Judy Nickell Fund Begun

A special fund has been set up at Olton State Bank for Mrs. Bill Nickell [the former Judy Meadows], who is suffering from what has been diagnosed as a brain tumor by one physician.

Mrs. Nickell must have additional tests and up to $2000 is needed before she can be admitted to the hospital for such tests.

"Everyone in the community is asked to help a little," her friends said, "and make it possible for Judy to get the tests made and treatment started."

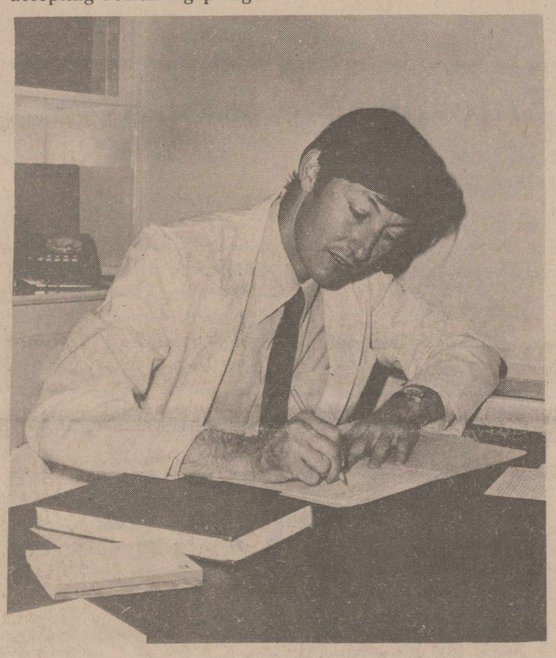

COUNTING OUT THE MONEY -- Jeff Sampler, president of Olton Junior High School's Fellowship of Christian Youth, piles the monies earned in a recent project into a basket held by Dr. James Kirkpatrick. Sponsored by the FCY, a Bike-Hike-Walk-Rock effort has brought in, thus far, $1,410. Sixty-six dollars ($66) will be used for supplies at Olton Clinic, opened this week by Dr. Kirkpatrick. Dr. Kirkpatrick, brought to Olton through the efforts of Olton Medical Foundation, began seeing patients this week. Some pledges for the project have not yet been received. Mmes. R.V. Allcorn and Larry Shackelford, FCY sponsors, are accepting remaining pledges.

Bookmobile Seeks Readers

High Plains Library Bookmobile and the Texas State Library are asking every boy and girl in and around their County and town to "Take a Giant Step" in reading this summer with the Texas State Reading Club. "It is an opportunity to learn more about our country, animals, flowers, people and just about anything you want to know," says bookmobile librarian, Lorene Sooter.

"We are going to have a Fisherman's poster for the children to add fish to it as they read. If the boys and girls read 12 or more books with the Bookmobile they will receive a Texas State Reading certificate and ribbons."

Do come to the Bookmobile and bring your parents. We have the latest fiction and non-fiction for the adults also.

Young Restaurateur Is 'Old Hand'

Dishwasher, waiter and cook -- all wrapped up into one person, it could describe the new owner and operator of the Dairy Mart Drive In Restaurant, Johnny Jennings.

The 1972 graduate of Olton High School has just completed his second week of ownership. The business, however, is not new since he first worked at a restaurant when he was an eighth grader.

Drive in restaurant work, Johnny explains, includes a bit of everything whether it be cooking hamburgers, making malts, serving customers or washing dishes. For the owner, it also includes the responsibilities of the business' operations.

That responsibility can be almost overwhelming according to a local Oltonite who began with the business when it opened in February, 1959.

JOHNNY JENNINGS

Mr. and Mrs. Weldon Green were the first operators of the business. Unexperienced at drive in restaurant work, they received a "royal initiation" when their opening coincided with the annual FFA, FHA and 4-H Stock Show.

"Things really were hectic and we didn't know what we were doing," the former cook recalls. "But it was more hectic for the Greens since they had all the responsibility. I remember that Mrs. Green was in tears before it was over."

The building was erected for the drive in restaurant by J.C. Hamby and Frank Cornelius and operated by the Greens for several years. It has changed managements four or five times since its beginning.

Billie Jean and Larry Manuel purchased the business from Norma McClain the operator with probably the longest tenure, in September, 1972. During their operation, the menu was expended and today includes fried chicken, shrimp, fish platters, steak fingers, barbecue plates, salads and a complete line of sandwiches plus the ever-popular hamburger.

"Broil-a-burgers" were new for Olton diners when the drive in first opened. Although not as popular as the hamburger, they provided an attraction to the menu, coming in five choices or styles.

Homemade pies are a daily part of the menu too, Johnny says. Thursdays are special days with a feature added to that day's menu. Mexican food will be one of the Thursday features.

Mary Rodriquez, Opal Bowers and Velma Curry, who so capably aided the Manuels in the business will continue and will be joined by Laurie Gallagher and Kim Lee.

The drive in, Johnny says, will be open seven days a week and observe 7 a.m. to 10 p.m. hours.

Right now, he has lots of plans for the future but is cautious about when they may materialize because of present-day shortages and time. New booths are at the top of his list of improvements. He also plans a drive in window but says it will not be opened during dinner hours.

The new restaurateur has always been interested in his field and has done all the jobs involved. In addition to on-the-job training, he studied hotel-motel management at Amarillo College, lacking just two courses - English and accounting - being graduated. With his busy new schedule, he doesn't foresee immediate graduation but would like to complete the two courses someday.

Johnny's reception into the new venture brought immediate problems as well as satisfaction. His second day in business was marred when "everything that makes the walk-in (freeze room) work went out."

MRS. DONALD PAUL BELL

Bell-Alford Wedding Solemnized In Plainview

In a double ring ceremony May 18, Debra Lynn Alford and Donald Paul Bell were united in marriage in the chapel of First United Methodist Church in Plainview.

Parents of the couple are Dr. and Mrs. W. Wayne Alford of Jackson, Tenn. and Mr. and Mrs. J.S. Bell of the Halfway community.

Vases of white gladioli and pink carnations and pompom flanking candelabra holding votive lights formed the nuptial setting. A memory candle in a bronze holder completed the decorations.

Glenna Jones, organist, and Freida Herron, soloist, presented nuptial selections. Rev. Will Pannabecker, former pastor at Halfway, now of Plainview, officiated.

Given in marriage by her uncle, Roger Cotten of New Orleans, La., the bride wore a formal length gown of miramist designed with a bodice of lace encrusted with seed pearls. A tucked organza yoke terminated in a high neckline trimmed with a ruffle of French net. The bouffant sleeves were trimmed with re-embroidered Alencon lace and caught by deep cuffs of matching lace edged with French net ruffles.

Medallians of re-embroidered Alencon lace were scattered along the scalloped hemline revealing an under ruffle of French net.

A cathederal length veil of illusion, edged in lace, fell from a re-embroidered Alencon lace Juliet headpiece. She carried a cascade Colonial bouquet of pink Sweetheart roses and pixies centered with a white orchid on a lace-covered Bible, belonging to the groom's grandfather, the late Mark Bell of Rochester.

The Bible was something old; new, diamond earrings; a gift of the groom; she wore a sixpense in her shoe and added a touch of blue.

Miss Donna Cumiford of Springer, N.M., was maid of honor. Bridesmaids were Misses Laura Prallock of Fort Worth, Janet Leach of Amarillo and Michelle Mitchell of Plainview. Ginger Bell of Plainview, niece of the groom, was junior bridesmaid.

Feminine attendants wore pink crepe gowns featuring empire waists, bodices veiled in lace and scoop necklines. They added short white gloves, a strand of pearls, gifts from the bride and wore pink bows in their hair. Each attendant carried a Colonial nosegay of pink and white pixies tied with satin ribbons.

Michael Cole of Plainview served as best man. Groomsmen were Don Penn and Kevin Belknap of Midland and Hal Reed of Plainview. Junior groomsman was Keith Bell of Plainview, nephew of the groom.

Amanda and Caroline Cotten, cousins of the bride from New Orleans, La., were flower girls. Todd Bell, Hale Center, newphew of the groom, served as ring bearer. He carried the rings on a pillow made of needlepoint by the bride's aunt, Mrs. Roger Cotten.

Ushers were Freddy, Sam and Rodney Bell, brothers of the groom.

The bride's aunt, Mrs. Cotten, stood in for her mother. She wore a long pink and grey silk jacket dress. The groom's mother wore a long pink dress of chiffon.

The reception was held in the church parlor. The bride's table was laid with white net over white satin centered with a silver candelabra holding votive lights. Pearlized grapes and attendants' bouquets were added.

Presiding were Mrs. Curtis A. Guess of Milsap, groom's aunt, and Mrs. Arthur Morris.

The groom's table was covered with an ecru cutwork cloth and centered with a hurricane lamp filled with foliage. A silver service completed the appointments. Mrs. Mike Miller of Lubbock and Miss Sheri Pirkey of DeKalb presided.

The bride and groom are juniors at Texas Tech. After June 1, the couple will be at home in Lubbock.

MRS. NITA POWERS

Cook Of The Week

"Keeping busy" is a hobby for our Cook of the Week, Mrs. Nita Powers. Mother of Mrs. Al Jennings, the snowy-white haired woman has made her home with her daughter and son-in-law for the past two or three years.

Mrs. Powers grew up and finished school at Vernon. Mother of five daughters and three sons, she and her husband moved to Washington when the two youngest were still in school. She has also lived in Oklahoma. It was while she was living there that she worked in the school lunchroom and began baking oatmeal cookies by the recipe she shares with Enterprise cooks.

Since living here, she has undergone heart surgery and recuperated so well that she left this week for a visit in Washington. She is accompanying a son, Tommy of Lubbock, and his family on the trip to visit with her six other children.

Handwork used to be one of her favorite pastimes and she also likes to quilt. She likes to cook but confesses she doesn't cook much any more. Discounting her angel food cake baking because she uses a mix, she bakes one or two of those delicacies each week because that is a favorite of her son-in-law, pastor of the local United Methodist Church.

Mrs. Powers also shares a recipe for a tasty and different candy made with raw apples.

RAISIN-OATMEAL COOKIES

Boil 1 cup raisins about 10 minutes. To drained raisins replace or add 6 T. water and 1 t. soda. Set aside. Cream together:
1 c. sugar
7/8 c. shortening (just a little less than 1 c.)
Add:
2 c. unsifted flour
1/8 t. salt
1 t. vanilla
2 eggs
2 c. raw oats

Mix together and stir in raisins. Drop by spoon onto greased cookie sheet and bake in 350° oven 12 to 15 minutes.

APPLETS

1½ c. grated raw apples
2 c. sugar
2 envelopes Knox unflavored gelatin
dash salt

Mix together and boil 15 minutes. Add 1 t. vanilla and 1 c. nuts. Let stand 2-3 days (do not refrigerate or freeze). Cut in squares and roll in powdered sugar.

PEANUT BLOSSOM COOKIE

½ c. butter
⅓ c. peanut butter
½ c. white sugar
½ c. brown sugar
1 unbeaten egg
1 t. vanilla
1¾ c. flour
1 t. soda
½ t. salt
36 milk chocolate kisses

Cream butter, peanut butter and sugars. Add egg and blend. Fold in dry ingredients. Drop by spoonfuls onto greased cookie sheet. Bake in 375° oven about 8 minutes. Press chocolate kiss in center of cookie and bake 2-5 minutes longer.

To defray the costs involved, members planning to attend are asked to send a remittance of $5 per member of the family planning to attend.

Olin

The rare bird in the business

WE PUT MORE INTO OUR IRRIGATION SYSTEMS SO YOU GET MORE OUT.

When you buy Gifford-Hill irrigation equipment, you get a lot more than just equipment. You get a quality product. One that's proven itself superior to anything in the field.

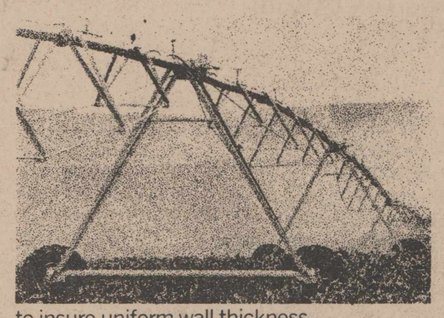

You see, Gifford-Hill is one of the nation's leading suppliers of irrigation equipment, and has been for over 20 years. And one of the reasons we have remained a leader is our concern for quality. That along with our understanding of the problems you face.

Take our 360 pivotal sprinkler for example. It's a classic. The 360 is recognized throughout the industry as the most sophisticated, yet the simplest to operate, pivotal system on the market.

But it's the little things, the care in designing and engineering, that really set the 360 apart from all the others.

For example, the water pattern is unique. By placing the sprinkler heads further apart near the pivot point and and closer together at the end, the 360 applies water uniformly along the entire length of the system.

We also make t. e best surface irrigation pipe around. Each jc nt of our aluminum pipe is manufactured under stringent quality controls. And it's roll-welded

to insure uniform wall thickness.

Gifford-Hill makes the most dependable and economical pipe available for underground installation, too. Vanguard PVC Plastic Pipe.

Aside from durability and flexibility, Vanguard features an exclusive rubber gasket joint. Thousands of feet can be installed in one day. In practically any kind of weather.

Of course these are only a few of the outstanding features of our products. The point is that we know and understand the problems you face everyday. And we have the expertise and equipment to help you solve them.

But more important, we stand behind our products. We make them. And we guarantee them.

So, if you have an irrigation problem, call the irrigation experts. Call Gifford-Hill.

For more information on these and other Gifford-Hill products, contact your nearest Gifford-Hill representative.
