OCHILTREE COUNTY HERALD

Official Paper Of City Of Perryton, Texas

Official County Paper Of Ochiltree County

PERRYTON, OCHILTREE COUNTY, TEXAS, THURSDAY, JUNE 27, 1935

NUMBER 23

GRANDMA PERRY DIED TUESDAY

WEDNESDAY IN OCHILTREE CEMETERY SERVICE AT HOME

At the home of her son, Geo. Perry, in this city, Mrs. Mary Perry, aged 94 years, 4 months and 2 days. Simple funeral services were held from the home at nine o'clock Wednesday morning after which all that was left of this grand old mother and her son were tenderly conveyed to the Silent City at Ochiltree, where she now rests in peace beside the loved ones who have gone before.

The death dew gathered on her brow, around her bedside, and her children—always children to her, though now grown to men and women—watched as she slowly passed away. The love of a mother for her children passes through the years, and the love of a mother for her children passes through the years, and the love of a mother for her children passes through the years.

Louise Sicks, daughter of Mr. and Mrs. Geo. M. Perry, was born in Troy, N. Y., February 23, 1841. With her mother, she moved to Moline, Ill., where she spent her girlhood. At the age of 19, she was married to Charles N. Perry, and began their long life together in the town of Grinnell, Iowa. This union were born four children. One died in infancy. The son, Geo. M. Perry, Miss Nellie Perry and Mrs. Harriet Thornton were born in Perryton. A granddaughter, Miss Louise Spicer, lives in New York City.

After the death of her husband in 1904, Mrs. Perry lived in California four years, coming from that state to this city where she has lived for the past twenty years with her son, who is one of the county's pioneer citizens, assistant in the organization of the county in whose honor the city of Perryton was named.

After sixty years, she was a member of the Congregational Church. Funeral services were held at the home Wednesday morning with Rev. B. Vaughn, pastor of the First Methodist Church, officiating. Burial was in the cemetery.

Among all she ranked as a woman of culture, refinement, sympathy, a kind neighbor, devoted mother and a true friend, and with a woman of heroic mold in her life. Her life was gentle, like the still waters, it was deep. Her heart of hearts she carried her loved and her hand was ever ready, her step never failed ministering unto, caring for, and supporting those who were in any way dependent upon her.

Mr. and Mrs. George Schollenberger and Miss Bess Schollenberger of Goodwell, Okla., visited Saturday night in the home of their son, Mr. and Mrs. Joe Schollenberger and Sunday they all spent the day enjoying a family reunion at Boyd, Okla.

A. J. Denton, Greenville, Texas, is visiting in the home of his daughter, Mrs. J. M. Elmore.

Mrs. Banks Hanson and daughters, Mrs. Janet, returned Sunday from a week's visit with relatives at Danahatchie.

Mr. and Mrs. Fred W. Hood and Mr. and Mrs. George Hood motor to Guymon Sunday afternoon for a visit with old friends.

Theatre Attractions

Attractions at the Ellis Theatre for the coming week:

June 27-28—Arline Judge and Bert Taylor in "College Scandal".

BWARE OF BOND AND SECURITY SALESMEN

What is a security? Under the new Texas law regulating the sale of securities, the term includes any form of stocks, bonds, mortgage certificates, any form of commercial paper, any certificate in or under a profit sharing or participation agreement, lease or royalty interest in an oil, gas or mining property. In addition there are many lesser known forms of securities.

The Texas Securities law which replaced the old Blue Sky law, on May 23, 1935, is broad in its definitions of what constitutes a security, according to Secretary of State Gerald C. Mann.

Before purchasing any form of security, such as those named above, the buyer should determine if the person doing the selling has registered with the Secretary of State. Emphasis is placed on the fact that in no case does the State guarantee or endorse any security. But registration is not the extent of responsibility on the part of the seller. Under the law he may be held accountable for representations as to fact made in the sale of a security.

JOB ARE OPEN IN CCC CAMPS

CIVILIAN JOBS IN CCC CAMPS NOW OPEN; APPLICANTS DON'T HAVE TO BE ON RELIEF ROLLS

A number of positions will be open in the administrative and mechanical departments of the Panhandle Plains district for the Civilian Conservation Corps.

According to information from Captain J. F. Roehm, of the U. S. Army, there will be positions open for clerks, stenographers, garage foremen, mechanics, truck drivers, and property storekeepers.

Lubbock has been designated the location of the district headquarters for CCC work in connection with the Panhandle-Plains soil erosion program.

There are five CCC camps to be located in Potter, Hall, Ochiltree, Dawson, and Lamb counties. There will be more than 200 men in each of these camps.

"It is essential that the applicants have experience in the positions they are applying for; however, it is not necessary that they be members of relief families, or eligible to place in the CCC," Captain Roehm said. Written applications showing experience and references are required.

MASS MEETING TUESDAY NIGHT

CHILDRESS PASTOR TO DELIVER ADDRESS ON "WHY KEEP HARD LIQUOR OUT OF TEXAS", JULY 2

All citizens of Perryton and Ochiltree county are invited and urged to attend the mass meeting and rally at the Baptist Church on Tuesday evening, July 2, at eight-thirty o'clock.

Rev. E. A. Maness, Childress, Texas, will speak on the subject, "Why Keep Hard Liquors Out of Texas". Rev. Maness is an interesting and forceful speaker and he will have a message concerning a question that is of vital importance to every citizen and voter of Texas.

Mr. and Mrs. George Hood, who have been visiting in the home of their parents, Mr. and Mrs. Fred W. Hood for some time left the fore part of the week for their new home at Plooyda, Texas, where George has accepted a position with the Panhandle Lumber Co. They formerly lived at Amherst, Texas.

Miss Helen Buckland, Beaver, Okla., visited Sunday with friends in Perryton.

Mrs. R. J. Thrower returned home Monday from Hobart, Okla., where she spent the past week visiting with Mr. Thrower.

Mr. and Mrs. R. P. Hurn were in Liberal, Kans., Monday evening, where they met with a salesman and bought a line of fall merchandise for the Hurn Dry Goods store.

NATIONAL LEGION COMMANDER

FRANK N. BELGRANO JR. TO ATTEND ANNUAL CONVENTION OF 5TH DIVISION AMARILLO JUNE 29

A large delegation of Legionnaires and Auxiliaries from this community will attend the 5th Division convention of the American Legion and Auxiliary of the Department of Texas to be held in Amarillo on Saturday and Sunday, June 29-30, so states W. M. Boston, commander of the Pierce Johnson Post.

The outstanding feature of the two day convention will be the address on Saturday evening by Frank N. Belgrano Jr., National Commander of the Legion. The National Commander will be accompanied by Miller Ainsworth, Texas Department Commander and Fred E. Young, Department Adjutant. Mrs. W. J. Danforth, Texas Auxiliary President and many other prominent state, division and district Legion and Auxiliary officials will appear on the program.

The program starts at two o'clock on Saturday afternoon with a parade by the Forty and Eight, who will stage a "Wreck" at the Roseland dance hall immediately following the parade. Entertainment will be provided for all visitors during the afternoon. Auxiliaries will be honored with a tea at the Legion home from four to five o'clock on Saturday afternoon.

Commander Belgrano will make the feature address at the Amarillo municipal auditorium on Saturday night. Every Post and Unit in the 18th district has been invited to provide a number for the variety show that will follow the Commander's address. Omar and "Beano" Truax, favorite entertainers in Legion circles in all parts of the state will represent the local Post and Unit. Local Legion general public of Perryton to hear the National Commander of the American Legion. All registered delegates will be guests on Saturday evening at the National Commanders ball in the Roseland dance hall.

A joint public meeting of the Legion and Auxiliary will be held in the municipal auditorium on Saturday morning. Van W. Stewart, 18th district commander, has called a caucus of the 18th district to be held at 1:30 p. m. on Sunday, immediately preceding the 5th division business sessions which convene at 2:00 p. m. Commander Stewart has issued a call to all Posts in the district, urging them to have official delegates present.

This week has been designated by Stewart as Belgrano Week in a membership drive and he is asking that every Post bring or send a few 1935 memberships to Amarillo to be presented to the National Commander. The 18th district is leading the state in membership and is the only district that has exceeded or attained its assigned quota of members.

The business session of the 5th division convention will be under the leadership of Dewey Richburg, Pecos, Texas, division commander. Miss Bertha King, Odessa, Texas, division Auxiliary president, will have charge of the Auxiliary meeting.

MAKES GOOD RECORD AT W. T. S. T. C. AT CANYON

Canyon, June 18—Miss Florence Brangrove of Perryton was one of fifty-five students to make outstanding scholastic records at the West Texas State Teachers College during the Spring Semester.

Miss Virginia Bengel, Borger, came in Saturday for a visit with Miss Luella McMillen.

Miss Orene Hergert, Miss Nell Coffee, Miss Louise Prewitt, Ike Vernon, Spearman, Ike Kelly, Lipscomb and Chick Brooks enjoyed a picnic at the Near To Nature park near Spearman, Sunday.

Mr. and Mrs. Carl Ellis came in Sunday from Amarillo where he spent the past week receiving medical attention. Mrs. Ellis joined him Thursday.

Dick Shaul came in last Tuesday from Piedmont, Calif., and will spend the summer with his father, Jack Shaul.

Mr. and Mrs. Ralph Weir and daughter and Mr. and Mrs. W. P. Quinn and son, Beaver, Okla., were Sunday guests in the Ray Weir and Corwin Drumm homes.

HUNTOON NOW HAS STANDARD RURAL SCHOOL

On June 6, we received our Certificate of Approval, which made the Huntoon School a Standard Rural School. So far as we are able to find out we are the only Standard Rural School in the county.

Miss Shearer and I put forth every effort to bring our school up to this attainment. We wish to thank our school board, P. T. A., Dave Shanks, C. A. Dickson, and Supt. L. A. Woods for their willingness to assist and advise us when necessary.

Next year in addition to our rhythm band, we are introducing public school music.

Mrs. R. T. Bowen, Prin.

ALLOTMENT IS BEING DELAYED

FAILURE OF FARMERS TO SIGN WHEAT COMPLIANCE HOLDING UP WHEAT PAYMENTS

With the dead line for the signing of wheat compliances rapidly approaching, Ochiltree county farmers face the possibility of long delays in getting allotment checks unless they heed the warning and report immediately to sign the required compliance.

The final 1934 allotment payment and the first 1935 payments will be held up until at least 85 per cent of the contract signers file their compliance. At the present time only about 60 per cent have reported, according to L. R. Conner, chairman of the Ochiltree County Wheat Production Control association.

The compliances must be examined by the Texas board at Amarillo and when approved, forwarded to Washington where the checks will be prepared and mailed. This procedure alone will require several weeks and the longer it takes to get the compliances in to Amarillo, the longer it will be before the checks can be prepared.

Provisions have been made to give preference to farmers in drought counties but if they continue to delay making out their compliances, this will be removed and other counties will be turned in ahead of them.

Farmers who have not reported at the wheat allotment office should do so this week. They are not only delaying their own allotment payment, but are holding up the checks of their neighbors who have already signed up and are possibly in great need of the payment.

Passed Century Mark

Mother of J. B. Nash was 102 Years of Age When Grim Reaper Called Her

Mrs. Nancy Elizabeth Newman Nash, mother of J. B. Nash, superintendent of the Perryton municipal water plant, died Tuesday morning, June 25, at the home of her daughter, Mrs. W. R. Garlington, Corsicana, Texas. Mrs. Nash, at the time of her death was over 102 years of age.

She was born in Washington, Georgia on January 9, 1833. She came to Texas in 1889, settling near Corsicana, where she lived until her death. Despite her great age, she had been very active life, her eyesight, hearing and memory remaining good. She always was keenly interested in politics and her work in the Baptist Church. One of her principles of right living was to never talk ill of any person.

Her health had been normal until about six weeks ago when she fell and broke a hip. Pneumonia and other complications caused her death.

She was preceded in death by her husband in 1901. Out of seven children, four daughters and one son survive, also a host of other relatives. Funeral services were conducted Wednesday from the First Baptist Church in Corsicana, with interment in the family plot in the Live Oak cemetery.

Gerald Jarvis was a Sunday dinner guest with Randall Jones.

Miss Kathleen Kelly is working at the Perry Studio this week while the Perry family is away on a vacation.

Mr. and Mrs. J. H. Neufeld and daughters, Ruby and Ruth, returned home Tuesday from a two weeks visit with relatives and friends in California.

WIN GAME FROM BEAVER SUNDAY

GAME WAS THIRD STRAIGHT VICTORY; PLAY RETURN GAME AT BEAVER NEXT SUNDAY

By handing the Beaver, Oklahoma baseball club a sound trouncing, Sunday, the Perryton team added their third straight victory of the current ball season.

Perryton grabbed a three run lead in the first inning when L. Riley, lead-off man for the locals, was hit by a pitched ball and scored on Richardson's sharp single to right. T. Riley drew a base on balls, then scored on Hergert's double to deep center.

Although Riley, Perryton twirler, was touched for fourteen hits, he was stingy in the pinches, striking out fourteen and never in serious trouble. With Riley, Shaul, and possibly "Red" Hay doing the pitching, Perryton should make Jerry Malin's "big five" take notice.

Van Horn for the visitors was the batting star for the day, hitting a home run in the fifth inning, and again in the ninth, the husky catcher slammed one over the deep center field fence. The greatest thrill, however, was furnished by Rookie "Nig" Garrison, when with the bases filled, and the count two and three on him, the hustling right fielder lifted the ball over the right field fence. Richardson for the locals also gathered a circuit clout.

The Perryton club pays a return game at Beaver Sunday, June 30. Tentative games have been arranged with Woodward, Phillips "66", Guymon, Gate and Liberal. With the proper support from the fans, Manager Byron states that he can put a club in the field that will stack up with any in the Panhandle. Why not make this a Perryton year in baseball? Drop around and tell "Nubbin" that you are behind his team one hundred percent, and then demonstrate by attending the games.

Box score as follows:

Electric Plant Fire

Canadian Municipal Power Plant Threatened by Fire on Wednesday, June 19

According to the Canadian Record the municipal light plant in that city had a narrow escape from destruction by fire on Wednesday, June 19. Prompt work on the part of the Canadian fire department prevented a total loss of the building and the three engines. Service to consumers was resumed two and one-half hours after the fire was extinguished. Most of the damage was confined to the building, very little damage being done to the generating equipment.

Mr. and Mrs. B. C. Hurn and Miss Dorothy Patton, Higgins, were Perryton visitors Friday and Mrs. Harold Thrush and son and Miss Lois Hurn, who has been staying with Mrs. Thrush, accompanied them back to Higgins.

Mr. and Mrs. John Neelson, Austin, visited from Saturday until Tuesday in the home of her parents, Mr. and Mrs. O. C. Nichols, Perryton. On Sunday additional guests were Mr. and Mrs. B. F. Hayden, Boyd, Okla., Miss Mattie Cathryn Jenkins, Waco, Billy Jenkins, Amarillo, and Mr. and Mrs. John Apple.

Mr. and Mrs. Henry Richardson and daughter and Mrs. J. J. Long were Sunday dinner guests in the M. R. Coffee home.

RAINFALL MEASURED .64 INCH THURSDAY MORN.

The rain which fell early this morning measured .64 of an inch, so reports Attorney Jack R. Allen, keeper of the official government rain gauge. A precipitation of .02 of an in. fell in Perryton about dusk Tuesday but many parts of the Perryton trade territory reported from one-eighth to one-quarter Tuesday. As near as can be ascertained the rainfall this morning was fairly general, with possibly a heavier precipitation to the southwest. Wolf Creek was running bank full at the highway crossing south of Old Ochiltree.

This downpour increases the prospects for a feed crop in this area. With thousands of acres planted in row crops, farmers were beginning to get anxious to receive moisture as the hot windy weather of the past few days had sapd the top soil moisture. Farmers who have terraced or contour listed their lands are reaping the full benefit of these rains as all the moisture falling on their farms is going into the sub-soil and not running off into the lakes and creeks. It's going to take a crop year with the terraced and contour listed lands producing about twice as much as the untraced fields to convince some as to the value of this method of farming.

STORES CLOSE FOR JULY 4TH

RETAIL FIRMS TO CLOSE ALL DAY THURSDAY; MANY CELEBRATIONS NEARBY

Perryton business firms favor closing for the Fourth of July this year, a check of the retail firms disclosed this week and action was taken by the Merchant's Division of the Chamber of Commerce requesting that the day be observed as a holiday.

The retail firms will be closed all day, in order that managers and employees may enjoy an outing of some kind on that occasion. Many nearby towns are holding celebrations and observances and Perryton will probably be almost deserted as families will go visiting and picnicing. No observance of the Fourth is held in Perryton, because of the annual Birthday Celebration on August 22.

Banks, dry goods stores, groceries, hardware stores, utility offices, cleaning shops, the post office and practically all other firms will be closed for the day. Customers are requested to take notice of this closing regulation and make preparations in advance.

LOWER PRICES ON STOCK FEED

RELIEF OFFICE IN POSITION TO EXTEND CREDIT FOR PURCHASE OF FEED

Lower prices on livestock feeds, dispursed by the local relief offices, has been announced this week, offering stockmen a considerable saving on such purchases.

The price of the sweet feed has been reduced to \$20.00 per ton or eighty cents for an eighty pound sack. Alfalfa hay is being offered at \$15.00 per ton while red clover hay and lespedeza hay are priced at \$12.00 per ton.

Lespedeza is commonly known as Japanese clover or alfalfa and is said to be an excellent stock feed and especially good for work horses. In the event feeders are unable to pay cash for feed purchases, the relief office is in position to extend credit, it has been announced.

Mrs. Weldon Rogers and son, Rob Roy, returned home Sunday from a weeks visit with relatives in Amarillo. They were in a car accident last week and Rob Roy received a badly mashed hand.

Mr. and Mrs. J. H. Neufeld and daughters, Ruby and Ruth, returned home Tuesday from a two weeks visit with relatives and friends in California.

Mrs. J. T. Francis and sons left Friday for their home in Madison, Kans., after a months visit in the parental Obe Glasgow home. Mr. Glasgow took them to Canadian to take the train.

WPA PROGRAM TO OPEN SOON

COUNTY RELIEF ADMINISTRATION TO ACT UNTIL LOCAL OFFICES ARE ESTABLISHED

Preliminary statement of the principles and procedure to be followed in selecting Work Progress Administration projects was in the hands of county relief administrators this week. The statement indicated county relief offices will be the point of contact for sponsors of these projects until local offices of the Works Progress Administration have been established.

Sponsors of Works Progress Administration projects will include all authorized governmental agencies, such as states, counties, cities, villages and townships. Unofficial groups, such as boards of trade, clubs, societies, churches, and other such institutions, may not act as sponsors, but may cooperate unofficially with sponsors in the origination of proper proposals.

The following fundamental principles, the statement said, should be recognized in determining the eligibility of projects:

- (a) The projects should be useful.
- (b) Projects shall be of a nature that a considerable proportion of the money spent will go into wages for labor.
- (c) Projects which promise ultimate return to the Federal Treasury of a considerable proportion of the costs will be sought.
- (d) Funds allotted for each project should be actually and promptly spent and not held over until later years.
- (e) In all cases projects must be of a character to give preference of employment to those on the relief rolls.
- (f) Projects will be allocated to localities or relief areas in relation to the number of workers on relief rolls in those areas.
- (g) Projects should be planned to move from the relief rolls to work on such projects or in private employment the maximum number of persons in the shortest time possible.

Important part of the procedure will be the planning of projects with relation to the number, age, sex, and characteristics of persons on relief within the locality where the proposed project will be executed.

Projects should also be so planned that continuous work may be available for such persons.

Projects may include work relief projects previously submitted to Texas Relief Commission, and upon which work has not been started. A project may cover more than one particular job, but all jobs included should be under the jurisdiction of the same sponsor, all of the same type, and where sponsor's jurisdiction covers a large area, all in the same general location.

In formulating projects, each governmental agency should confer with the local office of the Works Progress Administration (the county relief office until such Works Progress Administration offices are established) for information concerning the number and occupations of persons on relief rolls who are to be put to work.

Governmental agencies should utilize the facilities of local and state planning boards in the formulation of projects, the statement said.

The sponsoring governmental agency is expected to contribute equipment, materials, and services to the maximum amount possible. The priority of the project will depend in part on the amount of such contributions and the extent to which they increase the proportion of labor cost to the total Federal funds required for the project.

Sample of the form on which project proposals will be prepared was in the hands of county administrators. Using the project proposal form, an analysis can readily be made to determine the tentative eligibility of the project. It is necessary that the labor cost for federal funds represent a major portion

TRUCKSTERS PEDDLERS

The custom of allowing trucksters to operate curbside open produce market in Perryton should be discontinued. These sidewalk merchants should be made to pay taxes for the support of our schools, county, state and city governments or get out. They come in with produce that they have purchased from producers, wholesale truck dealers and open up their sidewalk stores, going into competition with the home town merchant who is here every day in the year, paying taxes, supporting the churches, the chamber of commerce, and donating to every subscription list that is passed around. What does the sidewalk, truckster peddler give to this community? Nothing! He is here to get what he can and then move on to some other field. It is not fair to the local merchant to allow such competition. It is alright for the local producer to be allowed to sell his farm, garden and orchard products on the streets, but for the others, we say that they should be compelled to pay taxes, just like any other merchant, or get out of business.

"GRASS ROOTS" MEETING

The repeatedly reiterated purpose of the Republican "grass roots" gathering in around Springfield, Illinois, was to break the national control of the party and to shift its center of gravity from the East to the vast Midwestern farm region which for two generations has kept the party in almost continuous control at Washington. From its inception at a banquet in Topeka last January, it has been referred to as a "conference," an "absolutely open forum for the airing of views." Mr. Hoover himself called it a "rebirth." After weeks of preliminary caucuses in the prairie states, a luncheon for all elements in the party was given in Washington by members of the Kansas Congressional delegation with William Allen White as guest of honor, whom all agreed was to serve as chairman of the resolutions committee. "Only Bill White capable of doing it," they freely admitted at the Willard Hotel. But Bill didn't. For very soon thereafter, even as the veteran Emporia editor was dutifully drafting a credo of regeneration, with his tongue constantly in one cheek or the other, Howard E. Spangler and John D. M. Hamilton, Old Guard members of the Republican National Committee from Iowa and Kansas respectively, suddenly reversed the trend. They announced after a real conference at Excelsior Springs, Mo., to which reporters were not invited, that "only those who are

despite the violent invective of the first day, was tied with very visible strings to practically all of the New Deal they had just assailed.

For example, the "essential relief expenditures" they advocated must be attuned to a "balanced budget," "an economical government" and "no new taxes." The "breaking down of quotas and exchange restrictions" is the task Secretary Hull is successfully accomplishing. The "full dinner pail for the working man" is the wages-and-hours provision of NRA. Section 7a has already covered the demand for collective bargaining. The insistence upon "stern enforcement of criminal laws" has been fulfilled long ago by Mr. Roosevelt's Department of Justice and the Securities and Exchange Commission against such types of public enemies as may not be covered by the Utility Holding Company bill. The "economic party for the farmer" stressed at Springfield is the design and the successful results of the AAA, which the "conference" was so careful not to denounce or deplore.

Other features of this magnificent travesty on representative government included: Insistence of the Old Guard in charge there should not be present a single Republican member of Congress, as practically all of them had voted for New Deal legislation; the failure to receive any word whatever from Herbert Hoover, titular head of the party, or mention of him indirectly or of his administration, although he had scouted the neighborhood thoroughly and dictated method of procedure to scores of his followers who weighted down the platform but studiously ignored his existence; the failure to refer to any Republican administration or President except the defenseless Abraham Lincoln, the only member of the party whose portrait was displayed. So it would be futile to argue that the "grass roots conference" did not serve the useful purpose of appealing to the ever-ready sense of humor of the average American.

Mr. and Mrs. Arthur Mills and sons, Richard and Wesley, returned to their home in Wichita, Kans., Monday morning after visiting from Thursday with relatives and friends here. His mother, Mrs. Katie Mills, who has been visiting in the home of her daughter, Mrs. E. W. Witt, for several weeks, accompanied them home for a short stay before returning to her home in Neosho, Mo.

Mrs. Roy Jeffroy underwent an operation at a hospital in Amarillo Friday. At present she is getting along nicely. Mr. Jeffroy is with her.

Summarizing the remarks of Mr. Spangler, who, through an abundance of precaution, acted as temporary chairman, former Gov. Frank O. Lowden, whom Mr. Hoover admittedly sent as keynote, and Mr. Hoover's former Secretary of Agriculture, Arthur M. Hyde, the principal and only scheduled speaker, The Herald-Tribune further records:

"All three echoed Mr. Hoover's recent remarks about attempting to import a European system in the government and in resisting agitation for 'outdealing the New Deal' and the oratory was unanimous in going into the next campaign under the Republican standard."

Leaving out Lincoln, as he would have preferred to be, it was apparent why two days were essential, even allowing what the news associations agreed were two all-night sessions and "then 18 hours more of daylight work" on the resolutions. It was because all of the criticism had to be oral, since the "creed,"

Looks Like Big Blaze; Only Garbage

Tied together and strung around Riker's island, New York harbor, are seen the 24 garbage scows that caught fire as they were about to be towed out to sea. The blaze was spectacular and made a tremendous lot of smoke, but the damage was small.

AGRICULTURAL ADJUSTMENT ACT

Highlights in speech of Hon. Marvin Jones on the A. A. A. Amendments in the House of Representatives, June 17, 1935.

Living thousands of miles apart, producing an infinite variety of crop in widely separated areas, the farmer has been hedged about by organized groups on every side.

Had there been no legislation in behalf of these groups, had there been no regulations of commerce, had there been no trade barriers and no monopolies, the farmer would have needed no legislation. I subscribe to the doctrine here and now that we ought to have tariff for all or a tariff for none. Standing on a dead level with every other citizen, the farmer could have fought his own battles, protected his own interests, and carved his own niche in the affairs of our common country.

Just as the human body cannot properly function with a portion of it paralyzed, our economic structure is subject to the same inexorable rules. It became necessary to restore the purchasing power of the

farmer if our Nation was to live and prosper.

We grow used to certain things and they seem commonplace. A new practice causes comment. It is interesting to hear business men criticize the farmers for adjusting their production when they themselves have been practicing the same thing for years and take it for granted.

Through depression years, industry in the main reduced its volume and largely maintained its prices. Agriculture largely maintained its volume and its prices were greatly reduced. The whole philosophy of the agricultural adjustment program is to apply business principles to agriculture.

The reduction program was an adjustment, a deck-clearing proposition. We are now moving into the long-range program, not to abandon it, but to improve it.

We all recognize the importance of world trade. Of course, other countries will have to recover before they can purchase our commodities in large quantities. Much of their trade during the period from 1925 to 1929 was carried on with the money that was borrowed from us. It is not of very great value if you have to furnish the money to the man who buys your commodity, but as we get out of the mist

of this thing, of course, our world trade must be increased.

When a man grows a bale of cotton or a bushel of wheat, harvesting one in the hot July sun and picking the other under a blazing September sky, and carries them to market, he has a right as an American citizen to the same market conditions as any other man, and until somebody can show us a better plan I say let us ride on this train.

I believe in the agricultural program. I believe in its purposes. I believe that it is in the interest of the future of America. I do not take any stock in what certain people say who are afraid our Government is going to fall or something is going wrong. I believe in the United States Government, her history, her institutions and her purposes. Knowing the glory of her past, I believe in her future. There is too much stamina, too much character, too much industry in the background of the American people to have our country destroyed in a few years. The point is that we must keep our heads above the water and keep right on working. It does no good to stand on the side lines and howl. We must get together, consult with one another, and work toward a program that will be fair to every citizen in this land.

TEAMING HARLOW AND POWELL GLORIOUS

Jean Harlow and William Powell, two of screendom's most famous and colorful stars, become a starring team for the first time in the new Metro-Goldwyn-Mayer picture, "Reckless," which shows today and Monday at the Ellis Theatre.

The union of the two popular takes place in a lavish musical production against a dazzling background of theatrical Broadway, introduces many new song hits and dance ensembles.

The story, written originally by the screen by Oliver Jeffries, adapted by P. J. Wolfson, musical score was written by Jerome Kern, celebrated composer, "Show Boat" and "Cat and the Hat," in collaboration with several other successful composers.

Mrs. Lois Trolinger and daughter and her parents, Mr. and Mrs. W. L. Sego left Monday for Los Angeles, in response to a message of the death of a cousin.

Mr. and Mrs. H. C. Graham and Mrs. Clifford Beck and Mr. and Mrs. Roy Orrill, Mrs. Jean Orrill, Betty Ann Kershaw, and Mrs. E. A. Hooper and Mr. Harry Nail enjoyed a picnic supper on the creek Sunday.

PROGRAM —At The— Ellis Theatre

THURSDAY-FRIDAY, JUNE 27-28

Arline Judge, Kent Taylor, Wendy Barrie, Wm. Frawley, Benny Baker and Wm. Benedict in—

"College Scandal"

Murder moves across the campus! A crafty murderer... unknown... rubbing shoulders with panic-stricken students... striking each time in a different, diabolical fashion... at the helpless victims of his revenge! A thousand clues... and you'll need them all to solve the mystifying identity of this campus killer. Terror lurks in the shadow of a coed... striking on a crowded college campus at the men who seek her love!

SATURDAY, JUNE 29

Bert Wheeler and Robert Woolsey with Fred Keating, Betty Grable, Evelyn Brent and Erik Rhodes in a very goofy murder mystery.

"The Nit Wits"

A roar from the roaring forties! The reigning Quinces of Goofydrom join with the Queens of Song in a crime drama of Tin Pan Alley! Aha-a-a-a! Cold chills and hot cha are blended in a perfect symphony of burps in this goofy murder drama! Giggling girls, guaranteed fresh... they're wrapped in yellophane! Music? Yes! Girls? Yoo-hoo!

SUNDAY-MONDAY, JUNE 30-JULY 1

JEAN HARLOW and WILLIAM POWELL with Franchot Tone, May Robson and Ted Healy in M-G-M's musical melodrama—

"Reckless"

The big show of 1000 wonders... a giant melody-drama packed solid with laughter, sensational soul-thrills, music, dancing... the entertainment triumph of 1935! Jean Harlow dancing, singing, romancing! The greatest collection of curiosities the world over! The dazzling splendor of the Broadway musical extravaganza! The "Red Headed Woman" and "The Thin Man" as sweethearts in a glamorous romance of the dancer who was "Reckless" with life, love and her wild pursuit of happiness! Together they're romantic dynamite!

TUESDAY-WEDNESDAY, JULY 2-3

KAY FRANCIS and GEORGE BRENT with Patricia Ellis, Barton MacLane, Donald Woods, Mary Forbes, Frankie Darro and Shirley Gray in—

"Stranded"

Kay Francis and George Brent, again teamed in leading roles in a romantic love story, which, in developing strong drama, reaches a climax strong with tense suspense in a struggle against death and destruction. Unusual romance, contrasting comedy, intrigue, dramatic actions and thrill atmosphere are combined in a picture of unusual entertainment value.

"WATCH THE FORDS GO BY"

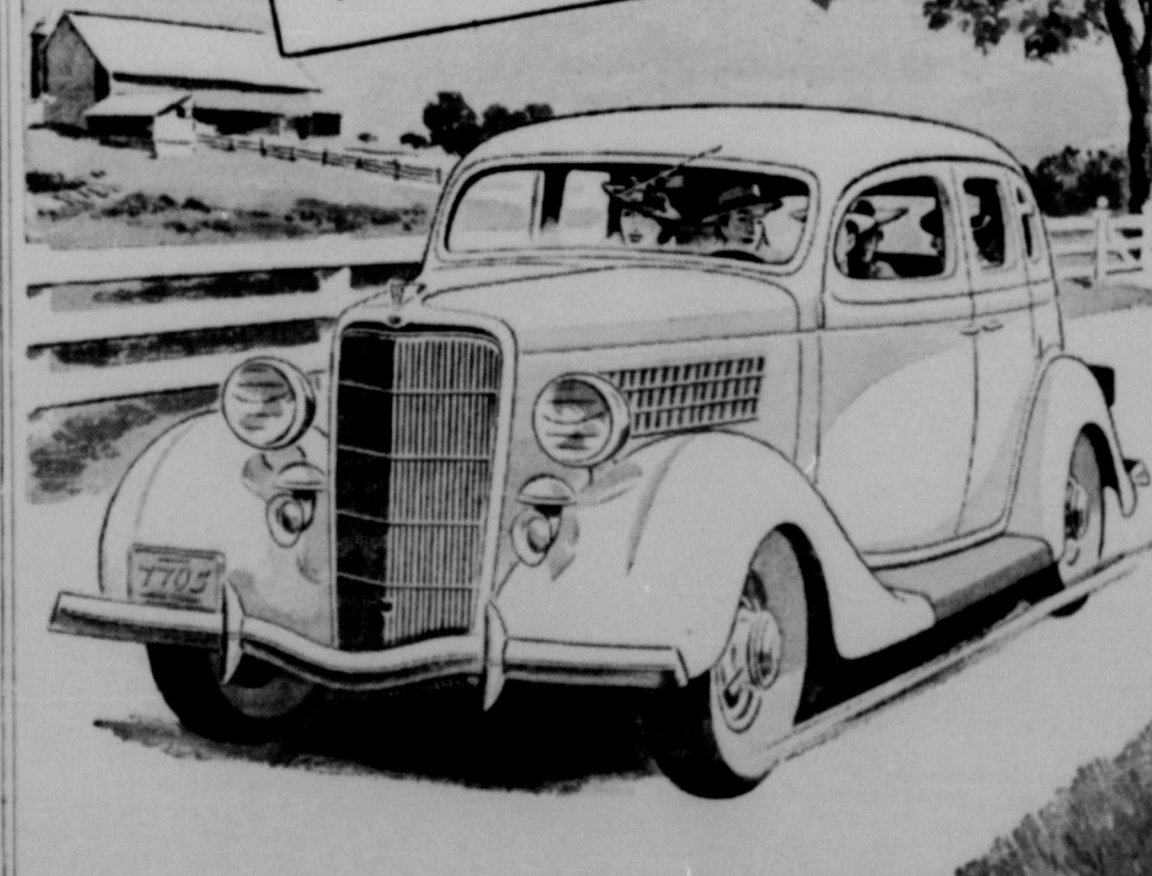

OVER TWO MILLION

Over two million Ford V-8 cars and trucks have been built — over a million within the last year. You see them everywhere. Owners are enthusiastic about the all-round value and economy of the car.

THE REASON

The Ford has made it possible for the average purchaser to have the kind of car that used to be beyond his reach. Fine-car performance, comfort, safety, beauty and convenience are now available to all.

Going to Meet Europe's Best Lacrosse Teams

Here are the members of the All-American women's lacrosse team selected to invade Europe this summer and meet the best women's teams over there. Left to right, they are: Betty Ritchie, Westchester, N. Y.; L. L. Burnham, Boston; Gretchen Schuyler, Westchester; Elizabeth Bontrou, Baltimore; Anne Pugh, Baltimore; Rogers Crowe, Boston; Virginia Allen, Philadelphia; Betty Freeman, Baltimore; Sue Cross, Philadelphia; Florence Hoff, Baltimore; Lillian Scott, Baltimore, and Libby Toulmin, Philadelphia.

Cloisters to Be Built With Rockefeller Gift

A gift of \$2,500,000 from John D. Rockefeller, Jr., to the Metropolitan Museum of Art in New York has made possible the building of the structure pictured here. "The Cloisters" and surrounding grounds will occupy four acres in Fort Tryon park overlooking the Hudson, and it is hoped will be ready for public inspection by 1938. The structure will house the art objects sold to the museum in 1925 by George Grey Barnard, noted sculptor.

NOTLA ITEMS

Evelyn Kizlar, Reporter

Missionary Social

The ladies of the Methodist Missionary met Thursday afternoon at the church for their monthly social and an interesting program on "Daughters of Methodism" with Mrs. D. D. Shanks, president, in charge.

The entertainment consisted of two papers, "Forgotten Women" by Mrs. Chas. R. Garrett and "Service of Witnessing" by Mrs. T. J. Guthrie; song, "Lollipop Land"; Beverly Webber and Naomi Piper; reading, Gale Rogers; "Methodist Women of Today," Mrs. D. D. Shanks; "Women in the Ministry," Mrs. W. B. Vaughn and discussed by several; and vocal solo, Miss Elizabeth Caldwell.

Mrs. Ferd Funk, Miss Nellie Perry, Mrs. W. E. McMillen and Mrs. L. Burgess were the hostesses and served delicious refreshments to the following: Medames Manse Wood, C. B. Rogers, Herbert Shindler, Clifford Beck, Charles Garrett, W. C. Bryan, J. M. Bull, J. T. Guthrie, J. G. Burgess, C. I. Slaton, R. B. Orrill, W. H. Lance, H. C. Sanford, C. E. Forbes, L. E. Hines, C. W. King, H. W. Ragan, W. B. Vaughn, Otis McCall, Vance Apple, J. W. Richardson, Cecil Dodd, W. I. Byron, W. E. Foglesong, Addison Cutter, D. A. Caldwell, Noel Webber, Ed Morgan, C. F. Jones, J. M. Willey, D. D. Shanks, W. E. Garrison, Liel Lewellen, Naomi Piper and Miss Helene Orr and Miss Elizabeth Caldwell.

Mrs. Dyatt Hostess

On Monday afternoon, Mrs. A. E. Dyatt entertained her sewing club for a few hours with needlework and interesting conversation. Aiced course was then served to Mrs. Max Boyer, Mrs. Vance Apple, Mrs. Cecil Dodd, Mrs. Noel Webber, Mrs. Charley Kent and Miss Elizabeth Richardson.

Honor Guests

Mr. and Mrs. Arthur Mills and sons, Richard and Wesley of Wichita, Kans., were in Perryton over the week-end visiting with old friends and in the homes of his sister, Mrs. D. K. Baumann and his sister, Mrs. E. W. Witt. On Sunday they were entertained with a bountiful picnic dinner at the Jines Springs and in the evening all returned to the E. W. Witt home for delicious home made ice cream and cake.

The day was enjoyed by Mrs. Katie Mills, Neosho, Mo., mother of Mrs. Witt and Mr. Mills, Mr. and Mrs. E. W. Witt and sons, Mr. and Mrs. Garnet Witt and children, Mr. and Mrs. Cecil Witt and children, Mr. and Mrs. D. K. Baumann, Mr. and Mrs. Lester Baumann and Bruce, Mr. and Mrs. Loren Kaup and Mr. and Mrs. Arthur Mills and sons.

Sub Debs Meet

Several members of the Sub Deb club met in the home of Miss Virginia Correll Monday afternoon and motored to the Branham ranch on Wolf Creek for an enjoyable swim and later returned to Corrells for delightful refreshments.

Those present were Miss Mary Beth Johnson, Miss Carmen Cofer, Miss Betty Bryan, Miss Ada Mae Gamel, Miss Virginia Berge, Berger, Miss Luella McMillen, Miss Abbie Hooper and Miss Virginia Correll.

Honor Mrs. Conner

Mr. and Mrs. Robert J. Barlow, who live five miles west of Perryton, had guests Sunday for a delightful dinner as a courtesy for Mrs. Katie B. Conner, mother of Mrs. Barlow, who is leaving soon for her home in Floydada, after spending several weeks with her daughter.

Dinner was served to Mr. and Mrs. H. C. Barlow, Mr. and Mrs. E. C. Barnes, Mr. and Mrs. J. D. Cope, Mr. and Mrs. Harry Barlow and Patsy Louise, Mr. and Mrs. Guy Cooper and children, Mr. and Mrs. George Dietrich, Elaine and Don Edward, Mr. and Mrs. Guy Gruver, Mr. and Mrs. Will Kulow and Mrs. Fred Kulow of Dombey, Okla., Mr. and Mrs. Charles Kulow, Liberal, Kansas, Misses Hazel and Effie Kulow, Eula, Clara and Lucy Copeland, Christine Fortenberry, Estelle Bartlett, Homer Robinson, Orville Huston, Harry Roscoe, Alex and Leonard Barlow, George Bancroft, the honoree and Mr. and Mrs. Barlow.

Others visiting in the afternoon were Mr. and Mrs. Julius Pshigoda, Fred Sam and Lillie Mae, and Esther Kellen.

To Fete Scouts

At the regular meeting of the Boy Scouts on next Friday evening, June 28, at the American Legion hall, the Scout Master W. I. Byron is planning a special program, refreshments to be served afterwards.

All scouts are urged to be present.

Entre Nous

Mrs. Ray Christopher entertained the Entre Nous bridge club at her home, 915 Southwest Sixth street, Wednesday morning for an interesting round of progressive bridge. After the games a delicious two course luncheon was served. Score prizes were won by Mrs. Richardson, high, and Mrs. Cayler, second high.

Seated for the play were Mrs. Seldon Caradine, Mrs. LaRue Norris, Mrs. A. W. Blue, Mrs. Carroll Dodd, Mrs. S. S. Dodson, Mrs. W. R. Cayler, Mrs. C. W. Claybaugh, Mrs. W. I. Byron, Mrs. C. A. Robinson, Mrs. Ray Nelson, Mrs. Charley Kent and Mrs. Henry Richardson.

Sunday Mr. and Mrs. R. T. Correll, Virginia and Archie Correll, Dr. W. F. Huddleston, Liberal, Kans., F. S. Gauss, Liberal, Mrs. Lorene Kutch and Joan, Miss Eula Smith, Miss Beatrice Becker, Jack Todd, Billy Dunlavy and Tennyson Cropper took their lunch and spent the day on the Palo Duro creek.

Obe Glasgow and E. L. Whippo left Thursday morning for Eagle Nest lake in New Mexico where they will join Archie King for ten days of fishing.

Taliaferro-Pletcher

Miss Vivian Pletcher and Mr. Wood Taliaferro, both of the Lone Tree community, were united in marriage Friday evening, June 21, at the home of Rev. and Mrs. Robert Girouard, pastor of the Full Gospel church in Perryton. Mr. Girouard officiated.

The bride was attractively attired in a suit of navy blue triple sheer with blue and white accessories. The groom wore dark gray. Miss Esther Pletcher and Mr. Worley A. Daire were the attendants.

Mrs. Taliaferro is a daughter of Mr. and Mrs. Jake Pletcher and came here with her parents from Cromwell, Okla., eight years ago. She is a graduate of the Perryton high school.

The groom is a son of D. D. Taliaferro, one of the pioneer residents of this section. Wood was born and reared on the Taliaferro ranch in the Lone Tree community and the young couple will make their home there where he is engaged in farming.

Saturday night, a large crowd of relatives and friends gathered in the home of Mr. and Mrs. B. R. Pletcher to greet the newly weds and to initiate them to an old time charivari.

Birthday Party

Miss Diana Marie Kent was the honoree of a lovely birthday party given by Mrs. B. B. Kent and Mrs. Vance Apple on the occasion of her third birthday, Friday, June 21.

After admiring the many beautiful gifts the little guests played games on the lawn. Later ice cream, cookies and favors were enjoyed by all.

McMILLEN NOTES

Earl Waide, Reporter

We are needing rain again in this section of the country, because even the weeds are beginning to die.

The ice cream supper at McMillen Saturday night, which was sponsored by the Four in One home demonstration club was well attended. Twenty-two gallons of ice cream was served to the crowd. The club quilt was won by Mrs. D. P. Tarbox and Miss Goldie Fleming received the rug. Music for the occasion was furnished by Willis Hardy, Thurman Trew, Atlas Flowers and C. B. Trew.

Mr. and Mrs. Clifford Finney and daughter, Rachel, returned on Wednesday of last week from a two weeks vacation spent in Kansas and Illinois. They had some very strange experiences for residents of the Panhandle, as they were held up because of floods and high water on three different occasions. And they were only a few miles from the water spout which fell south of Canadian last Wednesday. But they are safe in a dry country once more.

Mr. and Mrs. Walter Jung and Mr. and Mrs. S. F. Waide were Sunday dinner guests in the D. P. Unruh home Sunday.

Mr. and Mrs. James Hardy entertained a group of friends in their home Sunday evening with a singing. In addition to the group sing-

ing several special numbers were given which were greatly enjoyed.

Mr. and Mrs. Calvin Flowers and family and Mrs. Earl Waide and children visited in the Gilman Flowers home Sunday.

The losers in the True Blue Class contest will entertain the winners next Friday night at the James Hardy home with an ice cream supper.

Mr. and Mrs. W. E. Dear spent Saturday and Sunday in the Arthur Swink home.

Mr. and Mrs. Clifford Finney made a trip to Shamrock Sunday.

FAIRVIEW ITEMS

Hattie E. Collins, Reporter

We are having dry winds and are needing rain badly in this vicinity.

Mr. and Mrs. Leston Tyler and Mrs. Gladys Thomas spent Sunday evening with Mr. and Mrs. Claud Wells.

Mr. and Mrs. J. T. Collins and son, Sweetwater, Texas, spent the fore part of last week with his brother and family, Mr. and Mrs. W. L. Collins.

Lewis Hardy and W. L. Collins made a business trip to Beaver, Monday.

Lewis Hardy and family spent Sunday afternoon in the W. L. Collins home.

Ray Bowles and family made a business trip to Perryton, Saturday. Loyd Collins spent Sunday with home folks, Mr. and Mrs. W. L. Collins.

Harvey and Francis Hardy have been listing for Lawrence Anderson this week.

The Lucky Five Club of this vicinity is progressing nicely on their projects. The club met with Miss Wanda Collins, Wednesday, and with Miss Fern Hamilton last Wednesday. Following club work, delicious refreshments were served to the members.

Mr. and Mrs. Frank Eason and son and Grandmother Thomas were driving in this vicinity, Sunday.

Some men of this community are working on the road east of Fred Hamilton's and are getting it in good shape.

BLODGETT ITEMS

Mrs. Deta Blodgett, Reporter

Mr. and Mrs. J. F. Sims were in Canadian last week visiting in the home of Mr. and Mrs. Bill Reed.

Mrs. W. M. Deck and daughters were callers in the home of her mother, Mrs. W. Y. Williams, Sunday afternoon.

CLUBS AND LODGES

Ochiltree Lodge No. 910, A. F. & A. M., regular meeting first Friday night of each month. Eldon Rupprecht, W. M.; J. E. Barbour, Secretary.

Stated meeting of Ochiltree Chapter No. 348, R. A. M., second Tuesday evening of each month. H. W. Yorke, High Priest; J. Malvin Jackson, Secretary.

Helen Austin has been confined to her bed the past week, suffering from an attack of appendicitis.

Mr. and Mrs. Mearl Beck, Mrs. J. M. Blodgett, and Mrs. Deta Blodgett were Sunday dinner guests of Mr. and Mrs. Hollis Gossett.

Mr. and Mrs. L. W. Austin and girls were callers in the Blodgett home Friday evening.

Dean Church and Ralph Blodgett moved cattle to the Palo Duro Creek, Monday.

Mr. and Mrs. Edd Beck and Mr. and Mrs. Don Bennett were Sunday visitors in the home of O. J. and Mrs. W. Y. Williams.

Howard Lyons of Illinois Bend is visiting in the home of his aunt, Mrs. W. Y. Williams.

Mr. and Mrs. A. D. Reed and Margaret Allene were visiting in Spearman, Sunday.

Mrs. J. M. Blodgett and Mrs. Deta Blodgett were business visitors in Perryton Friday.

Mr. and Mrs. L. W. Austin and daughters were Sunday evening vis-

itors in the J. F. Sims home.

Ralph Blodgett and Ode Gowan were callers in the O. J. Williams home Sunday morning.

Friends are glad to know that Mrs. W. E. Prutzman is slowly improving.

Mrs. J. E. Kenney and children were Wednesday visitors in the Blodgett home.

Frank Austin and son were up Tuesday from Granite, Okla., looking after their crop interests.

Advertise it if you stock it.

Mr. and Mrs. A. W. Blue had been returned Tuesday from a

days stay in the F. A. Blue home Canadian.

J. O. Young was in town Friday on his way back to Kansas after trip to Fort Worth and points

Billy, son of Mr. and Mrs. Landrum, suffered a serious Tuesday evening while playing the sidewalk near his home.

Admission Prices To All Events—Low!
BORGER, TEXAS
JULY 4TH

W. E. Perry and his brother, Garland James, Guyton, Okla., left last Thursday for Hamilton to join their families for a visit with relatives. They are expected home Friday.

Mr. and Mrs. J. B. Phipps, Fort Worth, and their son, J. B. Jr. of Pampa, and Mrs. J. N. S. Webb, Chillicothe, visited from Saturday until Tuesday with relatives in Perryton. Mrs. Phipps and Mrs. Webb are sisters of Mrs. J. B. Conley, L. L. Lance and L. H. Lance.

Mrs. J. L. Couger and Dannie returned home Monday evening from a five weeks visit with relatives and friends at Gatesville and Waco. Mr. Couger went for them Friday.

F. E. Murrell, Texaco Representative, and H. F. Lynn, Lubricating Engineer, both out of Amarillo, were in Perryton Wednesday and Thursday transacting business with the local Texaco wholesale dealer, Mrs. Banks Ranson.

Mr. and Mrs. Virby Conley and Mrs. Liel Lewellen left Wednesday night on a business trip to Oklahoma City.

Mr. and Mrs. J. C. Beever, Mr. and Mrs. John A. Black and Mr. and Mrs. J. W. Isley and Junior returned home Wednesday from a months visit the western states. They spent a week in the home of Mr. and Mrs. Ed Beever, Tacoma, Wash., son of Mr. and Mrs. J. C. Beever.

Mrs. W. B. Lilly and her sister, Mrs. T. R. Koon, who is visiting here from Dallas, Ernest Allen and R. H. Gamel were in Amarillo Sunday visiting with W. B. Lilly, who has been there several weeks under the care of an eye specialist. He is getting along nicely and will probably be home in a few days.

Miss Edith Newman came in Wednesday from Pampa and will spend the summer with her mother, Mrs. Hattie Newman.

LUCE LIV- G ON FARM

FARMERS LEARNED
OF PRODUCING
ON FARM DURING
DROUGHT

WATER, Okla., June 24
There shouldn't be any
in Oklahoma which
in the droughts of
the real value of hav-
ing corn in the crib,
dried, canned food in the
larder and meat in the
freezer, said D. P. Trent, di-
vision service, Oklahoma
College.

He continued to list—
reduce milk and butter,
buy meat and eggs, and
accounts at the credit
store.

Just one sure way to have
on the farm and that's
"it on the farm," said
Trent. "We produce on the
things that make a good
will simply go without a
that we and our fami-
want to eat.

Produce plenty of feed
to feed our livestock,
a next winter will have
a healthy, bawling cow
sharp-backed hungry
horses and no feed for
all there isn't much that
about it next winter ex-
for more feed loans or
the OERA.

Just much that even the
for a farmer who in-
ing to town every week
hauling back salt bac-
beans, a bucket of lard,
and a bucket of cheap
set before his wife and
Such a farmer sometimes
his children are pale
silly and why his wife is
complaining of a tired feel-

normally without proper feed and why his cows and mules don't keep fat on corn fodder and shucks, but too often he can't understand why he and his family don't keep healthy and happy on an inadequate diet. He also sometimes wonders at the end of the year why it takes all his cotton or wheat to pay an account at the credit store.

"Most farm families in Oklahoma," said Trent, "have learned this lesson and don't need this preaching. But there are still too many farmers who sit on the porch and watch the weeds grow in the garden, who spend their Saturdays spinning yarns on the courthouse lawn and let the fields grow up to weeds, or who spend their time working on an FERA job when they ought to be at home cultivating the crops and making a living. There are too many who fail to provide for the needs of next winter and then complain because the government doesn't provide for them."

Mr. and Mrs. J. W. Wilson and Jim Andy were up from Pampa Wednesday and Thursday. Her mother, Mrs. M. T. Nichols, returned with them.

Mrs. LeRoy Hartman and Verlin and Miss Onnie Paye Garrison returned home Saturday from a months visit with relatives in Wichita, Kans.

Mr. and Mrs. A. K. Wilson and sons, Mr. and Mrs. Mark Boehning and E. L. Whippo were Sunday dinner guests in the home of Mr. and Mrs. E. R. Thurman. In the afternoon Mr. and Mrs. Rex Clark and children called.

Don and Dan Ellis visited from Thursday until Sunday in the Roy Linn home on Wolf Creek.

THIS SCOUT IDEA

From "Scouting" for April
St. Hoskins sez to me, sez he,
"What's all this talk I hear uv
scouts."

"I thought that Dan'l Boone an' sez he,
"Was fingered with the down an' out."

"We hain't got injuns now nor trails,
"Nor wolves nor bears nor cata-
mounts,
"No land to clear, no forests tall

"So we sinit got no need uv scouts."
Sez I, "By heck, I did not know.
"Thet any man could be so dumb.
"This scout idee is fur the boys.
"An' keeps their skulls from gittin' numb.
"It larns 'em how to cook an' eat.
"To keep fur hurt folks, sick er old.
"To make a shelter if it rains,
"An' build a fire if it gits cold.

"It larns 'em plants an' birds an' trees
"An' how their good clothes should be hung.
"The difference 'twixt the flies an' bees,
"May keep the lads from gittin' stung.
"I ain't no hand at tell' things
"But I can see their dern fine plan,
"The hull things in a nut-shet St.
"It larns our boys to be a man."

PANTRY DEMONSTRATION JUNE 20 AT J. H. KEY HOME

Miss Grace Neely, assistant nutritionist of the extension service A. & M. college, was in Perryton Thursday afternoon, June 20, and held a meeting in the home of Mrs. J. H. Key of the Missouri Avenue club for all pantry demonstrators, 4H club girls and their sponsors.

The meeting was opened at 2:30 o'clock with thirty guests present. Miss Neely made very interesting talks on "The Canning Problems," "Arrangement of Storage" and "The Value of Vegetables in the Diet." Miss Ruby Masburn, district agent, Miss Lucille Chance, county home demonstrator, Stinnett, and Miss Manahan, county superintendent of Hutchinson county, Miss Lee and Mrs. Roberson, Stinnett, were out-of-town visitors present.

Others enjoying the afternoon were Miss Marie Ludwick, Miss Joe Brown, Mrs. L. R. Conner, Mrs. Jim Dodson, Miss Mildred Rogers, Miss Rosa Barnes, Mrs. James Hardy, Mrs. Calvin Flowers, Mrs. B. L. Barnes, Mrs. J. H. Kershaw, Mrs. Earl Church, Mrs. Walter Daniels, Mrs. J. L. Flowers, Mrs. W. G. Yearly, Mrs. R. E. Taylor, Miss Clara Copeland, Miss Pauline McGaw, Mrs. C. O. Roach and Mrs. Key.

CLUBS PLAN ALL DAY OUT-ING FOR FOURTH OF JULY

All members of the 4 H clubs of the county, all women of the county home demonstration clubs and their families are planning a big day on the Fourth of July, when they will assemble at an appointed place on Wolf Creek and enjoy the day out-ing.

Each club girl is responsible for three games or contests that the group can enter into and will be required to answer roll call by giving an interesting fact about the history of Ochiltree county or a native wild flower. Make your plans now for the enjoyment of this picnic.

OCHILTREE DEMONSTRATOR HAS FINE LARGE GARDEN

Peach melons, watermelons, tomatoes, and cantaloupes with twenty-six varieties of vegetables make up the garden of Mrs. L. D. Turner, farm food supply demonstrator of Ochiltree Home Demonstration club.

Mrs. Turner has cabbage, tame lamb's quarter, mustard, lettuce, radishes, spinach, carrots, beets, four varieties of beans, four varieties of peas, four varieties of okra, two of squash, cucumbers, peppers and pumpkins.

In addition to poultry products, Mrs. Budock has a vegetable garden with sixteen varieties of vegetables growing such as: lettuce, lamb's quarter, mustard, Swiss chard, cabbage, carrots, stringless green beans, lima beans, English and black-eyed peas, cucumbers, corn, tomatoes, and asparagus.

Herald want-ads bring results.

TOMATO PLANTS NEED ATTENTION OF GROWER

Tomatoes are suckering too much due to recent rains, J. P. Rosborough, extension horticulturist states. The thing to do is to pinch back all except three or four suckers and when these have set a cluster of fruit pinch their tops off so all the strength of the plant will go into development of quality tomatoes.

IMPROVES CLOTHES CLOSETS

To improve her storage space for clothing in her bedroom, Mrs. Thurman Trew, wardrobe cooperator of "4 in 1" Home Demonstration club, has added four shelves to her closet.

Mrs. Trew has improved another bedroom by refinishing the furniture, the floors, and woodwork. To improve storage in this room, Mrs. Trew added to clothes closet a rod for hanging clothes and a compartment for storing magazines.

OCHILTREE CLUB

Mrs. Claude Crouch, Reporter "Follow exactly the mixing directions given in each recipe and remember that all standard measurements are level", stated Miss Marie Ludwick, county home demonstration agent, at the meeting of the Ochiltree club in the home of Mrs. Claude Crouch on Wednesday, June 19.

Miss Ludwick gave a demonstration on bread making by request and all seemed pleased with her suggestions. Club was answered with prayer and the club song. Each member answered to roll call telling something they had gained in wardrobe demonstrations. After business session, a contest was enjoyed. Miss Ludwick won first and Waldeen Dodson, second.

Delicious ice cream and wafers were served to Mrs. H. P. Wilson, Mrs. Masel Cook, Waldeen and Beryl Dodson, and Miss Ludwick, visitors, and Mrs. C. H. McCartney, Mrs. Jack Dodson and Mrs. Crouch members.

The club will meet in the home of Mrs. Jim Dodson on July 3 at 2:00 o'clock for the next meeting. Visitors are always welcome.

FAIRSWORTH CLUB

Mrs. Leslie Willis, Reporter "Be sure and start the garments you will make for the style show in plenty of time so you will not be too rushed at the last minute", stated Mrs. Omar Truax, first year wardrobe demonstrator, at the meeting of the Fairsworth club in the home of Mrs. Leslie Willis on June 12.

Mrs. Truax gave the story of her wardrobe, giving in detail the improvements made and the cost of each. Other members also reported on their improvements. The business meeting was opened with the club song followed by roll call telling "One new thought gained from wardrobe demonstrations."

The members present were Mrs. L. R. Conner, Mrs. Oscar Morehead, Mrs. O. R. Truax, Mrs. Cromwell Rogers, and two visitors, Mrs. J. W. Zirkle and Mrs. C. H. Willis.

The next meeting will be in the home of Mrs. Roger Pearson on June 25 at 2:30 o'clock.

Sell through the want ads.

NEW HOPE CLUB

Mrs. John Budock, Reporter "We help ourselves by helping others" is the motto of the New Hope Home Demonstration Club, which met in the home of Mrs. J. E. Cudd, June 19. Plans for Short Course was the lesson theme but since we are not sending a delegate to short course the day was spent quilting. Two quilts were quilted, one for Mrs. Cudd and one for Lillian Hollingsworth, a non-member.

Mrs. H. G. Riley was elected first year wardrobe demonstrator. Mrs. J. E. Cudd was elected secretary and treasurer. Ms. Fred Furnish was appointed chairman of expansion committee. Mrs. J. E. Cudd reported twelve garments made in expansion work since our last report.

Members present were Mesdames O. E. Carter, Fred Furnish, A. H. Williams, W. G. Yearly, John Budock, Carl Carter, J. E. Cudd, H. G. Riley and G. C. Hampton. Visitors were Mr. and Mrs. E. C. Cudd, Mrs. Oscar Hollingsworth, Lorene Shockley, Cleo Lucille and Esther Cudd, Anna Lee Riley, Glenn Williams, Dorothy Budock, Mrs. C. R. Cudd, Lillian Hollingsworth, Bernice Carter, Eileen McCall and Cloris Beymer of Lakin, Kansas.

The New Hope Home Demonstration Club will meet July 3rd at 10 o'clock in the home of Mrs. Fred Furnish. Visitors are always welcome.

WAKA CLUB

Mrs. Wm. H. Jennrich, Reporter Mrs. D. W. Dunnihoo was hostess to the Waka home demonstration club on Tuesday afternoon, June 18.

Mrs. E. T. Hohman reminded all members to have garden reports ready by June 26 and to begin plans for their canning for the Ball jar contest which will be held in September. Mrs. Marvin Groves, pantry demonstrator, will attend the demonstration given by Miss Grace Neely, nutritionist in the home of Mrs. J. H. Key on June 20.

Those enjoying this meeting were Mrs. Maud Miller, Mrs. J. J. Keim and Billie and Miss Lola Jennrich, visitors; and Mrs. E. T. Hohman, Mrs. Hall Nelson, Mrs. Harry Bishop, Mrs. Wm. Hall, Mrs. H. N. Ell-edge, Mrs. D. W. Dunnihoo, Mrs. Marvin Groves, Mrs. J. R. Stump, Mrs. Wm. Newingham, Mrs. Wm. H. Jennrich and Miss Wilma Coleman, members.

The next meeting will be in the home of Mrs. Harry Bishop in the afternoon of July 2.

BLODGETT CLUB

Mrs. Deta Blodgett, Reporter "When the One Great Master comes to write our names upon the Book of Fame, He'll come not to write whether we've won or lost but how we've played the game". How well this applies to the wardrobe contest which just closed" stated Mrs. Deta Blodgett, council delegate of the Blodgett home demonstration club, to that club at the meeting in the home of Mrs. Vers

Wilbanks on Monday afternoon, June 17.

The Blodgett Club offers congratulations to all the winners in the contest and to the co-operators as well. Everyone cannot win but each one received much benefit from the years work. The dresses and slips showed a marked improvement over last years work. And especially do the 4H club girls deserve much praise.

Mrs. Blodgett has resigned as club delegate to short course. Mrs. Earl Church filled out a six months report of the club work.

Members present for this meeting were Mrs. E. S. Uptergrove, Mrs. J. P. Sims, Mrs. L. W. Austin, Mrs. R. C. Crook, Mrs. J. E. Kenney, Mrs. Earl Church, Mrs. W. M. Deck, Mrs. Ruth Nitschke, Mrs. Deta Blodgett, Mrs. Nellie Wilbanks, and the hostess, Mrs. Versos Wilbanks. We enjoyed the one visitor, Mrs. R. V. Converse.

The next meeting will be July 1 in the home of Mrs. Dan Nitschke.

WAKA CLUB TO MEET

The Waka home demonstration club will have its next meeting in the home of Mrs. Harry Bishop, Tuesday, July 2, 2:00 o'clock. Visitors are always welcome.

VEGETABLES

By Virginia Woodward Perhaps when gardens were planted this year, many of them quite late because of unfavorable conditions earlier in the season, there were queries in the mind of the gardeners as to the outcome. It is remarkable how seeds respond to air and light and water and always there is a bit of mystery surrounding nature's forces.

A tiny lot planting her first garden had misgivings to what the little seeds would do if they were all mixed up. Many of them looked about alike. Mother nature is wise and gives to her children individuality so the little plants were properly fashioned at the coming out party. Lettuce came forth in her frills. The onion which of course belongs to the

lily family came with as stately dignity as its beautiful cousin narcissus. Rosy cheeked radish gave color to the occasion. Saucy mustard gave pep, and cabbage who is cousin to Cauliflower, not to be taken back by the more delicate relative donned inverted folds for her garb, even though scorned by the best society she is still a member of the rose family. What a wealth of color these garden gifts offer to carefully studied menus.

Always new creations are discovered by women who find real interest in food preparation. Many movie stars have contributed delectable dishes to the vast store of tasty combinations. Among them are carrots browned in butter, onion soup, (which, by the way, is just now having its flare at very delightful luncheons and dinners.) It is made by browning the onions slightly in butter and caramelizing with them a bit of sugar. To this add rich milk slightly thickened.

Vegetables contain the necessary vitamins and minerals and should be served generously at all seasons of the year.

Cabbage is given a mild flavor by making it crisp in cold water. Then cut fine and scald for a few minutes in boiling water. Repeat the process. Then, when well drained add more boiling water and cook for twenty to thirty minutes. Season with butter or other fat. A grating of cheese may be added placing in the oven for a few minutes.

So many vegetables are at their best when raw and these warm days call for appetizing salads. Salad vegetables should be carefully chilled and well drained before serving if the crispy crunchy taste is to be enjoyed. No food should be blended with so many heavy flavors that the individuality is lost and so it is best to combine only a few vegetables or fruits at a time where combination salads are desired.

Have you tried dumplings with new peas? One attractive way of preparing this tasty dish is to season the cooked peas with a gen-

erous portion of white sauce. Place in a shallow pan then while quite hot add spoons of drop dumplings. Place in a moderate oven which should be just hot enough to cook without browning. When done add to each a bit of melted butter and for color a dash of paprika.

Eating vegetables will add to the health, subtract expense, multiply the number of tasty dishes and divide the sauce of supply between the home garden and the market.

Mrs. J. A. Sumner her home in Grand Prairie after a month home of Mr. and Mrs. Kent.

Mrs. W. H. Lane June and Joyce, left Higgins where they week in the home of mother, Mrs. Walter girls had their tons Saturday.

Drive far—drive fast —without a worry!

With Conoco Germ Processed Oil in your crankcase, you KNOW the strain won't hurt your motor!

Tests prove this new alloyed oil has 2 to 4 times greater film strength than plain mineral oils and resists heat better!

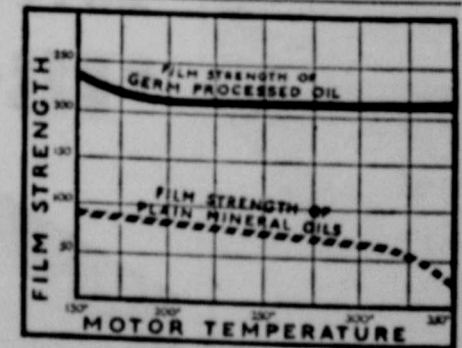

On July 4th or week-end and vacation trips, you'll want to drive far and get there in a hurry. And you *don't* want that nagging worry of "I wonder if this speed and heat will hurt anything in my motor."

You can't always be sure when you use plain mineral oils, for they have little film strength and oils over-refined by new cleansing processes have even less. Moreover, as motor heat goes up, these oils rapidly lose film strength.

Film strength is the load-carrying ability of an oil, the quality that keeps bearings and cylinders from wearing out. Lack of film strength results in costly damage.

You can drive without a worry when you use Conoco Germ Processed Motor Oil! It has 2 to 4 times greater film strength than any plain mineral oil. Heat does not lessen this advantage.*

Supervised road tests—over good and bad roads, at low and high speeds, in all kinds of weather—give practical proof that Germ Processed Oil pro-

CONOCO GERM PROCESSED MOTOR OIL PLAIN MINERAL OILS

*HERE'S THE PROOF

Note that as heat increases, the plain mineral oils continue to lose film strength, but that above 225° (Minimum Summer crankcase temperature) Germ Processed oil's film strength is not affected by heat. Tests made with Timken machine.

tests motors better. In every test, metric measurement of motor bearings showed that Germ Processed Oil vented wear far better than plain mineral oils. Tested in a fleet of equipped with the new alloyed bearings used in many 1935 cars, high-quality plain mineral oil admitted 45% more wear on connecting rod bearings than did Germ Processed Oil.

Conoco Germ Processed Motor Oil is the first alloyed oil—alloyed, as metals are, by adding concentrated oily essence to highly refined oil. It is the only oil made by the Germ Process that stays up in your motor and never drains away!

Say "O. K.—Drain"—fill with Germ Processed Oil. Drive far—drive without a worry!

Minister Perryton
Of Christ

June 30, 1935
Rom. 14: 13-21; 1

Notes of Stumbling
Blocks?

The world to help, not
to hinder.

Unselfishness
is the key.

Warning must be
given.

Peace is a priceless possession.

What great powers are brought to
bear when a great united band

moves forward as one man. How
great that confidence begotten when

love, goodwill and truth prevail.

The things that make for peace
are those items included in God's

word. This word is complete and
perfect and thoroughly furnishes the

man of God unto every good work.

If we walk in its precepts, abide by
its rules and lovingly embrace its

precious promises, we will be happy.

Peace will reign within those noble
ranks.

IV. Review Suggestions

Of the twelve lessons previously
studied, how many lesson subjects

can you name from memory? How
many memory verses?

Review questions:

1. What question from Philip sug-
gested a great sermon for Jesus?

2. Who is the Spirit of Truth, and
what was His mission to be?

3. What is the great test of love
for Jesus?

4. In what sense did Jesus empty
Himself for men?

5. Quote the "golden text of the
Bible".

6. What tributes did David and
Paul pay to the word of God?

7. What is the sin of presumption?

8. Relate the story of the Prodigal
Son. Draw lessons. Who was the

"elder brother"?

9. Define the church from the
Bible standpoint.

10. List the great truths with
which you have become acquainted

in these twelve lessons.

CHRISTIAN SCIENCE

"Christian Science" is the subject
of the Lesson-Sermon which will be

read in all Churches of Christ,
Scientist, on Sunday, June 30.

The Golden Text is: "Now is come
salvation, and strength, and the

kingdom of our God, and the power
of his Christ" (Revelation 12: 10).

Among the citations which com-
prise the Lesson-Sermon is the fol-

lowing from the Bible: "He sent his
word, and healed them, and deliv-

ered them from their destructions"
(Psalms 107: 20).

The Lesson-Sermon includes also
the following passage from the

Christian Science textbook, "Science
and Health with Key to the Scrip-
tures" by Mary Baker Eddy: "Ac-

quaintance with the original texts,
and willingness to give up human

beliefs . . . open the way for Chris-
tian Science to be understood, and

make the Bible the chart of life,
where the buoys and healing cur-

rents of Truth are pointed out . . .
Divine Science derives its sanction

from the Bible, and the divine orig-
in of Science is demonstrated

through the holy influence of Truth
in healing sickness and sin" (pages

24 and 146).

"Scatter Sunshine with Greeting
Jards". A card for every occasion
at Stewart Printing Co.

Her Life Saved by an Eye-Dropper

Three days old and with a mother not well enough to nurse her, this baby monkey at Atlantic City was saved from death by the patient care of a menagerie superintendent. A special preparation of baby food and milk was fed the infant with an eye-dropper, and in a month she will be ready to be returned to her mother.

BOYD, OKLA. ITEMS

Mrs. J. H. Pierce, Reporter

We are having real summer
weather now and getting quite dry.

Mrs. L. H. Seaton and daughters,
Misses Lovella and Edith, visited in

the home of Mrs. J. H. Pierce, Tues-
day. In the afternoon, they went

shopping in Perryton.

The Boyd Club women met Wed-
nesday, June 19th, with Mrs. Lela

Peters in a work day. Nine members
and three visitors were present. Con-

siderable work was done on two
quilts, but neither was finished.

Sunday, June 23, the home of
Mr. and Mrs. W. A. George was the

scene of a very happy occasion when
their relatives and friends assem-
bled with well filled baskets to ob-

serve the family reunion. Two
sons, Richard and Don, were home

on their vacation so it made a very
appropriate time for such a reunion.

The one hundred and twenty five
guests were: Mr. and Mrs. Richard

George and son, of Pomona, Calif.,
Donald George of San Diego, Calif.,

U. S. S. Arizona; Mr. and Mrs. R.
H. Hood and family of Colorado; Mr.

and Mrs. Paul George and family,
Perryton, Texas; Mr. and Mrs. Joe

Schollenbarger and family, Perry-
ton, Texas; Mr. and Mrs. F. P. Neill

and family, Dombey; Mr. and Mrs.
Geo. Gilbert and family; Mr. and

Mrs. Roy Schollenbarger, Shattuck,
Okla.; Mr. and Mrs. Wm. George

and family; Mr. and Mrs. J. E.
Shorb, Gate, Okla.; Mr. and Mrs.

W. L. Shorb and daughter, Turpin;
Mrs. G. A. Nylund, Gate; Mrs. C.

W. Mosher, Gate; Miss Harriet Cow-
an, Beaver; Calvin Cowan, Mr. and

Mrs. Perry Robinson, Mr. and Mrs.
T. M. Cowan, Mrs. Dowers and fam-
ily, Mr. and Mrs. I. P. Henlin and
family, Mr. and Mrs. N. N. Stanley,
Miss Velma Claybrook, Miss Mam-
mie Hoffman, Campo, Colo.; Miss
Bethena Spears, Godwell; Mr. and
Mrs. Gene Trimmell, Mrs. J. G.
Trimmell, Miss Nellie Trimmell,
Miss Ethel Kulow, Miss Edith Seat-
on, Mr. and Mrs. Adrian Nolder and
family, Mrs. E. K. Gates, Mr. and
Mrs. Geo. Schollenbarger, Mr. and
Mrs. R. H. Peters and family, Mr.
and Mrs. Wayne Peters, Mrs. Ed
Claybrook, Miss Effie Neill, Mr. and
Mrs. C. F. Gates, Mr. and Mrs. A.
G. Daniel and family of Perryton,
Jim Miller, Mr. and Mrs. W. H. Wil-
lams, Jack Heckworth, Jewell Rob-
erts, Jessie Giff, Mr. and Mrs. J. H.
Pierce, and Mr. and Mrs. J. H. Price.

TWICHELL ITEMS

Geddes Morris, Reporter

Mrs. Walter Stollings and David
called in the Milton Sweigart home,

Thursday.

Mr. and Mrs. Elmo Green visited
in the home of Mr. and Mrs. L. L.

McGarraugh, Thursday evening.

Mr. and Mrs. O. A. Gibson spent
Sunday afternoon in the Ollie Mor-

ris home.

Callers in the R. J. Barlow home,
Tuesday afternoon, were Mrs. K. C.

Troper and children, Mrs. Walter
Stollings and children, Mrs. Harry

Barlow and Patsy and Mrs. Harry
Nail.

Nellie Stollings spent Thursday
with Neva Morris.

Miss Ruby Wahl of Bethany, Ok-
la., was a guest in the L. L. McGar-

raugh home, Sunday night.

Mr. and Mrs. Milton Sweigart
were in Guyton, Okla., Sunday, vis-
iting in the home of her parents,
Mr. and Mrs. F. J. Kauffman.

Mr. and Mrs. Roy Gibson of Borg-
er spent Monday and Tuesday in the

ALFALFA ITEMS

Jakie Jackson, Reporter

Misses May Linn and Beth Lov-
ett were visitors last week in the
home of their sister and cousin, Mrs.
Bill McLanahan.

Misses Jackie and Pauline Calli-
ham entertained a group of friends,
Friday night, with a shumber party.
Those enjoying the affair were
Misses May Linn and Beth Lovett,
Perryton; Mary Helen Lawrence,
Canadian; Juanita Renfro, Gerl-
dine Freeman, Jakie Jackson and
the hostesses.

Mr. and Mrs. Val McLanahan are
in Austin at the present, visiting
relatives.

Miss Lactea King was a Sunday
visitor in the home of her brother,
Oliver King.

Geo. Jackson and son Pud and
Jack Elzey helped L. F. Guffey

brand calves, Wednesday.

Misses Mary Helen and Tootie
Lawrence were house guests of Miss
Geraldine Freeman, this week.

The Home Demonstration Club
met Wednesday in the home of Mrs.

W. L. Herndon Jr.

Miss Lila Jackson was a visitor
the latter part of this week in the
Waxahatchie.

FIRST METHODIST CHURCH

W. B. Vaughn, Pastor

We enjoyed good services in all
departments last Sunday. Some
faces were missing but we hope to

see them next Sunday. The Liv-
ingston Class led the whole school
in attendance. Wonder who will

lead next Sunday? Will you help
to make it yours?

Sunday school 9:45 a. m. Preach-
ing 11 a. m. and 8:30. Young peo-
ple at 7:45 p. m. We welcome vis-
itors to all these services.

The Vacation church school closes
this week with a program at the
church Thursday night.

The Young Peoples Union will
meet Friday night with the Perry-
ton young people.

There are several churches in this
union and there will be a good num-
ber from each.

YOU ALWAYS GET BETTER QUALITY AT NO HIGHER PRICE WHEN YOU BUY A FIRESTONE TIRE WITH FIRESTONE NAME AND GUARANTEE

Tires may look alike on the outside, but on the inside where blowouts start, they are different. Firestone Tires are made blowout-proof by Gum-Dipping, a patented extra process which soaks every cotton cord and insulates every strand with pure liquid rubber. In fact, every 100 pounds of cotton cords absorb eight additional pounds of liquid rubber. This special process prevents internal friction and heat, the main cause of blowouts. No other make of tire is Gum-Dipped, yet you pay no more for Firestone blowout-proof protection.

The make of tires you buy for your car becomes a matter of vital importance when you realize that in 1934 alone 43,000 accidents were caused by blowouts, punctures and skidding.

Firestone High Speed Gum-Dipped Tires hold all world records on road and track for safety, speed, mileage and endurance — undisputed evidence that Firestone Tires are not only blowout-proof but give greatest protection against skidding.

THERE ARE THREE QUESTIONS AND ANSWERS THAT WILL SOLVE YOUR PROBLEM OF WHAT TIRES TO BUY

1 "Will the tread give me the greatest traction and protection against skidding?"

Recent tests by a leading University show that Firestone High Speed Non-Skid Tires stop a car 15% quicker than any other of the leading makes.

For eight consecutive years Firestone Tires have been on the winning car in the dangerous Pike's Peak Race where a skid means death. This is undisputed evidence that Firestone gives car owners greatest protection against skidding.

2 "Are they blowout-proof?"

Firestone Gum-Dipped Tires have the most amazing records for being blowout-proof of any tires ever built. In the grueling 500-Mile Race at Indianapolis, May 30th, every one of the 33 cars was equipped with Firestone Gum-Dipped Tires. Kelly Petillo won the race and broke the record over this 26-year-old rough brick track without tire trouble—in fact, not one of the 33 drivers had tire trouble of any kind.

Ab Jenkins drove his 5,000 pound car on Firestone Gum-Dipped Tires over the hot salt beds of Utah, 3,000 miles in 23½ hours, at an average speed of 127.2 miles per hour, with temperatures as high as 120°, without tire trouble of any kind. These are most amazing proofs of blowout protection ever known.

3 "Without sacrificing these two important safety features will they give me longer mileage, thus making them the most economical tires I can buy?"

Firestone High Speed Tires not only give you more than 50% longer wear, but also lowest cost per mile. This is made possible by the tough, wear-resisting tread built with higher shoulders and a wider, flatter contour. This thick, rugged, scientifically designed tread is held securely to the Gum-Dipped cord body by Firestone's patented construction of two extra layers of cords under the tread. This is a special construction feature not used in any other tire. Unequalled mileage records by thousands of car owners add undisputed evidence of the longer wear and greater economy of Firestone High Speed Tires.

WPA PROGRAM

(Continued from page 1)

of the total federal funds required; that the federal expenditure per man-month be kept low so that employment can be given to as many persons as possible; that workers from relief rolls constitute at least 90 per cent of the total number of persons working on the project. This should be tentatively determined by consulting county relief officials.

If this analysis of the project shows that it fails to meet these conditions, sponsors should confer with the local Works Progress Administration officials, who may assist by suggesting change of design, specifications, or other items in the proposal. Alternations as a result of these suggestions should make the project suitable for more detailed presentation and save much time on a detailed later study.

As has been previously announced, the nation was divided into four regions for the establishment of the earnings of workers on these projects. Texas was included in the third region in which salaries will range from \$21 per month for unskilled work in rural areas to \$75 per month for professional and technical work in the larger urban areas.

For the purpose of estimating labor or costs of projects, labor will be classified under four types:

First, unskilled work will include manual labor for building and construction laborers, janitors, caretakers and the like, and non-manual work for messengers, errand boys, etc.

Second, intermediate work to be provided for such manual workers as truck drivers, blacksmiths and machinists' helpers, and non-manual work for typists, stenographers, calculating machine operators, etc.

Third, skilled work will cover manual labor for carpenters, brick layers, machinists, electricians, and other skilled workers, and non-manual work for laboratory technicians, secretaries, bookkeepers, etc.

Fourth, professional and technical work will cover the field of professional, scientific and technical types of employment as well as work in recognized fields of art.

Employees under this schedule of monthly earnings will work not more than 8 hours a day or 40 hours a week.

Those ineligible for employment in the program include: (1) persons under 16 years of age; (2) persons whose age or physical condition makes employment dangerous for them or endangers the health of others; (3) persons who are currently serving sentence in a penal or correctional institution.

Those taking such jobs as cantankerous, sour, tricky and dangerous to come anywhere near describing the collection of animated high explosives which will pass for livestock at the Anvil Park rodeo, July 3, 4, 5.

For miles around the country has been gone over with a fine tooth comb to secure only the outstanding bucking horses, the livest rubber-necked bovines, and the fleetest footed, fighting, Brahma calves.

No rodeo is better than its livestock. The Anvil Park Rodeo committee, fully realizing this, has something to offer its guests which will require no apology.

Time and patience has entered into securing the cream of this territory in bucking horses. When the bronc riders come out of the chute astraddle one of the Anvil Park Rodeo bucking horses they will think they are riding a bad case of delirium tremens with more action than a flea with the St. Vitus dance.

The long horned steers have been shipped in from the badlands of Mexico. Big powerful fellows with long, sharp pointed horns which they too well know how to use, are a test for any contestant to bull-

dog. It is far different bulldozing the usual size rodeo steers and these critters which can stay on their feet even after the dogger has tried to put seven turns in their swive-pointed necks.

All contestants know that the lean, lanky Brahma calves top all other breeds for being difficult to hase into a two-foot loop when they are speeding over the ground like an antelope.

The association owns all its livestock, including the big Brahma steers used in the steer riding event. In order to get the talent, it is necessary to hold a three day rodeo. A liberal prize list is put up, insuring good contestants in all events. The last day, July 5 is quite important, being the final in all events, where the cowboys put forth all their energy to get into the final money.

A group of Indians have been secured from the Cherokee reservation in Oklahoma, and they will be here with their tents, tepees, and trappings. They will give a tribal dance in front of the grandstand each day just following the grand entry.

Miss Mildred McFarland returned Saturday from a two weeks visit with relatives at Dodge City and Wichita, Kans. She is employed at the Venus Beauty shop.

Mr. and Mrs. Claud Allen and children were Sunday visitors with relatives in Guyton, Okla.

Jack Dull is spending the week in Amarillo.

CELEBRATION AT BORGER FOURTH

JUNIOR CHAMBER OF COMMERCE SPONSORING RODEO, BASEBALL, DANCES AND FIREWORKS SHOW

With aggregations coming from cities all over the Panhandle the Fourth of July Rodeo and celebration, under the auspices of the Borger Junior Chamber of Commerce is expected to draw one of the largest crowds in the history of celebrations in the Panhandle.

Rotarians, Kiwanis, Chamber of Commerce, and Junior Chamber of Commerce members are invited to a massed luncheon at 11 o'clock in Borger on the Fourth. Clubs from many towns have signified their intentions of having their regular weekly luncheon in Borger. There will be over 600 civic club members present.

The program for the celebration consists of 24 hours of entertainment featuring a ball game, a complete rodeo with contestants from all over the state, dances beginning at 4 o'clock the morning of the Fourth, a cowboy parade, a county fair, and fireworks after the night performance of the rodeo.

Good orchestras will play for the dance. An arena master, Milt Good, will control the rodeo.

The best stock in the Southwest has been contracted for the rodeo. Ginger, a loose rope horse which has never been ridden, will be featured. Prizes to contestants are on a par with those of any rodeo in Texas.

Mayor John R. Miller has signified his intention of turning the city over to the guests. There is plenty of room for all. Borger is ideal for a western celebration, as it is surrounded by such ranches as the 6666, the LK, the Whittenberg double M, the Double Circle and the famous Hat brand. Borger has many residents who have helped handle thousands of cattle at one time.

There will be cowgirls on the list of contestants. At the night performance of the rodeo, a cowgirl will build a Brahma steer from an automobile.

Milt Good, famous in rodeo circles, will give one of the best entertainments money can arrange. Details of the rodeo may be obtained by writing the Junior Chamber of Commerce, Borger, Texas.

Sunday dinner guests in the Audie Conley home were Mr. and Mrs. J. B. Phipps, Fort Worth, J. B. Phipps Jr., Pampa, Mrs. J. N. S. Webb, Chillicothe, Mr. and Mrs. J. B. Conley and Mr. and Mrs. L. H. Lance.

Mr. and Mrs. T. R. Stewart and family, Mr. and Mrs. Glen Terhune had children, Guy Allen and J. B. Terhune left Tuesday morning for a weeks vacation in the Cimmaron canyons in New Mexico.

Mr. and Mrs. R. H. Moore and Robert came in Monday from Si-loam Springs, Ark., and will spend the summer in Perryton.

Mrs. Nina Buckland visited Sunday and Monday with her parents and other relatives in Liberal, Kans.
