

Moonlighters To See Santa, Sale Bargains

Santa Claus will be here again Friday night for the fifth annual Moonlight Madness Sale beginning in 15 Tahoka businesses at 6 p.m. and continuing for three hours of bargains and giveaways.

Tahoka Chamber of Commerce officials were in touch with Santa this week, and he said he not only will make appearances in all the participating businesses, but also will be on hand at the courthouse square at 7 p.m. when there will be a tree-lighting ceremony around the community

tree planted there last year.

There will be carol singing by a group of youngsters in the ceremony of turning on the Christmas lights. After that, Santa will make his rounds of the businesses and wind up during the last 45 minutes or so at Paris Cafeteria, where anyone who missed him elsewhere can talk with him.

Businesses make a special effort to offer exceptional bargains to shoppers for just those three hours, and in the four years of

the event, sponsored by the Tahoka Chamber of Commerce, sales have been good, too, as area residents also are enticed by turkeys and gifts of merchandise offered by most of the participants. Each store which gives away something at a drawing Friday requires only that the signups for the drawing be made only during the 6-9 p.m. period, and that those signing up be at least 18, with no requirement made for anyone to be present to win. Winners usually are notified

the next day by the individual stores.

"The chamber hopes this year's sale will give local businesses a much-needed boost in the face of economic difficulties," said Weldon Self, president of the chamber. "One of the best things about the sale every year is that it demonstrates to the citizens that you really can

get good bargains at home."

Most of the bargains offered during the three-hour sale are detailed in advertisements inside this issue of the Lynn County News.

These businesses will be open from 6 to 9 p.m. Friday for the sale, and each will be giving away gifts of merchandise, turkeys or

other items:

Burks Named Interim Tahoka City Manager

Melvin Burks, former Lynn County judge and now city judge, was appointed interim city manager for the City of Tahoka, to serve in that job until the mayor and city council select a new city manager, probably in early January.

Carl Reynolds, who has resigned from the city manager's job effective Dec. 12, told the council at its regular meeting Monday night that Burks has a good knowledge of what is going on around the city since he has been at the city hall daily in his duties as city judge.

Applications for the position of city manager are being accepted by the mayor and city council until Jan. 5, the next meeting day for the council.

Councilmen this week praised

Reynolds for his service to the community over the last seven years. Reynolds has accepted a position at First National Bank of Tahoka.

City, County Burglaries Reported

A case of combined criminal mischief and burglary in Tahoka, another break-in at Das Kraut Haus in Wilson and a storage shed burglary west of the city were investigated by officers during the last week.

Tom Cloe told police that someone had entered his rent house at S. 4th and Ave. G Monday night and took four curtains off the windows. Also a window glass was broken by two gunshots and a picture window had been broken by a rock.

Das Kraut Haus was burglarized early Thanksgiving Day or the previous night, with money taken from a video machine and cigarettes, candy, cigarette lighters and lunch meat also stolen.

Crime Line, 998-5145, has offered a \$300 reward in the Wilson burglary and also in the theft of welding equipment valued at \$1275 from a storage shed next to a house on U.S. 380 12 miles west of Tahoka, owned by Roy Stephens, Rt. 5. Among the items stolen in daylight hours Tuesday were a Sears cutting torch and Lincoln welder and three gas bottles.

Police Chief Gary Morrison this week cautioned citizens to

appointed Dr. Richard Wright as city health officer, heard a report from Police Chief Gary Morrison on the last month's activities, particularly in regard to a drug crackdown and delayed action on setting prices on lots in the new cemetery, which is scheduled to be put into use sometime next year.

The council also voted to install 12 new stop signs and yield signs, mostly at intersections in the city where unpaved streets intersect with paved streets. "At most of these places, we're installing yield or stop signs where people should be yielding or stopping anyway," said Reynolds.

Mayor Jim Solomon advised the council that he is proclaiming the week of Dec. 14-20 as "Drunk and drug driving awareness week" in Tahoka, in conjunction with a statewide observance aimed at making citizens more aware of the problems caused by driving while under the influence of either.

lock their cars and homes, especially during this holiday season, a time when criminals are on the lookout for Christmas gifts. Residents also are asked to be especially alert for any suspicious activity around homes and vehicles.

Police issued one ticket for no drivers license and no verification of liability insurance. In jail during the week were one person each for revocation of probation, driving while intoxicated, DWI second offense, DWI third offense plus driving with expired license, unlawful delivery of marijuana plus revocation of probation, and theft by check.

WOODWORK BY DALTON

OUR CALENDAR, invented by the Phoenicians, or Arabs, or somebody, is all messed up. The reason I say Arabs is because we use Arabic numbers. Actually, as some may have guessed, I don't know who invented the dumb calendar, but that won't keep me from commenting on it, because some things on the calendar really are not well planned.

My birthday is one of them. It always has been exactly three weeks before Christmas, Dec. 4, and this is not a good time to have a birthday. Especially it was a bad time when I was a kid, because you just don't get as much stuff when your birthday is in December or early January as those kids born in July or August.

It is a slight advantage to know what day Christmas is on, I knew my birthday (and New Year's Day) will be on the same day, all Thursdays this year.

We celebrate the birth of Christ on Dec. 25, and I certainly am all in favor of that, but actually nobody knows when He was really born. Or

how old He is, since I seem to recall reading somewhere that Christ was born in 4 B.C., which sounds like somebody really loused up on their counting someplace. Anyway, I am exactly three weeks older than He is, and sometimes I kind of feel like it.

Also, if we're going to make Christmas and New Year's both official holidays, it would be better to separate them by more than a week. We ought to celebrate Christmas on the third Friday of December.

WE HAVE received from one of our friendly accounting people a brochure telling us something about what the so-called "tax reform" legislation is going to do to us. Those who itemize deductions will generally have to pay more taxes than before, as will married couples who both work. If so, these are the kinds of tax reforms most of us could do without.

GOOD GRIEF, IT'S BUBBA SMITH — An unidentified Wilson running back drives low and hard for a short gain against the tough Wheeler defense, as Wheeler's Bubba Smith (44), same name as the famous ex-pro defensive end, makes the tackle.
(LYNN COUNTY NEWS PHOTO)

Mustangs Shut Out By Wheeler

The Wilson Mustangs were denied the right to advance to the state quarterfinals last Friday night in Childress losing to a tough Wheeler team by a score of 21-0 in Class 1A regional playoffs.

Wheeler's first score came with 3:08 left in the first quarter on a 12-yard run by Bubba Smith and a good PAT kick by his brother Richard Smith made it 7-0. Wheeler got another six points on a 64-yard pass play from Augie Hennard to David Jones with 2:57 left in the half and a good PAT made it 14-0 at halftime.

With no scoring in the third period, Wheeler's Bubba Smith ran for a four-yard TD and a good PAT kick made it 21-0.

Individually for Wilson, Justin Bednarz had 15 carries for 57 yards, Chris Burtch had 5 carries for 33 yards, Ruben Garcia carried the ball 13 times for 35 yards and Greg Spears had 2 rushes for 21 yards. Spears was 6/19/4 int/58 yards passing and leading receivers were Jeffery Bednarz with two catches for 22 yards. Wes Earwood had two receptions for 16 yards, Justin Bednarz caught one pass for 18 yards and Ruben Garcia had one reception for two yards.

Defensively, Justin Bednarz and Chris Burtch both had one interception and Justin Bednarz and Garcia both had one fumble recovery for Wilson. Leading tacklers for the Mustangs were Burtch with 13, Johnny Guzman with 12 and Craig Wuensche and Garcia each had 11 tackles.

Wheeler advances to the state quarterfinals and will meet Sunray this Friday night in Pampa.

GOLD STAR WINNERS—Receiving the 4-H Gold Star awards Nov. 24 in Lubbock were (l-r) Jody Woodard, Jason Spence and Cody Smith.

District Honors County 4-H's

Thirty-nine outstanding members of 4-H Clubs across the South Plains were honored in Lubbock Monday, Nov. 24.

In addition to receiving the Gold Star Award, highest honor presented at the county level by the youth organization, the youths were challenged by State Sen. John Montford of Lubbock to continue to serve their communities in leadership roles.

Honored from Lynn County were Jody Woodard, son of Jimmy and Judy Woodard; Jason Spence, grandson of Cleve and Mary Lee Littlepage; and Cody Smith, son of R. L. and Sharon Smith, all of Tahoka.

Joining the youths at the awards banquet at the KoKo Palace were parents, government officials, leaders of the Texas Agricultural Extension Service, fellow 4-H's, educators and other community leaders.

Master of ceremonies was Dr. Marvin Cepia of Texas Tech University. Guests were welcomed by Rodger Burch of Caprock Electric Cooperative, representing the 12 electric cooperatives which have sponsored the banquet for the past 29 years. In addition to Caprock, they are Lyntegar, Bailey County, Deaf Smith, Dickens, Lamb, Lea, Lighthouse, Lone Wolf, Midwest, South Plains and Swisher cooperatives. Borden County 4-H member Kristi Stone responded on behalf of the youth.

The award presentations were narrated by Jana Tate of Scurry

County, chairman of the South Plains 4-H Council, and Glen Alan Phillips of Gaines County, council second vice chairman. The awards were presented by Dr. Catherine Crawford and Bob Robison, district Extension directors.

Entertainment was provided by Keitha White of Garza County, 4-H Council secretary. Other 4-H's on the program were Kevin Tate and Mande Henry of Scurry County; Jason Spence and Timothy Young of Lynn County; Janell Jones and Clay Cowdrey of Garza County; and Sally Parker and Tamara Taylor of Lubbock County.

Tahoka Mormons To Worship In New Chapel

Members of the Church of Jesus Christ of Latter-day Saints (also called Mormons) who live in Lynn County anticipate attending their first worship service in their new chapel this Sunday, Dec. 7. Mormons in Hockley, Yoakum, Lynn and Terry counties attended church together. Services will begin at 10 a.m. and visitors are welcome.

The new chapel is located in Brownfield, 202 Gillham, near the Tahoka highway. After years of renting or adapting to features of purchased buildings, the Church of Jesus Christ of Latter-day Saints will have its own chapel. Like all LDS buildings, this one will have been paid for without borrowed funds before occupancy.

Contractor Mark Branford of Hallmark Construction has been supervising construction progress since the groundbreaking of March 29. Some of the building's features include extra deep concrete foundations and thick interior walls. The chapel is built with future expansion in mind. The exterior is designed to be maintenance free. Shingles weigh 300 pounds every 100 square feet and the white brick protects 17-inch interior walls, a thickness which is three times that of most one-story constructions in the area. Located on a small hill, it is hoped that the church will enjoy some measure of protection from flooding. Landscaping will consist of a variety of trees and shrubs which will be watered by an underground automatic sprinkler system.

Parking will accommodate some 30 cars. Altogether there will be 3,200 square feet of floor space.

Museum Has Out Of State, Area Visitors

The Tahoka Pioneer Museum has been visited by travelers from seven different states and many cities throughout Texas. In November visitors came from South Carolina, Washington, New Mexico, Vermont, Illinois, New York and Oklahoma. On Nov. 7, the fourth grade from Wilson school toured the museum with Bill Craig, local artist. Sponsors for the Wilson trip were Mrs. Vickie Luckenbach and Ted L. Dockery.

On Nov. 11, the seventh grade of New Home School visited with Craig also leading this group. Laverne McAlister, teacher, and Oscar Roman, bus driver, were sponsors for this group.

Bill Craig gives a short presentation on the history of the area, and also tells why Tahoka Lake is, and has been, an important part of Texas history.

The Tahoka Pioneer Museum Board encourages groups to visit the museum and arrangements can be made for any time period by calling the museum, 998-5339, or any board member.
