksboro with her daughter Mr. and Mrs. Harvey Sikes.

Van Parrigin of Lubbock visited his parents Mr. and Mrs. Marcus Parrigin last Thursday.

Mr. and Mrs. Morris Brown of Bethany, Oklahoma, visited Tuesday and Wednesday, October 12 and 13, with Mr. and Mrs. Edgar Lockhart, Buford Riley and Kent.

## Music Club Begins Year

A Kaleidoscope of Colorful Music" will key the 1971-72 club year for the Wellington Music Club.

At the opening dinner, the toastmaster was the club president, Mrs. Truett Holland. Presenting the year books was Mrs. Allen J. Peters, vice-president.

"Kaleidoscope Aura" was the theme for the Federation Day dinner which included a Texas Federation of Music Club orientation panel. A trilogy entitled "You as a Music Club Member", the panel was moderated by Mrs. B.M. Sims, state board member. Demonstrations, displays, and other visual aids were used by the panelists. As a member (Are You a Music Drop-out?) was presented by Mrs. Don Van Pelt; as a volunteer (a survey of music therapy locally) by Mrs. L.W. Wells; as a performer and listener (audience participation with cultural events mentioned in continental United States, Hawaii and London.)

Table grace was "Invocation" by Julia Smith, a Texas Composer, as performed by Mrs. Van Pelt and Mrs. Sims. The buffet centerpiece was a small white grand piano topped with a bouquet of vividly colored flowers. The tables for four were covered with multi-colored clothes with white appointments filled with vivid flowers. White napkins were in kaleidoscope holders.

The registration table had a sunburst effect of colors dotted with gold musical instruments in miniature. Guests at the Heritage Room were

Mrs. Russell Yates, Mrs. Steve Schmidley, Scott Schmidley, and Holly White. Members attending were Mrs. Dan Hendard, Jr., Mrs. Holland, Mrs. Kyle Lindley, Mrs. Peters, Mrs. Sims, Mrs. Van Pelt, Mrs. Orville Vaughan, Mrs. Velman Warrick, Mrs. Elaine White and Mrs. Wells.

The host committee was Mrs. Holland, Mrs. Wells, Mrs. Peters, and Mrs. Sims.

## Dodson Club Orders Pine Seedlings To Be Placed in Cemetery There

A hundred loblolly pine seedlings to be set out in the Dodson cemetery have been ordered by the Dodson Civic Club, members were told in a report at their October meeting. The event was held in the home of Mrs. B.B. Martin with Mrs. Peyton Smith as co-hostess.

The program from the Home Life Department was brought by Mrs. Dennis Holland on New Trends in Family Living. The speaker reminded the group of the fast changing world and the environmental revolution in which they are living.

These changes have not appeared suddenly, but gradually over a period of years, she reminded. "With all the labor saving devices, today's housewife has less spare time than her mother, for while she has clothes in the washer, she is off to some civic function or a job. "Whether we like it or not, the world is fast changing and we as individuals are being forced to change with it," the speaker said.

A panel discussion was then held on the needs of channeling constructive elements for youth.

Mrs. Herb Redeker presided at the business session and Mrs. T.E. Lennon read the opening scripture. Members voted to place a box in the J.C. Howell

## Dorcas Class Holds Social

The Dorcas Class of First United Methodist Church met in the Heritage Room of Wellington State Bank for their monthly social.

Mrs. R.H. Ball gave the invocation and Mrs. Jennie Holcomb and Mrs. W.F. Vaughan served as hostesses.

After refreshments were served, members spent the remainder of the evening in games and visiting.

Those attending were Mr. and Mrs. Earl Alexander, Mr. and Mrs. Eddie Smith, Mrs. Ball, Mrs. Mayme Somerville, Mrs. Ruth Crawford, Mrs. Jessie Metz, Mrs. Olean Leggett, Mrs. G.L. Jones, Mrs. Emma Jones, Mrs. S.L. Lindsey, Mrs. Annie Clark, Mrs. W.E. Brewster, Mrs. Beatrice West, Mrs. Henry Vaughan, Mrs. J.F. Michael, Mrs. Holcomb and Mrs. W.F. Vaughan.

## Builders Class Gives Luncheon

The Builder Class of First Baptist Church entertained with a luncheon Thursday, October 7, honoring the visiting evangelist and singer, the Rev. Shad Rue and Alan Hamlin. Other guests were the Rev. and Mrs. Roy Collins, Clifford Rogers, church music director and Mrs. Rogers.

The program included songs by the music directors, followed by prayers.

A class business session was held later.

## "EXCEPTS" OF THE LORD

By Gaylord Cook

"Except" means "unless". They are the "musts" of the Lord, expressing the least that a man can get by with and enter heaven, but who would want to do as little as possible in the kingdom?

1. "EXCEPT ye turn, and become as little children, ye shall in no wise enter the kingdom of heaven (Matt.18:3)
2. "EXCEPT the Father that sent me draw him . . ." No man can come to Christ without being drawn through the gospel (John 6:44, 45; Rom. 1:16)
3. "EXCEPT ye believe . . . ye shall die in your sins" (John 8:24; Acts 4:12)
4. "EXCEPT ye repent, ye shall all in like manner perish" (Luke 13:3)
5. "EXCEPT one be born of water and the Spirit, he cannot enter the kingdom of God." (John 3:5)

## A 1972 All-America Rose

Apollo, a 1972 All-America Award winning rose, is a magnificent soft yellow hybrid tea rose on a strong sturdy bush. The classic blooms of delicate sunrise yellow suffused with shadings of red, are quite large, often 5 to 6 inches across, and hold their color throughout the life of the bloom. The bush is vigorous and continues to bloom from spring until late fall. This rose is available for fall planting.

Mrs. Estelle Gregory of Eugene, Oregon, has returned home after visiting 10 days with her parents, Mr. and Mrs. O.W. Peebles and her brothers Mr. and Mrs. Ray Peebles, Mr. and Mrs. Virgil Estes and Hubert Peebles.

Mr. and Mrs. Virgil Estes spent the week end with their daughter and family, Mr. and Mrs. Glen Harigrove, Craig and Lynda in Odessa.

Mrs. Paul Starr and Mrs. J.D. Wilson were in Amarillo Wednesday, October 13, where they were joined for lunch by Mrs. Starr's daughter, Mrs. Charles Allen of Canyon.

Mrs. J.T. Tatum has returned from a trip to the northwest to visit grandchildren, Mr. and Mrs. Billy Blades and children of Marysville, Washington, and Mr. and Mrs. Trent Thornton of Burley, Idaho.

## 1954 Study Club Opens Year, Plans Museum Tour to Canyon

The 1954 Study Club opened the year with a luncheon in the Heritage Room of Wellington State Bank Thursday, October 14. Hostesses were Mrs. Lynn Courtney, Mrs. R.L. Templeton, Mrs. Fred Cox, and Mrs. Wayne Cudd.

A short business was conducted by the president Mrs. Cal Hurst. Plans for the next meeting were made. This will be a tour of the Panhandle Plains Historical Museum on the campus of West Texas State University, Canyon, on October 28.

Table favors were narcissus bulbs.

Colorful candles decorated the individual tables, and a large candle in shades of orange centered the serving table.

## Mrs. Harris Hosts NWMS

Mrs. Joe Harris entertained members of the NWMS of Wellington Church of the Nazarene Tuesday, October 12.

In the opening phase of the meeting, presided over by Mrs. Clyde Emmert, Mrs. Frank Falk led the singing with Mrs. Harris as accompanist, Mrs. Rosalie Roberson gave the prayer and Mrs. Philip Daniels the devotional.

Mrs. Emmert then discussed the five-point system in order to be a star society. Mrs. Fred Yarbrough read the secretary-treasurer's report.

Mrs. Harris gave the lesson, "The Church Goes Latin," from the study book, "Ministering to the Millions," then Mrs. Robert Posey gave the dismissal prayer.

Refreshments were served to Mrs. Howard Breece, Mrs. Maggie Cass and Kenny Harris, visitors, Mrs. Emmert, Mrs. Roberson, Mrs. Falk, Mrs. Posey, Mrs. Yarbrough, Mrs. Lebron Goswick, Mrs. Leslie Moore, Mrs. Oral Bishop, Mrs. Eva Cornelius, and the hostess, Mrs. Harris.

## Happy Homemaking

By BARBARA BAKER

If you want to glue two pieces of wood together and do not have the right clamps, apply glue to both pieces and rub the glued sides together until the glue begins to set. The pieces will hold just as well as if you had used clamps.

A plastic bowl scraper works fine for patching up holes in a plastered wall with patching plaster.

Make your own substitute if you don't have a magnetic screwdriver and need one for a repair job. Rub your screwdriver over a wet cake

of soap a couple of times. You can place from the tiniest to the largest screw on it and it will hold them like magic.

Put several soft paper towels by the telephone before starting a painting project. If you have to answer the telephone while working, just pick up a towel and then the telephone, and this will keep the telephone from getting smudged with paint.

Use old ear muffs for door knob covers to protect your walls against banging.

## In the Kitchen

### PECAN PIE

3 eggs  
1 cup granulated sugar  
1 cup pecans (whole or coarsely broken)  
1 cup dark corn syrup  
1/4 cup catsup  
2 tbsps. melted butter  
1 tsp. vanilla  
1 unbaked 9-inch pie shell  
Heat oven to 375 degrees. Beat eggs slightly to blend yolks and whites. Stir in sugar and all other ingredients. Pour into pie shell and bake 40 to 45 minutes or until knife inserted near center comes out clean (filling may still be bubbling around edges). Chill before serving, but do not refrigerate.

RAMONA ELAINE BOGGS

## Boggs-Owens Wedding Set

A former county couple, Mr. and Mrs. Edgar W. (Eddie) Rogers, of Choctaw, Oklahoma, are announcing the approaching marriage of their daughter, Ramona Elaine, to Alvin Randall Owens.

The couple will be married Saturday, November 6, at eight in the evening in Midway Baptist Mission at Choctaw.

The bride and her family formerly lived at Dodson. She is the granddaughter of Mr. and Mrs. Marquis L. Adkins, formerly of Loco, now of 3815 Van Buren, Amarillo, and Mrs. R.C. Boggs, of 2912 SW 11th Street, Oklahoma City, formerly of Dodson, and the late Mr. Boggs.

## Wellington Duo Visit Relatives, Points of Interest in Virginia

Two Wellington women, Mrs. Clarence Kesler and her daughter, Mrs. W.C. Harwell, returned Tuesday, October 12, from a month's visit with relatives in Roanoke, Virginia, and other points in that area.

They were accompanied by Mrs. Wilton Taylor of Wichita Falls, a cousin of the late Mr. Kesler.

During this trip, Mrs. Kesler saw 18 relatives with whom she and her husband visited on their last trip to Roanoke, in 1913 -- fifty-eight years ago. She also mentioned that although she is 81 years of age, she drove more than half the distance on the trip.

Their first stop was at Nodena, where they visited and had lunch with Mrs. Kesler's desk-mate at Fresno School, Mrs. Monroe Gilmer who was then Lora Black.

Cooper was their last stop in Texas, and they visited Mrs. Taylor's mother and other relatives.

Traveling on a Sunday, they attended services at a roadside church and found themselves part of its homecoming.

Salem was their first stop in Virginia, but much of their time was spent in Roanoke. Relatives took them to Boon Mill, Va., where they saw Mr. Kesler's birthplace, visited the family cemetery and the log house where his grandfather was born in 1813. On another day they

went to historic Lookout Mountain, and on still another day they went to Mill Mountain, where they watched flour and meal ground in a water-powered mill; sorghum molasses cooking in an open vat, and applebutter being made in a kettle.

## Faithful Workers Class Convenes

The Faithful Workers Class of First Baptist Church met Monday evening, October 18, in the home of Mrs. Eugene Bawcom for a regular meeting.

The opening prayer was by Mrs. Rolan Bryan and the business was conducted by Mrs. Bawcom, outreach director. Games were led by Mrs. E.B. Seale and Mrs. Henry Langford.

Mrs. Henry Wolf gave the dismissal prayer.

Refreshments were served to Mrs. Waymon Moody, Mrs. Dalton Vaughan, Mrs. Henry Langford, Wolf, Seale, Mrs. Leon McClelland, Mrs. Elmer Haralson, Mrs. Milburn Derryberry, Mrs. Bawcom, and the teacher Mrs. Bryan.

**VESTED INTEREST** — A long-sleeved blouse and make-believe vest top off schoolgirl knickers for fall. In striped cotton canvas.

Scott Neill of Salida, Colorado, and his step-father, Cliff Burns of Cactus, flew here last week to visit Judge and Mrs. R.L. Templeton. Mrs. Neill and the children stopped in Borger to visit with her family. The Neils lived here several years.

Mrs. Robert Lewis and Mrs. Sam McGill visited in Dallas Thursday, and on Friday brought Sandra McGill home for the week end. She returned to Dallas Sunday, where she is attending the Dallas School of Fashion Merchandising and along with this she works in a major Dallas Department Store.

## Little Want Ads Big Market Place

Consider the little want ad.

Classified pages of all U.S. newspapers are the market place of the nation - the town crier for wants and needs, the clearing house for everything from cluttered attics to clobbered lives, the business index of any community.

Advertising has grown to big business in America. But it all started with the little want ad. When America was young, and a man had something to sell, he announced it in a few lines of type. Today he often does it in a few hundred lines, maybe in several colors with pictures and glowing descriptions. But the great-granddaddy of his ad still around - still selling goods, finding lost dogs, renting vacant houses, making myriad announcements, public and personal.

No modern invention is the want ad. Two thousand years ago, in the city of Pompeii one Antonius had this inscribed on a stone: "A copper pot is missing from the shop of Antonius. Whoever brings it back will receive 65 sesterces. If anyone shall hand over the thief he will receive an additional reward." Later in Rome, ads announcing public sales, absconded debtors and things lost and found, were written and distributed in the form of Libelli, or bills.

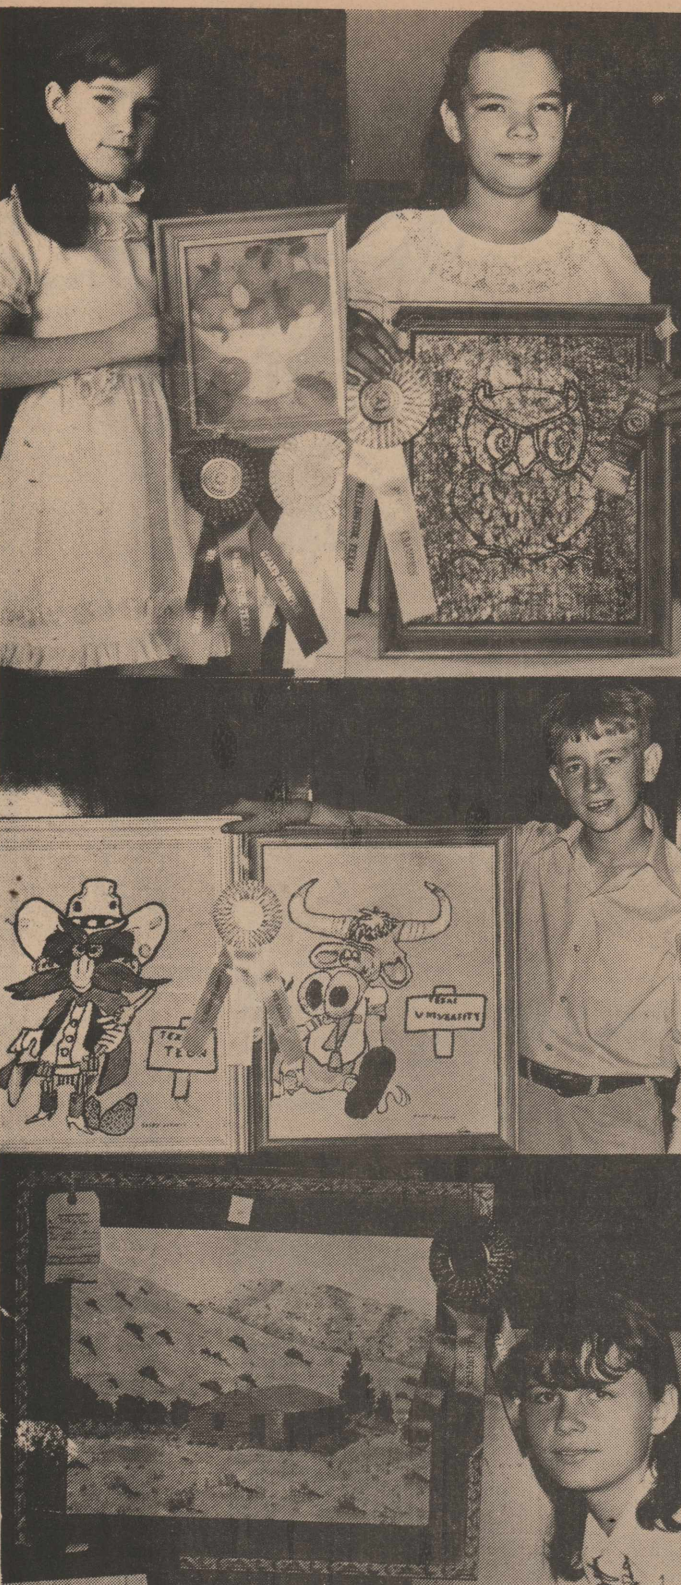

So when you place a classified ad in your local newspaper, you are following a custom of long standing. You are engaging in a business deal that has been producing results for man longer than anyone knows.

Why has the classified ad endured through all the years of changing habits, conditions and know-how? Why do YOU read the want ads? It's because in those pages of any newspaper, large or small, is the heartbeat of the city.

Few "Employment Wanted" ads, and many for "Help Wanted" means there's building going on and home ownership is popular. A good classified section means the town has a wide-awake newspaper - a healthy sign in any city.

Then there are the special announcements, with a possible news story between the lines of every one. Here a man and his wife, of sound financial standing, who have no children, want to give a home to a child who has no parents. And Jimmy's black dog with a spot on his tail, is lost. Please return to Jimmy who is lonely. Mrs. Franzetti wishes to thank her friends for their thoughtfulness in her bereavement. And ever present is the man who wishes it know he will be responsible for no debts other than his own.

The little want ads in your local newspaper are a chronicle of life as it is lived in your town. They are your best market place, your means of announcing to your fellow citizens that you have something to sell, or want to buy, that you perform a service, or have lost a valued article, or have a home to rent, or want a job to do.

## YOUTH TURNS TO ART

There is a wealth of artistic talent among the boys and girls of Collingsworth. Here are four, each displaying an original work. The pictures were made at the County Fair last month. Three grand champions were Regina Lewis of Dodson, top left, with her pastel still life; Kay Coffee with a picture in gold foil and Barry Bennett, center, with a pair in oils. These were in the hobby show. Below, Jayne Morgan is shown with her grand champion oil painting in the Junior Art Show.

## Personal

Mr. and Mrs. Raymond Patten spent the past week in Denver, Colorado visiting their daughter and son-in-law, Mr. and Mrs. Ray Wauer. While there they attended the Army-Air Force Football game at the Air Force Academy in Colorado Springs.

Betty Coleman, a student in Stephen F. Austin College at Nacogdoches, spent a recent week end with her parents, Mr. and Mrs. Donald Coleman of Samnorwood.

First United States Census was taken in 1790.

# Rockets Make Great Stand in Game with Shamrock Irish

Tank Forrester's remarkable Skyrocks held the undefeated Shamrock Irish to a 49 to 30 score in the opening conference game played on El Paso field in Shamrock, Friday, October 15.

Prior to Friday night only 38 points had been scored against the versatile Irishmen who are well on their way to district championship.

Wellington took an early lead in the game when Shamrock fumbled on the first play of the game and the ball was recovered by the alert Louis Gonzales on the Irish 34 yard line. It required only six plays for the Rockets to take the ball over for the first score.

Hodges made 3 yards on a try through the line and Wright picked up two more. On a keeper that could have been a pass play Carter went to the Shamrock 10 yard line. Wright picked up 3 yards and Oney made one and on another keeper Carter went over for the first touchdown.

Shamrock lost little time in erasing the smart of this early lead and out on a devastating running and passing show to move the ball from their own 20 across the goal in 13 plays. It was a combination of great running by Ronald Gragg and passing by Lynn Ramsey coupled with precise blocking and execution of every play that enabled the Irish to move ahead.

After Shamrock's first touchdown Wellington suffered a grievous loss on what would have been an ordinary 5 yard penalty. Hodges carried the ball for an 8 yard gain only to have it called back for offside making 13 yards difference. Wellington was unable to make the 13 yards and Hodges made another remarkable punt to put the ball way back on the Shamrock 20.

The Irish fueled up engine no. 34, namely Ronald Gragg, and started to make long gains by the exact passing of Lynn Ramsey and the running of Gragg and Templin.

Great defensive play by Charlie Taylor, Bill Henard, Trinidad Cantu, Leslie Baylor and Paul Guthrie managed to contain the great Shamrock team to a 7 to 6 score during the first quarter.

Early in the second quarter Shamrock unleashed all their attack which is a combination of great passing and great running and the score was 33 to 6 in favor of Shamrock at the end of the first half.

At the beginning of the second half Wellington's first drive was halted by another 5 yard penalty after good gain and the Rockets were forced to punt. Shamrock used two passes and one run around end, which Wellington was not able to contain, and scored again to make the score 41 to 6.

The Rockets fought back gamely. Louis Gonzales brought the kickoff back from his own twenty to the 38 yard line Gary Wright made a 15 yard gain to place the ball on the Wellington 45 yard line. Carter gained 12 more yards and another first down to put the ball across the midstripe on the Irish 43 yard line. Randall Hodges picked up a first down and Hodges, Wright, and Oney made it three first downs in a row with Carter carrying it over for the touchdown on a keeper. The try for extra point was good and the score changed to 14 to 41.

In the next series of downs, Taylor, Henard and Gonzales made run stopping tackles to force the Irish to punt and the Rockets took the ball near mid-field. On a keeper Carter made a first down. On a keeper that could have been a pass play Carter carried it over and Hodges ran for 2 points to make the score 41 to 22.

The Rockets were not through fighting however and drove the ball from midfield across for a touchdown in the closing minutes of the game. All seemed lost when Carter fumbled the ball on a run with two receivers in the clear, but he recovered

ed his own fumble and on the next play carried it over for the final Rocket touchdown with Hodges making the extra 2 points to bring the final score to 49 to 30. The Rockets had come within 8 points of making as many as all five of the Shamrock opponents had done in the last five games.

Next Wellington meets Electra and Shamrock will meet Quanah. The game of the district, however, will be when Shamrock meets Childress. Shamrock, Childress and Seymour remain undefeated in district play.

## Rocket B Runs Over Shamrock 48-24 Thursday

Wellington Skyrocket B team defeated the Shamrock Irish B team a strong 48-24 at Powell Field Thursday evening, October 14. This was one of three victories that Wellington's younger teams took from Shamrock that night.

The Rockets made a bad beginning by fumbling the opening kickoff and Shamrock scored on the third play in possession.

Wellington got a tighter hold on things and Rozell Outley, left halfback took the ball on the first play from scrimmage and went through the middle for 70 yards, behind excellent blocking, and made the first Rocket score. Outley then went around right end for the two points after TD.

Shamrock came back on a

60-yard drive and scored, then made the extra points to lead 16 to 8.

Next time Wellington had possession, Bobby Joe Shrubs threw a pass to Kenneth Porter for a touchdown, but the try for extra points failed and the score was 16-14 in the Irish favor.

Later in the quarter, the Rockets started a drive about their own 20, with John Runnels, Outley, Shrubs and Gary Cummings carrying the ball. Then Runnell made a 40 yard run to set up the touchdown, and on the next play Shrubs took the ball on the 8-yard sweep around left end to score. Outley made the extra points on a run around right end, and again the Rockets were nipping the Irish heels 24-22.

Just before the half the Rockets mounted another drive, of about 50 yards, and again it was Outley who scored, this time on an off tackle play to the right from about 10 yards out. For the first

time, Wellington was in the lead, 28-24.

During the last half, the Skyrocks scored three touchdowns for themselves but shut out the Irish.

First of this trio of scores came when Dickie Johnson went over on a quarterback keeper from two yards out. This was set up by a 60-yard run by Runnels. The extra

## We Will Relive Our History on Saturday

Saturday, October 23 is designated by the Commissioners Court as Collingsworth County History Appreciation Day, and it will be exciting for a few hours to look backward toward our beginning, at some of the things we now take for granted.

One of the evening events will be the dedication of the official marker of the Texas State Historical Society designating the Rocking Chair Ranch. It is appropriate that the dedication speaker should be Mrs. Ralph Randall of Panhandle, who has done so much to make this part of the state conscious of its heritage.

The Rocking Chair was one of the great ranches in a unique period of history, which brought titled Englishmen and spirited Americans together on the last frontier. Some of these ranches enduring to the present under British ownership. But the Rocking Chair changed hands and its period of brilliance came under Mill Iron guidance.

There will be fun events Saturday evening, a chuck wagon supper before the dedication and a pageant following it. This is the work of people who know our history and have sought to capture some of it with these vignettes.

### Guns vs. Typewriters?

Much to their sorrow, many boys pass up typing in high school only to discover that it is basic skill badly needed by nearly everyone once they settle into an occupation. It is a must if you plan to go to college . . . but the advantage is just as great in other endeavors.

If I were a high school boy today I would attempt to include typing in my schedule and carry through the second year if possible. It is much easier to develop the skill at high school age than later . . .

Of course, high school girls should take advantage of the courses, too, but they usually do.

There have been many students, both boys and girls, who have pounded their way thru college on a typewriter. There are just as many who have bettered themselves because of the skill, even though they did not go to college. And I know a number of old boys who fought World War II with a typewriter.

Think it over.—Cecil Waggoner in The Claude News.

### Prayer Again

The question of prayer in the public schools is in the courts again, and the Supreme Court is expected to rule again on the question. What most people overlook is the fact that the Supreme Court did not rule against prayer in public schools. It ruled that there can be no requirement for prayer prescribed according to state rules and regulations. What brought the suit about was a requirement for pupils to recite a certain prayer in a public school.

Probably a lot of people that complained about the decision are the ones that don't do much praying anywhere else and certainly not in public schools. If prayer were to be outlawed everywhere there would be a lot of people who would be a long time finding it out.—The Perryton Herald.

"There—now we've got it fixed as good as new!"

AUSTIN, Tex. -- A new year-round voter registration law went into effect for Texans on October 1.

Predictions are that it will make significant changes in the political structure of the state. New rules governing the operation of political party conventions also will begin operating next year.

These major provisions in the new voter registration act are noted:

\* Voters can register at any time (except for a temporary cutoff 31 days before each election). Registration is good for three years, and is automatically renewed by participation in an election during that period. The old registration period, one of the shortest in the nation, was October 1-January 31.

\* Eighteen-to-21-year-olds may register and are eligible to vote in local, state and federal elections under a new U.S. constitutional amendment.

\* Roving or resident registration deputies may sign up voters anywhere -- apartments, union halls, club rooms, dormitories, industrial plants, office buildings, supermarkets or private residences. The law provides that "no voter registrar shall refuse to deputize a person." This is expected to increase sharply the use of deputies to round up voters.

Predictions range upwards of five million total eligible voters in 1972, an increase of a million over 1970.

Voters must have resided in the state a year and in a county for six months to qualify for local election participation. Those who have lived in Texas more than 30 days but less than a year before November 1972 general election can vote for presidential and vice presidential candidates under special residency registration with county clerks.

STATE TO FIGHT FOR TREASURY -- The state is prepared to go to the U.S. Supreme Court to get title to all art-

facts recovered from Spanish galleons which sank off Padre Island more than 400 years ago.

Texas Antiquities Committee was told a decision is near by Brownsville federal court in a long legal dispute over the treasure. Platoro Ltd., a Gary, Ind., salvage firm, recovered the valuables in 1967 and proposes a 50-50 split with the state which demands the entire treasure.

Meanwhile, Committee learned an underwater archaeologist has agreed to help enforcement agencies are peace officers and must meet minimum standards of selection and training established by Texas Commission of Law Enforcement Officer Standards and Education.

TRIAL DATES SET -- House Speaker Gus Mutscher pleaded "not guilty" to bribery charges, and a jury trial has been set for January 10.

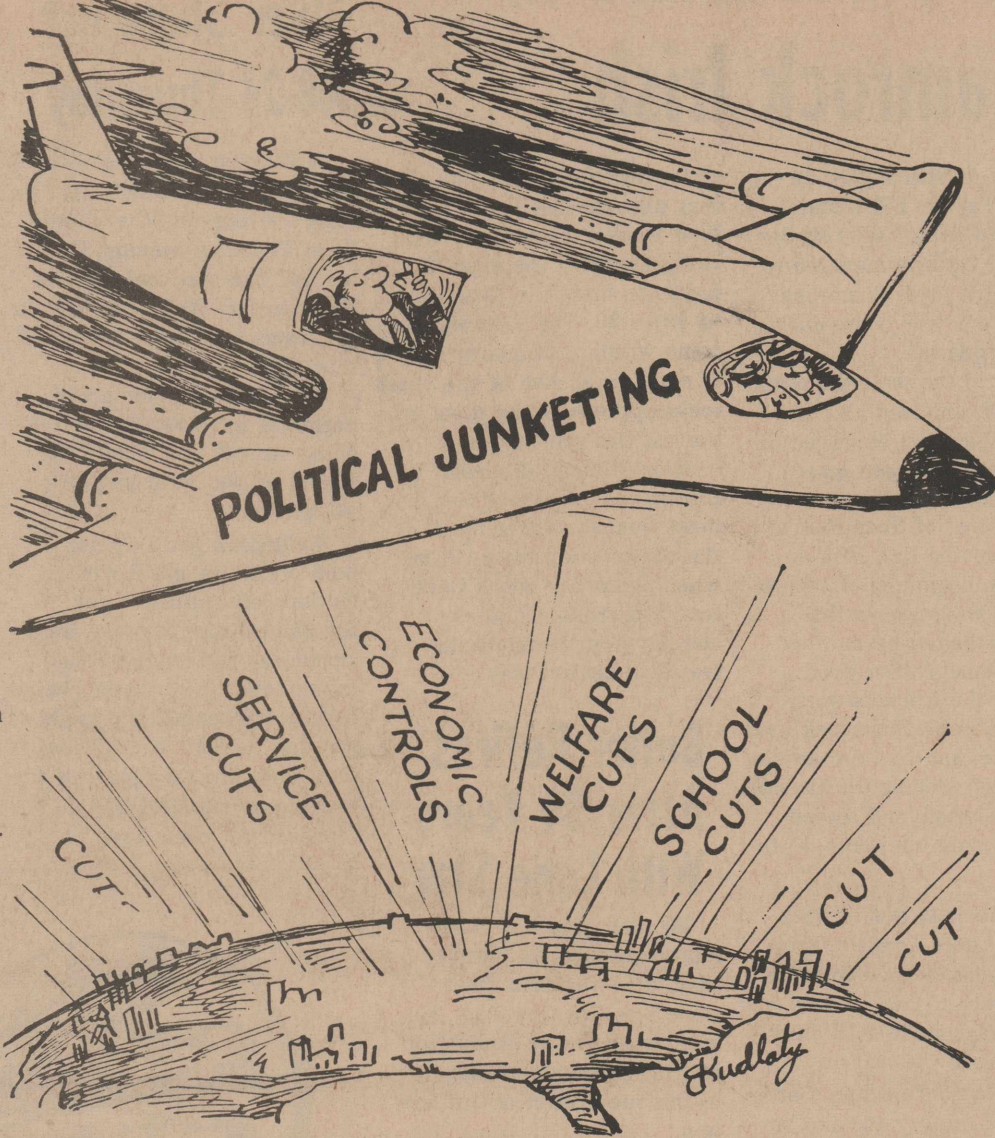

Rep. Tommy Shannon and S. Rush McGinty, close friends of Mutscher who were also indicted for conspiracy to accept a bribe, will be tried at the same time. John Osorio, former State Insurance Commissioner and onetime president of National Bankers Life Insurance Company, pleaded "not guilty" to making false statements to the State Board of Insurance and has a January 24 trial date set.

Mutscher tried to get a trial setting in November. He will apparently continue, for time being at least, carrying out his duties as speaker, although the House "Dirty 30" liberal-Republican coalition is urging a special session for his removal as presiding officer.

SHORT SNOOT -- State Board of Education adopted guidelines for regulating privately-owned business, technical, vocational and home study schools.

Texas National Guard units are conducting a reorganization. Former Postmaster General Marvin Watson keynoted the

## CROSSROADS REPORT

Dear Editor:

A management consultant firm says that wages in the U.S. have gone up a lot faster than production since automatic, periodic pay raises came in style.

Time was when people got their pay raises as they accumulated experience and know-how to do a better job. Now they get raises just for doing a lousy job another year.

Earlier man thought it was fair and just to pay an employee what he was worth. But nowadays practically nobody—garbage hauler, congressman, doctor, or whatever—will work that cheap.

I see where we are going to have a Pay Board to regulate wages, and a Price Commission to control prices but no Deficit Board to hold down governmental wastrelry.

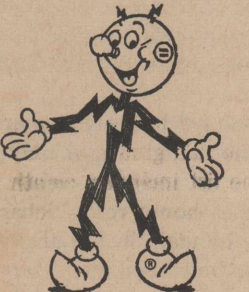

Which is about as wise as preparing for a hurricane by boarding up the windows and leaving the doors open.

What we may need is a Hearing Aid Board, to study how come spend-drunk politicians can hear the faintest public demand for more government gravy, but are totally deaf to any public demands that they slow down on spending when they run out of money.

## County Has Two Rural Accidents In September

The Texas Highway Patrol investigated two accidents on rural highways in Collingsworth County during the month of September, according to Sergeant Jack Therwanger, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and two persons injured.

The rural traffic accident summary for this county during the first nine months of 1971 shows a total of 23 accidents resulting in one person killed and 14 persons injured.

The rural traffic accident summary for 60 counties of the Lubbock Department of Public Safety Region for September, 1971, shows a total of 499 accidents resulting in 33 persons killed and 268 persons injured. This was 82 less accidents, eight more fatalities, and 132 more injured than during August.

The accident in near-by counties includes:

Childress: four accidents, two killed and four injured.

Cottle: six accidents, no deaths, three injuries.

Gray: 18 accidents, one death, 11 injuries.

Donley: two accidents, no deaths and three injuries.

Hall County had an accident-free month.

Wheeler: seven accidents, no deaths, two injuries.

## Junior High Meets Quanah

Wellington Junior High football teams will host Quanah Junior High at Powell Field Thursday, October 21.

Starting time for the double header is 6:00 p.m.

"Quanah is rated as one of the top 8th grade teams we will play on our schedule this year," said Coach Carroll Nunnally, 8th grade coach.

Quanah has defeated Shamrock 8th grade twice, 28-8 and 30-6. In their game with Childress, Quanah was ahead going into the fourth period, and Childress won by only two points, 28-26.

Quanah 7th grade appears to be big and fast, although they lost their encounter with Shamrock, Coach Hamilton said.

Guests in the homes of Mrs. J.L. Burt and Mr. and Mrs. Jack Ford this past week were, Mr. and Mrs. J.L. Burt, Jr., of Denver, Mr. and Mrs. Joe Bullock, of Arlington, Mr. and Mrs. Roy Brinson, Mr. and Mrs. Burt Brinson and boys all of Fritch and Mrs. David Fry, of Dumas. Mrs. Burt and Mrs. Bullock remained for a longer visit.

## Two Men Due For Induction In November

Texas Local Board No. 20 has a call for two registrants for induction and nine registrants for armed forces physical examination on Nov. 16.

A draft call of 588 men for the remainder of 1971 was announced today for the State of Texas by Colonel Melvin N. Glantz, the State Director.

Glantz said none will be ordered for induction in October, 363 in November, and 195 in December, all from the extended or first priority groups.

Glantz said he had been advised by the Director, Dr. Curtis Tarr, that the RSN cut-off for 1971 would be number 125 for men in the first priority group.

Orders for induction for this call are being mailed by local boards throughout the state, with 30 days notice being required in all cases. Orders for pre-induction physical examinations are also being mailed to registrants in the extended priority group, to men in the first priority group with RSN's thru 125 of the 1971 year group with 1972 RSN's thru 050. Approximately 6,400 men will be ordered for pre-induction physical examinations in October and November.

## Spirit Stick To 6th Grade

The Sixth grade of Wellington Junior High has received the spirit stick on two consecutive weeks, October 7 and 14.

This is in recognition of school spirit, and it is unusual for the same grade to receive the stick twice in a row.

The instructors are Mrs. Ralph Word and Mrs. Chester White, and the presentations were made by Miss Carolyn Nicholson and Mrs. Rufus Sweet.

## Wellington FFA Initiates 12

Wellington Future Farmers initiated 12 greenhands at their regular meeting Monday, October 11. Dan Fires, president, was in charge of the meeting, and with other officers participated in the opening and closing ceremonies.

Those initiated were: Mike Cummings, Jim Bob Nall, Larry Wright, Lynn Anglin, Derek James, Kenny Ford, Kim Tabor, Ricky Norman, John O'Rear, Danny Fowler, Robert Wolf, and Paul Wilbur.

Mrs. Tom Ferguson was in Paducah Monday to visit her daughter, Mr. and Mrs. Q. Richards.

Germany was the first country to use poison gas in warfare.

### Life With the Rimples

# Deck's DIDACTICS

—by Deskins Wells

WELLINGTON should thank its lucky stars, more specifically a former mayor and his aldermen, for not being under the Greenbelt Municipal and Industrial Water Authority.

MORRIS HIGLEY broke the news of the problem of the Authority in a signed story in The Childress Index last week. In part it said: "Member cities of the Greenbelt Municipal and Industrial Authority will be forced to vote a tax to keep the Authority alive and keep the state from taking it over. Principal reason for the necessity of the tax is the drop in population and water usage in the member cities."

More excerpts of The Index story follow:

It was estimated that the tax to be asked for would be 45 cents per \$100 valuation and that the valuations would be made by a special board hired by the Authority and that cities would be paid a percentage for collection.

At the present time all member cities are paying a flat price, regardless of the amount used, based upon percentages of two years ago.

Presently the city of Childress is paying a yearly charge of \$169,649. If the tax is not voted, the yearly charge will go to \$205,305 in 1972.

Present yearly charges and 1972 charges to other Greenbelt cities will be as follows: Quanah, \$97,918 to \$118,498; Clarendon, \$86,175 to \$104,287; Crowley, \$43,087 to \$52,143; and Hedley, \$12,357 to \$14,955.

Since the city of Memphis voted to create the Authority but did not vote a water contract with the Greenbelt, it will also be involved in the vote and the vote will be counted as a single entity.

Herschel Combs, publisher of the Memphis Democrat attended the meeting and indicated that residents of Memphis, since it is not buying water from the Authority, would vote overwhelmingly against the tax.

The city of Memphis can be released from the Authority only by action of the Legislature. Robert Lewis, with McCall, Parkhurst and Horton, attorneys of Dallas, said that he had such legislation written.

Should the tax be voted down Danny Burger, Development Fund Manager for the Texas Water Development Board of Austin, which has underwritten the Authority's revenue bonds, told the group that an analysis of the vote would be made.

"If the tax carries over the District, all cities will start paying taxes in late 1972, including Memphis," he said.

"If the tax fails, an analysis of the vote is overwhelmingly against the issue in Memphis, legislation will be asked, eliminating Memphis and another vote called," he added.

Should it fail again, the increase in water rates will be assessed the cities and if the requirements are not met, the state will take control of the Authority and set the rates."

WELL, I GUESS we can leave this to Memphis and the other Greenbelt cities. We have enough problems of our own here in Wellington. I do wish them well in solving theirs.

THE RAIN was exactly what the wheat and other small grain crops needed. It will tie the soil down, insure deeper root growth before freezing weather and permit earlier grazing. The maize was about finished and the moisture did not hurt the cotton here. It was a different story on part of the plains where the

## Proclamation

WHEREAS we in Collingsworth County recognize anew the rich heritage that is ours, and the strength of the pioneer culture that has come down to us from those who founded and built the county, and

WHEREAS on Saturday, October 23, we will see the dedication of an official marker designating the Rocking Chair Ranch, and the pageant "Man & Land & Love" in tribute to our history,

NOW THEREFORE, I John Coleman, Mayor of Wellington, proclaim Saturday, October 23, as HISTORY APPRECIATION DAY in Wellington.

as local doctors, attorneys, and others qualified to work with the program.

The program would be administered by a board made up of county judges and superintendents of schools of the participating units.

This is a pilot program, set up to furnish a full-time juvenile probation program to counties and schools which individually cannot afford to set up such programs.

Duties of the probation officer, acting for the counties, would include investigation of juvenile cases referred to him by the court; to be present in court at juvenile hearings; to furnish the court with information concerning the juvenile and to assist in other ways; to take charge of the child before and after the trial if necessary; and to perform such services for the child as may be required.

School officials participating have pointed to the average Daily Attendance (ADA) as critical to schools of their size, and these administrators believe that a full time truant officer can do much to keep all children in school.

One superintendent present declared that if he could keep the children of two families in his district in school, his ADA would be all right.

The officer would investigate suspected truancy problems and if habitual truancy is found to exist, the case can be presented to the court for further consideration.

This will go far, it is believed, to prevent further juvenile delinquency.

RECENTLY, I inspected a trailer of Jim Wood that was equipped to conform to the present law on lights and reflectors on trailers. This trailer had 7 lights and 4 reflectors on the back and 4 lights and 4 reflectors on the front making 19 in all. It was rigged so that it can be detached and put on another trailer.

THE OTHER DAY I was talking with Guy Owens about the dichondra on the lawn of the Kelso Funeral Home. It seems to come up in the strangest places. It makes seed underground; but you will find it coming up 50 or 100 feet from where it was planted. It will grow underneath trees better than bermuda and as well as bluegrass. However, it dies out in dry winters. Sometimes it comes back and sometimes it does not. I have some growing in a crack in the concrete.

Get ready. It will soon be time to turn your clocks back and maybe you will have an extra hour of sleep in the morning.

laws have teeth, and parents who do not keep their children in school can be brought into court and fined or jailed. It takes only one or two actions of this kind to take care of the situation for an entire school, he said.

An organization committee was appointed to handle the upcoming membership drive, with Garland Hightower of Dodson chairman, Lloyd Woodridge and Dudley Phipps members.

W.R. Breeding, District 1 director, discussed state-level FU news then he and Mr. Dudley Phipps reviewed their participation in the recent FU Washington fly-in. Mr. Langley told of new laws on mandatory lighting on farm trailers.

Members voted to raise dues to \$17.50 with \$1.50 to come back to the county, to be raised an additional \$1.00 if the member quota is reached.

Act II, includes a scene in which there will be a roll call of all the schools of the county. Students and teachers in the audience will be asked to answer "Here" and stand.

Act III tells of the times when work and play were mixed with humor and conflict in "Socials - His, Hers, Theirs."

In the cast are names carried by families from the county's earliest days; other names are those of newcomers with an appreciation for the area's past.

The narrators will be Miss Vikki Saunders and Charles Floyd, who will be joined by youthful Jim Swift Warrick and Valerie Van Pelt to make up the contemporary family.

Coming out from the framework of history will be Indians: Susie Gray Patrick, Richard McDowell Sims, Randall Coleman Sims and Steve Hartman. The children will be Joe Baumgardner II, Lyn Walton Hurst, Karen Goforth, Don Lewis, Lisa Hartman, Lisa Nix, Darvin Nix, II, and David Baumgardner, Jr. Jane Campbell and Kenneth Porter will portray the pioneer couple.

Dr. Fakem, with a remedy effective for every ailment, is Jerry Bowen, and Paula Kiker will be the pioneer school marm. Cowmen and nesters will be portrayed by Denny Carter, Eddie Lee, Leon Parker, Jerry Maxwell, Johnny Holton, and Danny Waters, while Dale Thomas is the sheriff in the famous episode in which Wellington closed its pool hall.

## New Protein Products Here

COLLEGE STATION, . . . Crispy, flavorful chips made from textured protein are new arrivals on the grocery shelves, reports Frances Reasonover, Extension foods and nutrition specialist.

Sausage-flavored and pepperoni-flavored, these new food products join the family of garnishes, she adds.

Textured protein products are made by spinning protein into fibers, with other ingredients added. Then, they are further processed to obtain desired texture, color and flavor.

Convenient . . . that describes the new chips, Miss Reasonover says. They can be sprinkled directly from the jar and they require no refrigeration, even after opening. Use the chips to flavor everything from appetizers, biscuits and casseroles to salads and vegetables.

The new chips should be found in the salad section of the grocery store.

Tingle and Zanna Jenkins.

Each act will move smoothly into an interlude of music, for which the Wellington Music Club has acted in an advisory capacity. Forming the combo overture will be a

Beautyshop Quartet; and Jerry Bowen, string bass.

There will be a fiddler and square dancers, who are Jean and Wayne Cudd, Jane and Richard Nall. The gospel singers will be L.B. Bratten, Isaiah Mejia, Austria Driskill Vaughan and Harriett Lowrie Schaub.

The hospitality committee and usherettes include women from many communities: Karen Breeding Tate, Sherrie Grogan Martindale, Almata Shipley White, Fredda Bourland Schooler, Zacharita Lowrie, Barbara Lennon Roberson, Jo Ann Rountree Jones, Mary Kutch Holland, Loretta Barnett Wright, Jan Hess Coleman, Shirley Peters Henard, Travis Tennison Templeton, Francis Warrick Holland and Lois Amerson Knoll.

Directing the pageant is Gay Reeves McAlister, while Lennie Coleman Sims wrote the script. Mary Sanford is production assistant and Louis Graham projectionist.

In charge of lighting are Mike Belew and Benny Stallings, while Mr. Graham, Judy Jones and Marshall Peters are in charge of stage sets; Don Judd is directing sound effects while Mary Scruggs Holton is in charge of public relations. Researchers were Nora Cocke Drake, Willie Scruggs Wells, and Lois Kaiser Ratliff.
