SUV FLIPS—This 2000 Mitsubishi SUV flipped over on its back early Monday on Country Club Rd. northwest of Tahoka, causing injuries to three persons.

Three Injured As SUV Crashes Near Airport

Three young men were injured, none seriously, as a 2000 Mitsubishi Montero Sport SUV ran off the east end of a dirt runway at Tahoka airport, struck a ditch on Country Club Rd. and then flipped over on its top shortly after midnight Monday.

Driver of the SUV was identified by investigating DPS Trooper Wanda Ramey as Richard Bradley Pebsworth, 22, who gave a Lubbock address. Pebsworth and two passengers, Matthew Saldana, 16 and Hunter Blasingame, 18, all were taken to Lynn County Hospital for treatment, two by private vehicle and Saldana by EMS ambulance.

Pebsworth and Blasingame were treated and released and Saldana was released the next day, according to the DPS officer, who said that alcohol apparently was a factor in the wreck.

Tahoka Police arrested a man who had kicked in the door of a home in a domestic dispute, and arrested a woman on a drug warrant from Dawson County.

Kathy Cloe of Tahoka told po-

lice someone had keyed her car, a 1999 Ford Escort. And police were advised that someone drove away from Allsup's without paying for \$6 worth of premium gasoline.

The Lynn County jail was about full Wednesday with 51 being held, including 16 for Lubbock County, 8 for Garza and two for Hockley County. New detainees were held on these charges: making alcohol available to minors, DWI first offense, driving while license suspended, theft by check, violation of probation, no drivers license, sentencing on DWI second offense, evading arrest or detention plus resisting arrest plus reckless driving plus running three stop signs.

Three Hired For Tahoka ISD

Three teachers were hired for Tahoka Independent School District during the Board of Trustees meeting held at noon Monday, and two resignations were reported by Superintendent Jimmy Parker. Trustees had called the meeting to canvass results from the May 15 election.

Supt. Parker reported resignations from High School Principal Cliff Gardner, who has been with the district for two years (not one, as previously reported in *The News*), and from Jennifer Marshall, seventh grade math teacher. Both are moving away from the Tahoka area.

Trustees approved contracts for three new staff members, including a Tahoka High School graduate who has since earned her teaching certificate, Kassidi Andrews, who will begin her teaching career here as Middle School Special Education teacher. Amy Hoch was hired as an assistant coach and middle school math teacher, coming to Tahoka from New Deal ISD, and Eric Rivas will also be an assistant coach and teach computer classes at Tahoka High School. His hometown is Denver City.

Trustees canvassed the election results, and Supt. Parker updated trustees about graduation ceremonies which will be held here Friday night.

WOODWORK by Dalton

LAST WEEK I read with interest and a little anger about some relatives of people killed in the 9-11 terrorist attack blaming the New York mayor for what happened.

At that time the mayor was Guiliani, or maybe Gugliami, and his actions following the murderous and cowardly attacks were commendable. Anyway, he appeared before one of those fact-finding committees politicians love so much, and one woman was quoted as saying to the former mayor, "It's your fault that my husband died!" She was claiming the mayor did not have an adequate security plan in place.

That is so stupid. The former mayor is a Democrat, but this time it didn't keep him from being the target of idiotic accusations.

The Democrats, incidentally, are trying to come up with a way to blame the sinking of the Titanic on George W. Bush.

OVER THE years, and including a couple of guys recently, I have talked with World War II veterans who vividly remember the Japanese as the enemy and who commented that they don't buy Japanese-made vehicles. I don't really blame them; I would feel that same way if someone tried to kill me and then later tried to sell me a car. But it's pretty hard to buy a purely American vehicle any more. Parts for most so-called American cars may be made in Korea or Pakistan or wherever, Fords are assembled in Mexico, Louis Chevrolet was from France, and most of the Japanese models now are built in the United States.

When I drove up to the rural home of one WWII veteran recently to interview him, I really didn't think about his having fought the Japanese, and later I understood why I was met by a big dog who acted like he wanted to bite my Toyota and then eat the person inside.

LETTER TO THE EDITOR

To the Residents of Tahoka and Lynn County:

On behalf of the Phebe K. Warner Club I thank the residents of our great city and county for your support during this past year of all our projects.

The courthouse ornaments and centennial buttons sold during our Lynn County Centennial Celebration added nearly \$5,000 to our scholarship fund. A special thank you to Tahoka Drug, Lynn County News, Paris 'N Bloom, Lynn County Clerk's Office, Mr. Bernie's, First National Bank of Tahoka, Wilson State Bank and First National Bank of O'Donnell for selling these items.

We annually award two \$1,000 scholarships: the Lady Stewart Scholarship to a senior girl and the Maurice Bray scholarship to a senior boy. This year Haleigh Ross and Kody Buermann were the recipients. The club also contributes to eight state scholarships. Thanks for helping make this possible.

Last year, as we do every year, we sponsored a sophomore girl, Kyndra Selmon, to the Hugh O'Brian Youth Seminar in Amarillo. She was selected the outstanding girl and invited to the World Leadership Congress in Washington, DC last summer. Phebe K. Warner Club sponsored this trip also.

This year, club member Lahru Tippet was named Outstanding Clubwoman/Volunteer for Caprock District, and Gerald-Deane Wood recently concluded two years of service as District President. She has been elected State Secretary for the next two years.

Our members benefited the community by planting an oak tree on the courthouse grounds in honor of Stephen F. Austin, supported the Hospital Auxiliary and contributed to their donation to the Lynn County Hospital, donated to the City-County Library (which the club started in 1931 with 50 books in the courthouse basement), contributed toys to Christmas for Kids, cooperated with Pride Corps and collected "Box Tops for Education," provided personal items for M.D. Anderson Cancer Center in Houston, participated in the Harvest Festival, and sponsored a garden tour in the summer.

Veterans were honored by placing 225 American flags on the graves of veterans in the cemetery on November 11. Over 300 American flags will be placed there again for Memorial Day.

These are a few of our achievements that benefit the community in so many ways. We, like so many of you, are volunteers. Whatever we asked of our residents, you cheerfully and generously gave of your time, talents and funds. A big Texas size thanks to our great city and county.

Sincerely,
Betty Green, President
Phebe K. Warner Club of Tahoka

Commissioners Approve Audit, Insurance Firms

Lynn County Commissioners met Monday morning at the Lynn County Courthouse, hearing proposals for the 2004-05 financial audit and for liability insurance for the county.

Melvin Eaker, representing Gary Bowers and Miller, submitted a proposal for the 2004-05 audit, noting that the base fee would be \$11,500 and that an additional \$3,500 to \$6,000 would be required to implement the new state-mandated GASB 34 audit process. After some discussion, commissioners voted unanimously to accept the proposal at a total cost of \$15,000 for the annual Lynn County audit, and said that each county department would furnish all information necessary for the GASB report.

Commissioners considered two bids for liability insurance for the county, one from Texas Association of Counties, and one from Walker &

Solomon Insurance Agency. Chris Faught presented the TAC bid at a cost of \$59,691, and Jim Solomon presented information on the local bid, at a cost of \$74,204. After some discussion, commissioners voted unanimously to accept the bid from Walker & Solomon Insurance, stating that even though the bid was higher, the proposal provided more coverage and the firm was a Lynn County business.

Commissioners decided not to pay the annual dues for membership in the Ports to Plains coalition.

County Judge H.G. Franklin reported on the inmate phone system at the Lynn County Law Enforcement Center, noting that 31 months remained on the current contract, Inmate Communications and Hospitalities, Inc. He said the firm was willing to negotiate to keep the contract in force.

Commissioners Mike Braddock, J.T. Miller, Don Morton and Don Blair were present for the meeting led by Judge Franklin.

Property Tax Protest and Appeal Procedures

The law gives property owners the right to protest actions concerning their property tax appraisals. You may follow these appeal procedures if you have a concern about:

- the market or special appraised value placed on your property
- the unequal appraisal of your property
- the inclusion of your property on the appraisal roll
- any exemptions that may apply to you
- the qualification for an agricultural or timber appraisal
- the taxable status of your property
- the local governments which should be taxing your property
- the ownership of property
- the change of use of land receiving special appraisal
- any action taken by the chief appraiser, appraisal district or appraisal review board that applies to and adversely affected you.

Informal Review

You may call (806) 561-5477 to discuss your protest with a CAD employee and try to come to a settlement without meeting with the ARB.

Review by the Appraisal Review Board

If you can't resolve your problem informally with the county appraisal district (CAD) staff, you may have your case heard by the appraisal review board (ARB).

The ARB is an independent board of citizens that reviews problems with appraisals or other concerns listed above. It has the power to order the CAD to make the necessary changes to solve problems. If you file a written request for an ARB hearing (called a notice of protest) before the deadline, the ARB will set your case for a hearing. You'll receive written notice of the time, date and place of the hearing. If necessary, you may request a hearing in the evening, Saturday or Sunday. Prior to your hearing,

you may ask to review the evidence the CAD will use to uphold their determination. The CAD may ask you for a copy of the evidence you plan to present. The hearing will be informal. You or a designated agent may appear in person to present evidence or you may send notarized evidence for the ARB to review at your hearing. The CAD representative will present evidence about your case. You may cross-examine the CAD representative. The ARB will make its decision based on the evidence presented. The CAD has the burden of establishing the property's value by a preponderance of the evidence presented. You can get a copy of a protest form from the appraisal district office at 1636 Ave. J, Tahoka, Texas.

Note: You shouldn't try to contact ARB members outside of the hearing. The law requires ARB members to sign an affidavit saying that they haven't talked about your case before the ARB hears it.

Review by the District Court

After it decides your case, the ARB must send you a copy of its order by certified mail. If you're not satisfied with the decision, you have the right to appeal to district court. If you choose to go to court, you must start the process by filing a petition within 45 days of the date you receive the ARB's order.

Tax Payment

If you appeal and your case is pending, you must pay the lesser of the amount of taxes due on the portion of the taxable value not in dispute or the amount of taxes due on the property under the order from which the appeal is taken.

More Information

You can get more information by contacting your appraisal district at Lynn CAD, 1636 Ave. J, Tahoka, TX 79373, (806) 561-5477. You can also get a pamphlet describing how to prepare a protest from the appraisal district or from the State Comptroller's Property Tax Division at P.O. Box 13528, Austin, Texas 78711-3528.

Deadline for Filing Protests with the ARB*

Usual Deadline

On or before May 31 (or 30 days after a notice of appraised value was mailed to you, whichever is later).

Late protests are allowed if you miss the usual deadline for good cause. Good cause is some reason beyond your control, like a medical emergency. The ARB decides whether you have good cause.

Late protests are due the day before the appraisal review board approves records for the year. Contact your appraisal district for more information.

Special Deadlines

For change of use (the appraisal district informed you that you are losing agricultural appraisal

because you changed the use of your land), the deadline is before the 30th day after the notice of the determination was mailed to you.

For ARB changes (the ARB has informed you of a change that increases your tax liability and the change didn't result from a protest you filed), the deadline is before the 30th day after the notice of the determination was mailed to you.

If you believe the appraisal district or the ARB should have sent you a notice and did not, you may file a protest until the day before taxes become delinquent (usually February 1). The ARB decides whether it will hear your case based on evidence about whether a required notice was mailed to you.

*The deadline is postponed to the next business day if it falls on a weekend or holiday.

You did it!**

You've studied hard and worked hard ...
now go out and reap the rewards!

O'Donnell Eagle Baseball Team Ties For Second In District

by Kenneth Peterson

The O'Donnell Eagles' third year of high school baseball turned out to be more successful than even their most ardent fans could have hoped for at the beginning of the season. After finishing in last place last year, with a 0-10 record, the Eagles just missed out on the state playoffs this year, tying Morton for second place in the district, both with 7-3 records, behind Plains at 9-1. Morton got the second playoff spot as a result of their two victories over the Eagles.

In their first season of varsity baseball competition last year, the Eagles finished the season 0-10. But the 2004 season was a different story entirely. After winning their only non-district game 11-0 over Amherst, the Eagles got off to a shaky start in league play, losing their first two district games to eventual playoff teams Plains and Morton, with an especially embarrassing 19-0 loss to the Plains Cowboys. However, the Eagles roared back to win seven of their last eight games, including getting revenge on Plains, beating the Cowboys at home.

And incidentally, their 2-1 win against Smyer, a complete game three hitter by freshman All-District pitcher Heath Goad, was the first game ever played on O'Donnell's new high school baseball park.

"That day was the culmination of a lot of hard work by a group of baseball fans in O'Donnell whose dream it had been for several years to have a high school team and a field to play on!" said Kenneth Peterson.

Sophomore shortstop O.J. Hunter was first team All-District, along with Goad. Second team All-District honors went to sophomore third baseman Edward Nava, sophomore first baseman Trent Hancock, freshman left fielder Jacobi Morado, and senior right fielder Chris Costa. Sophomore Josh Ramirez received Honorable Mention as a utility player.

"With most of their team coming back next year, the O'Donnell Eagle baseball team should be in playoff contention again in 2005. Congratulations to all the O'Donnell Eagles, and Coach Rob Schmucker and assistant coach Billy Wilson on a job well done!" said Peterson.
