

Cotton Crop Prospects Good in Dodson Area

Open bolls of cotton at Dodson were reported this week by Ed Crowder, manager of the Farmers Co-op Gin, who predicted a crop equal to that of last year — if there are no more setbacks.

The open bolls are well matured and not burned, he said, adding that he was expecting a few bales to be ginned during August.

Leaf spot is hurting cotton a little. This started during the wet weather, but it has continued during dry weather, a condition that is also causing plants to throw off a few bolls.

"The late cotton is progressing more than we ever thought it would," Crowder said, referring to cotton planted after damage by the electrical storm.

Cotton not replanted, but damaged by that storm, is doing very well, he added.

"It sure has changed in the last two weeks. And strange as it may seem, we will need rain right away. Two weeks ago we said if it didn't quit raining, we wouldn't make anything. Now everyone with an irrigation well is watering," Crowder continued.

With favorable conditions, he predicted Dodson would gin around 6,500 bales this year.

Two Wheatheart Candidates to Compete Friday

Miss Varue Sweat and Miss Kaye Peebles will represent Wellington in the annual Wheatheart Contest in Perryton Friday, August 15, N. M. Higdon, Chamber of Commerce secretary, has announced.

Miss Sweat, daughter of Mr. and Mrs. Rufus Sweat, was chosen Miss Wellington during the last school year. She will be a senior in high school this year.

Miss Peebles was runner-up in the Miss Wellington contest. The daughter of Mr. and Mrs. Ray Peebles, she will be a sophomore this year.

Wellington has had one winner of the Wheatheart contest, Fayetteen Peebles, who is a cousin of Kaye Peebles.

Baptist Church Revival Opens

Revival services will open at First Baptist Church Sunday, August 17, and continue through the following Sunday, August 24, the Rev. Russell Pogue, pastor, announced this week.

In charge of preaching will be Rev. J. H. Wright, pastor of First Baptist Church, Grand Prairie, one of the outstanding pastors and evangelistic preachers of his area. V. F. Forderhase, secretary of the Church music department of the Baptist General Convention of Texas, will lead the music.

Services will be at 10 a. m. and 8 p. m., and the public is invited, Rev. Pogue said.

Wolf Youth Breaks Leg

John Wolf, 15-year-old son of Mr. and Mrs. Bill Wolf, received a broken left leg Wednesday, August 5, at noon in a one-car wreck a half mile south of Loco post office. He had been plowing in a near-by field and was going home for lunch.

The youth lost control of the car, which plunged in a deep bar ditch, throwing him out.

The car, a 1954 Dodge, was a total loss.

Wolf is a patient in St. Joseph's Hospital.

Carolyn Odom Out of Hospital

Little Carolyn Odom, four year old daughter of Mr. and Mrs. Elmer Odom, was released from the hospital in Oklahoma City Friday. She was confined a week with head injuries sustained by a mower lift falling on her head.

Commissioners Take Action on Water Damage to Roads

County commissioners, meeting Monday, August 11, warned landowners against allowing water from terraced fields to run onto county roads, and passed an order requiring that full water blocks be installed on all terraces ending at a road.

This action was taken, Judge R. L. Templeton said, following damage to county roads from terraces run-off water after recent rains.

In other action, the commissioners discussed the proposed 1959 county budget, but deferred action until Thursday, August 14, after Judge Templeton became ill and had to leave the court.

Only one taxpayer attended the open budget hearing, James Donaghy.

The commissioners met with two other property owners, Austin O'Neil and Robert Baxter, regarding taxing of gas wells on their land, and the court then agreed to request J. Wed Davis of Thomas Y. Pickett Company, which worked out the oil and gas renditions, to return to Wellington and explain these to dissatisfied owners of gas properties.

In other orders the court passed orders closing one mile of road near Dodson; set the tax rate of Road District No. 1 at 40c per \$100 valuation; accepted an offer of \$32 for two boilers at Samnorwood; and appointed Cortez Barnett to act as presiding officer after Judge Templeton became ill.

In another order, the court moved to issue time warrants amounting to \$1,167.50 to Cicero Smith Lumber Company for improvements on the county library.

The current budget was amended within the road and bridge account \$1,000 to be transferred out of the fuel and oil account, to be divided as follows: \$600 to material; \$200 tires and \$200 miscellaneous. \$330 was transferred from

Two Hurt in 3-Car Accident

Two men were painfully injured and a car and a new station wagon marked off as total losses Saturday, August 9, about 10 p. m. when the car went out of control, and crashed into the parked station wagon belonging to Rev. J. E. Taylor, parked in front of the First Baptist parsonage. It then veered across the street and hit a parked station wagon of Mr. and Mrs. J. M. Strong, Police Chief Jack Brisbin said.

The accident occurred in the 900 block on East Avenue. Treated at St. Joseph's Hospital were Dale Lockhart, 24, who had a broken right collar bone, cuts and abrasions; and Johnny Brock, 22, driver, who was cut and bruised.

Lockhart was thrown out of the car when it struck the Taylor station wagon, and Brock when it hit the Strong vehicle.

The station wagon, with only 202 miles on the speedometer, and Brock's car, a 1957 Ford, were total losses, Brisbin said. Rev. and Mrs. Taylor have been living in a trailer house parked at the Baptist parsonage and will remain here during the fall to work with migrant laborers.

Deputy Sheriff Kenneth Hodges assisted with the investigation.

HOLD REVIVAL

Two church leaders of the Dallas area will be in charge of the Revival opening Sunday at First Baptist Church. V. F. Forderhase, left, secretary of the church music department of the Baptist General Convention of Texas, will conduct the singing, and Rev. J. H. Wright, pastor of First Baptist Church, Grand Prairie, will preach.

A SNAKY EXPERIENCE

Three rattlesnakes—two of them nearly as long as he is tall—were killed recently by Eddie Riley, son of Mr. and Mrs. Buford Riley at a farm home near Wellington. Largest of the snakes measured 54 inches. The youth located them underneath the house and crawled under to kill them.

Classes Begin Sept. 1

Registration Opens In City Schools Mon.

Bill Miller, band director of Hobbs, N. M. high school, has been hired to direct the bands here, Supt. Bennett Goodloe announced this week. He replaces Doyle McElroy, who went to Needville.

Mc Odell, 26, of Watonga, Oklahoma, was elected assistant football coach Tuesday afternoon, M. L. Burks, high school principal, announced.

Odell was a member of the Watonga high school team which won the Oklahoma state championship in 1949, and that same year he was chosen all-state tackle.

He played freshman football with the University of Texas, then transferred to Cameron Junior College, Lawton, where he was named on the Little All-American Team.

For the last two years he was on the starting lineup of Oklahoma State University, Stillwater.

His wife, Mary Lou, is from

Duncan, Okla.

Mrs. Mildred Little, who formerly taught commercial work, will return to that place, upon the resignation of Mrs. Calvin Adcock.

M. L. Burks, high school principal, also announced a change in the registration procedure for this year. Beginning Monday, August 18, high school students may register at any time through Friday, August 29. Classes will begin Monday, September 1.

Miller, who also is former band director at McLean and Hereford, was reared at Borger and received his bachelor's degree from West Texas State College, and his master's from the University of Arlington. Thirty-two years old, he has had 10 years experience teaching band music. He is married and his wife also has taught. They are active in the Methodist Church.

In taking the band director's place here, Miller told Supt. Goodloe that he felt Wellington was a good place in which to settle down. Other high school assignments include Danny Garcia, agriculture; math, Bill Clark; government, and Texas history and basketball coach

Gene Bairs Teach in Calif.

Mr. and Mrs. Gene Baird will teach this year in the Newark, Calif., schools, where she will be a first grade instructor and he will teach in seventh or eighth grade.

They will live at 2900 E Street, Hayward, Calif. This is in the San Francisco Bay area.

Last year they taught at Mayer, Arizona, a lumber town in which they had white, Mexican, Indian and Negro children as students.

Baird was graduated from Wellington high school and both received degrees at West Texas State College. He is the son of Mrs. Lucille Baird.

L. H. Wolf, 67, Prominent Loco Farmer, Dies

L. H. Wolf, 76, farmer and stockman in the Loco community since 1925, died of a heart attack as he stood on the front porch of his home Saturday, August 2, at 2:40 p. m. after talking with a son, Bill Wolf.

The latter had left his father but at the front gate turned and saw that Mr. Wolf had collapsed. He suffered from a heart condition several years, but for the two weeks preceding his death felt unusually well, and had plowed in his field on the morning of his death.

Funeral services were held at Coley Memorial Chapel in Hollis Sunday, August 3, at 3 p. m., with the Rev. Frank Weir pastor of First Methodist Church, Wellington, and the Rev. Mr. Hill, pastor at Hollis, officiating. Pall bearers were W. M. Durey, L. A. Sachse, L. C. Leathers, Frank Campbell, Herchel Mayhugh and L. M. Bartlett. Burial was in the West Wellington Cemetery, with Kelso Funeral Home in charge of local arrangements.

Luther Henry Wolf was born July 1, 1882, in the Indian Territory, near the present site of Claremore, Oklahoma. He was the son of the late Mr. and Mrs. John Wolf.

He spent his early years working in lumber camps and saw mills, and in construction work in East Texas. His father was an early day bridge contractor.

Mr. Wolf was married to Miss Mary Lou Storey in 1906 and one child was born to them, now Mrs. Ann Cooley of Los Angeles. Mrs. Wolf died in 1909.

He was married to Miss Gertrude Storey, a cousin of his first wife, on June 1, 1912, at White Rock, and nine children were born to them.

Mr. Wolf had been a member of the Baptist Church since he was 16 years of age.

Surviving are his wife and these children: Mrs. Cooley of Los Angeles; Mrs. Ottilie Hall of Crane; Mrs. Margaret Morris of McAdoo; Mrs. Zona Barnes of Lubbock; Mrs. Neva Jo Mumford of Pampa; Mrs. Juanell Allison of Olney; John Wolf, Bill Wolf and Henry Wolf of

Man Stabbed in Family Affray

Herman Kilgore, Negro cafe operator in the flats, was stabbed in the right leg below the knee, and his wife was charged in county court with aggravated assault as the result of an altercation in the cafe Saturday, August 9, about 2 p. m., Deputy Sheriff Kenneth Hodges reported.

The man was stabbed with a butcher knife having a six-inch blade, Hodges said. Inquiring about the location of the wound, the deputy sheriff was told the man was trying to step on his wife.

Car Stolen in Daylight Move

Investigating officers have no leads on the 1952 dark green Chevrolet 4-door sedan stolen from Jay's Drive-In between 2 and 6 p. m. Sunday, August 10, Deputy Sheriff Kenneth Hodges said last Tuesday.

The car belonged to T. F. Holley and was driven to the cafe by his daughter, Mrs. George Howard, an employee there.

The key was not in the switch, but was left over the sun visor, Hodges said.

Mrs. Howard did not miss the car until she left work at 9 p. m., but other employees said it was not there when they came on duty at 6.

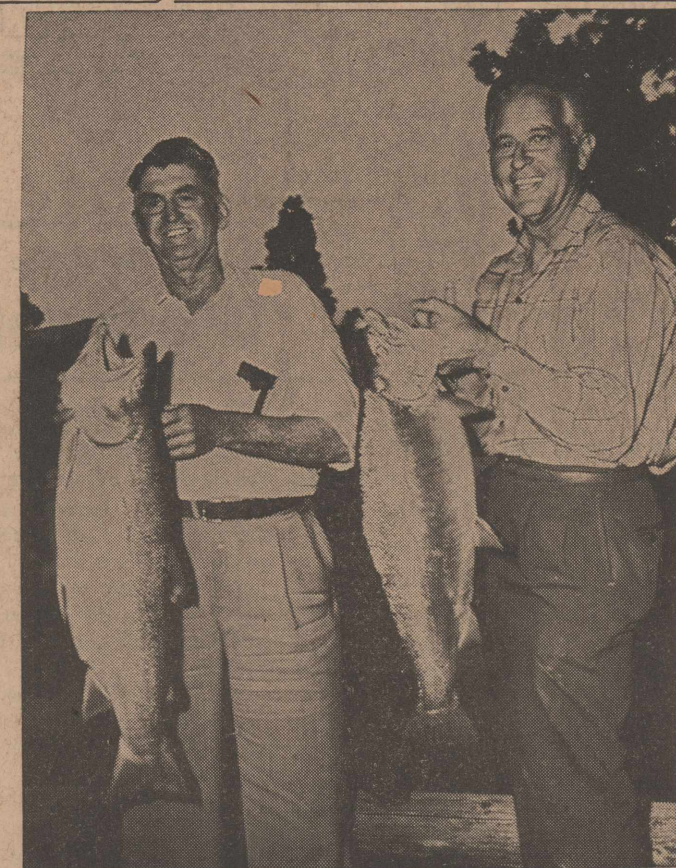

Hood to Teach at Pringle

Floyd Marvin Hood, one of the top athletes the Rockets have produced, will teach in the Pringle Elementary school for the coming year.

He has completed three years at Texas Tech, where he played two years of football until a back injury forced him to drop that sport. Between high school and college, Hood served in the Marine Corps.

He is married and has two small children.

Fund Drive Opens for St. Joseph's Hospital

FISHING'S GOOD

Lake Pend Oreille, Idaho, provided the fishermen's dream for Mish Dukeminier, left, and Goldwyn Milner of Hereford, formerly of Wellington, in a single afternoon recently. Dukeminier holds the 18½ pound Dolly Varden trout and Milner a Rainbow trout that weighed 18 pounds. These fish were caught within two and a half hours. The Texans are at Talache Lodge, Sand Point, Idaho. The Milners have a summer home there, while this is the second summer Mr. and Mrs. Dukeminier have vacationed there.

Competition Open

Name Farm Bureau Queen on August 9

The 1958 Collingsworth County Farm Bureau Queen will be chosen August 29, when some lovely miss will seek to match the title of last year's winner, Vada Bell, who was area queen as well and participated in state competition.

Mrs. Dudley Phipps, office secretary, this week announced women from the various communities who will help with the Queen Contest. Mrs. Monty Mitchell and Mrs. John Carson will assist from Quail; Mrs. W. R. Breeding, Samnorwood; Mrs. Bynum Hightower and Mrs. T. E. Lennon, Dodson, and Mrs. Paul Bell and Mrs. Les White, Wellington.

Miss Bell will assist with the contest, although she will not be a contestant.

Three girls already have entered the Queen contest, all recognized Wellington beauties.

Varue Sweat, already has been chosen Miss Wellington, and last year she placed third in the Wheatheart contest at Perryton.

Elouise Bowen is a former winner in the Miss Irish Rose Contest at Shamrock and is a twirler with the Skyrocket Band. Sherrie Smith, youngest of the three, was one of the five finalists in the Miss Wellington contest.

Any young woman who is a daughter or sister of a farm bureau member may enter the Queen contest, provided she is between the ages of 16 and 22 years on September 1, and is unmarried.

Chairmen Named

Art Exhibit, Flower Show Added to Fair

Flowers and fine arts will add a colorful feminine note to the county fair Friday and Saturday, September 5 and 6, N. M. Higdon, assistant superintendent, announced this week.

General chairman of this entire section is Mrs. Chester Fires, representing the City Federation of Women's Clubs.

Flowers

Mrs. Bess Owens, chairman of the flower department, announced 14 classes in the cut flower department. Leading the list is roses with division for hybrid teas, radiance, polyantha and florabunda roses. There are a variety of colors listed in each of these. Other classes include dahlias, cockscomb, plumed celosia, zinnias, asters, petunias, snapdragons, verbenas, periwinkles, marigolds, straw flowers, cosmos and unclassified.

There will be other divisions for potted plants — African violets, flowering plants now in bloom and foliage plants — and for arrangements.

Art

The art exhibit will include divisions on both painting on oils and

china painting. Only amateurs will compete, and no work may be entered for competition that has been in competition previously.

Raburn Scores for North Texas

Randall Raburn scored 7 of the nine free shots in the annual Texas high school All-Star basketball game in Houston Friday, August 8 — a game in which the underdog North team defeated the South 53 to 49.

The game was played during the annual meeting of the Texas high school coaches Association, and 5,227 fans almost packed the Rice University field house to see the classic.

The South was a 17-4 choice in the pre-game poll by sports writers, but the favorites trailed most of the way. The North team led 11-10 at the end of the first quarter, 27-22 at the half and 41-37 at the third.

Raburn was picked for his outstanding record this year with the Rockets.

A county wide drive for funds for St. Joseph's Hospital is under way, sponsored by the Chamber of Commerce, and aimed at putting that valuable service institution on a current operating basis.

The opening of a drive revealed to the public for the first time a situation brought on by the seven years drouth, the large amount of charity work done, at St. Joseph's and the fact that in this period, there have been many accounts the hospital cannot collect.

"Approximately \$6,000 is needed to clear all debts of the hospital and from that point it will be able to operate on its own," according to George Shadid, drive chairman.

If this financial situation cannot be met, Wellington area faces the possibility that its superior hospital facilities, known throughout the southwest, may be curtailed or that the Dominican Sisters who operate it may have to withdraw, Shadid revealed.

"This is the first financial appeal ever made in behalf of the hospital," Shadid said. "The thing we want to bring out is that no donation is too small — a dollar will help."

The two Wellington banks and Chamber of Commerce will receive donations, and these donations are tax deductible.

To make the situation clear Shadid brought out these facts.

St. Joseph's Hospital is a non-profit hospital, and all funds taken in remain here except approximately 10 per cent, which the Dominican order uses for training additional nurses.

The present financial situation was brought about by the cumulative effects of charity work and hospital care never paid for by the patients. Many of these were desperately in need of hospitalization and although they were not classed as charity patients, they cannot or have not paid their bills. Some are transients, without permanent addresses.

Through the 20 years the Dominican Sisters have operated the hospital, it has been improved continually. This was climaxed in December 1955, when the hospital received a \$10,000 grant from the Ford Foundation, designated for

Lawrence Takes Hawley School Principal's Job

Resignation of Mr. and Mrs. Thomas Lawrence from the Samnorwood faculty was announced this week by Supt. Orville Cunningham, who at the same time set Monday, August 18, as the opening date for school.

Mr. Lawrence, high school principal, will be principal of Hawley high school near Abilene. He will also do graduate work at Hardin Simons University. At the same time he resigned from the faculty he resigned as pastor of Samnorwood Baptist Church. The couple plans to enter foreign mission work of the Southern Baptist Convention, and he must complete work on his master's degree within the next two years.

Don Ward, grade school principal, was made high school principal to succeed Lawrence, and will continue as coach, Cunningham said.

Mr. and Mrs. Robert Dwight were elected to the faculty, and he will be elementary principal and she will teach.

In preparation for the opening of the term, a faculty meeting will be held Saturday, August 16, at 10 a. m. at the school.

Bus drivers will be Mrs. O. B. Bradley, Bobby Boyd, Harold Bradley, Arnold Arnett, Dennis Cobb, Roy Hoffman, John Alexander, Dwight and Raymond Golden.

Cafeteria cooks will be Mrs. O. B. Bradley, Mrs. Charley Bradley and Mrs. J. M. Montgomery.

During the summer, new teacher and student desks were installed throughout, at a cost of approximately \$2,600, and a science room completed. Chemistry and physics will be taught for the first time, giving the school four sciences. Others are biology and general science.

We Cannot Buy Friendship of the Uncommitted Millions of the Earth

Riots in towns of the Middle East that were old when the Bible was being acted out may determine the future of this Atom age world. On this, and with a warning that one cannot buy friendship, Senator Lyndon Johnson has spoken with clear thinking and plain word. Here is what he had to say:

Our choice in these times is either to keep our heads or lose them altogether. This point has been underlined emphatically by the recent tragic events in the Middle East.

It is sometimes hard to realize how a street mob in Bagdad or a barefooted Egyptian standing on the banks of the Nile can affect folks in Johnson City or Beaumont. But the hard fact is that the street mob and the Egyptian may hold in their hands the future of our children and our children's children. They may decide whether our descendants will live as free men or die as slaves.

The world is a lot different today from the time when I was a boy.

It has divided itself into three parts. One group is committed to communism. One group is committed to our way of life. The third group is uncommitted.

This is the group that will decide the future. Right now, members of this group are standing aloof—looking skeptically at both the United States and the Soviet Union.

Living standards of the uncommitted group are, as a general rule, the lowest in the world. An Arab supports himself and his family on about \$50 a year. A bowl of rice and a piece of dried fish make a day's meal for millions of Asians. They are hungry. They lack clothes and housing. They live in misery.

But they do have two assets: tremendous resources and tremendous numbers of people. Whichever side they join—the side of freedom or the side of communism—will have overwhelming strength in the cold war. Two-thirds of the world's population will be lined up against one-third. And the two-thirds will have almost total control over resources like tungsten, manganese, and cobalt without which no nation can be strong.

We cannot "buy" the friendship of these people. But they are determined to live better lives. That means factories, industries, and modern methods of production. They do not have these now. They are going to develop them by one of two roads—communism or free enterprise.

The Soviet communists are aware of these facts. They know these people lack capital. So the communists build a steel mill in India; they send technicians to Southeast Asia; they make loans throughout the world at lower rates of interest than we charge our own farmers. This is not charity. It is cold-blooded politics.

If we stand idly by and do nothing, these people will decide that communism is the only way for them to have full stomachs and clothes on their backs. When that day comes, the free world will be lost. We should not counter with free gifts. But we must persuade them that free enterprise holds out the best hope—and the only way we can persuade them is to help them.

This, also, is not a matter of charity. It is just good common sense.

Self Discipline the Answer?

A large part of the answer to juvenile delinquency lies with the young men and women themselves. It would probably help to call them "young men and young women" and drop the opprobrium "teen-agers" which has come to connote some special breed of irresponsibility. From that start, perhaps these youths could begin to police their own ranks and in this way protect themselves from undue criticism and unjust restriction.

It takes a lot of actual courage to be the one, or part of the minority, who refuses to "go along with the gang" in some adventure that will obviously lead to trouble.

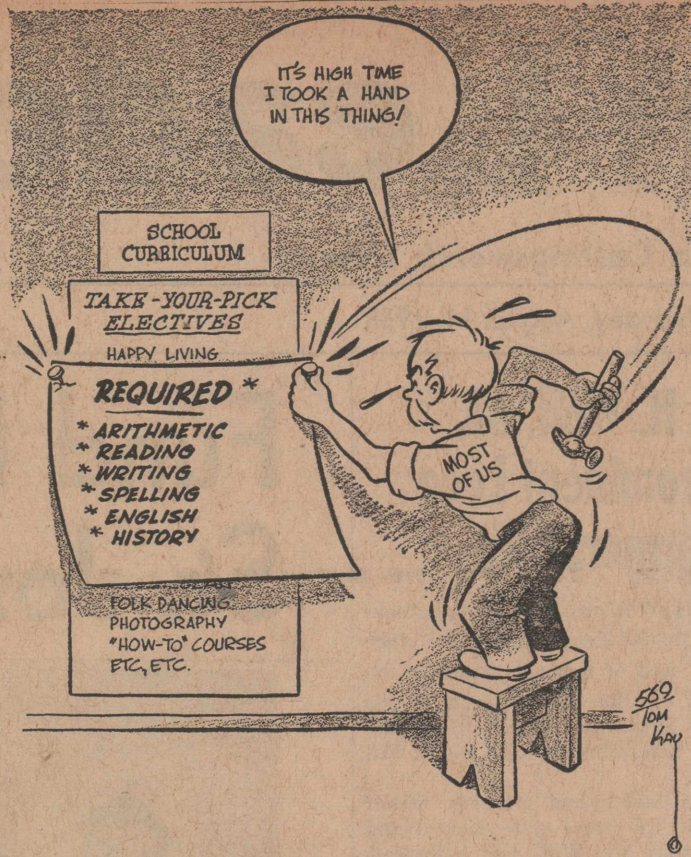

This isn't a suggestion that wrong-doers be reported on by their companions. The discipline must be applied by and within the group. It's a test of strength. Any squirrel-head can think of some wild, reckless thing to do. It takes a pretty level-headed person to nip the act in the bud by refusal to "go along."

Who knows? Perhaps if we can get our younger generation to recognize and live up to their responsibilities maybe they can help to overcome some of the parental delinquency that is so prevalent also.—Joplin Southwest-ern.

OUTDOORS

All of a sudden science has taken on a new look. Or perhaps we should say — a new look has been taken in science.

Few outdoorsmen realize just how important science is to their outdoor pleasures. Sure, they appreciate the fact that guns are built to perfection, spinning reels are most carefully designed, fishing rods are constructed for just the right sensitivity and reflexibility, and even the smallest lure is planned with the greatest care. These facts they realize, as well as the scientific detail that goes into boats and motors.

But I am thinking of the fish and wildlife biologists, the scientists who study the living habits of game and fish.

Were it not for the work of these men, we would find ourselves so far behind in the production of fish and game that all would be about as scarce as the whooping crane (of which there are only 31 left).

When I was a boy, our lakes and streams were rapidly being "fished out." Many a time we would fish all day and come in only with a few bream. You and I and our children and grandchildren should be thankful that somewhere along the line some far-thinking people came to the realization that in time we might not have plenty of fish and game.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #4—Number Seven on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 46 proposing an amendment to Section 56 of Article XVI of the Constitution of the State of Texas, providing that the Legislature be authorized to appropriate money and establish the procedure necessary to expend such money for the purpose of developing information about the historical, natural, agricultural, industrial, educational, recreational and living resources of Texas, and for the purpose of informing persons and corporations of other states through advertising in periodicals having national circulation and the dissemination of factual information about the advantages and economic resources offered by the State of Texas; providing that neither the name nor the picture of any living state official shall ever be used in any of said advertising, and providing that the sum of money appropriated hereunder shall be matched by an equal sum paid into the State Treasury from private sources before any of said money may be expended.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:
Section 1. That Section 56 of Article XVI of the Constitution of Texas be amended to read as follows:
"Section 56. The Legislature of the State of Texas shall have the power to appropriate money and establish the procedure necessary to expend such money for the purpose of developing information about the historical, natural, agricultural, industrial, educational, recreational and other resources of Texas."

and universities and came away with degrees in wildlife management. These biologists began to do some research. They put two and two together for a period of years and came up with an answer that some lover of the outdoors will not believe.

Now the biologists tell us that with proper management, careful control of our lakes and streams, and reasonable hunting and fishing procedures we not only can increase, but eventually improve our game and fish.

Through the efforts of sportsmen's clubs and a few determined individuals, the Texas Game and Fish Commission now has regulatory authority in some 80 counties in the state. This means that in at least 80 counties, season and bag limits are based upon facts and not upon guess work or the whims of certain individuals.

A visit to some of the wildlife management areas of the state, as well as to some of the ranches that follow conservation practices, is most convincing. The same is true of our lakes and streams, that are constantly being watched over by biologists.

Biologists have learned that you can stock an impoundment with too many fish. Result: poor, small fish. They have learned that the carrying capacity of the land must be respected. As a result of their work we have more and better

★ REPORT

Dear Editor:

We have been having some prime Bermuda shorts weather here lately and some of my stout-hearted neighbors can be seen wearing same if you look fast enough and mostly in their back yards.

One of them says he thought taking up with this fashion would maybe discourage the women folks from wanting to wear the pants, but not so, and women are not built for this garment either.

But says he would enjoy wearing his copy of Bermuda shorts except for the way dogs and women react when the wind starts whistling around the crags of his knees.

I see where a Galveston preacher got hauled into court and fined \$20 for disturbing the peace with too noisy endorsement of God.

Some opinion around here leans to the view that it's about as sinful to disturb a religious service by impounding the preacher as it is to disturb the peace of neighborhood TV watchers by loud preaching.

My moderate neighbor says frankly his peace has never been disturbed by the loudness of a preacher's remarks but sometimes is shook up a little by the pointed nature of same.

I see where Presidential Brother Milton just got back from a trip to South America and reports that the only thing those folks need to make them happy is more money.

But my unimpressed neighbor says Milt must have got in with a crowd of crackpots down there, else where would he have got the ridiculous idea that what the Latin Americans want is the bank type of returnable money.

Says those people are going to hate him for telling it around that they are silly enough they only want to borrow from Santa Claus.

My sun-struck neighbor says he figures that here in the U. S. we have got the world's finest and most scientific system for dealing with problems.

Says you take nearly every mess the country gets into and our legislative department fixes it by appropriating some more money, or in cases where this treatment fails, the executive department straightens out everything with soldiers.

And here lately the judiciary department has done a wonderful job of seeing to it that the other two governmental branches don't run out of problems to practice on.

I see where somebody has ac-

cused the University of Oklahoma of beating the bushes for new football players and flushing same with money.

This is said to be impure procedure on account of the performers in our \$4.40-gate football spectacles are supposed to work for oats like a race horse.

My capitalist neighbor says he is in favor of setting up more Amateur Associations to keep other types of workmen docile and cheap.

I see where the internal revenuers have got a new electronic machine which they can run our tax returns through and it will pick out the cheaters.

My indignant neighbor says science has sure brought a lot of new people plagues here lately, such as radar speeder catchers, lie detectors, and now this electronic revenue agent.

He says these all help to keep the common people pure, so now we need something for the VIP's, like maybe an electronic gift sniffer to separate the clean gifts from the incentive gifts.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

SJR #3—Number Nine on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

SENATE JOINT RESOLUTION NO. 3 proposing an amendment to Article IX of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 5, to provide that the Legislature may authorize the creation of a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas; authorizing the County of Potter to render financial aid to and participate in the operation of such Hospital District; authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Wichita County, Texas, and authorizing the Commissioners Court of said county to assess and levy taxes on property outside the incorporated limits of such city; further authorizing a countywide Hospital District for Jefferson County, Texas, and further providing that any enabling Acts shall not be invalid because of their anticipatory character.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be, and the same is hereby amended by adding thereto another section to be designated as Section 5, which shall read as follows:

"Section 5 (a) The Legislature may by law authorize the creation of a hospital district, the boundaries of which shall be coextensive with and have the same boundaries as the incorporated limits of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

"If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (\$0.75) on the One Hundred Dollars (\$100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified property taxpayers voters who have duly rendered their property for taxation. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired and not to exceed the maximum limit of Seventy-five Cents (\$0.75) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

"If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by reso-

lution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (.75¢) tax. The Legislature shall provide for the transfer of title to properties to the district.

(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (.10¢) per One Hundred Dollars (\$100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent herein provided for, and the district shall have boundaries coextensive with the district, and the county shall thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District Nos. 7 and 8, and Port Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax not to exceed Seventy-five Cents (.75¢) on the One Hundred Dollars (\$100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

"The creation of such hospital district shall not be final until approved an election by a majority of the resident property taxpayers voters voting at said election who have duly rendered their property for taxation upon the tax rolls of either said Drainage District or said School District, nor shall

such bonds be issued or such tax be levied until so approved by such voters. "The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

"If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County having the powers and duties and within the limitations presently provided by Article IX, Section 4, of the Constitution of Texas, except that such district shall be confirmed at an election wherein the resident qualified property taxpayers of voters who have duly rendered their property within such proposed district for taxation on the county rolls, shall be authorized to vote. A majority of those participating in the election voting in favor of the district shall be necessary for its confirmation and for bonds to be issued.

(d) Should the Legislature enact enabling legislation for the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character.

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this state at the general election to be held the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon: "FOR the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

"AGAINST the constitutional amendment authorizing the Legislature to create a Hospital District coextensive with the incorporated limits of the City of Amarillo, Texas, and authorizing Potter County to lend financial aid to and participate in the operation of said Hospital District, and further authorizing the Legislature to create a countywide Hospital District in Wichita County, Texas, and Hospital Districts in Jefferson County, Texas."

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

He is now superintendent for a construction company.

An estimated 5,000 to 8,000 persons died in the Galveston storm in September, 1900.

Personal

John Gordon Thomas, a graduate of Wellington high school now attending A&M, was here for the Ex-Students reunion last weekend. He is district entomologist for the Lubbock area this summer. His work covers 36 counties and consists mainly of examining the cotton plants for insects and writing reports which are sent to A&M and Washington. As the insects move north, the people in the county north can be warned. He will return to A&M this fall for graduate work.

Mrs. Stanley E. Conway and small daughters, Mickie and Karen, of Salem Depot, New Hampshire, are here visiting her parents, Mr. and Mrs. Cecil Masten. Conway is training as a field engineer for Raytheon Manufacturing Co., makers of electronic equipment. She and the children flew to Fort Worth to attend to business and visit before coming here.

Mrs. Deane Green and daughters, Vicky, two years old, and Debbie, eight months, of Jacksonville, North Carolina, were visitors in Wellington over the weekend. She is the former June Ann Thompson of Wellington. They plan to visit her folks in Pampa and his folks in Oklahoma City while he is serving a tour of duty with the Marine Corp in the Midwest.

Mrs. Bill Herring and small daughter, Cheryl Dawn, of Washington, Illinois, are in Texas for approximately three weeks, visiting her parents, Mr. and Mrs. Willie Smith here, her parents-in-law in Snyder, and also in Fort Worth. Mrs. Herring is the former Tanya Smith. The family has lived in Illinois since March, when Herring was transferred there with the Travelers Insurance Co. from the Dallas office.

Vacationers in Colorado this past week were: Mr. and Mrs. Travis Readnour and family, Mrs. Minnie Readnour, of Gage, Okla., Mr. and Mrs. Boyd Derryberry and family, and Mr. and Mrs. Dewey Barker and Sherri. They visited Creed and Pagosa Springs, Colorado, while the Barkers stayed on to visit Durango, Colorado.

Mr. and Mrs. Farrell Kent and Kendall of Abilene were visitors in the home of Mr. and Mrs. Noble Murry this week.

Mr. and Mrs. Wayne Gray and two children of Houston visited last week with cousins, Mr. and Mrs. E. F. Bartlett and Mr. and Mrs. Bryan Denley and family.

Mr. and Mrs. Pete Melton and daughter, Jo Lynn, of Dalhart, were here for the week end with their parents, Mr. and Mrs. F. H. Melton and Mr. and Mrs. Joe Rountree.

Wellington folks at Lugert this week end were Mr. and Mrs. Lynn Wright, Mr. and Mrs. Earl Clark, Mr. and Mrs. Lyndon Crelia, Mr. and Mrs. Duggie Jameson, Mr. and Billy Lockhart, Mr. and Mrs. Charles Caldwell Jr., Mr. and Mrs. Sandy Parsons III, Mr. and Mrs. Wesley Busby, and Mr. and Mrs. Howard Holton and family.

Mr. and Mrs. Walter Johnson from Kermit, are visiting this weekend with his parents, Dr. and Mrs. J. Frank Johnson.

Mrs. Lucille Baird and her daughter and son-in-law, Mr. and Mrs. Sam McGill and children have returned from a vacation to points in Arizona and California. At Flagstaff they visited Mr. and Mrs. Gene Baird, and the latter accompanied them on to Dos Palos, Richmond, and Tulare, Calif.

M/Sgt. and Mrs. James Tice and children, Jeannie and Jimmy, of West Palm Beach, Fla., are here on 20 days leave to visit her parents, Mr. and Mrs. W. C. Killingsworth and his relatives at Vinson.

Raymond Daugherty, formerly of Dodson, was here last Saturday visiting. He is working for the American National Bank in Amarillo with the loan department.

Mr. and Mrs. Bill Gardner of Canyon were weekend guests in the home of Mr. and Mrs. Ray Uselton.

Mrs. Carol Duncan, the former Renee Thomason, and son, Gary Wayne, have been visiting her folks this past week, while Carol was attending the Ag teachers convention in Dallas. They live at Roscoe.

Mr. and Mrs. John D. Ingram of Amarillo and Mr. and Mrs. Rayburn McKee of Borger visited Mr. and Mrs. V. P. Robertson last Saturday and Sunday.

Guests in the home of Mrs. T. B. Sledge over the week end were Mrs. Travis Baumgardner of Austin, Mrs. Tom Campbell, Lubbock, Mrs. Dutch Higgins of Littlefield, and Mr. and Mrs. Frank Smith of Wilson and Lou Ann Donley of Lubbock.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #17—Number Six on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 17 proposing an amendment to Article XVI of the Constitution of the State of Texas, by adding thereto a new section to be known as Section 66, to provide that the Legislature shall have authority to provide a system of retirement and disability pensions to certain retiring Texas Rangers and their widows; stating the maximum of such pension; and providing a fund from which such pensions may be paid.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Article XVI of the Constitution of the State of Texas, shall be amended by adding thereto a new Section 66, to read as follows:

"Section 66. The Legislature shall have authority to provide a system of retirement and disability pensions for retiring Texas Rangers who have not been eligible at any time for membership in the Employees Retirement System of Texas as that retirement system was established by Chapter 352, Acts of the Fifty-third Legislature, Regular Session, 1947, and who have had as much as two (2) years service as a Texas Ranger, and to their widows; providing that no pension shall exceed Fifty Dollars (\$50) per month to any

such Texas Ranger or his widow, provided that such widow was legally married prior to January 1, 1957, to a Texas Ranger qualifying for such pension.

"These pensions may be paid only from the special fund created by Section 17, Article VII for a payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for widows of such soldiers serving in said armies, navies, organizations or militia."

"Sec. 2. The foregoing constitutional amendment shall be submitted to the vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional amendment providing for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows."

"AGAINST the Constitutional Amendment providing for pension to retired Texas Rangers who are ineligible to participate in the Employees Retirement System of Texas, and their widows."

"Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State."

Evening Ceremony Unites Miss Betty Finley and Dr. McCue of St. Louis

Miss Betty Finley of Amarillo was married to Dr. William W. McCue of St. Louis in a ceremony performed by her grandfather, the Rev. John L. King of Quanaah Saturday evening, August 9 at eight o'clock in the evening. The First Baptist Church in Wellington was the setting for the wedding.

Parents of the couple are Mr. and Mrs. J. G. Finley of Wellington and Mr. and Mrs. H. W. McCue, 1104 Sunset, Amarillo.

A solid bank of greenery extended across the altar, and against this were set the white archway, with white tapers in tall standards on either side.

King Bowen was organist, and accompanied John Souther of Amarillo, brother-in-law of the bride, as he sang "My Wonderful One", "At Dawning" and "Clair de Lune". The traditional wedding marches were used.

Mr. Finley gave his daughter in marriage. She wore a gown of her own design of imported white Swiss embroidered organza. The fitted bodice had a rounded neckline and short sleeves, while the double tiered floor-length skirt extended into a chapel train. Her mits were of matching material, and her fingertip veil of illusion was attached to a coronet of roses. She carried a bouquet of Glame-las, tied with satin shower streamers, atop a white Bible.

Mrs. Don Briggs, Canyon, was her sister's matron of honor, and Miss Mary Hughes McCue, Amarillo, the groom's sister, was bridesmaid. They wore lime green sheer dresses, with shawl collars and full ballerina length skirts bordered in white, and accented with darker leaves. They carried white colonial bouquets.

Kemper McCue of Miami, Florida, brother of the bridegroom, was best man, and J. G. Finley Jr., of Fort Worth was groomsmen. Ushers were Marion Mitchell and Harry Beck of Amarillo and Don Briggs of Canyon.

Junior members of the wedding party were Susan Souther and David Souther of Amarillo, who lighted the candles, Leigh Ann Briggs of Canyon, the flower girl, and Kim Finley of Fort Worth, ring bearer. They are nieces and nephew of the bride.

For her daughter's wedding, Mrs. Finley wore a silver grey suit with pink accessories and a pink carnation corsage. Mrs. McCue chose a mauve dress with blue accessories and a white corsage.

Mr. and Mrs. Finley were hosts at the reception at their home at 1501 East Avenue. The bride's table was laid with a white net cloth over taffeta and appointed in silver and crystal. Bouquets of the feminine attendants formed the center piece. Mrs. John Souther, Amarillo, sister of the bride, served the cake and Mrs. J. F. Finley Jr., Fort Worth, poured punch. Guests were registered by Mrs. H. S. Hatch Jr., Amarillo, the bride's aunt.

As the couple left on their wedding trip through the Ozarks, the bride wore a white silk organza dress in an orchid rose print design, made with a full skirt, fitted bodice and long sleeves. Her accessories were white and she wore a glameila corsage.

Mrs. McCue was graduated from high school here in 1950 and later was employed at the City State Bank. For several years she has been teller for the American National Bank in Amarillo.

Dr. McCue, an Amarillo high school graduate, received his bachelor of arts degree from Westminster College, Fulton, Mo., and his doctor of medicine degree from Southwestern Medical School, Dallas. He completed his internship in St. Louis City Hospital and has received a residency in pediatrics in the same hospital.

He is a member of Phi Beta Phi medical fraternity, Delta Tau

Langley Reunion August 16-17

The annual Langley Family Reunion will be held this week, beginning Friday evening, August 15, continuing through Saturday and Sunday, August 16 and 17.

The reunion will be held in the usual place, in the Cotton Wood Grove on Mrs. W. W. Neely's farm about 11 miles west of Wellington. Relatives from several states are expected to attend the reunion and they together with the relatives living here will camp on the grounds throughout the meeting.

They invite all their friends in and around Wellington to come by and visit them and join in the festivities which will consist of dominoes, 42, singing, eating and plenty of talking.

Mrs. Harper Heads Club

Mrs. E. M. Hix and Mrs. Melvin Scale were hostesses to the Past Matrons and Past Patrons Club July 29, 1958, at the Community Building. Bouquets of sweet peas and zinnias in a cut glass bowl decorated the dining table and registration desk.

Paul Starr gave the invocation. At the business session which followed the dinner, new officers were elected including Mrs. Loyd Harper, president; Mrs. J. B. Clark, vice-president; and Mrs. Jack Davis, secretary-treasurer. Mrs. Bryan Denley was welcomed into the club.

Games of "42" were played. Attending were Mrs. Hattie Scott, Mrs. Hix, Mrs. J. H. Birchfield, Mr. and Mrs. Paul Starr, Mr. and Mrs. J. T. Slay, Mr. and Mrs. Melvin Scale, John Glascock, Mrs. Mayme Somerville, Mrs. J. M. Strong, Mrs. Jennie Holcomb, Mrs. E. F. Bartlett, Mrs. Denley, Mrs. Harper, and Mrs. Clark.

Sets September Date

Mr. and Mrs. C. D. Messer are announcing the engagement and approaching marriage of their daughter, Edith Lillian, to Wallace W. (Billy) Hill, the son of Mr. and Mrs. R. C. Hill of Clarendon. The couple will be married Thursday, Sept. 4 at Clarendon. Miss Messer was graduated this spring from Quail high school and is employed at Adair hospital. Her fiancé graduated from Clarendon high school.

Barbara Hannah, Carroll Daves Marry in Quiet Ceremony at Faith Church

Faith Baptist Church was the setting Sunday, August 10, for the wedding of Miss Barbara Hannah, daughter of the late Mrs. Helen Hannah, to Carroll Lee Daves, son of Mrs. Royce Daves, and the late Mr. Daves. Relatives and close friends attended the ceremony.

The ceremony was performed by Rev. Wilson Hill, pastor of the church.

The bride's only attendant was Miss Zo Nell Porter, maid of honor, while Danny Garvin was best man.

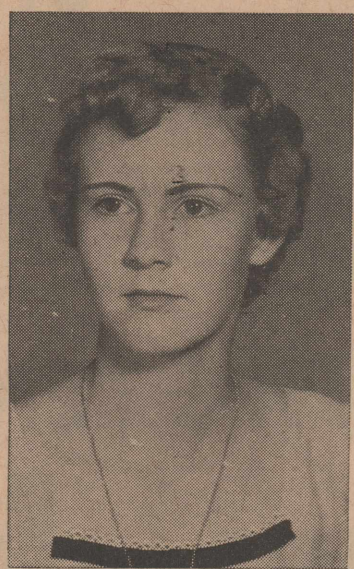

The bride was dressed in a blue sheath with black accessories.

Music was played by Mrs. Herbert Reavis. Before the ceremony she played "Always" followed by the traditional wedding marches.

The bridegroom's mother was dressed in navy blue with matching accessories. Mrs. Glenn Norman, sister of the bride, wore a blue sheath dress with white accessories.

The bride has completed her freshman year in the Wellington high school with most of her schooling here.

The groom had completed his

MRS. CARROLL DAVES

junior year in the Wellington high school. He had just taken over the management of the Old Fashioned Freeze.

After a short wedding trip they will be at home at 1902 East Avenue.

LEGAL NOTICE

NOTICE OF ELECTION
 THE STATE OF TEXAS
 COUNTY OF COLLINGSWORTH
 TO THE RESIDENT QUALIFIED VOTERS OF COLLINGSWORTH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE:

NOTICE IS HEREBY GIVEN that an election will be held on the 23rd day of August, 1958, in said District, in accordance with the provisions and upon the questions contained in the following resolution and order passed by the Board of Directors on the 29th day of July, 1958:

RESOLUTION AND ORDER
 BY THE BOARD OF DIRECTORS OF COLLINGSWORTH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE CALLING AN ELECTION UPON THE QUESTIONS OF CONFIRMING THE DISTRICT AND AUTHORIZING THE ISSUANCE OF \$12,500.00 PRELIMINARY BONDS OF THE DISTRICT.

WHEREAS, on the 18th day of July, 1958, the Commissioners Court of Collingsworth County, Texas, granted the petition of more than fifty persons owning land in the District, and upon hearing said petition, created and established Collingsworth County Water Control and Improvement District Number One, and appointed five directors for said district; and

WHEREAS, said Directors have taken the oath of office as such directors and have made bond as provided by law, and said directors have organized as provided by law; and

WHEREAS, it is provided by law, particularly Article 7880-23, R.C.S. 1925, as amended, that after the District has been organized, and in any event within thirty (30) days after the date of their first meeting, the Directors shall make and publish an order calling an election within and for the District for the purpose of confirming the organization of the District by a vote of the qualified electors, and that at the same time and the same election the proposition for the issuance of preliminary bonds may be submitted; and

WHEREAS, the Board of Directors finds it necessary for the District to create a fund to pay the cost of organization of the District and of making surveys, investigations, attorneys fees, engineering work, cost of issuance of bonds, and other costs and expenses incident to the organization of the District and its operation in investigating and determining upon plans for its plant and improvements and the expense of issuing and selling bonds to provide for such permanent improvements; and

WHEREAS, the Board of Directors estimates the aforementioned expenses will aggregate the sum of at least \$12,500.00; and

WHEREAS, the Board of Directors has determined that preliminary bonds of the District should be authorized in said amount of \$12,500.00 for such purposes;

IT IS THEREFORE RESOLVED AND ORDERED BY THE BOARD OF DIRECTORS OF COLLINGSWORTH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT NUMBER ONE:

I. That an election be held within and for said Collingsworth County Water Control and Improvement District Number One on the 23rd day of August, 1958, on the following questions:

1. The question of whether the organization of said Collingsworth County Water Control and Improvement District Number One shall be confirmed.

2. The question of whether the Board of Directors of the District shall be authorized to issue preliminary bonds of the District in the principal amount of \$12,500.00, for the purpose of paying the cost of organization of the District and of making surveys, investigations, attorneys fees, engineering work, cost of issuance of bonds, and other costs and expenses incident to the organization of the District and its operation in investigating and determining upon plans for its plant and improvements and the expense of issuing and selling bonds to provide for such permanent improvement, said bonds to

mature serially or otherwise not to exceed five (5) years from their date and to bear interest at a rate not to exceed five (5%) per annum, and if there shall be levied and collected on all taxable property in the District for the current year and annually thereafter a tax sufficient to pay the interest and principal of said bonds as same mature.

II. That the manner of holding said election shall be governed by the general laws of the State of Texas for the holding of general elections, except as otherwise provided by the applicable provisions of Chapter 3A, Title 128, R.C.S. 1925, as amended, and only resident qualified electors of said District shall be qualified to vote on the question of the confirmation of the District, and only resident qualified property taxpayers voters, who own taxable property in said District and who have duly rendered the same for taxation, shall be entitled to vote on the question of the issuance of the preliminary bonds.

III. That the ballots for said election on the question of the confirmation of the District shall have written or printed thereon the following:

"FOR CONFIRMATION OF DISTRICT."
 "AGAINST CONFIRMATION OF DISTRICT."

The ballots for the election on the question of the issuance of the preliminary bonds shall have written or printed thereon the following:

"FOR THE ISSUANCE OF PRELIMINARY BONDS AND LEVY OF TAXES IN PAYMENT THEREFOR."
 "AGAINST THE ISSUANCE OF PRELIMINARY BONDS AND LEVY OF TAXES IN PAYMENT THEREFOR."

IV. It having been found and determined that two municipal corporations are included within the area of the District, to-wit: the cities of Wellington and Dodson, it is further ordered, in compliance with the provisions of Article 7880-115, R.C.S. 1925, as amended, that each of the aforesaid cities shall constitute separate voting districts; that the territory within the District in Collingsworth County not situated within the aforesaid cities shall constitute a separate voting district; that the ballots cast in each of said voting districts shall be canvassed separately to show the result of the election therein; and that the District shall not include the area of any voting district which fails to adopt the proposition for the confirmation thereof by a majority vote of the voters participating in such election in that voting district.

V. The polling places and election officers for said election shall be as follows:

PRECINCT NO. 1 S — County Courtroom, Courthouse, Wellington.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #31—Number Four on the Ballot.

PROF. A. CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 81 proposing an Amendment to the Constitution of Texas to provide that all county officials for whom four-year terms of office were authorized in 1954 must resign such office prior to announcing for a different office when more than one (1) year remains unexpired of the term for which they were elected, and providing for the filling of such vacancies in the manner now provided by law.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 65 of Article 16 of the Constitution of the State of Texas is hereby amended so as hereafter to read as follows: "Section 65. STAGGERING TERMS OF OFFICE.—The following officers elected at the General Election in November, 1954, and thereafter, shall serve for the full terms provided in this Constitution:

"(a) District Clerks; (b) County Clerks; (c) County Judges; (d) Judges of County Courts at Law, County Criminal Courts, County Probate Courts and County Domestic Relations Courts; (e) County Treasurers; (f) Criminal District Attorneys; (g) County Surveyors; (h) Inspectors of Hides and Animals; (i) County Commissioners for Precincts Two and Four; (j) Justices of the Peace.

"Notwithstanding other provisions of this Constitution, the following officers elected at the General Election in November, 1954, shall serve only for terms of two (2) years: (a) Sheriffs; (b) Assessors and Collectors of Taxes; (c) District Attorneys; (d) County Attorneys; (e) Public Weighers; (f) County Commissioners for Precincts One and Three; (g) Constables. At subsequent elections, such officers shall be elected for the full terms provided in this Constitution.

"In any district, county or precinct where any of the aforementioned offices is of such nature that two (2) or more persons hold such office, with the result that candidates file for 'Place No. 1,' 'Place No. 2,' etc., the officers

elected at the General Election in November, 1954, shall serve for a term of two (2) years if the designation of their office is an uneven number, and for a term of four (4) years if the designation of their office is an even number. Thereafter, all such officers shall be elected for the terms provided in this Constitution.

"Provided, however, if any of the officers named herein shall announce their candidacy, or shall in fact become a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such offices are filled."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

"AGAINST the Constitutional Amendment providing that any District, County, or Precinct official serving a four-year term must resign before announcing for a different office if there remains unexpired more than one (1) year of the term for which he was elected."

If it appears from the returns of said election that a majority of the votes have been cast in favor of said Amendment, same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election herein provided for and shall cause this proposed Amendment to be published in the manner required by law and shall cause said election to be held as required by the Constitution and laws of this State.

So the People May Know

Since announcing my candidacy for the office of County Judge of Collingsworth County I have repeatedly stated that if I am elected I will see that quarterly, *detailed* reports of the county's finances are published as required by law.

During the past few years, reports have been published regularly, but I feel they have not been sufficiently detailed. Being a business man, I believe you people who furnish the money should be told specifically what it goes for; not merely that it is gone.

Although such publication of reports on county finances has been required for many years, my opponent in this run-off primary, while serving as county judge did not publish or cause to be published financial reports, completely ignoring this law although being sworn to uphold all laws and presumably knowing what the statutes require. He has not publicly stated that he will conduct the office any differently if elected this time.

I have stated early in the campaign my beliefs about how we can have a sound county government. This message is being published early in the run-off in order that you might have ample time to track down and investigate any statement I have made.

In particular this applies to the auditor's comment on the 1942 Audit Report which has been circulated and is NOT a "so-called report" but is a copy of an actual document which is on file in the Public Records in the County Clerk's office, and which may be examined by any interested citizen at any time.

Again I would like to say that it will be my intention to work with the Commissioners you have elected and under no circumstances will I try to act as a legal dictator. If you see fit to elect me, I am sure that the five of us working together can secure sufficient legal counsel to transact all county matters in a LEGAL and EFFICIENT manner.

I greatly appreciate the favorable comments I have heard in the course of this second primary campaign and earnestly ask a large vote in the interest that the will of all the people may be expressed on August 23.

One Millionth Tire Made for White's Stores

The one millionth White Passenger Car Tire, made for White Stores, Inc., was removed from a curing press at the Dayton Rubber Company by W. Erle White, president of the Texas chain.

A plaque, commemorating the building of the millionth tire, was presented to Mr. White by Clowes M. Christie, president of Dayton Rubber.

"This symbolizes the growth of our organization in recent years and holds bright promise for the future," White told Mr. Christie and other executives in the curing room.

"This is an important milestone for our firm, but we are already looking toward the future," White said, as he pointed to the tire in the adjoining mold. "There is the beginning of our second million tires," he said.

"Our company has been able to grow and expand, because we have always believed that serving our customers is paramount," White said. "However, behind every successful business, there is a vast number of suppliers. Without their help and cooperation, our job of serving customers would be virtually impossible."

"A duplicate of the millionth White Tire will be on display during a month-long celebration sale in August," Buster Hughes, owner of the White Store in Wellington said today.

White Stores, Inc., operates sixty-three company-owned units and 188 dealer stores throughout Texas, Oklahoma, New Mexico, Colorado, Louisiana, and Mississippi.

Surprised Lady...

A housewife-motorist recently paid her first visit to a Phillips 66 Station, and reported as follows...

"All I expected from my Phillips 66 Dealer was ten gallons of gasoline and maybe the windshield wiped. But the first thing I knew they had cleaned the windows all around..."

"Was I surprised when the attendant suggested he check the tires, including the spare! Then the battery and radiator. I figured he must have me mixed up with someone important. Wife of the mayor, maybe?"

"You could have knocked me over with a feather when he started brushing out inside the car. 'You do this for everybody?' I asked. That's what he said... everybody!"

"About the gasoline... I got that, too. And that Phillips 66 Flite-Fuel makes my car run swell!"

Bollworms on Increase in Cotton Fields

By BOB LYNCH
County Agent

Cotton bollworms are on the increase in the county. Farmers should keep a close look out for them.

Eggs are laid by a miller normally on the top young leaves and squares but don't rule out the blooms on the middle portion of the plant.

The most common method for taking bollworm counts is to inspect 100 squares and small bolls at several points in the field. If 5% of the squares or bolls are injured or if 5 worms per 100 plants are found then it is time to start control measures. By using these methods you can detect bollworm outbreaks before it is too late to poison.

The recommended control is 2 quarts of Toxaphene-DDT mixture per acre at 5 day intervals.

Bennett Goodloe, Superintendent.
J. W. Holder, Business Manager.

Mr. and Mrs. Citizen of Collingsworth County:

In connection with the proposed COLLINGSWORTH COUNTY WATER CONTROL AND IMPROVEMENT DISTRICT certain questions are asked, and below are given the questions and answers:

1. Will the directors of the Collingsworth County Water Control and Improvement District be under the supervision of the Commissioners' Court of Collingsworth County, Texas?

The answer is "NO". When, on July 18th, 1958, the Commissioner's Court passed its order creating and proposing such District, and appointed its Temporary Directors, such court did all that it is legally authorized to do, and its connection with the Proposed District ended.

2. What are the duties of the Temporary Directors?

Answer: The law places upon them the duty and responsibility of calling an election to determine whether or not the people of the Proposed District desire such Collingsworth County Water Control and Improvement District, that is, do the people want to CONFIRM the District as outlined in the proposal made by the Commissioners' Court, based upon the petition presented to it. The Temporary Directors have discharged that duty by calling the election for Saturday, August 23rd, 1958.

3. If the people by their votes CONFIRM the Collingsworth County Water Control and Improvement District can the Directors levy and collect taxes against the property of such District?

The Answer is "NO". The ONLY taxes that can EVER be levied against the property within such district are such taxes ONLY as are voted by the qualified property taxpaying voters within such district.

There is also submitted on August 23rd, 1958 a separate and distinct election using separate ballots, to determine whether or not the Directors of the Collingsworth County Water Control and Improvement District shall be authorized to issue bonds to the amount of \$12,500.00 and to levy a tax to pay the principal and interest of such bonds.

4. Can a voter vote FOR CONFIRMATION of the District and AGAINST the issuance of the BONDS?

The answer is "YES". The ballots are voted separately and counted separately.

5. What is the purpose of the \$12,500.00 bond issue?

Answer: The law provides that the Temporary Directors may call this election at the same time it calls the election on CONFIRMATION, as a method of raising money to defray expenses of employing water engineers to make a detailed study of the water resources of the entire District, make detailed maps, cost estimates and give a complete picture of any and all feasible projects for the entire district, in this instance ALL of Collingsworth County. All water ways, water courses and their water sheds are included.

6. If the CONFIRMATION election carried, and the BONDS are defeated, can we get any financial assistance from the Federal or State agencies?

The answer is "NO". We must first CONFIRM the District; secondly we MUST take the initial step by actual exploration, surveys, topographical maps, cost estimates by competent water engineers before any agency of the Federal or State government is authorized to do anything toward our project, or district.

7. What are the possibilities of Federal tax money, and/or State tax money to finance construction in this district, provided the district is confirmed, and initial surveys show feasible projects within the district?

Answer: All we know is that in other states, and in other parts of this state both Federal tax money and State tax money has been used in large amounts in water control and improvement districts.

If we organize our district, make up the initial surveys and studies for feasible projects and get behind them locally, is the only way we will know what can be done.

The future of COLLINGSWORTH COUNTY is in the hands of the present day citizenship. I have seen this county grown from a population of less than 75 families to a population of nearly 15,000 people. We were going upward until 1930; times change, and we started down; we have less than half the population of 1930; we cannot have a thriving county without people. WATER is the KEY to the change of direction. At my age, the chances are that all I can hope to see is a change in direction, but I hope that I may see this change, and in that hope I shall vote FOR THE CONFIRMATION and FOR THE BONDS.

Respectfully,

LUTHER GRIBBLE.

State Capital NEWS

By Vern Sanford

AUSTIN, Tex. — Texas Legislative Budget Board is somewhat in the position of the harassed husband who's struggling with a stack of unpaid bills when his wife announces the children all need new shoes.

Budget Board works out a recommended state spending plan in advance of each regular legislative session. This year, to make "ends meet," the Board will have to stretch a shorter rope over more territory.

Briefly, the horns of the dilemma are these:

Horn 1. For the next biennium state agencies have turned in requests to the Budget Board for \$368,000,000 more than they received for the current two-year appropriation period.

Horn 2. Official predictions indicate the state is far from having enough money to grant increases. Instead, it may start the next two-year fiscal period \$100,000,000 short of enough money just to maintain the present level of spending.

That leaves a potential gap of some \$468,000,000 between the two horns — money requested and money in sight. For the next Legislature it's a half-billion-dollar

headache.

As far as can be seen, closing the gap would involve either (1) sharp cuts in state spending, (2) enactment of a fair-sized new tax or (3) letting the state government go into debt.

None of these courses likely would be either painless or popular. Third possibility is virtually prohibited by the Constitution which says no appropriation in excess of revenue in sight can be passed "save in the case of emergency and imperative public necessity and with a four-fifths vote of the total membership of each house."

In the past the Budget Board has limited its spending recommendations to foreseeable revenue under existing tax laws. Making up the board are the lieutenant governor, speaker of the house and eight other legislators.

More Here, More There

How did new money requests get up to \$368,000,000 when the present state budget is at an all-time high of more than \$2,000,000,000?

Big figure results from a lot of requests from a lot of state departments and institutions. Examples:

State colleges, faced with increasing enrollments, want \$49,000,000 more.

State Water Board, charged with a stepped-up water conservation planning program, asked for a nearly doubled appropriation of \$3,596,180.

Hospitals and special schools asked for a 31.5 per cent increase, up to \$114,000,000.

State Youth Council asked substantial increases for the facilities it operates including a 99.5 per cent increase (to \$4,745,925) for the severely overcrowded Gatesville School for Boys.

"How Much" Labels

Budget Board has proposed enactment of a "price tag" procedure to help lawmakers keep track of just how much each measure they consider would cost.

Suggested bill would require that each spending bill be accompanied by an itemized list (with prices) of the expenditures it would involve.

It was seen as a means of keeping a tighter check on the tax dollar.

More Time For Teaching

Giving teachers fewer extra chores and more time to teach, has been suggested as a means to relieve the shortage of qualified teachers.

Texas Education Agency conduc-

ted a survey on ways to make better use of existing teachers and school buildings. Resulting report noted the many miscellaneous tasks that fall to teachers—keeping up with lunch money, football tickets and charity drives; sponsoring athletic events and special programs; keeping extensive records. Use of teaching aides and secretaries was suggested to free teachers to concentrate on class work.

In regard to building use, the report suggested consideration of a longer school year, a longer school day and greater use of special purpose rooms such as laboratories, shops, homemaking departments, etc.

Fresh Start

After months of upheaval and disension, the State Insurance Liquorator's office is reorganized and off to a new start.

C. H. Langdeau, newly appointed liquidator, has announced the names of nine attorneys who will make up his legal staff.

They are Cecil C. Rotsch, general counsel, John R. Grace, Clay Cotten, V. F. Taylor, Horace Wimberly, Art M. LeCroix, J. C. Thomas, William Colburn and Hoyt Cole.

Missing from the scene will be Renne Allred Jr., who had been appointed by Dist. Judge Charles O. Betts as receiver for all insurance liquidation cases in his court. Betts had refused to accept Langdeau as receiver. Langdeau was appointed by Insurance Commissioner William A. Harrison.

Situation was resolved when the State Supreme Court ruled that Betts must accept Langdeau.

Langdeau said his staff would have to do extensive investigating before deciding whether to pursue a \$15,000,000 damage suit Allred had filed in connection with the ICT bankruptcy. Suit charges some 54 different corporations, including some famed names in the financial world, with having some responsibility for the building up of a fraudulent enterprise.

More Money for Farmers

An overall increase of 3 per cent in Texas farm prices is reported by the U. S. Dept. of Agriculture.

Principal gain came in higher prices for new-season cotton, hogs, beef cattle and calves. Slight gains were shown for corn, oats, barley, hay and potatoes. Dairy products, poultry and eggs registered a seasonal increase.

Linda Brantley Bowl Nominee

Miss Linda Brantley represented Wellington at the annual dance honoring the Greenbelt Bowl All Star Game players and their girls. The dance was held at the Childress Country Club Tuesday night, August 12th, following a reception and garden party given the girls by the Childress Business and Professional Women's Club at the home of Mrs. Ray Green. The dance was given by the Childress chapter of Beta Sigma Phi sorority.

Miss Brantley was escorted by Greenbelt Bowl Star Jerry Elbert. Each player has been invited to nominate a candidate for the honor of being named "Queen of the Greenbelt Bowl". The boys will elect a queen and her two escorts to rule over the game, which will be played on Friday, August 15th, in Childress' Greenbelt Park Stadium.

The boys arrived in Childress on Sunday, August 10th, for their first meeting with their coaches and trainers. They and their parents attended a barbeque dinner given in their honor by the Childress Chamber of Commerce. Serious training started on Monday morning with morning and afternoon workouts.

Meeting Progresses at No. 2 Church of Christ

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #48—Number Five on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 48 proposing an amendment to the Constitution of the State of Texas providing that a home rule city may provide by Charter Provision and a general law city operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years; provided, however, that tenure under Civil Service shall not be affected hereby; providing for an election, a form of ballot and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XI of the Constitution of the State of Texas be amended by adding thereto a new section to be known as Section II of Article XI and to read as follows: "Section II. A Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by special election."

"AGAINST the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by special election."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

by majority vote of the qualified voters in such municipality, and any vacancy or vacancies occurring on such governing body shall not be filled by appointment but must be filled by majority vote of the qualified voters at a special election called for such purpose within one hundred and twenty (120) days after such vacancy or vacancies occur."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at the General Election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by special election."

"AGAINST the Constitutional Amendment providing that a Home Rule City may provide by charter or charter amendment, and a city, town or village operating under the general laws may provide by majority vote of the qualified voters voting at an election called for that purpose, for a longer term of office than two (2) years for its officers, either elective or appointive, or both, but not to exceed four (4) years; provided, however, that tenure under Civil Service shall not be affected hereby. And providing for automatic resignation when such officers become a candidate for election to another office and providing for election of members of the governing body of such municipalities and the filling of vacancies occurring on such governing body by special election."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

NO DEFROSTING
MADE BY
FRIGIDAIRE

FROST-PROOF FOOD KEEPING - WHERE YOU NEVER DEFROST AGAIN

In the Flowing -
Cold Refrigerator...

Flowing Cold means super-fast, more uniform chilling for all your fresh foods no matter where you store them—in the refrigerator section or on the door—regardless of outside temperatures.

And Flowing Cold means no more frost! Here's how it works:

Fresh warm air enters the refrigerator section every time you open the door—and is drawn by a fan up and over the hidden Refrig-o-Plate that cools it and removes the excess moisture after which it comes back in at the top as Flowing Cold.

Best of all, the moisture removed is evaporated automatically—there's nothing you have to do!

FROSTED-UP! Ordinary freezer chest after 30 days. Everything has liberal coating of frost! Some times demand do-it-yourself defrosting. Others apply electric heat to freezer to melt frost. Sometimes frost water drips down on food—refreezes on packages. Foods may thaw, then refreeze—lose flavor and vitamins!

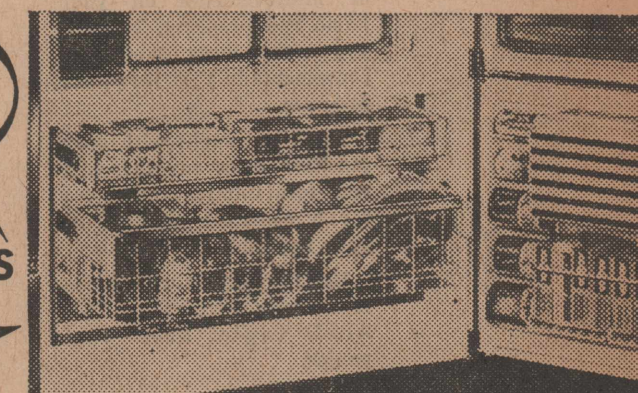

See This Refrigerator-Freezer At

In the Frost-
Proof Freezer...

Completely new and revolutionary—completely different from so-called "automatic" defrosting systems. Frigidaire patented Frost-Proof Freezing actually whisks away heat and moisture before frost can form!

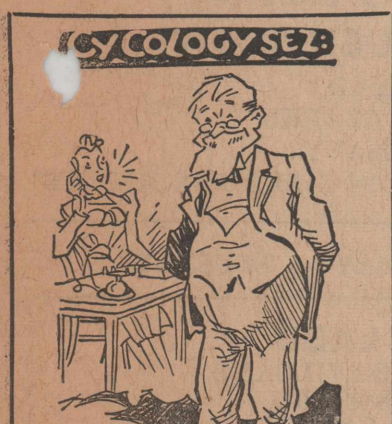

Frost-Proof Cold enters at the top, rear, cooling and removing moisture from the entire freezer. Then this warmer, moist air is drawn out of the freezer across sub-zero freezing plate underneath and completely separate from the freezer, where the air is recharged, changing warm air into dry, sub-zero Frost-Proof Cold!

And the moisture, of course, evaporates automatically. Frost never accumulates on freezer walls or on food. No more chipping, scraping at a stubborn ice crust. No more melting frost, no more pans to spill!

FROST-PROOF! Frigidaire Frost-Proof Freezer after months or even years! Not a whisker of frost in sight! The secret is a new kind of circulating cold—dry, sub-zero cold—that's hungry for heat and thirsty for moisture. Carries away warm air and moisture before frost can form! Freezes foods faster—keeps them frozen.

"Ammonia makes a big difference in my wheat"

Frank S. Wise, who farms 960 acres near Dimmitt, says: "I know from experience that Phillips 66 Agricultural Ammonia makes a big difference in my wheat yields. I figure I'm getting an average of 20 bushels more to the acre by putting down 80 to 100 pounds of Phillips ammonia pre-plant."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields... and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

As far as future progress is concerned the people of Collingsworth County will go to the polls on August 23 to vote on the most important election to be held here in many years. Every voter owes it to himself to learn as much as possible about how a water control and improvement district is created and its operation. In this issue is an article by Judge Luther Gribble explaining and answering some of the most frequent questions asked about the creation of the district. It is not only worth reading, it is worth filing away for future reference.

It should be remembered that the creation of this district is for the purpose of exploring the feasibility of conserving water on every stream in Collingsworth County. It is to protect and hold our water rights. We can lose them to Oklahoma due to the water compact between the states. Did you know that all of Lake Texoma belongs to Oklahoma? You have to buy a fishing license to fish on the Texas side.

Cicero Gulley has a good word to say for Blue Jays, at least for one that visits his yard every morning. He says this one picks off bagworms from his evergreens, mashes the worm out of its protective covering and eats them. One morning he observed the bird pick and eat ten bagworms. Perhaps so, but those that visit my yard don't even know enough to catch grasshoppers and I have hundreds and hundreds. They do know how to pick a ripe pecan and drill a hole and eat the contents. They are also very useful in eliminating any surplus of peaches and apples you may have.

Herman Moseley puts up fruit and makes jelly. He brought me a jar of wild plum jelly and it is the prettiest colored, best tasting stuff you ever put on a hot buttered biscuit. Herman intends to enter a jar in the free fair in September. Fair time is just around the corner. The chamber of commerce has the catalogs ready for distribution in case you want to look over the entries.

Dudley Phipps is rallying Farm Bureau members, urging them to wire or write Sam Raburn to urge his help in getting a farm bill similar to the senate bill passed at this session. Lyndon Johnson did his usual effective job in getting one favored by the bureau passed in the Senate; but a coalition of city Democrats and Republicans killed it in the House. Unless one is passed our cotton acreage can be cut as much as 30 percent in 1959.

Not having heard from my beautiful daughter recently I phoned to California to see if all were well. "We are all fine," came the cheerful answer, "and I have had a letter written for a

week, but I did not have any 4c stamps." Henry was listening to the conversation and later in the afternoon, I saw him very busy with envelopes, stamps and writing paper. After he had addressed the letter to his sister, I asked him what he had been doing.

"Well, I have been stamping and addressing envelopes for Diane. I put a 3c stamp and a 1c stamp on one addressed to me, and I put two 2c stamps on one addressed to you and mother."

I asked about what news he told her in his letter.

"Oh, I just told her that they taught me in the first grade that 1 plus 3 equals 4 and that 2 plus 2 equals the same thing."

NFLA to Hold Annual Meeting September 10

Members of the National Farm Loan Associations of Wellington and of Wheeler county will meet at the Texas Theatre in Shamrock on Wednesday, September 10, for the annual stockholders' meeting, according to Rayburn L. Smith, secretary-treasurer.

Of special interest will be reports by the president on the operation of the two associations during the past year. Also, the financial condition and loan activity in Wheeler and Collingsworth counties will be discussed by Mr. Smith.

The main business will be the election of directors. Elections will be conducted separately. The Boards of Directors for each of the two associations is composed of five men. These men must be stockholders and must live within the chartered territory of their respective associations.

Following the business session, members and guests will be entertained by a movie, through the courtesy of Mayor Seibert Worley, owner of the Theatre. Other entertainment will include drawings for prizes by N.F.L.A. members.

The officers and directors especially invite all members to come and bring their friends for some good fellowship while they participate in the management of their co-operative agricultural credit organization.

Pounds Named to Quail Faculty

John Pounds, graduate of West Texas State College, has been hired to teach math and coach in Quail junior high school, completing the faculty for the coming year, Herman Moseley, superintendent, announced.

At the same time, Moseley announced the final plans for the opening of school Monday, August 18.

Pounds graduated from Adrain high school and received his BS degree in June. He has worked toward his master's degree at summer school. Pounds, who also attended Amarillo College, played basketball there, and was on the Adrain high school team that Samnorwood beat only one point in regional competition about five years ago.

Supt. Moseley also announced a faculty meeting for Saturday, August 9, at 7 p. m. in the school study hall.

On the opening day of school, buses will run their regular routes as of the last day of school in May. There will be a brief general assembly, to which parents are invited. Registration and issuance of books will follow, followed by lunch at the cafeteria. The first day will end about 2:30 p. m.

Parents of beginners are asked to have a certified copy of the child's birth certificate. If they do not already have a certified copy of it or a photostatic copy they may be had from the county clerk's office. Since these are kept on file at the school, the original birth certificate will not be accepted, Moseley said.

CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT THE GENERAL ELECTION ON NOVEMBER 4, 1958.

HJR #1—Number One on the Ballot.

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 4, 1958.

HOUSE JOINT RESOLUTION NO. 1 proposing an amendment to Section 5 and 24 and authorizing a new Section of Article III of the Constitution of the State of Texas so as to provide for annual Sessions of the Legislature; changing the compensation, per diem and travel expense of the Members of the Legislature; authorizing temporary residence of the Lieutenant Governor and Speaker of the House in the Capitol; providing for an election; prescribing the form of ballot and providing for the necessary proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 5 of Article III of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 5. The Legislature shall meet every year, under the condition and limitation hereinafter set forth, at such time as may be provided by law, and at other times when convened by the Governor.

"During the First Regular Session of each Legislature, which shall convene in January, 1959, and each succeeding two (2) years thereafter, the first thirty (30) days thereof shall be devoted to the introduction of bills and resolutions, acting upon emergency appropriations, passing upon the concurring of the terms appointees of the Governor and such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided that during the succeeding thirty (30) days of the First Regular Session of the Legislature the various committees of each House shall hold hearings to consider all bills and resolutions and other matters as may be submitted by the Governor; provided further that during the following sixty (60) days the Legislature shall act upon such bills and resolutions as may be then pending and upon such emergency matters as may be submitted by the Governor in special messages to the Legislature; provided, however, either House may otherwise determine its order of business by an affirmative vote of four-fifths (4/5) of its membership.

"During the Second Regular Session of each Legislature, which shall convene in January 1960, and each succeeding two years thereafter, the Legislature shall be authorized to consider and act upon the following only:

"a. Make annual appropriations for the general operation of the State government; which appropriations may be passed by a majority vote of each House.

"b. Consider emergency matters submitted by the Governor; bills embodying such matters shall become law only if the same shall be passed by a two-thirds vote of the Members elected to each House.

"Whenever the term 'Biennial Session' appears in Article 17 of this Constitution, it shall be construed to mean 'First Regular Session.'

Any bill considered in the Second Regular Session of the Legislature must be introduced in that session."

Sec. 2. That Section 24 of Article III of the Constitution of the State of Texas be amended to hereafter read as follows:

"Section 24. Members of the Legislature shall receive from the public Treasury a salary of Seven Thousand, Five Hundred Dollars (\$7,500) per annum and expenses of office in amount and manner as determined by law. The Legislature shall not provide for any per diem for a greater number than one hundred and twenty (120) days during the First Regular Session, sixty (60) days during the Second Regular Session, and thirty (30) days during any Called Session."

Sec. 3. That Article III of the Constitution of the State of Texas be amended by adding a new section to be known as Section 24a to read as follows:

"Section 24a. In addition to other compensation provided herein, the Lieutenant Governor of the State of Texas and the Speaker of the House of Representatives shall be entitled to temporary residence in the State Capitol during their terms of office and quarters and under such conditions as the Legislature may provide."

Sec. 4. That the foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this State at an election to be held on the first Tuesday after the first Monday in November, 1958, at which election all ballots shall have printed thereon: "FOR the Constitutional Amendment providing for annual Sessions of the Legislature, prescribing the compensation and expenses for members thereof, limiting the per diem for each Session, and authorizing temporary residence of the Lieutenant Governor and Speaker of the House of Representatives in the Capitol."

AGAINST the Constitutional Amendment providing for annual Sessions of the Legislature, prescribing the compensation and expenses for Members thereof, limiting the per diem for each Session, and authorizing temporary residence of the Lieutenant Governor and Speaker of the House of Representatives in the Capitol."

Sec. 5. That the Governor shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution and laws of this State.

non-profit hospitals with full accreditation with the Joint Commission on Accreditation of Hospitals.

This money, however, had to go for improvements. Under the terms of the grant, it could not be used to clear indebtedness.

With these funds here are improvements that were made.

The new floor covering in the east corridor completes the work contracted to be done when the hospital received the fund of \$10,000.00 two years ago. Among other purchases made possible by this grant are: An Emergency Power Unit, Oxygen Tent, Basal Metabolism Machine, X-ray Equipment, Laundry Equipment, complete Nursery Equipment, inclusive of an Armstrong incubator and bassinets, which allow for individual care for each newborn infant. A number of patient rooms have been refurbished and the hospital lobby was remodeled.

"We owe it to ourselves and to our community to support our hospital," Shadid declared. "We have a hospital cities of 10 times our size could be proud of, and it will be a heavy blow to Wellington if we cannot continue this service."

Taking One Consideration With Another—

An agent's life is a happy one. To misquote Gilbert and Sullivan's famous song about policemen.

It is a happy one because he is often able to render help and service to other members of his community—when help is most needed.

Accidents will happen— mishaps will occur. As experienced insurance men we know the many losses you may face—and just as many ways of protecting you against them.

Let us review your insurance coverage. We can show you the best way to soften the blow—if trouble comes your way.

home after visiting a few days with Wayne Myers. Spurgeon Brown drove up a week later for a visit.

Tom Cunningham of Mangum has conducted a series of sermons at the Church of Christ this past week. Attendance has been good, with visitors coming from Mangum, Reed and Ron.

Bill Myers of Gainesville visited here this past week with relatives and friends. He has been employ-

ed by Sinclair Oil since 1933 and has lived in Bedias and Graham before being transferred to Gainesville last year.

Mrs. Minnette Hodges returned Friday from Missouri where she visited Mr. and Mrs. Witcher of Fulton, Missouri. She was accompanied by an aunt from Duncan, Oklahoma.

Three family reunions have been celebrated recently by pioneer families here and in Greer county. This past week the Pruitt family met at Lodge No. 1 in the Quart Mts. for their reunion.
