Courier Bargain Rates Announced

American Legion Plans For Armistice Day Program Here

Special Plans Are Laid For Celebration

Program Will Be Held In Plenty Of Time To Get Away For Football Game

Officers of the Allen-Houston Post of the American Legion met Monday night of this week and worked out the details of the program tentatively planned last week for November 11. The program will be held at ten o'clock on the Court House lawn and in case of inclement weather, in the District Court Room. The program will be introduced by fifteen minutes of band music by the Lamesa Band under the direction of Conway King. The song "America" will be led by J. D. Dyer, and Rev. David J. Murray will give the invocation. Mary Jo Priddy will render a reading appropriate for the occasion.

The main feature of the program will be an address by Honorable Tom Gerrard of Tahoka. Mr. Gerrard's subject will have to do with some of the problems of modern times. The speaker is well-known throughout the South Plains. He has attained prominence in the profession of law, was for many years a member of the State Board of Education, and is recognized as one of the best speakers in this section of the country. Mr. Gerrard will be introduced by Judge Louis B. Reed.

If proper arrangements can be made, President Roosevelt's speech will be received and amplified over loud speakers either at the beginning or the close of the program, depending upon the time the speech will be given.

All ex-service men and the public in general are urged to attend this meeting. It is expected that the program will be concluded by eleven o'clock so that those who plan to go to Midland will have ample time to make the trip.

The Legion passed a resolution in its regular meeting two weeks ago recommending that all business houses who could conveniently do so close for the entire day, November 11.

Annual Red Cross Roll Call Will Begin Tuesday

According to W. K. Crawley, 1941 Roll Call Chairman for the Dawson County chapter of the American Red Cross, plans are nearing the final stages for initiating the annual membership drive, scheduled to get under way November 12. Mrs. W. K. Crawley has been appointed Assistant Roll Call Chairman.

Boy Scout troops of the city, under the leadership and supervision of Leslie Pratt and Joe Spikes, will begin distribution Monday, Nov. 10, of placards and posters which business firms of the city will be asked to place in conspicuous places in their show windows from Nov. 12-30, the period of the drive.

At the direction of Mrs. Louis B. Reed, in charge of Red Cross sewing for Dawson County, who will have charge of decorations for the Roll Call, and under whose direction between 25 and 30 Red Cross flags have been made, advertising materials including the flags, will

be distributed to local merchants for display inside and outside of their places of business. A large flag will be displayed at both the Post Office and the High School.

"We would appreciate it," said Crawley, "if each merchant displaying a flag would allow his flag to stay in public view from November 12 until the drive is completed November 30."

Mrs. C. A. White, president of the Lamesa Elementary Parent-Teachers Association, has been appointed in charge of organizing the parent teacher associations of the other schools of the county, and the following persons have been chosen to head the drive in their schools and communities:

Mrs. W. P. Herring, Mrs. Otis Crumpler, Mt. Olive; Mrs. J. M. Merrick, Mrs. V. B. Hohn, O. K.; Mrs. D. L. Adcock, Mrs. J. Fred Dahne, Woody; Mrs. Benton Bennett, Mrs. A. T. Klas, Key; Mrs.

Fred T. Raney, Mrs. T. C. Martin, McCarty; Mrs. W. A. Brown, Mrs. Clyde Edmondson, Klondike; Mrs. Tom Belt, Mrs. Frances Brown, Ackery;

Mrs. H. B. Smith, Mrs. L. M. Mires, Harmony; Mrs. H. G. Burkett, Mrs. B. F. Sumner, Union; Mrs. O. H. Sires, Mrs. K. C. Preston, Dawson; Mrs. Paul Foutz, Mrs. V. L. Lawson, Lamesa schools; F. M. McLendon, Hancock; H. A. Hughes, Bartlett; D. V. Wade, Liberty; O. K. Oliver, Grandview; Ed Knox, Sunset; and Mrs. Ab Spraberry, Mullins.

Lamesa Rotary Club, C. A. Hollingsworth, president; Lamesa Lions Club, Henry Norris, president; Lamesa Chamber of Commerce, Homer F. St. Clair, president, each has been given a certain section of the business district to work during the roll call. Each club officer is being asked to appoint a committee

Lamesa School Girl Disappears

Parents Frantically Ask Help Of People To Locate Missing Daughter

The parents of a Lamesa school girl are distraught over the disappearance of their daughter last Monday morning, and are asking the people of this territory to assist them in locating her.

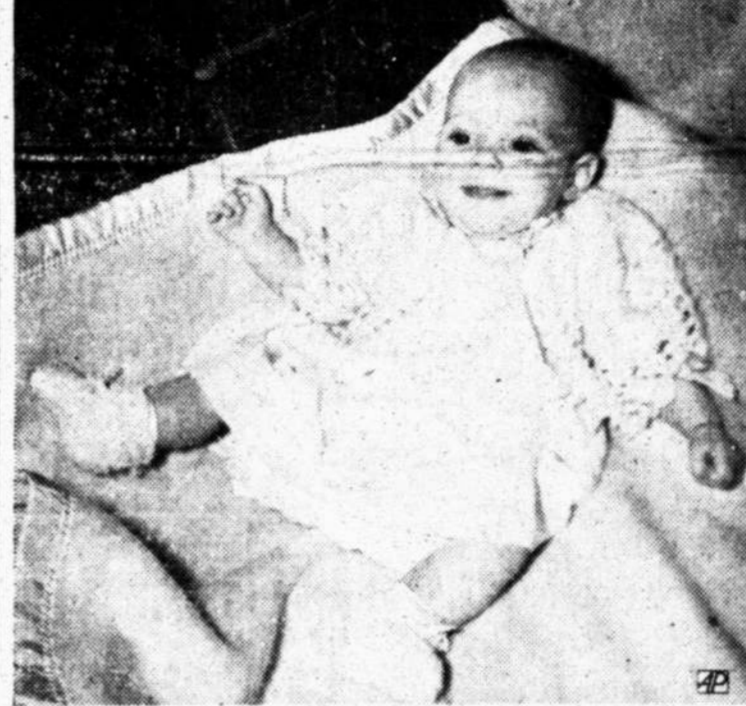

She is 14 years of age, has dark curly hair, when last seen was wearing a black coat, cowboy boots, Navy dress with red buttons down the front. She is 5 feet and 6 inches tall and weighs 116 pounds.

Her parents believe she might have accepted a position as a housekeeper in some home in this section.

She has been a student in the Lamesa Elementary School during this term and is in the 7th grade.

Her parents are very anxious to contact her, and anyone who has seen her, or knows her present whereabouts, are urged to notify the sheriff's department in Lamesa.

Her Dad Reuben James Victim

Four-months-old Patsy Ruth Reid is too tiny to understand the sorrow that enshrouds her Dallas home. Her father, Lee L. Reid, was lost with the Destroyer Reuben James. He did not get to see his daughter, being called to duty before she was born.

Subscription Is Now Only \$1.00 Year In County

Bargain Rate Effective For Limited Time Only, On New And Renewals

Folks, here is the big announcement you have been waiting for! Beginning today, and running for a limited time only, the subscription price of the Courier will be One Dollar per year, which is just exactly half of the regular rate. This low bargain rate applies to those who receive their mail in Dawson or adjoining counties. The subscription price elsewhere remains at \$3.00 per year.

The publishers feel that it is far better to pass this savings on to the subscriber, rather than offering premiums, or paying some high powered outside sales promoter the money. It has been the custom of this newspaper for the past several years to put on these special Bargain Rates, and it has always met with very hearty approval from the people all over the territory.

Remember this low price is for either new or renewal subscriptions, and it for a limited time only.

With the rising commodity prices, you probably expected the bargain rate to be a great deal higher, but the rate is the same as it was last fall, and yet prices of other commodities are higher. So it is even a greater bargain this year, than in former years.

There are some whose time will expire this fall and you are urged to come in today and take advantage of this savings. If your time does not expire for several weeks, you may renew and your time will be extended a full year from the expiration date. In this way, you do not lose a single day of your subscription, and you have the assurance that you will not miss a single issue of the paper. You are advised to do it today, lest you forget it, until it is too late.

Besides a complete coverage of the city, county and community news of this section, the Courier brings you the very latest Associated Press pictures of happenings in Texas, as well as outstanding AP features, written by some of the best talent in the country.

And aside from the news angle, many subscribers report that one of the most interesting features of the Courier is the large number of values which are listed in every issue of the paper. With living costs mounting daily, this item looms larger this year than it has in the immediate past.

But whether you like the news angle, the features, the advertisements, or all of them, if you live in Dawson or adjoining counties, you had better come in now while this special bargain rate is effective.

Many Lamesans Expected To Attend Armistice Day Grid Game At Midland

Interest In Game Tuesday Is Keen Due To Fact That Bulldogs Upset A Favored Tornado In '40

Armistice Day, next Tuesday, is to be observed as a holiday by Lamesa schools.

The football game with Midland as host city at 2:30 p. m., will be the center of interest for sport fans. Lamesa has lost some close games to Midland during recent years. Certain happenings like long last quarters, unusual penalties by game officials nominated by Midland, and cancellation of basketball games without notifying the Golden Tornadoes, have served to create some feelings of resentment in the Tornado adherents and membership.

Lamesa needs this game to regain 500 per cent ranking in conference play, which now stands at two wins and three losses. The Golden Tornadoes want to hold a "first division" rank as the season ends and have a race on with Odessa, Abilene, Sweetwater, San Angelo, Big Spring, Colorado City and Midland—all striving for top honors too.

The last game of the season will be in Lamesa on another holiday, November 20th, against Colorado City.

New Prison Head

Douglas W. Stokes, an ex-army man who had to be coaxed into the field of penology six years ago, has been appointed general manager of the Texas prison system. Prior to this appointment, he held the posts of assistant warden and cashier.

Two Polo Games To Be Played Here On Sunday

Games Between Big Spring, Lubbock And Lamesa Will Be Free To Public

Announcement is made this week that a double-header polo game will be played at the Lamesa Country Club Field Sunday afternoon, beginning at 2:30.

The first game will see the Lamesa Reds pitted against a strong Big Spring team. The Lamesa team will be composed of Hollis Campbell in the number one position; Elmo Smith in the number two; Bryant Fulkerson in the number three and W. L. Lawrence in the number four. This game will start promptly at 2:30.

Immediately following the above game, the Lamesa Whites play Lubbock in the second game of the double bill. The White team is composed of Sol Cleveland in the number one position; Eric Barron in the number two; Spencer Barron in the number three and Gus White Sr. in the number four.

There will be no charge made for these games and the general public is invited to see them.

There are 86 plastic parts in a 1941 automobile.

Stores Of Lamesa Expected To Be Closed All Day On Armistice Day Next Tuesday

Patrons Of Various Business Institutions Of Lamesa Are Asked To Do Their Shopping Monday

Civic leaders and members of the local American Legion are pointing out the fact that this Armistice Day 1941, may possibly be the last that America will celebrate in peace, at least for some time to come. With war clouds steadily growing darker day by day, they state that chances are very slim that there will be an opportunity to celebrate a peaceful Armistice Day in 1942.

For this reason, they are asking all people of the town and county, to come to Lamesa Tuesday morning and join the Legion in their program, details of which will be found in another place in this issue.

Most of the stores of Lamesa will be closed for the day and patrons of the town are requested to bear this in mind and make their purchases on Monday, sufficient to take care of their needs over the holiday.

Towns all over West Texas are planning to close as observance of this day, and it is believed here that Lamesa will join in to make the day a success.

A large ad, with a special message, will be found elsewhere in this issue, from several of the merchants of Lamesa. Your attention is directed to this ad.

J. Fred Smith Moves To Lamesa From Levelland

Announcement is made this week that J. Fred Smith is back in Lamesa at the Lamesa Flower Shop and Greenhouse.

It will be recalled that Mr. Smith built and operated the business here for several years, but a few months ago he leased it out and he and Mrs. Smith went to Levelland, where they operated a flower shop. He announced that they would move their shop from Levelland back to Lamesa. Your attention is called to their ad in this issue. He also stated that he would begin construction immediately upon a flat house, 30x100 feet, for the display of shrubbery.

Armistice Will Be Celebrated In Many Ways

Large Delegation Expected To Go To Midland, Others Will Go To Sweetwater

With many Lamesa people planning to attend the Armistice Day Football game at Midland between the Tornadoes and the Bulldogs, a special Armistice Program in the morning by the Allen-Houston Post of the American Legion, most of the town will remain closed all day next Tuesday, it is stated.

The Legion program will be held in the morning so that the people here may attend this program and get through in time to attend the football game also.

Several from here plan to see the Odessa Bronchos battle the Sweetwater Mustangs in the latter city, for what looks like the championship of District 3AA. Many local fans believe that the Odessans have a good chance to knock the Mustangs from their perch atop the balance of the teams in the district, while others contend that the Mustangs will have too much for the Bronchos and go on to finish their district play without a defeat.

The Lamesa-Midland affair, will have no bearing on the district winners, but it will nevertheless offer some highly interesting football.

The Tornadoes are still struggling under a defeat handed them on McCullum Field last season by the Bulldogs, and one which many fans believe saw some preference by the officials. The Tornadoes will be seeking to avenge that defeat, while the Bulldogs will be trying to get their first conference win of the season.

It is understood that the band and pep squad will accompany the Tornadoes on this final out of town game.

Honey is imported from Cuba, Mexico, Guatemala, the Dominican Republic.

Former Lamesan Hurt In Auto Accident Friday

Mrs. Katie Lee Clement McMurrey, former Lamesa girl, was painfully hurt in an automobile accident near Vernon Friday night, according to information received by her mother, Mrs. W. L. Clements here.

Mrs. McMurrey, her husband and Mr. and Mrs. Joyner were returning to their home in Vernon from the Vernon and Quanah football game, when a car suddenly stopped in front of them.

She was taken to a Vernon hospital where she received first aid treatment. She suffered a severely sprained ankle which will confine her to her room for a week, and then she will have to use crutches for some time, her mother says.

She is at her home at 2030 Paradise Street, Vernon.

Carl Cummings Loses Arm In Gin Accident

Victim's Hand Is Caught In Saws Necessitating Amputation Of Arm

The first serious accident of the current ginning season, occurred this week, when Carl Cummings got his hand in the gin saws, which pulled his arm in them, mangling it to the extent that amputation of the left arm at the elbow, was necessary.

The accident happened at the Sherer Gin at Key, and the victim was rushed to a local hospital, where the operation was performed.

He is resting well and it is felt that he will recover nicely unless unforeseen complications should develop.

Albaugh Test Is Swabbing And Bailing Fluid

Wildcat Is Being Watched With Much Interest Both Here And Elsewhere

Testing on swab and with bailer was underway Wednesday at the Ray Albaugh of Lamesa, and Richmond Drilling Company, of Midland No. 1 J. J. Handley, section 36, block M, EL&R survey, prospect in northwestern Dawson County.

The test was reported to have swabbed 35 barrels of oil through casing in 24 hours and bailed 170 gallons of salty sulphur water off bottom. On a later gauge it recovered oil at the rate of two barrels hourly and 20 gallons of water in eight hours, indicating an increase in the oil recovery and a decrease in water. Operators have expressed the opinion that the water is not coming from the bottom of the hole but water which has become contaminated.

It is bottomed at 4,980 feet, in lime, where, operations were halted after three additional feet had been made with cable tools. Scattered porosity and staining was encountered from 4,865 feet to bottom.

Examiners For Drivers License Here Regularly

The drivers license examiners will be in Lamesa to take applications every Thursday afternoon from 1:30 to 5 and Friday from 11 a. m. to 5 p. m.

If your old license number is under 450,000, you will be given a renewal form to be executed and sent direct to the Department of Public Safety. This form will be used for renewing operator's license only. No test is necessary for renewals.

Anyone applying for a new operator's, commercial operator's, or chauffeurs license will be given an examination. The applicant should

Baptist Association Of Texas Holds Gathering In Lamesa This Week

Hundreds Of Visiting Pastors From Texas And Surrounding States Have Been In Attendance

The Baptist Missionary Association is meeting in Lamesa this week in their annual gathering with the Bryan Street Baptist Church as host, Rev. Willie Lee, pastor.

Several hundred visiting preachers and laymen from all over Texas, Oklahoma, Louisiana, Arkansas and New Mexico, have been in attendance, with Thursday scheduled as the biggest day of the meeting.

This is the annual gathering of the association, and many visitors report that this is the finest in the history of the body.

The Association proper, opened Wednesday morning, but a pastor's and laymen's conference was held Tuesday night, as well as a Woman's Missionary Union meeting. The young people held a meeting Monday night.

At the Wednesday session Elder Jeff D. Welch, of the Central Baptist Church, Lubbock, was elected Moderator and Elder G. C. Henry of Rice and Elder A. L. Meador, First Baptist Church, Paris, were elected assistant moderators. All other officers of the association were re-elected.

The annual meeting will continue through Thursday and possibly longer, Bro. Lee stated Thursday morning, depending upon whether or not the business at hand could be disposed of during the day. He expected Thursday to see the largest attendance of any previous day.

Messengers representing almost every section of Texas are in attendance, he said, with many visitors from other states also in attendance.

To Let Contract On Brownfield Road This Month

Is Final Gap In Dawson County On Road Started Some Time Ago

The Texas State Highway Commission announce that bids will be received on 20 projects over the state of Texas, this month. One of these is the section of road in Dawson County between Lamesa and Brownfield.

The bids will call for the construction of nine miles of grade revision and asphalt surfacing on Highway 137 from 9.7 miles northwest of Lamesa to the Terry County line.

It will be recalled that this road was started quite some time ago, and was finished from Lamesa to Punkin Center. The announcement from the Commission that the rest of it would be built, was greeted in Lamesa with a great deal of enthusiasm.

Terry County is already working on their part of this road, and with the completion of their part and the finishing of this gap in Dawson County, means a hard surfaced road from Lamesa to Brownfield.

Alaska's flag is eight gold stars on a field of blue.

Ex-Service Men Are Invited To Special Meeting

All ex-service men in Dawson County and surrounding territory, are urged to attend a regular meeting of the Allen-Houston Post of the American Legion in Lamesa, G. M. Roberts, announced.

There will be many important questions to discuss and dispose of every ex-service man whether or not he has ever been affiliated with the Legion, is urged to be present.

Congress Worries Treasury Dept. With Auto Levy

By JACK STINNETT
AP Feature Service Writer

WASHINGTON — Congress has the Treasury department across a barrel and all because of a little \$150,000,000 item which isn't a drop in a ten-gallon keg when you come to considering the overall billions needed to run the government and finance national defense.

When the latest tax bill came out of Congress, one thing in it NOT recommended by the treasury was the \$5 motor vehicle tax. Even now that it has become law you can't get any one-the-record discussion of it at the Treasury department.

Certain regulations concerning the tax were laid down in the law the use of windshield stickers as certificates of payment, the jail sentence and fine provided for tax dodgers, and principally the fact that the tax should become effective February 1, with a prorated payment until the beginning of the tax year July 1.

This little joker means that the Treasury department's collectors of internal revenue will take the field February 1 to collect \$2.96 from each of the 32,000,000 private and commercial automobile owners in the country—some of the heaviest little problems in tax collection that the treasury has ever been faced with.

ANNAPOLIS — Bill VIII gave up to a new goal this year and retired to the quiet life but nobody can say he didn't give his all for Navy's Middies—at least once.

NEW BRUNSWICK, N. J. — Mike and Frank they look alike and Coach Harvey Harman of the Rutgers football team has got to remember it.

THAR SHE BLOWS
NORMAN, Okla. (AP) — E. L. Lucas, geology professor at the University of Oklahoma, was teaching his class about the geysers of Yellowstone National Park.

DAMP SALT KILLS AEM NERVE
UNION, W. Va. (AP) — The damp salt which Clarence Brookman used to kill barberry bush was blamed today for the paralysis of his right arm.

THERE'S MORE THAN ONE WAY
OSWEGO, N. Y. (AP) — The shot that hunter Earl E. Manwaring fired at the bunny missed — but the rabbit dropped dead.

Mrs. Jimmie Cotten and children spent the week end at Santa Rosa, New Mexico, visiting in the home of Mr. and Mrs. M. C. Medley.

The Silly Side Of Sport

LEXINGTON, Va. — Big Joe Muna, Virginia Military Institute's candidate for All-America backfield honors has durability as well as speed and power.

Coach Pooley Hubert finally called to the quarterback "Son you have called on Muna the last eight plays. What are you going to do when he's not tired?"

OKLAHOMA CITY — Tough-dogging had become so monotonous in the 1939-40 season of the University of Oklahoma freshmen over the Will Rogers Air Base football team that the crowd had ceased yelling.

ANNAPOLIS — Bill VIII gave up to a new goal this year and retired to the quiet life but nobody can say he didn't give his all for Navy's Middies—at least once.

NEW BRUNSWICK, N. J. — Mike and Frank they look alike and Coach Harvey Harman of the Rutgers football team has got to remember it.

NAVAL AIR BASE AT CORPUS CHRISTI IS WORLD'S LARGEST

CORPUS CHRISTI — While Sam's great \$50,000,000 University of the Air spanned over 14,000 acres of nearby Gulf coastland, from which the first group of flying students were graduated Saturday November 1 may truly be called the world's largest naval air training station.

When the 45 strong team brought young men received their wings of gold and commissions in the United States Naval Reserve from Captain A. B. Bernard, Commanding Officer they marked the setting of a record for air training never approached before.

As youthful lads just out of college they entered training last March. Today eight months later they are moving out to join the first line of defense as finished flyers of every type of plane the Navy uses in the Nation's defense. These young men will be followed by a steady stream of other cadets moving out to join the fleet at an average of 30 a day or 300 a month.

At Corpus Christi they are skilled in flying torpedo planes, scout bombers, scout cruisers, battleship observation and patrol planes, and the deadly little fighters. They are trained to throw a dive bomber into a vertical crip for thousands of feet at a terrific speed and let go their lethal payload of TNT before leveling off to safety.

The United States Navy first perfected dive bombing tactics now used with devastating results in Europe. And nowhere are flyers better qualified for this spectacular job than Uncle Sam's own naval boys.

Plans for building a naval air station on the Texas Gulf Coast were initiated two years ago when Admiral A. J. Hepburn and a board of high-ranking naval officers were ordered to investigate and report upon the need for the establishment of additional submarine, destroyer mine and naval air bases on the coasts of the United States.

Yearly was refereeing a junior high school football game. Substitutions were numerous. Three came in and one held up his finger saying "I'm Smith coming."

Texas Farmers To Meet Food-Freedom Goal

COLLEGE STATION — Texas farmers won't do any halfway job in making good on food production promises but will produce even more than is being asked of them.

That's the promise B. F. Vance, chairman of the Texas USDA Defense Board, made to agricultural leaders and agency workers at a state-wide meeting to plan the Food-Freedom campaign which will reach every farmer in Texas during November.

"We've been asked to produce more food than we've ever produced before," the board chairman said "and we can do it. But remember that the job will just be started after we've completed the farm-to-farm sign-up. The sign-up over which we will stay on the job to see that we make good on our promises. I know that Texas farmers will get the job done. In fact I feel sure that we'll produce much more than it is though we are able to produce."

H. H. Williamson, vice-chairman of the board outlined agriculture's part in national defense and stated that he had no hesitations about attaining the goal set for Texas.

George Slaughter, chairman of the Texas AAA committee pointed out that the increases sought in food production were necessary for home needs for Britain's food requirements and for reserve stocks to feed a hungry world when hostilities stop. He emphasized the fact that Congress has authorized the Secretary of Agriculture to support the prices of all products in which he requests increases at no less than 85 percent of parity thus assuring farmers of a fair price for their expanded production.

Other speakers on the program described how farmers could increase their production of the needed foods. Representatives of the various agencies concerned with agriculture explained how these agencies could assist in the campaign. Farm organization leaders pledged their support in the campaign.

Campaign plans for reaching every farmer in Texas were discussed at the meeting which was called by the Texas USDA Defense Board. The Food-Freedom drive will be linked with the sign-up of AAA farm plan sheets with AAA committee members contacting the individual farmers to find out from them just how much each can increase his production of milk, eggs, pork, peanuts and certain other products which are needed to feed America and the nations resisting aggression.

Price Of Wheat Twice As High

TEXAS — Wheat farmers selling wheat produced by the AAA wheat program are receiving approximately twice as much as growers in other wheat producing countries.

The average farm price of wheat in Texas is about \$1.05 and the average farm price in the United States is about 90 cents, he said.

The average price received by Canadian growers is about 47 cents (U. S. money) while Australian growers have been receiving 51 cents per bushel. Returns to Argentina growers are from 42 to 48 cents per bushel.

Marketing quotas on wheat, acreage allotments, the loan program and import embargoes account for the price United States farmers are receiving, Colgin said in pointing out that this year is the first time in history that domestic wheat prices have exceeded foreign wheat prices by more than the tariff without threats of large imports.

The import embargo applied last May is not only stopping imports but making the price spread possible, the AAA official said.

"So attractive is our wheat price now that Canadians — if there were no embargo restrictions — could ship their wheat to a United States port of entry, pay the duty of 42 cents a bushel, and still have a margin of 15 cents per bushel over Canadian prices," Colgin said.

This indicates the price of wheat in the United States is approximately 57 cents a bushel higher than foreign wheat, but the difference in the average price and 57 cents is what farmers would be receiving if there were no farm program to protect the U. S. price, he said.

PERSONALS

Dan Davis, Dr. J. M. Harrington and Ray Williams returned Monday night from a hunting trip to New Mexico.

Mrs. J. M. Harrington and Mrs. Lynelle Klimes spent Monday night in Lubbock visiting with friends.

Verna Shifflett of Silver City, New Mexico, is visiting with her mother, Mrs. L. B. Shifflett.

Mr. and Mrs. Sam Singleton and children of Fresno, California, are here this week, visiting with her parents, Mr. and Mrs. Guy Simpson.

Hahn's Ivy, special 15c; Devil's Ivy, special 15c. Lamesa Flower Shop, 86 E. 1st.

Miss Louise Gill returned Tuesday from St. Louis, Mo., where she has been attending a convention.

Mrs. J. W. Boone spent Sunday in Midland visiting with friends and relatives.

RURAL CORRESPONDENCE

Mr. and Mrs. M. R. Hall left this week for Abilene where they will make their home.

SPARENBERG
Sherman Moulton Jr.

Rev. Crandall delivered his last sermon of this conference year at the Sparenberg Methodist Church the past Sunday. We are hoping that Bro. Crandall is returned to us for next year.

At a called conference at the Baptist Church Sunday morning, Rev. Marvin Leach of Forsan was called to pastor the church for the coming year. Rev. Leach has accepted the call and will be here next Sunday morning to begin his work and all members are urged to be present.

Mr. and Mrs. J. H. Bostick and Mrs. H. P. Baze of McCarty and Mr. Walls of Abilene were guests in the home of Rev. and Mrs. Crandall last Sunday.

Mrs. Otis Green and children spent the week end with relatives in Stanton.

Miss Opal Fields of Odessa spent the week end in the home of Mr. and Mrs. T. S. Bradford.

Miss Johnny Faye Thomas spent Sunday and Monday with Miss Elta Sutphen.

Mr. and Mrs. Willard Martin of Lubbock spent the week end with his parents, Mr. and Mrs. J. B. Martin and family.

Mrs. Clem Thomas and son of Big Spring spent Sunday with her daughter, Mrs. Tommy McNew and family and her sister, Mrs. Russell Davis and family.

Mr. and Mrs. Sherman Moulton spent Sunday with friends at Welch.

Mr. and Mrs. Cotton Mabry of Lamesa and Mr. and Mrs. Ed Lauderdale and baby of Brown spent Sunday with their mother, Mrs. Anne Mabry.

Mr. and Mrs. Millard McDonnell and children of Lamesa visited her sister, Mrs. C. H. Donham and Mr.

Last year's coat looks just as smart as any of this years models after it has been through our plant. Colors are freshened and all the dirt and soil of a winter's wear are removed. It is carefully Style Controlled as it goes through the various processes of measuring and pressing for smooth fit.

NOTICE!!
TO ALL MOTOR VEHICLE OWNERS

Every motor vehicle owner is advised to secure a Certificate of Title on their Automobile or Truck as soon as possible, as operation of their vehicles on the Highway after January 1, 1942, without a Title will be a violation of the law. The law states that any owner of a motor vehicle registered in this state shall not operate or permit the operation of any such motor vehicle upon any highway without first obtaining a Certificate of Title therefor. This does not apply to vehicles purchased new prior to January 1, 1936.

This Certificate of Title Act also specifies that the department or any agent thereof shall not, after the first of January 1942, register or renew registration of any motor vehicle, unless or until the owner thereof shall, make application for and be granted an official Certificate of Title for such vehicle, or present satisfactory evidence that a Certificate of Title for such vehicle has been previously issued to the owner by the department.

Under the provisions it will not be possible for an automobile owner to file application for a Title and register his vehicle at the same time, for said owner must present his title or evidence that he has received a title from the department before he can register or operate vehicle upon Texas highways. This does not apply to auto purchased before Jan. 1, 1936.

We would like to call your attention to the fact that any motor vehicle sold or encumbered after October 1, 1939, must be titled regardless of the date it was originally purchased.

Furrows Bring Back Grass

R. A. Keathley, Glascock County ranchman, right, tells Howard Kingsbery, ranchman-member of the State AAA Committee, that contour furrowing done under the AAA's range conservation program has put more grass on his ranch than he ever had before.

KEY

Denver 'Truit'

Clear weather the past two weeks have brought about great headway for the farmers in gathering their crops.

Lee Kirk and James Allison of Camp Normalhyde, San Antonio, spent the week end with Mr. and Mrs. R. N. Stricklin and family.

Mrs. M. Shearer, Mrs. Babe Cox and Pauline Jamerson spent the week end in Anson.

Mr. and Mrs. F. E. Towns spent the week end in Sweetwater visiting Mr. and Mrs. Henry Towns.

Mrs. Hinds of Lubbock is visiting in the home of Mr. and Mrs. Gus Grauwander this week.

Mr. and Mrs. Sam Adkins and son of Groesbeck visited in the home of Mr. and Mrs. R. H. Stricklin last week.

Mr. and Mrs. G. W. Truitt and family of Shumake spent Sunday in the home of Mr. and Mrs. I. T. Truitt.

Russell Calhoun attended the Lamesa-Sweetwater football game Friday at Sweetwater.

BLACK LIST KEEPS 46 CITIZENS THIRSTY

FAIRMONT, W. Va. (AP) — Mayor Fred T. Wilson believes the best way to deal with habitual drunkenness, is to "dry up" the source, so he ordered Fairmont dispensaries not to sell beer to "black-listed" citizens.

The mayor's black list contains names of 46 persons who, he said, have been arrested from five to 65 times on charges of intoxication.

Ages in the taboo roster range from 25 to 70, and the list includes three women.

Russia possesses about 72 per cent of the world's reserve of peat.

Donham Sunday, Mrs. V. H. Gordon spent Sunday with Mr. and Mrs. J. D. Smith.

Leon Williams of Kelly Field spent the week end with his parents, Mr. and Mrs. Burnie Williams.

Miss Audra Faye Williams entertained several of the younger set with a party Friday night which was enjoyed very much.

Mr. and Mrs. Ralph Quest of Lubbock and Mr. and Mrs. Vernon Miller of Midland spent the week end with their parents, Mr. and Mrs. J. T. Pruitt.

Miss Faye Fisher of Lamesa spent Sunday with her parents, Mr. and Mrs. S. E. Fisher.

Early Inventions In Texas Show Wide Variance

Austin, Texas, October 25th—Texas' early day inventors were primarily concerned with development of new farming implements and household conveniences, according to a manuscript now in the hands of Dr. Walter Prescott Webb, professor of history at the University of Texas and secretary of the Texas Historical Association.

Prepared by Dr. S. W. Geiser of Southern Methodist University a list of inventions of which patents were issued to Texans between 1845 and 1882 has been submitted to Dr. Webb for criticism. It will later be presented to the library of the University of Texas.

Listed among the 1009 inventions patented by 742 Texans was a "convertible wagon bed and hay rack," offered by James O'Neal of Fort Worth. It was apparently a forerunner of today's convertible roadsters.

Nail extractors, bird cages, swinging berths, ant traps, beer coolers, and portable fences were others patented early by Texans. In addition there was a bedspread developed by Thomas B. Baldwin of Marshall in 1871.

Phillip H. Raiford of Houston patented a "device for attaching napkins to the person" in 1871. Two years later S. A. Goodman Jr., of Jamestown offered sportsmen his "compound fish baits."

Artificial legs, remedies for dizziness, umbrella supporters, whistle-tree hooks and spring bed bottoms were other early Texas inventions which made life more pleasant. And the home was more easily managed by earliest washing machines, coffee pots, new food preserving plans, peach papers and head rests, all of which sprang from this early spirit of industry in Texas.

Over 18 Million In Stamps Sold In Five Months

WASHINGTON, D. C. — Sales of Defense Savings Stamps for five months have reached the total of \$18,998,000, the Treasury Department has announced.

September sales of \$4,978,000 were the largest of any month since the Defense Savings Program was started on May 1 last, an increase over August of 11.8 per cent. In September 2,942,000 more Stamps of all denominations were sold than in August.

Sales by months (figures rounded to the nearest thousand):

May	\$3,475,000
June	2,802,000
July	3,288,000
August	4,454,000
September	4,978,000
TOTAL	\$18,998,000

A breakdown for denominations of Defense Savings Stamp sales for September, with totals for the five months, follows:

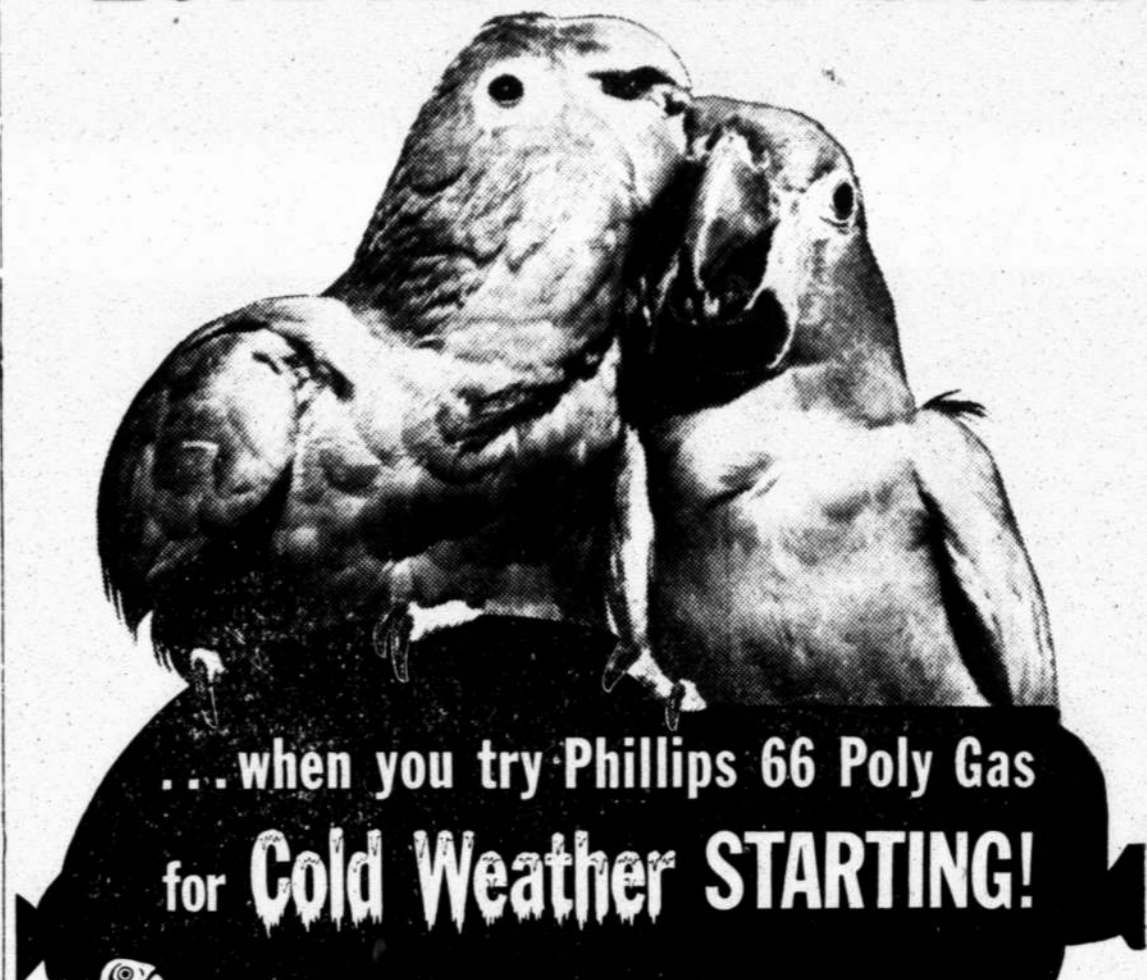

10c - 3,951,000 - 12,370,000; 25c - 11,840,000 - 40,404,000; 50c - 1,264,000 - 5,611,000; \$1 - 659,000 - 3,123,000; \$5 - 66,000 - 246,000; Totals - 17,780,000 - 61,855,000.

Dr. Cox Says:-

"The American way of life is full of superlatives; we have the tallest sky-scrapers, the fastest trains, the greatest number of automobiles. We spend more per capita on vacations than any other nation. However, due to high speed, we usually crowd our summer vacations with such a high speed program that we fail to secure sufficient rest physical relaxation," states Dr. Geo. Cox, State Health Officer.

"For most persons the exactions of office, of factory or of home for a 50-week stretch reflect themselves in the need for improving one's

PROVED PRODUCT OF GENERAL MOTORS

HYDRA-MATIC*ELIMINATES CLUTCH PEDAL, CONVENTIONAL CLUTCH MECHANISM AND ALL GEAR SHIFTING...SAVES 10 TO 15% ON GAS!

WHEN you consider the new "drives," consider these facts, Hydra-Matic is the only "drive" that is built and backed by General Motors. Hydra-Matic is now in its third year and has proved its advantages through hundreds of millions of miles in the hands of 130,000 Oldsmobile owners. Hydra-Matic is still the "drive" that offers completely automatic shifting through four forward speeds. Although Oldsmobile will produce the new B-44 in limited quantities, in order to release vital materials for defense, all models will be available with Hydra-Matic Drive. Come, take a look at the B-44. It's styled and engineered for the future and quality-built to last!

This is a letter to the people of Lamesa!
Dear people of Lamesa, those of you who were out to see us fly Sunday, we are very sorry that you were disappointed and we don't blame you, for we had trouble with every plane and motor we had. But of course it would have to happen on a day that we had such a good crowd. But won't you just come back next Sunday, because we will have two new motors, four new planes, and we promise you that you will see some good flights; flights that will surprise you. Won't you just come out next Sunday afternoon, because we need some one to back us up and there is nothing better than a good crowd.

IF THEY SHOULD WONDER ON ARMISTICE DAY
Today we stand
And, as a nation,
Bow our heads
In honor king to grief,
As wordless tribute
To the silent, ghastly ranks
Of you—men who fell
At Suresne and Verdun—
To the gallant country more
Than life, and lie now
Under the shadows
Of some white cross
In France.

Today we place
A wreath across
Your grave and cross
Our hearts. Think not,
Because you have just heard again
The roar of cannon, the steady
Muffled tramp of marching feet,
Of the scream of some poor devil
That rose in sudden agony
Above the sound of guns—
That we have broken the trust
In chaos. That for which you
Fought still is free in America!
—Ussery Meek Nelson.

Mesdames Kellam, Stuart Hostesses To Delphian Club Tuesday Evening

The members of the Delphian Club held their regular meeting Tuesday evening at the home of Mrs. T. A. Kellam, with Mrs. Kellam and Mrs. R. A. Stuart as hostesses. The house was gay with autumn flowers and candles.

MRS. JOE ENGLISH HOSTESS TO CLUB WEDNESDAY

Mrs. Joe English was hostess to members and guests of the Wednesday 42 Club at her home Wednesday afternoon. During the afternoon games of 42 were enjoyed, after which a delicious refreshment plate, consisting of rainbow congealed salad, sandwiches, chocolate pie topped with whipped cream, and spiced tea, was served to the guests.

Mrs. Jack McLaughlin, as leader, reminded the members that this is National Book Week, and gave a short sketch of "The White Cliffs" by Alice Duer Miller. She then presented the charming poem which gives a picture of England and English life as seen through American eyes.

Mrs. Carl Rountree, as defense chairman of the club, told of the need for more help by the Red Cross in their sewing room, and showed some of the garments being made.

Mrs. Carl Rountree, as defense chairman of the club, told of the need for more help by the Red Cross in their sewing room, and showed some of the garments being made.

Y. W. A. GIRLS MET TUESDAY WITH CHRISTINE KNOX

The Y. W. A. met at the home of Christine Knox, November the 4th. There were nine girls present, four of which were new members, one visitor, and two counselors.

The devotionals was given by Christine Knox. A short business session was then held during which officers were elected as follows: President, Christine Knox; vice-president, Ruth Orr; secretary, Juanita Merritt; treasurer, Charlotte Orr; reporter, Lois Howard; social chairman, Bonnie Tolbert; and Nona Mae Motley; program chairman, Frances Dobbins and Ruth Hall; music chairman, Peggy Speck.

New members were Ruth Hall, Ruth Orr, Charlotte Orr, and Nona Mae Motley.

Mrs. J. W. McDonald gave a review of the book "These Things Remain."

Hot chocolate and cookies were served to the twelve that were present.

MRS. W. K. CRAWLEY HOSTESS TO 42 CLUB WEDNESDAY

Members and guests of the Happy Dozen Club met Wednesday afternoon at the Lamesa Country Club with Mrs. W. K. Crawley as hostess for the occasion.

During the afternoon games of 42 were enjoyed, after which a delicious refreshment plate consisting of cheese canapes, fritos, raisin rooks, cocoa and marshmallows, was served.

Attending were Mesdames W. T. Webb, Clyde Privett, George Norman, V. O. Key, A. E. Jacobs, Arthur Hull, Nelson Cope, Dee Hull, Lee Billingsley, M. E. Smart, Leslie Pratt and Lex Brooks.

BOY SCOUTS OF TROOP 22 ENTERTAINED WITH HALLOWEEN PARTY

Boy Scouts of Local Troop 22 greatly enjoyed the Halloween party on their regular meeting night last week. This joyful affair was held in the Scout room, located in the court house.

Games representative to the occasion were played and stories told. Among the activities were fortune telling, apple bobbing and a spelling match, using signs or signals instead of letters to spell.

Refreshments of punch, cookies, sandwiches and salad were served to the twenty-three boys who attended the party.

The refreshments were prepared by several of the Scouts' mothers and by Joseph N. Spikes, Scoutmaster of the troop.

Mr. and Mrs. Mike Barrett of Brownfield spent the week end here visiting with his parents, Mr. and Mrs. J. M. Barrett.

"International Relations" Is Topic At Study Club Meeting Friday Afternoon

"International Relations" was the subject of the program for the last session of the Woman's Study Club of Dawson County, which met Friday at the club house.

Decorations of fall leaves and flowers made the club house most attractive.

Mrs. Roy Smith was appointed Defense Bond Chairman. The club has bought one \$25 Bond and plan to buy more as they are able.

Mrs. Bryant Fulkerson opened the study by having the members give one current problem in International affairs.

Mrs. Key told the story of tiny

Iceland and its importance in the history of the world today. She made the club realize just how dear Iceland is becoming to all Americans by reason of the stationing of soldiers and sailors of the U. S. A. there.

Mrs. McQueen gave an outline of the people, laws, and customs of Indo China and its relations to France.

A most unique reason was given for Mrs. Katie Rose's inability to present her subject of "Strategic Burma Road." The Dawson County road to her ranch was flooded.

The next meeting will be held November 14.

Mr. and Mrs. W. A. Esmond Celebrate 50th Wedding Anniversary November 2

Mr. and Mrs. W. A. Esmond were honored on their Golden Wedding Anniversary, Sunday November 2, from 3 until 5 o'clock at the home of Mr. and Mrs. Willie J. Cox.

The entertaining rooms were beautifully decorated throughout, with flowers and other decorations carrying out the gold color scheme. The honored couple was seated under a beautifully arranged arch.

Three granddaughters, Wanda Jeanne, Edith and La Vrae Esmond, all dressed in lovely evening gowns, presided in the dining room where inscribed cake squares, roasted nuts, mints and tea were served.

Another granddaughter, Mrs. Lillian Dea, of Wichita Falls, dressed in a lovely pink taffeta evening gown, presided at the guests' register, where seventy-six guests registered.

An appropriate program was rendered by Mrs. Dorman Kinard, Mrs. Guy Orr, A. J. McDaniel, Glenn E. Esmond and Miss Onita Esmond, all of Lamesa, Paul Matejovsky of Seagraves, Mrs. Vivian Plynt of Anson.

Out of town guests included, Mr. and Mrs. Gray Plynt and two daughters of Anson; Mr. and Mrs. Rupert Matejovsky and two sons of Seagraves; Mr. and Mrs. Sherman Smith, of Big Spring; Mrs. Fred Dea and two daughters of Wichita Falls and Miss Glenodine Esmond of Tech, Lubbock.

MRS. D. S. DAY HOSTESS TO PIONEER CLUB TUESDAY

Mrs. D. S. Day was hostess to members and guests of the Pioneer Club Tuesday afternoon at her home.

The entertaining rooms were attractively decorated with bouquets of chrysanthemums. During the afternoon, games of 84 were enjoyed with a delicious refreshment plate being served at the conclusion.

Guests attending were Mesdames W. V. P. Baker, Joe Barron, N. E. Bartlett, Walter Barfoot, A. M. Bennett, Hardy Morgan, R. E. Simpson and Dixie Kilgore.

MRS. GUY SIMPSON HOSTESS TO CLUB TUESDAY AFTERNOON

Mrs. Guy Simpson was hostess to members and guests of the Tuesday Bridge Club Tuesday afternoon at the Lamesa Country Club.

The Club House was attractively decorated with bouquets of chrysanthemums. In the games of the afternoon, Mrs. J. E. Garland was awarded the High Score Prize.

Guests attending were Mesdames W. A. Wallace, Tom Burnside, J. E. Garland, Elzie Burleson, Gilbert Watson, Gordon B. McGuire Jr., J. L. Sybert and Roscoe Holton.

KATHERINE GREAVES BECOMES BRIDE OF H. B. EVERHEART

Katherine Greaves, daughter of Mr. and Mrs. H. A. Greaves, became the bride of H. B. Everheart, son of Mr. and Mrs. W. H. Everheart, Saturday evening, November 1, at 8:30 o'clock in Brownfield. The Rev. R. C. Guests of Brownfield read the impressive ceremony in the presence of a few friends.

The bride was beautifully attired in a navy blue and pink dress with black accessories and a shoulder corsage of Dahlias. For her something new and blue, she had her wedding dress. For something old, a cameo pin of her mother's, and for something borrowed, a linen handkerchief of Vera Lowmire's.

Mr. and Mrs. Everheart will make their home in the McCarty community.

ALL YOU NEED IS A LITTLE SALT

OKLAHOMA CITY (AP) — A duck in the hand is a lot more fun than a flock on the lake. Walter C. Bonebrake, who speaks from experience contends, Bonebrake stepped to the edge of a small lake, shotgun in hand. A startled flock of ducks whirred into him. He grabbed. When the air cleared, Bonebrake wears, he still held his shotgun in one hand. In the other was a live, unhurt greenhead mallard drake.

It is estimated that here are 250,000 reindeer in Alaska.

Feed Control Board Permits New Cotton Feed

A new ruling by the Division of Feed Control Service effective Nov. 1, 1941, permits the marketing of 41 percent protein cottonseed product as cottonseed meal. It must, however, contain no more than 12 percent of crude fiber, the maximum amount allowable in 43 percent protein cottonseed meal, and not less than 46 percent of crude protein and crude fat combined.

A large number of analyses of cottonseed meal during the past 25 years has revealed the fact that there was a decrease in protein content of cottonseed in 1924-25 and that it has been reasonably constant since that time until there was a further decrease in 1940-41. Moreover, the evidence to date indicates that the current crop is low. This deficiency exists mainly in the eastern half of the State. Crushers in this area have experienced difficulty in making 43 percent protein cottonseed meal or cake, the heretofore allowable minimum.

Consumers are not interested in purchasing hulls in cottonseed meal as indicated by crude fiber and hence the crude fiber for the 41 percent protein cottonseed meal established is the same, 12 percent, as the maximum crude fiber for 43 percent. This ruling simply permits the millers to manufacture 41 percent protein cottonseed meal, in addition to 43, 45 and 48 percent protein cottonseed meal, provided that excessive percentages of hulls are not introduced, and for this reason limits the crude fiber to the same maximum as the 43 percent protein cottonseed meal. This means that if cottonseed contains the proper amount of protein to make a higher grade, such a grade will result by the limitation of crude fiber in the usual process of manufacture. If the seed is low in protein, the change will permit making the lower grade without increasing the crude fiber. In the event that such cottonseed product contains more than 12 percent of crude fiber, it is required to be labeled cottonseed feed.

This ruling has been made after considering evidence presented by the Texas Cottonseed Crushers' Association as well as evidence from consumer groups, together with a careful examination of the Feed Control Division records.

"41 Per Cent Protein Cottonseed Meal or Cake", Prime Quality, must be reasonably bright in color, not brown or reddish, sweet in odor, and free from excess lint. Standard: It must contain not less than 41 per cent of crude protein and not less than 46.00 per cent of crude protein and crude fat combined, and not more than 12 per cent of crude fiber." Full information will be supplied later in a circular to be published by the Texas Agricultural Experiment Station.

We hope you don't forget that Sunday is Brother Burns regular preaching day. Make plans to attend the services Sunday.

Mr. and Mrs. W. L. Lee, Miss Florence and Stevin Lee, spent Saturday night and Sunday with Mr. and Mrs. Cleve Holiday of Imperial, Texas.

A son, Carson Wayne, was born to Mr. and Mrs. Leroy Bird, October 26.

Mrs. Mary Little and Mrs. Luther Payton visited Mrs. Hubert Chilton Wednesday.

Mrs. J. B. Hare of Bristow, Okla., is visiting her sister, Mrs. Mable Gilcrease, and brother, Ewell Robinson.

Sunday visitors in the W. E. Nichols home were Mr. and Mrs. Leo Nichols and son and Mr. and Mrs. Marvin Manning and children of Knott.

Mr. and Mrs. H. A. Welty and family spent Sunday with Mr. and Mrs. Marshall Cohorn and sons of Union.

Clarence Welty went to Anson Monday where he will visit his sister, Mrs. W. B. Myers.

Mr. and Mrs. Ellis Montgomery and son of DeKalb visited Mr. and Mrs. Charlie Nichols Sunday.

Mrs. Grace Haley spent Thursday night with Mrs. Burns of Lamesa.

SHUMAKE

Glady's Whitmaire

There was a fairly good crowd out for Sunday School Sunday. Brother Davis of Ackerly will preach next Sunday.

Munroe Lauderdale, who is working at Midland, spent the week end at home.

Mrs. Annes Catlett of Big Spring visited Mr. and Mrs. Pete Shults last week.

Glady's Whitmaire of San Angelo visited her parents last week end.

WELCH

Hazel Greer - Jeane Smith

Mr. and Mrs. Walter Mathews of Goldsboro, Texas, have been visiting Mr. and Mrs. Jim Steakley.

Be Be Reed spent Saturday night with Norma King.

Mr. and Mrs. Green gave a birthday dinner Sunday for their son-in-law, Mr. and Mrs. Wiseman of Forsan. Mrs. McCluskey and baby of Loop, and Mr. and Mrs. Joe York of Snyder attended.

Mr. and Mrs. L. R. Boss and family visited with Mr. and Mrs. Jim Greer Sunday.

Hazel Greer visited with Georgia Mae Gibson Sunday afternoon.

Mrs. Homer Kelley's mother, Mrs. Hill of Loop, is very ill.

Elvie Nelson, Ernestine Fortenberry, Maxine Pyle and Mary Sue Turner were Sunday guests of Jean Ellen Sires.

Ellen Dean Eastham, Delores Alexander, Geraldine Holden, and Mary Frances Huddleston spent Sunday with Melba Jean Pyle.

Mr. and Mrs. R. T. Jones of Ashmore visited his parents, Mr. and Mrs. B. J. Jones Sunday.

Mr. and Mrs. Loyd Payne visited in Sweetwater over the week end.

Mr. and Mrs. Everett Smith and children Jeane and Roger, spent Sunday afternoon with friends and relatives in Lubbock.

Mr. Ranson of Sparenberg has taken Mr. Pyle's place as Superintendent of the Dawson School. Mr. Pyle resigned last week.

HANCOCK

Jack Meares, Jr.

Mrs. E. W. Hancock returned to her home in Houston last week after a several weeks visit here with relatives.

Phillip Nelson of Ft. Bliss is here visiting with Mr. and Mrs. G. W. Nelson this week.

Brother Burns filled his regular appointment here Sunday. There were nice crowds both morning and evening.

Mrs. N. W. Harvick visited Mrs. Ralph Ranson Sunday.

The Halloween party was well enjoyed Friday night by all who attended.

Rev. and Mrs. W. J. Burns were

LOYOLA

Mrs. E. M. Wiggins

The carnival turned out very successful Friday night. There was a large crowd and a most enjoyable evening was spent by everyone. Miss Hazel Barkowsky was crowned Carnival Queen. She received 2028 votes.

Edd Reibold of Lamesa visited in the O. Phelan home Sunday.

Several from our community attended the Circus in Lamesa Wednesday afternoon and night.

Mr. and Mrs. Clyde Snow of Lorraine are here visiting Mrs. Snow's parents, Mr. and Mrs. Jeff Pittman and family.

Mrs. Johnnie Corbin made a business trip to Lamesa Wednesday.

Leon Phelan visited Wayne Wiggins Friday evening.

Mr. and Mrs. Robert Dunn and family made a business trip to Lamesa Wednesday.

FAIRVIEW

Georgia Mae Gibson

Mr. and Mrs. Cleo O'Brien and Mr. and Mrs. O. L. Harp Jr., spent Sunday with Mr. and Mrs. J. F. O'Brien.

Finis Meeks, Tommie Gibson, Mrs. Gibson and Mr. Abbott went to Gail Monday to purchase some calves for the F. F. A. project.

Mr. and Mrs. Mansil Barton spent Sunday with Mr. and Mrs. Bill Robinson.

Mr. and Mrs. W. T. Hendon returned Friday from Knott where dinner guests in the Ben Dopsch home Sunday.

There will be singing Sunday afternoon at the school house. Let's not forget, Sunday, November 9, at 2 o'clock. Everyone is invited to attend.

Let's not forget the services Sunday. Sunday school at 10 a. m., Singing at 2 p. m., and prayer meeting at 7 o'clock p. m.

PATRICIA

Eudora Bruce

Mr. and Mrs. Calvin Carruth and family spent last week end with Mrs. Carruth's brother and sister, Mr. and Mrs. J. C. Whitmire of Wickett and Mr. and Mrs. Lonzo Earles of Wink.

Mr. and Mrs. Clarence Chopps of Levelland spent Thursday with her sisters, Mrs. H. H. Dean and Mrs. Homer Shook.

Earle Vernon Hightower of Camp Clark is home on a 15 day furlough.

Rev. and Mrs. J. J. Gentry spent the week end with the Florey Church.

Mr. and Mrs. J. M. Carruth have as their guest this week his brother of Phoenix, Arizona.

Mr. and Mrs. Harve Allgood of Wilson, Texas, are visiting his sister and family, Mr. and Mrs. John Hale.

they attended the funeral of his mother.

A. L. Goode spent a few days last week at the bedside of his mother who is seriously ill.

Treva Janice Gibson spent Sunday with her grandparents, Mr. and Mrs. M. B. Gibson.

Mrs. Todd Bady spent Sunday with her parents, Mr. and Mrs. O. G. Kelley.

Horace Tatum Jr., of San Antonio is visiting his parents this week.

MT. OLIVE

Dauphin Whitehead

Mr. and Mrs. W. P. Stovall attended the Golden Wedding Anniversary of Mr. and Mrs. Esmond that was held in the home of their daughter, Mrs. W. J. Cox Sunday afternoon.

Mr. and Mrs. Rallsback were visitors in Knott Sunday afternoon.

Mrs. Olin Nix and daughter and Mrs. J. D. Nix and daughter made a business trip to Lubbock Saturday.

Milton Buchanan of Dallas spent the week end with his parents.

Sunday will be the last day for Rev. Crandall to be at the Mt. Olive church until he goes to Conference at Big Spring. We invite everyone to come and hear him.

Dorothy Lee Jeter of Midway spent Sunday night with Betty Jo Flowers.

Mr. and Mrs. Herman Burkett and family spent Sunday with his brother in Lubbock.

Mr. and Mrs. W. P. Stovall visited Mr. and Mrs. Marion Ballew of O'Donnell Sunday.

Mr. and Mrs. Wilson visited in the B. B. Bullard home at McCarty Sunday afternoon.

The P-T. A. enjoyed a Halloween party at the school house Friday night. We will have a 42 party on November 10. We hope all the parents are present.

Mr. and Mrs. Lafayette McSpadden of Colorado City spent Sunday in Lamesa visiting with friends

MIDWAY

Mrs. W. E. Love

Sunday School attendance was 62 last Sunday.

Mr. and Mrs. Elmo Murff and daughter and Mr. and Mrs. Connelly Esmond and daughters visited relatives and friends in Roby Sunday.

Mr. and Mrs. H. L. Lackey of Santa Anna visited their daughter Mrs. C. R. Woodward last week end. Clifford Baird and C. R. Woodward made a business trip to Seminole Monday.

We are glad to have Mr. and Mrs. Knapp move into our community. Mr. Knapp is driving the Mullins School bus.

Lester Riddle underwent an operation for appendicitis last Wednesday. He is recovering nicely.

Mrs. Bill Love visited her mother, Mrs. J. P. Gibson Sunday afternoon.

Mr. and Mrs. Jim Swope and daughter visited Mrs. Swope's mother, Mrs. Henry Truitt of Seagraves Sunday evening.

RICHARDSON

Mrs. V. W. McGee

A. V. Williams and daughter, Lois Shirley McGee and Helene Bruce spent Sunday afternoon in Brownfield visiting relatives.

Oran Ballew is visiting Elvis Williams this week.

Shirley McGee and Lonnie Bruce spent Saturday night in the Williams home.

Elvis Williams and Oran Ballew spent Saturday night in the G. R. Phillips home.

Mrs. V. W. McGee spent Monday with Helen Bruce.

"So she let me out of the dog-house"

"Winter sure had me in the dog-house. I shivered along in summer underwear . . . with my teeth chattering like a typewriter. Then my wife got me a set of HANES WINTER SETS . . . and I changed to comfort."

With these modern middle-weight garments, you're warm enough outdoors without sweating indoors. You'll like the gentle athletic support of the HANESKINT Crotch-Guard. All-round elastic waistband. No bothersome buttons. You're really unaware of underwear.

HANES WINTER SETS
Choose the set you like. Wear a short-sleeve or sleeveless shirt with the mid-thigh, knee-length or ankle-length Crotch-Guard Drawers. All-cotton (combed) or cotton-wool mixtures.

Armistice Day

TUESDAY, NOVEMBER 11TH . . .

On this day twenty-three years ago, the Armistice meant peace to the millions of men who made up America's armed forces . . . and it also meant that the thousands who had died and the others who were maimed that their sacrifice had not been in vain . . . that again we of America could safely and happily pursue our peaceful avocations without fear or molestation . . .

It is to these thousands of Americans who paid the supreme sacrifice, as well as those who offered their all that this day is dedicated . . .

TODAY America is again challenged and once again the young manhood of the nation has accepted that challenge, and as a result hundreds of thousands of them are in training camps scattered over the nation, preparing for America's defense . . . Industry has answered by providing those men and the democracies of the world with the tools to combat aggression . . . All of this costs money and plenty of money . . . You, as a citizen of the greatest nation in the world are also challenged . . .

ACCEPT THAT CHALLENGE . . . BUY DEFENSE BONDS AND STAMPS TODAY !!!

Mr. and M Paso are visit Clyde Adams

Mrs. C. A. the Elementa tin this week convention of

TEXAS BAPTISTS TO MEET IN ABILENE NOVEMBER 10-14TH

DALLAS, Nov. 5 — Representatives of the 810,000 Baptists, 3,100 churches are affiliated with the Baptist General Convention of Texas, hope to celebrate a forty year in Abilene, as three of their annual conventions meet there Nov. 10-14. Dr. W. W. Melton, Dallas, executive secretary, said today.

Starting Monday, Nov. 10, at 1:00 P. M. will be the Women's Missionary Union Convention. Mrs. E. A. Gopass, Ft. Worth, is president and Mrs. E. F. Lyon, Dallas, is executive secretary. At 2:00 P. M. Monday, the Brotherhood Convention convenes under the leadership of A. A. Springer, Dallas, state secretary, and Judge E. S. Cummings, Abilene, president. These meetings close Tuesday afternoon, and sessions of the Baptist General Convention will open at 7:30 P. M. Tuesday and continue through Friday. A. D. Foreman Sr., of Houston, is president of the general convention.

While the final results of the denomination's enlarged program calling for gifts of \$1,100,000 during the year closing October 31, 1941, are not yet available, heartening reports have come from every section of the State, Dr. Melton said. Texas Baptists plan to continue their soldier work throughout the year, under the same plan as this year, Dr. Melton reported. The department of soldier work, under Dr. A. C. Miller, supervisor, built six chapels and placed seven camp pastors in strategic points, during the year.

Another heartening phase of Texas Baptist work, Dr. Melton said, is that the denomination is paying its debts, "even more rapidly than we had hoped." With more than \$1,500,000 owed a few years ago, the total has been cut now to approximately \$500,000.

Featured on the program of the W. M. U. Convention will be Mrs. Blanche Snyder White, Richmond, Virginia.

Notable among the speakers at the Brotherhood Convention will be Senator Josh Lee, Washington, D. C., who speaks on "America, the Arsenal for the Cause of Christ."

Dr. George W. Truett, Dallas, will address the Brotherhood Convention, Monday night, and the Baptist General Convention Friday morning.

Prominent Baptists from over the South will be present for the General Convention sessions, including Dr. T. L. Holcomb, Nashville, Tenn.; Dr. J. B. Lawrence, Atlanta, Ga.; Dr. C. E. Maddy, Richmond, Va.; and Dr. John W. Raley, Shawnee, Okla.

Cotton Prices Artificially Bolstered

AUSTIN, Nov. 5 — Artificiality marks present cotton marketing conditions, although domestic consumption is at an all-time high and imports are running at record levels, according to Dr. A. B. Cox, University of Texas cotton marketing expert.

If present domestic consumption rates are kept up, a record requirement of 10,500,000 bales will be achieved in the United States, the cotton authority believes. Commercial exports are running at a record low.

Continuing his report, Dr. Cox declares:

"Exports under lease-lend, plus subsidized exports to Canada, may reach as much as 1,500,000 bales during the year. The export subsidy on cotton is now at an all-time high of three cents a pound. Actually, it is much higher than that for the government makes its own cotton available for this purpose at about cost, which is more than four cents per pound below current commercial prices; therefore, in reality, the export subsidy is now more than seven cents.

"Prices of foreign-grown cotton are at an all-time low relative to that of the United States. Brazilian is now only 45 per cent of U. S., compared to a normal of about 97 per cent, and Oomra 37 per cent compared with a normal of 79 per cent.

"The crop this year is the lowest except one since 1921. Notwithstanding this fact, the total supply of cotton in the United States is the fourth highest on record. Imports are at the highest levels since 1921. Cotton prices are the best since 1929, also."

NO SCRAPS IN LEAGUE CONTESTS THIS YEAR

AUSTIN, Nov. 5 — There aren't going to be any scraps in Interscholastic League contests this year because a judge of declamation votes "no" just because he doesn't like the piece that's being recited. The University of Texas Interscholastic League has compiled a list of 2,988 poems that may be used on junior declamation contests this year. Use of any other poem would disqualify the participant from the contest.

After devoting two years to preparation of the list, Frank L. Winship, director of speech events for the Interscholastic League, declared it is the only complete list of poetry suitable for use in grade schools.

Mr. and Mrs. H. C. Adams of El Paso are visiting with Mr. and Mrs. Clyde Adams this week.

Mrs. C. A. White, president of the Elementary P.-T. A. is in Austin this week attending a State convention of the P.-T. A.

Washington Sports Love Their Pro Football Team

By JACK STINNETT AP Feature Service Writer

WASHINGTON — When Washington goes for sports, it goes all out. Proof is the phenomenal way official and unofficial Washington packs Griffith Stadium and jetties to Pittsburgh, Philadelphia, New York, Brooklyn and Chicago to see their football team, the Redskins battle the other professional teams of the National League.

No even in New York or Chicago do the fans turn out any better than in Washington, where the Redskins play to an average of more than 30,000 persons per game. Six years ago, the same team (but not of course the same players) was a Boston team, winning 50 per cent or more of its games every season and drawing a weekly gate of between two and three thousands.

What other pro or even college eleven could boast of having such a fellow as Secretary of Commerce Jesse Jones leave out the first ball to start its season? What other team could boast a telegram from Sen. Carter Glass that reads: "Sincerely hope Sammy Baugh will slam his way to victory in every game of the season and lead his team to signal triumphs over his adversaries."

Or a letter from Emil Schram, who, on his elevation to head of the New York Stock Exchange, wrote: "Please rest assured that my allegiance to the Redskins will not, in any way, be diminished."

Where else could you find isolationist Sen. Gerald P. Nye, OPM Co-Director William S. Knudsen and Jesse Jones all sitting in the same box and bellowing in unison for the same cause—victory of the Redskins.

I have been through some of these pro games. I have seen the crowds, limited only by the number of seats that could be jammed into the stadium, drop like wet chicks at a Redskins defeat or go wild with exultation when Baugh tossed one of his bullet passes to Ed Justice in the end zone to give team a last-minute victory.

What I asked Redskins' owner, George P. Marshall, do you think accounts for this all-out enthusiasm of the nation's capital for pro football. (Marshall owned the team in Boston when every customer over 3,000 probably could have gotten in for two peanuts or an unbent pin.)

Some of his theories are an interesting dissertation on what makes Washington, D. C. different from the rest of the United States. For example: Washington is made up of a heterogeneous population. The folks here come from everywhere. Their home state ties are strong. And 17 of those home states are represented by the 33 members of the Redskins squad actually there are 22 because a number of the boys starred on teams in colleges or universities in other than their native states).

Jesse Jones, for example, didn't know a punt from a wing back—and didn't care—until he went out one Sunday to see those prizes of Texas, Sammy Baugh and Dick Todd, do their stuff. Now, he knows more rules than a referee and can discourse at length on the standing and stars of nearly every team in Texas, as well as those of the pro league. As with Jones, so with most of governmental Washington.

In the case of many of the lesser lights in government employ, there is one added factor. Most of them come from small towns and small colleges. Their teams were strictly in the bush leagues. Now, they have something to root for that not only is big time, but is close to tops on the major circuit.

On the more prosaic side, of course, is the fact that Washington is NOT a college football town and those who love the sport have to satisfy themselves with the pros or not at all.

Still that alone wouldn't account for an annual advance sale of 15,000 season tickets; Redskins fan clubs of 100 or more members who hold pre-game luncheons and have "lecturers" who tell them all about the plays and players before every game; weekly audiences so full of women (most of them government employees); and many who never saw a football game until they started following the pigskin heroes of the national capital.

All of that may not explain it, but it doesn't matter what the reason, the fact remains that Washington is the bonanza of professional football and it was George P. Marshall who discovered and staked claim to the diggings.

TOKENS ARE MOST ANYTHING BUT TOKENS

OKLAHOMA CITY (AP) — Tax commission chairman J. D. Carmichael, puzzled because the state ran out of sales tax tokens after issuing 87,000,000 of the aluminum and brass discs, started checking up. Here's where they went: Workers used many as washers. Roofers used them for nailing roofing material. Poker plays used them for chips, many accumulating large supplies. Children used them for toys and lost them. The cost of the tokens is so low—one mill for the aluminum and five mills for the brass—that they are cheaper than the real articles for which they are substituted, Carmichael moaned.

Workers Should Check Now On 1937 Earnings

A reminder to workers that they should check on the Social Security Board's record of their wages for 1937 before the end of this year was issued this week by Robert M. Mayne, manager of the Big Spring Social Security office.

He explained that the law limits the time during which any errors or omissions in reports of employee's wages can be corrected in the Board's records on the basis of evidence furnished the Board by the employee. The time allowed, he stated, is 4 years after the end of the year in which the wages were received.

That means, Mayne explained, that if an employee checks with the Board on his wage record and finds that the amount reported for him for the year 1937 was incorrect or incomplete, he can, up until the end of 1941, get any necessary adjustment made by submitting proof of the correct amount to the Social Security Board. For 1938 wages, he has until the end of 1942, and so on.

The Social Security Board issued a check-up every year, Mayne said, and any worker with a social security account can get a statement of the amount of wages credited to his account by asking for it. This he can do by letter or by sending in a wage inquiry card which he can get at his nearest social security office. On this card, or in his letter, the worker must give his name, address, social security account number, and date of birth. The card is already addressed to the Social Security Board, Baltimore, Maryland, the central office where wage records are kept.

In reply to the worker's request, he will receive, in a sealed envelope, a statement of his wages as shown on the Social Security Board's records. If he feels certain that the amount of wages shown on that statement is incorrect, for the year 1937 or for any other period, the Social Security Board office at Big Spring stands ready to help him clear up the matter.

A worker's social security account is the record of his wages as reported by his employer. Mayne pointed out. When errors occur in the record they may be due to omission of the worker's account number, perhaps a transposition or jumbling of the figures in the number, perhaps a misspelling or other mistake in the worker's name, or to other causes. When a correction is asked for, the Social Security Board checks up its own records and the employer's wage reports, and if it does not find an error there, calls for information necessary to adjust the matter.

As insurance benefits for the worker and his family depend upon his wage credits, Mayne stated, the social security board urges the worker to check up from year to year on the amount of his wage credits, because if there is an error the sooner it is caught the easier it is to make the correction.

Faked Social Security Cards Being Peddled

Workers, employers and the public in general were warned today in a statement by Robert M. Mayne, manager of the Big Spring office of the Social Security Board, to be on the lookout for individuals representing themselves as salesmen for social security cards who are traveling through certain parts of Texas and adjoining states selling fictitious social security account numbers to unsuspecting persons.

When last heard from, Mayne said, these so-called salesmen were operating in San Antonio and Houston, Texas, as well as in the smaller towns adjacent to these cities.

In the Houston area the salesmen were receiving 25 cents for each card and giving as a token to the purchaser a "key tag." In San Antonio, the price was \$1.25 each, according to information furnished the Board by purchasers.

The card resembles the official social security account card with the exception that it does not contain the seal of the Social Security Board," Mayne stated. "And on the face of the card printed in bold type is the word 'Specimen.' The serial number is 078-05-1120. The card is similar to the type usually used as a sample by some stores in the sale of bill folds and card cases.

Mayne warned all persons against purchasing such cards as described above since they are not to be recognized by employers or by the Social Security Board.

CHURCHES

ST. PAUL'S LUTHERAN CHURCH Sparenberg, Texas. Elmer Klenk, Pastor. Sunday School and Bible Class at 10:00 a. m. Morning Worship at 10:45. Sermon subject: "God's Work in Your Heart." League meets at 1:30 p. m. Listen to the Lutheran Hour over the Mutual Broadcasting System at 3:00 p. m.

KLONDIKE BAPTIST CHURCH Last Sunday was the beginning of a new day for the Klondike Baptist Church. The church voted Sunday night to begin full time work that day.

There were 105 in Sunday School Sunday morning. Bro. Berl Teague is leading this Sunday School in a great way. The folks love him and are loyal in their support to him.

The pastor's home is going up just fine. Mr. Sasser of Lamesa took the contract for the building, and we hope for fair weather so that crop gathering and the building will be rapidly completed.

This building program, along with the responsibility of full time work is a memorial to the faith, and forward look of this fine church.

If you live in Klondike community and do not attend church elsewhere, we invite you to worship with us.

The church with a friendly welcome. Ernest Phillips, Pastor.

When You Repair an Appliance, IT'S LIKE FINDING A PEARL in an Oyster!

Maybe you've never expected to find a pearl, but wouldn't it be a thrill to find one that turned out to be valuable!

Even if you don't eat oysters, there is likely to be a hidden "pearl" around your home in the way of an electric appliance that you can get fixed as good as new. And when it is fixed, you'll enjoy the thrill of having something useful and valuable that you didn't expect.

Make a search now for those lamps, that waffle iron, the little radio and other electrical things that are out of fix and take them by an electric shop. Maybe a small adjustment or a simple repair is all that is needed to make them work as good as new.

TAKE A TIP FROM REDDY KILOWATT— Make your Electric Appliances as good as new. Take them to an Electric Shop today for repairs.

Annual Red Cross Roll Call Is To Be Started In Dawson County Nov. 11th

The annual Red Cross Roll Call will open in Dawson County next Tuesday, according to W. K. Crawley, 1941 General Call Chairman for the county.

Meetings of various groups have already been held, and representatives from the various service clubs of the town are represented in these group meetings.

Plans have been laid out to conduct an active campaign for membership.

Leaders state that with the present world conditions, there is even more reasons this year why the people of America would support the Red Cross in this annual campaign.

Heretofore Dawson County has responded nobly to the annual plea for the Red Cross, and Mr. Crawley stated this week that he felt this year would be no exception.

"Dawson County has been blessed with wonderful crops this year and the price is far ahead of former years," and for that reason we feel sure that this will be the greatest roll call drive in the history of Dawson County. With the chaos in the world today, and the suffering that is paramount over most of the civilized world today, it is imperative that we dig, and dig deep."

The following committeemen, representing various bodies met in a special pre-campaign meeting Tuesday afternoon:

From the American Legion, D. O. Blackmon and Ray Hollingshead. W. D. Arnett and C. A. Hollingsworth were chosen from the Rotary Club.

The Lions Club representatives will be Henry Norris and Dr. J. M. Harrington.

The Women's Study Club will be represented by Mrs. Cecil Bryant and Mrs. Guy Weekes.

Mrs. C. M. Lindsey will represent the Delphian Club.

The Lamesa Chamber of Commerce will be represented by Homer St. Clair and Wright Boyd.

Midland Plans A Big Celebration For Armistice

Lamesa Visitors There To Have Highly Interesting And Entertaining Visit

The organizations of Midland have arranged for a big general celebration on Tuesday, November 11, Armistice Day.

Hon. James H. Goodman telephoned Lamesa School officials this week that Midland has arranged a giant parade to begin at 10:00 a. m. with all Midland and the Army and Aviation units of that area taking part along with the school and civic organizations. The program will be concluded at 11:00 a. m. with a Military Flag raising ceremony at Midland High School campus.

Mr. Goodman extended an invitation to the Lamesa American Legion, school band and pep squad to take part in the Midland event.

The big event of the day is the annual football game between Lamesa and Midland High Schools.

'Precious Metals' Is Topic For Rotary Meeting

At the regular meeting of the Lamesa Rotary Club last Friday at noon, Edwin Forrest, local lumberman, had charge of the program.

The main speaker for the day was Harry Bodine, with the National Lead Company, with headquarters in Dallas.

Mr. Bodine took as his subject "Precious Metals" and explained to the group the many uses which the various metals are now used.

He explained how various metals were mined and smelted and put in shape to be used on the myriad defense projects, which has made all metals a vital necessity, hence the term "Precious Metals" might be applied to them all, he said.

His talk was not only interesting but was highly instructive and educational as well.

Attendance at the club was practically one hundred per cent, and each one there enjoyed the program immensely.

They will meet in regular session Friday at noon at the Plaza Hotel with W. B. Collins in charge of the program, entitled "Are You A Manager or an Owner?"

Lamesa's Father Dies Wednesday, October 29th

Earnest Cain, 63 years of age, retired realtor, died of a stroke, Wednesday night October 29, at the home of a daughter, Mrs. Joe Adams, in Amarillo.

He and his wife had been living in Coleman, Texas, for three years, but were visiting a daughter at the time of his death.

Mr. Cain was born in Pilot Point, Texas, May 25, 1878. He married Ila Maud Minton Jan. 16, 1900. To the union six children were born. One baby died in infancy.

Survivors are the wife, 5 children, 6 grandchildren and one brother, Mrs. Curtis Winterwood, of Midland; Mrs. Joe Adams, Amarillo; Mrs. Robert Smith, Lamesa; Leon Cain Big Spring; Brodie Cain, Coleman; a brother, A. B. Cain, of Denton.

The family moved to Denton, Texas from Perolia, in 1915, and lived there until 1933. From there they moved to Hamlin, Breckenridge and to Coleman. He has visited here with his relatives and friends many times.

He professed faith and was baptized into the First Baptist Church at Denton, Texas.

Funeral services were held at 2:30 p. m. October 31, at the Denton Funeral Chapel with Brother Wesden having charge of the services.

Burial was in Belew Cemetery, northeast of Denton.

Examiners—

bring a car in good condition with two sets of brakes either of which will lock the wheels. He should be accompanied by a licensed driver to drive home in case the applicant fails the test.

The fee will be 50c for the operator, \$1.00 for commercial operator, and \$3.00 for chauffeur.

First Frost Of Year Falls On Wednesday Night

The first frost of the season descended upon this section Wednesday night, following several days of dry weather.

The frost was of the heavy variety and is calculated to kill all vegetation.

The thermometer reached a low of only 39 degrees, according to the West Texas Gas Company, which is several degrees above the freezing point.

Many believe that this will help cotton growers of the section, as it will allow the sunshine to penetrate the rank growth of cotton stalks, which will mature cotton bolls much more rapidly than they would have, if the leaves stayed on the plants.

Thursday morning is clear and cool, with prospects good for continued clear and dry weather.

Plots of flax, planted at the University of Minnesota in May and treated with 60 pounds of borax to the acre, did not become infected with rust disease. However, as the borax burned some of the flax leaves, it is believed that 40 to 50 pounds may give the same protection.

CAMP BOWIE TO HOLD OPEN HOUSE ON SUNDAY, NOV. 16TH

CAMP BOWIE, Texas, Nov. 5 — Circle Sunday, November 16, on your calendar as the day you will visit Camp Bowie, home of the 36th Division, to see just exactly how your son, brother, husband, or sweetheart lives.

November 16 has been set aside as your day.

You will have a chance to go to church in one of the beautiful, modern new chapels situated at central points in the camp area. All tents, recreation rooms, day-rooms, shops and offices will be open for your inspection. Probably 'Johnny' will be proud to show you how he makes up his bed and 'stores' his clothes.

At noon you will be invited into the Company Mess Halls to eat 'soldier food'. This will be the best

way for you, Mom, to find out how the army feeds and serves its food. Dad, you, too, will get a real surprise. 'Johnny' will show you over the whole camp and you will have a better idea as to just how big a 'city' Camp Bowie is. In all probability you will go home Monday morning and say, "Things weren't like that when I was in khaki."

And Sweetheart Sue, you will have something to marvel at too. This will be a wonderful chance for you to see a great collection of uniforms on some of the finest soldiers in Uncle Sam's Army.

"Since the purpose of this open house," said Brig. Gen. Fred L. Walker, division commander, "is for visitors to be with their loved ones,

to inspect their quarters and obtain first hand views of camp life, no Divisional entertainment or demonstration is planned, but unit commanders should urge their units to put on interesting programs."

Cotton Picking In Full Swing As Sun Keeps Shining

For the first time this fall, Dawson County has enjoyed dry weather for several days.

Although skies have been filled with clouds several times, they have been scattered and no moisture has been recorded.

A strong northeast wind blew up Tuesday night, pushing heavy clouds of sand in front of it. For one time, citizens of this section were glad to see a sandstorm, for it not only blew the clouds away, but helped greatly to dry out fields over the entire South Plains.

Cotton picking has been going ahead at a rapid rate and it is reported that the gins are at least twenty-four hours behind, and with each succeeding day of sunshine, they are getting further behind.

It is estimated from reliable sources that if the weather continues dry and clear throughout the week, in the neighborhood of fifteen thousand bales of cotton will be harvested from the fields of the county.

Wednesday afternoon the air was decidedly cooler, and as this is written about 4:30 p. m. Wednesday, it appears that there may be the first frost of the season on its way.

Experienced cotton men, state that a light frost would not prove detrimental, but that a hard freeze would do a great deal of damage. There remains thousands of bales of cotton unopened.
