Rural Health Care Meet To Be Held Oct. 19

"Rural hospitals throughout Texas are closing at an unbeliveable rate" state Roy V. Cartee, AARP Associate State Health Coordinator.

"We have had one hospital, in Gorman, close but the remaining three hospitals, namely, Cisco, Eastland and Ranger are determined to continue supplying good health care for Eastland County and the surrounding area citizens.

Citizens of the County will be hearing the theme "Survivability: Through Cooperation" meaning all of the hospitals will be studying the porposal of unifying their services, yet keeping their identity.

Mr. Cartee, who is the facilitator for the project continued to point out the four basic goals of the undertaking:

* To recognize the level of care for our Eastland County people
* To retain patients in the facility of their desire
* To keep and utilize our facilities to the maximum, and
* To provide a financial base that is stable

Meetings have been held by thehealth care providers and it has become a determination to keep the three hospitals functioning on a level that is medically acceptable and medical complex that will be recognized by the state and federal authorities.

Others who have been invited are: Congressman Charles Stenholm, State Senator Bob Glasgow and State Representative Jim Parker.

We feel it is simple to 'roll over and die,' even if every hospital in the county was closed today the citizens must pay the indebtedness. We are hoping the citizens will assure their doctors, hospital administrators and hospital boards they will support the coordinated action and keep the theme before us at all times "Survivability: Through Cooperation"."

WHERE CAN SENIOR CITIZENS GET HELPFUL INFORMATION?
We have been asked often for information and literature about services available to our community's senior citizens. We've had to seek out material about Social Security, old age and survivor's benefits, VA claims, insurance-processing, wills, retirement-planning, etc.
We've become a kind of Information Center from which senior citizens (or anyone else for that matter) may receive pamphlets, reading lists, and even free advice on "where to find it" for all manner of important data.
We sometimes speak before adult and school groups on these subjects and others pertaining to funerals. We'd be glad to speak to your group.
If you have questions on some of these topics, we'll try to help you get the answers. There's a wide range of source material, some of which we have and others we can help you locate.

letters to the editor

Editor:

I have a complaint. We live out on the Breckenridge Highway 183 north about 8 miles from Cisco on a hill. Each morning at 6:15 to 6:30 a truck comes down this highway running pretty fast and last Thursday morning this truck ran off the road on the shoulder of the road to run over my son's cat (4 months old) who was out there with 3 other boys waiting on the bus. I don't know who this man is who did that but it has caused me to have to take my son to the Dr. because he was so upset over his cat being smashed in front of his eyes. The truck kept on going needless to say. Like I said it would have been a child waiting for the bus.

The description of the truck sounds like the one who week before last in the evening about 3:30 or 4 I was coming back from the Dr.'s in Cisco and got to the turn to go from this highway into our drive a truck came up from behind me and went around me just as I was going to turn I had to put my brakes on real fast so I didn't hit it. I had my signal on to turn and I was trying to make the turn.

Thank you.

From a concerned mother. What can be done about this?

Fishing Outdoors

By Terry Wilson

"Runnels County Bass Club Open October 9, 1988

Were back folks, a short vacation and a little fishing really hit the spot. My first news is, Leon's hot again or should I say still. A number of nice fish were taken last week from 8 pounds down to 3 pounds. And talk about small fish, it's been 8 or so years since I have heard so many anglers catching so many fish. And it's all over the lake. A recent get together of some of the leading tackle manufactures representatives at Leon saw some nice 12 pound strings of bass. Only Sunday, October 2, I caught and released around 10 fish in 3 hours in the river area.

The biggest news is about a tournament anglers in this area and others have been waiting. The 1st annual Runnels County Bass Club Open Tournament. Sunday, October 9, 1988. Reports of 10 keeper bass in half a days fishing have area competitors watering at the mouth. And after a trip to the Old and New Ballinger Lakes sight of this event by best advice would be to put on nothing smaller than 17 pound line and hold on. Hedquarters and weigh-in will be in the park area at the new Ballinger Lake. And here's this nice part: For only $25.00 per contestants and an optional $5.00 big bass pot, anglers can compete for 1st guaranteed $750.00; 2nd thru 5th based on 125 entries: 2nd $500.00, 3rd $250.00, 4th $125.00, 5th $62.50 and 6th thru 25th prizes. The big bass pot will be split 60% first 30% second and 10% for the third largest fish.

Both of these lakes are low, but still have an abundance of cover. the new lake about the size of Lake Cisco has lots of mesquite and pecan trees flooded plus duck weed beds. The old has some excellent salt cedars and weed beds. Water color is brown so don't worry about using too big of line cause you will need it.

For more information you may contact myself at 629-3255 or phone 915-365-2634. See you all there.

Other upcoming events this week include Thursday, Oct. 6. E.C.B.C. meeting, Sunday, Oct. 9, Granbury Bass Club Open Tournament, Lake Granbury. Sunday, Oct. 9, E.C.B.C. Club Tournament (to be drawn at the Thursday meeting). Sunday, Oct. 9, West Texas Tournament Trail, E.V. Spence Lake.

Many of you might wish to drop by Lake Brownwood at Mt. View Lodge Friday, Oct. 7 and Saturday, Oct. 8. These will be the two weigh in days around 2:00 p.m. to 3:00 p.m. for the Anglers choice championship tournament. 120 two man teams from across Texas will be competing for the state title and a pair of Skeeter Bass boats fully rigged. This event will be filmed for showing on the "Honey Hole" TV program.

EASTLAND

The Eastland County Farm Bureau will hold its annual meeting on Saturday, Oct. 86 p.m. at Siebert Elementary Cafeteria. A barbeque dinner will be served to members and special guests from around the county and area. New directors will be elected and major agricultural issues discussed. Resolutions will be adopted on both county and state levels. Door prizes will also be awarded. Eastland County is a strong Farm Bureau County, with around 2,000 people listed as members. The President is Joe McCollum, with Vice President Leo Williams and Sec.-Treasurer Charles Walker. Agency Manager as the County Office is Jim Kennedy.

People are still talking about the Old Rip Day in Eastland. It was a full day of festivities, with many people joining in the fun. Great exhibits and fun-filled entertainment filled the Square and overflowed various directions. By 7 p.m. Cruise Night was underway from Cisco to Eastland, and the Old Time Fiddler's Contest was going strong in the Majestic Theatre. And speaking of competition - Texas Fiddle Champion Jimmy Don Bates of Austin was very much in evidence, as well as the State Champion guitar player Royce Franklin of Roanoke, Texas. But the Weeks family won top prizes in their Divisions, and other local players won some recognition. More than $1,000 was distributed in prize money.

The Old Rip Day Parade Saturday was reported to have been "one of the best ever", and brought out a huge crowd. All the entries were oustanding, and it must have been hard for the judges to make decisions on the winners. But the following were listed as tops: OUT OF TOWN FLOATS: First Place to Carbon 4-H, "Shaping America's Future." IN TOWN FLOATS: First went to Eastland County Historical Society. In the horse riding groups, first went to the Brown County Riding Club. The Autos up to '31 First Place winner was Clarence Strobel, with a '29 Ford. Autos '32-'49 winner was Floyd Caraway, with a '36 Ford. In Autos '50's and up, Edd Hopper won First with a '51 Ford. First in the Autos, Street Rod entries was award to Pat Vaughn for a '32 Ford.

BAIRD

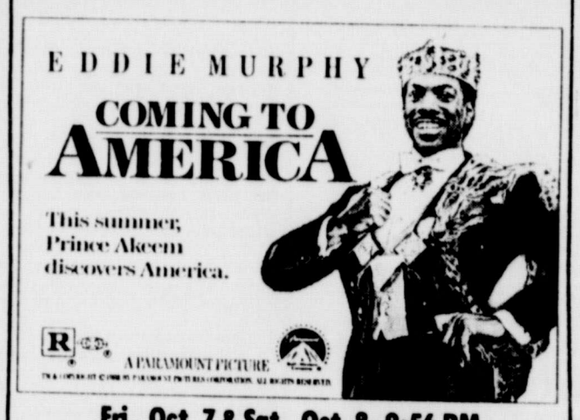

There is an occult scare in Baird right now, with questions and rumors all around the area. The discovery of a highway drainage tunnel filled with occult graffiti eat of Baird under I-20 made the rumors fly even more. It was said that some of the graffiti had to be done by people who know about the occult. Many say that drawings in the tunnel have been there for years, but Callahan County Sheriff Bill Skinner said that the blood was not that old. A sample has been taken and sent off to find out what kind of blood it is. The Baird City Council is planning to hold a seminar on the subject of the occult, and are arranging for some experts in that field to speak. Many people are interested in finding out the facts

.....to a clear conscience and a good night's sleep is the feeling of security in owning your own home with with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then becomes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

Cisco Residents Come From El Paso

Mr. and Mrs. Chester K. Green have purchased a nice three bedroom dwelling located at 1401 Avenue P and have moved. The Greens are retired and moved here from El Paso. Cisco welcomes them to be with us.

The Garl D. Gorr Real Estate Brokerage handled the transaction.

Shown in the above photo are left to right, Fay Cozart, Oda Hale, Christeen Cozart in front of Ggreat Grandfather Cozart's berry vine in 1919. The Cozarts moved to West Texas in the fall of 1920. Oda Hale presently lives in Cisco.

Early Families In Cisco Area

(Editor's Note: The following story appeared in the previous of The Cisco Press.)

By Oda Hale

The Henry Stublefield's lived 1/4 mile west of school on the south side of the road. Othlo Stublefield was teaching in the Rich school in 1919 and rode horseback. Others in the family were Guwin Stublefield, Rosa Stublefield, Desda then Howell, Flonda, and Parks Stublefield.

The Ben Speegle house was ½ mile on the north sde of the Nimrod road. Scranton road in front of Speegle house- across the road was Loran Parks. His girls Charlie Ben Parks, Sybil Parks were the students from the west. The ones from the south were Fay and Christine Cozart, grandchildren of Mr. Logan Cozart; great grandchildren of Mr. Willie Cozart. Mr. Logan's number two son was Willie Cozart, named for his grandpaw. He married Pearly Datson and their oldest son Haris went his first year.

From the east came Era Hale, Oda Hale, and Erma Tonne.

1920 Johnnie Right also board with Willie Leveridge, teacher. A lot more students had moved in. The H.H. Hardin's had moved on the Lafe Waltens farm. Their old house is still standing on the East Side of 206, where the road is paved from 206 to the Scranton road. The Hardin children were, Grace, Virgie, Estn, R.C., Odis, Henry and Gobin. Henry Harbin helped his Dad farm and Golin was too young. Erma Tonne and her brother Walter first year in school. It also was the year President Hardin became our president.

Mrs. Julie Roleford Walters, Lafe Walters and their 2 children, May and Ernest had moved to West Texas. The Hardin family lived on their place and it was solid cackleburs. It almost worked the Hardin family more than they could do to clean those cackleburs out, so they wouldn't choke the corn and when a big overflow of rain completely covered the bottom land field, Mr. Hardin just knew his corn crop was lost. The Hardin's couldn't drink the well water, so since they were milking enough cows, they drank milk-water and it gave them enough strength to handle those cackleburs.

Mrs. May Dillon Clark, Lester, Garbin and Estalee moved on the Stublefield place. Henry Stublefield had moved to Cisco and was road ,commissioner of Precinct 4, a long time, then he was a Justice of Peace, I believe.
