Harvest of Crops Getting Underway

Crop harvest is progressing slowly, but the tempo will set up within another week as more hands are due to arrive within the next few days.

Slightly less than 400 bales of cotton had been ginned in Tahoka up until noon Thursday. One gin, Carmack's which has been rebuilding, just this week was ready to receive cotton.

Tahoka has received between 250 and 300 cars of milo until Thursday.

Bracero cotton pullers from Mexico have been slow in arriving, but applications will be filled more rapidly now. Only local contractor is expecting 375 next week. Native labor is short this year, so far.

Cotton pulling in the West Point, Wells, Newmoore, and O'Donnell areas is progressing at a much more rapid rate than in other portions of the county.

Grades from some of the cotton is not too good, some of it being classed light spot, and most is reported short, 7-8ths to 29-32nds Cotton seed dropped to $35.00 a ton this week.

Moisture content is high in most of the maize received, local elevator men report, as farmers are having to cut much of their crop before it has time to dry in the field to prevent falling. Production is reported for almost nothing in spots to as high as a ton per acre on dry land.

Total production for the county this year is hard to estimate, elevator men say.

The cotton crop is also hard to estimate, but observers are guessing the crop all the way from 110,000 to 140,000 bales. Last year's production was about 165,000.

Man Killed In Freak Accident

Ralph S. Hudson, 69, of Dodson, near Wellington, was killed in a freak accident involving his car and a pickup on US 380 at the curve west of West Point Friday at about 10:30 a. m.

Fred Brown, Brownfield Negro and driver of the pick-up, received serious injuries, and two ladies in the car with Mr. Hudson, a retired farmer, received only slight injuries. The ladies were Hudson's wife, age 70, and sister-in-law, Mrs. D. E. Chamdler, 65, of Duncan, Okla. Another Negro in the pick-up, name unknown, was not injured.

Mr. Hudson was dead on arrival at Tahoka Hospital, where he was brought in a Stanley ambulance. His body was transferred to Hollis, Okla., for funeral services.

Mr. Hudson and the two ladies were traveling west en route to Loop, where they own a farm, in their 1957 Chevrolet. The Negro man was traveling east in a new International pick-up. As the two vehicles were meeting, the right wheels of the pick-up evidently ran off on the dirt shoulder, the vehicle overturned several times, and rolled over the top of the Hudson car.

Ex-Student Meet Tickets On Sale

Husbands or wives, other members of the family, and friends will be welcome at the annual Tahoka Ex-Students banquet being planned for the evening of October 9 at 6:00 o'clock in the school cafeteria. Also, former teachers will be welcomed.

Other activities for the day include a program at High School at 2:00 p. m., the Tahoka-Abernathy football game at 8:00 p. m., which will be preceded by the crowning of the queen.

Tickets for the banquet are on sale at Tahoka Drug, Wynne Collier Drug, Davis & Humphries, and by officers of the Ex-Stuents Association.

Two Oil Tests Are Announced

Two new oil tests in Lynn county have been announced recently.

Becker & Combs of Midland have announced a 5,000-foot San Andres wildcat in the extreme south east part of the county, four miles northeast of Welch and three-quarters of a mile northeast of the Welch San Andres pool. It is their No. 1 J. B. Waller, 1,980 feet from the north and east lines of Section 15, Block C-41, PSL survey.

Sunilan.l Oil Corp. is drilling a new well in the northeast part of the county to 4,000 feet in the Suniland Lower San Andres, its No. 1 L. A. Paul Wilson, 330 feet from the north and 1,163 feet from the west lines of the south half of Section 16, Block J, EL&RR Survey, five miles east of Wilson.

B. M. Haymes Of O'Donnell Dies

B. M. (Mack) Haymes, 74, prominent O'Donnell businessman, died at 7:00 a. m. Saturday in Methodist Hospital, Lubbock, where he had been a patient three weeks. Ill health forced him to retire two or three years ago, and recently he contracted "sleeping sickness."

Funeral services were held Sunday at 4:30 p. m. in O'Donnell Methodist Church with the pastor, Rev. Howard Markham officiating, and burial followed in O'Donnell Cemetery

Branch McFadin Haymes had lived in O'Donnell for 34 years, and was engaged in the real estate business. He was a steward in the Methodist Church, former president of the Rotary Club, a Mason, and had a hand in many affairs of the town and county. All during his active life here he was one of the county's most outstanding citizens.

Born in Springfield, Missouri May 6, 1885, Mr. Haymes moved to Lynn county from Munday in 1925.

Survivors include his wife; an adopted daughter, Mrs. Cecil Roy of Seagraves; an adopted son, Bill Schooler of O'Donnell; two brothers, Rev. J. O. Haymes of Lubbock and Lee Haymes of Munday; four sisters, Mrs. C. M. Wyatt of San Angelo, Mrs. Otis Hardin of Salem, Oregon, Mrs. Blanche Calhoun of Amarillo, and Mrs. C. D. Hopkins of Artesia, N. M.; and four grandchildren.

4-H Will Enter Texas State Fair

Lynn county 4-H Club boys and girls expect to exhibit 45 barrows, three market steers, and three Southdown lambs at the State Fair of Texas in Dallas on October 19, County Agent Bill Griffin announces.

Donnie and Sidney Hart of Tahoka and Robert Bessire of O'Donnell will each show a steer and hogs; and Jo Ann Lacy of O'Donnell will show the three lambs.

The following boys will show hogs: Phil Adams, Joe Cervantes, Kenneth Hart, Lester Ford, Judy Terry, and Diana Brandon, all of Tahoka; Ronnie, Marcheta and Lanita Wood, Weldon and Harold Bessire, James White, and Lyndol Askew, all of O'Donnell.

Adult 4-H leaders who expect to accompany the group are Jack Wood, Odell Bessire, Bertice Askew, and C. A. Lacy.

Mrs. Lois Fleming of Glendale, Arizona, spent the week with her parents, Mr. and Mrs. G. C. Shaffer.

Mrs. L. H. Bain is showing improvement in Tahoka Hospital where she has been a patient for several weeks.

HAMILTON GETS WINGS—Ed Hamilton of Tahoka was recently given the honor of pinning the "Wings of Gold" on his son, Ensign Harold H. Hamilton, when the young man was designated a Naval Aviator on completion of training at the Naval Air Station, Corpus Christi. After a month of special training at Norfolk, Va., Harold will report to the Naval Air Station at Brunswick, Maine.

Medallion Home Opening Sunday

The Medallion Homes Parade—featuring the ultra-modern "live electrically" luxury-type home—will be held in Tahoka Sunday from 2:00 to 6:00 p. m.

Tahoka's Medallion Home is the new residence of Mr. and Mrs. Ed Hamilton, located at 1717 North Sixth Street.

In connection with the showing of the home, Southwestern Public Service Co. is offering a parade of prizes for visitors in the home show.

These prizes include such items as a General all-electric kitchen, and major and minor electrical appliances, and even a Medallion Home itself. Persons may enter the $100,000 Light for Living Medallion Home Contest when visiting the model home in Tahoka.

FILING DATE EXTENDED FOR CONSERVATION RESERVE

The final date to file requests for basic rates under the Conservation Reserve Program has been extended to September 30, 1959.

The final date to vote in the Wool Referendum is September 30, 1959. If the ballot is mailed it must be postmarked not later than September 30, 1959.

Motor Caravan To Game Tonight

Tahoka football fans who wish to give the Bulldogs a little added encouragement are being asked to join a motor cavalcade, with police escort, from Tahoka to the O'Donnell football game tonight.

Cars joining the cavalcade are asked to park on the south and be ready to leave at 7:00 side of the square in Tahoka p. m. Men are asked to help escort the team on the field at O'Donnell.

At 6:35 p. m., there will be a pep rally on the square featuring the Tahoka band, cheerleaders and school student body.

HUFFAKER IN COLLEGE

Bobby Huffaker of Grassland returned last Friday to Bethany, Okla., where he is a senior preparing for the ministry at Bethany Nazarene College.

Mrs. Jack Dulin underwent an emergency operation for acute appendicitis Wednesday in Taylor Hospital, Lubbock. Less than two weeks before, on Sept. 4, a baby boy was born to Mr. and Mrs. Dulin.

Tahoka - O'Donnell Game Is Tonight

Tahoka Bulldogs and the O'Donnell Eagles meet tonight, Friday, in the O'Donnell stadium. As usual, previous performances mean little as these two Lynn county rivals get together on the football field.

Last year, the Eagles came to Tahoka and passed their way to a 28 to 20 victory. The year before, Tahoka, with many of its players ill and unable to play, suffered a 19 to 0 defeat at O'Donnell.

Tahoka has played two games with teams out of its class, Seminole winning 45 to 0 and Denver City 78 to 0. The former has more than 2,000 students, and the latter about 1,500.

The Eagles lost to a strong Crosbyton team 22 to 6 in the opener, and came back to tie Ralls, a team supposed to be stronger, 6 to 6.

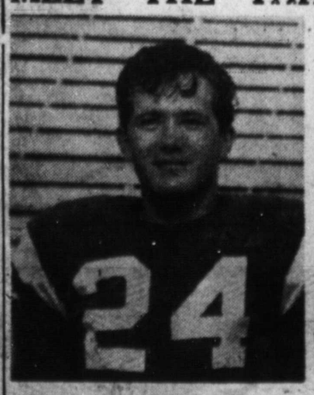

Like Tahoka, the Eagles are operating under a new coaching staff, Van Herrin being the head coach and Wiley Brown his assistant.

In spite of the lo-sided defeats, the Bulldogs have been going through scrimmages this week with the zest of a winning team, and the student body has even come to life this week to give the boys a little more encouragement.

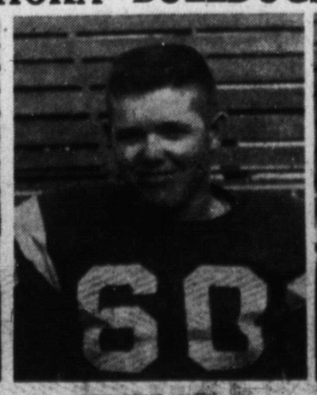

The Bulidogs give promise of putting up a real battle with the Eagles—this week in spite of injuries and illness. Ronnie Walters,

County Calls $190,000 Bond Election To Buy Right-of-Way

New Home Has Not Lost Credits

New Home High School has not lost its accreditation, as reported in the daily press Tuesday and Wednesday.

H. L. Miller, superintendent at New Home, Wednesday afternoon talked by telephone to Dr. W. R. Goodson of the Accreditation Division of the Texas Education Agency in Austin, following the published report.

Dr. Goodson assured Supt. Miller that the report was not true.

New Home was placed on probation last year, and the school district has until July 1, 1960, to meet certain standards as required by the Texas Education Agency.

The school is now in the process of meeting these standards, Mr. Miller states. In fact, a start was made last year, and the district expects to meet all of them by next year.

New books are being added to the school library to come up to standard.

New science equipment has been bought, and an adequate science laboratory fitted out in the high school building.

To make room for this and other courses, a new home economics cottage is now being erected which will be one of the most modern in the area, containing laboratories for sewing and cooking.

Construction work was started this week on the $21,000 brick building, which will be located immediately north of the high school building.

This will give New Home one of the most complete plants for its size on the South Plains. The plant includes a relatively new high school building, a modern elementary building erected two years ago, and the old school building has been reconditioned for the Colored School and auxiliary use. Also, there is a workshop for Vocational Agriculture, a nice football stadium, and teacherages.

Mr. Miller says the enrollment is growing with 40 to 50 new students enrolled in the past week, bringing enrollment to about 350.

Rowes Home From Temple Hospital

Mr. and Mrs. W. L. (Cap) Rowe returned home Sunday from Temple, where Mrs. Rowe underwent surgery and Cap had a medical check-up. Mrs. Rowe is reported to be doing fine.

Mrs. Rowe was accompanying Cap to the hospital for a check-up when she became ill and required immediate surgery. Little was found the matter with her husband.

Cap came home jokingly complaining about a report given The News by a neighbor, John F. Thomas, and claims he was "so sick the doctors and nurses couldn't see him for three days."

Karen Beth Kidwell, daughter of Mr. and Mrs. W. T. Kidwell, who is entering Texas Tech as a freshman, is being pledged by Alpha Chi Omega, one of the 11 national social sororities on the college campus.

Gerald Wayne Tippit And Wife, Stage-TV Players, Visit Here

Mr. and Mrs. Gerald Wayne Tippit left Thursday afternoon for New York City after a week's visit here with his father, T. I., and other relatives.

Gerald Wayne and wife are both making a career of the stage, and recently he has begun to "make the grade" in television. He is now appearing on the cast of "Secret Storm," seen over CBS coast to coast and broadcast here over KDUB-TV at 3:15 p. m. week days. His contract runs until next July, but he will probably be on the show indefinitely.

While here this week, he contracted by telephone to appear in a new stage show opening on Broadway in the Cort Theatre on Nov. 19. The play is "Only in America," based on the life of Harry Golden, author of the book of the same name. Gerald Wayne will play the part of Ray, a Southern "moving man."

His Northern born and reared wife, also appearing in stage productions, made a hit with Gerald Wayne's relatives and friends. His dad said one wouldn't know but what she was "one of we West Texans."

Wilson Planning Ex-Student Meet

Ex-students of Wilson High School are planning a big Homecoming and reunion on Saturday, October 24, according to Roy Lynn Kahlich, president of the Wilson Ex-Students Association, with a supper at 5:30 p. m.

Principal speaker will be Brady Nix, superintendent of schools at Crane and former Wilson coach. The meeting features reunions of the Class of 1923 and the basketball team of 1929.

The Wilson-New Home football game is being moved from Friday night to Saturday night to conform with the reunion date.

Ex-students and their families expecting to attend the meeting are asked to write Mrs. Erwin Sander, Wilson, secretary of the Ex-Students Association.

Congratulations:

Mr. and Mrs. Robert Harvick on birth of a son weighing 8 pounds 15 ounces in Tahoka Hospital Monday, Sept. 14, at 6:00 p. m. He has been named Michael Lee and has two older brothers, Gordon and Robin. Mrs. W. C. Harvick Sr. is the grandmother.

WOOD IN ARMY

Lindell Wood left Saturday for the Army and is stationed at Fort Ord, Calif. At the same base are Don Renfro, Steve Slover, and Jerry Reed.

An election has been called for October 17 in Lynn county on a proposal to issue $190,000.00 in road bonds to pay the county's part in the remainder of the right-of-way for the new four-lane divided U. S. 87 highway north and south across the county.

The election was called Monday by the Commissioners' Court following the presentation of petitions asking for the vote. To go into effect, the issue must carry by a two-thirds majority.

Lynn county has a valuation of $10,500,000. The Court proposes, if the voters approve, to issue the $190,000.00 in bonds to complete the super highway program for a 12 year term at not more than four percent interest, which will require a 21 cent special tax rate.

All of this amount probably will not be needed, states County Judge Walter M. Mathis, but the court does not wish to be put in position of having to come back again and seek more funds if a smaller amount were voted.

Highway Status Outlined

Judge Mathis has furnished The News these figures in regard to the highway program:

The southern sector of the route, from two miles south of Tahoka to the Dawson county line at O'Donnell, is already completed. Construction cost on this sector to the state and Federal government was $647,000.

The county had already bought some of the right-of-way for this sector when the State changed its policy and now pays for half the right-of-way cost.

Lynn county voted $200,000 in bonds in 1956 for right-of-way purposes, of which $30,000 has already been retired. Last payment is due February 1, 1967.

County Reimbursed

Total net cost to the county of right-of-way and utility adjustments between Tahoka and O'Donnell has been $87,077.96. Actually, the county put out $126,932.23, but the State has reimbursed the county $39,854.27 of this amount.

The county has spent for right-of-way and property adjustments on U. S. 87 from FM Road 400, two miles north of Tahoka, to the Lubbock county line, a total of $107,870.55. The State will reimburse the county 50 percent of this.

Approximately one-third of this right-of-way has been purchased and several houses and irrigation wells have already been moved. It is estimated that the county will need another $100,000 to complete the right-of-way purchase and the utility and improvements adjustments on this segment of the road.

This sector is proving more expensive than the south sector because of irrigated land and wells, the necessity of moving 10 or 12 houses, relaying a gas line, and moving other utility lines.

City Route Undecided

No definite notice has been received by the County as to whether the route through Tahoka along Doak Street, as contracted by the State and Federal governments, with the City ond County, will be approved. If this four-mile sector is approved, the County will pay one-fourth inside the city limits, the City one-fourth, and the State one-half the right-of-way and property adjustments.

If the route happens to be changed to miss Tahoka on the west, a sector approximately five miles long will be built, across the middle of three irrigated farms, and the county will pay one-half and the State one-half the right-of-way costs.

Appropriations Made

The State and Federal governments have already set up an appropriation of $765,000 for the sector through Tahoka, and $750,000 for the sector from FM 400 to the Lubbock county line.

Lynn county now has a total out-

Garden Club Is Guest of Prohls

Tahoka Garden Club greatly enjoyed a program of Hawaiian atmosphere conducted in the backyard of the home of Dr. and Mrs. Emil Prohl Tuesday night.

The Prohl's had the yard lighted with hurricane lights and presented talks and showed pictures of their recent trip to the enchanted Pacific islands. Also attracting attention were a large fruit bowl and many souvenirs the couple acquired on the islands.

A covered dish supper was enjoyed by the 45 who attended.

The Garden Club's project for the year is the beautification of the playground at Lynn County Special School of which Margaret Renfro is teacher.

Next meeting of the club will be October 8 at 10:30 a. m. when a luncheon and flower show workshop will be conducted in fellowship hall of the Methodist Church.

New Home Will Honor Teachers

New Home teachers will be honored with a reception next Thursday night, Sept. 24, at 8:00 p. m. in the school cafetorium. All patrons of the school district are urged to attend and welcome the teachers.

Entertainment will be a short skit entitled, "Papa's PTA," presented by Mmes. Geo. Sealy, Dick Turner, Frank Lisemby, A. B. Norman, Virgil Haley, Don Smith, S. B. Nowlin, L. C. Unfred, Carl Armes, and Bobby Carroll, and Mrs. Joe D. Unfred.

Following the skit, the group will play "42."

Inman Family Holds Reunion

The annual Inman family reunion was held in the Community House at New Home Sunday, Sept. 13, with 65 in attendance.

Mrs. W. P. Inman, the honoree, was surrounded by ten children, 20 grandchildren, 12 great grandchildren and a number of inlaws and friends. Lunch was served at the noon hour with lots of food and talk enjoyed. Mrs. Claude James of New Home was present for a few hours on leave from a Lubbock Hospital where she is recovering from double pneumonia.

The reunion was not held last year because Mrs. Inman was recovering from a broken hip suffered in September of last year. She is recovering and enjoyed the reunion greatly.

Those present for the reunion Sunday included Mrs. Inman and Mr. and Mrs. M. H. Shearer of Colorado City; Mr. and Mrs. Jack Inman, Mr. and Mrs. Gerald Walton Keitha, Jackie and Gary, Mr. and Mrs. Wayland Walton and children, Sue Oliver and girls, R. C. M.; Mrs. Kenneth Smith and son. O'Donnell; and Mrs. Gene Rolland, Lubbock; One daughter, Mrs. Maudie Chandler of Terrebonne, Oregon, was not present.

Mrs. Inman has eleven living children, 46 grandchildren and 51 great grandchildren.

Stork Shower Is Given Wilson Lady

(By Mrs. Frank Smith)

Mrs. John Henderson was honored with a stork shower in the Baptist educational building Thursday night.

Mrs. Richard Thomas of Slaton registered the guests. Mrs. Jasper Campbell was at the refreshment table, and Mrs. Willie Pat Baxley directed the program. Hostesses were Mmes. A. N. and Sam Crowson, C. W. Phillips, Jasper Campbell, Willa Wakeland, H. F. Scott, Truman Baxley and D. A. Brown.

Mrs. Henderson's grandmother, Mrs. Hardt of Tahoka, was an out-of-town guest.

Monthly Program At Wilson WSCS

(By Mrs. Frank Smith)

The W. S. C. S. of the Wilson Methodist Church met Monday morning at the church for the September monthly program.

Mrs. Harold Rucker was in charge and presented the devotional. Mrs. Claude Coleman had the story. The group practiced their new theme song of the year, "There's a Light Upon the Mountain."

Present were Mmes. Chester Swope, Grover Coleman, J. O. King, Glen Ward, Sam Gatzki, Charles Campbell, F. B. Riney, Harold Rucker and Claude Coleman.

Following the program several ladies went to the home of Mrs. Gatzki for coffee.

MRS. RICHARD BROOKS

Miss Patsy Norman Becomes Bride Of Richard Brooks In Grassland Ceremony

Miss Patsy Jean Norman became the bride of Richard Mac Brooks in a double ring ceremony at 7:30 p. m. Saturday, Sept. 12, in the Grassland Methodist Church. The Rev. W. A. Watkins read the candlelight ceremony before an archway covered with copper colored flowers and greenery and candelabra.

The bride is the daughter of Mr. and Mrs. W. H. Norman, route 3, Post. Parents of the bridegroom are Mr. and Mrs. Neely Brooks, Tahoka.

Given in marriage by her father the bride wore a gown of Chantilly lace over white bridal satin with a Sabrina neckline, tapered sleeves and a short train accented with tiers of lace cascading down the back. Her seed pearl tiara caught an elbow-length veil of illusion. The bride's bouquet consisted to two brown orchids, Ivy green leaves, and white feathered carnations.

Mrs. Dale Kincer, cousin of the bride from Slaton, attended as the matron of honor, and bridesmaids were Misses Jan Thomas and Dottie Harrison, both of Tahoka, Miss Sandra Stewart, cousin of the bride from Post, and Mrs. Marlin Hawthorne from San Angelo. The attendants wore copper velveteen sheaths with scooped necklines, fitted cummerbunds and quarter length sleeves. They carried baskets of copper flowers, Ivy green leaves, copper ribbon streamers, and copper colored wheat.

Jimmy Riney served as best man and ushers were Lendell Norman, brother of the bride, Dale Kincer of Slaton, Donald Williams and Neely Brooks brother of the bridegroom.

Mr. and Mrs. Jerry Brown were candlelighters. Miss Jerrie LeMond was pianist and accompanied the Rev. Mr. Watkins as he sang "I Love You Truly" and "The Lord's Prayer."

A reception followed the ceremony in fellowship hall of the church. A three-tiered wedding cake with copper colored roses, green leaves, white bells and miniature bride and groom was placed on the serving table.

Assisting in hospitalities were Misses Sandra Stewart, Jan Thomas and Dottie Harrison.

When the couple left for a honeymoon trip to Colorado, the bride was wearing an autumn green suit with mink collar and matching green accessories. Upon their return they will be at home in Tahoka.

Mr. and Mrs. Brooks attended Tahoka High School. The bridegroom is employed by Brooks Trucking Co.

Miss Cowart Tells Wedding Plans

Mr. and Mrs. H. L. Cowart of Petty announce the engagement of their daughter, Virginia Sue, to W. R. Jenkins, son of Mr. and Mrs. W. D. Jenkins of Levelland.

The wedding will be tonight, Friday, Sept. 18, in the home of the bride's parents.

Miss Cowart attended New Home High School. Mr. Jenkins is employed in Brownfield where the couple will make their home.

Mrs. Dwain Jones Shower Honoree

Mrs. Dwain Jones was honored with a stork shower in the home of Mrs. Ed Hamilton Tuesday night, Sept. 15. Other hostesses were Mmes. Lois Nichols, Corene Izzard, Ola Reid, Pauline Goff, Rayford Smith, and Lillian McCord.

Daisy cookies iced in pink and blue were served with coffee.

The hostess gift was a robe and gown set.

Approximately 100 gifts were received. Mrs. Nichols presided over the display of gifts, and Mrs. Smith registered guests.

Denver City Overwhelms Bulldogs 78 to 0 In One-Sided Game Here

Tahoka Bulldogs ran into the most devastating ball club they have ever met Friday night of last week when the Denver City Mustangs took them to a 78 to 0 cleaning.

The Mustangs presented an explosive offense, and the rangy visitors scored almost at will as they slashed the Tahoka defense. The Mustangs were equally tough on defense and played all night in Tahoka's backfield. The Bulldogs managed only three nice gains, a 17 yard run by plucky little Fred Hegi, and the drives of 10 and 12 yards by the usually potent George Adams. Another bright spot was the fine punting by Douglas McClellan.

Coaches J. D. Atwell and "Moe" Hodges started a revamped lineup in an effort to secure the maximum results, but practically all the home squad was used to no avail in an effort to stop the stampeding Mustangs. There were no alibis. Tahoka was completely outclassed by a better team from a bigger school.

DC scored the first time it had the ball on a 26 yard run around left end by Fullback Bert Gravitt, who also moved to quarterback at times. Roger Munn, big tackle and son of Marvin Munn, formerly of Tahoka, kicked the extra point. He kicked for seven extra points during the evening and also kicked two field goals.

In the same first quarter, FB Fred Kidwell got away on a 72-yard touchdown run, and HB Jerry Goodwin ran over the conversion. A few plays later, Goodwin ran 41 yards to score, and FB Guy Seibert ran for the extra points. Score 23-0.

In the second quarter, FB Ralph Townes went six yards for a TD, Seibert ran 39 yards for another, and QB Clinton Newman passed 11 yards to End Victor Coats for still another. After time ran out in the quarter, on a Tahoka penalty, Munn kicked a field goal to make the score 47-0 at halftime.

In the third, Goodwin went 22 and 24 yards on two scoring jaunts, and Newman passed to End Tomiva King one-yard for a third. Score 68-0.

In the fourth, Newman passed 12 yards to end Bucky Johnson for the last TD, but Munn kicked a 21-yard field goal to bring the final score to 78-0.

Guard Marcell Dorethy and Tackle Bill Gravitt were largely responsible by keeping Tahoka set back on its own end of the field.

New faces in the Tahoka lineup included Freshman center Neely Brooks, Sophomore Tackles Billy Davis and Glen Hopkins. Others included McClellan, Adams, Hegi, Phillip Havins, Alton Terry, Larry Spruiell, Charlie Holland, Pike Burkhart, Ronnie Walters, Merrill Cloe, Richard Stice, Dean Elliott, and Larry Owens.

O'Donnell Gets 6-6 Tie With Ralls

O'Donnell Eagles gained a 6-6 tie Friday night with Ralls Jackrabbits, and are all pepped-up to eat Bulldog meat tonight in the annual Tahoka-O'Donnell game at the south Lynn county city.

The Eagles scored in the second quarter as Halfback Leroy Barrera, 135, went the last two yards to climax an 88-yard drive. Ralls scored in the third period after intercepting an O'Donnell pass on the Eagles 20. O'Donnell completed six of 23 attempts for 80 yards, but could not get over a winning score.

Wilson Mustangs Play At Meadow

Wilson Mustangs will meet the Meadow Bronchos at Meadow tonight. The Broncs rode high last week in defeating Lorenzo 48 to 20.

Friday night, Wilson lost to the powerful Plains Cowboys 50 to 0 in a game played at Plains, and the week before Plains had taken Meadow 30 to 0.

Although the Mustangs have an uphill battle, being weakened by injuries, fans have hopes the Mustangs will show improvement as the season advances.

New Home Will Entertain Ropes

New Home Leopards entertain Ropes tonight, a team which will be seeking to get back in the victory column after losing to Frenship Friday 22 to 6.

Coach Chas. Yarbrough's boys had an open date Friday, which gave them opportunity to get in better shape for tonight's game. The coach reports the boys have been showing improvement, and a good battle is in prospect, although New Home realizes it is the under-dog.

NOTICE OF ELECTION

THE STATE OF TEXAS
COUNTY OF LYNN:

TO THE RESIDENT, QUALIFIED ELECTORS OF THE COUNTY OF LYNN, TEXAS, WHO OWN TAXABLE PROPERTY IN SAID COUNTY AND WHO HAVE DULY RENDERED THE SAME FOR TAXATION:

TAKE NOTICE that an election will be held in Lynn County, Texas, on the 17th day of October, 1959, on the proposition and at the places more particularly set forth in the election order passed by the Commissioners' Court on the 14th day of September, 1959, which is as follows:

AN ORDER
CALLING AN ELECTION ON THE PROPOSITION OF THE ISSUANCE OF $190,000.00 ROAD BONDS AND THE LEVY OF A TAX IN PAYMENT THEREOF.

WHEREAS, there has been presented for the consideration of the Court a petition signed by the requisite number of persons praying that an election be held in Lynn County, Texas, on the proposition of the issuance of Road Bonds of said County in the amount of $190,000.00, and the levy of a tax in payment thereof; and

WHEREAS, the Court has found that said petition is signed by more than fifty (50) of the resident, qualified property taxpaying electors of Lynn County owning taxable property in said County and who have duly rendered the same for taxation; and

WHEREAS, the amount of bonds to be issued will not exceed one-fourth of the assessed valuation of the real property of said Lynn County;

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED BY THE COMMISSIONERS' COURT OF LYNN COUNTY, TEXAS:

1. That an election be held in said County on the 17th day of October, 1959, which is not less than thirty (30) days from the date of this order, to determine:

'Whether or not the bonds of said Lynn County shall be issued in the amount of $190,000.00, bearing interest at a rate not to exceed Four (4%) per cent per annum, and maturing at such time as may be fixed by the Commissioners' Court, serially or otherwise, in not to exceed Twenty (20) years from the date thereof, for the purpose of the construction, maintenance and operation of macademized, graveled or paved roads and turnpikes or in aid thereof, throughout Lynn County, Texas; and whether or not ad valorem taxes shall be levied annually on all taxable property in said County sufficient to pay the annual interest on said bonds and provide a sinking fund sufficient to pay the bonds at their maturity.'

2. That said election shall be held under the provisions of Chapter 3, Title 22, Revised Statutes of 1925, as amended by Chapter 16, Acts of the First Called Session of the 39th Legislature.

3. All persons who are legally qualified electors of this State and of this County, and who are resident, qualified property taxpaying electors of this County, owning taxable property in said County and who have duly rendered the same for taxation, shall be entitled to vote at said election, and all electors shall vote in the election precinct of their residence.

4. The ballots of said election shall have written or printed thereon the following:

'FOR THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF'

'AGAINST THE ISSUANCE OF ROAD BONDS AND THE LEVYING OF AN AD VALOREM TAX IN PAYMENT THEREOF'

Each voter shall draw a line through one of the above expressions thus leaving the other as indicating his vote.

5. The said election shall be held at the several polling places in Lynn County, Texas, and the following named persons are hereby appointed as Presiding Judges of said election. Said Presiding Judges are hereby authorized to select such assistants as may be required to assist them in holding said election at the several voting precincts as follows:

Voting Precinct No. 1, at the Home Demonstration Agents Office, Courthouse, Tahoka, Texas, with John F. Thomas as Presiding Judge.

Voting Precinct No. 2 at the High School Building, Wilson, Texas, with C. E. Campbell as Presiding Judge.

Voting Precinct No. 4 at the Community Center, New Home, Texas with Tom Russell as Presiding Judge.

Voting Precinct No. 5 at the Methodist Church, Draw Community, with Graham Hensley as Presiding Judge.

Voting Precinct No. 6 at the County Courtroom, Courthouse, Tahoka, Texas, with E. R. Edwards as Presiding Judge.

Voting Precinct No. 7 at the Schoolhouse, Grassland Community, with H. W. Edwards, Jr., as Presiding Judge.

Voting Precinct No. 8 at the Gin Office, Gordon Community, with J. O. Reed as Presiding Judge.

Voting Precinct No. 9 at the High School Building, Tahoka, Texas, with Maurice Huffaker as Presiding Judge.

Voting Precinct No. 10 at the Community Center, New Moore Community, with N. S. Parker as Presiding Judge.

Voting Precinct No. 11 at the Gin Office, Lakeview Community, with B. G. Milliken as Presiding Judge.

6. The following are hereby appointed Special Canvassing Board to canvass the Absentee votes to be cast at said election:

Alton Cain, Eldon Gattis, A. N. Lehman.

7. The manner of holding said election shall be governed by the General Laws of the State of Texas, regulating general elections, when not in conflict with the provisions of the Statutes hereinabove cited.

8. Notice of said electioin shall be given by publication of a copy of this order in a neswpaper published in said county, for three (3) successive weeks before the date fixed for holding said election. In addition thereto, there shall be posted other copies of this order at four public places in the County, one of which shall be at the Courthouse door for three (3) weeks prior to said election.

9. The County Clerk is hereby directed to have published and to post the same as hereinabove directed, and further orders are reserved until the returns of said election are made by the duly authorized election officers and received by the Court.

PASSED AND APPROVED this the 14th day of September, 1959.

W. M. MATHIS, County Judge, Lynn County, Texas.

ATTEST: C. W. ROBERTS, County Clerk and Ex-Officio Clerk, Commissioners' Court, Lynn County, Texas. 50-3tc

Dear Editor:

Last Friday night after the ball game, a few of the Denver City parents asked, "Doesn't Tahoka back its school? Where is their school spirit?"

Well, I can't help wondering the same thing. When visiting teams fill their bleachers and ours are only half full, I think it's time to do something about it. It looks like Tahoka has lost one of the finest qualities any city or town can have. Where is our school spirit?

For the past two weeks, a group of the finest boys in Texas have fought the hardest they could to win a football game. Not for a group of boys having fun, but for coaches who work hard and long, a Band that does it's best, a pep squad that yells loud, a school they love and most of all a town they have faith in. Where were we? Home watching T. V., visiting, or just talking about what the boys were doing wrong? What has happened to that grand old tradition we all grew up under "Back The School"?

Cheerleaders begging the spectators, parents and teachers to help encourage the team. Haw many of us do "stand up and holler"? These kids need our help, they look for it. After all, they are out there for you and me. Where is their Victory line, or do we expect them to lose? What about the first kick off. This starts a big night for the whole school. Is it too much to ask to remain standing one minute longer? Wouldn't this boost the boys? Should we be ashamed to yell when these great guys make a good play? I'm proud we haven't the Juvenile Delinquency problem here; in fact, we should be proud to have a school like ours.

We should realize these students are future civic and business leaders, fathers and mothers, and we'll make them what they grow up to be. I want my children to be proud of Tahoka as their home and feel proud when parents, teachers and citizens take pride in their school.

Is it too much to ask for these kids to have the confidence and enthusiasm and the knowledge "Tahoka is for you, win or lose."

Words can't express my appreciation to the loyal backers of the school, the fans who work with these students and stick with them, win or lose. I don't think they will gripe if we aren't always winners, because the winners aren't always by points but by being a good sport. These school kids are tops.

Come on, Tahoka, let's let these kids know we're with them. Action speaks louder than words.

Everyday Religion

By
J. B. Thompson

Religion is basically a joyous thing. C. S. Lewis of Oxford, tells of a school boy who was asked what he thought God was like. He answered that as far as he could make out by what he had been told, "God is a kind of person who is always snooping around to see if anyone is enjoying himself so he can put a stop to it." A lot of people have that idea of God, at least they act as though He is a cosmic killjoy most pleased when His creatures are most sad.

But Christ did not come to darken our lives and to steal from us all that is interesting and joyous. The message that heralded his birth was "Behold I bring you good tidings of great joy . . .!" Too long has the Christian life been identified with gloom. The music burst through the heavens was not a dirge but an anthem. It told of a birth; not a funeral. Don't be fooled by those who go about as doleful as a bloodhound and as negative and as critical as can be. They are a denial of the very faith they profess.

Being a Christian is more than getting one's own little soul "saved" and sitting around looking pious. Being a Christian is a full-orbed thing: a love for God that puts worship at the heart of life and imparts a love for others and a desire to serve them. As Jesus put it, "Thou shalt love the Lord thy God with all thy heart and thy neighbor as thyself." God is good and happiness is a sure sign of His presence. He is not to be served in fear and gloom but in radiant living.

Air Force Offers New Recruit Deal

The Air Force Recruiting Service announced today, that effective immediately, there will be no waiting period for those young men desiring to enlist. For the past several months qualified applicants have been required to wait several weeks after qualifying before enlisting. This change of Policy will give a greater degree of flexibility all the way down through recruiting channels to the local recruiter. Now, when an applicant successfully completes his entrance examinations he is scheduled for immediate entry. Or, if he so desires, can enter any time he desires.

Entrance examinations are given in Room 202 of the Post Office Building in Lubbock three of four times each month. The next exams are scheduled for Noon, Wednesday, September 16th. Those applicants desiring to take the exam at that time should bring their birth certificates.

The Air Force ecruiter for Lynn County is Senior Master Sergeant DeWitt Simons. Sergeant Simons is in Tahoka at the Post Office at 10 a. m., the first and third Tuesdays of each month. Complete details concerning young men and women entering the Air Force may be obtained at this time, or at any time by contacting the Air Force Recruiting Office in Room 202 of the Post Office Building in Lubbock.

Man Killed . . .

(Cont'd. From Front Page)

Ray Adams, one of the early arrivals on the scene, said Mr. Hudson was apparently alive in the seat of his car but had no marks visible at the time to show injury. The ladies were stunned, but he did not move the man because he feared there were internal injuries. Borden Davis said when he arrived with the ambulance Mr. Hudson was apparently dead.

Both the car and pickup were badly wrecked.

The death marked the 84th fatal traffic accident in the South Plains area as compared to 54 on the same date last year.

Mr. and Mrs. H. W. Carter of Tahoka are old friends of the Hudson family.

Hudson's survivors include the wife; two daughters, Mrs. O. D. Jackson, Hollis, and Mrs. Tom Birchfield, Dodson; three sons, Kenneth, Dodson; Oras, Fort Worth; and Albert, Abilene; three brothers, Albert, Roswell, N. M.; Joe, Hollis; and R. Drinking At Game Subject To Fine

Although there has been very little drinking of intoxicating liquor at Tahoka home football games in recent years, fans are reminded that a new state law puts a heavy fine on anyone found drinking at sporting events in Texas.

The new law provides a fine of $200.00 for drinking intoxicating beverages at any sporting event such as football, basketball games, etc. The man with the liquor does not even have to be drunk—if he just takes a drink at the game he is subject to fine.

K. R. DURHAMS HAVE VISITORS

Dr. and Mrs. K. R. Durham have had several visitors in their home recently.

Their son, Ken, after attending summer school at East Texas State in Commerce was home for a short time and left Saturday for Baylor University, Waco, where he is enrolled as a senior student. Mrs. Gene (Dot) Sparks and her daughter were here for two weeks and returned home with her husband who came for her over the Labor Day holidays.

Mrs. Lee Ramsour was in the Durham home last week. Dr. Durham's parents have been here visiting for a week and returned to their home in Shreveport, La., Thursday.

CARD OF THANKS

We deeply appreciate the words of comfort and the acts of kindness, the beautiful flowers, and the food served us during the extended illness and the death of our loved one. May God bless each of you. The family of Mrs. Joe Sanders. 1tp

Junior Teams Open Season

Tahoka Seventh and Eighth Grade football teams will play Post here next Tuesday night beginning at 7:00 o'clock.

Tuesday night at Frenship, Seventh Grade played to 22-22 tie and Eighth Grade lost 8 to 0.

Tahoka Eighth grade boys, coached by "Moe" Hodges, outplayed the Frenship boys all the way, but bad breaks led to their defeat. Tahoka had several good drives, but failed to score. Frenship scored late in the game and then ran the ball for the two-point conversion. The local boys' blocking and tackling was good.

The Seventh Grade, coached by Jake Jacobs, managed to gain a 22-22 tie after trailing 10-0 at the half. Tahoka scores were made by Adolph Chapa, Mike Smith, and Eddie Howard. Jose Cervantes set up Tahoka's tieing score by returning a Frenship kickoff 50 yards. Twenty-five boys from Tahoka saw action, and blocking and tackling was good for the first game.

New Home Ladies Are Golf Winners

Sen. G. H. Nelson Is Speaker At Annual Rotary-Teacher Banquet

"How Do You Rate As An American Citizen?" was the subject of the talk by Sen. G. H. Nelson of Lubbock, former Tahoka school superintendent and former county and district attorney and state senator, at the annual Rotary-Teacher-Rotary Ann banquet held Thursday night in the school cafeteria.

Nelson said the four fundamental institutions are Government, Church, School, and Home.

He emphasized that all good citizens should qualify themselves to vote, become informed on issues, not be afraid to take a stand, be a law-abiding citizen, and refuse to sacrifice principles for economic advantage.

A former teacher himself, he declared that a teacher who does not like his or her work should get out of the profession, but admonished citizens to ask themselves "What contribution am I making to my schools?" before making criticism.

The church and religion is still the deciding basis of our lives, and should be supported with our money and our work. He deplored that the fact that, although this immediate area is the greatest percentage of people in the church less than ten percent of our people will be in church next Sunday.

Much of our interest in these three depends on the home, for in the home you have the school, teach religion and good government principles. He declared we are missing the boat somewhere in the home, since there was an 8.2 percent increase in juvenile delinquency this last year. He urged parents to teach their children to work, for work is still an honorable thing, and "an idle brain is the devil's workshop." The old saying, "The hand that rocks the cradle rules the world," still holds.

Nelson prefaced his talk with a lot of good-natured kidding of old friends in Tahoka.

He was introduced by District Judge Truett Smith, a former law partner. The pragram was arranged by Judge Walter M. Mathis.

Mitchell Williams, club president, presided in efficient manner and acted as master of ceremonies. Singing was led by Dr. Emil Prohl, with Rotary Sweetheart Carol Smith at the piano. Rev. J. B. Thompson gave the invocation.

Mrs. Harold (Bettye) Green sang three selections from "South Pacific."

Wynne Collier gave the welcome address to the teachers on behalf of the club, and Benny Thorpe, high school teacher, responded on behalf of the faculty.

Supt. Otis Spears introduced school board members, Special School teacher Mrs. Margaret Renfro, County Superintendent J. P. Hewlett, and administrators.

The faculty was introduced by Principals J. B. Howell, Jake Jacobs, and Clifton Gardner.

The dining hall and tables were artistically decorated, using the theme "Around the World with Rotary," by Mesdames Skiles Thomas, Emil Prohl, E. R. Edwards, Calloway Huffaker, Fredda Townes, and Mitchell Williams.

Week Of Prayer At Wilson Baptist

The semi-annual Week of Prayer of the Wilson Baptist Church started Monday morning at the church. It will last through Friday with a program Wednesday night at the church. These programs are for the benefit of home missions.

In Monday morning's session Mrs. George Williamson was in charge. Mrs. Roy Lynn Kahlich sang with Mrs. E. R. Petty as pianist.

Present were Mmes. John Gayle, John Heck, Lonnie Lumsden, Frank Schneidet, Billy Rhoads, H. F. Scott, S. H. Gryder, Grover Watkins, E. A. Cummings, A. L. Holder, W. P. Stoker, H. C. Fountain, E. R. Petty, Roy Lynn Kahlich and George Williamson.

Mrs. Abe Burgess, 63, of New Home underwent a gallstones operation in Methodist Hospital in Lubbock Wednesday of last week. Abe says she was doing fine Sunday.

Seniors At Wilson Plan Activties

The Senior Class of Wilson High School met on September 9 to discuss the years activities and to elect officers.

The officers are as follows: President, Bobby Wied; vice president, Milton Ehlers; secretary, Buford Rinne; treasurer, Dean Daniell; reporter, Donald Klaus; and song leader, Billy Weaver.

Class sponsors are Grover Watkins and Melvin Delaney.

City Employee Gets State Award

State health authorities have awarded Owen W. Schneider of Tahoka a Grade B "certificate of competency" in recognition of his skill and knowledge of water plant operation.

The certificate was awarded under Texas' general sanitation law that plants furnishing water to the public must be under the supervision of an operator who has proved his talent for the job in a written examination and has been certified by the Texas State Department of Health.

A 5-year employee of the Tahoka water treatment plant, Schneider's newly won certificate will be valid for five years. After meeting certain requirements of experience and training, he will be eligible to try for higher certification.

Grade B certificates are issued in specific fields of waterplant operation: administration, distribution, production, and quality control. Applicants must successfully pass a written examination in their specialty field in addition to an examination covering such diverse subjects as water quality requirements, pumps, sanitation requirements, bacteriological analysis and pipe laying and maintenance.

Grade B certification requires a minimum of three years of experience, plus "credits" earned by attendance at annual district and state water works short schools, sponsored by the State Department of Health, A. and M. College Engineering Extension Service and the Texas Water and Sewage Works Association.

Imagine a truck ride so smooth and cushioned that fragile loads can travel the worst "washboard" roads with ease. Imagine a truck ride that virtually eliminates shimmy and wheel fight, cuts side sway on curves, makes steering far steadier and easier, keeps drivers far fresher. Imagine a truck ride that permits higher safe cruising speeds, more trips per day with all kinds of cargo over every type of road surface. Imagine a ride that keeps up to 78% of all objectionable road shock and vibration from ever reaching the driver and cargo, a design that sharply reduces twisting and fatigue forces on chassis, cabs and bodies, that keeps trucks young for extra thousands of miles. / *Soon you won't have to just imagine such a ride. You can try it for yourself in the trucks that do the next best thing to paving every road in America—new Chevrolet trucks for 1960. You'll see what happens when Chevy's truck engineers design a whole new line of trucks around a whole new kind of torsion-spring suspension. These trucks are new from the ride on up—with wonderfully roomier cabs, brawnier frames, style that's fresh as sixty and more! Don't decide on any new truck till you see the newest of all.*

Printer's Ink-lings . . .

By F. P. H.

The Russians have succeeded in hitting the moon. So, what? They have failed to recognize the importance of the individual. They have failed to find God. Is our government heading in the same direction?

* * *

Some Tahoka families are so poor they can't afford a boat, motor, and a cabin on Lake Thomas.

* * *

The Printer's wife, Mae, says we are writing too much about the "good old days." She thinks the Printer is beginning to show his age by living in the past.

* * *

She may be partly right. We just try to remember the good things and the funny happenings in our past life and pass a few along in an attempt to make this column entertaining. We're not going to cry too much over milk spilt yesterday—we've got enough worries today and some more worrying to do tomorrow.

* * *

Don't let any of the oldtimers kid you. The "good old days" weren't so good—although not all bad, either. So, don't get us wrong. We can remember washing on a scrub board and making lye soap in a wash pot in the back yard . . . cutting stove wood . . . milking the cows on a cold morning . . . walking two or three miles to the cotton field before daylight, picking all day and walking home after dark . . . hoeing cotton and Johnson grass . . . hand-setting type to get the country weekly printed . . . reading by a coal-oil lamp . . . grinding our own Arbuckle and eating maize bread or sorghum molasses and hunting rabbits to eat . . . and it was a big treat to have home-made ice cream, go to the picture show, or visit the soda fountain. Among the good things about the yesterdays included the fact that folks really appreciated pleasures and privileges, or rest, and visits from friends, something special to eat—but we wouldn't like to live again in the "ol ddays."

* * *

A. L. Shepherd brought to The News office the other day the biggest pod of okra we ever saw—16 inches long and and 6½ inches in diameter. He said he had other pods growing at his home on North First nearly as big. He said this is a vine variety of okra— and the big pods are good to eat, too.

* * *

Mr. and Mrs. G. H. Spears of Grassland brought in some fruit from one of their two jujube trees, sometimes called "Russian olive." The fruit looks a little like an olive or plum and the "meat" is similar to that of an apple.

* * *

Mrs. Gilbert Lamb of Muleshoe writes us some kind words about The News. Her mother, Mrs. J. R. Singleton, wife of the pioneer Tahoka dentist, lives with Olabelle and Gilbert and daughter. Gilbert is manager of the Muleshoe radio station and a civic leader in that town.

* * *

Johnny Wells brought us another of the interesting historic first pages of the Chicago Daily Tribune, reproduced by Meade Johnson. This one is dated May 22, 1927, and the headlines emblazon the news, "Lindbergh Lands In Paris . . . Am I Here? He asks as City Goes Wild with Frenzy of Joy." Almost the entire front page is devoted to the historic flight, and tells how the young aviator flew the Atlantic alone in 33 hours and 29 minutes—3,600 miles at over 100 miles per hour, how the people of both France and the U. S. went wild over the daring accomplishment.

* * *

Senator Lyndon Johnson writes The News the new labor bill passed by Congress "Is not a bill that penalizes. Neither does it reward. That is not the job of Congress. There is only one winner. That is the American public . . . The public was wrathful, and rightfully so, at the roughshod operations of racketeers and hoodlums who flaunted the law. These men, a very small minority of the labor movement, preyed not only on honest working men and women but on the public itself."

* * *

But, on last Monday, Labor Day, our other senator, Ralph Yarborough, was in the Dallas and Fort Worth area speaking to Labor Union meetings. He half-way apologized for voting for the measure, passed with only two dissenting votes in the Senate, and told his Union buddies that the laws can be repealed at the next session of congress and made the public statement that the Unions have his support. And we had half way congratulated Ralph for supporting the measure to take corruption out of the management of Unions! We take it back! Ralph is no friend of the farming country.

* * *

Incidentally, the Farmers Union, so popular in some communities on the South Plains, went to bat the other day for the Department of Labor in support of its proposal to regulate farm labor further.

* * *

The labor bill is only a starter in correcting abuses in the democratic process of government. It says absolutely nothing about the most important of all civil rights in the employment field—the right to join or to refuse to join a labor union. In many fields of work, a person cannot even hold a job, no matter how well qualified he is, unless he belongs to the union. How would you like it if you had to belong to the Farmers Union or the Farm Bureau before you could farm—and pay out dues monthly set by the bosses of the organizations. Also, Unions are not subject to anti-trust laws, or to taxation.

* * *

From Graham Scandal Sheet, Gus says: If some folks lived up to their ideals they would be stooping . . . One of the hardest things about business is minding your own . . . Folks who borrow money to try to get out of a rut usually end up in a hole . . . A worthless friendship is one that costs something . . . If a fellow can't improve the silence he ought to keep still.

* * *

Ketchum & Killum is a sportings goods store in Dallas, but it burned the other day.

* * *

Coach Royal James, in a recent talk before Spur Rotary Club, said a thing causing concern in his profession and among educators is that many students "had rather run around in gangs, drive up and down the streets, and just plain laze around than to exert the physical effort necessary to play football."

* * *

Our Tahoka football boys need a little boost. Why not give the boys a friendly pat on the back and a word of encouragement?

* * *

"Why didn't you call the police when you first found things scattered all over the bedroom?"

"I thought my husband had been looking for a clean shirt."

HUMBLE Presents . . . THE NEW TIRE of this generation!

ATLAS BUCRON TIRES

Positively No Squeal!

YOU CAN'T MAKE IT SQUEAL!

The new Atlas Bucron Tire grips the road so well you can't make it squeal. The secret is in the miracle *new* rubber of the tread.

Ordinary tires "bounce" . . . multiply bumps and jars.

Atlas Bucron Tires smother "bounce," give shock-absorbing ride.

SAFER! STOPS 30% QUICKER THAN ORDINARY TIRES

Tested against other tires, the Atlas Bucron Tires *stopped 30% quicker*—often the difference between a safe stop and an accident. Atlas Bucron Tires will stop quicker on *wet* pavement than ordinary tires on *dry*.

SOAKS UP BUMPS AND JARS! You notice bumps with ordinary tires because the rubber "bounces." The miracle new rubber in Atlas Bucron Tires smothers "bounce." Your car rides like the day you bought it, steers easier, handles better.

Trade Now for a set of these amazing new tires. Ask for a demonstration ride—you'll be amazed! Then talk trade with your neighbor under the Humble sign. The price is less than you would think, and terms are available. *Equip your car with Atlas Bucron Tires on all four wheels.*

GUARANTEED BY HUMBLE

Humble guarantees the Atlas Bucron Tire against all road hazards for 18 months. Adjustment is based on months of service. Guarantee is honored by 38,000 Atlas dealers on service station driveways throughout the United States and Canada. *(Note:* All Atlas dealers do not carry Atlas Bucron Tires, but all will make adjustment under the guarantee.)

ELMER BLANKENSHIP

An application has been made by Lewis Allsup for Great Plains assistance on his farm near New Home. Allsup plans to put about 400 acres in the program.

* * *

The history of a civilization is not the history of its battles; it is the story of men's struggle against starvation.

* * *

George C. Wells has applied for the Great Plains Conservation Program. With this program he plans to establish and carry out a complete conservation program on his place.

* * *

Rangeland having an abnormal amount of weeds on it is in the process of deterioration or recovery. Is your range one of these? And, if so, which process?

* * *

A Great Plains Conservation Plan is being developed for the Mollie Edwards Ranch. Practices to be applied include water facility improvement, brush control and other management practices.

* * *

The man who moved a mountain started by carrying away small stones.

Joe Brewer, of O'Donnell, plans to put more of his land into the Great Plains Program this year. At present he has only one quarter-section in the program but plans to add another quarter.

One year of over grazing can cause a range to produce much less than its potential for many years.
